## At The School Board Meeting

By Rosemary Grant

Superintendent Wilber Hawkins gave a presentation on a Proposed Change in Budget Analysis to help communicate costs and descriptions of the various programs in the 1983-84 budget at the November 23 Hicksville Board of Education meeting. He stressed the "modular budget" doesn't replace current budgeting format and makes no judgement. "It is not a substitute, just an additional tool," he said. Trustee William Bennett thanked Dr. Hawkins for devising the format, praising its simplicity as an aid to making budgetary decisions.

Discussion followed the presentation and a suggestion was made to form a subcommittee of representatives from the Board.

Administration and the Budget Advisory Committee to look at the programmatic approach with a three to five year goal projection.

Larry Wolfson asked the Board for guidelines and directions for the Budget Advisory Committee. President Charlene Anci cited individual Board members requests to lower expenses, re-evaluate programs and attempt not to cut them. "It has been all over the lot as to what everybody is recommending. Comparison study is a good idea," she said. Wolfson warned the Board to be prepared to "justify and view an increase which may, at first blush, seem to be quite extensive."

Trustee Thomas Nagel suggested the Board sit down with the administration and find out what the priorities are. "The Board

has to give direction to the Administration" he said. "The Budget has to be prepared, in my estimation, by the Administration."

The Board took action on deletion of policy, but tabled taking action on the deletion of the Open Meeting Law. It approved revision of the School District Ethics policy. The Board approved textbooks, handled routine personnel matters, awarded bids and approved claims and warrants. It took action on the recommendation of the Committee on the Handicapped pertaining to placement of students. The Board approved a contract with Nassau County for a substance abuse social worker to be employed at the high school.

It received policies for consideration and discussion.

Former Board Member Virginia Germer asked if the recommendation made by the Continuing Education Advisory Committee will be on the agenda of the December 15 Board meeting. She was informed she will receive notification one way or another. She also asked what type of Board meeting was held on Monday night, and why it was not posted and had no agenda. Anci said it was a special meeting for the purpose of interviewing two people, but was advised by Council Campenella that an agenda should be stated in the future.

The next regularly scheduled meeting of the Board of Education will be on December 15, at 8:15 p.m. in the Conference Room of the Administration Bldg.

## Alumni Agenda Profitable For HHS Students

As the Hicksville High School Alumni Association turned to the start of its Silver Anniversary year, the Board of Directors received satisfactory reports at the November meeting.

Pleasure was expressed over the success of the Ed Coleman Homecoming Dinner. Profits were earmarked for the student activity fund.

The evening at the Hicksville Elks Club was most amiable and attracted generous additional donations to the Miss Mabel R. Farley Scholarship Fund.

Checks were received from Mabel Sutton, Mamey, Vernon Wagner, Empire Storage Warehouse and Jack Spiezo.

Dorothy French Brengel honored the memory of her friend, Stella Holden. President, Dolores Crawford, who was in Europe, contributed.

Appreciation for the two cases of champagne donated by Empire Storage was voted. Twenty-four happy alumni and friends won the drawings.

Alumnus George Zulkof-

ske received warm acknowledgment for his cider donation to Hicksville High students who served the cider at the Alumni Homecoming game reception. It was the 24th consecutive year the historic Jericho Cider Mill has supported the Alumni.

The meeting launched the raffle drive for the Mabel R. Farley Scholarship Fund which is the annual year end drive. Alumni and friends have responded in full measure in the past. Last year, the award in memory

of the fifty year service of

Mrs. Marge McGuirk is handling the Scholarship raffle for the tenth straight year.

Congratulations were extended to the Hicksville High School Marching Band on its highly praised performances and Long Island Championship.

A contingency vote to grant a donation of \$300 for the Band trip to Pennsylvania was voted by the Board.

## "Messiah Sing-In" Set For Sunday, Dec. 12

The annual "Messiah Sing-In" sponsored by the Hicksville Community Chorus and the Hicksville Public Schools Department of Continuing Education will take place on Sunday, December 12, at 4:00 p.m. at the Parkway Community Church on Stewart Avenue, just west of Levittown Parkway in Hicksville. The Sing-In has been held

at the Public Library in the past, but presenting the performance in the Parkway Community Church will add the dimension of a fine organ. Hicksville resident and former organist at Parkway Community, Laurel Tompkins, will play the organ accompaniments as well as the Overture and Pastoral Symphony. Two Hicksville graduates

will be featured soloists; Lee Ann Rubino Razzagone will be the soprano soloist and Carrie Clark will sing the contralto solos. Rounding out the quartet of soloists are William Reynolds, tenor, and Edmund Tompkins, bass. William Golee, musical director of the Hicksville Community Chorus, will conduct the per-

formance.

Everyone is cordially invited to attend the "Messiah Sing-In" and to sing the glorious music of Georg Frederic Handel. There will also be space for those who do not wish to join in but would prefer to listen. A reception is scheduled immediately following the performance.

## Joffrey Group Returns With "Beauty And The Beast"

On Sunday, December 12, the Cultural Arts Committee of Hicksville Council of PTAs, in cooperation with the Hicksville Schools Office of Comprehensive Arts, will sponsor a return visit by the Joffrey Ballet Concert Group. This year's program, beginning at 3 PM in Farley Auditorium at Hicksville Senior High School, will feature a performance of "Beauty and the Beast."

Well known to Hicksville

audiences, the Joffrey Concert Group continues to tour the United States, presenting material ranging from major ballets to special programs for young audiences. Following a recent performance in Colorado, The Denver Post stated that "... This could be the crack ensemble of the Joffrey assemblage; the concert group was stronger than the Joffrey II dancers when they were last through the area."

During the past three years, the PTA and the Office of Comprehensive Arts have worked together in making the Joffrey Concert Group Hicksville's "Resident Dance Company." In addition to spectacular yearly performances, the group was in residence in the Hicksville Schools during 1980-81, serving to enrich the Arts and Physical Education Pro-

grams and to provide the impetus for an expanded program in dance at Hicksville Senior High School.

Tickets for the December 12 Concert are priced at \$3.50 and may be obtained from Hicksville PTA Council Members. Additional information may be obtained by contacting the Office of Comprehensive Arts, Hicksville Schools, at 733-2690.

# Dear Friends....

AS WE GO TO PRESS: at the Town Board meeting on Tues., the board granted the petition of Parkland Plaza Associates for a special-use permit to construct a 300,000 square foot building for office and warehouse space on Charlotte Street in Hicksville..... their permission held covenants and restrictions on this property preserving a 50-foot strip of land along the RR and requiring parking for 1,000 cars.

PEOPLE IN THE NEWS: congratulations to Beth Rudin a senior at HHS who has been named the school's top Century III Leader. She is now eligible to compete with other local winners from around the state for one of two \$1,500 scholarships and an all-expense paid trip to the national century III Leaders Conference slated for March, '83 in Colonial Williamsburg in Virginia. State winners will compete for the national winner's prize of an additional \$10,000 scholarships... congratulations to new Eagle Scouts Michael Christ, Howard Sumi and Michael Sienkiewicz, all of Hicksville Troop No. 172... best wishes to Mr. Harvey Notov of Amherst Road, Hicksville who has been re-elected to serve as the 1983 Vice Commander of Fjotilla 12-3 United States Coast Guard Auxiliary... we congratulate all our local Girl Scouts and Brownies who recently completed their work on the "Gift of Water" Project. Plainview residents, mark your calendars, for on Monday, December 13 from 1 to 3 p.m. a thorough book discussion review with Barbara Krupit is scheduled at the Plainview-Old Bethpage Library.

THE THANKSGIVING HOLIDAY is a time to think of many things, for which we are thankful. Our ancestors thanked their Maker for leading them to this great land and giving them the right to worship in the manner that seemed right to them. History did not always lead them in this direction, but, with grateful hearts and a growing love for their country, they kept trying to attain those goals that would be good for all and would not hurt anyone. So, today, progress and science has brought us many things. But the basic golden rule "...Do unto others as you would have them do unto you" certainly has not changed.

Freedoms that we share equally we must always continue to preserve. And we thank God for this continuing opportunity and responsibility. For it is only through the daily actions of all of its citizens that our great Country can continue to grow.

## Hicksville American Soccer Club

On the last day of the fall soccer season the Tornados sponsored by Westbury Federal Savings and Loan travelled to New Hyde Park to play the first place Lynx. A very fine Lynx team who was currently undefeated, having scored 28 goals, was in a must win situation to retain first place. From the opening minutes of play both teams realized the game would be a defensive battle.

The first half proved to be a spectators delight with both teams evenly matched, utilizing their exceptional soccer skills. Both teams made numerous attacks on each others goal, only to be repelled by aggressive defensive play. The first half ended in a scoreless tie.

The second half continued in the same manner, with both coaches aware that the outcome of the game would be decided by one goal. After putting continuous pressure on the Lynx team, the Tornados broke thru when a pass from Kevin O'Hea to Todd Zeff was deflected by the Lynx fullback with Barry Manion in position to score the goal.

The Hicksville players: Erik Matz, Michael Pierson, Junior Furlin, Brian Centrone, Michael Kent and Michael Donovan kept the New Hyde Park team in their end trying to preserve the win.

The defensive, led by goalie Matt Greenspan's head up play and critical saves, and fullbacks Jason

Kilmetis, Timmy Carroll and Larry Neuberger preserved the shutout for 48 minutes of the game.

However, with two minutes left in the game, the Lynx coach put all his players on offense putting tremendous pressure on. Taking numerous shots on goal they eventually scored the tying goal. With one minute left, a determined New Hyde Park team knowing they needed to win, continued the all out attack only to be denied by an equally determined Hicksville team. Coach Steve Florio should be congratulated for a fine season and teaching the boys sportsmanship and soccer skills.

The Tornado record is, 5 wins 2 ties 2 losses with 22 goals for and 11 goals against, for a 3rd place finish.

Speedy recovery for Brian Whitman who missed the

game due to illness.

Pee Wee, New York Coaches: Gerard Haddipenny and Mrs. Rodgers By Pat Reilly

The Pee Wee Division of the Hicksville Americans Soccer Club had their playoffs this weekend and the New York team had qualified.

On Sat. November 20 at the Robert Seamen School in Jericho, New York met Indiana. New York played exceptionally well but suffered a loss of 4-3.

In this exciting game, both goalies made many beautiful saves. Brian Reilly was the goalie for New York. The game was continuously tied until the last few minutes when Indiana managed to score the winning goal.

Mike Longo scored the first goal assisted by Chris Jendres and Danny Longo, the second goal was by Mike Longo from a penalty kick. (Continued on Page 7)

## "Best Boy"

"Best Boy," the moving documentary film about a middle aged retarded man, and his family's efforts to help him become more independent, will be shown on Wednesday - evening, December 1, at 7:30 p.m. at Hicksville Junior High School. The work was created by filmmaker Ira Wohl about his cousin Philly, and the film was honored with a 1980 Academy Award for "best feature documentary" and more than 500 rave reviews from newspaper film critics and educational leaders throughout the country.

As Ira Wohl explains in the introduction to his rare and eloquent work, Philly is 52 years old and has been retarded since birth. At the age of 12 he was sent by his parents to an institution to learn discipline, but the experience was so unhappy for the entire family that he returned home two years later and remained there. "Best Boy" records the efforts of the family to let Philly take a more independent role.

This special screening of "Best Boy" will be open to all Hicksville residents free of charge.

# St. Ignatius Loyola School Seventy-Fifth Anniversary

(Continued from last week)

I started school six months before the required age for first grade. I recall Mom telling me that quite she was quite adamant when she went down to register me. "Either Jane starts school now, or I'll send her to the Public School," maybe I should have waited, as I never liked the rap on my hand for not writing neatly in Sr. Salome's first grade. I recall Sr. Irmgard's performance of Peter Stuyvesant and his peg leg...and the lay teacher we had in fifth grade...Mrs. Hanley.

Sr. Miriam Esbher and her soft voice and gentle ways was my favorite teacher. To this day we still correspond. How could I ever forget the month of May, and the May Altars each class had? Sr. Rose Concepta still taught the eighth grade. Each afternoon after lunch, the class would take out their poetry books and began... "Trees, by Joyce Kilmer..." When I attended Hicks-ville High School I'd return each Wednesday at Release time and attend Religious Instructions at the school. These classes were given by the Priests of the Parish.

My sister Patricia (Muench) Carroll lives in Bayville. She recalls Sr. Irmgard having her students write their spelling words in all the margins of their books. It was during the war and paper was scarce. Yes, to this day she is an excellent speller. Sr. Rose Magdalene enjoyed teaching Art and was quite an artist. Patricia is one of those people who find it hard to draw a straight line with a ruler, and so, she wasn't too anxious to be promoted. Like most students, she couldn't wait to be in the eighth grade...eighth grade students were always first on line to enter the school. She partic-

ment and had potato soup and bread.

My sister Ellen (Muench) Wisbous is the only one of us "Muench Girls" to move off the Island. She lives Upstate in Dalt Point.

When she started Kindergarten at St. Ignatius, she and several other students were a bit "teary" until a kindly custodian named Steve came along with lollipops and...instant happiness occurred! She remembers walking home each day for lunch and having to wait for the freight trains to pass...and of having air raid drills...and shopping for Sr. Miriam Esther after school. During the time she attended St. Ignatius there was one class for each grade.

## Guest Speaker Visits The Second Grade

Todd Berger, Nadine Theroux, Mrs. Pauli Scall, Dana Pupillo, Kerri Reinhardt.

Mrs. Paula Scall, a school crossing guard, visited the second grade classes of Mrs. Renee Fisher and Mrs. Margaret Belz at the Willet Avenue School on Wednesday, November 17th.

The children have been learning about Community Workers and Mrs. Scall was invited to the classroom to answer questions about her job and to describe some of her experiences.

She brought safety booklets from the Police Department for the children and gave a very informative talk.

Her son, Anthony, who is a student in the class, was very proud of his mom!

## LEGIONNAIRE'S LOG By Artie Rutz

CHARLES WAGNER POST #421

HICKSVILLE, N.Y.

"One Of the Grass Roots Of The American Legion"

A HAPPY THANKSGIVING to all our members and Auxiliary members of the Charles Wagner Unit #421, and members of our S.A.L. Squadron. While the holidays are just beginning, and to get things off on the right foot, let me tell all members that the Auxiliary has invited each and every Legionnaire of Charles Wagner Post to attend their annual Christmas doings after their December 3rd meeting. Don't be bashful, come on down.

To remind one and all of the impending CHRISTMAS PARTY FOR THE CHILDREN scheduled for SUNDAY, December 19th, starting at 2 P.M. until 5 P.M. for each child... Gifts for each child, valued at not more than \$5 must be supplied by the parent or grandparent, properly gift wrapped and tagged for presentation by SANTA CLAUS. We will still require your call to P.C. PALMER WALSH (931-3299) as to the names and number of children you will bring to

this party. We require this information so that the proper amount of soda, hot dogs, candy cookies, etc. will be available as well as something for the adults...once more we will have movies for the children and rides on the 40 & 8 Locomotive. AND, there will NOT be a raffle as in other years, so put this date down on your calendar and make it a point to get the kids here on time.

We have requested donations of Christmas light sets, complete with bulbs, for the use of decorating the hall for this, and future Christmas parties as no doubt many of our members now find that they have a surplus of unused light sets. How about it, would you donate your extras??? If you can, please bring them to the Post on a Friday or meeting night and Past Commander will be glad to take them off your hands. Please attach your name to the set so we can give you proper credit.

Now let's get to the next social affair that the Post will sponsor for members and their guests and friends, The December 31st NEW YEAR'S EVE DANCE. This year's edition features a roast beef dinner by those purveyors of good foods, Cypress caterers. There will be two bottles of liquor for each table of 10 plus free beer and party assortments. Dancing will be from 9 P.M. till 1 A.M. to the music of the MUSICIEN. Tickets are just \$45 per couple and a minimum deposit of \$22.50 is required. For reservations or other information call Chairman Frank Walsh, Vice Commander (797-5266) or Vice Commander Frank Molinari (935-1934). Please do not wait too long to make your reservations as booking has been brisk for this annual New Year's Eve celebration.

Our next business meeting is December 6th, the eve of Pearl Harbor and it looks from here that what the Japs failed to do with bombs and bullets, we are doing with their Toyotas and Sonys.

## Eighth Precinct Police Report

By Police Officer Kenneth Box

Robert Romanelli of 715 Larkfield Road, Northport, was operating his 1974 Dodge northbound on Jerusalem Avenue Hicksville on Nov. 15, when he heard a loud thump and his windshield shattered. Mr. Romanelli turned his car around and returned to where he had heard the sound. In the road-

way he found Joseph Pendergast, 22 years, of 17 Coachman Lane, Levittown, unconscious. When Officers from the Eighth Precinct arrived, they transported the injured man to Nassau County Medical in East Meadow. Mr. Pendergast suffered fractures of both legs and other lower body injuries. He is in stable condition.

## Galileo Lodge News

By Joe Lorenzo

VENERABLE SKIP MONTEFORTE'S MESSAGE: 'We can always be wiser for someone else than we can for ourselves.' Old Saying

By the time you read what is written here, Thanksgiving will have come and gone. There is a new consuming aura surrounding us as we look down the road of time we see the season of Christmas heading in our direction.

The Galileo Lodge is ready-ready to add to those joys and pleasures of Christmas by presenting a Christmas Dance on Saturday, the 4th of December. Tickets sell at \$10 per person, a reasonable sum that offers you a dinner consisting of meatballs and stuffed shells, beer, soda, coffee and cake, set-ups and music from a live disc jockey. Armando Del Cio (938-5052) will "chair" this activity, ably assisted by Frank Matassa (931-2843), who is also handling ticket sales. An added feature to this delightful dance will be a Christmas grab bag which will hold gifts of two to three dollars.

and, incidentally, please mark the gifts for either male or female. So why not come to the Galileo Lodge on the date mentioned here and start the Yuletide season in merry fashion.

The spirit and mood of Christmas does not end with the Dec. 4th dance. On the contrary, it is merely starting here. On Sunday, the 19th of December, the Galileo Lodge presents its two Christmas parties-one for the retarded children of Queens and Long Island and the other one for the children of the membership. Mere words are incapable of expressing the beauty and warmth that are part and parcel of these parties. They have to be witnessed with one's own eyes! Jim Ingino of our Lodge is busy

soliciting gifts, funds, merchandise, so anyone desirous of aiding Jim Ingino in this activity, please contact him at 681-3158. You can't give for a better cause, because you are making someone else's Christmas a little brighter and merrier. Christmas time is the time to spread joy and good will, and needless to say that the Galileo Lodge will do its share.

Because of circumstances beyond anyone's control, the name of Ann Palermo, the Grand Chairlady of the "Follies Follies" and President of the Ladies Auxiliary was inadvertently omitted from last week's column.

The Hicksville Public Schools Department of Comprehensive Arts played a prominent role in the recent New York State Art Teachers Association Conference held at the Concord Hotel at Klamath Lake in October. Shown here are Pauline Jonason, Margaret Friedlander, and Doris Teiber, along with Comprehensive Arts Supervisor Dr. Terrell Stackpole, and some of the student and faculty works that were exhibited at the conference.

Student artworks were submitted by Clifford Heller, Michael Socco, Michael Christie, Vinnie Germano, Henry Hue, John Livingston, Laura Reinhardt, James Kreyling, Diane Gargano, David Pehrson, Kimberly Smith, Frank Leone, and Lucas Catoggio from the Junior High School; Danny Kennedy, Anna Nichayonak, and Janene Richards from

Hicksville High School; and Evan Marchese, Christine Proctor, Richard Stasche, and Robert Heimer from Dutch Lane School.

Faculty members exhibiting works were Richard Ericson and Beatrice McNamee of the senior high faculty and Ms. Friedlander of the junior high. The Hicksville exhibit was the largest and most comprehensive display in what Commissioner of Education Gordon Ambach and others termed "the finest display of student and faculty works yet assembled."

Ms. Friedlander served as registration coordinator for the three-day conference, and Dr. Stackpole coordinated two conference sessions and participated in a group meeting on "Critical Issues in Art Education."

When Mother Adelaide became principal uniforms became a part of the school scene. Even though she was in the eighth grade at the time, she was required to wear one. A picnic at Belmont Lake State Park was the eighth grade trip. Graduation Exercises were held in Church. Ellen was the shortest in the class, so she was always first. Graduates were to accept their diplomas from Fr. Bitterman, thank him, genuflect, take three steps backwards, turn and walk to their seat. BUT!!!, Fr. Bitterman deviated from the planned procedure. Dad was in the hospital at the time and Father asked Ellen how he was. She became flustered, answered his question, took her diploma, and forgetting the procedure, turned and walked to her seat. Oh dear!

If I thought my memory was failing me, after speaking with my sister Kay, I realized, that even though she is the youngest of the four "Muench Girls", she recalled less than I. She lives in Seaford, and her married name is Barrett.

She did win a bicycle in the eighth grade. An eighth grade class dance was held and the girls were expected to ask a boy...early stages of Women's Lib.... She asked Jimmy Cunningham. Kay remembers that she helped out in the Library in the seventh grade.

Before my children started school a third building was built facing Cherry Street. It was called the "New School" Building. The building facing Nicholas Street was renamed the "Old School" Building and the

In 1969 our daughter, Mary Ellen started school at St. Ignatius and two years later, Margaret entered the first grade. Registration had been declining and both girls remember the move from the old school Cafeteria to the Cafeteria in the new school. Most students stayed for lunch and each day special lunches were provided for those students who wished to buy lunch. Our daughters still remember the school plays they were in, and the hours spent writing them with their classmates. May Crowns were held in Church with the entire student body present. Double Dutch was a popular lunch-time game surpassed only by Ringalevio....when permitted....

Both girls participated in the Science Fairs held at school. There also were special classes in Art, Creative Writing, Gym and Music. Eighth graders held a Square Dance before graduation exercises were held at a Mass in Church.

It is my hope that the above memories will convey the warmth the members of my family hold for the grammar school of their youth—St. Ignatius Loyola.

# The Dream Is Still Alive For New Citizens... And For All Citizens

By Francis T. Purcell, Nassau County Executive

Several weeks ago, I had the privilege of taking part in a naturalization ceremony at the Supreme Court in Mineola. That day, 102 foreign-born people took the oath of allegiance to their new country. Young and old, these people from 36 different countries proudly raised their hands and swore to uphold the Constitution and laws of our nation.

I wasn't close enough to see into faces, but I am sure many of them had tears in their eyes as they spoke the oath. I know I had tears in my eyes as I watched and listened. These people had arrived at that moment by way of various paths. I know some were English-speaking people, while others were raised speaking another language. They, therefore, had to study for the testing preliminary to being granted citizenship. I imagine it was

difficult for many.

Whatever the case, I could see pride in each person completing his or her quest for full-fledged status as a citizen of the United States of America. The scene I witnessed was a repeat of one which has occurred so often down through the years. Of course, it was more frequent in the 1800's and early in this century when the flood of immigrants came to our shores. Circumstances were sometimes different, but the object was the same. People wanted the freedom this nation offered.

Born here, I can only imagine the thoughts of my forebears as they arrived in New York Harbor. Perhaps, they had belief that the streets here were paved with gold and that all who greeted them were wealthy. Certainly, that idea was a myth. The immigrants in most cases found that eco-

nomie survival was difficult. Hard work, frugality and patience were the qualities most needed.

They soon found, however, that those qualities had a reward. If they worked and saved, life got better. They could move from the tenements of a crowded city to places like Nassau County where there was a better quality of life. They could move upstate or out-of-state to find what they were seeking. That was the joy of it all... they were free to go where their ambitions took them.

In spite of what cynics say, much of the same is true for these newest citizens, those who took their oath a few weeks ago. Except for the specially-skilled, work for many is difficult to find. Yes, taxes are high and the cost of living is 'way up.' There are criminals among us. Use of drugs abounds

and abuse of alcohol is rampant. There are problems, no doubt many more than existed a hundred years ago.

I firmly believe, however, the American Dream is still

alive. The newcomer can make his way here. He or she has a vote after achieving citizenship. That person can still worship at choice. Free speech remains viable. Education is available. A person may choose the direction of life without fear. These things, I believe... for new citizens... and for all citizens.

enclosed correspondence that they are prepared to conduct the testing and evaluate the results. I, therefore, recommend that you take the necessary steps to arrange for the testing of the facility and a rapid analysis of the test results. I hasten to point out that despite the fact that there is an existing contract and despite the fact that the New York State Department of Environmental Conservation will evaluate the test results, the Town Board will jealously guard its responsibility to protect the health and safety of our town residents."

(Continued from page 7)

which presently exists, complete with marred weather-vane, was constructed in 1822 to meet the needs of an expanding parish. Money was scarce back in those days, but parishioners banded together and donated the materials, time and manpower needed to finish the church, which, as a result of their efforts, cost under \$5,000 to build.

Elliott says it's this same spirit of team-work that's propelling his friends to continue their restoration project. The 22-year New York

Telephone veteran and father of three proudly points out that it's easy to get the right time in Hempstead these days. All you have to do is look up at the clock tower. He promises his team will keep working until the bells are ringing in Hempstead, too.

**BLOOD PRESSURE SCREENINGS** are held at the American Heart Association office, 365 Willis Avenue, Mineola, N.Y. every fourth Tuesday of each month from 3-5 P.M.

**By Pat Reilly**

On Sat. November 20 the Hicksville Comets travelled to Farmingdale to play the

Farmingdale Flyers.

It was an aggressive game, in which several Hicksville players became injured. The Comets managed to tie the game 1-1.

Tim Doyle unassisted scored the only game goal for Hicksville.

The forward line Tim Doyle, Tommy Pedicini, Michael Segal and Scott Duca played beautiful, but were rebuked by many saves made by the goalie on Farmingdale team.

The midfield Brian Finnell, Ryan McCann, Steven Postulio and Thomas Reilly besieged by injuries played courageously turning the ball around everyturn.

The defensive line Scott Germer, Scott Van Steen as stopper, John Giultari and Bobby Hummel were exceptional in turning the ball around and in defending our goal.

Chris Margaris made many beautiful saves.

Anthony Conti was ill and unable to attend this game.

**Asaph-Ciccarelli**

Margaret Alice Asaph, daughter of Mr. and Mrs. Raymond Asaph of Jonathan Ave., Hicksville, was married on Saturday, October 30, to Mr. William Robert Ciccarelli, son of Mr. and Mrs. Laurence Ciccarelli of Plainview.

The newlyweds had a honeymoon cruise in the Caribbean and now reside in East Northport.

**The  
 Hicksville  
 Chamber of Commerce**

Freedom is a tradition in our great nation.  
 From the earliest beginnings, the courage of our Pilgrim  
 forefathers made it possible.

The will and faith of our people have kept it alive. It  
 will remain ours with vigilance and dedication. So - the  
 past, the present and the future are inextricably woven  
 together. Through freedom.

Today we give thanks for this precious legacy.

We remember and cherish our tradition.

We pray that freedom will become the inalienable of  
 all nations.
