## Letter To The Editor

To The Editor:  
**NORTH HICKSVILLE AND WILLET AVENUE SCHOOL AREA ARE IN DANGER!**

Many residents of North Hicksville, in the area of Willet Avenue and Bethpage Road are deeply concerned over the notice they have received pertaining to construction of a White Castle Restaurant and Drive-In on the corner of the above mentioned streets. Within minutes of the news in the Mid-Island Herald, it is reported that telephones started ringing and neighbors gathered to discuss what they believed to be a threat to their welfare and safety. Willet Avenue has an elementary school nearby on the street. School buses traverse this street, and many hours of the day, it is clogged with traffic. The backup on Bethpage Road into Broadway is so heavy at times that travelers take alternate routes by way of Woodbury Road to get to the parkway at South Oyster Bay Road rather than try to "buck the traffic".

Food odors and refuse with the possibility of attracting vermin or roaches may threaten the health and well being of those who live adjacent to this proposed site.

Since White Castle is a 24 hour operation, youngsters have been known to use it as a late-night hangout, bringing cars and blasting radios to the discomfort and annoyance of the residents in the neighborhood.

Oyster Bay is now facing a "garbage crisis." A White Castle will add a great deal of extra refuse at a time when homeowners may be limited to one garbage can full twice a week.

The construction on the west side of Bethpage Road has already generated overcrowded and hazardous traffic conditions.

Residents are urged to sign petitions and attend a public hearing on November 13 at 10:00 at Audrey Avenue, Oyster Bay, New York. All those who wish to join our army of crusaders are urged to contact:

Gertrude Paul 931-1740  
Terry Lochery 433-6857  
Eleanor Draycott We5-5793  
Virginia Germer 938-0064

The plan to destroy a peaceful neighborhood must be defeated! Act now! God Bless you all for helping.

Gertrude Paul, Hicksville

## Fire Co. #8 Dedicates New Truck

Hicksville F.D. Flood Light - Heavy Rescue Co. #8 located at fire headquarters on E. Marie St. (what ever happened to the Gebhardt Plaza Street sign?) held dedication ceremonies at Fire Station #3 on Sunday, October. In attendance were town officials, Hicksville fire officials, local area fire chiefs and the manufacturers who flew in from Denver, Col. to be on hand for the gala event.

The new rig - a combination floodlight/rescue truck is equipped with the latest rescue equipment including a cable winch, air bag system and many other pieces of heavy rescue equipment. The old floodlight unit is for sale. The old rescue truck which also served as the department's hazardous materials unit is now serving that sole purpose (duty). The truck is the only one of its kind east of the Mississippi and one of 3 in the country.

The traditional wet down was carried out during the afternoon events. The wife of Co. 8 Captain James Fiore broke the champagne

over the front bumper. The unit was blessed by Dept. Chaplains Dean Bill Mahoney and Pastor Ted Grant.

### Labor Day F.D. Booster Winners

Please excuse this tardy report on the winners of the annual booster chance drawings.

Grand prize (a monster basket of cheer) went to Joe McGarry of N.Y. City.

The consolation prize went to Frank Lat (case of champagne).

Thanks to all supporters from the Labor Day F.D. Committee.

### Fire Safety Warning

The fall season is upon us in all its glory. Along with fall comes the hazards of fire.

We wish to remind residents it is against the county & state air pollution ordinance to burn leaves. By now you should have received instructions from T.O.B. on how to dispose of leaves.

A special fire hazard involving leaves is the danger of parking automo-

## Teacher Aides & School Board Sign First Contract

The Hicksville Teacher Aides Unit of the Civil Service Employees Association came in being at a special meeting of the Board of Education Tuesday evening as Board President William P. Bennett and Unit President Linda Hild signed the first contract between the district and the teacher aides.

During the negotiation process with the group, now the newest union in the district, job descriptions were redrafted and substantial changes were made in their duties and responsibilities. The district has also moved from one set salary rate to a salary scale based on the length of experience in the job. Teacher aides serve in special education classes providing additional adult supervision.

Mr. Bennett addressed unit members after the signing, expressing the pleasure of the Board and the district at the successful conclusion of the negotiations.

"On behalf of the members of the Board of

Education, we wish to congratulate the association of the Teacher Aides in recognition of the first contract that was consummated on their behalf," Bennett stated. "This was accomplished in large measure by Unit President, Linda Hild, who has worked tirelessly in achieving this first contract. Her dedication and hard work on behalf of her membership is laudable."

"We, as a Board, also recognize the dedication and vocation of the teacher aides in helping those of our students who, indeed, have special needs," he continued.

"We also wish to thank Mr. Alfano and Mr. Guericio for preparing the legal document and providing their professional services on behalf of those that they are charged to represent. We also thank Dr. Fenton for her input and direction, as well as Mr. Schwartz, the previous president of the Board.

This signing underscores the fact that through mutual

trust and understanding, success can be achieved even though there are huge hurdles and misunderstandings in the path of that success.

Again, congratulations to all, and may this be our new beginning for successful contractual agreements."

## Galileo Lodge News

By Joe Lorenzo

**PRESIDENT PETE MASSIELLO'S MESSAGE:** "The world belongs to the patient man." Italian Proverb

Last Saturday night, the 27th, a goodly number of our members, friends and patrons enjoyed the presentation of its Halloween Dance. The food was excellent, and the music was delightful and the Halloween costumes which were in view ranging from the original to the amusing to the macabre really added immeasurably to the Halloween mood. President Pete Massiello, in recognition of

the fine work done to make this affair successful, extends his sincerest thanks to Tony Sica and his committee man.

As activities of the present find their way into the past, activities of the future start to interest us. For example, on Saturday, the 1st of December, the Galileo Lodge will hold a Christmas Dance. Joe Lo Presti will "chair" this activity, ably assisted by a committee consisting of members Joe Giordano, Joe Morace, Armand Del Cioppo and Frank Matassa. Tickets will be

available starting the first of November, and the price is \$12.50 per person, a very nominal fee that offers you a delicious hot meal, beer, soda, coffee and cake, set-ups and some pretty nice dance music from a leading disc jockey. Please note that this dance will have a "bring-your-own-liquor" policy and that a Christmas Grab Bag will be featured, with gifts for Male and Female not exceeding \$3.00. This activity starts at 8:30 P.M. So, if you are desirous of starting your Christmas celebrating in true fashion, why not attend this Yuletide celebration.

And now for some news concerning a pre-Thanksgiving activity to be held by the Ladies Auxiliary, and, of course, I am referring to the Holiday Bazaar, scheduled for Sunday, the 18th of November. Vendors are needed, of course, and do note that tables for non-members cost \$10 and tables for members cost \$8. I might add here that refreshments will be available at reasonable prices and that items of great interest will be on display. Call Mary at 938-9536 or 931-9351 for more information. So why not attend this Holiday Bazaar and browse to your heart's content.

And now about another pre-Thanksgiving activity of note, how can I forget to mention the extraordinarily funny "Foolies Follies," scheduled for Friday, the 19th of November. Price of admission is \$12.50 per person, and in the offering will be a delicious hot dinner, coffee and cake, beer, soda, set-ups and of course the show itself. Ann Palermo (334-7107) and Marion Danseglio (334-6860) will be selling tickets at the Galileo Lodge every Tuesday, Wednesday, and Thursday nights. Sue Laurenti is in charge of production, and ably assisting will be Claire Fuoco. Please note that a "bring-your-liquor" policy (Continued on Page 10)

## Designer Showcase Luncheon

The Nassau North Shore Christian Women's Club cordially invites you to our "Designer's Showcase Luncheon". The luncheon will be held on Tuesday, November 6 at 11:30 AM at Salisbury on the Green, Eisenhower Park. Tickets are \$8.50.

"Interior Designing" by

Thelma's Touch, Inc., Rockville Centre, "Designers Notes" by Jeanne Rees, soloist and "Designs for Living" by Jeanne Rees, speaker will be the entertainment at the luncheon.

For reservations and further information contact Dorothy Awe 746-0762 or Ann Meringolo 747-2919.

Association for Children with Down's Syndrome School Special Services Coordinator Marianne Moone and Beau Mirsky, a student at the school, visited Hicksville Junior High School recently. The purpose of the visit was to give the junior high students an opportunity to learn about people with Down's Syndrome. The visit is part of the ACDS Learning is Necessary to Care (LINC) outreach program.

The program is available to community groups at their request. Marianne Moone is a Hicksville resident.

The ACDS school is located in Bellmore and can be reached by calling 221-4700.

## Marino Law Directs \$15,000 To Hicksville Youth Council

The Hicksville Youth Council has been awarded \$15,000 under the State's Neighborhood Preservation Crime Prevention Act sponsored by Oyster Bay Republican Senator Ralph J. Marino.

The Council will use the 1984 grant for its volunteer Neighborhood Crime Watch Program, an adult/

youth partnership aimed at discouraging vandalism, criminal mischief and burglary. Where law enforcement action is needed, the local team calls in the Nassau County Police Department.

Among the Council's goals are community education to raise crime awareness and the training of Hicksville residents in Neighborhood Watch techniques.

The Council's application was endorsed by Marino for the approval of the Division of Criminal Justice Services.

The NPCPA funds were granted from a \$2 million pool, an amount doubled over last year's appropriation at the direction of Senator Marino who is Chairman of the Committee on Crime and Correction.

Said Marino, "The Hicksville Youth Council

was in competition with hundreds of groups from all over New York State. Its selection for funding testifies to the value and effectiveness of the organization. I commend its members for their dedication to the community's security and the citizens' safety."

The Hicksville Youth Council was founded in 1972 as a community support group and has won awards for its local programs.

## Democrats For Gold In High Gear

"The exciting response to the formation of the Democrats for Ann Gold Committee serves to prove how disappointed the voters of the 13 AD are with the present Democratic Assemblyman," according to Susan Sherr, one of the committee's organizers.

Those who have volunteered will be assigned to phone banks, literature distributions, and as drivers on Election Day, November 6.

The committee emphasized again its opposition to Mr. Yevoli's ineffective leadership and his opposition to cut taxes and save the

taxpayers' money in a surplus year.

In addition, the committee is appalled that he voted against raising the drinking age to 21. Many states that have increased their minimum drinking age have experienced substantial reductions in alcohol-related accidents, fatalities and injuries among young drivers.

For more information, call 822-7576. Donations can be sent to the Democrats for Ann Gold Committee, 31 Nautilus Avenue, Plainview, N.Y. 11803.

## Scholarship Competition

Exalted Ruler Steve Lerner of Hicksville Lodge No. 1931 announced today a joint Elks National Foundation, and New York State Elks Association scholarship competition for 1985-1986.

The Elks National Foundation "Most Valuable Student" Scholarship/Leadership Awards, open to all New York State High School Seniors, total 70 scholarships ranging in amounts from \$1,200 to \$24,000. These awards to New York students will be part of the Elks National program providing 1,573 scholarships, in the amount of \$2,363,000. Applications must be filed by 12/15/84.

New York State Elk's Association Scholarship

Awards total 38, and are for \$750.00 each. State Association Scholarships are open to High School Seniors or College students up to the Junior year, whose father is, or was at the time of his death, a member of the Order of Elks. Applications for both awards will be available at the student's school or at the local Elks Lodge, on or after November 15, 1984.

Exalted Ruler Steve Lerner has named Ed Allen of Hicksville Lodge No. 1931 as Scholarship Chairman to administer this program for local students who wish to compete. Additional information about this program can be obtained by calling him at 516-681-3654 (6-9 P.M.).

## Villoni Calls For More "Safe Homes" For Women

Dominic A. Villoni, Democratic candidate for Family Court Judge, has called for additional staffing and facilities to accommodate abused women and their children.

"Over 4,000 Nassau County women this year appealed for help in family abuse cases and 125 of them required a safe home," Villoni said. "Yet there is in the county only one shelter with a capacity of 14 women and children and with no staffing available for follow-up treatment and counseling in private safe homes."

"Further, this lack of funding has resulted in limiting the operation of the Family Violence Hotline," Villoni said. "The Hotline, which is meant to give 24 hour service, is now closed from 1:00 A.M. to 8:30 A.M."

This is totally inadequate to protect these women from harm. Funding must be provided to increase the capacity of the safe home by 40% and to provide for staffing necessary to meet the follow-up needs of approximately 10 volunteer safe homes."

## SIX REASONS TO VOTE FOR ANN GOLD

1. Low Yevoli voted not once, but 10 times, to prevent tax cut legislation from being considered in the State Assembly this year -- a year in which the State budget surplus is estimated at \$600 million.

2. But what's more, Low Yevoli voted in 1983 to raise our taxes by over \$1 billion.

3. Low Yevoli is blocking private financing of resource recovery and his obstinate action can cost taxpayers \$20 million.

4. Low Yevoli voted against raising the drinking age to 21.

5. He voted to defeat proposals for funding prescription drug assistance for senior citizens.

6. Low Yevoli has not publicly condemned anti-semitic remarks by Black Muslim leader Louis Farrakhan.

## Dear Friends...

On Nov. 6th all of us who are registered will be voting for the president and vice president of the United States, and a member of Congress, on a national level. Also, a NY State Senator and Assemblyman. We will also be asked to vote on 2 Justices of the Supreme Court, 3 County Court Judges, 5 Family Court Judges, 2 District Court Judges in the second district, or 3 District Court Judges in the third district.

Also, here in Nassau County there will be 2 amendments to the NY State Constitution and one proposal by Nassau County to establish a Nassau County Public Utility Agency for the purpose of purchasing electrical power from the Power Authority of the State of NY and/or other NY State Agencies for use by residential electric consumers of LIECO. This proposal, which was adopted by the County Board of Supervisors in Feb., would put an agency in place which is necessary, should cheaper power be available for all areas throughout our State at any time in the future. It would not have any paid employees at this time, nor would it generate any expenses. It simply is needed in case cheaper power becomes available. We are in favor of anything needed that might produce cheaper power and hope that it can be used in the near future. Certainly we should not miss our opportunity to receive Nassau's share whenever this time comes.

One of the amendments to the NY State Constitution concerns the terms of sheriffs and county clerks and reads: "Shall Article XIII, section 13, subdivision A of the Constitution, which provides that Sheriffs and County Clerks shall be elected once in every three years and whenever the occurrence of vacancies shall require, be amended (1) to omit those provisions and (2) to allow the Legislature to set the terms of office of Sheriffs and County Clerks in each county at either three or four years? Vote yes to approve the amendment, or

no to reject it. Frankly we cannot see much difference, one way or the other.

The other Amendment to the NY State Constitution concerns PRIZES AWARDED AT CERTAIN GAMES OF CHANCE, and reads: "Shall Article 1, Section 9, subdivision 2 of the Constitution which sets monetary limits for prizes awarded in games of chance, be amended to allow the Legislature to change those limits? Vote yes to approve the amendment, or no to reject it. At present the Constitution of NY State requires that no single prize shall be more than \$250 and that no series of prizes on any one evening be more than \$1,000. If approved, this amendment would make it possible to change these limitations legally.

As to our endorsements, never have we seen the differences so clearly stated, as they have been during the past few weeks, by our national and local candidates. We believe that the Republican Team is presently accomplishing much on our country's journey to recovery and that it's programs, aims and purposes serve our country best to a true recovery, which will take more time. Of course, many of us believe that this time could be shortened if those who believe in a fiscally sound policy could sit down together the time consumed in achieving these goals, so necessary to our nation, would be shortened.

We acknowledge that on both sides of the aisle there are dedicated individuals, incumbents who are working hard to serve those they represent. But, when national and local positions are so clearly divided as to how this can effectively be accomplished, we feel that we have to say, "Sorry, but our differences are too great to bridge the gap." Also, we do not believe that our country would be well served now and in the future by a return to what has gone on in past administrations and on all political levels. We believe it is time right now to cast our vote for this Republican Team, so that we can con-

The Town of Oyster Bay held a regular meeting on Oct. 30. The Town Board at this meeting voted to make an amendment to the 1985 Preliminary Budget of the Town of Oyster Bay for the purpose of considering state-imposed refuse shipping costs. At a four-hour long hearing, Supervisor Joseph Colby called the need for the tax increase tragic. He explained the reasons which made this increase necessary. The increase from 87 cents per \$100 of assessed valuation this year to \$3.02 will allow the town to ship garbage to private landfills out of our area. At this point in time the Town has no alternatives but to ship the garbage. The monies generated from this increase, if not used, will be reflected in next year's budget as a savings.

• A decision was reserved on a petition of Myron W. and Donna Goldstein for a change of zone from Res. D to R-O Residence Office at

Old Country Rd. and Hope Dr., Plainview. Many residents came out to express their concern about the parking available on their residential street and the flow of traffic being impeded by the additional cars.

• Resolution No. 1027 - 1984 relating to the petition of Abraham Weinschenker for a change of zone at 896 Old Country Rd. to a Business F zone. The board accepted the environmental quality review commissions findings. The property, if the zone change is made, will be used for auto repairs, towing and the storage of towed autos.

• Resolution No. 1026 - 1984 relating to a petition of Frank Bromberg for a change of zone at 533 Old Country Rd., Plainview accepted the environmental review commissions findings. The petition asks for a change from Res D to R-O

so the property can be used as a CPA office.

• Resolution No. 1030 - 1984 relates to authorizing consultants to proceed with the bidding phase of Contract #DR72-4275B for the construction of a storm water recharge basin on Winding Rd., Old Bethpage.

• Resolution No. 1032 - 1984 relates to additional funding in connection with the rebidding phase of Contract #DPW82-278R. This contract is for the improvements to be made to the Gregory Museum. A rebidding will take place because the original bidding came back in excess. A redefined bidding will take place.

• Resolution No. 1033 - 1984 relates to the increase in engineering fees on the contract concerning the reconstruction of the Plainview-Old Bethpage Pool Complex.

• Resolution No. 1038 -

1984 related to the Annual Budget of the Town of Oyster Bay for the 1985 year. A separate line was added to the budget for the tax increase.

• Resolution No. 1039 - 1984 related to the petition of Donald Monti, Dr. Ralph Parisi and Plainview-Old Bethpage Central School District for special use permits and change of zone at Plainview. The petition was approved with many restrictive covenants.

• Resolution No. 1040 - 1984 related to the petition of Remington Aluminum/Subsidiary of Evans Products Co. The petition for a special use permit at their site in Hicksville was denied. It was suggested that the company confer with the planning and development agencies to find a more suitable site.

The next Town Board meeting is scheduled for Nov. 13.

## Court Denies Yevoli Action To Restrain Town From Informing Public By Mail

On Oct. 30th the Hon. Henderson W. Morrison Justice of the Supreme Court of the State of New York denied the application for a preliminary injunction brought against Joseph Colby individually and as Supervisor of the Town of Oyster Bay et al., by David Hoffman, Kenneth Rosenblum and Lewis J. Yevoli individually and as taxpayers residing in the Town of Oyster Bay and on behalf of all similarly situated taxpayers in a decision which read:

By this action the plaintiffs seek preliminary and permanent injunctions restraining the defendants from "creating, preparing, printing, publishing, mailing, or in any manner or form disseminating any literature or information in favor of or against any issue or candidate which is paid for in whole or in part ... by public funds."

Putting aside the polemics regarding the history of solid waste disposal in the Town of Oyster Bay and the disputes regarding proposals for future alternatives, the plaintiffs advance two arguments in support of the relief they seek.

The first concerns the pejorative nature of the public releases by the defendants, particularly as they concern the plaintiff Yevoli. Assemblyman Yevoli is a public official

whose reputation is of no little value to him. However, despite the vigorous disputes regarding the landfill issue, both sides will agree that the question of solid waste disposal is a matter of compelling public concern to the residents of the Town of Oyster Bay.

Clearly, informing the citizenry regarding matters directly affecting Town residents is a legitimate public function. That being the case, the comments of officials of the Town of Oyster Bay enjoy a conditional if not absolute privilege. (Clark v. McGee, 49 NY 2d 613). Despite the possibility of injury to the plaintiff Yevoli, strong countervailing public policy considerations militate against any restraint upon public utterances by the defendants. I would note that the prayer for relief is hopelessly overbroad, restraining any public comment on virtually any issue and would constitute a prior restraint of free speech difficult to justify even in matters of national security. The dangers inherent in such a prior restraint pose a greater threat to the commerce in ideas than any real or imagined excess on the part of some public official.

The second argument, rather briefly addressed, concerns the allegedly illegal expenditure of public funds. There exists a short and simple answer to plaintiffs' complaint. Section 51 of the General Municipal Law provides an appropriate method to recover public funds illegally expended if, in fact plaintiffs can establish that an illegal expenditure occurred. That being so, there can be no basis for a claim of irreparable injury. (General Municipal Law §51, Moore v. Town of Oyster Bay, 29 Misc 2d 169).

The application for a preliminary injunction is denied.

## Letter To The Editor

Dear Editor:

As critical issues come up in the State Assembly this year it is vital that the person representing the 13th Assembly District be sensitive and sensible about important matters including health, taxes and the quality of life in general.

Ann Gold, by her actions and commitments as a Glen Cove Councilwoman and as Director of Public Affairs for the Nassau County Department of Drug and Alcohol Addiction, has demonstrated how well suited she is to represent our interests.

Ann Gold has made a State tax cut for everyone her number one priority. In 1984 with a projected State budget surplus of from \$400 to \$600 million, our current

assemblyman voted against a tax cut.

Ann Gold favors raising the minimum drinking age to 21 in the State of New York. Our current assemblyman voted against and helped defeat the bill to raise the drinking age during the last legislative session. Ann Gold has promised to vote for the bill when it is presented in the 1985 legislative session. She will help establish treatment programs for those arrested for Driving While Intoxicated to be paid for with money collected from D.W.I. fines.

Her opponent continues to delay the implementation of a resource recovery plant in the Town of Oyster Bay. This delay in the construc-

The dual meet season ended for the Hicksville High Swim Team with a winning season 5-4.

The final meet against Wantagh was an exciting win 100-62, highlighted by best times swims by Karen Kratochvil in the 500 free and Laurellanne Hoffmann in the 200 free.

In the meet with Farmingdale, a defeat of 92-70, first places were copied by Lorna Mund in the 200 free and the 100 fly, Kristin Mund in the 200 IM and the 100 back, and Gina Cusumano in the 100 free. Gina also placed second in the 50 free, as did Karen Karrmann in the 500 free and Andrea Pitta in the 100 breast. Karen Kratochvil was third in the 500.

The victory against Hewlett was 61-29, with first places in all but one event. The relays of Lorna Mund, Stephanie Pitta, Kristin Mund and Karen Karrmann, and Gina Cusumano, Beth Walsh, Camille Calame and Deanna Pitta won both the medley and freestyle. Camille Calame won the diving and the 50 free. In the 200 free Gina Cusumano was first and Karen Kratochvil was second. Kristin Mund won the 200IM and Deanna Pitta was second. Kristin also won the 100 free and Beth Walsh was second. Karen Karrmann won the 500 free and Lorna Mund won the 100 fly and set the new record in the 100 breaststroke.

## Triathlete To Address Roadrunner Club

The Tuesday, November 20 meeting of the Plainview-Old Bethpage Road Runners Club will be highlighted by a talk by local triathlete Stan Wunderlich: "Triathalons from Tin Man to Iron Man."

The meeting will be held at the Plainview-Old Bethpage Public Library, 999 Old Country Road in Plainview, starting promptly at 8:00 P.M.

You don't have to compete in triathalons to be fascinated by hearing the experiences of one of the area's top triathletes. Stan Wunderlich has done them all —

## Hicksville High School Swimming

The Girls are looking forward to competing in the State Qualifying meet on Nov. 3 and the County Championships on Nov. 10.

Members of the Hicksville High Girls' swim team competed in the Long Island Coaches Invitational Meet, held on Oct. 20 in conjunction with the annual Eastern Coaches Clinic.

Totalling 161 points and finishing sixth, the swimmers showed some strong competitive spirit. Kristin Mund, a seventh grader, placed third in both the 100 fly and the 200 im with her best times this season. Lorna Mund, a sophomore at Hicksville High, won the 200 freestyle and won the 100 back with a new team and meet record. Also scoring points were Shannon Boslet in diving, Stephanie Pitta, Karen Karrmann, Gina Cusumano, Jennifer Brennan and Karen Kratochvil.

## "In A Fire-Safe Heating System"

### Tips From Plainview Volunteer Fire Dept.

By Kevin Lombardi

With the onset of cool weather and the heating season, we find an increase in fire calls. The nature of these are attributed to the lack of preparation and maintenance of home heating systems. The Plainview Volunteer Fire Department would like to remind residents of precautions to take to help ensure a fire-safe heating season. Have oil burners and furnaces cleaned and free from obstructions such as bird nests, leaves, and anything else which may have accumulated. This includes fireplaces and wood and coal burning stoves.

In using fireplaces and wood and coal burning stoves, have a metal container with a tight fitting cover handy to dispose of any ashes. Place ashes in the regular outdoor garbage only after sufficient time has passed to allow the ashes to cool.

When shopping for a space heater, purchase heaters that have been approved by a nationally recognized underwriting agency such as Underwriters' Laboratory (U.L.) or Factory Mutual (F.M.). Be sure to read and understand the manufacturer's instructions before using the appliance.

When using electric and kerosene space heaters, keep them at least four feet away from combustible objects. This would include furniture, drapery, tablecloths, newspapers, and the like. Remember to keep small children and pets away from the unit. Refuel kerosene heaters outdoors at a safe distance from the house. Do not refuel the unit on a deck or porch, as these can easily catch fire should an accident occur. Never refuel a heater until it has cooled down, and never refuel a heater when it is in use!

When operating kerosene heaters, follow the manufacturer's instructions in providing for means of ventilation. The byproducts of kerosene combustion can be harmful if not sufficiently eliminated. Never sleep or leave the home with space heaters operating unattended.

For safe storage of kerosene, utilize containers that are clearly marked "kerosene" and have been approved for such use. Below-ground storage (such as in the basement) and indoor storage exceeding five 5-gallon containers is a violation of the Nassau County Fire Code. Be sure to check for local codes and ordinances before installing or using stoves, fireplaces, or space heaters.

Help us to help you. When heating your home this heating season, take the necessary precautions to make your home a fire-safe one.

To report a FIRE or EMERGENCY dial us directly at 938-2727.

VERN & BILL WAGNER  
TWO GENERATIONS OF SERVICE

## DEATH AT A DISTANCE

A death in the family can be an unsettling experience, even under the best of circumstances. Think how much more distressing it can be when the loved one dies away from home, perhaps in a distant city or even a foreign land.

It is at a time like that when you can most appreciate a helping hand, someone to assist you in making the necessary arrangements. It is also a time when you might prefer to deal with people with whom you are familiar.

Good advice would be to call your LOCAL funeral director no matter where the death occurs. We can make all the necessary arrange-

ments, including transportation. Our membership in national and international associations places us in contact with dependable funeral directors throughout the world with whom we can work in cooperation.

We can also handle matters when death occurs here and final disposition is to be elsewhere.

### ESTATE PLANNING FOR THE MENTALLY HANDICAPPED

On THURSDAY, NOVEMBER 1, at 8 pm the Plainview - Old Bethpage Library in cooperation with the Bar Association of Nassau County will present a lecture entitled Estate Planning for the Mentally Handicapped.

The speaker will be Jerome M. Ness, Mr. Ness is an attorney and chairperson of the Guardianship Committee of the New York State Association for Retarded Children, Inc.

### INSIGHTS INTO CURRENT ISSUES

It is very easy to get confused with today's events. The newspapers and news shows just throw the information at you without giving you the chance to digest it. Now you have that chance.

On FRIDAY, NOVEMBER 2 (1 - 3 pm) the Plainview - Old Bethpage Library will sponsor a current events discussion, led by Barbara Krupit. You'll be able to hear and understand not only what is happening, but why it's happening.

Don't pass up this valuable discussion, it is free and could help you be more informed.

The Hicksville Lions Club was honored to install new member Lewis Mazzzone (center) at their October 24 meeting. The installation was performed by International Director Dr. Jack Webber, (on the right) and Lewis was sponsored by Paul Webber (on the left)

### BEGINNER'S LUCK

Occasionally you hear about an owner who puts his home on the market himself and sells it almost overnight. You hear about it because it's an unusual occurrence.

What you don't hear about is what really happens to homeowners who think they'll "save" commission costs. First they lay out money for advertising. They often set a price either so low that they lose potential return, or so high that they frighten off potential purchasers. Then they lose time showing the houses to everyone who drops by to look.

Perhaps one prospect is interested—but he can't afford it. Maybe another

doesn't qualify for a mortgage. What with the hassle and the "maybe" sales that never come through, it's no wonder that nine out of ten owners who try to sell themselves give up and list with a broker, after spending a lot of time and money.

It makes more sense to save time, effort, even money, and sign on a real estate professional right away. It's smart to list with:

each and every member to get involved and to be an active member of the DECA organization.

The ceremony was conducted by Susan Dershowitz, Chapter President, who leads an active club of 77 members. All the chapter officers took part in the ceremony.

To close the initiation ceremony all the new

members stood inside a large DECA diamond and were installed as full members with all the rights and privileges.

After the installation, coffee, cake, and punch were served to everyone who came to this memorable affair. All members, new and old, are looking forward to an exciting year of new experiences and competition.

## To Receive Israel Peace Medal

Jack Kulka, president of Kulka Construction Management Corporation (Hauppauge) will be presented with the Israel Peace Medal Nov. 15 at the Garden City Hotel "for his singular and steadfast service to the State of Israel."

The award will be presented at a testimonial dinner sponsored by the Long Island Real Estate, Builders and Allied Industries Div-

ision of State of Israel Bonds.

The goal of the dinner is to sell \$5 million in Israel Bonds, an increase over the last two years where \$4.5 million and \$4 million were sold.

Dinner chairmen are Wilbur F. Breslin, president of Breslin Realty Corp (Garden City); Jerry Spiegel, president of Jerry Spiegel Associates (Hicksville)

and Jay J. Raddock, president of Raddock Organization, Ltd (Albertson).

Gilbert Tilles, president of Tilles Investment Co (Woodbury) is honorary dinner chairman and David Mack, principal of The Mack Co. (Carle Place), is honorary executive chairman.

The Reagan - Bush - Lent Record:

### \*\*\*\*REDUCED INFLATION AND INTEREST RATES —

During the Carter-Mondale Administration, America suffered double-digit inflation. As a result of the policies of the Reagan-Bush-Lent team, inflation has been reduced 75% — to 4%. Interest rates have been cut in half — from a prime rate of 23½% to 12½%.

### \*\*\*\*LOWER TAXES —

Congressman Lent has been a staunch supporter of the Reagan tax cut program. The American people have enjoyed a 25% cut in federal income tax rates.

### \*\*\*\*JOBS —

America is working again!!! Unemployment is at an all time low of 5.1% on Long Island. More Americans are working today than ever before — 106 million.

### \*\*\*\*A MORE SECURE AMERICA —

Congressman Lent believes that "Only a strong America can insure true and lasting world peace." Congressman Lent has consistently supported President Reagan's efforts to modernize our national defenses.

### \*\*\*\*THE FIGHT AGAINST DRUNK DRIVING —

Congressman Lent authored the new federal law to establish a 21-year-old drinking age limit to combat the "brutal carnage" of drunk driving. He has been cited by such groups as Mothers Against Drunk Driving (MADD) and Students Against Drunk Driving (SADD) for his legislative efforts.

## Eighth Precinct Police Report

By P. O. Kenneth Box

The Second Squad is investigating a rape and sodomy committed on a 19 year old female who is retarded and epileptic, that occurred in the vicinity of Hicksville on Oct. 26, between 5:30PM and 8:45PM.

The victim was walking along North Broadway when a convertible type auto pulled up, operated by an

unknown male, opened the door and motioned the girl inside. The victim complied and the suspect drove to an unknown location where he raped and sodomized her. He dropped the victim off at Roy Rogers on Jericho Tpke. and fled in the auto. The victim called her family and the Police were notified. The suspect is described as a male, white, 20's, 5'7", thin

build, brown eyes, thin shoulder length hair, mustache and beard, three earrings on right ear, tattoos on both arms, operating a large beige convertible, make and registration unknown, two small playgirl bunnies on rear view mirror.

On Oct. 25, an attempt to enter a house on Sleepy Lane, Hicksville was reported. Entry was not

made and no loss was reported.

A basement window was pried open to gain entry to a house on Mineola Ave., Hicksville, on Oct. 27. A Sharp VCR was reported stolen.

Lodge is like being an artery of the community. Become involved and have fun at the same time.

November 4th brings us the Birthday of Brother Bernie Geller and on November 12th, lovely Claire Mass will be blowing out her birthday candles. Many happy wishes to both of you from all of us.

On November 5th, Monday night, our castle hall should be filled as I believe Commuter Lodge has some turkeys that are looking for a home. It will be your loss if you don't gobble up this evening. Of course the special event will be the Rank of Page. With a new regime and some great applicants, it should be a most interesting evening. If time allows, Nat

Letnick might announce the winners of the World Series Pool tickets. The rumor is that there are quite a number of ties for first, second and third prizes. As usual, it was another successful fund raiser by Sir Nat and because of his efforts, together with you the public that purchased the tickets, some unfortunate person out there will be a little happier because of this charitable endeavor. Remember, Commuter Lodge, Knights of Pythias is a non-profit organization and proceeds from all fund raising activities go to help the needy and the community where other funds are not available. Everytime we help someone else, we are making this a better world to live in. No one ever knows when one of us will be on the other end of the stick and lets hope we never are.

I will close by wishing all of you and your children a happy and SAFE Halloween. As ever, I am proud to be a member and voice of Commuter Lodge and the Benevolence, Charity and Friendship it has to offer. Love, Elliott.

## THE FAMILY OF GOD

Welcome Home! Beautiful words spoken to someone who has been away. Home is a place of warmth—a safe place where we are embraced in the love of those who care for us. Your church is the place of worship for you and your family, both related by birth, and those with whom we are related by the rebirth of Baptism.

Through Baptism we are not only pastor and people, but brother and sister. We are brothers and sisters whether or not we are the same color, were born of the same parents, or were baptized by the same minister at the same font. For we are eternally linked together by water in the name of the Father, Son and Holy Spirit. Together we have been touched by the Spirit of

God at work through the Word and the Sacraments. Together we kneel before the same God lamenting our sinfulness and evoking his mercy. Together our eyes fix on the same cross and see in it possibility beyond our individual and corporate failures. Together it proclaims to us hope for life beyond the grave. Together we age family. You are my brothers and sisters, and we are yoked together in time and into eternity.

Almighty God addresses us through his Word, "Live a life worthy of the calling to which you have been called." God says, "Remember those you are." We rarely forget who we are. We often forget those we are and the great price Christ paid to relink us to the Father. May our lives celebrate our blessedness by giving glory

and honor to our abundantly generous God.

We cannot earn God's forgiveness by our good deeds but that doesn't mean we are not to express our appreciation through our weekly worship, daily prayer, and efforts to line up our lives with God's will.

We will not succeed without a right spirit. A spirit of lowliness—don't consider yourself more highly than you ought—you and I whose sins crucified the Lord; meekness—the ability to endure injury with patience and without resentment; patience—being able to bear pain or suffering without complaint—steadfast in the faith despite opposition, difficulty, or adversity, refusing to give up; forgiving one another in love—letting the love of God in Christ invade

our hearts enabling us to forgive one another, to cleanse scar tissue of hurt from both our present and our past and to find peace through forgiveness.

Having surveyed the wondrous cross in a spirit of lowliness, meekness, patience and forgiveness, we are commended by God to be eager to maintain a spirit of unity and oneness in our family. We are one body and one spirit, we are one hope, one Lord, one faith, one Baptism, one God, one Father, who is above all and through all and in all.

God, who has called, gathered and enlightened us by his Spirit, grant us the security and blessedness of being sisters and brothers.

already done and would cause delay and additional cost," Colby stated. "Oyster Bay's six year, three million dollar effort would literally be discarded by the legislature. We'd be forced to go back to square one with another four years of requests for proposals, detailed and protracted

examination of those proposals, lengthy negotiations and a brand new State DEC permitting process, including the preparation of a new DEIS...not to mention an additional estimated 38-month construction period...and for what purpose? To put us in exactly the same position that we're in today? NONSENSE!

"We need our technical legislation. We need the New York State DEC to hold a public hearing and

give us the permits to construct a resource recovery facility at whatever location the New York State DEC says is best so that we can end landfilling before the 1990 landfill ban goes into effect," Colby said.

"Forcing this Town to ship garbage off Long Island only to bury it in another State's backyard is worse than arbitrary and capricious," Colby said. "The DEC has failed to use its common sense and instead

has opted to dump a whopping tax increase on each and every taxpayer resident of this Town. What they should be doing is pressuring anyone and everyone in the State legislature to let Oyster Bay's legislation pass so that they and we in Oyster Bay can prove that there is a viable alternative to landfilling. And it's not shipping!"

Town Clerk

EXTRACT OF MINUTES  
Meeting of the Town  
Board of the Town of  
Oyster Bay, in the  
County of Nassau, New  
York

October 23, 1984

A regular meeting of the Town Board of the Town of Oyster Bay, in the County of Nassau, New York was held at the Town Hall, Oyster Bay, in said Town, on October 23, 1984, at 10:00 A.M. (D.S.T.).

There were present: Honorable Joseph Colby, Supervisor, and Councilmen: Salvatore R. Mosca, Howard T. Hogan, Jr., Kenneth S. Diamond, Thomas L. Clark, Douglas J. Hynes and John Venditto. There were absent: No one.

Also present: Ann R. Ocker, Town Clerk

Councilman Mosca offered the following resolution and moved its adoption:

Resolution No. 895 - 1984 BOND RESOLUTION NO. 895 - 1984 OF THE TOWN OF OYSTER BAY, NEW YORK, ADOPTED OCTOBER 23, 1984, APPROPRIATING \$546,000 TO PAY THE TOWN'S SHARE OF THE COST OF THE IMPROVEMENT OF THE FACILITIES OF THE OYSTER BAY-HEMPSTEAD JOINT COMMUNITY HALL AND SWIMMING POOL DISTRICT, IN THE TOWNS OF HEMPSTEAD AND OYSTER BAY, CONSISTING OF THE RECONSTRUCTION OF ALL OF THE SWIMMING POOLS IN SAID DISTRICT AND AUTHORIZING THE ISSUANCE OF \$546,000 SERIAL BONDS OF THE TOWN TO FINANCE SAID APPROPRIATION.

## Recitals

WHEREAS, following submission of a petition of the Board of Commissioners of the Oyster Bay-Hempstead Joint Community Hall and Swimming Pool District (hereinafter in this resolution called the "District"), in the Towns of Oyster Bay and Hempstead, Nassau County, New York, and after a public hearing at

a joint meeting duly called and held, the Town Board of said Town of Oyster Bay and the Town Board of said Town of Hempstead, by joint vote on August 7, 1984, adopted a joint resolution and order (Resolution No. 766-1984 Town of Oyster Bay, Resolution No. 979-1984 Town of Hempstead); determining that it is in the public interest to improve and authorizing the improvement of the facilities of the District by the reconstruction of all the swimming pools in the District, at an estimated maximum cost of \$4,200,000, and to finance such cost by the issuance of bonds of each Town, the amounts thereof to be divided between the Towns so that the ratio between the allotted share of each Town and the total cost of reconstruction shall be the same as the ratio between the assessed valuation of its portion of the District and the assessed valuation of the whole District, all are set forth in the Notice of Joint Public Hearing prescribed by resolutions adopted by the Town Board of the said Town of Oyster Bay and by the Town Board of said Town of Hempstead, respectively, on June 26, 1984, and a certified copy of such Joint Resolution and Order was duly recorded in the office of the Clerk of the County of Nassau; and

WHEREAS, the Town Boards of the Towns of Oyster Bay and Hempstead, respectively, have heretofore on October 23, 1984, adopted resolutions determining that the requirements of the New York State Environmental Quality Review Act (hereinafter in this Resolution called "SEQRA") and 6 NYCRR Part 617, have been met, such reconstruction of swimming pools hereinabove referred to is classified as a Type II action pursuant to 6 NYCRR 617.13(d)(1) which Type II actions have been determined not to have a significant effect on the environment pursuant to law and that the SEQRA process has been satisfied and completed; and

WHEREAS, it is now necessary and desirable to provide for financing the proportionate share of said Town of Oyster Bay of such cost by the issuance of serial bonds in the principal amount of \$546,000; now, therefore, be it

RESOLVED BY THE TOWN BOARD OF THE TOWN OF OYSTER BAY, IN THE COUNTY OF NASSAU, NEW YORK (by the favorable vote of not less than two-thirds of all the members of said Board) AS FOLLOWS:

Section 1. The Town of Oyster Bay ("Town"), in the County of Nassau, New York, hereby appropriates the amount of \$546,000 to pay its share of the cost of the improvement of the facilities of the District, consisting of the reconstruction of all of the existing swimming pools in the District, all as hereinabove referred to in the Recitals of this resolution, and in accordance

with the study, plan, specifications and estimates of cost prepared by the Department of Park and Recreation of the Town of Hempstead, on file in the office of the Town Clerk and hereby approved. The estimated maximum cost of said class of objects or purposes, including preliminary costs and costs incidental thereto and the financing thereof, is \$4,200,000 and the plan of financing includes the issuance of serial bonds of (i) the Town of Hempstead in the principal amount of \$3,654,000 and (ii) Town of Oyster Bay in the principal amount of \$546,000, to finance their respective shares of such cost and the assessment, levy and collection of such respective shares by each of such Towns from the several lots and parcels of land within both such District and such Town in the same manner and at the same time as other ad valorem taxes.

Section 2. Serial bonds of the Town are hereby authorized to be issued in the principal amount of \$546,000 pursuant to the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (herein called "Law"), to finance said appropriation.

Section 3. The following additional matters are hereby determined and stated:

(a) The period of probable usefulness of the class of objects or purposes for which said \$546,000 serial bonds herein authorized are to be issued, within the limitations of § 11.00 a, 61 of the Law, is fifteen (15) years.

(b) Current funds are not required by the Law to be provided prior to the issuance of the bonds authorized by this resolution or any bond anticipation notes in anticipation of the sale of said bonds, pursuant to Section 107.00 d, 3(i) of the Law.

(c) The proposed maturity of the bonds authorized by this resolution will exceed five (5) years.

Section 4. Each of the serial bonds authorized pursuant to this resolution, and each bond anticipation note issued in anticipation of the sale of said bonds, shall contain the recital of validity prescribed by § 52.00 of the Law and said bonds and any bond anticipation notes issued in anticipation of the sale of said bonds, shall be general obligations of the Town, payable as to both principal and interest by a general tax upon all the taxable real property within the Town, without limitation of rate or amount. The faith and credit of the Town are hereby irrevocably pledged to the punctual payment of the principal of and interest on said bonds and notes and provision shall be made annually in the budget of the Town by appropriation for (a) the amortization and redemption of the bonds to mature in such year; and (b) the payment of interest to be due and payable in such year.

Section 5. Subject to the provisions of this resolution

and of the Law, and pursuant to the provisions of § 30.00 relative to the authorization of the issuance of bond anticipation notes and of \$50.00 and \$856.00 to 60.00 of the Law, the powers and duties of the Town Board relative to authorizing bond anticipation notes and prescribing the terms, form and contents and as to the sale and issuance of the bonds and of any notes issued in anticipation of the sale of said bonds, or the renewals thereof, are hereby delegated to the Supervisor, the chief fiscal officer of the Town.

Section 6. The validity of the bonds authorized pursuant to this resolution, and of any notes issued in anticipation of the sale of said bonds, may be contested only if:

(a) such obligations are authorized for an object or purpose for which the Town is not authorized to expend money, or

(b) the provisions of law which should be complied with at the date of publication of such resolution, are not substantially complied with, and an action, suit or proceeding contesting such validity, is commenced within twenty days after the date of publication, or

(c) such obligations are authorized in violation of the provisions of the constitution.

Section 7. # Town Board Adopts Amended 1985 Budget N.Y. State Forces Increase of \$20 Million To Ship Garbage

The Oyster Bay Town Board adopted an amended 1985 Budget which includes a \$20 million dollar increase in the General Town Tax to provide for increased costs incurred

by the State's actions in forcing Oyster Bay to ship refuse off Long Island.

Oyster Bay Town Supervisor Joseph Colby said that, "I am outraged that this administration's successful efforts to hold the line on property taxes to pennies while maintaining and improving Town services, should so willfully be swept out the window by the arbitrary and capricious decision of the Regional Office of the New York State Department of Environmental Conservation.

"To force each and every taxpayer in this Town to assume an additional tax burden to ship garbage off Long Island when there is a reasonable alternative available to the problem is beyond comprehension," Colby stated.

The proposed new budget line, identified as Sanitation Transfer and Transport Expense (S.T.A.T.E.) tax, will raise an estimated 20 million dollars a year in taxes which is the anticipated cost of transporting refuse and garbage out of the State. The increase represents an additional \$2,152 levy

on Class I properties to \$3.02 1/5th per \$100 of assessed valuation. The General Town rate for Class II properties increases \$2.34 2/5th for a total \$3.29 1/5th; Class III property taxes increases \$2.35 for a total of \$3.30 1/10th; and Class IV property increases by \$2.36 1/5th for a total of \$3.31 7/10th.

Colby reiterated his prior pledge that "if the Town is successful in obtaining a court decision which reverses the arbitrary and capricious decision of the Regional DEC Office, the funds that are collected under this new budget line will be placed in a separate account and will be refunded to taxpayers through the 1986 budget as a direct tax decrease."

Colby added that the Town Attorney has been directed to file a legal action seeking to overturn the Regional DEC decision and, in addition, to file a legal action compelling the DEC to release a letter in which a Senior Sanitary Landfill Engineer in the Albany office of the DEC recommended

approval of the Town's request to increase the height of the landfill by 20 feet. "By denying the Town access to this letter," Colby said, "the Regional DEC Office is in violation in 1977, of the State's Freedom of Information Law."

## Town Keeps DEC Fully Informed

Colby underscored the fact that since taking office he had directed the Town find an environmentally feasible alternative to land-filling. "The DEC officials in Albany and Stony Brook know that we have worked diligently with every DEC official and have made every effort to keep them all fully informed of our progress in developing a waste-to-energy facility for Oyster Bay."

"DEC officials know full well that Oyster Bay is ready to sign a contract to begin construction of a resource recovery facility that would permit Oyster Bay to be the first Town on Long Island to comply with the State directive to end landfilling in compliance with the 1990 Landfill Law which this Town supported," Colby said.

"DEC officials are also only too well aware of the source of opposition to the technical legislation that Oyster Bay needs to finance the facility. Although the Senate has passed it, that legislation has been bottled up in an Assembly committee for two years. If we had gotten that legislation when we first asked the State for help," Colby said, "this Town would be starting to build a waste-to-energy plant in early 1985."

Colby labelled a recent rumor that the Chairman of the Assembly's Environmental Committee would "assure" that Oyster Bay could have a different bill, similar to enabling legislation passed last spring for the Town of North Hempstead, as "another ploy to delay and penalize the taxpayers in the Town of Oyster Bay. That legislation would not permit Oyster Bay, which is ready to sign a contract and build a facility to proceed expeditiously," Colby said.

"Even in the unlikely event that such legislation were to be introduced and passed when the legislature reconvenes in late November, it would fail to recognize the work we have
