## HFD Co. No. Seven 25th Anniversary

The officers and men of Hicksville Fire Department's Engine Co. # 7 will host a gala parade and block party on Sat., June 19th to celebrate 25 years of service to the community. Engine Co. 7 was formed in April of 1957 by then Chief Medard Offenloch. Engine Co. # 7 is quartered at Fire Headquarters on Gebhardt Plaza.

The present Captain, Jack Pearson and Committee

Chairman Ex-chief Rich Kershow stated that the parade will start at 5 p.m. on the LILCO property, proceed west on Old Country Rd. to Broadway, north on Broadway to Gebhardt Plaza and end at Fire Headquarters. The block party will begin after the parade.

The occasion will be the last time Engine Co. 7's retired 1960 Mack Pumper will

parade for Hicksville. Within days, the faithful and revered engine will travel to its new home in the town of N.W. Albuquerque, New Mexico. The Vamps in New Mexico were most gracious in allowing the truck to remain in Hicksville until the 25th anniversary parade is held. Thanks also go to the Hicksville Fire Commissioners for assisting.

During Engine Co. # 7's 25

years, the Company has been led by 16 Captain and has produced 5 Chiefs and 3 Commissioners and 1 Honorary Chief, and four members were chosen as Firemen of the Year.

The officers and men of Engine Co. 7 invite one and all to come out and view the parade, and attend the block party. Rain date is June 26th.

## Tobay Proposes Compact Car Parking Area Near Hicksville LIRR Station

Oyster Bay Town Councilman Thomas L. Clark announced that the Town Board will hold a public hearing on July 13, on an amendment to the Town's Ordinances which would establish a compact car parking area at the Hicksville LIRR station.

Clark said that "the proposed amendment would create a parking area for compact cars only, along the

south side of the Long Island Railroad tracks in Hicksville, along Station Plaza South, in an area which is currently designated for taxi's only. Diagonal parking would be provided along the south side of Station Plaza South for approximately 200 feet between Newbridge Road and Jerusalem Avenue, for use by 18 compact cars."

In addition, Clark noted

that because of the increased use of sub-compact cars by resident commuters, the Town's Public Parking Division will also be converting the previously unusable corners in the Town's public parking fields for use by sub-compact cars. "We anticipate adding at least another 15 parking slots in this manner," Clark added. "Resident commuters are warned, however, that the

Nassau County Police will strictly enforce the width and length requirements of the compact parking slots and cars that extend over the striped lines will be ticketed."

The hearing on the proposed amendment is scheduled for July 13 at 10 AM in the Town Hall East Hearing Room, Audrey Avenue, Oyster Bay.

## At The School Board Meeting

By Rosemary Grant

The Middle States Evaluation Committee found Hicksville High School is providing a program that is meeting the needs of the majority of the students, according to a report given by Dr. Rick to the Board of Education at the meeting on June 9. The school was commended for good student teacher rapport, positive leadership by the principal, a respectful student body and an active and interested PTA. The committee noted poor relations between the staff and the Board and Administration and low morale of teachers. It was recommended more concentration be given to below average students. Curriculum updating and lack of a good professional communications system within the school and the district were found to be problem areas. In an effort to improve communications, Superintendent Wilber D. Hawkins announced he is sending out a request for

ideas from the community opinion shapers to offer suggestions on various subjects to help shape the Newsletter and other communicating areas.

The Board took action to separate the positions of Director of Personnel and Director of Pupil Personnel Services. It abolished the positions of Director of Pupil Personnel Services, Assistant Director of Pupil Personnel Services and Supervisor of Special Education and Support Services. It created the position of Director of Special Education and Pupil Personnel Services and appointed Mr. Robert Greenberg to this position at a salary of \$42,000 effective July 1, 1982. It also created the position of an Assistant Director to Mr. Greenberg, handling Pupil Personnel Services.

The Board approved increases in administrative salaries for 1982-83 to be effective July 1, 1982.

The Board approved recommendations of the Com-

mittee on the Handicapped pertaining to placement of students, adopted policies and approved textbooks in Math for the elementary level. It handled routine business, including items relating to personnel and finance.

The Board again received policies on diploma requirement, selection of textbooks and senior citizen privileges for discussion and consideration. These policies will be submitted for action at a subsequent meeting.

It was announced that Gerald Klein, principal of the Junior High School received the President's

Award from the Hicksville Community Council. Special congratulations and applause were offered by the public as this was the first time the award was given to a school principal.

The final day of school, as previously scheduled, is June 25.

Before adjourning the meeting, President John Ayres said he would like all committee chairmen to have written reports for the next board meeting, which is scheduled to be held on June 23, at 8:15 p.m. in the Conference Room of the Administration Bldg.

ANOTHER KIWANIAN is honored for an additional year of perfect attendance.

Past President Dr. Bernard Paul completed six years of perfect attendance at the June 2nd meeting of the Hicksville Kiwanis Club.

It was the privilege of Past President Russel Coniglio to make the presentation after enumerating the accomplishments of Dr. Paul while serving Kiwanis as President, and recently as Corresponding Secretary writing the weekly bulletin. Beginning October 1, Dr. Paul will serve the club as Recording Secretary.

In the photo, Past President Russel Coniglio is attaching the six year perfect attendance tab on the Kiwanis pin of Past President Dr. Bernard Paul.

## Baseball Olympics

Nassau children ages 7-12 are invited to compete in a Baseball Olympics to be held at Cantiague Park (Ballfield "A") on Thursday, July 1 (rd-7/8), starting at 10 A.M.

Nassau County Recreation and Parks Commissioner Abram C. Williams said the

boys and girls will be divided into age groups and compete in hitting and throwing for distance and running for speed.

Registration for the competition will start June 24 at the Administration Building seven days a week, from 9 A.M. to 11 P.M.

## Around Our Towns

Lynda North Scott - 796-1286

Congratulations to Brian Clancy. Brian received his Masters Degree in Business Administration, with a concentration in Finance, from C.W. Post College, with a 3.75 average. He is also a graduate of Notre Dame. His parents, Margaret and Frank, are extremely proud of Brian's accomplishments. And so are his sisters, Pat and Eileen, and his brothers, Kevin and Dennis. The Clancy clan are longtime residents of Hicksville and are well known in our community.

There's been lots of excitement at the Glinka household. Olga and John recently celebrated their 35th wedding anniversary. They enjoyed an anniversary dinner at the Linden Tree in honor of the occasion. Their son, Ron and his wife and children sent a beautiful bouquet of roses to the Glinkas from South Carolina, where they reside. Helping the Glinkas enjoy this special event was Kenneth, their other son, and his fiancée. In another column we'll tell you about the wedding of Kenneth and his fiancée which followed

his parents' anniversary by a few days.

Happy anniversary to Hicksvillites, Barbara and Frank DeStefano. The DeStefanos were married eleven years on May 29. Helping them celebrate were their two children, Frank, Jr. and Renee. Congratulations, folks.

On May 13 Laurie Fico became eleven years old, her parents, Evelyn and Tom, sister, Kim, and brothers, John and Tommy, made this a special day for Laurie.

Another birthday celebrant is Anita Franzese. Anita's birthday was May 30. Lots of love from your husband, Tony, and your daughters, Lisa and Marie. Best wishes.

Can't overlook the Stensons, Bob and Judy, who celebrated their eighth

Harriet A. Maher - 433-5994

wedding anniversary on June 2. The Stensons have lived in Hicksville for almost two years. Happy anniversary, Bob and Judy.

And in the other side of Hicksville, Peter Kremler celebrated his birthday on May 26. Peter is the son of longtime residents of our community, Ann and Frank. Happy birthday, Pete.

Get well soon wishes to Iris Widder of Hicksville who is recuperating at home from a recent operation.

Happy Anniversary to Bill and Mary Ann Moyer of HICKSVILLE. They celebrated their 9th anniversary on May 12th. They went on a two day trip to Atlantic City. Birthday greetings are also sent to Mary Ann and Bill. She celebrated her 29th birthday on May 26, and he celebrated his big 30th on May 27.

## To All Vietnam Veterans

The Town Of Hempstead is sponsoring a parade on Sunday, June 13th, for all Veterans Organizations. The parade will honor all Vietnam Veterans. There are 60-80 Thousand Vietnam Veterans on L.I.

Assembly time is at 9 AM in the south parking field of the Nassau County Veterans Memorial Coliseum. The parade will march along

Hempstead Turnpike to Eisenhower Park with a ceremony to be held at 11 AM.

Dress is Jungle Fatigue, Service Uniform, or Street Clothes. All Vietnam Veterans are requested to march. This parade is in your honor. or further information please contact: Jack O'Brien - 277-1922 or GARY NORDAHL - 934-0116.

## National Award Winner

The United States Achievement Academy has announced that Wayne J. Dubner has been named a 1982 United States National Merit Award Winner in Science.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 5% of all American High School students. Wayne, who attends

Hicksville Senior High School, was nominated for this National Award by Mr. Guccione, the head of the Science Dept. at the School.

Wayne, the son of Harry and Ruth Dubner, and grandson of Morris and Bea Kaufman of Boca Raton, Fla. and Jack Dubner of Deerfield Beach, Fla., will appear in the United States Achievement Academy Official Yearbook, published nationally.

do today, why not pay heed to the Galileo Lodge's coming events for the summer months ahead.

For examples: sometime in early July, the Galileo Lodge will present its Americana Day Dance, using as its basic theme the moods and norms of our great nation. Then in August, with a date to be decided, the Galileo Lodge also presents an August Dance, an activity that highlights the customs, traditions and aspirations of the old-fashioned Italian weddings. Also embellishing the activities of this dance will be a Beauty Pageant, at which time a beauty queen will be chosen to represent the Galileo Lodge during the Columbus Day Parade.

These events, which will certainly follow the successful patterns set by past affairs held by the Galileo Lodge, will also offer the same good food, good music and dancing and good times. Nothing in the way of pleasure and relaxation will be omitted and everything will be done to maintain the high standards of enjoyment known and witnessed in the past. And please remember, all this for a reasonable sum of money that is easy to live with.

And to add frosting to the cake, if plans and certain factors permit, the Galileo Lodge will offer an Italian Feast for everyone's edification sometime in late summer, and here is where remnants of an old world merge with those of the new world. So stay tuned to this column for future news of these developments that are designed to bolster your happy summer moods.

And, of course, there's the approaching Blood Bank Day, set for Thursday, the 17th of June, at the Galileo Lodge, from 4:00 to 9:30 P.M. As last week's message stated, this is a family-oriented program and everyone is invited to donate blood. If you cannot give blood, then try and get someone else from your family and list of friends. Your blood donations are recorded and you automatically become a member

of this program when you give your life-giving blood. Food and refreshments will be served, technicians from the Greater N.Y. Blood Chapter will also supervise the proceedings. Jim Rerisi will supervise this activity, aided and abetted by Pete Masiello, Frank Matassa, Skip Monteforte, the Venerable, all of whom are members of the Galileo Lodge. Remember, please, that blood is life, that we can survive all kinds of shortages, but this is one commodity that prevents survival if it is not available.

**LODGE TIDBITS:** Venerable Skip Monteforte states that social meetings are just as important as business meetings, especially since social meetings afford you the opportunity to get acquainted with other members, to socialize, fraternize, engage in amiable conversation and enjoy the food and refreshments that are always available. Come down and get to know each other better. Two new members recently installed into the Galileo Lodge are Salvatore Uovo and Mario Guerrara. Welcome aboard, of course. The renovation of the Galileo Lodge basement is proceeding quite well. Soon it will be turned into a first-class recreational area for the members and their families and friends. Jim Posillico is in charge of operations, and his fellow helpers are Frank Matassa, Pat Gatto, Al Barella and John Kelper and some others whose names I do not have at present.

### On Vacation

Sev and Grace Knudsen of Kuhl Ave., HICKSVILLE, have just returned from a weeks vacation at Castle Harbour Hotel in Bermuda. They flew their friends, Joan and Dan McCarthy and they had a great time. Plenty of golf and swimming and they also went on a five hour cruise around Bermuda.

A great time was had by the four of them, but it was nice coming back home to Hicksville too.

## Leaders Rally To Aid United Jewish Y

More than 100 Long Island corporations and 200 communal and corporate leaders have contributed approximately \$3 million towards the fundraising campaign of the United Jewish Ys of Long Island in support of the Mid-Island YM & YWHA in Plainview. The 75,000 square foot Y, the first full service Jewish community center on Long Island, will be dedicated on June 6th.

The ceremonies will include the unveiling of the 1,125 square foot Founders Wall, consisting of a series of plaques in the lobby of the Y that will list the individuals, foundations and corporations that have contributed

\$1,000 or more to the Building Fund. In addition, the Cornerstone will be laid for the Carrie W. Morton H. and Henry Meinhard Building, the home of the Y's new health and physical education wing. William Kahn, Executive Vice President of the Federation of Jewish Philanthropies of New York, will be the keynote speaker.

"The involvement on the part of corporations in the fundraising effort indicates that the Long Island community is responding positively to the work carried on by the Y," noted Alfred W. Levy, President of the UJYs. Mr. Levy is President of

Kleartone Transparent Products Co., Inc. of Westbury. "Private industry is playing an important leadership role in assuring that a host of cultural, educational and recreational activities are available to the people in this area. This Y is a proven success."

Norma Feinsod, President of the Mid-Island Y pointed out that 2,000 families are enrolled as members. "More than 900 children are registered in pre-school programs and an additional 1,000 school-age youngsters participate in after-school programs. Almost 3,000 individuals use the health and physical education facilities, including a 25-meter olympic size pool, each week," she said.

In adding that the Y has raised almost \$5 million to

date, Feinsod said that the positive response of the community will enable the Y to repay its construction loan of \$1 million. "Continued contributions will free the Y from this obligation and enable us to utilize our resources for expanding services, rather than paying the debt."

Harold Gittler, Executive Director of the Mid-Island Y, stressed that the Y's programs are open to everyone and serve people of all ages, ranging from babies through senior citizens. He noted that in its 25 years of service to the community, recently recognized by the Jewish Welfare Board, it has served as a role model for the other Ys on Long Island.

The former elementary school portion of the Y contains classrooms for the Y's

900 pre-school children, an auditorium, lounges for adolescents and senior citizens, art, ceramics, and dance studios, as well as a photography center.

The new Health & Physical Building has 5 major components: — an olympic size swimming pool that is used for swimming instruction, life savings courses, AAU athletic competition and swim meets;

• a high school size gymnasium suitable for basketball, volleyball, badminton, indoor hockey, gymnastics, karate, wrestling, physical fitness courses, aerobic exercises, teen dances and roller skating

• an indoor jogging track suspended above the gymnasium

• indoor handball courts that can also be used for

squash and racquetball

• steam, sauna, massage and whirlpool rooms for both men and women in addition to exercise rooms.

Percy Abrams, Executive Director of the UJYs, pointed out that UJYs is the central organization for the six YM-YWHA's on Long Island. It was created in 1973 to plan, coordinate, develop and expand YM-YWHA services and program activities. One of its major objectives is to raise capital funds and construct new buildings, including full-service community centers in regional areas. The United Jewish Ys is a member agency of the Federation of Jewish Philanthropies of New York, United Way of Long Island, Jewish Welfare Board and the Health and Welfare Council of Nassau County.

## Be Proud To Be A Flag Waver!

One of the least observed of our holidays comes up next week. If you have to pause to try to remember what holiday it is...my point is made.

Flag Day is officially marked on June 14 each year. We could easily say, however, that is virtually unmarked on June 14 each year. The "days" manufactured by commercialism are given great heraldry, publicity and observance. The special day to honor the Stars and Stripes, however, is too often forgotten.

Perhaps Americans lack the sense of nationalism which is prevalent in many other countries. Some might say that our two centuries or so of history cannot match the traditions of other aged nations. Others would opine that current day problems have sapped pride from the American people.

I suspect that the people of our country are guilty of nothing more serious than a great shyness. They are not demonstrative in public and most frown on open displays of affection. That carries into demonstration of patriotism.

I recall men I served with in Europe in World War II who grieved about the Army, made jokes about the other services, cursed their draft boards and criticized every government official from top to bottom. Some of these men, however, fought to the death for the very traditions they frequently mocked and for their country and its Flag.

Perhaps, we shy away from displays of patriotism. Maybe some people don't post their Flags outside their homes on holidays because some friend or neighbor may kid them about being a "flag-waver." I guess a lot of folks don't show the Flag because they don't own one. I read a recent complaint from a resident who said he couldn't find a place to buy the national colors.

I know that major department stores in our country sell the whole set — American Flag, pole and mounting bracket — for about \$10. I wish these stores and other shops would advertise the fact that flags are available.

More fervently, I wish that every home and business in our country would display the red, white and blue this coming Flag Day. Some ceremonies will be held on Sunday, June 13, including a parade to honor Vietnam era veterans on that morning in a march from the Nassau Veterans Memorial Coliseum into Eisenhower Park.

Let us show our colors on the 13th and the 14th at every house on every street, whether they be contained in the Flag or crayoned on paper or simply in ribbon form. It could be proof positive to any doubters at home or abroad that Americans are united in love of the Flag and that, basically, we are united in the feeling that, in spite of our human flaws, this is the greatest country in the world.

## Country Western Round-Up

A Country Western Round-up, for the benefit of the Eglevsky Ballet Company, will be held on June 26, at the SUNY Old Westbury Campus stables, starting at 6 PM with cocktails.

A western style ribs and chicken dinner, barbecued over an open-pit with corn on the cob, will be served under a magnificent red and white striped tent. Guests are encouraged to dress in country attire for this annual major fundraising event.

Peter Duchin and, his

orchestra, plus a "foot stompin'" blue-grass band, will provide music for dancing. In addition, Le Clique, artists in "human animation," will help to cast a magical spell over this grand celebration.

Reservations are now being accepted for this "Party of the Year" in support of the Eglevsky Ballet Company. For further information and reservations, please call 516/746-1115 or 212/895-3027.

## CASEY JUST DISCOVERED THE PRINCIPLE OF THE HEAT PUMP

It may be cold inside your refrigerator, but down at Casey's level, it's nice and warm. That's because the heat that's removed from inside your refrigerator is pumped out into your kitchen.

Moving heat from one place to another is exactly what a heat pump does. It draws heat from outside air and uses it to warm your home.

Can the heat pump work on Long Island? Can our cold winter air really heat our homes? The answer is "yes." A heat pump can extract useable heat from outside air in temperatures below freezing. In fact, heat pump systems are already at work in more than 5,000 Nassau-Suffolk homes.

Best of all, the heat pump is remarkably efficient. For every unit of electrical energy it consumes, it extracts two units of heat energy from the air. That makes it the most energy-efficient home comfort system available, and a good way to get home energy costs under control.

In summer, the same heat pump equipment becomes an air conditioning system. It takes heat from inside the house and releases it outdoors. Winter and summer, you get complete comfort from a single system.

The modern heat pump is worth investigating. For an illustrated heat pump booklet, in Nassau, write our Marketing Department, 250 Willis Avenue, Roslyn Heights, NY 11577 or call 228-2836. In Suffolk, write our Marketing Department, 1650 Islip Avenue, Brentwood, NY 11717 or call 348-6063.

Who knows? You, like Casey, just might find a wonderful new way to stay comfortable.

## Dear Friends...

We only have room for a brief comment this week as our sports seasons are at an all-time high, as you will read, and of which we are proud, not only of the youngsters participating, but also of the coaches, managers and other volunteer workers who make it all possible. Keep up the great work!

So, our brief comment is one of praise for a well-planned and executed 11th annual Hicksville Community Council Dinner, which, last week, not only installed new officers, but also honored both the Hicksville Elks Club work for the community, (for the past 114 years!!) and Hicksville Junior High School Principal Gerald Klein (who is a relative newcomer to our town), who in a short time has commanded the respect and esteem not only of his students but also of the entire community. It was a delightful surprise that, as the final part of this dinner's program, the Hicksville Fire Dept. made a surprise presentation of a beautiful plaque to the Community Council itself, for its work throughout the years. Full story on this next week.

THAT'S ALL for this week. Stay well and God bless you all.

## Hicksville Water District Officials Attend Annual Waterworks Convention

The Miami Beach Convention Center plus several adjacent hotels became the focal point for the annual American Water Works Association (AWWA) Convention, May 15-21. In addition to the vast number of display booths which were sponsored by the many manufacturers and industry suppliers, an excellent program of technical and professional conferences was presented for the varied interests of attendees.

Commissioners Gilbert E. Cusick, Chairman and Stanford Weiss, Treasurer, together with District Superintendent Louis G. Bettloff, were able to avail themselves of two facility tours including the Hialeah and John E. Preston water treatment plants. All present also participated in a program to improve management performance through continuing Education Programs; and, because of the relationship to our own needs found

considerable interest in a participation program entitled "Aquifer Development and Protection". The District's Business Manager, William J. Luchka, had enrolled in a Conference Seminar on "Financial Planning and the use of Financial Information for General Management Personnel. The entire local group had concentrated on financial and water treatment matters because of our own potential needs at home.

The theme of the Convention was "Better Water for the Americas" and because of the proximity to South America the event took on an international flavor. There is little doubt that our own water supply continues to be of the highest quality and that efforts to maintain that quality are continuing. We will very shortly be able to make available to our consumers some interesting reports on matters of control of quality.

At its regular June 8 meeting the Town Board of the Town of Oyster Bay acted as follows on local matters:

They reserved decision on the petition of the Gallery Restaurant (Lamberti and Scotti Corp.), for a special use permit to operate in a Bus. F. District a restaurant consisting of two stores with only a single kitchen and an accessory bar located on the south side of Old Country Road near Manetto Hill Road in PLAINVIEW. This restaurant has been in business for 12 years and now, having leased the store next door wishes to extend its area of operation to serve 150, instead of the 75 presently permitted in one store. No one appeared in opposition to this petition.

They reserved decision on the petition of New England Caterers, Ltd. doing business as T.J. Courtney's for a special use permit to operate and maintain a restaurant with a permitted occupancy of more than 75 persons (to 145 persons) on the premises located on the westside of South Broadway south of Lewis St. and north of Millwood Gate Road. Sup. Colby brought to the petitioner's attention that they had made

major renovations to the existing building and added a deck without any permits as required by the Town of Oyster Bay. The petitioner pleaded ignorance of knowing that these permits were needed for an existing building, and are presently applying for them. It was also brought to their attention that they lacked eleven parking spaces for the number required by Town regulations. They explained that Austin Travel, who uses their parking spaces during the day, and the petitioner, who uses Austin Travel parking spaces during evening hours, were sharing their parking. Two local residents appeared to oppose the use of the deck behind Courtney's as a patron's patio on the grounds that late at night the sounds of music and entertaining were excessive, or might be so, during the summer. The petitioners offered to conclude this use between 9 and 11 pm, which seemed acceptable to those in opposition.

They approved a resolution for extra work made necessary because of a tree removal on construction of storm drains and appurtenances on Miller Rd and Miller Pl. in Hicksville.

They approved a resolution granting the request of the Hicksville Fire Dept to use various pieces of Town equipment in connection with their 25th Anniversary Celebration on June 19th. (see article on Hicksville Edition, page one).

They approved a resolution relating to an agreement with Hendrickson Brothers to store material, equipment and topsoil at the Town Recharge Basin No. 7 on Jefferson Ave. in Hicksville in connection with the Nassau County Sewer Contract. The Town will receive \$100 a month rent for 18 months so that Hendrickson Brothers can store their equipment for sewer work to be done in the area.

They approved a resolution relating to the final acceptance of the construction of storm drains, appurtenances and road improvements on West Barclay, Marion and Wyckoff Streets in Hicksville in connection with the Nassau County Sewer Contract.

They approved a resolution granting a 90-day extension of time to clear up the grounds before a Certificate of Occupancy would be given to the Bruce Goldblatt and James McCulloch Co., Inc. a Boyd Repair Shop in Hicksville.

They approved a resolution directing the Town Clerk to advertise a July 13 hearing date to consider proposed amendments to the TOB Code of Ordinances to permit extra parking spaces for compact-size cars in the vicinity of the Hicksville LIRR Station.

They approved a resolution authorizing a small additional charge (\$107.25) relating to the repairs to the Plainview-Old Bethpage Community Park Pool.

They approved a resolution for the site plan of the Power Test Corp., doing business as Loomis Petroleum Corp. This corporation occupies a building the ground floor of which stores their oil trucks and the upper floor is their office space. The petition requested fire pumps for their use only. They are located on Sunny-side Blvd in Plainview.

The next regular meeting of the Town Board is scheduled for Tuesday, June 22 starting at 10 am.

## At The Town Board Meeting

## Letters To The Editor

Dear Editor:

As President of the Hicksville Community Council, I would like to thank all the people, groups and companies who helped make our Dinner on June 3, 1982 a success.

My thanks go first and foremost to Cathy and Larry Steckler. Cathy worked long hours under difficult conditions to organize the success of the Dinner. Larry supplied the penlights that were distributed as gifts at the Dinner and a great deal of support to his wife. Additional thanks go to Judge Warren M. Doolittle who took time from his busy schedule to install the Council's officers. Al Peck, Executive Director of HAD,

and his secretary Eileen Quinn, for their many hours of tireless effort on the journal, program and planning. My thanks to Carol Wolf for the history of Hicksville. We were honored to have Mr. Dan Prisia presenting a citation to the Community Council on behalf of Thomas S. Gulotta, Presiding Supervisor Hempstead Town, and Town Councilman Joseph Mondello. I took personal pleasure in being honored along side Mrs. Sheila Noeth with the New York Assembly Certificate of Merit presented by Assemblyman Parola.

The Hicksville Community Council was additionally honored with a plaque by the Hicksville Fire Department

for its work in the community. We would like to thank Chief Donlon and the officers and men of the Hicksville Fire Department for considering us for this honor. I would also like to give special thanks to all the individuals who attended the Dinner and gave their support and assistance by taking a journal ad.

Although there will be no meetings of the Council this summer, we will still be at work. The Hicksville Community Council will continue its project on anti-vandalism and anti-burglary in conjunction with the Hicksville Youth Council and the Chamber of Commerce. The Community Council is only as good and as active as the

people who work with it. The Council is in need of new blood for committee chairmen for the upcoming year. We can be more effective if you join us in our annual activities.

Your participation is vital to the continued growth of our Community Council. And I feel that Hicksville needs the Community Council to make our Town a stand out community in Nassau County.

Please come to our community's aid with your energy and talents. We need you to continue to grow.

Thank you Sheila for your continued support.

For a Better Hicksville  
John J. Budnick,  
President

## Hicksville Cannonballs March Through Southern Defenses To Capture First

By Pete Fujimoto

The Cannonballs traveled to Virginia over the Memorial Day weekend to compete in the Braddock Road Youth Club's Annual Soccer Tournament and returned victorious with the first place trophy.

The first game had to be delayed while the field was worked on due to torrential rains. After several truckloads of sand were spread, the Hicksville team took the field to meet the "B" team of the host club, Braddock Road.

Coach Bob Baron sent out his starting lineup and used his substitutes wisely giving players advice on the sidelines. The boys, Larry Bag, Tommy, Baron, Michael

Dohovan, Danny Fujimoto, Gino Ianucci, David Knuth, Danny McGoey, Brian McNamee, Thomas Nieman, Jason Pinsky, Alex Shevchenko, Brian Sierra, and Les Spence played like professionals. They passed, kicked, tackled, dribbled and headed the ball in a team effort that resulted in a 5-2 win.

The second game was against the McLean Lancers. This game was nicknamed "The game of the phantom goal." The afternoon was sunny and calm as the two teams played to a 0-0 at halftime. The Hicksville boys were dominating the game but couldn't get the ball into the net. During the second half the controversial

call was made by one of the linesmen who was on the 20-30 yard line. A kick was made by a McLean player and rolled in front of both goal posts. The linesman said that the ball had gone into the goal and then rolled out. This call resulted in a 1-0 win for McLean. Hicksville now had to win their next game and McLean had to lose in order for the Cannonballs to reach the semi-finals.

And win they did! They met the Bethesda Sting from Maryland. The first score by the local boys was on a penalty kick by Larry Bag. During the second half Hicksville was awarded another penalty kick due to a Bethesda hand ball. Danny

McGoey took the kick but it was blocked by an opposing player. Tommy Baron got to the rebound quickly and put the ball into the net for a 2-0 score. The sting were able to get one score, but the Cannonballs won. When the Hicksville players and their parents heard that the McLean team had lost, there was jubilation, because it meant that we would go into the semi-finals.

In the semis, the boys met the Braddock Road Youth Club's (BRYC) "A" Team. The Cannonballs played a super game of soccer, their skills were evident as they dominated the field with aggressive ball control. The final score to this game was (Continued on Page 9)

## Alumni-Dinner Scholarships

Over 250 people attended the Hicksville Alumni's Annual Athletic Dinner at Antun's for Awards Night to senior girls and boys.

The Alumni presented \$1,200 in scholarships and had the athletes as dinner guests.

Hicksville High authorities used the occasion to present its achievement awards to the students.

Additional Alumni scholarships to be announced at commencement include the Miss Mahle R. Farley \$1,250 Memorial, the Nina Plantz \$200 award and three (unawarded previous years) Empire Warehouse Storage in the amounts of \$500.

## HHS Senior Receives Science Award

Jin-Su Park, Hicksville High School senior, has been named winner of the annual Bausch & Lomb Science award which is presented each year to students at more than 8,600 participating schools throughout the United States and Canada. The official presentation of the award - a handsome bronze medal - will be made at commencement exercises on June 27.

"The Bausch & Lomb Award recognizes the senior in our school who has achieved the highest scholastic standing in science subjects," explained principal Dr. William Reick, "and we are all proud of Jin-Su's accomplishment."

In addition to his studies, Jin-Su is a member of the computer club and president of the math team at the high school. He is also an enthusiastic tennis player and enjoys music. As winner of the Science Award, he is eligible to compete for one of several four-year Bausch & Lomb

Margiotta said: "We had used the Corps on several occasions and were thrilled by their performance. When we learned they were experiencing difficulties, we sought a way to help."

He said the Corps will continue to operate under its own corporate setup, but that the Republican Committee will help sell tickets to a fund-raising performance in July, and will seek new recruits for the Corps through 2,000 committee members and their families.

He noted that the Corps in 1981 had 93 members and 63 members in 1982. At the end of this season, 20 more members will be leaving; therefore, there is a need for recruitment to keep it strong and viable.

# Plainview Girls Win New Rochelle Soccer Tourney

By Ed Langholz

The Hotshots, 1968 girls travelling team of the Plainview Old Bethpage Soccer Club, swept six straight games during the Memorial Day weekend to win the first annual New Rochelle Invitational Soccer Tournament.

Prior to topping the Rockville, Maryland Panthers 3-2 in the championship match, the Hotshots had rolled over five earlier opponents by an aggregate score of 41-5. This included a semi-final 6-1 victory over a previously undefeated West Side Wings team from West Springfield, Massachusetts.

The Farmingdale-Howell Raiders of Hamilton, New Jersey fell victim to the Hotshots, 9-1, in the quarter-finals. In preliminary con-

tests the Plainview squad defeated a Souderton, Pennsylvania eleven, 8-1, the Garden City, Long Island Sonnets, 9-0, and the Mahopac, New York Indians, 9-2.

Hotshots Coach Mel Greenstein attributed the championship and the squad's overall fine performance to team play. "We're controlling the ball more and passing better now," he explained. "We're looking for the open girl when we get near the other team's goal."

Comprising the Hotshots are players Eileen Acker, Laura Bressler, Beth Clarin, Shari Greenstein, Suzie Gur-

can, Katie Hansen, Allison Infeld, Debbie Kalinsky, Jackie Kelly, Debbie Langholz, Marlene Libman, Gina Palumbo, Linda Rinaudo, Diane Sadowski, and Michele Santoro. In addition to Coach Greenstein, the team is directed by Assistant Coach Ed Libman and Manager Sue Clarin.

Currently leading the second division in the girls under 14 age group of the Long Island Junior Soccer League, the Hotshots' primary goal according to Coach Greenstein is the division championship and a promotion to the first division.

## H.A.S.C.

### Hicksville Strikers 1966 U/16

By Al Greenspan

The 'Strikers' coached by Steve Tandy and sponsored by Soccer Center played this past weekend in a league match against H.B.C. It is said the lightning never strikes in the same place twice; well the 'Strikers' proved that lightning can strike in the same place twice. The final score of the game was 2-0, the same score as the semi-final game in Philadelphia on Memorial Weekend. In fact other than who scored the goals the game was a mirror image of the previous match played.

The 'Strikers' without the services of Jeff Micheli, David Bell, and Chris Habersaat knew they would be in for a tough game especially since H.B.C. needs only 1 win to clinch 1st place, and also wanting to reverse the results of their last game.

The 'Strikers' under pressure for most of the 1st half scored on a shot by Mike Sini which was taken from 22 yards out and placed in the upper left hand corner.

The 2nd half saw the 'Strikers' once again under extreme pressure, but with 20 minutes left in the game on a clearing volley by Evan Fischer, Mike Sini picked up the ball at the half field mark and broke in on the H.B.C. goalie. The score was 2-0.

Steven Tandy was put in goal for this game and did an excellent job of stopping the shots taken by H.B.C. The rest of the team under pressure for approximately 70 min. of the 90 min. game, scrambled, flexed, bent, but would not give in to the persistent offensive thrusts. The entire team was once again asked to play at a level they demonstrated previously in Philadelphia and once again accepted the challenge and

came out the victor.

The H.B.C. 'Rowdies' up until 2 games ago had not lost a game to any team from the LJSJL in any type of competition, cup or tournament, but in their last 2 games lost both to the 'Strikers.' The heading of this article could have been 'Hicksville Strikers own H.B.C. Rowdies.'

The odds are against the 'Strikers' winning the division, needing losses by H.B.C. and Garden City, and having to beat a very strong Rockville Centre team, but after watching them perform in the last 2 weeks and knowing that lightning is on their side we wish them the best of luck.

The Strikers record to date in 20 games is 14-5-1, scoring 66 goals and allowing 24.

The Hicksville 'Strikers': Joe Abbatiello, David Bell, Troy Buckley, Jerry Dessart, John Diehl, Eyan

Fischer, John Frattini, Scott Greenspan, Chris Habersaat, Kevin Jung, Brian Lancer, Todd Lewis, Jeff Micheli, Mike Niedziwicki, Mike Sini, Steve Tandy.

### Yanks Make Their Move

With the Regional Cup Competition now out of the way, the Hicksville Yankees, sponsored by the Joseph Barry Knights of Columbus, have turned their attention back to the L.I. League and with only a few games left, still have a shot at the League title.

Last week-end they enjoyed a sweet win against the league leader Massapequa by totally dominating a 3-0 victory. This was Massapequa's first loss of

the season which also knocked them out of first place and avenged an early season loss.

Coaches Bill Cresham and Pat McHugh thoroughly enjoyed the performance of all three lines of (defense, mid-field, strikers) but gave special credit in this match to the mid-field as they ran and tackled all game long and took Massapequa completely out of the game. (Dave Smith, Jimmy Demarco, Mark Schindler).

The defense recorded it's 9th shutout in 18 games this season with another solid performance (Steve Barell in goal, Steve Dolan, Billy Cresham, Jeff Kitt, John McGann, Jimm McGeough and Kevin Cabalan) and the strikers kept the Massapequa defense pretty busy most of the game (Steve Thompson, John Mitchell, Adrian Peppi and Vinny Christiano).

Missing for this match were: Gene Tyranski, Bobby Andrus and Paul McGeough.

### Chamber of Commerce Meeting

Faith Bloom is pictured hard at work at the car wash sponsored by the youth of Trinity Lutheran Church, 40 West Nicholas Street, Hicksville.

Proceeds from the event will be used to purchase a new van for the church and school. The van will be used

to transport school children, youth, adults, and seniors to sports events, retreats, field days, and other outings.

Trinity Lutheran Church and School serves the entire mid-island community. We invite you to call 931-2225 for more information.

## "Sky-Art" Rescheduled

A "Sky-Art" Festival will fill the skies above the Hicksville Senior High School with colorful kites and balloons on Sunday, June 13, from 2 to 5 pm because of a rain out on June 8.

The afternoon of kite-flying, professional kite demonstrations, and a giant balloon launch is the closing event of ARTSFEST I, a three-week celebration of children and the arts sponsored by the Comprehensive Arts Department of the Hicksville Public Schools.

Representative children from all grades, as well as teachers, administrators, and PTA and Board of Education members have designed and created original kites to be flown during the activities, and awards will be presented to

the "most artistic," "most unique," and "highest flyer" in each category.

Guests from "Sky-Zoo Kites" of New Jersey will demonstrate professionally designed kites, including the famous thirty-foot shark.

At the conclusion of the festival, a host of helium-filled balloons carrying messages from ARTSFEST will be launched by district schoolchildren. The balloons are expected to remain aloft for sixteen hours, and finders will be asked to respond to the message-senders.

Attendance at the "Sky-Art" festival is free of charge to the public, and community residents are warmly invited to join in the fun and enjoy the spectacular "heavenly" display.

# LEGIONNAIRE'S LOG

By Arlie Rutz

CHARLES WAGNER POST # 421  
HICKSVILLE, N.Y.

"One Of the Grass Roots Of The American Legion"

Last Monday's meeting was also our annual election of officers and for the balance of our membership, who could not make it to the meeting, I hereby present your new staff of Officers for 1982-83.... Commander Raymond J. Gamble; Vice Commanders, Arlene Howard, Frank Molinari and Frank

Walsh; Adjutant Wes Tietjen; Treasurer, Jack Reichen; Assistant Treasurer, Dick Hochbrueckner; Chaplain, Harold Bramswie; Sergeant-At-Arms, Bob Boerckle; Executive Committee, Arlie Rutz, Lou Cesta, Al Cinutti, Steve Wladyska, Lou Braun, John Sheppard.... Legion Hall, Inc., 3

year term, Henry Brengel; 2 year term, Lou Cesta; 1 year term, Lou Braun.... Delegate to state convention, Frank Molinari; Alternate to state convention, Frank Walsh.... Commander Gamble and his newly elected staff will be properly installed at the next meeting, JUNE 21, by the new County Commander Jim Middleton.... I understand that Commander Gamble has invited our Auxiliary to attend as well as the wives of the elected staff to observe the installation ceremony.... In fact, ALL members of the Post should be on hand to help give a good 'Bon Voyage' to our Staff as they set sail boldly into the Legion Year of 1982-83.... For general information of All our members, Commander Gamble, serving last year as our Membership officer, did succeed in obtaining 100% membership plus 2 by convention time.... Thanks to

those who answered his last gasp appeal for dues payment, and thanks to Ray for his persistence.... now, this year, fellows, how about paying your dues for 1982-83 before November 11th so we can get a 100% Early Bird membership.... This has not been accomplished at Charles Wagner Post, but once, and that was for the year 1963-64 and its about time.... Let's go after this elusive prize this year and hand in hand with the payment of dues MUST go a drive for new members to make up for our losses of the past year.... New blood, properly infused can work wonders for the Post in many areas, but the one most hurting at this time is our Color Guard.... P.S. Frank Walsh is the newly elected Sgt. of the Color Guard and he is most anxious to hear from prospective candidates to fill out the

depleted ranks of our once large Color Guard.... Any member of the Post, or any honorably discharged veteran who is interested in becoming a member of this Color Guard should contact Sgt. Walsh at the Post on Friday evenings.... VIETNAM combat veterans would be a boon and it's about time for those veterans to step forward and lend a hand in the scheme of veterans' affairs and community services.... Membership turnout for the county convention parade was the worst any of our commanders had to endure in the last 20 years, but perhaps the rainy weather had a great deal to do with it.... We failed to file our annual Banner Awards report after much work to put all the required information on paper.... Mix up on deadline date was given as the reason.... Next June the Nassau County American Legion

will hold its annual convention at Glen Cove and I guess only Henry Brengel can recall the last time Glen Cove was the scene of such action.... It's about time MORE of our membership took notice that when it comes to parades, we have never won any accolades or prizes for the number of members in line because they simply let other Posts take away our chances by their lack of Post Pride.... NEXT year, Glen Cove is just 15 minutes from Hicksville so you have NO excuse but to buy a Legion Cap and help Hicksville to win the 'most in line' award.... If you can't walk, we'll get you a ride but let's develop some pride in our Post, let's be Number 1, let's GO HICKSVILLE.... Don't forget, we have a Flag Burning Saturday, June 12, 2 P.M. in parking field adjacent to Post, be there!!!

## Chemical Awards Two Grand Prizes In IRA Sweepstakes

Against all odds, Chemical Bank awarded not one grand prize, but two \$100,000 dream houses in Palm Coast, Florida, (or \$50,000 cash), at the grand prize drawing for its IRA Sweepstakes, June 3.

Mitchel Wolfe, 29, of Old Bethpage, and Tom Tarpey, 33, an assistant branch manager at Chemical Bank's Plainview, branch were both awarded grand prizes. According to sweepstakes rules, Chemical employees were eligible to win the identical prize of a winning consumer if the winning entry form contained the employee's name and the consumer had opened an IRA at Chemical.

Wolfe, an architect at H.L.W. in Manhattan, opened an IRA at Chemical some months ago, and Tarpey was the bank officer who opened it for him. The odds of an employee winning the grand prize were nearly 12 million-to-one, according to Robert Landau Associa-

tes, the marketing and promotion agency that handled the sweepstakes for Chemical.

"When I first received a Mailgram telling me I was eligible for the house, I thought it was a clever pitch from an insurance company," Wolfe said. "I was glad to be wrong. Chemical Bank holds the mortgage on my house, so it's ironic that they would give me another house. The reality is just starting to sink in."

The first-prize winner of a 17-foot Vagabond sailboat (or \$6,000 cash), was Professor Anselm Morpurgo, of Sag Harbor.

Winners of five-day deluxe vacation for two at Disney World in Florida (or \$2,000 cash), were: William Couch, Manhattan, Stasia Frappied, Uniondale, Caroline Gimmi, Oceanside, David Mackay, Bay Shore, Marie Russo, Manhattan.

Mitchel Wolfe (left) and Tom Tarpey celebrate with Chemical Bank Vice President Susan G. Fisher, after the two men were selected grand prize winners of a \$100,000 house at Palm Coast, Florida. Wolfe, 29, an architect from Old Bethpage, entered the sweepstakes and Tarpey, 33, assistant manager at a Chemical branch, opened Wolfe's IRA, making both eligible for matching prizes.

According to Sweepstakes rules, Chemical employees were eligible to win the identical prize of a winning consumer if this winning entry form contained the employee's name and the consumer had opened an IRA at Chemical.

### CANNONBALLS (Continued from Page 4)

4-0 with a pair of goals by both Gino Fanucchi, and Brian Sierra.

The final game was on Memorial Day morning. The field was muddy but the boys were ready and eager to continue their winning streak. They faced the Bowie Cobras, another team from Maryland. The boys ran out onto the field after giving their Hicksville cheer, and the game for first place began.

Like a well oiled machine, the Cannonballs' smooth, well disciplined style proved too much for the Cobra defense. Hicksville outscored Bowie 3-1 with goals by Gino Fanucchi, Danny McGoe and Les Spence.

The boys, one and all, deserved the first place trophy. They used their skills, and played with enthusiasm and demonstrated sportsmanship in their playing.

Joe Jablonsky  
Hicksville East Executive Leader

A message from our Club president, Hal Mayer:

"As those of you who were in attendance know, our Annual Spring Cocktail Party was both enjoyable and successful.

"Many thanks to our chairlady, Harriet Maher, for organizing this fine affair. Special thanks to her husband, Bill Maher, for donating the fabulous basket of cheer that was first prize in our raffle.

"Harriet was ably assisted by her co-chairmen Nick Caruso, Joe Farrell and Frank Gioia. Val Zito and Helen Henderson assisted with the raffle. For anyone who couldn't attend, we urge you to make plans to be with us next year.

"Our next Club meeting will be Friday, June 11, at

8:30 p.m., at the V.F.W. Hall, 320 South Broadway, Hicksville. There will be no meeting in July, but we'll be having a special event in August. Watch future editions of this column for details.

"There's still time to purchase ads in our Club journal; prices range from \$5.00 for a booster, up to \$200.00 for a Gold Page. If you're interested, call Nick Caruso at 681-1342.

"On behalf of the officers and directors, we wish a happy Father's Day to all you Dads.

"Hope to see you on June 11, and a healthy summer to all."

News travels far and fast! Have to tell you that our May 11 column, which explained

how you could purchase an American Flag which has flown over the Capitol of the United States accompanied by an official certification that the Flag was flown in your honor, made two of our Club members celebrities.

Anne Rennert wrote to Congressman Norman Lent to obtain one of these Flags for her husband, Bob. Shortly after mailing her letter, she received a telephone call from a newspaper reporter from the Boston Globe who was calling her from Washington, D.C. The reporter interviewed Anne, asking her how she learned of this offer, why she wanted this Flag, and many more questions. Anne explained she read about it in this column; that her son, Jimmy, was

born on June 14, Flag Day; her husband proposed to her on the Fourth of July; and when Bob told his family they were getting married, his Father flew the Flag out side their home. Unfortunately, Anne neglected to

ask the reporter to send her a copy of any article he might publish in the Boston Globe about this interview. And, as of this date, the Rennerts still haven't received their Flag, but we're sure they'll have it shortly.

## St. Ignatius Girls Drum And Bugle Corps Goes County-Wide

The Nassau County Republican Committee will be marching to a new beat this year - the beat of the award-winning St. Ignatius Girls Drum and Bugle Corps.

The County Republican Committee, in another first, has taken over the sponsorship of the internationally known musical group following an appeal for help by the Corps after it lost its church sponsorship.

The Corps will perform for the Committee members prior to the Nominating Convention on Thursday, June 10, at the Physical Fitness Center at Horstia.

The Corps is known for its unique blend of feminine spark and military snap which has won for it more awards and titles than any other organization of its kind, including the World Open All Girls Championship eight times in the past nine years.

Due to contract commitments for the remainder of the year, the Corps will retain its present name, but will change it next year to the Nassau Republican Girls Drum and Bugle Corps.

The Corps is under the direction of Donald M. Grazioplene. It is a non-sectarian, non-profit, educational youth activity and is incorporated in the Town of Oyster Bay. It was founded in 1958 by Thomas R. Costa and is based in Hicksville. Members range in age from 10 to 19 years old.

In addition to the World Open All Girls Champion-

ships, the Corps has won the Drum Corps International All Girls Championship in 1975, 1976 and 1977, Canadian International All Girls Championship in 1975 and 1977, Girls Corps International Championship in 1976, 1977 and 1980, Nassau American Legion Championship from 1986 thru 1981, and DCI East "A" Class Championship in 1981.

County Chairman Joseph M. Margiotta said the decision to sponsor the all girls drum and bugle corps was made by the party's

# We'll pay you up to 20¢ for each NOW check you write!

Sound innovative? It is! Eastern Savings Bank wants to introduce you to the outstanding advantages of our interest-bearing NOW account. So rather than ask you to pay us service charges when you write NOW checks, *we'll pay you 20¢ for each check you write—up to 100 checks—as long as you maintain a minimum balance of \$5,000 in your 5¼% NOW account for the first three months\**

And if that doesn't convince you that our NOW accounts are a great value, Eastern will give you 100 free personalized checks when you open your \$5,000 minimum balance account as an added bonus.

If you maintain a minimum balance of \$1,000 for the initial three months, *we'll pay you 10¢ a check for each of the first 100 NOW*

checks you write.

Eastern Savings Bank also offers you free checking that's 100% free.

That means no minimum balances, per check or service charges. And, if you qualify, you can write checks for more than you have in your account with Cash Reserve Checking.

Call or visit any

Eastern Savings Bank office in the Bronx, Westchester or Long Island, or call our Banking Center, 10 AM–3 PM, Monday-Friday, at 212-828-1006 for more information. We think you'll agree that Eastern has the best approach to banking.

## You'll like the Eastern approach to banking!

\*If you maintain a \$5,000 or \$1,000 minimum balance for the first three months, the Bank will credit your account with 20¢ or 10¢, respectively, per check (retroactive to the day you opened your account), beginning with your fourth month's statement. You will receive the per check credits on your statements up to a maximum of \$20 for \$5,000 minimum balance accounts and \$10 for \$1,000 minimum accounts, for a period not to exceed 12 months from the date you open your NOW account.

**Eastern**  
savings bank  
Member FDIC

Should your minimum balance drop below \$1,000 for any of the three initial months, you will not be eligible for the bonus. For any month in which your minimum NOW balance drops below \$500, the Bank will charge you 15¢ per check during that month. There is no minimum balance charge for direct deposit accounts held by senior citizens.

This offer may change or be withdrawn without notice, and applies only to new NOW accounts.
