At School Board Meeting

Hawkins Resigns - Fenton Acting Supt.

By Rosemary Grant
Dr. Wilber Hawkins, who has accepted a position in Medford, Oregon, resigned effective January 3, 1983 as Superintendent of the Hicksville School District and Dr. Catherine Fenton was named Acting Superintendent at the December 15 Board of Education meeting. Dr. Fenton is appointed from January from January 3 to June 30, 1983. Dr. Hawkins did not attend the Board of Education meeting and could not be reached for a statement.
On Tuesday, December 21 at 8 p.m. in the Confer-

ence Room of the Administration Bldg. the Board will hold a special meeting to discuss a Superintendent Search with consultant Dr. Philip Pitruzzello.
The lengthy agenda on Wednesday night included presentations on foreign language education and a grade distribution report.
The foreign language program included a display of class materials and student work and a demonstration of language skills by a fourth grade Spanish class from the East Street School led by Ms. Renne Lesetz, much to the delight of the adults present.
Dr. Fenton gave the Grade Distribution Report for Secondary Schools - 1982 and individual chairpersons responded to audience questions.
Action was taken on deletion and revision of Board policies; however, the Open Meeting Law policy was removed from the agenda. Approval was given to routine business relating to enti-

tlement funds, ESEA proposal, Memo of Agreement Modifying Contract Recognition Clause and Designating Church at Hicksville Christian School as giving equivalency of instruction in Grade 9.
The Board voted to award bids approved budgetary transfers and approved contracts for the complete renovation of the Senior High School auditorium as recommended by architects Knappe and Johnson, Mr. Robert Buchter of Knappe and Johnson answered questions raised by Trustee William Bennett regarding the \$183,295 cost of the project.
The Board approved claims and warrants and handled routine matters regarding placement of handicapped students, educational and civil service personnel. It voted against granting tenure to Dr. Terrell Stackpole in the position of Supervisor of Comprehensive Arts.
The Board discussed a

resolution from the Committee for Adult and Continuing Education to accept By-Laws, but made no decision as individual board members posed questions regarding the submitted By-Laws. The Committee also requested salary increases for adult ed teachers and Board President Anci said there were "inaccuracies in the resolution." She promised to send Virginia Germer a letter explaining these inaccuracies.
On Friday, December 10, a tentative contract agreement was reached with the Custodians. However the custodial group met and voted not to ratify the agreement.
During the meeting, the Board adjourned twice for Executive Session, once at 10:30 p.m. and again at 12 midnight.
The next regularly scheduled meeting of the Board of Education will be on January 12, 1983 at 8:15 p.m. in the Conference Room of the Administration Bldg.

Musical, "Home For Christmas"

The combined choirs of the South Nassau Christian Church of Baldwin and the Church of Christ of Hicksville will present the musical "Home for Christmas" Monday, December 20 at 8:00 P.M. at the Church of Christ of Hicksville, 105 Broadway.
This forty-minute presentation, written by Don Wyrzten and Phil and Lynne Brower, is a musical story of a touching letter that records a young woman's warm and treasured memories of Christmas. It is also an "experience of love" - a very deep and extraordinary love shared between those in a very ordinary family. Most of all, "Home for Christmas" is a "promise" - a promise of peace and of that ultimate home destination where all Christians will spend the most glorious Christmas of all!
Everyone in the community is invited to attend this musical presentation. Admission is free. A staffed nursery will be provided for infants.

Breakfast With Santa At Holy Family

On Dec. 5th, Holy Family School held their annual "Breakfast With Santa" in the school cafeteria. Over seven hundred children and family members enjoyed their Pancake Sunday, and then were treated to a visit with Santa Claus.
The coordinators would like to thank the following local merchants for their wonderful help and generosity in making this event the huge success it was: McDonald's of Broadway, Jericho; Seven C's Baskery, Newbridge Rd., Levittown; Burger King, Nathan's, Dairy Barn, LILCO, Flower Time, A&P, High Bar, Pathmark, and Gillison's Knitwear Factory.
The entire event was run by the parents of the Pre-Kindergarten children. Many of the fathers came to

do the cooking, and the mothers handled the decorating, kitchen work and clean-up.
The eighth and seventh

grade students did a great job of serving.
All the decorations were made by Pre-K and Kindergarten classes.

TaPPAG Holds Informative Program

By Linda Strongin
Parents of students in the seventh grade junior high school talent pool recently met to discuss concerns and ask questions regarding the talent pool and honors classes. Over 40 participants attend the program last Tuesday, a windy and frigid eighteen degree evening.

The program is the first in a series sponsored by TAPPAG, Talent Pool Parents Advisory Group. Mrs. Edna Edelstein and Mrs. Linda Strongin coordinators of TAPPAG explained that the parent group hopes to increase knowledge of the

talent pool programs among parents and the community and to establish and to improve communications among parents, students and the school.

Among the concerns discussed at the program were student participation during ninth period; transportation problems; use of the resource room; receiving information about ninth period activities; and pressures on the talent pool students.

Several members of the junior high school staff volunteered their time to provide information to parents: Dr. Farrokh Hormozi,

Coordinator, Gifted and Talented Program; Mrs. Susan Wolf, English Department Chairman; Mr. Paul Marks, Social Studies Chairman; Mrs. Marie Marshall, Science Department Chairman; and Dr. Donald Haggerty, Math Department Chairman. Dr. Carole Miller, School District Psychologist and Mr. Ken Grill, Junior High School Psychologist were also present to answer questions concerning "Parents of the Gifted Child."

Future topics to be presented by TaPPAG include the emotional development

of the gifted and talented student; curriculum; and program evaluation, among others. TaPPAG also intends to publish a newsletter to keep parents up-to-date on talent pool happenings and general survival techniques for parents of gifted adolescents. The next program will be scheduled for late January.

Any parents who are interested in the group and/or have questions concerning TaPPAG can contact Mrs. Edelstein or Mrs. Strongin by leaving a message at 733-2062.

SAVE MONEY BY WARMING JUST THE ROOM YOU'RE IN.

That's the warm room concept. It calls for keeping the room you're in comfortably warm while letting the rest of your home stay a little cool.

It makes sense because you can your fuel bills about 3% for every degree you turn your thermostat down.

How to stay warm at the same time? Use a portable electric room heater to warm just the room where your family gathers.

You can buy an electric heater for as little as \$20 that'll warm a typical room in a Long Island home for as little as 12¢ an hour. It'll keep your whole family snug and cozy while your thermostat is turned down and you're putting a big dent in those heating bills.

Consider the advantages of UL-listed electric room heaters:

- They give safe, controlled heat, with no fear of flames or overheating.
- They operate with the flip of a switch.
- They're clean and odorless, without oily smoke or pollutants.
- They're easy to move from room to room.
- There's no messy fuel to handle or store, and you don't have to worry about fuel spills ruining carpets or floors.
- They're inexpensive to buy and maintenance-free.

So why not give the warm-room concept a try? Choose from the wide selection of electric room heaters at a store near you. Long Island Lighting Company.

Galileo Lodge News

JOE LORENZO

VENERABLE SKIP MONTEFORTE'S MESSAGE: "Every day is a fresh beginning. Every morn is the world made new. You who are weary of sorrow and pain, here is a beautiful hope for you... a hope for me and a hope for you." Old Refrain.

It is with a great deal of joy and anticipation that I announce that the Galileo Lodge will hold its New Years Celebration on Friday, the 31st of December.

Tickets will sell at \$25 per person. Selling the tickets will be the committee men, namely, Joe Giordano (333-4555), Pete Masiello, Frank Matassa (931-2843) and Joe Morace (931-2548). Hours are from 9:00 P.M. to 2:00 A.M. There will be live music from 10:00 P.M. to 2:00 A.M.

The New Years Celebration offered this year by the Galileo Lodge will be a veritable 'cornucopia', and just feast your eyes on what is to

be offered to you: cocktails and dinner, unlimited liquor, hats, noisemakers, a balloon drop at midnight and a continental breakfast at 2:15 A.M. And a tantalizing menu featuring such succulent items as trays of hors d'oeuvres, trays of celery and olives with rolls and butter, antipasta, ziti with meat sauce, Prime Rib roast-Au Jus, string beans, baked potatoe with sour cream, ice cream and coffee and cake. Then add Espresso coffee, tea or sanka and a delicious bowl of fresh fruit on each table.

I don't believe that you could find any establishment or organization anywhere that being offered to you for the very reasonable sum of \$25 per person. So why not come to the Galileo Lodge on the date designated above and really usher in the new year in a style you possibly could have never dreamed of.

As I have stated in the past, Christmas really takes shape and form at the Galileo Lodge when it presents its two Christmas Parties, one for the children of the membership and the other one for the handicapped children of Queens and Long island. All is in readiness, and the Chairman of this activity, Jim Rerisi, announces that there will be an abundance of food and toys for these beautiful children. Assisting in these two presentations are Jim Posilloco and Frank Matassa, with Jim Ingino still acting as Chief Solicitor.

E.M.M.A. Makes Debut

Eastern Savings Bank, headquartered here with branches serving Westchester, Bronx, Nassau and Suffolk counties, will introduce the Eastern Money Manager Account (E.M.M.A.) on Tuesday, Dec. 14.

Chairman John M. Nosworthy has announced.

The new account will be opened with a minimum deposit of \$2,500 and will pay a guaranteed weekly rate of interest, adjusted every seven days, to keep ahead of the prevailing money market yields.

The new account, Mr. Nosworthy said, gives the depositor the higher yield opportunities and flexibility formerly enjoyed exclusively by Money Market Funds. With E.M.M.A., however, the depositor has the added benefit of FDIC insurance covering up to \$100,000.

Depositors will have easy access to their funds. They may make unlimited in-person withdrawals and deposits in any denomination at an Eastern office or by mail. In addition, they are entitled to write up to three third-party checks against the account each month and make three automatic transfers from E.M.M.A. to their other Eastern accounts or outside accounts such as for rent.

"With money market funds checks written against them had to be for at least \$500 and there was no way to transfer to other accounts. Certainly as many of the funds were quartered

out of state, they did not provide the convenience of providing deposits and withdrawals at local offices," the bank chairman said.

"The new account has no limit on the amount of interest it can earn. Rates are adjusted weekly and guaranteed for up to seven days, with daily compounding and interest credited monthly. Should the balance of the account drop below \$2,500, the account will continue to pay interest at the 5 1/2 percent rate for NOW accounts. Thus, the account provides the most flexible approach for depositors to earn high yields for their money," Mr. Nosworthy said.

The bank's chief executive said that most of Eastern's offices will extend their service hours to accommodate those interested in opening an Eastern Money Manager Account.

News From The Plainview-Old Bethpage Road Runners

Prominent local chiropractor Scott W. Evanter will be the featured speaker at the Tuesday, December 21 meeting of the Plainview-Old Bethpage Road Runners Club. Dr. Evanter will talk on the importance of Chiropractic for sports performance. Also on the agenda will be videotapes of the 1982 NYC Marathon and the 1982 Syosset Sprint.

To help celebrate the Holiday Season, \$25 gift certificates to Woodbury Super Star Sneakers and Sports will be given as door prizes to two lucky Club members.

The meeting will be held at the Plainview-Old Bethpage Public Library, starting promptly at 8:00 PM. The general public is cordially invited to attend.

Dr. Evanter is a graduate of SUNY/Oswego and Western States Chiropractic College. He has done extensive postgraduate work in spinal biomechanics and sports injuries. He is presently in private practice in Syosset, concentrating on sports injuries, low back injuries and sciatica. After his talk, he will accept questions from the audience.

The December 4-5 weekend was one of the last big weekends of the Long Island fall road racing season. On Saturday, September 4, forty-one members of the Plainview-Old Bethpage Road Runners Club were among the more than 900 runners who competed in the 3rd Annual Seaford Hot Chocolate Run. Doug Nassisi paced the Club contingent with a fine 16:50 over the 5 Kilometer Course. The Seaford Run also marked the second appearance of Long Island's only "racing centipede," as POBRR's Larry Davidson led a group of 19 runners (that's 38 legs) who ran the entire course joined together in centipede fashion (pipe cleaner antennae and all!). A group of girls from the Plainview District High School Cross Country Team also ran the race in tandem.

On December 5, two teams from POBRR competed in the Long Island Team Championship 5 Kilometer Run in Eisenhower Park. Doug Nassisi once again paced the Club

Memorial Note

With the Holidays upon us the Hicksville Baseball Association thought this an appropriate time to let all our friends share in the warmth and love that has been expressed for the memorial we are erecting for Al Green and Wally Collins, two of it's most distinguished members.

We have received contributions from not only league members but family, local business, our town officials, and many of Al and Wally's friends. Many either heard about the memorial through word of mouth or right here in the Herald. Costs were higher than anticipated, and we are still gratefully accepting donations, c/o Donna

Rehman, 6 Grape La., Hicksville, 11801, and for now would like to sincerely thank all those already involved in this heartfelt

cause. Our opening day ceremony and dedication of the flag pole will take place April 16, 1983.

DEVOTIONS

By The Rev. Dr. John H. Krahn

Trinity Lutheran Church

BE A GOOD BRANCH

"I am the vine, you are the branches. He who abides in me, and I in him, he it is that bears much fruit, for apart from me you can do nothing." (Jn 15:5)

We are all called upon to be productive part of the Lord's ministry. We must bear fruit for the Lord to be successful. I want to be a success, and I guess most people want to be successful. But isn't that selfish? It can

be I suppose when our attempts have as their basis self glory. As Christians we are called upon to be sensitive to the needs which surround us and then attempt through God's power to fill them. For as the above text reminds us, apart from the vine Jesus, we can do nothing.

How do we succeed? First we must put aside every negative thought and all pessimistic thinking. "It can't be

done," must never enter our mind, but rather we must say, "With God all things are possible."

Recently my wife finished reading a story in Reader's Digest, and commented, "That was unbelievable." The story began when May Lemke, a 52 year old nurse-governess received a telephone call from a local hospital asking if she could take care of a 6 month old infant boy abandoned by his par-

ents, who was mentally retarded, without eyes, had cerebral palsy and completely unresponsive to sound and touch. This woman believed from the beginning that she was asked to take care of this child for a reason and that she could help him.

She worked tirelessly teaching him to suck on a nipple. She bathed, coddled and spoke with him constantly showing love, kindness, and caring. She took him with her in public and experienced peoples unkind staring. Trying to seek ways to help him, a chain link fence was erected around the property, and after many weeks of teaching, he stood up and used the fence as a support. He was 16 at the time, and this was his very first movement on his own.

One day she noticed a movement in his index finger as if he was plucking something. She decided maybe music was an answer, and the home was constantly filled with its sound. They bought an old piano

and put it in his room. Little did they know how this music would affect his life. One night they heard the piano and realized it was him playing a concerto. After that, he played classics, rock, ragtime, country-western and gospel. This seemed to bring out more emotions in him. He started to say words, cry, bathe himself, use the toilet, feel pain and experience fear. God certainly hadn't forgotten him. Through love faith in Him, their prayers were answered.

Reading this true story, we see that there is really not one problem child. There is no child we can call impossible. There is no challenge which we might face which we could deem to large. For you see God can turn apparent problems into powerful opportunities to show forth his glory. We must simply strive, be willing to let our powerful God enter into our weaknesses and snatch victory from the defeat which

results from our meager efforts. We must invite the Holy Spirit to come upon us and dissolve all negative thinking. And when, with God's help, we begin to succeed, we then must invite God to save us from sinful pride. For God can only do great things with a person when that person is willing to give God all the credit. As Jesus said to his twelve disciples, "If any one would be first, he must be last of all and servant of all." (Mark 9:35b)

Most of our failure in life results when we forget that we are connected to the vine. We do not fail because of lack of talent, training, or opportunity. We fail because we don't trust in God's ability enough to help us succeed. Sure we need to strive to succeed but better when we strive with God, for we not only are giving it all we've got, but we are giving it all God's got. God pleasing success without Christ, is impossible. Success is being the person God wants us to be, bearing the fruit he calls us to bear.

We all need to rededicate ourselves to the Lord today.

LEGIONNAIRE'S LOG

By Artie Rutz

CHARLES WAGNER POST # 421

HICKSVILLE, N.Y.

"One Of the Grass Roots Of The American Legion"

Commander Ray Gamble noted at our last meeting that our membership has become rather lax in the matter of wearing their Legion caps to the meetings... He requested that members appear at future meetings wearing their Legion caps... It would also be in order for the Color Guard to appear properly uniformed to Post Colors and that would enhance the 'Legion Look' at meetings... This Sunday, December 19th, is the annual Children's Christmas Party, starting at 2 P.M. All parents or grandparents who intended to bring children were requested to telephone P.C. Palmer Walsh (931-3299) to let him know who was coming so we could get a head count necessary to have enough of everything on hand... Hope you have done so and thus made the work a little easier... Santa Claus will be on hand to present gifts (which were bought and wrapped by the parents) and there will be movies for the little ones as usual... We may have to forego the ride on the 40 & 8 Locomotive as they have a heavy schedule for that particular day and

may not get to Hicksville before our concluding time of 5 P.M. However we will have hot dogs, soda, cookies and candy for the kids and hot dogs and beer for the adults so everyone can have a good time greeting Santa... As you can now see the wheelchair ramp was poured last Saturday despite the rainy weather, so soon we should have a completed ramp ready for use... There still are some tables open for NEW YEAR'S EVE and if you are still without a place to go, this is the cheapest affair in town at only \$45 per couple... This includes a catered beef dinner, dancing, party favors, free beer and 2 bottles on each table... Bring your friends as there is room for all... Calal Vice Commander Frank Walsh (797-5266) or Vice Commander Frank Molinari (935-1934) for information, reservations, and tickets... The Past Commanders' Club is sponsoring a Super Bowl Sunday at the Post on January 30th with the doors opening at 3 P.M. Come see the Super Bowl Game on a Giant 6-foot screen amid a true football audience... There will be free beer, free

There was plenty of eating, buying and selling, but most of all fun was had by one and all. All the parents who volunteered worked hard planning, making and working to make this day the great success it was. At days end all were tired, but very proud to have participated in this great event.

Singing Boys Concert

Raising their voices in song, the seraphic Singing Boys of Long Island will usher in the holiday season at their annual "Christmas With The Singing Boys" Concert, December 18th, Saturday evening, 8:00 P.M. at the Lecture Hall of Hillwood Commons, C.W. Post College, Brookville.

Featured on the program

are European carols and other traditional Christmas music.

The Singing Boys of Long Island is composed of boys from age eight to eighteen. Under the Direction of Gerald F. Barker, they strive to preserve for Long Islanders the boys choir sound that has inspired composers from Palestrina to Bern-

stein. The Boys Choir has toured world-wide and have sung in the Metropolitan are for critical acclaim.

Tickets are \$4.00 for adults, \$2.50 for children. They are available by calling (516)731-0298. This Concert is sponsored in part by the Nassau County Office of Cultural Development.

Supervisor Approve Funds For Crackdown On Crime

Hempstead Town Presiding Supervisor Thomas S. Gullotta today announced the allocation of \$245,860 by the Nassau Board of Supervisors to continue the crackdown on career criminals, narcotics dealers and other major lawbreakers in the country.

"This supplemental appropriation will enable

County Police and the District Attorney's office to fund additional joint efforts to make our county a safer and better place to live," Gullotta declared.

"Identification of career criminals, intensive investigation prior to trial and restricted plea bargaining are key features of this major offense prosecution pro-

gram," he noted, "and we believe it should be maintained."

Funding for the program is totally reimbursable through a grant from the State Division of Criminal Justice Services, administered by Nassau's Criminal Justice Coordinating Council, Gullotta said.

D'Amato Plans To Block Congressional Pay Increase

Today U.S. Senator Alfonse M. D'Amato (R-C-NY) announced that he is coauthoring an amendment with Senator Larry Pressler (R-S.D.) to "freeze" congressional pay at current levels. The Pressler/D'Amato amendment will cancel the automatic cost of living raise members of Congress are slated to receive on December 17, 1982.

"These are tough economic times for many Americans and it is inappropriate and shocking for the Congress to accept an automatic pay raise that could be as high as 27%," Senator D'Amato said.

"With the nation in a deep economic recession and 12,000,000 people out of work, a congressional pay raise at this time would display a callous and shocking lack of sensitivity," the Senator stated. "It is hypocritical for Congress to stress the need to control

government spending by voting for cuts in federal programs affecting millions, and then to vote more money for itself in the form of an automatic pay raise."

What's worse, according to D'Amato, is the way Congress voted itself the raise. "By making a congressional pay raise automatic, Congress has said to the American people that it is afraid to face the music."

D'Amato said that the practice of attaching congressional pay raises as late night, or little noticed amendments to important legislation "does not do much to inspire confidence in the courage and judgement of our elected officials."

The Senator said that congressional pay raises should be put to a "separate yes or no vote". The American people have a right to know how their representatives feel about this," he said. Senator D'Amato said

that he will move to attach this amendment to the Continuing Resolution that Congress must pass by December 17th to continue the funding for many government agencies.

BACKGROUND:

Members of Congress currently earn \$60,662 each year. The last Congressional pay raise took effect on October 1, 1979 when the annual pay was raised from \$57,500. On December 17th, Congress will receive an automatic cost of living increase of 4%, increasing their pay to \$63,089. Some have contended that, due to the ambiguity in the law, the Congressional pay raise could contain cost of living adjustments for 1980, 1981, 1982, and 1983, which would increase congressional pay by 27% to \$77,041.
