## Junior High To Present "Fiddler"

The joys and tears of the citizens of Anatevka will come to life on the stage of Hicksville Junior High School as the Drama Club presents "Fiddler on the Roof" on March 20, 21, and 22.

"Fiddler" is a play about a small group of Jews living in the village of Anatevka and how they get along with their Russian counterparts. It is a warm, funny show that touches the heart. It is about the joys and trials of life, about love, and about the testing of values and tradition in the face of change. It is a show that is timeless in its message.

Once again the Drama Club is blessed with an abundance of talent, and 75 students will be in the cast. The following students will play the leads:

Billy Ryder; Tevye; Terri Glynn; Golde; Carol Rubin; Tzeitel; Liz Carrese; Hodel; Jen Kramer; Chava; Alisty Keneth; Sarah; Lisa Grillo; Ester; Heather Tower; Yente; Eddie Marshall; Motel; John DePaoli; Perchik; Sal Noto; Lazar Wolf; Wayne Mandel; The Rabbi; Keith Lambuanas; Fyedka; Dorene Barile; Frumah Sarah; Jen Miller; The Fiddler; Shipra Patel; Shprintz; Chris Behler; Bielke; Blake Sinrod; Mardeha; Sue Endres; Grandma Tzeitel.

In addition to cast members listed here, there is a large chorus of townspeople. The production numbers will be very impressive and a full orchestra will play under the musical direction of Miss Hilary Sperber. Mrs. Kathleen Scheek is Vocal Director, and Roe Novello is directing the choreography. Mr. Michael R. Schenck is directing the show, completing an outstanding production staff with a proven record of success.

The doors will open at 7:00 pm and the curtain will part at 7:30 pm. Tickets will be sold at \$4.00 each and senior citizens

and two elementary school aged children per paying adult will be admitted free of charge at the Thursday evening performance.

# Galileo Lodge News

By Joe Lorenzo

**PRESIDENT PETE MASSIELLO'S MESSAGE:** "To promise not to do a thing is the surest way in the world to make a body want to go and do that very thing." Mark Twain

If you are somewhat observant, you notice that much of nature is starting to shed its winter finery. Mother Nature is in the process of budding. And so it is at the Galileo Lodge where all its activities are also being rejuvenated, for example, the St. Joseph's Dance which is scheduled for Saturday, the 22nd of March. Here is an activity which will definitely 'hype' you up for the coming spring months. Tickets sell at \$13.50 per person, and in the offering will be a delicious hot dinner, coffee and cake, beer, set-ups, soda and music

for your listening and dancing pleasure. Armand Del Cioppo will 'chair' this activity, ably assisted by Joe Morace and Tony Sica, all of whom are now selling tickets at the Galileo Lodge, so why not call 931-9351 and inquire about seating arrangements and ticket sales. Please note that a 'bring-your-own-liquor' policy will be in effect that night and that Joe Morace and Joe Lorenzo will be honored that night also. Everything is right here for a splendid and enjoyable night at the Lodge - the food, the music and the congenial atmosphere that is part and parcel of our organization.

The Galileo Lodge will present a 'Fifties and Sixties Dance' on Saturday, the 26th of March. Tickets will sell at \$13.50 per person, a

very nominal fee that also entitles you to a delicious hot dinner, beer, soda, coffee and cake, set-ups and, of course, the highlights of the musical scene during the 50's and 60's. John Cannizaro will 'chair' this activity, ably assisted by his co-Chairmen Vito Grippi and Tony Sica. To enhance this dance, if that's possible, a very entertaining group called "The Exceptions" will put on a little show of their own, which is, as I said, a show atop a show. So keep this activity in mind for the date mentioned above.

One activity that manages to stir up a great deal of emotion at the Galileo Lodge is the installation of officers ceremony, which is usually as impressive as it is solemn. So on Thursday, the

27th of March, the newly-elected officers of the Galileo Lodge and the Ladies Auxiliary for the year 1986 will be installed in a ceremony officiated by leading figures of the Grand Lodge and other filial lodges of the Order of the Sons of Italy in America. An interesting aspect of this event is that you can actually feel as well as see the fate and destiny of our Lodge and Ladies Auxiliary fall from one set of hands into another. Its dramatic and moving. Food and refreshments will be served after the installation and all members, male and female, are urged to attend. Time is 8:00 P.M.

Renovation Program associated with Galileo Lodge's basement area is almost completed. The basement is now A-1, where you'll see an office, a meeting area with bar, a dressing room, an exercise room and bathrooms. The men on this Renovation Committee have done a fine job.

**GRAND OPENING:** Oyster Bay Town Clerk Ann R. Ecker cuts the ribbon at the official opening of Datago, a computer retail store, in Hicksville.

On hand for the festivities were (left to right) Datago's general manager Ed Schriener, director of store operations Jean Simmons, president of NYNEX Business Systems Doug Mello and store-manager Walter Krauchenko.

During the school's Winter Recess the Hicksville Gregory Museum presented 3 sessions of 'Scientific Discoveries' workshops. Each day the children gained a basic understanding of matter and energy through fun and experiments. These youngsters were taking part in an experiment to discover the scientific law of static electricity. In this picture we see Heather Anderson and Elizabeth Garypie from the Hicksville Schools. More of these new and exciting programs are scheduled for the Spring and Summer, all designed as a 'hands-on in science' workshops. Children from 8-12 may preregister for these activities by calling the Hicksville Gregory Museum at 822-7505. The Childrens Workshops are planned and conducted by the museum's director Joan Scancarelli.

## Hicksville School Administration Enjoy Luncheon And Tour Of Gregory Museum

Twenty-one school administrators and principals were the guests of the Hicksville Gregory Museum recently, enjoying a buffet luncheon and insight into the museum's science and historical exhibits and educational programs. For many of the school leaders - newer administrators - the Gregory Museum and its quaint old courthouse setting were an eye-opening experience...an opportunity

to see at first-hand a fine educational and cultural resource in this community. Long-serving school principals and department chairmen, familiar with the Gregory's mineral, fossil and insect exhibits, were delighted to examine and to hear of numerous new exhibits, collections and programs.

On hand to greet the Hicksville educators, and to describe briefly the Gregory's unusual capacity to rein-

force, to expand and enrich childrens' learning experiences were Museum Director, Joan Scancarelli, a seasoned entomology specialist and childrens nature craft program creator; Curator, Thomas Daunt, so much admired by teachers and children for his rousing, witty and informative class tours, and Museum Historian Richard Evers whose 30

years of enthusiastic Long Island courses for teachers and students have helped create appreciation of Long Island history, tradition and its environment.

Hugh Conover, President of the Museum Board of Trustees led other trustees and museum volunteers in making the educators welcome and invited their repeated visits to the museum.

**AT THE MUSEUM:** In the upper right picture: Enjoying the bright Gregory Museum classroom setting are Adrienne Carver of the Hicksville Special Education Program and Dr. Susan Lewbow, Assistant Director of Instruction (I-4) and Alayne Shoenfeld, Coordinator for Public Relations.

Before the Gregory Museum buffet luncheon for Hicksville School Administrators are (left to right): Mr. Ignatius Guccione, High School Science Chairman; Mr. William Gagnon, Supervisor of Fine Arts, and Mr. Don R. Bright, Director of Personnel. (Upper left)

In the lower right picture we see Dr. Catherine Fenton discussing an interesting mineral specimen with Curator Tom Daunt (left) and Gregory Museum Trustee Hugh Conover during the enthusiastic visit of Hicksville school administrators, recently.

Finally, in the lower left picture: the Gregory Museum's large classroom comfortably held thirty-one school guests and staff members. In the foreground, enjoying lunch, are Past President Douglas Uzakewicz of the Museum Board and Dr. Catherine Fenton, Superintendent of the Hicksville High School.

### SMART MONEY

Smart money is a small investment that really pays off. Like putting a little time and money into looking your house to sell it.

It doesn't take a lot. The most worthwhile improvements are purely cosmetic, but they can make a difference between a prospect giving your house serious consideration, or saying "never mind" at the curb. Free-up dollars are paid back in a quicker sale and a higher price.

**Start outside:** Clean up the front yard, prune overgrown bushes. Paint the front of the house - or at least the front door. Inside, be sure walls and carpeting are clean; paint and shampoo where necessary.

Get rid of junk. Nothing makes a house look too small as too much clutter. Closets and cabinets look bigger when they're not crowded. Any room seems more spacious with fewer chairs, fewer tables.

Make repairs. Dripping faucets and broken window panes indicate to a prospect that the home is not well cared for.

**CONCENTRATE ON THE SMALL JOBS THAT REALLY SHOW.**  
The smartest step: call in a real estate professional to show your home at its best. Let us.

## School Board Survey

### School Board Survey

The Hicksville Board of Education has mailed survey forms to community residents to learn more about public opinion on a number of important issues. The survey was developed by the District Facilities/Community Affairs Committee chaired by Daniel C. MacBride with input from other Board members.

Some of the questions touch upon instructional issues while others seek community guidance on budgetary matters. The Board wanted to determine whether community residents would be willing to pay higher taxes to institute or expand programs or whether greater restrictions in spending were favored.

Residents are urged to complete the surveys and return them using the business reply mail address printed on the forms. The district will be charged by the Post office for only those forms returned to the schools through the mail. As soon as the responses have been tabulated and evaluated, the results of the survey will be shared with the community.

"The Hicksville Coalition", known in the recent past as "The Hicksville Coalition To Maintain A Moment of Silence" and "The Hicksville Coalition to Re-Elect William P. Bennett and Thomas F. Nagle" has taken a new title to reflect its goals.

"We are proud to announce the formation of 'The Hicksville Coalition to Elect Daniel E. Arena and Carole Wolfe', to the Hicksville School Board on May 7," a spokesperson for the coalition explained.

The Coalition met on Thursday, Feb. 27. After a

lengthy discussion, question and answer period, the Coalition unanimously voted to support Mr. Arena and Mrs. Wolfe. Coalition members feel strongly that the prospective candidates represent the beliefs and desires of mainstream Hicksville.

## Local Real Estate Office Honored

and now resides in Wantagh.

Century 21 Jannace is a full-service Real Estate which specializes in residential sales, condominiums, rentals, property management, mortgage and as of April 1986 will be opening their own commercial department.

Mr. Jannace attributes the success of his office to

several factors. One being a tremendous in-house training program which all agents go through before starting work in his office, plus continuous training also associated with the firm. In addition to the training, all the sales associates reside in the local communities so they are truly knowledgeable about the area. Finally the tre-

mendous name recognition of Century 21.

Mr. Jannace has been a Real Estate Broker for 13 years and expects 1986 to be another banner year, for all the reasons listed above plus the fact that they have just expanded their office from 1150 sq. feet to approximately 3000 sq. feet in order to better serve their clients needs.

# Will your savings pass this simple fitness test?

**1. Do you earn more than 5.5% on your savings account?**  YES  NO

Regular savings accounts offer you access to your money whenever you want it but generally pay you a maximum interest rate of 5.5%. Working out with 5.5% makes building up your savings balances a much slower exercise.

**2. Do you get CD rates yet still have access to money when you need it?**  YES  NO

Answer "No" and your money could be doing much better. For example, you could be pushing up interest rates when you save. Or stretching past the limits of CDs, where early withdrawals result in heavy penalties.

**3. Does your account qualify you for extra banking benefits?**  YES  NO

Your account balance could be helping you get more of your finances in shape by making you eligible for extra financial fitness facilities like lower loan rates and free checking.

## Holy Family Basketball

Holy Family sixth grade basketball team played three games in three days and came away with two impressive victories.

On Saturday, March 8, the Eagles played St. Mary's of Roslyn in the opening round of the St. Vincent de Paul tournament. St. Mary's jumped out to a 19-4 lead in the first quarter, but Holy Family led by the great play of Ted Knoop. Wayne Rothchild, and Mike Murray were able to overcome the 15 point deficit and win the game by a score of 43-41. With the score 41-40 in favor of St. Mary's, Chris Doyle stole the ball and scored a layup and put Holy Family in the lead 42-41. Mike Murray then sank one of two

loft shots with ten seconds left to enable the Eagles to win 43-41. Ted Knoop was outstanding all over the court in leading the Eagles with 14 points and 23 rebounds. Wayne Rothchild scored 10 points while Mike Murray had eight points and 13 rebounds. Also scoring for Holy Family were Mike O'Malley, 5 points, Greg Schantzler 4 points and Chris Doyle 2 points.

On Sunday March 9, Holy Family beat a tough St. Dominic's team 46-36 in the opening round of the playoffs. Ted Knoop continues his outstanding play by leading the Eagles with 19 points and 20 points. Greg Schantzler and Ken Davis played their best game of the

year with Schantzler scoring 8 points and Davis scoring 6 points and grabbing 7 rebounds. Mike Murray grabbed 11 rebounds to help control the boards for the Eagles. Holy Family were also aided in this big game by the overall play of Wayne Rothchild 6 points, and Mike O'Malley 6 points. Even though they didn't score Chris Doyle and Jason Kingsley played great defense which helped hold St. Dominic's to 36 points.

On Monday night March 10 the Eagles played the undefeated St. Edwards in the section-finals and even though the Eagles gave it their best they were finally overpowered and defeated 46-27. The game was closer than the score indicate, in that during the 3rd quarter the Eagles - after being down by 12 points - pulled

to within one point of St. Edwards, only to have St. Edwards pull completely away in the fourth quarter.

The Holy Family players never quit and made their coach proud even though the opposition head a enormous height advantage. Ted Knoop, Mike Murray, Mike O'Malley, and Ken Davis kept jumping and trying to grab rebounds, but because of the opposition's height advantage were unable to pull down many of the rebounds.

Ted Knoop led all scorers with 9 points. Also scoring for the Eagles were Greg Schantzler 6 points, Mike O'Malley 4 points, Mike Murray 4 points, Wayne Rothchild 2 points and Ken Davis 2 points.

The Eagles now go back to play in the semifinals of the St. Vincent de Paul tournament.

## Devotions By Rev. Dr. J.H. Krahn

### Forgiveness II

God wants us to be willing to forgive others as he has forgiven us. "This is well and good," we may be thinking, "but I've really been hurt and disappointed in life." "I'm tired of two-faced people." "Phonies go home." I sometimes feel like shouting, "How hard I try to be nice, and I know that I meet people more than half way."

How blind we all are. How blind to our own inadequacies. So often we are the two-faced phonies. We frequently see ourselves through the eyes of our mother or father - people who understandably have some difficulty seeing our faults. Believe me, we have faults. If we were able to read the minds of others, how painfully evident our inadequacies would become.

Forgiveness is something we need both from God and from one another. Those around us also need to be touched by our forgiving love. Someone who abused us may very well not deserve our love but needs it. Someone who irritates us by an obnoxious personality does

not deserve our love but needs it. Someone who has shunned our every effort of kindness does not deserve another effort but might need it. "But how hard it is to love some people," we protest. Who said it would be easy? Crucifixion was never sought. Being a follower of Christ is not a snap. When it becomes easy, we probably were side-tracked somewhere and are now following another leader.

In our relationships with one another, in our families and our church, we must bury the hatchet. When we do, let's not leave the handle above the ground. God knows we need forgiveness. I need it. You need it. We all need it. Forgiveness brings healing...with God...with others...and within ourselves. Look at the cross again and see the greatest sermon on love ever preached, then think, Jesus loves me. Look around and before too long you'll find someone who really needs your forgiving love. Now there is but one thing left to do...give it!

## G.O.P. Report (Continued from Page 1)

Members will enjoy an evening out with unlimited food, conversation, dancing, etc. The proceeds for this enjoyment provide the means for the club to continue to operate during 1986. So the more of you who enjoy this "bash" the stronger will be the abilities of the club.

Our membership chairman, Gus Ingrassiotta, asks that those members who have not yet forwarded their 1986 dues please do so. Send \$7.00 per couple and \$5.00 per individual membership to East Plainview - Old Bethpage Republican Club, Post Office Box 283, Old Bethpage, New York 11804.

The itinerary of club plans - which include all members - will be gone over at our March meeting. So please be there to hear and speak to Doug Hynes and help us with your support during the coming year.

**HAPPY BIRTHDAY JULIE SHAPIRO!** Plainview-Old Bethpage Road Runners Club Vice President Julie Shapiro celebrated her 49th birthday earlier this month -- and her running friends honored the occasion with a special party at The Gallery Restaurant in Plainview after the Club's regular Wednesday evening run.

**Watch Signs Installed**

Do you drive on Newbridge Road? Have you noticed the Watch Sign South of Old Country Road? That's the Triangle Crime Watch! There's a group of concerned residents, who decided to form a Crime Watch after reading a Crime Watch article in this newspaper. They attended three training sessions given by Ginny Germer, Coordinator of the Hicksville

Neighborhood Crime Watch. The Hicksville Neighborhood Crime Watch is sponsored by the Hicksville Youth Council.

Why not start a Watch in your area? Isn't it better to act on this program now than react later?  
 For more information call the Hicksville Youth Council and ask for Ginny Germer 822-7594.

## News From Old Country Rd. School

### Roller Skating Party

A very special evening was held in January at the Levittown Roller Rink in Levittown. It was Family Night for all the Old Country Road School families.

There were racing contests in all age groups. The teachers and parents also had skating competitions. With well over 200 people in attendance the evening provided a wonderful chance to renew old friendships and get to make new ones. Also, it was noted that the skating ability improved as the evening progressed.

This event was sponsored by the Old Country Road School PTA as a fun raiser to pay for the increased costs of school trips.

Skaters and watchers alike enjoyed this special evening at the Roller Rink.

### League of Animal Protection

We had very special people visit our school. These guests were people from the League of Animal Protection. They came to tell us about how to care for our animal friends and how to protect ourselves.

They showed us how to care for our dogs by walking them every day, feeding them every day and making sure they have water to drink at all times. You should not let a dog run loose at all. A dog should always have a collar on him

with identification on it. We also saw a video on cats and how to care for them. You have to be very careful of what you feed a cat.

To protect ourselves they told us not to tease a dog or cat. The dog will bite and cats scratch. They also said that if you see a dog without a collar you should not pet it because it could be dangerous. If an animal is hurt or sick do not touch it or go near it, it could hurt you. Tell an adult about it and let

them call someone to help the animal.

by the earthquake and mudslides.

### Bowling Party

On Feb. 8 in the Woodbury Lanes a very special event was held. This event was hosted by Nadine Cain and Gloria Lievano for the parents of the Old Country Road School students. It was a private endeavor to promote funds to aid the relief effort for the Colombian families who are in need of assistance because of the devastation brought on

A wonderful time was had by all. There were smiles galore and plenty of cheers because of all the excellent bowling scores that had been attained. Also during the course of the evening, raffles were held and many prizes given away. The special guests were treated to a buffet dinner with a Disc Jockey playing all the good old records from the 50's and the 60's.

## Plainview DECA Chapters and SEP/SOP Sponsors Multimedia Production

On Friday March 21, 1986 a very exciting multimedia program is coming to Plainview-Old Bethpage High School and John F. Kennedy High School. The program entitled "Voices" will examine the issues of how people feel about themselves and how they relate to others. "Voices" compares the positive voices we hear—which build us up and encourage us—with the negative voices that condemn, criticize and destroy our sense of self-worth.

This informative and enlightening program is sponsored by the Plainview DECA Chapters and the

SEP/SOP Programs from the two high schools of the Plainview-Old Bethpage community. DECA stands for the Distributive Education Clubs of America. The goal of this organization is to develop future leaders in marketing. This goal is accomplished through many civic, professional and competitive activities held throughout the year. The DECA Chapter at Plainview-Old Bethpage High School is directed by Mrs. Gloria Jones and by Mrs. Roberta Kane at Kennedy High School.

The SEP/SOP Programs stands for the Student

Enrichment Program at Plainview High School and Student Options Program at Kennedy High School. They offer a variety of alternative programs for the high school student such as: professional guest speakers, current films, and arts and crafts presentations. At Plainview-Old Bethpage High School the SEP is directed by Mr. Anthony Pilla and at Kennedy High

School the SOP program is directed by Dr. Richard Koubek.

"Voices" will be presented to the Kennedy High School students on Friday March 21, 1986 during the AM Assembly period, and at Plainview High School during their PM Assembly. For additional information call Mrs. Gloria Jones, DECA Advisor, Plainview High School at 349-4755.

Rotarian August Cassella, chairman of the Hicksville Rotary Club Gift of Life program gave a detailed report to fellow members on the Gift of Life "Bridges of Friendship" dinner dance held at the Waldorf Astoria in New York recently. Mr. Cassella read a personal letter from the nation's First Lady, Nancy Reagan, who popularized the program world wide by accompanying to the US two Korean children in critical need of heart surgery. At the Waldorf event, comedian Jerry Lewis was given the Gift of Life International Humanitarian Service Award for being a symbol of tireless advocacy of worthy causes. Rotary Club President Elie Zambaka complimented Chairman Cassella's efforts in the program and for his presence at the dinner-dance. The Gift of Life program is a major humanitarian project of the Hicksville Rotary Club.

Top Row: Patricia Horvath, Jennifer Balmis, Susan Flemm, Judge Ain, Mrs. Wagner, Kristen Schroeder, Jessica Kaiser, Chris Lynn, Michael Speranza. Bottom Row: Chris Viar, Carmine Vozzolo, Ian Kean, George Nolan, Joe Williams, Marc Walton.

On February 14, the sixth grade and their teacher Sandra Salat, went to the Supreme Court in Mineola. The purpose of their visit was to observe and participate in the induction of 80 new citizens.

The Boy Scouts and Girl Scouts who are in the class were selected to take part in the ceremony, and Girl Scout Leader Joyce Wagner was one of the honored guests.

After Judge Stuart L. Ain administered the Oath of Allegiance to the assembly,

he spoke of the history and contributions of immigrants to this country. Then the Boy Scouts exhibited a succession of American Flag, while Michael Speranza told about their origin and significance.

At the end of the ceremony, the Girl Scouts led the new citizens in the Pledge of Allegiance; and the entire class posed for pictures with Judge Ain and the guest speaker John B. Kieran, the Supervisor of the Town of Hempstead.

The "Voice of Help" was the subject under discussion by the guest speaker at the March 5 meeting of the Hicksville Kiwanis Club.

The speaker was Iris Jumper, a sales representative for the American Medical Alert Corp. in Oceanside, LI., N.Y. Ms. Jumper explained that the Voice of Help is emergency assistance at the touch of a button, and can be helpful to elderly or infirm individuals living alone, or who are home alone much of the time, who may be subject to physical or medical problems. Ms. Jumper explained that by the individual just touching the emergency activator button carried by the individual, an emergency signal is transmitted to an emergency center. The emergency center has personnel on duty 24 hours a day with the subscribing individual's complete medical information in computers, can speak to the individual through a Voicemitter transceiver connected to telephone lines, and can alert and dispatch emergency aid, or alert relatives who possibly also should respond.

A demonstration of the use of the emergency button and the voice response by an operator at the emergency center in Oceanside through the Voicemitter transceiver, was most impressive.

In the photo, Kiwanis President Dr. Keith Pastuch is presenting Iris Jumper with a certificate of appreciation for this presentation and demonstration (photo by Sieg Widder)
