## Equal Access Statute Questioned

The constitutionality of the Federal Statute which permits the meeting of a bible study group on Hicksville Public School property after school hours is being challenged by local resident Harold B. Somer. The plaintiff is seeking a court injunction to prohibit further meetings of the

group prior to the U.S. District Court's decision.

The bible study group at Hicksville High School began meeting last spring according to district administrative regulations which outlined procedures in complying with Federal Equal

Access Statute 98-377. Mr. Somer and his attorneys allege that the district is acting "to destroy the constitutionality mandated separation between church and state" in violation of the first and fourteenth amendments to the Constitution of the United States of

America.

The Board of Education was ordered to appear before the Hon. Francis X. Altamari of the U.S. District Court, Eastern District of New York on September 24, 1985, at which time Mr. Justice Altamari denied the plaintiff's application for an injunction.

## New Pastor At St. Stephen

The Lutheran Church of St. Stephen, Hicksville, is pleased to announce the call of the Rev. Frank L. Nelson as Pastor of their congregation. The Service of Installation was held on September 15th.

Pastor Nelson graduated from the Philadelphia Seminary in 1980. Prior to his graduation he served as Pastoral Assistant at Trinity Church in Long Beach, CA. He was Assistant Pastor at Trinity Lutheran Church, Staten Island, for the past five years. While in Staten Island, Pastor Nelson was active in community affairs; Member of Clergy Association on Staten Island; Project Hospitality (Inter-faith

feeding/shelter ministry); Regular contributor to "Religiously Speaking" column in the Staten Island Advance; Co-covener, Lutheran/Episcopal Dialogue Team; Member of Richmond County Kiwanis.

Pastor Nelson grew up in Massachusetts. He obtained a Bachelor of Arts, Cum Laude, in psychology and biology from Boston University. He and his wife, Judy, have two children, Eve and Jacob.

In this our 75th year of service to God and the community, we are pleased to welcome Pastor Nelson and his family to the church and to the community of Hicksville.

The Rev. Frank L. Nelson

## A Banner Year For Hicksville's Hard-Working Organizations!

There are so many local organizations who have been participating in the Hicksville Chamber of Commerce Downtown Flag Program, for the past 22 years, that those who will be attending the Community Council's 14th Annual Awards Dinner on Oct. 3rd will witness scenes similar to the recent lottery winners TV interviews, when 23 young workers banded together and won! The exception here is that the ten additional citations scheduled to be awarded to participating organizations and groups, hold years of memories for each group... memories of annual participation and community cooperation so that Hicksville has been recognized, not only by all its residents, but by the Township itself, as outstanding in this display of groups

working together for a better community.

Also, the Man of the Year Award will be presented this year, to Mr. Richard Evers, well known educator, historian and director of the Hicksville Gregory Museum.

Finally, Mr. Anthony Previte will be installed as the Council's newly-elected president, along with an enthusiastic slate of officers and board members which bodes well for the effectiveness of the Council in the future.

Tickets, which cover Anton's well-known, delicious buffet, are \$16.00. Call Virginia Flood at 796-6187 or Ellie Draycott at 935-5793. Remember the date is this Thursday, Oct. 3rd, starting at 7:30 p.m. at Anton's. See you there!

## Committees To Meet

Two Hicksville Board of Education committees are scheduled to meet on Wednesday, October 2, at 8:15 pm. The Curriculum Committee will convene in the Board Room and the District Facilities/Community Affairs Committee will meet in the Conference Room.

The Curriculum Committee, chaired by Mrs. Rudin and Mr. Schwartz, will review a number of new courses planned for the 1986-87 program catalogues and study an overview of the district's academic enrichment program. The creation of a position of Supervisor of Academic Enrichment will also be discussed.

The District Facilities/Community Affairs Committee will hear updates on the Hall of Fame project and the NYNEX telephone contract. Other items on the agenda include asphalt paving in the vehicle maintenance area, relocation of equipment, storage, and a fire safety report.

All committee members and interested residents and staff members are invited to attend and participate.

## Breakfast With The Principal

The Fork Lane P.T.A. held a breakfast on Friday September 20th for their new Principal Mrs. Carol Bentsen.

Mrs. Bentsen was introduced to the invited parents by P.T.A. President Virginia Romano.

Mrs. Bentsen spoke to the parents about her concern with the childrens safety and

new rules they must follow this school year. She also explained to all parents the roles she would like them to follow to make the school a safe and happy place.

"We are very pleased to have Mrs. Bentsen as our New Principal and wish her success and happiness at Fork Lane," said a P.T.A. spokesperson.

# Galileo Lodge News

By Joe Lorenzo

**PRESIDENT PETE MASSIELLO'S MESSAGE:** "The work an unknown good man has done is like a vein of water flowing hidden underground, secretly making the ground green." Thomas Carlyle.

We have written considerably about the 11th Anniversary to be held by the Ladies Auxiliary of the Galileo Lodge this Saturday, the 28th of September. Well, the time has arrived for it, so if many male and female members of our organization are still interested in attending, tickets are still available. Price is \$25 per person, and for this nominal fee you will receive a delicious Smorgasbord -type dinner, beer, soda, coffee and cake, unlimited liquor and some terrific dance music for your listening and dancing pleasure. I might add that all those who attend, like our friends and patrons as well, will undoubtedly find this affair an enjoyable and memor-

able one. Affairs held by the Ladies Auxiliary have a special appeal, a special brand of fun and pleasure and a special atmosphere and mood. No effort or time is spared to bring you the finest in entertainment. Call Chairlady Rose Riccardi at 681-0966 for tickets and more details.

Now that we start to see signs of summer rapidly disappearing, we start to look for activities of an 'indoorsy' nature. Stated another way is that we look forward to activities compatible with the Fall and Winter seasons, perhaps even more intensely for the Christmas and holiday season. Well, the Galileo Lodge can partially solve some of your problems as it announces its Fall and Winter recreational program. To start with, and its a good start, there's the Halloween Dance, scheduled for Saturday, the 26th of October. Armand Del Cioppo will 'chair' this activity, ably assisted by co-Chairmen

Tony Sica and Joe Morace. Tickets will sell at \$12.50 per person, and in the offering will be a delicious hot dinner, coffee and cake, beer, soda, set-ups and music for your dancing pleasure. Please note this dance will feature a 'bring-your-own-liquor' policy. Halloween costumes will be optional, of course. More on this activity in later columns.

It is obvious that in today's world we see a resurgence of ethnic values and feelings. Everyone is proud of his or her own ethnic group, so why shouldn't Italian-Americans be proud of theirs, and especially now as Columbus Day is rapidly approaching. The exploits of Columbus have contributed enormously to world history, and the Galileo Lodge, in recognition of these amazing voyages of Columbus, will have its own contingent of marchers in the Columbus Day parade, taking place in Huntington

on Sunday, the 13th of October. Starting at 2:00 P.M., in conjunction with other lial lodges associated with the Sons of Italy in America, the Galileo Lodge marchers will take a bus to the rendezvous area, and then, after the march, it will have collation in its building on Levittown Parkway. Skip Monteforte will supervise this activity for the Galileo Lodge and he asks for a nice number of men and women from our organization to participate in the march. This is the day to be proud to reveal your ethnic pride.

President Pete Massiello announces that help for the many committees of the Galileo Lodge has improved. Especially bingo, he maintains. But other committees still need more help, like, for example, the Renovation Committee. There is much work to be done in this area, so any kind of help from the membership will certainly be appreciated.

John Catalano of Hicksville placed third in the Obsten Corporate Challenge marathon held recently in Eisenhower Park. This Run was for the benefit of the American Heart Association, and it raised \$5,000 for the Nassau and Suffolk branches of the AHA.

## News From Lilco

The Long Island Lighting Company reports that the low power testing program at the Shoreham Nuclear Power Station is in its third month. Thus far, the plant staff has performed several thousand tests of plant systems at various temperature, power and pressure levels. In addition, inspections of piping and pipe supports have been ongoing.

With the low power testing program more than two thirds complete, the staff is pleased with the progress being made and with the results of the testing and inspections to date.

The plant was shut down for several days last week while the plant staff investigated the cause of a higher

than normal reading on one of the reactor water level reference leg instrumentation systems. The reference legs were used to monitor the water level in the reactor vessel. The instrumentation had indicated an increase in reactor water level which did not occur.

It is a normal occurrence for a nuclear power plant to be shut down periodically during its low power testing program since many of the tests and inspections performed can only be completed while the plant is not operating. John Leonard Jr., LILCO's Vice President for Nuclear Operations has characterized low power testing as "a series of shut-downs interspersed with short periods of operation."

### Library (Continued from Page 1 Plainview)

Library on THURSDAY, OCTOBER 17 at 3pm and 8pm.  
Rich eccentric Edwina Cutwater (Tomlin) is dying and wants to buy a new life by having her soul transferred into the body of a healthy young woman. When things go awry, she winds up in the body of her reluctant lawyer, Roger Cobb (Martin). What follows, is a rather unusual battle of the sexes. A comedy hit!

The length of the film is 93 minutes.  
**ART SHOWTIME**  
On SATURDAY, OCTOBER 19 from 1-4pm, the Plainview/Old-Bethpage Library will present a view of the art treasures housed in the National Gallery of Art. We will be demonstrating the laser discovision.

**FINANCIAL CONCERNS OF THE 60+ POPULATION:**  
Financial Concerns of the 60+ Population will be discussed at the Plainview/Old-Bethpage Library on Thursday, October 31 from 1-3pm.

Topics to be discussed are:  
1. The urgency of record-keeping — like it or not;  
2. Comparison shopping for financial arrangements that meet your needs;  
3. Housing — your options;  
4. Wills and trusts — orderly transfer.  
This program is being sponsored by Family Service Association of Nassau County.

#### BOARD MEETING

The Board of Trustees of the Plainview/Old-Bethpage Library will hold a regular business meeting on WEDNESDAY, OCTOBER 23 at 7:30pm in the Staff Room of the Library.

### Mid-Island YM-YWHA Hold Free Singles Mingle

The opening gathering will run from 8:30 p.m. to 11:00 p.m. to enable singles to meet other singles and learn about the gamut of programs.

There are three singles

clubs - For ages 22-35; 25-50 and 50-65- available to "Y" members and non-members.

In addition there are Sunday Brunch Clubs, Single Parents Projects and special lecture series.

Those desiring further information should call Laura Harris at the "Y" 822-3535.

Better yet, drop in for your wine and cheese at the "Y", 45 Manetto Hill Road, Plainview, on October 9 and enjoy yourself.

### Eighth Precinct Police Report

By P.O. Kenneth A. Box

The 8th Squad is investigating a robbery that occurred at the Amoco Station, 506 W. Old Country Road, Hicksville, at 1:15 A.M. on 9/20/85.

The attendant was confronted by a male white armed with a large knife, who demanded the money.

The subject, described as 6' tall, thin build, wearing a blue ski mask, fled the scene on foot with \$127.

Value Cleaners of Old Bethpage Rd., Old Bethpage reported \$200 stolen on Sept. 21. Entry was made through a pried rear door.

Young artists all over Long Island put their talents to work designing holiday cards for the Guide Dog Foundation for the Blind, Inc. of Smithtown.

The Foundation sponsored a contest for elementary and secondary school students on Long Island inviting them to submit entries for the design of their Holiday greeting card. Judges Audrey L. Flack, painter and photographer and Arne C. Besser, painter, who are both Long Island artists awarded Honorable Mention to Nicholas DiLillo, an eleventh grade student at Hicksville High School.

## Our County To Pay Tribute To Retired Volunteers

On Wednesday, October 9, a special tribute honoring members of the Nassau County Department of Senior Citizen Affairs' Retired Senior Volunteer Program (RSVP), will feature famed soprano Elaine Malbin. The 13th Annual RSVP Recognition Day will be held at the Bush-Brown Concert Theatre, Long Island University, C.W. Post Campus, Greenvale, from 9:30 a.m. to 12 noon.

Miss Malbin will entertain with operatic and popular musical selections at the event, whose theme this year is "RSVP Volunteers Lift

the Spirit." Ray Heatherton, known to many as the "Merry Mailman" will serve as master of ceremonies. The popular Freeport-based "Bay City Ramblers" will provide light entertainment. Early morning refreshments and a box lunch will be served.

Nassau County Executive Francis T. Purcell will issue a proclamation at the event, declaring October 9 "Retired Senior Volunteer Program Recognition Day" throughout Nassau County. The Retired Senior Volunteer Program funded

by the Department of Senior Citizen Affairs and the federal agency ACTION, has grown to over 1,000 men and women age 60 and over who have contributed over a quarter of a million hours of volunteer service in the community during the past year. Seniors are involved in the full spectrum of community volunteer activities and placed at 96 stations throughout Nassau County representing educational institutions, health facilities, senior clubs and centers, and service agencies.

Mrs. P., for example,

volunteers as an aide at a neighborhood nursery school, reading to children, who call her "grandma". Mr. H. has made a "career" of volunteering, giving time and energy to several community groups such as the Salvation Army, Boy Scouts of America and at his local library. Mrs. B. delivers books and "conversation" to several homebound elderly in her community. One of the oldest volunteers in the program, 90-year old Mr. F., devotes his time to working in the purchasing department of a local hospital.

## A Tribute To Our National Guard

A song is being orchestrated for our otherwise unsung heroes and heroines.

The men and women of the New York Army National Guard who volunteer their time to protect our country in times of crisis, will be honored in a superlative show of appreciation as "A Salute to Citizen Soldier's Day" gets underway October 5, from 10 A.M. to 4 P.M., at Eisenhower Park, East Meadow, Parking Field #6.

The extravaganza is being sponsored by the 242nd Signal Battalion, New York Army National Guard, (NYARNG), with Robert R. Rose, Commanding Officer.

Nassau Recreation and Parks Commissioner Abraham C. Williams said that Commanding Officer Rose and his committee led by Colonel William Sims, Public Affairs Officer, 1st Brigade, New York State Guard, has planned a daz-

zling honorarium for these "Weekend Warriors."

Williams said that a procession of colorguards, composed of members from the military, police, civic and fraternal organizations, will open the ceremonies to a day augmented by an array of colonial attired militiamen from the Delancy Brigade, some on horseback, re-enacting a battle from the American Revolutionary War.

The 1st Marine Battalion which is stationed in Garden City, will demonstrate modern military maneuvers and the Police Piper Band will enchant visitors with its unique and uplifting sound.

The festivities will be punctuated by a display of heavy equipment including tanks, artillery and helicopters.

These selfless volunteers will also be honored by a show of support from civic, and fraternal organizations including the Knights of Columbus, the Jewish War

Veterans, the American Legion, the Veterans of Foreign Wars and the Boy and Girl Scouts of Long Island.

Visitors may also meet and greet dignitaries from the Pentagon, the 242nd Signal Battalion, NYARNG, the 14th Regiment, New York State Guard and local leaders including County Executive Francis T. Purcell, Recreation and Parks Commissioner Abram C. Williams and Hempstead Town Supervisor Thomas Gulotta.

The 242nd Signal Battalion, NYARNG, is housed at the armory on Washington Street in Hempstead. It shares its quarters with the 14th Regiment, New York State Guard which was put into operation because the National Guard is often called into federal service. It remains as a protective body ready to offer assistance in times of internal crisis.

Few people know that the militia or National Guard as it is known today, had its

origins in the 1600's when New York was known as New Amsterdam. At that time the militiamen were called "Gentlemen at Arms." The famous and victorious "Minutemen" were also part of the militia and, as history tells us, were almost instrumental in the victory over the British during the American Revolutionary War.

The majority of soldiers during the Civil War were also members of the state militias, and so it has been through the decades.

Today we can count on better trained and better organized "militiamen", than those of our predecessors. Although their uniforms look different, their motivation remains identical. To provide a citizen army, who, at a moments notice, will be available to assist in local, statewide or national crisis. This honorarium is a thank-you to these men and women.

## Second Precinct Police Report

A 23 year old Rigger from Levittown was arrested in the Second Precinct stationhouse in Woodbury at 6:30 p.m. on Sept. 17 and charged with Rape First Degree-Sodomy First Degree-Attempted Sodomy First Degree-Arraignment today at First District Court, Mineola.

A 31 year old woman from Central Islip has been arrested and charged with 2 counts of Criminal Possession of Stolen Property, Forgery 2nd, and Petit Larceny in connection with an incident which took place inside the Sear's Department store on Broadway in Hicksville at 2:00PM on Sept. 16.

Gwendolyn Smith of 87 Coventry La. Central Islip went to the shoe department and attempted to make a purchase using a stolen credit card. Store security was alerted and the arrest was made.

The subject was arraigned in First District Court in Mineola on 9-17-85.

Jewelry was reported stolen from a house on Bethpage Rd., Hicksville, on Sept. 21. Entry was made by prying open the front door.

An armed hispanic male robbed the Assistant Manager of Newberrys Department store in Mid Island Plaza, Hicksville of over \$5,000 dollars around 9:45 p.m. on Aug. 29.

The manager, Thomas Reynolds, 21, and a security guard were accosted in the stock room of the store by the suspect armed with a handgun who had secreted himself in the store after it closed at 9:30 p.m.

Reynolds was ordered to hand over the money from the safe, which he did and the suspect fled the store, after ordering Reynolds and the security guard to stay put.

No injuries were reported and the suspect was described as a male hispanic, 23 years, 6'1", 175 lbs. and of muscular build.

A 22 year old unemployed

Security Guard from the Bronx was arrested in the Bronx at 2:20 p.m. on Sept. 19 and charged with Robbery II Degree.

Jose Cuevas, of 2009 Gleason Avenue, had allegedly robbed the Manager and Security Guard of the Newberrys store, in the Mid-Island Plaza Shopping Center, Hicksville, of \$5,546 dollars, at gunpoint, on August 29, around 9:45 p.m.

No recovery was made of the money and Cuevas is to be arraigned in First District Court, Mineola tomorrow morning.

Cash, a VCR and a stereo were stolen from a house on Chenango Dr., Jericho on Sept. 20. Burglars entered through an unlocked rear window.

### Cruise Night

# Dear Friends ...

Dear Friends:

On Sept. 21st, it was a pleasure to be present at the Festival Eucharist celebrating the 40th anniversary of the Rev. Domenic K. Ciannella's ordination to the Episcopal priesthood. The Rt. Rev. Robert C. Witcher, Bishop of Long Island officiated at this Eucharist which was held at Holy Trinity Episcopal Church on Jerusalem Ave., and Off Country Road in Hicksville. The choir was magnificent. A friendly reception followed in the Parish Hall.

May you celebrate many more anniversaries. Father Ciannella!

WE HAVE COME ACROSS two books, covering very different subjects, but, both interesting, recently.

One is entitled "Long Island: A Scenic Discovery." It is published by Yankee Publishing, Inc., located on Main Street in Dublin, New Hampshire, 03444, and we cannot praise the quality and the beauty of the pictures in this book enough. It is listed at \$30.00 and well worth it!

The other is "Inside Auction Sales" which is a new publication that is a complete step-by-step guide to the bargains found on sale at U.S. Customs auction in every area of our country. The author knows his subject well. This book will benefit anyone who is committed to finding bargains. It costs \$13.95 and is available through Oakwood Press, 2168 Feliz Dr., Novato, California, 94947.

THAT'S ALL for this week. We hope to have the pleasure of seeing many of you on Thursday night Oct. 3rd, at the Hicksville Community Council's 14th Annual Awards Dinner which starts at 7:30 p.m. at Antunus.

## Sukkot Services

Rabbi Gary G. Perras has announced the schedule of Sukkot Services (Feast of Tabernacles) at The Manetto Hill Jewish Center as follows: Sunday evening, September 29th, 7:30 p.m.; Monday, September 30th, 9:30 a.m.; Tuesday, October 1st, 9:30 a.m. Refreshments will be served in the sukkah following all services. The entire community is welcome to attend.

Sukkot is the third of the three major Jewish festivals. In ancient Israel this festival which occurred at the final harvest season was observed with the pilgrimage to the Temple in Jerusalem. Thanksgiving was given for the year's harvests. This concept of thanking God for his abundance deeply moved the Pilgrim Fathers to establish the American observance of Thanksgiving.

In Rabbinic times, this festival came to serve as a reminder of the wanderings of the Jewish people in the wilderness for forty years and stressed the theme of man's dependence on God.

The major symbols of the festival include the following:

1. The Sukkah - a small temporary hut or shack reminiscent of the portable homes of the Israelites in the wilderness and the farmers' shelter in the fields in ancient times. Traditional Jews eat their meals in the sukkah to recapture the ancient wilderness experience. Spending time in the sukkah is also a very vivid reminder that there are people in the world who suffer deprivation, poverty, and hunger and it renews our determination to work for the well-being of our fellow human beings.

2. The Lulav and Etrog - a palm bough bound by branches of willow and myrtle and the citron - a lemon-like fruit. All these plants are native to Israel and serve as a vivid reminder of harvest time in Israel.

Ancient Rabbinic interpretation sees in these four plants four often-misused parts of the body. The Lulav

# We Have Special Employment Opportunities

By TOB Supervisor Joseph Colby

Employment figures don't always tell the entire story of what's happening in the job market.

I always brag that unemployment in Oyster Bay is one of the lowest in the State of New York - it's true - and I take great pride in that fact. Within that encouraging statistic, however, there are groups who have slightly higher unemployment figures. They have been tar-

geted for special employment opportunities to lessen their numbers.

Two employment programs which deal specifically with young people are offered through the Job Training Partnership Act, administered by Oyster Bay's Division of Employment and Training which offers the job services to residents of Oyster Bay, North Hempstead and the City of

Glen Cove.

The STEP employment program is one which we have just been able to develop with the receipt of a \$50,000 grant. This program is designed to provide students 16-18 years of age, who are considered potential dropouts, with an incentive to remain in school and finish their education while giving them after school employment. Jobs in this program

are all in private industry and funded equally by the program and the employer.

The second youth program, IN-STEP, is for youngsters between the ages of 16 and 21. It offers after school work experience within the community at local libraries, parks and community facilities and is funded entirely by the Job

## Possible Solution To Hazardous Waste Problems

Assemblyman Fred Parola (R-C, Wantagh) said he plans to present a possible solution to the hazardous waste problem on Long Island at an upcoming public hearing.

"It is apparent that the governor's choice in handling this issue is ineffective," Parola said. "The method of faulting industry and issuing punitive and expensive fines is not going to solve this major environmental problem."

"As an elected representative of Nassau County, I am very concerned over

hazardous waste," said Parola. "There are 27 inactive hazardous waste sites alone on Long Island."

The assemblyman described New York state's hazardous waste problem as a serious problem, noting:

There are 6 million tons of hazardous waste in the state, much of which is in inactive hazardous waste sites.

There are currently more than 1,000 known inactive waste sites in the state, again 27 of which are in Nassau County.

"As part of the Nassau County Assembly Republican Delegation and a member of the Environmental Conservation Committee, I support a Republican initiative as an alternative to the governor's ineffective action," Parola said. "The time is now for positive action."

"The plan we will propose is a realistic, economically sound, viable alternative to the present inadequate system," Parola added.

Parola is scheduled to participate soon in a public

hearing by the state Senate Environmental Conservation Committee. The date has yet to be set.

"As a member of the New York State Assembly Environmental Conservation Committee, I realize the commitment our state must make to alleviate the problem of hazardous waste," Parola said. "The alternatives we will present to the governor's program bills are an effective solution to the serious hazardous waste conditions that exist in New York state."

## Frisa Announces Safe School Week

Assemblyman Dan Frisa (15th A.D.) today announced Oct. 20 to 26 has been declared America's Safe School Week, and the 1985-86 school year as America's Year of School Safety and Student Attendance.

According to Frisa, a member of the Assembly Republican Task Force on Missing Children, Safe School Week is a project of the National School Safety Center (NSSC) in order to heighten the awareness of students, parents, educators

and law enforcement personnel for the need and benefits of increased safety practices.

"I applaud projects such as this for their dedication to the well being of our children who spend a large portion of the day at school," Frisa said. "Through events such as Safe School Week, positive steps are being taken to create an environment that will eventually assist students to receive more out of their primary and secondary educations."

"Special events expected to highlight the week's activities include presentations by Students Against Drunk Driving (SADD), and a new organization known as U.S. Apple Corps," he continued. "The Apple Corps Program, patterned after the Peace Corps, is attempting to emphasize the right of students to a safe school and student environment."

"I encourage schools to participate in NSSC's program by preparing proclamation declaring their intent to work towards a safer

school. NSSC suggests that the document be written by the school's student council president and the school principal. It should then be forwarded to NSSC," Frisa said.

"I sincerely hope that schools in the 15th A.D. will take the time to participate in this worthwhile cause. And I look forward to meeting with local PTA's over the next few months to discuss a particular aspect of school safety - protection against child abductions," Frisa said.

# Senate Approves D'Amato Amendment To Aid States Holding Illegal Aliens In Prison

The U.S. Senate, by a vote of 74-22, has approved a proposal by Senator Alfonse M. D'Amato (R-C-NY) requiring the federal government to pay the costs of imprisoning illegal aliens who have come to this country and committed crimes. The D'Amato amendment, cosponsored by 15 other senators, could provide as much as \$20 million annually for New York State, to compensate for imprisoning approximately 1,000 illegal aliens and Marielito Cubans who have been convicted of crimes.

The Marielito criminals were released from Cuban jails by Fidel Castro and sent to the U.S. in the 1980 boatlift. "We send billions of dollars overseas in foreign aid," D'Amato said. "This amendment offers desperately needed assistance to combat a problem right here in our backyard--our seriously overcrowded state prisons." D'Amato said the Marielitos problem is of particular concern because of the savagery characteristic of these aliens.

"Some of the Cuban prisoners sent to us are so violent, so sadistic, that even our worst criminals cower from them," he said. D'Amato noted that there are enough aliens occupying cells in New York State to fill up two prisons. Throughout the country there are 3,000 illegal aliens and 1,700 Marielitos who are adding to the overcrowding, which is the single greatest crisis facing state prisons today, he said. "These alien felons are a federal, not a state, responsibility," D'Amato said. "It

is because of the Federal government's failure to control our borders that these individuals were admitted into this country. "This amendment provides our states much-needed help in their fight to make our communities safe, and to deal with the epidemic of crime," he concluded. The D'Amato amendment was attached to the Immigration Reform Bill, which passed the Senate by a vote of 69-30 and is awaiting action in the House of Representatives.

## Hicksville Republican Club

**Harriet A. Maher**  
President

**Joe Jablonsky**  
Executive Leader

by **Jeanette Magnuson**

Mr. Francis Purcell was our guest speaker at the September meeting. Mr. Purcell is the 5th County Executive and is in his second term of office. He is married with three children.

Mr. Purcell thanks everyone for their support in the past not only to himself but the Republican ticket.

Mr. Purcell spoke of Nassau County and the magazine article that rated Nassau County the best place to live. The reasons for Nassau's honor is many fold. The people who volunteer their time without any compensation. Our schools are also an important success of the county. Nassau's schools are good because people realize their importance and are willing to pay for them. Also Nassau has the lowest unemployment rate in the County. Part of the reason is because of the caliber of employees in Nassau.

Mr. Purcell asked for our support for everyone who is on the Republican ticket. This year there will be more candidates running than ever before. There are 38 candidates running from Oyster Bay, Hempstead, North Hempstead and Nassau County.

Francis Purcell also spoke about the increase of drug and alcohol abuse. He

requests that we do not close our eyes to the problem but try to get help for the people who need it. Nassau County has a fine Drug and Alcohol Center.

For people who have to

register to vote, registration will be on Thursday, October 10, 1985, from 1-9 pm and Saturday, October 12, 1985, from 12-9 pm at the Hicksville Jr. High.

Have a nice week!

### Purcell Schedules Public Budget Meeting On Oct. 3

County Executive Francis T. Purcell will throw open the doors on Thursday, Oct. 3, to invite the public to tell him personally what they think about the 1986 county budget.

Purcell said the public budget meeting will be held in two sessions -- from 2 PM to 4 PM, and an evening session from 7:30 PM to 9 PM. The meetings will be held in the board of supervisors meeting room on the fifth floor of the County Executive Building, 1 West St., Mincola.

"I intend to listen," Purcell said. "I want to hear

what people have to say about the budget and about what they think the county should be doing in 1986."

Purcell said he wanted to give the public a chance to be heard before he finalizes his proposed 1986 budget and submits it to the board of supervisors. By law, Purcell must present his budget to the board by Nov. 12. The board must hold a public hearing and adopt a budget by Dec. 16.

Purcell said the meetings will be informal, with people heard in the order in which they sign in.

## Baby Sitting Course

**THE AVERAGE FAMILY**

Do you ever read those statistics about the average family? You know, the folks with 2.8 children and 1.2 cars--or is it the other way around? Somehow, we read the numbers but they don't connect with the people we work for.

Every house we sell is unique. So is every client we work for. That's why we've given up statistics to concentrate on the job at hand.

Every house we see has a special profile: not just the number of bedrooms and baths, but the FEEL of the place, its ambience, its style. The lifestyle that goes with it, and the kind of people who want that lifestyle.

Now, maybe someday they'll be able to program a computer to match the prospective buyers who come into our office with the houses that would be right for them. And as far as beds and baths are concerned, a computer can do it now. But there's more--the sense of the kind of house a prospect really wants, and how to find it--that marks an experienced real estate agent. A good agent makes a good match--and a good sale.

When you want really know-how that matters, list with:

## Telephone Pioneers Serve Many Causes

The Sewanhaka Life Member Club, a group of retired Telephone Company employees of the Paumanok Chapter, Telephone Pioneers of America, held its first monthly membership meeting for the '85-'86 club year on September 5, at the Community Church of Garden City.

Club President, John Christy, following his opening remarks, introduced the Hon. John B. Kiernan, North Hempstead town Supervisor. John Kiernan presented the club with a 1923 Suburban Telephone Directory containing lists of subscribers in places suburban to New York City. This directory was divided in five sections. 1-Long Island, outside of Brooklyn and Queens. 2-Northern New Jersey, 3-Rockland County

and the Town of Tuxedo, in Orange County, N.Y., 4-Westchester and Putnam Counties, N.Y., 5-Darien, New Canaan, South Beach and Stamford, Conn.

This directory and the Proclamation he presented to the club on June 6, recognizing the club's community services achievements during 1984-'85 will be permanently displayed at the Paumanok Chapter's Telephone Museum at Huntington.

The various Committee Chairpersons reported on their activities during the Summer months and planned activities during the forthcoming months. Among the events of particular note are: September 10, a visit to Long Island Jewish-Hillside Medical Center, A "Sugar Babe Doll" donation to aid dia-

betic children. Blood Donor calling conducted monthly on the second Tuesday and third Wednesday from 5:30 to 7:30 PM and on one Saturday monthly, from 9:30 AM to 1 PM. This is a continuing program which has effectively increased blood donations in Nassau County. A Bake Sale-oration is planned for October 4 at four Telephone Company buildings in Northwest Nassau to raise funds for the Statue of Liberty restoration.

At this meeting and at all monthly meetings, food coupons for group homes in Nassau, canned food and paper goods for distribution to the needy are contributed. Wool was distributed for the production of lap robes, booties and shawls by the membership. The finished

articles to be distributed when visiting Nursing Homes in our area.

Fellowship trips planned for members include Atlantic City on September 19, Fall Trip to Greene County, N.Y. on October 10 and a four day trip to the Pines in the Catskills the week of November 11-15.

Following luncheon Ms. Judy Gerves, a Social Security Administration Representative gave an informative talk on Social Security as it affects all and answered specific questions from the audience of 160.

The enthusiasm displayed at this first general membership meeting of the Pioneer year '85-'86 indicates another successful year of Community Service and Fellowship.

## "The Disabled Are Able!"

By Dorit Wolfberg, C.S.W.

Last year it was estimated that there are approximately 100,000 developmentally disabled individuals living in the State of New York. One thousand more are born each year. It is also estimated that 85% of those people who are substantially disabled continue to live at home with their families.

While it is very gratifying to see the growth in public awareness around the lives of the developmentally disabled, most of this awareness has been focused on the issues surrounding institutionalization or re-absorption into the community. Very little attention has been paid to the needs of thousands of families who have taken it upon themselves to care for a disabled family member at home; sometimes for their entire lives. The Nassau Center for the Developmentally Dis-

abled has been helping such families for nearly three decades.

The Nassau Center was founded in 1958 by a small group of motivated parents. It is part of an expanding network of agencies on Long Island who provide ongoing support to developmentally disabled people living in the community.

The Center's Adult Day Treatment Program, under the direction of Philip Kane is located in Hicksville. It serves over 100 clients past the age of 21 and operate daily throughout the year. It is regulated by New York State's Office of Mental Retardation and Developmental Disabilities and is funded through Medicaid. Door to door transportation is provided to all clients at no charge to families.

The goal of the Nassau Center is to provide a program in which the clients may achieve their optimum levels of independence in a caring and dignified environment. Each person is thoroughly evaluated by a team of professionals, and individualized treatment plans are developed to address those areas where a need for improvement is indicated.

Clients are placed in classroom settings for groups of approximately ten persons. Each class is run by two Developmental Specialists and is supported by a team of Psychologists, Social Workers, Nurses, Speech Pathologists and Therapeutic Recreation Specialists.

A Case Coordinator is assigned to ensure the integrity of the program plan. Clients work on areas such as self-care, domestic skills, academics, pre-vocational training, travel training and self-esteem.

The approach is holistic. Each person is viewed as a complex individual who is in need of growth in a variety of areas simultaneously.

Goals are established with the clients' current level of development in mind. Progress may be seen in as simple a task as learning the sign language for bathroom, or in as complex a task as learning to take public transportation without supervision.

Counseling is provided to both the client and to his or her family on an individual or group basis. Behavior management training is provided as well, both in the Day Program and at home. The clients' families are afforded access to a variety of auxiliary community services such as home health aides, respite and specialized medical services. Parents are also provided assistance for negotiating the state and

county social service systems.

The thrust toward increased support for families to disabled individuals is relatively new in New York State, but it is increasing and will continue to increase as long as awareness and family participation grows. The most common barrier is ignorance; ignorance of the disabled and ignorance of the services available to them. You can help to overcome these barriers by spreading the good word that services for the disabled and their families do exist and will continue to grow with the help of their neighbors. Help us, call us...at The Nassau Center (516) 433-8300!

"ULTRA LIZ" DOES IT AGAIN! Liz Flahavan Hicksville, who is rapidly developing into one of Long Island's top women ultramarathon runners, successfully completed the August 24 Forest Park Forty Mile Run in 60 hours, 13 minutes. Liz, who runs for the Plainview-Old Bethpage Road Runners Club, was the 3rd woman to cross the finish line and the 13th finisher overall in this demanding event.

Most runners regard the Marathon distance of 26.2 miles as the ultimate accomplishment in running and racing. Liz is one of a hardy band of endurance athletes that trains for and runs ultramarathons. Liz has previously competed in the May 18 Long Island Championship 12 Hour Run, where she logged more than 66 miles and also finished in 3rd place in the women's division.

Liz is only 21 years old -- and can look forward to many years of constantly improving performances in endurance athletics. Her next "ultra challenge" will be the November 9 Philadelphia to Atlantic City 100 kilometer Run.

## Local Runner Get Triathlon Fever!

The Plainview-Old Bethpage Road Runners Club played a big part in the 4th annual Mighty Hamptons Triathlon on September 7.

Six POBRRC members competed in the event — TOM MOYLETT, GERRY KAUFMAN, NANCY ACKLEY, DAVID DANIELS, STAN WUNDERLICH and MARGE BELLAFFIORE. Tom was the top Club finisher in 3:10:38, taking 2nd place in the Masters Division and 53rd place overall. Gerry finished in 3:45:53, and Nancy was the Club's first woman finisher in 3:54:19. Stan and David did the run backwards!

The Mighty Hamptons Triathlon consists of a 1 1/2 mile swim in Peconic Bay, a 25 mile bike ride and a 10 mile run.

POBRRC members were

key to the success of the event, as our "teams" served as the crew at the swim finish line and the run finish line, as well as directing traffic and in the computer room. Thanks for your help to: Liz Flahavan, Marge Kroeger, Julie Shapiro, Annette Frisch, Sue Polansky, James Ackley, Roger Loberto, Howie and Mona Greenberg, Joe Rottino, Arlene, Missy and Peter Kaufman, Steve Winkler, Matthew Winkler, Ira and Marian Eskow, David Birdotti, Jim McDougall, Gladys and Chris Simonsen, Joanne Gallo, Gina Gelman, Larry Davidson and Michael Davidson. There could have been no Mighty Hamptons without their help!

Where was Jeff Jacobs while all this was going on? Jeff journeyed up to Massachusetts on September 7 to compete in the "Ironman in

POBRRC's Gerry Kaufman changes from his swim suit to his biking gear as fellow Club member Howie Greenberg looks on with approval.

Cape Cod" — a 2.5 mile swim, a 112 mile bike ride and a full 26.2 mile marathon, patterned after the

original Hawaii Ironman triathlon. Jeff completed the event in an awesome 11 hours, 47 minutes!

## Holy Family Blood Drive

While medical emergencies are not thought about by most people, they are a matter of daily concern to the staff at Long Island Blood Services. In an effort to boost area blood supplies, Holy Family Parish will host a community blood drive on Wednesday, October 9 from 3:30 p.m. to 8:45 p.m. For the convenience of area residents, a bloodmobile will be set up in the school cafeteria, located at 20 Fordham Avenue in Hicksville.

Blood donors are always needed throughout the area. Each day, over 600 pints of blood are required by the 41 hospitals throughout Nassau and Suffolk counties.

Donating blood is a safe and simple procedure. Anyone in good health, weighing a minimum of 110 pounds, and between the ages of 17 and 66 is urged to donate at the October 9 event.

The donation process, from registration to refreshments, takes only one hour. By giving one hour of your time, you could be giving a lifetime to others.

There are many people in the Long Island community who depend upon blood

**AMAZING GRACE**  
Every so often we are able to wrap ourselves around a good book. A best seller sometimes catches our fancy, or perhaps we take time to pick up a classic we have always wanted to read but just never quite have gotten around to. I'd like to challenge you to pick up the best seller of all times. It has set every record there is...has been translated in hundreds of languages and every one is a gift edition coming with the gift of salvation through Jesus Christ.

Let me encourage you to read a book a week—your choice. You might choose Genesis with its 50 chapters or Acts with its 28. If it is a very busy week, Titus has but 3 and Philemon 1.

We begin at Ephesians 1:1. "Paul, an apostle of Christ Jesus by the will of God, to the saints who are also faithful in Christ Jesus." Saint Paul is writing not just to the Ephesians but to us also. He is writing to you. "Me a saint?" you may be thinking. "Yes, you a saint!" You were made holy through baptism and blood—set apart for service, heaven bound through grace.

You saints, "Grace to you and peace from God our Father and the Lord Jesus Christ." What continues now for the next 14 verses is an amplification on this beautiful word, GRACE. My acrostic for grace—God's Riches At Christ's Expense. Nothing is worth more to us than God's grace. A nicer greeting you can not bestow than Paul's. At Christmas peace was birthed in Bethlehem. With Jesus' coming he not only slept in heavenly peace, but he brought it with him for you and me. When you have been touched with God's grace, you can have heavenly peace on earth.

Each week we commit many sinful acts which are the direct opposite of grace—they are a disgrace to God. Our sins put us in disgrace. We become candidates for the wrath of God. We disgrace ourselves; we disgrace our God. We are disgraceful. In Christ, God gives us grace for our disgrace. It is amazing grace. He gives us everything for nothing.

The grace of God is the costliest of all possible gifts; it cost a man his life...not just any man but the Son of God.

It was purchased through pain, sweat, agony, tears, blood, and crucifixion. We must never cheapen it by becoming indifferent to it.

A Christian marriage is a covenant of faithfulness made before God to be faithful to one another, to honor one another, not just on the honeymoon but when life gets tough.

Enter the so-called mid-life crisis. To illustrate let's make the husband the culprit. In a moment of weakness or anger, he breaks the covenant of fidelity he pledged to his wife. She finds out. He has disgraced himself, her, his family. He sees his mistake; he feels terrible about it; he comes to her and asks forgiveness. In his disgrace he pleads for her grace. She forgives him. Does he deserve it? No. Was the grace she gave him cheap? No. She must carry a broken heart yet love the heartbreaker. But what if he cheats again? "Throw the bum out she'll be counseled," and few of us would argue with this, for we would sense her pain and understand the need to ease such pain. In our relationship...

## Education Highlights from the Hicksville Board of Education

During the 1985-86 school year, the district is initiating a study of our current junior and senior high school configurations to determine whether the current 7 to 9 and 10 to 12 schools or a two year junior high and a four year high school pattern would be more educationally sound and more efficient in terms of facilities, staffing patterns, and fiscal considerations. Toward that end, a "Secondary Study Committee" will be organized composed of eight teachers, two administrators, two guidance counselors, and one representative each from the junior and senior high PTSA, SEPTA, PTA Council, Senior Citizens, the Chamber of Commerce, and the Hicksville Community Council. Dr. Couillard, Assistant Superintendent for Educational Services, will chair the committee and Director of Instruction Dr. Barnes, JHS Principal Mr. Klein, and SHS Principal Mr. Hogan will comprise the Steering Committee, bringing the total committee membership to twenty-three. The first meeting is scheduled for October 2 at 9:30 A.M.

The general issues to be considered will address these questions:

1. Should the ninth grade be moved to the high school?
2. How can we better meet the needs of students in grades seven and eight?
3. What facilities changes can improve our program?

4. What shared uses of junior high facilities with the community are feasible?

A number of complex issues will be the focus of the committees study. Among these are the impact of an additional 800 students on classroom space, the hall environment, and book storage at the high school; the patterns of staffing and realignment of positions; and such curricular issues as number of electives and academic levels and the potential for an improved curriculum. Other factors to be considered are the structure of the junior high with respect to the intramural program, the nine period day, grade level musical performing groups, and surplus space as well as a host of administrative issues.

District administrators believe that it would not be feasible to consider making a change in the current secondary organization for September 1986. During the past school year, numerous steps have been taken to improve the operation of the high school, and that strong foundation must be cemented before we continue to build upon it. The Secondary Study Committee will begin their careful and comprehensive deliberations to prepare a report to the Superintendent and the Board during the second half of the school year. Community residents will be kept informed as the work of the committee progresses.

rate headquarters and contain retail showrooms; CCS' programming and technical assistance staffs; training facilities, and service and direct and educational sales staffs.

A grand opening ceremony, featuring computer art and computer graphics exhibits, computerized music demonstrations and a reception for business customers, government leaders,

education and science representatives, members of the press and other guests, will be held during November.

Custom Computer Specialists, Inc. is a sole-source supplier of computers and computer services offering hardware and software, consultation and system analysis, custom programming, classroom seminars and workshops, full service and repair, user-site training and leasing.

A Women's Health Fair will be held at Winthrop-University Hospital in Mineola on Saturday, October 5, from 9:30 a.m. to 4 p.m. Open to the public, the fair will provide information on 31 widely diverse topics of importance to women and an information booth in the lobby to display and distribute literature.

The keynote speaker will be Jacqueline Hott, R.N., F.A.A.N., Ph.D., Acting Dean of the School of Nursing at Adelphi University, who also maintains a clinical practice in Psychology and Sex Therapy.

Dr. Penny Wise Budoff, Clinical Associate Professor of Family Medicine at the State University of New York at Stony Brook,

author to two best sellers, "No more Hot Flashes and Other Good News" and "No More Menstrual Cramps and Other Good News" will also address the group.

Each 30 minute session will be scheduled twice during the day. Topics to be covered in the comprehensive seminar on women's concerns and health issues include the following:

Assertiveness, Childbirth education/preparation, Birthing alternative, Nutrition in pregnancy and across the life cycle, Perinatal loss and bereavement, Family planning, Sexually transmitted diseases, Adolescent suicide, Child abuse/child neglect, Breast cancer, Physical fitness, Stress management,

Premenstrual syndrome, Menopause, Accident prevention/poisons, Osteoporosis, Substance abuse, Childhood Safety/auto seats, Fingerprinting children, Day care in the eighties, Gerontologic issues, Cardiovascular fitness, Signs, symptoms, and prevention of diabetes, Healing alternatives, Midlife crisis, Alternative life style and work patterns, Rape, Infertility, Mammography, Financial planning.

The fair is sponsored by the Nursing Department of the hospital with Elizabeth McFadden of Lake Ronkonkoma, R.N., Assistant Director of Nursing, serving as chairperson of the planning committee. Committee

members include Ann Bantleon of Levittown, Gail Barger of East Williston, Kathy Dooney of Mineola, Adriana Este of Hempstead, and Roxanne Oelrich of Garden City. All are registered nurses.

Many of the speakers are staff members at Winthrop-University Hospital. Others who will participate come from agencies outside the hospital, including but not limited to, the Nassau County Police Department and Adelphi University.

The public is encouraged to attend. Pre-registration is suggested. For further information or to sign up, call the Volunteer Office at 663-2391 between 10 a.m. and 2 p.m. before October 4.

### Employment (Continued from Page 4)

Training Partnership Act (JTPA).

Potential participants for both programs must meet very strict eligibility guidelines. To find out if you meet the requirements and which program can best help you, contact the Division of Employment and Training, located at Town Hall South, 977 Hicksville Road, Massapequa. The phone number is 795-5610.

Now I have great news for seniors, too, who are looking for employment opportunities.

With funds especially earmarked for the employment needs of our older residents, the Town is able to assist seniors who are able

and willing to work by paying for On-the-Job training and tuition free classroom training. All hiring in this JTPA program is done by private industry with an eye towards guiding individuals into jobs in growth industries.

Applicants must be 55 or older and able to work. Income guidelines vary, so I suggest you call 795-5610 for specific information.

In Oyster Bay we're doing everything we can to keep the unemployment rate down. I hope those of you who qualify will take the opportunity to learn a new skill and begin a new career. I wish you success.

ship to God we are the continually unfaithful, disgraceful spouse. The forgiveness God bestows on us is not cheap.

Because of his forgiving, our life must become one of thanksgiving. Our appreciation is demonstrated through regular worship, generous giving, and forgiving of others.

Saints of God, we are truly lucky—we have new life every day in Christ, and we are participants in a forever future. Now let's live our lives to the praise of his glory.

**Hicksville Free Milk and Lunch Plan**

A free milk and lunch policy continuing this school year has been announced by the Hicksville Public Schools. Free milk for eligible youngsters will be available at Fork Lane, Old Country Road, and Woodland Avenue Schools. Free milk and lunch will be available for Junior High and High School students.

Local school officials have adopted the following family eligibility criteria to assist them in determining eligibility.

Income Eligibility Guidelines for Free Milk and Lunch Effective from July 1, 1985 to June 30, 1986

Family Size	Yearly	Monthly	Weekly
One	\$ 6,825	\$ 569	\$132
Two	9,165	764	177
Three	11,505	959	222
Four	13,845	1,154	267
Five	16,185	1,349	312
Six	18,525	1,544	357
Seven	20,865	1,739	402
Eight	23,205	1,934	447

For each additional family member add

2,340	195	45
-------	-----	----

Families with incomes at or below the amount of money listed above for their family size may be eligible for and are urged to apply for free milk and lunch. They may do so by filling in the applications forms sent home in a letter to parents. Additional copies are available at the principal's office in each school. Applications may be submitted any time during the school year to the Building Principal. If a family member becomes employed, if the family size decreases, or if your family income increases by more than \$50 per month or \$600 per year, the family must contact the school to file a new application. The form requests information needed to determine economic need based on the income and the number of persons in the family. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility.

The school district, does, however, have the right to verify at any time during the school year the information on the application. If a parent does not give the school this information, the child (children) will no longer be able to receive free milk and lunch.

In certain cases, foster children are also eligible for these benefits. A family may wish to apply for milk and lunch for them and should contact the school.

Under the provisions of the policy the designated official will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the designated official, he/she may make a request either orally or in writing for a hearing to appeal the decision.

A free milk and lunch policy continuing this school year has been announced by the Hicksville Public Schools. Free milk and lunch will be available for Junior High and High School students.

**Stamp Collecting Month**

"Stamp collecting is one of the world's most popular hobbies. It is enjoyed by an estimated 22 million Americans," says Roger Nienaber, Hicksville Manager/Postmaster. "It is a family activity that bridges generations. We are encouraging older collectors to pull out their albums and share them with their children or grandchildren. We believe an adult who introduces a youngster to collect stamps is giving the child an educational activity that will last a lifetime."

At the Safety Fair on October 13, 1985, in the Hicksville Post Office lobby, there will be a display on stamp collecting. It is

designed to show children how to obtain stamps, how to classify them and the history of philately. Anyone wishing to obtain more information on stamp collecting can contact the Public Affairs Office at the Hicksville Post Office at 933-2406. The Postal Service also has free loan films on stamp collecting available and it sponsors the Benjamin Franklin Stamp Club Program in elementary schools. This program provides children with a monthly stamp magazine, stamp games and albums. A representative from the Postal Service is available to speak at schools about stamp collecting.

Company has occupied since 1983.

"The new facility is a result of our company's growth," Galdi said. "Despite a relatively slow year for the industry, CCS had surpassed its 1984 sales by the end of June, and most of our sales take place in the fourth quarter. In each of the last six years, we've had a growth of 100%. As a result, we need more space."

CCS is Long Island's leading computer dealer, offering hardware and software from top manufacturers in the field. Its hardware lines include IBM, Apple, Hewlett Packard, and Texas Instruments. The Company's extensive range of software covers all major titles including Lotus, Microsoft, Ashton-Tate, MicroPro, VisiCorp, Apple,

IBM, Hewlett Packard, Texas Instruments and AutoDesk. CCS also creates customized software for customer needs.

The Company was founded in 1979 by Galdi and was originally housed in two offices of a commercial building in Riverhead. By 1981, the Company's success had enabled it to purchase and fill the building it started in as a tenant. The Company's main office is presently located at 300 Vanderbilt Motor Parkway in Hauppauge.

The new 8,166 square-foot building, located on the North Service Road of the Long Island Expressway, just west of Ranick Road in Hauppauge, is scheduled to be completed in October. It will function as CCS' corporate headquarters.

VERN & BILL WAGNER  
TWO GENERATIONS OF SERVICE

### DEAL CONSTRUCTIVELY WITH GUILT

Many of the problems with grief stem from unresolved guilt. More often than not, the guilt is purely imaginary. We chide ourselves for not having somehow prevented the death. A million possibilities flood our minds. If I had only done this, if I hadn't done that. A person feels guilty for allowing his or her spouse to run an errand on a stormy night. A child feels guilty simply for wishing at some time that he didn't have a brother or sister.

structure way. Many of the people who campaign for the use of seat belts, or to get drunk drivers off the road, are doing this because of some personal tragedy -- doing some good for the community and at the same time working out their own feelings.
