"We hope to see you there!" said a spokesperson.

This year's Hicksville Memorial Day Parade will not commence from the Sear's parking lot. The Combined Veterans Memorial Day Program Committee has announced that the parade, on Monday, May 28th, will form and start in Town Parking Field #1, between East Nicholas and East Marie Street. All participating community groups are urged to be prompt in gathering for the parade at 8:15 a.m. The parade will begin at 9 a.m.

The parade route has also been altered this year, with a view to reducing traffic congestion on Broadway and Old Country Road, and in order to bring the parade to other areas of Hicksville.

All school board candidates were invited to attend the May 21st meeting of the Hicksville Coalition to Maintain a Moment of Silence.

Jay Schwartz, Lawrence Moor and Daniel MacBride were the unanimous choices selected to be the candidates whom the Coalition will support in the June 13th election.

Mr. Schwartz, described by some as an articulate, thoughtful man, told the Coalition that he "hopes to give the public back what was taken from them." He urged a positive vote for Proposition 2. In answer to questions concerning long-range planning, Schwartz said that the district has just hired consultants, and after their fact-finding is completed in September, he

The line of march will proceed east on Nicholas Street to Plainview Road; eastward on Plainview Road to East Street; north on East Street to Woodbury Road; south on Broadway to East Nicholas Street and east on Nicholas Street, past the Reviewing Stand to Parking Field #1, where parade units will witness: the Memorial services.

hopes that the board will have several options from which to choose. Schwartz was described as "looking out for the community interests, cordial, open and a fair board president."

Larry Moor, Vice-President of a Wall Street firm, said that he took a look at the budget and felt that there were some areas that could be cut. He is definitely "against laying off teachers, except through attrition." Moor believes in listening to the community and to professionals before making a decision. His oldest daughter attends Lee Avenue and she finds "school enjoyable." He believes that basics are most important but says that an education including music and art makes "a child well-rounded."

County Commander, Nassau-Suffolk District Jewish War Veterans.

Principal speaker for the services, beginning immediately after the parade, will be Major John Mullarkey of the United States Army Reserve Corps. Student speaker from the Hicksville High School who have been invited to take part are Kenneth Dircks and Sabrina Arnold.

Music for the parade and ceremonies will be provided by eight Hicksville school bands and the crack New Image Drum Corps, formerly the St. Ignatius Girls Cadet Corps. Mr. William Golecke, Chairman of the District Comprehensive

Arts Department, will render the National Anthem.

The public is asked to avoid parking on East Nicholas Street and East Street to permit the unimpeded flow of the parade. These streets will be closed to vehicular traffic. The Memorial Day Parade Committee hopes that his holiday's tribute to the nation's deceased patriot defenders will call forth a large turnout of residents to view the parade and to observe the ceremonies afterwards. Honored in memory, particularly on Memorial Day, are Hicksville's 37 War Dead of the four great conflicts of this century.

to the issues and only the issues."

The Coalition then finished plans for the "Moment of Silence" Rally which will be held at the VFW Hall on May 30th from 8 to 10 P.M. A spokesperson urged that members of the Hicksville community meet the candidates and ask questions of the Coalition members on next Wednesday night. Tickets can be purchased at the door. Light refreshments will be served.

Don't forget to register on Thursday, May 31st from 3 to 8 P.M.

Frank Chlumsky Field Dedication

The Hicksville Public Schools will honor the memory of the man known to this community as "Uncle Frank" by designating the field at the Junior High School as the Frank Chlumsky Athletic Field at a special ceremony scheduled for Wednesday, May 30.

Superintendent of Schools Catherine J. Fenton, members of the Board of Education, and representatives of the Chamber of Commerce and other local service organizations will join Chlumsky family members in paying tribute to Mr. Chlumsky, who devoted his life to serving his

community. His active participation with the Salvation Army, the Kiwanis Club, the Board of Education, the Republican Club, and the Town of Oyster Bay Council earned the respect and admiration of all, and the Hicksville Board of Education wanted to create a lasting memorial to "Uncle Frank" and his devotion to his community.

Members of the public are invited to attend the dedication ceremony to be held at 1:30 pm on the Junior High School Field on May 30. In the event of rain, the program will take place on the following day, May 31, at 1:30 pm.

NASSAU BOY SCOUTS COMMEND A NATWEST USA VICE PRESIDENT: On April 24th Nassau County Boy Scouts of America issued a commendation to National Westminster Bank USA Vice President Ron Wagner "for his time, efforts and leadership on behalf of the Nassau County Council." In the photograph, Ken Worme (r.), chairman of the Pequot District, and Scout Vincent Ballo present the commendation to Wagner, who is a region head in NatWest USA's Community Banking Group, at halftime of a basketball game between the Bank and the New York Jets football team. The game, organized by Wagner, raised over \$12,000 for Nassau scouting. It was played at Farmingdale State University, attended by 2,000 people, and won by the Bank 113-102.

Dear Friends:

A public hearing on the Draft Environmental Impact Statement prepared by the Nassau County Planning Commission is set for 8 pm on May 30 in the auditorium of the South Woods Junior High School in Syosset. This meeting will bring those who wish to hear it, the facts on the environmental impact of the construction of the proposed Landia RR Station and Parking area. If it is impossible for you to attend, you may obtain a copy of this Statement from the Nassau County Planning Commission, 222 Willis Avenue, Mineola, NY 11501. After this, a letter to both the Town and County authorities would probably be in order, if you so desire.

THAT'S ALL for this week. Stay well and enjoy this beautiful country in which we are all privileged to live ... because those who died in past wars gave the last full measure of devotion, their lives ... that, my friends, is the true meaning of Memorial Day.

East St. News

On Thursday evening, May 31, at 8:00 PM, East Street's PTA will hold its last general meeting of the school year.

We will be showing a film entitled, "Kids for Sale." This film provides a thought-provoking analysis of some of the critical issues concerning children and television. The film examines the roles of broadcasters and advertisers, and parents and consumers. It depicts the world according to kid-video; marriage is the pue-

rite match of the Flintstones; age is a reversion to childish churlishness, and violence is the easiest, quickest and most effective solution to a variety of video problems. This should prove to be an interesting and informative movie, on a topic most relevant.

We will also be installing the newly-elected PTA officers for the 1984-1985 school year.

We hope to see you there — bring a friend. Coffee will be served.

Once again it is Buddy Poppy time and you will see our ladies out on the street selling these poppys and won't you please stop and buy one because when you wear it, you will be remembering the men who gave their lives for us; also for the men who are still in hospitals.

It is a sad thing how many people have forgotten them.

but the Veterans who come back remember them by going to the hospitals and doing things for them and making them feel they are wanted.

Don't forget to put your flag out on Monday, May 28th, and show people you really remember them.

"For the good that needs assistance
 For the bad that needs resistance
 For the future in the distance
 And the good that we can do."

Dear Editor:

Since declaring my candidacy for Jay Schwartz's seat on the Hicksville School Board, I have been asked what my position is on the issues facing the Board. I would like to take a few minutes to respond to that question.

Perhaps one of the most emotional issues to face the School Board and the voters of Hicksville is the question of silent meditation in the public schools. The debate on this issue has been heated with both proponents and opponents making valid points concerning their positions. Personally I view the issue as a legal question than a moral one. I sincerely feel that the ultimate decision will rest in the hands of the Supreme Court. However, this does not mean that I do not support Proposition No. 2 on June 13th. I intend to vote YES on the referendum and urge everyone to vote their own minds on the issue.

Whatever the outcome, the Board will then be obligated to enact the mandate of the community. No matter what their individual feelings are, they must listen to the voices of the people. I know that I would! Although extremely important, silent meditation is not the only issue facing the Board.

Let's shift our focus to look-at the budget. Since I was not privy to the formulation process of the proposed budget it is difficult for me to have a concrete position. I do, however, raise several questions about it. With declining enroll-

ment and no substantial increase in programs, why are we faced with a record increase in the tax rate? Although I do not have the answer, I am sure that a lot of us are asking the same question.

Another area of concern is discipline in our public schools. Given my profession, I am especially sensitive to acts of violence and wantonly destructive vandalism. As parents and taxpayers this should also be a major concern of ours. Every effort should be made to develop a systematic program to combat acts of violence which affect our children, teachers, and education in our schools.

As a prospective "new-comer" to the School Board, I not only need but welcome input from the members of our community. Let's get the School Board back in tune with the taxpayers of Hicksville. The time is right for a change for the better.

Sincerely,
 John M. Montalto

Dear Hicksville Herald:

I was so happy to sign an endorsement for a new can-

didate for our school board — JOHN MONTALTO.

I have known Mr. Montalto for the last eighteen years and find him to be a person of integrity and intelligence. He is above all, interested in the quality of Hicksville education.

John, himself, is an alumnus of the Hicksville School System and now has three children attending the Hicksville Schools.

Through the years, John has demonstrated devotion in his work; rising through the ranks of the Police Department. He places a high value on education, holding a B.S. degree and now completing his Master's Thesis in Criminal Law.

John has always been active in community service. He has been active in the Boy Scouts and a former Commissioner of Hicksville Soccer. John helped to organize the Parents Association of the Hicksville H.S. Marching Comets and was a member of that organization's Constitutional Committee.

I feel that John Montalto would be a refreshing addition to our school board.

His leadership, devotion and honesty have all been evident in the past—now let them flourish on the Hicksville School Board.

Sincerely,
 Geraldine Cusumano

Dear Sheila:

Modesty has never been one of Jay Schwartz' virtues. In his recent "Letter to the Editor" he somehow manages to take sole credit for five of the Board of Education's accomplishments that were achieved during his three year term. The truth of course is that Mr. Schwartz is one seventh of a corporate body, and the accomplishments he cites were the product of group effort. As a matter of fact, Mr. Schwartz has been notably lacking in inspiration and leadership during his term as Board President. In many instances the much maligned board members have had to prod him into taking positive action (where the responsibility was clearly his).

As far as his claim to being "responsible to the people's views", Mr. Schwartz has, in fact, shown (Continued on Page 5)

"Those residents who normally receive a Monday collection will have collection on Tuesday, May 29th, while Tuesday routes will be collected on Wednesday, May 30th," Clark stated. "Sanitation collection will return to its regular schedule on Thursday, May 31st."

Clark noted that all Town offices will be closed on May 28th, but that all park facilities will be open during the three-day holiday weekend as well as the Tobay, Centre Island and Florence Avenue Beaches.

In addition to the sanitation collection schedule modification, Clark announced that certain commercial and business activities will be required to suspend operation between the hours of 9:00 A.M. and 1:00 P.M. on the 28th to allow for Memorial Day observances. Those businesses affected include all trades, manufacturers and mechanical employments as well as real estate.

Caruso ran in the L.I. Marathon a few weeks ago? Well, they did; they ran over 13 miles and were thoroughly exhausted when they arrived at Jones Beach. They cheered and shouted congratulations to each of the hundreds of participants. However, somehow in the melee, they missed Joe, Jo and Nick's arrival at the end of the run. In fact, for a while Ann had doubts her folks ever participated in this event. But eventually it was all resolved and Ann and Joe, Sr. were exceedingly proud of this trio.

Congratulations to John Hill who was the recipient of the Paul Harris Fellowship Award. This award is the highest Rotarian Award that is given to their members. The Hicksville Rotary Club honored John with this award on May 11 at a cocktail and dinner dance held at the Manor East, Massapequa. PRICES UP FOR RESALE HOMES

There are more people looking for homes right now than there are homes for them to buy. Result: prices are up.

Here's what is behind the news. Mortgage rates are well below their 1982 highs; this makes it possible for more prospects to qualify for borrowing. An improved general economy has also brought more buyers into the market. But construction has not kept up. Housing starts are picking up now, but there was a deep trough on the housing graph, the 1980 to 1982 months when almost no building was going on. There aren't enough new houses.

Prospects are buying existing homes, resale properties, houses like yours. Sales figures

point to quick turnover of properties that are realistically priced, with attractive profits for the sellers. Last year there were 2.7 million sales of existing single-family homes; this year the figure is expected to rise to almost 3 million.

If you've been sitting on a house-for-sale, now's a good time to turn equity into cash. If you've been waiting to retire to another area, wait no more. Make the most of stable rates and higher prices. You'll get a good return when you list with:

Hicksville Memorial Day Parades Over The Years

By Richard Evers

Memorial Day observances in Hicksville have a long history, going back over sixty years, to a time when the holiday was known as

Decoration Day, an occasion for placing flowers on deceased veterans' graves. For many years the annual services were held at the World War I monument

which stood, for almost thirty years, north of Herzog Place, west of Broadway.

After the Second World War, the World War I monument was carried down to a newly landscaped plot at the south end of the Jerusalem Avenue school, where the World War II monument was placed. For over twenty years, Memorial Day services were conducted in front of the adjoining monuments to Hicksville patriots, the

great parades of the 'fifties and sixties marching along Jerusalem Avenue to the monuments' site.

During the decade of the 'seventies, in order to accommodate the large attendance of the public at the Memorial Day services and to facilitate the participation of the many Hicksville school bands taking part in the parade, the Combined Veterans Memorial Day

Program Committee accepted the School Board's offer of the new high school playing field area and grandstand.

In recent years, public participation in the parade and in attendance for the Memorial Day services has declined, unfortunately, due in part to the considerable drop in Hicksville's younger population in the decade 1970-1980, a loss of some

7,000 residents, in general, according to U.S. Census figures. The 1984 change in parade route and in location of the Memorial Day services near the American Legion Clubhouse is an effort to reduce traffic congestion during the parade, to bring the parade to other portions of the village, and to encourage a larger assemblage for the formal Memorial Day services.

MAN'S NEED

Funeral practices vary widely, from continent to continent, and country to country. Even within the same country, these practices vary according to various religious, cultural, regional and community customs and preferences.

On the other hand, funeral services have one important element in common: they satisfy man's need to ceremoniously bid farewell to the departed.

This seems to be a universal and innate imperative. Even prehistoric man was known to have rather sophisticated burial practices. The Smithsonian has displayed a 30,000-year-old "corpse" of a Paleolithic man discovered in a burial cave in Spain. In northern Iraq, archaeologists found a Neanderthal burial site said to be 60,000 years old. Among their discoveries was the fact that Neanderthals used flowers as part of the burial ceremony. There is nothing new about dying - nor how we bid farewell to the deceased.

Tickets sell at \$12.50 per person and in the offering will be a delicious hot dinner, beer, soda, coffee and cake, setups and music from a leading L.I. disc jockey. Call Terry Gatto, the chairlady, Dolores Look, Mary Barella

and Rose Riccardi, her assistants, at 931-9351 for tickets. Please note that a 'bring-your-own-liquor' policy will be in effect that night and that the Galileo Lodge will have a Maytime decor for this dance.

And if I were to mention another delightful Galileo Lodge diversion which is to be presented Sunday, the 10th of June, it has to be our Flea Market activity, to be held by the Ladies Auxiliary, under the supervision of President Mary Monteforte. Of course, vendors are needed, and note here that tables for non-members cost \$10 and tables for members cost \$8. Also to be noted is

that this activity will be held outdoors, and indoors, obviously, in the event of rain. Food and refreshments can be purchased in our kitchen area at reasonable prices. So for a summer activity that is pleasant and relaxing, why not come to our Flea Market and really browse to your hearts content.

If and when you join an organization, it is apparent that you assume certain responsibilities. In other words, you become a part of that organization by also assuming certain duties such as partaking of its activities, joining its committees and becoming involved in some of its organizational machinery which helps to raise money to sustain it. Well, one activity that needs such help is our Bingo committee, which certainly helps to raise a good portion of our revenue. Bingo is only successful when you have a sizeable number of members operating it. This is exactly what the Galileo Lodge Bingo sessions need. So the Galileo Lodge asks all you members to give up a little of your time and efforts in

order that Bingo may be able to produce the kind of revenue it needs to financially sustain itself. Remember, please, if you work and give us your time, the better your organization will be. So why not think about it and see what answer you come up with.

Just like our Bingo committee, the Basement Renovation Committee is in dire need of help. It is near completion and that it can be considered a first-class recreational area is really beyond question. But more help is needed, to relieve the members who have given so much of themselves, to lift their burdens, to give them a respite that they so well deserve. Obviously, its your Lodge and it will be your recreation area to relax and or to exercise in, so the more you offer, the better this project will be. Call Jim Posillico at 931-9351 and ask for more details about the help that is needed.

Time is getting close for the return of all raffle books (sold or unsold) to the Galileo Lodge in care of Tony Sica (931-9351).

Letters To The Editor

a marked inclination towards arrogance and disregard in dealing with segments of the community; hardly a good recommendation for re-election.

Sincerely,
Lawrence I. Wolfson

Members of the Community:
I am writing this letter in support of Honey Singer, candidate for the Hicksville School Board.

Mrs. Singer has been a valuable member of the Board of Education for nearly three years. As a member of that Board, she has served with dedication and fairness as a child advocate. I sincerely believe she has strived tirelessly to meet the needs of the children of Hicksville, the staff of our schools and the community as a whole. This has not always been an easy task, as the decisions made by a Board of Education are often difficult and complex in nature. I have personally attended many school board meetings while she has been a Trustee and have found her to be honest and fair in her decision making. She has maintained an open mind on all issues, judging them on their individual merits. I have worked with her on other school-related projects and programs where she has always demonstrated a high regard for excellence in our educational programs and a true concern for our children.

Mrs. Singer has the background and ability to carry out the responsibilities of a Trustee with integrity and intelligence; she brings with her the knowledge and experience gained over the past several years; and she is a parent with a child currently attending our public schools. I urge you to re-elect Mrs. Singer to our Board of Education on June 13!

Sincerely,
Nancy Staron

To The Editor:

Thursday, May 17, 1984 an informational meeting was conducted at Syosset High School by Michael Charles, LIRR Manager Government Affairs. Proposed is the building of a new LIRR Station, Landia, midway between Syosset and Hicksville stations and providing a 1500 car parking area on an "environmentally safe" capped and vented TOB landfill. The major purpose for this proposal is to alleviate the excessive traffic and parking problems caused by the attempt to accommodate the needs of 8900 commuters who presently use Syosset and Hicksville stations. Keep in mind 8900 commuters from Jericho, Woodbury, East Norwich, Hicksville, Syosset and many other surrounding towns use these stations.

The attentive attendees were in the minority and along with the presenters were denied their right to receive and give information by those in opposition. They behaved in a manner which can only be compared to a

two hour verbal version of the food fight scene from "Animal House." Shouts of "keep all the parking in Hicksville!" "I noticed an empty lot near Hicksville's station—build a multi-level garage there;" "buy Mid Island Plaza for parking;" "don't pollute our streets or endanger our school children and fire protection;" "the stations are already in Hicksville and Syosset—keep the traffic congestion there;" ad infinitum. Aside from their inexcusable rowdy behavior, their ensular, self-serving demands are not to be tolerated!! How dare they continue to dump on Hicksville and Syosset pollution and congestion by their needs and preferences?

Assemblyman Yevoli had a brilliant solution to pacify his constituents. Use Cantiague Park's parking fields and bus the commuters to the Hicksville station. May I suggest, they park instead at the Syosset-Woodbury Park and take a helicopter.

Residents of Hicksville and Syosset North, write to Town of Oyster Bay Supervisor Colby in favor of the proposed Landia Station and parking field. Those opposed will have adequate road access outside residential streets, and environmental safeguards guaranteed. Gridlock, air pollution, illegal parking, in Hicksville and North Syosset will be relieved, and our children, our elderly, our homes and businesses and fire coverage will all benefit from the resultant relief.

Dear Editor:

June 13th is fast approaching—the date when all eyes will be turned to Hicksville! Why? Because that is the date of our School Board election. Because we have been asked to come out and vote for a very important proposition called Proposition 2, which reads as follows:

1.) In each public school classroom the teacher in charge may, at the opening of school upon every school day, conduct a brief period of silent meditation, with the participation of all the pupils therein assembled.

2.) The silent meditation shall not be conducted as a religious service or exercise, but may be construed as an opportunity for silent meditation on a religious theme by those who are so disposed, or a moment of silent reflection on the anticipated activities of the day. Participation shall be construed to permit seated participation and not to require any pupil to stand.

Many people in Hicksville were enraged when our School Board voted to do away with this policy, which has been a State law and practiced for 22 years in Hicksville, until one family's objection to it, caused them to take it away.

Now we have been given the opportunity to bring it back into our schools again. Let's not "blow" this chance to put back what was consti-

tutionally and rightfully ours in the first place.

Some people would have us believe that this moment of "silent meditation" will violate the Constitutional Amendment of separation of Church and State. This claim is ridiculous. Most of us grew up in schools where a "vocal" school prayer was said. Yet, no "state religion" grew out of this practice, or anyone's "beliefs" forced to change because of this. None of us suffered serious "mental anguish or embarrassment," simply by reciting a vocal prayer. So how can a simple "moment of silence" threaten anyone's religious rights. Our children may use this moment as they may—no one will be inside their minds, probing to see how they use that moment.

And if Congress can begin each session with a prayer and our school board likewise, how can they dare tell us, that we may not exercise the same option, silently, if we so choose to.

Let's all get out and vote. Remember, the nation is watching to see what we will do. I challenge everyone to learn about the candidates running and ask them two questions: 1. Will you support proposition 2—a moment of silence in our schools, if the public shows they support it? 2. In an "emotional" issue of this nature, will you, as a school board member, promise to not simply vote how you feel, but first seek out public feeling and give this top priority in how you decide to vote.

Let's get out those school board members who dictate to us and get in ones like Daniel McBride, Larry Moor and Jay Schwartz who will represent us for a change!

See you at the polls, June 13th.

With just a few more meetings left before summer recess, I must say it was one of the most enjoyable years I've had as a member of Commuter Lodge. At our last meeting, an election of the officers who will preside next year was held. I'm certain, Ed Abzug who was unanimously elected as our Chancellor Commander will do an excellent job. I personally would like to thank the brothers of the lodge for electing me to be next years Master of Arms. I find it not only exciting but also a privilege to be associated with Commuter Lodge. I was also thrilled beyond expectation to learn that the Knights of Pythias have selected me to be their "Man of the Year". I thank all of you with warmth and love.

It was wonderful to see Julie Kaitin attending our meeting after his recent stay in intensive care. Herb Freedman has also kept us in good spirits by surprising visits to the meetings. Herb now resides in California although a part of him can't seem to leave New York.

Congratulations to Brother Jerry Ness for receiving the "Special

Dear Mrs. Noeth,

After reading your account and the letters about the latest Board meeting, I was reminded of many of the Board meetings I suffered through when I was in the Schools.

The point of contention this time is the "moment of silence", but the rudeness and display of bad manners at the meeting is all too familiar.

It would seem that our nation's right to free speech applies only to ourselves and does not require respect for those of opposite opinions, even when expressed by sincere and intelligent people.

It is a good thing that the children do not attend these meetings. I am afraid their "moment of silence" would be filled with shouting or insults and lack of respect for other people.

I do hope that the upcoming campaign for the Board of Education will not be a repetition of the last Board meeting, but will show sincere interest in the education of our children, including education in good manners.

Sincerely,
Harriet A. Spink

TO THE EDITOR HICKSVILLE'S MAJORITY SHOULD BE HEARD

On February 29th of this year our community was forced to eliminate a moment of silent meditation in our schools.

On this date four members of our School Board; John P. Ayers, Honey J. Singer, Arlene Rudin and Lawrence Wolfson, voted for eliminating this long standing practice, a vote which I feel was against the will of the majority of our community.

On that same date the voices and votes of three of our board members; William P.

Bennett, Jay M. Schwartz and Thomas F. Nagle, spoke for the majority.

In every issue there is always that one voice that speaks louder than the rest. This does not necessarily mean that that one voice speaks for the people. Those voices that are silent are too often the voices of the majority. It's time for those silent voices to be heard.

A vote for me on June 13th will assure our community a voice for the majority on all issues brought before our School Board.

IT'S TIME FOR
A CHANGE
Respectfully,
Lawrence A. Moor

To the Editor:

This letter is directed to the graduates in the class of 1983.

Graduates,
Did you feel you had little or no say in the workings of the educational process? Well, in the upcoming school board election there will be a chance for you to have an impact on the Hicksville school system. Your vote on June 13th shows which candidates' educational goals and objectives have earned your support. Your vote can make a difference, but in order to vote you must be registered. Registration takes place at your local school between 3:00 and 8:00 on Thursday, May 31st. I urge to register on May 31st and vote on June 13th. You can have a say!

To The Editor:

I am writing on behalf of Mr. John Ayres, an educational leader who has served this community well as a School Board Trustee for the past nine years.

As a man of experience who has dedicated his life to the education of all children, he has my endorsement for re-election. I ask you to vote for John Ayres, and make your vote count by supporting the pro-education candidates, MONTALTO - AYRES - SINGER.

Yours truly

To All the Residents of Hicksville:

In my last letter to the community, I said that I would speak about the issues which affect us and our children. In making policy, the Board of Education does just that. It chooses to speak on an issue, formulates its thinking, and sets its decisions in policy on a variety of concerns important to its function—serving the community.

Over the last three years, I have served on the Board as policy chairman. I have studied policies and policy-making extensively, and brought to the Board many policies for their approval. Some of the positive changes resulted in improved and strengthened diploma requirements for our kids—2 years ahead of the new Regents Plan. New policies on student behavior and responsibilities were adopted, covering 21 aspects of activities, some never before discussed. Policies on curriculum budgeting, senior citizens' privileges and school-community relations were adopted. Time limits as well were extended, so that all of the residents could speak to an issue, no matter how much time it took. Referendums on important issues were accepted by the Board, allowing the entire community the opportunity to cast a vote in an advisory capacity.

Other congratulations from our 600 members go to young Adam Abzug who will be graduating from Jamaica Avenue School. Anniversary wishes to Brother Ken Block and his lovely wife Elaine, who were married on my birthday May 5th. Our Secretary Paul Firestein and his lovely wife Linda will be celebrating 26 years of marital bliss on June 22 which is also the day their son Jason will be graduating from Plainview/Old Bethpage High School. Paul and Linda can also be very proud to know that their son Jason who will be attending Case Western University is also one of the candidates for Commuter Lodge's scholarship awards. The month will end with a Happy Birthday to Gloria Norch on May 29th. Best Wishes to all of you from all of us at the Castle Hall.

The winners of our scholarship awards have been

selected by the committee consisting of Burt Silverman, Robert Sorrel and Your's truly. This year was a very tough decision as the students seem to be getting smarter each year. Winners will be notified and will be receiving their awards on June 18 at our Castle Hall.

Our next meeting will be Monday, 8:30 P.M. SHARP at our Castle Hall. Since I will be one of the officers sworn in, I would consider it an honor to see a large turnout of my friends of Commuter Lodge. I'd like my wife to meet all of the

Brothers that keep me busy on Monday nights. Chancellor Commander Mike Kasendorf has planned an exciting evening with Music, Entertainment and Refreshments.

In ending this report, with Memorial Day just around the corner, I would like to say "Thank You" to all the Veterans that have served this country to help make it the great Nation it is today. Respect these veterans by displaying your flag on Memorial Day.

Happy Weekend to all...Elliott Silverman

JULIE KAITIN (center) exemplifies his love for Commuter Lodge by showing up at our meeting shortly after a serious illness which had him in intensive care. He was received with a standing ovation from his Brothers.

There will be a \$2 admission charge for the program, which is presented by the Nassau County Department of Recreation and Parks. The fee will help sponsor the International Games for the Disabled, which will be held at Mitchel Park, Hofstra and Nassau Community College June 16 through 30.

Nassau Recreation and Parks Commissioner Abram C. Williams said that special parking arrangements are being made at Nassau Community College with a shuttle bus to bring fans the short distance to adjacent Mitchel Park.

"We would like to have people come out as they have in the past years when this entertaining program drew upwards of 15,000. It's one of the ways our residents can help support the International Games for the Disabled," he noted.

Musical entertainment will be provided by the Sunrises Drum and Bugle Corps. For further information, call the Sports Unit of the Nassau County Department of Recreation and Parks at 542-4439.

CHARLES WAGNER POST #421
HICKSVILLE N.Y.

The bus trip to Atlantic City last Sunday was a grand success and the Past Commanders' Club, and Chairman LOU CESTA, wish to thank all who participated and made the trip a success... Heard a rumor that the next trip may be a late night trip when things aren't so crowded and one can lose money in more comfort... Interesting idea... All members should make that extra effort on Monday, May 28th to be on hand at 8 A.M. at the Post to lend a hand, and/or to march in the Memorial Day Parade... Please render a service to our Post which has the host duty this year and could use lots of hands to handout the hot dogs, soda and beer after the parade and services are concluded... The parade will kick off at 9 A.M. Have YOU purchased your POPPY???... Don't forget that the LEGION AUXILIARY POPPY is the genuine hand Veteran made Poppy that serves as an occupational therapy and a source of income for the hospitalized veteran... Don't forget that there is a new parade route this year so don't look for the marchers anywhere's last year's route... We will leave from the Legion parking fields and head for East Street... Then north on East to Woodbury Road... Then

West on Woodbury to Barclay, and then to Broadway, where we turn south along Broadway to Nicholas Street where the parade will be reviewed from the VIP wagon opposite the Legion clubhouse... Services to conclude the day will take place immediately after the reviewing stand... Principal Speaker will be Major John Mullarkey who will be followed by Student Speakers Kenneth Dircks and Sabrina Arnold... The Pledge of Allegiance will be led by P.C. John Rizzo and the General Orders #11 will be read by Americanism Officer Dick Evers... Greetings & Introductions will be made by Artie Rutz P.C... The Hicksville High School Band will play the national anthem with William Golecek as vocalist... Pastor Richard Smeltzer of the United Methodist Church will give the invocation... The closing prayer will be given by Father George Stavropoulos of the Holy Trinity Greek Orthodox Church... The benediction will be given by Father Alfred Rogers of St. Ignatius Loyola Catholic Church... The Charles Wagner Post Color Guard will fire the Salute and members of the Hicksville High School band will play "Taps".

Letters To The Editor

(Continued from Page 5) to the Board.

All of these changes however, as important as they are, pale in comparison to an issue which is still with us today. It is, I believe, an issue that was decided contrary to the will of the people. I speak of the retention

of the Moment of Silence, so much in demand by the people who hold the values of their Children so close to their hearts. It did not matter how many times a suggestion was made to keep the Moment of Silence with us in some form. The powerful voice of the people was

not heard by the majority. This majority of the Board placed the costs or the question of illegality before their duty to the citizens who elected them. I maintain that the Board should listen to the people; that the Moment of Silence should be our policy because in my opinion, it

is the policy of a majority of our residents. If the Board is sued, I'll see that the policy has its day in court. I'll defend the community's right to have their voices heard in our educational system.

Respectfully,
Jay M. Schwartz

News From The "Big E"

Empire of America FSA today announced a Deferred Interest Loan mortgage program, with a 9% percent introductory rate and a 15% percent lifetime rate cap on the loan.

Interest rate adjustments are made at regular intervals, the first being at six months and then annually thereafter, with no single adjustment of the monthly payment (principal and interest) increasing more than 7.5 percent.

Every fifth interval, after 4½ years and then every five years thereafter, the loan is re-amortized for its remaining life and the monthly

payment set accordingly.

"The Big E initiated this program to enable home buyers to benefit from a low initial interest rate and relatively stable monthly payments," said Mary L. Mays, administrative vice president with Empire of America.

"The deferred interest mortgage will qualify more potential home buyers and allow others to purchase more expensive homes," Ms. Mays added.

Empire of America, with its 9.75 percent ARM program introduced in March of 1983, helped lead the

housing industry to its best performance in years. That program saw the Big E commit over \$1.2 billion in loans in 1983.

The new 9% percent program has a lifetime cap of 15% percent, offers assumability of the mortgage at prevailing rates, and contains no prepayment penalty if a buyer converts to another mortgage plan at a later time, Ms. Mays pointed out.

The Big E has committed \$75 million to the Deferred Interest Loan mortgage program. Terms of 10 to 30 years are available.

At The Hicksville Library

During the month of May at the Hicksville Public Library, there will be a display of stones recently acquired by the Hicksville Gregory Museum. They can

be seen in the Lobby Case and Fiction Room Case during regular library hours.

There will be a collection of Watercolors by Carroll

Agola in the Community Room for the month of May. This exhibit was made possible by the Town of Oyster Bay Arts Council Rotating Art Exhibitions.

Grandparents Honored At Fork Lane

Grandparents Day - a wonderful way to bridge the generation gap - was held recently at Fork Lane School.

Senior citizens (or relative/special friend of the student) began their day by visiting their grandchild's classroom and observing "work in progress". Many classes had prepared for the event by writing poems, letters, etc. on the grandparent theme. Then, on to the All-Purpose Room for refreshments.

Principal Richard R. Jennett and Grandparents

Day Chairperson Ginny Romano welcomed the overflow crowd. Special mementoes were given out to the grandparent who traveled furthest to get to Fork Lane, oldest, youngest, etc. The grandparents were then escorted to the auditorium for their next surprise...

What better way to welcome spring than to listen to Fork Lane's chorus and orchestra in a Spring Concert? The senior citizens were treated to many lovely vocal arrangements thanks to Mary Milidantri and Marilyn Abt. The orchestra,

under the direction of Dan Distefano, did an outstanding job of entertaining the audience. In addition, John Maiorino presented awards to those students who competed in Math Olympiads during the school year.

Thanks to Fork Lane's PTA; Ginny Romano, Chairperson of this event; Lisa Amoscatto for designing the award pins each guest wore; and to the tireless efforts of those too numerous to mention, for making the First Annual Grandparents Day such a rousing success!

People-On-The-Go Benefit From Postal Services

You won't lose touch or lose time during the summer months when you take advantage of two conveniences offered by the postal service to people on the go. Postmaster Anthony M. Murello of Hicksville said today.

"People on the run can save time when they use self-service postal centers located in many post offices and shopping areas," he said. "The centers offer many postal supplies and services for no extra charge at the touch of a button." Customers can mail letters

and packages, the Postmaster said, and buy stamps, postal cards and stamped envelopes from these centers.

The self-service postal center is located at: 185 West John Street, Hicksville, N.Y. 11802.

"A second tip is that people on the move can make the change more easily when they use a free change-of-address kit available at local post offices," the Postmaster said. The kit's handy postcards can be used to notify the post office, friends, business correspondents and

magazines of your new address so mail will find you in your new home.

"Last year the postal service forwarded 45 million pieces of mail," Postmaster Murello said. "You can avoid paying forwarding charges, and possible delays in getting your mail by telling everyone your new address a month before you move."

"We want to help our customers get our best," he added. "And these two services can give you more time to enjoy the summer months ahead."

HJHS Gifted and Talented Program

... They looked through the telescope and saw the craters of our moon, Mars, and rings of Saturn.

... A walk through the woods revealed the entire skeletal remains of a deer.

... They captured the panorama of the wilderness in water color, pastels and film.

... A visit to a local cemetery yielded primary resources and clues to our history.

For the first time Hicksville junior high school

classes have been moved from the building to the great outdoors!

On May 14-16, eighty students in the Gifted and talented program participated in an outdoor environmental program at Mount Tone, Pennsylvania. They were accompanied by G. & T. coordinators, Mrs. Marie Marshall and Mrs. Susan Wolf and by mentors - Miss Patricia Faherty, Miss Peg Costigan, Mr. David Bouton, Mr. Ed Metzendorf, Dr. William Lemmey, Mrs. Pat Bonner, and Mr. Mark Garbus.

Students had a unique opportunity to elect special programs and activities, all of which were taught using an interdisciplinary approach. Each child therefore had an individually constructed program.

The experience was so outstanding that the group is planning for next year's trip.
