Just What Will Produce Results?

For over 2 years representative of the Hicksville Water District, the Hicksville Fire Department, the County of Nassau, the Town of Oyster Bay and the State of New York have been trying both as a team and as individual municipalities and districts, to hasten action by the Environmental Protection Agency, a Federal agency responsible for such problems, to clean up the contaminated site and remove 50 steel drums containing contaminated sand which was caused. OVER TWO YEARS AGO, when a tank truck spilled almost 4,000 gallons of methy-ethyl-ketone (called M-E-K) behind a warehouse located on West John Street in Hicksville.

As a containment measure after the spill, emergency workers piled up sand around it. This contaminated sand was then placed into 50 drums which were placed behind this warehouse. THEY ARE STILL THERE. But almost 40 of the tops of these drums are now so corroded and open to the elements that they add another danger to the M-E-K in the

ground, which, presents a toxic danger to six nearby public wells inasmuch as, according to experts, it is traveling away from the site at about 6 inches each day. The Hicksville Water District tests all wells in this district every three months and they state that at present there is no M-E-K in them. But for how long? What is the EPA waiting for? Their Superfund has a \$376,000 allocation for the pur-pose of removing these drums and purifying this ground-water. However, more than two years since the accidental spill. E-A. officials are-still "considering alternative ways to clean up this contamination and remove these drums. They state that they feel that this is a reasonable time and a They state that they see the second by the state that they see the second by the secon

At The School Board Meeting

After a long and careful examination and deliberation on the budget proposed for the 1984-85 school year, the Board of Education voted to accept the Superintendent's budget for publication in the budget brochure. The budget is summarized below:

presentation for the bugget to the voters in June. Adjust-ments in revenue figures to be made in late April will be necessary, since the amount forthcoming in state aid and the total assessed valuation of the district have not been set. Once these figures are in place, the district will be able to estimate the tax rate for the coming year. In further actions, the Board approved claims and war-rants in the amount of \$2,618,923.22 and set salaries for confidential secretaries for the period of July 1, 1983, through June 30, 1985. Recommendations from the Com-mittee on the Handicapped generated at the meetings of February 15, February 29, and March 7 were also accepted. Mr. Schwartz reported on Joint Lobbying Day held in Albany this past Tuesday under the sponsoring of the New York State Council of School Superintendents and the New York State School Boards Association. This strent provided an opportunity for Superintendents, Board members, PTA leaders, and library representatives to visit the state capito-land meet with legislators on various matters relating to educational issues. In addition to Board Vice-Pres. Bennett, Dr. Fenton, Mr. Friedman, PTA officials Carol Marks, Nancy Staton, Norma Goerke, and Joyce Guerriere, and Nancy Staron, Norma Goerke, and Joyce Guerriere, and teacher Stuart Blumner, a member of the Board's Legislative Confimittee.

The program began with talks by Assembly Majority Leader Daniel B. Walsh and Senate Majority Leader Warren B. Anderson. Governor Mario Cuonio delivered a Warren B. Anderson. Governor Mario Cuono, delivered a, presentation calling upon community representatives to come up to Albany and make their needs known, since democracy works only when it is participatory. His remarks also included reference to a push to raise the legal drinking age in New York State to 21. Following these presentations, the Hicksville group meet local legislators Assemblyman Fred Parola and Lewis Yevoli (a Hicksville graduate), and Sen. Ralph Marino on matters of local concern. particularly the increases sought in

matters of local concern, particularly the increases sought in state education aid.

The Superintendent's report included an interim report from Robert Molly, consultant to the Board. He has been observing the Board at work during regular meetings and executive sessions for the past three months in order to make recommendations for improving Board procedures and increasing the efficiency of performance. His study focused on the differentiation between the roles of the Board and Superintendent, an evaluation of the Board as a whole and individuals as members of the group, individual responsibil-ing for the second second second second second second second the for the second ity for efficient conduct, and the development of self control.

He stressed the need for greater effort to establish trust in a working relationship and recommended fewer night meet-ings. He also suggested the scheduling of retreats to address the improvement of the working relationship of the Board as a whole.

a whole. During the Hearing segment of the meeting, two policies were presented for discussion. The first policy regarding admission of non-maident students in policy regarding amendment authorizing the district to waive ruition charges for students attending Hicksville High School through the American Field Service foreign exchange program. The second policy deals with budget planning, and the proposed amendment specifies the use of the program budgeting for-mat in preparing the district's budget.

The Board accepted the resignation for the purpose of retirement of Patrick D'Ambrosio, psychologist at the High School and in the parochial schools, effective on July I of the second second

The Board commended Coaches Bryan, Quattrini, and Moeller on the outstanding performance of the SHS bas-ketball team this year. Reaching the Nassau County finals was an unprecedented feat in Hicksville, and all staff ands-team members were congratulated on their achievement. Mrs. Rudin asked the Board to take a more active look at Board policies which have remained on the Books surrevised in order to update the documents on an ongoing basis. The development of policy is the "meat of the work of the Board, "she noted. Mr. Benett colled attention to the more edited to the work of the Board."

Mr. Bennett called attention to the matter of the district's liability insurance in view of some continuing misunder-standings regarding the issue of silent meditation and the actions of individual teachers who might conduct a moment of silent meditation in their classrooms. The Superinterdent it will issue a memo to all teaching stall members noting that teachers as individuals are completely insulated from liabil-ity in the event a suit is brought on the issue and that any and all costs resulting from legal action or judgements will be covered by the district's insurance. Questions have arisen regarding the results of an individual teacher electing to follow options offered by state law 3029a which has begn unchallenged up to this time. Mr. Bennett called attention to the matter of the district's

The Galileo Lodge is also

proud to announce that on Saturday, the 18th of April, it will celebrate its twelfth anniversary and their annual Louise E. Masiello Memorial Scholarship Dinner and Dance. On this auspicious occasion the Lodge will honor Carmine Monteforte, President from March 1982 to March 1984. Tickets are now available for a donation of \$25 per person, and the ceremony will include a cocktail hour hot dinner, unlimited liquor, beer, soda, coffee and cake and dance music provided by the San Dec orchestra. Please note that this affair will be catered. Payment for tickets must be

made on or before April 18th. Additional tickets may be purchased from any member of the Committee listed here, and they are as follows: Joseph Giordano, Chairman; Pete Massiello, Co-Chairman; Joseph Morace (938-5099); Rocco Lombardi (796-7284); Pete Sarandrea (796-5693); Frank Matassa (921-2843) Frank Governale (931-5234) and Robert Grimmer (795-2232). As is the custom, the Galileo Lodge will present our Honoree with a souvenir Ad Journal. For a night of entertainment, delightful eating and dancing and for just good fun and relaxation, it might be worth your

while to attend this pleasurable activity.

nse, nan nd, If your phone isn't working, the first thing to do is to try to determine whether the problem is in the line or the phone.

Try to make a call on another extension in your home. If it works, the problem is most likely in your other phone.

If you don't have another extension, check to see if the wire from the phone to the wall and the cord from the phone to the handset are tightly in place and in good shape.

If you can unplug your phone, move it to another telephone outlet in your home. If it works, the problem is probably in the line.

If you can unplug your phone but don't have another telephone outlet, try testing it in a neighbors telephone outlet.

If you've been getting a lot of wrong numbers when you dial,

the problem is most likely in your phone. There might be something wrong with the rotary dial or touch-tone pad.

If you have a problem such as static or fading conversation, try shaking the cord that connects the handset to the base. That may give you an indication as to where the problem exists. Unscrewing and then rescrewing the mouthplece may also correct a problem.

If you've found that the service problem is in the line and we provide the wire that runs to the telephone outlets inside your home or apartment, just call our repair service and we will make the repairs at no charge to you. If you own the wire that runs to the telephone outlets inside your home or apartment, repair of that wire is your responsibility.

We're sorry the Club meeting scheduled for Friday, March 9, had to be can-celled; however, the weather was too severe, and believed it was in the best interest of all our members to postpone our gathering until April 13. We have planned a very interesting program for that evening. More about that at a later date.

Now for some news about some of our Club members: Ruth and Joe Farrell are proud of their son, Dennis W. Farrell, who is a detec-tive with the Nassau County Police Third Squad, Dennis received his second "Con-gressional Medal" from Congressman Raymond McGrath, and also the Nassau County Police "Medal of Commendation" for exceptional police work and courage. He was honored for protecting the lives of fellow officers and a family from a gunman who was threatening them. Dennis threatening them. Dennis has received many other awards for exceptional police work. Well done, Dennis! (And also to Ruth and Joe for raising such a fine son) fine son.)

More about the police force, but this time in Sufforce, but this time in Suf-folk County. Although we didn't know it, Bill and I were in Florida the same time Jeannette was there. We celebrated our wedding anniversary in the sunny South. At Old Country Rd. School

The Old Country Road PTA was pleased to honor Mrs. Mercedes Dapolito and Miss Patricia Musynske at this year's Founders Day Dinner

Mrs Dapolito has taught Art in Hicksville for eleven years, ten at Old Country Rnad. Mrs. Dap, as she is affectionately known by her students, has always been a friend to PTA. We have received her support and able assituace in many of our projects. Her artistic abilities are evident throughout the school, In addition to the title of Honored Guest, we are also pleased to present the PTA's Mrs Dapolito has taught pleased to present the PTA's Honorary Life Membership Award to her. Upon return-ing to school from Winter Recess, "Mrs. Dap" had quite an announcement to make. She became engaged on the day of the Founders Dinner and was married to Eric Paulsen on February 24. It looks as if our students

will have to adjust from "Mrs. Dap" to "Mrs. Paul."

Miss Musynske has taught Kindergarten at Old Country Road for the past three years. Before coming to Hicksville. Miss Musynske taught Kinder-garten and fourth grade in College Paint Although the College Point. Cohen And Fujimoto Lead Holy Family To Nassau- Suffolk Finals

Dave Cohen converted both ends of a one-and-one foul situation and Danny Fujimoto added a basket all in the final 33 seconds to give Holy Family's fifth grade basketball team a dramatic 30-27 victory over St. Matthew of Dix Hills last

a dramatic 30-27 victory over St. Mattnew of Dix ruis last Sunday in Garden City. The victory moved Coach Jim Bradley's Eagles into the Rockville Centre Diocesan Finals. Holy Family, now 15-1, will be playing for the Nassau-Sulfolk CYO Championship on Sunday at a site and time undetermined at press time. The Facles consense was also undetermined.

On Stinday at a site and time undetermined at pressione. The Eagles opponent was also undetermined. Holy Family and St. Matthew's, the Commack Regional Champion, battiled on even terms for three periods with neither team able to build more than a two-point lead. With the score tied at 17-17 entering the fourth period, the

lead see-sawed back and forth with each team's possession. St. Matthew's went on top for the last time, 27-26, with only

After a Holy Family time out with 40 seconds left. Cohen was fouled while driving the lane on a pre-designed play. The Eagle point guard calmly sank both foul shots to give Holy Family a 28-27 lead with 33 seconds remaining. St. Matthew's lost the ball in the closing seconds and Chan fed Eulimote undersnath for a layup with 10 seconds

Cohen fed Fujimoto underneath for a layup with 10 seconds and left to seal the victory. Cohen fed all scorers with 14 points, while Fujimoto and Peter Osback added seven each. Osback sank five of six foul

shots in the last period to keep Holy Family in the game.

Paul Rom, also, had a key basket for the Eagles. The Westbury Regional Champs won the game at the foul line by connecting on 14 of 23 attempts. St. Matthew's could only manage three of live. The Sulfolk County team held a 12-8 advantage in field goals. Holy Family had defeated St. Bernard's, 28-25, earlier in

the week to advance in the playoffs. Cohen was high man with 15 points, while Osback and John Coyle added six and tive points, while used and some Core added six and five points each, Victor Cornelius chipped in with a key basket in the fourth period and Rom played excellent defense limiting St. Bernard's top scorer to seven points. HOLV FAMILY WINS IN ST. CHRISTOPHER TOURNEY

Holy Family also defeated host St. Christopher, 34-30, in the opening round of the St. Christopher Basketball Tour-

St. Christopher grabbed an 11 point lead early in the second period before the Eagles got untracked. Trailing 19-8, Holy Family regied off 14 straight points bridging the second and third periods to take a 22-19 lead. Cohen pumped in 12 points and Anthony Laviola added two in the spurt.

The Eagles managed to stay on top in the final period as Cohen netted five more points and Coyle and Osback added

three and two apiece. Cohen finished with a season-high 24 points as Bradley's talented Eagles advanced to the semi-finals

A LETTER ADDRESSED TO OUR TEACHERS OF HICKSVILLE

Our tradition of some twenty two years has sadly ended - as far as written pol-icy is concerned, but we do have our State Law on silent meditation and YOU have every right to continue this beautiful Hicksville tradition. Section 3029-a of Educa-

tion Law, allows you, the classroom teacher, on a voluntary basis, to conduct a brief period of silent meditation with your students. Under the law your students are .not required to stand, they may be seated, and the brief period of meditation may be on a religious theme by those who are' so disosed, or a moment of silent

(Continued from Page 4) Our board attorney, Mr. Joseph Campanella, has advised Dr. Fenton, and as was announced by Mr. Jay Schwartz, the President of the Board, at our last public meeting, that our teachers will be totally insulated by the school district from any liability by way of judge-ments and legal costs of any kind. The district carries insurance, and are allowed to use its own attorney in the handling of the matter, without cost to the taxpayers in the way of legal fees and other expenses. You have a RIGHT and a

DUTY to comply with State Law, and a Board of Education cannot tell you to dis-

bey the LAW. Some say what can a min-ute or a few moments do to make a better student? perhaps nothing, but then again, a few moments of positive thought can just be enough to motivate a child, or inspire a thought of love and appreciation towards their teacher, because of a kind act on your part during

the previous day. The right of a child or teacher to think is very basic, and it is not easily surrendered. Many of you may have

taken comfort in practicing our past policy of silent med-

let us continue to have this "treasure of thought" as long as our State Law exists - no one need know what you meditate on, only you and God will know! Make this practice grow silently and effectively as

before. With sincere regards. Bill Bennett Member of the Board of Education.

of Education. Dear Mrs. Noeth: 1 live on Bay Avenue in Hicksville. On Sunday, March 4th, my 4/3 year old was playing in front of our home with a new Wilson Basketball. It rolled into the stireet, and as she has been severely warmed not to go into the street for any rea-son, she was on her way in the house to tell me. Before she reached the

Before she reached the door a "lady" in a small blue car stopped and got out to pick up the bull. Cristic, being 4/2 and happy-go-lucky, thought the "lady" being 4/2 and nappy-go-lucky, thought the "lady" was being nice and going to throw it back to her. Instead, the "lady" put the ball in her car and drove away

Is this the kind of society we live in? How do we set we live in? How do we set examples for our children when they see adults act this way? Also, wherever that "lady" is, Cristie and I both hope she is having fun play-ing with her new ball. Very truly yours, Janice Pfeifer
