Coming Soon On Broadway!

This architect's rendering represents the artist's conception of Mr. Ivan Cipott's well-designed one-story building which includes two atriums and an attractive center entrance with parking provided on the side.

The plans for this building which will be located at B'way just north of West Marie Street, came about as a result of conferences between Town officials and Mr. Cipott. They modify a larger building which, although acceptable to the courts, was still appealed by Town officials. The plans for this smaller, modified building have now been approved by the Town of Oyster Bay Board of Zoning Appeals.

The entire community watches with interest and enthusiasm for its completion. Along with the new branch of the Greenwich Savings Bank which is currently being built on the corner of Broadway and Old Country Road, it will serve to correct the 18-year old problems on Broadway which were created by the State when Broadway was widened.

"It is encouraging to see Town officials and prospective builders working together to solve this community blight," said spokespeople for the many newly-formed civic associations in Hicksville.

"We are sure that all concerned are anxious to see the conditions presently affecting our downtown area adversely corrected," they concluded.

'Fifty Years Down Memory Lane'

The Robert Williams Indian Land Purchase in 1648 had its 338th anniversary on May 20th. This first recorded event in the proud history of Hicksville has often been reenacted in schools' pageants. Here are Junior High School youngsters portraying the descendants of Williams, the Hicks family Quaker settlers of Hicksville and Jericho. It is the Centennial Celebration of the Arrival of the Railroad in Hicksville, in 1936. The youngsters - now folks in their early sixties - were just part of a full school historical pageant which filled the spacious lawns of the handsome school on Jerusalem Avenue. Can anyone provide identifications for these celebrants? - Photo from the archives of the Historical Committee Hicksville Museum

Galileo Lodge News

By Joe Lorenzo

PRESIDENT JOE GIOR-DANO'S MESSAGE: "Individuals may form communities, but it is institutions alone that create a nation." Benjamin Disraeli

If you feel as I do, that May flowers have a balmy effect on our moods and attitudes, then perhaps you will agree with me that the May Dance that the Ladies

Auxiliary will present on Saturday, the 31st of May, might also have a profound effect on our well-being. Tickets are now on sale and they sell at \$13.50 per person, a very nominal fee that also entitles you to a delicious hot dinner with all the trimmings, beer, soda, coffee and cake, set-ups and music for your listening and dancing pleasure. Gloria

Osback will 'chair' this delightful dance, ably assisted by May Bonarrigo (935-9153) and Marie Prudenti (822-2941) all of whom will be selling tickets at the Galileo Lodge every Wednesday night, from 7 to 10:00 P.M. Doing everything possible to suggest a Maytime decor, the Ladies Auxiliary will embellish the environs of the Galileo Lodge with some very appealing May flowers. For a pleasant summer event, you have to come to this

entertaining summer event.

All activities held by the Galileo Lodge sort of combine the special effects of whatever season it happens to be with the special effects of the activity being held. So again here I report that the Galileo Lodge will present its first Fishing Trip of the summer, scheduled for Sunday, the 13th of July, out of Captree. The fee is \$25.00 per person, and this includes food and refreshments. The ladies are also invited. Children are invited also, and their fee is \$20.00. For more information concerning this pleasurable summer fishing trip, please call Jim Posilloco and Tony Sica at 931-9351. The very thought

of being in open water on a presumably hot summer July day should make this activity a rather enjoyable and leisure-filled one.

Its a pleasure also to report that plans for the Galileo's Lodge's annual picnic are now being formulated. Our picnic, of course, will take place at Eisenhower Park on Sunday, the 10th of August. Those who have attended past Lodge picnics have seen for themselves what a pleasure, leisure and what a great time in the open air these picnics have been.

The Galileo Lodge always has had good responses to their dances, whether or not

these dances were held by the Lodge itself or its Ladies Auxiliary. This is not a matter of luck, it is really predicated on hard work and devotion to a duty and cause. Success is based on hard work, and those who have pursued success in a persistent manner know that all too well. Fortunately, the Galileo Lodge and its Ladies Auxiliary do on hard work, so success therefore would be synonymous with their activities. All those members, patrons and friends of both these organizations have seen with their own eyes the success that was so achieved. Seeing is believing. Needless to men-

Come Celebrate With Us

Rabbi Gary G. Perras of The Manetto Hill Jewish Center cordially invites the entire community to join the congregation in a gala celebration marking the dedication of a grove of 1,000 trees in Israel. This program, which is free to the entire community, will take place on Wednesday evening, June 4, at 7:30 p.m., at The Manetto Hill Jewish Center, 244 Manetto Hill Road in Plainview. Because children will be attending, the program will be concluded by 9:15 p.m.

The program will include an outstanding Israeli enter-

tainment group, the Aleph Duo, who have appeared extensively on television, radio, and in personal concerts. Avraham Albrecht was principal soloist in the prestigious Israel Army Choir and has sung with the National Opera Company and Molly Picon. Avshalom Zifra is from Jerusalem of Yemenite ancestry and has concertized around the world. In a recent New York Times article, he was described as "...an elegant lyric-tenor with superb diction and great skill." The Aleph Duo performs a diversity of songs in Hebrew, English, Yiddish,

Yemenite, Neopolitan, Spanish, and Italian. They will be accompanied on the piano by Elsi Levy.

The featured speaker of the evening is the nationally prominent Rabbini, Zionist, and Jewish leader, Rabbi Joseph P. Sternstein, Rabbi of Temple Beth Shalom in Roslyn Heights. He is the current national president of the Jewish National Funds, vice-chairman of the National Conference of Soviet Jewry, and the past-president of the Zionist Organization of America. Rabbi Sternstein has traveled widely on behalf of world

Jewish affairs, has written extensively, and is recognized as one of the great Jewish personalities of our generation.

Another part of the program will be dedicated to honoring the children of the congregation who in large measure helped make the tree project a success. The children will be recognized and will receive a unique one-of-a-kind gift to remember their participation.

At the conclusion of the program, refreshments, sponsored by The Manetto Hill Jewish Center's Sisterhood, will be served.

Because members of the community at large, Jewish and Christian, participated in this effort to purchase a grove, the congregation expresses its appreciation by inviting the entire community to attend.

For reservations and information, please call the synagogue office between 9:30 a.m. and 2:30 p.m., Monday through Friday, at 935-5454.

Dear Friends ...

On Monday, May 26th, Memorial Day Parades and Services take place in each of our communities. In every case, these ceremonies, paying tribute to the men and women who hold these patriots high in their esteem for the morning programs of Memorial Day 1986.

Whatever your plans may be for the afternoon of this solemn occasion, we hope that you will join with those who hold these patriots high in their esteem for the morning programs of Memorial Day 1986.

The concerted efforts of all our veterans in all recorded wars, make it possible for us, the living, to enjoy Freedom here in the United States of America. It also gives us the opportunity each day, to do our share, as concerned citizens... to help on whatever level we are qualified so that our beloved Country will forge ahead, building on the proud record of our past, so that our future can be one of which we and our children's children can be equally proud.

Past, present or future... it is the devotion and dedication of individuals that makes the difference.

We salute the past... we participate in the present... and we hope and pray with great faith, for the future of the United States of America and of the world.

God has blessed us all immeasurably.

Second School Budget Vote Set For Wed., June 25

The Hicksville Board of Education met on Wednesday evening to discuss the budget recently defeated by the voters. The Board made some adjustments to the budget and set June 25 as the date for the second vote. Until that time, they will continue to study the budget to determine whether further reductions can be made.

The proposition on the extension of transportation will not appear on the ballot on June 25.

Letter To The Editor

To the Editor:

Dear Mrs. Noeth:

First, many thanks for your endorsement of the Hicksville School District's Budget for 1986-87 and your endorsement of the Transportation Change.

Unfortunately, we were defeated, but for all their concern, work, energy, and endless belief that we were doing something in the best interest of our children, I would like to publicly thank our Transportation Committee which was comprised of: Ellen Cannizzaro, Al Ciaacco, MaryAnn DeBenedetto, Janet Edlind, Joan Famiglietti, Vinnie Fleming, Ann Freyksen, Karen Gil-

more, Shirley Johnson, Pat Longo, Pat Love and Romaine Schneider, no group could have done more.

We would also like to thank the Board of Education and the Administration for the opportunity to place this issue on the ballot.

It is tragic that the Budget did not pass and we hope that it will be resubmitted to a more "interested" public.

We also will continue hope that since there were 898 voters interested in changing our "Transportation Policy" that there could be a future for this issue.

Sincerely,
Patricia Rooney

Legionnaires' Log

CHARLES WAGNER POST # 421
HICKSVILLE, N.Y.

By Artie Rutz

Once again Memorial Day is in direct focus as we honor our local deceased comrades buried in Plainlawn Cemetery in Hicksville. Vice Commander FRANK MOLINARI will see to the placing of American Flags on their graves by the Boy Scouts on Saturday, May 24. On Sunday, May 25th, we meet with representatives of other local veterans groups at 8:30 A.M. to partake in the annual ceremonies at the Plainlawn Cemetery. All officers and members of the Post should be on hand to tend to this obligation as well as the immediate trip to the Holy Rood Cemetery in Westbury where the Post name-sake is buried upon the conclusion of the short ceremony at Plainlawn. The service at Holy Rood is also of very short duration

and attendance has not been of the greatest in past several years. Perhaps all the Legionnaires are dying off, leaving only members to carry on. Boy, I remember the times when we started out with a 10 man honor guard, plus the Post officers, Auxiliary members AND Post members who made this annual pilgrimage to the Charles A. Wagner burial site for the Memorial Day honor. Formation for the Monday, May 26th, MEMORIAL DAY PARADE will be at the Sears parking lot not later than 8:55 A.M. as the parade kicks off at 9 A.M. Our Post will be led by our COLOR GUARD this year as I, your Commander, has been honored to be named GRAND MARSHALL and will ride at the head of the parade. The VFW is host-

ing this years parade and refreshments for after the parade for the marchers will be at their Post. Nominations for the elections of new officers for 1986-87 have been closed with a late change being made at the last meeting. The delegate to the department convention is now WESLEY TIETJEN instead of JOHN RIZOS. Appointed as cochairmen for the KOREAN VIETNAM MEMORIAL group are RICHARD EVERS & JOHN RIZOS who will report to the Post on the problems and progress of this interesting attempt to expand Hicksville's monument population. Our next meeting is June 2nd at which time the new officers will be elected.

Midpack Meanderings: Matty O'Donnell

By Joseph Rottino

Matty O'Donnell's early morning madcap comedy capers can be enjoyed every weekend in Bethpage if one happens to be: (a) a runner; (b) an insomniac; and (c) slightly piliated. The show begins every morning at 5 AM, when Matty hits the roads for his usual five mile workout.

It is during this time that he might dual with a favorite running partner and rival Tom Podolsky in "The Battle of the Superannuated Bethpage Hippies" since both are long-haired, bearded (Tom) and mustachioed (Matty), lean, and products of the 60s. (Matty is 35 years old). This rivalry was recently transported to the streets of Coney Island, Flatbush and Park Slope in the Brooklyn Half Marathon in March where Podolsky beat O'Donnell by less than a minute even though Matty established a P.R. of 1:31:40, a very respectable seven minute pace for the 13.1 mile course.

Other mornings find Matty barking at Neighborhood dogs before they launch an attack on his bones, honking at cars which he is convinced mean to splatter his innards over downtown Bethpage, or practicing a continuing monologue of jokes, epigrams, and anecdotes with which he will regale any potential listener who happens to make eye contact with him.

This Clown Prince of the Roads, although a mid-pack runner, aspires to greatness. His goal is to beat two-time New York City Marathon Champion, Orlando Pizzolota. "On second thought," he says, "it would be more gratifying in a five mile race to burn Ed Gonsalves," current champion of the Plainview-Old Bethpage Road Runners Club of which both runners are members. Paraphrasing Groucho Marx, Matty can't understand how the Club has accepted him and survived the past two years since he has been a member. He does credit President Mike Polansky for doing a "terrific job in administering club business and ignoring me."

Most people begin running to get into shape and lose weight. Although Matty loves to eat, "If you eat like an animal, you've got to run to maintain it," he, nevertheless, claims the real reason he is running is to "get out of my wife's hair. This way she won't yell at me so much." Besides, we'd have ten kids by now if I stayed at home."

Kids are important in the O'Donnell home. Matty and his wife, Mary, who have been married for eleven years, have four children: Jason, 8; Heather, 5; Dawn, 4; and Shane, 17 months. They cheerfully refer to their home as "The Little House on the Prairie" since among other things, Mary has given birth at home to their four children with the assistance of a mid-wife as her only medical advisor or practitioner. The one concession that the O'Donnells have made to the present age is that Matty has video-taped all four deliveries so that each of the O'Donnell children has a pictorial record of his or her birth.

Even though O'Donnell is a free spirit, he also is a dedicated long distance runner who has completed three marathons in the two years he has been running. He was twice gone the distance in the Newsday Long Island Marathon, and established a P.R. of 3:34 last year in New York City. He is now vigorously running 40-50 miles per week at a 7½-8 minute pace to accomplish the realistic goal of breaking the 3:30 barrier in the 1986 New York City Marathon. He

Matty O'Donnell: A very special mid-pack champion.

compares his training to the rehearsal stage of a theatrical production. The actual running of the Marathon is the presentation of the play to a Broadway audience. "Sometimes," he says, "the training is boring, but the results are worth it. Practice gets it done."

To "The Thrill of Victory and the Agony of Defeat," Matty O'Donnell would add "The Ecstasy of Laughter." If, then, at the twenty mile mark of this year's New York City Marathon when most runners are going into oxygen debt and glycogen depletion as they hit "The Wall," one hears a chuckle or sees a smile, he can be sure that Matty O'Donnell has brought his Early Morning Madcap Comedy Capers from Bethpage to the big town and an audience of thousands.

Hix Spring Festival Set For June 2-5

The Hicksville Spring Festival will be celebrated throughout the district on Monday through Friday, June 2 to 5, as exciting events unfold in several locations in Hicksville. An outgrowth of the annual Expo displays, the festival has expanded to include additional activities. Con-

certs on the Junior High School lawn, a community art show at the Junior High gymnasium, and live performances at the Milleridge Inn on Friday are scheduled in addition to the individual Expo events to be held at the elementary schools. All events are open to the public free of charge, and visitors are invited to bring a picnic

basket and enjoy "al fresco" dining while listening to the noon and evening concert programs.

Board of Education members and staff members involved in the planning hope that the Spring Festival will be celebrated as an annual showcase of the talent of Hicksville residents of all ages. The Community Swing Band and the Community Chorus will join with Hicksville students in participating in the concert programs, and Hicksville residents and staff members, as well as students, have been invited to exhibit work in the Community Art Show. The regular schedule ends on Thursday, and small performing groups and a selection from the art show will be brought to the Milleridge Inn on Friday as the festival concludes for 1986.

Community members interested in exhibiting work in the art show are asked to call 933-6602 or 933-6589 for a pamphlet containing information and instructions. These pamphlets are also available at the Administration Building on Division Avenue.

Pitcher Daniel Rehman of Hicksville High School has signed a letter of intent to attend the University of Richmond. Dan received a full scholarship and will begin classes this fall. Richmond is a Division I baseball school.

Dan has been a member of coach Bob Hilsry's Comets for 3 years. The Comets are currently in first place and looking forward to Nassau County Playoffs.

Hix School News

Hicksville H.S. will present "A View from the Bridge" by Arthur Miller on May 29, 30, 31. This gripping drama will be performed "in the round." The audience will be seated around the performers, rather than "out front." This creates a very intimate theater experience, since all members of the audience sit within a few feet of the playing area.

The story centers on Eddie Carbone, played by Rob Dombrower, his niece Catherine, play by Gina Aiello, his wife, Beatrice, played by Jeanmarie Georgiano, and two illegal Italian immigrants played by Mike Kurnan and Steve Ludwig. Other cast members include Matt Lloyd, John Hawkins, and Bob Senn.

Performances will be at 8:00 P.M. on Friday and Saturday and at 7:30 P.M. on Thursday. Tickets for all performances are \$2.00, and senior citizens will be admitted free of charge on Thursday evening.

Down Memory Lane

A charming group picture of students and staff members participating in

the East Street School Pageant of May 20, 1948, is on display in the reception area of the Hicksville Public Schools Administration Building on Division Avenue. Members of the community who might be able to identify some of those appearing in the photograph are invited to come in and take a look and help in gathering information for a caption. The photo depicts an event commemorating the 300th Anniversary of Hicksville and many youngsters are in costume or standing with symbolic props.

The Administration Building is open on weekdays from 8:30 A.M. to 4:30 P.M. Residents can also see the photo on Wednesday evenings, when the Board of Education holds committee and business meetings.

For more information, call the Community relations office at 933-6589.

As they say it takes ordinary people to make an ordinary organization, but it takes extraordinary people to make an extraordinary organization.

Fork Lane Presents Life Membership

By A. Eickenauer

Along with May 8th Grandparents Day and Spring Concert, the Fork Lane PTA presented Mrs. Evelyn Grib, East Street School third grade teacher, with a life membership into PTA.

Fork Lane School is like home to Mrs. Grib. She has been teaching at Fork Lane

thanked all who had helped her through the past two years. Members present indicated their approval of the many forward steps and programs underway during this term of office and returned the thank you "for a job well done."

since 1952, (right out of Oswego State Teachers College.) Over the years she has taught 1st, 2nd, and 3rd grades. She remembers Hicksville's growing pains and having 40 pupils in her class she recalls double sessions, and sharing classrooms and supplies. She feels the children haven't really changed.

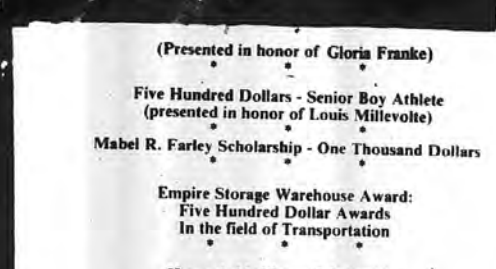

"You can't fool children" she said. "They know if you really like them." That is the key to her success.

Although Mrs. Grib has been teaching over 30 years she still finds it exciting and enjoyable. She feels that every student is unique. So is she!
