Hicksville's New Air Stripping Plant

by Louis G. Dettloff, admin. asst.

The Board of Commissioners of the Hicksville Water District chose to make an official presentation of the facts and figures surrounding our new Air Stripping Plant located on Bethpage Road at our Plant One site. The Commissioners Gilbert E. Cusick, Nicholas J. Brigandi, and Richard A. Humann, feeling that we are approaching a time when the plant tests and ultimate acceptance will enable them to throw open the doors by spring to the general public, and especially the Hicksville residents, took the opportunity to make a presentation of the story to the New York State American Water Works Association in a Technical Session at Toronto, Canada, on Sep-

tember 10 to 13, 1985.

A member of the Board of Governors of the American Water Works Association indicated that they did in fact believe the presentation, as one of the finest if not best of its type. Considerable recognition was gained for the Hicksville Water District for its efforts on behalf of producing pure and potable water for our community and for opening new ways to go about the procedures. The State of New York, Department of Health, Office of Public Health, in a letter dated September 12, 1985, did thank the Board for its presentation and stated "Your paper entitled 'Air Stripping for Organic Removal' was both enlightening and well pres-

ented." Appreciation was expressed for the time and effort involved in the necessary preparation.

At the Annual Legislative Dinner at the Crest Hollow Country Club in Jericho which was attended by more than twenty-five (25) Legislators or Aides, and approximately two hundred and fifty (250) water works professionals, the Hicksville Commissioners did call upon those present to support or sponsor a broadening of the gasoline spill legislation to include more hazardous materials dumped by gasoline powered vehicles. The Board has expressed its continued concern because of the fact that four (4) years

ago - a truck caused a MEK (Methol Ethyl Ketone) spill in Hicksville - MEK is a petroleum derivative. The length of time of response by the Federal and State agencies to our request for clean-up did enable the MEK to spread underground. Despite the fact that more than a million dollars was spent for removal, the Board feels that the MEK may still be there because recovery was minimal. If MEK had been gasoline - it would have been speedily cleaned up by the Department of Transportation. A minor change in the definition of petroleum derivatives will encompass many hazardous materials that are being spilled into our environment in and around New York State.

New Hearing Date Set on Permit For Van/Auto Refurbishing Business

The Oyster Bay Town Board has scheduled a new public hearing date of Tuesday, December 17, to consider a request for a special use permit to operate a van and auto refurbishing business in Hicksville, according to Town Councilman Thomas L. Clark.

"The Town Board had originally scheduled a hearing for Tuesday, October 8, on an application from Dawn Industries, Inc. and Frank J. Antun Properties, Inc., for a special use permit to operate a business that will include the refurbishing of vans and motor vehicles, installation of sun roofs,

4-wheel conversions, and retail sale of automotive accessories in a 'G' general business district in Hicksville," Clark stated. "At the request of the applicant's attorney, the October 8th hearing was postponed. The Board has set a new hearing date of December 17, at 10 AM in the hearing room of Town Hall East, Audrey Avenue, Oyster Bay."

Clark noted that the subject property is located on the north side of Old Country Road approximately 690 feet west of Newbridge Road in Hicksville.

HJHS Prep Class Forms Business Club

"Juniors Scrambling for CASH" is a business club just formed by the students of the PREP class at the Hicksville Junior High. It aims to enhance the students self-esteem while forging a

bond between the community and the students. Our young people will be studying and surveying Hicksville's history and needs in an effort to provide services for it's residents.

Their first business venture was cleaning up after hurricane "GLORIA". Several homeowners welcomed the help in raking and bagging the debris left behind. This Saturday, November 2nd is the date for the clubs second project; a combined car wash and bake sale. Through the hospitality of Greg and Rich Manelski it is being held in Chroma Paints' parking lot, and will be run from 9 am - 3 pm. Other upcoming club activities will be: 1. Complete childreans birthday party service, 2. Tutoring elementary school children, 3. Raking and snow removal, 4. Senior citizens aids.

Teachers Mike Scheck and Patricia Faherty are providing classroom instruction under the direction of Chuck Wayne in various business related subjects. Lois Glanzer, the attendance teacher; and Cindy Sosa, the employment coordinator at the

Hicksville Youth Council are acting as advisors and supervisors to the group and it's activities. The business club members are: Brian McKibben, President; Mary Salerno, Vice-President; Dawn Alloco, Secretary; Kim DeCicco, Treasurer; Ralph Samuels, Salesman and Spokesman; Lisa Dykman, Publicity; Jason Turno, Equipment Head; Glenn Holm, Asst. Treasurer and Record Keeper; Deanna Doty, Asst. Equipment and Publicity.

This junior business club is anxious to earn money for educational purposes. They invite your participation in any of their services, and look forward to meeting you at their 1st Car Wash/Bake Sale this Saturday. You can contact them by calling the Youth Council at 822-7594. The Council's hours are Monday thru Thursday 10am - 9pm and Friday 10am - 6pm.

WINNERS: Oyster Bay Town Councilmen Kenneth S. Diamond (left), Thomas L. Clark (right) and Angelo A. Delligatti were on hand to present trophies to winners of the Hicksville Fire Department's annual Fire Prevention Poster Contest. Proudly accepting their prizes are John Boukas, 2nd place winner in the Kindergarten category, and Kristen Adams, 3rd place winner in the Kindergarten category. Both are from Woodland Avenue School. Delligatti and Ex-Chief John Specht hold the prize-winning entries.

Galileo Lodge News

By Joe Lorenzo

PRESIDENT PETE MASSIELLO'S MESSAGE: "Society can progress only if men's labors show a profit—if they yield more than is put in." Bernard Baruch

Our Halloween Dance held last Saturday has once again become a part of the past, but the fun, pleasure and entertainment that this affair offers is hardly forgotten. The people who attended enjoyed excellent food, great laughed and delightful dance music, not to mention the delightful and eye-latching costumes were graciously accepted by the winners. And this is another effort by the committee men, namely Chairman Armand del Cioppo and Co-Chairman Tony Sica and Joe Morace, and these fine efforts prompted President Pete Massiello to extend his most heartfelt thanks for the social and financial success of this extraordinary dance.

Everyone is looking forward to the holiday season, and why not, it is, after all, a special time of the year. Its a time to be joyous, to be happy and a time to spread good cheer and best wishes to our families, friends, relatives and acquaintances. Well, it appears that the Galileo Lodge wants to aid

and assist you in this matter as it announces that on Saturday, the 7th of December, it will present its Christmas Dance. Tickets will sell at \$12.50 per person, and in the offering will be a delicious hot dinner with all the trimmings, beer, soda, coffee and cake, set-ups and some delightful dance music for your listening and dancing pleasure. Tony Sica will chair this dance, ably assisted but the Co-Chairman Armand del Cioppo and Joe Morace. Please note that a "bring-your-own-liquor" policy will be in effect that night. A grab 'bag for the men and women will probably be featured, with the gifts not exceeding \$3 in value. Just as a random thought, why not think of this dance a mood-setter for the rapidly approaching holiday season. I am sure that this enjoyable Christmas dance will excite and stir you up enough for the holidays.

When Fall shows signs of fading into the past, we can see signs of a rapidly moving Winter season at our doorsteps. Our mood changes, as do our feelings. The weather takes on a disconcerting chill. The nights get shorter, the stars shine brighter in the dark night sky. Positions of the sun change, the shadows take on new forms. Even the

rays of the sun take on a new lustre. Yes, soon it will be the Yuletide season, and the Galileo Lodge the mood and spirit take on new dimension and proportions..... especially on Sunday the 8th of December, for that is the time when it will present its two Christmas parties, one for the handicapped children of Queens and Long Island in the morning and the other one for the children of the membership in the afternoon. Joe Giordano and Skip Monteforte will supervise these two emotional parties, and here is where the both memberships of the Galileo Lodge and the Ladies Auxiliary become the "committee". I could never find words adequate enough to express the warmth and the joy these parties offer these children, and even the adults.

And for a change-of-pace activity which might interest many people is the 'Night at the Races' (Roosevelt Raceway) being planned by the Ladies Auxiliary on Monday, the 25th of November. Tickets will sell at \$18 person, a very reasonable fee that entitles you to a delectable dinner at the Cloud Casino and also offers you a terrific view of the track itself and the horses that race over it. Tickets are now on sale and (Continued on Page 5)

BABY BAPTIZED: Mr. and Mrs. Frank Sallustro of Ballard Lane, Hicksville, presented their baby, Jeffrey Elijah, for the Sacrament of Baptism during the 9:30 a.m. worship service at Faith Evangelical Church, Garden City. Dr. David L. Bucci officiated. Following the service they presented a large cake in Jeffrey's honor for the coffee time fellowship. The Sallustros have two other sons, Brian and Stephen.

Faith Evangelical Church is using the facilities of The Church In The Garden, Clinton, Stewart & Osborne, in Garden City.

Nature Walk In Muttontown

The mystery of self-perpetuation in the plant world will be explained when naturalists at the Muttontown preserve Nature Center take visitors on a two hour nature walk, Saturday, November 16, from 10 A.M. to noon.

According to Nassau Recreation and Parks Commissioner Abram C. Williams, the faded blooms of summer leave behind a legacy of information illustrating the process of species survival.

Seeds, will be discussed. Seed dispersal insures the survival of the plant species from year to year. Visitors will learn that seeds travel by parachute, by catapult and by hitchhiking. During this exploration, participants may also enjoy the last vestiges of flowering beauty.

This program is free, but pre-registration is required. In case of heavy rain, an indoor slide show will substitute for the walk.

How plants travel from one location to another, why seeds always seem to return in a specific place and the special mechanisms available to flowers, shrubs and trees for scattering their

"JOSEPH" A TECHNI-COLORFUL SPECTACLE AT COMMUNITY COLLEGE: "A marvelous piece of entertainment" is the way one reviewer described the recent student production of Joseph and the Amazing Technicolor Dream Coat at the Nassau Community College Mainstage Theatre. Staring in the title role was Robert Maier of Hicksville, whose performance was called "strong" and "showing professional theatre instincts." The next scheduled productions at the Community College will be the comedies "Vanities," beginning a 5 performance run on November 14, and "Hooters," which runs for 10 performances starting November 27. Tickets are \$4 Friday and Saturday, \$3 other nights. For ticket information and reservations call the box office Monday through Friday, from 9 a.m to 4 p.m., at 222-7676.

These Five Proposals Will Appear On Your Ballot

Five amendments to the N.Y. State Constitution will appear on your ballot on election day, as follows:

• Proposal No. 1, if passed, will increase the State Job Development Authority power, from \$300 million to \$600 million. It will also raise the limit of the JDA's legal participation in approved capital projects from 40% to 60%. The JDA sells these tax-exempt bonds to finance low interest business loans which encourages businesses to stay in our State and at the same time increases employment throughout the state. We plan to vote "Yes" on this Proposal.

• Proposal No. 2 would permit the N.Y. State Legislature to pass tax laws based on the IRS Code without quoting the relevant federal laws in their entirety, in the legislation. This should simplify the State tax law. We are in favor of this.

• Proposal No. 3 affects the jurisdiction of the Court of Appeals. If passed this

Court could interpret N.Y. State law, for either the Federal Courts or Courts of other States. We feel it is wiser to do this than to have no set standards covering such cases. We plan a "Yes" vote here.

• Proposal No. 4 would cover the issuance of Sinking Fund Bonds by Municipalities or School Districts. At present, except for isolated incidents, only serial bonds may be issued. The acceptance of this proposal would permit more flexibility in these types of needed financing and would still be safe and attractive to most investors. We recommend a "Yes" vote.

• Proposal No. 5 would repeal the ceiling of monies to be raised by school districts in cities of under 125,000 population. In order to keep efficient educational programs in existence, this present ceiling has had to be circumvented in many areas. We favor a "Yes" vote here.

• HOLDING DOWN TAXES

The Colby team's 1986 budget will hold the General Town tax at the same level for a record 4 YEARS IN A ROW!

• HELPING SENIORS

The Colby Team has increased senior citizen housing by 45%. They have provided the largest tax cut available to senior homeowners and have obtained federal funds for senior home improvements. They developed programs to provide jobs for senior citizens.

• KEEPING COMMUNITIES SAFE

The model D.W.I. program and strong anti-burglary and anti-vandalism programs have brought real results in Oyster Bay communities.

• IMPROVING SERVICES

The Colby team has maintained and improved town roads, expanded town beaches, rebuilt community pools and ice rinks, increased commuter parking, worked to build a waste-to-energy resource recovery system, provided home improvements and public access for the handicapped.

VOTE ROW 'B' ON NOV. 5th

Dear Friends...

On the basis that it doesn't make sense to change a winning team, we heartily endorse the Republicans who, working together, have produced a County and the great Township of Oyster Bay, that are second to none in the entire Country. It took great leadership and an equally great team, to accomplish this and all County and Township residents benefit by these results. A national magazine recently called Nassau County "the best place in the United States to live". We have a bustling, prospering economy with a very low rate of unemployment. Thriving business and industrial areas combined with a suburban environment second to none, whether it be the well-kept lawns and homes of Hicksville, the spread out split levels of many other residential areas, or the north shore, mini-estates. Our property values have risen with inflationary times, and have not come down even with our present lower interest rates. Services are kept at a high level.

Problems such as garbage disposal and over-crowded jails are not unique to our County but, we all know, they are having to be addressed nationwide.

P.S. AS WE GO TO PRESS: The Town of Oyster Bay Board of Zoning Appeals has filed its "intention to file an action" against the recent Court reversal of their denial of Mr. Ivan Crippoli's request for variances to build a most attractive small building on Broadway in Hicksville.

Do not be discouraged about this, as it is quite possible that there will be a way for these problems to be

When populations increase, so do these problems. But they are being addressed and will be solved, especially if they are not treated as political footballs.

Yes, we are proud of our County and our Township and take great pleasure endorsing the election of those running on Row "B", the Republican Ticket. Keep them in, and help them in every way possible. Your letters will help them address temporary individual problems. So write, if necessary. You'll get a response. All the major town and county wide problems are already being worked on.

Yes, we must repeat... don't change a winning team. Stay with Row "B" and keep Nassau County and Oyster Bay Township in its present "Number One" position. It's good for all of us.

However, we are sure that you do not all agree with us. That's OK, too. That's the American way. This will be settled on Election Day. But, as we have said to you every year, for the past 33 years, whether or not you agree with us, DON'T FORGET TO VOTE ON ELECTION DAY. Tuesday, Nov. 5th, the polls are open from 6 a.m. until 9 p.m.

Sincerely,
SHEILA NOETH

solved in the not too distant future.

We know that everyone is hoping that this can be accomplished without delay. And it is quite possible that huge mud puddles and illegally parked cars will soon be a thing of the past in downtown Hicksville because well-planned small, attractive buildings will line the west side of Broadway from the RR down to Old Country Road.

We will keep you posted.

At The Town Board Meeting

By Geraldine Geannikis

The Town of Oyster Bay held a regular Town Board Meeting on Oct. 29 at Town Hall East, Audrey Ave., Oyster Bay. The following matters were addressed:

At a hearing for the Kelly Organization, Inc. and John Merenda, for a change of zone from Res. D to R-O residence-office district at Clarissa Dr. and Old Country Rd., Hicksville, the petitioners were asking to rezone in order to convert a house into office space. The site plan which was submitted was questioned since it showed a two story structure with a dormer extending over the roof line. There was also opposition expressed from residents in the area. They felt that once the zone change was made, the rest of homes in the area could also be sold for commercial use. They were also concerned with the fact that Mr. Kelly owns property adjacent to the house in question and may wish to expand. Decision was reserved on the petition.

Decision was reserved on the petition of Edith M. Wolloch, D/B/A Syosset Eastern Clinical Laboratory & Leon Wolloch for a change of zone from Res. D to R-O district to maintain and use a profession office for a clinical laboratory or in the alternative for modification of restrictive covenants

placed on the premises by Town Board Resolution dated 2, 19, 59 and 6, 28, 66 at the intersection of Lucille Dr. and Jackson Ave., Syosset. Under the restrictive covenants set previously on the property, Mrs. Wolloch cannot lease the property or sell the established business. She is asking the Town Board to modify the restrictions so that the property can be used as a lab without the said restrictions.

• Resolution #960 - Authorized the Town Clerk to advertise a hearing date of Nov. 26 for the petition of Woodbury Hill Development, Ltd., VIM Construction Corp. and the Roman Catholic Diocese of Rockville Centre, for a zone change from Res. A to Res. B to 5-2 at Sunnyside Blvd., North Service Rd.

• Resolution #961 - Authorized the Town Clerk to advertise a hearing date of Nov. 26 for the re-hearing on the petition of Foxwood Assoc. for a change of zone from B-A Res. to E-2 at Jericho Tpke. west of Massapequa-Glen Cove Rd., Cedar Swamp Rd. and bounded on the north by Meadowbrook Club, on the East by Henry Underhill Property, on the South by Jericho Tpke. and on the West by Were Assoc. Co. and the Meadowbrook Club, in Jericho.

• Resolution #962 - Authorized the Town Clerk to advertise a hearing date of Dec. 3 on the petition of Jaclyn and Jonathan Operations & L.S. Robbins Lane Corp. for a special use permit to operate a restaurant and pub in an Ind. H district and for modification of restrictive covenants placed on premises on 10/26/70 at 235Z Robbins Lane, Syosset.

• Resolution #963 - Authorized the Town Clerk to advertise a hearing date of Dec. 3 on the petition of Nopa Realty Corp. for a change of zone from Res. D to R-O at Central Park Rd. and Old Country Rd. (20 Central Park Rd.), Plainview.

• Resolution #964 - Authorized the Town Clerk to advertise a hearing date of Dec. 3 on the petition of Nopa Realty Corp. for a change of zone from Res. D to R-O at 65 Central Park Rd., Plainview.

• Resolution #965 - Authorized the Town Clerk to advertise a hearing date of Dec. 17 for the petition of Dawn Industries, Inc. and Frank J. Antun Properties, Inc. for a special use permit within a Bus. F and Bus. G and Res. E district to refurbish vans and motor vehi-

cles, install sun roofs and 4 wheel drive conversions for retail sale of automotive accessories and the general use of a public garage at Old Country Rd. and Newbridge Rd., Hicksville.

• Resolution #966 - Approved site plan submitted by Charlotte Ave. Assoc. for a one story building constructed at Charlotte Ave. and Long Island RR, Hicksville by the All-State Insurance Co.

• Resolution #974 - Authorized the third re-bidding for contracts for the rehabilitation and renovation of the Gregory Museum in Hicksville. Previously submitted bids for the contracts for heating and electrical renovations have been far too high for the project's requirements.

• Resolution #978 - Approved the re-scheduling of the Town Board Meeting originally scheduled for Nov. 19 into Nov. 26.

• Resolution #979 - Unanimously approved the adoption of the Town of Oyster Bay Budget for the year 1986.

The next scheduled meeting of the Town Board will take place on Nov. 26.

Midland Civic Assoc. Meeting

By Gertrude Paul

The first meeting of the '85-'86 season of the Midland Civic Assoc. was held at the Willet Ave. School on Oct. 16th and it was a smash! In line with its policy of informing their members of any pertinent information, the program was a double-header!

The second part of the Program was a "Meet The Candidates" night. Candidates for office from the Democrat, Republican, Conservative, Liberal and

Right-To-Life Parties were all there and each was given 3 minutes to state their views. The program was well organized and ran with precision, thanks to the efforts of Eileen Richards and Ellie Dragcott. A lively discussion ensued when Midland members asked questions of the various candidates. Members of the association

are now well informed and should exercise their precious right to make a choice on Election Day, November 5th. We hope you will all do so, for showing your interest is the strength of our country.

Refreshments were served and there was a half-hour of good fellowship before the meeting closed.

Seldin Endorsed For Reelection

Abe Seldin has been endorsed for reelection this November 5th by organizations representing thousands of voters in Nassau County. Seldin has served the people of Nassau County as Chairman of the Board of Assessors for 12 years. He is the Republican Conservative candidate for reelection to a third six-year term.

Endorsements for Seldin have come from the 50-thousand-member Civil Service Employees Association Long Island Region, from the Superior Officers Association of the Nassau County Police Department, the thousands-member Nassau Police Conference, the

Metropolitan Police Conference, the Greater New York Labor Committee and the Building Trades Council of Long Island.

Seldin proudly accepted the endorsements. "This broad base of support from organizations with diverse interests shows that they recognize I have always tried to be fair and open with the public. I am running for reelection on my record and that record is what has gained me these endorsements. With this kind of broad-based support," Seldin concluded, "I hope to be reelected on November 5th and to continue to serve the voters and taxpayers of Nassau County."

VFW Ladies Auxiliaries Commemorate 99th Birthday of Statue of Liberty

In spite of the reconstruction, approximately 2,500 members of the Ladies Auxiliary to the Veterans of Foreign Wars continued their 49-year tradition of presenting a gift and conducting patriotic ceremonies to commemorate the Statue of Liberty's 99th Birthday on Monday, October 28, in Liberty State Park, in Jersey City, New Jersey.

Members from the state of New York demonstrated their patriotism by attending the occasion and by working throughout the year under the direction of National President Lucile Suchina who has urged all 720,591 members nationwide to keep AMERICA ALWAYS FREE.

Mrs. Suchina, who is from Kingwood, Texas

presented this year's gift, a puppet theater, to help demonstrate the Statue's story to children.

New York State VFW Auxiliary Present, Lorraine T. Goonan, Wheatley Heights was present, along with the Junior Girls Units.

Keynote speaker was VFW Commander-in-Chief, John Staum of Minneapolis, Minn., who emphasized the importance of American freedoms for which the Statue of Liberty stands.

This was just one of many activities and Americanism throughout the country. The members also conducted thirteen other programs which helped the community and protected veteran's rights.

Committee To Meet

Two Hicksville Board of Education committees are scheduled to meet on Wednesday, November 6.

The District Facilities/Community Affairs Committee chaired by Daniel C. MacBride will address school vandalism, damage from Hurricane Gloria, and security provisions for computer equipment. Other items on the agenda include the status of the Vietnam-Korean Monument, a progress report on telephone installation in the Administration Building, a status report on insurance costs, and the dedication of the

Hall of Fame set for November 24.

The Curriculum Committee chaired by Jay M. Schwartz and Arlene J. Rudin will review curriculum projects completed during the summer. These include interdisciplinary and In-Depth Studies curricula on the elementary level and four units written for the Junior High Gifted and Talented program.

The meetings will begin at 8:15 pm at the Administration Building. Interested residents are warmly invited to join committee members in participating in these important sessions.

Citibank Installs Automated Teller Machine In Genovese Drug Store

Citibank has announced today the installation of Citicard Banking Center in the Genovese Drug Store in Plainview at South Oyster Bay and Woodbury Roads. The facility has two automated teller machines, which marks the first such placement in a retail drug store in the New York metropolitan area.

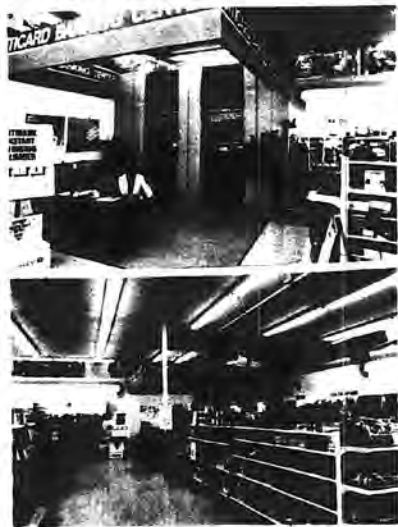

The installation is part of a plan designed to provide Citibank customers with transactional banking access in convenient retail locations in addition to Citibank branches. As a first step, Citibank recently installed a Citicard Banking Center in the East Meadow Hess gas station and this Fall plans to construct kiosks, each housing two automated teller machines, at Hess stations in Jericho and Oceanside. The East Meadow facility is considered by both organizations to be successful in regard to daily customer transactions.

"We are extremely enthusiastic about the Genovese Citicard Banking Center

placement," stated Joseph J. Redington III, Citibank Regional Business Manager for Brooklyn/Long Island/Staten Island. "Genovese Drug Stores is an organization whose corporate goals of commitment to serve customers' needs and provide outstanding service, complement our own."

The Plainview facility's extended customer hours support the feasibility of installing automated teller machines. Weekday store hours are 8:00 a.m. to midnight; Saturday from 8:00 a.m. to 8:00 p.m. and Sundays from 9:00 a.m. to 6:30 p.m. The Citicard Banking Center will be available during those hours.

All routine transactions can be performed at the automated teller machines including: deposits; cash withdrawals; Citibank bill payments; transfer of funds between accounts and credit lines; and obtaining account information. Genovese customers expressing interest in the service will be directed to the closest Citibank branch for account opening

information.

Genovese has redesigned several other stores with new merchandise and service sections based upon the needs of the areas in which they are

located. For example, one store now has an entertainment section with video cassette rentals and another has added a large automotive section.

Second Precinct Police Report

Three people were injured, one seriously, in an auto accident which occurred on Jericho Tpke. in front of the office complex at 1 Jericho Plaza in Jericho at 12:55 P.M. on Oct. 24.

A tractor trailer which was eastbound on Jericho

Tpke. struck a 1983 Cadillac which was exiting the office complex making a right turn onto Jericho Tpke. The car was operated by Dennis O'Connor of Vannina Pl.,

Huntington. He was taken to Syosset Hospital for treatment. Also in the car and transported to Syosset Hospital was a passenger, Lawrence Waldman of Shelter La., Roslyn Heights. Another passenger who is in critical condition and was transported to the Nassau County Medical Center was Thomas Matthews of Darby Lane, Huntington Station. The tractor trailer was operated by Raymond Rondino from N. Broad St., Hillside, N.J. Rondino is self-employed. Rondino was not injured.

No charges have been filed and both vehicles have been impounded for safety checks.

A burglary investigation conducted by Second Squad Detective Sal Marino led to the arrest of Edward Crow, 25, of Woodbury Road, Hicksville on Oct. 26 at 12:30 p.m. in Bethpage and full recovery was made of approximately \$28,000 in mechanic's tools in a three section tool box.

The burglary occurred at 2:00 a.m. on Oct. 25 at J&P Auto Repair, Woodbury Road, Hicksville in which the tools were stolen. The subject was arraigned at First District Court in Mineola.

Jewelry was stolen from a house on Marcissus Dr., Syosset, on Oct. 23. Entry was made through a pried rear window.

An unknown loss was reported when a house on Beatrice Ave., Syosset, was entered on Oct. 23. Entry was made through a pried rear window.

A 1985 Honda MCY was stolen from a house on Pond Rd., Woodbury, on Oct. 23. Entry was made through a broken garage window.

Cash and jewelry was stolen from a house on Calvin Ave., Syosset, between Oct. 24 and 25. The mode of entry was unknown at the time of the report.

Letter to the Editor

Dear Sheila,

Your suggestion a few weeks ago that a fund be started to replace trees which have been removed was a good one. I don't know of any community that does not replace trees - even Mayor Koch has replaced all the trees removed from a street widening.

If we are not careful, Hicksville will become one

vast cement parking lot - not at all what its residents want.

Trees must be replaced - not only for their shade and their beauty, but they are our last bastion of defense against man-made pollution.

How about that fund?

Sincerely yours,
Dorothy J. Willant

\$3 Million In Stolen Property To Go On View

Some \$3,000,000 in stolen property, recovered by police and the FBI, will go on view at Nassau Headquarters in Mineola on Monday, November 4th. Police Commissioner Samuel J. Rozzi announced today.

The display includes jewelry, sterling silver service, coins and furs, which were seized when authorities shut down a major stolen goods fence operation in Queens at the end of last

November. The property had been stolen prior to November 30, 1984.

"The display has been exhibited in several locations in the tri-state area in recent months," Commissioner Rozzi said. "We are seeking to find the owners of this property so it may be returned to them."

The exhibition will be held from Noon to 8 P.M. on November 4th in the Assembly Hall of Police Headquarters on Franklin

Avenue, between 14th and 15th Streets.

Anyone who has had such property loss can view the display provided they supply personal identification as well as a record of loss or a missing property case number from a police agency. The event is not open to the general public.

The Nassau Police Property Recovery Section is working with the FBI in the effort to find the owners of the various items.

At The Hicksville Library

The Hicksville Public Library will display Arts and Crafts made by the Library Staff in the Lobby Showcase. The Fiction Room Showcase will have an exhibit by the Gregory Museum. In the Community Room, the Independent Art Society will hold their 10th Annual Fall Open Juried Art Show, November 3rd through the 17th.

The Library will be open November 5th Election Day

10:00a.m. - 5:00p.m. No Evening Hours.

The Hicksville Public Library will present a Microwave Cooking demonstration in the Community Room on Wednesday, November 6th at 12 Noon - 2:00p.m. Adult Education Instructor, Marilyn Siegel will give instructions on the preparation and techniques of microwave cooking. Hicksville residents only. Registration is limited, register early.

Engaged

Mrs. Dorothea Lepanto of Hicksville is pleased to announce the engagement of her daughter Arlene to Robert G. Neumann, son of Louis and Ann Neumann also of Hicksville.

Miss Lepanto is the daughter of the late Robert Lepanto.

A Fall, 1986 wedding is planned.

Chinese Auction

The New Image Drum & Bugle Corps, a non-profit educational youth activity, will be hosting a "Chinese Auction" fund raiser on Tuesday, November 19, at 7:30 p.m. at the American Legion Hall, Nicholas Street and Broadway, Hicksville.

We ask your help in making this auction a success for our self-supporting organization. There will be coffee, cake and door prizes. Everyone is welcome. Donation: \$3.50. For tickets and information call: Mildred - 293-6430. Rachael - 735-4991.

A Trip To The Pond

In late Sept. Dr. McCann, Principal of Old Country Road School, accompanied the fourth grade classes of Mr. Doberman, Mrs. Rodriguez and Mrs. Green to Caumsett Pond in Lloyd Harbor. There the students studied pond life under a microscope.

Michelle Aldorosis was concerned because of the log that had to be crossed over the stream. She stated if you

fell in "too bad". No one fell in and everyone had a great time. She enjoys studying "our animals" in Science Room.

Scott Gilmore enjoyed the trip but really enjoys studying the small animals, insects and microorganisms they can see under the microscope the best. He is absolutely fascinated about how fat these "little creatures" grow.

School Goes To The Opera

The students in the first through fifth grades of Old Country Road School went to see the opera "The Debut of Puce Catoose" held at Hicksville High School on Oct. 22. This event was sponsored by the Hicksville school district.

This opera was presented by professional actors. The opera is designed to show youthful audiences that opera can be fun and interesting to watch. The students were exposed to music composed by such greats as Mozart, Verdi, and Bizet.

A few opinions expressed by some students from the 5th grade of Old Country Road School were as follows: Jackie DePalma said, "The costumes were beautiful, the acting was fantastic, they must have practiced a lot." She felt their singing was magnificent. She liked the orchestra with their soft and loud music. She thought the story was interesting.

Brian Reilly said "the opera was terrific, the orchestra was excellent, the

HFD Haz-Mat Team Busy

During the past month the Hicksville F.D. Hazardous Materials Team has been busy responding to a variety of emergency calls.

On October 15 at 12:16 pm the Department and Haz Mat Unit was requested at an acid spill inside an occupied building - Ebbets Field Pub, 360 Duffy Ave. Upon arrival, members found a portion of the building filled with toxic fumes from a

small quantity of muriatic acid left standing too long. Three persons were transported to the County Medical Center for treatment. The acid was neutralized and disposed of.

The Haz Mat Team was requested on October 21 at 6:50 am at The Servo Co. Plant on New South Rd. for a 30 gal. spill of 900v solvent which filled the plant with fumes. One worker was sent

to the hospital suffering from the effects of exposure to the fumes. The spill was contained by team members but the Health Dept. closed the plant the remainder of the day due to fumes. The Fire Marshalls office, State Dept. of Environmental Conservation were also called to the scene.

Turkey Trot

The Annual Cross Country Turkey Trot, a challenging 3.1 mile race over the natural terrain at Eisenhower Park, is scheduled to take place, Saturday, November 16, beginning at 1 p.m.

Entrants are asked to register the same day at the Field House, Parking Field #2, between 9 a.m. and 12:30 p.m.

The race is open to Nassau County men and women in four different age categories: 13 years and younger, 14-24, 25-39 and 40 and over. All entrants under 18 must have parental consent, and runners 13 and over

must show a Leisure Pass. Nassau Recreation and Parks Commissioner Abram C. Williams said that this year's prizes will include 8 turkeys and 24 ribbons.

The turkeys will be raffled off to the men and women in each age category, he explained, while the 1st, 2nd and 3rd place winners in each age category will receive ribbons.

Zorn's Poultry Farms joins the Nassau County Department of Recreation and Parks in sponsoring this event.

Eisenhower Park is located in East Meadow with access from Hempstead

Turnpike and Stewart Avenue. For information, call 542-4480.

Hicksville High School Swimming

With only one more dual meet left in the season, the Girls on the Hicksville High Swim Team are anticipating a winning season with a present tally of 5-4.

The meet against Bethpage was very close with the firsts in the Medley Relay of Lorna Mund, Jeannine Sirey, Kristin Mind and Gina Cusumano; Lorna Mund in the 200 free and the 100 back; Jeannine Sirey in the 100 breast and the 200 IM; Kristin Mund in the 500 free and the 100 fly. Second

places were scored by Karen Kratochvil in the back, Karen Karmann in the 500 free and Gina Cusumano in the 100 free and Karen Karmann was third in the 200 free.

Both relays scored in the very tight competition against Wantagh. The Medley of Karen Kratochvil, Jeannine Sirey, Kristin Mund and Beth Walsh, and the Free Relay of Gina Cusumano, Karen Karmann, Sheri Howell and Lorna Mund won their events. Winning individually were

Lorna Mund in the 100 free and the 200 free; Jeannine Sirey in the 200 IM and the 100 breast and Kristin Mund in the 100 fly and the 500 free. Second places were scored by Sheri Howell in the back and Karen Karmann in the 50 free and the 100 free. Karen Kratochvil was third in the back and the 200 IM, Gina Cusumano was third in the 500 free and Deanna Pitta was third in her first attempt at the 100 breast. Diver, Fran Baer, accomplished her highest score placing second.

Women's Masters' Champion To Highlight Road Runners Meeting

The featured speaker at the Tuesday, November 19 meeting of the Plainview-Old Bethpage Road Runners Club will be Long Island women's masters champion Maddy Harmeling.

Maddy, a native of Merrick, reaffirmed her position as Long Island's top female masters runner (age 40 and over) by winning the masters' trophy in the Long Island Women's 5 Kilometer

Summer Championship Run this past July 4. She's also one of the top women runners of any age in the New York metropolitan area. She'll be on hand to share her experiences and insights -- including a look at the 1984 Olympic trials, where she was a participant. Maddy is a witty and entertaining speaker, who has a lot to offer.

Also on the agenda will be filmed high-

lights of this year's Long Island Women's 5 Kilometer Summer Championship Run.

The meeting will be held at the Plainview-Old Bethpage Public Library, 999 Old Country Road in Plainview, starting promptly at 8:00 P.M. The general public is cordially invited to attend.

For more information, call POBRRC President Mike Polansky at 516 433-0919.

Around Our Towns

An enchanting evening was held at the home of Rick and Kathy Grady of Terrell Ave., Hicksville, when they hosted an engagement party for Kathleen Mansfield and Michael Kevin Nolan. Kathleen is the daughter of William and Marion Mansfield of Levittown and Michael is the son of John and Margaret Nolan of North Massapequa.

Congratulations are in order a thousand times over to the employees of JC Pen-

ney's warehouse on Dully Ave., Hicksville. They went over their quota and exceeded the previous record. The employees delighted their supervisor Marian Grello.

Belated birthday wishes to Julia White of Stantord Ave., Hicksville. Julia celebrated her birthday earlier this month. Congratulations a little late but just as sincere.

Congratulations to

Christa Liptak of Bridle Lane, Hicksville. Christa's poem was selected for the National Reflections Project and will be forwarded to Washington DC to be put in competition on the National level. Christa is one of three students from the Junior High whose poems were selected. Congratulations are also in order for brother Scott who celebrated his 10th birthday on Oct. 27. Best wishes to everyone from all your family and friends.

Celebrating Halloween At Dutch Lane

There is more to Halloween than trick or treating, according to the children in Denise Yannone's class at the Dutch Lane School. During the past several weeks, their Halloween festivities have included carving a jack o'lantern, baking the pumpkin seeds and writing "newspaper stories" and poems about the events.

According to Nicky "The gook inside the pumpkin is slimy!" Adam and Ryan

enjoyed scooping out the seeds and Richie and Janet did a great job in preparing the seeds for baking. John R. liked hearing the pumpkin seeds pop in the oven. John O. liked watching the pumpkin seeds bake and eating them afterward.

Colleen reported that a candle was placed in the jack o'lantern. The blinds were drawn, the lights were turned off and the children could let their imaginations take over.

The students are looking forward to their Halloween Party and a traditional apple bobbing contest. The children are studying natural and healthy foods as part of their science unit and they will be having wholesome treats at their party.

Halloween can be a healthy and enjoyable learning experience as well as a lot of fun. The children wish everyone a happy spooky and safe Halloween.

Postal Services Sponsors "Pet Pen Pal" Contest

"One of life's real joys is receiving a letter from a friend or loved one. A good time to start or renew a correspondence is during National Card and Letter-Writing Week, November 3 - 9," says Roger Nienaber, Hicksville Manager/Postmaster.

The theme of this year's Letter Writing Week is, "Lift Spirits - Be a Pen Pal." The Hicksville Post Office is sponsoring a contest for all elementary school students in Hicksville, Jericho, Plainview and Old Bethpage. The best letter of 100 words or less, written to a lonely animal from the students pet will be awarded a special stamp collecting gift. The "Pet Pen Pal" winner will also get to meet "Mid-

night", the Great Dane mascot of Pioneers for Animal Welfare Society (PAWS), at the awards ceremony at the post office.

Another highlight of this year's National Card and Letter-Writing Week is the publication of **Junior Pen Pals**, an educational booklet about letter-writing, and a **Junior Pen Pal Directory**, which will be distributed to more than 15,000 elementary schools and educators who have expressed a desire to participate in the pen pal network.

The booklets will help students to write to pen pals of their own age in schools throughout the country and in some American schools abroad.

National Card and Letter

Writing Week also continued the "Volunteer Scribe" program initiated in 1980. It encourages students and other concerned citizens to write and address letters for those who cannot do it for themselves, such as invalids and the elderly," added Mr. Nienaber. Special volunteer scribe envelopes are available from the Hicksville Post Office.

Representatives from the Postal Service will be visiting schools during National Card and Letter Writing Week. To arrange a presentation or to obtain additional information about the "Pet Pen Pal" Contest or the Volunteer Scribe Program contact the Hicksville Post Office, Public Affairs Office at 933-2406.

PASTA PARTY IS BIG SUCCESS! More than 150 members of the Plainview-Old Bethpage Road Runners Club and their guests were on hand for the 5th annual pre-New York City Marathon Pasta Party on Friday

evening, October 25. The Party, hosted by Woodbury Super Star Sneakers and Sports, was held at the VFW Hall in Hicksville.

The Party featured plenty of pasta and eggplant parmesan,

with lots of cold beer to wash it down.

Pictured here enjoying the Party are (L to R) POBRR Secretary Howie Greenberg, President Mike Polansky, Norm Lison, Vice President Ira Eskow, and Gerry Kaufman.

A Special Dinner

A special retirement dinner was held for Ida Buckstein, secretary of Old Country Road School. Amid the congratulations and best wishes were tears of farewell. Ida Buckstein was employed by the Hicksville school district for 25 years. She has been with Old Country Road School for seven years.

former Principal of Old Country Road, Dr. McCann, Principal of Old Country Road, several teachers and secretaries all of whom Mrs. Buckstein has enjoyed a close relationship with.

Mrs. Buckstein was presented with a plaque commemorating her 25 years of service to the school district, and a photograph album of different events that have taken place over the years, with a special section for pictures of her retirement dinner. Mrs. Buckstein and

her husband, Jerry will retire to their new home in Florida and with her goes all our best wishes.

Recipe Contest

A cooking contest designed to combine culinary skills with historical savvy will come to Old Bethpage Village Restoration at the Long Island Potluck Historical Recipe Contest, to be held Saturday and Sunday, November 9 and 10, from 10 A.M. to 4 P.M.

According to Nassau Recreation and Parks Commissioner Abram C. Williams, Restoration officials sponsor the contest to gather pre-1900 recipes from Long Island and the northeastern United States as part of its on-going effort to document the 19th century Long Island life-style. In this fashion, Williams maintains, members of the community can add to the integrity and base of historical knowledge the Village is so famous for.

Contest categories include: breads, cakes, pies, cookies and preserved food. Entries must include the finished product as well as its recipe. The entries will be judged for historical documentation, taste and appearance. No foods

requiring refrigeration may be entered.

Entries will be judged on Saturday morning, November 9, and will be on display at the Noon Inn Ballroom through Sunday, November 10. Winners of the contest will receive ribbons. Gift certificates in the amount of \$10 and \$5 will be awarded to 1st and 2nd place winners to be utilized at the Old Bethpage Gift Shop.

The deadline for entering the contest is Tuesday, November 5. Contest rules and entry forms may be obtained by calling 420-5281.

Old Bethpage Village Restoration is operated by the Museum Division of the Nassau County Department of Recreation and Parks. It is located on Round Swamp Road, Old Bethpage, just south of the Long Island Expressway, exit 48. The Village is closed on Mondays. A cafeteria and gift shop are located on the premises. Admission is \$3 for non-resident adults, \$2.50 for Nassau residents with a leisure pass and \$1.50 for children, ages 5-17. Parking is free.

CHARLES WAGNER POST # 421
HICKSVILLE N.Y.

Come one, come all, to the Post this evening (Friday) to help make up the bags for our annual KINGS PARK visitation this Sunday, November 3.... Chairman Frank Molinari needs YOUR help and asks that you be on hand at 8 P.M. on Friday evening, November 1st, to lend your gifted hands to the art of bag stuffing.... We also will be receiving physical support from the Archie McCord (Bethpage) Post and the Nassau Women's Post that evening so its up to YOU to be available to help and not let

them outnumber us again in our own Post headquarters.... Now we jump to Sunday, November 3rd, at the zero hour of 11:15 A.M. we will leave for Kings Park to meet at York Hall for distribution orders.... Your help, as a Legionnaire of Charles Wagner Post is required to make the distribution smoothly and rapidly as possible.... I know that most members of our Post have NEVER made this visit to our sick comrades at Kings Park and you should be reminded of long ago, when you joined the Legion and were initiated into the ranks of the world's largest

and greatest veterans' organization.... That the first of our 3 cardinal principles explained to you was 'the care of our sick & disabled comrades' and these veterans living at Kings Park fit this category 100%.... As a member of The American Legion you are once again reminded that this visit to our unfortunate comrades is a duty called.... Consider yourself CALLED.... We expect to be back in the warm confines of Charlie Wagner's joint by 2 P.M. to enjoy some real HOT food and some cold beverages for all who lived up to their obligations.... See you all on

Friday evening (then take off Saturday) and again on Sunday morning.... Remember, a commander is only as good as his troops.... Do I have good troops???? Show me!!!!.... Of course you know our business meeting for November is on the 4th and concludes a rather busy, busy Legion period.... Tell each and every person you know, meet or correspond with, that OUR American Legion has 2 halls that are once again available for bookings thru at least March 31st of next year.... The building is still for sale and it looks like our prospective purchaser cannot arrange the necessary financing and we will have to assess our position anew.... The trip to Washington on behalf of the MIA/POW situation was really worthwhile last Sunday and the extra bonus of warm weather hit the spot.... If what was related to our leaders' group by the White House Vietnam Negotiator Richard Childress is truly on the money then the bottom line is that his was the last Washington trip for MIA/POW purposes.... The news reported back to us was that the government had made great progress in the direction wanted by us and during a 2 1/2 hour briefing session much new information was released.... We know now that definitely 2446 G.I.'s are missing in Vietnam and surrounding territory.... And we also found that 350 are still missing from the Korean mess.... Representing our Post were Dick Hochbrueckner, Ray Gamble, Frank Molinari and myself.... As an added bit of interest for Dick and myself as we strolled the east sidewalk of the White House grounds was our President Ronnie dropping out of the sky in his big president helicopter in front of our eyes on the White House lawn.... And let me say to one and all, he hopped out of that copter like a teenager followed by his dog and Nancy and off they strode waving to some onlookers.... Don't anyone tell me he's an old man.... Interesting to note that Washington photographer on the corner across the side street of the White House who was doing an active business with his life size cut out of Ronnie.... Pictures priced at \$5 each or \$4 if he used your camera.... Isn't there some law protecting a professional actor's face as his fortune or something to that effect?.... At any rate, Washington would never miss him if the garbage truck gave him and his props a ride to the dumps....

Renewal Weekend At The Church of Christ

The freshest water is in danger of drying up or stagnating after a while. The softest bread can grow stale and hard. Even a deep faith and a sparkling Christianity can tire and weaken.

That's why there's RENEWAL WEEKEND! It's a weekend program that's guaranteed to refresh all believers.

Steve and Carrie Graham from Cincinnati, Ohio will lead Renewal Weekend, November 8 through 10. Steve is a professor of Practical Ministries and Church Growth at Cincinnati Christian Seminary. Both he and his wife will direct the Weekend in the theme: "PRAYER--TAPPING GOD'S

POWER FOR A GROWING CHURCH."

Renewal Weekend is open to the community. We invite you to participate in all of the activities including the following:

*Friday, November 8, 7:00 pm service: "The Purpose of Prayer". *Saturday, November 9, 7:00 pm service: "Have You Told Him Lately That You Love Him?" *Sunday, November 10, 11:00 am service: "Lifting Weights". *Sunday, November 10, 7:00 pm service: "God's C.P.R."

A staffed nursery will be provided for all services. Refreshments will also be served following the Sunday evening service.

Board Adopts No Tax Hike Budget

The Oyster Bay Town Board has adopted a budget for 1986 which, for the fourth year in a row, holds the General Town Tax rate for homeowners at 87 cents per \$100 of assessed valuation, according to Supervisor Joseph Colby.

Colby said that, "the members of the Town Board and I are extremely pleased with the efforts made by Department Heads and other Town officials to provide optimum services while keeping costs to a minimum. This has greatly assisted us in our efforts to maintain our low tax rate."

The General Town Budget - that budget which covers the entire Town - totals \$38,343,712. The 1985 total was \$36,097,926.

The 1986 budget totally

eliminates the \$2.15 tax rate for the Sanitation Transfer and Transport Expense.

The rates for the 1986 General Town Budget have been set as follows: Class I properties, 87 cents; Class II properties, 96 and 7/10ths cents; Class III properties, 95 and 2/5ths cents; Class IV properties, 95 and 3/5ths cents.

Under the State law allowing Nassau County to establish four categories of property assessment, each with its own tax rate, allowable adjustments have been made to benefit homeowners. The slight increase/decrease in the different assessment classes is a reflection of the adjustment favoring homeowners and the amount of new construction

among the four categories.

Colby noted that the Part-Town Budget (Planning, Building, and Zoning), which is not paid by property owners in villages, was reduced by 6 cents for homeowners. This reduction offsets a 6-cent increase in the Highway tax, which is also not paid by property owners in villages.

The 1986 Part-Town Budget (Planning, Building and Zoning) totals \$2,868,956. The rates have been set as follows: Class I, 15 and 3/10ths cents; Class II, 15 and 9/10ths cents; Class III, 17 cents; Class IV, 17 cents. Property owners who live in villages do not pay this tax.

The 1986 Highway

Budget totals \$13,345,613. The 1985 total was \$12,644,964. This tax is not part of a homeowner's bill if the property is in a village. The 1986 Highway rates have been adopted as follows: Class I, \$1.42 and 1/2 cent; Class II, \$1.59 and 9/10ths cents; Class III, \$1.57 and 1/2 cent; Class IV, \$1.57 and 9/10ths cents.

Colby said that "for homeowners, the decrease in the Part-Town rate totally offsets the slight increase in the Highway rate, so that residents who pay the General Town, Part-Town and

Highway tax will pay the same total for those three taxes that they paid in previous years.

Colby added that the Town Budget document can only reflect information concerning a maximum of 14% of the average homeowner's total property tax bill. "The Town Budget book reflects the 9.27% of the tax bill that goes to local special districts and the 4.6% that goes to the General Fund, Part-Town and Highway Budgets," Colby explained. "If a resident's property is in a village, he or

she will pay only the General Fund portion of the Town's 4.6%, which is 1.63% of their total tax bill."

School districts, which made up 58% of the average tax bill, prepare and adopt their own separate budgets. The County of Nassau, including its General Fund, Police District, Community College and Sewer Districts, represents approximately 28% of the homeowner's tax bill. These figures appear in the budget prepared and adopted by the County.

Eighth Precinct Police Report

By PO Kenneth Box

The 8th Sgd is investigating a robbery that occurred at the Fotomat, 1103A Old Country Rd., Plainville, at 5:15 pm, on Oct. 25.

The cashier was confronted by a subject who was armed with a small handgun. Subject gave her a paper bag and told her to fill it with bills. She complied, and the subject fled with \$190.

The subject is described as a male white, 25-30 yrs, 5'11, medium build, dark hair, brown eyes, thick mustache, unshaven, wearing a dark flannel shirt, faded

jeans, armed with a handgun.

A fuel oil truck spilled 100 gallons of number 4 oil on New South Rd. in Hicksville at 12:40 pm, on October 22.

The truck operated by Jose Malde, 23, of Brooklyn had a leak and spilled the fuel on the roadway in the vicinity of New South Rd. and Old Country Rd. in Hicksville. The roadway was closed to traffic. The operator has been issued tickets for Failure to Report a Spill and for Discharging the Fuel on the roadway.

The investigation by the Police is continuing. The Fire Marshalls Office, Emergency Service Bureau, and the Hicksville Fire Department were called to the scene.

The Town of Oyster Bay cleaned up the road on October 23. Until then, the roadway remained closed.

\$150 in cash and a watch was stolen from a house on Lawnside Dr. Hicksville, on Oct. 21. Entry was made through an unlocked side door.

Crafts Fair Set For Syosset

St Edward the Confessor School in Syosset will come alive with the sights of mountain craftsmanship at the Fourth Annual Appalachian Crafts Fair. The fair which features hundreds of handmade items from 7 of the 13 Appalachian Mountain states will take place rain or shine on Saturday, November 9th, from 9:00 a.m. to 4:00 p.m. and Sunday, November 10th, from 10:00 a.m. to 3:00 p.m. in the school cafeteria. The school is located on the grounds of St. Edward Church, 205 Jackson Avenue.

Colorful quilts, handloomed rugs, and a wide variety of Christmas ornaments and decorations highlight this year's event. All the crafts are made by Appal-

achian craftsmen who sell their wares in order to support themselves and their families.

All the quilts are made by hand, are available in a variety of sizes and patterns, and represent literally hundreds of hours of time and energy. Creators of these works of art include Cora Vest from Kentucky, Lola Bradley from North Carolina, and Pat MacNeal from Pennsylvania.

The Christmas decora-

tions are made by women who are members of craft co-operatives in West Virginia and North Carolina. They produce a wide selection of calico and patchwork ornaments, door decorations, and stockings. In addition, holiday pine cone and grape vine wreaths as well as porcelain figurines will be on display and for sale.

Admission is free and there is plenty of free parking.

Opera (Continued from Page 7)

acting was magnificent, the singing was marvelous. He found opera most interesting.

Dennis Saneck thought the opera was fantastic and

had a lot of excitement too. "The costumes were beautiful." He especially liked the singing and the orchestra. Dennis thought they gave a very good performance.

DONOVAN REPORT

Dear Friends,

We have joined forces with ERA Real Estate!! ERA is one of the largest national and international real estate companies and it is unlike any other in the world because in addition to local and national advertising, it provides products and services which are essential in today's real estate market.

The following are just a few of the tools that ERA Donovan can now offer you:

- **BUYER & SELLER PROTECTION PLANS** - We can warranty appliances, heating, cooling, plumbing and electrical systems while your home is for sale and for one year after your purchase! This can make your home more saleable and a better buy.
- **SELLER SECURITY PLAN** - "IF WE DON'T SELL YOUR HOME WE'LL BUY IT!" We're the only ones who can offer you an equity advance and a guaranteed sales program so you won't get stuck owning two houses.
- **ERA MOVING MACHINE** - Makes relocation easy as 1, 2, 3! Buying? -Preview homes anywhere in the U.S. before you make your house-hunting trip! (We can even give you a tour of Florida!) Selling? - Pictures and facts about your home can be seen buy a prospective buyer anywhere in the country within seven minutes.

Now we can offer the best of both worlds - Continuation of the stability, reputation and personalized service that the DONOVAN name has always stood for and now - the resources of a \$2 Billion dollar company! This way we can concentrate on what we do better than anyone else; getting buyers and sellers happily involved with property.

If you or a friend or relative is thinking about buying or selling a home in the near future -give us a call! We guarantee that we can do a better job than any other team!

Cordially,
Joseph & Karen Donovan
