Board Sets Nov. 13 Hearing For Special Use Permit In Hicksville

Oyster Bay Town Councilman, Kenneth S. Diamond, announced that the Town Board has scheduled a public hearing for November 13, 1984 to consider an application for a special use permit to build, use and maintain in a "C" General Business District a White Castle fast food restaurant with a drive-in service window.

Diamond said that, "the

applicants, Ricmac Equities Corporation and White Castle System Inc. are seeking permission to use the parcel of land to build and operate a White Castle restaurant."

The property is located at the intersection of the west side of Bethpage Road, and the northerly side of Willett Avenue in Hicksville.

The hearing has been

scheduled for Tuesday, November 13, 1984, beginning at 10 AM in the Town Hall East hearing room, Audrey Avenue, Oyster Bay.

The Charles Wagner Post, Hicksville American Legion, joined in honoring Scout James Mills of Troop 293 on the occasion of his Eagle Scout of Honor, this past Friday. Americanism Chairman Richard Evers is congratulating the outstanding youth after presenting him with the Legion's "Good Citizenship" Award, an engraved certificate and medal.

Seeks Blood Donors

Our Lady of Mercy Church, in conjunction with Long Island Blood Services and the Nassau County chapter of the American Red Cross, is asking all parishioners and neighbors to donate blood on Sunday, November 4 from 10 a.m. to 2:45 p.m. A bloodmobile will be stationed in the school cafeteria which is located at 500 South Oyster Bay Road in Hicksville. Donating blood is an easy

and safe process. Each blood donor receives a mini-physical which checks blood pressure, pulse and temperature.

Anyone in good health, weighing a minimum of 110 pounds, and between the ages of 17 and 66 is asked to donate blood.

Your donation is already needed by an infant, child or adult. Donate blood on November 4 and help save a life.

PRESIDENT PETE MASSIELLO'S MESSAGE: 'People will listen a great deal more patiently when you explain your mistakes than when you explain your successes.' Old Saying

It is often said that once you get used to the better things, you'll always want the better things — and

needless to say that the Galileo Lodge and the Ladies Auxiliary will always endeavor to bring you the better things. For example, next Saturday night, the 27th of October, the Galileo Lodge presents its Halloween Dance. Tickets are still available, and you can call Tony Sica at 796-8789 or 931-9351 for them — and

for the admission price of \$12.50 per person you will be offered a hot dinner, beer, soda, coffee and cake, set-ups and dance music from a leading L.I. disc jockey. And then firmly immerse yourself in the true Halloween spirit as the Galileo Lodge will be attired in a true Autumn mood. Note that a 'bring-your-own-liquor' pol-

Ausiello (433-8783) and Mary Monteforte (938-9536) are supervising this activity. The voice of Englebert Humperdink will greet those who attend. Sounds like a very pleasant and interesting night, if I may say so.

Another pre-Thanksgiving activity that will bring tons of laughter and amusement to your very being is the Ladies Auxiliary's presentation of the 1984 version of the hilarious comedic revue aptly called the "Foolies Follies," which is also based on the talents and abilities of the male and female members of the Galileo Lodge and the Ladies Auxiliary. In charge of production are Sue Laurenti and Claire Fuoco, in charge of ticket sales are Ann Palermo (334-7107) and

It seems that pre-Thanksgiving activities are of the essence now, and with

this in mind I can report that on Sunday, the 18th of November, the Ladies Auxiliary of the Galileo Lodge are presenting a 'Holiday Bazaar', an activity that is certainly conducive to enjoying one of America's favorite pastimes — browsing. **VENDORS ARE NEEDED** and the cost of tables for non-members will be \$10 and tables for members will be \$8. Please note that refreshments will be available at very reasonable prices. Needless to say that many items of interest will be on display, which should add immensely to your pleasure and relaxation. Please call Mary at 938-9536 for more information concerning this activity. The site for this 'Holiday Bazaar' will be the Galileo Lodge.

If we, as members of the Italian-American community, are to succeed in the advancement and perpetuation of our goals, aims, ambitions and aspirations, we need an organization like the Galileo Lodge to aid and assist us in this very notable venture. We need an organization like the Galileo Lodge, one that has vision and foresight, one that is enterprising and progressive, and one that can clear the path of obstacles that face the Italian-American community. So why not dial 931-9351 and first-hand information as to what kind of an organization the Galileo Lodge is. You might be surprised perhaps even enthralled.

"Arbitrary" State Regional Office Division To Cost Oyster Bay Town Residents \$20 Million

Labeling a Regional Office decision to override the recommendation of the State Department of Environmental Conservation "arbitrary and capricious" Oyster Bay Town Supervisor Joseph Colby blamed State-imposed \$20 million garbage shipping cost on Assemblyman Lewis Yevoli.

At a press conference in Town Hall on Wednesday, October 24th, Colby said that "irrational pressure had defeated responsible thinking" in the Regional Office which refused a town application to extend the height of the Town landfill by 20 feet from about 100 feet to 120 feet. Calling the decision an example of "the State bureaucracy gone mad," Colby announced that the Regional Office is forcing the Town to:

1. Amend its 1985 General Fund no-tax-increase budget to cover a \$20 million State Transfer and Transport Expense that will more than triple the General Town tax. (The Town will hold a hearing on this amendment on Tuesday October 30th, the day it is scheduled to adopt its 1985 budget.

2. Take immediate legal action to have the State Supreme Court overturn the "arbitrary and capricious" decision of the Regional Office.

3. Develop and prepare for implementation an emergency, short-term plan to curtail garbage collection services throughout the Town.

Colby said that "in making its arbitrary and capricious determination, the Regional DEC, by Bowing

to irresponsible pressure, will cause every taxpayer in this town to unnecessarily pay millions and millions of dollars each year for the sole purpose of having their refuse shipped out of State to locations that will become more distant and more expensive as time goes on.

"Because Regional officials have capitulated to Yevoli's pressure," Colby charged, "there is no way, short of immediate court intervention, that our residents will NOT have to foot the bill for shipping. In its effort to appease Yevoli, the Regional Office has tied the hands and feet of our residents and is blithely proceeding to pick their pockets as well."

Colby said that he had directed the Town Attorney to immediately initiate action in the State Supreme Court to overturn the Regional Office's decision. "The Regional Office has also refused to provide a copy of the September 7th State DEC positive recommendation to permit the height increase, and I have told the Town Attorney to seek a Court order compelling the DEC to release it."

Colby indicated that the Court's decision is likely to be made too late to allow the town to avoid implementing a new tax, since the Town is scheduled to establish a 1985 budget prior to Election Day. "If we are successful in Court," Colby stated, "the funds that are collected will be placed in a separate account and will be refunded to taxpayers through the following year's budget as a direct tax decrease."

The increase represents an additional \$2,152 (per \$100 assessed valuation) levy on Class I properties; \$2,344 for Class II properties; \$2.35 for Class III properties; and \$2,363 for Class IV properties.

Because of the length of

time that it will take to prepare, advertise and award a contract, under the State requirements, the landfill may not have sufficient capacity under the current height restriction to continue accepting the full amount of waste generated by Town residents. Colby stated that "until a shipping contract is awarded and underway, we may be forced to implement an emergency plan to curtail the amount of waste brought into the landfill."

Under consideration is a short-term emergency curtailment that would limit each household to placing only one 32-gallon refuse container at curbside on each collection day, limited to household garbage only. Rubbish and construction debris would not be accepted. "An early and successful court determination will prevent the implementation of this program," Colby said, "but in the event that there is no alternative, I will be meeting with Village Mayors and Sanitation District Commissioners to obtain their cooperation and assistance during this emergency."

Colby stressed the fact that for years the Town had been working cooperatively with DEC officials on both local and State levels and that meaningful progress had been made toward development of a responsible solution to Oyster Bay's—and all Long Island's—concerns regarding solid waste disposal.

"However," Colby said, "when the DEC Regional Office indicated that it was receiving tremendous pressure from Yevoli, it announced in a newspaper that it was overriding the State's recommendation by rejecting the application for a height increase and was also closing the nearest landfill off Long Island that was willing to accept our waste. Only subsequently did the

Regional Office take the time to prepare a letter supporting its newspaper comment that our application was rejected. It became obvious that irrational pressure had defeated responsible thinking and common sense.

"Late last week I spoke to

the Governor's office and to Regional officials in an attempt to reverse this arbitrary decision. I was told to go to Court.

"You bet we'll go to Court," Colby concluded. "Oyster Bay will use every legal means in its power to stop this State bureaucracy

gone mad."

"The Regional DEC office has made it quite apparent that all Long Island Towns will have to look to the Courts rather than the conference table if any of us is to solve our Solid Waste Management concerns."

Oct. 30 Hearing To Amend Town Budget

The Oyster Bay Town Board announced on October 24, that it has called for a public hearing on Tuesday, October 30, to consider an amendment to the 1985 Preliminary Budget that would provide for the increased costs incurred by the State's actions in forcing the Town to ship refuse off Long Island.

The proposed amendment is for the addition of a new, separate line in the Town Budget in the General Town Fund, identified as Sanitation Transfer and Transport Expense (STATE) tax.

The amendment is necessitated by the denial of the New York State Regional Office of the Department of Environmental Conservation in rejecting the Town's request to increase the height of the Old Bethpage Landfill to an approximate elevation of 120 feet ... 20 feet higher than its current elevation. The DEC regional office rejected the request even though it had been approved by DEC's

Dear Friends...

There are times to disagree and times when solutions must be sought. The disposal of our garbage and industrial waste is a national and a local problem that must be solved without delay.

Case in point, the critical state which now exists in our Town of Oyster Bay due to the fact that reasonable solutions are being held up and deliberately delayed in the New York State Assembly and by the regional D.E.C. which are both controlled at present by the Democratic Party's elected and appointed officials. We are sure you are all aware of the details and the growing concern to all in the Town of Oyster Bay including its elected officials who have been attempting to solve this problem for the past few years since the Federal EPA has outlawed landfills after 1990. To make this a political football at such a crucial time is unacceptable but it is being done and the results, as you can see in a lengthy article in this newspaper, will be very costly to every taxpayer in the township.

We are not blaming all democrats. Witness Assemblyman Orazio's ability to sit down with the officials of the Town of North Hempstead and work together to solve similar problems in this township. Assemblyman Orazio is a wise public servant and a gentleman. The garbage problem is and should be non-partisan and everyone, particularly those who are presently opposing its solution in Oyster Bay, will be severely hurt by the costly alternatives which now seem inevitable in this continuing battle which really has no viable alternatives, than what is being sought by our Town officials.

Incidentally, as you have read several times in this newspaper, the resource recovery plant which is scheduled to serve our town is not manufactured by the firm that built the closed plant in the nearby Town of Hempstead. It will be built jointly by Blount Energy Resource Corp., an American firm which will build the exterior of the building, and by Widmer-Ernst Environmental Systems, Inc. of Switzerland, who will install their efficient plant in the interior. W & E have built such systems for forty years, and their systems have been (and still are) operating efficiently and without pollution in many European cities.

The bottom line is that not only the residents of our Town, but particularly the residents of Old Bethpage, will then be much better off than they are right now. It is only the necessary steps to complete this resource recovery plant that the Town is asking for. There is no viable alternative... only unnecessary expense.

But everyone knows that.

At The Town Board Meeting

by Geraldine Geannakis

The Town of Oyster Bay held a regular meeting on Oct. 23. A hearing was held for the 1985 Budget. There were two sessions at which the general public was invited to hear and discuss the preliminary budget for the Town for 1985. The turnout, for both sessions, was unexpectedly low.

• Resolution No. 992-1984 authorized the town to start the sale of Town owned property at 800 South Oyster Bay Road. This property now housed the Parks Department Headquarters.

• Resolution No. 993-1984 increased the capital budget for the construction required to renovate the community swimming pool

with the Plainview-Old Bethpage park district.

• Resolution No. 994-1984 directed the town clerk to advertise notice of a hearing to consider the cost of construction for the community swimming pool in the Plainview-Old Bethpage park district. The hearing date set was November 13.

• Resolution No. 995-1984 directed the town clerk to advertise notice of hearing on the petition of RIC-MAC Equities Corp. and White Castle Systems, Inc. for special use permit to erect, use and maintain a Bus, G district, a White Castle Fast Food Restaurant with a drive-in service window at Hicksville, at the intersection of Bethpage Rd. and Willett Ave. The hearing date is set for November 13.

ing date is set for November 13.

• Resolution No. 1000-1984 accepted the Town Environmental Quality Review Commission's finding on the petition of Lester Operating Corp., D/B/A the Pickwick Motor Inn for a special use permit to add 20 rooms to the motel and a 13,840 square foot office building. No detrimental impact on the environment was found.

• Resolution No. 1002-1984 related to the reallocation of engineering fees under resolution No. 86-84 on contract #TB180-204Q-Landfill gas sampling evaluations at the Old Bethpage solid waste disposal complex.

• Resolution No. 1003-1984 related to the authorization given to the consulting engineer to hire a new sub-consultant at the added fee of \$3,176.99 for contract #DPW82-278 for the Gregory Museum.

• Resolution No. 1017-1984 accepted the environmental impact determination in connection with bond authorization increase and improvements to the swimming pools of the Oyster Bay - Hempstead joint community pool and swimming pool district. The statement was accepted and no negative effect was found.

The next scheduled Town Board meeting is Tuesday, Oct. 30.

Second Precinct Police Report

The Nassau Arson Squad and the Nassau County Fire Marshal's Office are investigating a fire of undetermined nature at the Galaxie Caterers, 1600 Round Swamp Road, Plainview.

The building's burglary alarm was activated when the fire caused a window to shatter. At 2:54AM, on Oct. 19, Police Officer Ed Mueller of the 2nd Precinct responded to the alarm call and observed smoke coming from the building. The Plainview Fire Department was notified. Two hundred and fifty firemen and thirty fire trucks fought the blaze for four hours. The Plainview, Hicksville, Bethpage, Melville, Jericho and Syosset fire departments were at the scene.

The fire is believed to have started on the second floor of the three story building. There is extensive damage and the roof collapsed. One Plainview fireman suffered smoke inhalation and was taken to Central General Hospital in Plainview.

Arson detectives were told a fashion show was held in the ballroom on the second floor until midnight.

Kwianis In Formal Dedication Of F.D. Equipment

The Hicksville F.D., over the past 90 years, has always been known to come to the rescue of people in need, but this year the Hicksville Kiwanis Club came to the rescue of the Fire Department's Hazardous Materials Response Team.

The Team, faced with budget restrictions involving the purchase of important equipment, appealed to the local service clubs for help. The Hicksville Kiwanis Club and then Club President Bill Heberer came to the rescue. The Kiwanis Club provided funds for 2 Acid/Gas suits, a Chlorine "A" Kit and 4 Private Channel Portable Radios. At a recent dedication ceremony at Fire Headquarters, club members were given a demonstration in the operation of the new equipment. (See Photos)

Hicksville Fire Chief Owen Magee praised the generosity shown by the Fire Department by the Hicksville Kiwanis Club. The Acid/Gas Suits - Protective Spaceman Type Suits - were used at a recent Haz Mat incident involving nitric acid and proved their value. The Radio Units are to be used in conjunction with the suits. The Chlorine "A" Kit is used on chlorine cylinders when the valves stick open. The tank is capped off and the gas bled off through a special valve to another tank.

Taking part in the dedication ceremonies representing the Kiwanis were: Dr. Keith Pastuch, Club Vice President, Past Presidents Bill Heberer, Charlie Montana Jr. Present also were Ben Daguanno, Bernie Wesnofske, and Marc

Ramirez. Sieg Widder, Vern Wagner also past presidents. President Jim Isaac was unable to attend.

Representing the Hicksville Fire Department were Chief Owen Magee, Asst. Chiefs William Schuer-

mann, and Terrence Farrell Team Leaders Lt. Gene Pietzak, and Ex-Capt. Jim McLaughlin. Capt. W. Schmidt, Capt. J. Luft, Ex-Chief/Commissioner William Donlon, F.F. Robert Johnson.

YOUR QUALITY INVESTMENT

You've always known that real estate was a first-class investment—and now statistics prove that owning your home is a top inflation fighter. Land values went up at twice the rate of inflation between 1920 and 1980, as measured by the cost of finished residential lots.

When you SELL your real estate, you want to get all the appreciation your investment has earned. There's no reason to settle for less than your house is worth.

That's why you need the help of a real estate professional. We keep up with the current market—recent sales of

comparable properties—so we know what a house like yours can bring. We know what money costs: how the current interest rate will affect prospects' willingness to buy. We have qualified buyers. When it comes to talking price, possession, or any variables, we negotiate for you.

The Kids Project

The two fourth grade classes of East St. School were invited to attend a sensational performance of "The Kids Project".

"The Kids Project" is a play whose characters are disabled puppets. As each puppet is introduced, he or she explains how it feels to live with his or her disability and stresses his or her capabilities. The disabilities covered were blindness, deafness, cerebral palsy, and mental retardation. There is also a puppet who is teased because she wears glasses and has an unusual name.

After each puppet expressed their feelings to the children and the puppeteers, the children were invited to ask questions. Throughout the performance, the students were

involved with cheering, answering and asking questions and learning to sing "Happy Birthday" in sign language.

"The Kids Project" is a program of the New York State Office of Mental Retardation and Developmental Disabilities. The program began with three original troupes and has grown to sixteen troupes covering most of New York State. The OMRDD feels that by making this program available, its major goal will be more easily met: the acceptance and understanding of disabled people in the schools and in the community.

Hallowe'en Treat Available At the Post Office

Hicksville Postmaster Anthony M. Murello announces that special Halloween treats are available at the Hicksville Post Office. Mr. Murello said that children who stop by the new big mailbox in front of the post office between 2:00 p.m. and 5:00 p.m. on Halloween, October 31, will receive free Stamp Collecting Booklets and magazines and Stamp Albums.

"October has been designated National Stamp Collecting Month," Postmaster Murello said. "Our theme this year is 'Fall in Love With Stamp Collecting. Millions of Americans recognize that stamp collecting can increase one's knowledge of geography, biography, history and science, so I hope many children stop by our post office to receive a safe Halloween treat."

On The Campus

Kevin Jeffrey Jung of Alan Crest Drive, Hicksville enrolled as a freshman in the Mellon College of Science.

Suzanne Marie McCaffrey of Floral Ave., Plainview is enrolled as a freshman in the College of Humanities and Social Sciences at Carnegie-Mellon University.

Hicksville Board of Education Meeting Oct. 24

After the preliminary opening activities and committee reports presented at the October Board of Education meeting, financial matters headed the action section agenda. The Board accepted the Annual Audit Report as of June 30, 1984, prepared by district auditors Danzinger, Newborn, Popkin, Tumpowsky and Company. Bids for music supplies amounting to \$8,459.46 were awarded to six vendors, and an award in the amount of \$5,730.81 was awarded to Popular Subscription service. Bids were also awarded to two vendors for transportation to special schools outside the district for \$18,784.00 for a grand total of \$32,974.27. Claims and warrants in the amount of \$7,965,124.32 were also approved by the Board.

The final items following personnel recommendations in the action section was approval of recommendations of the Committee on the Handicapped generated at the meetings of September 12, September 26, and October 10, 1984.

During her report, the Superintendent commended Senior High School Physical Education teacher, Nancy James. Ms. James was the unanimous choice of the Adelphi University Committee that awarded her a Graduate Assistantship in the Transcultural Studies Program. This is the first program of its type in the United States, and it offers job opportunities in international assimilation of various cultures. Junior High School Language Arts Chair, Susan Wolf was also recognized for her work with the Educational Services Department at Newsday. Ms. Wolf was involved in creating a curriculum package for the Newsday in Education, "Language Arts/Writing Series," and she prepared student writing for use on "Videotex NIE," a weekly program featuring student work on the Newsday channel on cable TV. In addition, Ms. Wolf worked with the NIE staff in planning and presenting workshops on the use of media for instructional purposes at conferences sponsored by the New York State English Council and the New York State Reading Association.

Dr. Fenton joined Board members in commending Staff/Community Relations Officer, Alayne Shoenfeld for winning a first place award for the district's elementary "Calendar of Activities" in a competition sponsored by the New York

State Chapter of the National School Public Relations Association. Ms. Shoenfeld also received a national award for this publication at this year's annual convention during the summer.

Dr. Fenton also announced that three Senior High School students had poems published in Le Ruiseau, a French literary magazine published by SUNY Stony Brook. Congratulations to Joseph Baggett, Elinor La, and Marge McShane.

In concluding her report, the Superintendent noted that she has met with other Nassau Superintendents on the subject of youthful suicide. She will serve on a committee in cooperation with the State Education

Department to address the issue and discuss preventive measures to a growing tragedy which has touched other districts in New York State.

The other item in the information section was the presentation of policies being considered for adoption. The policies covered new Board member orientation, Board member development opportunities, qualifications and duties of the Superintendent and public complaints. The policies will be submitted for hearing at the next meeting of the Board.

Two policies were presented to the Board for hearing. The first deals with educational field trips. The second was a revision of dis-

trict diploma requirements. The policy clarifies local procedures regarding course loads, passing grades, and credit requirements for classification at grade levels at the high school. Significant changes include the elimination of consumer studies and an increase in sequence and language requirements for Regents diplomas. The requirement for 1/2 unit of computer literacy will end with the class of 1987 because, by that time, additions to the educational program beginning with elementary grades in the area of computer use will provide the required basic literacy for all students entering the high school and graduating after 1987.

The Board accepted the

resignations of professional staff members Albina Alekna, Junior High School social studies teacher for 28 years, and Andrew Rosen, Senior High School psychologist, and appointed three new staff members. Wendy Rosenberg was appointed Grade 1 teacher at Old Country Road School, Lydia Ricker was appointed Grade 4 teacher at Dutch Lane, and Gary Mandell was appointed school psychologist at the Senior High. The Board also approved schedules of additional continuing education personnel, student activities lay help supervisors and professional staff supervisors, and substitute teachers and substitute registered nurses. A transfer of a con-

tract providing appropriate medical coverage for home football games to Tom Dowling, M.D., and Associates was also approved.

The following Civil Service appointments were also approved: Melanie Rosenfeld (SHS media aide), Genevieve Sullivan (Willet school monitor), Frank Farina (Woodland Avenue cleaner), Raymond Van Driessche (Old Country Road custodian), and part-time Buildings and Grounds personnel Julie Glienke, Thomas Campbell, Evelyn Zaccarias, and Robin Heid.

Spissler was recalled to duty as a SHS school monitor, and Antoinette Fritz and Antoinette Eckle were recalled as elementary teacher aides.

Two reasons it's easier to do business in Nassau County.

They're Francis Purcell and Joseph Colby—two reasons the Town of Oyster Bay is good for business.

Francis Purcell, County Executive, and Joseph Colby, Supervisor, working with the Nassau County Industrial Development Agency, have scored some impressive gains for Oyster Bay in the past 5 years, gains that have come about for one simple reason: they make it easy to do business in Nassau County.

By any yardstick, it's a terrific story. In commercial, industrial and retail space, IDA added 1,273,945 sq. ft. in Oyster Bay in 5 years. In dollar value, IDA projects topped \$73 million. We also retained a total of 24,530 jobs, and added 1,363 new ones—jobs that would never have come to Oyster Bay without a lot of hard work from IDA. These jobs translate into \$219.9 million in retained payroll dollars, \$34.8 million in new payroll. It also means \$1,910,917 less in property taxes paid by the citizens of Oyster Bay.

It's a good story, and IDA is going to make it an even better one in the coming years. After all, when it comes to business for Oyster Bay, there's no business like good business. And what's good for business is good for you, for us and everyone in Oyster Bay.

NASSAU COUNTY. IT'S GOOD FOR BUSINESS.

Red Cross Gives Free Flu Shots To Senior Citizens

The American Red Cross in cooperation with the Nassau County Dept. of Senior Citizen Affairs is sponsoring free flu inoculations for senior citizens at various sites around the county this fall.

The immunization program will begin on October 25th and will continue to December 12th with scheduled sessions at 7 different locations.

Richard W. Merzbacher, Chairman of the Red Cross Chapter, recommends that those who are 55 years or older and people with chronic health conditions such as heart disease, lung

problems, etc., be vaccinated.

Pre-registration forms may be obtained from the Dept. of Senior Citizen Affairs, 222 Willis Ave., Mineola, or call 535-5814. Forms can also be picked up at the American Red Cross, 264 Old Country Rd., Mineola.

The following inoculation sites have been scheduled; the hours at each location are from 10:00 AM - 3:00 PM except in Long Beach where the hours are from 1:00 PM - 3:00 P.M.

Thursday, October 25, Massapequa/Wantagh Service Center, Beech Street, Wantagh; Thursday, November 1, Long Beach - JASA - Temple Beth El, 570 Walnut Street; Thursday, November 8, Herricks Community Center, Herricks and Seeringtown Roads; Thursday, November 15, Great Neck Senior Center, 80 Grace Avenue; Thursday, November 29, Port Washington Senior Citizen Center, 80 Manorhaven Boulevard; Tuesday, December 4, Mineola, American Red Cross, 264 Old Country Road; Wednesday, December 12, Hempstead, Kennedy Park, 335 Greenwich Street.

Hicksville Swim Team

The high school swim season is progressing and the Hicksville team has been giving some excellent performances.

Despite losses to Long Beach and Great Neck South, the girls have been swimming very well and in their meet against Uniondale, they won every event, a first in Hicksville swimming history.

Winning their events were Lorna Mund in the 200 free and the 100 back, Gina Cusumano in the 50 and 100 free, Kristin Mund in the 200 IM and the 100 fly, Andrea Pitta in the 100 breast and Karen Karmann in the 500 free. Scoring in second place were Camille Calame in the 50 and 100 free, Stephanie Pitta in the 100 breast, Karen Kratochvil in the 500 free, Deanna Pitta in the 100 fly and Karen Karmann in the 200 free. Linda Cusumano, Karen Kratochvil and Andrea Pitta also scored for thirds. Divers Shannon Boslet and Laurellanne Hoffman were first and second and newcomer Jennifer Brennan scored points in the 200 free. Hicksville's clean sweep was made complete by the winning of both the medley relay (Linda Cusumano, Andrea Pitta, Kristin Mund and Camille Calame) and the free relay (Gina Cusumano, Karen Karmann, Karen Kratochvil and Lorna Mund).

Mall Fire Prevention Display Draws Shoppers

The Mid Island Plaza Mall played host to a Fire Prevention Week Exhibit by the Hicksville Fire Department. The exhibit was arranged by Hicksville Fire Chief Owen Magee and Mall Public Relations Manager Pat McKenna.

The exhibit drew many shoppers to Center Mall. Shoppers helped themselves to Fire Prevention information. Fire fighters on duty answered questions pertaining to Fire Safety. The Public Education Division of the N.C. Fire Service Academy also took part, explaining the Divisions Fire Safety Programs in the County's schools.

Many children had the opportunity to board a real

fire pumper on display in the mall and had their photos taken wearing fire fighters gear. Plastic fire hats, badges and coloring books were presented to the young visitors.

Although Fire Prevention is observed 1 week out of every year in October you are reminded that every week should be Fire Prevention Week. Fire safety starts at home. If everyone practiced fire safety - installing smoke detectors, holding exit drills, observing recommended Good Housekeeping suggestions, the 6,000 yearly death toll could be cut way down. Again - its up to YOU. Fire is a terrible way to die!

Completes Course

Navy Ensign Robert A. Degennaro, son of Albert and Marie DeGennaro of Walnut Lane in Hicksville, recently completed the Aviation Pre - Flight Indoctrination School, with academic excellence.

During the six - week school conducted at Naval Aviation Schools Command, Naval Air Station Pensacola, Fla., DeGennaro was introduced to the naval aviation environment and given instruction in basic

aviation related subjects. His instructions included aerodynamics, physical fitness, swimming, engineering, land and sea survival techniques, aviation physiology, navigation and aviation student information.

A 1980 graduate of Holy Trinity High School, and a 1984 graduate of SUNY Maritime College, in the Bronx, with a Bachelor of Engineering degree, he joined the Navy in May 1984.

Visiting children took turns "Driving" Fire Engine Center Piece of Display.

In the lower photo, Kindergarten class from Harbor Day Care Center, New Hyde Park, paid a visit to the Fire Department Display.

Oct. 30 Hearing To Amend Town Budget

(Continued from Page 3)

Albany office. The Town had applied to the DEC for the increase in height as the only possible alternative for disposal of solid waste generated by the residents of the Town. pending the State's review of the Town's application to construct a temporary, environmentally designed extension to the landfill at Old Bethpage that would be closed as soon as resource recovery is on line. The proposed new budget line will raise the estimated 20 million dollars a year in taxes which is the anticipated cost of transporting refuse and gas, barge to a distant facility out of the State. The increase represents an additional \$2,152 (per \$100 of assessed valuation) levy on Class I properties; \$2,344 for Class II properties; \$2.35 for Class III properties; and \$2,363 for Class IV properties. The hearing has been scheduled for Tuesday, October 30, beginning at 10 AM in the Hearing Room of Town Hall East, Audrey Avenue, Oyster Bay.

Hicksville Tornados Triumph Over Garden City Indians, 2-1

By L.G. & J.M.

The 1973 "B" Hicksville Tornados sponsored by Westbury Federal Savings & Loan travelled to Garden City on Sat. 10-20.

Having played Garden City on numerous occasions during the past three years and always losing despite closely contested games, the Tornados were determined to reverse the Garden City jinx.

With the 1st half underway and the Indians scoring within the first few minutes, it looked like a typical Garden City-Hicksville game. However, with sure-handed aggressive goaltending of Matt Greenspan and an overpowering defense led by Stopper Brian Whitman, & fullbacks Barry Mannion, Timmy Carroll & Walter Villalta, the Tornados

repelled all of the Indians' scoring opportunities for the rest of the game.

Before the 1st half ended the Tornados mounted an attack. Center halfback Jason Kilmatis leading right wing Timmy Blind with a crisp pass, who crossed the ball to center forward David Cohen tying the game at 1-1.

The 2nd half continued with the Tornados mounting numerous attacks only to be denied by a strong Indian defense. An equally determined Tornado defense rose to the occasion by shutting out a potent Garden City offense.

The Tornados' winning goal was created by left wing John Lozina who started a

breakaway from mid-field by sending a crossing pass to right wing Timmy Blind who was fouled in the penalty area causing a penalty shot.

Halfback Erik Matz was called upon to take the penalty and placed a perfect shot past the Indians goal-tender to propel the Tornados to a 2-1 victory.

Newcomers Jarret Roth & Tommy Gonzales alternating at right halfback position contributed greatly in this Tornado win.

After a slow start, the Tornados are finally putting it all together and their hard efforts resulted in 2 wins & 1 tie in their last three games.

Great going, Tornados!

Hicksville Victor Over Rockville Centre, 4-2

By A. Blicher

The Hicksville Shamrocks 1974 traveling soccer team beat the Rockville Centre Rebels at the opposition's field 4-2 this past Saturday, for their sixth straight victory, continuing their unbeaten and untied season thus far. The Rebels put up a strong challenge for the first half and then Hicksville's superior ability and versatility proved to be the difference. After numerous charges at both goals, Hicksville scored at the 18 minute mark on a brilliant solo charge upfield by right wing/center half Joe Flanagan. Goalkeeper Eddie Jacobsen, who had a great game especially with his strong punting up both the right and left alleys, stopped Rockville Centre every time. Joe Flanagan had an outstanding save near the goal when he deflected a Rebel rebound while Jacobsen was out of goal due to the original shot. The Rebels scored on a direct, line drive shot which was over Jacobsen's head.

At the 35 minute mark, Matthew Pordum went in at striker, stopper Chris Doyle moved up to right wing, and Brian Pine went in at right half. The Shamrocks then scored three quick goals due to the unrelenting pressure generated by those three as well as the rest of the team. Pordum scored two beauties off of Doyle assists. Center half Meringoff, who takes all Shamrock corner kicks, then put one in unassisted.

As the game was winding down, the Rebels put in their second goal, but it was too late. Eric Blicher had a consistent game at striker, Gregg Furst was brilliant at left half, Gregg Grosso was his ever-strong self at left fullback, Brian Harkins constantly stopped the opposition as sweeper, Jared Jacobs led many charges at left wing and halfback, Jason Kingsley was strong at both stopper, halfback

and wing, Ted Knoop played the entire game at right fullback and was forever breaking up Rebel plays while moving the ball upfield, and David Lovato was in good form at halfback. Congratulations to Coach John Flanagan, who was at his strategic best, as well as to assistants Pete Knoop and Pat Harkins for continuing Shamrock Power!

Nov. 17th Race

Runners for all ages can compete in the Annual Cross Country Turkey Trot to be held at Eisenhower Park, East Meadow, on Saturday, November 17 beginning at 1:00 pm, near parking field #2.

The 3.1 mile race will be run in separate age categories with the winners being awarded a turkey.

Registration will be held the day of the race between 9:00 am - 12:30 pm at the Field House.

According to Nassau County Recreation and Parks Commissioner Abram C. Williams, the age categories for males are 14 and under, 15 to 19, 20 to 29, 30 to 39, and 40 and over and for females it is 13 and under, 14 to 24, 25 to 39, and 40 and over. All entrants under 18 need parental consent and runners 13 and over must have a leisure pass.

This event is co-sponsored by the Nassau

County Department of Recreation and Parks and Zorn's Poultry Farms. For further information, call 542-4480.

Something To Think About

VERN & BILL WAGNER
TWO GENERATIONS OF SERVICE

THE DEATH CERTIFICATE

The death certificate is a very important legal document. To begin with, in most instances it is necessary to have a permanent certificate of death before burial or other disposition can take place. Following that, a valid death certificate may be absolutely essential for claiming various benefits and settling insurance policies.

The funeral director will be happy to help in the preparation of the death certificate. He will require certain vital statistics in order to complete the document. It is important that these be ABSOLUTELY

ACCURATE. These vital statistics are: full legal name, date and place of birth; social security number; address; length of residence; name of spouse; name of father; and maiden name of mother. The cause of death and the date and place of burial or cremation will also become a part of the death certificate.

At The Post Office Safety Fair

P.O. Sponsors Veterans Letter Writing Contest

Master of Ceremonies, Ray Heatherton, the "Merry Mailman" opens the Safety Fair by leading Pledge of Allegiance. (In top photo).

In the center photo, Postmaster Murello and his wife, Lillian, thank Hicksville Fire Chief Owen Magee for the fire department's Fire Safety and Blood Pressure displays.

Two new additions to the Hicksville Post Office. A giant mail box which was the Safety Fair Information Booth and the Express Mail Next Day Service sign on top of the post office facing the Hicksville railroad station, are shown in the lower photo.

"Remember how good it feels to receive a letter from a loved one or a friend? There's no better time to share that joy than during National Card and Letter-writing Week, November 5-11," Hicksville Sectional Center Manager/Postmaster Anthony M. Murello said today. This year's theme is "Lift spirits - write!"

The Postmaster noted that a highlight of National Card and Letter-Writing Week is the "Volunteer Scribe" program. It encourages students and other concerned citizens to write and address letters for those who cannot do it for themselves, such as invalids and the elderly. Postmaster Murello reports that the Envelope Manufacturers Association has donated envelopes to the Postal Service for distribution to volunteer scribes.

This year the Hicksville Post Office will be sponsoring a Veterans Letter Writing and Poster Contest for Hicksville, Plainview and Old Bethpage students. The Letter Writing Contest is for 4th grade thru high school and the Poster Contest for kindergarten thru 3rd grade. Stamp collecting kits will be awarded to the winning students in the following categories: grades kindergarten-3rd, 4th-6th, 7th-9th and 10th-12th.

To be eligible, posters and letters of 100 words or less must be submitted to the Hicksville Post Office, Public Affairs Office, 185 West John Street, Hicksville, NY 11802-9304 no later than November 8, 1984.

Classes wishing to visit our post office and see our advanced mail processing center including the optical character reader and bar code sorter which processes over one billion pieces of mail each year at split-second speed; multiposition letter sorting machines; facer/canceller operation and flat sorting machine may bring their "Volunteer Scribe" letters and follow their progress through our facility.

Letters should be addressed to V.A. Medical Center, Voluntary Services, Northport, N.Y. 11768, Attention: J. Farren.

Postmaster Murello would be glad to have postal people visit your school to talk about letters or the Postal Service during National Card and Letter-Writing Week. If you would like to arrange this, or if you need more information to help make the event meaningful for your students in another way, please call the Public Affairs Office at 933-2406.

AAL Convention

Weldon Endorf and John Baumgarten Jr. of Aid Association for Lutherans (AAL) from Hicksville were among more than 150 volunteers throughout New York who attended the annual convention of the

Long Island Federation of AAL Branches, held in Plainville on Oct. 12, at the Holiday Inn.

AAL members are joined in branches where they are given the organizational and financial resources to

accomplish humanitarian, service and social projects to help others in their communities. The participants in federation conventions generally are branch officers who attend to learn how to be more effective volunteer leaders.

Workshops about creative problem solving and creating grass roots support for the Statue of Liberty restoration were held.

There are more than 39,150 AAL members in New York. Last year, these volunteers conducted 46 fraternal projects that were

supported by AAL grants amounting to more than \$148,543. College scholarships worth \$86,313 were distributed to 45 AAL members in the state, while 230 persons participated in AAL's marriage enrichment program and pre-retirement planning programs.

AAL is the nation's largest fraternal benefit society, enabling 1.3 million Lutherans and their families to help themselves and others through insurance and other fraternal benefits. AAL's home office is in Appleton, Wisconsin.

Christmas Fair

Court Queen of Angels #869, Catholic Daughters of America are planning a Christmas Fair to be held Saturday, Dec. 8, in the St. Ignatius New School Basement from 10 AM to 6 PM. Tables may be rented, Mea Market style, for \$12 each. (No commercial vendors)

The ladies urge friends and neighbors to secure a table to sell hand made items, candy, bake goods, or just bric-a-brac (used but good).

For further information please call Fran Simile 935-4759 or Betty Yanuchi 931-7763.

Election 1848!!

Visitors to Old Bethpage Restoration will be astonished at the political chicanery that was abundant in presidential campaigns of an earlier age during a recreation of the 1848 election. The special program is scheduled for the weekends of October 27-28 and November 3-4, from 1 to 4 P.M.

Nassau Recreation and Parks Commissioner Abram C. Williams said that "Barnburners," "Hunkers" and "Whigs" will vie for votes in this three-way race, which pitted the supporters of General Zachary Taylor against those of Lewis Cass and former President Martin Van Buren.

On Saturday and Sunday, October 27 and 28, local Barnburners and Hunkers—rival factions of the Democratic party (one opposed to the expansion of slavery, the other mute on the subject) will hold campaign rallies.

Hallowe'en Yesterday and Today

by TOB Supervisor Joseph Colby

I've always enjoyed the excitement that surrounds Halloween, particularly when my own children were small.

There was the very difficult decision of what to be, which friends to go with, what houses to visit and the anticipation of all the rewards at the end.

Adelle and I would prepare our house by purchasing a variety of candies and popping some fresh popcorn to make our own treat bags for the visiting ghosts, prin-

cesses and cartoon characters.

Today things are not quite so simple. With each passing year we read of more instances of candy and fruit tampering and increased vandalism.

There are things that we as parents must do to protect our children so that they can continue to enjoy the fun of Halloween. Where costumes are concerned be sure they are bright colors and, whenever possible reflective, so that they can be seen by motorists at dusk.

And although they should be loose fitting for freedom of movement they shouldn't drag on the ground which might cause tripping and possible injury when climbing stairs.

Parents and older siblings often take very young children on their rounds, but all children should go with a "buddy." Encourage your children to stay in your neighborhood, instruct them, not to approach a house that is dark and certainly never to go into the

house of someone they don't know.

If they are old enough to trick or treat at night give them a flashlight and an extra work of caution about crisscrossing neighborhood streets in the dark.

Finally, strenuously warn them **NOT TO SAMPLE ANY TREATS UNTIL AN ADULT HAS INSPECTED THEM.**

Local police and schools will be stepping up safety awareness programs, but it's up to us: parents, older

Surviving The Job Interview

The Displaced Homemakers Multiservice Center (DHMC) and Women on the Job will present "Surviving The Job Interview - Overcoming Barriers With Confidence." This workshop will deal with discrimination in the workworld and how to get the job.

The areas covered in this free workshop will be building self-confidence, assess-

ing skills, interviewing techniques, legal and illegal application questions, recognizing employment discrimination and what to do about it.

Margaret Miller, Program Developer and Community Organizer with Women On The Job, Shirley Darkel, President of the Afro-American Heritage Association and President of Shirl Ward Leasing, and Phyllis Berger, Program Director of the Displaced Homemakers Multiservice Center, will lead the workshop.

"Surviving The Job Interview" will be held on Thursday, November 8th from 10:00 AM - 12:00 PM at the Displaced Homemakers Center in the Christ First Presbyterian Church on Fulton Avenue and Washington Street, Hempstead. For further information, call 481-2103.
