HEARING SET FOR DISPOSAL DIST. (See Pg. 3)

Coalition To Fight MTA Abuses

New York City Comptroller Harrison J. Goldin, Nassau County Comptroller Peter T. King, Suffolk County Comptroller Joseph R. Caputo, Dutchess County Comptroller Paul Hackett and Finance Commissioner, Philip Amodeo, Putnam County Commissioner of Finance John Duffy and County Auditor Annmarie Baisley, Westchester County Commissioner of Finance Joseph Gulio and Rockland County Treasurer Joseph St. Lawrence have formed a bipartisan coalition to support new state legislation aimed at eliminating the Metropolitan Transportation Authority's ability to block the distribution of state funding during a dispute over station maintenance charges.

Goldin stated the proposed legislation, which would amend Public Authority Law Sec. 1277, would require the State Comptroller and the MTA's Inspector General to rule on disputes between the municipalities and the MTA before any state aid could be cut off. He added, "The MTA should not be allowed to run roughshod

over local governments as if it were infallible. The fact is that the MTA does make mistakes - multi-million dollar mistakes - and the current law leaves us at the mercy of the MTA."

King said, "The measure would also require the MTA to pay interest and penalties on any overcharges accumulated on unresolved past billing inaccuracies. Each county has its own horror stories concerning station maintenance abuses. In addition to its inadequate level of station maintenance, the MTA has repeatedly overbilled and improperly billed Nassau County. For instance, we have been charged for LIRR stations outside Nassau County, for police protection that was never provided and for capital costs disguised as operating expenses. Even though the MTA has been forced to repay Nassau \$1.3 million, there are millions of dollars still being litigated."

Goldin commended King for "the strong initiative he has demonstrated in putting together this coalition."

Thanksgiving Thoughts
By Frank Destefano

Thanksgiving to me means freedom, justice and peace for America. The pilgrims sailed across the Atlantic Ocean and celebrated Thanksgiving with their Indian friends. The Indians taught the Pilgrims to plant seed, to grow corn and they taught the Pilgrims to fish. Thanksgiving means sharing.

Editor's Note: Frank Destefano is in the 4th Grade Special Education class at Dutch Lane School.

Hicksville Rotarian and Past President John Hill addressed fellow Rotary members at last week's luncheon meeting at the Milleridge Inn.

Mr. Hill's topic of discussion was the Rotary Foundation and its objective. The Foundation is a philanthropic trust adopted by the board of directors of Rotary International and trustees of the Foundation in 1931. The objective of the Foundation is the furthering of understanding and friendly relations between peoples of different nations, through the fostering of tangible and effective projects of a philanthropic, charitable and educational nature. Rotarian Hill is the Hicksville club's only charter member and Paul Harris Fellow and has a remarkable perfect attendance record of 34 1/2 years.

Galileo Lodge News

By Joe Lorenzo

PRESIDENT PETE MASSIELLO'S MESSAGE: "I have a great confidence in the revelations which holidays bring forth." Benjamin Disraeli.

As we go through the seasons — from spring to summer to Fall and then to Winter — we look upon the winter season with apprehension and anticipation as this is the time of the year that bring forth the holiday

season. Yes, it's a merry time of the year, a happy time of the year and a joyous time of the year. And waiting for it becomes worthwhile. Needless to say that the Galileo Lodge looks upon the holiday season with a special glee, because the Galileo Lodge presents its Christmas Dance during this period. To be exact, the date is this Saturday, the 7th of December. Some tickets are still available, so why not call 931-9351 and ask for

Tony Sica, the Chairman, or Joe Morace and Armand Del Cioppo the co-Chairmen for ticket sales. Tickets sell at \$12.50 per person, a very nominal fee that entitles you to a delicious hot dinner, beer, soda, coffee and cake, set-ups and some delightful music for dancing and listening. A grab bag will also be featured. As I said before, this is a special time of the year and this is a very special dance of the year. Joe Giordano and Skip Monteforte will also be honored that night.

with the entire membership of the Galileo Lodge, male and female, acting as the committee, it's no small wonder that Christmas at the Galileo Lodge becomes a warm, sentimental and joyous occasion. These two parties are also very rare and unusual parties, so much so that they have to be witnessed in person in order to ascertain the beauty and the pleasure they bring about. The date is Sunday, the 8th of December, at the Galileo Lodge.

New Years Day, sort of ends the holiday season for some people, although for others the spirit of Christmas lives on and it remains constant. A rather noble attitude, we feel. But whatever the case, as all like to usher in the New Year in grand style, like, for example, ushering in the New Year at the Galileo Lodge on Tuesday, the 31st of December — the time when the Galileo Lodge presents its New Years Dance and Party. What a way to await

(Continued on Page 6)

And on Sunday, the Galileo Lodge presents what it considers to be two of the most heartwarming and emotional activities in its repertoire — the two Christmas parties, one for the handicapped children of Queens and Long Island in the morning and the other one for the children of its membership, male and female, in the afternoon. With Joe Giordano and Skip Monteforte supervising these two activities, and

Willet Ave. Brownies Learn About Communication

By Deborah Weintraub

On November 22, the Brownies from Troop 3181 of Willet Avenue School used one of our parent-conference days to take a field trip to a Telephone Museum located in Huntington.

Our leaders, Maureen Seier, Deborah Weintraub, Eileen DeMeo and Barbara Lounder took advantage of this excellent opportunity to inform the girls of the World of Communication past, present and future.

A guided tour was given and the girls were able to use telephones from the old crank phones to the picture phones of the future.

We were also shown a

short film on the history of the telephone and the girls even learned what it was like before the telephone was invented. The film also taught the girls how to use a telephone properly in case of an emergency.

Two booklets were given to the girls after our tour. One contained instructions for teaching children how to use the telephone in an emergency. The other booklet was a personal directory for the girls to write in the phone numbers of their friends.

We wish to thank Mrs. Debour of the Telephone Museum for this enjoyable as well as informative tour.

Pre-Holiday Activities At OBV Restoration

In preparation for the rapidly approaching yuletide season, a variety of Pre-Holiday Activities will be held at Old Bethpage Village Restoration on Saturday and Sunday, December 14 and 15, from 10 A.M. to 4 P.M.

Nassau Recreation and Parks Commissioner Abram C. Williams said that visitors are invited to attend an old-fashioned Holiday Fair in the Noon Inn Ballroom where small hand-crafted gift items and confections can be purchased to aid worthy community causes. Williams added that this was a common custom in the 1850s. A grab bag will be available for children.

At the Williams House, a donation party will be recreated. These were parties held by church members to supplement their ministers' salaries at Christmas time.

Baked goods were served at a parishoner's home, where the parson attended as the guest of honor. Those who stopped by to pay their respects and sample some of the delectables, left donations of money or goods like firewood for the preacher's benefit.

Old Bethpage Village Restoration, operated by the Museum Division of the Nassau County Department of Recreation and Parks, is located on Round Swamp Road, Old Bethpage, south of Long Island Expressway, exit 48. Hours are from 10 A.M. to 5 P.M. The Village is closed Mondays, a cafeteria and gift shop are located in the Reception Center. Admission is \$3 for adults, \$1.50 for children. Dec. 17 Hearing Set On Proposed Garbage Disposal District

The Oyster Bay Town Board has set a December 17 hearing date to consider the establishment of a new, Garbage Disposal District authorized by the State earlier this year.

According to Oyster Bay Town Supervisor Joseph Colby, the Board will consider creating the new district in order to provide Villages and special sanitation collection districts within the Town a mechanism by which they may take advantage of alternate disposal procedures.

Colby said, "Presently, the Town-operated solid waste complex at Old Bethpage is available to all municipalities and districts within the Town for disposal purposes.

There are however, alternatives which have been developed, such as the City of Glen Cove's co-disposal incinerator, which Villages or sanitation district commissioners might wish to explore. Up to this point there has been no way that the Town could exempt those who wished to use alternate facilities from the costs to operate the Old Bethpage facility."

The establishment of the special disposal district will, if approved by the Town Board, give those municipalities and special sanitation collection districts within the Town of Oyster Bay, the right to opt out of the

district.

"Creation of the new district," Colby said, "will also greatly assist the Town's efforts to control the amount of refuse that will be brought to the Town's planned resource recovery/waste-to-energy facility."

The hearing has been scheduled for Tuesday, December 17, beginning at 10 AM in the Town Board East hearing room, Audrey Avenue, Oyster Bay.

The Choice Will be Yours

Many customers will be asked to choose a long distance company by marking a special New York Telephone "Equal Access" ballot.

Simply put, Equal Access allows you to use the long distance company of your choice for all calls to points outside your Regional Calling Area by dialing the Area Code and telephone number.

Equal Access will affect about half of our customers' lines by September 1986. If you haven't received special information from us in the mail that's probably because Equal Access hasn't arrived in your neighborhood yet.

When Equal Access does come to your area, you'll be asked to choose from among participating long distance companies. You will want to find out as much as you can about these companies and choose the one that is best for you. If you do not make a choice, Federal Communications Commission regulations require that a long distance company be assigned to you. This assignment will be done at random and so may not fit your particular calling needs.

When it's time for you to make your choice, New York Telephone will mail you an Equal Access ballot. By using it to indicate your choice and mailing it back to us you'll be signed up with the company you want.

If you need answers to any questions about the Equal Access process, call us toll-free 1-800-555-5000.

Helping To Save The Lady

We New Yorkers are privileged to have one of our greatest national monuments in our state. Today the Statue of Liberty stands proudly as a beacon of hope and a symbol of freedom, just as it did when it greeted the immigrants arriving in America. We're as excited as you are about Miss Liberty's restoration and we're working hard to help out this historic

cause. New York State members of the Telephone Pioneers of America, the telephone employee community service organization, have raised \$89,000 through various internal and external fund-raising activities including the sale of the "Miss Liberty Celebrity Desserts" cookbook, Statue of Liberty lapel pins and cakes and cookies. Nancy Reagan, Matilda Cuomo and Ed Koch are among the famous Americans contributing recipes to the unique cookbook published by the New York State Pioneers.

Helpful Hints On Repair And Bill Paying

If you have a problem with your telephone service, we're here to take your call day or night. But before you contact us, you may want to check your telephone instrument first to make sure the problem is not with set. This could save you the cost of a service charge if our repair technician comes to your home and finds that the trouble is with your equipment. The easiest way to check your telephone instrument is to unplug it, plug another phone into the same outlet and see if the problem still exists. If it does not, the problem is probably with the first phone and you should follow the instructions on your telephone warranty or contact the supplier. If the trouble does not appear to be with your phone, call 611 and our Repair Service Bureau will schedule a visit. If the problem is your telephone line, we'll fix it at no charge.

With all bill payments, the way to assure quick and easy crediting of your account is to write your New York Telephone account number on your check or money order. The account number — consisting of your Area Code, telephone number plus the three digits in the box following it — is in the upper left corner of each page of your bill.

When paying your telephone bill in person, it's a good idea to bring both the cover page and page 1 of your bill with you. We'll stamp page 1 and you'll have an instant receipt that your account has been credited.

SHEILA NOETH

At The Town Board Meeting

By Geraldine Geannikis

The Town of Oyster Bay held a regular Town Board Meeting on Tuesday, Dec. 3 at Town Hall East, Oyster Bay; the following matters were addressed:

• Decision was reserved at a hearing continued from Nov. 26th on the petition of Foxwood Associates, for a change of zone from B-A Res. District to E-2 General Res. District on property to be developed for condominiums at Jericho Tpke. west of Massapequa-Glen Cove Rd., Cedar Swamp Rd., and bounded on the north by Meadowbrook Club, on the east by Henry Underhill property on the south by Jericho Tpke. and on the west by Werc Associates and Meadowbrook Club.

Approximately 100 people attended the night hearing. A list of 500 names was presented to the Town Board by The Coalition to Save Long Island's Ground Water. Members of this coalition which include The Sierra Club and the Nassau and Suffolk County League of Women Voters, showed their concern not only for the ground water but also for the excessive amount of traffic which would be generated by the zone change.

Donald Martin, the attorney for the Brookville Taxpayers Association, spoke in the opposition to

the petition as did the Mayors of Brookville and Center Island.

The "domino effect" of down zoning was brought to light, since there will be other hearings in the near future for petitions requesting down zoning for condominium development in nearby areas.

Members of various Jericho Civic organizations submitted letters to the Town Board giving alternatives to down zoning. One group suggested that the land be bought by the Town for the purpose of park land since the ratio of park land to residents of the Town at this time is insufficient. Another civic group suggested that the zoning be changed to 1/2 acre. The Birchwood Civic Association spoke in favor of the petition.

The main concern of those opposing the zone change is the damage to the groundwater and the amount of traffic which will be generated in an area that is congested. A spokesperson for the Town said that only two residents appeared at the environmental impact hearing held by the Town. Sandra Gorin, a resident, said that having the people attend the hearing on Tuesday night would be more effective.

No date for the hearing was set.

• Resolution No. 1055 - Approved the map of Campus Estates in Syosset.

• Resolution No. 1057 - Authorized the Town Clerk to advertise a hearing date of Jan. 28, 1986 for the petition of Samuel Goldstein for a special use permit in an Ind. H. District to construct and maintain a privately owned and operated hotel for senior citizens at Jericho Tpke. and Oak Drive. The hotel will be 80 individual room units in a 3 story building.

• Resolution No. 1069 - Approved a change order for the contract for electrical work being done at the CVM Facility in Syosset. The change will generate a savings for the Town.

• Resolution No. 1060 - Approved a hearing date change on the petition of Nopa Realty Corp. for a change of zone from Res. D to R-O Residence Office District at 20 Central Park Rd., Plainview to Feb. 25, 1986.

• Resolution No. 1068 - Approved the awarding of the contract for the Phase III construction of the gas control system around the perimeter of the landfill at the Old Bethpage Solid

Waste Disposal Complex to AMMA Construction Corp. of Northport. Eight wells 32 to 35 feet below the ground will be used for gas monitoring.

• Resolution No. 1053 - Approved not more than \$38,492 from Community Development Funds for a Public Service Contract agreement with HAD of Hicksville.

The next regularly scheduled Board Meeting will take place on Dec. 17th.

• Resolution No. 1056 - Approved a 120 day time extension for a site plan to be submitted by U-Haul Co. of S. Broadway Hicksville on a special use permit granted on Nov. 19, 1985.

• Resolution No. 1061 - Approved a hearing date change on the petition of Nopa Realty Corp. for a change of zone from Res. D to R-O Residence Office at 65 Central Park Rd., Plainview to Feb. 25, 1986.

• Resolution No. 1067 - Approved the contract for moving a water main at Battle Row, Old Bethpage, necessitated by the construction being done at the Old Bethpage Solid Waste Disposal Complex.

At Old Bethpage Village

Councilmen Hyrds and Diamond both cross examined the attorney representing Foxwood closely. They seemed to show genuine interest in the environmental impact of the zone change.

It is now up to the Town Board to make a decision on this matter.

• The hearing scheduled for the petition of Jaelyn and Jonathan Operations & I.S. Robbins Lane Corp. for a special use permit to operate a restaurant/pub in an Ind. H. District and for the modification of restrictive covenants placed on the premises on Oct. 26, 1970 was adjourned at the request of the petitioners attorney.

An appetizing assortment of "Old Dutch" goodies such as oley kocks and speculaas will adorn the tables of the restored 1760 Schenck House when the celebration of St. Nicholas Day is re-enacted at Old Bethpage Village Restoration on Saturday and Sunday, December 7 and 8, from noon to 4 P. M.

Nassau Recreation and Parks Commissioner Abram C. Williams said that the Eighteenth Century Long Island families of Dutch heritage practiced the old custom of an elaborately planned, detailed feast of food and warm hospitality in honor of their patron saint, St. Nicholas was a Fourth Century Bishop of Myra.

On the holiday eve, Dutch children put out hay and carrots for St. Nick's white horse, and left their shoes out in hopes of getting some presents. If they had been good all year, on the following morning they would find their shoes filled with toys. (Continued on Page 9)

Legionnaires' Log

CHARLES WAGNER POST # 421
HICKSVILLE N.Y.

By Artie Rutz

Things are beginning to point towards Christmas with all the holiday decorating and gift buying going on.... And what better gift could an honorably discharged veteran receive than a membership in The American Legion?.... Like all good things there are qualifications which are determined by eligibility dates, for example.... For WW 1 veterans, April 6, 1917 to November 11, 1918; for WW 2 veterans, December 7, 1941 to December 31, 1946; for Korea veterans, June 25, 1950 to January 31, 1955; and for Vietnam veterans, December 22, 1961 to May 7, 1975.... A remarkable event occurs when a veteran joins The American Legion.... No longer a vet of WW 1, WW 2, Korea or Nam but now he or she is a Legionnaire and everyone in

America knows that this means an AMERICAN LEGIONNAIRE.... Really though, the right to join The American Legion cannot be purchased, traded or bartered for but is earned solely by serving America in times of WAR in the armed forces.... The American Legion does not have gift certificates but rather, some very nice membership applications which come only in black on white.... Since we have no gift certificates, then it follows that we would not have a Santa Claus, that's true.... But, we do have a jovial membership officer named Harry who will roar with laughter anytime a new veteran applies for membership.... And the Commander smiles, also.... Just a note of caution before the stampede at our front door, we do have an old saying, "eligibility is not acceptability" or in other words, we are not just looking to play the numbers game, we need people who have strong shoulders that can help carry the Legion's load.... Sorry to report another comrade has gone to sign in with the great Commander of all.... Comrade JOSEPH CIPOLINA, for whom the Post conducted a service for last Friday evening.... A book will be placed in the James N. MacLean Nassau County American Legion Memorial Library of New York State and Long Island History at Hofstra University.... That's a long name, but then the books in this very special library are expected to last another 1000 years or more due to the super climate control of the library.... All of the books are of rare quality and can only be used or read for reference within the confines of the Library.... ANYONE can make a donation in honor or memory of a loved one and have a bookplate placed in a book so stating.... The Legion will be happy to supply the correct form for this type of

donation, just call me.... Tickets are now available and are on sale by the Past Commanders Club of the Post for the January 26, 1986 football SUPER-BOWL SUNDAY at our Post.... You will be able to watch the game on the 6 1/2 foot wide screen while enjoying cold beer and hot dogs, or maybe soda and hot dogs.... There will be hot roast beef at half time and oodles of door prizes plus many other activities associated with the day.... A cash bar will be available for those who prefer other alcoholic beverages to go along with the snacks.... Ticket sale are limited to 200 and tickets are being sold on a first come basis by all past commanders and particularly by Chairman WES TIETJEN whose phone number is 935-5251.... Or call me at 935-1860 as I also have tickets which are going for the ridiculous sum of \$10 each for man, boy or beat.... Support this affair as a share of the profits will go to benefit the Post.... Remember the date, JANUARY 26, 1986.... Doors will open 1 hour before game time.... Tomorrow night, Friday, December 7th is the dedication of a new monument to the MIA-POW's of Long Island at Lindenhurst on Sunrise Highway in the area of the town hall.... The ceremony to which all Legionnaires and their families are invited to will be a candlelight service at 7 P.M.... Everybody will be welcome to one of the local Legion Post's for hot coffee and cake and this will be announced at the service.... Please come and bring your family.... If you have missed our announcements of the past columns, we are again accepting bookings for our halls through March 31st and are asking you to relay this fact to any of your friends who would require the use of a hall during that period.

STONES FOR IBARRA
Harriet Doerr published her first novel at 73 years of age. From there she went on to further literary experiments. One of those experiments, Stones for Ibarra, is a study of determination and hope.

On Monday, December 9, from 1-3 PM, the Plainview-Old Bethpage Library will hold a discussion on "Stones for Ibarra."

IRONWEED

On Tuesday, December 10, prepare to enter into a world filled with the scent of crime. Prepare to enter into a world populated by crooks, bums, cons and gamblers. Prepare to enter into IRONWEED.

Through harsh reality and defiant humanism, William Kennedy creates an intriguing world. IRONWEED, the third of William Kennedy's Albany set novels, is situated in the Depression era. It deals with the problems that plague Francis Phelan, a born loser from the wrong side of the tracks. Within the novel, his tale of woe is carefully woven.

A discussion of this book will be held at the Plainview-Old Bethpage Library on Tuesday, December 10 at 8 PM. Controversy is welcome and critique is desired. So come take an informative look at the winner of the 1983 National Book Critics Circle Award.

Protestant Scout Retreat

The twenty-fourth annual Scout Retreat, sponsored by the Nassau County Lutheran Committee on Scouting, will be held 19-20 April 1986 at the Nassau County Police Boys Club Camp in Riverhead, New York. The theme will be "GOD IN NATURE".

Chanukkah—An Ancient Yet Modern Story

The Jewish festival of Chanukkah marks the first struggle ever for religious freedom. The events which brought the holiday into being occurred more than

2,100 years ago in the land of Israel.

The Syrian king, Antiochus, trying to consolidate his empire, outlawed the Jewish religion and desecrated the holy Temple in Jerusalem. After numerous suppressions and outrages against the Jewish people, a revolt against Antiochus broke out in the little town of Modin. Mattathias, the elder priest, and his five sons attacked a group of soldiers who sought to establish idol worship.

What began as guerrilla warfare against Antiochus, turned into a more formal war. With every stunning victory of Mattathias and his sons known as the Maccabees (hammers) more and more Jewish citizens joined their ranks creating a powerful Army. After three years of bloody battles during which the Maccabees scored three decisive victories over armed forces many times their size, the Syrians withdrew from Jerusalem.

Immediately, the Jewish people headed for the Temple in order to clean it and to rededicate it to the service of God. Included in this service was the rekindling of the Temple's seven branch candelabra (menorah). According to tradition, only a small jar of oil with a one day supply could be found. On the 25th day of the Hebrew month of Kislev, the dedication (Chanukkah) of the Temple was observed and miraculously the small jar of oil burned for eight days until a new supply could be obtained. For this reason, the festival of Chanukkah is observed for eight days.

While the historical background of Chanukkah commemorates a successful series of wars, the Jewish tradition focuses away from that aspect. To this day, Chanukkah is a reminder that right triumphs over might, that numbers are not the final determinant in human history, and that righteousness and dedication are the mighty force in human history. The few triumphed over the many - respect of life and the sanctity of the human being triumphed over the spirit of violence and brutality.

The events of the Chanukkah story were clearly mirrored in our own lifetime during the six-day war. Upon modern day Israel's victory, soldiers and civilians flocked to the sacred premises where the ancient Temple once stood and once again made Jewish services at that spot.

Chanukkah is not a Jewish version of Christmas. Had the events of Chanukkah not taken place, there would be no Christmas for the Jewish people would have been destroyed and with them the founding fathers and mothers of the Christian faith.

As Jewish people light the Chanukkah menorah throughout the world, we dedicate ourselves once again to the cause of human freedom, dignity and conscience. We rededicate ourselves to work on behalf of all who are oppressed and downtrodden - be they Jews or Christians behind the Iron Curtain, people in Afghanistan, or the people of South Africa. Today as ever, the light of the menorah is a summons to live "not by power, not by might, but by the spirit of the Lord."

Allocates Federal Funds for Removal Of Barriers

The Oyster Bay Town Board has approved an expenditure of federal Community Development funds for the removal of architectural barriers to the handicapped at St. Margaret Episcopal Church in Plainview, according to Town Councilman Angelo A. Delligatti.

"This money will enable the church to install a stair glide, or gliding chair to the parish hall beneath the

church," Delligatti explained. "The funding comes through a federal program which allows the Town to use Community Development monies to provide handicapped access to not-for-profit community meeting rooms."

Delligatti noted that the Town Board has approved an allocation of \$10,000 for the project.

American Legion Auxiliary News

The next meeting of the American Legion Auxiliary of the Charles Wagner Post-Unit #421 Hicksville will be on Friday Eve, Dec. 6th at 8:30 P.M. President Mac Sheppard will welcome our Nassau County Chairman, Yvonne Ward and her staff to this meeting which is also over Christmas party. There will be a grab bag so please bring a \$3.00 gift for this. Refreshments will be served

by Chairman Marie Gamble. On Sunday, Dec 1st President Mae Sheppard attended the Veterans Christmas Party for the shut-ins at Northport Hospital where they received many gifts and had a very nice day. With Mae on this occasion was Ruth Leger, Ethel Habenicht and Gary Seitz.

A Letter To Ann Ocker, Town Clerk

Dear Ann: An analysis of the Town Budget revealed that in a three year period from 1983 to 1986 the increase in General Fund expenditures for the various departments ranged from 28 to 66 percent.

The Town Clerk's Budget, over which you have control, increased 19.4 percent or an annual average of 6.5 percent. This is indicative of responsible budgeting by an elected official whose concern for the taxpayers is demonstrated by her actions rather than platitudes.

As Town Clerk you have demonstrated a high standard of administrative ability, as well as fiscal integrity in the preparation of your budgets.

This town badly needs someone of your high standards as Supervisor.

I would hope that the Republican Party will recognize that you could be the

reconciling influence for a people divided by the policies of the Republican controlled government in Oyster Bay engendered by its lack of fiscal integrity and its myopic view of the waste disposal problem.

As Supervisor, you would restore credibility and faith in our town government, ingredients sorely needed if we are ever to resolve the waste disposal problems now plaguing us.

As one who has been totally disenchanted with our town government over the years I want to reiterate my appreciation for your honest and dedicated service and hope that your party will see fit to bring honest government back to Oyster Bay by running you for Supervisor in 1987.

Sincerely,
Mario V. Colletuori

CLEANUP TIME

Cleaning up your home for prospective buyers is very much like cleaning up for the holiday season. You want everything to look its best. Before you put up the tree or invite party guests, you move furniture to make more room, wipe away fingerprints, dust and vacuum, put on the brightest lamps. Great! Your living room and family area will be just right for showing to would-be buyers. And don't you make room in the closet so you have space to hang guests' coats and hide holiday gifts? Good idea—your closets will look bigger if they're empty and uncluttered. Prospective buyers do look into closets and cabinets to see if their belongings will fit. The holidays are time of good smells, too: cinnamon and nutmeg in baking, fragrant pine decorations, perhaps the honey aroma of a fire in the fireplace. Do remember how attractive good smells are to people entering your home for the first time. Welcome them with a sprig of spices and a wreath on the door. Happy holidays to everyone from the real estate folks at:

North Shore Vocal Trio To Perform In Plainview

A performance by the North Shore Vocal Trio on Sunday, December 15, at the Plainview-Old Bethpage Public Library, will be the third offering in the 1985-86 "Distinguished Artists Concerts" series, according to Oyster Bay Town Councilman Kenneth S. Diamond.

The concert, which is being sponsored by the Cultural and Performing Arts (CAPA) Division of the Department of Community Services, will be held at the library, 999 Old Country Road, beginning at 3 PM. For further information, contact CAPA at 795-5943. "The North Shore Vocal Trio comprises soprano Claire Smith, tenor Israel Goldstein and baritone Seymour Schwartzman, each of whom has a long list of credits both as soloists and as members of leading vocal groups," Diamond stated. "For this performance, they have chosen selections that run the gamut from opera to Broadway show tunes."

The Trio will kick off the concert with Tchaikovsky's "None But the Lonely Heart." Other selections will include "Di Provenza" from Verdi's La Traviata, "O Mimi Tu Piu" from Puccini's La Boheme, "Summertime" from Gershwin's Porgy and Bess and "You'll Never Walk Alone" from Rodgers' Carousel. Diamond noted that this concert is being supported by grants from National Westminster Bank USA, Apple Bank for Savings and Cablevision.

Prior to a performance by the Kingston Trio on November 17, Myra Levy, an assistant vice president of National Westminster Bank USA, presented a \$7,000 check to Leonard Cooper, president of United Jewish Ys of Long Island, and Suffolk Ys, to present five events in the Grand Performance Series.

The latest event in the Series was the concert by the Kingston Trio in the Suffolk Y Auditorium in Commack.

The next event sponsored by the bank will be a performance of the Pirates of Penzance by the Gilbert and Sullivan players. It will be held February 8, also in the Suffolk Y Auditorium.
