Snow Closing Hotline

When a heavy snowfall blankets Hicksville, will the schools be open or closed? Residents will have another source of this important information when the emergency snow closing hotline begins operation this week. A recorded announcement to inform callers has been installed on the general information number at the Administration Building, and residents may call 733-2104 to check on the status of school opening. This recording will only be in operation on mornings when inclement weather or hazardous road conditions exist, and since the announcement will be installed on this one phone line, callers are asked to be patient and call again if the line is busy.

School closing announcements will be broadcast as usual on Cablevision and the radio stations listed in the Hicksville Public Schools District calendar. If you did not receive a copy, please call the Staff/Community Relations Office at 733-2089 and request one.

Dr. Fenton To Be Panelist

The Nassau-Suffolk Council of Administrative Women in Education will have a dinner meeting at the Asparagii Restaurant, 379 South Oyster Bay Road on Tuesday evening, January 24. The program will be a panel discussion entitled, "Opening the Door for Female Administrators -

How We Did It!"

The panelists will be: Dr. Catherine Fenton, Superintendent of Hicksville Public Schools; Merle P. Levine, Principal of Northport High School; S. Dawn Goldstone, Principal of Robbins Lane School in Syosset; Judith Tidwell, Dean of Students at Islip High School.

HHS Class of '34 Reunion

The Hicksville High School graduating Class of 1934 is planning a 50th Golden Anniversary reunion of June 10th, 1984 at Wicker's Restaurant, Old Country Road, in Hicksville. A committee composed of Harry Guckenberger (President of the class), Helen (Lehle) Guckenberger, and Charles I. Montana has been contacting the members of the Class. To date, 47 classmates out of 60 have been located. We have lost 13 members who are deceased. Of the 47 members contacted, 42 have

indicated their desire to attend. The committee feels this is a great response after all these years of separation. We would like any of the high school teachers who taught our class to contact the above committee if they can attend as our guests. The committee also plans to ask the Board of Education if the former high school building (now the junior high) could be opened on Sunday afternoon from 2-4 P.M. on June 10th so that our classmates might see and visit the classrooms we occupied 50 years ago.

William A. Becker To Be This Year's PTA Honored Guest

The Hicksville Council of PTAs is pleased to have Mr. William A. Becker as this year's District Honored Guest for the Founders Day Dinner. The dinner will be held at the Crest Hollow Country Club, in Woodbury, on Thursday evening, February 16, 1984. The annual Founders Day Dinner is a way of remembering and paying tribute to the organization of the National Congress of Parents and Teachers on February 17, 1897. It is a means of honoring the memory of its founders Alice McLellan Birney and Phoeby Apperson Hearst, along with their hopes and dreams for all children. Each year PTA selects for its District Honored Guest a person it feels exemplifies the spirit with which the founders would have gone about implementing their hopes and dreams for children.

Mr. Becker has worked for the Hicksville School District for 21 years. He is a graduate of Brooklyn Technical High School and attended St. Bonaventura University, which is located in upstate New York. Mr. Becker has a degree in engineering. He served with the Army's 104th Infantry Division in France, Belgium, Holland and Germany during World War II and was awarded the Combat Infantry Medal. Before joining the Hicksville School District he was employed in industry concerning the area of plant maintenance and manufacturing facilities. His occupational duties also consisted of time and motion studies and production. Such a background was the perfect foundation for the expertise he has brought to Hicksville.

Bill Becker has tried to make Hicksville's schools interest-

ing for our children. He has implemented many ingenious methods of giving the children in our grammar schools a sense of identity and belonging to the areas to which they are assigned. He has tried to instill a sense of pride for their schools in the students attending the secondary schools. He feels that places the children must work, learn and spend a great deal of time should be pleasant and comfortable. With that concept in mind he has brought colorful designs into our schools and has seen to it that needed repairs and replacements have been made before emergency situations occur. One only has to take a look at our new high school auditorium to understand the pride William Becker takes in his work. A tour of the schools in our district will give one the insight Mr. Becker has of the students' need for pride in their home away from home.

He is committed to preventative maintenance and energy conservation. He is proud to note that we have never had to shut down a school due to lack of maintenance. He endeavors to run the district as efficiently as a profitable organization would be operated. He is adamant in his belief that there should not be any disruption of the students' education and he strives to keep our buildings running smoothly toward the goal. It is clear that all his efforts in Hicksville are undertaken with the children in mind because he truly feels the end product is the next generation.

Bill Becker lives in Huntington with his wife, Louise. They have one married daughter, Lorraine. We are sure his family is as proud of him as PTA is to honor him.

Hicksville Community Council To Meet On Thurs., Feb. 2nd

As well as addressing whatever problems may be presented in the "Town Hall" segment of their meetings, those present at the Thurs., Feb. 2nd meeting of the Hicksville Community Council, have several important projects to discuss, therefore, they will open this meeting promptly at 8 p.m. It will be held, as usual, in the downstairs Community Room of the Hicksville Public Library on Jerusalem Avenue.

Further information will be brought for the consideration of those present on the following subjects:

Plans for the modest development of the two Hicksville park sites...one the 6 acre site located at the intersections of Old Country, Plainview and South Oyster Bay Roads...and the other, a plot of over 6 acres, on the former Giese property. Both plots were purchased "for park purposes" and have not been developed for the past few years due to the fact that after community rejection of proposed expensive plans they were both rented to sewer contractors, for use during this work in the Hicksville and Plainview areas. These rentals, although they were not much, are presently in the Hicksville Park District Fund and will help Town officials in whatever plans they may use to develop these two Hicksville parks, on a modest scale.

What plans is the State Dept. of Transportation considering at present, in order to provide an east-west traffic flow throughout downtown Hicksville and why are they considering these suggested projects. In order to solve the traffic congestion presently existing in this downtown area, certain conditions must be corrected. Plans are going forward.

What is happening regarding the illegal freight depot, in the Sears parking area, right next to homes. It has been in the courts for some time now.

At what stage is the solution to the traffic around Nevada Street?

What is being done about the tractor-trailer problem around Andrews Road?

What is happening about the dangerously-damaged building on Old Country Road near the RR trestle, which was burned almost to the ground around a year ago?

The purpose of the Council is to help those individuals and organizations active in the Hicksville community to come together and to solve its many problems so that future growth can be guided intelligently by those in authority.

Although the Council invites every local organization to join and send a delegate to each of its meetings, individuals are always invited to attend, and to join with others in an effort to achieve this continuing purpose.

While some problems take longer than others to solve, we don't give up. And, of course, new ones always "pop up". Throughout the fourteen years of its existence our Council has helped in many different areas, to bring current community problems to the attention of those whose duty it is to do their best to work to solve them. This is, of course, a continuing challenge. Why not join with many of your friends and neighbors in their efforts to help make Hicksville a better place in which to live?

Whether you join the Hicksville Community Council or not you are always welcome to join us at our monthly meetings which are held on the first Thursday of each month with the exception of January, July and August.

However, for those who wish to become members, the dues are: \$10.00 for organizations, \$5.00 for individuals, \$2.50 for students and individual senior citizens.

Galileo Lodge News

By Joe Lorenzo

VENERABLE SKIP MONTEFORTE'S MESSAGE: "We shape our dwellings, and afterwards our dwellings shape us." Winston Churchill.

Although we are firmly entrenched in winter weather, nevertheless we are

looking forward to the coming recreational highlights of the Spring season. Although not exactly a Spring activity but more or less on the periphery of it is our Valentine's Day Dance, scheduled for Saturday, the 18th of February. Tickets will sell at \$12.50 per person, and in the offering will be a delicious hot dinner, beer, soda, coffee and cake and delightful dance music from a leading L.I. disc jockey. Tony Sica (796-8789) will 'chair' this activity and a committee, yet to be named, will assist him. Valentine's Day is symbolic of love, so why not come down to the Galileo Lodge and enjoy a night of love and romance in grand fashion?

Seasons follow seasons, and as Winter appears to lose its grip on us, we can sense the coming of Spring. This reminder is that our Annual Dance is scheduled for Saturday, the 28th of April. Joe Giordano and

Pete Massiello will head a committee which will engage itself in the proceedings of this affair. Tickets prices, food and other incidentals concerning this annual affair will soon be published in this column. I might add that a journal with ads will be published also, so keep tuned to this column for further details about this gala affair.

February 9th may not be of any particular significance to community-at-large — well, not for the moment perhaps. But for the Galileo Lodge and its membership, male as well as female, there is a particular note of interest, for that is the night when the election of officers for 1984 takes place. The slate has already been determined, and after the election process, the newly-chosen officers will be installed on Thursday, the 22nd of February, in a ceremony that has a certain degree of solemnity and distinction. These newly-

elected officers will don their regalia and with an abundance of enthusiasm, hope, determination and devotion, lead the Galileo Lodge to new heights of fiscal and social success. Needless to mention also that loyalty, dedication and perspicacity will greatly increase the efficiency of these new officers. Congratulations to this new slate of officers and may wisdom and foresight reign supreme in all their deliberations. The tasks are great, the problems many — and the loyalty and devotion must be even greater.

By the time this publication hits the newstands, our Membership Appreciation Night will have come and gone. And because of this generosity of the Galileo Lodge to its members, male as well as female, and its eloquent acknowledgement of the devotion and loyalty of these same members, it behooves me to mention that under the consideration of Venerable Skip Monteforte, this night, the 19th of January, the Galileo Lodge will 'pick up the tab' for all the food, drinks and music offered. It is a gesture which brings the membership together in common bonds

of friendship and fraternal love.

LODGE TIDBITS

Sorry we inadvertently failed to report that Mr. and Mrs. Lou Morace recently celebrated 44 years of wedded bliss. Congratulations are in order to this nice couple of our Lodge The two newly-accepted members of the Galileo Lodge are Frank Benavenga and Tony Andrio, and welcome aboard, of course Very happy to report that our newly-decorated basement recreational area has had heat installed, next comes the air-conditioning. A beautiful job by many dedicated workers of the Galileo Lodge Its a pleasure to report that the recent dart tournament held at the Galileo Lodge literally and figuratively put our organization on the map, so to speak, as it has gained national popularity.

Purcell To Ask Confirmation of Planning Appointees

County Executive Francis T. Purcell will ask the Nassau Board of Supervisors on Monday (1/23) for confirmation of two appointees to the Nassau-Suffolk Regional Planning Board.

Former Congressman John W. Wylder of Garden City will continue his service to the planning board for a term to end Dec. 31, 1985. He has served the board since 1982.

The new appointee is Dr. Edward J. Cook of Brookville, president of the C.W. Post Center of Long Island University. His term would begin immediately and continue through Dec. 31, 1986.

Dr. Cook replaces Hofstra University President James M. Stuart, who declined reappointment because of the pressures of his office.

Dr. Cook received his

bachelor's degree from Fordham University in 1949, first attending Cornell University before U.S. Army service. He received his M.A. from Columbia University in 1950 and his doctorate from Fordham in 1958. He served in the Army from 1942 to 1945 as an infantry radioman and won the Purple Heart.

He spent the 12 years from 1950 to 1962 in the Department of Economics at Fordham, leaving there as chairman of the department. He headed the Economics Department at St. John's University from 1962 to '64, and then moved to a professorship at Post and as director of the Division of Business.

Dr. Cook was named president of Post in 1975 after serving as academic

vice president and acting president.

Over the years, he has served as consultant to the Remington-Rand Corporation, the U.S. Navy, the N.Y. Telephone Company and Nassau County. He headed the Oyster Bay Town Planning Commission from 1965 to '68; was an advisor to the Garden City Board of Education; advisor to the U.S. Department of Health, Education and Welfare; was a trustee of the St. Joseph's School, Garden City, and served on the Nassau County Executive's Committee on the energy crisis in 1973.

The Nassau-Suffolk Regional Planning Board consists of six members, three appointed by each of the county executives. Members meet monthly and are unsalaried.

The "Rockefeller Plaza" of Long Island

Dubbed the "Rockefeller Plaza of Long Island," the new European American Bank Plaza in Uniondale is making its mark. With its shining modernistic blue-green glass towers and winter garden atrium, Long Island's largest office complex is a unique addition to the local skyline.

Something equally unique, installed by New York Telephone, will supply the 1.1 million-square-foot complex's communications needs for years to come. The vast amount of data generated by EAB will be sped along an impressive array of fiber optic cables, providing state-of-the-art technology for Long Island's newest development.

"We wanted to provide the most advanced telephone transmission system possible, one that will grow with the needs of the customer," said New York Telephone engineer Bill Feeley.

Fiber optics are becoming a major part of communications systems around the world. Through a series of light pulses carried on hair-thin fibers, more voice and data information can be transmitted than would be possible using standard copper wire scores of times as thick.

"We will be with EAB today, tomorrow and well into the next century," said New York Telephone engineer Ken Clements.

As part of that long-term commitment, EAB Plaza bears another distinction. For the first time on Long Island, the fiber optic cables will be run directly from a New York Telephone central office to the customer's premises.

All of these technological wonders can be serviced from one communications equipment room in the 15-story twin-tower complex, making maintenance and upgrading easier. The fiber optic and terminal equip-

ment, as well as the room's environmental conditions, are monitored from the central office.

There's no need to fear loss of data due to a power failure since the facility has an uninterrupted power source. Operating in conjunction with the commercial power source is a battery system. Should the main power fail, the battery will continue to operate until the bank's own generator comes

on-line with supplemental power.

But if you blink, you'll miss it. The bank's generator system will be operable 10 seconds after the loss of commercial power.

The EAB Plaza symbolizes more than the booming economic growth of Long Island. It represents the best of New York Telephone: innovation, quality and commitment to service.

Button Making Course For Children

First to eighth grade children will draw and color on the faces of buttons they will make themselves when a Button Making program is held at Nassau County's Museum in the Park Saturday and Sunday, February 25 and 26, from 10 a.m. to Noon.

Nassau Recreation and Parks Commissioner Abram C. Williams said the

museum located near Park Field 6A in Eisenhower Park, will provide all materials needed as well as staff members to guide the children.

The admission charge of 25¢ includes the museum's current exhibit, "World of the Child."

For further information, call 542-4517.

Suzuki Violin Program Open House

Two open houses for parents interested in enrolling their children in the Suzuki violin program at LIU-C.W. Post, and a free Suzuki music festival, featuring performances by children currently in the program, have been scheduled for January at Long Island University's C.W. Post Campus.

The open houses, scheduled for Saturdays January 14 and 21 from 10 A.M. to noon, and Saturday, January 28 from 11 A.M. to noon, will feature a demonstration of the Suzuki method of teaching violin to

children between the ages of two-and-a-half and seven. (Registration of new students will follow the Jan. 21 and 28 meetings). Open houses will meet in room 105 of the Fine Arts Building.

The Suzuki Winter Festival will be held at 2 P.M. in the lecture hall in Hillwood Commons. Every student in the program will perform, as a solo and in groups. The public is invited free of charge.

The Suzuki program, now in its third year at LIU-C.W. Post, also offers a music and

movement class. Based on the Dalcroze Eurhythmics method, the class seeks to develop the child's musicianship through "whole body involvement." Children need not be enrolled in the Suzuki program to take this class.

For more information about the Suzuki and music and movement programs, contact Doris Rothenberg, director, music department, School of the Arts, LIU-C.W. Post Campus, Greenvale, N.Y. 11548; (516) 299-2474.

Second Precinct Police Report

The 2nd Squad is investigating a robbery at the David Martin Jewelers, 212 Jericho Turnpike, Syosset, which occurred at 11:30 A.M. on January 6th.

Martin Gonzales, 43 years, the owner, was behind the store's counter when two unknown male blacks entered the premises and asked to see some diamond stud earrings. Mr. Gonzales told the men the earrings would have to be special orders. Both men suddenly drew 9mm automatics and ordered Mr. Gonzales into a rear office. They tied up Mr. Gonzales with electrical tape and opened the office safe. The thieves took \$30,000 in jewelry and \$4,000 in currency. At this time, the co-owners son, Henry Goetz, 18 years entered the store. The suspects took Mr. Goetz to the rear office and tied him up with Mr. Gonzales. As the suspects fled the store, Mr. Gonzales broke free and rushed to the front of the premises. Mr. Gonzales observed the two men in a 1972 Cadillac sedan. Mr. Gonzales and Mr. Goetz were not hurt during robbery.

Police Officer Fred Eno of the Public Information Office, observed the suspect's vehicle pass a red light at Brush Hollow Road and Jericho Turnpike in Jericho. Officer Eno, with the assistance of other police units

chased the wanted auto into New Cassel. At 4th Avenue and 6th Street, the suspects abandoned the car and fled on foot. The officers found the proceeds inside the car.

The suspects are described as two male blacks #1-5'6"-7", medium build, dark skin, wearing a maroon jacket, #2-6'6"-1", 190 lbs., wearing a dark blue suit. Both suspects are armed with 9mm automatics.

A 26 year old New Cassel man has been arrested in Hempstead this morning at 11:30 a.m. by Det Edward Harsch of the 2nd Sgd and is charged with taking part in the 1/6 robbery of David Martin Jewelers in Syosset.

Haywood Bolling, 26, of 821 Broadway, New Cassel, was identified from the photopak system, and was apprehended in Hempstead after a search for his whereabouts.

Charged with Robbery 1st Deg, Bolling was arraigned at First District Court. The investigation is continuing for the other subject.

A residence on Elf Rd., Syosset, was burglarized on Jan. 13. Entry was gained through a pried cellar window. A TV, VCR, radio, jewelry, and tape recorder were reported stolen.

A residence on Herkimer Ave., Jericho, was burglar-

ized on Jan. 14. Entry was made through the garage. Jewelry was reported stolen.

A residence on Roxbury Rd., Jericho, was burglarized on Jan. 9. Entry was gained by breaking the glass in a rear window. Cash and jewelry were reported stolen.

A residence on Manors Dr., Jericho, was burglarized on Jan. 12. Entry was gained by breaking the glass in a rear window. A VCR and jewelry were reported stolen.

Portney-Messinger, Jericho Tpke., Jericho, was burglarized on Jan. 13. Entry was gained by prying open the front door. A TV and typewriter were reported stolen.

Floral Management, Gordon Dr., Syosset, was burglarized on Jan. 13. Entry was gained by prying open a rear door. Tools were reported stolen.

Mutual of Omaha, and G & F Copy Corp., on Jericho Tpke., Jericho, were both burglarized on Jan. 13. In both cases, typewriters were reported stolen.

At The Hicksville Library

The Hicksville Public Library is pleased to present Lisa Monheit, a contralto, at a concert on Sunday afternoon, January 22nd at 3:00 PM.

Miss Monheit is a graduate of the Manhattan School of Music and has performed extensively throughout the New York area with various opera companies. She also appears frequently as oratorio soloist and in recital. Her program will include works by Handel, Brahms, Berlioz, Isaacson and a medley of Negro Spirituals. Miss Monheit will be accompanied by Elizabeth Hastings. Ms. Hastings has worked as an accompanist for opera companies and also coached and conducted. All programs are held in the Community Room of the library. No admission is charged and everyone is invited.

Career problems?? Job rut?? Resume blues?? The Hicksville Public Library offers a free professional Career Counseling service. Call WEI-1417 for a day or evening appointment.

The Hicksville Public Library Bookmobile will be out of service until further notice. Extensive repairs must be made. Regular service should resume in approximately two months—early March, hopefully. Give the library a call (931-1417), or look in your local

Letter To The Editor

To the Editor:
On behalf of our Administrator Mrs. Ronni Rosenberg, Residents and Staff of Central Island Nursing Home, we would like to take this opportunity to thank the community for giving so generously of their time, talent and energies throughout the year and particularly during the holiday season. Bringing the outside world into our facility significantly increased feelings of self-esteem and self worth in our two hundred residents. Thanking you again, we are

Sincerely:

Our Armed Forces

Airman 1st Class Carlton Copp III, son of Karen E. Copp of Bridle Lane, Hicksville, and Carlton Copp Jr. of 46 Weeks Ave., Oyster Bay, has arrived for duty at Kadena Air Base, Okinawa, Japan.

Copp, a telecommunications maintenance specialist with the 313th Air Division, was previously assigned at Kelly Air Force Base, Texas. He is a 1980 graduate of Hicksville High School.

Marine Pvt. Agis J. Leontakianakos, son of Anastasia Leontakianakos of Amherst Lane, in HICKSVILLE, recently returned from a six-month deployment to Beirut, Lebanon.

Post Office Protects Senior Citizens

Your letter carrier can save your life. If mail has accumulated for two days or more your carrier will notify the Postmaster, when you register in the Senior Citizen Alert Program. Postmaster Anthony Murello says that over 3,000 seniors in Nassau and Suffolk are involved in the Carrier Alert Program. Two lives were saved by letter carriers this year.

Recently Frank Mitchell, Customer Services Representative from the Hicksville Post Office explained the Carrier alert Program to over 100 Retired Federal Employees of Nassau Chapter #471. Carrier Alert applications were distributed to everyone.

Officers of the Federal Association of Retired Federal Employees Nassau Chapter #471.

Any senior citizen group in the Hicksville-Plainview area is welcome to contact

the Hicksville Post Office at 433-300 Ext. 24 for more information on the Carrier Alert Program.

Chosen For NYSSMA Conference

One of Hicksville's finest young vocalists is Miss June Fulton, a senior at Hicksville High School. She is a member of the Madrigal Singers and the Pearl Drops, plays bells in the Hicksville High School Marching Comets, and performs solos in the Modern Music Masters recitals. She represented the High School at the conference of the New York State School Music Association (NYSSMA) last year as well as the All-

Eastern Chorus in Boston last February.

On November 27-30 of 1983, Miss Fulton once again was chosen to participate in the All-State Chorus at the NYSSMA conference at the Concord Hotel. This group of nearly 300 of the finest young singers in New York State was under the direction of guest conductor Albert McNeil from the University of California at Davis. Miss Fulton auditioned for Mr. McNeil and

was selected to sing the solo part in his arrangement of "Hold Out Your Light." She sang this solo at the concert that was given at the Concord on November 30 to over 2000 music educators and friends.

Other Hicksville High School musicians who performed in other festival groups were Caroline McIntyre, Mary McShane, Harold Meltzer, and John Rubins.

Mid Island Ecumenical Council

On Sunday, January 29, the 15 Churches in the Hicksville-Plainview-Bethpage area actively involved with the MID-ISLAND ECUMENICAL COUNCIL will hold a Service of Prayer for Christian Unity, to which all the members of the 23 churches in the area are invited. The service will be held at St. Martin of Tours Church in Bethpage and will begin at 7:30 p.m.

The theme for this year's Prayer for Christian Unity is "Called to Be One Through the Cross of Our Lord." The Rev. Roland Perez, Pastor of St. Stephen's Lutheran Church, Hicksville, will be the Homilist and using texts from Luke, 2nd Corinthians and Leviticus, will speak on "Sin as the cause of our disunity". Music will be provided by the choirs of the member churches, and refreshments

will be served during a Fellowship Hour immediately after the service.

The MID-ISLAND ECUMENICAL COUNCIL (initially, Hicksville-Plainview Ecumenical Council) has been in existence almost 15 years and includes Episcopal churches, Lutheran churches from both Synods, Methodist, Greek and Coptic Orthodox churches, Reformed and Roman Catholic churches.

Hicksville Republican Club News

By Harriet Maher
President

Tom Gallahue
Hicksville Executive Leader West

Joe Jablonsky
Hicksville Executive Leader East

Well, it's an accomplished fact—we have elected and installed our 1984 slate of officers and directors.

And after approximately 57 years, we have elected a woman as president of the Club. The Club, originally called the Robert L. Bacon Republican Club, was started in 1927 by a group of 13 women, one of whom was Ann Gros's mother. Through the passing of years, the name of our Club was changed to the Ernest F. Francke Republican Club of Hicksville. We will do some research into his history of the Club, and bring you interesting bits of information about it in a future column.

But regardless of the sex of your officers and directors, each of them intend to serve the Club to the best of their ability—with your help and support, of course. We're open to suggestions and recommendations to make our organization strong, viable and instrumental in electing our Republican candidates.

Be there to guide us if we sometimes seem to lose our way, provide the support we need if sometimes we are weak, and let us know your wishes so we can fulfill them if at all possible.

1984: A New Year, A New President... of the Ernest F. Francke Republican Club. The Honorable Joseph N. Mondello was the Installing Officer on Friday, January 13, 1984, at the Club's Installation Meeting. Standing, left to right: Hicksville West Executive Leader, Tom Gallahue; Joseph N. Mondello, chairman of the Nassau County Republican Committee; Harriet A. Maher, the newly installed first woman president of the Club; and Hicksville Executive Leader East, Joe Jablonsky.

The meeting was very well attended by members and guests in spite of the inclement weather. President Maher, on behalf of herself and the new officers and directors of the Club, expressed her appreciation to the membership for their confidence in electing the slate of officers, and promised to continue the good leadership that had been provided to the Club throughout its existence.

Many of our elected Republican officials and friends and neighbors were at the grand opening of the Consumer Credit Center at Manufacturers Hanover Trust Company on Wednesday, January 11, 1984. This impressive affair was held to share with our community, the financial com-

munity and the general public the importance of the expansion of this facility and its benefits to Hicksville.

Among some of the notables who were guests that evening were Senator Warren Anderson, Assemblyman Fred Parola, former

In An Instant . . . Life Changes

When a loved one dies, your life changes. And every task may be an enormous effort. Of course, funeral arrangements are never easy, but preplanning can help.

For years, people have bought cemetery lots in advance of need, but they represent only a part of funeral costs.

Today, many people are making advance funeral arrangements and paying for them.

Then, even if the hospital bills mount up or Social Security benefits change, the funeral expenses are completely covered.

Clip and mail this coupon today, for more information on funeral preplanning.

Call Wagner Funeral Service at 935-7100 for more information or an appointment to discuss preplanning.

Marino-Kinsella Connection Extends J.V. Streak

An electrifying bolt straight downcourt by Bob Kinsella scored a winning basket at the buzzer for the Hicksville Junior Varsity, at East Meadow, 47-45.

A full court pass from Chris Marino caught Kinsella on the fly and continued the win streak of coach Ron Quattrini's young men.

The mark reached seven straight with a 53-35 victory over Herricks.

Results of the seven game winning streak:

Christmas Tournament - (won by Hicksville)

Game #1 - Hicksville 45 - North Shore 28 Scorers: Rehman 16, Weinberg 10

Game #2 - Hicksville 49 - Plainedge - 40 Scorers: Marino 16, Irving 10, Rehman 10

Crane Operators Lift Spirits Of Kids Hospitalized For Holidays

Children hospitalized at North Shore University Hospital during the holidays received a special gift this year from New York City crane operators — a party with clowns, balloons, cake, dolls, and toys for each child. The operating engineers belong to K.I.D.S. (Kindness is Doing Something), an organization formed by the members of Local Union 14-14B in Flushing, of the International Union of Operating Engineers. K.I.D.S. is dedicated to helping children who are less fortunate, ill, or handicapped.

The operating engineers who are currently building the Battery Park City Complex near the World Trade Center, a hotel in Times Square, and a new water tunnel in the Bronx, are often depicted as "beer drinkin', cigar smokin', dirty T-shirted hard hats" in advertising and on television, noted Harold Lindemann, Chairman of K.I.D.S. "They are also fathers, coaches, and concerned individuals who last summer started K.I.D.S. to grant a wish that may include a trip to Disney World, or a visit to a sick child by a well-known sports personality," he explained.

Two-year-old Robert Tatz of Plainview shares a hug with his new friend at North Shore University Hospital. The Pink Panther's visit was arranged by K.I.D.S. (Kindness is Doing Something), a service organization founded by New York City crane operators. K.I.D.S. members distributed hundreds of toys and balloons at a party for children hospitalized at North Shore during the holidays.

K.I.D.S. came to North Shore to "lift the spirits" of children who couldn't go home for the holidays, said Lindemann. The crane operators, their wives and children, visited the rooms of 50 pediatric and adolescent patients, distributing hundreds of dolls, toys and balloons, while clowns from the Shriners' Circus entertained children and their parents.

At East St. School

On Monday, January 16, East Street's PTA unit met to elect a new President and Vice-President. Mrs. Betty Kelly was elected President for the remaining year. She will replace Mrs. Carol Lowry who resigned for personal reasons. Mrs. Kelly has had much experience in PTA. She was very active in PTA in the Elmont School District and has worked very hard at East Street for the past two years.

Mrs. Edie Allen will become the new Vice-President. Mrs. Allen has held numerous positions on the Executive Board at East Street for the past six years. Both of these ladies bring a wealth of experience to their

How can you save \$2,000 a year and deduct it from your taxable income?

Your AAL representative has the answer.

All wage earners now can save up to \$2,000 a year in an Individual Retirement Annuity (IRA) and deduct the amount from their taxable income. The amount increases to \$2,500 if you include your non-working spouse. That's right — you can save for the future and get a tax break right now! The growth of your plan is guaranteed and you pay no taxes on it until you retire. By then, you'll probably be in a lower tax bracket.

Call your AAL representative today for details about an IRA from AAL.

Applications Available For Seventh Annual PBC Road Race

Applications are now available for the seventh Annual Plainview Police Boys Club 10,000 Meter Run, to be held on the roads of Plainview-Old Bethpage on Saturday morning, April 7, 1984. The event is once again being sponsored by the Plainview-Old Bethpage Road Runners Club in conjunction with the Plainview PBC.

The race will begin and finish at H.B. Matlin Middle School, located on Washington Avenue in Plainview. The starting gun will go off promptly at 9:00 A.M. on the morning of April 7.

The 1984 edition of the race will once again be administered by Finish Line Promotions and will feature a Giant Digital Clock and Place Display at the finish line. Time splits will be given at each mile marker and police traffic control will be provided throughout the race. There will be a water station at the half-way mark.

The Plainview course was professionally laid out by David Katz of Finish Line Promotions, assisted by members of the Plainview-Old Bethpage Road Runners Club. It provides a dramatic combination of demanding hills and level

straightaways through some of the most pleasant and scenic roads in central Long Island, including a mile-and-a-half stretch along Round Swamp Road past the Old Bethpage Village Restoration. The course has received formal TAC certification, so that personal times achieved in the Plainview race may be used as qualifying times for TAC events throughout the country.

The Plainview PBC run started modestly in 1978 with only 125 runners. The number of runners has approached 500 in recent years, notwithstanding adverse weather conditions. Previous winners include Rick Jackofsky of Rocky Point, Bob Giambalvo of Bayville, Don DiDonato of Floral Park, Tom Childers of Westbury, and Steve Lubar of Port Washington. DiDonato holds the course record of 31:30. The women's record is 37:01, set by local Plainview speedster Kim Falkowski in 1982. Ruth Riemenschneider of Winchester, Virginia was the first woman finisher in last year's race. Race sponsors are hopeful that all previous winners will be back this year, and anticipate that many other top runners, both from Long Island and

elsewhere, will be on hand to challenge them.

The number of trophies to be awarded has been greatly expanded for this year's race, as trophies will go to the top five male and top five female finishers in each of eleven age categories. Special trophies will also be awarded to the top male and female finishers who are residents of Plainview-Old Bethpage. A total of 114 trophies will be awarded overall.

There will be a post race drawing for running suits and other merchandise donated by Dolfin, Head Sportswear and Kangaroo. All race entrants are eligible to win these prizes.

Three local Long Island businesses are the major sponsors of the race: WOODBURY SUPER STAR SNEAKERS AND SPORTS, LONG ISLAND TRUST, and ROBERT AUTO LEASING AND RENTAL of Hicksville.

The entire race will be videotaped for showing at the May meeting of the Plainview-Old Bethpage Road Runners Club and on Cablevision's Channel 17.

The entry fee is \$6.00 for those who pre-register and \$7.00 for those who register

Flag Football At Lee Interests Students

This fall at Lee Avenue School over 60 students participated at recreation period in a six team flag football league. The teams included the Jets, Giants, Steelers, Dolphins, Lions and Stallions. The league was made up of fifth and sixth grade boys and girls. This activity was an outgrowth of the flag football

unit taught in their physical education classes.

Instructor Charles Arone, of the Hicksville staff, organized and conducted the program. Participation was keen and received with enthusiasm.

There is no physical tackling in Flag Football.

Each team played eight games during the regular

season with the Jets finishing in first place followed by the Giants. The playoffs began with the top two teams receiving a bye. An upset in the first round of the playoffs occurred when the Stallions made up of sixth grade girls defeated the fifth grade boys. The finals were contested between the Jets and Giants. The Jets led by quarterback Paul Mannellino passed and ran their way to a 34-28 victory over a tough fifth grade boys' Giant Club. Mannellino threw to his favorite Jet receivers Tim Cleary, Anthony Gioia, Chris Kouroupakis and Robert Rossol in a hard-fought contest. The outstanding play by fifth grade quarterback Mike Valenti kept the Giants in the game. His passes found their way to Chris Munson, Jason Campanella, Jason Kilmetis and Garrett O'Shea. Defensive standouts in the championship game included Eric Jergenson, Doug Henderson, John Meyer, Richard Nofi, Matt Greenspan, Dave Lederer and Robert Coogan.

The league's first year was very successful. Special thanks to the Lee Avenue PTA which sponsored the trophies for the winning team. The students at Lee Avenue can now look forward to lunchtime recreation blacktop hockey.

Other team members were Mat DeLuca, Paul Nicolis, Eric Jergenson, John Meyer, Anthony Ambrosio, Robert Rossol.

Mr. Arnone was an All-County Lacrosse player at Hicksville High School. He went on to become a college All-American.

Hicksville Tornados Boys under 11 B Team Coached by Steve Florio

This past January 14 weekend the Hicksville Tornados travelled to Cold Spring Harbor to compete in their Fifth Annual Indoor Tournament.

The tournament consisted of four rounds of play with the top four teams competing for the finals.

In game one Hicksville defeated Cold Spring Harbor 1-2 to 0. The second game Hicksville lost a tough one to Garden City 1-1 to 0. Game three the Tornados fought back to beat Cold Spring Harbor 1-2 to 1. The fourth game was won handily 4-1 against Garden City II.

The six points made it possible to go on to the semi-finals where the Tornados needed sudden death double overtime to defeat a very skilled Cold Spring Harbor II team by the score of 2 to 1.

The Hicksville Tornados were now in the final game for first place against the Garden City I team that defeated them earlier. Coach Florio, knowing that the Tornados would be in the game of their lives against Garden City I, went to his bag of tricks by changing his line up formation.

Using only one forward and four defensemen the Hicksville team destroyed Garden City I by the score of 5 to 0. This made a first place finish official for the Tornados. The players who made it all possible are Walter Villalta, Mike McCarron, Timmy Carroll, Todd Zeff, Eddie Assad and Erik Matz.

The rest of the Tornado players are Matt Greenspan, Jason Kilmetis, Mike Kent, Brian Whitman, Larry Neuberger, Barry Mannion and get well soon to Junior Furlin who had an operation over the holidays. Good luck Tornados in your upcoming indoor tournaments.

This Page Is Brought To You As A Public Service By Hicksville Postmaster Anthony Murella

On today's SICK CALL is still FRED TURNER at the Mineola NASSAU HOSPITAL, and ARTIE HIRSCH, who had some surgery at the Hempstead General Hospital... Get Well, guys... And on a little happier note I can report that our caretaker LOTTIE is at home and on the recuperation trail after some abdominal surgery... Get well, Lottie... This is your LAST notice of the up and coming SUPER SUNDAY at the Post under the auspices of the PAST COMMANDERS' CLUB this Sunday, JANUARY 22, beginning at 3:30 P.M. They will have a giant 6 foot screen on the stage for that great up close viewing of the game, plus all the 'BUD' you can drink on tap, and all the hot dogs you can eat, and also a chance at the door prize all for a big \$5... How can you beat that bargain???

You can't, but on the other hand unless you have tickets, you're going to miss the whole thing as you can only get tickets from a past commander... There will be no tickets sold at the door so this is your last chance to contact a past commander and get the necessary tickets for you and your friends... Of course I must mention that there will be soda for the youngsters who may be coming... Only \$5 per ticket... And there will also be a raffle of a new football that has been autographed

by the JETS which was donated by the WILSON Sporting Goods Co., and obtained thru the efforts of P.C. TOM NIKITAS... Well the game should be a hot one, and the hot dogs will be HOT and the 'Bud' will be cold and the picture just great and all that is missing is YOU... Enough said or in other words, "one picture is worth 10,000 words"... The next item datewise is the February 4th Cocktail hour of our Auxiliary's 300 Club... Members of this group may attend the 9 to 10 P.M. cocktail hour which will precede the final drawings and the dancing and if you are entitled, be there...

Say, have you heard that AUXILIARY PRESIDENT CYNTHIA AND P.C. DICK HOCH-BRUECKNER are again proud grandparents of a grandson DENNIS MATHEW, courtesy of daughter JANE... The DARK HORSE who showed up at last Monday's meeting was captured and ridden home by FRED STEPHENS... Please take note that there will be no St. Patty's dance this year but rather we will have AWARDS & CEREMONIAL NITE on Saturday evening, MARCH 17th... The annual Memorial Service of the 4 CHAPLAINS will take place at the United Methodist church in East Meadow at 3 P.M. on February 5th... Let me briefly give you the background of

this memorial which each year honors the 4 chaplains who gave up their life jackets to soldiers who did not have any when the troop transport Dorchester was torpedoed in the North Atlantic during WW2... The loss of life was very heavy with 678 perishing out of 904... The chaplains were of various faiths, a priest, a rabbi and two ministers... We are again planning a PAN CAKE BREAKFAST which is scheduled to take place on Sunday, April 1st, no foolin'... Tempus Fugit or time marches on as once again we prepare for the next Legion year of 1984-85 with the naming of the NOMINATING COMMITTEE at the last meeting... As you no doubt know, this committee must consist of at least 5 Past Commanders and is chaired by the Commander... Named to this committee were ARTIE RUTZ, DICK HOCH-BRUECKNER, RAY GAMBLE, LOU CESTA and WEST TIETJEN... Looking forward to another social event which is the MARCH 6th COCKTAIL PARTY from 2 to 5 P.M. for the benefit of another Legion program being pushed by our national organization, The ARTHRITIS FOUNDATION... Say, come on down tonight (every Friday is a social nite) and see what we're up to this week... Our next business meeting is February 6th... See ya around.

At The Plainview Library

DEFENSIVE DRIVING COURSE

On SATURDAY, JANUARY 28, from 9 am - 5:30 pm, the library will offer an 8-hour DEFENSIVE DRIVING COURSE for \$28 per person. Register at the Circulation Desk.

HYPERTENSION SCREENING

High blood pressure is a condition in which a person's pressure goes up too high and stays there. About one in four Americans has high blood pressure. Find out if you have this problem. Come to the library and be tested on TUESDAY, JANUARY 31 from 10 am - 12 noon and 2 - 4 pm. High blood pressure is especially dangerous, because it has no clear signs. Come to the library for this free service.

Congratulations to Felice Rivers of Sunnyside Lane, Westbury on her "sweet sixteenth" birthday. Felice will celebrate the big day on Jan. 25th. Best wishes from family and friends.

Congratulations to Harry J. Single who is now 2nd Lt. of Hicksville Fire Department's Co. #8. Wife, Susan, and children, Christine,

Tracey and Brian are very proud.

Mr. and Mrs. Warren Bashwiner of Arch Lane, Hicksville, are proud to announce the birth of their son Robert Charles. Robert made his entrance on Jan. 3 at 6:15 a.m. weighing in at 7 lbs. 7 oz.

Birthday wishes to Mr.

Arthur Baldwin of East End, Ave., Hicksville. On Jan. 27, Mr. Baldwin will celebrate his 78th birthday. His wife, Alice, children, grandchildren and friends will be on hand to help him celebrate his big day. There have been many offers to help blow out all those candles, but Mr. Baldwin said he has been practicing and no help will be needed.

Park Ave. Neighborhood Crime Watch Report

Our December meeting was held at East Street School on the 7th. Town Councilman Tom Clark addressed the group. He spoke of the pros and cons of Neighborhood Watches. Huntington has one of the largest approximately 22,000 members and there crime dropped 65% in a period of three years. He also spoke of other com-

munity matters as the burned out building on Old Country Road, the Cement Hopper on Railroad Avenue and the time and red tape involved in trying to change various situations.

Our group is made of many of your neighbors in the area from Kramer Street to South Elm and Marie - Plainview Road south to Old Country Road. There

are approximately 250 homes in this area. There are several other Neighborhood Watches in Hicksville. We are the eyes and ears of your Police Department. Beside the Police car you see in this area there is also an unmarked car patrolling. All we do is report to 911 any strange person, car, etc., giving as much information such as description, location, etc. For those of you who have not been to our meetings, strongly suggest that you attend our Feb. 8th meeting at the East Street School at 7:30. This is also a good time to meet any new neighbors.

St. Paul the Apostle Church in Brookville, will present "The Sound of Music" on Thurs., Fri. and Sat. Jan. 26, 27, and 28th at 8 P.M. (The 28th will be a Dinner-Theatre with advance reservations only.) Tickets are on sale at the rectory from 10 AM - 4 PM - weekly, and also at the doors on the 26th and 27th.

The producer is Mary Biers, and it is being directed by John Aspinall, assisted by Peg Wanser. The musical director is Louise Ponce and it is conducted by Lou Panacelli. The set designer is David Deewester.

The following is a list of our local performers who will be making their debut: Lucille Guarino, Paul Viar, Chris Viar, Erin Pfeifer, Gina DeStefano, David and Suzanne and Kenneth D'Introno.

East Street School's Pre-School Program will begin on Tuesday, January 24, in Rooms 101 and 102 at East Street School. Parents of children entering East Street's Kindergarten in September of 1984 are welcome to register their children at this time.

This program is an excellent head-start for all pre-K children whether they attend nursery school or not. It gives the children an oppor-

tunity to gain an important edge when they attend kindergarten next year. The children will meet once a week, for an hour, in the classrooms that they will use in kindergarten. They will have a chance to make friends with children that they will go to kindergarten with. This makes the first day of kindergarten much easier for all the children in the Pre-K program.

Interested parents should contact Mrs. Julie Guerriero at 822-4362 for further information concerning this program and registration.
