Town Board Grants Permit To Garage

A request for a special use permit to operate a public garage and filling station in Hicksville has been approved, subject to certain restrictive covenants, by the Oyster Bay Town Board, according to Town Councilman Thomas L. Clark.

"The applicants, Westons Texaco, Inc. and Barbara and Herbert Bruwer, sought the special use permit to operate a repair garage and filling station in a "G" general business zone located at 63 West Old Country Road at the intersection of Frevert Place," Clark stated. "The permit allows the applicants to perform full automotive repair work with two of the covenants being that no body work be done on the site and that there be no selling of cars, trailers or other vehicles."

Clark stated that in approving the application, the Board took into consideration some of the concerns expressed by residents at a public hearing. "The condition of the fence which abuts residential property was a

common concern, and the Town Board has required that the petitioners maintain and keep in good condition a six-foot high stockade fence," Clark said. "The Town has also stipulated that all lighting be directed only at the subject premises and that all outdoor lights be turned off when the station is closed."

Clark noted that the hours of operation are limited to between 7 AM and 10 PM.

Outdoor storage of waste, equipment and other material will be strictly regulated with the Town prohibiting outdoor storage of auto parts and dismantled vehicles and directing that all dumpsters, gasoline cans and trash containers be located only in the rear of the premises. All waste oil, cleaning compounds and other toxic substances are to be placed in containers and disposed of off the premises, and an on-site vapor recovery system is to be installed to keep fumes from permeating the surrounding neighborhood.

The past two weeks have been busy for Hicksville Volunteer Firefighters. The following alarms were handled and are reported in the order they were received:
April 17-1:22 p.m.—The Plainview Fire Dept. under Asst. Chief Zervos requested the Hicksville Fire Dept. Haz-Mat team to respond to a chemical spill. The chemical was identified as hydrochloric acid. Team members in protective gear working with Plainview Vamps, cleaned up the chemical. The operation took 1 hour and 21 minutes.

April 20-10:45 a.m.—The Plainview Fire Dept. under Asst. Chief Zervos requested mutual aid assistance at the scene of a house fire off Old Country Rd. One engine from Hicksville responded to the scene to aid Plainview Vamps. The Bethpage Fire Dept. supplied one engine to stand by at Plainview Headquarters.

April 25-6:01 a.m.—Hicksville Vamps responded to an automatic fire alarm at Multi Wire Corp. 10 Andrews Rd. Plant workers

also called reported a bad fire involving chemicals. A fire was discovered in a painting tank and surrounding area. The sprinkler system was keeping the fire contained. Firefighters and team members extinguished the fire and then found leaking chemical containers.

Plant chemical engineer Mr. Ben Chin gave valuable assistance to Haz-Mat team members in the identification and containment of the chemicals. The operation, under Asst. Chief Bill Schuckmann, lasted two hours and 44 minutes. Damage was put at \$300,000.00.

April 25-5:46 p.m.—Hicksville Vamps were called to 12 West Cherry St., Hicksville, when an apartment dweller, on the advice of youths, disposed of gasoline in the sink (told water would dilute). The cesspool backed up into the basement. LILCO gas and electric crews shut down power and gas. The spill was cleaned up using speedi-dry and sorbent pillows. As stated before in our articles,

dangerous substances such as gasoline, propane, pool chemicals, should not be stored in the home. Follow manufacturers instructions on storage and handling.

April 28-5:23 a.m.—Hicksville Vamps responding to a box alarm at Park Ave. and Woodbury Rd., found a 7,000 volt LILCO power line had fallen and struck a natural gas curb box. The resulting electric charge caused a gas service line at 100 Woodbury Rd. to explode damaging one auto. Hicksville Vamps, under Chief of Dept. Owen Magee, evacuated nearby homes and moved endangered autos. The two family home was wet down as a precaution. LILCO crews responded and the operation was concluded at 7 a.m.

April 28-10:32 p.m.—Hicksville firefighters responding to a reported house fire at 16 Table Lane, found, upon arrival, a fast moving fire on the 2nd floor. The ground floor was occupied by Dr. Wolfer, DDS. The lone occupant was not

at home at the time of the blaze. Two pet cats died in the fire. Damage was estimated at \$10,000.00. No injuries were reported. 45 Vamps using seven pieces of apparatus responded under Chief Owen Magee. The Fire Marshal is investigating.

April 29-6:44 p.m.—The Jericho Fire Dept. under Chief Zederbaum, working at the scene of a propane tank leak at 123 Birchwood Park Dr., requested the Hicksville Fire Dept. Haz-Mat team to the scene with their newly acquired "burn off unit." One unit, ten men under Chiefs Magee and O'Brien responded. The burn-off unit is connected to a leaking tank, gas is bled off a safe distance away and ignited. A two-three hour job is reduced to 20 minutes and the dangerous fire around the tank itself is extinguished.

A reminder to residents—before lighting your gas grill, be sure all safety precautions are followed. In most cases, this spot inspection will prevent dangerous accidents.

A Salute To Irwin Goldman

Irwin Goldman, local retailer who has been selected as the Outstanding Small Business Owner by his Hicksville Chamber of Commerce will be presented with an elegant award by County Executive Francis T. Purcell on May 10, at

the Milleridge Cottage.

This is in keeping with the theme expressed by President Reagan's Proclamation that week of May 6, be known as Small Business Week. The ceremony of May 10th will commence with a

Irwin Goldman

The name Goldman Brothers is almost synonymous with Hicksville business center. From a humble beginning in 1938 when Irwin Goldman's father started the business it has grown into one of the largest independent clothing retailers on the Island.

Irwin Goldman was only twelve when his family moved to Hicksville. A product of Hicksville public school system he attended and graduated Columbia University with a B.A. and M.A. degrees. With his brother Howard they assumed management of the business and guided it to its present prominence.

As a third generation joined the business, Harwin, Irwin's son, plans are underway for further expansion.

Coalition Formed

At a meeting on April 30th, a cross-section of Hicksville residents met to form the Hicksville Coalition To Maintain a Moment of Silence.

This group was formed to return the established policy of a moment of silence to our school district. They intend to accomplish this by urging the voters to pass Proposition 2 on June 13th.

On January 25th, School Board members John Ayres, Arlene Rudin, Honey Singer and Larry Wolfson voted to delete the 22 year old policy of a moment of

silence without consulting the community beforehand.

After their decision, at open school board meetings on February 8th and February 29th, the majority of vocal outcries were not heard.

However, the Board agreed to put this matter up for a referendum on June 13, when the school budget and school board candidates are voted upon.

Your support is needed to maintain our current state law and to return our policy. Please register on June 6th and vote on June 13th.

breakfast at 8:15 A.M. followed by welcoming remarks by prominent public and business leaders, presentation of awards to Outstanding Small Business Owners and concluding with a specially designed seminar on "How to Finance a Growing Business" by the Manufacturers Hanover Trust Company, who is also hosting this program honoring Nassau's Small Business Owners.

Galileo Lodge News

PRESIDENT PETE MASSIELLO'S MESSAGE: "A capacity for thinking is of little value unless it is accompanied by a capacity for action." Old Saying

Last Saturday night, the 28th of April, over 260 people (including members, patrons and friends) traipsed to the Galileo Lodge to take complete advantage of the pleasure, joy and relaxation that was offered as the Galileo Lodge presented its 12th Annual and 3rd Annual Louise E.

Massiello Scholarship Dinner and Dance. In evidence was delicious cuisine, plenty of libation, delightful music, an unforgettable ambience and some momentous moments that occurred as the attainments and accomplishments of our Honoree, Ex-President Skip Monteforte, were duly noted and recognized.

After the newly-elected officers and their wives were announced and introduced, the awards to ex-President Skip Monteforte began as ex-Grand Venerable Peter

Zuzolo presented him with a personal gift, followed by citations from Councilman Fred Parola, 2nd Grand Vigilante, Nick Tucci's personal gift and ex-President Ann Palermo's gift from the Ladies Auxiliary in the form of a gold watch. There was also a citation from Bob Zimmerman as emissary for Lt. Governor Al Del Bello, Mrs. Mary Monteforte received a beautiful bouquet from the Galileo Lodge and the flag which was presented to our Honoree by Con-

gressman Norman Lent and which is to be flown over the Capitol Building in Washington, D.C.

Another well-deserved tribute to our Honoree Skip Monteforte came from President Pete Massiello, which was a plaque from the Galileo Lodge and which is emblematic of the progressive efforts made by ex-President Skip Monteforte to enhance and advance the goals, ambitions and aspirations of Italo-Americanism on a state, local and community level. President Pete Massiello, in his moving speech, congratulated our Honoree for his herculean efforts in making the Galileo Lodge an organization of renown and respectability, and thanked the entire membership for their sup-

port, cooperation and devotion, mentioning also that such loyalty will continue for the well-being and life of our organization. Ex-President Skip Monteforte, in his emotionally-charged speech, also extended his deepest thanks to the entire membership, and as tears swelled in his eyes, expressed sadness that some members of his family could not attend this beautiful reception.

The mood, tempo and atmosphere were indicative of what everyone in attendance felt, and what else can we say other than that this affair was truly representative of the magnificent strides made by the Galileo Lodge as it reaches maturity and how it acknowledges the tremendous performance of

ex-President Skip Monteforte. In consideration of the impact of this dance, President Pete Massiello wishes to extend his sincere thanks to all the committee members, other members and the Ladies Auxiliary who were so instrumental in ensuring the success of this affair. Incidentally, at this affair the Galileo Lodge received a citation from the Gift of Sight.

A pleasurable and enjoyable mid-May activity is the May Dance to be held by the Ladies Auxiliary on Saturday, the 26th of May. Terry Gatto (433-6708) will chair this activity, ably assisted by Dolores Look (822-5520), Mary Barella (931-3960) and Rose Riccardi (681-0960), all of whom will be selling tickets at the Galileo Lodge every Wednesday night from 7 to 10 P.M. Tickets sell at \$12.50 per person.

President Pete Massiello proudly announces that his grandson, Danny Massiello, has recently been named and (Continued on Page 11)

East Plainview-Old Bethpage

G.O.P. Report

PRESIDENT
Peter D'Amico

P.O. BOX 283 OLD BETHPAGE, 11804

EXEC. LEADER
Dr. Chas. Arzale

BE AWARE -- there are only two weekends left -- May 5th and 6th and May 12th and 13th -- to take advantage of the Waste Management Complex open free to Town of Oyster Bay residents. So, you can complete your outside and inside spring clean up and take your rubbish directly to the Complex, just off Sweet Hollow Road, Old Bethpage. The hours are from 10:30 A.M. to 6:00 P.M. each weekend.

Supervisor Joseph Colby has announced the Town of Oyster Bay will spend over \$1,000,000 to eliminate the possibility of pollution at the Waste Complex. Another \$8,000,000 is being

spent to cap the existing site presently to prevent rain water from percolating through garbage and reaching the water supply.

Good news for the north east -- which in the government survey of housing starts includes Long Island. New home starts rose an astonishing 60.6% in March, 1984. New housing means new sales of furniture, appliances, carpeting, etc. etc. Yes, our local economy is one of the best in the nation.

Mrs. Ann Ocker, our Town Clerk tells us she looks forward to her appearance as our guest speaker at our May 16, 1984

meeting. As a Plainview resident she enjoys meeting her neighbors. She also enjoys answering any questions you may have on the workings of her office and how she and her staff may assist you. Oh yes -- the time of our meeting is 8:30 P.M. -- and the place -- American Legion Hall, Southern Parkway, Plainview -- DON'T MISS THIS ONE.

The Old Bethpage/Plainview Republican Club Dance is scheduled for the Swan Club on May 4. Tickets are \$35.00 per person with music, full dinner, open bar, plenty of fun and laughter.

President Reagan has returned from his recent China trip. The results appear to be more purchases of United States goods by this most populated nation on earth plus an allied attitude regarding the expansionist policies of the Soviet Union.

With summer this year in our Town will come the Summer Youth Employment Program. Eight weeks of employment is offered to over 400 youths between the ages of 16 to 21. A unique aspect of this program is one section devoted exclusively to the severely handicapped. Interested for someone you know? Call 795-5610 -- the Division of Employment and Training.

REMEMBER THE MAY 16, MEETING MENTIONED ABOVE.

And oh yes, it is not too early to mark your calendar for the June club meeting which concentrates on fine foods for members and guests. More on this next week.

HAVE A GOOD WEEK.

Special Use Permit Requested To Construct Office Building

A public hearing has been scheduled by the Oyster Bay Town Board for June 12, to consider an application for a special use permit to construct a four-story office building in Plainview, according to Town Councilman Salvatore R. Mosca.

"The applicant, Executive Management Co. is requesting a special use permit in order to construct the office building on a 2.76 acre parcel of land located in an Industrial "H" District (Light Industry) on the

southwesterly side of Ames Court and the westerly side of Executive Drive in Plainview," Mosca said. The applicant requires the special use permit in order to erect a four-story building for general office use on

property within an industrial zone.

The hearing has been scheduled for June 12, beginning at 10:00 A.M. in the hearing room of Town Hall East, Audrey Avenue, Oyster Bay.

There has been so much happening these last few days, that I find it very difficult to write about all of it in detail in this article. Because of this, I will concentrate on half of the news this week and will complete the happenings in my next article.

To begin with, one of the reasons I did not have the time to be prepared for this article today is because a very close friend of mine, and to many of the residents of Plainview, had passed away on Friday, April 28th.

His name was Harry Kirschner. Many of the students and younger generation were friends of his children, Robert & Andrew. Andrew was a star Quarterback of the Plainview/Old Bethpage Football team. Mr. Kirschner was 53 years old, and will be missed by many. I went from his Sunday funeral to fulfill an obligation I had with the Celebration Day Parade and then prepare for Monday's Celebrity Auction. So with your permission, I would just like to briefly mention the auction, write about the parade and give the Celebrity Auction a

Raap officiated at religious services. Interment took place in Pinelawn Memorial Park.

ELIZABETH LAUTEM
Elizabeth Lautem of Hicksville died on April 29. She was the wife of Robert; mother of Rosemarie Thomas; sister of Henry Malkin. She is also survived by five grandchildren.

She reposed at the Henry J. Stock Funeral Home,

more detailed report in the next issue, including a list of all the contributors.

In regards to the auction, all I will say at this time, is that I was extremely happy to see the large turnout and the unexpected success that it turned out to be. Besides it showing a large profit, the best thing I heard from a member of the Lodge at the end of the evening, was that it was the most entertaining meeting of the year. That I took as a special compliment. Thank You.

For all that attended, marched or participated in the Plainview/Old Bethpage Celebration Day Parade, I'm sure you enjoyed every moment of it. We sure came a long way, from our Little League Parade to a parade with floats, music, banners, souvenirs, balloons and marchers from almost every organization. Since the members of commuter Lodge did not want to take up too much room with our 600 members, we decided to have a small contingency of officers march with a car following to carry our handicapped members. The Superintendent of Schools,

Newbridge Rd., Hicksville. Mass of the Christian Burial was at St. Ignatius R.C. Church and interment followed in Holy Rood Cemetery.

REGINA MORSCHNER
Regina Morschner, 91, of Hicksville died recently. She was the wife of the late Anton; mother of Anne Marie (Schatzie) Murphy; grandmother of Michael,

Louis F. Ferrara, Assistant Lt. Governor and Assemblyman Yevoli were amongst the guest speakers. Our Lodge Brother, as mentioned many times before, was the coordinator of the parade. Brother Burt Silverman, I would also like to give special thanks to the staff of the Plainview Herald who has helped publicize this event and has been a reporting arm of Commuter Lodge #833. It is through the efforts of a newspaper such

as this, that helps pull a community together. If anyone would like to be a part of my articles then just drop a letter to The Plainview Herald, attention Elliott Silverman, with a check of \$5.00 which will assure you of 52 issues mailed to your home every week. (One a week!) Along with that, just give me a call, or drop me a line, on any special neighborhood news, you would like me to cover. You can't go wrong at that price!

Letter to the Editor

Dear Editor:

I would like to urge all of my Plainview/Old Bethpage friends and neighbors to vote YES on Proposition #3 in the May 9 School District vote.

If Proposition #3 passes, we will at long last be able to do something about the substandard athletic facilities in our community. Proposition #3 includes no trails and no luxury items. It will simply give Plainview/Old Bethpage the same kind of track and tennis facilities that are now available in Hicksville, Syosset, Bethpage and other nearby communities.

Proposition #3 will give us facilities that are safe, and that are available for use all

year round.

Proposition #3 is also cost-effective. The planned all weather track will be virtually maintenance free. It will enable us to save the substantial dollars that we are currently forced to spend year after year on upkeep and maintenance of the present dirt/cinder track that turns into frozen tundra every winter and into a swamp every spring and fall.

Please join me on May 9 in supporting a cost-effective, safe and practical facilities improvement program for Plainview/Old Bethpage. Vote YES on Proposition #3.

Very truly yours,
Sj. Michael Polansky

Heart-To-Heart At Fork Lane

BUDDING M.D.s? Sixth graders prepare to dissect heart during Seattle-Berkeley project.

What valve connects the left atrium and the left ventricle? What kind of blood does the pulmonary artery carry? Don't know the answer?

Sixth graders in Mr. Schneider's and Mrs. Magraire's classes at Fork Lane School had a marvelous, first-hand experience regarding the heart. To supplement what the children had been learning as part of the Seattle-Berkeley Health/Science program, Dr. Andrew Schneider paid a visit to the school. Dr. Schneider, who graduates in May from Buffalo Medical School and is the son of Mr. Schneider from Fork Lane,

first demonstrated parts of the heart on four lamb's hearts in the classroom. Students were encouraged to answer questions regarding the heart's functions as well as identify various parts of the heart.

But the lesson didn't end there. Dr. Schneider, who will be doing his residency at Montefiore Hospital in The Bronx, distributed the lamb hearts and the children began learning how to dissect same. Thanks to Dr. Schneider for sharing a wealth of information with Fork Laners. We wish him continue success in his career.

POBRRRC Scores In Dix Hills Run

The Plainview-Old Bethpage Road Runners Club continued its strong Spring road racing season with an impressive performance in the April 29 Dix Hills 10 Kilometer Run.

The POBRRRC team of David Canner, Jack Roden

and Ray Wise took home the first place trophy in the men's open team competition. Canner, led the POBRRRC contingent with a time of 34:29. Roden was close behind in 34:59 and Wise finished in 35:36. Canner and Roden also won individual trophies in the men's 20 to 25 and 31 to 35 age groups respectively. POBRRRC's Tom Hall, John Grever, Lee Bertram and Geza Feld were all less than a minute behind the top three POBRRRC finishers.

The Club's "Fast Feet" Women's Racing Team also put in top performances, as Margaret Santoli (42:03), Nancy Grever (42:37) and Doreen Pettus (44:11) combined to win third place honors in the women's open competition, behind the nationally ranked Atlanta Team and the New York Masters Team. Santoli and Grever also won individual trophies in the women's 20 to 25 and 31 to 35 age groups respectively. Liz Flahavan was a close fourth among the POBRRRC women, and Pam Grever was the second woman overall in the one mile fun run that preceded the 10K Run.

Other individual trophies in the Dix Hills 10K Run were won by POBRRRC's Geza Feld (1st, 51 to 55), Julie Shapiro (3rd, 46 to 50), Erica Gassen (3rd, 41 to 45), and Amanda Scola (45h, 41 to 45).

Overall, more than 50 members of the Plainview-Old Bethpage Road Runners Club were among the more than 500 runners who successfully completed the challenging Dix Hills course.

Plainview - Old Bethpage School And Library Vote, May 9

Residents of Plainview-Old Bethpage are reminded to vote on Wed., May 9th from 10 a.m. to 10 p.m. on the school budget, the library budget, two members for the school board and one member on the library board.

The proposed school budget is \$34,762,124 which will produce a tax rate of \$26.347 per \$100 assessed

valuation, an increase of \$1,800.

Residents will also be asked to approve a capital improvement program, not in excess of \$275,000, needed to renovate the roof at Jamaica Ave. School by a transfer of funds. In addition, in order to rebuild the tennis courts at J.F. Kennedy and Old Bethpage H.S.

and to construct an all-weather track at Plainview-Old Bethpage, a proposition asks for a total of \$275,000.

Library

The library budget is \$1,655,090 which is only \$199.925 - more than last year.

Candidates

Incumbent Norman Moskowitz is being opposed

by John Zohn and incumbent Burton Silverman is being opposed by Ginger Lieberman for three year terms on the school board, and Harold Gottesman and Steve Brenner are vying for a seat on the library board.

Voting will take place at Jamaica Ave. School, Joyce Rd. School and Old Bethpage Schools.

Philatelic Flowers Bloom At The Post Office

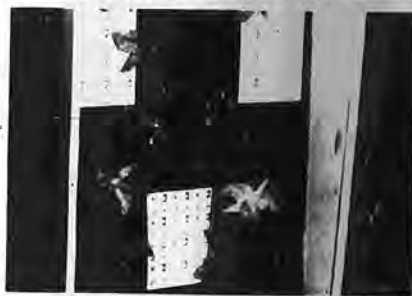

Spring is here and flowers are everywhere especially in the lobby of the Hicksville Post Office. Postmaster Anthony M. Murello is happy to invite everyone to come and pick the flowers, which blossomed for spring-time with the issue in March of a block of four orchid stamps.

Mr. Murello says his office is participating in a nationwide program to call attention to the Postal Service's newest floral stamps and to stamp collecting, which is the world's most popular hobby. The national promotion, which involves over 19,000 post offices, encourages customers to "Collect beauty...collect stamps." Murello says about 22 million Amer-

icans already do collect stamps.

"Stamp collecting is an excellent family activity," Murello says. "It provides entertainment for rainy or sunny days. And, collecting stamps is an entertaining way to learn about people, places and events which have helped shape our nation's history or to focus on the rich natural treasures our nation enjoys."

"Special thanks are in order for Window Superintendent Helen Chambers for coordinating the post office's new plant and flower displays. Window Clerk Sue Lappano made some beautiful flowers which all the customers really enjoy," says Murello.

Flower display at Hicksville Post Office helps Spring promotion encouraging customers to "Collect beauty...collect stamps."

Fifth Grade Celebrates Arbor Day

Mrs. Adele Niceforo's fifth grade class at Dutch Lane School celebrated Arbor Day on Friday, April 27th. In a proclamation issued for the day, Governor Mario Cuomo said, "Arbor Day is a beautiful, symbolic event in New York State. On that day we plant a tree to signify our hope and faith in the future. As the tree grows, it carries our aspirations for future generations."

To help the children celebrate Arbor Day at Dutch Lane, a flowering dogwood tree was donated by Mrs. Jeanette Magnuson, a resident of Hicksville. Mrs. Magnuson, an education major at the State University of Old Westbury, is Mrs. Niceforo's student teacher for the semester.

Arbor Day was the idea of native New Yorker, J. Sterling Morton, who was born in the early 1800's in Jefferson County. "Other holidays repose upon the past," he said, "Arbor Day proposes for the future." The first Arbor Day Celebration was held in 1872 in the state of Nebraska. More than one million trees were planted on that day. The Arbor Day quickly spread to many other states.

In recent years there has been a renewed interest in Arbor Day. Principal of Dutch Lane School, Mrs. Nancy Dee Sorbe, commented, "Tree planting adds beauty to our community, and teaches children to care about the environment around them."

WHAT REAL ESTATE COSTS?

Pretty soon you may have to pay for the privilege of parking at the local shopping center, according to reports from some builders and developers. Why? Because, they explain, real estate costs too much to let you use it for nothing. YOUR real estate is valuable, too. If you've had your home for years, you may be amazed at how its market value has escalated. And if you're selling, you want to make sure that you get what it's worth.

That's where we come in. We put our knowhow and experience to work to set a market price for your house. It will take into account recent sales of comparable houses, up-to-date information on mortgage rates, the current real estate market, and the fea-

tures of the property itself. Setting the right price is often the key to a successful sale. Set it too low, and you lose out on the potential return on your real estate investment. Set it too high, and you frighten away potential buyers; by the time the price is lowered to a more realistic level, the offering may seem stale.

Because your real estate is valuable, it deserves professional sales expertise. List with

Something To Think About

BILL WAGNER DIRECTOR
WHAT IS EMBALMING?
 Embalming is the replacing of the fluids in the deceased with chemicals for disinfection and temporary preservation. The licensed embalmer will carefully wash and cleanse the body. The preserving chemicals will then be injected into the body, under carefully controlled pressure, through an artery. At the same time, the body fluids will be removed through a vein. Ordinarily, the entire embalming process can be accomplished through one incision in the vascular system.
 Embalming is prescribed by law. This is done to permit a body to be transported, from one state to another state or from another country to here.
 It may also be necessary to protect public health where death was due to certain infectious diseases.

Roadrunners Meeting

The Plainview-Old Bethpage Road Runners Club takes great pleasure in announcing that Dr. Mark Pitman, the Chief of Sports Medicine at the Hospital for Joint Diseases Orthopedic Institute will be the featured speaker at its May 8 meeting. The meeting will be held at the Plainview-Old Bethpage Public Library, 999 Old Country Road in Plainview, starting promptly at 8:00 PM. The general public is most welcome to attend.

Dr. Pitman, a nationally known expert in the field of sports medicine/orthopedics, is a member of the American College of Sports Medicine, the American Orthopedic Society for Sports Medicine. He also serves as Assistant Clinical Professor of Orthopedic Surgery at Mt. Sinai Medical School and has a private practice based in Syosset.

His talk will focus on injury prevention in athletics, with special emphasis on injury prevention for children. Questions will be accepted from the audience.

Nature Walk

Visitors of all ages are invited to see common and unusual wildflowers flourishing when a special guided two-hour nature walk is held at Muttontown Preserve Saturday, May 19, from 10 A.M. to Noon.

Admission is free, but advance registration is required. Call 922-3123 to register.

A Visit From The Jets

New York Jets, Mike Augustyniak and Kenny Lewis, are pictured with youths from the St. Mary's of the Angels Home in Syosset. St. Mary's, which is dedicated to helping boys in need ranging in ages from 8 to 18, celebrated its 90th year and has had June 23, 1984 named "St. Mary of the Angels" Day by Nassau County.

Mike and Kenny entertained the children recently with firm clips from past Jet's football seasons and answered a multitude of questions about the National Football League.

St. Mary's is holding its second annual dinner dance on June 23rd at the Marriott Hotel in Uniondale. Dinner tickets and journal ads are available and can be obtained by calling (516) 921-0808.

Kites Galore Comes To Hicksville

By Rose Saracino

Diversified Promotions, Inc. is the new guy on the block. Formed in 1978 by long time residents Nick & Sue Carrera, Diversified Promotions moved their operations from Queens to Hicksville on April 1, 1984. They are a printing and promotions company with such versatility that it can supply a customer with just about anything they need which concerns advertising and marketing products.

Remember the good old days when we were youngsters and went to the 5 and 10 store on Broadway in Hicksville to buy paper kites for 15¢. Times have changed since then. Downtown Hicksville has gone through an evolution and so has the kite industry.

I was passing by one day and saw the display in the window so I stopped in. I

asked Mr. Carrera what kind of business they were in, and Mr. Carrera explained to me the services he performs for his customers. Then I asked about the kites and how he got started with the idea.

"We had an opportunity to do some display work for one of our customers this year," stated Mr. Carrera. "They wanted something different for displays in their store to bring in the Spring season." He recommended kites, the likes of which I have never seen before. I saw nylon Shark kites, Giant Delta Wing kites, Box kites, colorful Windsocks, Spinning Parachutes and many more designs too numerous to mention.

I asked why so many varieties? "Well, I got carried away and purchased additional inventory," Nick explained. So I asked him

"now what?" "Now we sell wholesale and retail. We have mail order customers throughout the United States, Canada and England. The local residents are coming in to purchase now also."

I was so intrigued by this company, that I wanted to pass the word. I wish them much success in the years to come. If anyone gets a chance to go there, it will be worth the trip. They are located at 391 South Broadway, Hicksville.

Fashion Show

The Annual Fashion Show sponsored by the Women's Auxiliary of the Lutheran Friends of the Deal will be held on Saturday, May 19, at 2:00 P.M. at Mill Neck Manor Lutheran School for the Deal, Mill Neck.

Receives Award

Dr. Jerome Botwinick, Principal, is pleased to announce that David Gershfield, a sophomore at the Plainview-Old Bethpage High School, has been selected as one of ten recipients of this year's Princeton Book Award by the Princeton Alumni Association of Long Island. The ten selectees include eight juniors and two sophomores from a group of some 150 candidates representing all of the public and private schools on Long Island.

Congratulations are extended to David and his family on the outstanding record he has established thus far in his high school years.

Tickets are \$3.00 and may be purchased at the door.

There will be door prizes, raffles, boutique articles, and refreshments.

Area high school personnel gave an in depth report on the activities and aims of Students Against Drunk Driving (S.A.D.D.) to Hicksville rotarians at their weekly luncheon meeting in the Millbridge Inn last week.

Taking part in the program and shown above (l to r) are rotarian Dr. John Shields, Principal of Oyster Bay High School, Mike Cromley, Oyster Bay High School, Jeannie Durnack, Hicksville High School, Harry Peltz, President of the Hicksville Rotary Club and Barry Boris, teacher and advisor at Hicksville High School. The participants were presented with the Rotary Club's Certificate of Appreciation. (Photo by Joe DePaola)

Becomes Adelphi's First Coordinator of the Disabled

As the first woman to complete the New York City Marathon, 26 miles, on crutches, Linda Down, Adelphi University's first Coordinator for the Disabled, can hardly be categorized disabled. In fact, Linda is very emphatic about holistically pigeon-holding anyone. "What we need to do," says Down, "is put the disability in perspective and realize our common humanity."
As Adelphi's first Coordinator for the Disabled, Ms. Down has an extensive job ahead. A victim since birth of cerebral palsy, she full-well realizes the needs of disabled persons as well as their anxieties. After a complete assessment of the individual needs of the disabled on campus, Down plans to begin an extensive assessment of campus facilities. "The importance of this analysis cannot be understated," says Down. "Barriers arise according to a person's individual disability - lack of an elevator might be prohibitive to those in wheelchairs but someone on crutches might not be denied access." From here, Down plans to publish safety procedures. "It's not that there's a lack of procedure at Adelphi," she explains, "rather there exists a lack of awareness of procedure."
By continuing to work closely with Dr. Gerald Heeger, Adelphi University's Provost, Down acts as a liaison between the students and university administrators. Her "How can I help you do this for this particular student?" Attitude relieves administrators of the total burden of supplying services while bridging the gap between the student in need and the service provider. Although Ms. Down finds Adelphi "very supportive" toward change, she is well aware that the campus cannot be made completely accessible to all students with handicaps overnight but she is determined to do the best that can be done within the limits presently available.

ELECTION
HICKSVILLE UNION
FREE SCHOOL
DISTRICT
HICKSVILLE,
NEW YORK**

NOTICE IS HEREBY GIVEN that pursuant to the resolution of the Board of Education of Hicksville Union Free School District, Hicksville, New York, adopted February 8, 1984, the (Annual) District Election of the qualified voters of this School District will be held on June 13, 1984, between the hours of 10:00 o'clock A.M. (D.S.T.) and 10:00 o'clock P.M. (D.S.T.) in the seven election Districts, stated below, for the purpose of voting upon the following proposition(s):

PROPOSITION NO. 1

Shall the Budget approved by the Board of Education pursuant to Section 1716, be approved, and a tax on the taxable property of the District in the amount of such Budget, less State and Federal Aid and revenues from other sources be levied?

**PROPOSITION NO. 2
SHOULD THE BOARD
OF EDUCATION ADOPT
THE FOLLOWING POLICY?**

1. In each public school classroom, the teacher in charge may, at the opening of school, upon every school day, conduct a brief period of silent meditation with the participation of all the pupils therein assembled.

2. The silent meditation shall not be conducted as a religious service or exercise, but may be considered as an opportunity for silent meditation on a religious theme by those who are so disposed, or a moment of silent reflection on the anticipated activities of the day. "Participation" shall be construed to permit scaled participation and not to require any pupil to stand.

NOTICE IS FURTHER GIVEN that nominating petitions for the office of member of the Board of Education must be filed with the Clerk of the School District no later than thirty (30) days before the (Annual) Meeting, said date being May 14, 1984 between the hours of 9:00 A.M. and 5:00 P.M. A separate petition shall be required to nominate a candidate to each separate office. Each petition shall be directed to the Clerk of the School District, shall be signed by at least 70 qualified voters of the District (the same being two percent (2%) of the number of voters who voted in the previous Annual Meeting, shall state the residence of each signer, the name and residence of the candidate, and describe the specific vacancy for which the candidate is nominated, which description shall include at least the length of the term of the office and name of the last incumbent. Forms of petitions for School Board Members may be obtained from the Clerk of the School District.

The following vacancies are to be filled on the Board of Education:

Fire Dept. Kicks Off Fund Drive

The Hicksville Fire Dept. has started mailing out fund drive literature to residents.

Your Fire Dept. is 100% volunteer, 225 members using 18 pieces of apparatus. Three fire stations answer alarms 365 days a year. Many sacrifices are made in time and effort to provide Hicksville residents with the best fire protection. Through efficient operating methods, the Hicksville Fire District insurance classification is a Grade 4.

The Fire Dept. does

much more than extinguish fires. A year-round public education program is provided. A rescue squad, Hazardous Materials Response Team give that little bit extra to keep Hicksville safe.

While your tax dollar provides for equipment and maintenance, your generous donations are needed to fund our eight companies and squads.

Please help us help you. As always your support is greatly appreciated.

We've planned a fine program for our membership meeting on Friday, May 11, 1984. Two fine Republican candidates for the New York State Assembly, Fred Parola, Jr. and Ann Gold, will present to us their reasons why they should be our representatives in Albany.

Frederick E. Parola, Jr. is well known to his constituency. He travelled the length and breadth of Hicksville knocking on doors to ask our community to support him in his endeavors to be elected to the New York State Assembly. Fred then returned after he was elected to again trek through our community to thank everyone for helping him become their representative.

As Assistant Minority Whip in the State Assembly, Fred has been instrumental in influencing favorable legislative decisions which affect not only our community, but all of Nassau County and Long Island. His Committee assignments include education, energy and environmental conservation.

Long an active member of

many organizations, agencies and civic and private associations, he has constant input from the "grass roots" constituency. This enables Fred to have a better understanding of the desires and wishes of those people whom he represents.

Fred is married to Susan Poster and they reside in Wantagh. He is a graduate of Albany Law School (Union University), and is a partner in the law firm of Parola, Feuerstein & Gross.

He is also the Wantagh Republican Executive Leader, and a Republican Committeeman.

He has held positions in the Nassau County District Attorney's Office, Town of Hempstead Housing Authority, Legislative Counsel, in the N.Y.S. Senate Committee on Crime and Correction, and as a teacher in the adult education programs in both the Copiague and Wantagh School Districts.

Fred brings to us his expertise and knowledge in matters which are of utmost importance to our community.

Ann Gold is seeking the Republican nomination for the New York State Assembly District. She recently won the unanimous endorsement of the Executive Committee of Nassau County Republican Committee.

She is now serving her third two-year term on City of Glen Cove Council. Gold is the only Republican woman in Nassau County who holds a local legislative office.

Gold said she is running because Democratic incumbent Lewis Yevoli has failed to represent the district effectively. She said her experience as a city council member has given her an insight into the problems of local governments on Long Island, which are consistently shortchanged by the state. Ann said that Nassau County taxpayers and motorists pay more in taxes and fees to the state than they get back in state aid. The money collected here, she said, is diverted to benefit other areas of the state. Gold also said Yevoli has never demonstrated that he even understands the inequity, let alone tried to correct it.

Ann has earned two Master's degrees: one in Public Administration and another in American Literature. She

Chamber Elects Officers

At a recent meeting of the Hicksville Chamber of Commerce, the following officers were elected for 1984-85:

President, Effie Krogmann; Vice President, Bernhard Bruns; Secretary, William M. Heberer, Jr.; Treasurer, Irwin Goldman.

Directors for a three year term to expire in 1987: August J. Cassella, Constance T. Clark, Harry Smith, William C. Wagner. In addition, Roy B. Jones was elected to fill the unexpired term of Mr. Heberer on the Board of Directors.

Annual Spring Concert

On Wednesday, May 9, the High School Music Department will present its annual Spring Concert. Featured performing groups will be the Girls' Chorus, the Madrigal Singers, the Chorus, the Symphony Orchestra, the Concert Band, and the Symphonic Band. The program will be presented in the High School Auditorium at 8:00 P.M. and will be free to the public.

The Madrigal Singers and the Chorus will be under the direction of Charles Arnold J. David Abt will conduct the Concert and Symphonic Bands and William Golecke will lead the Girls' Chorus. Thomas Buttice will direct the Symphony Orchestra. The entire Music Department extends a cordial invitation to all to attend this annual favorite and to enjoy the performances of Hicksville's young musicians.

was recently named "Woman of the Year" by the Business and Professional Women's Organization of Nassau County. She is also a member of the Executive Committee of the N.Y.S. Association of City Councils and a member of the Legislative Committee of the N.Y.S. Conference of Mayors and Other Municipal Officials.

In addition to being a Councilwoman, Ann has been Director of Public Affairs for the Nassau

County Department of Drug and Alcohol Addiction for the past 13 years.

Her wealth of experience makes her a "sure-fire" candidate for the New York State Assembly. But she needs our support in her election campaign!

Please attend our May 11 Club meeting to show our support for these two candidates for office. You will have ample time to meet them both and ask questions of each.

The meeting will start at

8:30 p.m., VFW Hall, 320 South Broadway, Hicksville. Refreshments will be served and you'll have a chance to win the Membership Drawing and Dark Horse — but only if you're present at the meeting.

Plan on making your arrangements to attend our Club's dinner/dance on June 2, 1984, at the Sons of Italy Galileo Lodge. Tickets for this fun-filled event are \$25 each and will be available at the meeting on a "buy now, pay later" basis.
