## New Image Drum & Bugle Corps Faces Challenges

By Bruce M. Beck

"SURVIVE IN '85!" is the slogan which emerged at a special meeting of community leaders from the municipality of Hicksville, the Town of Oyster Bay and the County of Nassau.

The meeting was held on December 8th; organized by the administration of the famous New Image Drum and Bugle Corps for the purpose of revealing the fact that the 26 year-old youth activity, which has become an international institution, is facing imminent demise unless it can be placed on a whole new support footing.

Director Don Grazioplene and Chief Instructor Carman Cluna both delivered impassioned orations on the proud history and tradition of the corps, referring repeatedly to the thousands of youngsters who have benefited from the extraordinary, excellence-oriented regimen of the organization.

In a room bedecked with more championship flags than has been earned by any other unit of its kind, they announced that the heretofore self-supporting troupe can no longer be sustained by its own efforts and must now also seek sources outside itself for help. The needs of the corps are many - it needs everything from uniforms to instrument to buses - but they boil down to three major areas of concern; outside financial assistance, increased membership and the use of a large indoor field house-type building for Sunday winter rehearsals.

Above the muted but beautiful sounds emanating from the horn rehearsal in another room of the St. Ignatius School (where the corps practices on Saturdays), Mr. Grazioplene told the attendees that, if this corps is allowed to pass from the scene, "...You will never see anything like this again. It will be gone forever."

The message was well received. Everyone earnestly agreed that the corps must be preserved. But how? What can be done?

It was agreed that the situation demands a two-pronged solution. One short ranged (immediate donations and support from the general public), and one long-ranged (the acquisition of sponsorships and services from Long Island establishments).

The key to both seems to be publicity. "You have a story to tell," said VFW Commander Anthony Chepak. "People have to hear it; they have to know you're here. This sentiment was shared by Grazioplene, who said "Surely, there are 200 kids in Nassau County who would respond to the challenge of membership in New Image and surely there are many individuals and companies who would help us financially if they were aware of our dire straits - But how do we get to them?"

Sheila-Noeth and Joe Normandy offered some useful suggestions along these lines, as did Rocco Lombardo and Domenic Valente of the Galileo Lodge of the Sons of Italy. Thomas R. Costa, founder and director of the corps

for its first 19 years, offered his services in representing New Image to prospective benefactors. Oyster Bay Town Councilman Thomas L. Clark suggested some useful ways to present the corps to prospective benefactors, including a cocktail party-type gathering at which the corps could actually perform. Town Supervisor Joseph Colby was invited but, sent his regrets that he could not attend due to a previous engagement.

Sheila Noeth then suggested the formation of some type of citizen's committee for the preservation and support of the corps. It was clear that everyone present understood the altruistic intent and special nature of the New Image Drum & Bugle Corps.

This understanding was surprisingly profound in Nassau County Youth Board Executive Director Ann M. Irvin, who had the least amount of previous exposure to the corps. She observed the proceedings intently and she absorbed the spirit of the organization easily and accurately. Her questions were incisive and her comments were directly in keeping with the philosophy of the corps. Miss Irvin was obviously taken with the operation of this exceptional organization and she took voluminous notes for future reference. Representing County Executive Francis T. Purcell - a long-time admirer of the corps - Miss Irvin said that she would do whatever she could to help the Corps survive in '85 and to prosper thereafter. While it is uncertain what can be done from her professional capacity with the County, we are all convinced that Ann Irvin is the newest personal fan of the New Image Drum Corps.

Mr. Grazioplene and Mr. Cluna seemed thoroughly satisfied with the response of the attendees, but they also indicated that they felt as if they were "preaching to the choir" at this meeting, because the County of Nassau, the Town of Oyster Bay, the VFW, the Sons of Italy, and most of the individual attendees were already supporters of New Image. "It's still up to the people to rally behind this thing if they genuinely feel its worth having," Grazioplene said afterwards. "But today we took an encouraging step towards a brighter future by having these terrific individuals resolve to investigate new avenues of support for the kids."

This reporter echoes those sentiments. The New Image Corps must survive. Please send any information on sponsorships and membership, or send your personal, tax-deductible, pledge of support to:

## Church Of Christ Christmas Programs

"Song of Bethlehem" is the title of the Christmas cantata that will be performed at the Church of Christ of Hicksville on Sunday, December 23. The congregation's seventeen voice adult choir, plus the children's choir, will present this Sonny Salsbury musical at 7:00 p.m. (A staffed nursery will be provided during the program for young children.)

Candlelight Christmas Eve Service. This service is a favorite of all who want to make the most of Christmas. The choir cantata and the candlelight service are open to the public. Both programs are free, and definitely worth attending!

The Church of Christ is located at 105 Broadway, between Marie St. and Nicholas St., in Hicksville. For more information call the church office at 935-3855.

On Monday, December 24, at 7:00 p.m., the church will conduct the annual

## Teachers Picket Board Of Ed Meeting

A large representation of the teaching staff picketed outside the Administration building. The Board meeting started at 8:30 P.M., with over 150 teachers and residents in attendance.

During the preliminary section of the agenda the Board received an award for excellence from the New York Telephone Co. Committee reports were given, and ways to increase membership on these committees were discussed.

The public session heard one teacher from each building briefly make a statement with the theme "Hicksville's Board does not care about it's teachers." H.C.T.'s President Robert Zaliski said "right now in the second year of the contract only \$120,000 separate us, longevity for teachers with 25-30-35 years is the stumbling block."

"Mr. Bill Bennett Pres. of the Board responded to each speaker, "we do care about teachers, we have accepted the fact-finders report."

Ms. Elayne Kabakoff Vice Pres. for the H.C.T. reminded the Board that in 7 years not one contract for any GROUP has been settled on time.

Then all of the Greeting cards sent to the teaching staff by the Board were dumped on the board table. Returned to the senders. Mr. Bennett refused the cards stating "once a gift is given it is never returned."

Jean Tobin, a resident, taxpayer, said "you pay for what you get. Meet round the clock, day and night. Our children are the ones who suffer."

A letter was presented to the Board with 420 signatures. The letter addressed FRIENDSHIP AND BROTHERHOOD. It referred to the singing of songs of different religions during this season as freedom or religion and our children learning about all celebrations. At this point most of the teaching staff left in a orderly manner.

During the action section, the Board of Education adopted four new and or revised policies. They deal with, New Board Members

Orientation, Board Members Development Opportunities, Qualifications and Duties of the Superintendent, and Public Complaints. The award of bids included athletic supplies, audio visual equipment, computers, and numerous supplies. The total award was \$84,056.64. The total for claims and warrants passed was \$11,564,690.41.

Also passed on during this section was the budgetary transfers from Oct. 1st to Nov. 30, 1984 in the amount of \$22,437.06. The Town of Oyster Bay Recreation Grant which continues the youth activities program, Summer Curriculum pro-

### Language Teachers' Conference

Hicksville Junior and Senior High School's Foreign Language Departments were well represented at the DC Heath-Long Island Language Teachers annual Foreign Language Leadership Conference at the Crest Hollow Country Club on December 4th.

Rose Pavesi, Caryn Greenberg, Joe McMahon, Steve Clonen and Lauretta Biasi represented the Junior High, and Libbie Kozma

and Annette and Richard Gentile represented the High School.

As President of the Long Island Language Teachers, Mr. Gentile made the opening remarks and introduced the guest speaker, Dr. Donald H. Bragaw, Bureau of Social Studies, The New York State Education Department. His address was entitled: "Global Education: A Shared Responsibility."

### Cordless Phone Caution

FDA has received about 100 complaints about people suffering impaired hearing or ringing ears as a result of cordless phones which have the ringing mechanism right in the earpiece next to the ear.

So FDA says purchase only those models available today with the ringing mechanism on the outside of

the earpiece — facing away from the ear.

However, if you already have a cordless phone which rings directly in the ear, you can minimize the danger if you make sure everyone in the family and visitors using the device know how to operate it safely so the bell doesn't ring against the ear.

## Express Mail Offers Hope For Last-Minute Shoppers, Mailers

You've waited until the last few days before Christmas and you want to be sure your present will arrive in time. What can you do?

Use the last-minute shoppers' mailers' solution. It's called Express Mail Next Day Service, and it's available at the local post office.

"With Express Mail service, customers can reach a large number of cities overnight," says Hicksville Postmaster Anthony M. Murello. "You can mail a package one day and have it reach the addressee by 3 p.m. the following day." Customers also have the option of having their Express Mail package available for claim at the destination post office by 10 a.m. the next business day.

Express Mail offers weekend and Christmas Day delivery to the addressee at no extra charge. From here, Postmaster Murello says

417 cities can be reached via the Express Mail Next Day Service network.

Items weighing up to 70 pounds can be sent by Express Mail. The service includes merchandise insurance coverage up to \$500 at no additional charge. Also, the sender can apply for a full refund of postage if a shipment is late.

A package weighing up to two pounds mailed from here costs \$9.35 for delivery to the addressee and \$5.85 for post office to post office service. A 10-pound package mailed to Los Angeles, California would cost \$20.55 for delivery to the addressee and \$17.05 for post office to post office service.

Contact the post office for information about cities that can be reached from here via Express Mail Service.

Library display by postal employee Bob Campbell in Hicksville Library reminds everyone to mail early this holiday season. On exhibit are some last minute gift suggestions for those special loved ones.

## A Gift For the Children

by Paul Berger,  
Special Features Editor

At this time of thanksgiving with the festival of Chanukah just hours away & Christmas almost upon us, a father thinks carefully of gifts for his children.

He would want to give them courage! Courage to face a changing world, and to stand up for what they believe in.

He would want to give them compassion. Compassion to "feel" for others and act with sincerity.

He would want to give them tenderness. Tender-

ness expressed by love, so that they might know love at an early age.

He would want to give them time. His time, quality time, so that man & boy, or man & girl, for a brief instant are one!

He would want to give them childhood, with all its glory, all its defeats, all its laughter and all its promise.

To each and every child I wish these gifts for you, along with health and all the joy that the new year can bring.

being studied. In addition to explaining his job, the ranger told the children that his horse, Happy, was donated to the Preserve by Happy Rockefeller, widow of the former Governor.

A nature trail guide took the youngsters on a tour of the Indian Burial Grounds, located on the highest part of the Preserve. He explained that lowlands are

too rainy to be used for this purpose. In the past, relics have been found at this site and the children were avidly searching for their own to take back to Fork Lane! Also discussed was the use of leaves and berries being used as food for self-preservation. With so many varied points of interest at our fingertips on Long Island, the children were thrilled to observe nature, first-hand.

# Dear Friends ...

## WHAT CHRISTMAS MEANS

The first 14 verses of the Gospel according to St. Luke's 2nd Chapter read:

And it came to pass in those days, that there went out a decree from Caesar Augustus, that all the world should be taxed.

(And this taxing was first made when Cyrenius was governor of Syria.)

And all went to be taxed, everyone into his own city.

And Joseph also went up from Galilee, out of the city of Nazareth, into Judaea, unto the city of David, which is called Bethlehem; (because he was of the house and lineage of David.)

To be taxed with Mary his espoused wife, being great with child.

And so it was, that, while they were there, the days were accomplished that she should be delivered.

And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn.

And there were in the same country shepherds abiding in the field, keeping watch over their flock by night.

And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid.

And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people.

For unto you is born this day in the city of David a Savior which is Christ the Lord.

And this shall be a sign unto you, Ye shall find the babe wrapped in swaddling clothes, lying in a manger.

And suddenly there was with the angel a multitude of the heavenly host praising God and saying,

Glory to God in the highest, and on earth peace, good will toward men.

And in closing this column, we extend best wishes to all for a holy and happy Christmas and conclude with the third verse of a favorite Christmas hymn...O Little Town Of Bethlehem

"How silently...how silently  
The wondrous gift is given!  
So God imparts to human hearts  
The blessings of His heaven.  
No ear may hear His coming;  
But in this world of sin,  
Where meek souls will receive Him still,  
The dear Christ enters in."

God bless you all.

SHEILA NOETH

P.S.

We think it would be wise to permit all our readers to enjoy their respective holidays, instead of attempting to bring them up to date on the constantly changing scene of multiple law suits regarding the TOB Resource Recovery Plant, the Old Bethpage Landfill and the legality of the increased tax necessary to ship our TOB garbage out of state until the plant can be erected. In fact, so many law suits are first filed... then postponed... then rewritten and refiled... then the hearing dates changed, that, to say it is confusing is the understatement of the year!

However, we will keep you informed of final decisions, as they are made. We will also do the same regarding the temporarily delayed Landia RR Station project, which, while out of the 1985 budget of the MTA, may not be regarded as defunct at any time.

In order to clear your thinking on what has been done by the Town of Oyster Bay up to date in its long, ongoing procedure of cleaning up the Syosset landfill by capping and venting as originally ordered by the State DEC, we will start the year with a series of articles on just what our Town has done so far, just how the State DEC has been handling its part in this clean-up, and what will be happening there in the near future. Of course, if you have been reading our articles "At The Town Board Meeting" you will realize that Town clean-up work has been going on at the Syosset landfill for a long time. But more on this landfill and its clean-up in January.

Season's Greetings

# Snow Control Plan

by TOB Supervisor Joseph Colby

There is something very special about the first snowfall of winter.

Looking upon one there is a peacefulness and serenity that is hard to find anywhere else.

But the snowfall hardly brings serenity to our Highway Division offices as hundreds of specially trained employees swing into gear.

As soon as the local weatherman forecasts a chance of snow the Town of Oyster Bay's Highway Division puts its carefully prepared snow-control plan into action. All highway personnel are put on alert

and when the first snowflakes begin sticking to the ground, sanding trucks are out keeping roads passable and averting any trouble spots. When the accumulation reaches more than three inches, trucks equipped with plows begin their work.

It goes without saying that public cooperation is the key to a successful snow-control plan. Residents who keep their vehicles off the street and out of the way of snow removal machinery are making the job easier and faster. More streets can be covered in less time when obstacles are removed.

Some of you may not be

able to keep your cars off the street so the Highway Division asks residents to park in front of even-numbered houses during 1984 and odd-numbered houses in 1985. This ensures that a plow will be able to clear lanes for traffic on each street.

Certain streets are designated "Snow Emergency Streets", because they are major access routes carrying a high volume of traffic. Streets along school bus routes, streets where kidney dialysis patients and technicians reside and commuter parking fields are high on the list, too.

If you have any questions,

a recorded message at the Highway Division will give an update about road conditions and the progress of the snow clearing operation—the number is 921-7347. This

message also instructs residents to call 911 in case of an emergency. Keeping tuned to local radio stations; WGBB, WHLI and WGSW will also help you to be informed about what's happening.

Snow may look peaceful while it's falling, but without your cooperation, clearing the roads is a hectic activity for the Highway Division.

# Eighth Precinct Police Report

By P. O. Kenneth Box

A Patchogue couple was robbed of their belongings at 11PM on Dec. 11, as they were about to enter their auto at the Holiday Inn parking field, Sunnyside Blvd., Plainview.

Admond and Carol Martin were confronted by two male blacks, both armed with handguns. They turned over \$700 and assorted jewelry.

The subjects fled the scene leaving the victims unharmed.

The second squad is investigating.

Steven, A Zindman, age 17, of Shelter Hill Road, Plainview, was arrested on Old Country Rd., Plainview, and charged with criminal mischief 2nd degree. Steven, a student at Plainview High School, did damage to side windows and windshields on 34 Postal Jeeps parked at the United States Post Office, Old

Jeffrey Shiansky, of 228 Haypath Rd., had allegedly been in possession of a diamond ring, stolen from a neighbors home at 226 Haypath Rd., on Dec. 11.

The ring, valued at \$400, was sold to a jeweler in the Tri-County Flea Market, Hempstead Tpke., Levittown, by Shiansky on Dec. 15.

The Eighth Squad's investigation of the stolen ring led to the recovery of the ring

and Shiansky's arrest.

He was arraigned in the First District Court, Mineola, on an E Felony charge.

At approximately 9:20PM, on Dec. 14, Pearl Zernitzky of 69-19 175th St., Flushing, was walking in the parking field of the Plainview Diner, Old Country Rd., Plainview, when she was pushed from behind and thrown to the ground by an unknown suspect, who ran off with her pocketbook.

Pearl, in the fall, suffered a fractured leg and was taken to Central General Hospital, Plainview, where she was admitted.

The pocketbook contained \$6.00 and assorted credit cards. There was no further description of the suspect.

On Dec. 11, a house on Haypath Rd., Old Bethpage, was broken into

through a side window. A black mink coat and assorted jewelry was reported stolen.

A typewriter and currency was stolen from Island Chiropractic at 131 Old Country Rd., Hicksville, between Dec. 11 and 12. Entry was made through a side window.

John Grace Inc., of #4 Washington Pkwy., Hicksville, was entered through a broken side door on Dec. 12. \$2,500 in cash was reported stolen.

A camera, and assorted jewelry was reported stolen on Dec. 13 when a house on Woodcrest Rd., Hicksville, was entered through a broken rear window.

\$50 cash was taken from Norm & Sons Inc., 39 Bloomingdale Rd., Hicksville, on Dec. 13. Entry was made through a broken rear window.

# Yule At Old Bethpage Village

Old Bethpage Village Restoration will greet the yuletide season with a variety of pre-holiday preparations and activities on Saturday and Sunday, December 15 and 16, from 10 A.M. to 4 P.M.

Nassau Recreation and Parks Commissioner Abram C. Williams said visitors can attend an old-fashioned Holiday Fair in

the Noon Inn ballroom, where small handcrafted gift items and confections can be purchased to aid worthy community causes, a common custom in the 1850's. A grab bag will be available for children, as well as a special prize cake for interested adults.

At the Williams House, a donation party will be recreated. These were par-

ties held by church members to supplement their ministers' salaries at Christmas time. Baked goods were served at a parishioner's home, where the parson attended as guest of honor. Those who stopped by to pay their respects and sample some of the delectables, left donations of money or goods like firewood for the preacher's benefit.

Old Bethpage Village Restoration, operated by Museum Division of the Nassau County Department of Recreation and Parks, is located on Round Swamp Road, Old Bethpage, south of Long Island Expressway, exit 48. Hours are from 10 A.M. to 4 P.M. A cafeteria and gift shop are located in the Reception Center.

## Hicksville Fire Dept. Yuletide Safety Tips

Fire losses during the holiday season are especially heart-rending. Most of the holiday fires are preventable.

### LIGHTS

Use only lights that have been tested for safety. They should carry a U.L. or F.M. label.

Before use, check for frayed wire, broken sockets. Discard any unsafe equipment.

Check labels of lights to be used outside, not all lights are suitable for outside use. Fasten them securely for firm support to protect against wind damage.

Use no more than three sets of lights on a single electrical circuit. Requirements may vary - read the labels. Don't overload extension cords.

Never leave lights on when you retire or leave your home. A short circuit can cause a fire.

Don't use lights on a metallic tree. Damaged insulation could energize the entire tree. Use colored flood lights above or beside metallic tree. Protect the flood light from combustibles.

### PAPER

Dispose of wrappings immediately after opening. Don't burn in the fire place, they may ignite suddenly and cause a flash fire.

### TREES

Artificial trees should have a U.L. or F.M. (Factory Mutual) label. Some unlabeled plastic trees burn with extreme vigor.

Don't rely on chemical sprays to make live trees fire resistant.

Buy a fresh tree only - a fresh tree is deep green in color, and has a strong scent of pine.

Make a fresh cut in the tree trunk to help absorb water. Trees will use up 2 quarts of water a day. Use tree stands with water reservoir.

Keep your tree away from all paths of exit, and away from stairways. Keep tree away from fireplaces, radiator and other heat sources.

### TRIMMINGS

If youngsters are a part of your family avoid any decorations that tend to break easily or have sharp edges.

Keep tree trimmings that are small, or have removable parts, out of reach of small children. These pieces may be swallowed.

Don't purchase ornaments that resemble candy or foods. A child may try to eat them.

### PARTY CLEAN UP

Don't empty ash trays in trash containers following a party. Let ash trays sit in one place overnight. Empty the following day or douse all ash trays in water before you empty.

Keep holiday trash away from your home. Store in metal containers a safe distance from any building in case of flare-up.

Before you retire make a check of seat cushions for possible smoldering cigars or cigarettes. The leading cause of holiday fires have been traced to fire smoldering in chairs and couches.

Following these simple rules will greatly reduce tragic residential fires and loss of life.

# Galileo Lodge News

By Joe Lorenza

**PRESIDENT PETE MASSIELLO'S MESSAGE:** A Merry Christmas and a very Happy New Year to all the members, male and female, and to our friends and patrons.

It was Sunday, the 16th of December. This was the day when the Galileo Lodge would present its two Christmas parties, one for the handicapped children and young adults in the

morning, the other one for the children of our membership in the afternoon. As I entered the Galileo Lodge in the morning, I found myself revolving in a wonderland of Christmas joy and happiness. Over 100 handicapped people were dancing, singing Christmas carols, relishing the delicious food and filling their warm hearts and minds with the spirit of the Yuletide season.

Immediately I began to see the beauty of the human spirit and the potential of the man Himself as He was proving that it is better to give than to receive. And I saw this spirit further elevated to the point where beauty and joy of the holiday season were firmly etched not only on the faces of these delightful handicapped people but also on the faces of their guardians and parents. And then I saw ecstasy that engulfed everyone as they anticipated the appearance of Santa Claus and his bag of toys. Every child up to ten years old received a gift from dear old Santa. The afternoon party was just as warm and emotional.

The entertainment for the parties was supplied by Richard Lagnese and his delightful organ music, and he was assisted by the other members of his trio, Joe Ianotti on the drums and Otto Pulse on the trumpet. Richie's two sons also entertained. This was a tremendous asset to the proceedings. The Peggy O'Connor Dance Ensemble danced and sang, and the Crivelli sisters also

gave their version of the Andrew Sisters. Joe and Alice also performed delightfully for the guests. Carl Melluso embellished the proceedings with his portrayal of the Clown and Ray Moffitt added an air of excitement with his role as Santa Claus. Skip Monteforte kept up the pace and spirits as the Master of Ceremonies.

It takes people to make these parties socially successful. It takes hard work and the extension of personal love, warmth, kind-

ness and deep feelings, and all these were provided by the members of the Galileo Lodge and the Ladies Auxiliary. Starting with the General Chairman, Pete Massiello, who is our President, to the Asst. General Chairman, Joe Giordano, who was in charge of the welcome mat and introductions, to the co-Chairman Skip Monteforte, who was Master of Ceremonies, to Armand Del Cioppo, who was the coordinator, and Jim Posillico, who was in charge of the kitchen force.

And, of course, the efforts of Mary Monteforte, President of Ladies Auxiliary, who was very conspicuous for the tasks she performed in conjunction with the other efforts of practically all the members of the Ladies Auxiliary. The Ladies Auxiliary also donated cakes, cookies and other items that added immeasurably to the heart-warming atmosphere that completely engulfed the Galileo Lodge. Many other members diligently offered their time and efforts, and it

## Christmas At Holy Family School

With the sights and sound of the "tinsel" Christmas ever present and surrounding us these days, Holy Family School musically reminded its students and their parents of the true spiritual meaning of Christmas on December 12th when it hosted its First Annual Evening Christmas Festival.

Over 100 children participated in the program, which was organized by Sr. Pat Saunders. The children in the choir (under the direction of Mrs. Carol Mealon) were dressed in white angel gowns and sang Christmas hymns as the Nativity scene unfolded on stage — with Mary and Joseph's arrival in Bethlehem, the birth of Jesus, the coming of the Shepherds and then the Magi, and concluding with children from the nations of the world coming to see the Christ child.

Throughout the evening the Holy Family School Band (under the direction of Mr. Alec Massaro) accom-

panied the choir. As the finale of the evening the audience joined in singing Christmas carols.

Holy Family's principal, Sr. Eileen McMahon (left side of stage), looks on as Sr. Pat Saunders (in right foreground) is presented with a

bouquet of flowers by the students in appreciation of her efforts in putting together the Christmas Festival.

## Golden Anniversary

Four generations of family joined with friends to celebrate the Golden Wedding anniversary of Rose and Louise Millevolte.

It was fifty years ago that the two were married in the new St. Martin of Tours Church in Bethpage. It brought together the families of Rose Mazzara of

Bethpage and Louis Millevolte of Hicksville.

At that time Bethpage was still known as Central Park. The children of the couple traveled en masse from Wisconsin for the party in the Bethpage American Legion Hall.

Mr. Millevolte is a retired teacher, coach, athletic

director and administrator in the Hicksville school system.

He is a member of one of the most illustrious sporting families in Nassau County history.

Joe and Buddy Mazzara, of Bethpage, organized the happy party.

## News From Commuter Lodge 833 Knights Of Pythias

By Elliott Silverman

As 1984 is coming to its end, we can all be thankful for all the wonderful days we had as well as those in store for the future. I know we all had our share of grief, but as long as we are here on earth let's be thankful for that. I'd like to pass on an old article I look upon every now and then with the hope it will give all my readers a lift. It goes like this:

The other day an airline office reported "I cannot promise anything now for that flight, the ceiling is closing in. I will call you, it may clear up soon!"

I thought about that statement and it occurred to me — that the ceiling often closes in on people even when they are not considering an airplane flight. It is not always even a ceiling of grief or real trouble, but is often made up of various discouragements and disappointments, fears, of worries and tensions and strains of complexity, of boredom and fatigue, of lack of love or lack of loving (I don't know which is worse), of daily routine, of no time alone in peace and quiet.

The ceiling then closes down as tight as a drum. It almost smothers us and we cannot sense the stars or the moon or the sunlight... much less — see them!

This is the time to remember that word from airport — "It may clear up soon." So long as we remain conscious of the fact that our individual flight is not the only one which is clouded or befogged for the moment — so long as we hold

the air minded hope that things will clear up soon." They Will. Sooner or later, the breeze of enthusiasm and hope will blow the clouds away. Nothing ever remains the same, not the weather or our moods, our energy or our despair.

It is comforting to know that the problems and pressures we have are universal, that we are not alone. No matter what your problems are, someone has a worse one. You are better off always when compared to many others. By this, I do not mean to indicate that we should sit on our backsides with a smile on our face and fail to do what we can. We can be preparing for clear weather. We can oil up our engines and see that they do not rust because of our temporary depression. We can get our papers in order. After, that we can wait with assurance that the ceiling will lift sooner or later. Everyone goes through hard times and it seems that these often gang up on us — not one rainy day but many rainy days in succession. Do you know what that is? It is life hap-

pening to you, just as it happens to every human soul. You are no different. Be thankful that you are alive and can feel life's impact. Keep your chin up and wait for the ceiling to lift. IT ALWAYS DOES.

In the meantime, let me wish of of you the nicest things, not only during this holiday season but all year through! Looking forward to seeing all your children at commuter lodges childrens holiday party on the Dec. 22, 11:30 AM. At the Plainview Library. As for the rest of our members, make sure you attend our Jan. 7th meeting to view our Pythian Entertainment for a fourth rank. What a way to start off the new year!

With Love to Everyone,  
Elliott

## The Homeless And Hungry Are A Reality In Hicksville

Plans for the hopeful establishment of a Hicksville I.N.N. (Interfaith Nutrition Network) are proceeding. The committee is seeking a location suitable for a local Soup Kitchen, which would hopefully provide at least one good meal a day to those less fortunate than most of us.

In this Christmas and Holiday Season, we are so inclined to go about our "busy" nesses — that we sometimes fail to see the plight of hungry people, who are INDEED, right here amongst us.

One has but to spend some time at the Chapel of the Open Door at Redeemer Lutheran Church in Hicksville, to confront people who seek help from the Rev. Theodore S. Grant, its Pastor. His church provides a

fund in their budget to handle just such emergencies. Hungry people right here in Hicksville are very real and could be helped in a more organized way by the establishment of the system of a Soup Kitchen.

Much is needed in the way

of volunteer help and financial donations. For further information contact: The Rev. Grant at 516-938/8693, or Ellie Krogmann at 367-4835; or donations may be directed to Hicksville I.N.N. at 17 New South Road in Hicksville.

# At The Town Board Meeting

by Geraldine Geannikis

The Town of Oyster Bay held a regular Board meeting on Dec. 18. Many residents came to oppose the petition of Wulken Assoc. for a change of zone from Res. D to Bus. F, on property located on Sunnyside Blvd., Plainview. Wulken Assoc. would like to raze a strip of land which now has three houses on it, in order to build a two story office building with light retail use. The residents opposed this proposal because of the excess traffic that this would generate. There would also be no buffer to the existing houses which border this property. A decision was reserved when the developer agreed to further meet with the residents in order to come to a reasonable compromise.

At another hearing, decision was tabled, concerning property on Ira Rd. and Convent Rd., Syosset. Concerned parties questioned the need for the town to take 15 feet of property for the use of storm water drainage purposes. The concerned party was asked to meet with the Building Dept. for further discussion.

Resolution #1125 authorized the consultant to proceed with the design phase of improvements to be made to drainage systems at Wellsley and Vassar Lanes, and Adelphi Rd., Hicksville.

Resolution #1127 authorized the consultant to proceed with the design phase of drainage improvements to be made at Linden Court, Hicksville.

Resolution #1129 authorized the consultant to proceed with the bidding phase of construction of highway improvements for drainage at Meyers and Roy Aves., Hicksville.

Resolution #1138 related to the bidding phase for the restoration of the Gregory Museum's heating and air conditioning systems and the plumbing and electrical systems.

Resolution #1139 related to the findings of the Town Environmental Quality Review Commission on the petition of John DeMacono, Henry Praus, Grand Prix Performance, Ltd., and Joseph Fritzell, for a special use permit at 500 South Broadway, Hicksville. The Commission resolved that ingress and egress should be limited to Broadway and not involve Farm Lane.

Resolution #1140 related to the findings of the Town Environmental Quality Review Commission's findings on a petition of Jesco Co., for a change of zone and special use permit on W. John St., Hicksville, in order to add on 611 square feet to the existing building and curb cuts.

Resolution #1156 awarded Paddock Construction the contract for the rehabilitation and improvements of the pool complex at Plainview-Old Bethpage Community Park.

Resolution #1165 related to the Town Environmental Quality Review Commission's findings for a petition of Steven Wolf, Albert Weisinger, Ski Shop, Inc. and Lisa Industries, Inc. for a special use permit at 197 S. Service Rd., Plainview for increased retail sales. A hearing date will be set on this issue.

Resolution #1177 authorized the consultant to proceed with the design phase of the construction of storm drains on Winthrop Dr., Woodbury.

Resolution #1178 approved the awarding of contract to PRATT, Inc. of Holtsville for the construction phase of storm water recharge basin on Winding Rd., Old Bethpage.

Resolution #1180 approved the modification of construction of storm drains on South Woods Rd., Syosset due to problems incurred under the road bed. The drains must be redesigned.

Resolution #1192 approved the contract changes made on the capping and closure of the Old Bethpage Solid Waste Disposal Complex. Contract changes were necessary because of the delay incurred when the DEC changed its specifications.

Resolution #1193 approved the award of portions of renovations to the Gregory Museum, Hicksville.

Resolution #1193 authorized the go ahead with the renovations to be made on the Gregory Museum, Hicksville.

Resolution #1198 approved the go ahead of the improvements to be made at the Plainview-Old Bethpage Pool Complex.

Resolution #1207 denied the petition of Myron and Donna Goldstein for a change of zone in Plainview. The house on Hope Drive was to be used for a physical therapy center.

Resolution #1210 approved the increase in engineering fees for improvements to be made at town owned ice rinks.

Resolution #1114 directed the town clerk to advertise a hearing on Jan. 22, on a petition of Green Hill Holding Corp., & Melvin Decker for a change of zone in Woodbury. The zoning would be changed from B-1 Res. to E-2 General Res. The property once known as Green Hill Day Camp would be developed with 6.2 units per acre.

Resolution #1118 accepted the Environmental Quality Review Commission's findings on a petition of L.25 East Bethpage Assoc. for a special use permit at Plainview. The area to be used for offices.

Resolution #1124 authorized the consultant to proceed with the design phase of construction of storm drains and road construction at Cornell and Harvard Drives in Plainview.

Resolution #1181 approved the modification of construction of storm drains on Piquets Lane, Syosset, due to the problems incurred under the road bed. The drains must be redesigned.

Resolution #1142 related to the Town Environmental Quality Review Commission's findings on a Petition of Colonial Auto Body, Inc. at 2 Burns Ave., Hicksville for a special use permit to continue auto body operations in a H Ind. zone.

Resolution #1109 approved a grant of \$18,000 to Hicksville Youth Council to continue to make family counselling available. This grant comes from Community Development Funds.

Resolution #1115 directed the town clerk to advertise the town clerk to advertise a hearing on Jan. 22, on a petition of Pay-O-Matic Corp., Syosset, for a special use permit to use and maintain in an Ind. H district, general offices and accounting offices, including storage areas for computers and archives at 160 Oak Drive, Syosset.

Resolution #1110 approved a grant of \$16,251 for the Syosset Senior Day Care Center, for the elderly and frail. This grant comes from Community Development Funds.

The next scheduled meeting of the Town Board is Jan. 8, 1985.

## GRIEF THERAPY

Sometimes we know certain things without being able to explain them eloquently. Funeral directors have known from experience over the years that an open casket was a custom that made good sense. Yet not many funeral directors could explain the benefits to the survivors.

In recent years, the whole subject of death, grief and mourning has come under a great deal of study. Clergymen, psychologists, and others are specializing in this unique field. For the most part, they believe that the open casket visitation is an important part of "grief therapy," of making the death seem real.

Case studies indicate that survivors who never confront the physical reality of death may suffer from unresolved grief for a long period of time. Likewise, for those who watched a loved one suffer some terrible, wasting illness, seeing the restored body of that loved one can be a comforting memory picture.

## L.I.L.A.C. (L.I. League To Abolish Cancer)

By Walter Luberoff

What is LILAC? Who is LILAC?

When I first heard about them I thought it was an alter shave lotion. I attended a meeting several weeks ago and found a group of women who are working together all year long to raise money for cancer research.

They are all unpaid volunteers and ninety cents of every dollar they raise goes to cancer research. They sell Cook books in department stores, hold fashion shows, have carnivals in schools where the students themselves raise funds. John F. Kennedy High School in Plainview, raised over eleven hundred dollars. The Knights of Pythias Lodge

raised sixteen hundred dollars with a fashion show.

The LILAC group donated twenty-seven thousand dollars to Sloan Kettering Hospital and other research programs last year alone. Unlike many other groups there are no paid workers. I lost several members of my family recently to cancer including my own wife in April 1984. I felt these women were contributing their time and money to a good cause and decided to join them and become the first male member. They need all the help they can get. They welcome new members.

## Hicksville Library News

The Hicksville Public Library will be CLOSED on the following days:

Sunday, December 23  
Monday, December 24  
Tuesday, December 25

On Monday, December 31st, the library will be OPEN from 10:00am-12:30pm. It will be closed for the rest of the day.

On Tuesday, January 1st, the library will be CLOSED all day.

The staff and Board members of the Hicksville Public Library extend holiday greetings to all our patrons.

## Road Runners Calendar Highlights of Jan.

January's cold weather shouldn't put a damper on local runners, as the Plainview-Old Bethpage Road Runners Club will be joining forces with the Massapequa Road Runners for a "Winter Fun Run" on Sunday morning, January 13, 1985.

Everyone is invited to show up at the Woodbury Mall (intersection of South Woods Road and Jericho Turnpike in Woodbury) at 7:45 on the morning of the 13th. At 8:00 AM, the runners will start on their choice of premeasured and marked 3.1, 5.8 and 9.0 mile courses. When they get back to the Mall they will find bagels, hot chocolate and all the trimmings waiting for them at Woodbury Super Star Sneakers and Sports. There is no charge to participate. Call Sam Zinn at 938-3549 for more information.

The Tuesday, January 15 meeting of POBRR will feature the first local showing of two running films: "Survival Run" and "Born to Run." Club Officers for 1985 will also be elected at the meeting, which will be held at the Plainview-Old Bethpage Public Library, 999 Old Country Road in Plainview, starting promptly at 8:00 PM. The general public is most welcome to attend.

The January 19 "Snowflake Four Mile Run" is the first road race on the Long Island calendar for 1985. Sponsored by Finish Line Promotions, this Run will be held on the Boardwalk in Long Beach, starting at 11:00 AM on the morning of the 19th. Entry blanks for this and other 1985 Long Island races can be picked up at the January 15 POBRR meeting, or call Club President Mike Polansky at 433-0919.

The Hicksville Public Library is proud to have an exhibit of paintings by two local artists during the month of January.

Henry (Hank) Dircks will display his watercolors and David Dircks will exhibit his oils and acrylics.

Henry Dircks has been a resident of Hicksville for the past 25 years. He started painting watercolors in 1979, reawakening an artistic talent put aside years before to pursue a career in electronics and computer science. He works for Grumman and has won several watercolor and graphic awards in their annual show. Hank has studied with A.W.S. artists Edgar Whitney,

Frank Webb and Cecile Johnson, and locally with Liz Horning and Jane Reckner.

David Dircks is in his Senior year at The school of Visual Arts, studying Illustration. He has studied privately with portrait artist, John Foote. David has won various awards in school competitions and Juried Art Exhibits, most recently, the Ralley Motors Competition. This work will be on exhibit in February in midtown Manhattan. David Dircks wishes to pursue a career as a freelance illustrator. These paintings will be shown in the Community Room of the Hicksville Public Library during the month of

January and may be seen from 10:00 a.m. to 6:00 p.m. daily, 10:00 a.m. - 5:00 p.m. on Saturday and 1:00 p.m. - 5:00 p.m. on Sundays.

information under the guidance of a panel of volunteer attorneys. There is no charge for their service. FOCUS has offices in Queens, Nassau and Suffolk counties.

For further information, call Frank Mattera at (516) 433-6633.

## Santa Visits Woodland

On December 18, Santa came to visit Woodland Ave. School. The children were so excited when they saw him walking in with his sack of toys.

Each child which consists from pre-kindergartners to 3rd grade received a beautiful coloring book with a candy cane attached to it.

They all filled their bellies with juice, cookies and ice cream. Everyone sang holiday songs, played games, and even told some jokes.

When Santa left he wished for everyone to have a Happy Holiday and a healthy Happy New Year. See you next year Santa.

Special thanks to the Childrens Committee and those on the PTA who helped.

**LOCAL ROAD RUNNERS AT HOLIDAY CELEBRATION:** Local runners celebrated the holiday with a gala festival sponsored by the Long Island Road Runners Club at Copperfields in Garden City Park on December 16. Nearly 200 runners and their guests ate, drank and danced the night away. Among the happy celebrants were (L to R standing) Sam Zinn, Mike Polansky, John Grever, and (seated) Nancy Grever.

## Sting Operation In Hicksville-Levittown

On Dec. 11th Nassau County District Attorney Denis Dillon and Police Commissioner Samuel J. Rozzi announced a series of arrests resulting from a "sting" operation in the Hicksville-Levittown area. The undercover operation, which lasted 7 months, concentrated on burglaries and the fencing of stolen property in the area.

According to Dillon and Rozzi, the investigation commenced when two undercover members of the Burglary Squad, Detective Robert Steinmann and Police Officer Kevin McPadden established themselves as buyers of

second hand merchandise. Officer McPadden rented and lived in an apartment in Hicksville, which was equipped with video and audio equipment to record transactions. The officer also obtained a job in a game room in a shopping center in the area.

As a result of his contacts with teenagers and young adults, more than \$25,000 in stolen merchandise was recovered. In several instances the undercover officer made the purchase of the stolen goods before the burglary was reported. Detective Steinmann posed as Officer McPadden's rich uncle who supplied him with the

money to buy the stolen goods. Some of the property recovered in the undercover operation included assorted jewelry, VCR's, cameras, computers, guns, credit cards, office equipment and a snowblower.

Many of the items purchased during the "sting" were not only taken in residential burglaries, but burglaries at local schools and government buildings. During the "sting" operation the apartment of the undercover officer was also broken into.

The investigation was led by Detective Lt. William Guttersloh Commanding Officer of the Burglary Squad and Assistant District Attorney Harvey Mel-

niker, Chief of the DA's Burglary and Narcotic unit and ADA James DiPietro.

Most of those charged are accused of a felony. A third of the defendants are juveniles, under the age of 16, and must be prosecuted in the Family Court. The remaining defendants will be prosecuted by the Nassau DA's Office of the County Court.

Both Dillon and Rozzi said they would continue the "sting" operations in Nassau County in an effort to bring down the rate of burglaries. Other similar operations have proven successful, with a high rate of conviction and appropriate sentences.

## A Gentle Man Passed This Way

By Jim Cummings

Hicksville... Last Sunday morning I received a phone call from the Bronx to advise that Peter Petralia, a dear friend of this writer and of the Hicksville community had passed onto his eternal reward. Peter was the former genial host and co-owner of the Old Country Manor on Old Country Road in our community, a meeting place for most community, business and fraternal organizations in those days some 20 years ago.

For most of the time that Peter was at the Old Country Manor, it was my privilege to help introduce him and the Hicksville community to each other. In those days, I was Public Relations Director for the Mid Island Shopping Plaza and a weekly columnist in the Herald. The Manor became the center of socializing for the Hicksville Chamber of Commerce, Grumman's, Long Island Lighting, the Joseph Barry Council, #2520, Knights of Columbus, the "Green Berets of the Ancient Order of Hibernians of Hicksville, the grandmothers club, bingo, - the list is endless.

He was a member of the Knights of Columbus, Hicksville Kiwanis Club, Hicksville Chamber of Commerce, the Hicksville B.P.O.E. Elks Lodge, the Sons of Italy, and then some. When the new edifice of the Knights of Columbus opened in 1962, he catered the entire day, and even provided them with the cash register recalls past grand knight Vincent Hilly, - He gave so much of himself to so many - how true!

If you were a Kiwanian in those days, (or a guest) as I was the day he invited his boyhood friend Tony Bennett to help with Kids Day for the club. The entire Milleridge Inn luncheon crowd were spellbound as they heard Tony's voice singing, "I Left My Heart In San Francisco," as Jim Murphy, host at the Milleridge Inn shared the happy occasion. The children and Sisters at Wading River's Little Flower Home were enriched by his generosity and those who were involved then know what he did, including Mark Madden and Bill Staruk, prominent businessmen and Rotarians.

This remembrance of this gentle man at Christmastide is one way of letting his many friends in the mid-island area, and in the political world know that we were all a little richer for having known him.

All were shocked to hear of his sudden passing at the age of 63.

Yes, Peter was my friend for some 25 years, and also godfather to my son, Kevin, now twenty-two. And he still played better piano than this writer of the 40's era. He will be sincerely missed. There is an old saying, Old piano players never die, they simply fade away and so the melody lingers on Peter, rest in peace!

## To Honor Mr. & Mrs. Marvin Goldman

The young Israel of Plainview is pleased to announce that the guests of honor at this year's annual testimonial dinner are Mr. & Mrs. Marvin Goldman.

Both Marvin, and his wife Marilynn, have long been active in the Plainview community. Marvin, a partner in the New York City law firm of Reid and Priest, has served for many years on the Board of Directors of the Hebrew Academy of Nassau County. He has also been a past officer of the young Israel of Plainview and he continues to serve on it's Board of Directors.

Marilynn, has long been active on the board of The Hebrew Academy of Nassau

County P.T.A. through various offices she has held in addition to that of P.T.A. President.

Marilyn and Marvin are the parents of three wonderful children; Danny, Sharon and Haviva Danny, a H.A.N.C. graduate, is now a freshman at Yeshiva University. He is presently studying at Beth Midresh Le Torah (B.M.T.) in Israel. Sharon is a senior in H.A.N.C.'s High School and Haviva is attending H.A.N.C.'s Junior High School.

The dinner honoring the Goldmans will be held on January 12, 1985 at the East Nassau Hebrew Congregation in Syosset.

## Literacy Volunteers Qualify

The following Hicksville and Plainview residents completed the twenty-one hour tutor training workshop, conducted by literacy volunteers, enabling them to become certified tutors:

Norma Aschner, William Manthey, Binnie Weinstein of Hicksville and Edwin Stritzl of Plainview.

All certified tutors were assigned one student each, for tutoring will be conducted on a one-to-one basis, a concept integral to literacy volunteers. In this manner illiterate adults or people for whom english is a second language can gain the necessary skills through positive reinforcement and lessons geared to their individualized goals.

Literacy volunteers has been a viable organization in the county for over fifteen years. Inquiries for volunteer applications should be directed to Julia Berkowitz, Assistant Director, at the office: 115 Nichols Court, Hempstead, New York 11550, 516-486-2789.

## OBITUARIES

Selma Richman, of Plainview, died on Dec. 13. She was the loving wife of Gerald. She was the beloved mother of Charles, Martin and Carolyn and Guy. She was the devoted grandmother of Roni-Leigh. Services were held at Gutterman's of Woodbury. Interment took place at Cedar Park Cemetery.

# Call Up A Friend

Long Islanders planning to get in touch with friends and relatives by phone over the Christmas holidays can schedule their calls to take advantage of New York Telephone's discounted rates.

"Just as you do with other holiday gifts, if you take time for advance planning, you get the most value for your money," says New York Telephone Network manager Ted Koziarz.

From 11 p.m. Christmas Eve through 8 a.m. Christmas morning, a 60 percent discount is in effect for all direct-dialed calls. On Christmas Day, a 35 percent

discount applies on calls made between 8 a.m. to 11 p.m. The 60 percent discount resumes at 11 p.m. on Christmas night.

"Because Christmas is a busy calling day, planning the time of your calls also cuts down on your chances of getting a busy circuit," Koziarz says. He explains that while many business days have heavier calling volumes, Christmas calling patterns make unique demands on specific locations — such as Florida and California — and lines to those areas can get overloaded. He advises callers

who encounter a busy circuit to wait a few minutes and then try again.

Koziarz says the best time to place Christmas Day calls is between 1 p.m. and 7 p.m. since "you should get an open circuit — and you'll probably find people home for Christmas dinner." Times to avoid are 8 a.m. to 1 p.m. and from 7 p.m. to 11 p.m.

New York Telephone will have 822 operators on the job December 25 to handle an expected 500,000 requests for phone numbers throughout the state.

## To Head Coldwell Banker L.I. Residential

Stephen Sutherland, senior vice president and regional sales manager of Coldwell Banker Residential Southern California, has been named senior vice president, operating officer, of Coldwell Banker Long Island.

Sutherland will be in charge of Coldwell Banker's 11 Long Island offices which service Nassau and Suffolk counties.

Sutherland's promotion is part of Coldwell Banker's Northeast rapid expansion plans, which include the growth of 35 offices in the Long Island area during the next 3 years.

Sutherland joined Coldwell Banker Residential Real Estate in 1975 as a sales agent, and was quickly promoted to branch sales manager of two of the Southern California company's offices.

Prior to his promotion, Sutherland, who was named

Stephen Sutherland

senior vice president and regional sales manager in 1983, managed a region including nine of Coldwell Banker's top producing offices in the southern beach areas of Orange County, California.

## Plainview Republican Club Elects New President

Lucille Stella

The Plainview Republican Club's general membership elected Lucille Stella club president at its general membership meeting on Wednesday, December 12th. The entire slate of officers for 1985 are:

President	- Lucille Stella
First Vice President	- Ronald DiMonda
Second Vice President	- Marc Herbst
Third Vice President	- Jean Serrapica
Treasurer	- Cathleen Deutsch
Recording Secretary	- Grace Thompson
Corresponding Secretary	- Ceilia Eckert
Membership Chairman	- Joseph Branca

### Board of Directors

Jackie Ciraulo	- Cathleen Hammerschlag
Marie Denig	- Nicholas Rubertone
Elisa Garcia	- Romeo Serrapica

Susan Simone

Lucille Stella, a Plainview resident for twelve years, has actively supported the Plainview Republican Club. She has held the offices of Recording Secretary, First, Second, and Third Vice President. Lucille is also noted for her popular "Sunshine" column in the club's newsletter. Her devotion to the club has earned her the honor of being elected as the second woman ever to hold the club's office of president.

President Stella's dedication to the Republican Party extends beyond the local club. Lucille belongs to the Nassau County Federation of Republican election district in Plainview.

Lucille has been involved with many other organizations and charitable causes. Among the many groups, Lucille has been an ardent supporter of the P.T.A. in her former community of Franklin Square and the American Committee on Italian Migration. She is known for donating her fine Italian cooking to all functions.

Lucille, who resides on Frederick Drive, is the wife of Richard Stella, and the mother of Anthony, John, Patrick, Robert, and Thomas Prisco. She is also the proud grandmother of Kelly and Robert Prisco.

President Stella succeeds Douglas Robalino who served for two years. Doug's most noted contribution to the club has been one of the most successful financial positions in the club's history.

The Plainview Republican Club wishes the community the best wishes for the holiday season and the best of luck for 1985.
