Blood Drive Planned For St. Ignatius Parish

Blood donations customarily decline during the winter months. However, the need for blood remains constant throughout the entire year. In an effort to collect additional blood for our area, St. Ignatius Parish will host a community blood drive. This event, open to all parishioners and neighbors, will take place on Sunday, February 16 from 9 a.m. to

1:45 p.m. A Long Island Blood Services bloodmobile will be set up in the school cafeteria, located on East Nicholas Street in Hicksville.

If you are in good health, weigh a minimum of 110 pounds, and are between the ages of 17 and 66 you are eligible to become a blood donor.

Long Island Blood Services is the major collector, processor, and distributor of blood on Long Island. This non-profit health service organization is sponsored by the New York Blood Center and the American Red Cross.

Donating blood is a safe and easy procedure. All materials used are sterile and disposable, and used

only once. There is absolutely no danger of contracting any illness by donating blood.

This winter, give the greatest gift of all—blood. Your single donation of blood could help save up to five different lives. Donate blood and show the true meaning of what life is all about.

PTA's to Honor Gerald Klein

Mr. Klein believes that all children can achieve. He has been an active PTA supporter since his arrival in Hicksville in 1980.

The individual PTA units have also selected honored guests to be feted at the dinner. They have been chosen by each unit's members for the time and energy they have contributed to furthering PTA's goals and objectives. This year's list is again an impressive one.

Exhibition and Art Contest

The L.I. Hicksville Gregory Museum will honor the 50th Anniversary of the National Wildlife Stamp Art by presenting an exhibit of the 50 years of Wildlife Stamp history and artwork by some of the finest wildlife artists on Long Island.

In conjunction with this exhibit there will be a "Wildlife Art Contest" offered to all the children on Long Island in grades K to 6. Elementary school youngsters are being invited to create artwork illustrating American Wildlife in their natural

environment, beginning in February. Deadline for entries is April 4, 1986 at 4:30 P.M.

The notable Long Island artists exhibiting their artwork are Guy Cabelach, Paul Connors, Don Eckelberry and Arthur Singer. Their drawings which have been included on sheets of stamps annually issued by the N.W.F. have been enjoyed and collected by people of all ages, and has made the public aware of the importance of Wildlife Conservation.

The Gregory Museum "Wildlife Art Contest" rules are as follows:

1. All children in the grades K-6 may enter.
2. The artwork should illustrate America's Wildlife in their natural environment.
3. The artwork should be no smaller than 9" x 12", and no larger than 18" x 20".
4. All entries must be clearly labeled with the child's name, address, telephone number, age, grade, and school.
5. Oil, watercolor, pastels, crayon or any other media is optional.

It is requested that you mount or frame the artwork for display.

All entries must be at the Hicksville Gregory Museum no later than 4:30 P.M. April 4, 1986.

All entries are invited to a party on April 13, 1986 at 2:00 P.M. Prizes will be awarded to the winners. Also, a live presentation will be given by a naturalist from the Theodore Roosevelt Sanctuary.

The exhibit will be on display from April 13 thru June 30.

Lady Liberty Comes To Fork

By A. Eichanauer

Wednesday, Feb. 5, at 1:45 p.m. the children of Fork Lane were entertained by the "Theatreworks U.S.A.", who presented Lady Liberty to them. The production ran about an hour, and it explained to the children how the people of different countries felt and how they were treated when they came to "This Wonderful Country called AMERICA."

The actor's tried to get across to the children that back then all the people united as one to help one another. It made no differ-

ence if you were Jewish or Irish, Italian or German.

They had a scene that takes place on Ellis Island, where an Italian who's name was too hard for the immigration officer to pronounce, so the officer changed the name to something short and simple. Many, many names were changed as the 6,000 a day filed by. The immigrants were told that in America the streets were paved with gold and jobs were plentiful. They soon found out that this was all lies, and many returned to their home lands. Men worked for 6-8¢ an hour and worked 14 hour days.

The immigrants learned English in a hurry in order to survive. Many ideas were stolen from them due to a lack of education. Not knowing laws and understanding what they meant and who they were for.

Many good things however came from these hard working people, that made it much easier for us today.

This production was excellent, but too detailed for the young student. I really don't think they understood that most all of their great-great grandparents came from Europe, and brought with them the

wonderful culture, language, foods, religions that we have today.

This cast was as follows: Maria - Karen Wright, Lucia - Julie Ridge, Stefan - Casey McDonald, Aaron - Samuel D. Cohen, Finkel - Gregory Linus Weiss. Production Stage Manager - Allan Easterby. Book and lyrics by John Allen, Music by - Joe Raposo.

Fork Lane P.T.A. would like to "THANK" Roseanne Robey our Cultural Arts Chairperson and our school district for bringing this program to our school.

Devotions

Trinity Lutheran Church
Dial-A-Devotion 931-2221
By The Rev. Dr. J. H. Krahn

You are because I am. I was there from the beginning. My father, God, and I fashioned the world that you enjoy. We hung the stars in the sky, scooped out the lakes, formed the mountains. But our genius was no more evident than when we made you. You are so magnificent. Consider yourself your ability to think and reason. Do you realize how special you are? We had such a great thing going in the garden.

Unfortunately, the devil talked your forebears into trying to be like God, and they both fell for it. My Father and I had no choice but to show them the exit from Eden. Because of their sin, we had to face the decision whether or not to save what we created or to destroy it all. Save it, we decided. Later, in response to a promise made to your father, Abraham, I, the Son of God, was implanted by the Holy Spirit in a young virgin's womb. They called me Jesus, for I had come to save you and all humankind

from the consequences of your sin.

The plan of salvation was not complicated, although it was generous perhaps to a fault. You had sinned and continue to sin. It is your nature from the time of the Fall. Therefore, you cannot save yourself. Although some of you sin less than others, none of you is perfect. My Father demands perfection—he will not stand for any imperfection in eternity. Fortunately, for you, my Father is also compassionate, and his love goes beyond human love. He wanted to reclaim you as his own, therefore, he decided to be inflicted with suffering and death. To accomplish this, he sent me—part of himself—to become a person like you and to receive punishment and death in your place.

Some of you only see me as an Alka Seltzer for an occasional headache, rather than a Savior for a whole new life. You call upon me and my Father for help only when all else seems to fail.

Voices we haven't heard in years make their way heavenward in dying breaths. Others make a puzzle out of our plan for your salvation. You continue to believe that you must add some of your goodness and righteousness (which is really in short supply in heaven's standards) to my sacrificial death on the cross. Friends, I paid the price—one hundred percent at Calvary.

Can you imagine how I feel as your God, having humbled myself by becoming a human being, giving up heaven for a stinking stable, being misunderstood, mocked, tortured, spit upon, and hung, all because of you and your wretched sinfulness ... and then to have you believe that this was not enough. To have you, in your pride, believe that some goodness of yours

would need to be added in order for the Father to receive you into heaven and angers and disappoints me. You can do nothing to save yourself. I did it all because I love you. Please get it into your head, once and for all, I am your only way out of the pits of hell. As I said while I was with you on earth, "I am the Way, and the Truth, and the Life no man comes to the Father but by me!" May the Holy Spirit convince your hearts of my love, and may you understand that believing in me is the only way to be saved; sufficient in itself, needing absolutely no human works, no false pride, no human righteousness, nothing ... nothing ... nothing at all to be added to it. I died to purchase a place for you in heaven which I offer to you as a gift which you must receive totally and exclusively by faith.

Hicksville Fire Report

Russian Roulette Played Here

During the past month several house fires in Hicksville caused considerable damage and in some cases the residents were very lucky to escape. What seems to be happening in Hicksville is many homeowners are opting to play Russian Roulette with the lives and safety of their families, by not installing smoke detectors in their homes. This past weekend smoke detectors were available in local stores from \$5.99 to \$20.00, some with rebates!

Fellow Residents - Please heed our warning - It CAN happen here and sooner or later it will. Fire strikes without warning, regardless of income. The headlines will read - "Fire Kills Five" etc-etc. Do you want to be a statistic? There is NO EXCUSE for not having a smoke detector, or if you have one, for not maintaining it. The following reports back up what we are saying.

House Fire: Jan 22 - 3:37 PM - 37 Grape La. No occupants home. Probable cause... Heating system equipment. Considerable damage to garage & utility room.

House Fire: Jan 27 - 12:21 PM - 25 Boxwood La. No occupants home. Stove left

on. Fire extended to room on 2nd floor. \$50.00 damage. Smoke detector present - No Battery in it.

House Fire: Jan 29 - 8:47 AM - 211 Blueberry La. Possible careless smoking. Occupants home - No Detector, barely escaped. Extensive damage to home.

House Fire: Feb 8 - 4:08 AM - 111 King St. Fire in chair - No Smoke Detectors - Children awoke to a smoke condition. No injuries.

Are you or are you not risking the lives of your family? Do you have a detector? Do you maintain one?

Another Fire, on Feb 2nd at 3:28 PM at L.I. School of Typography, 23 Jerusalem Ave. Had it not been detected, could have resulted in a major Business District Fire. Firefighters had to break a wall to get into the fire area. The fire burned itself out. Firefighter discovered that a flammable liquid had been poured all around the room and later it was found valuable equipment had been stolen. The Fire Marshals office and Arson Squad detectives are investigating.

Syosset Landfill Cleanup Delayed: D'Amato

U.S. Senator Alfonse M. D'Amato (R-C-NY) said that the cleanup effort at the Syosset Landfill is being affected by the congressional delay in passing an extension of the federal government's Superfund program.

D'Amato has cosponsored legislation, S. 1920, which would temporarily extend Superfund while the House of Representatives and the Senate resolve their differences over a long term Superfund bill.

The Senator said that the actual cleanup or preliminary studies at twelve sites in New York, including Port Washington and Syosset Landfills, have been delayed by the Environmental Protection Agency.

The Syosset Landfill has had an adverse affect on the groundwater in the Town of Oyster Bay. The EPA is prepared to begin an investigation of the site, pending the reauthorization of the Superfund program.

Last September, the Senate passed a \$7.5 billion, 5-year reauthorization of the Superfund program. The House of Representatives postponed approval of a package until mid-December.

D'Amato warned that final approval by a House-Senate conference committee could take several months. He said that Congress should pass an emergency extension of the program as quickly as possible.

Shall We Close The Schools For The Day?

Falling snow, or even the threat of bad weather, puts Hicksville school district personnel on the alert to gather the information needed to make that important decision: Should we close the schools for the day?

The process begins at 4:30am when the Superintendent listens to weather reports to determine the trends noted by forecasters. By 5:00am, the Assistant Director of Facilities and Operations and a member of his crew, both Hicksville residents, compare notes on local weather conditions. Crews operating the district's 11 snow plows are

ready to work by 5:30am and they communicate on-site information about road and traffic conditions. Also at 5:30am, superintendents in the same locale having the same terrain share information and confer about the decision to close -- a choice that must be made by 6:00am.

Unless a heavy storm begins in the evening, allowing plenty of time for notification about closings, the decision must be made by 6:00am so that bus companies can be called and radio stations carrying school closing information can be

contacted. Teachers and administrators must also be called before they leave for school. At this point, the machinery which has been put into motion cannot be stopped and the decision to open or close school has been set.

"Local district superintendents have to make their decisions by 6:00am, but it's possible that conditions might change for the worse after that time," noted Hicksville Superintendent of Schools Dr. Catherine J. Fenton. "If the snowfall intensifies or road conditions become difficult

between 6:00 and 9:00am, the parents then must determine whether they want to send their children to school."

"This is a particular problem in the case of afternoon kindergarten classes," Dr. Fenton explained. "If schools are opened in the morning, I would not want to cancel afternoon classes and risk having a parent miss the message and send a child to school. The youngsters might be stranded with no way to get home again, so we will keep the classes open and let parents decide."

January 29, 1986 marked an exciting event in the life of the newly formed Daisy Girl Scout Troop #3338 of St. Ignatius Loyola School -- their first field trip!! For this occasion Troop Leader, Gloria Arbia, with the help of Mrs. Mais, took the girls to the Carvel Store located at 447 South Broadway, Hicksville. There, store owner, Carol Ventruella, took the girls on a tour of the store which included learning how ice cream is made, how cakes are decorated and how delicious the results of hard work can be!! Pictured is Carol Ventruella with the whole Daisy Troop, who extend their thanks for all the kindness they received.

Concert

On Friday evening, February 28, 1986 the Wolfe tones will be in Concert at Holy Trinity Diocesan High School, Newbridge Road, Hicksville, at 8:00 P.M. in the Trinity Theatre.

Tickets are \$12.50 if purchased in advance (\$15.00 at the door).

For tickets or information, call Marty Logan at

796-3106 or Paul Basel at 796-7276.

Doors open at 7:00 P.M. Dancing, food and refreshments are available at intermission and at the Afterglow following the performance.

The high school will benefit from the proceeds of this event.

On February 8, 1986 the Daisy Girl Scouts of St. Ignatius Loyola School were invited to participate in the Hicksville Community of Girl Scouts International Day. Representing Canada, the girls prepared colorful picture collages of all the Provinces, displayed the Canadian flag, and sang "O Canada" for all assembled. All material used was generously supplied by the Canadian Consulate General. Pictured are Cathy Arbia and Michelle Hernandez setting up and Troop Leader, Gloria Arbia, leading Casey Rorech, Cathy Arbia, Christina Wainer, Michelle Hernandez and Jennifer Mais in the singing.

The third grade classes at the Old Country Road School have completed a study of the solar system. As a final project the classes worked on dioramas and mobiles of Space City Life in the year 2010 A.D. Both classes were given a Star Lab presentation by the Old Country Road School P.T.A. The Star Lab program features a miniature machine which projects the night sky on the floor of an inflatable dome. The program presented by an astrologer from the Long Island Science Museum, gave the children an exciting in sight into the stars, constellations and galaxies.

Students from Miss Dillon's and Miss Soeger's classes are seen displaying their dioramas and mobiles of Space City Life in the year 2010 A.D.

Letters To The Editor

To the Editor:

I was dismayed to read about the plight of our local Drum & Bugle Corp. I don't know all of the details in this matter but I and my neighbors are hopeful that a new home can be found for such a young and dedicated group of players. Respectfully,

To Whom It May Concern:

A friend of mine from Long Island sent me a copy of the Mid-Island Herald dated January 30, 1986. I give up! After reading the article, "new image group in need of home," I have completely lost faith in the people of Long Island. Here is a group that is truly great in all respects, certainly a positive influence on every kid who is or ever has been connected to it, and you seem ready to accept their imminent demise!

Where are all the politicians now?

I watch these kids every year at their pageantry show at Hicksville High School and am always amazed at how they stand out from the other competing groups. I've been told they spend hours in the hot sun rehearsing in order to get so razor sharp. Is this the thanks they get?

I have no kids of my own, but if I did, I would seek out an organization such as this, because it obviously teaches them the values most parents want taught. If the new image drum corps is allowed to be cast into the street it will be a sad commentary on what Hicksville and the rest of Long Island think of their kids.

Please, somebody do something now to insure that this wonderful bunch of kids and all that they stand for is not allowed to just wither away and die.

Republican Assemblymen Sponsor Forum On Budget Impact

The Nassau County Assembly Republican Delegation will hold a public forum on Thursday, Feb. 27 from 10 a.m. to 1 p.m. at the Town Hall in Hempstead for discussion of the local effects on the proposed state budget. Assemblyman Fred Parola (R-C, Wantagh) said today.

"Along with Assemblyman Philip Healey (R-C, Massapequa), Gregory Becker (R-C, Lynbrook), George Madison (R-C, Franklin Square), Armand D'Amato (R-C, Baldwin), Dan Frisa (15th A.D.) and Kemp Hannon (R-Garden City), we have invited a host of local civic leaders to speak at the forum," said Parola.

"It is quite clear that the governor's fiscal year 1986-87 spending proposal needs revision to avoid a catastrophe to Long Islanders," said the assemblyman. "This forum will provide us, as state legislators, the chance to obtain expert testimony on just how the proposed budget will affect Nassau County residents and organizations."

Parola added that a number of area officials have been

invited to speak, including Thomas Gulotta, Hempstead town supervisor and chairman of the County Board of Supervisors; Francis Purcell, Nassau County executive; Peter King, Nassau County controller; former state Transportation Commissioner James LaRocca of the Long Island Association, and several area mayors.

"We have also invited officials representing senior citizens, school districts and crime prevention programs," said Parola.

The lawmaker also noted that issues to be discussed include education, crime, the housing crunch, death penalty and veterans affairs. Any other concerns of interested parties will also be addressed.

"This forum is open to the public, and I join my fellow Republican assemblymen from Nassau County in urging all to attend," said Parola.

Anyone interested in testifying should contact Assemblyman Parola's district office at 731-3434.

High School Mathletes Finished First

Dr. J. Botwinick, Principal of the Plainview-Old Bethpage High School is pleased to announce that Plainview-Old Bethpage mathletes were victorious in the Nassau Math Tournament held on Saturday, January 25 at Oceanside High School.

For the second consecutive year, Plainview's team has placed first in the senior (11-12 grades) division. The members of this year's winning team are David Gershfield, Jeffrey Petrou, Brian Urkowitz, Jeffrey Powell,

and Cara Novick. Plainview's sophomore also did very well, placing first in its division (9-10 grades). Joshua Rosenow, David Rich, Steve Dorfman, Alan Pollack, and Peggy Lu are the members of this team. Other Plainview students who participated in the Tournament are David Robinson, Jeff Bernstein, David Jaffe, Howard Stein, and Jay Eisbruck.

Plainview not only won in the overall competition, but did well in individual events as well. In the Relays, the

sophomores were first in their division and the seniors were second in theirs; both the seniors and the sophomores placed second in the Mathlete competition; and the seniors were third in the Group Problem-Solving. Joshua Rosenow tied for first place in the county in the sophomore division, and David Gershfield was sixth in the senior division.

Mr. Fusco, the mathletes' coach, commented that the results of the Tournament were "astounding, unexpected, and unbelievable."

However, he also commented that it was becoming "embarrassing to win so much and so often!" In spite of this seemingly negative attitude, Plainview High School is really quite proud of the accomplishments of the mathletes. To honor their achievements, the showcase across from the main office has recently been painted (bright orange) and filled with math trophies and plaques, and the showcase in the math hall will house the current awards.

Galileo Lodge News

By Joe Lorenzo

PRESIDENT PETE MASSIELLO'S MESSAGE: "Knowledge comes, but wisdom lingers." Alfred Lord Tennyson

Last week I wrote about time and how it eludes us, well, lo and behold, I now see that time for the Galileo Lodge's Valentine's Day, Dance is almost on the verge of eluding us. Sure enough, next Saturday, the 15th, the Valentine's Day dance will occur. Some tickets are still available, so why not call Chairman Joe Giordano and purchase your tickets if you so desire. For the cost of \$13.50 per person, you will be offered a delicious hot dinner, beer, soda, set-ups, coffee and cake and music for your listening and dancing pleasure. But please note that a 'bring-your-own-liquor' policy will be in effect that night. This is one dance that you and your loved ones should attend and enjoy.

One good time deserves another, if I may be permitted to alter a time-worn expression to blend in with what I am about to report here. The other good time I am referring to is the delightful Fashion Show which the Ladies Auxiliary is working so feverishly to present on Thursday, the 27 of February. Tickets sell at \$12.50 per person, a very nominal fee that entitles you to a delicious hot gourmet dinner prepared by the Galileo Lodge chefs, beer, soda,

coffee and cake, set-ups and the eye-appealing Fashion Show itself. Why is this show so attractive to the eyes? Well it's because attractive models will certainly embellish the ladies and women's clothes that are to be featured. Rachael Staiano (349-1577) will chair this activity, and the ticket ladies will be Ann Palermo (334-7107), Maria Matassa (931-3960), Mary Barella (931-3960), all who, incidentally, will also be selling tickets every Wednesday night at the Galileo Lodge, from 7 to 9 P.M. To ensure an orderly conclusion of this event, Chairlady Rachel Staiano would like to see payment for all tickets before the 19th of February, and she also states that all the ladies from the Auxiliary are giving up so much of their time and efforts to make this show fiscally as well as socially successful.

Now if we use the above-mentioned axiom that one good time deserves another and bring it to its logical conclusion, we'll find that all good times deserve another. So what do we have there - oh, yes, right on the heels of the St. Valentine's Day Dance is the St. Joseph's Dance, which certainly falls into the category of 'good times.' Tickets for this activity will cost \$13.50 per person, and in the offering will be a delicious hot meal with all the trimmings, beer, soda, coffee and cake, set-ups and pleasant dance music for

your listening and dancing pleasure. Armand del Cioppo will chair this activity, ably assisted by co-Chairmen Joe Morace and Tony Sica. The date for this dance will be Saturday, the 22nd of March. In keeping with the tradition of St. Joseph's Day, the delicacy known as 'zeppoli' might also be served, so it does appear that the Galileo Lodge does strive to offer you the most for your money.

Although I do not have all

the information or particulars at my disposal, I would like to report that Felicia Monteforte, daughter of Mr. and Mrs. Skip Monteforte, has received another scholastic award from her college, and her parents are very proud of this distinction; and I am very happy to report that so is the Galileo Lodge. In our next column, we will try to furnish you with more details about Felicia's great honor.

Plainview Writing Contest

Dr. J. Botwinick, Principal of Plainview Old Bethpage High School is pleased to announce that Lissa Karpf and Lilia Vigdardovich, students in Mr. Leim-sider's English 11A classes, have been nominated to participate in the National Council of Teachers of English Achievement Awards in Writing contest, according to Mr. Dahlgren, English Chairperson.

The entrants must submit pieces of original writing

(poetry, short stories, essays) and also write on an impromptu theme topic under supervision in April. Those entries are then forwarded to the National Council of Teachers of English for judging. Winners are announced in the fall. The number of entries is based on total enrollment in grades 10, 11, and 12. Plainview Old Bethpage High School is allotted two entries. The contest is open to juniors only.

Irish American Club Dance

The Irish-American Club, Mid-Island Area will hold a Valentine Dance at the Legion Hall, 115 Southern Pkwy., Plainview on Friday Night, Feb. 21, at 9:30 p.m.

Artist In Residence At Willet Ave.

Julius Williams, well-known composer and conductor, visited Willet Avenue School on February 7th as part of the Hicksville Public Schools "Artist in Residence" Program.

Mr. Williams discussed and demonstrated "Black Magic". He explained how Afro-American music influenced the music of today. The students in grades 4, 5, and 6 and their music teacher, Theresa Sgammato, enjoyed singing spirituals and jazz while Mr. Williams improvised on the piano.

Immediately following his Hicksville workshops, Mr. Williams will be guest conductor for the Dallas symphony.

The Willet Avenue students were enthusiastic and excited about singing with Mr. Williams, and expressed hope that he might come for a return visit.

Musician Julius Williams, with his program on "Black Music", was enthusiastically received at Willet Avenue School. Theresa Sgammato, Willet's Music Teacher, expresses her thanks. (Photo by Rosemary Barrow).

At The Kiwanis Club

At the February 5 meeting of the Hicksville Kiwanis Club, the members heard Ms. Doris Brennan, an Exploring Executive with the Nassau County Council, Boy Scouts of America, discuss the "Career Awareness Exploring" program.

This program is a fairly recent addition to the activities for Explorer age young adults, and is being used by, or made available to, many Junior and Senior High School students in Nassau County.

Ms. Brennan explained that Career Awareness Exploring is a series of career seminars conducted on school time, usually in the classroom. The students fill out a career interest survey to indicate their top career interests. Results of the survey are tabulated and used as a base for choosing seminar topics. School counselors and BSA Exploring staff members work together on planning the seminars, and the speakers are recruited and provided by the BSA Council. Speakers

are asked to give a brief overview of their jobs, review the requirements and education necessary, discuss the advantages and disadvantages of the job, and give information on trends, steps

to take now to prepare, and where further information can be found. Schools using the program have reported considerable interest on the part of both the students and staff.

Parola Supports Public Power IF Rate Reduction Guaranteed

Assemblyman Fred Parola (R-C, Wantagh) announced that he strongly supports implementation of public power for Long Island to realize lower rates -- if a number of conditions are satisfied.

"Public power now generates 30 percent of all electric power in our state, so it is not a radical solution," he said.

"However," Parola continued, "the implementation of public power to replace the Long Island Lighting Co. (LILCO) must not result in the mere substitution of one flawed system for another. Any alternative must bring significant improvements in service."

Assemblyman Parola said he believes that the creation of a public power authority must satisfy the following conditions:

1. The sole standard to be applied to determine if public power is to be implemented is whether such a system is the best solution available to reduce rates and to rescue Long Islanders from excessive power costs that have become prohibitive.

2. Any public power authority must not be a "bailout" of Suffolk County and its governments and school districts, which will seek tax credits for revenues lost as a result of public power replacing LILCO's taxable real property.

3. The composition of any task force to study the feasibility of transition to public power must consist of experts in energy and tax, who are oriented toward the "public interest" and not political clubhouse favorites of either party or the governor.

4. A reduction in rates due to public power must not be attained as a trade-off for Long Island's fair share of reallocated hydropower, which is the key to further meaningful reductions of rates in the future. In fact, Long Island's efforts for a greater share of water power must be intensified.

5. LILCO and its management must be held accountable for their imprudence in building Shoreham which has already been assessed at over \$1.4 billion by the state Public Service Commission (PSC) of the plant's total cost of \$4.5 billion.

"Long Island faces the prospect of higher rates unless change occurs," stated Parola.

The assemblyman said he blamed the PSC and state government for permitting and condoning excessive rates.

"As a related reform," Parola added, "the PSC must be totally revamped in the public interest, especially to serve Long Island residents who have been the 'innocent victims' in this disastrous situation that has grown over the past twenty years."

HHS Basketball

By Lenny Diana

On Feb. 10 the Hicksville High School Boys Basketball team lost to Freeport 56-43. Freeport led for most of the game. Freeport's William Barrow was the highest scorer with 18 points.

The top scorers for Hicksville were Dave Danowski and Chris Marino with seven points each.

Hicksville's last game of the season is on Feb. 17 against Oceanside.

Let us all wish the Hicksville Comets the best of luck!

Holy Family Basketball

The Holy Family 6th Grade basketball team played two basketball games in the last two Sundays and was able to come away with one win and one loss.

On Feb. 2, 1986, the Eagles defeated St. Pius and Plainview by a score of 34-22. Holy Family started out well and kept the lead for the entire game. Mike O'Malley, Brian Calabra and Ted Knoop controlled the backboards while Phil Catera, and Kevin Helbling played great defense. High scorer for Holy Family was Mike O'Malley with 10 points.

Also scoring for the Eagles were, Greg Schantzler 7 pts., Ted Knoop 4 pts., Wayne Rothchild 5 pts., Jason Kingsley 4 pts., Ken Davis 2 pts., Chris Doyle 2 pts.

On Feb. 9, 1986 Holy Family traveled to Oyster Bay to play a tough St. Dominics team and though the game was very close the Eagles lost 38-36.

St. Dominics started out very strong and was leading by a score of 16-4 in the beginning of the second quarter. Ted Knoop who seemed to be getting all the rebounds scored 5 quick points in the second period to help get the score closer to St. Dominics. Mike Murray came on strong in the third period by scoring 6 quick points and numerous rebounds. In the fourth

period Ted Knoop scored 7 pts. and Greg Schantzler scored 6 pts. to help bring the Eagles to only two points behind St. Dominics team.

The eagles took the last only two points behind St. Dominics team. The eagles took the last shot of the game with one second left but unfortunately missed and lost the game 38-36.

Strong defense by Jason Kingsley and good passing by Wayne Rothchild helped the Eagles make a strong bid to overcome the big lead by St. Dominics.

Ted Knoop led all scorers

with 14 pts., he also had 14 rebounds despite the fact that he missed part of the game with foul trouble.

Also scoring for the Eagles were Mike Murray 6 pts., Greg Schantzler 6 pts., Wayne Rothchild 4 pts., Ken Davis 2 pts. and Mike O'Malley 2 pts.

How To Get The Most For Your Postal Dollar

Additional knowledge can help you get better service and more for your money when choosing services at the post office.

That's the word from Hicksville Postmaster

Roger Nienaber, who says, "many people are unsure of what postal option will best suit their needs. They may not make the best buy and, in addition, if they know more, it can shorten time

spent waiting."

The solution, the postmaster says, is for customers to be aware of what delivery services their postal dollar can buy and the differences between them. All fees listed are in addition to postage:

Certified Mail - Available only for First-Class Mail, it provides the sender with a receipt showing when and where the item was mailed. The fee is 75¢ per piece. In addition, a record of delivery is kept at the recipient's

post office.

Return Receipt - This is the sender's proof of delivery. It is available on mail insured for more than \$25 and on certified, registered, Collect-on-Delivery (COD) and Express Mail articles. For a 70-cent fee, the return receipt identifies who signed for the item and the date it was delivered. For an additional 20 cents, the sender can get a receipt showing the exact address of delivery. Except for Express Mail

service, the sender can also request restricted delivery (\$1.25 per piece additional), which means delivery is made only to the addressee or to someone who is authorized in writing to receive mail for the addressee.

Registered Mail - The most secure option offered by the Postal Service, it is designed to provide added protection for valuable and important mail. Postal insurance may be purchased at the option of the mailer to cover articles valued up to \$25,000 at the time of mailing. As an example, an item valued up to \$100 would cost \$3.60 to go registered mail if it is covered by insurance and \$3.55 if it is not. Through a system of receipts, registered articles are monitored from the point of mailing to delivery.

Prepaid First-Class postage is required to send anything registered mail.

Certificate of Mailing - This is the answer if the sender needs only a receipt to prove something was mailed. A certificate of mailing does not provide insurance coverage, and no record is maintained at the post office. However, the post office will endorse a certificate of mailing for 45 cents for individually listed pieces of all classes of ordinary mail.

Collect-on-Delivery (COD) - COD service is best when the sender wants to collect for merchandise when it is delivered to the addressee. It may be used for merchandise - which must have been ordered by the (Continued from Page 11)

Legionnaires' Log

CHARLES WAGNER POST #421
HICKSVILLE N.Y.

The special annual event that appears on the Legion horizon each February is the VALENTINE DANCE staged by our hardworking AUXILIARY Unit under the capable guidance of President MAE SHEPPARD. The date is February 15 and of course it is a

Saturday so get out your dancing shoes or if you prefer, your sitting pants...However, get out of the house and work off some of that 'cabin fever' that is so prevalent this time of the year...What did you say? You have lost all your friends over the years for

one reason or another...Hell, that's no problem, come down and make NEW FRIENDS...Do you remember how it was when you entered Uncle Sam's service how lost and alone you felt?...It was not long before you struck up new buddies and things looked much rosier, so just do what you did then and things will perk right up...Say, the price is right at \$10 per person and that includes the food, beer & wine and then there are raffles and prizes plus the dancing from 9 to 1...Included in the food presentation are Three hot dishes and then some...Come on down and give our gals encouragement for this fun time of the year...After all we can accommodate 200 pairs of sitting pants of 200 pairs of dancing feet (even if some are leaved)...You can get tickets at the door but it would be better if you contacted the Auxiliary gals in advance so they can approximate the required tickets...March 17th, St. Patty's Day, is the date for our annual AWARDS & CEREMONIAL NITE which just happens to be our regular social meeting night...So please be on hand with your wife whether or not you are to receive an award because the Auxiliary has been invited along with other awardees who are not post

Kindergarten Pupils Hear Nurse

Mrs. Margaret Mahoney, RN, C.I.C., infection control employee health nurse from Central General Hospital, recently addressed the kindergarten students at Willet Avenue School.

With the help of T. Bear, she gave a lesson on handwashing and explained how this practice helps to protect us against disease and maintain good health. Each student received a T. Bear sticker and coloring book and the class received a T. Bear mascot and "Good Healthkeeping Seal" to remind them to practice this good health habit.

Mrs. Mahoney visited all the elementary schools in the Hicksville district in order to spread the good

news about handwashing to all kindergarten students.

Several community groups helped in purchasing the T. Bear materials for this

project. They are the Knights of Columbus, Joseph Barry Council, Hicksville Fire Department and Hicksville Kiwanis.

New Publication

Dr. John H. Krahn, and Mrs. Betty Jane Foster of Florida are the authors of Ministry Ideabank #2, a new publication from C.S.S. Publishing Company, Lima, Ohio.

Dr. Krahn is pastor of Trinity Lutheran Church in Hicksville. He studied at Concordia Junior College, Bronxville, NY; Concordia Senior College, Fort Wayne, IN; Concordia Seminary, St. Louis, MO; Union Theological Seminary, New York, NY. Dr. Krahn has the honor of being listed in Who's Who In Religion. He is also active in a number of organizations including Hicksville/Plainville Ecumenical Council, Hicksville Chamber of Commerce, and the Lutheran Business and Professional Organization.

Mrs. Foster served as parish secretary at Trinity Lutheran Church, Hicksville, for thirteen years. She now resides in Florida where she and her husband are working on several writing projects. Mrs. Foster is a graduate of C.F. Young School of Business, Brooklyn, NY. She is a member of Lutheran Women's Missionary League, the Valparaiso University Guild, and is coordinator of Parish Secretaries Seminar Program, New York New Jersey area.

Ministry Ideabank #2 contains hundreds of ideas on nearly every aspect of parish ministry, gathered from ministers throughout the United States, and several foreign countries. This creative resource offers ideas, programs, and new approaches in worship, stewardship, outreach, youth ministry, visitation, and parish education. The authors/editors have compiled this volume of ideas into a practical book, arranged topically.

Ministry Ideabank #2 is the second book written by both Krahn and Foster, published by C.S.S. Publishing Company. They are also the authors of the original idea - anthology, Ministry Ideabank.

Ministry Ideabank #2 should be available from the authors, in local bookstores, or may be ordered directly from the publisher at \$6.25.

AFFORDABILITY

According to recent statistics, the affordability index has reached its highest level in six years: more families are able to afford the average price home. Higher income levels and lower interest rates, which cut the effective cost of homeowning, are given credit for the change.

Of course, as a homeowner, what you care about is who can afford to buy YOUR house for sale. You want a buyer who has on adequate down payment and who can get a mortgage to pay your price.

How do you find such a buyer? As an individual trying to sell a house, you almost have to trust to luck. Even if you find a prospect who wants to buy, you can't ask searching questions about a stranger's income and capital. You may have to "sell" the property several times before you come up with one who qualifies for a mortgage.

Let a real estate agent do the hard part. We CAN ask those questions and get accurate answers, too. Before we bring a prospect to see your house, we've made certain that the "affordability" is there. When you want to sell, put us to work for you. Call with:

Fork Lane Parent Cares

By A. Eichenauer

I am sure that none of us will ever forget that tragedy that took place on January 28, 1986. It will be something we will all remember for the rest of our lives.

In view of this devastating event a parent at Fork Lane School wrote this letter to our first grade teacher Mrs. Mary Schreck.

With the permission of the writer Patricia Carsten, Mrs. Schreck would like to share this with the rest of her colleagues in Hicksville.

The letter reads as follows:

Dear Mrs. Schreck:

In view of this tragic accident aboard the Challenger this morning, I felt compelled to drop you a few lines.

I wish to extend my condolences to you as an educator in the loss of one of your colleagues, Christa McAuliffe; first teacher, first civilian in space.

We have all come to take for granted each historic flight of the shuttle as common place and ordinary.

Unfortunately, a devastating accident such as this snaps us back to reality.

It is hard to believe that John Glenn was the first American to orbit the earth a scant 20 years ago and that only 16 years ago another crew was lost at the launchpad.

Nothing of real value is without certain risks. Certainly being an explorer is risky business.

I'm sure that the past year was probably the most exciting of Mrs. McAuliffe's life. I was filled with pride and envy when she was chosen for this mission. How wonderful to have a dream come true. How unfortunate the dream ended all too soon.

Kindest Regards,

Patricia Carsten
Thank you Mrs. Carsten for allowing us to share this with everyone in Hicksville.

C.P. Fundraiser At Willet

In January, all of the fifth and sixth graders at Willet Avenue School, Hickville, participated in a Trivia Contest to benefit the Cerebral Palsy Center in Roosevelt. Teams of four students worked together to answer more than one hundred questions. Before this, the students had asked family and friends to sponsor their teams at the rate of five cents per correct answer. The winning team—T. J. Keavins, Alan Watson, Jimmy Chambers, and Bobby Jordan—then met with the other Nassau County winning teams on February 3rd in Mineola for a Trivia Run-Off. The Willet Avenue Team took a very creditable fourth place.

The sponsoring Fifth Grade teachers, Mrs. Sonnes and Mr. Monfredo, and the

Sixth Grade teacher, Mrs. Salat, will visit the Cerebral Palsy Center with their classes in the Spring.

Willet Avenue contributed a sum of \$973 will be used to buy a specific piece of equipment for the center, which the students will be able to see when they visit.

NOTICE OF ADOPTION OF RESOLUTION

NOTICE IS HEREBY

GIVEN that the Town Board of the Town of Oyster Bay, Nassau County, New York, at a meeting held on February 4, 1986, duly adopted the resolution published herewith subject to a permissive referendum.

Dated: Oyster Bay, New York, February 4, 1986.

ANN R. OCKER
Town Clerk

Resolution No. 144A-1986
BOND RESOLUTION
DATED FEBRUARY 4, 1986.

A RESOLUTION AUTHORIZING THE ISSUANCE OF \$7,060,000 SERIAL BONDS OF THE TOWN OF OYSTER BAY, NASSAU COUNTY, NEW YORK, TO PAY PART OF THE COST OF THE RESURFACING AND RECONSTRUCTION OF VARIOUS ROADS LOCATED THROUGHOUT AND IN AND FOR SAID TOWN.

WHEREAS, all conditions precedent to the financing of the capital project hereinafter described, including compliance with the provisions of the State Environmental Quality Review Act, have been performed; and

WHEREAS, it is now desired to authorize the financing of such capital project; NOW, THEREFORE, BE IT

RESOLVED, by the Town Board of the Town of Oyster Bay, Nassau County, New York, as follows:

Section 1. For the class of objects or purposes of paying part of the cost of the resurfacing and reconstruction of various roads located throughout and in and for the Town of Oyster Bay, Nassau County, New York, there are hereby authorized to be issued \$7,060,000 serial bonds of said Town pursuant to the provisions of the Local Finance Law.

Section 2. It is hereby

determined that the maximum estimated cost of the aforesaid class of objects or purposes is \$7,570,000, and that the plan for the financing thereof is as follows:

a) By the expenditure of \$510,000 moneys received by said Town pursuant to the Consolidated Local Street and Highway Improvement Program, which moneys are hereby appropriated therefor. Such moneys shall be expended prior to the issuance of the serial bonds or any bond anticipation notes issued in anticipation thereof authorized pursuant to this resolution and shall constitute the down payment required pursuant to Section 107.00 of the Local Finance Law; and

b) By the issuance of the \$7,060,000 serial bonds of said Town authorized to be issued pursuant to this resolution; provided, however, that the amount of said bonds ultimately to be issued shall be reduced by the amount of any additional moneys received by such Town during the current fiscal year from the Consolidated Local Street and Highway Improvement Program. Further details concerning said bonds will be prescribed in a further resolution or resolutions of this Town Board.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid class of objects or purposes is fifteen years, pursuant to subdivision 20(c) of paragraph a of Section 11.00 of the Local Finance Law. It is hereby further determined that the maximum maturity of the serial bonds herein authorized will exceed five years.

Section 4. The faith and credit of said Town of Oyster Bay, Nassau County, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such bonds as the same respectively

become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the Supervisor, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Supervisor, consistent with the provisions of the Local Finance Law.

Section 6. The validity of such bonds and bond anticipation notes may be contested only if:

1) Such obligations are authorized for an object or purpose for which said Town is not authorized to expend money; or

2) The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication; or

3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 7. Upon this resolution taking effect, the same shall be published in full in Massapequa Post, Bethpage Tribune, Plainview Herald and Locust Valley Leader, together with a notice of the Town Clerk in substantially the form provided in Section 81.00 of the Local Finance Law.

Section 8. This resolution is adopted subject to permissive referendum. (P-96-2-14-86)

Community Recognition Night

In the fourth of six such evenings at the Nassau Coliseum this season, "Community Recognition Night" spotlighted 100 outstanding young people to join the Islanders and Manufacturers Hanover as their guests in recognition of their importance to their communities.

"Community Recognition Night" is a program financed by Manufacturers Hanover in which they and the Islanders acknowledge the contributions youngsters are making in their Long Island towns. Students who excel in academics and athletics will be

singled out for recognition as well as those youngsters who devote extra time and effort on community activities not necessarily in the classroom or on the playing field. The focus of this endeavor is not only on those who are high achievers, stars or leaders, but also on those who make a positive contribution to their schools or communities in their own way.

The 100 young people who were invited to the game were chosen through the coordination of the Nassau County Youth Board and their service organizations and the individual school districts.

Prior to the game the

Woodbury honorees gathered in the Nassau Room to receive souvenir packages which included bumper stickers, "Woodbury Loves the Islanders." The bumper stickers are available at the Woodbury branch of Manufacturers Hanover.

Winter Arts Festival Winners

Winners of the recent Holiday Crafts Exhibit, the second competitive exhibit of the 1985-86 Winter Arts Festival, have been announced by Festival Co-Sponsors, A&S and the Long Island State Park and Recreation Commission. Congratulations to the winners from our area. They

are: Kathy E. Anstey of Hicksville, second place for crocheting; and Edna Price of Hicksville for first place in embroidery and needlepoint.

Donald Personen, Grand Knight of Joseph Barry Council, Knights of Columbus recently attended a kick-off meeting for this year's Nassau-Suffolk Chapter, Knights of Columbus, Charity Drive. The annual drive has as its principal benefactor, the Cleary School for the Deaf, a non-sectarian

school for the deaf and hard of hearing, located in Lake Ronkonkoma, N.Y.

The meeting consisted of short talks by committee chairmen, outlining the work of their committee (Journal, Ball, Donations, etc.) and seeking the support of Councils throughout Nassau and Suffolk Counties.

General Chairman of the 1986 Charity Drive, Michael E. Antonucci, called upon Knights, Columbertes and

Ladies Auxiliaries to put forth a maximum effort for a successful campaign.

Barry Council will participate in this year's drive as it has in the past and seeks the support of the Community. Grand Knight Pesonen said, "the main purpose of our organization is Charity, and this will be one of our major efforts for 1986."

The Charity Drive culminates at the Annual Ball to be held on April 25th, 1986 at the Colonne Hill, Hauppauge, N.Y.

It is hereby further determined that the \$141,100 current funds allocated to the class of objects or purposes specified in subdivision b of Section 2 hereof shall constitute the down payment required by Section 107.00 of the Local Finance Law for such class of objects or purposes.

Section 4. It is hereby determined that the period of probable usefulness of the class of objects or purposes described in subdivision a of Section 2 hereof is five years, that the period of probable usefulness of the class of objects or purposes described in subdivision b of Section 2 hereof is fifteen years, that the period of probable usefulness of the class of objects or purposes described in subdivision c of Section 2 hereof is five years, that the period probable usefulness of the class of objects or purposes described in subdivision d of Section 2 hereof is five years, that the period of probable usefulness of the class of objects or purposes described in subdivision e of Section 2 hereof is three years pursuant to subdivisions 28, 28, 29, 32 and 77, respectively, of paragraph a of Section 11.00 of the Local Finance Law. It is hereby further determined that the maximum maturity of the serial bonds herein authorized for the class of objects or purposes described in subdivision a of Section 2 hereof will not exceed five years, that the maximum maturity of the serial bonds herein authorized for the class of objects or purposes described in subdivision b of Section 2 hereof will not exceed five years, that the maximum maturity of the serial bonds herein authorized for the class of objects or purposes described in subdivision c of Section 2 hereof will not exceed five years, that the maximum maturity of the serial bonds herein authorized for the class of objects or purposes described in subdivision d of Section 2 hereof will not exceed five years, that the maximum maturity of the serial bonds herein authorized for the class of objects or purposes described in subdivision e of Section 2 hereof will not exceed five years.

tion 2 hereof will not exceed five years, and that the maximum maturity of the serial bonds herein authorized for the class of objects or purposes described in subdivision c of Section 2 hereof will not exceed five years.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the Supervisor, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Supervisor, consistent with the provisions of the Local Finance Law.

Section 6. The faith and credit of said Town of Oyster Bay, Nassau County, New York, are hereby irrevocably pledged to the payment of the principal and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year.

Section 7. The validity of such bonds and bond anticipation notes may be contested only if:

1) Such obligations are authorized for an object or purpose for which said Town is not authorized to expend money, or

2) The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 8. Upon this resolution taking effect, the same shall be published in full in Massapequa Observer, Mid Island Herald, Oyster Bay Enterprise Pilot and Locust Valley Leader, together with a notice of the Town Clerk in substantially the form provided in Section 81.00 of the Local Finance Law.

Section 9. This resolution is adopted subject to permissive referendum in accordance with Section 35.00 of the Local Finance Law. (M-94-2-14-86)
