R. R. Station Between Syosset And Hicksville Possible

With the Long Island Railroad agreeing to drop consideration of developing a major transportation hub between Syosset and Hicksville Stations, the Town of Oyster Bay has agreed to consider construction of a smaller parking facility as part of its environmental protection plans for the old landfill site.

Oyster Bay Town Supervisor Joseph Colby announced that after meeting with Railroad President Robbin Wilson the railroad indicated its willingness to drop the proposal to build a major regional station with a 3,700 car parking facility and lay up tracks on the old Syosset landfill property owned by the Town.

"Knowing of the Town's objections to the original proposal, Mr. Wilson indicated that the concept of a smaller facility aimed at serving only Town of Oyster Bay commuters would still be a way of assisting the railroad's customers," Colby said. "He expressed a wil-

lingness to build a smaller station without lay up tracks if the Town would consider constructing a parking facility for Town residents with less than half the spaces originally proposed by the MTA.

At the hearings on the original plan for a regional hub, Town Councilman Kenneth S. Diamond indicated the Town's awareness of a need for additional commuter parking to relieve congestion at Syosset and Hicksville. But, he added, the Town would not agree to a regional hub with 3,700 parking spaces.

Diamond had pointed out that Town planners had looked at that concept and determined that no more than 1,500 parking spaces would be necessary to meet local needs.

"In discussing it with Mr. Wilson it became evident that the MTA proposal was seeking to solve greater commuter problems than those that are among this

Town's Mr. Wilson was quite candid about that, and his deep dedication to assisting commuters who use the Long Island Railroad was quite evident."

Colby noted that the Town "is currently undertaking plans for an environmental protection program at the former landfill. In keeping with those plans, I told Mr. Wilson that the Town would look into the possibility of constructing a parking lot no larger than 1,500 spaces for Town residents. In return he agreed to the smaller station and the elimination of the lay up tracks that had been part of the original MTA plan."

Colby noted that the Town had originally protected the concept that it pay for construction of a station parking lot. "However, as we are already doing the planning work to protect our environment from any possible effects of the old landfill, the Town is willing to include consideration of

parking lot construction as part of the environmental plan.

"If a parking lot fits in with the environmental plan - a view that both environmental and health officials seem to share - then the Town might be able to meet the needs of our own commuters while providing the intended environmental safeguards that we are already working on."

According to Colby the plans for a station and those for a parking lot are very preliminary at this time. "What we have now is an agreement on a concept," Colby said. "As we proceed with our environmental studies, only then will we have a better idea as to the true possibilities of the community parking and station facilities."

Colby said that if environmental programs permit the parking lot construction, it would be a Town owned and operated parking facility with the Town restricting the use to its residents only.

 - Hicksville BPOE, 9 p.m., 80 E. Barclay St.

Principals and Administrators Picket Board of Education

By Rosemary Grant

At the October 27 meeting of the Hicksville Board of Education, a presentation and explanation of the Iowa Tests and Basic Skills were made by Dr. Catherine J. Fenton, Assistant Superintendent to explain the testing procedure and its purpose and to help understand the computerized test reports.

Dr. Fenton stressed the tests are a supplement and do not replace teacher judgement. The report was well received and trustee John Ayres suggested an "in service course for the staff members who would be interpreting the tests to the

parents at the Parent Teacher Conferences." Dr. Fenton agreed to suggest it to the principals, indicating plans were made to "sit down and discuss this with the grade teachers." She said "We want to report this properly and not make people anxious or defensive."

As they did at the last Board meeting, principals and administrators picketed outside the building and appeared before the Board asking for a contract.

Former trustee Virginia Germer asked the same questions as she did at the last meeting concerning residents involvement in a superintendent search, a

replacement for Mr. Keogh, administrative organization and the situation of administration and custodian negotiations. She pressed for more specific answers and also complained about the "abrupt attitude" in the office of Central Administration.

Ms. Allen, President of the St. Ignatius P.T.A. questioned how transportation funds are allotted, particularly for extra curricular activities and school trips.

Iris Wolfson advised the Board of the high student honors awarded to Edward Gerity, Jr. by BOCES. Larry Wolfson requests all PTA's to send representa-

tives to the Budget meeting to be held on November 8 in the Conference Room of the Administration Bldg. He asked all members of the public to attend, saying "We want as broad a representation of the community as possible."

In answer to a question from Trustee Thomas Nagle, Mr. Weigang indicated income from investments will not be as high as last year because of the decline in prime rate of interest.

In a new time saving procedure, the Board voted on the Action Section, with-

(Continued on Page 9)

HCT Urges School Board To Follow Evaluation Committee Recommendations

The Hicksville Congress of Teachers issued a 17-page Position Paper on "The 1982 Middle-States Evaluation Report of the Hicksville Senior High School" calling on the Hicksville School Board members as the trustees of the education our youth...to enact in total the 'recommendations' and 'suggestions' made by the Middle-States Evaluation Committee.

Further, the HCT leadership called for the creation of a task force, "comprised of School Board members, Central Administrators, High School Building Administrators, High School Staff and community...charged with the implementation of the 'recommendations' and 'suggestions' contained in the Report...with implementation to go into effect

the following school year (1983-84).

HCT President, Bob Zaleski, himself a former Hicksville High School graduate, went on to state that "The HCT believes that only by implementing the 'suggestions' and 'recommendations' of the Middle-States Evaluation team can Hicksville High School become that better educational facility we all want for our children."

Stating, "We cannot, we must not, do less!" Mr. Zaleski went on to say that he HCT is in agreement with the Middle-States Committee when it states that "approached with open-mindedness by the administration and staff, then and only then will our cooperative efforts result in progress for the students and for the district as a whole."

The Hicksville Senior Club of Levittown Hall held a Covered Dish Luncheon in honor of Fred and Josie Flecher's 60th Anniversary. The club presented this charming couple with a gift and a promise for another party for their 70th anniversary.

Fred in the past president of the club and Josie is the Hostess. Pictured above is Josie and Fred, their daughter, Charlotte Martin and their daughter-in-law, Helen Flecher. Everyone had a great time on this joyous occasion.

Galileo Lodge News

By Joe Lorenzo

VENERABLE SKIP MONTEFORTE'S MESSAGE: 'Let it be known, to any and all people who received my letter of endorsement for the candidacy of Dan Frisca, that my support for said candidate was as Brother member of my Lodge and of the Order of the Sons of Italy in America and not as a Republican or Conservative candidate.'

Fraternity, Venerable Skip Monteforte, Galileo Lodge

If you were to make a financial investment, would you not expect a substantial return on that investment? And by the same token, if you were to make a social investment, would you not expect ample returns on that investment? Thus, if you were to make a social investment in the Galileo Lodge, would you not

expect social return in the form of pleasure. Relaxation and good fun? Of course you would, so why not get interested in the Galileo Lodge and reap the rewards of that investment.

Why not start to invest in the Galileo Lodge by attending its Halloween Dance, scheduled for this Saturday night. Tickets sell at \$10 per person, a reasonable sum which also offers you a delicious hot meal with all the trimmings, beer, soda, coffee and cake, set-ups and live music for your dancing and listening pleasure. Armand Del Cioppo (938-5052) will 'chair' this activity, ably assisted by Joe Morace (931-2548) and Frank Matassa (931-2843). Dress is optional and prizes will be given to the wearers of the most original Halloween costumes. Please note that a 'bring-your-own-liquor' policy will be in effect that night.

LODGE TIDBITS: Mr. and Mrs. John Sarrera of the Galileo Lodge and the Ladies Auxiliary announce that their daughter Jo Ann Pietzek (husband is Eugene) proudly gave birth to a

beautiful 8 pd. and 8 oz. baby girl whom they beautifully named Christina. John and Mary are thrilled because it's their first grandchild. A beautiful congratulatory wish to this very nice family... Very sad to report the death of Frank Miccio of our Lodge. He will be surely missed and the Galileo Lodge offers its most heartfelt condolences to the Miccio family... Keep abreast of more news concerning our Christmas Dance which will take place on Saturday, the 6th of December; our new two parties for the handicapped children of Queens and Long Island and the other one for the children of the membership. They are scheduled for Sunday, the 19th of December and our New Years Party and Dance, scheduled for the 31st of December.

Another worthwhile social investment could be the "Foolies Follies that crazy, zany and laugh filled comedy revue presented by the Ladies Auxiliary of the Galileo Lodge on Friday, the 12th of November. Tickets sell at \$10 per person and in the offering (besides

School Board Community Relations Committee To Meet

The next meeting of the Community Relations Committee of the Hicksville Public Schools Board of Education is scheduled for Wednesday evening, November 3, at 8pm in the conference room of the Administration Building on Division Avenue. Committee chairperson Honey G. Singer announced that Board President Charlene Anci and Vice President Jay M. Schwartz will attend the meeting and will be available to answer questions and discuss important issues with community residents in

an informal session. "This will be an opportunity for Hicksville citizens to meet officers of their Board of Education on a more personal basis outside of the formal structure of regular Board meetings," Mrs. Singer noted. "We will be able to talk and share ideas one-to-one, and anyone interested in participating in our committee is warmly invited to attend and join us."

The Community Relations Committee will meet regularly on the first Wednesday of each month at 8pm in the conference room.

and who doesn't why not soften the sting of everyday living by attending this fun and frolic show which also features the talents of the male and female members of the Galileo Lodge and the Auxiliary. Make a wise investment even if its only a social one.

An added note: Rehearsals for the 'Foolies Follies' take place every Tuesday night at the Galileo Lodge every Tuesday night. So, all you members, attend these rehearsals and make this show a memorable one.

the show) will be a hot roast beef dinner with all the trimmings, beer, soda, coffee and cake, set-ups and music from a live disc jockey. Please note that here also a 'bring-your-own-liquor' policy will be in effect that night. Rose Riccardi (681-0966) will direct this revue and she will be assisted by Marion Freed (249-4313, 931-9351) will handle ticket sales. Marion, incidentally, will appear at the Galileo Lodge every Tuesday and Wednesday nights for this purpose. If you like to laugh,

Hicksville Fire Report

During the month of August, Hicksville volunteer firefighters responded to 141 alarms. There were 7 malicious false alarms and 72 rescue calls. In September, Hicksville firefighters responded to 93 alarms.

During the past two months, since the last report, Hicksville firefighters responded to two vacant building fires on So. Broadway, a house fire on Cedar St., which caused extensive damage to the ranch style house. Rescue personnel assisted at the scene of four fatal auto accidents.

Haz-Mat Team Assists East Meadow Vamps
Hicksville Fire Department's unique hazardous material team, formed over a year ago to cope with the numerous hazardous materials in the industry around us, was called to East Meadow-Modell's Shopping Center on Oct. 23, when employees of a movie theater put water on a container of bleach causing a chemical reaction forcing the evacuation of the movie theatre by East Meadow Vamps. Haz-Mat team leaders, Capt. McLaughlin, and Ex-Capt. Pietzak, along with other team members, firefighters and two chiefs responded to the scene. A recovery drum was obtained by Vamps from the Rucco Co. of Hicksville. East Meadow and Hicksville Vamps put the smoldering container in the drum.

which was then removed by the County Police bomb squad to a safe location.

In November, Hicksville Chief of Dept. William Donlong, 1st Asst. Chief Owen Magee, Team leader Ex-Capt. Eugene Pietzak and Fire Commissioner and team member Michael Palmer will journey to Florida for a week-long school on hazardous material fires and handling. The Haz-Mat team has attended every available school or seminar in the area. The Haz-Mat team, backed up by firefighters has handled several incidents this year.

Fire Dept. Disaster Drill

The emergency medical personnel of the Hicksville Fire Dept., under Chief O'Brien and Lt. Williams conducted a surprise disaster drill involving an auto and an overturned school bus. "Thirty" victims, mostly Jr. Firemen from Hicksville and surrounding departments were made up in various types of injuries. Many Vamps and passersby thought the accident was real.

Assistance was requested from the Syosset, Plainview, Bethpage, Levittown, Jericho and Westbury Fire Departments along with the County Police Aviation Bureau. The drill was staged on Second St. and Frevort Place.

MADD Program At Kiwanis

Mothers Against Drunk Driving, a Hicksville based organization, otherwise known as M A D D, was represented at the October 20 meeting of the Hicksville Kiwanis Club by Mr. Paul Cicarelli, the Public Relations Chairman of MADD.

Mr. Cicarelli presented a program illustrating the horrors resulting from drunk driving through the use of a video tape. This tape consisted of on site pictures of accidents caused by drunk drivers, interviews with the families of victims of drunk drivers, and pictures of drunk drivers being arrested on the scene.

Among some of the items brought out by Mr. Cicarelli were: drunk driving is a national disgrace; it is the

number one killer in the country for persons under 25 years of age; in the approximately 50,000 car crashes per year, the assumption is that at least one half are because of drunk drivers; defending drunk drivers is a million dollar business on Long Island.

The purpose of M A D D is to monitor the courts, suggest new legislation, make the public aware of the problem, and offer support to the victims.

Mr. Cicarelli said that the average person has to realize that they can become a victim of a drunk driver, and that anyone can contact the Mothers Against Drunk Driving by calling 811-MADD for information.

In the photo, Kiwanis President John Budnick, on the left, is presenting Mr. Cicarelli with a certificate of appreciation for his most informative, though frightening, program.

Our Endorsements

We endorse the following candidates running for public office on Tuesday, Nov. 2:
Lew Lehrman for Governor.
James Emery for Lt. Governor.
Edward Regan for Comptroller.

BY COMPUTER, THIS WILL ENABLE EQUITABLE VOTING POWER IN RELATION TO PRESENT POPULATION, AND COMPLIES WITH FEDERAL REQUIREMENTS FOR REAPPORTIONMENT AFTER EACH CENSUS.

The polls will be open on Election Day, Tues., Nov. 2, from 6 a.m. to 9 p.m.

Don't Forget To Vote!!

Town Board Adopts '83 Budget

The Oyster Bay Town Board has adopted the 1983 budget as proposed at a public hearing held on October 19, 1982.

Under the proposed fiscal plan, the costs reflected in the 1983 General Town Budget amount to \$30,410,594. The General Town Tax is levied on all properties throughout the Town.

Calling the budget "as tight as possible while still providing all necessary Town services," Oyster Bay Town Supervisor Joseph Colby said that "the average homeowner will pay slightly less than \$5 a year more in 1983, at the new rate of 87 and 1/10th cents per \$100 assessed valuation, or only \$3.22 more than he paid in 1977."

Under the new State law controlling assessments in Nassau County, different classes of property will have different tax rates. The rate stated above is for the largest assessment class, Class I (1, 2 and 3-family homes).

The rate proposed for Class II (apartments) is 93 and 4/5th cents; Class III (utilities) is 95 cents; and Class IV (others) is 94 and 1/5th cents.

Under the budget for the Part Town (Planning, Building and Zoning) the tax rate shows a slight increase from 18 1/2 cents per \$100 assessed valuation to 21 and 3/10th cents, 23 and 2/5th cents and 23 and 1/5th cents.

The Highway Budget for 1983 will increase the Highway Tax from \$1.14 and 4/5th cents per \$100 assessed valuation to \$1.30 and 4/5th cents. The proposed rates for Classes II, III and IV are, respectively, \$1.41 and 3/5th, \$1.43 and 7/10ths, and \$1.42 and 3/10ths.

The Highway and Part Town taxes do not apply to property located within villages.

Also contained in the

budget, Colby noted, are the 1983 financial plans proposed by the more than 50 special districts in the Town which provide such services as fire protection, water supply, refuse collection, community parks, etc. Many of these districts are administered independently by commissioners elected at local levels, and although State law requires those budgets to be reflected in the Town's Budget, each special district sets its own tax rate. These budgets were adopted as proposed with some special district taxes increasing, others decreasing and with

some remaining the same.

Colby pointed out that "only 5% of the tax bill paid by residents goes to the Town (including General, Part Town and Highway Funds), while 12% goes for local special districts. The remainder of the total property tax bill is comprised of local School District Taxes (57%) and 26% for such Nassau County services as its General Fund, Police District, Community College and Sewer District. Nassau County and the School Districts each prepare and adopt their own budgets."

Fashion Show

The Hicksville - Syosset - Glen Cove - League of Mercy Hospital is sponsoring a Fashion Show conducted by Betty Schiess and Luncheon at the Huntington Yacht Club, East Shore Road, Halesite, New York, on Thursday, November 4, at 12:00 Noon.

The cost of Fashion Show/Luncheon is \$12.00.

"Everyone is welcome! If you are interested in attending, please contact Mrs. Lucille Delles - 433-4747," said a spokesperson for this active League.

"Columbia Corner" - The Telephone Comes To Hempstead

Hempsteads first telephone subscriber was Mr. S.W. Willets, proprietor of a drug store on Front Street. The phone was installed in 1894, and since there was no central office in

the Village, the service was connected to a switchboard in Rockville Centre. A central office was established in 1894 on Front Street, by the New York and New Jersey Telephone Co.

It contained a magneto type switchboard which could handle 100 lines. There was one operator, Mrs. Henry H. DeMott. The switchboard was located in the front of her

confectionary store and occupied a space four feet square.

There were 18 subscribers, among them were August Belmont, connected in July (Continued on Page 10)

Dear Friends . . .

DEAR FRIENDS
 We agree completely with Supervisor Joseph Colby who, in his article this week urges a YES vote on Proposition One which appears on the ballot next Tuesday. This will enable Nassau County to keep its Board of Supervisors, with a weighted vote by computers which will comply with the present law. In voting YES, we are avoiding one of the alternatives which would consist of ANOTHER LAYER of government called a County Legislature! That's all we need. . . another layer of government! We do urge a YES vote on Proposition One, which will comply with all existing laws as economically as possible.
 Now as to our selection for endorsements which we carry on page 3. . . we believe that those we have selected will do an efficient job in the positions for which they are running. However, whether or not you agree with us, **DON'T FORGET TO VOTE** on Nov. 2.

Congratulations to Jim Price, son of Mr. and Mrs. Herbert Price of Spruce St., in Hicksville who recently bowled a 300 game at the Garden City Bowling Alley . . . and, happy birthday to Hicksville's Sieg Widder, who celebrated his this week.

THAT'S ALL for this week. Stay well and remember the old adage, "A small spark of encouragement can ignite great endeavors . . . so, be encouraging to those around you TODAY."
 SHEILA NOETH

Election Day Cake Sale

The Junior High PTSA will hold its annual Election Day Cake Sale on November 2. Hicksville residents voting at the Junior High are invited to do their dessert shopping at that time, to help support the PTSA efforts at the Junior High level.
 Anyone wishing to help out by baking cupcakes, cookies, cakes, breads, etc., should bring their home-baked item to the fourth street entrance between 8 a.m. and 10 a.m., if possible. Community support is greatly appreciated!

Dear Editor,
 In a recent edition of your newspaper, Mr. Tom Clark, Town Councilman, made some comments relative to a statement made by the Hicksville Public School Administrators. As a member of that group, I would like to respond.

First it is not our intention to evaluate the decisions of the Town Council, nor the work of Mr. Clark. We only wanted to focus on the "feelings" of those residents who "felt" they were not treated fairly, because our administrators can identify with those feelings of rejection.

What disturbs us, however, is the diatribe that Mr. Clark then offered, not at all germane to his original complaint of "hip-shooting". He charges us with "talking down to people" - Where? When? He then recites the old bromides about tenure and the 180 day work year and complains, (we) "work at the bare minimum". Now this is a classic example of "hip-shooting", tar-brush tactics and downright nonsense.

The town council meets twice a month. Does that mean Mr. Clark "works" 24 days a year? Of course not. He and I know the hours his responsibilities demand. He and I know that the responsibilities of administrators

Letters To The Editor

carry them beyond the normal "work day or year." Who is supervising the evening and weekend shows, athletic events, ceremonies, P.T.A. meetings, dances, etc. Who supervises and administers summer school, curriculum projects?

Mr. Clark "recalls working with some decent, hard working principals" etc. Yes we too recall working with some decent, hard working Board members. Too bad the accent is on "recall" and "some", for both sides.

This is my 24th year in the Hicksville Public School District. It's a great town. I love the students, past and present; but I deplore the present negativism that exists in this district. I hope all parties will reason rightly and get our house in order.

Kenneth J. McGinnis
 Chairman
 Social Studies Dept.
 Hicksville Sr. High School

without associating a totally unrelated project.

I made quite clear my high regard for most of the Principals, Assistants and Department Chairpersons. In fact, it was my pleasure to recommend that the Hicksville Community Council Award be presented to Mr. Klein, our Junior High School Principal, for the outstanding work he is doing. I have worked with Dr. Niosi to establish a Homecoming parade and program and, as a result of Dr. Rieck's efforts, the high school program has been expanded, our Band improved, school spirit is evident and morale has picked up considerably. I could go on mentioning many good people, Lou Pinque, John Matera, etc.

It is obvious that the Council attempted to draw an analogy, poor as it was; but obvious also is its irrelevance and inaccuracy. Simply put, my message is this: why would the Council's leadership include a Town drainage project in its bargaining? The drainage project is completely unrelated.

I want to thank those who wrote for expressing their opinions; even though we differ, we all have a better Hicksville at heart.

THOMAS L. CLARK,
 Councilman

Mr. Michael F. Meyer, Editor

"Point of View", C.B.S.
 P.O. Box 7132
 Hicksville, N.Y. 11802
 Dear Mr. Meyer:

At our recent Hicksville Council of PTA Units meeting, we discussed your mailing of the newsletter "Point of View", Vol. I No. 1, to the community.

Although we know the names and phone numbers of PTA Presidents are public information, we as a body, feeling the notation of "for information only" was warranted when you took it upon yourself to print these names and phone numbers. While we definitely are a pro-education organization, we feel the inclusion of our names at the end of your newsletter gives the impression of our blanket approval of the newsletter's contents.

We appreciate your reminding people to take an interest in their schools and the PTA, however, we would like to see it made clear in any future publications that you might make that the Hicksville Council of PTA Units is not part of Citizens for Better Schools, C.B.S.

Sincerely,
 Eileen Millis, Corresp. Sec.
 Carol Marks, President

Colby: "Cast 'Yes' Vote on Proposition One

On Tuesday, November 2nd, Nassau residents will have an opportunity of voting to fill various federal, state, county and judicial offices. In addition to urging that all registered voters get to the polls to select the individuals they want to serve as their government officials, I especially want to urge all voters to cast a "YES" vote on Nassau County Proposition Number One which will be at the top of the ballot.
 The purpose of County Proposition Number One is to continue our form of government in Nassau County. By voting "YES" residents will assure that the Board of Supervisors con-

tinues to serve as the legislative body of Nassau County. Although voters have repeatedly given our form of government resounding support at the polls over the past few years, it is necessary to vote in support of it once again, simply because the 1980 census figures require that the weighted votes of the members of the Board of Supervisors be reapportioned to reflect population shifts within Nassau.
 Technically, County Proposition Number One will ask that you vote to amend the County Government Law of Nassau County in relation to the voting power of the Board of Supervisors.

In actuality a "YES" vote for that we can keep our proven proposition will mean (Continued on Page 11)

News Of HHS Marching Comets

The newly revitalized Marching Comets—Hicksville High School's marching band, Color Guard, Flag Corps, and Coquettes precision dance team—have won their first victory for their fine performance.

The group marched in this year's Columbus Day Parade sponsored by the Long Island Chapters of the Sons of Italy in Huntington on Sunday, October 10. Each of the 32 participating

lodges selected a musical group to represent them, and the Galileo Galilei Lodge of Hicksville invited the Marching Comets to join the parade.

The parade route was approximately 1.3 miles in length, terminating in front of the reviewing stand where each of the marching bands performed. The Hicksville High School Marching Comets received a trophy for having the best precision dance or cheering group in

the parade. Principal Dr. William Rieck accepted the award on the band's behalf at the conclusion of the proceedings.

"Band Director David Abt and Coquettes advisor Denise Koegel are quite elated about the Comets' achievement," Dr. Rieck noted. "Everyone involved has worked very hard to make Hicksville proud of the Marching Comets, and they all deserve a hearty cheer."

13 Years of Community Service

Help Aid Direction (HAD) a counseling and community service agency in Hicksville bestowed the Lenny Kershow Award to Harold Adams, Commissioner of the Nassau County Department of Drug and Alcohol Addition, (NCD-DA) at the Annual Dinner Dance on Thursday October 21, at Gigi's in Westbury.

This award is HAD's highest honor. NCD-DA and Commissioner Adams have been major supporters of Community Based Agencies, such as HAD, since the beginning of the Department ten years ago.

HAD presented the Man Of The Year Award to John Budnick. John Budnick became a Board Member of Help Aid Direction in January of 1977. Even prior to his membership to the Board, he was an active Community Leader and organizer. John rose to president of the

Board of Directors in 1980 and was re-elected for a second term in 1981.

John was the guiding force for HAD through two years of growth and expansion. Under his watchful eye the agency revenues grew dramatically, programming expanded and staff size increased. HAD's ability to serve the community increased and they were better able to respond to community needs.

Friends of HAD Awards were presented to the VFW of Hicksville, Commander Connie Steers accepting, Hicksville Kiwanis Club, President Charles Montana accepting, Mr. Frank Murocco and Charity Begins At Home.

Harold Adams is Commissioner of the Department of Drug and Alcohol Addiction since its creation, August, 1972. He is responsible for largest single net-

work of drug- and alcohol-related programs in New State—and, perhaps, in the country. Developed and or supervises 158 education, intervention, treatment, and rehabilitation services. With budget of almost \$16 million, provides services to more than 28,000 people. He was also the first President of New York State Drug Advisory Council.

A special plaque was presented to Alfred Peck the Executive Director of HAD by his staff. Richard Murocco, C.S.W., the agency's Assistant Director, made the presentation. Al was surprised and speechless at this recognition by his staff.

The Dinner Dance celebrated thirteen years of service by Help Aid Direction to the Hicksville Community. All present were united in the wish that they would continue to serve for many years to come.

Comets
Coaches, Barbara McCann, Jack McCann
By Pat Reilly

The Comets met the Valley Stream Ruffians last Saturday at Cantiague Park.

In the first half, both teams battled back and forth with both teams taking many shots on goal. Valley Stream Ruffians managed to score their first goal during this first half.

The Comets being down a goal, strived harder and

applied a good deal of pressure. The forward line of Anthony Conte, Tim Doyle, Tommy Pedicini, and Michael Segal, were exceedingly excellent in the execution of goals. Tim Doyle quickly tied up the game by making a goal unassisted.

In the second half, the Comets had a rally. Tim Doyle made the second goal assisted by Scott Duca. The third goal was made by Scott Duca assisted by Brian Finnell. The fourth and final goal was made by Tim

Doyle unassisted. The midfielders played brilliantly with Brian Finnell, Ryan McCann, Steven Postullo and Thomas Reilly. Plays were set up and carried out excellently with beautiful passes to the forwards.

The midfielders and fullbacks, Scott Germer, John Giuttari, and Scott Duca, were excellent in stopping the aggressive and continuous barrage of the Valley Stream forwards. Scott van

Steen as stopper was uper as stopper.

Chris Margarini in goal was great making many hair-raising saves.

The Comets would like to offer condolences to the Himmel family, on the loss of Mrs. Himmel's mother.

Pee Wee New York Coach, Gerard Halpenney Mrs. Rogers
By Pat Reilly

On Sunday, Oct. 17, the New York team of the Pee Wee Division met Maryland. New York suffered a defeat of 3-1.

All three of the goals made by the Maryland team were made on penalty kicks.

It was an exciting game with the game ball going from one team's goal to the other with both teams anxious to score.

Michael Longo made the only goal assisted by Danny Longo.

The offensive player was Michael Longo and the defensive player was Michael Wolf.

Other New York players are Gerard Halpenney, Daniel Sorogen, Mark Soliman, Brian Reilly, Peter Theologitis, Brian McKee, Stuart Glassmith, Darren Lowry, Chris Jendras, Clark Sofia, Chris Rogers and Steven Liss.

Coached by Steve Florio by Len Greenspan

On Saturday, Oct. 24, the Hicksville Tornado hosted the Sachem Thunderbirds. With the absence of a L.I.J.S.L. Referee Mr. Joe Matz was called upon to referee the game. Being a member of the Men's team and a former referee himself, his expertise allowed the game to be played without any disputes from either side.

The first half saw Hicksville playing against the wind. However a strong clearing kick by Goalie Matt Greenspan caught the Thunderbirds by surprise and resulted in a goal by Michael Kent with assists by Kevin O'Hea and Hermes Furlin. A strong Sachem team never gave up and scored 2 goals the 1st half.

In the 2nd half the Tornado and Thunderbirds played a scoreless 20 minutes until the Tornado

HHS Swim Team

The highlight of the Hicksville Girl's Swim team, to date, has been the win over Plainview.

The swimmers finished with some impressive times. In the 200 free, Gina Cusumano placed second and Barbara Moore, third. Gina also placed second in the 500 free.

Andrea Pitta won the breast and Lorna Mund won both the 50 free and the 100 back. Jemine Mund placed second in the 200 Im

and first in the 100 fly. Beth Walsh was third in the 100 back, Kim Vorhagen was third in the 100 breast and Kathy Reddy and Barbara Ann Moore placed in the 100 free. In diving, Patti Hoerman was first and Camille Calame was second.

In the meet that followed this victory, against Farmingdale, the Medley Relay of Barbara Ann Moore, Lorna Mund, Andrea Pitta and Jemine broke the former team Record.

News From The Plainview-Old Bethpage Road Runners

Congratulations and thanks go to Dr. Charles Xeller for making the Plainview-Old Bethpage Road Runners club's October meeting a success. Dr. Xeller, senior orthopedic resident and sports medicine practitioner at SUNY/Stony Brook, gave Club members a comprehensive visual and verbal look into common running injuries. A highly successful runner himself, Dr. Xeller spent a half hour after his presentation answering specific questions from the audience.

Coming up at future Club meetings: a discussion on training and running performance at the November 16 meeting, chaired by two of the Club's top runners—Dave Canner and Howie Greenberg, and a presentation by Syosset Chiropractor Scott Evanter and NYC Marathon videotapes at the December 21 meeting.

A hearty welcome to the Club's newest members: Jerry Kass and Lawrence Silverman of Plainview, Richard Cazakoff of Old Bethpage, Patricia Pettus and Roy Backman of Bethpage, Ed Obloj of Hicksville, Leo Friedlander and Nancy Ackley of Farmingdale, Carol Mutnick of Huntington, and Jay Holtz of North Merrick.

A block of seats for the 1983 Wanamaker Millrose

Games at Madison Square Garden has been set aside for Club members and their guests. This year's edition of the nation's No. 1 indoor track meet will be held on January 28, 1983. January may seem like a long way off, but the Millrose Games sell out very early. Tickets are \$10.00 each, and must be ordered no later than the November 16 Club meeting. Call Club President Mike Polansky (433-0919) for more information or to order your tickets.

Join us for weekend fun runs every Saturday and Sunday morning at 8:00 AM, starting from the parking lot of Plainview-Old Bethpage High School.

Confirmation At Our Lady Of Mercy

The Most Rev. Gerald J. Ryan, auxiliary bishop of the Catholic diocese of Rockville Centre, will administer the sacrament of Confirmation to 228 teenagers at Our Lady of Mercy Church, Hicksville, on Friday, November 12, during celebrations scheduled for 2 and 4:30 p.m.

The Rev. James E. Boesel is pastor of Our Lady of Mercy Church, Hicksville.

Fire Dept. Requests Investigation

Hicksville Fire Chiefs, citing inaction by local authorities concerning the hazardous sewer construction work, will ask for an investigation by County officials. Fire officials, after an accident on East Meadow St., just east of East Nicholas St., will ask why a ditch 2 ft. deep, 9 ft. wide and 8 ft. long was allowed to exist (resulting in at least two accidents.) No effort was made to barricade the ditch by sewer contractors. A complaint to the County D.P.W. resulted in a report stating the road was under the control of the sewer contractor and that nothing could be done. T.O.B. Councilman Clark stated it was not a town road.

Firefighters obtained lighted barricades on their own and erected them around the ditch. Fire officials also want to know why the principal route to the eastern portion of the district is blocked for hours at a time, piles of dirt dumped in the roadway for days. Fire officials charge that all caution is being thrown to the wind. No provisions are being made for emergency vehicle access to the area off Plainview Rd. Park Ave. is now being dug up leaving no way in. There is no logical reason why one section at a time cannot be completed—repaired before the next is started. As winter sets in, it is plain to see the contractors will have advanced too far and won't have the area repaved til spring time. Questions will be asked by the contractors are not being policed, why are road conditions being ignored, and in case of a problem, why contractors (from New Jersey) can't be contacted or ordered to correct basic safety violations.

More on this later.

LEGIONNAIRE'S LOG *By Artie Rutz*

CHARLES WAGNER POST # 421

HICKSVILLE, N.Y.

"One Of the Grass Roots Of The American Legion"

About a month ago P.C. LEN YOUNG was hospitalized for pneumonia for 15 days and the Post was not aware of his problem ... One

Commander after another has harped on the same subject ... LET THE POST KNOW WHEN YOU ARE ILL ... So please fellows, if

at all possible, call the Commander and let him know you are going to be hospitalized ... He will see that the information gets to

the Welfare Officer etc ... If you have attended any of the children's Xmas parties for the past few years you will recall the kiddies were given rides on the "Locomotive" of the 40/8 ... This fun society draws its membership ONLY from The American Legion and very recently P.C. TOM NIKITAS attended the national promenade (convention) at

Niagara Falls ... He reported a on-the-spot bit of Child Welfare activity by the crews of 16 Locomotives who split into two groups and partied the local handicapped children ... 8 Locomotives went to Canada and 8 remained in U.S. and each group treated the youngsters to rides to McDonalds for burgers, fries and drinks ... So even on a convention the 40/8 takes time out to add a little joy to the unhappy lives of the handicapped youngsters ... We again expect to have the Nassau 40 & 8 Loco at our Christmas Party for the children on December 19th ... But let's talk about some activity for us adults which are on the firing line before then ... Tomorrow night (Oct. 30) we are having a HALLOWEEN PARTY which is open to everyone in Hicksville who would enjoy donning a costume (and maybe win best costume prize) or just come and enjoy the costumes, as DRESS IS OPTIONAL ... There will

be plenty of dance music and cold platters on the tables and tickets are only \$7.50 each ... All drinks will be at low Legion prices ... Nuff sed ... You still have time to get in on this affair by calling either ... FRANK WALSH (796-5266) or FRANK MOLINARI (935-1934).

Then we have a very serious piece of business which is our annual KINGS PARK VISIT and particularly for those who have NEVER made this visit it is time you did and saw for yourself what we do each year and have done since 1922 ... This year we are again asking for donation of useable clothing (both men & women) for these Kings Park patients (only veterans are our province) ... If you have such clothing please deliver to P.C. FRANK MOLINARI at his home, 334 Nicholai Street, Hicksville

Community Council

The Thursday, Nov. 4 meeting of the Hicksville Community Council will begin at the Hicksville Public Library at 8 p.m. and will feature speakers about Consumer Protection and Consumer Fraud.

Scheduled to be guest speakers are representatives of the Nassau County Consumer Affairs, the Nassau County District Attorneys office Bureau of Consumer Fraud and the United States Postal Inspectors office.

Also scheduled for that evening is an update and progress report on the ongoing Community Crime Watch and a report about the Hicksville-based Mothers Against Drunk Driving. (M.A.D.D.)

A Town Meeting with Councilman Tom Clark will be part of the meeting. Refreshments will be served. Call 935-6858 or 922-3800 for more information.

GUARANTEE YOUR FUTURE

Choose the Army skill you want to learn, qualify for it, and we'll guarantee you, in writing, the opportunity to be trained in it.

It's that simple. It's called the Delayed Entry Program.

Tell us the training you want, and we'll reserve for you the first available spot, before you sign up.

Though you have to be a high school graduate to qualify for this program, you can sign up in your senior year. In that case, we'll reserve your training until after you graduate.

With more than 300 skills, the Army certainly has one waiting just for you. Find out. Call or visit your local Army Recruiter.

St. Ignatius School Diamond Anniversary 1907-1982

Last minute preparations were compelled, banners, class posters and flowers were distributed, marchers found their places, the signal was given and the 'KICK OFF' for the Great Celebration had begun.

What a day for marching! Parades are always a cause for excitement, and this parade was no exception.

As the marchers left the Long Island Lighting Co. property, they were led by the Grand Marshall, Rita (Ofenlech) Schlosser, Class

'25 in a vintage automobile. The Nassau County Police Band and the St. Ignatius All Girl Cadet Corps provided the music. Each band entertained the spectators gathered in front of the Church with a medley of songs, ending with Happy Birthday!

As the 75th Anniversary banner was positioned on the altar, the priests gathered to concelebrate the Mass with Rev. Frederic Harrer as the main celebrant. Concelebrating with

Father Harrer were the assistant pastors, Louis Neuman, Alfred Rogers, Manuel Camu and former Asst. Pastors Lawrence Balweg, William Karvelis, Hugh Cannon, Deacons William Mahoney and Donald Zirkel also assisted.

Following the Mass, the congregation proceeded to the New School Cafeteria where the celebration continued with a reception. The cafeteria was festively decorated with the blue and gold of St. Ignatius School. Refreshments were enjoyed by all.

Councilman Tom Clark introduced Congressman Norman Lent who presented Sr. Mary Theresa Keane, principal with an American flag that had flown over the Capital in

(Continued on Page 11)

Principals

(Continued from Page 1)

out going over each item. It approved routine business including items relating to textbook approval, tuition rates for out-of-district students, health service rate, awarded bids and approved claims and warrants. It handled routine personnel items, but before approving Board policy regarding Board Members Attending Conferences, Board members expenses and Individual Board members speaking time, discussion was held. The Board also received policies for consideration and discussion.

The next regularly scheduled meeting of the Hicksville Board of Education will be held in the Conference Room of the Administration Bldg. on Wednesday, November 10 at 8:15 p.m.

O'Campo-Fishman

Linda Susan O'Campo, daughter of Mr. and Mrs. Hector O'Campo, 20 Harkin Lane, Hicksville, became the bride of Gary Fishman, son of Mr. & Mrs. Sam Fishman of Foothill Ave., Holliswood, N.Y., at a ceremony held on Oct. 23, at 7:15 p.m. at the Huntington Town House. Father John Heinlein and Rabbi Nathaniel Schwartz officiated.

The bride wore a white satin gown with embroidered lace and cathedral length train. She carried a bouquet of cascading stephanotis with all white roses, baby breath and cymbidium orchids.

Aileen Dixon, the bride's sister, was the Matron of Honor. Patricia Brislin, also a sister of the bride, was the Maid of Honor. Denise

Dixon, Dona Dixon, Danielle Dixon, Debbie Dixon, Dawn Marie Brislin, all nieces of the bride, and Stephanie Flank, cousin of the bride were Bridesmaids.

Michael Schinasi, a friend of the groom, was the Best Man. Ushers included Mark Lebowitz, Robert Altman, Andrew Menkes, friends of the groom, and John Brozman, a cousin of the bride.

A reception for family and friends followed in the Hampshire Suite of the Huntington Town House.

The bride attended the Academy of Advanced Traffic and is employed as a transportation analyst.

The groom attended Baruch College and is employed as a rate analyst.

The couple took a wedding trip to Bermuda.

Kathy Ann Bolta, daughter of Mr. and Mrs. Al Bolta of Levittown, was married to Richard Alan Magee of Hicksville on Sunday, October 10, at St. Ignatius Loyola Church. Deacon William Mahoney performed the ceremony. The bride's sister, Dorothy Todesco, served as Matron-of-Honor. Owen Magee, the groom's brother, was the Best Man. Also attending were Diane and Jerry O'Brien, the groom's sister and brother-in-law, and Linda Crozier and Jon Sighian, close friends of the bride and groom. Christine Todesco, 2 year old niece of the bride was flower girl. A rehearsal party was hosted by the groom's brother, Owen and his wife, Renee, on Friday evening at their home in Hicksville.

Richard is a member of the Hicksville Fire Dept. and is an Ex-Captain of Engine Co. #7. In her spare time, Kathy teaches a Kick Line team at Manhasset H.S. Upon returning home from their honeymoon in Southern California, the newlyweds will reside in Hicksville.

Perez-Ciaccio

Miss Elaine Marie Perez, daughter of the Rev. Dr. & Mrs. Roland J. Perez, was married this past Saturday, October 23, to Mr. Leonard Albert Ciaccio, son of Mr. & Mrs. Ciaccio of Bay Ridge, Brooklyn.

The service was conducted at the Lutheran Church of St. Stephen in Hicksville, New York. Assisting the bride's father at the service were the Rev. Theodore S. Grant and the

Rev. Father John Heinlein. Miss Perez, employed by Con Switch Company of New York, is a graduate of New York State University at New Paltz, where she majored in Psychology.

Mr. Ciaccio, a graduate of Staten Island Community College and A.T.C. Institute, is a Site Supervisor for Northern Telecommunications.

The couple plan to reside in Bay Ridge, Brooklyn.

Endorse Tully

Senator Michael J. Tully, Jr. (7th Senatorial District) has received the endorsement of the Building and Construction Trades Council of Nassau and Suffolk Counties. In a letter from Mr. David Richardson, Secretary/Treasurer of the Council, it was stated that

the Council's decision was unanimous.

The Council represents 60 local unions including: Boilermakers Local Lodge No. 5; Bricklayers No. 30; Carpenters Locals 1093, 1292, 1397, 1772, 1921 and 2765; Electricians Locals 1922 and 25; Engineers Locals 138 nd

30; Laborers Locals 66 and 1298; Painters Locals 798 and 1486; Plasterers Local 852; Plumbers Local 457; Roofers Slate No. 88; SEIU Local 276; Sheet Metal Workers Local No. 28; and 18T Locals 282, 813 and 814.

Let's Elect A Great Assemblyman For Nassau County!

•Dedicated •Experienced •Responsive

DAN FRISA

Elect

DAN FRISA

YOUR ASSEMBLYMAN
ON NOVEMBER 2nd

VOTE ROW "B"

•Leadership •Independence •Vision

PROUDLY PAID FOR BY CITIZENS DAN FRISA

State Senator John Dunne is an experienced and effective legislator. He is regarded by his colleagues in the New York State Senate as a leading voice for suburban interests.

But more than that, John Dunne is a man who cares deeply for the people he represents.

"Being a New York State Senator involves many responsibilities other than the passage of legislation. One of my most important priorities these last 17 years has been responding to the problems of my constituents, by cutting the bureaucratic red tape, and helping people to deal more effectively with their government."

Yes, helping people solve problems is John Dunne's idea of good government. And in a government of the people, by the people, and for the people, John Dunne's got the right idea!

**Because there's so much to do—
It must be DUNNE**

Gulotta To Close Merrick Landfill Consultant To Study Alternatives

Hempstead Presiding Supervisor Thomas S. Gulotta recently signed an agreement under which the town's landfill facility in Merrick will close in 17 months. In addition, the town indicated it would take steps aimed at protecting the area's environment.

"It is with great pleasure that I sign this agreement," Presiding Supervisor Gulotta said. "It represents a year-long effort by my office, our Department of Sanitation, state officials and many concerned citizens of the Merrick area."

Under the agreement, only clean material can be accepted at the landfill site after March 19, 1984. On

that date, the town will initiate procedures to "cap" the facility in accordance with state regulations. Prior to the capping operation, Hempstead will take specific steps to monitor air and water quality in the area.

After signing the agreement, Mr. Gulotta forwarded it to the State Department of Environmental Conservation for signature and announced that negotiations were underway in the hope that a similar agreement, covering the town's Oceanside landfill, could be reached.

In a related action, Presiding Supervisor Gulotta announced the selection of a Manhattan consulting firm

to study alternative methods of solid waste disposal. The firm, Camp, Dresser and McKee, was one of four companies which made proposals to Hempstead's Advisory Committee on Solid Waste. The consultants will begin the study following adoption of a formal contract by the Town Board.

Action by the board is expected shortly.

"Our hope has always been to utilize a method of solid waste disposal which is efficient, affordable by our taxpayers and environmentally sound," Presiding Supervisor Gulotta said. "We believe that, working with Camp, Dresser and McKee, such a method can be devised."

Telephone Comes To Hempstead (Continued from page 3)
 1898 under call number Hempstead 13, Arthur Brierly, Hempstead 63, Tine Cornell, S.W. Willets, C. Havermeier, J.L. Kernechan, Roswell Edrakes, Oliver W. Bird,

A.B. Purdy and Elliott Roosevelt. Since Mrs. DeMott could give only a small amount of time to being switchboard operator, the quality of the service left quite a bit to be desired.

In 1911 a fully staffed

central office was opened at 675 Franklin Street, increasing the quality of service. There were 109 stations served in 1901 and 675 by 1911.

By August of 1928, construction of the largest telephone building in Nassau

LEGAL NOTICE

NOTICE OF PUBLIC HEARING BY THE BOARD OF ZONING APPEALS

Pursuant to the provisions of Article 12, Section Z-3.0 of the Building Zone Ordinance, NOTICE is hereby given that the BOARD OF ZONING APPEALS of the Town of Hempstead will hold a public hearing in the Town Meeting Pavilion, Town Hall Plaza, Main Street, Hempstead, New York on November 17, 1982 at 9:30 A.M. to consider the

following applications and appeals:

THE FOLLOWING CASES WILL BE CALLED AT 9:30 A.M.

663. FRANKLIN SQUARE - Vincent Battista, variances, rear yard, lot area, convert part of garage to living area, construct 2-story addition, N/W cor. Langdon St. & Doris Ave.
 664. WOODMERE - Pansini Realty Co., Inc., erect 6 ft. chain link fence, E/s Hartwell Pl. 134.48 ft. N/o Broadway.
 665. LAKEVIEW - Thomas & Esther Jennings, rear yard variance, construct 2-story addition, S/s Iris Pl. 332.49 ft. E/o Holly Pl.
 666. EAST MEADOW - Greg Buttle's Health & Fitness Center of East Meadow, Inc., place of public assembly & amusement - health spa & related facilities, E/s Merrick Ave. 220.18 ft. N/o Peach La. 667-668. SEAFORD - Burger King Corp. Maintain "drive-thru" service window. Permission to park in Res. "B" zone, S/s Sunrise Highway 150 ft. W/o Washington Ave.
 669. WEST HEMPSTEAD

and Suffolk was underway at the corner of Fulton and Terrace Avenues. It was to be seven stories and the tallest building in Nassau. There was 111,000 square feet of floor space and it was occupied on October 6, 1930.

This building is still one of the mainstays in the telephone company's operations on Long Island and a Village of Hempstead landmark.

Telephone service has changed quite a bit since 1884. Virtually every home and office has a phone and service is taken for granted.

St. Ignatius

(Continued from Page 9)

Washington, D.C. Not to be outdone, Assemblymen Fred Parola and Ralph Marino promised Sister a flag from the State Capitol. Each dignitary praised the excellent work being done at St. Ignatius School and the struggle of the parents to provide an alternative to public education.

A superb slide presentation was given by Bill Cooke showing the activities of St. Ignatius School. This was especially enjoyed by the students as they saw themselves on the screen. A table showing pictures of former graduating classes was enjoyed by all.

The excitement of the day continued as former graduates and teachers recognized each other and renewed old friendships.

The Center View Florist of Hicksville graciously provided flowers for the Grand Marshall and corsages for the staff and former teachers.

A special Thank You to all who have given a donation toward the Seventy-fifth Anniversary.

The year of the Great Celebration has just begun.

Spaghetti Magic Sanitation Schedule Not Interrupted

The Lutheran Church of St. Stephen, Hicksville, is holding a Spaghetti-Magic dinner on Sunday, October 31st at 5:30 P.M.

The Youth Ministry Committee invites all members and friends of St. Stephens to join together for this fun-filled evening.

A spaghetti dinner will be served and this will be followed by professional magician ED DRESSLER.

Donation \$2.50 for adults and \$1.50 for children under 12.

For information and reservations please call 938-3347.

There will be no interruption of Oyster Bay sanitation collection on the Tuesday, November 2nd Election Day and Thursday, November 11th Veteran's Day holidays, according to Town Councilman Thomas L. Clark.

"While Town government offices will be closed on November 2nd and November 11th, residents having Town sanitation collection can expect pickup on those days," Clark stated. "Residents should also note that Town park facilities will be open on both Election and Veteran's Days."

LEGAL NOTICE

form of government and not be forced into adding a new layer of more expensive and

Homemakers To Meet

The Hicksville Evening Chapter of Nassau County Homemakers Council will hold a business meeting on Wednesday, November 3, at 7:30 p.m. in the Parkway Community Church, 95 Stewart Avenue, Hicksville, second floor.

The Hicksville Evening Chapter of Nassau County Homemakers Council will hold their regular business meeting on Wednesday, November 3, 7:30 p.m., 95 Stewart Avenue, Hicksville, second floor. At this meeting a candy making demonstration will be given by the

Cocoa Tree of Hicksville. All are welcome.

"If you are seeking new skills or are willing to share your accomplishments with us, we would be glad to have you as a member. Come on down and see what we are all about. We are getting ready for Christmas by having classes in the making of a Santa apron for the little ones, a knitted scarf for a beau, woven hangers for yourself or may be you would like to make some beaded Christmas ornaments or a bell pull. Please join us," a Homemaker's spokesperson urged.

less effective government. The voters of Nassau have repeatedly voted to retain our form of government instead of replacing it with the bureaucratic nightmare known as a county legislature.

Our voters did this in the face of strong campaigns by various pressure groups that kept urging a county legislature. A reason that Nassau voters rejected the county

legislature was that they needed only to look at Suffolk County where a legislature replaced a Board of Supervisors, where they saw the confusion and the enormous cost of the County Legislature system.

Your "YES" vote on County Proposition Number One will insure that our less expensive, more efficient form of County government continues to serve the people of Nassau.

Jane Wilder, District Clerk
Dated Oct. 26, 1982
(M-4497) 10/29/82

When Long Islanders look for leadership, they look to Lent

Congressman Norm Lent a responsive congressman who knows the people of his district because he is one of us!

Congressman Norm Lent is the only candidate for Congress in the Fourth Congressional District who resides in it!

Congressman Lent's Democrat opponent resides in Great Neck, outside the 4th Congressional District according to his official "Statement of Candidacy" filed in Washington, on March 1, 1982. He has NEVER voted in the Fourth Congressional District.

Congressman Lent's Democrat opponent has no positive program of his own. Instead, he has conducted a campaign which seeks to capitalize on guilt by association, distortion and misrepresentation.

For the past twenty years, Norm Lent has ably represented us in the State Senate in Albany (1962-1970), and in the House of Representatives in Washington (1971-1982).

He has assisted thousands of constituents who have had difficulties in dealing with the federal government. Whenever one of Norm Lent's constituents needs a helping hand, Norm is there to assist.

Norm Lent's opponent is a political neophyte who has never held elective office. This year he sought Democratic Party endorsements to run for Congress in Suffolk County, but his candidacy was spurned by his party leadership. He is running for Congress in the Fourth Congressional District as a political "consolation" prize.

Norm Lent's opponent has had little experience in public service. His only previous experience was a patronage job on the staff of former Congressman Lester Wolff.

Who do you think can best represent the people of the Fourth Congressional District?

The choice is clear:

re-elect your congressman: norm lent
independent effective leadership

re-elect congressman
norman Lent
