Charles Wagner Unit American Legion Auxiliary, meeting and election of officers, 8:30 p.m., 24 E. Nicholas St., Hicksville.

Happy Anniversary!

A 25TH ANNIVERSARY celebration was held by Engine Company No. 7 of the Hicksville Fire Department, which Oyster Bay Town Councilman Thomas L. Clark (second from right) helped mark with a special proclamation. Captains John Pearsons accepted the document backed up by 1st Lt. John Luft (left) and 2nd Lt. Bob Chiz.

Communities Oppose Being "Railroaded" at Landia Station

By Rosemary Grant

The first public effort of any kind extended to the community on Landia Station was held on April 20 by the Metropolitan Transportation Authority at South Woods Junior High School in Syosset. The consulting firm of Chase, Rosen & Wallace, Inc. presented a feasibility study of a recommended Jericho Park and Ride station to be built at the old Landia Station. The audience of about 200 people were invited to comment.

Town of Oyster Bay Councilman Kenneth Diamond, a resident of the area, opposed the size of the parking facility to be built on the old Syosset landfill. Diamond favors 1,500 spaces rather than the 3,700 recommended by the consultant and wants the MTA and not TOBAY to pay for building the parking area. He said the Town will pay for maintenance of the field. He also said 75% of all spaces should be restricted to Town residents only and believes the actual cost of the project will be 3 or 4 times the MTA's estimate of \$8.7 million. Diamond

stressed no construction should be started until the site has been declared environmentally safe.

Calling toxic landfills "time bombs", Jules Bernstein, spokesman for Assemblyman Lewis Yevoli said "The Assemblyman is opposed to any facility at the Syosset Landfill until the proper testing has been done."

Community leaders expressed concern about the landfill and demanded to know when something was going to be done regarding testing. Sheldon Smith from the Nassau County Division of Environmental Health said "The County Board of Supervisors gave approval for the Department of Public Works to extend bids to well drilling firms. We expect well drilling to take place at the end of the summer. We should have the report at the end of the year. The drilling of five wells will tell what is going on at the bottom of the landfill."

The vast majority of speakers were concerned with the environmental problems at the landfill and that

it has not been properly tested. They opposed any construction until these problems were resolved.

Leaders from Syosset and Hicksville stressed the need for better parking facilities, but most people were against a major transportation hub in the area.

Dr. Nicholas Saliese of the Syosset Chamber of Commerce suggested separating the landfill problem from the railroad station and parking dilemma. "We have a problem in the area...help us solve it, but not by creating a major problem far worse than a railroad station," he said.

Mr. Siegfried Widder, executive director of the Hicksville Chamber of Commerce stated, in part:

"Several years ago I met with the Syosset Task Force and shared a letter with them which we had mailed to the Town Board. In this letter dated March 28, 1980, our Chamber suggested that the Town Board immediately arrange to reactivate the Landia LIRR Station. The Syosset Task Force agreed

with the concept of the position we had taken. We still feel this new station could be helpful but from what I have heard tonight I'm sure our Chamber membership would agree with me...do it, but do it right!"

Suggestions were made to improve service at surrounding stations and to build a better facility at Huntington for Suffolk commuters.

John M. Kaiser, Assistant Executive Director for Planning and Capital Programs, conducted the meeting for the MTA and at the conclusion said "You can get all the details set and then go to the community and say why did you wait so long. I feel this way is better because we are developing in consolidation with the community and we get the thinking of the community as we go along."

MTA officials stressed plans are in preliminary stages and if government agencies feel it is inappropriate to continue, they will not continue.

Time is of the essence! There's only two weeks left till our annual Spring Dance and Cocktail Party. Don't wait too long, contact your committee person, members of the Dance Committee, or any of the people listed at the top of this column. A delicious unlimited buffet, rolling bar, and music by The Bay Naturals will be yours to enjoy...and all for \$25.00 per person. The price of your ticket will allow those present at this fantastic, fun-filled affair an opportunity to win lovely door prizes. In addition, raffle chances are available and the prizes are fabulous. But the piece de resistance is the grand prize - a GIGANTIC basket of cheer! We hope YOU win; but remember, you can't win unless you buy a ticket or a raffle chance. Most of all, we do hope you will be able to join us at this event. We don't want you to miss out on a good time.

Of course, many of our elected officials will drop by on the evening of May 14 at Antur's Old Country Manor while our Spring Dance is underway. Here is your

chance to meet and talk with them personally.

My enthusiasm regarding our Spring Dance, mustn't deter me from telling you about our next Club meeting, May 7, which is just one week prior to our Dance. Our program at the Club meeting will feature Mr. Thomas G. Cirucci, treasurer of Universal Fitness Products. Mr. Cirucci will discuss physical fitness and good health habits.

This program is particularly appropriate - with nice weather we can't hide the results of all that good holiday eating and drinking under heavy outer wear. It will soon all (or almost all) hang out.

More and more doctors are convinced that exercise reduces the effects of the aging process. Without ample exercise our heart and muscles become flabby. Proper regular exercise may change your level of fitness to that of a much younger person and is considered an important factor in preventive medicine.

The mind ages more slowly than the body. It is

our greatest resource against aging and it, too, benefits from exercise through improved circulation. As Aristotle said, "The quality of a life is determined by its activities." So join us on May 7, 8:30 p.m., 320 S. Broadway, Hicksville (VFW Hall) and learn what activities will help your length and quality of life improve.

An here's an offer you can't refuse: use the form below to join our Club (or pay your 1982 dues if you haven't already done so). You not only become a member of an informative, interesting and viable organization, but you receive home delivery of the Mid Island Herald for one year - all for the bargain price of \$3.00 (individual) Or \$5.00 (couple).

Galileo Lodge News

By Joe Lorenzo

VENERABLE SKIP MONTEFORTE'S MESSAGE: 'The only time you musn't fail is the last time you try it.' Old Saying.

Last Saturday night, the Galileo Lodge, in a gesture of pride presented its 10th Anniversary and Scholarship Dance. Reception to this event exceeded expectations and all those who attended (members, friends and patrons) enjoyed excellent cuisine, delightful music and dancing, and, of course, the

congeniality of the Galileo Lodge itself. Joe Giordano, the chairman of this dance, along with his worthy assistants, Pete Masiello and Tony Copolla, performed admirably as usual, making this activity a social as well as a financial success. Notable performances by the members named above prompted Venerable Skip Monteforte to extend his sincerest thanks to all those who attended and assisted as they added immeasurably to the new life of our Scholar-

ship Program. The Ladies Auxiliary of the Galileo Lodge will present its May Dance on Saturday, the 29th of May. Terry Gatto (433-6708) will 'chair' this activity, with Mary Barella (931-3960) acting as her capable assistant. Tickets will sell at \$10 per person, a modest fee which entitles you to a delicious hot

dinner, beer, soda, coffee and cake, set-ups and live music from the 'Ray Naturals'. Dance starts at 8:30 P.M., and Terry Gatto announces that she will appear every night at the Galileo Lodge, from 6:00 P.M. on, selling tickets and providing additional information about this dance. Please note that a 'bring-your-own-liquor' policy will be in effect that night. Raffles will also enhance the proceedings. Now, if I may, an additional and personal observation would be that the word 'success' has become a major part of the lexicon of the Ladies Auxiliary. If you at-

tend their affairs, you will enjoy yourself.

On Sunday, the 25th of April, the Galileo Lodge became a part of the big March of Dimes program at Eisenhower Park as its members manned a refreshment stand at Parking Field I, where beverages and food from the 7-11 food chains were dispensed to the marchers of the Walkathon and those in attendance. Another personal observation was that this refreshment stand was like an oasis in the desert to the participants. Jeff Wallick supervised this activity, assisted by a host of Galileo Lodge members, in-

cluding Venerable Skip Monteforte, who has been associated with the March of Dimes for many years. Notable from other lodges of the Sons of Italy in America were present. These gestures of good will continue to prove to the community-at-large that the Galileo Lodge is ready, willing and able to assist other organizations and their programs dedicated to civic-mindedness.

LOBGE TIDBITS: Congratulations extended to Mr. and Mrs. James Posillico as they announced that their son, James Jr., was accepted by Villanova University. (Continued on Page 7)

LEGAL NOTICE

NOTICE OF (ANNUAL) DISTRICT ELECTION HICKSVILLE UNION FREE SCHOOL DISTRICT HICKSVILLE, NEW YORK

NOTICE IS HEREBY GIVEN that pursuant to the resolution of the Board of Education of Hicksville Union Free School District, Hicksville, New York, adopted February 10, 1982, the (Annual) District Election of the qualified voters of this

LEGAL NOTICE

School District will be held on Wed., May 26, 1982, between the hours of 10:00 o'clock A.M. (D.S.T.) and 10:00 o'clock P.M. (D.S.T.) in the seven Election Districts, stated below, for the purpose of voting upon the following proposition(s):
PROPOSITION NO. 1
Shall the Budget approved by the Board of Education pursuant to Section 1716, be approved, and a tax on the taxable property of the District in the amount of such Budget, less State and Federal Aid and revenues

Jericho Artists Honored

The U.S. Postal Service recently announced that a pane of 50 commemorative stamps depicting the official bird and flowers of the 50 states would be issued on April 14.

Each of the stamps is a masterpiece in miniature.

The unique pane is certain to bring national and international attention to the two gentlemen — a father and son — who brought the designs to life.

Arthur Singer the designer of the birds, and Alan, the son who designed the flowers, are the first known father and son team to design a stamp issue for the United States Postal Service. And they have met with resounding success.

The father, Arthur Singer, who currently resides in Jericho, was born in New York City in 1917.

Singer began to draw at the age of four or five and by his early teens was specializing in wildlife. He seemed to have a special affinity for animals and read many books about wildlife. During the Great Depression years, he cherished second-hand periodicals that contained articles about the wildlife he found intriguing. He was particularly impressed with the work of Martin Johnson, Ernest Thompson Seton and William Beebe. He visited the Bronx Zoo as often as possible and says today, "The Bronx Zoo was my second home." (And, in fact, it was there in 1942 that he had his first major wildlife exhibition.)

Even in his early years,

Singer undertook ambitious tasks, and he remembers people being impressed with his work. His parents encouraged his interest in art, but when he began talking about making a career of it, there was the question, "Can you make a living with it?" His aunts and uncles also expressed concern. After all, they remembered the days of the Great Depression, and they did not know anyone who earned a living through art. Some family acquaintances even asked his parents, "When is he going to get serious?"

But Arthur Singer was as determined as he was talented. And he persevered. His early professional art assignments included publicity artwork for Duke Ellington and Cab Calloway, greats of the jazz world, and he formed a long association with them.

In 1956, Singer designed a series of eight prints of American state birds and flowers for American Home magazine. These designs also were sold in portfolio form, sets of the eight prints costing only about three or four dollars each. Millions of these prints were sold, and people still write to Singer requesting them. It was this assignment that Singer calls "my first BIG thing."

It was at Cooper Union that he met Judy Gouffine, another artist, who had a great love of flowers and other botanical subjects. They were married in 1941, and Judy, known professionally as Edith Singer, worked with him on many projects until she died in 1978.

Top picture: Henry Totter, Jericho P.M., Peter Goodwin, Dist. Manager, L.I. Postal District, Arthur Singer, and Alan Singer.

In the lower picture: Peter Goodwin, Dist. Manager, L.I. Postal District, Arthur Singer, Alan Singer and Henry Totter, Jericho P.M.

The Singers' two sons, Paul, now 38, and Alan, 32, also are artists, and Alan, who works frequently with his father, inherited his mother's love of botanical subjects. He assisted his father with the 50 flower designs for the stamps.

Like his dad, Alan developed his artistic abilities at an early age. He earned a bachelor's degree in fine arts in painting from the Cooper Union School of Art and Architecture in New York and a master's degree in fine arts in painting from Cornell University. His works have been included in several solo and group exhibitions, and he has won a number of scholarships.

In explaining how the assignment from the Postal Service came about, Singer said that it actually began in 1978 when James R. Helzer, the President of Unicolor Corporation, literally tracked Singer down after seeing his work for American Home.

Helzer asked Singer to do a series of paintings of state birds and flowers for first day covers for Unicolor. When Helzer saw the

Committee, first contacted Roger Tory Peterson, perhaps the best known painter of birds in the United States. Peterson told Dohanos that his specialty was birds rather than birds and flowers, and he recommended that Arthur Singer be contacted to do the work.

"In a way," Singer said, "it was like doing everything all over again." But he was nevertheless elated about it.

There were problems. Singer wanted each stamp to be different from every other one on the pane. And several states had duplications. For example, seven states have the cardinal as the state bird.

Arthur Singer, however, knows birds. He has studied specimens of the skins of birds and understands the patterns of their feathers. In the 1960s, he did the Birds of the World book, which put him, he said, "on the ornithological map." And his Guide to the Birds of North America is the only bird guide book of its kind in the country because it includes birds of both the east and the west.

"There are many illustrators who are only concerned about portraying birds — or other animals — accurately. While this is, of course, very important, I try to make my work artistically good as well as accurate," Singer emphasized. "To make a work outstanding, it is vital to be concerned about composition. Realism has to be there. This takes imagination as well as

artwork, he immediately recognized the potential for postage stamps, not knowing that the Postal Service had had such a project in mind ever since the 50 state flags issue had been so enthusiastically received in 1976.

Steven Dohanos, then one of the design coordinators for the Postal Service's Citizens' Stamp Advisory

vision. An artist is also a composer in this respect."

Most of the time Arthur and Alan worked together in the studio in Singer's Jericho home, father on one board, son on the other. Singer would place the bird on a board first, indicating approximately where he wanted the flower to go. Then Alan would take the board for the flower design. It worked out surprisingly well, according to the father. While each knew what he wanted to see, there were no conflicts. It seems the Singers belie the "artists are temperamental people" supposition.

Both father and son would first sketch the drawings roughly and then in greater detail, sometimes doing them in pastels for color. After they were satisfied with the sketches, they would transfer the drawings to the board in paint. They did the stamp designs using a tempera water based medium, with both transparent and opaque water colors. The paintings were four by eight inches, which is approximately five times the size of a stamp.

"Stamps are educational," Singer added. "And, we should put something beautiful on them. The United States has wonderful artists — very talented people — and we should have beautiful stamps."

There is no question that two of those "wonderful United States artists" are Arthur and Alan Singer. Last

Dear Friends . . .

It Seems we Are All "At The Mercy of the Courts" . . . For two years now, the Town of Oyster Bay has been in the Courts attempting to prevent Mr. Vincent Agostino from operating his illegal cement hopper. This hopper, which causes excessive noises during the six-day week, is now operating in violation of the Town of Oyster Bay zoning variances and building permits which Mr. Agostino has never been granted because the property on which it is illegally built has been zoned for industrial to office-business use by the Town since 1971.

When Mr. Agostino, who purchased this property on Railroad Avenue in Hicksville, in 1978, applied for the necessary town building permit and variances in 1980, his petition was rejected by the Town Board because of the 1971 zoning changes.

Although warned not to go ahead and build and operate the hopper illegally by town officials, Mr. Agostino went

ahead and built it anyway in flagrant violation of Town laws. His lawyer in court says that his client was legally carrying on an industrial use of the property that applied prior to the 1971 rezoning changes in this area, even though he did not purchase this property until 1978.

The court is scheduled to hear this case starting next week. But, in the meantime State Supreme Court Justice Robert Meade allowed this hopper to operate until the case is settled.

Apparently flagrantly violating zoning regulations . . . which have existed for several years before one purchases property, is OK! One would think that, in deference to those whose homes and business are adversely affected by this violation . . . it should not operate until the courts have decided on the matter. It boggles the mind, when on every side we are urged to obey the law or change it.

SHEILA NOETH

JERICHO ARTISTS (Continued from Page 3)

year, Arthur Singer won a medal as the 1981 Master Wildlife Artist for work he submitted in the prestigious 1981 Bird Art Exhibition organized by the Leigh Yawkey Woodson Art Museum of Wausau, Wisconsin. This exhibition, which will be on view in the British Museum in London, England, March 4 to May 1, 1982, and the Carnegie Museum of Natural History in Pittsburgh, Pennsylvania,

June 7 to July 17, 1982, features some of the contemporary western world's finest bird art.

There is little doubt, however, that 1982 may well be best remembered as the year that Arthur and Alan Singer made philatelic design history with their magnificent triumph, the 50 state bird and flower stamps created for the U.S. Postal Service.

Town Board Meeting

By Sheila Noeth

At its regular meeting held on Tuesday, April 27 the Town Board of the Town of Oyster Bay acted on the following hearings and resolutions:

At an evening hearing, they reserved decision on the petition of Frank and Anna DiMaggio for a change of zone from Res. C District to Bus. F. District on property on the west side of South Oyster Bay Road, south of its intersection with the south

side of Meadow Lane, directly to the north of the Astro Lounge in Hicksville. Approximately 60 residents attended this evening hearing. Fifteen residents spoke in opposition to this petition, concerned about the traffic, in opposition to spot zoning and concerned about what kind of businesses would occupy these proposed stores. The evening hearing was called as a result of a petition, circulated by Mr. Michael Leogrand of 3 Lyons

Letters To The Editor

To The Editor:

I object strenuously to the Hicksville Board of Education's action taken at their April 21 meeting which resulted in a 1.1 million dollar salary increase for the 1983-84 school year, and zero for the district and its taxpayers!

Under this newly-ratified agreement, the teachers will receive an 8% increase for 1983-84 (they have and will receive an 8% increase for 1980-81 and 81-82 under the existing contract). This 8% increase is misleading, for it projects into an 11.5% when you include the increment on the complicated teachers salary scale. Over the period of this new contract, a teacher will have received up to \$9,000.00 in salary increases. In 1980-81 a teacher earning \$24,000.00 will end up with more than \$33,000, a 39% increase, at the end of the contract period, 1984. Those on staff that have 20 years or more service in the district, and there are many in this category, would receive a \$6,000.00 increase, a 26% increase from 1980 to 1984, for a 181 day work year.

This salary increase for 1983-84 school year is given at a time when the inflationary rate is dropping at a steady rate. The first quarter of this year had only a 3.6% projected annual inflationary rate.

The original contract was ratified only six months ago, (Oct. 13, 1981) and it was

agreed by both parties that it would run only for two years. When I asked Mr. Ayres at the April 21st public meeting who initiated the re-opening of negotiations, his reply was "We both did - informally."

These questions occur to me:—Why has not the public interest given equal consideration with that of the teachers? . . . and, What benefit has been derived by this contract extension for the students and their education?

The Board of Education by this action has committed the entire community at a cost of over one million dollars for the benefit of only one segment of our school system - the teachers. In my opinion this should not be tolerated by this community.

Sincerely,
Bill Bennett.

Dear Editor:

It was a tragedy to find out Mrs. Germer will not run again for Hicksville School Board. I think that some school board members are feeding their egos to the point of malice. Our children's education will pay for their glory!

Mrs. Germer has always been honest and straight forward. She has always stated where she stood on the issues openly and unafraid of recourse. We will miss Mrs. Germer and her honesty on our school board which is desperately needed at this time.

I hope Mrs. Germer will think about running again in the future. Hicksville needs someone like her and what she stands for (education for the children) on our school board.

I urge the people in June to examine all the issues closely and to vote their conscience so we don't end up again with more puppets on our School board.

Thank You
Mary Blackman

Dear Editor:

signed in Kennedy Memorial Park had collapsed and has been replaced, but that the emblems have not as yet been put back on display. The emblems will be put back after some of the organizations have had an opportunity to obtain new emblems to replace theirs which have become rusted or discolored from the effects of the weather.

While we were working on this project, the thought was expressed that it might be appropriate for the Chamber to arrange for the placement of another sign to display the emblems of the 16 Houses of Worship in Hicksville.

We would appreciate your helping us by finding out if our neighbors in Hicksville would like to see such a display, and, if they do, where would they like to see such a sign installed.

We should all be proud that our community has this

Town Okays Building Use For Hicksville Auxiliary Police

Oyster Bay Town Councilman Thomas L. Clark announced Town Board approval of a request from Hicksville Unit # 312 of the Nassau County Auxiliary Police for permission to use a portion of the Town-owned Public Parking Bureau Building (Old Pabst Brewery Building) located on West Barclay Street in Hicksville.

The Hicksville Unit will be using a portion of the building as a command post

many Churches and Synagogues available.

We would appreciate it if your readers would write to the Hicksville Chamber of Commerce at 358 - B Mid Island Plaza, Hicksville, NY 11801 to express their opinions on this subject. Thank you for your help.

Sincerely,
Siegfried R. Widder
Executive Director

Dear Mrs. Noeth:

I would like to thank all of you who voted in the Hicksville Public Library Trustee election on April 21. The final count, Fennett - 250, De Ninno - 240, should make us all realize how important every vote is in an election.

To those of you who supported me by your help and your vote, my deepest thanks.

Very truly yours,
Clara T. Bennett

Radio Station during 1982, under a temporary agreement signed by Town Supervisor Joseph Colby.

Clark also indicated that the use of this portion of the building will in no way interfere with the Town's normal operations. "More importantly," Clark said, "the Town of Oyster Bay and its residents will benefit from the increased effectiveness of the Nassau County Auxiliary Police and its trained patrol force in the Hicksville Community."

Completes Course

Sgt. David Sweet, son of Randall and Dina Sweet of Plainview Road, PLAINVIEW, N.Y., has completed a U.S. Army primary non-commissioned officer course in Bad Toelz, West Germany.

Sweet is a military police specialist in Glissen, West Germany.

He is a 1972 graduate of John F. Kennedy High School, Plainview.

Mike Caruso Race Car Exhibit Dedication May 15

Planning for the program to dedicate the Mike Caruso Race Car Exhibit at the Hicksville Gregory Museum on May 15th is in full swing. Invitations have gone out to many well known midget race car drivers and owners who are members of the Eastern Old Timers' Auto Racing Club sponsors of the Race Car "Hall of Fame" at Flemington, New Jersey, into which Mike Caruso was inducted in 1978.

Among the well known sportsmen and devotees of midget racing car days who have accepted invitations to honor Caruso, some of whom are bringing antique midget race cars for display on May 15, on the Heitz Place Courthouse grounds are: Johnny Kay of South Lyme, Conn., who is coming with Caruso's restored # 2 car, the famous "Black Deuce" and the championship car's present owners Mr. and Mrs. Malcolm Barlow, and Henry

Banks, the Indianapolis Race driver, who drove Caruso cars to outstanding wins. Other fine midget car wheelmen coming to honor Hicksville's racing car Hall of Famer and to see the large exhibit of Caruso memorabilia at the Gregory Museum are Johnny Rogers and Myke Collins, officers and trustees of the Western Old Timers Racing Club, co-sponsors of the program honoring Mike Caruso.

The program dedicating and opening the exhibit will begin at 1 p.m. The public, old friends of Mike and race car enthusiasts are invited to see and hear leaders in midget car racing reminisce about Caruso's great cars, his never-to-be forgotten drivers and the thrilling races and championships they won. Six or more midget racers will be on hand for inspection.

The exhibition of Mike

Caruso's racing car memorabilia and trophies will be available for viewing after the program honoring Mike. It will be on display in the historical room of the Hicksville Gregory Museum which occupies the Old Heitz Place Courthouse and Jail, a National Historic Place.

Consisting of many fine midget car photographs, programs, race car driver equipment, the exhibition will have as a center attraction one of Mike Caruso's fabulous engines. Displays will range the field of midget car racing, a sport which once attracted and thrilled millions of Americans. Mike Caruso's distinctive and memorable mechanical innovations revolutionized much of midget car racing. His design contributions will be an important theme of part of the exhibit which will be on display until Labor Day.

An historic moment in midget race car history is mirrored in this photo of the late great Bill Schindler and Mike Caruso, Hicksville's legendary race car owner, designer and mechanic.

Savoring victory in a 1949 150 mile Championship Race at Langhorne, Pennsylvania, Schindler and his mechanic-owner share one of hundreds of victories in their immortal careers. This is one of many

photographs in the Caruso exhibition opening May 15th at the Gregory Museum.

Hicksville Community Council Meeting

The next general meeting of the Hicksville Community Council will be held on Thursday, May 6th, 8 P.M. at the Hicksville Public Library.

The first item on the agenda will be a discussion of the School Budget. Representatives from Administration and the School Board will be present to explain the Budget and answer questions.

The next item on the agenda will be our Fire Department as well as our Fire District. Repre-

sentatives from both will be on hand to discuss the present and future activities of the Fire Department, fire prevention (are you prepared for a fire?), how does our Fire Department support themselves, and do you know where your Fire District tax money is going?

They will also have Barbara Nelson from the Hicksville Youth Council give us an update on their anti-vandalism campaign. They will conclude with the Town Hall portion of the

meeting where all exchange information and views about Hicksville. Councilman Tom Clark will be present to give a progress report on the status of the cement hopper, other happenings concerning Hicksville and to answer questions.

All of the above are of vital interest and concern to the residents and organizations of Hicksville.

Mark your calendar and plan to attend this most informative meeting, May 6, 1982 - Thursday - 8 P.M.

Memorial Day Parade and Services

The Hicksville Memorial Day Parade and Commemorative Services will be held on Monday, May 31st, on its traditional day.

This year's parade and program are being chaired by VFW 3211 under the direction of Joseph Messana and the combined Veterans Memorial Day Committee.

Assembly time will be between 8 and 9 AM, at the Sears parking area off North Broadway.

The parade of community organizations, Veterans groups and school bands will kick off at 9 AM SHARP! and proceed over the route of recent years.

Any organization interested in participating or supporting the Annual Memorial Day Parade, please contact

Appointed Assistant Superintendent

The Hicksville Board of Education has approved the appointment of Ronald L. Friedman to the position of Assistant Superintendent for Secondary Schools, which was held by Dr. Daniel A. Salmon until March of this year. Mr. Friedman joined the Hicksville Public Schools in 1979 as Director of Personnel, and he was appointed Director of Staff and Pupil Personnel in October 1981 when the two functions were combined.

Mr. Friedman began his career in education as a junior high school science teacher in Brooklyn in 1967. From 1969 to 1973 he taught physics at Lawrence High School and became an administrative intern with the Lawrence Public Schools

in 1973. He served as Assistant Principal at Lawrence High School from 1974 to 1979 and took on increasing district-wide administrative responsibilities, handling curriculum and instruction and personnel services at the high school and district personnel at the central office.

A graduate in physics from Cooper Union, Mr. Friedman holds a professional diploma from Hofstra University in educational administration and is now completing doctoral work. He lives in Huntington Village with his wife Shelley and three-year-old son Dustin. His appointment as Assistant Superintendent will become effective as of July 1, 1982.

HHS Baseball

By Bob Hilsky, Coach

The Hicksville High School Baseball Team opened the season with a 9-3 loss to Chaminade. The team is currently 1-4-1. This looks like a rebuilding year after two very successful seasons in which

the team won 37 games. The team is made up of sophomores, S. Allgerer, H. Chin, T. Autolina and McAleese; juniors, J. Migliano, J. Milenkovic, S. Culhane, L. Carlson, R. Martin; seniors, G.

Connolly, T. Lutz, A. Libardi, J. Wandell, B. Murphy, B. Higgins, P. Nealon, and co-captains, S. O'Neill, and J. Decker.

The team starts three sophomores and four juniors and coach Bob Hilsky expects the team to win games as the younger players gain confidence and mature. A bright future is ahead for Hicksville Baseball.

Leading hitter to date is H. Chin and pitchers J. Milenkovic and J. Wandell look good on the mound.

Sophomore pitcher J. Autolina looked great in pitching two scoreless innings of relief is saving tie vs. Berner.

Hicksville Sports

By Howard Finnegan
Hicksville Lacrosse is not in a good state this season but the Orange and Black did match a 10-6 league win over arch rival Syosset.

Tim Holon was the Comet maker with four goals while Chris Jordan, James Caddigan, Peter Magnuson, Anthony Spinossa, Michael Meyer and Bill Dempsey each scored once.

An embarrassing 21-2 win was posted over West Hempstead. John Magee had a four goal outburst in the non-league triumph.

Berner shoved Hicksville to the bottom on one of the Conference rankings with an 11-5 win.

Magee tried hard with two goals, while Nolan, Caddigan, and Jordan were single scorers. Chris Diricks was credited

with seven saves. His net opponent stopped 15 Hicksville shots. Diricks was credited with nine saves at Syosset.

Ray Guckenberger, former HHS athlete, leads the LILCO Employee's Association Bowling League high average department.

With just two weeks of rolling left, he has a razor thin 183.976 lead over Syosset's Tony Abbate with 182.790.

Close behind is Matt Tringali, a Chet Jaworski disciple in those wild wonderful years of Hicksville athletic success, with 181.758.

These marks are after thirty weeks bowling on the Sheridan Alleys in Mineola.

In a year that cannot end too quickly, Hicksville High Baseball did grab off one major headline.

Bill Higgins scored the winning run on a classic squeeze bunt to beat Bellmore, 4-3, in the bottom of the seventh inning.

John Autolina pitched five frames for Hicksville and allowed just one hit.

That is Hicksville High grad Stan Kellner who is doing expert commentary on Sports for Channel 21.

Stan is now back coaching high school basketball at Suffolk's Sponderling High School. It is his second tour here after a two year stint at the head job for Post College.

Stan is the author of a highly respected Book on Basketball training and

conditioning. It has become a must for basketball coaches around the Country. Dean Smith, coach of North Carolina's National Champions wrote the forward with high praise for Kellner's unique approach.

The book is reportedly in its sixth printing.

He was an ardent student of the coaching of Chet Jaworski at Hicksville. In his senior year, he was the lead guard as Hicksville tied Oyster Bay for the North Shore's Eastern Division Championship.

Oyster Bay won a special playoff 43-38 on the Mepham High Boards. The Baymen then went on to its fifth straight County Championship.

In Kellner's three year team membership, Hicksville won 46 and 7 and was excluded from Championship play.

Hicksville's Bill Lesco lived up to his credentials as he scored two goals for Kutztown (Pa.) against Post College.

However, it was another Hicksville Lacrosse player, John Rodney, who stole the thunder. He scored the winning Post goal with just 3:29 remaining. It was an 8-7 win for Post.

Rodney is the Hicksville mar who won the Thrope Trophy as the out-standing scholastic football player in Nassau County in 1980.

As a freshman on the Post grid team, he turned in some dazzling early work before illness forced him to the sidelines last fall.

"Battle of the Sexes"

The annual "Battle of the Sexes" will be waged at the Hicksville Junior High School on Friday evening, April 30. The popular yearly event will feature 9th grade boys and girls competing in a variety of sports activities and all money raised will be used to defray the costs of

the ninth grade graduation.

The "Battle of the Sexes" will begin at 7:30 at the junior high school and tickets will be available at the door at a cost of \$2 per person. The students invite the entire community to "come out and cheer" and support the class effort.

Hicksville Baseball Association

By Ann Macaluso

This year we have 5 Boys Instructional teams. However, the Director, Tom Riley, requested that we don't list scores or standings. He feels the boys are just learning the game, and this year should be non-competitive. Team #1 Solomon Ins. (G. Lecznar) Offense - Glenn Hirtzel and Carl Lecznar. Defense - Steven Perloff. Team #2 T. J. Courtney's (J. Breitfeller) Offense - Thomas Murtha; Defense - John Lagrega. Both teams had an excellent first game. Team #3 Harbor Distributors (V. Grippi) Team #4 Hicksville Bike (T. Flynn) Both teams played well. Team #5 Crown Gas (J. Anci) didn't play.

Savarese) Offense - Shannon Knopp and Joe Savarese. Defense - Greg Bahrenburg and Paul Maresca. Both teams played well. Team #3 Peters Cleaners beat team #4 F & M Deli 8-7. Team #3 (T. Laviola) Good team effort. Team #4 (G. Perloff) Offense - Jose Campos and Chris Croce. Defense - Bobby Telander pitched 3 outstanding scoreless innings. Team #5 Big Red Q Quick Print (G. Noien) didn't play.

STANDINGS

- #2 George Malvese & Co. 1-0
- #3 Peters Cleaners 1-0
- #4 F & M Deli 0-1
- #1 The Dukes 0-1
- #5 Big Red Q Quick Print 0-0
- Boys Minors: Team #2 RJC Distributors beat team #1 Big Sipper Fruit Drink 12-3. Team #2 (R. Gilbert) Good overall team effort. Team #1 (L. Teplansky) Team #3 Dalton Funeral Home (B. Sailor) beat team #4 Old Country Toyota (J. Echezurria) 9-6. Good effort.

The following listings are for games played (4-17 to 4-23) Boys Farms: Team #2 George Malvese & Co. beat team #1 The Dukes 4-1. Team #2 (T. Boyle) Offense - Wayne Rothchild; Defense - Peter Osback. Team #1 (P.

Hicksville American Soccer Club

'85 YANKEES

The Knights of Columbus sponsored under 17 boys their third league game last weekend by a 3-0 score over the Smithtown Sounders. They will drill three times this week in preparation for their State Cup semi-final against the under 19 Queens United on Saturday, May 2. This will be the boys most important game this year as they are gaining valuable experience playing against teams two years older. Coaches Pat McHugh and Bill Cresham are pleased with their progress but this week will have to reach deep down into their warehouse of skill and experience as the competition gets tougher with each round. Jimmy McGeough and Adrian Pepi will sit out this big game; the boys will miss them but that only means they will have to work harder - which they've been known to do.

In the last 41 outdoor games dating back to 1981, the Yankees have won 32, lost 6 and tied 3 - having defeated teams from all over Long Island teams from Virginia, Maryland, New Jersey, Staten Island, West Virginia, Pennsylvania, Massachusetts and even England and Ireland. They have a tough job ahead of them next week however, and we all wish them well.

This week, the 'Player of the week' award went to Paul McGeough as he participated in all 3 goals against Smithtown - scoring one and assisting on the other two put in by John Mitchell and Steve Thompson. Steve Barell in goal registered the team's second shutout and the Yankees are now on the heels of League-leading Massapequa whom they will meet later in the season.

Hicksville Eagles (1979)

By Pete Fujimoto

On a bright, sunny, summer-like day, the Eagles took the field in their 5th game of the season. Coach Bob Campo's starting lineup had Brian Doyle, Mike Conway, Mike Iavarone, and Bob Laine on the front line; Rich Chakrin, Greg Pressman, and Bobby Kratochvil on the middle line; Mike Wazniack, Billy Neway and Bob Lichtman put up a strong defensive wall at fullback to allow goalie David Fujimoto to have an easy first half. The coach rotated Robert Radke and Tommy McBride into the game to maintain the pressure on the Oceanside Cherokees.

The first score of the game was on a spectacular team effort. Bobby Kratochvil sent a strong kick towards the Cherokee goal. The Oceanside goalie went for the ball but couldn't control it. Mike Iavarone was able to capitalize on the goalie's mistake and score a goal. The Oceanside team was able to score a goal later in the game resulting in a 1 to 1 tie.

Cannonballs

By Diane Fujimoto

On Saturday, the Cannonballs played the Huntington Scorpions. The weather was sunny and warm, just right

for soccer. The game began and both teams seemed to be evenly matched. Huntington scored first, but the Cannonballs came right back. Danny McGoey kicked a beautiful long shot putting the ball into the net to tie the game at 1 to 1.

Huntington followed in the second half with another goal to go ahead. The front line, Tommy Baron, Gino Ianucchi, Danny McGoey, and Toomas Nieman played very aggressive. The halfbacks and fullbacks, Larry Bag, Michael Donovan, Brian McNamee, Jason Pinsky, Brian Sierra and Les Spence tried to maneuver the ball into the net, but their attempts were blocked. Danny Fujimoto and David Knuth alternated at goalie, and both boys made some impressive saves.

Alex Shevchenko scored off the goalie's fingertips to tie it at 2-2.

In the final 20 seconds, the Cannonballs tried to kick the ball out of bounds as the Huntington goalie had gone out, but the ball rolled into the net, giving the opponents the score and the win.

Coaches Barbara McCann

Jaek McCann

By Pat Reilly

The Hicksville Comet's traveled to Port Washington to play the Port Washington Arrows. The entire Comet team played together as a team, playing their positions and in executing plays. The Comets were victorious 3-0.

Chris Margaritis as goal was super in producing a shutout game. The forward line of Jamie Curley, Tim Doyle, John Guitari, Frank Humphries and Michael Segal were excellent in passing and in setting up the plays.

In the first half the Comets first goal was obtained by Tommy Pedicini on an assist from a corner kick made by Brian Sacks.

The middle line consisting of Anthony Conti, Tommy Bell, Brian Finnell as center, and Ryan McCann were aggressive in defending of goal and in passing the ball up to the forwards.

In the second half the Comets second goal was scored by Michael Segal with an assist from Brian Finnell. The third goal was scored by Tommy Pedicini assisted by Jimmy Doyle.

With Scott Germer as center, Bobby Himmel and Brian Sacks on the fullback

Galileo (Continued from Page 2)

city of Pennsylvania. James Jr. will study law and engage himself in the many athletic programs it offers. Josephine Domenichello, wife of Pat of our Lodge, will celebrate her birthday on April 25th. A Happy Birthday wish from the Lodge. Jack Riccardi Sr. will celebrate his birthday on May 12th, and his wife Rose will celebrate her birthday on May 27th. A Happy Birthday wish to these nice people. Incidentally, Rose and Jack announce that they will visit California and Las Vegas on an extended vacation shortly. A pleasant trip, of course. Two new members, Ronald De Mat-

line the Arrows found it almost impossible to penetrate the Comet defense.

Thomas Reilly and Scott VanSteen showed great versatility alternating between the forward, mid-field and fullback lines.

Great game Comets keep up the good work.

Hicksville Tornado

Boys Under 9 B Team

Coached by Steve Florio

By Greenspan/Matz

The Hicksville Tornadoes played the Auburndale Celtics this past Saturday on a beautiful sunny afternoon in Queens.

Even though the Tornadoes led at the first half 1:0 and the final score was in favor of the Celtics, the team has showed some good soccer skills and sportsmanship. The Tornado goal was scored with Erik Matz penetrating the Auburndale defense and crossing the ball to Todd Zeff who shot it in for the score from the left wing position into the far corner.

Goaly Rex Germer made some nice saves coming out of the box and the defensive plays of Timmy Carroll, Kevin O'Hea and Larry Neuberger prevented further scoring. The offense led by Junior Furlin, Matthew Greenspan, Jason Kilmetis, Michael Kent, Brian Centrone and Brian Whitman showed some aggressive play.

Hicksville Intramural Soccer

Squirts Division 1

By Joe Matz

The Squirts completed their second week of play last Sunday. The sunshine and warm weather made it a pleasant day for the players and spectators as well. Ten teams played against each other and again some excellent soccer was played by our up and coming four and five year olds.

The game between Ohio and Vermont was thrilling to the crowd and ended in a tie with both teams playing tough soccer. The young referees in charge of these games are doing a great job in watching the safety of our Squirts and at the same time direct the flow of the game. The Ohio team players are, Sean Flanagan, Mark Ridgwell, Elliot Schuler, Matthew Lalin, Robert Bezner, Seth Charnow, Bradley Mandel, Joseph Florio, Christopher and Joseph Matz.

teils and Jerry Nicosio, were sworn into the Galileo Lodge last Thursday night. Three others were to be sworn in. Welcome aboard... July 11th is the next fishing trip. Price is \$15 for members and their offspring, \$20 for non-members. Lodge supplies food and drinks... The fishing trip for May is on the 2nd... A Happy Birthday wish to Nick Crisa, and another Happy Birthday wish to Ann Morace, wife of Joe Morace of the Lodge... The last golf outing was a social success and 16 members attended... On June 21st, Jack and Rose Riccardi will celebrate 44 years of wedded bliss.

Hicksville Football-Scholar Wins High Honors

By Howard Finnegan

The New York Chapter of the National Football Foundation and Hall of Fame has announced that Eric Staehle of Hicksville High School has been chosen as one of the eleven scholar-athletes from the greater New York area.

Eric and his coach, Ron Quattrini, will attend an awards luncheon at the N.Y.U. Club on May 19, at which time Eric will receive his award. The awards will be presented by Tom Scott, former pro star with the Philadelphia Eagles and New York Giants. He was All American at the University of Virginia.

Eric made All-League as a tight end and line-backer while serving as Co-Captain of the team.

His scholastic average is 92, with 1250 S.A.T. scores. Eric has been accepted at the University of Rhode Island, Union College and the University of Valparaiso.

Parents, other Relatives and friends may also attend, the cost of the luncheon ticket is \$12.50.

Mr. James L. McDowell, President of the Football Foundation, explaining that if Eric continues to maintain his academic and Athletic

excellence, established in high school, at the College of his choice, hopefully in his Senior Year, he could become a candidate for the Foundations Graduate Scholar Athlete Fellowship.

Eric, although hampered in the 1981 Hicksville High

Football campaign snared 19 passes for a total of 261 yards recurring.

He had 20 unassisted tackles and was teamed on 48 others. His offensive Blocking grade was 7.5-the second best on the club.

TOWN BOARD (Continued from Page 5)

Giese Property, in Hicksville. When these designs and estimated costs are received by the Town Board there will be a public hearing on this matter.

They also approved a resolution hiring experts to appear in Court regarding

Mr. Vincent Agostino's use of Hicksville property to operate a cement hopper illegally in flagrant violation of the Town's building and zoning ordinances, on property on RR Ave. (see "Dear Friends" column on page 4)

(Continued Next Week)

Obituary

CECILIA M. HANSEN
A former Hicksville resident, Cecilia M. Hansen, died on April 24. She was the mother of William, Rev. Norbert O. Carm, Robert, Gerard and Raymond, sister of Irene Higgins. She is also survived by 12 grand-

children and 10 great-grandchildren.
She reposed at the Thomas F. Dalton Funeral Home, Jerusalem Ave., Hicksville. Mass of the Christian Burial was at Holy Family R.C. Church, followed by interment in St. John's Cemetery.

Students Raise \$1300 Through Reading Olympics

Students in grades 3-6 at Trinity Lutheran School, 40 West Nicholas Street, Hicksville, read 1279 books and raised \$1300 for the school and church expansion during a Reading Olympics. Each of the ninety-four students that participated received book-marks from the Aid Association for Lutherans. Students reading 10-19 books received small gold dove pins. Those who read 20-29 books received large silver dove pins; and for reading more than 30 books a large gold pin was awarded. The top readers (pictured above) in each grade level

received a Good News Bible or a Lutheran Book of Worship.

The students received pledges from members and friends of certain amounts of money for each book they read. Excitement for the olympics was high with the proceeds being used to help support the church and school expansion. The new expansion provide additional classrooms to help alleviate the student enrollment waiting list and give a better opportunity for more community meetings and programs.

The Reverend Dr. John H. Krahn, and Mr. Weldon W. Endorf, principal, stand next to the new expansion plans for Trinity Lutheran Church and School with Norris Henry. Sean Mazzola.

Valerie Crispell and Jill Schuman, winners of the recent Reading Olympics. The students are showing their prizes of hymnbooks and Bibles.

"Artfest"
The Town of Oyster Bay Cultural & Performing Arts Division, (CAPA) and the Department of Comprehensive Arts, Hicksville Public Schools, presents the **RAYVIEW CONSORT**, in a

special "Artfest" concert on Friday May 21, at 8 P.M. The program of Renaissance and Baroque music will be performed on authentic instruments. For further information call 733-2090.

LEGIONNAIRE'S LOG

By Artie Rutz

CHARLES WAGNER POST # 421
HICKSVILLE, N.Y.

"One Of the Grass Roots Of The American Legion"

May 1st is Derby Day to the devotees of the Sport of Kings, but May 1st is the beginning of poppy month to all Legionnaires and Auxiliary members ... All over our great America more than 20,000,000 will be distributed by American Legion Auxiliary volunteers and all contributions go directly to the aid of Veterans or members of the families ... The 'POPPY' as a Memorial flower for America's War Dead began in the years following World War I as the returning veterans gave birth to this new tradition ...

They remembered the 'wild Poppies' which lined the devastated battlefields of France and Flanders, or as the poem says "In Flanders' fields the Poppies grow, between the crosses, row upon row" ... The soldiers of all nations came to look upon this flower as a living symbol of their dead Comrades sacrifices.

THE AMERICAN LEGION adopted the POPPY as a Memorial Flower in 1920 ... Wearing a POPPY this year will honor more than a half million Americans who died, and

nearly one million wounded during both World Wars, the Korean Conflict and Vietnam ... The "Red Crepe Paper Poppy" is the one and only completely Veteran made Poppy in New York State, and is not to be confused with a commercially produced facsimile ... Making Poppies aids the hospitalized veterans both financially and psychologically and has much occupational therapy value ... The material for making the Poppies is furnished without cost by the state organization of The American Legion and the state organization of the American Legion Auxiliary pays the hospitalized veterans for making the Poppies ... Poppy making is accomplished in seven Veterans Administration hospitals in New York State, and one state hospital, Kings Park ... If, "The Red Crepe

Paper Poppy" doesn't appear letter perfect, please bear in mind, it may have been made by a sightless veteran, or a man with one ar., or a man struggling to regain his place in society ...

In addition to the distribution of individual Poppies, the wonderful active ladies of CHARLES WAGNER UNIT 421 AMERICAN LEGION AUXILIARY have gone a step or two further. They are producing POPPY PILLOWS which can be had for a \$6 donation or for a \$20 donation, a 24 inch diameter POPPY WREATH on a stand... For information regarding these pillows, wreaths or Poppies, please contact MAE SHEPPARD at 935 - 3638 ...

LEGAL NOTICE

(Continued from Page 2) ing thereof.

NOTICE IS FURTHER GIVEN that the Board of Registration shall meet in the seven (7) Election Districts described below on: Wed., May 19, 1982 from 3 PM until 8 PM (D.S.T.)

Any person shall be entitled to have his name placed upon such register provided that at such meeting of the Board of Registration he proves to the satisfaction of such Board of Registration to be then or thereafter entitled to vote at the school meeting or election for which such register is prepared. Said register will be filed in the office of the Clerk of the District on May 19, 1982, and will be open for inspection by any qualified voter of the District from 9:00 A.M. to 4:00 P.M. on any week day from May 20, 1982 up to and including May 26, 1982. Residents who voted at an Annual or Special Meeting of the District within 4 years from the date of the current (Annual) Meeting, or who registered within that time need not register to be eligible to vote at the (Annual) Meeting. Residents otherwise qualified to vote who are registered under the provisions of Section 362 of the Election Law as amended by Chapter 629 of the Laws of 1975 need not register to be eligible to vote at the Meeting.

NOTICE IS FURTHER GIVEN that during the voting hours on May 26, 1982, The Board of Registration will meet in the various election districts to receive registration for the ensuing year.

News From The Plainview-Old Bethpage Road Runners

Local runners were very much in evidence at the April 3 Plainview PBC 10,000 Meter Run. Pictured here seconds after the start are Tom Cerrano of Plainview (# 423), Bob Oblas of Old Bethpage (# 285) and Steve Attias of Plainview (# 18).

The last of the snow is gone, the trees and bushes are in bud, and the roads of Long Island are full of runners - all welcome signs that spring has finally arrived. Many members of the POBRR are welcoming spring with some fine efforts in local road races. The Mike Connors 5K Run on April 10 was an especially successful one for a couple of our younger gals. Doreen Pettus (20:35) sped to the first place trophy in the women's 20-29 age group, while 13 year old Elise Constantine (20:36)

matched Doreen stride for stride to take first place in the women's 14 and under age group. 13 year old Kate Ahlers recovered from a nasty fall early in the race to come in with a fine 22:57 time. Doreen also battled a very tough field to take 5th place (1:39:44) in the 20-29 age group in the Eisenhower Park Lite Beer Half Marathon on April 18.

Also on April 18, Bert Jablon took first place in the 55-59 age category in the Blue Point Fire Department 5 Mile Run, while fellow Club member George Dennis finished third in that category and George's daughter Vicki sped to second place in the women's 25-29 group. Congratulations to the Club's Boston Marathon finishers - Larry Davidson (2:56), Gerry Kaufman (3:35), and "Bandit Bob" Mueller (4:58). Bob had trained for Boston with a

Best of luck to all the runners competing in the May 2 Long Island Marathon. Teams are now being formed for the May 15 4x5000 Meter Relay sponsored by the Flushing Meadow Track Club. Anyone interested in taking part can call Mike Polansky at 433-0919.

pr" of 2:01:01 in the April 4 Island Track Club Half Marathon in Commack. The Club's April 20 meeting was a smashing success, highlighted by the first showing of the 34 minute videotape of the April 3 Plainview PBC 10,000 Meter Run, another triumph for Club VP Tony Miracola. Congratulations to Bert Jablon, Karen Marwin, Charlie Kaufman and Howie Greenberg, who won the four "door prizes" at the meeting - subscriptions to Running Times Magazine.

Eighth Precinct Crime Report

By Police Officer Kenneth A. Box SH-365
 A residence at 82 Dean St., Hicksville, was broken into on April 21. Entry was gained by breaking glass in a rear window. Stolen was assorted jewelry.

 A residence at 101 Lantern Rd., Hicksville, was broken into on April 25. Entry was gained by breaking glass in a rear window. Stolen was assorted jewelry.

WITH 89 CHEMICAL BANKS ON LONG ISLAND, THE HIGHEST INTEREST IS JUST AROUND THE CORNER.

CHEMICAL BANK'S HIGH-INTEREST 6-MONTH C.D.

Give us your money for just six months, and at Chemical Bank, we'll make the most of it. Because when you invest at least \$10,000 in our 6-Month C.D., you'll get the highest rate allowed by law on this type of account.

What makes it even better is that your investment is 100% safe. It's fully insured up to \$100,000, and you're guaranteed the same high return for the entire term of the account.

In fact, top interest could literally be right down the road. Because Chemical has more branches than any other bank on Long Island.

But that's only one of the many conveniences that come with a Chemical 6-Month C.D. For instance, if you'd like, you can have all your earned interest credited monthly to your Chemical checking or savings account.

What's more, when your certificate matures, we'll give you the option of renewing it for another six months at the rate in effect at maturity or the following week's rate (whichever is higher).

On the other hand, you can have access to your investment even before it matures with Chemical's 6-Month Liquid C.D. For details, stop by any branch.

Last, but not least, on Chemical's list of attractions is a gift or a cash bonus for opening or renewing a 6-Month C.D. account. We think you'll agree it's a nice way to wrap up our whole package.

CHEMICAL BANK
 LONG ISLAND'S LEADING BANK.
 Member FDIC

Additional information is available at any branch. Federal regulations require substantial interest penalty for early withdrawal and prohibit the compounding of interest during the term of this deposit. Deposits must remain on account for six months. Cash bonus will be deducted in case of early withdrawal.

LEGAL NOTICE

PUBLIC NOTICE
 NOTICE is hereby given, pursuant to law, that a public hearing will be held by the Town Board of the Town of Oyster Bay, Nassau County, New York, on Tuesday, May 18, 1982, at 10 o'clock a.m., prevailing time, in the Hearing Room, Town Hall, East Building, Audrey Avenue, Oyster Bay, New York, for the purpose of considering a proposed amendment to the Building Zone Ordinance of the Town of Oyster Bay in the manner set forth hereinafter: PROPOSED AMENDMENT: Petition of DELCO DEVELOPMENT CO. OF HICKSVILLE for a Change of Zone from "H" Industrial District (Light Industry) to "G" Business District (General Business) of the premises described as: An irregular parcel at Hicksville, Town of Oyster Bay, Nassau County, New York, located on the southerly side of Old Country Road, approximately 400 feet East of Broadway-State Route 107, having a frontage of 288 feet on Old Country Road, an

LEGAL NOTICE

easterly line of approximately 493 feet, running along the L.I.R.R. right-of-way; a westerly line of approximately 591 feet; and a westerly line extending northerly approximately 950 feet; consisting of Lots 15, 553 and part of Lot 565, 572 and 573 in Block 273-1 of Section 46 on the Nassau County Land and Tax Map. The above-mentioned petition and map which accompanies it are on file and may be viewed daily (except Saturday, Sunday or Holidays) between the hours of 9 a.m. and 4:45 p.m., prevailing time, at the Office of the Town Clerk at Oyster Bay, Hicksville and Massapequa. Any person interested in the subject matter of the said hearing will be given an opportunity to be heard with reference thereto at the time and place above designated. TOWN BOARD OF TOWN OF OYSTER BAY, Supervisor. ANN R. OCKER, Town Clerk, dated: March 25, 1982, Oyster Bay, New York.
