RETIREMENT: Oyster Bay Town Councilman Thomas L. Clark (center) presents a citation to Stanford Weiss on the occasion of his retirement as Commissioner of the Hicksville Water District. Weiss was honored by colleagues including fellow Commissioners (left to right) Gilbert Cusick, Nicholas Briganti and Richard T.C. Human at a retirement luncheon held at the Maine Maid Inn.

Weiss joined the Water District in 1972 and served as secretary, treasurer and chairman.

Heavy Losses On House And Factory Fires

An early afternoon house fire on Jan. 30th caused an estimated \$100,000 damage. The house, located at 28 Grove St., Hicksville, was unoccupied at the time. It was evident, upon arrival that the fire gained considerable headway before being discovered. Seven pieces of apparatus responded under Asst. Chief William Schuckmann.

The point of origin was an electrical fixture, in the basement. The fire caused a low pressure Lilco gas regulator to burst feeding the fire. Several times, tremendous blasts of heat and flames forced Vamps out of the dwelling. Two alarms were transmitted during the course of the incident. No injuries were reported. (Picture by HFD Photo Unit).

Factory Fire

An automatic sprinkler alarm summoned Hicksville Vamps to an intense fire in a gas fired oven at the DePew Co., 359 Duffy

Ave. 40 firefighters and 6 units responded under Asst. Chief Schuckmann to the alarm on February 1st at 9:35 A.M. Shortly after, a second alarm was sounded for additional manpower.

The fire was confined to the oven area and part of the roof over the point of origin. 3 employees were treated at the scene for smoke inhalation. Fire

fighters reported several expended fire extinguishers at the scene. There was an apparent delay in Fire Dept. notification. A Lilco worker fell into a resin leaching pond outside the building. He was removed and taken to Lilco for treatment and decontamination.

Fire officials believe a gas leak caused an explosion and fire which caused several

walls to buckle. Damage was estimated at \$15,000.

Hicksville Lions Blood Drive

The Hicksville Lions will be holding their annual Blood Drive at the Elks Club located on 80 East Barclay Street in Hicksville, on February 20th from 4 to 8:45 p.m. And they would like to see a large turnout due to the importance of maintaining the blood supply for the sick and injured.

In view of the fact that

there are some misconceptions among citizens concerning the donation of blood, a few of the most common questions released by the Greater New York Blood Program are listed herewith:

How Do I Know if I Can Give Blood?
If you are between the ages of 17 through 65, weigh at least 110 pounds and are

in good health, chances are that you can give blood. Every prospective donor is given a mini-medical examination on donation day to determine his or her eligibility.

Can I Spare the Blood?

Yes, a donation consists of a pint of blood, and the body begins to replace it immediately. Giving a unit

of blood in no way weakens your system.

Must I Eat Before Donating?

Yes, eat at your regular meal time. Do not miss a meal, and drink extra fluids before donation. If that is within 4 hours before you are to donate, avoid foods high in fat content such as

The Founders Day Dinner is held each year to mark the anniversary of the founding of the Congress of Parents and Teachers, which is the largest volunteer child advocacy organization in the world.

Galileo Lodge News

By Joe Lorenzo

PRESIDENT PETE MASSIELLO'S MESSAGE: "They say that still waters run deep, but how can they run if they are still." Old Saying.

The **RED HEART!** Yes, it's everywhere these days. And why not, after all, it is symbolic of St. Valentine's Day, and St. Valentine's Day is associated with love and romance. And, of course, the Galileo Lodge is aware of this as it announces that on Saturday, the 16th of February, it will hold a St. Valentine's Day Dance. Tickets are for \$12.50 per person, and in the offering will be a delicious hot dinner with all the trimmings, beer, soda, coffee and cake, set-ups and pleasant dance music to embellish the proceedings. Skip Monteforte will 'chair' this activity, ably assisted by Frank Matassa, Armand

Del Cio, and Joe Morace. Two very special events will also occur that night; one is that Mr. and Mrs. Jim Ingino will be designated as the Galileo Lodge's "Valentine's Day Sweethearts" and the other

is that Jim Ingino will be the honoree that night. This dance will be limited to 250 people, so it is wise that you purchase your tickets as early as possible, and you can do this by calling the members just mentioned above. Dial 931-9351. Please note that a 'bring-your-own-liquor' policy will be in effect that night. So why don't you and your loved ones head for the Galileo Lodge that night.

March is usually a cold and bitter month, as everything seems lifeless and listless. Even Mother Nature seems to be asleep. But at the Galileo Lodge and its environs, conditions will be warmer and more pleasurable. How, you are asking yourself; well, on Saturday, the 16th of March, the Galileo Lodge will present its St. Joseph's Dance. This affair will be 'chaired' by Joe Lo Presti and he will be assisted by Joe Morace, Frank Matassa and Armand Del Cio, and these members will be selling tickets. Dial 931-9351 for ticket and other information concerning this dance. Tickets will sell at \$12.50 per person, a

nominal fee that entitles you to a delicious hot meal, coffee and cake, beer, soda, set-ups and music for your pleasure. Please note that a 'bring-your-own-liquor' policy will be in effect that night. So here is another chance for you to come down to the Galileo Lodge and enjoy yourself with an event that will be the forerunner of future springtime

activities at the Galileo Lodge.

And, naturally, the Ladies Auxiliary has its own brand of springtime activities planned, one of which is its Annual Fashion Show, scheduled for Thursday, the 21st of March. Mary Sarerra (433-6289) will supervise this activity. Tickets will sell at \$10.50 per person, and in the offering will be a delicious hot dinner with all the trimmings. Dinner will start at 7:00 P.M. So why not get in the mood for spring and at the same time keep abreast of the latest fashions. Men are also invited, as we are sure

that men are fashion-conscious as well.

And then, as we head into spring itself, we note here that the Galileo Lodge will present its 13th Annual Anniversary Dance on Saturday, the 24th of April. Joe Quodano will 'chair' this affair. Please note that on that particular night, the Galileo Lodge will honor State President Joseph Montmarano, and on that night also the Louise E. Massiello Memorial Scholarship Awards will be given out to the recipients designated for those honors. So, as one can see, that the

Spring Recreational Program is starting off with a plethora of some delightful and pleasurable activities.

We all were deeply sorry to hear that Fran Ausiello's mother has recently passed away, and we all wish to express our deepest condolences to Fran Ausiello and her family.

Students appearing in Saturday evening's production of "Variety '85" at Hicksville High School rehearse a dance routine in preparation for this special entertainment event. The

annual variety show will be presented by the Drama Club on February 9 at 8:00 p.m. in the auditorium. Reserved seating ticket prices are set at \$3.00 and \$4.00, and the box office in

the lobby will open at 6:00 p.m.

Don't miss this evening of dance, music and comedy. Come to "Variety '85" and see our student stars shine.

Aerobics Program

Registration is now being held for an Aerobics Exercise program specially designed for adults 55 and older to be conducted by the Nassau County Department of Recreation and Parks at Eisenhower Park's 19th Hole meeting room.

Nassau Recreation and Parks Commissioner Abram C. Williams said registration information may be obtained by calling 542-4493. There is no fee. Class sizes are limited and participants will be accepted on a first-come first-served basis.

Groups will meet Thursday mornings beginning February 7 from 10 to 11 A.M. or 11 A.M. to Noon. Exercises will be built up gradually as individual abilities increase.

The program will continue on through the spring.

At The Hicksville Library

VITA (Volunteer Income Tax Assistance) at the Hicksville Public Library started on Monday, February 4th. Volunteers are from the AARP (American Association of Retired Persons) and various local colleges. VITA is a federally funded program whereby volunteers are trained to provide tax assistance. This service is FREE. A flyer will be available at the library listing the days and times that volunteers will be in the library to assist.

The Nassau County Bar Association of Long Island.

Inc., will provide a lawyer to speak at the Hicksville Public Library on Thursday, February 14th, at 8:00 p.m. in the Community Room of the library. His topic will be: Business Law. These talks are very informative and the lawyers are always willing to answer questions from the audience. There is no charge for this program and everyone is invited.

The Hicksville Public Library will be OPEN on Lincoln's Birthday, Tuesday, February 12th, from 10:00 a.m. to 5:00 p.m. There

will be NO evening hours. The library will be CLOSED on Monday, February 18th, in honor of Washington's Birthday.

The Hicksville Public Library will show the film, "Lola", on Friday evening, February 8th at 8:00 p.m. in the Community Room. Fassbinder's tale of ambition and corruption set in a small city in postwar Germany was filmed there and is in German with English subtitles. There is no charge for admission. As with all films on the adult program, children are not admitted unless accompanied by a parent.

MORTGAGE KNOWHOW

It's too early in the term of the new Congress to know where mortgage interest rates will settle. Perhaps that's why in recent months both borrowers and lenders have found adjustable rate mortgages so interesting. At one point last fall, these accounted for nearly 60 percent of home mortgages being written. Buyers got a break on rates now and hope that interest won't fly; lenders are covered in case they do. And, of course, anything that affects buyers affects sellers, too. Because the ARMs are new and unfamiliar, the Federal National

Mortgage Association (Fannie Mae) offers a free 12-page "Consumer Guide to Adjustable Rate Mortgages." Write: Fannie Mae's ARM Guide, P.O. Box 23867, Baltimore, MD 12103.

Dear Friends.....

Best wishes To Sam Weiss

We can think of quite a few people who have as many friends in Hicksville as Sam and Kitty Weiss....but we certainly can't think of anyone who has more than they do....and we join these people in wishing Sam (who retired recently as a Commissioner of the Hicksville Water District) and Kitty many years of happy retirement. What a couple!

Suggestions

Naturally we hope you read *The Herald* from "cover to cover," as it were. We suggest that, if you are interested in how Hicksville and Plainview-Old Bethpage areas develop in the future, you will be aided considerably by reading "At The Town Board Meeting," by Gerry Geannikis. Then you will know, not only the hearings that take place, but also the resolutions when future hearings are set.

Another suggestion....come on down to the monthly meetings of the Hicksville Community Council where you may hear a great deal about what is currently of concern in Hicksville, and also, if you wish, may be heard yourself if you have a community problem and, talk to many of your elected officials who are present to let you know what they are working on and answer your questions. The Council meets on the first Thursday of each month in the Community Room of the Hicksville Library on Jerusalem Avenue, starting at 8:30 p.m.

On our NY State tax returns there is a place in which the school district tax code number is to be entered. This code is used by the State to apportion state aid to the schools. The number for the Hicksville School District is 273. The number for the Plainview-Old Bethpage School District is 502.

THAT'S ALL FOR THIS WEEK. Stay well and let us hear from you if there is any way in which we can be of service.

SHEILA NOETH

Legislative Forums

On Wednesday evening, February 13th, the Hicksville Board of Education's Legislative Committee will host a LEGISLATIVE FORUM. Guests will include local Assemblymen Fred Parola and Dan Frisa. The Forum will focus on school finance and state aid issues which are of vital interest to the community in view of the Governor's proposal to decrease the school district's state aid by more than \$300,000. A ques-

tion and answer period will follow the presentations. Coffee and cake will be served, and those attending the meeting will have an opportunity to meet informally with our guest legislators.

The Forum will begin at 8:15 pm in the Conference Room of the Administration Building on Division Avenue. All Hicksville residents are encouraged to attend.

Letter To The Editor

To the Editor:
I would like to thank all the men of the Hicksville Fire Dept. Rescue Squad for their response to my call for help for my husband, William, on the night of Jan. 11, 1985.

I am sure they did all they could for him and I appreciate their kindness and dedication.

Sincerely,
The Family of
William Arvidson

"Cuomo Needs To Change His Priorities;" Parola

Assemblyman Fred Parola (R-C, Wantagh) stated that the agenda set forth in the governor's budget is progressive for the cities, but fails to address the needs of suburban middle-income residents on Long Island.

"While the \$38 billion budget does include tax cuts, it fails to provide property tax relief for which we have worked so hard to obtain. Our program to expand the 'circuit breaker' was rejected by Gov. Mario M. Cuomo along with my belief that personal income tax reductions should be larger for the middle class," Parola said.

"Sadly," he continued, "the governor would rather increase state revenues by continuing certain taxes and fees that are scheduled to expire at the years end.

In addition, the middle class is being asked to pay for a 10 percent increase in welfare proposed by Cuomo from the very property taxes for which he refuses to provide additional assistance.

"The governor has further abandoned suburban residents by increasing 'targeted' aid to New York City, while in the same breath capping revenue sharing.

"Also missing from the governor's budget is any

allocation to back up his promise to support a prescription drug program for our state's senior citizens. The cost of pharmaceuticals is rising at an alarming rate and must be stabilized by such a program in the near future," Parola stated.

According to Parola, the governor's budget is not completely without merit. I am encouraged by his emphasis on protecting our environment from the hazards of toxic waste dumping by stiffening penalties and increasing aid for the state's superfund. Creating new prison cells,

balancing the budget and providing additional funding for day care are also laudable propositions," he noted.

"My fellow Nassau County legislators and I will now seek to rectify those weaknesses in the governor's budget and alter many of his priorities so that they better represent the needs of Nassau County and the state as a whole, not just New York City. We on Long Island pay too large a part of state taxes to be shortchanged. With your help, we will change the governor's agenda," Parola concluded.

Oyster Bay School Districts Will Lose \$3.7 Million With Cuomo's Plan:Colby

those districts, are in Nassau County.

Every school district in the Town of Oyster Bay will suffer a loss ranging from 3% to 12%.

It's a familiar pattern that we've grown accustomed to over the years - an inheritance from the previous administration - whereby the state administration seeks to sacrifice the quality of education on Long Island, by eliminating the "save-harmless" provision which protects the amount of money received by school districts.

The Governor's budget office can boast of a surplus of \$207 million when the fiscal year ends on April, so

how can he in good conscience even suggest reducing aid that affects one of the hallmarks of this state - quality education?

The figures released by the Governor's office show that Nassau County school districts will lose more than \$3.4 million - in Oyster Bay the loss is a staggering \$3.7 million. The end result would force the suburban property owner to bear the burden of making up the

deficit that state aid cuts would create, in order to maintain the level and quality of education. And remember, much of the school tax goes toward state mandated programs.

In the past the legislature has been able to defeat gubernatorial efforts to cut state aid to education. It is extremely important that this year they again garner all their influence to block this unjust fiscal attack on education in our Town.

Selected For Concert

The Plainview-Old Bethpage music department announces that eleven students from their district have been selected to participate in the Long Island String Festival Association concert planned for February 10th.

The Long Island String Festival Association is an advocate group made up of music educators from throughout the Long Island area. The Association sponsors annual concert events for elementary, middle, junior high and senior high students who study stringed instruments. These events provide students with opportunity to work with orchestra conductors who are practicing professionals. Student performers are grouped according to their level of musical development and technical proficiency.

District students who were selected are:
Old Bethpage Elementary - June Kamihara
Mattlin Middle School - Melissa Clare, Eve Itzkowitz,
Jessica Harris, Mindy Santner
Plainview Middle School - Rachel Gleicher
Kennedy High School - Jennifer Mendelsohn, Robert Novick, James Oppenheim
Plainview High School - Ingrid Marcus, Douglas Levy
District music staff members who instruct the above-named students are Mrs. Sandra Catandella and Mr. Marc Gaiman.

Secretary of State Shaffer Visits Nassau; Tours Fire Training Center

N.Y. Secretary of State Gail Shaffer (center) gets a comprehensive explanation of the training program conducted at Nassau County's Fire Service Academy in Old Bethpage, from Robert Lincoln (left), Chief of the Fire Service Academy, Tom Rahilly (2nd left, in uniform), Chief of the Emergency Medical Service Division, and John S. Olivari (right, foreground), President of the Firemen's Association of the State of N.Y. and President of the Nassau County Vocational Extension Board, which governs the Nassau Fire Service Academy. The Department of State has overall responsibility for supervising Fire Prevention & Control programs throughout N.Y. State.

Secretary of State Gail S. Shaffer, on a visit to Nassau County to meet firefighter officials and tour weatherization sites, called Governor Mario M. Cuomo's proposed 1985-86 budget a "solid, reasonable document that addresses New York State's highest social and economic priorities in a fiscally responsible fashion."

At the Nassau County Fire Academy and Training Center, Secretary Shaffer, who oversees the state's Office of Fire Prevention and Control (OFPC), met with John Olivari, President of the Fire Association of the State of New York, and

other state and local fire officials.

She emphasized her commitment to keeping New York State in the forefront of fire safety and prevention efforts, noting her proposal to evaluate the fire gas toxicity levels in building materials and furnishings.

"We're living and working in potential gas chambers," she said. "When an estimated 80 percent of fire victims die not from burns but from the inhalation of toxic gases and fumes, it's time to evaluate the materials we use," she concluded.

L.I. Boat Show

Long Island's multi-million dollar Marine Industry will unveil the richest boat show in Long Island history when the 28th Annual LONG ISLAND BOAT SHOW displays more than an estimated \$25 million in boats and equipment at the Nassau Veterans Memorial Coliseum, Uniondale, L.I. February 16-24.

A survey revealed that the

average size of boats purchased in '83-'84 were 22'. The average size of boats purchased from Sept. to Show time has been 25', an increase of three feet.

The boat show will run February 16-24 at the Nassau Veterans Memorial Coliseum, Uniondale, L.I. Dollar discount tickets are available at all participating marine dealers showrooms.

Strange, unfamiliar music was heard recently coming from the Media Center at Willet Avenue. "Tom the Tinker" from tenth century Ireland, in typical costume and carrying mock weapons of the era, was visiting the sixth grade classes to tell them about life in the Middle Ages.

Tom is a member of The Society for Creative Anachronism, which researches Medieval Times and recreates the feasts, tournaments, and social activities of the period. Each of the members assumes a "persona" typical of the time.

Explaining about the development of his own characterization, Tom demonstrated how a tinker would dress, described his limited education, his transportation (mostly by foot) as he went from village to village mending pots, the social activities in which he would participate. Students were

fascinated by the clove-studded orange he carried to hold in front of his nose to mask the odor of the crowds in the market place. They were also impressed by his long cloak--voluminous because it also served as his blanket.

For part of his demonstration Tom was assisted by Bob Williams, a sixth grader who obligingly came in costume for the occasion. The common weapons of the period--sword, staff and dagger--were put to use in a mock battle, and Bob proved to be a very agile adversary.

By the time the program was finished students decided that, although a study of life in the Middle Ages could be very interesting, living in a Medieval castle was not the glamorous, luxurious life they had pictured, and living in a village was, by our standards, no fun at all.

Highlight of Tom the Tinker's visit to Willet Avenue was a demonstration of the use of mock Medieval weapons. Tom is assisted by sixth grader Bob Williams. (Photo by Rosemary Barrow).

This program was presented through the courtesy of The Hicksville Gregory Museum where "Tom the Tinker" also serves as Mr. Thomas Daunt, Curator of the Earth Science collection.

The topic was far removed from the usual scope of Museum activities, but since it was curriculum correlated, it was offered as part of the Outreach to the Hicksville Schools Program.

Vietnam Veterans News By Joe Curatola

It is lobbying time Jan. 28, 1985 for the veterans of Nassau County to strive for improvements in veterans care and benefits. And the most important issue this month will be for the passage of a \$75,000 grant for the Vietnam Veterans Resource Center of Nassau County in Hicksville, a Division of Help Aid Direction.

Vietnam Veterans of America, Nassau County Chapter and its president, Connie Steers, as usual, will be in Albany pressing to get this grant approved by the representatives of N.Y. state.

The Vietnam Vets of Nas-

sau County urge all residents of the community to please write your local representatives to approve this grant.

The VVRC is the only non-profit non-funded center for Vietnam era veterans in Nassau County. It's time to give the assistance and help our Vietnam veterans deserve. We hope Governor Cuomo hears this message loud and clear along with all the other representatives of N.Y. State. There is no federal funding slated or available at this time or in the near future, and that's why we need your help.

The VVA of Nassau

County will continue to give

back to the community as well, by continued participation in the Big Brothers of Nassau County and various other charitable causes.

For further information about the VVRC call 516-935-6858. For the VVA call 516-822-5938.

TWO GENERATIONS OF SERVICE

NEW SIGNIFICANCE FOR ANCIENT RITE

People have been holding elaborate funeral rites since ancient times. Over the centuries, the significance has changed to suit developing social customs and beliefs. Even today one can sense a certain movement.

Aside from the symbolic expressions of one's religious beliefs, there are other important aspects of the funeral that anyone can appreciate. The modern funeral is a rite of social integration and a rite of personal separation. The family and the community come together. As a group, and individually, we bid farewell to the deceased. The funeral proclaims that we have lost someone dear

to us. Equally important is the attention that it focuses upon the immediate survivors. It allows people not only to express sympathy formally, but to offer more personal comfort and assistance. The ritual of the funeral can also be a direct aid to the survivors, allowing them to vent profound emotions.

BRIDGES NOT WALLS

There are basically two kinds of people in the world: those who build walls and

those who build bridges. The great American poet Robert Frost wrote, "Before you build walls, make sure you know what you are walling out and what you are

walling in." Unfortunately, most of us have built some walls during our lives—perhaps even a few more than bridges. God suggests we rent a crane, one with a big steel ball at the end, and start knocking them down. With the walls crushed we can then build a bridge between us and the person with whom we didn't get along. Bridge built, now love and joy begin to pass between us.

was given bread and water. But as the family started to eat, the father reached over and took the bread and water and gave the daughter his own meal. They ate in silence for a while, and then the girl, with tears in her eyes, came over and put her arms around her father's neck and she said, "Daddy, I'll never disobey you again." Something had happened to her on the inside. No threat of punishment, no fear of consequences, could work a miracle like that. Only love, bridge-building love could do it.

When Christ came he bestowed a kiss on a weary world. We have the sweet kiss of forgiveness and acceptance through his death and resurrection. It is not ours only to savor but also is ours to give. Give it today—especially to a person who might least expect it. Then stand back and watch out for crumbling walls.

Bridge building becomes possible for the believer through the cross of Jesus Christ. His cross bridged the chasm of sin, alienation, and death that separated God from us. Faith in him now makes it possible for us to span the gulf that isolates us from certain family members and neighbors.

The story is told about a teenage girl who was told that if she stayed out beyond a certain hour, she would have to eat bread and water at supper. She stayed out too late, so at supper time she

Hicksville Republican Club News

by Harriet A. Mader
President

Joe Jablonsky
Executive Leader

Tonight, Friday, February 8, 1985, is our club meeting. A Newsday Reporter will be our guest speaker. Try to attend as this will be most informative.

This year our local representatives will be up for reelection. One such representative is Norman F. Lent.

Mr. Lent has been selected Ranking Minority Member on the House Merchant Marine and Fisheries Committee by the House Republican leadership.

The Merchant Marine and Fisheries Committee has jurisdiction over many important issues affecting Long Island and its unique coastal environmental. These issues include fishery

resources, wildlife, oceans and coastal waterways, shipping, as well as the U.S. Coast Guard and Merchant Marines.

The most critical issue for Long Island is the need for legislation to end the ocean dumping of treated sewage sludge in the New York Bight, located 12 miles off the Long Island coast. Last October the House of Representatives approved the Ocean Dumping Amendments of 1984, including an important provision I fought for calling for an end to sludge dumping in the Bight. The legislation would have required the Environmental Protection

Agency (EPA) to establish a Bight restoration plan to improve water quality and preserve fish and marine resources in the area. Unfortunately, the Senate failed to act on the legislation before the 98th Congress adjourned.

At my request, the EPA held public hearings on this issue on Long Island in June 1984. However, to date, the agency has not acted to end dumping at the Bight and designate a proposed new sight 106 miles out to sea. I will be working for speedy Congressional passage of ocean dumping legislation in an effort to prod EPA into taking action this year."

At The Town Board Meeting

by Geraldine Geannikis

The Town of Oyster Bay held a regular Town Board meeting on February 5th, at

Town Hall. Prior to this meeting, Mr. Angelo A. Delligatti took the oath of office in order to fill the Town Board seat vacated when Salvatore Mosca was elected to the Family Court.

Mrs. Delligatti is an attorney who resides in Massapequa. His recommendation was made by the 17 member Republican Executive Committee, chaired by James Picken.

Mr. Delligatti has served as Massapequa Park's Village Prosecutor since 1980 and he has served as an Assistant District Attorney in the District Court Trail and Homicide Bureaus. He is a graduate of St. Lawrence University and completed his education at St. John's University School of Law where he earned a J.D. degree in 1970. He is a member of the Columbus Lodge Order Sons of Italy, the Knights of Columbus and the Massapequa Republican Club.

A decision was reserved at a hearing for the petition of E.O. Associates, Inc. for a change of zone from Res. A to E-1 Apartment House District at Woodbury for the construction of 168 units to be known as Fairhaven Garden Apartments in Woodbury. Although there was no opposition to the change, Judy Jacobs, representing SWTA expressed concerns of traffic safety and other environmental considerations.

Resolution No. 95 directed the Town Clerk to advertise a hearing date of March 12th on the petition of Donata Petosa, Burger King Corp. and J.A.B. Food Systems, Inc. of Syosset for a special use permit to install a drive-up window and greenhouse addition to an existing restaurant at the intersection of Humphrey Dr. and Jericho Tpke., Syosset.

At the regular meeting the following hearing and resolutions were acted upon:

Resolution No. 97 directed the Town Clerk to advertise a hearing date of March 12th on the petition of Bennigans of New York, Inc. and Mid-Island Shopping Plaza Co. for a special use permit in a Bus. G Dist., to erect and operate a restaurant having a permitted occupancy of more than 200 persons at the north eastern corner of Mid-Island Shopping Plaza north of Nathan's Hicksville.

The hearing was adjourned for the petition of Old Country Rd. Burgers Co. Inc., Creative Foods Corp., and Fulton Associates, for a special use permit to maintain and operate a fast food restaurant and use and operate a drive-thru window at a fast food restaurant at Plainview, or Old Country Rd. and South Oyster Bay Rd. because the traffic expert was unable to attend the hearing and his testimony was vital to the decision.

Resolution No. 96 directed the Town Clerk to advertise a hearing date of March 12th on the petition of Richard Bower, as fee owner of 117 Oak Dr. Corp., for a special use permit to maintain in an Ind. H Dist., an office for an insurance service business at Oak Drive and Cedar Place, Syosset.

Resolution No. 103 approved the contract and directed the consultant to proceed with the construction phase of the renovations to Town Hall East on the Fourth Floor. A conference room will be constructed and office space will be constructed to gain the working space which is much needed.

The next scheduled meeting of the Town Board will take place on Feb. 26th. The regular board meeting will be in the morning. In the afternoon, there will be the formal installation of Mr. Angelo A. Delligatti, our new Councilman.

Ice and Snow Cause Problems For Letter Carriers

"The hazards of snow and ice cause numerous accidents and injuries to Letter Carriers and to other delivery people. Prevention is simply a matter of clearing, salting and/or sanding the stairway or pathway to provide safe access to the mailbox or front door," said Roger Nienaber Hicksville Manager/Postmaster.

The Postmaster stressed, "Ice is particularly dangerous on steps and any walking surface, especially painted wood or concrete, like stoops and porches. We will get the mail through, but we need a little help from our customers."

In addition, items such as children's toys, sleds, accumulation of wet leaves, loose bricks, broken steps and cracked walkways are contributing factors in many

injuries sustained by delivery people, visitors or family members. The Postal Service urges everyone to examine their property and make

any repairs as needed. The elimination of these hazardous conditions will benefit all concerned.

D'Amato Backs Line Item Veto To Control Spending

U.S. Senator Alfonse M. D'Amato (R.C.N.Y.), citing the need to control runaway Federal spending and deficits, announced today that he was again co-sponsoring a constitutional amendment giving the President a line-item veto.

"Forty three Governors have found the line-item veto to be an effective way to control spending," D'Amato said. "There is no reason why this tool should not be employed on the federal level."

D'Amato warned that without a line item veto, the federal budget would continue to balloon and the federal deficit would continue to grow.

A line item veto would allow the President to veto

specific elements of spending legislation without cancelling the entire bill. The constitution currently requires the President to sign or veto an entire bill.

The Senator noted that in recent years Congress has spent great amounts of time preparing budgets only to have superfluous "pork barrel" amendments added to the legislation.

"Only by giving the President the ability to approve and disapprove of each specific element of each bill would the American people be assured of fiscal responsibility and sensibility," the Senator said.

D'Amato said he was hopeful that the amendment would be considered by the full Senate this year.

Eighth Precinct Crime Report

by P.O. Kenneth A. Box

A Bethpage man was seriously injured when he was struck by an auto at the intersection of Newbridge Road and James Street Hicksville at 6:53 P.M. January 29.

James Mulcahy, 68 years of 11 Hoover Lane, Bethpage was attempting to cross Newbridge Road from the Westside to the Eastside when he was struck by a 1982 Chevrolet Truck. The vehicle was operated by Thomas Lochr, 24 years, of Willowood Drive, Wantagh. Mr. Mulcahy was transported to Nassau County Medical Center in East Meadow by the Hicksville Fire Department. He suffered a fractured skull and internal injuries and was admitted in critical condition.

No charges were filed against the driver. The vehicle was impounded for a safety check.

Skyl Automotive of 33 Bloomingdale Rd., Hicksville, reported \$1100 cash, a 78 Pontiac, assorted tools and auto parts stolen on Feb. 2. Entry was made through a broken rear window.

A 21 year old Hicksville man surrendered himself at the Eighth Precinct on Feb. 1 at 10:35 am and is being charged with Rape 3rd Degree and Endangering the Welfare of a Minor.

The incident took place at the Astro Motor Lodge, South Oyster Bay Road, Hicksville on 2/1/85 at 10:15 pm where Luis Juarez of 262 Procap Avenue took an acquaintance of his, a 14 year old female Hicksville girl. The parents notified police, who after an investigation made the arrest. The suspect was arraigned at First District Court, Mineola.

Police Report Second Precinct

The Second Squad reports the arrest of a 21 year old Plainview man for Grand Larceny Second Degree, which occurred at 7:50 P.M. January 28.

John Clancy Jr., a laborer of 27 Wendel Street, Plainview allegedly stole a wheelbarrow and assorted power tools from a garage at 10 Lever St., Plainview. Clancy was arrested by second squad Detectives at 8:00 P.M. in the Hicksville area on January 29. The proceeds were recovered.

The suspect was arraigned on the charges at First District Court in Mineola.

Rachel's Cookies of Mid-Island Plaza, Hicksville, reported cash stolen between Feb. 2 and 3. Entry

was made through a pried rear door.

Joining in congratulations were Ira Miller of Queens, national synagogue chairman for Israel Bonds (left), and Israeli industrial leader Michael Strauss, one of 30 Israeli visitors here on the latest "Operation Maccabee" drive to promote Bond subscriptions in the United States and Canada which aid Israel's development. The luncheon produced plans for a future Israel Bond campaign event in the Nassau-Suffolk real estate industry. Spiegel, a Kings Point resident, is Long Island real estate industry co-chairman for Israel Bonds.

FORK LANE SPELLING WHIZZES: Fork Lane School is participating in a National Spelling Bee sponsored on Long Island by Newsday. A spelling bee was held in December at the school to select a champion speller among fifth and sixth graders. The winner was Sanjay Tewari, a sixth grader and the alternate was fifth grade student Amy Chang.

There will be a total of 20 sectionals, 10 in Suffolk and 10 in Nassau. The sectional will be held this week in Syosset.

Congratulations to spelling whizzes Sanjay and Amy and thanks to Fork Lane's Dr. Anne Martin, Reading Teacher and judge for the school's contest, Mrs. Virginia McLaughlin, Speech Teacher. Good luck in Syosset!

Will I Lose Weight?

No, your normal volume of blood returns within 24 hours.

Can I Give Half a Pint of Blood if I Weigh Under 110 Pounds?

We do not collect less

than a pint as this amount is rarely called for by the hospitals and would require specially prepared bags.

Can I Donate if My Parent is a Diabetic? An Epileptic? Has Cancer?

Yes.

As you can understand, we must all work together so that there is always an adequate supply of blood for patients that need it.

IMAGE TO GO: In 1985 New Image plans to appear in approximately six "local" Drum & Bugle Corps Competitions in the tri-state area (including their own "Pageantry in Brass" on July 20th at Hicksville High) before heading up to Lynn, Massachusetts for the World Open-DCE Championships on August 2-3, followed by the U.S. Open Championships in Marion, Ohio on August 9, and on to the "big one": The Drum Corps International Championships in Madison, Wisconsin, which takes place during the entire week of August 12-17. The corps should be home in time to finish up their 1985 competition season at the Garden State Circuit Championships in Mount Vernon, New York, on August 25.

Named To Dean's List

David A. Essex, of Vassar Lane, Hicksville, a graduate of Hicksville High School, has been named to the Dean's List of distinguished students at the State University of New York at Albany for excellence in academic achievement during the 1984 Fall semester.

David is a senior and is pursuing a course of study leading to a degree in Business Administration. He has been awarded similar recognition for scholastic achievement for the past five semesters.

While attending Hicksville High School and during vacation, and holidays, David has been employed at the Foodtown on South Oyster Bay Rd.

New Image Update

crotales and temple blocks—all in the same selection! She enjoys the challenge of her membership and she is always eagerly looking forward to the next corps appearance. Claudette is the second of three Clarks to have joined the corps. Older sister Janine was in the color guard for many years and younger sister Genevieve joined in 1981 and presently plays french horn bugle in the New Image Brass Line.

HOME TOWN IMAGE: Look for New Image in the Memorial Day Parade, CYO Parade, Labor Day Parade, "Pageantry in Brass" and the Holy Family Oktoberfest; all in Hicksville this spring and summer. Any local organizations seeking the services of the corps at special functions may call 935-9208 for information.

PERSONAL IMAGES: Claudette Clark, daughter of Councilman Thomas L. Clark and Corrine Clark of Hicksville, has been a marching member of the corps since 1978. Presently attending St. Michaels College in Winoski, Vermont, Claudette graduated from Holy Family High School in 1984. She is a percussionist in New Image and is continuing her training as a keyboard (vibraphone, xylophone) player in the percussion "pit", where all the grounded (non-moving) percussion equipment is arrayed during contests. In addition to the keyboard instruments, Claudette has in the past been called upon to negotiate demanding parts on stationary cymbal, gong, thunder bass drum,

corps cannot afford to replace "the old vibes they have been patching up for so many years". Claudette has been corresponding closely with her corps percussion instructors since going away to college, and she attends corps rehearsals whenever she gets home. Other members of the New Image organization will be spotlighted in the "Personal Images" portion of future New Image Update columns in these pages.

PRESERVING OUR IMAGE: Fund raising events planned for the benefit of New Image Drum & Bugle Corps presently include a 1950's dance on March 2nd, a Dinner-Auction with Bobby Nysstrom of the New York Islanders on March 22, and a Chinese Auction in April. More details will follow.

A new Corps Scout Pack #3211—sponsored by the Veterans of Foreign Wars #3211 in Hicksville may be seen here getting ready to leave for Garvie Point on a group outing. These Corps meet each week at the Dutch Lane School.

Eastern Savings Bank announces...

ESBAssociates... Offering unlimited life insurance.

New Eastern insurance subsidiary fills all your life insurance needs.

Since many of our customers have requested insurance coverage above the \$30,000 level, Eastern has established ESBAssociates, Inc., an insurance subsidiary. ESBAssociates now offers you unlimited life insurance—whether it be term, whole life or universal.

And, as an extra service for you from ESBAssociates, you'll receive a free Life Insurance Analysis, designed to clarify your needs and objectives. It could be that your present policy seemed adequate when you bought it, but now, you may need additional coverage.

A licensed ESBAssociate representative will prepare a personalized and confidential profile of your life insurance needs—at no cost to you.

And, the analysis is yours to keep, compliments of ESBAssociates, with no obligation at all.

For your Life Insurance Analysis and more information about ESBAssociates, stop by any Eastern Savings Bank office today. Or, if it's more convenient, simply return the coupon below and we'll call to set up an appointment.
