Town Board Approves Special Use Permit For U-Hauls

Oyster Bay Town Councilman Salvatore R. Mosca announced that the Oyster Bay Town Board has approved a special use permit for U-Haul Co. of Long Island Inc. and Brooklyn Avenue Associates in Hicksville, subject to sixteen restrictive covenants.

Mosca said that "the petitioner had requested permission to use the property located on the southwesterly side of Broadway at Lauman Lane, for the rental and

storage of U-Haul trucks, trailers and recreational vehicles and accessories. The applicant had also requested permission to store and dispense petroleum products from underground storage tanks."

After a public hearing on the application, the Board has granted the special use permit, subject to sixteen covenants and restrictions. Mosca noted that the restrictions include the place-

ment of an eight foot high stockade fence along the southern and northern borders of the property, with screen plantings of eight foot high hemlocks behind the fences and along other fenced areas of the property. The south side of the property is restricted to employee parking and for display of rental vehicles under six feet in height and the underground fuel storage facilities are to be used solely for the fueling of

stored vehicles.

"In addition," Mosca said, "the hours of operation will be limited to 8 AM to 6 PM Monday through Saturday and Sunday hours of operation are restricted to 9 AM to 2 PM."

Mosca also noted that no building permit or certificate of occupancy shall be issued until a site plan has been approved by the Town Board.

Town Board Denies Zone Change in Hicksville

The Oyster Bay Town Board has denied a request for a change of zone from "D" residence district to "F" business district (neighborhood business) in Hicksville, according to Town Councilman Kenneth

S. Diamond.

"The petitioner, Rockwell Realty Co., was seeking the zone change in order to construct a three-story office building on the north side of West John Street, east of

Myers Street in Hicksville," Diamond stated.

"At a public hearing held on Tuesday, June 26, residents expressed concern about lack of adequate parking and potentially hazardous traffic conditions."

Diamond noted that the Town Board's denial of this application was in keeping with past actions of the Board in refusing to allow the encroachment of a business into a primarily residential area.

Gregory Museum Doings

By Dick Evers

Continued from Last Week

For many Hicksvillians, the Gregory Museum's most important contribution to the community has been its care of the old courthouse and the numerous historical exhibits and programs the museum has sponsored at Heitz Place, at the Public Library and in our schools.

Town's Courthouse Preservation Project 1984
Also appreciative of the added stature the Museum and Courthouse have brought to Oyster Bay and

Long Island, the Town Board in 1983 sought to use a portion of its assigned Federal Community Development Funds for the renovation and preservation of the historic courthouse. These funds, available to preserve authentic historical buildings, will fund, shortly, a project which will supplement the Museum's Trustees' efforts since 1969 to safeguard our Hicksville landmark. The project has gone out for bids, and work is expected to get under way

in the near future.

As planned by the Town Department of Intergovernmental Affairs and under the supervision of the Department of Public Works, the project has been approved by the Town Board and the County. The Community Development project will be an effort to preserve the historical authenticity of the Courthouse's exterior and to improve its internal structure and its heating facility.

Among the items of work to be done are: 1) relining and repair of roof gutters and leader pipes to stop leaks from undermining the painted surfaces of the clapboard siding; 2) underpin-

ning the front foundation of the building with concrete footing; 3) securing and waterproofing the roof cupola on the courthouse; 4) installation of a steel beam under the entire first floor's wooden beams; 5) conversion of the heating plant from electric power to gas energy.

In a little while, it appears, we'll be able to repaint the building in some handsome turn-of-the-century color scheme. Meanwhile, neighbors, do come over and view the fine collection of Old-time Hicksville Railroad Crossing and Street Scene Photographs by Edward Bady now on display at the Museum.

Boy Scout Fund Raiser

The Mother's Club of Boy Scout Troop #683 of Willet Ave. School, has helped the boys to organize a fair. The fair will be held August 17 to August 19. There will be rides and

games.

Come to downtown Broadway in Hicksville and have a great time!

The boys will use the proceeds of the fair to buy equipment and for camping.

Sam Weiss Will Not Run For Water Dist. Comm.

Stanford "Sam" Weiss has informed the Board of Commissioners of the Hicksville Water District that he will not be a candidate to succeed himself in the forthcoming election because of health reasons. Sam would especially like to thank his many friends

and supporters who in the past had made it possible to serve as a Commissioner for twelve years. His various terms of office were among the busiest the Board has experienced and he had been a part in the making of the big decisions required. The

School Board Adjusts Estimated Expenditure

On Monday evening, August 13, the Hicksville Board of Education adjusted its estimated expenditures of \$245,000 for the school year 1984-85 in order to reflect additional estimated costs connected with teacher salaries for the school year.

This action was necessitated by reason of recent developments in the dis-

trict's negotiations with the teacher's bargaining unit, which brings the parties closer to settlement on salaries and other related issues.

"The Board of Education will continue its efforts to both contain and reduce the tax rate in the coming year and at the same time meet its commitment for high quality education," a spokesperson for the Board explained.

Dear Friends:

A heartbroken grandmother called to tell us that on August 11th at the Plainview Old Bethpage Middle School her grandson's bike which was chained and locked, was stolen. Whoever did this cut through the chain. "It hurts so much," she told us, "as this was my son's bike. He was killed last year and we reconditioned it for my grandson. It's a large, blue, 26" Schwinn."

"If anyone has seen it please call 935-7809. It means so very much to us," she explained.

Need we say more...

Former Hicksville Fire Commissioner John McMahon and his "BW" Dottie, are now residents of Hollywood, Florida. They send best wishes to all their friends and neighbors in Hicksville. We hope you enjoy life in the sunbelt, folks, but don't forget to come back and visit often.

In one of our articles last week we explained that 13% of the tax for the Levittown pool bond issue will be assigned to the Town of Oyster Bay, while the remainder is assigned to the Town of Hempstead where all but one of these pools are located. However, to clarify this further, these taxes are only paid in our Town by residents of the Oyster Bay/Hempstead Joint County Hall and Swimming Pool District. Of course, these residents are the only ones entitled to use this pool.

The Hicksville Post Office and the Gregory Museum are sponsoring a Hicksville Postal History Photo Contest. Photos relating to postal history, taken before 1965 may be submitted to: Public Affairs Office, 185 West John St., Hicksville, NY 11802-9304. All entries must be received by Sept. 15. For more details see article on page 2.

THAT'S ALL FOR THIS WEEK. Stay well.

Hicksville Post Office Focuses On It's Past

Postal history is really a study of American history; one cannot be separated from the other. The development and growth of the post office in Hicksville mirrors the development and growth of the community.

About 130 years ago (1855) our mail was delivered to Jericho by stagecoach. Seventy years later (1926), as the number of people living in Hicksville grew, carrier service began with three carriers. As Hicksville became larger, so did our post office. Today we are the largest post office in Nassau and Suffolk. "Our Hicksville office employs 1800 people who work 24 hours a day, 7 days a week to process over 1 billion pieces of mail a year. We have over 1800 trucks, trailers and

jeeps moving your mail and we serve 1 million 750 thousand people in an area that covers 784 square miles," reports Hicksville Postmaster Anthony M. Murello.

In an effort to preserve a record of Hicksville's unique postal history, the Gregory Museum and the Hicksville Post Office are sponsoring a Hicksville Postal History Photo Contest. Photos relating to postal history, taken before 1965 may be submitted to: Public Affairs Office, 185 West John St., Hicksville, N.Y. 11802-9304. All entries must be received by September 15, 1984. Each entry must be marked with contestant's name and mailing address. Photo's will be returned if requested. Top prize will be

1983 Commemorative Mint Set. Additional prizes of souvenir stamp collecting albums will also be awarded.

Winners will be announced and prizes will be awarded at our Safety Fair-Open House on October 7, 1984.

"Tootsie"

Friday evening at 8:00 p.m. on August 17th at the Hicksville Public Library, the film, "Tootsie" will be shown in the Community Room.

The film is about an intractable and largely unemployable New York actor, played by Dustin Hoffman, who wins a major role on a soap opera by dressing as an actress. He becomes the person he is impersonating and his per-

sonality is refashioned by the role. The imposture grows wilder, more complex, and more heart-wrenching as the film goes on. Stars Dustin Hoffman and Jessica Lange.

There is no admission charged and everyone is invited.

Since this film is on the Adult Program, children must be accompanied by a parent.

Hicksville Public Library Bookmobile Is Back

After a long absence during which it received repairs and refurbishing, the Hicksville Public Library Bookmobile is on the road again, ready to serve its patrons. Those who have used the Bookmobile regularly know what great services to expect. That is why they missed it so much. For anyone who is not familiar with Bookmobile services, the following facts will provide some useful information.

The Bookmobile carries a very comprehensive collection of books - the latest novels on the Best Seller lists

and other popular fiction; a timely selection of non-fiction (if you don't find what you need, books can be requested and obtained from the collection at the library); current copies of popular magazines; large type books for the visually impaired and an excellent collection of books for children and young adults (regular stops are scheduled at many schools).

The Bookmobile also delivers books for Home-bounds (anyone who can't get to the library because of poor health or handicap)

and Talking Books for the blind. Call the library to make arrangements for the latter services. Besides the school stops, the Bookmobile also visits the Senior Housing complex on Newbridge Rd. If there is anything else you would like to know about the Bookmobile, ask Mildred McLaughlin when you get on and she will be happy to help you.

A schedule is available at the library and on the Bookmobile. You can also call the library (931-1417) to find out when the Bookmobile will be in your area. A

great way to introduce the pre-school crowd to the fun and value of books is to let them use the Bookmobile regularly. Our regular

patrons of the Bookmobile will be sure to welcome it back. Let's see some new faces on the Bookmobile too.

New Cemetery in Plainview

The establishment of a new cemetery in our community is a far from usual event. But that is what the Episcopal Church of St. Margaret at 1000 Washington Avenue, Plainview has just done.

St. Margaret's had long considered creation of a cemetery on a portion of its 10 plus acres in Plainview, but planning in earnest began about a year and half ago. Such planning seems clearly to have paid off. By almost any standard, the cemetery is a thing of beauty.

Its unique design enables it to be part of the attractive parish property and buildings but yet to be set apart for its special purpose. The woodlands which surround the property and the

expanse of verdant grass give it a secluded, pastoral ambience. To maintain this ambience, flush bronze memorials will be used exclusively in the cemetery.

The Right Reverend Joseph G. Sherman, retired Bishop of Long Island consecrated this new cemetery just a few weeks ago.

The Rev. John A. Meyer, Rector of St. Margaret's, filled us in on some of the background. "From the start, we saw the cemetery as a response to our call to witness and stewardship," said Father Meyer. "Providing a final resting place for the faithful departed seemed clearly to be a most appropriate Christian use for the gifts entrusted to our care." "In addition," Father Meyer

continued, "we wanted it to be a place for christian burial at moderate cost and available to people from all branches of Christ's Church."

"Will St. Margaret's provide perpetual care?" "Most assuredly," said Father Meyer, "and not only perpetual care but perpetual prayer". Father Meyer went on to explain: "Every year on this anniversary of each interment, prayers for the departed will be offered at the Holy Eucharist. Father Meyer extended to the community a cordial invitation to visit St. Margaret's Cemetery.

Those desiring more information are invited to call the church office on 516-692-5268.

CONSECRATION OF ST MARGARET'S CEMETERY. Foreground from the right, Bishop Sherman, The Rev. John A. Meyer, Rector of St. Margaret's, Plainview, the Rev. Wayne Paul, curate at Holy Trinity, Hicksville.

LODGE TIDBITS: Mr. and Mrs. Rachel and Frank Staiano recently celebrated 35 years of wedded bliss in the town of Sorrento, Italy, with their friends and family during a relaxing 16-day trip there. It must have been some memorable party for all concerned. Congratula-

tions, of course.... Laura Lombardo, daughter of Mr. and Mrs. Rocco Lombardo, will celebrate her 13th birthday on August 13th, and a nice congratulatory wish from the Galileo Lodge. John Ianotti proudly announces that he has recently become a great-grandfather, the second member of the Galileo Lodge to have that distinction. Congratulations, of course. Mr. and Mrs. Ralph Vestuti will celebrate 20 years of wedded happiness on August 29th, and another congratulatory note to this nice couple also, as are all

Galileo Lodge News

PRESIDENT PETE MASSIELLO'S MESSAGE: "The less one has to do, the less time one finds to do it in." Lord Chesterfield.

Many people give August some unusual connotations, some even sombre. Perhaps because the month was named after the Roman Emperor Augustus Caesar and perhaps because of its rather harsh dictionary definition. But at the Galileo Lodge the month of August represents fun and frolic as be witness to the fact that it will present its Italian Wedding Dance on Saturday, the 25th of August. Armand Del Cioppo will chair this activity, ably assisted by co-chairman Joe Giordano, Joe Morace and Frank Matassa, who have been and are still selling tickets for this dance and who can be reached by dialing 931-9351. Tickets, incidentally, sell at \$12.50

per person, and in the offering will be a delicious hot Italian dinner, beer, soda, coffee and cake, set-ups and music from a disc jockey. Please note that this dance will maintain a "bring-your-own-liquor" policy. An unusual but hilarious event that will enhance the proceedings will be the presentation of a mock version of an old-Fashion Italian Wedding.

Another activity which discredits the definition of August is the Galileo Lodge picnic which was held last Sunday, the 12th of August. Close to 200 people attended, enjoying food, beverages, desserts, watermelon, etc., and not forgetting an early morning breakfast which was available to the early risers. Tony Sica chaired this activity, ably assisted by the membership, and all these efforts made it

a rousing success. A note of sincere thanks from President Pete Massiello to all these diligent members and to all those who attended.

What does the future portend for the Galileo Lodge? Well, let's look at the pleasing, relaxing and enjoyable program promulgated by the Ladies Auxiliary. To start with, a Day at the Sun Genaro Festival is being planned, on September 15th. Buses will leave the Galileo Lodge at 9:00 A.M. promptly, and the cost of \$10 per person, roundtrip. Then on October 20th, a quiet and serene day is being planned at the St. Christopher Shrine and Inn in Garrison, N.Y. St. Christopher is situated on beautiful sprawling grounds overlooking the Hudson River. There are picnic areas and other facilities available, and for \$11 you can purchase a box lunch and a roundtrip ticket on a deluxe motorcoach. On Sunday, the 25th of November, a Day The Westbury Fair, featuring Englebert Humperdink, is also being planned. Tickets sell at \$18 per person and the show starts at 3:00 P.M. Also in the planning stages is a week end at the popular Villa Roma in the Catskills. Please contact Fran Ausiello (433-8783) and

BILL WAGNER DIRECTOR

DIFFERENT STYLES OF MOURNING

The impact of death on a family can vary widely. It depends on many factors including closeness of the family, age of the members, whether the death was expected or unexpected. Individuals and families also have different styles and attitudes toward grief and mourning.

Therefore, it is important not to define too narrowly what funeral rites or behaviors are appropriate for the bereaved. To do so can lead to confusion, tension, or anguish on the part of the survivors. The modern funeral director takes the lead in acknowledging that there are such differences, and that the funeral service must be flexible enough to account for them.

Whether we like it or not, there is a changing social and

intellectual environment in which death is experienced today. It is wrong for the funeral director, and the community at large, to insist that the bereaved display the traditional forms of grieving if this goes against their beliefs or feelings. The funeral director's job is to present the many options and arrange those choices the family has selected to meet their wishes, not dictate what has to be.

Joining Ken on the vibes is Charles Roeder. Other musicians include guitarist Larry Luger, clarinetist and director Arthur Miller, drummer Jim Roche, bassist Tom Kirchmer and trumpeter Brian Lewis.

The Plainview Library

By Kenneth Lovett

Sometimes a movie comes along that not only entertains, but educates. A SLAVE OF LOVE is such a film, and it will be shown at the Plainview-Old Bethpage Library on THURSDAY, AUGUST 23, at 8 pm.

The movie takes place in the year 1918 in South Russia where a love story is being filmed. What the film crew is unaware of is that the Bolshevik Revolution has just taken place. They are invaded by government troops and only the leading lady recognizes the realities surrounding them, as she falls in love with a Bolshevik cameraman.

Not only is the plot intriguing, but it is a perfect example of the constant change and turmoil of that time period. A SLAVE OF LOVE is in Russian dialogue, but there are English subtitles.

The Library is located at 999 Old Country Road in Plainview, opposite the Morton Village Shopping Center.

Matt Winkler Excels in Local Racing Efforts

Matt Winkler, one of the youngest members of the Plainview-Old Bethpage Road Runners Club, has been having an especially successful summer of road racing.

Eleven year old Matt, back in action after an almost year long absence due to a broken knee, hasn't been wasting any time since his return. On July 15, he ran a very respectable 20:38 to capture second place in the 12 and under age group against a tough field in the Harry Chapin 5 Kilometer Run in Huntington.

On July 22, Matt combined his running and swimming skills to place 190th out of 300 competitors

Matt Winkler

in the adult Division of the Long Beach Biathlon. Matt completed the 3 mile run, (thru soft sand and over

jetties) and 300 yard ocean swim in 31:56.

Matt followed up with 2nd place finish in the 12 and under division of the 4 Kilometer "Osprey Run" on a gruelling, hilly cross-country course in Melville/West Hills on August 3. Only two days later he came through with an excellent 4th place in the 14 and under age group in the Mahopac Biathlon — a 3 mile cross-country run and a 1/2 mile lake swim.

Matt is one of several youngsters in POBRR who have been making their marks in local racing, and we wish all of them best of luck in their athletic endeavors.

By Charles P. Cunningham

Some summer reflections. We hope your vacations have been pleasant and refreshing. Our "square" dance on Aug. 10 was enjoyed by many members. Many thanks to those who came and especially those who worked to make this a successful occasion.

How about that great Olympic extravaganza! From the fantastic opening ceremony through the extensive competitions to the tremendous concluding ceremony — the US really

shined. Although there were surprises and heartbreaks in some individual events the athletes showed us their best. Our boxers, our track and field, our swimmers and gymnasts broke many records and won the greatest number of gold medals. One example of perfect spendor was the stand-out, Mary Lou Retton. With each event, she showed her great ability and stamina in this highly competitive exercise. They all certainly made us proud. The most wonderful con-

tribution of this event was the tremendous expression of patriotism and affection that came through. It can only be repeated and reinforced that through events like these — peace in the world could be obtained. A closeness, a touching, a joining leads to mutual understanding and love. The ultimate goal of all God-fearing

— loving people — love. Let us hope these feelings will multiply and help us to live in peace.

Last but not least, our Republican Party is having their convention in Dallas the week of August 20th. Keep informed, recognize our platform and support our President in his efforts.

Sam Weiss

problems facing the public water suppliers have never been as profuse as now, but the Board of which Sam played such a strong part, was a progressive one and although a frugal group there was never a hesitancy to approve and provide the latest in equipment and technology to deliver the best water possible to the community.

Mr. Weiss will certainly be missed after so many productive years of community service with the numerous organizations to which he belonged and a grateful public does appreciate his integrity and service.

DONOVAN Report

BIG NUMBERS

Recent census figures tell the story of home purchases: mortgage debt on one-family homes rose 215 percent during the 1970's, to \$678 billion. Two trends contribute to that rise: more people are buying, and they are spending more. Every home purchase is also a home SALE. Most often it's previously owned; these far outnumber new purchases. Behind each sale is a family that's decided to move on to another street, town, or state.

We don't have statistics to prove this, but we'll bet the smoothest, most successful sales were arranged by real estate professionals. Those are the no-hassle transactions that leave the family the time

and energy they need to find a new home and move in.

Truth is, selling a house is hard, even for the experts. It takes research to price the property, knowhow to advertise and show it, patience to qualify prospects, tact to negotiate price.

Take advantage of our experience. When you're ready to sell your property, list with the experts at:
