HHS Homecoming!!

The Hicksville High School Homecoming Parade will begin at 12:45, on Saturday Oct. 13, on Second St. and will proceed across Jerusalem Ave. to Division Ave., then left on Division to the Administration Building parking lot and on to McCormack Field.

Kick-off time for the football game is 1:30 PM. Hicksville will be playing

Freeport.

The half-time show will consist of The Marching Comets, the Coquettes Color Guard, the crowning of homecoming queen and princesses. The Class Floats and the Club Floats will be judged during half-time.

After the game a reception will be held in the Hicksville High School cafeteria for the members of

the football team, marching band, coquettes, cheerleaders, staff and honored guest.

The honored guest this year is Mr. Glenn Munch, a retired science teacher of Hicksville High School, an alumni of Hicksville High School and a recipient of the Hicksville Community Council Distinguished Citizen Award. Mr. Munch is

being honored for his many years of dedicated and devoted service to the students of Hicksville High School and to the community of Hicksville.

The evening will culminate with a dance, sponsored by the Student Government Association of Hicksville High School, in the boys gym from 7:30 to 11:30 PM.

Postal Safety Fair Draws Big Crowds

Over 4,000 people visited the Hicksville Post Office's First Safety Fair-Open House on Sunday, October 7, 1984. Under sunny skies they got a firsthand tour of "the behind-the-scenes happenings" of our Postal Service and visited over 30 safety and health related exhibits.

Master of Ceremonies, Ray Heatherton, "The Merry Mailman," opened the day by leading the Pledge of Allegiance. "It feels good to be back at the post office for such an affair that these wonderful postal employees have spent so much time preparing for this community," said Heatherton. He first introduced Sectional Center Manager/Hicksville Postmaster Anthony M. Murello who told everyone about recent Postal Service's success. He reported that the U.S. Postal Service is now processing over 130 billion pieces of mail a year.

Postmaster Murello presented a Certificate of Appreciation to Ray Heatherton. "I would like to honor someone who for many years did such a fine job in creating a positive image for the post office. For years you have brought joy and happiness into the homes of children by highlighting the importance of

the gift of letters," said Murello.

Since October is Crime Prevention Month, Postmaster Murello, with the assistance of McGruff, the Crime Prevention Dog recognized the Nassau County Police Department, Hicksville Auxiliary Police and Hicksville Youth Council for the excellent job they do in crime prevention.

For their continuing fine service to the Long Island Community, the Postal Service was presented special awards by Jerry Morr, Field Representative from Congressman Lent's office; Assemblyman Fred Parola; Special Assistant Martin Eichinger from the County Executive's office; Councilman Tom Clark from Town of Oyster Bay and Sheila Noeth from the Hicksville Community Council.

Ray Heatherton presented a Golden Moments Commemorative Album and certificate to Laura Zavacki from Holy Family School for her award winning essay "How to Make My Home Safer." Laura read her essay which was enjoyed by all. Winners of the poster contest were Vanessa Lindsay from St. Ignatius School and Jennifer Rappaport from Burns Avenue School with honor-

able mention going to Jordan Rosenblatt from Parkway School. Mr. Heatherton presented them with a certificate and stamp collecting kit.

Finally, for submission of Postal photo and history material which was on display in the lobby, certificates of appreciation and mint sets were awarded to Richard Evers, Hicksville Historian and Director of the Gregory Museum and Fred Rodriguez of the Long Island Postal History Society.

Ray Heatherton ended the opening ceremonies with

his all familiar song, "I Am The Merry Mailman" to the delight of all the visitors.

There was something for everyone. Children enjoyed the "40 & 8" train provided by the American Legion, pony rides, the kiddie castle and getting the chance to personally talk to "Smokey the Bear," McGruff, the Crime Prevention Dog and Zip the postal dog. Parents could also have their children's fingerprints recorded by the Nassau County Police Department.

Benefit To End World Hunger

On Saturday, October 13 at 1 p.m. a Halloween Fashion Show will take place in the Center Court of the Plaza at Mid Island to benefit the Long Island Move to End World Hunger, Inc. Featured will be a broad variety of costumes and fashions selected from current styles at the Plaza mall stores.

Costuming and make-up for men, women and children will be shown and demonstrated by models during the show, which is being produced by Joseph Gerard of the Fashion Ferry at the Mid Island Plaza.

On Sunday October 14,

the four time winners of the Stanley Cup, the New York Islanders including Ken Morrow and other team members will be at the Plaza to meet with shoppers. The Islander players can be seen and will sign autographs between 1 p.m. and 3 p.m. in the Center Court of the Plaza.

John Gerald Jewelers is sponsoring the Islanders appearance as they are the official jewelers of the NY Islander team. They will be raffling off Islander charms. A drawing will be held at 3 p.m. in the Center Court of the mall.

Hicksville Lion President Bill Ramsey presents Assemblyman Fred Parola at the September 16th meeting at In-nones. Fred Parola was the guest speaker and brought the club up to date on issues such as Shoreham and the Long Island Lighting Company.

COMMUNITY COOPERATION: the three Service Clubs of Hicksville donated the "Electronic Colorizer" to the Hicksville Library recently. This machine enables print to be enlarged and read off the screen, thus enabling people with eye problems to read small print.

Left to right we see, Harry Peltz, Hicksville Rotary Club president, Ken Barnes, Hicksville Library director, Bill Ramsey, Hicksville Lions Club president and Jim Isaac, Hicksville Kiwanis Club president.

Galileo Lodge News

By Joe Lorenzo

PRESIDENT PETE MASSIELLO'S MESSAGE: Nothing of worth can be achieved with half a mind, with a faint heart, and with a lame endeavor. Old Saying

Events come and go. The present becomes the past, and then we have the future to contend with. But some things change, others don't. And as for the activities planned by the Galileo Lodge and the Ladies Auxiliary, things pretty much stay the same, well, at least as far as pleasure and enjoyment are concerned. For example, on Saturday, the 27th of October, the Galileo Lodge, under the chairmanship of Tony Sica (796-8789) will present its annual Halloween Dance. Tickets sell at \$12.50 per person, and in the offering will be a delicious hot dinner, beer, soda, coffee and cake, set-ups and music from a leading L.I. disc jockey. Tickets, incidentally, are now on sale, and please note that this activity will feature a "bring-your-own-liquor" policy. Needless to mention that the Galileo Lodge will be resplendent in a Halloween decor and that there will be an abundance of Halloween costumes. So for a night of fun and frolic, this Halloween Dance may be the activity for you.

Nice, crisp autumnal weather might make the Ladies Auxiliary's A Day at the St. Christopher Shrine and Inn a most pleasant and leisure-filled activity. It is scheduled for Saturday, the 20th of October. The fee is \$13.50 per person, and it includes a box lunch and roundtrip tickets on deluxe buses. Note that picnic area and cooking facilities will be available here also. Buses, incidentally, will leave the Galileo Lodge at 9:00 A.M. sharp. As an embellishment, I might mention the Inn and Shrine are situated on beautiful sprawling grounds overlooking the Hudson River. For more information concerning this tranquil activity, please call Fran

Ausiello (433-8783) and Mary Monteforte (935-9836). The location is Garrison, N.Y.

Last Saturday night was a very special night at the Galileo Lodge, for it was the night when the Ladies Auxiliary of the Galileo Lodge honored Ann Palermo, past President of the Ladies Auxiliary. Close to 200 people attended, enjoying delicious food, pleasant dance music and the beautiful atmosphere generated by the recognition and acknowledgement of Ann Palermo's stellar performance as leader of the Ladies Auxiliary for two years. Ann received a beautiful plaque from the Galileo Lodge and a beautiful gold charm in the form of a gavel from the Ladies Auxiliary. Many other Lodges attended and other gifts were presented to the honoree, Ann Palermo. And from the members who were not able to attend, a beautiful thank to Ann Palermo for a terrific job well done. And, of course, a special thank you from our President, Pete Massiello, to Marion Daneglia and Millie Del Cioppo for making this Testimonial Dinner and Dance a huge success.

Close to Thanksgiving, on Sunday, the 18th of November, the Ladies Auxiliary will present a Holiday Bazaar for everyone's pleasure. And as I said last week, if browsing is one of your delights, then this enjoyable activity is for you. Please note that vendors are sorely needed and that tables will cost \$8 for members and \$10 for non-members. Refreshments will be available at very reasonable prices. So, for an activity that might help to put you in a pre-Thanksgiving mood, this Holiday Bazaar is for you. Please call Mary at 938-9536 and 931-9351 for more details.

Hicksville Water Commissioners Attend AWWA Fall Meeting

The Board of Commissioners of the Hicksville Water District, Nicholas J. Briganti, Chairman; Gilbert E. Cusick, Treasurer; Richard A. Humann, Secretary; together with their Administrative Assistant, Louis G. Dettloff, attended the Fall Meeting of the New York Section, American Water Works Association held in Ellenville, New York, October 2-5, 1984.

An excellent program was provided by the Program Committee; included in its presentation was a round table discussion of in-house training, papers on treatment, infrastructure, distribution, video taping and planning.

The Board was particularly interested in the Technical Seminar which embraced the following field studies for the Removals of

Total Organic Carbon and Trihalomethanes Precursors by conventional water treatment, Direct Filtration Pilot Study, Our Water System Infrastructure, Planning now for the twenty-first century and Computerized Water Treatment and Distribution Control Systems.

An informative talk by Norman E. Murrell, P.E., of Holzmacher, McLendon & Murrell, P.C., a firm of consulting engineers that provides the Hicksville Board with their services, made a strong appeal to generate support for State-wide action through the Department of Health to ban the use of lead solder in drinking water services. Lead solder does affect water quality and when used in new home plumbing is leaching into residential drinking water

far in excess of Federal and State Drinking Water Standards.

The Management Seminar which was the closing portion of the program addressed the Statewide Water Supply (Regionalization) by a New York Department of Health Official, Reduction of Utility Project Costs through Planning by the Supervisor of Planning from the Niagara Mohawk Power Corporation.

At the closing banquet dinner various awards were made to recognize the efforts of numerous people and at this time it was brought to the attention of all that Hicksville Water District had been an active member of the American Water Works Association for fifty years.

Second Precinct Police Report

The Nassau Police Homicide Squad reported that the body of a female was found in the rear of 10 Winding Way, Lattingtown on the evening of Oct. 3. The body was badly burned.

The victim was identified as Nancy McCarthy, 15 years old, of 10 Winding Way, Lattingtown. She was a student at Locust Valley High School. Her body was found a short distance from the patio in the rear of her home. It was burned beyond recognition and had to be identified through dental records. Nearby the body was found an empty can of gasoline. The investigation is continuing and at this time there is no sign of foul play.

The Homicide Squad investigated a death that

occurred in Old Brookville on the morning of Oct. 3. Homicide detectives were notified by the Old Brookville Police that Pauline Margiotta, age 61, of 881 Cedar Swamp Rd., Old Brookville was shot.

Stephen, age 29, the son, reported to the detectives that he accidentally shot his mother while he was loading his 30-30 rifle in the den of their home, as he was preparing to check prowlars. Pauline was struck in the torso area, killing her instantly. His father Joseph was not at home at the time. Joseph and Pauline were away for the weekend visiting their daughter, but Pauline came home earlier.

Later that morning, Sergeant Peter Matuza, P.I.O. reports that Stephen Margiotta had been charged with Murder 2nd Degree and was arraigned.

Westbury Pizza of Jericho Tpke., Jericho was broken into on Oct. 1 through a front window. Coins were reported stolen.

On Sept. 28, Robbins Lane School of Syosset was entered through a broken window. A calculator was taken.

Modern Manufacture of 284 Old Country Rd., Hicksville, was broken into on Oct. 6. Sweaters and jogging suits were taken.

Tap City Pub of Broadway in Hicksville was broken into on Oct. 7. Entry was made through a pried rear door. Cash was reported stolen.

A house on Mitchell Ave., Plainview, was entered on Oct. 4 through a pried rear door. Cameras were reported stolen.

Eighth Precinct Crime Report

by Police Officer Kenneth A. Box

The 8th Squad reports the details of the arrest of a Hicksville man for two counts of assault 2nd degree on Police Officers in Hicksville on Oct. 2.

Eight Precinct P.O.'s Arthur Deluca and Nicholas Ewen responded to a call to 2 Hudson Place, Hicksville for a disturbance. While at the scene the officers were assaulted by Stephen Kayeski, age 26, of the same address.

P.O. Deluca suffered a groin injury and P.O. Ewen suffered a contusion to his face. Both were treated and released from Nassau County Medical Center, East Meadow.

Kayeski was arraigned in First District Court, Mineola on Oct. 3.

E.E. Co. of Commerce Place was entered through a forced side door on Oct. 5. No loss was reported.

A house on East Ave., Hicksville was broken into

Praises For Rep. McGrath

Fifth District Congressman Ray McGrath was hailed by the Long Island Dietetic Association for his vote in the House of Representatives to restore \$100 million to the school lunch program.

Clara Melver, chairman of the Legislative Committee of the dietetic association said in a letter to the congressman: "On behalf of our 300 Long Island Dietetic Association members and all the children participating in the National School Lunch Program on Long Island, we thank you for your interest. Thank you for your support of H.R. 4091 (legislative bill number)."

The LIDA is an organization dedicated to improving nutrition in humans, advancing the science of dietetics and nutrition and promoting education in these and allied areas.

Hicksville Jr. & Sr. High PTSA Fruit Sale

The Hicksville Junior and Senior High PTSA units are again entering into a joint fund raising venture for this current school year. We are again offering the FRESH CITRUS FRUIT for sale in large quantities. If you supported the PTSA units last year and purchased the fruit, you know how delicious it was. Although recent reports were of a discouraging nature regarding the Florida fruits, we have been assured that the fruit is fine.

Our Fruit Sale will begin October 15th and we must have all orders no later than November 6. If you don't receive an order sheet in the

mail, please feel free to call the Ways and Means Chairperson, Sue Epstein at 433-7864 if you have any questions, or, you can mail the coupon along with your check to: Sue Epstein, 19 Cable Lane, Hicksville, N.Y. 11801. PLEASE BE SURE TO HAVE YOUR PHONE NUMBER ON THE ORDER SHEET and your check accompanying the order request.

We will be notifying you as soon as the fruits are expected; date of delivery to us will be before Thanksgiving. Your support and encouragement would be greatly appreciated.

ANNUAL DINNER: Oyster Bay Town Councilmen Thomas L. Clark (third from right) was on hand as the Hicksville Community Council held its 13th annual dinner. Iris Widder (third from left) and the William F. Gouse Post 3211 American Legion, represented here by Commander Anthony Chepak (second from right), were recipients of the Council's Community Award for many years of outstanding community service. Also present for the evening's festivities were Council President Sheila Noeth (left), Ann M. Gold, Public Affairs Director for the Nassau County Department of Drug and Alcohol Addiction, and Anthony Previte, Council 1st Vice President. (Story and more pictures next week).

FHA MORTGAGE CHANGES

The FHA has streamlined the procedures by which borrowers pay for the mortgage insurance that underlies the government guarantee of the loan. While home buyers used to pay the premium each month at an annual rate of 0.5 percent of the average amount of outstanding loan principal, the new procedure calls for payment of the full fee up front on most single-family homes. It can be paid in cash or partially financed as part of the loan.

The total fee works out to about 3.8 percent of the mortgage, which is pretty much the same as it was under the old system. If the loan is paid off early, the FHA will rebate the unused part of the premium paid.

Loans, mortgages, special

forms — they're all part of the important details that go into buying and selling a house. There's no reason for the average person to be up on all the current regulations and the latest in borrowing practices.

It makes more sense for a home buyer or seller to depend on the know-how of a real estate professional. We deal in these things constantly. It's our business to know.

And it's our business to make selling your property as painless and profitable as possible. When you want to put your house on the market, list with:

Hicksville School Board To Attend Convention

Seven members of the Hicksville School Board will attend the 65th Annual Convention of the New York State School Boards Association, October 18-21 at Kiamesha Lake, according to President William P. Bennett.

The representatives of the Hicksville School District will be among the more than 3000 men and women meeting to consider financing and other problems facing local school boards in New York State. It is the largest gathering of statewide school boards of its kind in the nation.

In addition to Lawrence I. Wolfson and Arlene J. Rudin, who will be the voting delegates, William P. Bennett, President, Jay M. Schwartz, Secretary, and trustees Thomas F. Nagle,

Lawrence A. Moor, and Daniel C. MacBride will attend the convention. Superintendent Dr. Catherine J. Fenton will also be there.

The opening general session of the convention will be chaired by NYSSBA President Grace Melver on Thursday evening, October 18. Following a musical presentation by the Binghamton Youth Symphony Orchestra, there will be comments by NYSSBA Executive Director Louis Grumet. The principal address of the evening will be given by Dr. Frank Macchiarella, former chancellor of the New York City Schools and now president of the New York City Partnership.

State Comptroller Edward Regan will address

To the Editor:
Did you, a member of your family, a friend or neighbor, have any part in designing, manufacturing, maintaining, or flying the famous P-47 THUNDERBOLT WW-II fighter?

The P-47 Alumni Association, headquartered at Nassau County's Cradle of Aviation Museum, located on the old flight line at Mitchell Field, would like to

the Friday breakfast meeting of the NYSSBA and the New York State Council of School Superintendents. Friday evening NYSSBA President Grace Melver will comment on association activities during the year and she will announce the winner of the Everett R. Dyer Distinguished Service Award. The principal speaker at that session will be State Education Commissioner Gordon Ambach.

The scheduled speaker on Saturday evening is Governor Mario Cuomo. Mary Futrell, president of the National Education Association is scheduled to address the closing general session on Sunday morning, October 21.

The convention will present informative special interest clinics and sessions on such issues as: What's New in Negotiations?, Selecting and Using Computers, Teacher Evaluation, and The National Reports-Are We on the Road to Educational Excellence?

Participants will also have an opportunity to hear a variety of success stories in local school districts: Our Merit Pay Program for Administrators Works, How We Met the Local Needs for Curriculum and Staff Development, and Our Full-Day Kindergarten is Supported and Successful.

Convention goes will view the largest commercial and architectural exhibits put together during the year exclusively for this convention.

Letters To The Editor

expand its membership. The Association was created for the purpose of providing a means for all personnel, who were associated in any way with this famous aircraft, to meet and socialize and to perpetuate its memory. From the "mail girl" at Republic Aviation (home of the "JUG"), the guys who fueled or towed it around, to the WW-II heroic flying "Ace" are all welcome to join.

The closeness in associations that made the aircraft, such an impressive tool in the outcome of WW-II have remained, in many cases, to this day. Many co-workers, including thousands of "Rosie-the riveters", have remained friends, as have members of the same flying groups. It is a unique opportunity for those who had a part in this chapter of our history to renew friendships and, at the same time, be a

part of the Alumni's purpose.

Dear Ms. Noeth:
I was pleased to have attended the Hicksville Post Office Community Safety Fair.

I understand 4,000 people attended! It was obviously well-organized and run and a valuable community service. I look forward to next year's!

Sincerely,

Hicksville High School Swimming

The Girls' High School Swim team has begun what appears to be another successful season.

The opening meet of the season was the all county relay carnival on Sept. 21. Three relays won trophies. The sprint relay swum by Andrea Pitta, Kristin Mund, Lorna Mund, Gina Cusumano and Camille Calame placed third and the IM relay with swimmers Lorna Mund, Gina Cusumano, Karen Kratochvil and Kristin Mund was second. The Medley Relay of Lorna Mund, Andrea Pitta, Kristin Mund and Gina Cusumano broke the team record and placed

third.

In the first dual meet against Bethpage, the girls were outnumbered and were defeated but gave some excellent performances. Seventh grader Kristin Mund was third in the 200 free and won the 100 fly with the new record time. Karen Kratochvil, also a seventh grader, was second in the 500 free, as was Gina Cusumano in the 100 free and the 50 free, and Andrea Pitta in the 100 breaststroke. Placing third in their events were Camille Calame in diving and the 50 free, and Stephanie Pitta in the 100 breast. Lorna Mund won both the 200 IM and the 100 backstroke.

The second meet against Bellmore was a victory 80-86! Scoring points were divers: Shannon Boslet, third, and Camille Calame, second; swimmers: Karen Karmann, third in 200 free, Stephanie Pitta, third in the 100 IM and second in the breast, Linda Cusumano, third in the back, Gina Cusumano, third in the 50 IM and the 500 free, and Lorna Mund, first in the backstroke and the 100 fly, in which she broke the school and the pool records.

The team, coached by Walter Olsweski has a busy season planned and expects to place in the top five in the country.

Something To Think About
BILL WAGNER DIRECTOR

SHARE YOUR PLANS

The point has been made on more than one occasion of the importance of preplanning one's funeral. In short, this is the best way to ensure that your funeral is carried out according to your wishes; and your survivors are spared having to make a number of sensitive decisions during a difficult time.

Even if you discuss arrangements with a particular funeral home and put your plans in a document with your lawyer, you have not really completed your preparations unless you share your plans with the person, or persons, with the responsibility for carrying them out.

Talk it out so there is no

doubt about your feelings on the subject. Don't keep it a secret, no matter how kindly your motives. After all, they're the ones who will have to carry out the arrangements. In addition, if there happens to be a difference of opinion, this is the time to air it. If it's not cleared up now, it can develop into a nasty family squabble later.

riet A. Maher - 433-5804

Gloria and Mike Barone of Acre Lane celebrated their 35th anniversary on Oct. 2 They rewarded themselves with a wonderful day in Atlantic City, New Jersey. On Sept. 30 their children George and Michael and their wives Pat and Patti and grandchildren Jason, Adrienne, Jillian and Melissa treated them to dinner in a nice restaurant to help them celebrate their big day. A good time was had by all, especially Mom and Dad.

Birthday wishes are in order for Thomas Reilly of Arcadia Lane, Hicksville, on the celebration of his 13th birthday. His big day is Oct. 15. Best wishes.

The Telender's of Arcadia Lane, Hicksville will celebrate two birthdays this month. Bob Sr. is having a birthday on Oct. 15th and his son Bobby will celebrate his 12th birthday on Oct. 14th. Best wishes from all your family and friends.

The Reimer family of Acre Lane, Hicksville would

like to thank all of their neighbors and friends for their thoughtfulness and encouragement that was given to them and their son Brian during Brian's recent accident related injuries.

Best of luck to Lisa R. Mankin of Netto Lane, Plainview. Lisa has enrolled at Dean Junior College in Franklin Mass.

Big Score For Easter Seals

The Easter Seal Society is proud to announce that Purologer Courier Corp. from Plainview was one of the many teams who recently "went to bat for the disabled" in their 7th Annual Softball Benefit.

The Benefit, which was sponsored by MILLER HIGH LIFE BEER, and supported by WPLJ Hit Radio 95, the official radio station, generated over \$58,000 to help support year round Easter Seal programs and services for children and adults with disabilities.

Hicksville Republican Club News

Harriet Maher
President

Tom Gallahee
Hicksville Executive Leader West

Joe Jablonsky
Hicksville Executive Leader East

By Martha Masseria

Don't forget our Club meeting on Friday, October 12. We'll be holding it in the usual place—the VFW Hall, 320 South Broadway, Hicksville. The time is 8:30 p.m.

Our program is "Candidates Night." This will provide you the opportunity to meet our Republican candidates who are running for office in this November's election. Our candidates need your support; show them you're behind them 100% by being present at our Club meeting.

Although, we are confident the Republican Team will win by an overwhelming majority in the upcoming elections, they cannot win without YOU. Therefore, we must all pull together to ensure that we maintain the good government we are now enjoying.

One of our candidates for re-election is Senator Ralph J. Marino who is a member of the Senate Special Task Force on Drunk Driving. He said that L.I.'s full participation in the program this year has been assured by the recent state approval of

Nassau County's STOP-DWI Plan for 1984.

Marino commented that "The success of local STOP-DWI Plans to date, clearly demonstrated in the sharp decline of drinking-related accidents since 1981, was a prime factor in passage of the new law to increase the return of STOP-DWI fines to localities." Suffolk County's STOP-DWI plan for 1984 was approved, also. Now the STOP-DWI Program remains fully effective this year on Long Island. This is just one example of good government and cooperation between counties that is a direct result of Senator Marino's efforts on our behalf.

Congressman Norman Lent's work in the House of Representatives is well known to his constituency. One area that is of major concern to Lent is in the area of toxic dump sites on Long Island and across the Nation. Lent says that "The Congress must approve a tougher, expanded Superfund this year." Lent, along with Rep. James Diorio,

Chairman of the Subcommittee on Commerce,

Transportation and Tourism, is a coauthor of the \$10 billion, five-year Superfund reauthorization bill, HR 5640, to speed the cleanup of hazardous waste spills and dumpsites. Seven sites in the Fourth Congressional District of Nassau County have been included among 244 being added to the Superfund National Priority List. Lent has thrown his weight behind the push to have these sites included in the Superfund clean-up.

Both of these men, and all our other candidates who are working to give us good government, need YOUR support. Help them in their campaigns to represent YOU in the various legislative offices.

NOTE: Bring any items to our Club meeting that you would like to donate to our Chinese auction. We will tell you more about this event at our Club meeting in future columns. This will be a fun event in which you can obtain holiday items without the hassle of shopping.

Safety Fair (Continued from Page 1)

Participating organizations offered information on fire prevention, crime prevention, burn and poison control, nutritional health, alcohol and drug abuse, dental hygiene, free blood pressure checks, home safety and other health related topics.

Music from various bands filled the autumn air as the community browsed around the postal parking lot, eating hot dogs and discovering ways to make their lives safer.

Many visitors took guided tours and enjoyed a new perspective of our Postal Service. Most seemed intrigued by the intricate but logical process for handling over 1 billion pieces of mail that go through the building each year.

The lobby was crowded with people purchasing the special cancellation and commemorative stamps and looking at the interesting postal history display.

Throughout the day, postal workers were participating in a truck rodeo. They maneuvered 1/4-ton, 1-ton, 5-ton and tractor trailers over a prescribed driving course.

Cheers went up as Mr. Murello announced the winners at the close of the fair. Winners in the 1/4-ton were: first place, Don Snyder; second place, Richard McKibbin; third place, Robert Telender. The 5-ton winners were George Stevenson, first place; John Gentile, second place and Stephen Cifarelli, third place. Larry Moschiera won the Tow Truck competition. In the Tractor/Trailer category, Bruce Russo took first, Ennis Hightower second and Joseph George, third. Bruce Russo was the overall winner with the less deducted points.

Radio station WGBB recently kicked off a Driving While Intoxicated Public Service Program. To highlight the importance of this and other safety programs, they spent all afternoon broadcasting from the Post Office. They distributed DWI Bumper Stickers and other literature on the importance of driving safely.

Everyone who attended felt they had spent a worthwhile day with their family and are looking forward to the Second Annual...

Hicksville Tornadoes BU12

Coached by Len Greenspan

H.A.S.C.

The Hicksville Tornadoes sponsored by Westbury Federal S&L blew into South Huntington this past weekend and displayed Tornado power by defeating the Crusaders 3-0.

The team showed excellent execution, team play & determination in recording the shutout.

The defense played superbly, stopping the Crusaders numerous attacks. Tornado defense is led by Stopper Brian Whitman, fullbacks Timmy Carroll, Walter Villalta and Sweeper Barry Mannion.

Halfbacks Jason Kilnetis, Erik Matz, Mike McCarrow

Stress Lecture

Stress is almost everyone's common, everyday enemy—but you needn't suffer with it. Instead, learn how to cope with it.

Attend the free lecture and demonstration sponsored by the East Plains Mental Health Services of Hicksville.

The date is Monday, October 15th at 8 p.m. at 246 Old Country Road, Hicksville, (just west of Newbridge Road and behind Antun's.)

"Take advantage of this cost-free opportunity to enjoy an informative and beneficial evening. Reserve your seats now. Call 822-6111," said a spokesperson for this fine organization.

& Tom Gonzalez constantly beat the Crusaders to the ball and created scoring opportunities with crisp passing to the forwards. Tornado forwards John Lozina, David Cohen & Timmy Blind were outstanding, each scoring a goal while unselfishly providing each other with scoring opportunities. A strong performance by goalie Matt Greenspan preserved the Tornado victory & shutout. Good game Tornadoes!

CENTRAL GENERAL HOSPITAL

888 OLD COUNTRY ROAD - PLAINVIEW, L.I.

CENTRAL GENERAL HOSPITAL PERFORMS FIRST ON L.I. RADIO ACTIVE DISASTER DRILL

The phones were ringing off the hook!

The Emergency Room at Central General Hospital, besieged by calls from citizens who lived within the five mile radius of Plainview needed emergency care, all of whom wanted to be sure that the emergency room at Central General could handle their problems.

At 6:30 PM, yet another call came in to the emergency room. This one, however, alerted the hospital that Nassau County Police had just dispatched a Plainview Rescue Ambulance to the Long Island Expressway. The emergency involved a truck carrying radio active nuclear material which had a tire blow-out, crashed into an underpass and turned over injuring the driver who had received contusions of the head, neck and chest as well as lacerations on the left forearm. He was still conscious.

The important words related to the emergency room were: "Radio Active Contamination possibility."

Rescue firemen from the Plainview Fire Department Ambulance Corp rushed to the scene of the accident — pulled the driver from his wrecked vehicle, put him in the ambulance and rushed, with sirens screaming, to the Central General Hospital in Plainview.

At Central General the Radio Active Contamination Drill was put into operation.

The pictures shown here, best describes, the preparations that took place, and the actions that resulted at the hospital.

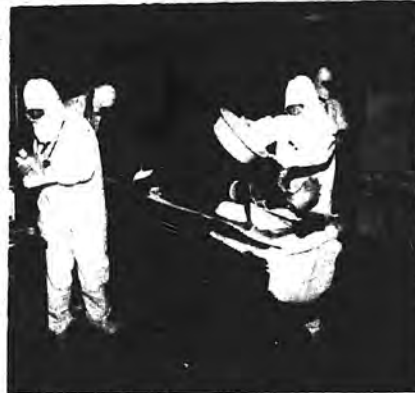

The hospital's doctors, nurses, and medical and maintenance support staff were ordered to institute a procedure never before done by any hospital on Long Island. Central General Hospital's staff had studied for so long — but never had to carry out the procedure.

It was all performed within a one-hour period, from the time we received the police alert to the wash-down of the emergency room. All staff is to be congratulated for their capabilities in dealing with this critical problem."

The hospital's Administrator, Robert Bornstein said, "With few exceptions, I would mark this disaster drill as a total success.

Hospital Administrator, Robert Bornstein, helps technician to prepare to enter contamination room.

Nurses wash down injured driver.

Doctors check with Geiger Counter for Radio Active contamination.

Local radio station reporter interviews one of the firemen at conclusion of the drill.

PFD Ambulance Corp members breathe easier when the drill is completed. Left to right, Lt. John Amato, Lt. Jan Schatzberg, Lt. John Morrissey, Gary Pollino, Lt. Mike Michitsch, Paul Kosiba, all from Plainview.
