AARP News

Central Nassau Chapter No. 1592, AARP, will meet at 1 p.m. Tuesday, Sept. 7 at Levittown Hall, Hicksville, to open a banner year.
Its members, led by President John McFadden, will discuss plans to celebrate the tenth year of the chapter's charter. Its first president was Mrs. Charlotte Lungmack, a well-known volunteer and supporter of senior

citizen programs. Her first vice-president was none other than Mr. McFadden, who will not begin his second term as president.
Featured speaker will be a noted authority on the problems of disabled persons. He is Dr. Don Dreyer, director of the Nassau County Office for the Physically Handicapped. He will explain the operations of his depart-

Alumni Responds To Coleman Designation

An unusual early rush for tickets was announced at the August meeting of the Hicksville Alumni for the 1982 Homecoming Testimonial Dinner-Dance in honor of Edward Michael Coleman, Class of 1945.
He was the stellar four star athlete, respected and admired county-wide, for his demeanor in athletic accomplishments for the Orange and Black.
President Dolores Crawford tallied almost 100 reservations at this early date.
The annual Alumni gathering will be held at the Hicksville Elks Club, Friday, Oct. 15th.
The mentor, Mr. Louis Millevolte was one of the first to purchase his tickets.

Tickets for the total five hour celebration are \$25 per person.
The accomodating hospitality of the Elks management, at the nicely appointed hall, was attested to by members of the Alumni Board.
Alumni happenings are open to all Alumni and friends of Hicksville High School.

Dolores Crawford stressed that all proceeds must be and are allocated for scholarships, awards, dinners and any worthy student special event.
Tables for the 40th reunion for members of the class of 1942 may be secured from President Crawford at Seaman and Eisenman, telephone number, 931-0600.

2nd St. Hicksville Parking Returns To Normal By Sept. 7

"Parking restrictions along Secod Street in Hicksville, which had been suspended during the summer months, will return to the normal, "No Parking-Schools Days, 8 AM to 4 PM," in time for the opening of school announced Town Councilman Thomas L. Clark.
The parking restrictions had been suspended to provide more parking slots for patrons of the Hicksville Library.
Clark said that the Hicksville School District has

advised the Town that the Second Street will be needed for school bus parking during the coming year and for safety reasons, the Town has advised the Highway Division that the temporary parking be rescinded and that the permanent ordinance be reinstated no later than September 7, 1982.
At the Oyster Bay Town Board meeting, August 31,

Town Supervisor Joseph Colby and Councilman Thomas L. Clark discussed this matter with both Hicksville Library Director Barnes and School Superintendent Hawkins.
The Library and School Districts and the Town have agreed to pursue the alternative of permitting library parking at the Junior High School parking field.

Cusick Re-Elected

The following results of Water Commissioner election held August 30, 1982, are:
There were 164 votes cast,

Gilbert E. Cusick received 160 votes, 4 votes were void.
The Board of Water Commissioners meet on alternate Tuesdays.

ment and review advances, made here and nationwide, in the provision of facilities to make life easier for the disabled. His office issues yearly passes for parking in special spots throughout New York State and institutes and promotes measures to anble all types of

handicapped people to participate in everyday activities.

Central Nassau Chapter, with a total of 450 members from over 30 Nassau communities, started with an enrollment of 125. Today 43 remain as charter members.

"Cesar And Rosalie"

Friday, September 10, at 8:00 PM, the Hicksville Public Library will present the first of its Friday Fall Film Series, "The French film, "Cesar and Rosalie" (which is in color) will be shown.
Cesar is a charming caricature of the self-made man. Having built a fortune through hard work and

cunning, he is convinced that he can win back the woman he loves by the same means. his energetic campaign to eliminate his likeable young rival turns into a very funny and perceptive comedy about what happens when three intelligent people find themselves caught in a romantic triangle. (French with English subtitles).

Post Office Uses Consumer Service Cards

The Postal Service provides consumer service cards for its customers to register complaints, compliments or suggestions, according to Sectional Center Manager-Postmaster Anthony M. Murello.

The cards are available in all post office lobbies and from city and rural letter carriers. Customers also have the option to call the post office by telephone or send a note to the postmaster through the mail. A postal employee will then complete a Consumer Service Card for the caller or writer, Postmaster Murello explained. The card asks whether the

inquiry, suggestion or complaint involved a letter, package, publication, advertisement or Mailgram. Customers are also asked to specify whether the inquiry involved a delay, damage, misdelivery, service hours or postal personnel.

"It's a handy way for customers to tell us what's on their minds concerning the Postal Service," said Postmaster Murello. "It also gives customers a chance to let us know when a window clerk or letter carrier is rendering particularly good service," he said.

One copy of the card is retained by the customer. The remaining copies are used by the local post office and the Postal Service Consumer Advocate in Washington, D.C. The local office uses one copy of the card as a record of action taken to help the customer and sends the other copies to Washington or computer analysis.

The Postal Service first issued its Consumer Service

Card in 1975 as a means for pinpointing local service problems and determining ways to improve service. Since then, data supplied by the cards has been used by

Postal Service management in Washington, D.C. to assess problem areas and national trends and to help in improving national postal policy.

To Manage Meenan Oil's Pennsylvania Division

On August 2, Stanley R. Orczyk, Vice President-Operations of Meenan Oil Co., Inc. announced the appointment of Mr. Carl N. Wallnau, Jr. as Vice President and General Manager of the Pennsylvania Division of Meenan Oil Co., Inc.

Mr. Wallnau is currently involved in numerous Pennsylvania civic activities and trade associations. He is Director of the Chamber of Commerce, the Delaware Valley Fuel Oil Dealers' Association and a member of the Fuel Oil Committee of the Pennsylvania Petroleum Association.

He was recently appointed by the Bucks County Commissioners to the Bucks County

Planning Commission. In addition, some of the other community activities include: Director and Member of the Executive Committee of the Bucks County Industrial Development Corporation, Board Member of the Red Cross and Trustee of the Washington Crossing Foundation.

Mr. Wallnau is a member of the Pennsylvania Bar Association. He also serves as Director and Member of the Executive Committee of Trevoise Federal Savings and Loan Association. He and his family reside in the Bucks County area, and have lived there for eighteen years.

LEGIONNAIRE'S LOG By Artie Rutz

CHARLES WAGNER POST # 421

HICKSVILLE, N.Y.

"One Of the Grass Roots Of The American Legion"

Keep in mind that our next meeting night is Tuesday, September 7th due to Monday being the Labor Day holiday. Again I must remind one and all about the bus trip on Sunday, September 26th, to Atlantic City for non swimmers. The Past Commanders' Club is sponsoring this trip to action-land as source of income for a possible Christmas Party for the youngsters. And also to give those a bit older something to do that they do not ordinarily do. Most of our active people seldom get a chance to enjoy the action from the other side of the tables at our own Las Vegas nites because they are too busy working on behalf of the Post. This trip is a splendid opportunity to experience action in any of the Atlantic City casinos once the bus deposits you at Harrah's. Perhaps you're thinking you would like to go but you would want to bring your own friends to enjoy the day with you. Why not? The trip is open to anyone of age with \$17.50 to put up front for the price of a seat on our bus. At this time, Chairman Lou Cesta, reports that only 7 seats are left and are available to the first member, relative, friend or the general public who puts down the \$17.50 for each of the remaining accommodations. If, by any chance, you haven't read the rest of the details of this little jaunt, let me briefly repeat them. The bus leaves the Legion Parking Field at 10 A.M. and returns there at approximately 10:30 P.M. Would suggest that everyone going should be on hand by 9:30 A.M. and if we are all there we can get going sooner, and that means getting back earlier. When we arrive in

Atlantic City, each person will receive \$10 in quarters and a \$3 food coupon at Harrah's so thus each will be receiving \$13 back of the original \$17.50 cost. Please note that only arrangements for seats can be made thru Lou Cesta, so if you have now decided you want to make this trip with

the Legion 'gang' you had better call Lou right away if you want one or all of the remaining 7 seats. Lou's number is WE 1-0262 (business) or 785-6583 (home). Remember the slogan about Harrah's (The Other Atlantic City) which more or less says, 'Hey, we are at the other' (Continued on page 4)

Hicksville Residents Oppose "Mountain Of Cement"

By Sheila Noeth

At its regular meeting held on Tues., Aug. 31 in Oyster Bay, the Town Board acted on the following local matters:

They reserved decision on the petition of Twin County Recycling Corp. for a special use permit to permit the manufacture and refining of asphalt concrete and to store petroleum in quantities greater than tank car lots on the west side of West John St., west of Lombardy Street, along the north line of the LIRR in Hicksville. At the request of those opposed, this was an evening hearing. Over 60 people appeared in opposition to this petition. They turned in petitions signed by 1500 residents who also oppose this petition.

Representatives of the Boeing Construction Equipment Corp. testified that the new machine which would be installed if this petition is granted is low to the ground, is clean and uses up-to-date technology which is considerably improved to the older type of recycling asphalt machines. Also, they mentioned that the storage of No. 2 heating fuel (petroleum) is safe inasmuch as it is not volatile and will conform to all Fire Marshall standards.

Sup. Joseph Colby made the following statement: the present application for the new asphalt facility would give the Town Board input and some control over the existing use of this property and the business which it is presently operating, which conforms to Industrial H Zone restrictions and therefore at present needs no variances to keep on operating recycling cement and storing it on this property making hills of heights (59') objectionable to surrounding residents and areas, but nevertheless, as we have mentioned, conforming to present zoning restrictions.

Testifying in opposition were Mr. J. Oehler of Kuhl Ave., who said that the present use of the property was onerous and the height of the present pile of broken cement completely unacceptable. The dust affects all residents for quite an area, he concluded.

Mr. Greg Yatzyschyn of West John Street, Hicksville opposed the project as presently operating on the grounds that it starts up at 6 a.m. He also questioned the statements of the applicant on the wind direction and the amount of dust caused by this monumental mountain of cement.

Other residents testified. They focused on:

- (1) increased traffic that the new plant would cause.
- (2) the dust at this plant at present.
- (3) the smell at present.
- (4) The height of this cement pile at present, over 50 feet.

Councilman Kenneth Diamond said that some show of good faith by the

owner regarding the present use would be helpful, because the residents objections to the present use, is making their consideration of the proposed future use difficult.

The petitioner said that they would try to limit the pile height to the center line height on West John St., but this suggested 25' height would be "tight."

The petitioners' attorney said that all limiting suggestions would be considered, including hours of operation, increased traffic (35 trucks a day more would be used to bring in old cement and then to remove new recycled cement). He said that the petitioner would get back to the Town Board with possibilities and would make every effort to comply with residents and Town Board members' proposals. The Town Board reserved decision on this matter. The hearing lasted from 8 pm until midnight.

On the petition of Ira M. Israel and Irving L. Kaplan and of John E. and Eileen Fiedlerlein to change the zone of a Residence D District to an R-O Residence-Office District of a house located on the east side of Central Park Road south of Harriet Lane in Plainview, the petitioners stated that they wanted to use this residence as an office for hourly psychiatric appointments for only three days a week. They stated that it would be occupied by one receptionist and two doctors and that there would be no changes to the exterior of the residence. They said that on-site parking would be provided. They mentioned that at this point Central Park Road is very wide.

Councilman Mosca agreed, but stated that at that point the character of this road is definitely residential. He also mentioned that even though light use by applicant is their present intent, nevertheless once the zone change is made, the property, should it change hands, would be available for full use, under the proposed R-O zone.

Resident Nathan Cohen of Central Park Road, Plainview presented a petition with 42 signatures opposing this application. They were opposed because a permanent change of use could eventually turn into a heavier use of R-O zone in this house. They also mentioned that the Road at this point is residential in nature. The Board reserved decision on this matter.

The Board heard the petition of Mark Lazarovic and Helen J. Walsh for a change of zone from Res. D. District to R-O Residence-Office District for a residence on the southwest corner of Old Country Road and Margaret Drive in Plainview. This was the second such hearing on this property. In the mean-

time, the petitioner had met with the Greater Plainview Civic Association and with residents of Margaret Drive. Two letters, one from each group, were received by the Board, approving this change. The applicant signified willingness to limit the use of this building to two tenants...to use low lights, to provide a privacy fence and to conceal any dumpster to be used. The Board reserved decision on this petition.

During the time allocated at the Board meeting for the public to speak, residents of Hicksville addressed the Board on the matter of the second sump which the Town and County engineers state is necessary adjacent to the Dutch Lane School.

The primary speaker was Mrs. Rosemary Lawler of Hicksville who presented petitions contained over 800 signatures opposing the construction of this additional sump to the Board.

Mrs. Lawler stated that the public did not have adequate notification. Supervisor Colby said that the public notices did cover in advance. He continued to explain that the Town has an obligation to get the water off the streets. The sump is necessary and required by the Nassau County engineers, as a recharge basin, inasmuch as the existing sump is not adequate. He explained that the existing sump does not meet present day requirements and existing standards because it has a spring underneath it.

Sup. Colby also explained that we must provide this drainage which will be up to the County engineer's standards. Our own Town engineers have verified this need, he said.

He also explained that the Town attempts to go in with the necessary drainage work at the same time that the County does its sewer work so that the road is under repair once this saving money and inconvenience.

Mr. Leon Rosenthal of 39 Beech Lane in Hicksville said that he felt the extra sump was an unnecessary expense. Supervisor Colby once more explained that our own engineers, have verified that this drainage work is necessary to keep up to present standards.

Construction is scheduled to start this morning (Friday, Sept. 3) and the NATS (Neighbors Against The Sump) plan a protest demonstration at that time.

The Board also spoke with representatives of the Hicksville School Board and the Hicksville Library on the matter of the temporary parking which had been permitted on Second Street for part of the summer months, for library users. The Board had decided to remove this parking on the day that school reopens. Sup. Colby offered to work together with school and

Hicksville School Board Reorganizes Central Administration

On Monday, Aug. 30, a special meeting of the Board of Education was held. Notice of this meeting was publicized by placing a notice on the door of the Admin. Bldg.

The Board discussed at length the reorganizing of library officials in order to provide much-needed parking for the library in the Junior High School parking field. The Town would be willing to sit down with these officials to help work out this problem.

The Board approved three resolutions setting a Nov. 9th hearing date for petitioners who request a change of zone to R-O Residence-Office District in Hicksville. See separate news release in this issue.

The Board approved several resolutions relating to work being done at present at the Old Bethpage landfill.

The Board approved a resolution permitting the Marvic Allstate, Inc. to keep equipment and office trailers on the Hicksville Park area on Old Country Road and Plainview Road in Hicksville for another year until June 30, '83. This firm is working on sewers for the County both in Hicksville

(Continued on page 9)

the Administrative Organization of the District.

Mr. Ayres questioned why the Board had to quickly move on this issue. He stated this was a change in policy and therefore should follow normal procedure and not be voted on until the Board meets on Oct. 13. The Board disagreed. A statement was also made by Mr. Ayres. "Mr. Campenello has said many times, 'A Board can do anything it wants if it has 4 votes.'"

Also questioned was the passing on job descriptions - if these were Board policy or not. Mr. Schwartz stated that they weren't and did not have to be placed on 3 agendas.

Mr. Bennett questioned if this reorganization was recommended by Supt. Dr. Hawkins. Mrs. Anci replied "It is not his recommendation. He prefers the present structure."

After a heated debate, the Board voted to abolish the positions of Asst. Supt. of Secondary Education; Asst. Supt. of Elementary Educa-

tion; Director of Personnel; and to create, Asst. Supt. for Educational Services; and Asst. for Educational Services.

Dr. K. Fenton was appointed as Asst. Supt. for Educational Services and Mr. R. Freedman, Asst. Supt. for Personnel and Admin. Services.

Voting aye: Mr. Nagle, Mr. Schwartz, Mrs. Singer, Mrs. Anci, Mr. Bennett, Mr. Ayres, Mr. Arena.

There were also salary increases for the bargaining unit called "XYZ" group which has two members.

Mr. Ayres asked to see the signed contract. He was informed that there was no contract. The Board voted the increases without a contract. The Board was reminded that the School Board Attorney said, "Just let it (the contract) dribble away."

The next regular Board meeting is Wed., Sept. 8, the first day of school.

Dear Friends

THIS WEEK at the regular Town Board meeting which took place on Tuesday, with both day and evening hearings, Hicksville residents were very much in evidence. The matter of the temporary library parking was discussed during the day session.

The hearings on the petition of a firm wishing to install new asphalt concrete for recycling concrete on West John Street, was the evening hearing and it lasted from 8 pm to midnight.

During the discussion period of the daytime Town Board meeting, residents opposed to the sump appeared to make their opposition known in this matter. Also, if you read the Town Board Meeting article through to its conclusion, you will discover that the Hicksville Park located on Old Country Road and Plainview Road, will contain all that equipment and office trailers for another year.

However, much happens at every Town Board meeting which we bring to you in this newspaper. It is always good to see concerned citizens working together for a better community.

This brings us to the fact that the Hicksville Community Council is planning a meeting for Wednesday, Sept 14th which will be very important for all local organizations in Hicksville. Letters have gone out to all these fine groups and we trust that your officers will be joining us for a joint planning meeting which will be beneficial to all, and thus to our community. See you there.

SCHOOLS will all open next week. We wish all our bright-faced young people much success in the coming months. What an inspiration they are to both their parents and teachers. In some cases they are also a challenge...but that is what education is all about.

SHEILA NOETH

Legionnaire's Log

(Continued from page 2)

end-of-things.... But, there is a jitney that connects with the boardwalk casinos and the boardwalk tram so you can get to any casino you wish to go to....As long as you are back when its time to go back to "God's Country" (Hicksville). However, if you do not have a seat you won't have to worry about it, will you?....Once again, only Lou Cesta can make you a reservation for seats so he is the only one to call....Once again, our Color Guard, will appear in the Hicksville Fire Department's annual Labor Day parade so give them a big hand when they come by....As of now, reacting to necessity of enhancing the VA's ability to recruit and retain nurses, the House and Senate have passed differing versions of Legislation aimed at the private sector competition....The American Legion presented

testimony before the House and Senate Veterans Affairs Committees supporting these initiatives....Over the last several years, the VA has had an increasingly difficult time with the retention of nurses....This has been a persistent problem for the VA hospitals in the presence of a nation-wide nurse shortage in both the public and private sectors.... Moreover, adding to the problem for VA is the fact that private hospitals have enjoyed the flexibility of promptly responding to shortages by increasing pay, benefits and offering additional incentives to attract personnel to the private sector in addition to losing out in the competition for new personnel. Maybe, the legislative boys have acted on time for a change because without nurses, what use is a hospital?

To The Editor:

I would just like to state my disbelief at what I read in your (our) local paper. I am referring to the poor treatment our firefighters received at that house fire on Acre Lane!

All I can say is that the people on Acre Lane must have their priorities mixed up. To harass or interfere with firefighters, while they are fighting a fire, is a violation and any person who does so is subject to arrest and prosecution.

Three cheers for Chief Bill Donlon; next time this rule will be enforced.

Fires can be deadly and these men need to concentrate on putting out the fire, not namecalling with neighbors.

2 1/2 years ago, I came home from being on the road, to my shock, the entire top floor of my house was burnt away. I first thought of my family—thank God all got out safely. Next I thought of possessions, a lot of which were lost. A fire is an ordeal no one should go through, but one everybody should be prepared for.

Our Fire Dept. offers instruction on how and what to do in case of fire. The men of the Hicksville Fire Dept. put out the fire at our house, then rounded up everything salvagable in the downstairs, and put tarps on top to protect against water damage, truly an extra effort on their part. Also, a neighbor of ours, Albert Merk, a volunteer, was first on the scene, realized that everyone was out of the house, but did not see me (I was out of state) and immediately asked

Letters To The Editor

if I got out safely, and was willing and ready to go into the blazing house to rescue me. Fortunately, I was not there, but thanks Al.

Please be ready to help should the need arise and the first to leave a fire area if so told—my family and I will always be proud of the job the Hicksville Fire Dept. did that freezing October night.

Thank you sincerely,
The Linton Family

Dear Editor:

The current flurry of challenges, counterchallenges and lawsuits respecting the designating petitions of various candidates for judicial and other local office has all of the earmarks of politics as conducted in the imperial Byzantine court of the 10th century. Unfortunately, it has very few of the earmarks of what the electoral process should be like in a twentieth century democracy.

The system, if working properly, should be designed to leave the final decision to be made by the voters. Our present system of nominating and electing judicial, legislative and other local officials seems to be designed to take the decision away from the voters and to leave it in the hands of the lawyers, judges and politicians.

It should be obvious that the present system needs to be totally overhauled by the Legislature. One way of doing this would be to adapt the system of nominating Statewide candidates to local candidates as well — any candidate who receives 25% of the vote at an official Party designating conven-

tion would automatically appear on that Party's primary ballot. Any candidate who does not receive the 25% vote could still earn a place on the ballot by means of circulating petitions. All signatures on such petitions should be entitled to a presumption of validity absent direct proof of forgery or fraud.

It is true that a system such as this might well encourage a large number of candidates and a crowded primary ballot. So what? While there obviously must be a process of weeding out the less qualified candidates, the proper way for this to be done is by the voters themselves on Primary Day and not by the political bosses in the back rooms.

It's high time that we took the electoral process out of the back rooms and the courtrooms, and put it back in the voting booths where it belongs.

Very truly yours,
Michael Polansky

To The Editor:

While I was picketing along with other mothers on Tuesday, Aug. 31 at the Beech Lane, Levittown Parkway Sump, I was bodily assaulted by the owner, Bob White of the Slim-King and Dunrite Fence Co. This company was hired to install the fence around the sump.

But makes me more upset than being strongly pushed by a stranger is being strongly ignored by our elected officials. Councilman Clark is not supportive nor sympathetic to the residents on the "Stop the Sump" issue. We are saying "no", we oppose it, we need town representation and the Councilman is saying—too bad, you're stuck with it.

The residents are left with no representation and have been forced to form their own committee. What is happening to our governmental systems?

We have not been granted sufficient time by the courts, either, to investigate this project. There has been an injustice done to the residents concerned here. This sump came upon us like wild fire but we don't have the hose to extinguish it!

Mrs. Carol Dolezal
A fire can get stopped, why can't this?

Dear Editor:

The Town of Oyster Bay would like residents of the Dutch Lane School District, who are concerned with construction of the sump at the corner of Beech Lane and Levittown Parkway, to

believe that the fight to save the park area is over. The Town won the first round in court today when the judge hearing the issue placed the calculations of engineers over the safety of the children of this area.

We, the members of NEIGHBORS AGAINST THE SUMP, want it made perfectly clear that we consider this fight far from over, and that in fact we are currently pursuing other legal alternatives with our own attorneys. We would also like to state that we find the attitude of Town Councilman Clark unsympathetic and contradictory to his responsibilities as our elected official to the Town Council. It is clear that this project met with his approval from the onset and that his attitude was not open to reevaluation in favor of the majority feeling of the residents of the community.

It is also clear that this attitude is shared by Supervisor Colby who did not even make a pretense of hearing out the objections raised by residents at the Town meeting on Tuesday morning Aug. 31. Rather, he stated at the beginning that we were getting the sump whether we wanted it or not, that there was nothing we could do about it, and that the Town would not assist us in any way. In fact, the only point that he conceded was that the legal notice placed in area papers had not been sufficient notice for the community residents.

It is also frustrating to meet with the attitude from Town Council representatives and Town engineering personnel that not only should we accept the sump and the road improvements which are purportedly the cause of it, but that we should "like it" because it is "good" for us. We simply do not seem able to convince these "experts" that all the people of this area wanted was the rapid completion of sewer construction and the return of our roads to specifications that served us adequately for over 30 years.

We trust that the community will not be overwhelmed by the attitude of our elected representatives and that rather the residents will join our group in protest at the site of the sump on Friday, Sept. 3, the date excavation of the sump is due to begin.

Sincerely,
Rosemary Lawler
Chairman
NEIGHBORS AGAINST
THE SUMP
433-5139

At a recent meeting of the Hicksville Kiwanis Club, Assemblyman Frederick E. Parola of the 12th A.D. was the guest speaker.

Assemblyman Parola spoke about some of the bills which were proposed during the previous session of the New York State Assembly and whether or not they were passed. He also advised the members that reapportionment of Assembly Districts will put most of Hicksville into the 14th A.D.

After his brief review of what happened in Albany during the last session, Assemblyman Parola fielded questions from the audience.

In the photo, Kiwanis President Charles I. Montana, Jr., on the left, is shown thanking Assemblyman Parola and presenting him with a certificate of appreciation for his informative discussion.

NATS Plan Continued Fight Against The Sump

The NATS... Neighbors Against the Sumps... are now working at full speed.

Since their last report, many meetings have taken place. Monday evening's meeting was held at the Levittown Hall with more than 150 residents in attendance. Councilman Clark and the two commissioners were the invited guests. However, those

present were disturbed and frustrated by the vague answers they received from these gentlemen at this meeting.

On Tuesday, some residents attended the Town of Oyster Bay Board Meeting held in Oyster Bay. Mrs. Rosemary Lawler, one of the speakers presented 800 signatures to Supervisor Colby calling for a "stop the sump"

action. They were told that if possible, the sump would be placed further back from Levittown Parkway. At the same time the Hicksville School Board attorney attempted to obtain a temporary restraining order to halt construction. This was denied by a State Supreme Court Justice.

As we go to press, Sue Pierini has been retained by

these homeowners to represent them. The proposed site has been fenced and construction is scheduled to begin on Friday, Sept. 3.

A spokesperson for the NATS, Mrs. Rosemary Lawler, has stated that the next protest action will take place at 9 am on Friday, Sept. 3 at the site of this proposed sump.

Grants Zone Change Request In Hicksville

The Oyster Bay Town Board today (August 31) granted the application of Delco Development Corp. for a zone change request on a 9.7 acre parcel of land located on the south side of Broadway (route 107) between Roosevelt Avenue and Hanover Place in Hicksville.

Town Councilman Thomas L. Clark said that "the application sought the change of zone from Industrial 'H' district to Business 'G' District in order to operate a neighborhood shopping center with a supermarket, other stores

and a home improvement center on the site of a former lumber yard at the location.

"In granting the application," Clark said, "the Town Board took into consideration concerns of neighboring residents regarding traffic, noise and orders."

The application was granted with 22 covenants and restrictions among which are requirements to direct lighting only on the subject property with no spillover into adjacent areas; to enclose all debris, garbage and refuse in closed containers in an area to be fenced on three sides; that

no garbage pick-up be made between the hours of 10 PM and 8 AM; that a six foot stockade fence and a buffer area planted with six foot evergreens be installed along the southern border abutting residential property; and that no building permit will be issued until a site plan showing ingress and egress, location, layout and striping of all parking areas, location of sidewalks, traffic patterns, landscaping and refuse baskets and identification of all retail shops and other buildings at the site, has been approved by Town Board resolution.

Town Sets Nov. 9 Hearing For 3 Hicksville "R-O" Zone Change Requests.

Oyster Bay Town Councilman Thomas L. Clark announced Town Board approval of resolutions setting hearing dates on November 9, for three R-O zone change requests in Hicksville.

The applicants, Joseph Edelman & Jerome M. Ness of 370 South Oyster Bay Road, John F. Whitaker of 382 South Oyster Bay Road, and Sonia Lerner of 388

South Oyster Bay Road are each requesting a change of zone for the purpose of operating 3 business offices located on the west side of South Oyster Bay Road, north of Garden Street.

Clark indicated that the applicants are requesting the change from the present Residence "D" Zone, to an "R-O" Residence-Office District.

created by the Town Board in 1980 for the purpose of permitting an office use in residential areas, particularly along major roadways while retaining the residential character of the surrounding neighborhood," Clark stated.

The hearings are scheduled for November 9, beginning at 10 AM in the Town Hall East Hearing Room, Audrey Avenue, Oyster Bay.

New Course Offering Approved By Hicksville School Board

The Hicksville Board of Education has approved nine new course offerings at the Junior High School and ten at the Senior High for implementation during the coming 1982-83 school year. Action on the new courses was taken during the regular meeting of August 25.

"These 19 courses are the result of the ongoing effort to enrich our educational program in Hicksville," notes Board President Charles Ancil. "Several are part of the district's Gifted and Talented program and others have been designed to meet the educational needs of students who are going on to higher academic or vocational programs."

The new junior high level courses include English 7A

Honors, Social Studies 7A Honors, Advanced Computer Programming, Sequential Math 1A, Science 7A Honors, Electronic Music, Business Dynamics, Aerobic Fitness, and Basic Practical Arts. Senior High courses approved include Automobile Maintenance, Home Improvement, Note Taking, Contemporary Novels and Drama, Shakespeare, Introduction to Programming, College Algebra, Consumer Mathematics A, Current Events, and Psychology.

Community residents interested in learning more about these new course offerings are invited to examine course profile sheets which will be available for inspection between

7:30 and 8:00 pm before the next regular Board of Education meeting on September 8. The meeting will be held in the conference room of the Administration Building at 8:15 pm.

Eighth Precinct Police Report

By Police Officer Kenneth A. Box

FORGERY, GRAND LARCENY, UNAUTHORIZED USE - ARREST

The manager of the AMC Dealer, Broadway, Hicksville, spotted a 1981 AMC Eagle Sedan traveling southbound on Broadway, Hicksville, Friday afternoon, 8/27/82. He knew this vehicle had been rented from the dealership on 8/21/82, by a man who had used a stolen credit card.

Police were called and Police Officer Michael Falco responded and began a search of the area. Joseph M. Zalesky of 11 Mott Place, Glenwood Landing, 27 years old was found nearby sitting in the auto. Zalesky was removed to the Eighth Precinct by Officer Falco and after identification was

charged with being the person who had allegedly stolen a credit card and used it to rent the auto.

Zalesky was charged with Forgery, Grand Larceny, and Unauthorized Use of a Motor Vehicle. He will be arraigned on the charges at First District Court, Minerva.

AIR BUREAU IN ACTION

At 2:56 p.m. on Aug. 26, The Nassau County Police Department Air Bureau responded to an aided case in Bethpage. Helicopter #5 piloted by Police Officer Thomas Daly and assisted by Ambulance Medical Technician Joseph Minutoli landed at intersection of Whalen and Lincoln Boulevard in Bethpage. They picked up 26 year old Eugene Contino of 265 Stew-

art Avenue in Bethpage, and took him to Nassau County Medical Center in East Meadow, where he underwent surgery to see if they could attach three fingers to his left hand. Contino, using a table saw severed his pinky, ring finger and middle finger on his left hand. The total elapsed time from when the Air Craft took off, picked up injured man and landed at the Hospital in East Meadow was 12 minutes, which could make a big difference in the effort to reattach the fingers.

Sometime between Aug. 21 and Aug. 23 Tip-Flite Auto, 589 South Broadway in Hicksville was burglarized. Entry was made by prying open a rear window. An APF Pocket Calculator and two Stanley Screwdrivers were reported stolen.

Second Precinct Police Report

By Police Officer John Lazarus

On Aug. 24, the Wick residence, High Ridge Rd., Plainview was burglarized. Entry was gained by breaking a rear window. The loss in unknown. Det. Vincent DiStefano is investigating.

On Aug. 27, the Werner residence, Hofstra Dr., Plainview, was burglarized. Entry was gained by breaking a rear door. No loss was reported. Det. Hank Grynewicz is investigating.

On Aug. 29, the Cabrera residence, Deer Lane Hicksville, was burglarized. Entry was gained through an unlocked rear window. It was reported that a tape deck and tool box was stolen. Det. Bob Spitzer is investigating.

On Aug. 23, Zara Construction, Engle St., Hicksville was burglarized. Entry was gained by breaking a side window. It was reported that an adding machine and radio was stolen. Det. Martin Ciesinski is investigating.

On Aug. 25, King Kullen, 202 Old Country Rd., Hicksville was burglarized. Entry was gained by breaking a rear door. It was reported that \$139 in food was stolen. Det. Grynewicz is investigating.

On Aug. 28, A To Z Rental, 1526 Old Country Rd., Plainview, was burglarized. Entry was gained by

breaking a front door. A generator, jack and compressor was reported stolen. Det. Ed Harsch is investigating.

On Aug. 30, Karey Kasco Co., Inc., 160 Terminal Dr., Plainview, was burglarized. Entry was gained by breaking a front window. No loss was reported. Det. Robert DeRosa is investigating.

On Aug. 25, Hurdy Gurdy, Mid Island Plaza, Hicksville was burglarized. Entry was gained by prying open a back door. It was reported that \$500 in cash was stolen. Det. Parascandola is investigating.

Hicksville Republican Club News

BY HARRIET MAHER

Labor Day is upon us... the unofficial end of glorious summer. In most States of the United States, it's a legal holiday celebrated on the first Monday in September in honor of labor. However, in the political world, it also signifies the beginning of election campaigning.

Close to home in the Town of Oyster Bay, we will soon be called upon to vote for those... political candidates who are running for office or re-election. Some of the candidates will be New York State Senator Ralph Marino, New York State Assemblyman Fred Parola, and Congressman Norman Lent for the House of Representatives. We will be telling you more about the Republican slate of candidates in a future column.

However, we would like to tell you about what Norm Lent is doing for us in Congress at the present time.

Although Lent had some very serious reservations about some portions of President Reagan's tax proposal and was concerned about the effects of a tax increase coming just as the U.S. economy appears to be pulling out of the recession, he voted with the majority of Republicans for the tax bill.

The reasons for his vote were:

1) the positive effects of the tax increases in this bill—such as holding down the deficit and helping cut down high interest and inflation rates—outweighed possible negative effects the tax increases might have on business expansion.

2) the legislation, as finally enacted, exempts nearly 90 percent of retired and senior citizens from the ten percent withholding tax on dividends and interest. This withholding tax had been one... major objections to it.

3) the conference committee's decision to apply the tax only to those 65 and over with high incomes means that most persons who depend on interest from savings and dividends for daily living expenses would not have to pay the tax. The tax will be applied to those 65 and over only if their taxable income exceeds \$24,214 (for married couples) or \$14,500 for single persons. Social Security income is NOT COUNTED AS TAXABLE INCOME. So the impact of this tax is far less than as originally drawn.

4) an important factor was to do everything possible to continue production of the A-10 attack bomber at Fairchild-Republic's Farm-

ingdale plant. As Chairman of the Long Island Congressional Caucus, Lent had been urging the Reagan administration to take this action. Maintenance of A-10 production is most important to the Republic, its workers, and to the Long Island economy.

For these reasons, and because he feels strongly about supporting the President and his program, Lent voted for the tax bill. He hopes it has the effect the President and his advisors believe it will.

Don't forget to attend our Club meeting on September 8, 8:30 p.m., VFW Hall, South Broadway. We will get a running start on elections—come down to the meeting and hear some of the candidates speak on how they will represent you when they are elected to office.

We always have an interesting and informative program. In addition, it's a fun night where you can meet and greet your friends and neighbors. The meeting is wound up with beer and refreshments which we know you will enjoy.

See you on the tenth of September.

OPERATION V.F.W.

By P.P.C. Carmine Somma

At our last meeting, two more Vietnam veterans joined the Post. They are John Huriel and Cory Sweeney. Welcome to the Club.

Commander Connie Steers mentioned that on Oct. 5 there will be a Rally in Washington DC for the proposed budget cuts on veterans benefits. Also, the Vietnam Veterans Memorial will be dedicated on Nov. 11th.

Junior Vice Commander Tony Chepek stated that there will be a MIA - POW Rally in Washington DC on Oct. 31st. More important information will follow.

Flag kits are available for \$7.50 each. Every comrade should display a flag on the holidays.

Comrades, please send

your dues in early. We need them to make our programs successful.

Our next meeting will be held on Tuesday, Sept. 13th when we will be giving out certificates to organizations who participated in the Memorial Day Parade. Come on down and see what the Post is doing for the community and for veterans.

Mayer Wins Hamlet Tennis

By Mark D. Pokedoff

Woodmere native Gene Mayer withstood poor officiating and three worthy opponents to capture the Hamlet Challenge Cup, held last weekend at the Hamlet Condominiums in Jericho.

The tournament, which started last summer, was the final test before this week's U.S. Open.

Mayer, who held off defending champion Brian Teacher in the quarterfinals and Wimbledon semifinalist Mark Edmondson in the semifinals, disposed of Johan Kriek, 6-2, 6-3 to win the \$20,000 first prize.

The tournament field of 12 included Rumanian Ilie Nastase, Israeli Shlomo Glickstein, and a host of the tennis tour's top players.

Mayer, who was ranked sixth in the world before the start of the tournament, was pleased to win in Jericho but hedged on predicting success in the Open.

"It was great to come out and win here," he said, "but that doesn't mean I'll do well in the Open. There, you have to take it match-by-match because it's a two-week-long tournament."

The final match against Kriek were marred by disorganization among the tournament line men and chair umpire. Italian Luigi Brambilla failed to maintain control of the match, as Kriek and Mayer tried to cope with the missed calls.

On one particular play in the first set, Kriek hit a ball to Mayer's backhand that landed by the end line. The linesman originally called "out" but then said she was "unsighted" (screen) on the play.

Brambilla held off making the final call and Kriek threatened to withdraw from the match. "My tolerance is shot," he yelled to Tournament Director Elliot Monter. "If this guy makes any more mistakes I'm gonna walk off the court."

Fortunately, the match continued with no major incidents. Mayer seemed to take advantage of Kriek's uneasiness with the officiating, and the partisan

In the top picture we see Johan Kriek -- in the center picture Gene Mayer, his opponent in the finals. Then, in the lower picture winner Gene Mayer accepts the winner's trophy. (Pictures by Joe J. Braunachweig)

crowd which had earlier cheered for Mayer now tried to get Kriek back into the match. But Kriek was no match for Mayer's array of backhands (one-handed and two-handed).

The slowness of the court was also an advantage to Mayer, who plays more of a finesse game than the powerful Kriek, many of whose shots were too long or too playable.

One thing was apparent from the attention given to the tournament. Between the crowd of almost 2,000 at the finals and a delayed tape audience on the Public Broadcasting System, the

condominium complex gained an incredible amount of publicity for potential buyers.

Monter lost money on last year's inaugural tournament, which included a hastily-recruited four players. Brian Teacher won last year's prize, but failed to repeat this year, thus losing his chance at gaining permanent possession of the solid gold Hamlet trophy, valued at over \$80,000.

If Mayer can repeat next year, he'll have plenty of gold on his hands, and if the publicity continues like this for Jericho's Hamlet, there will be plenty of gold floating around Country Club Drive.

TOURNAMENT NOTES: Besides the four-day singles competition, Monter staged an exhibition doubles match between an American team (Hank Pfister and Victor Amaya) and an Australian team (Edmondson and Brad Drewett. The Americans won, 10-6 in a ten-game "pro set".

Glickstein defeated Edmondson in straight sets to win the third place trophy. Glickstein had previously defeated Yannick Noah and Vince Van Patten to reach the semis.

Andres Gomez was one of the original twelve players, but the 1982 Italian Open winner withdrew due to tendonitis on his left wrist and was replaced by Raul Ramirez.

At press time, Kriek, Mayer, Teacher, Nastase, Ramirez, and Edmondson had won their first round matches at the U.S. Open.

Hicksville Baseball Association

By Ann Macaluso

The weather turned out perfect for the annual picnic last Saturday. There was a nice turn out, and a good time was had by all. The children participated in running races, relay races, and wheel-barrel races.

Grown-ups had their fun with the egg-toss contest, and enjoyed a full day of playing softball. Some of the men even had a football game.

The playground area was enjoyed by the youngsters, and some of the teenagers rented "bicycles built for two".

This is my last column for this year. I wish to personally thank the Executive Board for their help and support throughout the season. Thanks also to all the Directors and Managers of each individual league for providing me with information on their teams progress.

I have enjoyed getting to know the youngsters, and writing about them. I hope everyone was mentioned at least once during the year.

I am looking forward to next year as Publicity Director for H.B.A. and hope you will begin watching for my column again next February.

A FEW REMINDERS: Any Pony, Colt, or Connie

Mack player who hasn't returned their uniforms yet please get in touch with Mr. Strongin at 822-8710.

Ponytails must return uniforms to Mr. O'Hara, who can be reached at 822-8620.

All-Star Dinner will be held at Antun's on Old Country Road, on Tuesday, September 14th, at 6:30 p.m. Please return forms as soon as possible so proper arrangements can be made.

Parents are invited to attend our open meeting on

Thursday, September 16th at Levittown Hall at 8:00 p.m. Elections will be held for board members for next year.

Homemakers Council

The Hicksville Chapter of The Nassau County Homemakers Council will have their first business meeting of the year on Thursday, September 9, at 10 AM - at the Community Church on Stewart Avenue in Hicksville.

Make Their Day.

Send The Preserves Jar or Salt Box Bouquet For Grandparents' Day.

NOTICE TO BIDDERS

The Board of Education of Hicksville Union Free School District of the Town of Oyster Bay, Nassau County, New York (in accordance with Section 103 of Article 5-A of the General Municipal Law) hereby invites the submission of sealed bids on Sewer-Contracts "S" 1982 83-32; Auditorium Alterations, Senior High-Contract "B" 1982 83-33; Auditorium Flooring, Senior High-Contract "E" 1982 83-34; Auditorium Seating, Senior High-Contract "C" 1982 83-35 for use in the Schools of the District. Bids will be received until 2:00 P.M. on the 20th day of September, 1982, in the Purchasing Office at the Administration Building on Division Avenue at 6th Street, Hicksville, New York, at which time and place all bids will

LEGAL NOTICE

be publicly opened. Specifications and bid form may be obtained at the Purchasing Office, Administration Building, Division Avenue at 6th Street, Hicksville, New York. The Board of Education reserves the right to reject all bids and to award the contract to other than the lowest bidder for any reason deemed in the best interest of the District. Any bid submitted will be binding for forty-five (45) days subsequent to the date of bid opening.

A Very Dangerous Drug

The famous saying, "the more things change, the more they stay the same," is not altogether true in this country. Three years ago, the official attitude the dangers of marijuana smoking was hard to find. Some legislators were in favor of legal-

izing the drug's use; others ignored it, and still others accepted the propaganda put out by a well-financed lobby seeking acceptance of pot as a recreational drug more stimulating than harmful. Encouraging this benign attitude was a steady flow of

rock music, books, pamphlets, magazines, new stories, radio and TV shows, and Hollywood films. And although nearly 15 years of government and privately-financed research had produced solid evidence that marijuana is, as the American Medical Association stated recently, "a very dangerous drug," particularly for adolescents, the evidence, even when offered to congressional committees, was generally ignored, downplayed or scoffed at.

Concerned parents who were aware of the hazards of pot, having seen the effects on their children, looked for guidance to combat what had become public acceptance of the drug. They organized groups, receiving medical and legal advice on how they could best fight what was recognized by the National Institute of Drug Abuse as an epidemic among the young people of America. One such group, the National Federation of Parents for a Drug Free Youth, started in a mother's kitchen with a few extra dollars from the family food budget. Today NFP is in communication with thousands of parent

DEVOTIONS

Trinity Lutheran Church

TO LIVE IS CHRIST

Many think they can go solo through life, "doing" life all by themselves. "I don't need God; religion is for children and old ladies." Sorry, Mac, you've got it all wrong.

True Christianity has a place for strong men and women. It's for those who want to live a life that's meaty... one that counts for something. Christ calls no one to "Easy Street." Jesus only made two promises to His disciples: that they would get into trouble if they followed Him, and that He would stick by them when they did.

Those who live their Christianity often find they receive as many jeers as

cheers. There is always trouble when one speaks out against injustice. Most of Christ's disciples were killed for their efforts. Evil rarely sits idly by when under attack.

The false image that many hold of Christianity is a bastardization of the real thing. Christianity is not something that happens to you, it is something you make happen. It is not a noun but a verb... actively making an impact on the lives of those who come into contact with it.

Most of the significant men of Christianity have been strong men of great character. Men willing to do what was right rather than what was expedient... men and women who felt that liv-

ing a meaningful life was more important than life itself.

Those who feel they can live a significant life apart from Jesus Christ might well rethink the matter again. Check the Christian field manual (the Bible), and you will be surprised at what you'll find. If your church isn't where it's at, perhaps God wants to use you to get it back into shape. That's if you're courageous enough for the task.

Christianity needs strong men and women; those who are proud that they are one of God's own and have found meaning in a life of service. They understand Saint Paul when he says, "To live is Christ," for they are truly alive.

Obituaries

CHARLES A. MCGUNNIGLE

Charles A. McGunnigle, of Chardon, Ohio, died suddenly on Aug. 23 at the age of 44. He was the son of Emma McGunnigle of Hicksville.

He is survived by his wife, Barbara (nee Frank), and daughter Maureen. Also sisters, Maureen Scherer, Kathleen Voorhies, Margaret Orobona and brothers, Lawrence, Patrick, Robert and Alfred.

Mr. McGunnigle was an electrical engineer for Gould, Inc. of Euclid, Ohio. He was involved in many community and church activities—leader of Geauga County Y.M.C.A. "Indian Princess" group, a T-ball coach for Chardon Little League, an adult reading teacher of "Project Learn" sponsored by the Inter-church Council of Cleveland.

He was a graduate of Milwaukee Computer Institute receiving an associate degree in Computer Technology; Milwaukee School of Engineering receiving a B.S. in Electrical Engineering and Cleveland State University receiving a

B.A. in Industrial Psychology.

Mass of the Christian Burial was at St. Mary's Church, Chardon, and burial was in Forest View Cemetery, Two Rivers, Wisconsin.

MARY V. CRAFT

Mary V. Craft of Hicksville died on Aug. 27. She was the wife of the late William; mother of Eleanor Reynolds, Arthur Houlihan and the late Elizabeth Ann O'Neil; sister of Helen Marisch and Alice Mallander. She is also survived by nine grandchildren.

Religious services were held at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville. Interment took place in St. John's Cemetery.

EUGENIE MATTHIENSEN

Eugenie A. Matthiesen of Hicksville died on Aug. 27. She was the mother of George Waldenmayer; grandmother of George Carl Waldenmayer and Jeanne Kathryn Parker; great-grandmother of Cassandra.

Arrangements were under the direction of the Thomas F. Dalton Funeral Home, Levittown Chapel.

JOSEPH E. CONNOLLY

Joseph E. Connolly of Hicksville died on Aug. 26. He was the husband of Jean; brother of May J. Connolly, Helen Dising and Ann V. Connolly. He is also survived by several nieces and nephews.

He reposited at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville. Mass of the Christian Burial was at Our Lady of Mercy R.C. Church and interment

took place in St. Peter's Cemetery.

ALEX KRIEDEL

A former Hicksville resident, Alex Kriedel, died after a long illness in New Port Richey, Fla. He was the husband of Bertha; father of Sally Jantrant, Barry Kriedel and Leila Randazzo; grandfather of Sara and Jennifer.

Services were held at "The Colonial Chapels" of I.J. Morris, Inc., Hempstead.

CHARLES MATTERA

Charles Mattera of Plainview died on Aug. 25. He was the husband of Francine; father of Adenna, Nicholas, Catherine and Melissa, son of Katherine and the late Nicholas Mattera; brother of Stephanie Rumba.

He reposited at the Thomas F. Dalton Funeral Home, Jerusalem Ave., Hicksville. Mass of the Christian Burial was at Our Lady of Mercy R.C. Church and interment followed in Holy Rood Cemetery.

ROBERT M. DUNN

Robert M. Dunn of Plainview died on Aug. 29. He was the husband of the late Anna; father of Sr. Margaret Dunn R.S.C.J. and Anne Reynolds; brother of Mary Dunn and the late Marcella Dunn; grandfather of Peter, Peggyanne and Paul Reynolds.

He reposited at the Thomas F. Dalton Funeral Home, Jerusalem Ave., Hicksville. Mass of the Christian Burial was at Our Lady of Mercy R.C. Church and interment followed in Calvary Cemetery.

for the 8th time this past August 14th as his son Peter and his wife Robin were the parents of a beautiful baby girl weighing 9 lbs. and 4oz. Congratulations to the Masiello family from the Galileo Lodge. The baby's name, incidentally, is Melissa Louise. On Friday, the 19th of September, the Galileo Lodge will present another Member Appreciation Night, at which time food and refreshments are offered free to the membership. Members and their wives are cordially invited and are asked to bring a friend (or friends) who might be potential members of the Lodge. Please call Venerable Skip Monteforte if you are contemplating this and tell him the number of people involved. New members will be sworn in that night also.

Around Our Towns

By Harriet A. Maher

James Connelly, grandson of Pat Connelly, will be starting First Grade at Holy Family in September. He graduated from Holy Family Kindergarten this past June. James was delighted with Kindergarten and is thrilled to go into First Grade — at least that's what he says now. We'll check back with him around Third or Fourth Grade to see if his enthusiasm has waned. The Connellys are all Hicksvillites. James lives with his parents, Mary and Henry, and four brothers on Blueberry Lane.

Our apologies to Mary Novellano. We congratulated Mary on her August 15th birthday; however, we learned, much to our chagrin, that Mary's birthday is on August 29. We not only made this mistake this year, but last year, too. Well, we've just doubled the good wishes to our Hicksville neighbor.

Cliff Henderson celebrated his birthday on August 22 with his wife, Helen, friends and family. The Hendersons are very active in our community and we know you all will join with us in wishing Cliff many, many more happy birthdays.

Engaged

Mr. and Mrs. John Gonzalez of Hicksville High School She is currently studying at the Fashion Institute of Technology. He is an alumnus of the University of Rochester and is affiliated with Goldman Brothers in Hicksville.

Miss Sullo and Mr. Goldman are both graduates of Hicksville High School.

Autumn Inspirations

The Plainview-Hicksville Garden Club will present its 1982 Standard Flower Show, "Autumn Inspirations" on Friday, Sept. 10 from 2 p.m. to 5 p.m. and 6:30 p.m. to 8:30 p.m. and Saturday, Sept. 11, from 1 p.m. to 5 p.m. at the Church of the Good Shepherd, 99 Central Park Rd., Plainview.

Admission is free and every one is cordially invited to attend and is assured a most enjoyable time.

"If anyone is interested in joining our Garden Club, please come and speak to anyone of our friendly members" said a spokesperson.

ENERGY SAVER
William J. Gray of Hicksville, right, receives an Energy Conservation Award from New York Telephone President D.C. Slaley.

Gray, a Staff Manager in New York City, was one of 47 employees honored by the company for achieving

outstanding results in saving energy during 1981.

Efforts by employees statewide have enabled New York Telephone to save about \$82 million in the past eight years because of reduced energy consumption.

Have to slip in here that yours truly celebrated her birthday on August 22, also. My family, husband, Bill; son, Mike; and daughter, Joanie, and her family held a family dinner party in honor of the occasion at Joanie's home in Oyster Bay. I love them all...they're good, kind and thoughtful to me.

Four days later, our grandson, Frankie, celebrated his third birthday. This time the family celebration was held in our home in Hicksville. With all the excitement and festivities, Frankie became overtired and refused to accept his birthday cake — that is, until we said we were going to give it to his brother, Jimmy. That changed the whole picture. Frankie not only wanted the whole cake, but we had a tough time convincing him that he should share it with all the guests. Patience and coaxing prevailed, and we all ended up with ice cream and birthday cake.

Not to be left out of this birthday scenario, Hicksvillite, Mary Knight, celebrated her birthday on August 22. Mary is a graduate of Hicksville H.S. and SUNY at Farmingdale. We hope you had the best birthday ever, Mary.

Over on the other side of Hicksville, Ryan Donovan started his third year on August 17. Ryan's parents, Timothy and Maria, helped make this a special day for their son. So, too, is Ryan's grandparents, Judge Frank Donovan and his wife, Arca. Congratulations, Ryan.

Congratulations to Ralph Straub, East St., HICKSVILLE, on celebrating his 40th year with Grumman on Aug. 25.

The Santoemma residence on Cherry Lane, HICKSVILLE, was a busy place during July and August.

Daughter, Lisa, celebrated her 3rd birthday on July 8 with her sister, Melissa plus friends and relatives. Also attending were her grandparents, John and Ann Santoemma and her great-grandparents, Anna and Roger Cavallaro, all of Hicksville.

On Aug. 10, Melissa celebrated her 1st birthday with a party attended by all her relatives.

We'd like to wish Past Post Commander of the Hicksville V.F.W. Post, Carmine Somma, a healthy and speedy recovery. Hope to see you at bingo again!

Back to Basics

Congregation Shaarei Zedek announces that Cantor Joseph Bick and Baal Shahrer Michael Segelstein will be at hand with Rabbi Jacob Kurland to officiate on the High Holidays.

Shaarei Zedek is a traditional Synagogue located at the heart of Long Island, on New South Road and Old Country Road, Hicksville. If you hanker for the type of prayers you could bring your Zeide to, come and help our Congregation celebrate it's 66th year.

For further information please contact the office between 10 A.M. and 2 P.M. at 938-0420 or leave a message with Elliot at 935-2701.

TOWN BOARD MEETING
(Continued from page 3) and Plainview. When they have completed this work the property will be free once more to develop a small, 6-acre park, if residents and town can agree on what they want and can afford. Monies paid by this firm for using this property is being placed in the Hicksville Park District Fund, for the purpose, eventually, of developing a modest park on this property.

The Board approved a resolution of the petition of Deleo Development Co. of Hicksville for a change of zone the hearing for which took place on May 18th. This was granted subject to 22 covenants and restrictions. See separate news release in this issue.

The next regular meeting of the Town Board will be held on Tuesday, Sept. 14.

Our Armed Forces

Marine Lance Cpl. Kevin M. Cantwell, son of Mr. and Mrs. Michael Cantwell of Bentley Road in PLAINVIEW, is currently serving with the 32nd Marine Amphibious Unit (MAU) off the Coast of Beirut, Lebanon.

He is a member of Battalion Landing Team 2/8, Camp Lejeune, N.C.

A 1981 graduate of Plainview Old Bethpage High School, Cantwell joined the Marine Corps in July 1981.

Marine Pvt. Andrew C. Grayson, son of Henry T. Grayson of Fireplace Lane, HICKSVILLE, has completed the Field Radio Operator's Course.

During the seven-week course at the Marine Corps Communication-Electronics School, Twentynine Palms, Calif., students received instruction on the installation, adjustment and operation of the tactical radios used by Marine Corps ground and aviation units. They studied voice radio procedure, communications security and the use of encryption (message "scrambling") equipment.

First Lt. William F. Robinson, son of Mr. and Mrs. Eugene H. Robinson of Edison Drive, PLAINVIEW, has participated in an Air Force Strategic Air Command (SAC) exercise called Global Shield 82.

Robinson, an electronic warfare officer with the 91st Strategic Missile Wing at Minot Air Force Base, N.D., joined others from all SAC units in the United States and selected Air Force Reserve and Air National Guard units to take part in command post and field training exercises. Global Shield 82 was the fourth such exercise held by the command in as many years. It was designed to enhance readiness and the ability of the command to carry out orders which support U.S. national policy, should deterrence fail.

Components of the U.S. Navy and Marine Corps, as well as elements of the Can-

Mr. and Mrs. Paul O'Shea, of 195 South Broadway, Hicksville, are shown posing poolside aboard the Home Lines Flagship, "S.S. Oceanic", just before sailing from New

York on a week's vacation cruise to the Tropical Bahamas, visiting the Capital City, Nassau, and Bermuda.

Mrs. O'Shea (Dorothy) is with Island Trees Travel.

adian forces, also participated in the exercise.

Jennifer R. Dalessandro, daughter of Robert L. Roy of Long Meadows, Mass., and Shirl M. Roy of Brimfield, Mass., received practical work in military leadership at the Army ROTC advanced camp at Fort Riley, Kan.

The six-week training includes instruction in first aid, communications, marksmanship, orienteering, weapons systems, defensive and offensive tactics, reconnaissance techniques and other areas.

Most cadets fulfill their

advanced camp requirement during the summer between their junior and senior years in college. The successful completion of the advanced camp and graduation from their respective college or university will result in the student's being commissioned a second lieutenant in the active Army or the U.S. Army Reserve or National Guard.

Dalessandro is a student at Kansas State University, Manhattan.

Her husband, Robert, is the son of Joseph and Jeanne Dalessandro of Lane Ave., PLAINVIEW.

Galileo Lodge News

By Joe Lorenzo

VENERABLE SKIP MONTEFORTE'S MESSAGE: "An apology is better than an explanation and quicker." Old Saying

It was all nostalgia—a period of so many moments of the glorious past springing up before our eyes. It was pleasure and fun, coupled with those entertaining flashes of old customs and traditions of the old fashion Italian football weddings. Yes, it was Saturday night at the Galileo Lodge, the 28th of August, the time when it presented its Annual Italian Football Wedding and Dance. Close to 200 people attended, enjoying also the unveiling of our Beauty-Queen, Leila Robbano, a vivacious high school student, and the revealing of the Galileo Lodge's Louise Masiello Memorial Scholarship Program recipients, namely, Dan Colucci, Joseph Pino, James Posillico, Jr., Diana Valente and Michael Romano, all offspring of members of the Galileo Lodge. They were awarded \$250 each.

Leila Robbano will represent the Galileo Lodge at the Columbus Day Parade. Her fiancée, Ricky De Marco was also present, as was her grandparents, Mr. and Mrs. Ed Smith of the Galileo Lodge. Judge James Brucia honored us with his presence as did Caroline Alloca and other members of her Lodge. Such an auspicious occasion could not have taken place if it were not for the notable efforts of Chairman Joe Giordano, Frank Matassa, Jim Posillico, John Sarrero, Pete Ragone, Annette Monteforte, Ann Palermo, Dante Perotti, Al Matello, Joe Morace and Armand Del Cioppo. The mock football wedding scene was a hilarity to behold, with Joe Crivelli and Armand Del Cioppo as the Bride and Groom, John Sarrero as the Best Man, Jack Riccardi Sr. as the Maid of Honor, Father of the Bride was Fred Noto and the Judge was James Brucia himself. Rose Riccardi was the attendant to both Bride and Groom and Florence Perotti was the designer and maker of the Bride's dress. For such outstanding performances by these outstanding members of the Galileo Lodge, Venerable Skip

Monteforte, on behalf of the Galileo Lodge, extends his most sincerest thanks.

For another affair with spine-tingling moments, it has to be the Testimonial Dinner and Dance to be given by the Ladies Auxiliary in honor of Jo Ann Wallick, the very capable and efficient President of the Ladies Auxiliary from 1979 to 1981. Tickets sell at \$17.50 per person, which includes a full-course dinner, beer, soda, coffee and cake, unlimited liquor, set-ups and live music from the Yesterday, Today and Tomorrow dance group. Contact Rosa Meszaros, the Chairlady (931-0876), Marion Densiglio (ED 4-6860) and Carmen Russo (931-1059) for tickets and reservations. All members, male as well as females, are urged to attend and bring friends along. Cut off date is the 21st of September and tickets also must be paid in advance.

DON'T-FORGET-ME-NOTS: The rehearsals for the 'Foolies Follies' scheduled for Tuesday nights at the Galileo Lodge, at 8:00 P.M. Contact Jo Ann Wallick (681-8428) for more details concerning this comedic venture. As many male and female members of the Lodge and Auxiliary are urged to attend and lend their talent to bring about the successful conclusion of the 'Follies.' Jeff Wallick announces a change in the Golf Tournament set for Sunday, the 26th of September, at the Swan Lake Golf Club, which is that Breakfast will be omitted and that an open bar will last two hours. Cut off date is the 16th of September. Fee for members is \$20 and \$25 for non-members. Tee off time is 12:00 noon, with prizes and trophies and green fees being part of the package deal. For more details, please call Jeff Wallick (681-8428).

LODGE TIDBITS: Congratulations to Mr. and Mrs. Frank Anselmo as they have recently celebrated their 37th Wedding Anniversary. Frank and Rose are a nice couple as well as excellent dancers....A Get Well wish to Lou Boncampagna and a speedy return to the Galileo Lodge....Pete Masiello was a grandfather

(Continued on page 8)

A Very Dangerous Drug

(Continued from page 8)

groups in all 50 states. There are numerous volunteer organizations like it, all dedicated to fighting drug abuse at every level. Two years ago they were struggling to awaken the public to a menace whose statistics indicated that more than 4 million high school seniors were regular marijuana smokers. These parents had long been looking to Washington for leadership and support. And in President and Mrs. Reagan they found it.

Soon after he took office, the President spoke out saying, "The problem of drug abuse is one that reaches deeply into American society. We need to mobilize our religious, educational and fraternal groups in a national educational program against drug abuse."

Recently, the First Lady chaired a White House Briefing hosted by ACTION, the national volunteer agency, on how best to attack drug problems through corporate voluntarism. "Attack" is the active word because by word and deed the President and Mrs. Reagan have quietly, but firmly, provided a rallying point of national leadership which has subtly, without fanfare or even notice, brought a change in public attitude toward the use of marijuana. The former belief that nothing can be done about it is no longer prevalent.

Mrs. Reagan's first-hand activities at drug prevention centers discussing the problem with young people have been duly reported. New in-

formation on the dangers of marijuana is gaining broader attention and acceptance in the press. Anti-drug films are appearing on the television networks; question-and-answer programs are heard on the radio. Most importantly, there is a slowly growing perception among young people that pot is not cool, but bad news; the statistics are beginning to show a downward trend in its use.

Many factors are involved and no one has singled out the President and the First Lady and said it's through their leadership that the tide has begun to turn on this national problem. But those who have been working in this cause know what support from the White House has meant, that it has helped greatly to bring a change in direction.
