Town Board Schedules Feb. 25 Hearing On Giese Park Improvements

A public hearing has been scheduled for Tuesday, February 25, on proposed improvements to Giese Park in the Hicksville Park District, according to Town Councilman Thomas L. Clark.

"Located on Lee Avenue, west of Broadway, the park is currently undeveloped," Clark said. "Plans call for construction of

recreational facilities and a building for general park use as well as necessary drainage and roads. The estimated cost of the project is \$900,000."

The hearing is scheduled for 10 AM in the Hearing Room of Town Hall East, Audrey Avenue, Oyster Bay.

New Community Program At The Hicksville Library

The Hicksville Public Library has joined 18 other Nassau County Libraries in the Senior Connections Project, an innovative state-funded program which provides information and referral (I and R) to the elderly. The program is conducted by the Adelphi University School of Social Work in collaboration with C.W. Post's Palmer School of Library and Information Science (Long Island University), and in cooperation with the Nassau Library System and the Nassau County Department of Senior Citizen Affairs.

At the Library, a team of Social Work and Library Science graduate interns work together with older volunteers. These volunteers are trained to provide much needed information to elderly community residents. The types of questions that volunteers will be prepared to respond to are:

- Will Medicaid pay for home care?
- I need transportation to the Clinic. Can you help me?
- I haven't received my Social Security check, what do I do?
- I'm alone now and it's hard to keep up my home, whom can I call?

Senior connections is very appealing to many older citizens for whom the library is: Universally available - Highly accessible - Conveniently located - A reliable information center

It is anticipated that the network of I and R programs will

expand to include all Public Libraries in Nassau County. Adelphi Professor Dr. Levinson, Director of Senior Connections, says "We are pleased to add the Hicksville Public Library to our 'Family' of Service Providers." To find out more information about this program or to volunteer, please call 931-1417 or 931-1457.

The Hicksville Public Library will present the film *Another Country* on Friday, February 7, at 8 PM. This 1984 film is about two British students who eventually betray their country circa 1932.

On Sunday, February 9th at 2:00 p.m., the Hicksville Public Library will show the film, "Ghostbusters", a comedy starring Bill Murray, Dan Aykroyd and Harold Ramis as a team specializing in psychic phenomena and supernatural happenings and exterminating ghosts. There is no charge and everyone is invited. Children must be accompanied by a parent.

The Hicksville Public Library will be open on Wednesday, February 12th 10:00 a.m. to 5:00 p.m. There will be NO evening hours. The library will be closed on Monday, February 17th, in honor of Washington's Birthday.

Hicksville "I.N.N." Moves Forward

There is always room at THIS inn! The Hicksville Chapter of the Interfaith Nutrition Network, an island-wide organization, continues to operate as the Hicksville I.N.N. On January 22, an organizational meeting was held to select a group of individuals to administer this worthy endeavor.

Each weekday a hot meal is served to hungry guests at the Parish Hall of Holy Trinity Episcopal Church on Jerusalem Avenue at the intersection of Old Country Road in Hicksville. There is NEVER a charge.

Workers are needed to prepare food, and to assist in picking up supplies and surplus food which is donated to the good cause. Male volunteers are especially needed. If anyone has an hour or two to devote to this very worthy endeavor, please contact Anne Jenal at 516-938-7988.

Although Hicksville I.N.N. holds actual expenses to a minimum, there are still some bills that must be met for this worthy project. Monetary donations would be most welcome, and a drive to raise funds for this Soup Kitchen, which feeds the hungry people in our community, is being planned under the direction of the Reverend John Krahn of Trinity Lutheran Church in Hicksville.

The officers chose for the coming year are as follows: The Reverend Dominic Ciannella, President; Sheila Noth, Secretary; and Seigfried Widder, Treasurer. Publicity and public relations are being handled by Effie Krogmann. Further information is available from any of these people. Correspondence can be directed to Hicksville I.N.N. at either 17 New South Road or 124 Jerusalem Avenue, both in Hicksville.

Lawrence McCaffrey was the featured speaker at the recent luncheon meeting of the Hicksville Chamber of Commerce at the Milleridge Inn. The well known Hicksvillian insurance agent discussed the problems inherent in today's mounting insurance rates.

Dear Friends...

What Would They Wish For Us?

We have messages from all our elected officials expressing their condolences to the families of those who manned the space shuttle and lost their lives in last week's tragedy. And tragedy it was, even though the risks were known to all who chose this way of serving our country.

Now that all the sad ceremonies are past and the final Taps sounded, we must all go on. This brings up the question, "What would they wish for us? We believe the answer is in their own participation in our space program. We believe they would wish for us the same brave spirit in our endeavors and in our lives that they displayed.

They gave their lives in the pursuit of scientific discovery, education and the future of our beloved Country. Can we do less? Wherever we are, whatever we do now and in the future, we can honor them by displaying the same dedication to whatever is the best in us. As Mrs. McAuliffe taught her students... "Never give up the dream... Day to day living may not be as exciting as space travel... but the dream is there for us all.

What can we do for them? Never give up the dream. Do your best... be your best... and honor your God and your Country.

PRESIDENT PETE MASSIELLO'S MESSAGE: 'Pleasure is nothing else but the intermission of pain.' Old Saying

Time is a very important factor in our lives. Time is what our lives are made of. Time controls us, and we just seem to wait for it to come and go. Everything seems to be predicated on it. Oh, yes, we wait for summertime, springtime, wintertime, Christmas time, Easter time, vacation time, birthday time, and on and on we could go. So, if we keep within bounds of this idea, we also see that the Galileo Lodge is waiting for romance time - Valentine's Day, of course. A short time ago the Galileo Lodge announced that it would present a Valentine's Day Dance on Saturday, the 15th of February. Tickets sell at \$13.50 per person, a nominal fee that entitles you to a delicious hot dinner, beer, soda, coffee and cake set-ups and music for listening and dancing pleasure. Joe Giordano will 'chair' this activity, ably assisted by Joe Morace and Tony Sica, the two co-chairmen. Please note that this activity features a 'bring-your-own-liquor' policy and that Mr. and Mrs. Armand Del Cioppo will be the Valentine's Day Sweethearts for the Galileo Lodge that night. To reiterate, I don't feel that you could find a better way to enjoy a feeling of love than to attend our

Valentine's Day Dance.

The Ladies Auxiliary, about-as hard-working and active a group as you could find anywhere, proudly announces that on Thursday, the 27th of February, it will present its Fashion Show. Fashions on display that night with men and women's clothes, with attractive models to enhance their beauty and authenticity and which come from the well known Potpourri Boutique, Strategy Beautiful and Lewis and Clark for the male segment. A delicious hot gourmet dinner prepared by the Galileo Lodge chefs will satisfy your gastronomic tastes, and, of course, beer, soda, coffee and cake. Please note that a 'bring-your-own-liquor' policy will be in effect that night. Tickets sell at \$12.50 per person, and you can order them by calling Rachel Staiano (349-1577), the Chairlady, and the Asst. Chairladies, Ann Palermo (931-3960) and Mary Barella (931-3960) every Wednesday night at the Galileo Lodge, between 7 and 9 P.M. All seems to be right here: the price, the show and the congenial atmosphere engendered by the Ladies Auxiliary. Do you want to be in style? Of course you do!

WHAT'S "IN"

Appliance manufacturers have come up with two new color-treat and silver-for household appliances, but more than half of all the refrigerators and ranges sold are still in the popular almond shade. White is still big, especially for laundry appliances and freezers, but once-popular gold, avocado, and copper are rarely bought these days.

If you're remodeling your kitchen, keep current tastes in mind. An up-to-date kitchen really helps sell a house—indeed, it's the home improvement that pays off best—and it should be designed to appeal to prospective buyers. Wallpaper and paint are easy to change, but appliances are a major investment. Smart homeowners add every home improvement with the next buyer in mind. Highly individual homes may be exciting, but they

are hard to sell. Families who must move often learn to decorate in soft pastels and classic styles that will appeal to everyone.

Smart homeowners also know the value of a capable real estate broker to market a property. That's why they list with:

Eighth Precinct Police Report

A fire broke out on Jan. 29 at a Hicksville residence, leaving extensive damage to the house.

Hicksville Runners Urged To Enter Plainview 10K Run

Sponsors of the Plainview Long Island Championship 10 Kilometer Run have issued a special invitation to Hicksville runners to complete in the 9th annual running of that race on Saturday morning, April 5, 1986. The Run is being sponsored by the Long Island brokerage firm DAVID LERNER ASSOCIATES in conjunction with the Plainview-Old Bethpage Road Runners Club.

The Run will begin and finish at H. B. Mattlin Middle School, located on Washington Avenue in Plainview. The starting gun will go off promptly at 10:00 AM on the morning of April 5.

Among the new features added to the Plainview Run in 1986 are a special post-race drawing for two round-trip tickets to the 1986 San Francisco Marathon. All entrants are eligible to win. Also, instead of the usual T shirt offered at most races, top quality long sleeve sweatshirts will be presented

to all runners entering the Run.

Thanks to the generosity of DAVID LERNER ASSOCIATES, all profits of the Run will be donated to the Memorial Sloan Kettering Hospital for Special Surgery Children's Prosthesis and Rehabilitation Foundation. In addition to enjoying a top quality running and racing experience, every runner will have the satisfaction of knowing that his entry fee will help a bunch of youngsters who have suffered the misfortunes of cancer and the tragedy of amputation to lead happy, productive and physically fit lives.

"Hicksville runners have always played a big part in our annual Run," observed POBRRC President Mike Polansky, "and have been especially prominent on the list of trophy winners." Trophy winners in the 1985 edition of the Run included Hicksville residents Margaret Bertram, who was 5th woman overall and took

home the first place trophy in the 20 to 24 age group. Liz Flatavan, who took 4th place in that same age group, and Doug Nassisi, who was third in the men's 15 to 19 age group.

The 1986 edition of the Run will once again be administered by Finish Line Promotions. Time splits will be given at each mile marker and police traffic control will be provided throughout the Run. There will be a water station at the halfway mark.

The Plainview course was professionally laid out by David Katz of Finish Line Promotions, assisted by members of the Plainview-Old Bethpage Road Runners Club. It provides a dramatic combination of demanding hills and level straight-aways through some of the most scenic roads in central Long Island - including a mile-and-a-half stretch along Round Swamp Road, past the Old Bethpage Village Restoration.

The run is TAC sanctioned and the course has received formal TAC certification, so that personal times achieved in the Run can be used as qualifying for TAC events times throughout the country.

The Plainview Run continues to be generous with trophy awards this year, as awards will be presented to the top five male and top five female finishers in each of eleven age categories. Special trophies will also be awarded to the top three male and female teams, and to the male and female finishers overall.

The entry fee is \$9.00 for those who preregister and \$11.00 for those who register on the day of the Run.

For Run Application or for more information, call Plainview-Old Bethpage Road Runners Club President Mike Polansky at 433-0919 or stop in at any of the DAVID LERNER ASSOCIATES offices throughout Long Island.

Harlem Globetrotters Come To Nassau Coliseum

Sports history comes to the Nassau Coliseum on Sunday, February 16, at 2:00 P.M. when the Harlem Globetrotters appear with their first woman player ever, Lynette Woodward.

But not just any woman, Woodward was the Captain of the 1984 Gold-winning Women's Olympic Basketball Team and the most prolific scorer in Women's Basketball history with an amazing 3,649 points at the University of Kansas, surpassing even the records of such greats as JoJo White and Wilt Chamberlain.

A triple crown winner, Lynette was the first woman selected for the 1982 NCAA Top Five Award, won the coveted Wade Award, honoring the finest female basketball player in the country in 1981 and was the recipient of the Broderick award in 1982. She made the Kodak All-American Team four times (1978-1981), and was named to the select Academic All-American Team in 1980 and 1981 by the College Sports Information Directors Association.

Adding yet another laurel to her crown, she captained the all-winning side and played a major role in the U.S.'s victory at the Pan Am games in 1983. Her uniform number, 31, was the first to be retired by the University of Kansas.

The first female rookie began her odyssey when she was selected as one of the ten to attend the Trotters' pre-season training camp in Burbank, CA, after an intense and highly competitive session at the Women's Tryout Camp in Charlotte, NC, (July 14-17) that narrowed the field of 18 top-flight athletes down to ten. The final decision, based on talent, finesse, and ball-handling skills, was made at the training camp just prior to the team's departure for Australia.

"This is a dream come true and the opportunity of the century", says the first woman ever to grace the squad.

Celebrating their 60th season, the Trotters in their travels in 101 countries have introduced basketball to the world and now they are welcoming a woman onto the court.

The new team member is part of America's living basketball legacy. The Harlem Globetrotters began as

barntormers in the mid-west in 1927 and graduated to become the world's best-known and most beloved hoopsters.

Combining comedy and hard-driving basketball, the America's Ambassadors of Goodwill have entertained over 100 million people globally since the team was established and with their new rookie, they will be inspiring a whole new segment of the population to get serious about the sport.

Leading the line-up, on Sunday February 16th at 2:00 p.m., is "smooth as silk" forward Billy Ray Hobley, 6'9" funnyman Lou Dunbar, Clyde "the Glide" Austin and long-legged laughmaker Twiggy Sanders.

Tickets are \$12.00 and \$8.00 available at the Coliseum Box Office and all Ticketmaster outlets. Charge by phone 516-888-9000 or 212-307-7171. Discounts available for groups of 25 or more - call Group Sales 516-794-9300 - Youth 12 years and under \$3.00 discount.

Special Guest At Willet Ave.

As part of the Willet Avenue fourth graders' study of local history. Students from Mrs. Carlson's and Mrs. Bunting's classes recently interviewed a special visitor. Dolores Knoell, whose maiden name was Krummenacker, grew up on a farm on Hempstead Turnpike, the land now occupied by St. Bernard's in Levittown. When she was five years old her mother died, and Dolores was sent to live with the nuns at St. Ignatius

Convent while she attended school there. On weekends she would go home to help out on the farm, where her father raised vegetables which he took into Bronx Terminal Market for sale. This area was sparsely populated in the pre-war days, and most of the farmers were related. Holiday gatherings, and a rare summer get-together were family affairs. Mrs. Knoell brought with her many pictures from her youth, showing this area

in the past. Students were particularly interested in a photo of her handsome husband, with his tractor, which had appeared in *Life* magazine.

The boys and girls had many questions about schools, recreation (which didn't get much emphasis in those days), clothing, and about Hicksville as a community. Mrs. Knoell told them that she remembered Hicksville's Broadway as the big shopping center with Huetner's Department Store, Braun's butcher shop, and Esslinger's jewelry store—all but forgotten now except by old timers or local history buffs.

Mrs. Knoell had come laden with gifts—cupcakes and candy canes for all the students, and a lovely plant for Mrs. Barrow, the Librarian, who had arranged the program. The afternoon passed all too quickly as students munched on their snacks and enjoyed hearing about "the old days."

Hicksville Youth Council Announces East St. News Two New Programs

By Geraldine Geannikis

The service of the Hicksville Youth Council have once again been expanded to meet the changing needs of the community and the families that are served. A Parents Group and the Big Brothers/Sisters High School Program have been added to the agency's services. Incorporated in 1972, the Youth Council provides programs in therapeutic counseling services, employment/vocational services, neighborhood issues and recreation/leisure time. The Big Brothers/Sisters Chapter for the area is also sponsored by the agency and located in the offices at 181 West Old Country Road, Hicksville. All services are available at no charge to Hicksville young people, aged 12-21 and their families; agency hours are 10:00 a.m. - 9:00 p.m. Monday through Thursday and Friday 10:00 a.m. - 6:00 p.m.

High School Program

The High School Program of the Big Brothers/Sisters Chapter matches volunteers over 16 years of age who are students at

Hicksville High School with youngsters from single parent families in the community. The volunteers contribute 3-4 hours a week for at least one year to their "littles" and focus on developing a supportive friendship with the young person. Typical activities might include attending sporting events, doing homework together, going bowling or to a movie. The little brother or sister gains a friend and a role model while the student volunteer has an opportunity to donate their time and energy to a truly worthwhile cause. The high school students are recruited, trained and supervised by the Chapter Coordinator at the agency. For additional information about either of the Big Brothers/Sisters Programs, please contact Hoshea Givan, Program Coordinator at the Youth Council.

Parents Group

The Parent Group, held on a weekly basis, is designed to provide parents with an opportunity to interact with other parents and share their experiences. Past

topics that have been discussed have included parents' rights in the school, various styles of parenting and how to best discipline one's adolescent child. The basic premise of the group is that parents need support as much as their young people do and that by meeting with other parents they gain support as well as helpful information about parenting. The meetings are held one evening per week at the Youth Council and are facilitated by a certified professional family therapist. For more information about the Parent Group or any of the counseling services, please contact either Pat Schusser or Candace Shapiro at the Youth Council.

For general information about any of the other services of the Hicksville Youth Council, please contact Barbara Nelson, Executive Director. Speakers are available to address interested community groups as well and can be arranged through Barbara. The agency telephone numbers are 822-7688, 822-7594 and 822-7695.

The children of Mrs. Helen Miller's 5th grade class at East St. School made a study of the trails that the pioneers took to cross the United States to settle the West. Each child was assigned to a trail, such as the Lewis and Clark Expedition, the Yukon Trail, the Natchez Trail and the Old Boston Rd., etc. Each child made a study which included a written description of the trail, a poem about the trail and facts about a famous person who lived in the area that the trail covered. The children also made diaramas depicting scenes of their particular trail.

Here we see in the top photo: Patricia Mercurio, Angela Laurino, Michael McKenna, Rebecca Geannikis, Abey Kenneth, Dominic Freda, Sarah Barnard and Amy Reinhart standing in front of their reports.

In the lower photo we see: Chris Merkler, Jennifer Jabour, Timothy Baldwin, Vicky Mietta, Angela Laurino and Richard Woodworth proudly displaying their diaramas.

Mrs. Wallman's Third Grade Class at East Street School has been studying about the Victorian era. They did many creative projects about this unit with the Art Teacher, Mrs. Phoebe Witte. The children made a huge Victorian house, authentic in every detail. They also made a Victorian snow scene with small figures dressed in Victorian clothes.

Each child has his own individual Victorian scrapbook telling about each room in a Victorian house and showing pictures to illustrate the rooms.

The children listened to accounts of what it would be like to live as a child in the Victorian era from school life to the diet: "Children should be seen and not heard."

As a culmination of the unit, the children will go to Raynham Hall in Oyster Hall, which has a complete wing restored in Victorian style.

Mr. & Mrs. Frank Motta, Sr. are very proud to announce the marriage of their daughter, Carolyn Marie, to Mr. Milton Alex, Jr., son of Mr. & Mrs. Milton Alex, Sr. The marriage ceremony, a nuptial mass, took place at St. Pius X R.C. Ushers were Thomas Myron, Sr., brother-in-law of the groom, and Gregg Siragusa, friend of the groom; Thomas Myron Jr. was ring bearer, who is the groom's nephew.

In the top photo we see Mrs. Witte, the art teacher, guiding the children who worked on the construction of the house.

In the center photo we see Joseph Sachman, Jamie Walters, Marisa Piccielli, Karen Mancuso and Bonnie Pinkham, proudly sitting in front of the finished house.

In the lower photo we see figures which were on display in Mrs. Wallmans Room which depict Victorian costumes and paper houses of the Victorian Era.
