### Cookie Party

Fourth graders from the Woodland Ave. School, Hicksville, enjoyed a cookie party at Hempstead General Hospital Medical Center this week.

The students had written letters to hospital employees.

congratulating them for their work at the recent Health Fair. The hospital responded by inviting the children to a cookie party. The students also "adopted" grandparents from the Hempstead Park Nursing Home.

### Scholarship Recipient

The Council of Administrators and Supervisors is pleased to announce that John Rubins of Hicksville High School was selected as a recipient of a \$500 scholarship awarded by the CAS to June 1984 high school graduates.

These awards are given to children of active members of CAS. The scholarships are awarded on the basis of academic record, extra-curricular activities, civic achievements, school recommendations, and candidate's personal statements.

### Dutch Lane In Philadelphia

Mrs. Adele Niceforo, her fifth grade students, and parents of Dutch Lane School pose at the entrance of the U.S. Mint Building in Philadelphia, PA. It was one of the many sites visited in this historic city recently.

Attendees at Wednesday's Board of Education meeting waited patiently through the regular business meeting to hear the results of the annual budget vote and election. The 1984-85 school budget passed by a vote of 2191 to 1463. Proposition 2, asking the public to indicate whether they wished to have a moment of silent meditation passed by a larger margin, 3011 to 774. Jay Schwartz, Lawrence Moor, and Daniel MacBride were elected to fill seats held by incumbents Jay Schwartz, John Ayres, and Honey Singer respectively.

During the business section of the meeting, the Board adopted a policy on the disposition of obsolete materials, passed a resolution authorizing participation in cooperative bidding conducted by Nassau

County BOCES, and voted to join a cross-contracting program enabling the district to use the services of the Regional Certification Office of BOCES III in Suffolk County in cooperation with Nassau BOCES.

Bids were awarded to seven vendors of classroom supplies in the amount of \$15,525.67, and claims and warrants totalling \$20,436.908.41 were approved. The Board also approved recommendation of the Committee on the Handicapped generated at the meeting of May 16.

The information section included a recommendation of textbooks proposed for use in grades 7 and 8. JHS Principal Gerald Klein, Language Arts chair Susan Wolf, and teachers Gwendolyn Schaff, Patricia Wagner, and Charles

Davidson recommended the textbooks Changing Views and Meeting Challenges. These books will be submitted for approval at a future meeting of the Board.

The agenda included numerous appointments, retirements, and tenure approvals. Here is a rundown on Board actions on personnel items:

Richard Hogan was appointed Principal of the High School effective July 1.

Dr. Daniel McCann was appointed Principal of Old Country Road School effective July 1.

Richard Greenfield was appointed as department chair of Vocational and Occupational Education at the High School effective July 1.

Amy Gaon was appointed as a chemistry teacher at the High School, replacing

Charles Ferri who is retiring.

Dr. Harrison Taft was appointed physics teacher at the High School.

Two staff members received administrative reassignments. Frank Brown, SHS department chair of Business Education, has been assigned to the position of Supervisor of Computer and Business Education, and Anthony Nieforo, Foreign Language Department chair, has been transferred from the Senior to the Junior High.

Best wishes are offered to the following staff members who will be retiring: Pauline Jonason - SHS art teacher; Marjorie Giannelli - Grade 3 teacher - Woodland Avenue; Vincent DeTrinis - JHS music teacher; Rose Eckstein - Grade 2 teacher

# Galileo Lodge News

By Joe Lorenz

**PRESIDENT PETE MASSIELLO'S MESSAGE:** 'Man prefers to believe what he prefers to be true.' Sir Francis Bacon.

Even to a layman or a person of some medicinal knowledge, the fact remains that blood is essential to life and that blood is life. And what is just as important is to be able to procure blood or have it donated when an emergency arises and illness strikes. So with our minds laden with this important information, I report here

that on Thursday, the 21st of June, at the Galileo Lodge from 4 to 8:15 P.M., Galileo Lodge will sponsor a Blood Bank under the guidance of Jim Posillo - (334-6852) and Skip Monteforte (938-9536). Please note here that this Blood Bank is open to the public, so if you donate blood you automatically become a member of this Blood Bank and are entitled to this precious commodity if the occasion does arise for you and your loved ones. Please note also that a delicious roast beef dinner will

be served and beverages will also be available. Accredited medical technicians will be on hand for your comfort and convenience. You can also call 931-9351, the Lodge number and report the time when you can appear at our Blood Bank, and yours as well.

And now how about some good and refreshing news for you fishing enthusiasts, which is that on Sunday, the 24th of June, the Galileo Lodge will hold its Fishing Trip. The fee is \$20 per person, and this includes rod, reel, bait and a delicious buffet dinner on the boat. The cut-off date for the \$20 payment is June 20th. Also, to enhance the day's program, games and contests will be held for additional pleasure and enjoyment. Incidentally, breakfast will be served at the Galileo Lodge at 6:00 A.M. and the boat leaves Captree at 8:00 A.M. and returns at 3:00 P.M. For more details concerning this Fishing Trip, call Jim Posillo (333-2020) and John

Keiper (931-3758), or you can dial 931-9351, the Lodge number. So for a pleasure-filled day at Captree, why not join the other fishing enthusiasts who never miss an outing of this nature.

At the present time, with the temperatures soaring into the 90's, it might be a little difficult to think about or even realize a Fall activity - but it comes nevertheless and rather quickly. Of course I am referring to the much-fabled 'Foolies Follies', a series of acts, skits and comedic routines that also feature singing and dancing. The 'Foolies Follies' is held under the supervision of the Ladies Auxiliary of the Galileo Lodge, and to be more specific, under the supervision of Chairlady Sue Laurenti (931-0036) and Co-Chairlady Claire Fuoco (334-5329). The first meeting of this show takes place on Tuesday, the 19th of June, and this meeting will be a 'meeting of the minds' and also where and when the

**INSTALLATION:** Oyster Bay Town Councilman Salvatore R. Mosca (third from right) congratulates Al Mirando of Bethpage following his installation as president of the North Shore Senior Men's Club.

Also sworn in were William Hagen (left) of Hicksville as treasurer, Howard Bochow (second from left) of Plainview as vice president, Andrew Romano (rear) of Bethpage as Sgt. at Arms, Frank Bardsley (second from right) of Bethpage as secretary and Edward Frascione of Woodbury as vice president.

format will be decided upon and plans will be promulgated for the 1984 version of the 'Foolies Follies'. So if you have theatrical talents or comedic abilities, professional or otherwise, why not attend this first meeting.

The Gold outing held by the Galileo lodge under the supervision of Bert Molinelli at the Heatherwood Golf Club last Sunday, the 30th of May, was quite a success.

I might add that there were many pleasurable and enjoyable moments for the 14 golfers who attended, and a few of them were given awards for their feats of accomplishment, such as Mickey Russo getting an award for nearest the pin and another one for the best net score. Rocco Lombardo received an award for the longest golf drive, one that sailed 288 yards. The report is that more golf outings are planned for the additional summer months, so stay attuned with this column for more dates for your golfing pleasure.

The Order of the Sons of Italy in America held a convention at the Concord in upstate New York, on a Grand Lodge level. Many members and officers of the Galileo Lodge were present and report that they all had a marvelous time.

# International Games For Disabled Opening Day Program Set

Governor Cuomo, a bluegrass band, Richie Havens and 500 square dancers have a common commitment on Sunday, June 17: to be a part of the opening ceremonies of the International Games for the Disabled in Uniondale, N.Y.

The International Games for the Disabled will bring together 1,800 world-class amputee, cerebral palsy and blind athletes from 54 countries, all of whom have qualified for the Games through rigorous trials in their own countries. Held in the same year and country as the able-bodied summer Olympics, the Games are being hosted by the United States for the first time.

The competition, encompassing some 20 sports, includes swimming, track and field, weight lifting, soccer, basketball and other Olympic-type events, and will take place at Mitchel Field, Nassau Community College, Hofstra University and Caumsett Park, all within a mile radius of Eisenhower Park. The Games continue through June 30.

The opening-day begins at 2 p.m. Sunday, June 17, at the new Mitchel Park track field, emceed by WNEW disc jockey William B. Williams. Pre-ceremony music will start with the New Image Drum and Bugle Corps, followed by folk balladeer Richie Havens with the ARC Gospel Choir.

The country dance troupe Foot and Fiddle Dance Company, led by Pat Cannon and featuring 500 square dancers, will fill the field demonstrating clogging, accompanied by the Yankee Rebels, five-time winners of the Best Bluegrass Band title in the annual New York City Bluegrass Festival.

March music will be presented by the American Concert Band, conducted by Dr. Kirby Jolly, as the athletes gather and, with fanfare, are welcomed as they begin their procession onto the field. "The Olympic March," written by Dale Hopper, director of music at Southern Illinois University, will have its premiere performance, played as the athletes circle the field. The parade of athletes will be led by the delegation from the Netherlands, host country of the previous (1980) International Games for the Disabled, followed alphabetically by the other participating nations' representatives.

A team member from each delegation will carry its national flag, and Boy and Girl Scouts will precede each group, carrying placards identifying the country. As each delegation approaches the reviewing stand, four handicapped youngsters will present its leader flowers in red, white and blue—the official Games colors.

TV star Cathy Lee Crosby, official hostess of the Games, will assist the youngsters and greet the athletes as they pass in review.

When the procession concludes and all of the athletes have assembled in center field, Ms. Crosby will, in her capacity as hostess, extend an official greeting to the guests from all over the world and from virtually every state in the union.

Francis T. Purcell, Nassau County executive, will welcome the athletes, their escorts and the many dignitaries, both national and foreign, who are expected to attend. President Reagan has been invited to the ceremonies.

After a spiritual message from Rev. Harold Wilke of the United Nations, drum roll and trumpets will accompany the raising of the four flags; the symbols of the U. S. Amputee Athletic Association, National Association of Sports for Cerebral Palsy, the U.S. Association for Blind Athletes, and the International Games for the Disabled. National Guards and National Park Rangers will participate in the flag-raising ceremony.

Following the flag-raising, opera star Elaine Malbin will perform "Dedicated Athletes," a song written especially for the Games by Nassau County employees Robert Bloom and Placido Impollonia.

Six Team USA members who live in Long Island will take part in

perhaps the most stirring ritual of the Games, when they assist in the lighting of the Olympic Flame. Emcee William B. Williams will trace the history of the Flame as the igniting takes place.

A representative athlete will be selected to participate in the reciting of the Olympic Oath: "In the name of all the competitors, I promise that we shall take part in these Games, respecting and abiding by the rules which govern them, in the true spirit of sportsmanship, for the glory of the sport and the honor of our teams." The response, this year being delivered by Bob Beamon, long-jump Olympic gold medalist (1968), is, "In the name of all the judges and officials, I promise that we shall officiate in these Games with complete impartiality, respecting and abiding by the rules which govern them, in the true spirit of sportsmanship."

County Executive Purcell will present Governor and Mrs. Mario Cuomo, who are serving as grand marshals of the Games. Governor Cuomo will extend his greetings to the assembled guests and spectators, and with a "Let the Games begin!" 5,000 red, white and blue balloons will be launched, adding their color to the excitement.

As the official ceremonies come to an end, entertainment will be provided by the rhythm-and-blues group, The Spinners. Billy Joel will also appear, if his schedule permits.

The festivities of the day conclude with an all-American music medley, played by Bill Buzzeo and His All-Americans.

All of the entertainers are donating their time and talents to the 1984 International Games for the Disabled.

Other figures from the entertainment world have made, or will make, generous contributions to the Games. John Stamos, star of TV soap "General Hospital" and rock singer, donated a portion of the box receipts from a May weekend concert.

On June 10, the award-winning, internationally acclaimed Tokyo String Quartet gave an all-Brahms benefit concert at Coe Hall, Planting Fields Arboretum, Oyster Bay, contributing all proceeds to the 1984 International Games for the Disabled. Tickets were priced at \$25, which included a reception in the Banquet Hall following the program.

A "Torchlight Ball" was held June 2, at Coe Hall, which brought in from the 500 guests over \$100,000 to help with the Games' costs. The ball was chaired by Dita Phipps Leyland, Eleanor A. Simpson and Helene Fortunoff, and notables such as Sen. Alphonse D'Amato, Congressman Raymond McGrath and Robert Mrazak, and many others from the social, political and sports worlds attended the gala event.

Nightly entertainment for the athletes will be provided, in a tent being set up for that purpose, by many prominent singers, dancers and musicians. The John Herald Band, whose repertoire covers country, bluegrass, Cajun and Western swing, will appear on Monday, June 25. The group, well-known in country music circles will also invite any of the athletes who play musical instruments to "jam" with them. A special segment is being set up by the John Herald Band—a workshop, demonstrating to the athletes, particularly the foreign visitors, the differences in the types of country music and how they evolved.

All-event passes cost \$20, not including the opening ceremonies, which are priced at \$8.50, or the closing ceremonies, ticketed at \$6.00. General admission daily attendance tickets purchased in advance cost \$4.00, or \$6.00 at the gate. Groups of 15 or more can obtain tickets at \$3.00 each. Tickets are available at the Nassau Coliseum box office and at Ticketron offices nationwide. For group rates and other information, call 516-222-2121.

## Safe Boating Course

A safe boating course for youngsters ages 10 to 16 will be offered to Town of Oyster Bay residents beginning June 20, according to Town Councilman Salvatore R. Mosca.

"The Young Boatmen's Course is required for all youngsters ages 10 to 16 who want to obtain a New York State Boating License to operate a motorboat," Mosca stated. "Material covered in the course includes the principles of safe boating, rules of the road, basic navigation and seamanship."

The course, which is being sponsored by the Town's Bureau of Conservation and Waterways, Environmental Control Division, will be

held on June 20, 22, 28 and 29 at the Oyster Bay Community Center, Church (Continued on Page 6)

## Dear Friends:

As we go to press ... we bring you the news that Iris Widder of Hicksville is recuperating in Nassau Hospital in Mineola, although, by the date on this newspaper, she hopes to be home again. So, if you would like to phone her or send her a "get-well soon" card ... the Widders live at 191 First St., in Hicksville (931-0853). And from all of us at The Herald ... "best wishes for a speedy recovery, Iris."

**PEOPLE IN THE NEWS:** best wishes for continued success to Cong. Norman Lent who recently was presented with the 1984 Leadership Award from the United States Congressional Advisory Board of the Coalition for Peace Through Strength, in recognition of the leading role he has taken on a variety of national security issues before the U.S. Congress ... best wishes, also, to Mr. Donald J. Heiser who has been elected L.I. divisional president with Empire of America FSA ... best wishes to Mr. Craig H. Loweth who has been promoted to Asst. vice president and investment officer of Eastern Savings Bank ... and to Mr. Anthony B. Titone who has recently joined Eastern Savings Bank as an assistant vice president in the mortgage dept. ... best wishes for continued success to William Bischofberger of Hicksville, a student in Dr. Robert Herman's Corporation Finance Class at Nassau Community College. It seems that, over the past ten years Prof. Herman's students have outperformed the Dow-Jones Index on all but one occasion in making purchase predictions. Now that William has made his semester-ending presentation, we hope that he keeps up the good prediction average ... Nassau County District Attorney Denis Dillon writes to tell us that, through a work-study program with Nassau Community College, Debbie Blanchard and Janice Lane, both of Hicksville completed an internship with his office as secretarial interns.

**AS YOU ALL KNOW,** the Referendum calling for the retention of the "Moment of Silence" in Hicksville schools was passed by an overwhelming majority and the school budget was passed. Also, Messrs. Schwartz, Moor and MacBride were elected to the Hicksville Board of Education. We wish those elected well, for the task they have volunteered to do ... the task they have been elected to do ... will take up a great deal of their time. However, the remuneration is great ... not in money but in knowing that as a result of their work our children will continue to have the quality of education that we believe they deserve and to accomplish this within the figures in the budget so recently voted on. This is not a small task.

To those who will no longer be serving on this Board, we are indebted to you for years of concerned service.

As to the "Moment of Silence", we of course, are pleased. Remember this is winning a battle. Now the war will probably continue in the courts. We must all be eternally vigilant.

### Named Winner

Dr. Jerome Botwinick, Principal of Plainview-Old Bethpage High School is pleased to announce that David Battleman was named winner of the annual Bausch & Lomb Science Award on June 4, 1984. The Science Award - a 1984 handsome bronze metal - is presented each year to winners at more than 8,700 participating schools throughout the United States and Canada.

"The Bausch & Lomb Science Award is especially significant," according to Dr. Jerome Botwinick, Principal, who made the presentation, "because it recognizes the senior student at our school who has attained the highest scholastic standing in science subjects."

**Favorite Songs**  
On May 22, children in grades 1 through 8 under the direction of Mrs. Carol Nealon, Music Director and Mr. Alex Masaro, Band Director, with the assistance of Sr. Pat, a teacher, entertained family and friends in a concert of Old Time Favorite Songs. Mrs. Nealon's enthusiasm, as well as the lively selections by the band conducted by Mr. Masaro, sparked and enlivened

audience participation in many of the selections.

Mr. Masaro recognized and commended the following Eighth Grade students: Colleen Catera, Kathleen Mahoney, Alison Meir, Timothy Ryan, John Krynsky and Brian Berg, for their dedication and involvement with the band over the past five years.

The initiation of this concert promises to be the first of many concerts in the future.

## Letter To The Editor

Councilman T. Clark

Dear Mr. Clarke,  
The other day, which was a beautiful day, I decided to hang my clothes outside to dry. Guess what? I couldn't because of the illegal trailer depot just about fifty feet from my back door. The trailers were playing tick, tack, too, creating clouds of dust fumes. One trailer jumped the curb. I thought surely it would come into my backyard.

I called Remington Alum-

inum to complain and according to a spokesman, they have had a lot of vandalism; beer bottles, beer cans, and liquor bottles were found in empty trailers.

There is no security as far as lighting or patrols. This is rather scary because there is only a six foot fence separating our backyard and the trailer depot of at least 150 trailers.

On another day, also a beautiful day, I opened my

back door in about two hours, about 25 trailers either went out or came into Andrews Road. On another rainy day, writing a letter in my back den, within five minutes I trailer came and 2 went out of Andrews Road.

Today, as I am writing this letter, I am looking at dirty trailer trucks, lined up like railroad cars. This is very depressing when we have a backyard and can't even use it. We can't even

open our back door or windows.

We feel like we are living on another Long Island Expressway.

Approximately 20 years ago a variance for building of town houses was denied for this area, so surely a trailer depot on the same property should also be denied.

Thank you,  
Helen Rehauser

## Postmaster Murello Addresses Hicksville Community Council

Hicksville Sectional Center Manager and Postmaster Anthony Murello was guest speaker at the June 7 meeting of the Hicksville Community Council.

**Excerpts from P.M.'s Speech**  
Tonight I would briefly like to give you an overview of the Postal Service, where Hicksville fits into the picture and

answer any questions you may have.

For 26 years - from the end of World War II right through 1971, the old post office department ran an unbroken string of budget deficits and was a chronic drain on the federal treasury. At that time fully 24 percent of the post office department's budget was financed out of taxpayer's dollars, yet it still managed to run a deficit of \$166 million.

We in the Postal Service are very proud of our record since 1971 when postal management was taken away from congress and placed in the hands of career postal managers.

Here are some of the highlights: compared to 13 years ago, the Postal Service now delivers more than 40 billion additional pieces of mail to no fewer than 18 million additional addresses. We do it all with 670,000 employees - 68,000 fewer than in 1970.

To put it in a different way: compared to 13 years ago, the Postal Service now handles 47 percent more mail, and we do it with nine percent fewer employees.

We have succeeded in breaking even financially over the last seven years. We had a surplus of \$816 million in 1983 and \$802 million in 1982. We hope to break even this year.

We have succeeded in doing this while eliminating any federal subsidy. In 1983 we ended entirely any subsidy from Uncle Sam.

No longer is the price of a stamp kept artificially low by the huge taxpayer subsidy to the Post Office. Today's 20 cent stamp reflects the full, honest cost of mailing.

And I want you to know that our 20¢ first class postage is the lowest in the industrialized free world. The cost of postage is well below the rate of inflation.

There will be no rate increase this year. We do anticipate an increase in early 1985. We need it to cover personnel and operating costs which are catching up with us.

The Postal Service is now processing a record volume of mail. This year we anticipate an increase of 6 billion pieces of mail which means we will process a record anticipated total volume of 125 billion. We are able to handle this increase in volume due to the introduction of mechanized and automated mail processing equipment and our introduction of ZIP +4. I invite anyone involved with a large business mailing to take advantage of the rate incentive for using ZIP+4.

We have also seen a lot of changes in Hicksville in those years. It seems like yesterday that I moved to Hicksville and transferred to the Post Office here. Back then, the Post (Continued on Page 9)

The 50th Anniversary Re-union of the Hicksville High School graduating Class of 1934 was held on Sunday, June 10th, 1984 at Wickers Restaurant.

It was truly a happy and joyful occasion as classmates met again, some after having been separated for all of the 50 years. They came from California, Florida, Connecticut, the Carolinas, etc. Letters were read from graduates who could not attend sending their regrets that they could not be with us.

Out of a class of 66 graduates from which 13 are deceased, we had a turn-out of nearly 75% of the surviving members. A number of guests of the classmates were also present.

The picture shows 1934 Class President Henry C. Guck-enburger and his wife Helen (Iehle) who, together with Charles I. Montana, had formed the committee to bring about this re-union.

## Eastern Savings Bank Marks 10th Anniversary Of Plainview Office

### To Honor Retiring Manager Bud Ryder

Two milestones will be passed on June 22nd and 23rd when Eastern Savings Bank celebrates its tenth anniversary of service to Plainview and bids good-bye to manager Clarence C. "Bud" Ryder who is retiring.

Ten years ago, when Eastern came to Plainview, a balloon anchored to its roof floated away. Now, with Ryder's retire-

ment, many feel an equally "buoyant" departure is at hand.

Eastern's anniversary celebration will be fun for the entire family including refreshments, a magic show and gifts for all. Capping off the celebration will be a drawing for a gala "Night on the Town" for a lucky couple. The fortunate two-some will be driven by

chaffered limousine to a fine New York restaurant for dinner and then on to the hit musical, "My One and Only," starring Tommy Tune and Twiggy.

The anniversary celebration will also give everyone an opportunity to visit

with the popular Bud Ryder in his favorite setting — a party — upon his retirement.

The celebration will be held during business hours on Friday and Saturday, June 22nd and 23rd, and Mr. Ryder says to be sure to bring the children.

Wow! The Club has been jumping since June 2, when we held our Annual Dinner Dance. This affair was a smashing success both socially and financially. If you were present that evening, we don't need to remind you of the good time that everyone had. If you were unable to attend, we're sorry you missed out on all the fun, food, liquor, dancing and prizes.

However, you will all have an opportunity to participate in another evening of fun on August 10 when we will hold a Square Dance. You will read more about this event in a future column... suffice to say that it will cost only \$5 per person. This entry fee will entitle you to beer, soda, refreshments; and, of course, a toe-tapping, finger-snapping evening of good old fashioned square dancing.

We want to take this opportunity to thank Bill Maher for his usual generosity and kindness in donating four baskets of cheer for the raffle that was run at our Dinner Dance. A special thank you to Joe Farrell for obtaining the many prizes and door prizes which were awarded to the raffle winners and door prize winners that evening. These two men did an outstanding job on behalf of our Club and we are all grateful to them. We also want to thank the many merchants in the community who donated so many of the prizes. Without their contributions we wouldn't have been able to award prizes. And thanks to our many members and friends who supported this fund-raising event by buying tickets. And last but not least, without the efforts of the dance committee co-chaired by Frank Giora and Nick Caruso and the many helping hands at the dance, this affair would not have been the success it was.

At our last Club meeting, Friday, June 8, Congressman Norman Lent made an excellent presentation to our membership. Many interesting questions from the floor were answered by Norm Lent in a clear, concise and informative fashion. He was very well received by those in attendance at the meeting.

June 14th and Independence Day, July 4th, have been set aside as a special period for Americans to join together in honoring our great country. Displaying our American flag symbolizes respect for our country and an appreciation for the significance of this proud banner," said Congressman Lent. This period has been declared a "21 Day Salute."

Available to his 4th District residents are American flags which have been flown over the United States Capitol. These flags may be purchased through Lent's Washington office. Select the desired size and send a check for the amount, payable to "Norman F. Lent Stationery Fund," to his Washington, D.C., office. Prices for the flags are: 3'x5' Cotton \$7.62; 3'x5' Nylon \$6.62; 4'x6' Nylon \$9.62; 5'x8' Cotton \$16.05; 5'x8' Nylon \$15.93. Lent encourages all Long Islanders to honor our country by displaying the American flag during the national "21 Day Salute" to America.

We were sorry to hear that one of our members, Ann Gros, has been hospitalized. We sincerely hope that Ann is

feeling better now and home once again.

On Sunday, June 17, another member of our Club, Ida Mae Herfurth, will celebrate her 87th birthday. Congratulations, Ida Mae, and may this year bring you good health, peace and happiness.

Jean Jackson's daughter, Jean Van Dyke, spent a lovely visit with her mother, brothers and friends recently. Jean resides in Orlando, FL, with her husband, Brian. She returned to Hicksville to attend her ten-year reunion from Holy Trinity H.S. She had a wonderful time both at the reunion and visiting her friends. It afforded her the opportunity to "catch up on all the news." Jean and Brian surprised her Mom, with a color TV for her birthday which was June 9. The family had such a good time during Jean's visit that her Mom and Grandma Rutig are planning a trip to FL next month to continue the fun.

## Something To Think About

BILL WAGNER

DIRECTOR

### DEATH A PART OF LIFE

Attitudes toward death are shaped by the physical world, as well as by religious beliefs. Throughout most of history, the world was a place of hardship, poverty, disease and starvation. Infant mortality used to be extremely high, and death was a common occurrence among all ages, especially in time of epidemics and plagues.

As a natural result, death was very much a part of everyday life, a fact with which even the youngest child was familiar and one for which everyone had to be prepared. In most places, even burial was among the living—on farms, in town commons, as well as in church yards. Fortunately, medical

science and prosperity have greatly decreased infant mortality and increased life expectancy. Urban living has changed the pattern of personal burial. Death has ceased to be an everyday part of life. More than ever before, the experience of the funeral service is important to help us understand and accept death when it does occur.

## DONOVAN Report

Real Estate:  
Karen Donovan

### DISCRETIONARY BUYING

If you're new to homeownership and real estate, you may never have heard the term "discretionary buying." For many years it didn't exist. Housing was so tight and mortgage money so high that people stayed put. If they had someplace to live, they didn't move. Of course, those who picked up and followed a job across the country were exceptions. Now we're hearing about discretionary buying again because people are beginning to move when they simply want to, or because they can now afford a bigger, better, more attractive home. More lending money available at better rates has, to some extent, made this possible. If you've considered moving

up-or if you just want to sell and try a different location or a different lifestyle-this is a good time to put your property on the market. There are plenty of willing buyers out there with money or with qualifying incomes. To get a handle on your equity, let a professional market your property. An experienced real estate broker is in a position to market your home most effectively, negotiate for you, and help you end up with the best return!

PRESIDENT  
Peter D'Amico

P.O. BOX 283 OLD BETHPAGE, 11804

EXEC. LEADER  
Dr. Chas. Artale

New York State has just passed a law prohibiting retailers from charging a surcharge when using a credit card. We are waiting to see the effect of this law on the discounts for cash payment prominent at so many service stations.

When summer time comes, election time is not far behind. On June 6, 1984 the 2000 plus Nassau County Republican Committeemen met to nominate local candidates to run in the November election. However, this vote of the committeemen is not the final say on who runs as the Republican candidate for elective office. The final say is with all the registered

Republicans in the community. Therefore, your local committeeman will be calling on you within a few weeks to present the slate of recommended candidates to you and ask for your approval for each Republican candidate running in your area. You make the final choice.

So, expect your local committeeman to be calling soon. Remember, he or she is not paid for his/her time and efforts. It is simply a desire to assure us of the most efficient and effective local government that motivates these committee people.

Speaking of elections, the proposed candidate for the 13th Assembly District, New York State is Ann Gold. Ms. Gold is a Glen Cove City Councilwoman. The first woman ever elected to this council. She is now the only woman holding local legislative office in all of Nassau County. Ann is an important contributor and member of the Executive Committee and Legislative Coordinator of the New York State Association City Councils. She has served on a multitude of State and local task forces and committees to assure better local government.

Ann Gold is an experienced, professional administrator, managing budgets in the millions of dollars. She holds a B.A. in education and two Masters degrees, with one in Public Administration. Here is a woman sensitive to the needs of the suburbs and one of the few women who has fought and succeeded in winning local elections.

Ann will be speaking at our Club at the October

meeting on October 17, 1984.

This club meeting on June 20, 1984 will be the last until September when Gary Musiello, Receiver of Taxes will be our guest speaker. Learn how real estate taxes are determined and computed and how to learn more about the taxes on your home.

Hopefully you will join us on June 20, 1984 at the American Legion Hall, Southern Parkway, Plainview. Remember, the crux of this meeting will be light food and liquid refreshments, conversation and some goodbyes for the summer. Please come.

## GIRLS SENIORS - Director: Tom Zagajski National Westminster Bank (15)/Wagner Funeral Home

(1) Donna Bates, Jen Pagett, Diane Testagrossa and Jean Hassan combined for 8 hits, 6 runs and 6 RBI, leading the National Westminster team to its fifth straight win. Coach: Neil Mezeul

For Wagner's, excellent double play in the 3rd inning. Ball caught by 2nd baseman Diane Esposito and thrown to 1st baseman, Amy Brittan for the 2nd out. Coach: Charlie Moore

**Hicksville Bike (15)/Center Island Pennysaver (0)**  
Solid team effort for Hicksville Bike. Everyone played a great defense and turned in a good hitting game. Chris Proctor struck out 8 and pitched her first shut-out. Kim Stanley at bat and Diane Gargano at SS were outstanding. Coach: Jack Mullin

Karen Osback had 2 hits and played well at SS for Center Island. Megan Kiley had a good game at 1st base and Donna Kelly played well behind the plate. Coach: Phil O'Mara

**Northern 5 & 10 (12)/Wagner Funeral Home (9)**  
Offense for Northern led by Christine Fiorelli's grand-slam-home-run, Deanna Pitta's double and Stephanie Pitta's 9 game hitting streak. All around solid team defense. Patti Grady good play at 1st base. Coach: John Harrigan

**Hicksville Bike (16)/Northern 5 & 10 (15)**  
Susie Cucci with 3 hits and Chris Della Ratta with 2, led the attack for Hicksville Bike. Diane Gargano at short steadied the defense. Shannon Mullin made 3 sparkling plays at the plate. Coach: Jack Mullin

**Center Island Pennysaver (18)/Wagner Funeral Home (11)**

Karen Osback had 3 solid hits for Center Island. Jen Abrahamson drew 3 walks and did some very good base running. Mary Ann Davidoff played a good defensive game in the outfield. Coach: Phil O'Mara

**National Westminster Bank (13)/Center Island Pennysaver (7)**

Dina Bacchi, Jen Mezeul and Debbie Elenio combined for 7 hits, 7 RBI and 6 runs, leading the team. Kim Zagajski pitched 4 strong innings collecting 10Ks. Michelle Busa made the big plays snagging a hot line-drive in right and catching a towering fly with the bases loaded to shut down a rally. Coach: Neil Mezeul

For Center Island, Karen Osback hit a good solid home run down the first base line. Jen Koslow played a good game at SS and hit a triple. Patricia Ryan caught all three games this weekend. Coach: Phil O'Mara

**National Westminster (10)/Northern 5 & 10 (9)**  
Fighting off the heat and a fine team, National Westminster came from behind to win its 7th straight. Key hits by Kathy Kwas, Chris Bacchi, Jen Pagett and Michelle Busa, sparked rally. Gutsy pitching by Kim Zagajski going 6 innings in the heat made the difference. Solid D by Diane Testagrossa. Coach: Neil Mezeul

**Center Island Pennysaver (16)/Northern 5 & 10 (13)**  
Dawn Abruzzo pitched a complete game and had 3 hits for Center Island. Alison Meier played an excellent game at 2nd base. Laura Manzer had a good solid hit and a walk. Colleen O'Mara had an extra base hit taken away from her by Patty Grady. Coach: Phil O'Mara

**GIRLS MINORS - Director: Greg Simonelli  
Newbridge Caterers (14)/United States Life Ins. (4)**  
For United States Life, Kerrie Murray was on base all 3 times. 1 for 1 and 2 walks. Kathy Knauer assisted on 5 outs from her 2nd base position. Coach: Carlos Rodriguez

**National Westminster (16)/Newbridge S/S Gulf (10)**  
Each player contributed, breaking National Westminster's 3 game losing streak. Carolyn Meier had 3 hits and played solid SS. Kathy Rombach and Michelle Gilbert combined for 4 hits and 4 runs. Alert play by Mara Rosenfeld at 2nd base and L.F. Meredith Mezeul good play to stop rally. Jaime Carrera 2 fine plays at 3B and Stacy Abruzzo pitched out of big jam. Coach: Neil Mezeul

**United States Life Ins. (9)/Newbridge S/S Gulf (7)**  
Kathy Knauer had an excellent day at 2nd base for United States Life. She assisted on 4 outs. April Rodriguez went 2 for 3 and drove in a run. Coach: Carlos Rodriguez

**Newbridge S/S Gulf (20)/United States Life Ins. (12)**  
For United States Life, Pam McNeil went 1 for 1 driving in a run. Chris Langone hit a 3-run HR. Wendy Fusco made 2 excellent plays at 2nd base including tagging out a runner. Coach: Carlos Rodriguez

**Newbridge Caterers (11)/National Westminster Bank (6)**  
Stephanie Busa's 3-run HR and 2 shut out innings kept the game close for National Westminster. Stacy Abruzzo scored 2 runs and Christine Doyle made a fine play at 3B to end the inning. Coach: Neil Mezeul

**United States Life (8)/National Westminster Bank (7)**  
Chris Langone hit a triple scoring 2 runs for United States Life. Dale Lindsley had a HR to tie the game and Shannon Faulkner drove in the winning run. Coach: Carlos Rodriguez

**CONNIE MACK - Director: Tony Cordero**  
Hicksville's Connie Mack "B" Team opened the season against a tough Elmont team. After starting the season with 3 consecutive losses, our "B's" showed excellent poise by winning its next three to even its record to 3-3.

Clutch pitching by Doug Kraus and Vinnie Pellizzi contributed to the wins. Good defense and timely hitting by Chris D'Amico and Anthony Luparello provided the mar-

gin of victory.

Our next doubleheader will be played on Sunday, June 17th, starting at 1:15 P.M. at Baldwin H.S. Come and cheer us on.

# Fork Lane Field Day

L.A. may have the Olympics but in Hicksville, Fork Lane students were all super athletes recently! Field Day began with our cheerleaders giving a rousing salute and then, the festivities really took off!

Among the featured events were baton relay races, 50 yard dash, potato races, cone jumping, tug-of-war, fast dog races, etc. As parents, friends and relatives cheered wildly, participants gave 110%. Students in the lower grades were "coached" by sixth graders who encouraged them to the finish line and who had been working with them for weeks "in training". Since no one loses at Fork Lane, we had first and second place winners in each grade.

A note of appreciation to Carol Weber and Maureen Kuperberg, our gymnastic geniuses, who spent countless hours of hard work in preparation for the big event.

As an extra bonus, Fork Lane's PTA generously supplied franks, ices, melon and fruit drink to the weary athletes. Thanks to Madeline Senn, Barbara Doherty, and their tireless and terrific crew of moms who always turn up when needed. (photos/story by k.blicker)

In the top picture, TROPHY TIME ... Mrs. Mitchell's fourth grade "maniacs" display their First Place trophy after Field Day.

In the lower picture, Mrs. Weber (c) huddles with sixth grade "coaches" before Field Day festivities.

Old Country Road School's fifth grade students, under the direction of their teachers, Mr. G. Saul and Mr. H. Zielin, held an International Luncheon on Friday, June 1st.

We all know that America is a melting pot representing every nationality in the world and Old Country

Road's 5th grade classes represent 14 nationalities.

The entertainment included songs and dances from all nations. The food, prepared by the 5th grade parents, was authentic home cooking representing their ethnic backgrounds, and was truly delicious. The luncheon was inter-

esting, entertaining and informative. A good time was had by all. A good learning experience -

## Obituaries

### ROSEMARIE DEMONACO

A life-long resident of Hicksville, Rosemarie DeMonaco, died on June 9 following a long illness. She was the daughter of Mary and the late Frank; sister of Patrick, Frank DeMonaco, Jessie Doyle and Nancy DeLillo.

Born in Hicksville, she attended the Hicksville schools. During the 1950's, Hicksville would sponsor a Baseball Queen contest. Pictures of local girls would be submitted and voting would take place and the winner would be announced at the Hicksville movie theatre on a Saturday night. The winner of the contest, along with other residents of Hicksville, would attend a Brooklyn Dodgers game at Ebbets Field, and would be presented with a bouquet of flowers by the player of her choice. Rosemarie was very delighted to learn that she got the most votes one year, thus becoming Hicksville's Baseball Queen for 1954. She attended the game and received her bouquet from the player of her choice, Duke Snyder.

Her family recalled that she had the ability to smile and radiate warmth about her even during the most adverse conditions. She drove a bus for many years for the Association of Help of Retarded Children (AHCRC) and she had a great deal of devotion for the children, and they, in turn, were very fond of her.

She resided at the Henry J. Stock Funeral Home, Newbridge Rd., Hicksville. Mass of the Christian Burial was at St. Ignatius R.C. Church and interment followed in Holy Rood Cemetery.

### DOROTHY A. McCULLOH

Dorothy A. McCulloh of Hicksville died on June 11. She was the wife of William; mother of William Jr., Dorothy, Patricia, Kathleen, Margaret, Sally; daughter of George and Dorothy Noonan; sister of George Noonan; grandmother of Ryan.

She resided at the Henry J. Stock Funeral Home, Newbridge Rd., Hicksville. Mass of the Christian Burial was at St. Ignatius R.C.

Church and interment followed in USVA Cemetery.

### EDWARD G. DAHLSTEDT

A former Hicksville resident, Edward G. Dahlstedt died on June 12. He was the husband of Anna; father of Edward H., Lester and Betty Ann; brother of Elsie Ganz. He is also survived by three grandchildren.

He resided at the Vernon C. Wagner Funeral Home, Old Country Rd., Hicksville, where religious services were held. Interment took place in Lutheran Cemetery.

## Named Controller

James McHugh of Selden, has been named Chief Financial Officer of Spiegel Associates, Hicksville, one of Long Island's largest builders and property managers.

Mr. McHugh was formerly Controller of Electro-sound Corp., Hauppauge. He also served as Assistant Controller of Glenwood Management, New Hyde Park, which develops and rents commercial and residential properties, and as Controller of The Garden City Company, Garden City, which builds and rents local commercial properties.

A graduate of Manhattan College with a major in accounting, Mr. McHugh is a member of the New York Association of Accountants.

He lives in Selden with his wife, Lorraine, and daughter, Laura.

# Decade Club Raises \$265,000 At Inaugural Event

More than \$265,000 was raised at the inaugural reception of the new Decade Club of the United Jewish Ys of Long Island last week at Ryefield Manor, the historic Lattingtown home of Leonard Sonnenberg, president of Preco Industries, Ltd., Plainview, and his wife, Eleanor.

The reception was highlighted by the announcement of a \$50,000 gift made by Ronald Lauder, Deputy Assistant Secretary of Defense for NATO.

The Decade Club is a group of prominent Long Island business leaders and philanthropists who have made major contributions to the UJYs' "Decade of Development," a ten-year, \$21 million capital fundraising program for the six YM & YWHAs in Nassau and

Suffolk counties. As one of their major objectives, club members will strive to improve the quality of life for members of Long Island communities served by the Ys, said Alfred W. Levy, president of the UJYs. The six Ys are located in Baldwin, Cedarhurst, Commack, Long Beach, Plainview, and Roslyn.

To date, more than \$1 million has been raised for the Decade of Development, according to Mr. Levy. Completion of the Decade program will enable the Ys to expand their services — from pre-school to senior — to more than 100,000 Long Islanders annually. "The Decade Club will help build the Ys into full service agencies — community centers, that's what they really are," said Mr. Levy.

The reception, held on Sunday afternoon, June 10, was attended by more than 50 people, including Harold Leviton, president of Leviton Manufacturing and the first president of the UJYs; Harry Rabinowitz, executive vice president of Pope, Evans and Robbins, Inc. and chairman of the UJYs board; Alfred Levy, president of Kleartone, Inc. and president of the UJYs; Jerry Spiegel, chairman of Spiegel Associates; and other prominent Long Island business leaders.

The reception featured the presentation of specially designed pins, with the Hebrew letter yud, as the emblem of the Decade Club. The yud has many symbolic meanings. It is the symbol of God and the community of

Israel; it represents the number of people (10) needed to form a minyan, as well as symbolizing the hand outstretched to help the Jewish community. It also represents the tradition of the "pintele Yid," the spark of Jewishness that exists in all Jews, said Henry Saltzman, development consultant for the UJYs.

Jerry Spiegel noted that the new and expanded Ys will create more than 2,000 jobs in their communities in addition to increasing programming and services. Percy Abrams, executive director of the UJYs, stated that the reception — the first of several activities planned this year — "represented a significant step forward in expanding and developing leadership for the Y movement of Long Island."

Congratulations were the order of the day at the June 6 meeting of the Hicksville Kiwanis Club when Past President Russ Coniglio, presented Past President Sieg Widder with a seven year perfect attendance tab to be worn with his "K" pin.

In his presentation, Mr. Coniglio complimented Mr. Widder for his dedication to the principles of all service clubs, namely "Service To Others", and in particular, for his service to the Hicksville Kiwanis Club as an officer and chairman of committees during his seven years as a Kiwanian.

In the photo, P.P. Russ, on the left, is shown congratulating P.P. Sieg for his accomplishment.

## Murello's Address (Continued from Page 4)

Office was a small office of about 60 people located on Broadway. I can't believe 30 years went by so quickly. Today, we have many buildings throughout Hicksville to handle all phases of postal operation.

Some of you may wonder why you always see so much activity around the Hicksville Post Office and our annex located next to Farmer's Market. We are a management sectional center which means we manage and process all the incoming and outgoing mail for the 117 and 118 Zip Codes. This encompasses 71 post offices from Amityville through Wyandanch. We handle between 3 and 4 million pieces of mail a day. Last year the postal service processed over 119 billion pieces of mail. Approximately 3% of that volume was handled in Hicksville.

Our Hicksville office employs 1800 people who work 24 hours a day, 7 days a week. In Hicksville we have over 1,800 trucks, trailers and jeeps moving your mail. We serve 1 million 750 thousand people in an area that covers 784 square miles.

Hicksville was the 4th sectional center in the northeast region to receive the optical character reader and bar code sorter. We also have the newest automated mail processing equipment, the Flat Sorter.

I am very proud of our automation program in Hicksville. According to the latest reports, Hicksville is one of the top offices in the nation for automated mail processing performance.

I know parking at our mail office on West John Street has always been tight. To improve the situation we are asking the Town of Oyster Bay to change the NO PARKING on West Barclay Street to 15 Minute Parking. Hopefully, these spots will be available soon.

## Create Your Own Shirts

By Kenneth Lovett

If you go into New York City especially the Village, you'll see all different styles of clothing. If you live on Long Island, the names Calvin, Jordache, and Sasson probably ring a bell.

Did you ever wonder why you are advertising these people's names on your clothing? Now you can walk around with an original shirt of your own.

On THURSDAY, JUNE 21, at 8 pm, the Plainview-Old Bethpage Library will sponsor a Paint Your Own Sweat or T-Shirt evening. Ms. Susan Green will teach you how to turn an old sweat or T-shirt into a fashionable 1980's style.

The shirt can be as outrageous or conservative as

you like. There is a 75¢ workshop fee, and there will be a limit of 35 people. Ms. Green says to bring a clean white or light colored sweat or T-shirt.

Just think, for 75¢ you can have a "brand new" shirt and the know how to create a whole line of shirts for yourself.

Registration is required and there are no refunds or cancellations. Register quickly at the Library Circulation Desk.

For more information call 938-0077.

The Library is located at 999 Old Country Road in Plainview, opposite the Morton Village Shopping Center (938-0077)

## Eighth Precinct Police Report

By P.O. Kenneth Box

### CRIMINAL MISCHIEF ARRESTS

Five Hicksville youths all students from Hicksville High School were arrested at 9:50 a.m., on June 6 in the Nassau County District Attorney's Office in Mineola charged with two counts of Criminal Mischief at Hicksville High School and Syosset Jr. and Sr. High School last October.

The five had allegedly spray painted anti-semitic slurs and swastikas on the outer walls of three school buildings in Syosset, sometime between 11:00 p.m. and 6:30 a.m., Oct. 20-Oct. 30, 1983 and anti-semitic slurs on an inner wall of the Hicksville High School football field during the same period.

Arrested were 1-Joseph Abbatiello, 18, of 53 Fordham Ave.; 2-Frank, 16 and his brother, Vincent, 18, Christiano, of 60 Kramer St.; 4-Kenneth Kugler, 17, of 232 Lee Avenue and 5-Charles Wannan, 18, of 21 Ash Lane. All five were arraigned in First District Court, Mineola.

### ARSON ARREST

A 15 year old juvenile has been arrested on June 8 at 5:00 pm for throwing a molotov cocktail thru the window of the Hicksville High School on Division Avenue, Hicksville on May 13 at 8:45 pm. The fire caused moderate damages to a teacher's office and was quickly extinguished.

The juvenile, who is a student at the high school, surrendered himself with his parents at the Eighth Precinct Station House and will appear in Family Court at a later date.

Between June 5 and June 6, a residence on Edward Ave., Hicksville, was burglarized. Entry was made by breaking a rear window. The loss is undetermined at this time.

### Condolences

Our condolences to the Knudsen family of Kuhl Ave. in Hicksville on the death of Grace's brother's wife, Gloria.

## \$\$\$\$\$ For Miss Liberty

Since the children of France helped fund the original construction of the Statue of Liberty almost one hundred years ago, the two

second grade classes of the Willet Avenue School decided to contribute to the Statue of Liberty's restoration in time for the celebra-

tion of her one hundredth birthday in 1986.

With the guidance of their teachers, Margaret Belz and Renee Fisher, they collected favorite recipes from their mothers, grandmothers and aunts, which were then compiled into a cookbook entitled "Recipes For Miss Liberty." The recipe books were then sold at the school for \$1.00 each as a Mothers Day gift suggestion.

The children helped colate the book, drew their own advertising posters, made announcements over the school's P.A. system and conducted the sale at the school for two days. In addition they wrote letters about their fundraising activity and sent copies of the book to President Ronald Reagan, President Mitterand of France, Governor Cuomo, Mayor Koch, the two United States Senators from New York and other prominent public officials. They were thrilled to receive warm responses from these notable figures praising them for their efforts.

In addition the two second grade classes visited the Statue of Liberty to see the restoration in progress. At that time they presented a

check for \$259.00 to an official of the Statue of Liberty Centennial Commission on Liberty Island. For their generous contribution each class received a handsome certificate from the Centennial Commission and were informed that their names will be permanently displayed in the visitor's museum at the base of the Statue when the restoration is completed.

As a culmination on May 25th, which was Grandparent's Day at Willet Avenue, the children performed in an original play about the Statue of Liberty which was written for them by Doris Phillips, a retired Willet Avenue teacher. At that time each grandparent was presented with a copy of the cookbook. A wonderful time was had by all.

The pride and patriotism displayed by the children throughout this project was indicative of America's most powerful symbol of freedom.

Selling the cookbook "Recipes For Miss Liberty" at the Willet Ave. School were Christopher Connolly, Neha Patel and Anthony Speranza. (Center picture).

A check for \$259 was presented to the chief park ranger on Liberty Island by Christopher Fligr. (Lower picture). Editor's Note: More pictures next week!

### Murello's Address (Continued from Page 9)

Our carrier alert program provides protection for seniors in many communities around the nation. To date, many lives have been saved by carriers who, noticing an unusual build-up of mail, have notified someone to check on the individual. We will be happy to have a postal representative explain more about our carrier alert program to your group or organization.

The postal service not only watches out for your safety when delivering the mail, we provide consumer help in the area of mail protection. In 1983 over 200,000 complaints were received by the postal inspection service. They completed 2,341 investigations and obtained 938 convictions.

Postal inspectors recently put a stop to the largest credit card fraud scheme in the world. I am proud that Hicksville postal workers assisted in removing the printing presses from the Bellmore company where these cards were printed.

If for any reason you have a problem with mail fraud or false representation, just contact my office and remember, "If it sounds too good to be true, it probably is."

Finally, we are planning a public open house in October. I look forward to showing you all the latest in postal operations.

I think we can all agree that Mr. Treadwell was definitely worth it. Hicksville has a great future and I am proud to be a part of it."

After Mr. Murello's speech, a well-received question and answer period followed plus the Council's "Town Meeting" at which time several local matters were discussed. Then, a report from Town of Oyster Bay Councilman Thomas Clark, covering several other local matters which will be coming up in the future for hearings in Oyster Bay was given. You will be notified of these hearings as the dates are set in this newspaper.

The Council announced that the date of their Annual Dinner has been set for Thursday, October 4, at Antuns in Hicksville.

For information or help on local matters to be considered by the Board of Directors of the Council, during the summer months, one may call Mrs. Noeth, their president at 931-1400.
