## Town Awards Construction Contract For More Commuter Parking in Hicksville

Oyster Bay Town Councilman Kenneth S. Diamond announced that the Town Board has awarded a contract for the construction of an additional commuter parking facility at the Hicksville railroad station. Diamond said that "the new on-grade commuter lot will be located on the south side of West Barclay Street, and will provide an additional 151 commuter parking spaces to meet the needs of Town residents who use the Long Island Railroad station at Hicksville."

Diamond noted that the construction is anticipated to be completed within 60 days, so that the new commuter field will be available for use by early summer. The contract has been awarded to the low bidder, Guy Pratt, Inc. of Holtsville, N.Y. in the amount of \$108,445.

## Library Vote And Registration

Registration for this year's Hicksville Library vote will be held on April 4 from 3 to 8 p.m. at the Library for all seven voting districts. This change of location is due to the April 3 Democratic primary voting to be held in the schools which could create confusion between registration and voting material.

The library vote will be

# School Board Reorganizes Administration

The Superintendent's Report focused on proposals for administrative reorganization which were presented to the Board for review and approval during the action section of the meeting. The report was a result of discussion on the budget regarding the efficient and effective deployment of administrators in terms of cost-effectiveness and educational goals. Dr. Fenton described the trend of declining enrollment which has affected the number and assignments of administrators over the past years. These changes were aimed at reducing the overlap of duties and strengthening lines of communication and responsibility. The recommendations offered are also in line with those made in the Regents Report and reflect a prudent approach to the interpretation of trends and statistics.

The analysis of the distribution of duties and realignment of responsibilities resulted in the creation and abolition of positions, with a reduction of one administrator for the 1984-85 school year. Three positions were created: Supervisor of Fine Arts, Supervisor of Computer and Business Education, and Chair of Vocational and Occupational Education for grades 7-12. Four positions were abolished: Comprehensive Arts Chair and Business Education Chair at the Senior High, and Comprehensive Arts Chair and one Assistant Principal position at the Junior High. One Assistant Principal position at the Senior High will be abolished during the 1985-86 school year. These recommendations were adopted by the Board, and the effective date will be July 1, 1984.

Other business during the action section of the meeting included the adoption of revised policies. "Admission of Non-Resident Students" was revised to provide for the waiver of tuition for students attending the High School under the auspices of the American Field Service Foreign Exchange Program, and "Budget Planning" was revised to authorize a program budgeting format. The Board also adopted a resolution regarding the voting procedure. Votes will be indicated by a show of hands, and the district clerk will record the names of all Aye, Nay, and Abstaining voters.

Bids were awarded for roofing (\$53,123), exterior door replacements (\$17,750), flooring (\$20,000), acoustical ceilings and lighting (\$25,025), and shades and blinds (\$15,000) for a total of \$130,898. Claims and warrants in the amount of \$4,343,614.25 were also authorized by the Board.

The Board approved the recommendations of the Committee on the Handicapped generated at the meeting of March 14.

The policy on Board correspondence was placed on the agenda for information. The language has been revised and simplified regarding incoming correspondence procedures. Inquiries from Board members on the need to address outgoing correspondence procedures as well, prompted Board president Schwartz to invite suggestions to be offered at the next meeting during the hearing on the proposed policy revision. Among the issues raised was the abuse or potential abuse of the privilege of using Board stationery and district personnel for outgoing correspondence and the wish of all members to see copies of correspondence before it is mailed.

Complaints from a resident regarding drag racing on Division Avenue at dismissal time was also discussed, and Dr. Fenton responded that the 8th Precinct of the Nassau County Police Department was patrolling during the day to curb such practices.

Staff members Charles M. Ferri, chemistry teacher at the High School, and Estelle Mitnick, kindergarten teacher at Woodland Avenue, will be retiring this July. Mr. Ferri has served the district for 22 years and Ms. Mitnick has been with the Hicksville schools for 24½ years.

The following Board committee meeting dates were announced: April 4 School Community Relations 8:00pm; April 5 Policy Committee 8:30pm; April 9 Budget Advisory Committee 8:15pm; April 11 Legislative Committee 7:00pm; April 12 Student/Staff Relations 8:15pm and Long-Range Planning 8:15pm.

The next regular meeting of the Board will take place on Wednesday, April 11, at 8:15pm in the Conference Room of the Administration Building on Division Avenue.

Following this meeting five outstanding music students from the High School treated Board meeting attendees to a marvelous recital of vocal and instrumental works at Wednesday's meeting. The program provided to the audience.

## Letter To The Editor

May-June, 1984 - 2½ years after the fact. Furthermore, since the state of New York has agreed to pay 10% of the cleanup cost which was put at \$850,000 in 1982, I see no reason why New York should pay an additional penny of the cost that may be caused by the ineptitude of EPA to handle this project in a reasonable and timely fashion.

I am, with this letter, calling for a formal and official inquiry into the delay of the Hicksville MEK cleanup project. Furthermore, I would like to know why a "Planned Removal Action" is not presently on the site and operational. I think the time has come to stop the rhetoric and excuses and get on with the cleanup.

Your earliest response to this matter would be appreciated.

Very truly yours,  
May W. Newburger

Editor's Note: We wish to acknowledge the work of NY State Assemblywoman May W. Newburger and NY State Assemblyman Angelo F. Orazio, and their respective committees, in continually bringing this dangerous condition to the attention of all those who are responsible for its correction on a Federal level, and of leading the fight to get State approval for a percentage of the necessary expenses to be picked up by the State of NY.

Along with the Hicksville Fire District officials and elected officials on Town, County and State levels, the correction of this condition has been fought for constantly against seemingly disinterested odds in the EPA down in Washington. We believe that we must all write to our U.S. Senators and Congressmen and to the EPA itself for immediate action.

# Galileo Lodge News

By Joe Lorenzo

Last Thursday night, the 22nd of March, in an auspicious ceremony, the newly elected officers of the Galileo Lodge and the Ladies Auxiliary were installed. In full realization of the magnitude and scope of the responsibilities placed upon them and in full acknowledgment of the roles they will play in maintaining the fiscal and social success of

the Galileo Lodge, these newly-elected officers, male and female, donned their regalia and were lead to their respective chairs by the officiating officers, many of whom were associated with filial Lodges of Nassau and Suffolk counties and the Order of the Sons of Italy in America.

The newly-elected officers of the Galileo Lodge for

1984 are: President, Pete Massiello; 1st Asst. President, Joe Giordano; 2nd Asst. President, Pete Sarandrea; ex-President, Carmine Monteforte; Orator, Joe Lo Presti; Recording Secretary, Rocco Lombardo; Financial Secretary, John Keiper; Treasurer, Jim Posillipo; Trustees are Armand Del Cioppo, Pat Gatto, Frank Matassa, Joe Morace, Tony

Sica, Fred Vévante and John Carrera. The M.C.'s are Jerry Look and Frank Boye. The Guards are Joe Crivelli and Mickey Russo.

The newly-elected officers of the Ladies Auxiliary are: President, Mary Monteforte; Vice-President, Marion Danseglio; ex-President, Ann Palermo; Orator Millie Caputo, Rec. Secretary, Sue Laurenti, Fin. Secretary, Terry Gatto; Treasurer, Dolores Look; Corr. Secretary, Millie Del Cioppo. Trustees are Mary Sarraera, Mary Marino and Grace Giordano. Mistress of Ceremony is Mary Barella.

The acceptance speech of President Pete Massiello stressed solidarity and unity, envisioning a future of hard work, determination and sacrifice. In essence, his speech also stressed teamwork. The speech of Ex-President Skip Monteforte was one of thanks, expressing his thanks for the devotion, loyalty and cooperation of the membership of the Galileo Lodge and the Ladies Auxiliary.

At the conclusion of the ceremony, delicious cuisine, an open bar and other delectables were available to the members, friends and dignitaries. We also offer our heartiest congratulations to all these dedicated and sincere newly-elected officers of the Galileo Lodge and the Ladies Auxiliary for 1984. An unusual note here was that the entire ceremony itself was put on video tape which was provided by George Della Ratta and Joel Morace.

For an activity as delightful as Spring itself, it can be none other than the Galileo Lodge's 12th ANNIVERSARY AND THIRD ANNUAL LOUISE E. MASSIELLO SCHOLARSHIP DINNER.

Mrs. Blaustein's first grade classroom at Dutch Lane School has been transformed into Bear Country. It has been invaded by lots and lots of bears of all shapes, colors and sizes. Each child has brought his favorite teddy bear to visit the class for a few weeks in order to learn more about bears. They have learned how the teddy bear was named after our 26th president Theodore Roosevelt.

Among the many activities in which the children will participate are a Teddy Bear Picnic featuring Teddy Bear cookies and Teddy Bear Punch made by the children, making paper furniture for the Bear Family Tree House, writing stories about their bears, making Teddy Bear bookmarks, doing research on how many different kinds of bears there are, and much more. It's a fun unit. These are the "Bear" facts. (Pictured by Dutch Lane Media Center.)

DANCE, scheduled for Saturday, the 28th of April. On this auspicious occasion the Galileo Lodge will honor CARMINE MONTEFORTE, President from March 1982 to March 1984. Tickets are now available for a donation of \$25 per person, and the ceremony will include a cocktail hour, a hot dinner, unlimited liquor, beer, soda, coffee and cake and dance music for your listening and dancing pleasure offered by the Sam Dee Orchestra. Please note that this affair will be catered. Payment for tickets must be made on or before April 18th. Additional tickets may be purchased from any member of the Committee to be listed as follows: Joe Giordano (333-4555), the Chairman, and Pete Massiello (938-4335), the Co-Chairman, Joe Morace (938-5059), Rocco Lombardo (796-7284), Pete

Sarandrea (796-5693), Frank Matassa (924-2843), Frank Governale (931-5234) and Robert Grimmer (795-2232). As is the custom, the Galileo Lodge will present our Honoree with a Souvenir Journal. For a night where and when good times will much be in evidence and where and when delicious food will be in the offering and when and where delightful dance music will be presented, this affair will head the list of our delightful activities.

A Message to new members: Please get into the swing of things with the Galileo Lodge. Become active, join a committee, pitch in, get acquainted with our organization by giving a little of your time to any committee of your choosing. The Galileo Lodge needs your help, your interest and your loyalty.

## 2nd Grade Creativity At Fork Lane School

By Karen Blicher

What do you want to be when you grow up? Youngsters in 2nd grade at Fork Lane are making those choices. Mrs. Green's and Mrs. Schmitt's classes have ample opportunity to learn how by interviewing their working parents in the school.

Recently, Barbara Doherty, parent of 2nd grader Michelle and a Nurses Aide at St. Francis Hospital in Roslyn was interviewed in a session conducted by Fort Lane student April Rodriguez. As the interview was being recorded, Mrs. Doherty spoke of special training she received, her duties, and, in general, gave the fortunate youngsters a glimpse of the responsibilities of an aide in the Pediatric Ward of a well-known hospital. Dressed in her hospital garb, Mrs. Doherty told her engrossed audience how it feels to tend ill children from the U.S. and abroad. She demonstrated how she might converse with a hospitalized child in another language and also showed procedures for checking blood pressure and heart rate.

But the interview didn't end there! Barbara Doherty

deftly fielded questions from all second graders. Children who may have a relative hospitalized asked questions drawing on those experiences. Others asked how she would handle hypothetical situations, while some expressed interest in following in her footsteps! At the end of the interview, Mrs. Doherty presented each child with the hospital's symbol, a red heart sticker.

These interviews are an ongoing project in Mrs. Schmitt's and Mrs. Green's classes. Other parents who have generously donated their time to be interviewed at school were: Mr. Matson, policeman; Dr. Finocchio, dentist; Mrs. Adelstein, school aide and Mr. Schwartz, musician. Also interviewed were Mrs. Bernstein, school media specialist, as well as the secretarial and custodial staff of Fork Lane and members of the kindergarten class, too.

Additionally, both classes have clipped out want ads from classified sections of newspapers, in an effort to find professions interesting to them. A variety of books are made available for reading on different careers.

Another experience shared by both classes has been the exchange of stories, in which creative beginnings and endings alternate. A child in one class begins a story and a student in the other class finishes it. Also, letter writing between youngsters in both classes on a host of topics is encouraged, motivating creativity and friendship as well!

But that's not all. Mrs. Green's class has a weekly newspaper in which her students submit and type their own compositions. In any given issue, one may find letters to rock stars, recipes, and an interesting assortment of titles and topics, among them: "Birthday Blizzard," "The Monster," "The Man Who Is Mean," etc.

Mrs. Schmitt's class is learning the concepts of braille and sign language. A storybook is planned as a future project.

Life at Fork Lane School is anything-but dull. With enriching, learning experiences like these, who knows...a future Mid-Island Herald reporter may be in the making!

# At The Town Board Meeting

By Sheila Noeth

On Tuesday, March 27, at 9 a.m. there was a joint hearing of the Town Boards of Oyster Bay and Hempstead in Levittown Hall, Hicksville, to consider proposed increase and improvement of facilities of the Hicksville Water District to cover funding for a well at a maximum estimated expense of \$600,000.00. When the hearing was completed these Town Boards passed a resolution approving this expenditure.

Then starting at 10:30 a.m. the regular meeting of the Oyster Bay Town Board was held in the Town Hall on Audrey Ave. in Oyster Bay. The Board acted on the following local matters:

- they reserved decision on the petition of the Merit Oil of NY, Inc. and Suyeckichi and Chitaye Sada, for modification of restrictive covenants contained in two resolutions, one in March of '82 and one in Oct. of '81 relating to installation of additional signs at property located on the northwest corner of Old Country Road and Charlotte Ave in Hicksville. No one appeared in opposition to this petition.
- they reserved decision on the petition of Field Realty Corp., and J.T. Motors, Ltd. for a special use permit to erect, maintain and operate in an ind. H. District, a motor vehicle sales room and a body shop as the petitioners are engaged in the buying and selling of trucks on premises located on the northwest corner of the intersection between Broadway and Lauman Lane in Hicksville. No one appeared in opposition to this petition.

- they reserved approved decision on Resolution No. 303-1984 directing the Town Clerk to advertise notice of a May 22nd hearing on the petition of Frank Scappaticci, Shirley Stone, Blanche Perlmutter and Martin Stern, for a change of zone from Res. B to B-1 on a residence located on the east side of Washington Blvd. across from Pound Ridge Road and High Ridge Rd. in Plainview. (See news release in this newspaper).

- they approved Resolution No. 305, 1984 granting an extension of time on a special use permit and a change of zone on the petition of BP Oil, Inc. for a gas station on the corner of Old Country Road and Plainview Road in Hicksville. This refers to a change in owner of this gasoline station from BP to Northville.

- they approved Resolution No. 308-1984 relating to authorizing the consultant to proceed with the design phase of a contract covering improvements to various town tennis courts, among those are tennis courts at the Syosset Community Park, at the Plainview-Old Bethpage Park and the Bethpage Community Park.

- they approved Resolution No. 314-1984 relating to granting the request of the Hicksville Fire Dept. to use Karin Lane for the practice of their drill team for evenings and

Saturday afternoons, but never on Sundays.

- they approved Resolution No. 321-1984 relating to Town Environmental Quality Review Commission's findings on the petition of the Town Board to change the use district classification for two parcels in Jericho to five-acre zoning.

- they approved Resolution No. 322-1984 relating to the review of bids on the construction of storm drains and appurtenances on Convent Rd. in Syosset.

- they approved Resolution No. 323-1984 relating to the award of contract and directing consultant to proceed with the construction phase of said contract...the construction of temporary on-grade commuter parking facilities on the southside of West Barclay St. in Hicksville, the bids for which were received on Feb. 27th.

- they approved Resolution No. 324-1984 in connection with engineering services on the construction phase of work capping and closing the Old Bethpage Solid Waste Disposal Complex.

- they approved Resolution No. 329-1984 relating to the optional services to be performed by the consultant for college streets in Plainview, which raised this contract by \$6,300.

- they approved two Resolutions, Nos. 331 and 332, 1984 covering construction of storm drains and appurtenances on South Woods Rd., in Syosset.

- they approved Resolution No. 333-1984 granting the request of the Lutheran Church of St. Stephens in Hicksville, to use roll-off containers on their Earth Days, on April 14 and Oct. 15, 1984.

- they approved Resolution No. 338-1984 relating to the revised site plan approval on special use permit granted to Steven J. Haenel for the Syosset Roller Skating Rink in Syosset, which means that this owner may now get a C.O.

- they approved Resolution No. 339-1984 relating to site plan approval on special use permit granted for the Vanguard Office Building to Vanguard Ventures, Inc. and Bader Brothers, in Syosset.

- they approved Resolution No. 340, 1984 relating to withdrawal of the petition of Mattiace Industries, Inc. and the Bader Brothers partnership for a special use permit at Syosset, the hearing for which would have been held on March 13.

- they approved Resolution No. 343-1984 relating to the petition of the Old Country Toyota Corp. and the Mid Island Shopping Plaza to store new cars only on premises in Hicksville.

The next regular Town Board meeting is scheduled for Tuesday, April 24th starting at 10 a.m. in the Town Hall on Audrey Avenue in Oyster Bay.

## NY Islanders Support Big Brothers

On March 4, eleven members of the New York Islanders again supported the Big Brothers/Sisters of Nassau County by bowling in the program's 3rd annual Bowl For Kids' Sake. Their participation helped to make this growing county-wide event a huge success with over \$30,000.- being pledged to the program on this day alone. League bowlers from eleven bowling centers in Nassau County bowled throughout the week of March 4 - 10 helping to more than double the above figure.

Big Brothers and Sisters is a social service program that serves boys and girls in Nassau County who are living in families with only one parent in the home. Death, divorce and separation have left these kids without the

benefit of most often, an adult male figure in their lives. Hundreds of men (and women) in Nassau volunteer a few hours a week of their time to offer the friendship and guidance that these children need to grow up in a healthy environment and fulfill their potential. Once a volunteer is matched with a child, the professional staff of Big Brothers/Sisters works with you to assess the needs of the child and work hard toward making the relationship a success. Many more men are needed at this time to work with more than 150 boys.

N.Y. Islanders John Tonelli, Clark Gillies, and Bryan Trotter know the importance of the program and all serve as honorary members of the Board of Directors. The three Island-

ers and their teammates will continue to support the program and Bowl For Kids' Sake in future years. Others of Nassau citizens serve on committees to help promote the program.

"Among our strongest supporters are the bowling proprietors and bowlers of Nassau County," states Mike Auerbach, project director at Big Brothers/Sisters. "Without their financial support through our annual Bowl For Kids' Sake we would not be able to

serve nearly as many children as we do. Bowling is a great sport and attracts many people who care about the futures of their local children."

The "little people" of Nassau County really need the support of the local "big people". If you can spare a few hours a week to help a local child who is interested in your friendship, you can get all the information you need by calling Big Brothers/Sisters at (516) 489-7440.

## Board Appoints Nine Members To Town's Environmental Control Commission

The Oyster Bay Town Board has approved the appointments or re-appointments of nine residents to the Town's volunteer Environmental Control Commission, according to Town Councilman Douglas J. Hynes.

Hynes, who is Chairman of the Town Board's Environmental Committee said that "the Board has approved the re-appointment of Dr. Martin Cohen of Plainview, Norman Heishchouer of Massapequa and Carl Marcellino of Syosset, who will all be serving three-year terms expiring in February of 1987.

"In addition," Hynes con-

tinued, "six new members have been appointed to serve on the volunteer citizens advisory committee which was formed in 1972 to make environmental recommendations to the Town Board. The Commission's membership consists of Town residents of varied backgrounds and experience who are interested in improving and preserving the quality of the environment throughout the Town and serve without pay."

Newly appointed to the Commission are Alice Weinstein of Woodbury, Arthur A. Filete of Massapequa, William J. Ellinger of Bethpage, Guy M.

DeMarco of Plainview, Joanna Seybert of Woodbury and Boris Charten of Plainview. All have been appointed to three year terms effective March 1, 1983 and expiring on February 28, 1987.

"The active involvement of the members of the Commission is appreciated by the Town Board," Hynes said. "They have provided important advice and input relating to environmental concerns throughout the Town and their continued efforts are needed in order to protect and enhance the quality of the natural and manmade environment within the Town."

**AMERICAN-IRISH LEGISLATOR OF THE YEAR:** On March 12, the prestigious "O'Connell Award" was presented to State Senator John R. Dunne. The award, presented annually by the American-Irish Legislators Society of New York State at its St. Patrick's Day Dinner, was given to Senator Dunne in recognition of "his tireless efforts and dedication to the Society."

Presenting the award to Senator Dunne is Senate Majority Leader Warren M. Anderson (center) and the President of the American-Irish Legislators Society, Senator John E. Flynn (right).

## Your Children Should Know

The National Council of Jewish Women are proud to tell all that on April 12 we are having a book and author luncheon. Flora Cole, the co-author of "Your Children Should Know," a guide for teaching personal safety techniques to children, will be our speaker. Ms. Cole is a social worker and the developer of the rape crisis center at St. Vincent's Hospital. She has also implemented a children's crisis center there.

In these times we must tell more to our children than just, don't talk to strangers. Join us on 4 - 12 - 84 at 10 a.m. at the lovely home of one of our members to find out more. The charge to hear Ms. Cole speak followed by a luncheon will be \$5.00 for non-members. Please join us for an important and fascinating discussion of one of today's most important subjects. For more information please call 364-8843.

**GAIN A SKILL WHILE YOU GAIN THE MONEY FOR COLLEGE**

With the Army College Fund, you learn a skill while you accumulate the money for college. So you don't waste any of your precious time, or mind still while your college money is growing.

To qualify, you must be a high school graduate, make good marks on the Armed Services qualification test, and enlist and train in one of several selected skills which will challenge your mind.

You can start immediately growing the money for college. And for every \$1 you save out of your salary (which is more than \$370 per month), the government will add \$1. Or more! If you put up \$100 a month after a 2-year enlistment, you'll have \$15,200 for college. Plus a skill that could help you decide which direction to take in college. And the future.

Put up a copy of the Army College Fund booklet at your local Army Recruiting office.

Syosset Homemakers' Council Class, with the soft sculpture dolls in process, and preparing for the Giant Tag Sale, Raffle, and Hot Dog Lunch, to be held on April 11th, 10:30 to 2 pm, at Syosset Community Church, 36 Church St. Hidden in shadows is Helene Hanlon, teacher.

## Dear Friends...

Best wishes for continued success to Mr. Fred Vevante whose fine business, Acquacade Swimming Pools, Inc. is moving into larger quarters at 260 South Broadway in Hicksville. Fred plans an Open House and Ribbon Cutting on Saturday, April 14 at twelve noon. You are all invited, so, come on down and "get in the swim"...or at least think about it, while we all wish Fred the very best.

A REMINDER: on Thursday, April 5, starting at 8 pm sharp, the Hicksville Community Council meeting will cover several VERY IMPORTANT matters, to all Hicksville residents and taxpayers. We meet downstairs in the Community Room of the Hicksville Library. This month the program will hear about the Library budget from its Director, Mr. Kenneth Burnes...an overview of downtown Hicksville by the Hicksville Chamber of Commerce, and several reports concerning the potentially dangerous M-E-K oil-spill letter writing plan...the Newbridge Road plantings, and anything else you may wish to bring up, just as long as it concerns Hicksville. Although we'd like you all to join, please remember that you do not have to be a member to attend the Community Council meetings...you are always welcome. So, come on down and help up to help Hicksville.

### Letter To The Editor

Dear Sir:  
It would help if, on the school prayer or meditation issue, we could have an end to all talk about the rights of the majority. Most of the United States Constitution

deals with majority rule; the First Amendment is about those rights that are given to each of us. It says, "Hands off!" to the majority.

Yours truly,  
Stewart Doig

### 6th Annual Christian Education Seminar

The Church of Christ of Hicksville 105 Broadway, will celebrate her 34th Anniversary this Sunday, April 1. The theme for the day will be, "Redeeming The Time". Special features will include an 11:00 am Worship Service and a 6:30 pm service. At the evening service Sam Brumit, minister with the Christian Church at Hol-

brook, will be the guest speaker.

The 34th Anniversary will be a delightful celebration with a variety of special music, special testimonies, and special guests. You, our friends and neighbors, are invited to be among those guests. For more information, call 681-2353.

## Homemakers Council Evening Chapter

The Hicksville Evening Chapter of the Nassau County Homemakers Council will hold a business meeting on Wednesday, April 4, at 7:30 p.m., at Parkway Community Church, 95 Stewart Avenue, Hicksville, second floor.

The Hicksville Evening Chapter of Nassau County Homemakers Council will hold their regular business meeting on Wednesday, April 4, at 7:30 p.m., at

Parkway Community Church, 95 Stewart Ave., Hicksville, second floor.

"If you are seeking new skills and talents come and enjoy our congenial group of very talented and versatile homemakers who are willing to share their skills with you, why not join us? Our membership drive begins this month. We are also having a cake sale. If you are interested stop by," a spokesperson urged.

## Town Board Sets May 22 Public Hearing On Plainview Change of Zone Request

The Oyster Bay Town Board has scheduled a public hearing for May 22, 1984 to consider an application for a change of zone in order to construct six single-family homes in Plainview, according to Councilman John Venditto.

"The applicants, Frank Scappaticci, Shirley Stone, Blanche Perlmutter and Martin Stern, are requesting a change of zone from "B" residence district (1 unit per acre) to "B-1" residence district (2 units per acre) on a parcel of land located

on the east side of Washington Boulevard, across from Pound Ridge Road and High Ridge Road," Venditto said. The applicants require the change of zone in order to construct 6 one-family homes on the 3.264 acre parcel,

which has a frontage of 250 feet on Washington Boulevard.

The hearing has been scheduled for May 22, 1984 beginning at 10 AM in the Hearing Room of Town Hall East, Audrey Avenue, Oyster Bay.

## Valedictorian And Salutatorian Chosen

Dr. Jerome Botwinick, Principal of the Plainview-Old Bethpage High School, Plainview, today announced the selection of the valedictorian and salutatorian for the Class of 1984. The valedictorian is Bradley Moskowitz of 87 Cedar Drive West, Plainview. The salutatorian is Ellen Schneider of 120 Northern Parkway, West, Plainview.

Bradley Moskowitz is graduating with a cumulative average of 98.97. He has earned this average in the most difficult program offered in our school. Bradley also received a perfect score of 800 on both College Board Achievement Tests in Level II Mathematics and Physics. Adding to his accomplishments, he also won a gold medal for his

project and presentation at the Long Island Math Fair held at Hofstra University. His paper "Four Dimensional Geometry" was judged to be the best in both Nassau and Suffolk Counties. Bradley was also honored at the Mathematics Teachers' Association Spring Dinner on May 12, 1983.

While Bradley has applied to some of the most prestigious colleges in the country, he has not yet made the important decision as to which school he will attend. His future vocational plans include engineering and science research.

Ellen Schneider has achieved a 3 1/2 year average of 98.84. Throughout her high school years she has

Left to Right, Ellen Schneider - Salutatorian; Dr. J. Botwinick - Principal, Plainview Old Bethpage H.S.; and Bradley Moskowitz - Valedictorian.

been involved in many meaningful school and community activities. They range from volunteer work in a hospital pediatric ward to math olympiad; from managing editor of our school newspaper to active roles in school drama pro-

ductions. She has been accorded honors from both the English and Foreign Language departments. Ellen was accepted as an early decision candidate at Tufts University in Massachusetts. She plans to be a psychologist.

## Hicksville Republican Club News

Harriet Maher  
President

By Charles F. Lynch

When Club President, Harriet Maher, was installed as the Club's first woman president in January, she made a very interesting point of tracing the Club's origin. It occurred to me to look into the origin of the Republican Party, itself, and thought I would share some of my findings with you.

First of all, did you know that the Republican party is only 130 years old and that it got its start as a "third party"? That's right, the major, dominant political parties in the nation at the time were the Democratic and Whig parties. Then, on March 20, 1854 in a little schoolhouse in Ripon, Wisconsin, the Republican party was born. It grew, in

part, out of widespread dissatisfaction with the existing parties and the passage of the Kansas-Nebraska Bill which permitted the extension of slavery into the territories of Kansas and Nebraska.

The first national meeting of the new party was held in Pittsburgh's Lafayette Hall in February 1856. A call was issued for a Presidential convention in Philadelphia in June of the same year. John Charles Fremont, an explorer and Army officer, was the first Presidential candidate of the Republican Party. During his late twenties and early thirties Fremont helped to open up the west through his exploration expeditions. He helped

California obtain independence from Mexico in 1846 and was appointed first governor of the territory. In 1849 the new state elected him as one of its two first U.S. Senators.

Only 43, Fremont was one of the nation's youngest Presidential candidates. It is interesting to note that, much like today, campaign posters made much of Fremont's youth and did not neglect the attractiveness of his young wife. Incidentally, that election year also marked the first time that women campaigned. Fremont was nominated on the second ballot and Senator William L. Dayton of New Jersey was selected as his running

mate. It turned out that the man Dayton topped for the Vice Presidential nomination was no slouch either as the unsuccessful candidate for the Vice Presidential spot on the ticket was none other than the very eloquent attorney from Illinois, Abraham Lincoln (the nation's first Republican President).

Although the Republican Party was only two years old in 1856, Fremont did rather well in the election garnering only 60 electoral votes less than the successful Democratic candidate, James Buchanan, and 106 electoral votes more than the American-Whig candidate, Millard Fillmore. The Republican Party was off to a good start.

## New Image Makes Debut Appearance

The scene was North Bellmore Junior High School. The occasion was the annual, indoor Drum and Bugle Corps' exhibition, sponsored by the "North Bellmore Flames," a local parade corps having an impressive record of championships in the FASNY Fire Association circuit. The line up of corps scheduled to perform contained a variety of senior and junior parade corps and standstill exhibition corps, as well as one

corps which everyone knew was about to appear in public for the first time. This corps was not strictly a parade corps or a standstill corps; neither was it unknown to the many spectators, some of whom had come solely for the purpose of seeing its debut appearance. This corps was New Image, which, stemming from the proud tradition of the world famous St. Ignatius girls full field marching and maneuvering

corps, made it the only "brand new" drum corps with a 25 year history.

By 6:30 P.M. on March 24 - the night of the show - the exhibition site was already buzzing with the activity of the exhibiting corps. Musicians were "warming up" and color guard members were preparing their equipment and rehearsing their routines. Drum Corps Affiliados were floating about from corps to corps like butterflies sampling the

nectar of various flowers. All the while, there was this air of anticipation for the arrival of New Image. People were wondering how the corps would look in their new uniforms - if indeed they had managed to get new uniforms at all. How would they sound? Would they have many members? How did they fare after their long, difficult winter of recruiting, fund raising, and

## POBRRRC Hears Presentation On International Games For The Disabled

The featured speakers at the March meeting of the Plainview-Old Bethpage Road Runners Club were Tony Giustino and Gordon Steele of the Nassau County Department of Parks and Recreation, who gave a presentation on the International Games for the Disabled, which will be held in Nassau County from June 16 to 30, 1984.

The Games will feature 1500 of the top amputee, blind, cerebral palsy, and other disabled athletes from 50 countries throughout the world. The hub of the com-

petition will be the new \$11 million Mitchell Field athletic competition.

"Make no mistake," Giustino observed, "these are world class athletes who will be coming up with world class performances." He pointed specifically to Canadian Arnie Boldt, the one-legged high jumper who is closing in on the seven foot mark, and U.S.A. cerebral palsy weight lifter Charlie Reid, who had benched pressed in excess of 450 pounds.

Giustino and Steele talked about the need for

volunteers, both skilled and unskilled, to make the Games a success, and they got an enthusiastic response from the Club. POBRRRC President Mike Polansky

urged all Club members who could possibly help out to do so. (Potential volunteers should call Volunteers Director Rhoda White at 542-4495.)

We the members of the V.F.W. in Hicksville are very concerned with the community of Hicksville. We urged all the residents in the Hicksville School District: Please retain our 22-year Tradition of "Moment of Meditation in our public schools and get out to vote on June 13, 1984. All of us as veterans in some way always or another said a prayer in silence that we would come home safe. Before you know

it they will take away the pledge of allegiance to the flag and do away with the American Flag in the school - the flag we fought for all around the world.

In California some of the schools have started already to do away with the Pledge of Allegiance to the flag, and have no American flags flying on the school ground. Do you know our political leaders in Albany recite the Pledge of Allegiance to the

flag once every two years?

We at the V.F.W. teach our students about the Flag. We ran a coloring book contest for two years about the flag. We were the first V.F.W. post nationwide and this was very successful. Our National Headquarters from Kansas City, Mo. named us, the Hicksville Post, to receive the Bronze Award of Merit, for acquainting the young minds with the American

way of life, and as an excellent example of what the V.F.W. can accomplish in the community. Does the public know that all the Veterans Groups and Fraternal Organizations in the Hicksville Area put out the American Flag on B'way on all the traditional holidays. Once a year we run a Voice of Democracy contest for all the schools in the area and students write about what

by L.C. & J.M.

The Tornados sponsored by Westbury Federal Savings & Loan travelled this past weekend to Massapequa to play the Rockets.

In a hard fought game, the Tornados overcame a 1-0 halftime lead by Massapequa to win the game 2-1.

The Rockets proved to be a strong opponent due to their tackling and long ball tactics. However, the Tornados showed their poise and patience by utilizing their skills and passing abilities which eventually proved to be the winning strategy. Center halfback Todd Zeff supplied the Tornado fire power by scoring both goals.

Goalie's Matt Greenspan and Walter Villalta sharing goaltending, played strong games ensuing the win.

The Hicksville Tornados are Erik Matz, Matt Greenspan, Todd Zeff, Mike McCarron, Timmy Carroll, Jason Kilmeris, Barry Mannion, Brian Whitman, Hermes Furlin, Larry Neuberger, Walter Villalta, Eddie Assad, Timmy Blind and Gino Ianzuzzi.

included brief biographies of the student performers outlining their training, honors awarded, and participation in performing groups during their school careers. In addition to their music studies, these young people are also active in non-musical pursuits and are outstanding in their academic subjects as well. The soloists were John Rubins (trombone), Harold Meltzer (bassoon), Caroline McIntyre (French horn), June Fulton (soprano - vocal), and Mary McShane (viola). June Fulton was accompanied on the piano by Harold Meltzer, and Mary McShane was accompanied by June Fulton. The first three soloists were accompanied by Long Island musician Sonya Burakoff, who is the wife of Gerald Burakoff, instrumental music teacher at Burns and Woodland.

In addition to the performers, another Senior High student was introduced to the Board and the audience. Sabine Arnold was honored for her achievement as a semi-finalist in the Newsday scholarship competition.

### "Where Were We Yesterday?"

Prospective home buyers can get confused very easily. After a while, the split level with the fireplace and the redwood deck seems to blend in the colonial with the porch and the wet bar. And it's hard to remember which bathroom went with which bedrooms, and where was the kitchen we liked?

It's especially difficult for the people who set out to look at homes on their own, hoping to get a bargain on a for-sale-by-owner. With no help, they end up seeing more houses than they need to, the wildly unsuitable with the maybes, and probably missing the best. When a prospect views a house with a broker, he's been pre-qualified. We know what kind of home he

really wants, the space he needs, and how much he can realistically afford. Then we show properties that meet those criteria. The prospect doesn't have to look at a LOT of houses, only the right ones. And we're on hand to help him remember what was where. Not only does this make things better for the buyer, it's better for the seller, too. Your home looks nicer when it's one of three homes shown, instead of one of fifty looked at.

Get the help you need for a quick, convenient sale. List with the experts:

## For Dutch Laners, This DOES Compute!

New additions frequently bring with them a keen sense of excitement, but there is little to compare with the enthusiasm and energy sparked by the "Apple" computer that recently from "computer phobia," indeed they have taken to the "Apple" with surprising ease and assurance.

Roger enjoys programming in Basic, a computer language, and has become the resident computer expert. He has a computer at home and feels very proud to be able to help the other students. Paul and Chris enjoy writing stories and newsletters to their parents on the computer. They say it's fun to watch the printer zap out their stories in a matter of seconds.

The computer provides valuable learning experience

in all fields of study, but it is especially being used for creative writing and mathematics. Brian and Richard enjoy playing the "math games" on the computer and have improved their multiplication skills in the process.

# Students Plan Anti-Crime Programs For Children And Senior Citizens

The Student Government of John F. Kennedy High School has completed plans for two more of their Project Outreach anti-crime activities. On Saturday, March 31st, the Children's Fingerprinting Project is scheduled. The following week, on Sunday, April 8, a Senior Citizen Safety Seminar will be held. Both events will take place at John F. Kennedy High School.

## FINGERPRINTING PROJECT

Concerned about the more than 5,000 American children who disappear each

year, the Student Government has joined with the Plainview-Old Bethpage PTA Council to fingerprint all the district's children, grades K - 6. The mass fingerprinting of an estimated 500-1,000 children will take place in the Kennedy Cafeteria as follows:

10 - 11 a.m., Kindergarten; 11 - 1 p.m., Grades 1 - 4; 1 - 2 p.m., Grade 5; 2 - 4 p.m., Grade 6.

The fingerprint cards will be retained exclusively by parents for identification in kidnapping situations. To be fingerprinted, children must be accompanied by a parent or

guardian and must be Plainview-Old Bethpage residents. A staff of 22 Kennedy students, and 8 PTA parents, was trained by the Nassau County Police on Saturday, March 24th, to conduct the fingerprinting. A support staff of 40 students and parents will help register, supervise and entertain the children.

## SENIOR CITIZEN SAFETY SEMINAR

Plainview-Old Bethpage is one of ten communities in Nassau County that aged the fastest between 1970 - 1980. Recognizing this trend, and aware that senior citizens perceive themselves as especially vulnerable to crime, the Student Government planned a Senior Citizen Safety Seminar. This program will be held in the Kennedy High School Library from 2 - 4 p.m. on Sunday, April 8th.

The Safety Seminar will

be conducted by an officer from the Nassau County Police Crime Resistance Unit. The program will address crime-prevention strategies that are geared to senior-citizen concerns. Among the topics to be covered are:

- how to secure your home against break ins
- how to protect yourself against street crime
- how to avoid fraud

To prepare for this program, students obtained membership lists of Plainview-Old Bethpage senior citizen organizations. Invitations were mailed to each member of these groups. Senior citizens requiring transportation to and from the program were asked to mail back a postcard by March 28th. Four buses, with drivers, have been donated for the program by the We Transport Company of Hicksville.

## Something To Think About

BILL WAGNER

DIRECTOR

## PUTTING HOUSE IN ORDER

Many people who are good providers all their lives make a terrible mess of things when it comes to providing for their death. Survivors' difficulties can range from the petty and annoying to the truly horrific, especially if the estate becomes enmeshed in court technicalities and governmental red tape.

For this reason, it is truly essential to have a will. If there's property of any consequence in the estate, make sure you get the best attorney possible. The legal fees are small in comparison to what is risked by cutting corners. You should make a simple will even if you think you don't have much wealth to leave.

Also you should have some

sort of inventory. Millions of dollars in bank deposits and valuable sit idle and unclaimed because no one knows of their existence. So make a list of all accounts, safe deposit holdings, insurance policies, property, etc.

## New Image

(Continued from Page 6)

their transition from all girls to co-ed? Would they still project that aura of extraordinary class and discipline for which St. Ignatius was so famous?

At a new minutes before 7:00 P.M., the New Image entourage arrived. Their vehicles still had the St. Ignatius girls' name and logo on them. But that is where the similarity in appearance ended. As the corps disembarked from their buses and "formed up" to enter the building, the onlookers were agog at the striking appearance of the corps in their splendid new uniforms and colors. As they stepped off into the gymnasium "waiting area," it was also immediately evident that all the discipline, snap, and sparkle was also maintained. This, indeed, was exactly what one might have expected from this historically high-idealized troupe.

The snow started at around 7:30 P.M. At 9:15, the New Image performance was about to begin. Now, we were about to learn the answer to the question of how they would sound. The horn line stepped smartly down the steps leading to the area just in front of the stage. Smartly uniformed adult chaperones were vigilant to their safety and welfare. The audience was

already applauding warmly. When the brass players were in place, the stage curtain was opened, revealing the already in place drummers, percussionists, and color guard. The moment was profound. There they were. New Image was now clearly a reality. The crowd roared its approval.

The auditorium fell silent as the drum major ascended the podium and raised her hands in preparation for their first public note of music. She then led the corps through a repertoire which included music to satisfy all the moods and emotions one could experience from an event of this type. It was a totally new departure from the type of music St. Ignatius used to play, but it was done with that unmistakable St. Ignatius style and intensity. The highlights were the jazz feel of "Concord Blues," the beautiful chords and touching soprano bugle solo in "Yoda's Theme," and the one enduring signature from St. Ignatius: the presentation of the American flag during their rousing finale of "Battle Hymn of the Republic." The crowd was on its feet long before the last stirring chords were sounded.

New Image is unmistakably on its way. We will all follow their progress with great enthusiasm and best wishes.

Plans are in full swing for the upcoming Cocktail Party/Auction sponsored by the Leagues of Mercy Hospital. One of the many trips to be auctioned is beautiful Club Cala de Palmas del Mar in Puerto Rico. The highest bidder will spend one week in a luxurious, three-bedroom villa which accommodates six people. Ethel Sloan of Club Cala de Palmas is the contributor of this fun-filled holiday. This magnificent resort offers something for everyone - biking, fishing, horseback riding on miles of trails, sailing and a championship calibre golf course.  
 Shown in photo (left to right) are Auction committee members gathered with Antonio Pedraza, Vacation Consultant of Club Cala de Palmas: Anita Barba (Freeport), Therese Egan and Regina Brancato (Rockville Centre), Sally Schreier (Garden City), Marianne Macy, Auction Chairlady (Old Westbury), Cecile Lauten, President, Council of Mercy Leagues (Westbury), Florence Peterson (Valley Stream), Lanny Duffy (East Williston), Jeanne Lieblang (Garden City), Alice Goldsmith (Bellmore), Mario O'Donnell (W. Hempstead), Ann Aronowicz (East Meadow), Josephine Moane (Levittown), Joan D'Auria (Old Brookville).  
 This second event of its kind will be held in the League Lounge of Mercy Hospital on Sunday, June 3 for the benefit of the 400-bed, not-for-profit community hospital in Rockville Centre.  
 A silent auction where one has the option to place a written bid for a desired article will be held from 3:00 p.m. to 5:00 p.m., followed by the live auction which offers a diverse collection to please all.  
 A ticket donation of \$10 will include a complimentary cocktail, hors d'oeuvres, coffee, tea, dessert, and a chance at the drawing of door prizes. For further information, please contact the Community Relations Department at (516) 255-2242.

## Willet Ave. School Hops For MDA

Twenty-eight kindergarten students will be hopping for the Muscular Dystrophy Association when they take part in a Bunny Hop-A-Thon at the Willet Avenue School in Hicksville on April 6.

Students will receive sponsorship donations for the number of hops completed in a one-minute

period. By "hopping of those who can't" - children and adults with neuromuscular disease - the students will be raising money for worldwide research and patient service care.

For more information call Peggy Barrow, Long Island office of MDA, at (516) 234-9021.

## VFW Auxiliary News

By Mary Ann Moyer

Our St. Patrick's Day Dance was held on March 17th and it went very well. Everyone enjoyed themselves and there was plenty to eat. All received a green paper carnation to wear and several door prizes were given away. The winners from the Auxiliary were Lee Pietruszewicz, Edna Barone and myself. Winners from the Post were Marty Stalione, and Chic Masone. Past President Esther Palladino was the big winner of the 50/50 drawing.

Nominations and election of officers will be held at the April 12th Auxiliary meeting. It is important that you try to attend this meeting and support your choice of officers.

Auxiliary Secretary, Joan Chwalisz was in Las Vegas at the mid-winter conference. Joan was there to gain new ideas on the promotion

of our Auxiliary programs. If any ladies are interested in buying or selling chocolate bars, please contact Rita-Lee Pietruszewicz, both members of the V.F.W. and Auxiliary (also my parents) will be celebrating their 40th wedding anniversary on Monday, April 9.

The Auxiliary will be having their annual Anniversary dinner on Thurs., April 26th at the Old Lighthouse Restaurant, Old Country Rd., Hicksville, at 7:30 p.m. You will receive a menu with prices on them to choose your dinner. Please try to bring your dinner money to the April meeting. At this dinner, we will also be raffling off a hand-made afghan, donated by Henrietta Aracil.

Once again ladies, please read your Post newsletter when you receive it.

## Notice Of Meetings

The Board of Education announces two special meetings coming up in April.

On Monday evening, April 9, the Budget Advisory Committee will meet at 8:15. All members and interested residents are invited to attend and participate in this important session regarding the 1984-85 school budget.

The Board will hold a special meeting on Tuesday, April 10, at 8:15pm to inter-

view candidates for the position of consultant for long-range planning. This consultant will work with the Long-Range Planning Committee and its sub-committees and the Board to conduct a study and make recommendations on district facilities use patterns.

Both meetings will take place in the conference room of the Administration Building on Division Avenue.

## Happy 100th Birthday

Mrs. Ronni F. Rosenberg, Administrator of Central Island Nursing Home, takes pleasure in announcing the 100th Birthday of resident Mrs. Laura

Dewling who was born March 23, 1884.

A birthday party honoring this centenarian was held for March 28 at 2:00 P.M. at the facility.

## Card Party

A card party will be held on Monday, April 9 at 8:30 p.m. at Holy Family School's cafeteria.

Various card games will be played as well as Military Bridge, or you can bring

your own game. The donation is \$2.50, and bring a \$1.00 gift. There will be prizes and refreshments.

For more information, call Judy at 735-3549.

## Computers (Continued from Page 8)

The computer has added to the improved functioning of the class since the children are more cooperative in completing their work and in showing good classroom behavior. They eagerly await their turn at the computer and often they work in pairs which has improved

their peer interactions. Contrary to popular opinion, the computer has brought the students closer together rather than isolating them. Mark and Greg have worked together on several programs. According to Paul, "The computer is a lot of fun!"

## Awareness Fair At Trinity Lutheran

The Mid-Island community is invited to an Awareness Fair sponsored by the T.O.U.C.H. (Trinity's Outreach Uniting Community Hopes) committee of Trinity Lutheran Church, 40 W. Nicolai Street, Hicksville. The fair is being held on Sunday, April 1, from 9 AM-3 PM, in the church's gymnasium.

Over forty organizations including: American Association for Retired Persons; Association for Children with Down's Syndrome; Berkshire Farm Center for Youth; Child Creative Educational Center; New York Diabetes Association; The Direction Center, Department of Drug and Alcohol Addiction; Ecumenical Consultation Center; Health Services at Home; Help-Aid-Direction; Hicksville Youth Council; Nassau County Women's Services; Parents Without Partners; Pilgrim Psychiatric Center; and many others, will give information at booths

through representatives, brochures, slides, and films. Blood pressure and hearing tests will be available.

Come learn about the community resources which are available to help you and your loved ones in your daily living.

An Awareness Contest will be held for children in grades 2-8 who attend.

Refreshments will also be available.

The Reverend Dr. John Krahn invites the community to attend worship services at 8:15, 9:45, or 11:15 AM on April 1. The focus of the service will be: "The Helping Response of Christian Love."

Plan to stop by the gymnasium after church or during the afternoon on April 1 for the fair. The church is located between Broadway and Jerusalem Avenue, north of Old Country Road in Hicksville.
