Attends K of C Charity Drive Meeting

Wm. P. Henne Sr. Grand Knight of Joseph Barry Council, Knights of Columbus (Ladies Auxiliary) recently attended a kick-off meeting for this year's Nassau-Suffolk Chapter, Knights of Columbus, Charity Drive. The annual drive has its principle benefactor, the Cleary School for the Deaf, a non-sectarian school for the deaf and hard of hearing, located in Lake Ronkonkoma.

The meeting consisted of short talks by committee chairmen, outlining the work of their committee (Journal, Ball, Donations, etc.) and seeking the support of Councils throughout Nassau and Suffolk Counties.

General Chairman of the 1984 Charity Drive, Vincent F. Carnagie of Garden City, called upon Knights, Columbiettes and Ladies Auxiliaries to put forth a maximum effort for successful campaign.

Joseph Barry Council will participate in this year's drive as it had in the past and seeks the support of the Community, Grand Knight Henne said, "the main purpose of our organization is Charity, and this will be one of our major efforts for 1984."

The Charity Drive culminates at the Annual Ball to be held on April 13th at the Huntington Town House, Huntington.

The Hicksville Gregory Museum Volunteers Party And Anniversary

Superbowl Sunday brought a dull game to the nation's T.V. screens, but the day was exciting at the Hicksville Gregory Museum. Through a necessary postponement of the party date, and in the teeth of the Redskin-Raiders collision, the Museum held its Annual Volunteer's Party and Anniversary awards and ceremonies, and all went well.

The Old Heitz Place Courthouse was crowded as museum leaders, volunteer workers, members and political supporters celebrated the museum's 21st anniversary and honored outstanding volunteers. Entertainment for children and adults was provided by the comic antics of members of the Long Island Clown Enthusiasts, a group specializing in buffoonery and the bizarre in facial make-up.

Guests of honor present were Assemblyman Frederick Parola who has supported the museum's projects vigorously; Oyster Bay Town Historian Dorothy H. McGee, representing Town Supervisor Joseph Colby, and the Town Board and Robert Zimmerman, legislative aide to New York State Lieutenant Governor Alfred B. DelBello. Mr. DelBello honored the occasion with a scroll tribute to the Museum's volunteers which was read to the assembly.

Recipients for this year's Museum honors included Dr. Richard W. Smith, past-president of the Board of Trustees, who received a Distinguished Service plaque for "many years of varied service and leadership, rendered with a buoyant, uplifting attitude, regardless of museum trials." Edward and Grace Bady were honored for the "excellence of their photographs depicting museum activities and for their preservation on film of Hicksville's historic past." Ben and Gussie Daines also received the museum's Outstanding Service Award for long service to the museum as did Marion Koch of Bethpage, who was recognized for her present volunteer work and long commitment, with her late husband, Al, to the Gregory Museum.

Those receiving Certificates of Gratitude for notable volunteer efforts were: Rose Morabito, Museum Trustee and Gift Shop Director; Mr. and Mrs. Hermes Furlin for "family contributions"; Anne Evers for "meritorious, long and varied behind-the-scenes service to the museum cause"; Hicksville High School museum student-interns, Lora Cusamano and Paul DiTroia for their assistance to the museum curator in work with exhibits and collections. A certificate of gratitude was presented, also, the Queens College geology student, Paul Megerdichian, for much volunteer work at the museum.

An Honorary Life Membership in the Gregory Museum was given to Melvin Rothstein, Plainview printer, who has generously assisted the museum.

Museum President Douglas Uzakewicz made the award presentations, assisted by Richard Evers, Museum Director and Master of Ceremonies for the occasion. Representing the Museum Board were trustees Elery Bean, Majorie Giannelli, Rosemary Barrow, Rose Morabito and Elizabeth Pearce. Refreshments were under the charge of Marion Koch.

Dr. W. Rieck Named Honored Guest

The Hicksville Council of PTA's is holding its annual Founder's Day Dinner at the Crest Hollow Country Club in Woodbury on Thursday, February 16th. At this annual event the council honors one outstanding member of the community, and each individual PTA unit chooses guests they feel are deserving of this honor. This year's district honored guest is William A. Becker, Director of

Facilities and Operations for Hicksville Public Schools.

The Hicksville Senior High School PTSA is proud to announce that its honored guest this Founder's Day will be Dr. William Rieck. He is currently in his third year as principal of the Senior High School. Prior to coming to Hicksville he had six years experience as a principal, 10 years experience

as a teacher and 2 years experience as a college professor in a neighboring state. His coming to Hicksville has been their loss and our gain.

Among his many outstanding accomplishments at our high school has been the enormous surge in school spirit. He extended the annual Homecoming events to include not only the dance, but the float

parade and the fireworks display after the pep rally. He is responsible for the growth in size, participation, and expertise of the Marching Comets. He got them to Band Camp, and even went to visit.

Dr. Rieck is the #1 fan of all extra-curricular activities our students take part in. One can always find him at school events ranging from concerts and drama productions to athletic events, pop rallies, dances, marching band competitions and camp, as well as Honor Society ceremonies. Wherever the student body congregates, Dr. Rieck goes too. He has a genuine deep-rooted interest in all of his students' activities.

Dr. Rieck is a staunch supporter of PTSA, taking an active part in executive board meetings, and supporting other activities and fund-raisers as well.

The door to his office is always open to any student or parent who needs a problem solved or discussed, or who needs to just chat. He is always honest and frank.

PTSA is proud to have such a deserving member to bestow this Founders Day honor upon.

LeBoutillier To Interview Nixon

Former Congressman John LeBoutillier (R-New York) announced that former President Richard M. Nixon has agreed to be interviewed by Mr. LeBoutillier on the ABC TalkRadio Network live on Friday, Feb. 3rd at 4:00 P.M. Eastern time.

This will be Mr. Nixon's first live nationwide interview in over a decade. The subject of the hour long interview will be foreign policy.

"I am honored that

President Nixon will allow me to ask him questions concerning the United States' relationship with the Soviet Union as well as to probe other matters of American foreign affairs," said former Congressman LeBoutillier. "Mr. Nixon has been inundated with requests - over 153 - for TV and radio interviews following the publication of his new book, **REAL PEACE**. So far he has only accepted this invitation."

ABC TalkRadio is a nationwide network of ABC stations which carry live talk shows. These stations include WABC in New York, KABC in Los Angeles and KGO in San Francisco.

Mr. LeBoutillier's last network interview took place in October, 1981 when he traveled to Vermont for the first American interview with exiled Russian writer Alexander Solzhenitsyn on NBC network television.

Learning About Life's Beginnings

For some local youngsters, the sound of spring will be the scratching and peeping of newly hatched chicks - right to their own classrooms! Thanks to a unique 4-H training program offered to their teachers, students will learn - first-hand - how an embryo develops from an egg to a chick. At the end of the 21 day incubation period, the students will witness the miracle of life as the eggs they studied and tended, hatch.

Students from all the Town of Oyster Bay School Districts are registered for the 4-H sponsored training pro-

gram - "Chick Embryology and Incubation" - to be held on Tuesday, February 7 beginning at 4:30 p.m. at the Cooperative Extension 4-H Training Center at 1425 Old Country Road in Plainview. The workshop will be conducted by Edward A. Schano, professor of poultry and avian sciences in the New York State College of Agriculture and Life Sciences at Cornell University. Professor Schano manages and develops 4-H poultry science programs for the state.

The training - which consists of lecture, observation and the construction of an

incubator, will enable the teachers to guide their students in learning about the origin of life through this fascinating 4-H science project.

Professor Schano says that the embryology and incubation project teaches more than the development of an egg and chick. Students must use math concepts, physical sciences, communication abilities, and even artistic talents. "The chick embryo is the tool," Schano says. "The project means learning about life and self. Teachers easily weave other school subjects around this event."

Oyster Bay Town Board Approves Increases in "Tipping" Fees

The Oyster Bay Town Board has approved increases in the disposal (tipping) fees at the Town's solid waste management complex in Old Bethpage, according to Town Councilman Thomas I. Clark. Both schools are sponsored by the Lutheran High School Association of Nassau and Suffolk Counties.

Because of projected costs for 1984 with regard to the operation of the solid waste disposal facility, the Town Board has increased the fee from \$24.00 to \$28.00 per ton for refuse and garbage," Clark stated. "The disposal fee for tires and other bulky items has been increased from \$1.32 to \$1.70 per hundred pounds and disposals from open body containers have been raised from \$2.40 to \$2.80 per cubic yard."

Clark noted that the new fees will take effect on February 1st.

Free Factbook From Post Office

Want to know how to get the best deal from the Postal Service? The Hicksville Post Office has several brief factbooks that will give you good information on how to use postal services to your best advantage. Postmaster Anthony M. Murello said today.

"Customers sometimes pay for a costlier service when a less expensive service would suffice," Postmaster Murello said. "For example, customers who want to establish a record that a letter was mailed and delivered can use certified mail for only 75 cents plus regular postage."

"Registered mail - our most secure mailing service - is designed for valuables that are sent through the mail and costs a minimum of \$3.25. However, there is no need to register a letter when all a customer really wants is a record of mailing and delivery," the postmaster pointed out.

The Postal Service offers a free brochure to help customers choose the best postal service for their needs. "A Consumer's Directory of Postal Services and Products" (Pub. 201) lists and defines many mailing services. It also tells you what to do if you receive unsolicited pornographic mail and why the Postal Service asks you to use your ZIP Code. Here is a list of some lesser-known services.

Proof of mailing is a simple documentation that you sent a piece of mail on a certain date from a particular location. It does not provide proof of receipt. The certificate of mailing costs 40 cents.

Insured mail insures items worth from \$1 to \$400 against loss of breakage. If the value of the item is over \$20, a signature is required on delivery. Rates vary. Forty-five cents will insure a package for up to \$20, and so on.

Return receipt options are available for certified, insured and registered mail. For 60 cents more, the sender can get a receipt telling when and to whom it was delivered; for 70 cents, it will tell when, to whom and to what address it was delivered; and for \$1, delivery will be restricted to the addressee or his designated agent.

Business persons might be interested in postal publications on Presort, bulk mailings and other topics of concern to high volume mailers.

"Of course," Postmaster Murello said, "we're always willing to answer questions about the Postal Service. Just call us at 433-7300 or stop by, and we'll be happy to discuss your mailing needs."

"We'll help you get our best," the postmaster said.

Letters To The Editor

Dear Mr. Bennett,
I support your efforts to continue the moment of silent meditation in the schools.

We know that some of the children may not be using the time to reflect or pray to God, but I would hope that an opportunity each day is still set aside.

Our nation was founded on religious freedom — true. But in almost all areas, as our nation grew, the Bible and its teachings were an integral part of the children's education. Certainly our early settlers thanked God for their survival and the many fruits of the earth here. We see this still in our national observance of Thanksgiving.

Hicksville, and the nation, to my knowledge, is still a God-fearing-loving community. And in a democracy, the people should be heard.

I have seen in the past where children of different faiths have been excused from "pledging." I am sure if (parents) children object that this act of "silence" is a violation of their religious freedom, they could be excused from that moment.

I am a 30 year resident, taxpayer, ex-World War II Vet, raised my family of three children here — and I want to be able to continue to say that not only the community but the schools allow a moment of reflection on our Almighty Creator.

Sincerely,
Charles P. Cunningham

Dear Hicksville Parents:

At the end of February, the Hicksville Board of Education plans to terminate silent prayers in our public schools because one parent complained. I don't feel it is up to one parent to make such an important change in our children's welfare. It should be voted on by Hicksville residents at the next budget vote. Please write to the school board today.

Sincerely yours,
S/ Karin Frey

Dear Sheila,

A tradition of over twenty two years in our Hicksville School District is being taken away from our students and their teachers. SILENT PRAYER OR SILENT MEDITATION.

The Hicksville Board of Education in August 1962, instituted a policy to start each day with, the Pledge of Allegiance to the Flag, and a period of silent meditation or silent prayer according to the beliefs or desires of the individual pupils. This beautiful, and voluntary practice has been going on WITH-OUT INCIDENT for 22 years, until December 19, 1983, when Mrs. Sharon Rubin, a parent in our community, demanded this practice of "Silent prayer/meditation" be suspended immediately, and was prepared to bring court action, with the backing and resources of the American Civil Liberties Union.

Our Board Attorney, Mr. Joseph Campanella, advised the Board that if tested, we

WILL LOSE, on the constitutionality issue. Since other States, notably, New Jersey, New Mexico, California, Tennessee and Alabama banned "Silent Meditation," However, the State of New York allows, Silent Meditation in; the school of this state, and gives precise language and direction. (Law 3029a). Not one of our 702 school districts in this state has challenged this law since 1971. Further, the United States Supreme Court has NEVER rules on; the constitutionality of Silent Prayer or Silent Meditation. Simply stated, that is why it has been a practice in HICKSVILLE for some 22 years.

All former Hicksville Boards of Education have defended, with the backing of the community of some reflection of prayer, until NOW. The Board majority, made up of Mr. Ayres, Mrs. Rudin, Mrs. Singer, and Mr. Wolfson have departed from this tradition. Why were they so quick to make a legal decision before the community was heard from?

It is NOW UP TO YOU AND THE COMMUNITY to make your views known on this important issue. To you, the members of the PTA, you are keenly aware of the value of education and spiritual motivation, you start your meetings with a prayer, please come forward and be heard February 8th and write to the Board.

TEACHERS, you know the value of citizenship and character building for our students, you must come forward and speak out on February 8th. Members of fraternal and religious organizations, you as parents know the value of spiritual enrichment, please write, and come February 8th. Our spiritual leaders in the community you know the value and meaning of silent meditation, speak out to both your flock and the Board on February 8th. To our community at large, don't let a twenty two year tradition vanish in a few weeks!

The authors of our Constitution never envisioned that silent prayer or meditation was a threat to our individual liberties. Our forefathers knew the meaning and value of prayer when they forged this GREAT REPUBLIC, can we in Hicksville do less. Come to the Board of Education meeting on Wednesday, February 8th, at 8:15 at the Administration Building, AND DO YOUR PART NOW, when it counts.

Sincerely,
S/BILL BENNETT
Member Board of Education

Dear Sir,

The recent decision of the Hicksville School Board to eliminate the "Moment of Silence" from the school day is one more example of their penchant to have the tail wag the dog.

This Moment of Silence is being re-named a Moment of Prayer by one member of the community, and so, because of a single complaint, the school board is

about to make an entire community of children suffer.

Where is it stated that the students must pray during this time? And who is it that interrogates each student each day to discover what has transpired in the privacy of their own mind during this time?

This Moment of Silence was instituted in good faith to offer each student a moment of each day to have the opportunity and the freedom, to spend a moment of a busy day to reflect upon whatever that student desires to do. It can be used for a multitude of purposes; to reflect upon the day ahead and assignments that have to be completed, the activities of the previous day, an activity planned for the coming weekend, problems that may have arisen in the students life, or, perish the thought, the student might even want to call upon his Creator, to give thanks and ask for help with the day ahead. The point is, the uses for this time are as numerous as the students themselves, and yet all those students that have the desire, to communicate with their God, without infringing upon the rights of those who have no wish to do so.

We could just give in and put one more nail in the coffin of this poor school district. Haven't we suffered enough in the past? I hate to think what other decisions might lie ahead of us.

Sincerely
H. Chapman

Dear Sir,

The recent decision of the Hicksville School Board to end a morning moment of silent meditation is at best a sorry concession to the ongoing trend of Godless education in America. The decision appears to have been made on the basis of practicality rather than principle. One has the feeling that perhaps a majority of the Board actually thought the moment of silent meditation was not only appropriate but helpful. However, when the time came to casting votes, threats of a lawsuit was evidently the deciding factor.

The issue of prayer in public schools has long been debated in this country. There is little that can be added at this point, I believe what is needed are school boards who recognize that the decay of morality in America has a very strong relationship with a concomitant banishment of God from the school life of students. One wonders also when we will start taking seriously the mandate of our constitution that the government will not interfere with the free exercise of religion? Is it not apparent that barring prayer from schools is a restraint of the practice of religion?

I am henceforth instructing my younger parishioners to offer prayers to God at any time of the day, in or out of school. I am not a little serious when I wonder how long it will be before even this practice is found to be

an interference with someone's beliefs and accordingly abolished!

I think the Hicksville School Board had an opportunity to make a positive witness for God and for country. Sadly, they failed!

To Our Local Ministers
Dear Sir:

As members of the Hicksville community and as active members of our Church, we would like to draw your attention to the decision of the Hicksville School Board to eliminate the daily moment of silence from their public schools.

We feel that the decision to remove prayer from the public schools was a grave mistake, and now we are faced with the total removal of a "Moment of Silence" also. This "Moment of Silence" has never been intended or used totally or exclusively for the purpose of prayer. It has been intended and used as a time when all students were free to either pray, meditate, go over their day's schedule in their mind, or to reflect upon anything they wish to do in the privacy of their own mind.

There is grave concern among many of the Christian community about the increasing curtailment of religious freedom in government decisions. Many ministers are now speaking out about the lack of religion in our schools, amongst the entertainment media and many other areas of our lives. We share this concern and hope that you will take the time to help us speak out for what is right.

We ask you, as a local minister, to take this coming Sabbath day and let your congregation know what is happening here in Hicksville. We would like to have those concerned people write to the Hicksville School Board and protest this latest decision. There will be a meeting of the School Board on Feb. 8th in the evening, where this issue will be under discussion. We are hoping that those of your congregation who value their freedoms will go to this meeting to let their views be known.

If we stand by, and do nothing, then we cannot complain after the fact when even this little remnant of our religious freedom is taken from us.

Thank you for your support —
Phyllis C. Hundertmark

Dear Sirs:

It has been brought to our attention that the Hicksville School Board has recently voted to do away with "Silent Prayer" in the public schools. And why?...because of the objections of one person, whose child was "confused" by it, and who agreed to be a plaintiff in the case, so that New York Civil Liberties Union could "test the constitutionality" of our state law in permitting such

meditation. It is sad to think that the rights of many can be taken away, by the selfishness of one, who calls

herself "religious" yet deprives the Hicksville school children to begin (Continued on Page 9)

Art Students Visit Museum Of Art

Forty art students from Hicksville High School spent Thursday, January 12, at the Metropolitan Museum of Art in New York City. A special guided tour of the nineteenth century European painters had been arranged by their art teacher, Mrs. Bea McNanic, and featured the French academy painters, the impressionists, and those who followed into the 20th century. After the guided tour, the students and faculty members proceeded on their own to see exhibits

of particular interest to them. At the appointed hour, all students and faculty met at the front of the museum for the bus trip back to Hicksville High School.

For some, this was the first time they had ever been to the Metropolitan Museum of Art and it proved to be an exciting experience. The Metropolitan is one of the great museums of the world and is the repository for countless works of art from all ages.

McAleese Spurs Hicksville Over Berner

By Howard Finnegan

A spectacular in bounds steal, followed by a behind-the-back pass by John McAleese, vaulted Hicksville to a 65-54 league win over Berner (Massapequa) Tuesday night.

Mike Magee converted McAleese's pass into a go ahead first period basket. A house, not a quarter full, roared as McAleese also sailed in three baskets to provide the spark for Hicksville's 13th victory against two losses.

Augmented by another superior rebounding and fine scoring effort by Dan

Skarka, the Comets smoothly worked to a sturdy ten point halftime lead.

If Berner harbored an illusion of sneaking up while Coach Wayne Bryan substituted generously unselfish Hicksville passing stamped them out.

The polish came mid-way in the fourth, when Magee hit Skarka with a dazzling pass.

Scoring: Cheslock, 7-2-16; Skarka, 9-2-20; Magee, 1-1-3; Levy, 2-0-4; Martin, 2-5-9; McAleese, 4-2-10; Bentrewicz, 0-1-1; Murphy, 1-0-2-26-13-65.

The League Standings

Bellmore	8	0
Hicksville	7	1
Farmingdale	4	3
East Meadow	3	5
Syosset	3	5

Massapequa	1	7

Hicksville clamped a blanket full court defense on Massapequa, in the third period, to barely move it out of troubled waters.

While the hosts were held to three points, the Comets put eight on the board to enter the final stanza ahead, 32-24.

Mike Magee was again

deadly from the foul line with seven free throws. The tempo picked up in the last eight minutes and Don Skarka and Bill Cheslock fired in most of their combined 34 points.

Massapequa scoring: Cheslock, 6-0-12; Skarka, 11-0-22; Magee, 0-7-7; Levy, 2-2-6; McAleese, 0-33-19-12-50. Massapequa, 12-16-40.

On Sunday, February 12 at 4:00 P.M. The Community Church of East Williston is pleased to present in an organ recital HERBERT BRADENSTEN, JR., Director of Music at The Community Church, as part of its 1983-1984 Concert Series.

Mr. Bradensten, a seasoned performer and music instructor, will present a most unusual program: music originally NOT written for organ. On the program are some familiar melodies which we have heard

at one time or another, as well as one or two selections that will spark new interest.

The recitalist, a native of Hicksville, presently residing in Valley Stream has been The Director of Music at The Community Church since 1978; and also the Organist at Community Reform Temple in Westbury since 1974. His teachers have been Charles Boehm, Charles Dodsley Walker, William Whitehead, and Deborah

Murphy. Conducting studies were taken with Dr. Charles Gouse.

The Community Church of East Williston is located on East Williston Ave. and High St. (just east of Roslyn Road). A free-will offering to further the music program will be received. News From Commuter Lodge 833 Knights of Pythias

By Elliott Silverman

Every meeting of Commuter Lodge consists of someone notifying all that are present of any happy, sorrowful or any meaningful event that might have occurred to a member, so that as brothers, we may lend a helping hand to either share the happiness or ease the burden of sorrow. This person is called the Prelate. Commuter Lodge is extremely fortunate to have as its Prelate, Brother Carl Sutnick. Carl does not read from a script, but always manages to do an excellent job. The messages he offers are always transpired with a feeling of warmth and sincerity. Although I am a week late, I want to express on behalf of our 600 members a very Happy and Special Anniversary wish to Carl and his lovely wife, Shelli.

I would also like to wel-

come 5 new subscribers to our weekly column in the Plainview Herald, with the hope that we will be adding new names to the list every week. From the Editor of the Plainview Herald and Commuter Lodge 833, we are happy to add Brothers Michael Lesson, Daniel Jacobs, Stan Pasternak, Leo Strauss and Brother Al Karo.

Commuter Lodge is pleased to note the selection of our own Brother, Past Chancellor Burt Silverman as Celebration Day coordinator of Project Outreach. This project is the result of a \$10,000 grant from the New York State office of Crime Prevention. Project Outreach will use High School volunteers to conduct anti-crime and community awareness programs that include: 1) Senior Citizens Safety Seminar; 2) Neighborhood Watch; 3) Fingerprinting of Elementary School Children; 4) Plainview/Old Bethpage Awareness Project consisting of:

- a) Plainview/Old Bethpage Discovery Day 3/11/84;
- b) Plainview/Old Bethpage Celebration Day 4/20/84.

Recognition of the accomplishment of community residents is an idea which Burt developed back in 1972 with the establishment of the "Citizen of the Year" Award. It is gratifying to note, that once again Commuter Lodge 833 is providing the leadership so necessary in the concept of a community family. We wish Burt well and pledge our complete support for the success of this project. Burt has selected Brother Elliott Silverman to represent Commuter Lodge in the Celebration Day ceremonies.

The next regular meeting of Commuter Lodge will be February 6 at 8:30 P.M. in our castle hall. As always, anyone interested in joining our organization of Benevolence and Friendship, just call Elliott any evening, between 8 and 10 P.M. (516) 822-2687.

decades; we must enroll new members every year. New people bring new ideas, and just important the yearly dues, that helps our organization stay fiscally sound. If you have not yet paid your dues please do so now. Tell your friends and help us to build our club.

The February 8 club meeting will feature guest speaker Philip Sweet of the Nassau County Consumer Affairs Division. Many residents are unaware of their consumer rights and are frequently abused or misguided by unscrupulous business owners. Mr. Sweet will discuss the various legal options that are open to you the consumer.

On March 14, for the first time we will combine the Annual Installation of Officers and our Gala St. Patrick's Day Dinner. The combined events will include a delicious corned beef dinner, and will be held at the Plainview Knights of Columbus Hall. Please plan now to attend this very special evening.

Another of our more exciting evenings is now in the formative stage. Chaired by myself and Bernie Rhode, the Plainview-Old Bethpage Chinese Auction is slated for April 11, at the Knights of Columbus Hall. At this time we are in desperate need of any donations and chairpersons for this very special yearly auction. If you or a friend can help in any way please call me at home. The number is (516) 935-3460 or see me at the next meeting.

Overall, 1984 looks like a great year. Get involved in your community. Hope to see you at our next meeting.

their day in this uplifting way.

It's ironic that just as the President of the United States has vowed to help get prayer "back into the classroom", the Hicksville School Board would vote to take it out.

It is also absurd to think that "one minute" of silent meditation could in any way violate someone's Constitutional Rights. Any historian can attest to the fact that Religious Freedom was the very principle upon which this country was founded. Our Declaration of Independence and U.S. Constitution make mention of "God" and "Our Creator", and were written to safeguard religious freedom in this land. To quote President Reagan, "If Congress can begin each session with a clergyman saying a prayer, then every child in school should likewise have the right to begin their day with prayer."

Our question is "Where

Our next Club meeting will be held Friday, February 10, 8:30 p.m., VFW Hall, 320 South Broadway, Hicksville. We've arranged for a very interesting program this evening. Mr. Charles R. Walsh, senior vice president in the Retail Bankers Hanover Trust where he is officer-in-charge of Retail Card Services, will be with us to describe the expansion of their new facility on Duffy Avenue, Hicksville, and the many benefits that will accrue to our community.

Mr. Walsh joined the Bank in 1974 as vice president and head of the Master Charge Department after having held management positions at Avon, Texaco, and Trans World Airlines.

In addition, Mr. Walsh is a director and past Chairman of the Board of Eastern States Monetary Services of Lake Success, NY, an organization providing data processing services for several hundred east coast banks handling Visa cards. He is also past chairman of the New York State Bankers Association Consumer Banking Division and was a member of the NYSBA Board of Directors and Governing Council. Mr. Walsh is immediate past chairman of the Bank Card Division of the American Bankers Association where he also served on the ABA Communications Council and ABA Banking Professions Council. Other memberships include the National Association of Credit Management and the New York Credit and Financial Management Association.

Mr. Walsh is listed in the current editions of Who's Who in the World, Who's Who in the East, and Who's Who in Finance and Industry. Certified by the

of Certified Consumer Credit Executives. Mr. Walsh is a former adjunct professor at Fordham's Graduate School of Business Administration. A graduate of Fordham, he is past president of the Fordham College of Business Alumni Association. He received an M.B.A. degree from St. John's University. Mr. Walsh is married, has three sons, and resides in

Oyster Bay, NY.

As you can see from the above resume, Mr. Walsh is eminently qualified not only as an officer of Manufacturers Hanover Trust, but as an informative and erudite individual who will be our keynote speaker at our February 10 meeting. We are confident you will enjoy his presentation. plan to be present, you'll be glad you did.

KEYNOTE SPEAKER AT HICKSVILLE REPUBLICAN CLUB MEETING: Mr. Charles R. Walsh, senior vice president in the Retail Banking Division of Manufacturers Hanover Trust and officer-in-charge of Retail Card Services, located on Duffy Avenue, Hicksville, will make a presentation to the members and guests at the Hicksville Republican Club meeting on Friday, February 10, at 8:30 p.m. Everyone is welcome to attend this meeting and learn from Mr. Walsh how the expansion of the bank will benefit our community.

The place where the meeting is held is at the VFW Hall, 320 South Broadway, Hicksville.

Mid Island Singers Concert

The Mid Island Singers will present a mid-winter concert of American music in the Community Room of the Hicksville Public Library on Tuesday, February 7, at 8:00 P.M. This concert is free and the public is cordially invited to attend.

Special arrangements have been prepared for the chorus by Director William Goleke. They range in scope from "Yankee Doodle" through "The Man on the Flying Trapeze" and "Blues in the Night" to "Piano Man" by Billy Joel. The pieces will be sung in chronological order and will be introduced by host Jim McAllister who appeared with the Singers last Spring. Mary Elizabeth Latorre will

accompany the entire program.

In addition to the choral pieces, there will be several soloists, a duet, and one quartet. Soloists in order of appearance will be Herman Landis, Myron Berke, Charlotte Krumm, Merrell Weiss, Kay List, Dolores Pietzak, Frances DeLuca, Margaret Ceglie, Judy Vianest, Bob Ross, Ned Portoghese, Joan Gabriel, and Gerry Singer.

The Mid Island Singers have been bringing good choral music to Hicksville for over twenty years and community support for these efforts has been outstanding. The group now looks forward to bringing another evening of song to its supporters.

will it end?" Should we also do away with all mention of God or religion in our history textbooks? Should these words be stricken from our U.S. Constitution? Is Congress breaking a law by beginning their sessions with prayer? And what about our currency - every coin which bears the words "In God We Trust?" Or what about one of our greatest patriot songs, "God Bless America." Should this also be banned? Next will they do away with all mention of or songs and programs about Christmas, Easter, and Chanukkah in our schools? The list could go on and on.

Yes, it's absurd to say that "one moment of silent meditation" can violate anyone's rights. It is a beautiful sight to see children of all religions, races, and creeds, put aside their differences and prejudices and humbly join together for one minute of silence to honor their God or Creator, or whatever they

choose to worship. Those who do not believe in God are not being forced to vocally pay tribute to such. This time can be spent by them in a moment of silent tribute to a loved one or country or whatever, or to spend this time to reflect upon other things.

We urge the school board to reconsider their action and to re-instate this "Moment of Silence" into our schools. Do not let the objections of one deny the rights of all our children in this community to begin their school day in this beautiful and uplifting way.

Dance, scheduled for Satur-
day, the 18th of February.
Tony Sica (796-8789) will
'chair' this activity, ably
assisted by Joe Giordano,
Frank Matassa, Joe Morace
and Armand Del Cioppo.
Tickets sell at \$12.50 per
person, a very reasonable fee
that offers you a delicious
hot dinner with all the trim-
mings, beer, soda, coffee
and cake, set-ups and lively
music from a leading L.I.

purchase tickets for this

dance every Monday night
at the Galileo Lodge from 7

Season follows season
and Spring is somewhere
around the corner! So with
this thought in mind I would
like to mention that on Sat-
urday, the 28th of April, the
Galileo Lodge presents its
12th Annual Dinner and
Dance, and this is the night
when the Louise Massiello
Memorial Scholarship
Awards are handed out.
Pete Massiello and Joe
Giordano will supervise this
activity, and to my knowl-
edge at the present time, the

price of tickets and the
committee have not yet been
decided. But a hot dinner
will be served, coffee and
cake, beer, soda, unlimited
liquor and popular dance
music for your listening and
dancing pleasure. Price of
tickets has not been
announced as yet, but stay
attuned with this column for
further details about this
activity. Note also that an
Ad Journal will be featured
as a part of this dance.

And now for a small
report on an activity that is
on the periphery of Spring,
which is, of course, the Gal-

ileo Lodge's St. Joseph's
Dance, scheduled for Satur-
day, the 17th of March.
More details about this
activity will also appear in
future columns.

Very shortly a new slate of
officers, male as well as
female, will adorn the por-
tals of the Galileo Lodge. In
March, if my memory serves
me correctly, these newly-
elected officers will don their
regalia and lead the Galileo
Lodge to new heights of fis-
cal and social success. With
vision and foresight they will
endeavor to perpetuate the
principles of the Galileo
Lodge, and further expand
on the advancement of its
goals and ambitions.

We do wish them the best
of luck in their aspirations to
keep the Galileo Lodge at
the very pinnacle of
achievement.

Association, also reinforce the strong program. Staff and teachers work hard to provide a caring atmosphere for the students spending time with them individually as the need arises.

Debra Rosenzweig, daughter of Helene and Harry Rosenzweig of Plainview, has been accepted to St. George's University, School of Medicine, which is located in the island nation of Grenada, West Indies. Her classes began in January.

As a result of the United States intervention in Grenada and the evacuation of the students, the University is allowing students, who so desire, to pursue their medical education in other locations. A temporary parallel program has been established in Barbados and another at the Long Island University Brooklyn Campus. As a freshman, Debra was given the option of going either to Grenada or Barbados, and she chose the former.

Debra earned her B.A. Degree in Anthropology from Washington Univer-

CHARLES WAGNER POST # 421
HICKSVILLE N.Y.

Let me remind members of the Auxiliary's 300 Club that their Cocktail Party is tomorrow night, Saturday, February 4th from 9 until 10 P.M. and then for the true business of the evening, the big prize...Then after some lucky soul has collected the spoils of war the balance of the evening will be spent in a party mood by the members of the club who came to collect but will stay to spend...Ha...There'll be the usual dance music for those inclined to demonstrate their terpsichorean abilities...If you have a ticket to this shindig, why not use it and have a fun evening?

It's been more than the usual time between meetings due to the extra Monday in January but our next meeting on February 6th will bring things back in focus again...The Valentine Dance sponsored by our ever active Auxiliary Unit will take place on Saturday evening, February 11th and if you want a change of pace, come on down and see what the girls have cooked up for your pleasure in the way of a very pleasurable evening...

Contact any of the Auxiliary gals for more information but every time they run an affair, it's a bargain...Support the Auxiliary as they support us!!!...To push the calendar ahead another month and we come up with our annual Awards & Ceremonial Nite on March 17th...This is the first time in many a moon that we are having Awards & Ceremonial Nite on the proper date...You say, "what do

you mean, the proper date?...Well, let me enlighten you, one and all...Quite a few years ago now, 3 members of the Color Guard were interested in winning awards for the Post which were eluding the Post every year because of our constant failure to observe the requirements for national organization awards...The net result of their thoughts was the Awards & Ceremonial Nite which among other things, the culmination of the annual celebration of the birthday of our national organization each year, March 15-17...As you remember if you were a member way back then, those 3 Legionnaires were Bob Mangels, P.C., the late Bob Sutton, (later was Commander of the Bay Shore Post), and Artie Rutz, P.C...and I believe only twice did we hold this nite at the proper time due to the very popular dances at our hall on March 17th each year in honor of St. Pat...Since the decline of the popularity of this dance in recent years we have decided this year to forego this annual springtime ritual and concentrate rather on Legion business and recognitions due various members and deserving awardees...Plan now to attend Your Legion Post on March 17th and have a whale of a time after the awards have been made, and the ceremonies performed...You are wanted there whether or not you are due for an award or not, as there

is always music for dancing after the serious part of the evening...Be a Legionnaire for one night and join your fellow members there...After all, we do have some nice guys in this outfit...Say, if you would like to go to a different place when you go out to eat you should try one of the best kept secrets on Long Island...The 56th Fighter Group Restaurant...It is located at Republic Airport at Farmingdale, use the 110 entrance and you might or might not see the small sign proclaiming its

location...It won't be visible from the road but once you get into the field and reach the parking field you will think you are on a WW 2 movie set...And the interior is even more interesting with the same theme being carried out authentically...The view of the field at night is appealing and the food is likewise and tasty...Even if you were in the Navy, you'll enjoy this place...A bit of caution, though...There's usually a long wait for a table (and they don't advertise either)...Have fun, try it.

Young Israel of Plainview held their 12th Annual Journal Dinner recently which honored two long-time members, Dr. Robert and Judy Thaler. Over 130 people attended the dinner to recognize the contributions by this couple to the Young Israel. Dr. Thaler was President of the Congregation for two years.

Governor Mario Cuomo sent a letter regretting that he could not be personally present to join those who

were in attendance. Assemblyman Lewis J. Yevoli (D-Old Bethpage) presented the Thalers with a State Assembly Citation for outstanding community service.

Shown at the dinner are (l. to r.): Rabbi Moshe Portnoy, Saul Marcus, Dinner Chairman, Assemblyman Yevoli, Dr. Thaler, Mrs. Thaler, and Ira Mark, President, Young Israel of Plainview.

Something To Think About

BILL WAGNER DIRECTOR

THE FAMILY LOT

In preplanning a funeral, one thing you will want to settle is the matter of the cemetery lot. If your family already has one, customarily that will be your choice. On the other hand, if there is no family lot, you might consider starting one.

It's a lovely tradition, but there are a number of factors to consider before making such an investment. Will you be living around this area long enough to make this grave a real memorial? Will family members remain in the area in large enough numbers to make a group of graves together a meaningful plan? With the mobility of society today, the family lot is a custom which is not always practical.

A single grave for you and your spouse is another choice. With the interments being

made one on top of the other in the same grave. Again, there are factors to be weighed. If you both are getting older, are settled in your area, and it appears unlikely that either of you will remarry if the other should die, then it might be a good alternative.
