Muscle Of The Day At Fork Lane School

In an effort to put its Seattle-Berkeley Health and Science Program into areas of Fork Lane students lives, third graders have been exploring the "Muscle of the Day" and then working to put these muscles to good use.

Recently, School Nurse/Teacher Linda Fuchs reviewed an "appreciation of muscles" lesson to an eager audience of third graders. Gym instructors Carol Weber and Maureen

Kuperberg assisted while youngsters learned how to stretch and strengthen arm, leg and torso muscles. Children performed exercises on the scooter, dumbbells, did leg raises and even danced the Hokey Pokey for the old gluteus maximus!

Additionally, third graders designed colorful posters with emphasis on the arm, leg and torso muscles. At Fork Lane, gymnastics is a learning experience as well as fun!

Hicksville Beats Hempstead 63-57

By Howard Finnegan

Employing supreme poise, underated Hicksville rallied to defeat defending Nassau County Class A Champion Hempstead in the 1984 semifinals, 63-57.

Propelled by its own confidence the Orange and Black twice rallied from disaster points for eligibility in the championship final.

Dan Skarka's foul shot caught the outstanding Hempstead club (20-1) at 52-52 with 2:19 left.

As more than 1,200 Hicksville fans roared, Bill Cheslock scored on the end of a sharp Mike Magee pass for a 54-52 lead. Smyth rapped a

strong offensive rebound home and Skarka came up with two of his silken scoring drives.

Hicksville had a 6-54 edge with 44 seconds to go.

The Orange rallied back from the cliff for one of the school's major court victories. Hempstead 11 and five point leads in the second half.

Rebounding by Smyth and Cheslock—they split 24—sustained Hicksville. John McAlesse and Bob Russo worked the ball downcourt under considerable pressure.

Skarka (8-6-22) and Cheslock (8-5-21) had the Hicksville scoring. Smyth had 5-4-14 in support.

Girl Scout Week March 11-17

By Geraldine Geannikis

March 11-17, 1984 is Girl Scout Week. The Hicksville Community of the Nassau Council of Girl Scouts will join Scouts all across the United States in celebrating the 72nd Girl Scout Birthday on March 12th.

Girl Scout Troops are as varied as the leaders and girls that belong to them. These are some of the activities that have been going on in the Hicksville Community. Over 300 Hicksville Girl Scouts participated in the Annual Mini-Olympics. The girls had a great time competing for ribbons in different games and contests.

It is time for Brownie Troops to earn the World of Friendship Patch. One of the requirements for the patch is a troop contribution to the Juliet Low World

Foundation Fund. Brownie Troop #3369 - Rosemarie Jabour and Carol Mango of East Street had a cake sale; so did Brownie Troop #3368 Catherine Corrado and Martha Mueller of Burns Ave. The girls sold their cakes and cookies during lunch time at their schools and donated the earnings to the Fund. Brownie Troop #3429 - Barbara Linnehan and Barbara Tufano of East St. also earned money for the Fund. Each Brownie was measured and pledged a penny for each inch of her height. Hopefully there are a lot of tall Brownies in that troop.

Junior Troop #3515-Fran Wojtyniak and Carleen Murphy had a Green Circle demonstration and took a trip to our very own Gregory Museum. Junior Troop

Dawn Moleky, Maura Johnston, Julie Lee and Denise Coffey of Troop #3368 selling their wares.

#3117 - Terry Brancucci and Pat Dwyer attended a Jazzercise demonstration where they learned about fitness thru dancing. Junior Troop #3155 - Gina Diana held a Mother-Daughter Luncheon. The mothers were served salads and cold meats. The girls planned the

menu and did the preparations. The mothers enjoyed the afternoon.

Hicksville Community welcomes Brownie Troop #3186 from Fork Lane. The Community would also like to say a Big Thank You to everyone that supported the Cookie Sale.

Gifted And Talented Students Visit N.Y.C.

By Deana Massimo and Anty Mammias, Grade 8

Sixty of the students involved in Hicksville Junior High School's Gifted and Talented Program went to New York City on February 8, 1984. The buses left the Hicksville Junior High at 7:55 a.m. and returned at 6:15 p.m. There were different activities from which the students could choose. One group went to Rockefeller Center, the RCA building and "The New York Experience." The second group went to the Stock Exchange and the Wall Street area.

The third group went to the Garment District. They visited Symphony Fabrics where materials are sold and to a Bridal Shop where bridal dresses are made.

After the morning activities all three groups met at the Majestic Theater where they saw "42nd Street." After the play, students went backstage and met some of the performers. They were given a tour of the stage area. All the students agreed that this was one trip they would long remember.

East Street News

East Street School's PTA celebrated Founder's Day with a covered dish dinner. The unit honored Mrs. Mignon Wallman and Mrs. Edie Allen. They were also honored at the District Founder's Day Dinner. Mrs. Mignon Wallman and Mr. George Maloney were made Honorary Life Members of PTA by the

East Street unit. Elizabeth Pearce was named Distinguished Life Member. Each of the honorees has given many hours of their time to help the children of the community and their honors are well deserved.

The first graders at East Street had a party of their (Continued on Page 12)

CHARLES WAGNER POST # 421
HICKSVILLE N.Y.

Sorry to report that Comrade CARMINE RINALDI has suffered a stroke and is in the Nassau County Medical Center, Room 1120.... Report is not good.... And Comrade P. C. JOHN SHEPPARD has also returned to the hospital.... Happy to report that NICK LIPSKI is home from the hospital.... And now let's once run this information thru your computer regarding the possibility of a BLOOD INSURANCE program that would enable members to have an unlimited supply of blood for only \$10 per year.... How can you not afford to spend \$10 a year for your own health & financial good??? In order for the Post to get this group policy we must have the minimum of 40 members to sign up.... Last week I gave you the Commander's phone number and asked you to call and tell him you want 'in' on this blood insurance.... Guess what... Everybody has so much blood (they think) that none made a call.... Now that kind of attitude will not pay for the blood comes the day you may have to have a fill up.... And you think a gallon of gas is expensive, try a gallon of blood.... Once again, AND, for the last time, if you are interested in joining this BLOOD INSURANCE group plan, please call COMMANDER LOU BRAUN at 681-7850 and set the ball in motion.... At the present time only 9 members have signed up and 31 more are needed to make the policy a reality.... Happy to report that LENNY YOUNG has come along fine even though he can't drive anymore.... Our STAMPS FOR VETS program has shaped up real nice reports Chairman HARRY CHRISTO and he is asking for only a measly 135 stamps to meet our quota.... How about you and that little pile of stamps you've been hoarding to bring to the Post for this program? Now is the time to bring or send them to the Post and let us fulfill the required needs of the veterans.... While we are on the subject of a Legion program about to be completed, COMMANDER LOU asks that ALL committee chairmen, please ready information regarding their particular program be brought up to date and made available in report form.... This information must be incorporated into the BANNER AWARDS REPORT that the Commander must submit to the County in a short time.... So please, get the information to LOU.... Thank you.... The DARK HORSE was captured by FRANK GOVERNARE who promptly turned over his reward for a donation to the AWARDS & CEREMONIAL NITE expense.... Thank you, FRANK.... Involved - to draw in as a participant, to engage to become associated with, to include, to have an effect on. These are some of the definitions of being involved. Are you involved - in your community - in being informed - in voting - in influencing - putting your efforts to some cause - for some effect???

Well we are. The Republican Club offers you information, a chance to be involved in the community, meeting political leaders and using your vote effectively. How many times have you heard, who cares, it doesn't matter, or you can't do anything about it anyway???

It does matter - you matter. You're a taxpayer and citizen and have rights and responsibilities that go with being an informed and involved person.

Congressman Lent represents us. He listens, reads your letters, responds to your ideas, complaints and feelings. Write him, attend his open-meetings at our local VFW or other public places. Find out what he has done, what he wants to do or what he can do for you. Assemblyman Parola walks the district almost every year. He attends many local functions and community meetings. He talks, he listens and tries hard to help the community. Tell

him your feelings. He is available. He represents you. You can make the difference. Mr. Colby, our able Town Executive, is always open to suggestions and ideas on how to improve local government. Our local councilmen are also there. There to hear and to try to solve your problems. Attend our meetings. Write your representatives. Express your ideas. Direct your efforts effectively. Local problems, state issues and national issues effect you. What are you doing about it?????

Join us we'll help you to get rid of some of that frustration with constructive and satisfying actions.

Dear Friends:

Town Board Hearing Changed

The lawyer for Dawson Holdings Co. and Manufacturers Hanover Trust Company has indicated to the Town of Oyster Bay that they wish to withdraw the application for a special use permit and a change of zone, that was scheduled for a Tuesday, March 13th hearing. Therefore, the Town Board is expected to approve this request for a withdrawal.

A Point Of Law

It has come to our attention that, if a teacher conducts a moment of silence in compliance with State law, and if they were sued for such activity, the school District will assume all legal costs involved and that the school district currently has insurance coverage for this contingency.

Why wouldn't this insurance cover the district, too?

THAT'S ALL for this week. Stay well and do your very best each day. God bless.

SHEILA

At The Town Board Meeting

By Sheila Noeth

At the regular meeting of the Town Board of the Town of Oyster Bay held in Oyster Bay on Tuesday, Feb. 28th, Board acted on the following matters:

- they reserved decision on the petition of 1171 Old Country Associates, for a change of zone from residence D to Business F District and for permission to rescind restrictive covenants in Town Board Resolution No. 472-76 dated June 29, 1976, on property located on the south side of Old Country Road and the west line of Bethpage state Pky. in Plainview. No one appeared in opposition to this petition.

- they reserved decision on the petition of Sidney Labelle and National Car Rental System, Inc. for a change of zone from residence D to Business G District on property located on the north side of First St. west of Broadway in Hicksville. A wood frame garage is currently being used for the repair and display of cars in conjunction with the used automobile sales business, which is located on the adjacent parcel to that in question. The petitioners requested a special use permit for both the operation of the automobile sales business and the auto repair garage.

In opposition to this an attorney representing Roberts Chevrolet stated that "this would not be in the best interests of the com-

munity". Also, the Town Board had received letters in opposition to this petition from residents in the area citing both increased traffic flow and parking problems as reasons for their opposition.

- they approved Resolution No. 190-1984 relating to acceptance and final payment on contract for Brickyard building demolition at Old Bethpage Solid Waste Disposal Complex.

- they approved Resolution No. 215-1984 relating to the agreement with the Town of Oyster Bay and Nassau County for transfer of Cantigue Rock Road in Hicksville to the County.

- they approved Resolution No. 224-1984 relating to amending Town Board rules of procedure affecting petition for a night hearing form. They have now added Rule No. 2 requiring filing of petition with the Town Clerk to include 100 qualified electors in the Town of Oyster Bay, AT LEAST ONE HALF OF WHOM MUST LIVE WITHIN ONE MILE OF THE SUBJECT PREMISES.

The next regular meeting of the Town Board is scheduled for Tuesday, March 13, starting at 10 a.m. in the Town Board hearing room in the Annex located on Audrey Ave., in Oyster Bay.

To The Editor:

How It Happened In Hicksville

A moment of prayer is all that we ask.

The School Board promptly took us to task.

Possible a moment of silent meditation.

Again they said, without reservation.

No, prayer, no meditation in our institution.

You see my friend, its against the Constitution.

Separation of Church and State was their battle cry.

Our answer was, why not give it a try.

What harm can be done by praying to God.

Who looked down on us and gave us a nod.

My children do what you think should be done.

There must be room for ME in your institution.

But Larry and John, Arlene and Honey

Said that it would cost us too much money.

To prepare a case with no chance of winning

Let's stick together, like in the beginning.

We have the majority, four votes to three.

We've got the others up in a tree.

The good guys came forth, Jay, Bill and Tom.

They said, "How can it possibly do any harm."

Let the people vote, cast a ballot and then some.

That's how State Law 3029A was put on a referendum.

To be real serious — silent meditation or moment of silence is an excellent way for the children in our school district to start each school day. Do not be intimidated by any family or legal organization. A 22 year tradition was set aside in a few short weeks by the short sightedness of some members of the Hicksville School Board. They measured our rights in dollars and cents.

Despite the overwhelming majority who spoke for "the moment" at the School Board hearing, they took it upon themselves to disregard our wishes and terminated the "moment of silence" from the School's policy. Remember that, on June 13th, when you vote for the referendum. Stand up and be counted. Don't be one of the silent majority.

William P. Henne Sr., Grand Knight,

Joseph Barry Council #2520,

Knights of Columbus

Dear Editor:

I am writing this letter as a concerned resident of Hicksville as well as a teacher.

I feel very badly about the decision to eliminate the moment of silence and quite honestly afraid of the future of Hicksville. I have been a resident of Hicksville all my life and went all through school in the Hicksville Public School District. It was very sad to have to make the decision to not send my children to the Hicksville schools, yet this decision had to be made because of

Letters To The Editor

this recent issue. If one parent could start an issue such as this, and win, it is frightening to think what other major issues a parent could fight. I could not believe that the school board buckled under the threat of a law suit. That is the real problem at hand, everyone's first reaction to anything they don't like is "sue". The mere word makes people jump.

The issue seemed to be that the moment of silence infringed upon the Civil Liberties people. My question is, what about the right and civil liberties of the other people. It seems to me that the threat of a law suit was the real issue, not the moment of silence. The words "prayer" and "God" were constantly being used — I do not see those words in "moment of silence." I think what you do with that moment of silence is up to the individual. It was said at the meeting that "we are not expelling God from the schools," tell me how this could be said — you are taking away a quiet time of the day that a child may pray if they want.

I am sorry to see this happen to Hicksville. I think that the damage that this is going to do to the residents and to the reputation of the Hicksville Public Schools is going to be irreparable.

Lastly, I would just like to say, that I am very glad that I was a student in Hicksville during the times when people cared about people and what they felt. A time when we had a moment out of a hectic day, to just think or pray or whatever. I was fortunate — I wish we could say that about the students in Hicksville today.

Very sincerely,

Mrs. Deborah Brusky

Because so much of what we are and what we become is linked to our diet and our lifestyle, sound nutrition and health habits are major factors in maintaining good health. Good nutrition has no age limit. To keep yourself and your family healthy and fit, the Long Island Dietetic Association suggests a few guidelines:

1. Exercise moderately
2. Make sensible food choices that provide the appropriate nutrients for your age and activity group
3. Check product labels

carefully to see that you're getting the best for your nutritional needs

4. Be wary of crash diets and excessive claims for health products

5. Stop smoking and drink alcohol in moderation

6. Avoid too much sugar, salt and fat in your diet

7. Consult a Registered Dietitian when you need specific nutrition advice

Start now...March can be the beginning of a new health and fitness program that will serve you well for the rest of your life.

News From Commuter Lodge 833 Knights of Pythias

By Elliott Silverman

This is the time of the year, when not only are we beginning to anticipate the good spring weather, but it seems like life in general appears to get brighter each day. This spring also brings a little sadness to commuter lodge. One of our dear Brothers, who not only has been one of the most dedicated and outstanding long time members in our Lodge, always managing to wear a smile and display a great sense of humor, something we could all use, but most important of all A GOOD FRIEND to all our Brothers, will be leaving New York for the gold in California. The only bright side, is that he is doing this on his

own free will, with his objective to enjoy life with his family in good health. To you "Brother Herb Freedman" and your family. I extend on behalf of all our Brothers in Commuter Lodge our very best wishes for Happiness. As a true Knight, Herb has subscribed to our article in the Plainview Herald to make sure he is in constant touch with our Lodge and his community.

Our Bluebird of Happiness has dropped off some Birthday wishes to our Pythian Angels: Barbara Goode, Phyllis Salm, Babe Karo, Randi Rohim together with Birthday kisses for Louis Goode, Steve Behrens, Martin

Brooke and Sir Elliot Abzug. I am also delighted to direct Cupids Anniversary arrows to Lenore & Dan Jacobs, Marsha & Erv Salm, Fay & Phillip Trast and Simon & Toby Lamhut. Congratulations to all of you.

Remember, this Saturday, March 17th, St. Patrick has loaned Commuter Lodge a Four Leaf Clover to assure us of a fantastic evening at the Huntington Town House where we are having our annual Dinner Dance. You don't have to be Irish to attend! Imagine, an entire evening with our Brothers, without discussing our budget or the membership breakfast! This is one of

the high-lights of Chancellor "Commander" Mike Kasendorf's reign. Hat's off to the Chairman of this event, and to all that is making it possible to happen. Anyone who doesn't have a good time at this event should be re-evaluating their own personalities. I'll be looking forward to seeing all of you there.

Monday, March 12th is an executive board meeting, when all the money for the above affair must be in, and on March 19th Commuter Lodge will hold a regular meeting at 8:30 P.M. sharp.

Until then, a VERY HAPPY ST. PATRICK'S DAY to all our readers and as always SHALOM.

To qualify for the drawing, each youngster must run a one-kilometer trial in less than seven minutes. Time trials, administered by the Long Island Road Runners Club, Inc., will be

held all day at the Farmers Market prior to the drawing at 2:30 p.m.

Runners between 8 and 17 years old can register for the qualifying heats on Friday, March 9 and Saturday, March 10 at the "Olympic Booth" (Number 313, Aisle B) at the Nassau Farmers Market. The booth is open from 11:00 a.m. to 8:00 p.m. There is a one dollar regis-

tration fee, and parents must sign the registration form.

"We see the Torch Relay as a unique opportunity for boys and girls to participate in an authentic Olympic-related activity," said Stanley A. Siedlecki, manager of the Nassau Farmers Market. He said the Farmers Market is one of more than two thousand

Holy Family 5th Grade Advances In CYO Playoffs

Holy Family's fifth grade basketball team rallied in the second half last Sunday and then held on to edge St. James of Seaford, 29-25, in the CYO Divisional Playoffs in Westbury.

The victory placed the league champion Eagles, now 12-1, in the finals against St. Bernard of Levittown. Both teams were slated to meet for the title last night in East Meadow with the winner advancing to the County Playoffs.

With the score tied at 9-9, Holy Family outscored St. James 9-6 in the third period to grab an 18-15 lead. John Coyle, who scored all eight of his points in the second half, tossed in a basket and two fouls, and Paul Rom and Anthony Laviola added baskets. Peter Osback also contributed a foul shot in the spree.

In the fourth period

Coyle and Osback managed to keep Holy Family on top with four points each. Rom chipped in with an important driving layup, and Laviola connected on a crucial

foul shot to close out the scoring.

Osback, who scored all of Holy Family's nine points in the first half, was high scorer with 14 points.

corporate sponsors of the Olympic Torch Relay throughout the United States.

In addition to running in the Torch Relay, youngsters who qualify for the drawing will have a chance to win a \$100 gift certificate from the Farmers Market, and \$500 for their school's athletic department. Two additional runners will also be chosen to receive \$50 certificates.

All participants who complete their kilometer run in under seven minutes will be entered in the drawing. The name of the "Youth Legacy Kilometer Torch-bearer" will be selected by Bruce MacDonald, former manager of the US Olympic Track and Field Team (1972, 1976), and a competitor in the 20 km walk (1956) and the 50 km walk (1960, 1964).

Mr. Siedlecki invited anyone interested in obtaining further information to call the Nassau Farmers Market at (516) 931-8400.

"HAPPY TIMES" are in store for 150 Nassau County youngsters this summer at the Pythian Camp in the Catskills, thanks to the generosity of members of the Mid-Island Lodge #828 of the Knights of Pythias. Above, Nassau County Department of Social Services Commissioner Joseph A. D'Elia of Massapequa accepts camping applications from Levittown resi-

dent Mel Rabinowitz, Altruism Chairman for the Lodge.

Commissioner D'Elia praised the generous contributions of the Knights to the Department's Children's Services programs over the past years.

Members of the Mid-Island lodge reside in the Massapequas, Hicksville, East Meadow and Levittown.

Letters

(Continued from Page 4)

Dear Mrs. Noeth,

In the current discussion of silent meditation or prayer in the public schools, the issue is not whether a person does or does not pray and believe in God. The issue is, Does the STATE, here the school, have the right to have pupils observe a minute of silent meditation or prayer on a DESIGNATED SIGNAL from the

principal or teacher? Even if permissive, the STATE is DIRECTING the observation. This is therefore an INSTITUTIONALIZED ACT and violates the separation of church and state.

In the lynch mob atmosphere of the last Board of Education meeting, it's a wonder that even one parent would raise his voice. The conduct of some people was disgraceful: interruptions, shouting, rude remarks, and to me, religious slurs.

Besides, the anti-Semitic phone calls Sharon Rubin has received are beyond belief. What an example for the children of Hicksville! After all, the best way to teach is by example. From now on, if any one complains to me about discipline in the schools, I will answer, "Just look at the parents!"

Very truly yours,
Runhild E. Wessell

To the Editor:

The highly-charged emotions at the February 29th meeting of the Hicksville School Board created an atmosphere that was not good for reasonable and rational board deliberations. The raucous, intimidating manner of the majority in attendance consisted of boos, jeers, catcalls, disruptions, and plain disrespect to resident speakers and elected board members who disagreed with the majority's view. That kind of behavior would not be tolerated in any Town, County, State, National, or Religious deliberative body.

The VFW, conspicuous by the wearing of distinctive VFW caps and jackets, were

among those disruptors. I too am a VFW member and one who fought overseas with them for God and country. But we also fought in those wars "to make the world safe for democracy": the right for all persons to be heard in the democratic process whether in the majority or minority, or as perceived right or wrong; and for the right of all persons to live in freedom and harmony with their neighbors. So I was ashamed when I saw my comrades interfering in the process of democratic debate. It made me wonder if that was the object civility less we wanted our children to learn about democracy and Americanism.

I am in the position of the "pot calling the kettle black" having disrupted a meeting many years ago. However it didn't take but a little reflection to remember that those actions were counter to the values that I hold so dear. So I ask my friends in the VFW and all others for "whom the shoe fits", that the next time the resident speaker is in opposition to your view, or is a board member, or is a

Something To Think About

BILL WAGNER DIRECTOR

WHEN ILLNESS STRIKES

Most advice is easy to give but hard to follow. While it is true that the best time to plan one's funeral is while one is still healthy, this is the time one is least likely to do it. In the event of serious illness, however, there may still be time to make necessary provisions, protecting both your wishes and your survivors' feelings.

Possibly you and your spouse can talk it over. If talking about funerals is hard, if you or your family is not ready for such a conversation, you can put your thoughts down on paper.

Keep the letter informal. Try to include everything about the funeral or memorial service you'd like. You might include your thoughts on the disposition of the body, type of service, who might speak,

whether there should be flowers and music. Talk about the money involved if you'd care to. Often survivors spend far too much, because they're afraid to spend too little and aren't sure what the deceased really wanted.

These fine young people will now compete with other congressional nominees from throughout the United States for actual admission to the Academy to which they have been nominated.

Pictured at a recent meeting at the Congressman's office are: (l-r) Scott McCauley (Air Force), Congressman Lent and Glenn Waters (West Point).
