Hicksville Yankees Reach Top Eight In Country

Just about one year ago, this same news headline appeared in this paper when the Hicksville Yankees, as 16 yr. olds, attained the Region 1 Soccer Finals in Binghamton, N.Y. Since the country is divided into four regions, this ranked them as one of the top eight soccer teams in the USA. To reach that plateau, the Yankees (coached by Pat McHugh and Bill Cresham and sponsored by the Joseph Barry K of C) in single elimination games, had to defeat first; Long Island teams; then teams from New York State to become State Champions and finally in Binghamton they defeated state champions from West Virginia, Pennsylvania, Massachusetts and Virginia before losing to Maryland in the finals due to an inordinate amount of injuries.

Last week-end as 17 year olds playing against 19 year olds (there are no 17 or 18

year age groups in Regional Competition), they again reached the Regional Finals. This year, the competition was held at Princeton University over Memorial Day week-end and the Yankees again had to repeat as State Champions, et. to earn the trip to Princeton.

In Region 1, twelve State Champions were involved but since only eight (for quarter finals) would go to Princeton, a preliminary round had to be held to eliminate four teams. The Yankees were selected to play in the preliminary round and defeated a very strong team from Northwest New York. The 8 champions who made the trip to Princeton were: Rhode Island, New York, Western Pa., Maryland, Virginia, Eastern Pa., New Jersey and Connecticut. The boys drew Rhode Island as their first opponent and moved into the semis with a decisive 4-0 victory. Scoring

for Hicksville were Dave Smyth, Mark Schindler, Adrian Pepi and Vinny Christiano.

The tournament favorite, Maryland, was next for the Yankees. The boys were apprehensive and concerned but their confidence was high and they received an added boost when they saw the many parents and friends from Hicksville who made the trip to cheer and support the team. The day was hot and humid but both teams were ready and played hard, physical soccer for the full game (90 minutes) with neither team scoring. Since a winner had to be decided, the rules called for two 15 minute overtime periods. Both teams took a short break and went back at it for 30 minutes more with the same result - a zero zero tie. A star for the defense in this match (Jim McGeough, Billy Cresham, Steve Dolan, Jeff Kitt, John McCann,

Kevin Cahalan and keepers Gene Tyranski and Steve Barrell). Next came the dreaded, pressure-filled penalty kick situation with each team alternately taking 5 penalty kicks. The Yankees have done extremely well in this situation in the past due to truly great goaltending by Gene Tryanski as well as good shooting by the kickers. Against Maryland, the Yankees prevailed by a 4-3 score with Gene making two exceptional saves. The scorers for Hicksville were: Dave Smyth, Mark Schindler, Steve Dolan and Jimmy McGeough who played a tremendous game for the whole 120 minutes and, appropriately, scored the game winner. This was a great match for the Yankees and a great win as, every Maryland player was a freshman in college and the Hicksville boys are all sophomores and

HOMES/DINERS TERRORIZED

By Police Officer Kenneth A. Box

The 2nd squad is investigating the robbery of approximately 10 people, employees and customers, in the Jericho Townhouse, Jericho Tpke., Jericho between 12:15-12:45 A.M. May 25.

There were approximately 6-10 male and female blacks who participated in the robbery. They were getting in the diner at the time.

A couple of the suspects got up and confronted a waitress, Nancy Costello, in the kitchen. As they were doing this some of the other suspects approached the owner, Andreas Tzatzimakis, 36, and customers.

Some of the victims were kicked, punched and shoved and were told that they would be shot if they didn't comply.

After getting all the valuables, the victims were herded into the counter area and were told to lie on the floor. The robbers fled on foot through the front door and kitchen area and escaped in a brown Ford station wagon and a white mercedes. The proceeds were approximately \$5500.00 in currency and jewelry. All the men were armed with revolvers.

Injured were: the owner, contusion to head, struck by unknown object, Eleanor Long, 47 customer, kicked in leg - pain, Marie Collins, employee, kicked in leg - pain. They all refused medical attention.

As the result of a combined effort by Nassau County Detectives involving a lengthy and thorough investigation, an arrest was made on May 31 at 4:35 p.m.

Arrested at 886 Dumont Ave., Brooklyn was Annel Kennedy, age 18, of 426 Essex St., Brooklyn N.Y. She is charged with Robbery First Degree and will be arraigned at First District Court, Mineola.

There will be other charges presented to a Grand Jury. While the investigation is continuing other subjects are being sought.

Plainview House Robbery
At approximately 12:30 a.m., May 29, at least 5 heavily armed male blacks, forced their way into a Plainview home, terrorizing the family and their visitors.

Thomas and Janet Reilly of 1 Montclair Road, Plainview had hosted a party earlier for their children and their friends. As the party was breaking up Mrs. Reilly went to her front door and was met by 2 armed assailants, who forced their way into the house. They were later joined by the other robbers. As they entered the house, the remaining guests from the party and family members were herded into a nearby room and ordered to disrobe and lie on the floor.

One of the male guests hesitated and he was hit repeatedly in the head with a blunt instrument. He is i-

dentified as Bruce Sirlin, 21 years old from 185 Morton Blvd., Plainview. He was treated at the hospital for contusion and lacerations under left eye and released. Several of the female guests at the party were sexually abused. The felons then proceeded to ransack the house and remove any money and valuables from the victim's clothing. The investigation is continuing.

Based upon physical evidence found at the Plainview house robbery, a car used by the gunmen was traced to Brooklyn where it was apparently stolen earlier in the day. Nassau County Police issued an alarm for the vehicle and the five or six gunmen.

The vehicle was recovered in New York City after a stakeout and ensuing gun battle between five men and New York City Police. Police arrested three of the five, two escaped, and took the trio to the 83rd Precinct in Brooklyn.

Old Westbury-Shooting.

Rape - Armed Robbery
At approximately 1:15 a.m., May 29, six male blacks armed with handguns, entered the Sea Crest Diner on Glen Cove Road, in Old Westbury and announced a robbery.

The gunmen went to the three sections of the diner and herded the approximately 75 patrons and employees into one area.

They ordered several patrons to disrobe and then proceeded to collect cash and valuables from those assembled. In another room one of the gunmen then raped one of the female patrons, while the other robbers sexually abused several others. Two patrons who did not comply quickly with the gunmen's demands were shot in the buttocks with a small caliber handgun, both are in stable condition in Nassau Hospital. After approximately 45 minutes the six left taking an undetermined amount of cash and valuables.

The two injured men are identified as Marc Rosen, 26 years of age from 469 McKinley Street, West Hempstead and Rory Moroney, 16 years of age from 147 Whitney Street, Westbury. The night manager of the diner is Anthony Modica from Bellmore.

Arrested in Brooklyn: Michael Williams 22 Years, 986 Dumont Street, Brooklyn; Robert Samuels 19 Years, 384 Atkins Avenue Brooklyn; James Martin 20 Years 13 Cooper Street Brooklyn.

LOVE—THAT'S WHAT IT'S ALL ABOUT!
"Love, love, love - that's what it's all about. Because God loves us we love each other; mother, father, sister, brother. Everybody sing and shout, 'cause that's what it's all about—It's love, love, love—it's about love."
This beautiful little song is one of many we sing at our wonderful Vacation Bible School. In Acts 11:19-30 we see a generous act of love as Christians took up a special offering to help fellow Christians who were suffering because of a famine. In 1 John 4:7-11, "the beautiful fragrance of love fills the air in nearly every verse, like the pervasive smell of lilacs in the springtime."
Several years ago in a

group-building exercise, I asked people to think of an object or animal they would like to be if they could not be a human being. I can remember one person saying they would like to be a porcelain vase of great value that could be placed on a shelf and treasured. Another person said they'd like to be a cat which could cuddle upon people's laps to be stroked and loved. Most of the responses demonstrated the need to be loved and cared about. Again and again in counseling, I hear people lament, "He no longer tells me he loves me; she no longer shows that she cares." The obvious reason why so many people are feeling unloved is that not enough of us are loving.

From all reports there is plenty of illicit sex, but there is not enough loving going on.

First John 4:7 begins and ends with the words "love one another." Our ability to be loving, our willingness to share our love is a sign of our oneness with God; not a condition for receiving God's love. Our love does not save us. It was God's loving which extended itself to us not because of our goodness or loving but because He, God, was good and loving. Our believing and accepting of God's love in Christ is not doing God a favor, but doing ourselves the greatest favor possible. God will be with or without our faith and love, but we will only be a

and, of course, a special thanks to all the loyal people of the Lodge who also helped to insure the success of this dance. Needless to mention that this special thanks comes from the Galileo Lodge and its membership. Think of it, all this for only \$10 per person!

Although I appear a trifle biased when I extol the virtues of the Galileo Lodge, I still can safely say that many of its patrons and friends have always found its activities infused with a special quality, the kind that makes such activities enjoyable and pleasurable. Affairs held by the Galileo Lodge remain indelibly etched in our minds.

They say that the proof is in the pudding, and if you were present at the Galileo Lodge last Saturday night, at which the Ladies Auxiliary presented their May Dance, you would have seen the proof of the above-mentioned conclusions. Superb! Delightful! Tastefully presented! Delicious food, dance music that urged your feet and body to move, the conviviality of the Ladies Auxiliary, all provided for the infectious exuberance that over 300 people encountered that night. An excellent performance by Terry Gatto, the Chairlady, and her assistant, Mary Barella. An excellently prepared dinner, by the kitchen force, namely, Jim Posillico, John Keiper, Jules Meszaros, Andy Guiliano, Frank Miccio, Pat Gatto and John Janotti. And a special thanks to the bartenders, Mickey Russo and Bert Molinelli.

A record will be kept of your donation or that of any donor in your family, so that your family will be protected. Giving blood is a simple thing to do. It takes about 60 minutes and it is not considered a big deal for the donor; but it certainly is a big deal for the person who needs it. To donate blood, a person must be in good health, between the ages of 17 to 66 and weigh about 110 pounds or more.

All donors and prospective donors will be fed at the Galileo Lodge after processing.

The members of the Executive Committee of the Nassau County Republican Committee recommended today Paul Curran as their choice for Governor in the fall election.

Meeting at the Westbury Headquarters, the 69-members of the Executive Committee recommended also candidates for Congress, the State Legislature and the County Clerk.

Agreeing that Curran with his extensive background in the Legislature has the best opportunity to win the gubernatorialship and help the state legislators across the state win election, the Executive Committee said they would recommend to the state Committee members from Nassau County to vote for Curran at the State Republican meeting in June.

In no surprise, County Clerk Harold McConnell who is seeking his sixth term of office, was recommended to succeed himself. He has served as County Clerk since 1968.

In the Congressional races, three candidates were named. In the Third District, Congressman John LeBoutillier (R-Westbury) received the nod. In the Fourth District, Congressman Norman Lent (R-East Rockaway) was the pick, and in the Fifth District, Congressman Raymond McGrath (R-Valley Stream) was voted to succeed himself.

In races for the State Senate, one new candidate was picked. Assemblyman Dean Skelos (R-Rockville Centre) was recommended to run in the Ninth Senatorial District. This district was formerly shared with Queens County, but under reap-

portionment the district is now totally in Nassau County.

Assemblyman Skelos was elected to the Assembly in 1981 by 64% of the vote, succeeding Raymond McGrath who was elected to the Congress at that time.

In the other Senate races, Senator Ralph Marino (R-Muttontown) was recommended in the Fifth Senatorial District, Senator John R. Dunne (R-Garden City) in the Sixth District, Senator Michael J. Tully, Jr., (R-New Hyde Park) in the Seventh District and Senator Norman Levy (R-Merrick) in the Eighth District.

In Assembly races, several newcomers were recommended to oppose the four Democrat incumbents and for one open seat.

Newcomers included Ernest T. Bartol in the 13th Assembly District, Daniel Frisa in the 15th district, Herbert "Neil" Egleston in the 16th District, Briding Newell in the 18th District, Gregory Robert D'Angelo in the 20th District and Gregory Becker in the 21st District.

Incumbents recommended were Assemblyman Philip Healey (R-Massapequa) in the 12th District, Assemblyman Frederick Parola (R-Wantagh) in the 14th District, Assemblyman Kemp Hannon (R-Garden City) in the 17th District, Assemblyman Armand D'Amato (R-Baldwin) in the 19th District, and Assemblyman George Madison (R-Franklin Square) in the 22nd District.

The new candidates named were for the most part young men and women with diversified backgrounds. On-

ly one is a lawyer.

Ernest T. Bartol, Republican candidate in the 13th District, is a Garden City lawyer. A lifelong resident of Nassau County, he is currently the Republican Executive Committeeman from the Syosset/Woodbury area. He's a graduate of Chaminade High School, Fordham University where he earned a Bachelor of Science Degree with a major in accounting, and a law degree from Villanova School of Law. He lives in Syosset with his wife, Christine, and their three children, Jacqueline, Aimee and Suzanne. He is 36-years old.

Daniel Frisa of Westbury, has broad experience in the fields of marketing management, marketing and sales promotion, merchandising and administration. He is presently employed by Marion L. Jackson Association, Inc., of New York City. He's a graduate of St. John's University, earning a degree in marketing in 1977. He is 27-years old.

Herbert "Neil" Egleston of Port Washington, is a graduate of Queens College, majoring in Business Administration, and Bryant High School in Queens. He has been associated with the insurance industry for 26 years and is presently employed at Fiduciary Consultants of America, Inc. He served as Commissioner of Community Development, Town of North Hempstead, and was Chairman of the Junior Golf Committee at the North Hempstead Country Club. He's a former marine. He is 47-years old.

In the 18th District, Briding Newell is the pick. She is the first black to be named

by the Republican Party of Nassau to seek an Assembly seat. She is a 33-year old special assistant in the County's Commerce and Industry Commission. Prior to her present position, she served as a legislative aide to Assemblyman Kemp Hannon (R-Garden City) and has been director of the Roosevelt Public Library's Art Workshop Gallery and a deputy director of the Long Island Area Development Agency.

In the 20th District, the Committee named Gregory Robert D'Angelo of East Rockaway, who owns his own consulting firm. He is a graduate of St. John's University, earning a Bachelor of Science in Pharmacy in 1953. He also took graduate studies in Communication Arts at New York Institute of Technology. He is married and has four children. He served in the Navy. He has been active in the pharmaceutical field, having appeared on television and written articles concerning drug abuse prevention. He is 53-years old.

In the 21st District, the candidate picked is Gregory Becker, of Lynbrook, son of Supreme Court Justice Francis Becker, and grandson of the late Congressman Frank Becker. He is a real property consultant. His wife, Tina, is a school teacher in the Lynbrook Public Schools. He is a graduate of Long Island University C.W. Post Center and Nassau Community College, receiving a degree in Business Administration. He is President of the Lynbrook Youth Athletic Association and Treasurer of the Lynbrook Young Republican Club. He is 28-years old.

\$400,000 Pledged To Date

Believing in the future of Hicksville, the members of Trinity Lutheran Church, 20 West Nicholas Street, have already pledged \$400,000 to build a facility so that they could better serve the community. "We still have several hundred church families to visit and are praying that we reach our challenging \$600,000 goal," Trinity's pastor, Dr. John Krahn commented.

Trinity is already \$75,000 over the amount pledged in her last capital pledge effort. This is nearly 25 percent above the previous best effort. The families associated with Trinity have been asked to pray daily for her ministry and to pledge weekly an amount over and

above their regular giving. So far the response has been very positive.

Dr. Krahn emphasized that Trinity wants to help make Hicksville a community which better demonstrates the virtues of love and caring. "We like to think of our church and school as a caring place. If we demonstrate that we care, we hope we can then inspire others to care."

Trinity invites the community to pray that God will bless her efforts in its behalf. She also needs the help of individuals and businesses in order for her courageous venture in faith to succeed. Join her in building today for a better tomorrow.

"For the good that needs assistance
For the bad that needs resistance
For the future in the distance
And the good that we can do."

The Junior String Camerata, Nassau County's only string youth orchestra, has just returned home from a very successful concert tour of the Bahamas. The tour took place during the week of Spring Vacation, April 12-16. They flew to Freeport from New York. The Camerata did a series of performances, 5 concerts in total, for the hotel guests of the Lucayan Hotel, the Bahama Princess, the Bahama Towers, the Atlantik Beach, and the International Bazaar, a world famous shopping center. In addition, one special concert was presented to a group of orphan children at the local YMCA of Freeport.

There was plenty of time for swimming at the hotel

pool, walking on the beautiful beaches, and, for the more hearty, para-sailing. To be sure, this trip will be a memorable one for the 40 Camerata members and their 3 chaperones.

The funding for the trip is done entirely by the individual musicians. The main source of fund-raising comes from candy sales, and subscription series. The Camerata, now in its third year, is under the musical direction of Roberta Kaufman, Founder and Conductor.

Participating in this year's tour from Hicksville were: Tim Mulligan, bass.

For audition information, or information regarding the Camerata, please telephone: (212) 544-1277.

Hicksville "Strikers" Own Philadelphia

By Al Greenspan

This Memorial Day weekend the 'Strikers' U/16 1986 boys coached by Impre Tandy went to Philadelphia to play in the 16th Annual Philadelphia Classic and won the Hunter Cup. This trophy is similar to the Stanley Cup in Hockey where the winning teams name is placed on the cup for all to see in the future. Previous winners came from Chicago, Penna, Ohio, N.J., Canada and other areas, this is the first time a team from New York State has won the cup.

The team had a rough schedule playing 2 80 min games a day with only 90 min. rest between games. Their overall record for this tournament was 5 wins and 1 loss, scoring 25 goals while only allowing 5. The preliminary round games where played against Philadelphia teams and the Strikers posted a record of 3-1, the only loss came against the 1982 Pennsylvania State Champions who had previously lost to H.B.C. the only other Long Island Team in the tournament and soon to be LIJSL Division 1 champs. The Strikers having already clinched a semi-final spot and playing in very hot muggy weather were told to play an easy game against the PA champs so as not to exhaust themselves for the semi-final game against Huntington Boys Club who went undefeated in the preliminary round.

The night before the semi-finals Coach Tandy and his assistants went over the H.B.C. Roster to try and devise a defense to counter the very strong mid field of H.B.C.. The boys were instructed on how to play against H.B.C. and told they may not get another chance to play them at full strength since 3 players would not be playing in the normal league game. In the first 10 Min. of the game the Strikers took a 1-0 lead on a hand ball in the penalty area. The next 10 min. saw HBC attack and only the excellent play by the Strikers and outstanding

goal tending by Jeff Micheli kept the score at 1-0. Twenty minutes into the 2nd half the Strikers made the score 2-0 and H.B.C. started to feel the pressure, substituting freely the Strikers kept pressure on the HBC defense so that a last minute attack could not be mounted and the Strikers proceeded into the finals. This game was won by the entire team, they played as a unit the transition from offense to defense was smooth they covered for each other and proved that they could play with the best.

The team had to play a very good team from Pennsylvania in the final and the Strikers had to guard against an emotional let down. The team they were to play was 'lower Southampton' who beat the Strikers 2-0 in the 1981 Massapequa Tournament and had won 5 games coming into the final.

The Strikers put on a show for the people of Philadelphia, passing running to open space, well executed traps, in general they demonstrated all the things they previously were taught. They won the game 2-0 scoring 1 in each half and in doing so they showed the spectators why Long Is and is in the forefront of soccer, and they won the respect and admiration from all the people for their conduct both on and off the field.

The Hunter Cup was won by the entire team and while there were great individual efforts put forth by many players on offense and defense the cup was won by each player doing what was best for the team. The parents and club should be very proud of this team and regardless of what occurs in the future this tournament marked the change from boys to young men and when this team faces the tough competition ahead will look back to this weekend and know they can win.

The Hicksville 'Strikers': Joe Abbatiello, David Bell,

Troy Buckley, Jerry Dessart, John Diehl, Evan Fischer, John Frattini, Scott Greenspan, Kevin Jung, Brian Lancer, Todd Lewis, Jeff Micheli, Mike Sini, Steve Tandy, and Craig Ibanez. Chris Habersaat who is injured and Mike Niedziwicki could not be there.

Tennis Court Construction

Hicksville tennis enthusiasts take note: construction is now under way on the five tennis courts behind Hicksville High School and community residents can expect to resume serving and volleying by July. Nearly 30" of soil will be excavated and replaced with a layer of porous material to support the new surface, an asphalt material with a special color coating system. In addition to resurfacing operations, space between the courts will be increased to permit easier access for players using the facilities. The cost

of the renovation—over \$90,000—is being funded by an appropriation in the current school year's capital budget.

"The district is following an ongoing schedule of maintenance and upgrading our facilities," explains Hicksville Board of Education president John P. Ayres. "The public wants the highest quality and the best value in the facilities and equipment purchased with tax dollars, and we are pleased to announce that Hicksville residents will be able to enjoy the new courts during the coming summer season."

Hurricanes Take Second At New Rochelle

This weekend, the U/10 Hurricanes travelled to New Rochelle to participate in their first tournament.

Their first opponent was Valley Stream, and Hicksville's first goal was on a cross to left wing Stephen Pine who put it in the net. Goal 2 was on a corner kick from Kevin Morrisroe to center Bobby Ladimir who scored. Goal 3 was by Brian Garnets on a cross from Pine. The next goal was by Ladimir on a rebound of a deflected shot by center-half Drew Donohue, from a throw-in by Morrisroe. Pine scored next on a cross by Garnets, then Chris Santarelli scored off a clip shot by Donohue. After a major line switch by Hicksville, wing Brian Spinner scored on a long pass from mid-field. David Kuck scored next on a cross from Dominic DeRiso. Kuck scored again, and the tenth goal was a beautiful head ball.

New Rochelle was the afternoon match. This was a more evenly matched game, with them scoring first. Pine retaliated by scoring on a pass from Kuck. Hicksville's second, and winning goal

came a short time later when Pine trapped the ball, turned it and lobbed it in. The defense, consisting of Chris Flanagan and Eddie Kelly as stoppers, and Matt Adelstein, Kuck and Spinner as fullbacks did their usual excellent job of keeping the ball away from Hicksville's goal.

Game 3 on Monday, was a tougher game. Ridgefield Conn. was awarded a penalty kick. Goalie Mike Langsam judged the ball perfectly and caught it. Hicksville was awarded a penalty shot minutes later and Ladimir put it right by the goalie. Langsam played an incredible game, with a number of great saves. Conn. scored later, tying the game at 1-1. Kuck also made some tremendous runs to break up Ridgefield's scoring attempts.

The quarter - finals saw the Hurricanes against Bedford. The first goal was on a cross from DeRiso to Flanagan to Pine. Ladimir scored next on a deflation of Pine's next shot. Pine pushed the ball through a confusion of players inside the 18 yard line to make the score 3-0. Adelstein and Spinner broke

up the opposition's offensive plays, along with Kelly and Kuck. Morrisroe scored next on an across the goal shot that caught their goalie completely off guard. The fifth and final goal was a perfectly placed head ball by DeRiso.

Monday morning was the semi-final against Poughkeepsie. The opposition scored first, but the Hurricanes came back and scored a shot by Pine. After some evenly matched play, with Flanagan, Donohue Kelly and Santarelli controlling the midfield, Hicksville was awarded a penalty kick which Morrisroe put by the goalie. Goalie Mike Langsam made a terrific save blocking a low rebound shot with his knees. Pine came back, dribbled by two defenders and slammed the ball in for a 3-1 final.

The finals saw Hicksville against Hewlett - Lawrence. We scored first on a throw-in from Ladimir to Pine who headed it in. H-L came back to tie it, and the score stayed 1-1 until the last two minutes when H-L scored.

Hicksville played tough, consistent ball all weekend, running up a remarkable 22 goals scored and only five goals against in six games. The boys held position, well and dribbled and passed the ball just as practiced. Congratulations to everyone on the team for a display they can be extremely proud of.

Hicksville lost the 1982 team title 675 to 684 to Lawrence. The usual golfing powers -- Syosset, 692; Garden City, 700; and Jericho 723, trailed the Comets.

LEGIONNAIRE'S LOG By Artie Rutz

CHARLES WAGNER POST # 421
HICKSVILLE, N.Y.

"One Of The Grass Roots Of The American Legion"

The turnout for the Memorial Day parade continues on the downward side even though some of our members were driven ... I can remember when the Color Guard considered this date as the most important of the year and had as many as 12 men in the line of march ... Commander Braun wishes to thank Marie Comble, Lil Molinari and Mary ... for making ready the after-the-parade collation at the Post.

Another year has run its race and is now history as we face the first thrust of the new LEGION YEAR of 1982-83 with tonight's parade of

the Nassau County American Legion Convention at East Rockaway.

Tis a shame that most members never realize the joys of camaraderie generated by conventions year after year but if you do not get active with the Legion, and stay active, you have struck out before you have come to bat ... Socializing with members of other Legion Posts year after year comes under this heading of 'camaraderie' and in no time at all you come to appreciate the work done by various Legionnaires each year and to judge their merits ... And they, yours ... Sad to say,

but, the camaraderie is gradually waning as the years take their toll with wholesale desertions to Florida and other retirement areas ... Replacements for these good men who have fled our local clime are hard to come by, and harder even to retain year after year ... But, I will tell you this, its sure great to hear someone say "Hey, how the heck are you, it wouldn't be a Legion convention without seeing you."

Which brings to mind the changes wrought over the Legion conventions of all classes particularly in recent years ... Camaraderie was more than a word to the

World War I Legionnaires, they believed in it, and practiced it ... National conventions became the focal point for yearly reunions of former comrades in arms ... Joyous were the celebrations of these reunions and gaiety was the order of the day, and the recknown of the American Legion National Convention was established ... The same format was established for the state and county conventions and it worked just as well ... You could go to a state convention not knowing anyone except a few people from your own county, with a smile on your face, wearing that wonderful blue Legion cap and willing to say hello to the more timid (and a pretty wife helps!) and away you go for an evening of fun ... For example, some years ago when Bob Sutton was still a member of our Post (he moved and is now a past commander of the Bayport Post) we attended a state convention in Rochester ... Along with our wives, we stepped out for an evening of fun which started at the headquarters hotel in downtown Rochester ... The first Legionnaires we encountered with that "wish we had something to do" look were from Horseheads, N.Y. Post, and it takes no great imagination where the bantering quickly led to ... And that's the way the first recruits were collected for our 'group', and this group continued to grow and grow throughout the evening as we made our way from one floor to another, and from one hotel to another ... Finally, we again were in the headquarters hotel on the 14th floor and decided to go to still another hospitality room in the hotel across the street ... Too bad that the Guinness Book of Records was not in existence at that time because we packed all 46 of us into one elevator for the trip to the main level ... These 46 comprised of Legionnaires from 14 different upstate Posts, none of whom had met

Beautification In Memory Of Dr. Walter Dunbar

Mid Island Council 4-H was pleased to be able to rototill, with assistance from Redeemer Lutheran Church, the "islands" on Broadway. This past week-end, as part of the Dr. Walter Dunbar Memorial, flowers were planted in front of the "Hicksville, U.S.A." sign, around the "Dr. Dunbar Memorial Tree" and on two of the islands immediately north and south of the Railroad. The gardening crew

were 4-H Smurfs Jennifer and Janice Frankel, 4-H Junior High Teen Cathy Bennett, and 4-H Senior High Teens John and Jeanine Frankel. The supervisors were John & Nanette Frankel and Clara Bennett. Coordination of the planting is being done by Millie & Don O'Callaghan.

This beautification of Hicksville is being done by Mid Island Council 4-H in cooperation with the Hicksville Chamber of Commerce and with monies provided by the Dr. Walter Dunbar Memorial Fund. Anyone wishing to donate to this worthy cause may do so, by sending a contribution to Hicksville Chamber President Mr. James Fyfe, c/o Long Island Trust, 550 South Broadway, Hicksville, NY 11801.

before that night ... Well, the party came to an untimely end (4 A.M.) because that elevator broke down and we had to walk down 14 floors and by that time everyone was ready to go 'home' ... But, we had one great evening of camaraderie and the feeling it was great to be a LEGIONNAIRE.

Free Summer Program For Handicapped, Infants, Adults

Early Childhood Intervention (ECI), a home and school program for handicapped infants and toddlers and their parents, is now accepting youngsters for its summer session class. ECI, which is operated by the Board of Cooperative Educational Services (BOCES) of Nassau County, will offer this six-week summer session as an extension of its regular school year program, beginning on July 12 and ending on August 20.

ECI provides an intensive educational program in special classes for the handicapped young, ages birth to three years. The staff includes teachers, psychologists, social workers and therapists, all with backgrounds in special education.

A highly individualized educational plan is prepared for each youngster. Parents are encouraged to participate in the develop-

ment of the plan, and to attend training sessions during the summer to learn how to work with their child at home.

Additional information about the program and how a child can be registered may be obtained by calling 799-6202. In cases where parents suspect a child may have a problem, ECI will do an assessment and determine if the program addresses his or her needs.

IF YOU ARE BEING FOLLOWED ON FOOT

- 1) Cross the street, criss-cross if necessary
- 2) Vary your pace and DON'T be afraid to run!
- 3) Try to stay in public places where there are other people.
- 4) Get to a telephone - wedge yourself in a telephone booth, or go into a store and call the police.
- 5) If you are walking on a side road and think you are being followed, go to a home that appears occupied and ring the door bell repeatedly.

IF YOU ARE BEING FOLLOWED IN A CAR

- 1) After ascertaining that you are being followed, try to get a license plate number.
- 2) DO NOT drive home, go to the police station, or a fire house, or hospital, or an open store.
- 3) You might try pulling over to the side of the road, waiting for the person to get out of their vehicle, then driving away quickly.
- 4) As you drive, honk your horn continually. This attraction might prove to be the deterrent you need.

to the police station, or a fire house, or hospital, or an open store.

The following are suggestions to be utilized by individuals who want to assure themselves a measure of personal safety. The key is not to afford the criminal the opportunity.

- 1) Travel with a friend or walk in close proximity to others in public places.
- 2) Stay in well lit areas.
- 3) Know where you are going, especially at night. Don't depend on strangers for directions.

4) If you take public transportation, know the schedules so you can reduce waiting time. When riding within a bus sit as close to the driver as possible, or on an aisle seat near the exit.

5) When returning home by private car, or taxi, ask the driver to wait until you are in your house.

6) As you approach your door, have the specific key to open the door in your hand.

7) When approaching your vehicle, check the back seat before you enter.

8) Always try to park in well lit areas.

At our regular monthly meeting on Wed., May 26th, the Memorial Day events were one topic discussed. In line with one of our founding principles EDUCATION and, to reflect on Memorial Day, -to date, over 14 million unborn children have lost their lives in the ABORTION HOLOCAUST! We indeed mourn our veterans who lost their lives in defense of their country. What reason can we give for a lost generation???

shadow of what God desires us to be without him. We are embraced by God's love—a love which manifested itself by God not even holding back his only Son but freely letting him suffer for our salvation. God's essential nature is one of love. John says, "God is love." "Love is of God and he who loves is born of God and knows God." Love is the essence, the core of our God. He who does not love has not begun to know God. All of God's activity is therefore loving activity. If God creates, he creates in love; if he rules, he rules in love; if he judges, his judgment is an act of love. Therefore, when problems and tragedies enter our lives, we are wrong when we make God the culprit. Likewise, when we have the presence of Christ in our lives, we must show forth the fruits which such a presence naturally bears.

In pre-marital counseling sessions over the years, I'd like to have \$10 for every person who told me that they believe in God and love him, but rarely attend worship services and are not in any way active in his church. For instance, suppose you say to each other that you love each other, but forget one another's birthday, do not purchase a Christmas present, rarely come to see one another, do you think the other person would believe you when you told them you loved them? Love loves. True love loves. It acts. It does. It is patient and kind and long suffering. It reaches out to the other. It is accepting as it has been accepted by God in Christ. True love does not exclude anyone from being touched by its healing embrace. Christian love is at its best when it is directed precisely toward the unlovable, the unlovely, even the hostile; for such is the character of the love God has revealed to us.

Similarly, merely because abortion has been said to be "legal" in our country today, does not make the act of abortion less inhumane or less a crime against humanity.

the need for a clarification of values — does each human being really have an inalienable right to life? Does every human really have an absolute value of its own? There such a thing as a life not worthy to be lived? In this book, John Powell addresses a highly emotional issue with words of love and peace, not anger. He believes that each of us has an important message to deliver, along to sing, a unique act of love to warm the world. Special Events At Holy Trinity

Mr. Richard Evers, Director of the Gregory Museum and Hicksville Town Historian, will be guest speaker at Holy Trinity Episcopal Church for the Parish Name Day festival service on Sunday, June 6, at 10 A.M. Mr. Evers will address himself particularly to the place of the Churches in the development of the Hicksville community. Holy Trinity Episcopal Church was established in 1899 bearing witness to the Christian faith in the Blessed Trinity and under this persuasion contributing its services throughout its history. Since the occasion is memorable and the topic illuminating, members of the community are invited to share in this festival service. Holy Trinity Church is situated at the corner of Old Country Road and Jerusalem Avenue, the crossroads of the Hicksville community.

On Sunday, June 13, the Right Reverend Richard B. Martin, formerly Suffragan Bishop of the Episcopal Diocese of Long Island and recently retired as Executive for Ministries of the Episcopal Church, will be the guest preacher and celebrant at the 10 o'clock Eucharist and will Confirm and Receive adults into the Communion of the Episcopal Church. Bishop Martin's presence will also mark the ecumenical encounter between the Roman Catholic and Anglican Communions with the Papal visit now concluding in England and also the peace movement to which the religious community in the United States and worldwide is lending itself. The Hicksville community is asked to join in the fellowship of prayer for peace and worldwide disarmament.

In addition to Bishop

Martin's visit on June 13, The Singing Boys of Long Island, under the direction of Mr. Gerald Barker, will accompany the Eucharist with the beautiful Palestrina Pope Marcellus Mass. This masterpiece was composed in 1565. Once more members of the community are cordially invited to attend this offering of a beautiful musical and religious experience.

The Rev. Lawrence C. Donahue, Curate at Holy Trinity Church, has accepted Bishop Wither's appointment as Priest-in-Charge of St. Cuthbert's Episcopal Church in Selden, Long Island. Father Donahue will terminate his work at Holy Trinity at the end of June. A farewell party is arranged for Friday evening, June 25, in the Parish Hall and friends of Father Donahue throughout the community are invited.
