Coalition Meets Again

At the second meeting of the "Hicksville Coalition to Maintain a Moment of Silence," goals were discussed, a change of registration date was noted and an appeal for support was made.

The Coalition was concerned that high quality education will continue in the Hicksville School System, with a continued emphasis on the basics and high academic achievement. Support of the School Board candidates was reserved until after all the candidates have filed and can be interviewed.

It was brought to our attention that the original registration date was changed because of a religious holiday. Thursday, May 31st from 3 P.M. to 5 P.M. has been set aside for

registration. Mark your calendar.

The committee also suggested that everyone who wished the "Moment of Silence" to continue, to take a few moments out of their day on June 13th between 10 A.M. and 10 P.M. Voter absence will create the destruction of silence.

"At this point, an appeal for help, support and contributions was made to the committee members. We, as a coalition of a broad cross-section of our community, need the support of the people of Hicksville to achieve our goal, to 'Maintain a Moment of Silence.' All who wish to join in this effort can mail correspondence to: 'Hicksville Coalition to Maintain a Moment of Silence,' 5 Petal Lane, Hicksville, NY 11801," said a spokesperson.

Our Armed Forces

Navy Seaman Recruit Louis E. Collazo, son of Frank and Benedicita Collazo of Salem Road, Hicksville, has completed recruit training at the Naval Training Center, Great Lakes, Ill. During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic

occupational fields. Included in their studies were seamanship, close order drill, Naval history and first aid.

William J. Mato, an 18 year old HICKSVILLE native, has returned home from Marine Corps Recruit Training at Parris Island, S.C. on 23 March 1984.

Meeting on Proposed Jericho (Landia) RR Station Reopening, Thurs., May 17

The possibility of re-opening the Jericho (Landia) RR Station, located between the Hicksville and Syosset RR stations on the north side of the LIE between South Oyster Bay Road and Robbins Lane in Syosset, combined with the proposed construction of an on-grade 1500 car commuter parking facility on top of the Town of Oyster Bay's closed Syosset landfill, will be discussed at an informational meeting set for Thursday, May 17 in the Syosset High School auditorium on Southwoods Road. The meeting, which has been called by MTA, Town and County officials, will start at 8 p.m.

11,500 commuters residing in the communities of Hicksville, Plainview, Old Bethpage, Jericho, Syosset, Bethpage, East Norwich and Woodbury, have received the following letters from Supervisor Joseph Colby.

Dear Commuter:

The Long Island Railroad is considering the construction of a new commuter station between the Hicksville and Syosset stations on the north side of the Long Island Expressway between South Oyster Bay Road and Robbins Lane, Syosset, which will be accompanied by an on-grade 1500 car commuter parking facility, to be constructed by the County and Town.

Studies have determined that the additional 1500 commuter parking spaces will significantly reduce the overcrowded parking conditions at Hicksville and Syosset, where there is no room left to construct additional commuter parking.

Prior to action being taken on this proposal, which will benefit commuters from a large portion of our Township, the railroad has scheduled a public meeting so that the plan can be explained and community views received. This meeting will take place in the auditorium of the Syosset High School on Southwoods Road on May 17, 1984, beginning at 8:00 P.M.

Being a commuter, it is important that you attend this meeting to learn about the proposal and to provide your views concerning the need for additional parking spaces. Like any other "new" proposal, this one may be met with opposition. Although concerns expressed in the past have been reviewed and it has been determined that the local community will not be adversely affected, it is vital that the L.I.R.R. receive input representing all points of view.

If you believe the project will benefit you — either by giving you a new, more convenient station or, as studies indicate, by freeing up parking spaces at Syosset and Hicksville — it would be in your interest to attend this meeting and voice your opinion.

If you cannot attend the informational meeting or are not sure you will be able to attend, please be sure to take the time to make us aware of your view by completing the coupon

below and mailing it to the Oyster Bay Town Clerk, Ann R. Ocker.

Sincerely,
JOSEPH COLBY

☐ I agree that there is a need for additional commuter parking and I support the opening of a new railroad station between Hicksville and Syosset.

☐ I do not agree and I feel that there is already sufficient commuter parking at the Hicksville and Syosset stations.

Favorable Reactions

These proposals were brought up and discussed at the May meeting of the Hicksville Community Council. All present, representing over 20 Hicksville organizations plus other interested citizens, viewed these proposals with approval. Many were disturbed at the overcrowding of the parking lots and business and residential streets in the vicinity of the busy Hicksville RR station. This is due to the fact that the parking presently available is insufficient for commuters, hundreds of whom come from many surrounding areas to use Hicksville for commuting and parking. "Our streets, both business and residential, are extremely overcrowded right now," said one Council member. "And our residential streets are forced to live with the pollution brought about by hundreds of cars from neighboring areas, each business day," he concluded.

"We need this type of proposal to bring about a fairer distribution of the thousands of daily commuters," another member stated.

It was unanimously agreed that, inasmuch as Hicksville at present is at an almost gridlock condition twice a day, due to commuting needs throughout the area, that letters should be written to Supervisor Colby approving this proposal and that as many as possible would attend this informational meeting on Thursday, May 17th starting at 8 pm in the auditorium of the Syosset High School, to testify to the need for these proposals.

Other Hicksville residents complained of cars parking along their residential streets and at times, even blocking their driveways. They too felt that these proposals would provide a fairer distribution of the ever-growing commuter traffic load and would not leave all the overcrowding and pollution "dumped on Hicksville."

Jericho Opposed

Jericho residents through several local civic associations expressed anger that such a plan should be considered at all.

"Our residential streets will be filled with commuter cars from many areas," they said as they worked together in an all-out drive to arrange for residents to attend the May 17th meeting and oppose the reopening of the Landia (Jericho) RR station, and the adjacent parking areas.

Alumni Cocktail Party --Scholarships

Three thousand, one hundred dollars in scholarships have been designated to the Class of 1984 by the Hicksville Alumni Association Board of Directors.

President James Fyfe also has announced that the annual Cocktail Party, which enables support for scholarships, and the annual Varsity Girls and Boys

Senior Dinner, will be held at Wickers on Sunday, May 20th at 4:30 p.m.

Milton Levitt of Ben Levitts, Broadway, Hicksville, is the chairperson with his wife, Susan. Tickets, which may be secured from him are \$15.00 per person.

The arrangements made with the extraordinary hospitality of the Wickers man-

agement, was the highlight of the 25th Anniversary Alumni year. Almost 200 people enjoyed the crisp, delicious food and amiable sociability.

Hicksville High School Alumni Scholarships are: Dr. Leon J. Galloway Awards—Six Hundred Dollars Senior Girl Athletic, Six Hundred Dollars Senior

Boy Athletic, Mabel R. Farley Scholarship, One-Thousand Two-Hundred and Fifty Dollars, William Geyer Memorial, Two Hundred and Fifty Dollars, Empire Storage Warehouse Awards, Five Hundred Dollar Award in the Field of Transportation, One-Hundred Dollars - Nina Plantz Award.

Hicksville Open Planned

This special outing is for the benefit of the Hicksville Library, which will be the recipient of the proceeds.

The tournament will begin with a 1 p.m. tee-off, and will include all golf fees,

cart, lockers. Following the tournament, a full dinner is planned at the Country Club, including a cocktail hour, open bar and prime ribs of beef entree. The cost for the whole day is only \$60. All are welcome.

Show your civic pride and come join these Clubs for the worth-while outing.

IT'S YOUR MONEY

by Ron Roel

Why Ginie Maes?

As America's economic recovery picks up speed, increasing numbers of individuals and families are looking once again at solid investment opportunities.

What's hot right now with young professionals and couples?

"Ginie Maes," says financial counselor Stephen O'Reilly, a bond broker with David Lerner Associates, Inc. in Lake Success.

"Ginie Maes are one of the least understood investments available to the general public," he says. "It's ironic, really, because Ginie Maes have some very attractive features over many other investments."

Mr. O'Reilly, who has been selling bonds and handling investment portfolios for over four years, says that Ginie Maes—short for "Government National Mortgage Association" certificates—provide safety, liquidity, a monthly income, and high yields that have consistently exceeded those from money market funds and CDs.

"Right now," Mr. O'Reilly observes, "the yield on Ginie Maes is over 13 percent. The certificates are backed by the federal government and they're readily transferable. They're highly attractive vehicles for IRA, Keogh, and corporate pension plans."

He adds that investors receive payments for principal and interest every month, and this monthly income therefore constitutes a unique "reinvestment cash flow."

If used in conjunction with a money market fund, this package provides an effective hedge for changing interest rates.

"Since you're getting a monthly payment, you'd have to obtain a higher yield on a semi-annual payment bond to equal a Ginie Mae's return. This means you'd need a 13.38 percent return to match a 13 percent Ginie Mae yield."

A free booklet on "Ginie Maes—The Investment For The '80's!" is available from Mr. O'Reilly at 14 Douglas Drive, Glen Cove, NY 11542. (516) 437-6300.

Torchbearer Timothy Towers Runs His Kilometer To Help Kick Off Summer Olympics

Under rainy skies similar to those the day he was chosen at the Nassau Farmers Market to carry an Olympic Torch for Long Island, 12-year-old Timothy Towers of Levittown ran through the streets of Manhattan May 8 for a portion of the 12,000-mile Olympic Torch Relay from New York to California.

Timothy, a sixth-grader at the St. James Elementary School in Seaford, ran one kilometer (about five-eighths of a mile) from Fifth Avenue and East 57th Street to Columbus Circle.

The Torch Relay started at the United Nations with descendants of Olympic greats Jim Thorpe and Jesse Owens running the first kilometer, and a 91-year-old runner, Abel Kiviat, running the second kilometer.

Mr. Kiviat, the oldest runner in the New York portion of the cross-country relay, handed off the flame to Timothy, the youngest runner.

Dressed in an official, multicolored uniform with

the designation "1984 Olympic Torch Relay Participant," Timothy shivered in the chilly, damp morning as he stood on the sidewalk on East 57th Street, across from Bonwit Teller, with his mother Jeanne, friends, and reporters, all waiting for Mr. Kiviat to arrive and light the 2.2lb. bronze propane torch Timothy held.

When Mr. Kiviat reached Timothy, the boy, accompanied by a police escort, slowly jogged west on 57th Street, with hundreds of passers-by pausing during the rush hour to witness a part of the Twenty-Third Olympiad history in the making.

"I feel great," said Timothy, who has become a local celebrity since his selection on March 11. The Nassau Farmers Market in Bethpage, one of the corporate sponsors of a Torch Relay kilometer, held qualifying heats for hundreds of Long Island youths, and then Bruce MacDonald, former Olympic Track and Field Team

Manager, selected the name of the winner from a bowl stuffed with the names of the qualifying runners.

"It doesn't matter that it's raining," Timothy said the morning of the Olympic Torch Relay. "I won't work up a sweat!"

Timothy has been honored by Nassau County Executive Fran Purcell and by the New York State Assembly and Senate, with proclamations introduced by local legislators. He was also cited in the Congressional Record by U.S. Representative Norman Lent.

As part of Timothy's winnings, the athletic department of the school he attends was given a check for \$500 by Spiegel Associates of Hicksville, owners of the Nassau Farmers Market, at a ceremony on April 11.

The Olympic Torch Relay, the longest relay in history, will end on July 28 at the Los Angeles Coliseum, when the flame will arrive to be used to open the ceremonies indicating the start of the Olympiad.

Accompanied by an official Olympic runner, 12-year-old Timothy Towers of Levittown, sponsored by the Nassau Farmers Market, runs the third leg of the cross-country Olympic

Torch Relay May 8 in Manhattan.

"A Charity Bazaar"

The Exhibit for the 25th Anniversary opening of the Gardens will portray "A Charity Bazaar" which might have been held at Old Westbury Gardens in the era of 1910. These bazaars quite often took place during that period on the grounds of the various estates in Old Westbury and its environs to benefit a favorite local charity.

OLD WESTBURY GARDENS has tried to depict a small segment of such a bazaar held at the height of luxurious living. This exhibit promises to be a delight for everyone.

The Gardens is open Wednesdays through Sun-

days from 10 AM to 5 PM. Contributions to visit the grounds, with its magnificent trees and flowers, sweeping vistas and sparkling lakes and ponds is \$3.00 for adults and \$1.00 for children (6-12). There is an additional donation to tour the mansion and see the exhibit of \$2.00 for adults and \$1.00 for children. Seniors contribute \$2.00 for both house and gardens.

OLD WESTBURY GARDENS is listed on the National Register of Historic Places and is located on Old Westbury Road between Jericho Turnpike and the Long Island Expressway. For further information, please call (516) 333-0048.

Concert

COVENANT, a seven-member music ministry team from Messiah College, Grantham, Pennsylvania, will be travelling through New York on their spring tour, May 5-13.

Concerts consisting of both traditional and contemporary Christian music will be presented on Saturday evening, May 12, 8:00 p.m. at the Coffee House Ministry of the Syosset Bible Baptist Church, 178 Cold Spring Road, Syosset, phone number 921-8747.

Jaime Rivera, Admissions Counselor for Messiah College, will be traveling with the group and will be available to answer any questions you may have after the concert.

For more information about the concert, please contact the church where the concert will be held.

"We look forward to seeing you there!" said a spokesperson.

New PR Firm

George Haber, former Director of Business Development and Account Manager with G&R Associates, Melville, has formed his own public relations and marketing communications agency, called Information Services. At the same time, he announced the appointment of the agency as consultant to three new clients.

The clients are Nav-Com Incorporated, Deer Park, NY; Spiegel Associates, Hicksville, NY; and the British Commonwealth Secretariat and Government of Nigeria.

Nav-Com is a marine and land-based electronic systems integration firm which has been named by Inc. magazine as one of the 500 fastest-growing companies in America. The company recently introduced a unique, land mobile communications system that uses the International Maritime Satellite network.

Spiegel Associates is one of Long Island's largest

commercial builders, developers, and property managers. The company also owns and manages the 30-year-old, 400-booth Nassau Farmers Market in Bethpage.

Mr. Haber said his agency will work as the public relations and marketing communications component of Treco International Service, Syosset, which was recently awarded a contract by the British Commonwealth Secretariat to develop an export promotion program for Nigeria in the United States. Treco is a trade and marketing consulting firm that works with foreign governments and US companies interested in overseas investment and trade.

Mr. Haber said that his agency will specialize in representing companies and individuals in hi-tech fields, international business, and professional services in the areas of law, finance, medicine, real estate, and computers.

Prior to joining G&R Associates, Long Island's largest public relations agency Mr. Haber served as Media Relations Manager for Sperry, Senior Writer for Press Relations for the American Bureau of Shipping, and Director of Public Relations for the Long Island Board of Realtors. He also has served as Public Relations Counselor to Prime Minister Edward Seaga of Jamaica and the Jamaican Government. Mr. Haber has written as an editor, contributing editor, and staff writer for science, trade, and consumer publications, and is a New York correspondent for Reuters News Service. He holds a master's degree in journalism from the Medill School of Journalism, Northwestern University, and constructs workshops on marketing and public relations sponsored by the US Small Business Administration and the State University of New York—Farmingdale.

Dear Friends:

We hope you all take the time to read the story on Landia RR Station on page one of our Hicksville edition this week. It contains all the information available regarding the proposed re-opening of the Landia RR Station in Jericho, and the proposal to cap the Syosset landfill nearby and make a 1500 commuter parking area at this site, in order to relieve overcrowded conditions at Hicksville and Syosset.

Further information and an opportunity to express your opinion will be available next Thursday evening, May 17th, starting at 8 pm at the Syosset High School on Southwoods Road where an informational meeting has been scheduled by MTA and local officials.

If it is not possible for you to make this meeting, and you wish to express your opinion, you can do so by writing to the Town Clerk, Mrs. Anne Ocker, Audrey Ave., Oyster Bay, NY.

This is a very important matter to all of us, whether we are commuters or residents.

At present the areas around the Hicksville RR station, including many residential streets are overrun with commuter traffic and parking. It is projected that this will be increasing in numbers. So, whatever may be the way that these problems will be solved, they cannot be ignored, for they are already at a crisis condition here in Hicksville.

If we don't make our opinions known to those who do our Town and County planning, we can expect little consideration. And we can blame no one but ourselves if we fail to act when the opportunity presents itself. Thursday night's meeting is just such an opportunity. You may be sure that groups from the other areas surrounding Hicksville will be there in numbers opposing these proposals.

We believe that Hicksville should have its commuters and residents at this meeting too, so that, when it is eventually solved, it will not be at our expense. We have more than our share right now. Let's ask for a fair solution to this growing problem.

AN OPEN LETTER TO THE COMMUNITY.

I am writing today to ask for your support in my campaign for re-election to the Hicksville Board of Education. I want more than anything else to be given the opportunity to continue striving to provide the best possible education for all our Hicksville children.

For almost twenty years I have given my time and effort to our school community through my PTA leadership and work on educational projects. I am, as you may know, a past president of the Lee Avenue PTA and the Hicksville Council of PTAs. During all these years I gained the invaluable experience and knowledge of our schools that caused the Board of Education to appoint me to a Board seat when a vacancy arose; a seat which I later won by election.

Not many people realize the skills and stamina needed to be an effective member of the School Board. The workload is staggering and the hours long. It is no job for a person lacking in commitment or experience; and it is certainly no place for a "single issue" candidate. This brings me to the part of this letter that I especially ask you to read carefully and to consider.

We have been through an ordeal in our community over the "moment of silence" issue. We have been divided, and former friends have become foes, and emotions have been so strong that residents have shouted in anger and frustration at each other during meetings; because prayer and faith are things that we all feel deeply about. Do you think it was easy for me to separate my Christian faith in prayer from what I saw as my legal responsibility as an officer of the School Board? I can tell you here it was not. I

acted in good conscience on the advice of our attorney who urged us to withdraw our policy or face a suit against the school district by a parent and the Long Island Civil Liberties Union, a suit which he believed we would lose. I sincerely felt that I was acting to protect the taxpayers of this community.

However, I have always considered myself responsible to community needs and priorities, and so when it became apparent that a great many residents were willing to risk a suit and were willing to wage a court battle to save the "period of silent meditation", I willingly cast the fourth and DECIDING vote needed to put the referendum on the ballot. WITHOUT MY VOTE THERE WOULD BE NO REFERENDUM and no opportunity for the entire community to let the Board know their wishes on this matter. At that meeting I also promised publicly that I would abide by the results of the referendum, and I again promise to do so.

Fortunately, the Board has recently learned that a clause in our liability insurance has eliminated the risk of great taxpayer expense in the event of a lawsuit against the district. But even more important, the Supreme Court of the United States has recently agreed to rule on the constitutionality of the Alabama "silent meditation" statute. The Court's decision, expected this fall, will become the "law of the land" and will settle the issue for all the states that have similar statutes, including New York. Hopefully, the fact that the Supreme Court ruling is expected shortly, will deter the Civil Liberties Union and its plaintiff from instituting a suit if the referendum passes.

Thank you for taking the time to read this lengthy letter. I fervently hope that you

will think it over and decide to re-elect me to our Board of Education so that I may continue to work for good schools for our children.

Respectfully,
Honey Singer
Secretary, Hicksville Board of Education

To the Editor:

I would like to introduce myself as a candidate for the forthcoming school board election in Hicksville on June 13, 1984. My name is John Montalto and I will be seeking the seat of the incumbent board member, Jay Schwartz.

I am 38 years of age, married, and a lifelong resident of Hicksville. My three children all attend Hicksville Public Schools. Teresa is a high school senior, John is a Sophomore and Joseph attends Dutch Lane Elementary School. In fact, I am a 1964 graduate of Hicksville High School.

My academic qualifications include an Associate of Science Degree from Nassau Community College in Criminal Justice, a Bachelor of Science Degree from Adelphi University in Management and Communication, and I am currently completing a Master's Degree from L.I.U. at C.W. Post College. I have been employed as a Police Sergeant with a local municipal police department for the past 17 years and hold a N.Y.S. Police Instructor Certificate.

Community service is not new to me. I have been

involved in many community organizations including: Hicksville American Soccer Club-past Executive Board member, Commissioner and Coach.

Hicksville High School Marching Comets - Parent Assoc.-Exec. Board Member, Boy Scouts of America - Troop Committee Member, Troop 172, East Street School.

Hicksville Alumni Assoc. - Member.
Member - Police Holy Name Society, International Police Assoc., International Assoc. of Chiefs of Police, Nassau Police Conference, Metropolitan Police Conference, N.Y.S. Police Conference, and the Shields.

I have a vested interest in our community and a strong personal commitment to the children of Hicksville. I feel that every taxpayer has a right to demand the best possible educational standards that his or her hard earned tax dollar can provide. Furthermore, I feel that the school board must be responsive and cognizant to the problems of the educational community. Therefore, I would like an opportunity to contribute and to serve as a member of the Hicksville Board of Education.

Please vote on June 13th. Together, I feel that we can look forward to a better education in Hicksville for our children.

Yours truly,
John H. Montalto

Hicksville School Board Meeting

The Conference Room and surrounding hallways took on the appearance of an art gallery for the Board meeting of May 9 adorned by a display of works by Senior High students of Mr.

Ericson, Mrs. Jonason, and Mrs. McNamie. This was another in a series of educational and cultural presentations scheduled for Board meeting nights for the enjoyment of Board

members and the public. Thanks go to all our participating student artists whose works were drawn from their portfolios submitted as part of their Regents exam in art.

During the action section of the meeting, the Board approved the Special Education Summer School Program scheduled for July 2 through August 10, 1984. The program, budgeted at approximately \$90,000, is completely funded through the Family Court.

Bids were awarded for floor maintenance supplies (\$7300.87), carpet (\$2,000), computers (\$7419.38), and furniture district-wide (\$48,485.78) for a total of \$65,206.03. Claims and warrants in the amount of \$12,524,497.89 were also approved.

In other actions, the Board accepted the recommendations of the Committee on the Handicapped generated at the meetings of April 4 and April 11. The school calendar for 1984-85 authorized by the Board includes 181 days of instruction. The first day of school will be September 5 and the last day will be June 21, 1985.

The Superintendent began her report with a brief outline of the many activities in which members of the staff have been involved. Director of Special Education Robert Greenberg participated with SHS teachers Andrea Weisberg and Michael Sheridan in a presentation of the district's PREP Program at the Council for Exceptional Children Convention in Washington during the spring vacation. Burns Avenue Principal Dr. Frank Burke gave a presentation for the National Council for Elementary Principals. He has been working with C.W. Post on the concept of a principals' center to coordinate speakers and programs for Nassau County elementary principals.

Unusual Minerals At Museum May 27

On display at the Hicksville Gregory Museum this summer will be an exhibition of unusual and high quality mineral specimens. Commencing Sunday, May 27th, the Long Island public will be able to view the Leonard Zarin Mineral Collection, a recent acquisition by the Museum.

Until recently this fine collection of minerals has been seen only by the privileged few to visit the Zarin home. The collection has been seen in part at gem and mineral shows, over the years, but this will be the first opportunity for the collection to be viewed in large part in a permanent exhibition.

The Zarin Collection consists of over 600 mineral specimens and represents over twenty years of rock hunting and mineral collecting by the late Leonard Zarin and his wife Marion Cameron. Featured in the Zarin Collection Exhibit will be a selection of selenite specimens crowned by a 48 inch long selenite crystal from the Cave of Swords, Mexico. There will also be seen a large selection of calcite specimens with one crystal weighing in at over 150 pounds and about the size of an automobile transmission. On display, also, will be many opals, amethysts, beryl (emeralds), and many others.

This newly acquired, highly esteemed collection, enhances the already superior collection of the Hicksville Gregory Museum. The purchase of the Zarin Collection was made possible through the generosity and commitment of the Trustees of the Museum to its ongoing development and continued appeal to the public. Through an outright gift for collection expansion by museum founders, Dr. Gardiner and Mrs. Anne Gregory, and with loans from other trustees, the Museum

A portion of the Nassau Boy Scout History exhibition at the Hicksville Gregory Museum which has attracted many visitors this past year. The exhibit will be replaced by the Zarin Collection of Large Mineral Crystals starting May 27th.

was able to avail itself of a fine opportunity to obtain the collection.

The current exhibition in the Gregory Museum historical area of the Old Heitz Place Jail, "Nassau County: Cradle of Boy Scouting" will

be on display until May 15th. It consists of many photographs, scout uniforms and equipment presented as a tribute and a review of the evolution of Boy Scouting in Nassau, 1910-1984.

ABOUT MORTGAGES

Things have changed since you bought your home, if it was years ago. You probably had a 30-year conventional mortgage, paying the same rate—a low one—over the life of the loan. Indeed, for many years mortgage rates hardly changed at all. Today mortgage costs are a big item. When lenders charge 12 or 13 percent, a family may qualify to buy a certain house. If rates go up to 16 or 17 percent, the prospect can't get approval. Necessary monthly payment would be too large a part of income; the lender would not find him or her an acceptable risk.

Adjustable-rate mortgages are one answer to this problem. Their rates may go up or down at predetermined intervals, following some financial index. Because

these loans offer some protection to the lender, initial rates are lower than for fixed-rate loans. That has made them very popular; at the end of 1983, more than half of all conventional loans on single-family homes carried an adjustable rate. In savings and loan associations, 63 percent were adjustable rate mortgages. Mortgage methods and rates have changed. But we've kept up. Current lending information is just part of the knowhow that we use to market your property. When it's time to sell call:

Representatives of the Salvation Army, Mr. Stuart Mott, Nassau County Field Representative, and Major Donald H. Spencer, Nassau County Director, came to the Hicksville Kiwanis Club on April 18 to thank them for their continuing support. Hicksville Kiwanis members helped the Salvation Army again last December by ringing the bells at the traditional red kettles to collect funds. The check representing the collection was previously presented. Also, the Kiwanis Board of Directors had voted again to finance two children to the Army's summer camp.

Major Spencer told the members that last year in Nassau County, the Army helped 13,000 individuals and sent 300 children to camp. In Hicksville, over 100 families were helped with food, 14 families were helped with furniture and clothing. In all, 1,136 individuals were helped in Hicksville.

Some interesting quotes from Major Spencer's discussion about the Salvation Army were: that the Army is "People helping people", the Army "Serves God by serving people", "Heart to God, hand to man", and, they "Help the many, one by one".

In the photo, Kiwanis Vice President James Isaac, on the right, is expressing the club's appreciation to Major Spencer, on the left, and to Mr. Mott for their visit and the kind words about Kiwanis.

The Hicksville Shamrocks (U-10) traveling soccer team hosted the Plainview-Old Bethpage Panthers at Cantiague Park last weekend. The Shamrocks astonished all spectators with a 7-1 triumph. Teddy Knoop had a hat trick with three big goals. Todd Meringoff followed up with two and Matthew Pordum and Eric Blicher contributed one each.

The offense kept up the pressure throughout the contest. Joe Flanagan, Teddy Knoop, Matthew Pordum, Jared Jacobs and Eric Blicher were hustling all the way. Halfbacks David Lovato, Brian Harkins and Gregg Furst played like pros as did center halfback Todd Meringoff. Sweeper Brian Harkins and stopper Jason Kingsley were virtually unpenetrable. Fullbacks Gregg Grusso and Van Androutopoulos continually repelled P/OB's attack. Goalkeeper Eddie Jacobsen's sure handed goal tending and fine punting were also contributing factors to the outcome. Great game, Shamrocks!

EXEC. LEADER
Dr. Chas. Artale

The next meeting of the East Plainview-Old Bethpage Republican Club will be on May 16th at 8:30 p.m. at the

American Legion Hall, Southern Parkway, Plainview.

Our guest speaker will be our Town Clerk

Mrs. Ann Ocker and she will speak on the many and varied duties of the Town Clerk's office. She also is looking forward to answering any questions relating to this area of Town government. It will be a very interesting and informative evening, so be sure to attend.

It's not too early to mark June 20th on your calendar. This is our last meeting before our July and August summer break and is scheduled to be a fun and food-filled evening. More information to follow...

Have a good week.

Named A Finalist

Dr. Jerome Botwinick, Principal, has announced that Seth Henley, a junior at the Plainview-Old Bethpage High School, has been named a finalist in the \$30,000 Duracell Scholarship Competition.

Contest guidelines required that contestants design and build battery-powered devices with practical functions, i.e. to entertain, amuse, make life easier, etc. Seth's device, a "Sensory Aid for the Deaf" is designed for hearing impaired automobile drivers. He developed an amplifier which is

worn on the neck and amplifies the sound of incoming signals, such as car horns, by vibrating against the skin.

Congratulations are extended to Seth, his family and his mentor, Mr. Martin Rubenstein of the Science Department, for this innovative and creative concept.

Completes Training

Navy Seaman Recruit Thomas R. Woolever, son of Carol M. and George M. Woolever of Barrel Lane in HICKSVILLE, has completed recruit training at the Naval Training Center, San Diego.

On Wednesday May 2, Lee Ave PTA sponsored another "Lee on Wheels." Almost 500 people attended and a great time was had by all. The top prize winner of the evening was Rochelle Elburn. Other winners for the night were: Michael Brennan, Nicole Brown, Jason Campanella, Maureen Gill, Christine Lenzi, Diana Nofi, Charlie Pellazo, Patrick Russel, Renee Russo and Michelle Zaffuto.

On Friday May 4, the children were treated to a show in school performed by "The Little Dance Company." By using a combination of lecture and costumed demonstration the children were introduced to many different type of dance from ballet to rock.

Plant Sale

In observance of National Nursing Home Week, May 13th to 20th, the residents of the Central Island Nursing Home, 825 Old Country Rd., Plainview, will be holding a Plant Sale and Boutique on Tuesday, May 15th from 1 p.m. to 3:30 p.m.

Refreshments will be served.

This is also an opportunity to meet the residents and staff members and take a tour of the facility to see the many fine services they perform.

Achievement Night

The Hicksville-Evening Chapter of the Homemakers Council of Nassau County will hold their annual "Achievement Night" on Wednesday, May 16, 8:00 p.m., Parkway Community Church, 95 Stewart Avenue, Hicksville, second floor.

"If you want to find out

about Homemakers, this is an excellent opportunity. We will have on display, projects that we have completed during our regular meetings held every Wednesday night from September thru May. Hope to see you there," said a spokesperson.

Int. Games For The Disabled - A World Event!!

The biggest public event in Nassau County history - an the second largest sports event in the world in 1984 - will take place between June 16 and 30 in the Mitchell Field area, County Executive Francis T. Purcell announced today.

"The 1984 International Games for the Disabled will be both of those landmark occasions," Purcell said. "Our county and its residents will be in the spotlight of world attention during that time span, and we'll be ready for all the attention."

"We have found that Long Island is a place unknown in many portions of the world, but that will not be true after June's end. What is more, it will make the label 'Made on Long Island' a reality in the far corners of the globe."

For the Disabled Games, more than 1,800 highly-trained men and women athletes from 54 countries will be here to compete in 22 sports. To assist them, some 700 support staff people also will be housed in the Hofstra University dormitories. With teams and staffs will

come tens of thousands of visitors from all over the United States and from the various nations.

The flags of the Soviet Union and People's Republic of China, which have never before been part of international competition for disabled athletes, will be flown aloft.

The media of most nations will be here, too, to do television, radio and print coverage of the Games during this once-in-a-lifetime visit to America for most of the competitors.

"Nassau County, Long Island, New York, will be in the top of the headlines for these two weeks," Purcell said. "Enhancing the pageantry and excitement of the Games will be visits by dignitaries, royal families, ambassadors and other officials from every nation."

Purcell said it was expected that President Ronald Reagan, an honorary chairman of the Games, would make a visit. Governor and Mrs. Mario Cuomo will be grand marshals for the opening day festivities on Sunday, June 17, at the county's new \$11-million Mitchell Park in the heart of

what was once Mitchell Air Force Base.

Nassau County, a co-sponsor of the Games, is providing use of major facilities for the event, including the new park and its nine-lane paved track, and other facilities at Eisenhower Park. Hofstra University's new, Olympic-standard swimming pool will be used for water events and most of the courts and special facilities at Nassau Community College, along with the county's rifle range, will be in use.

The only event of the 22 on the schedule which will not be held in the immediate area is the equestrian competition, which will be run at Caumsett State Park in Lloyd Neck.

"One of the strong reasons Nassau County was chosen as the site for these Games was the ready availability of these high quality facilities," Purcell said. "That fact, plus the high quality of our police department and the excellent economic atmosphere of our county, made the decision by the Disabled Sports International Association a positive one."

International Games for the Disabled have been held twice before - in Toronto, Canada, in 1976, and in Arnhem, Holland, in 1980.

The Games are scheduled every four years in the same country as the World Olympics. The Games in 1984, however, will encompass far more people than ever before. The competitors fall into four disability categories: cerebral palsy, blind, amputee and another called "Les Autres," a general classification for athletes with other disabling conditions. Those in each category compete only with others of similar disability.

The sports include track and field, wrestling, cycling, fencing, rifle and pistol shooting, volleyball, wheelchair basketball and soccer, lawn bowling, table tennis and weight-lifting.

The athletes are world class competitors who all are champions in their own countries.

"They will assault the record books when they are here," Purcell said. "There has been great world interest in these Games and the various nations are fast devel-

oping strong teams with new and more complex training routines and facilities.

"We will see exciting events in a colorful surrounding just like the Olympics for the able, which will be held later this summer in Los Angeles."

Purcell said it has all been made possible by a major commitment of general support from the county, the assistance of town government, the financial support of business and industry and the general public, and the strong involvement of some 2,500 volunteers.

"We have volunteers coming in from many places, but the bulk of those working on the Games are from right here," Purcell said. "It is heartwarming, but nothing less than I expected from our 'home' people."

Security for the Games is in the hands of the Nassau County Police Department, with Chief of Detectives George Maher put in charge of the project by Police Commissioner Samuel J. Rozzi.

"With the expected visit of the President, and with so many other dignitaries to be on hand, security will be

stong," Purcell said.

Opening Day ceremonies on Sunday, June 17, will be presented with all the panoply and brilliance of the World Olympics. There will be a parade of the athletes, the traditional lighting of the torch, the solemn oath-taking by the participants, a huge parade around the field, bands and flags. There will be a long program of entertainment with the theme of Americana. Included will be an accent on our music and square dancing by hundreds of performers.

Tickets for these events have been priced by the Games committee, a private, non-profit corporation, at reasonable levels. Daily all-events tickets can be purchased for \$4 each in advance or \$6 during the Games. An all-events ticket to encompass the 11 days of actual competition is \$20. Tickets for the Opening Day at \$8.50 and for Closing Day at \$5 are separate. Tickets can be purchased at the Nassau Veterans Memorial Coliseum and at all Ticketron outlets.

Obituaries

FREEMAN L. PARR

Freeman L. Parr, noted Long Island Horticulturist, specializing in the care of trees, passed away on May 9, 1984 in Miami, Florida, at 79. Mr. Parr was in business in Hicksville from 1932 through 1972, having received his early training in Ohio. He was active in community affairs, a past President of the Hicksville Rotary Club, and an advisor to the Adult Education Program in the Hicksville Schools.

For many years he resided with his wife, Faye, son LeRoy, and daughter Beverly, at 14 Charles Street, Hicksville.

Freeman L. Parr's influence on the care of trees in urban America will last forever. It was he who led in the development of nationally accepted Standards For Pruning Shade and Ornamental Trees in the early 1950's. These Standards are still used today by federal, state, and local governments, as well as property managers and practitioners nationwide.

In recognition of his leadership in the tree care industry, Mr. Parr was elected President of the National Arborist Association in 1960 and the International Society of Arboriculture in 1968. He was a Charter

Member of the American Society of Consulting Arborists. In 1980 he was presented with the National Arborist Association Award of Merit for "outstanding service to the field of Arboriculture."

Mr. Parr retired actively from business in 1972 and continued as a Consulting Arborist until his death. He is survived by his wife Faye, son and daughter-in-law LeRoy and Dorothy, daughter and son-in-law Beverly and Henry Firth, six grandchildren, and ten great-grandchildren.

A former long-time Hicksville and Brookville resident, Lea Z. Botto of Jupiter, Fla., died on May 1. She was the founder of the North Shore Cerebral Palsy Assoc. and also was a member of the Brookville Garden Club, Huntington Crescent Club, and Nassau Country Club.

She is survived by her husband, William J.; a son, Donald; a daughter, Aline Rowehl and five grandchildren. Burial took place at Royal Palm Memorial Park, Florida.

ALMA RUTH JAMES

A former long-time Hicksville and Levittown resident, Alma Ruth James died on May 2 in Virginia. She was the wife of Samuel;

mother of Penelope Sackmann.

The Rev. Schrader officiated at religious services at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville. Interment took place in Greenwood Cemetery.

A former long-time resident of Willoughby Ave., Hicksville, Stanley W. Klevanosky, 72, died on May 4 in Springfield, Maine. He was the father of Mark S. and Clyde S. Klevanosky; brother of Paul Klevanosky and Helen Hoffman.

The Funeral Mass was held at St. Ignatius R.C. Church and interment took place in Pinelawn Memorial Park.

RICHARD H. MAIER

Richard H. Maier of Hicksville died on May 5.

He was a Sgt. in the Nassau County Police Dept. He was the husband of Kathleen; father of Richard Jr., Michael, Thomas, Mary Huber, William and Robert, brother of Robert. He is also survived by six grandchildren.

He reposed at the Thomas F. Dalton Funeral Home, Jerusalem Ave., Hicksville. Mass of the Christian Burial was at St. Ignatius R.C. Church. Interment followed in St. Charles Cemetery.

ELIZABETH J. KING

Elizabeth J. King of Plainview died on May 4. She was the wife of Robert F. Sr.; mother of Robert Jr., Thomas, Mary Louise Dowling, Theresa Harris, Margaret and Maureen; grandmother of Daniel Harris and James King; sister of Helen Ward, Virginia McEhan and William Randall.

She reposed at the Plainview Funeral Home, Old Country Rd., Mass of the Christian Burial was at Our Lady of Mercy R.C. Church and interment followed in Calverton National Cemetery.

RALPH A. ZAZA

Ralph A. Zaza of Hicksville died suddenly on May 7. He was the father of

Lorraine, Carol, Donna and Beverly; brother of Theresa Catapano, Connie Ragonese, Frances De Felice, Antoinette Gagliardo, Vito and Michael Zaza.

He reposed at the D'Andrea Bros. Funeral Home, Copiague. Mass of the Christian Burial was at Our Lady of Mercy R.C. Church and interment took place in Holy Rood Cemetery.

Something To Think About

BILL WAGNER DIRECTOR

THE GIVING OF GIFTS

It's one thing to recognize that you are mortal and eventually going to die, quite another to make specific plans for that eventuality. Many people postpone estate planning because it is a subject they would rather not dwell on, or one which they and their family find morbid. Unfortunately, the results of such procrastination are generally disappointing and, on occasion, disastrous.

There is one aspect of estate planning which can be rather positive, and one in which much pleasure can be taken: the giving of gifts. Even though this is done during one's lifetime, it can be considered an aspect of estate planning because it can help significantly reduce the burden of taxes on one's estate.

For instance, an individual can make gifts of up to \$10,000 per year per donee without being obliged to pay any gift tax. Even beyond that, the rate of tax on gifts is lower than the rate of tax on estates.

Galileo Lodge News

By Joe Lorenzo

PRESIDENT PETE MASSIELLO'S MESSAGE: "Sometimes it is difficult to live in the present, ridiculous to live in the future, and impossible to live in the past."

The weather in May is usually superb, and there is much likelihood that the May Dance, to be held by the Ladies Auxiliary on Saturday, the 26th of May, will also have the same characteristics. Tickets will sell at \$12.50 per person, and in the offering will be a delicious dinner with all the trimmings, beer, soda, coffee and cake, set-ups and music from a leading Long Island disc jockey. Terry Gatto (433-6708) will chair this activity, aided and abetted diligently by Dolores Look (822-5520), Mary Barella (931-3960) and Rose Riccardi (681-0960), all of whom will be selling tickets every Wednesday night at the Galileo Lodge from 7 to 10 P.M. Please note that this activity features a "bring

-your-own-liquor" policy and that that decor of the Galileo Lodge will be further enhanced by a flowery motif of summer.

With the approaches of summer more than barely visible, President Mary Monteforte of the Ladies Auxiliary announces that she will supervise a Flea Market activity on Sunday, the 10th of June, from 10 A.M. to 6 P.M. Refreshments and food will be available in our kitchen at reasonable prices and vendors are also needed to round out the proceedings. Please note also that tables for members will cost \$8 and tables for non-members will cost \$10. We might note also that this Flea Market activity will be held outdoors and indoors, obviously, if it rains. Contact President Mary Monteforte at 938-9536 from 4:00 P.M. on every day, and also at 931-9351 and 822-7474 for more details.

As summer approaches,

we seem to add new perspectives to our lives. We feel a need to share the outdoors. We seek summer diversions and pleasures. We look for leisure and relaxation. And where else but the Galileo Lodge can we seek summer considerations to make this season of the year a joy to behold. Well, the Galileo Lodge has a delightful summer program of recreational events definitely designed for your enjoyment and relaxation, as for example, a relaxing picnic at Eisenhower Park in August, golf outings, fishing trips, dart tournaments, Flea Market activities, sporting activities, summer dances and many other recreational events that are in the planning stages. Then to these leisure-filled activities add a newly-renovated basement recreational area for exercise and relaxation as well. So if you are looking for an ethnic organization to share your ideals and values and advance your racial pride, culture and heritage,

might not the Galileo Lodge be the organization that is tailored to suit or cater to your ethnic needs and wants...and which is also an organization that knows no racial bounds and restrictions when it comes to helping the community-at-large. Why not call 931-9351 and speak with someone, an officer or a member, and try to ascertain first-hand why the Galileo Lodge could be the perfect organization for you.

A NOTE TO NEW MEMBERS: Help is still needed for our Bingo session, so why not become a part of the Bingo Committee and give a little of your time and efforts for this important revenue-producing activity. And how about joining other committees where help is needed? After all, it is your Lodge, and the kind of a Lodge it is, more or less depends on your diligence, interest and the small sacrifices you can make.

Legionnaires' Log

CHARLES WAGNER POST # 421
HICKSVILLE N.Y.

Last Sunday the Post sponsored a Cocktail Party from 2 till 6 P.M. complete with food, dance music and the open bar for the benefit of a Legion program which raises money for the ARTHRITIS FUND which has been near and dear to many of our Nassau Posts for the past few years....We have never in the past belied up to the bar and plunked our money down for a genuine charity that seeks to help millions of sufferers of this disease....We have in the past few years discarded our Post dances, which once was a source of income for our programs, due to the fact that our members either grew too old to dance and drink anymore or just didn't care to socialize anymore with fellow members....OR it cost MONEY....One of the sad results of this decreased Post activity was, and is, a lack in interest in assuming responsibility as an elected member of the Post Staff....The answer by the membership for the effort that the Post was making on behalf of the ARTHRITIS FUND was absolutely appalling when 90% of those who came were able to sit at one table....We apparently have reached the point in time where we cannot afford card carrying members any longer and there are other Posts where such type members are welcomed with open arms....Reluctantly, a transfer is in order if you do not desire to help the Post with your physical presence and your financial resources, with the exception of our invalid and housebound members....We have an election for the new Staff coming up in a month

and the slate is far from being complete due to sudden resignations from 3 positions that were covered for next year....One of these vital resignations was a direct result of the grand flop of Sunday's charity effort....The Post NEEDS help NOW and NO MORE EXCUSES....Come and work or we cannot afford you....Here's another happy little cancellation for you as the June 3rd PAN-CAKE BREAKFAST has been given the deep six as the gloom from Sunday's tiasco penetrated the future....

I have accepted the open spot in Legion Hall, Inc. that was opened by the demise of Henry Brenzel....And the mention of Henry's name brings the information that the Post has voted to place a book in his name in the Memorial Library at HOFSTRA University (James N. McLean Nassau County American Legion Memorial Library).

Our Legislative representative, DICK HOCHBRUECKNER, is urging that ALL members write immediately their ASSEMBLYMAN and STATE SENATOR pressing for passage of Bill A-2864 (Assembly) and Bill S-2264 (Senate) which are identical and they amend the present REAL PROPERTY TAX LAW in favor of the veteran who stands to lose a lot when the present law runs out in August....Write TONITE....Veterans must UNITE & FIGHT for their RIGHTS....SEND THAT LETTER NOW.

The DARK HORSE was given a ride by FRANK JOHNSON at the last meet-

ing (and this was without doubt the longest meeting of the year) (In fact, I think the Dark Horse was a light grey one by the end of the meeting)....Don't forget that every member of the Post is expected to be on hand for the MEMORIAL DAY PARADE which we are hosting this year....YOU are needed at the POST on the 28th at 8 A.M. to lend a hand wherever you are needed....Wear your Legionnaire cap.

The bus trip to ATLANTIC CITY sponsored by the Past Commanders' Club on Sunday May 20th is another sellout affair and all the boardwalk strollers are advised to be on hand at 9:30 A.M. on May 20th in the Legion parking field for boarding for Atlantic City....Crap shooters and Slot

Machine buffs should also be there at the same time.

Our "Sick Call" brought out the fact that LEN YOUNG was having a short stay at Northport and we wish him well....Membership throughout Nassau County is on the up slant this year and the county is just 240 short of their quota with a month to go till convention time at ELMONT....How about you?

Would you care to write this column for the Post starting in June as I stated last week that I was retiring....There will be a meeting of the Executive Committee on Thursday, May 17th and the next social meeting is on Monday, May 21st, at which all nominations for the staff elections will close....We vote on June 4th so be there.

VFW Auxiliary News

By Mary Ann Moyer

I hope you all had a very nice Easter—I know we did. On Thursday, April 26th, the Ladies Auxiliary held their annual dinner at The Old Lighthouse in Hicksville. Approximately 20 ladies and friends attended. The food was delicious and a good time was had by all.

On Saturday, May 12th, Billy and Mary Ann Moyer will be celebrating their 11th wedding anniversary and on May 26th, Mary Ann will celebrate her 31st Birthday and Billy will celebrate his 32nd birthday on May 27th. Sunday, May 26th, the VFW will be holding Memorial Day services at the veterans graves at Plain Lawn Cemetery, Hicksville.

The group will be meeting between 8 a.m. and 8:15 a.m.—all ladies are welcome. Immediately after, they will go to the William M. Gouse Jr. grave site at Holy Rood cemetery in Westbury. At 10 a.m., in Eisenhower Park, we will assemble for the U.V.O. service at the Veterans Monument.

The annual Memorial Day Parade will be held on Monday, May 28th. We will meet at the American Legion Hall on Nicholas St. at 8:30 a.m. The Parade will start at 9 a.m. Refreshments will be served after the Parade at the American Legion Hall.

For further information, contact P.P.C. Connie Steers at the VFW Hall, phone number 931-7843.
