Town Board Reschedules Hearing On Special Use Permit Application In Hicksville

The Oyster Bay Town Board has rescheduled a public hearing for August 26, 1986 on an application for a special use permit in Hicksville, according to Town Councilman John Venditto.

Venditto said, "The applicants, McDonald's Corporation and Paumanok Development Corporation, are requesting a special use permit to erect a restaurant with a drive-thru window in an 'H' industrial district."

The property is located on the east side of Broadway (Route 107), South of Louis (First Street) in Hicksville.

Prior to the original July 8th hearing date, Venditto explained, "the attorney for the applicant requested an adjournment. The Town Board was able to add the hearing to the calendar of August 26, 1986."

The hearing has been scheduled for 10 AM, in the Town Hall East hearing room, Audrey Avenue, Oyster Bay.

Giese Park Civic Association To Meet Aug 4

The Geise Park Civic Association will meet August 4th at 7 P.M. in the Community Room of the Hicksville library. The main topic will be an update on the Geise Park issue.

At the last meeting of the association on June 30th, plans for proposed development of the property by the Town of Oyster Bay were presented to the residents. These plans included 2 soccer fields, an off street parking facility, a children's play area and underground plumbing for a future restroom building. These plans were unanimously denounced by the residents who stated that the plans represented a sports complex rather than a park and that such a facility was not appropriate for a residential neighborhood in close proximity to private homes. Alternatives to these plans were discussed which included a more passive park, the return of the property to the tax rolls for the building of homes and the development of senior citizen housing. All of these ideas were acceptable to the residents whose utmost concern is maintaining the residential atmosphere of the neighborhood. A town attorney has been requested to attend the meeting to answer questions concerning the issue. Also at the meeting plans will be discussed for residents to go to Town Hall to express their views to all members of the Town Board.

A spokesperson for the Association has stated that the town's plans for the property is estimated to cost the taxpayers approximately \$700,000 and could very well be more. The spokesperson also stated that the quality of life of the neighborhood is at stake and urges all interested persons to attend.

Post Office Adds Additional Stamp Machines

"Three new vending machine have been added to our 24-hour automated lobby," says Roger Nienaber, Hicksville Division General Manager/Postmaster.

The machines are a new stamp coil vender and a new stamp booklet machine. A new dollar bill machine has also been installed.

Stamps are sold for face value in these machines. Included are stamped envelopes, aerograms, international and domestic post cards, international air mail stamps and the Love stamp. Stamps valued at 22c, 1c, 14c, 17c and \$1.00 are available in the machines to help customers perform a variety of postal transactions anytime, day or night.

"Any customer needing assistance can use the 24-hour phone located in the lobby. Our Hicksville lobby is one of the busiest on Long Island and we are glad to be able to offer additional services to our customers", said Mr. Nienaber.

Connie McAllister of Hicksville is one of the first postal customers to use Hicksville Post Office's new automated stamp vending equipment. Stamps are available 24 hours a day in the lobby of the main post office at 185 West John Street.

Reception For Assemblyman Parola

The Friends of Assemblyman Parola Committee announced today that a cocktail party - buffet dinner will be held in honor of Fred Parola on Sunday, August 10 from 3 to 6 PM at the Wine Gallery, 81 Pirates Cove, in East Massapequa.

Anyone seeking additional information should call 579-3700 and ask for Alice.

Hicksville Veterans Monument Fund Well Underway

The Hicksville Veterans Monument Fund which is now well over a month old, has made many steps forward towards its goal of providing two monuments (one dedicated to the Hicksville Vietnam Veterans and one dedicated to the Hicksville Korean Veterans), to be placed, along with the monuments dedicated to Hicksville World War I and Hicksville World War II

Veterans, on the Hicksville Junior High School grounds. At this point the Committee thanks the following who have sent in their donations: since the first thank-you list of donations: the Gluck Family of Primrose Ave., the Frey Family of Fox Ct., the Melluso Family of Noell St. in Levittown, the Stong Family of Jonathan Ave., Miss Runhilde Wessell of

Spindle Rd., the Patinelli Family of Hicksville, the Briand Family of Tenth St., Mrs. Frances McKillop of Roslyn, McCallrey-Naso, Inc. of South Broadway, M. McNamara of Schiller St.,

Family of Gables Dr., Catherine Small of First St., the Victor Family of Underhill Ave., and Judge Joseph Lebkuecher of Woodbury.

Also, Michell D. Ryan of East St., the Greiner Family of Savoy Pl., the Duffy Family of Hollins Rd., the Montelione Family of Lawside Dr., the Mercurio Family of Hicksville, the Frank Anderson Family of East St., Joseph Jablonsky III and Mary of Felice Crescent, Betty Olansen of Terry St., the Ehmann Family of Waters Ave., the Koch Family of Scymor Lane, the McManus Family of Lehigh Lane, the Wladyka Family of Winding Lane, Ambrose McCann of Brittle Lane, Emlen Goodman & Helen Grasso of Lowell Pl., William Knack of Boxwood Lane, and the William M. Gouse Jr. Post 3211 VFW.

"For all these donations, we are sincerely thankful," said Fund Committee Chairman Conrad Steers. "On occasion kids ask me... what was Korea? What was Vietnam? This is one of the reasons why we need two monuments for these two conflicts in Hicksville. So that the children can ask these questions and be proud of these Hicksville veterans who fought for our Country. Their father could well be a veteran of one of these conflicts who does not talk about his particular war. What I am trying to say is... Let's remember the men who made the supreme sacrifice in the service of our flag and country."

If you wish to make a donation please send it to:

Nassau County District Attorney Denis Dillon welcomes Dick Teng, Jerry Carter, and John M. Elises of Plainview, and John K. Bradley of Hicksville to the District Attorney's summer intern program. Dick is currently a student at SUNY Stony Brook. Dillon said the interns work closely with the Assistant District Attorneys in his office and learn a great deal about the criminal justice system during the summer program.

History of the Vietnam Veterans Resource Center

On April 7, 1984, the Vietnam Veterans Resource Center (VVRC) opened in Hicksville. The center, a nonprofit subsidiary of Help Aid Direction, was founded by Vietnam Veterans and offers professional counseling and referral services focusing on Vietnam ERA Veterans, Nassau counties estimated 40,000. Medical screening, educational and vocational upgrades, VA benefits, and therapy for individuals, groups and families are some of the services offered. Although its services are aimed at Vietnam Veterans, veterans of all ERAs are welcome at the centers.

The Resource Center is located at 23A Jerusalem Avenue in Hicksville, (516) 935-6858. Appointments are suggested to assure an available counselor at the time of your visit. The doors of the center are open Monday through Thursday, 10:00 A.M. to 10:00 P.M. and Fridays 10:00 A.M. - 4:00 P.M. At present, the center is not open on weekends. Further information can be obtained from Executive Director Al Peck; Counselor and Director Ray Zbikowski; or Counselor Charlie Jones, at the above number. All calls and visits are kept confidential.

County Protects Water Supply

At the Nassau County Board of Health meeting held on July 25, the Board approved revisions to the Nassau County Public Health Ordinance, Article XI, titled "Toxic and Hazardous Materials; Storage, Handling and Control", to become effective as of August 1, 1986. Article XI, effective since February 1, 1986, is designed to protect the quality of the groundwater of Nassau County which is the only source of drinking water for the 1.4 million residents. Changes have been under consideration to bring it into conformance with the State Petroleum Bulk Storage law that regulates storage of petroleum products in order to permit the local law, instead of the State law, to apply in

Nassau County.

Dr. John J. Dowling, Commissioner, Nassau County Department of Health, stated that the final revisions adopted on July 25th, "respond to recommendations to ease the burden of compliance on the community while retaining the intent of the law, to preserve and protect groundwater quality".

The revisions provide for testing underground storage tanks for leakage as the first priority. Tanks found to be faulty must be replaced immediately with double-walled non-corrodible tanks. The testing must be conducted at tank owners' expense. All tanks older than 25 years must be tested

within one year. All unprotected tanks over 10 years old must be tested by December 27, 1987. Tanks storing No. 5 and No. 6 heating oil need not be tested until 1988. The initial cycle of testing must be completed within 5 years.

The replacement schedule for underground tanks was also changed from the original ordinance. The new schedule allows at least 4 years to replace unprotected steel tanks 30 years and older and as much as 19 years to replace other non-conforming tanks with the double-walled, non-corrodible ones.

Facilities with a total capacity of 1,100 gallons or less of heating oil for on-premises use are exempt from testing and replacement requirements. Furthermore, new and replacement heating oil tanks at these facilities may be of single-wall, fiberglass construction in contrast to the more stringent secondary containment requirements which must be met by larger facilities.

It should be noted that Article XI covers chemical storage as well as storage of road deicing materials in addition to petroleum products. In addition to the ordinance revision, the Board of Health approved regulations for the implementation of Article XI, as well as a fee schedule to cover the direct costs of operating the program. The administration of Article XI will be handled by the Division of Environmental Health of the Department.

Those provisions of the revised Article XI which apply to storage of heating and lubricating oils at facilities having a total storage capacity of larger than 1,100 gallons are not in force until the State Department of Environmental Conservation Determines that the Article is consistent with the State Petroleum Bulk Storage Law and delegates enforcement to the County. Until such time, these facilities must conform with the State Law. Formal application for delegation will be made as soon as feasible by the County and a decision is expected soon thereafter. In anticipation of State approval of Article XI, it is requested that all plans for new or modified facilities in the above category first be submitted to this Department for review.

Copies of the new Article XI will be available at all public libraries. Additionally, copies of the ordinance and regulations can be reviewed at the Department's offices at 240 Old Country Road, Mineola. Further information on the new provisions of the law can be obtained by calling 535-2079 if related to petroleum products and 535-2406 for other toxic and hazardous materials information.

What Happened At The Hicksville School Board Meeting!

The Hicksville Board of Education met on Wednesday evening, July 30 and accomplished the business on the agenda swiftly despite a late start due to a lengthy executive session. After acceptance of the minutes and a review of correspondence received, Mr. Bennett announced that a special meeting will be held on August 13 and the regular monthly meeting that will be held on August 27. He also congratulated District Clerk Jane Wilder for completing a year for district clerks sponsored by the Association of New York State Business Officials held in Albany.

The action section of the meeting began with the approval of a policy on the suspension of handicapped students and the use of the textbook Exploring World Cultures for grade 9 social studies classes.

The Superintendent's salary for 1986-87 was set at \$81,000 as recommended in the current contract. The Board also set the fee for the independent auditors at \$12,000 for the new school year.

Other fiscal matters included the acceptance of warrants, the approval of the contract with BOCES for the 1986-87 school year, and the award of bids. Bids for fuel oil, science supplies and equipment, reconditioning of athletic equipment, sheet music, piano tuning, sanitation service, oil burner service, and uniform rental totaled \$394,920.45.

The Board appointed Michael Dunn as Principal of Willet Avenue School. Mr. Dunn is currently serving as Assistant Principal at Lee Avenue School. The appointments of eight teachers were also approved: Nancy Baron (Kindergarten-Woodland Avenue and Old Country Road), Angela Luttig (elementary strings teacher), Binnie Pasquier (Junior High ESL), Beth Pilkington (Senior High School art), Julia Schlissel (Junior High School art), Lauren Behrman (Burns Avenue special education), Bruce Gordon (Junior High School industrial arts), and Lois Peck (Junior High and Fork Lane speech and hearing).

Central Office personnel salaries for 1986-87 were approved, along with schedules for summer school staffing, curriculum writing, Continuing Education and Evening High School personnel, and marching band positions.

The final action item was the acceptance of recommendations of the Committee on the Handicapped generated at the meetings of June 18 and June 25.

During the information section, Dr. Fenton presented a textbook titled Health which has been proposed for use in grades 11 and 12 health classes. Mr. Bennett reviewed the Board's goals for the five-year period which were established last year and he listed specific steps already taken to accomplish the objectives set. The goals for the five-year plan (1985-1990) are the following:

- 1) Improve student performance in mathematics.
- 2) Improve student performance in language arts.
- 3) Improve guidance services in the secondary schools.
- 4) Develop a districtwide program to track student mastery of basic skills.
- 5) Develop a plan for improvement of the secondary program.

The Board set a number of objectives to be accomplished in each of these areas during the coming school year.

Following Mr. Bennett's report, the Board adjourned the meeting. The next regular meeting will be held on Wednesday, August 27, at 8:15 pm in the Conference Room of the Administration Building on Division Avenue.

Dear Friends:

Both Political Parties Issue A Warning LaRouche Candidate Challenged

Charging "fraud" and "forgery," Patricia Sullivan, Democratic candidate for Congress in Nassau's 4th C.D., has taken legal action in State Supreme Court to remove the LaRouche candidate from the ballot.

"The LaRouche philosophy is repugnant to American ideals and values and in no way represents democracy. To have a LaRouche candidate pose as a Democrat is a fraud and a deceit of 4th C.D. voters," Sullivan said.

In her court papers Sullivan declared: "Many of the petition signatures were not signed by the persons whose names appear upon said petitions, but were signed by others."

Mullins is the only LaRouche candidate running for local office in Nassau. Other LaRouchites, some as Democrats and some as Republicans, are running for Governor, Lt. Governor and for the U.S. Senate."

Both Republicans and Democrats are strongly opposed to the philosophy of these individuals and this group of people.

A Letter From California

It was a pleasure to hear from "the other" Wagner recently, Jon Wagner, son of Mr. and Mrs. Vernon Wagner and, of course, our own Bill's brother, along with a partner from Pennsylvania, is owner of a highly successful Florist business in Los Angeles, called Studio City Florists. They were chosen "Business Of The Month" recently and were written up as follows for the Los Angeles Chamber of Commerce Newsletter:

BUSINESS OF THE MONTH

TWO CREATIVE young men, JON WAGNER from Hicksville, New York and BOB TEDOR of Pennsylvania, had the ability to see the potential growth for business in Studio City. They had met in Beverly Hills while employed in Flowers with various stores there. They decided to get together and form a "partnership" and so were able to move when STUDIO CITY FLORISTS at Ventura Blvd. became available.

Jon and Bob are now entering their third year. During that time they have acquired contracts with large corporations of the stature of M.G.M., and have just finished the season with "Falcon Crest". They have also done "Hotel" and other productions.

They base their success on their service, the freshness of their product, their arrangements which are individually created, and they tend to follow the European styles in design. They go to market three times a week and the flowers are rotated.

When asked what they do with the flowers they do not sell, they replied "we've learned to buy wisely". However, they both love flowers and this is one of the reasons they went into this business in the first place. No flower is ever used that is over three days old and they sometimes have the pleasure of taking cut flowers home.

Demands for their services reach from Los Angeles to Culabahas and sometimes into Beverly Hills; and they now have five employees. Generous with their expertise, they appear at various service clubs, presenting constructive talks on the arrangement and care of flowers. Their window displays attract much attention and people coming into the shop are made to feel welcome to ask any questions, and are never pressured to buy.

STUDIO CITY FLORISTS' generosity includes furnishing the table decorations for the Installation Dinner of the Studio City Chamber of Commerce and their affiliate groups. They are constantly expanding and growing. They enjoy the neighborhood and hope to be here for many years to come.

In his friendly letter Jon suggested that we watch for their flowers this season on "Falcon Crest." He writes that he is enjoying life in Southern California and that Studio City is similar in many ways to Hicksville but that he does miss everyone here.

We all send you best wishes for continued success, Jon.

"For the good that needs assistance
For the bad that needs resistance
For the future in the distance
And the good that we can do."

By Geraldine Goennikis

The Town of Oyster Bay held a regularly scheduled Town Board meeting on Tues. July 29, at Town Hall East, Audrey Ave., Oyster Bay. The following matters were addressed at this meeting:

* Decision was reserved at a hearing on the petition of Jerish Associates Co. for a special use permit to use existing structures and buildings on the premises at Carl St. and E. Cherry and Richard Sts. Hicksville for school bus storage, maintenance and transportation and charter business. There was much opposition to this petition from residents of the area and parents of children attending St. Ignatius School. The property is located directly across from the school and parents and school representatives felt that the noise and extra traffic congestion and excessive fumes from the school buses were detrimental to the children. Residents also complained of the hours of the day that the company is in operation creates a disturbance to the residential area nearby. The company has been operating on the premises for years, but they are in violation of the zoning ordinances and are now requesting a special use permit to remain on the property.

* Resolution #724 - Authorized the Town Clerk to set a hearing date of Aug. 26 for the petition of Colonial Auto Body, Inc. and Arthur Moss, for a special use permit for the purpose of

* Resolution #725 - Accepted the site plan on the petition of Besco Realty Corp. of E. Old Country Rd. and Railroad Lane, Hicksville, for a 7500 square foot two story office building.

* Resolution #726 - Accepted the site plan on the petition of Sidney Labelle and National Car Rental System, Inc. for a change of zone and special use permit in Hicksville.

* Resolution #727 - Accepted the site plan on PAB for Gillison Realty Corp. at W. John St., Wykoff and W. Barclay St., Hicksville.

* Resolution #728 - Denied the petition of Jacob S. Rand for a change of zone at 654 Old Country Rd. Plainview.

* Resolution #729 - Denied the petition of Joseph and Matthew Donovan for a change of zone at 211 Newbridge Rd., Hicksville.

* Resolution #730 - Denied the petition of Boucher Ltd., Duffy Ave. and Nelson Ave., Hicksville.

* Resolution #731 - Approved the appointment of Carl Marcellino, of Syosset, as real estate appraiser for the property of Turnberry Woods, II, Plainview.

* Resolution #732 - Accepted the site plan for Boucher Ltd., Duffy Ave. and Nelson Ave., Hicksville.

* Resolution #733 - Accepted the site plan of Besco Realty Corp. of E. Old Country Rd. and Railroad Lane, Hicksville, for a 7500 square foot two story office building.

* Resolution #734 - Authorized the Town Clerk to advertise notice of a hearing date of Aug. 26 for the petition of Seymour Friedman, Barry Meyers and Barry Elgot for a change of zone from Res. D to R-O to use the premises at Manors

* Resolution #735 - Authorized the Town Clerk to advertise notice of a hearing date of Aug. 26 for the petition of Joseph / Silver / Nassau County Industrial Development Agency for a special use permit to maintain an office building in an industrial H district at 200 Oak Dr., Syosset.

* Resolution #736 - Authorized an increase in the engineering fees on the contract for the remedial offsite groundwater program at Old Bethpage Waste Disposal Complex. \$10,000 was authorized for Lockwood, Kestler and Bartlett and \$29,500 was authorized for Gerry and Miller.

Safe Speed Limit

BY TOB Supervisor Joseph Colby

I was dismayed to read that there are now fewer Americans who remain in favor of the law which set the speed limit on our nation's highways at 55 miles per hour then in 1974 when the law was enforced.

A recently conducted Gallup Poll reported that only 66% of those interviewed favored keeping the national speed limit at 55—a decline from the 73% in the year the law was first enforced, and a dramatic decrease from 1980 when support for the measure was at an all-time high, 81%.

According to the National Safety Council, since the 55

MPH law went into effect as many as 36,000 lives have been saved. Today, twelve years later, they estimate that 2,000 to 4,000 lives continue to be saved annually.

In 1973 there was a loss of

4.2 persons for every 100 million miles travelled. Last year that figure was reduced to 2.58 persons for every 100 million miles. That 38.5% reduction means that more than one-third of the people who might have died in a automobile accidents caused by excessive speed instead lived.

It has been proven that the potential for saving human life is increased

simply by reducing a car's speed. With that knowledge, we must ourselves if speeding to get somewhere five or ten minutes sooner is worth it.

We all tend to be more conscientious when something is new—whether it be the speed limit or the seat-belt law—but, unfortunately, sometimes we slip back into old habits. In 1981, 29% of those questioned said they obeyed the speed limit all the time; now only 17% are in full compliance. Twenty-four percent admitted that they very often did not obey the law; in some cases, never.

Many high school driver education courses include films which graphically depict high speed impact and, as further visual proof, display cars which have been involved in collisions. As adult drivers we should not need that kind of "shock treatment" to remember good driving habits.

At this time of the year when we spend more time on the roads, often with our entire family, let's remember to drive defensively and stay within the 55 MPH speed limit. Please don't become a limit. Please don't become a statistic.

Hearing To Amend Code Definition of "Family"

The Oyster Bay Town Board has set an August 26 hearing date to amend the Code of Ordinances as it relates to the definition of "Family," according to Town Councilman Howard T. Hogan, Jr.

Hogan said, "the previous definition of family stated that a family is: any two (2) persons - not related by blood, marriage, or legal adoption, living and cooking on the premises together as a single, nonprofit house-keeping unit, both of whom

are sixty-two (62) years of age or over, and residing on the premises. All other family units had to be related by blood, marriage or legal adoption."

In 1985, after several years of litigation, the Court of Appeals of the State of New York found that the Town's existing definition of family was unconstitutional since it discriminated on the basis of the traditional family definition and further on the allowance for elderly

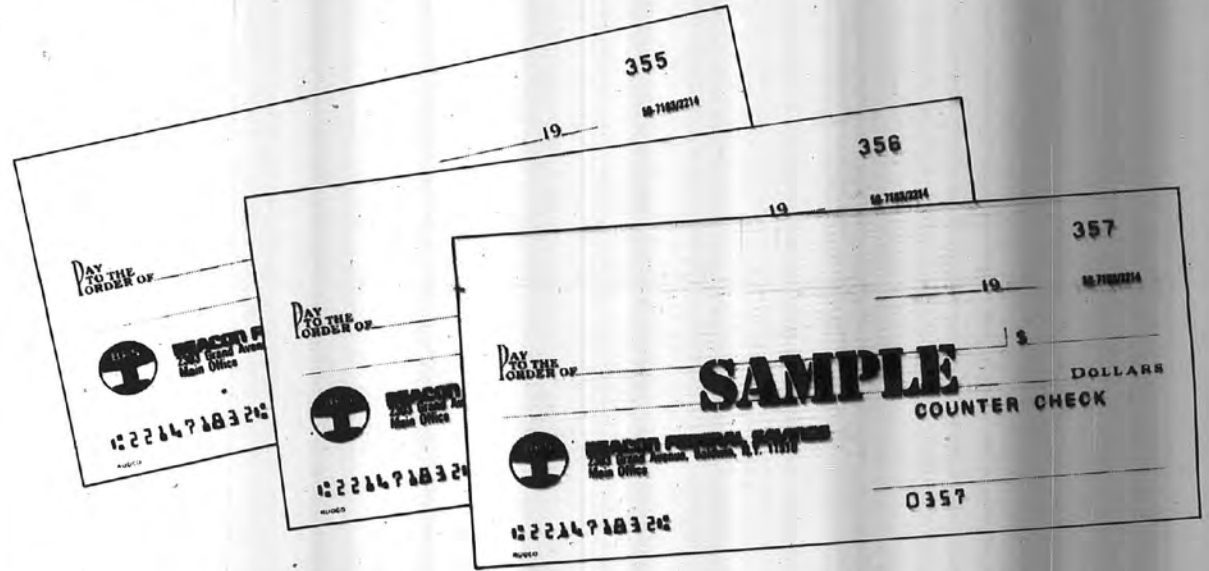

persons to share their home with an unrelated senior adult. The court decision left the method by which a Town could limit the number of unrelated persons residing together to the local municipalities.

"The Town, following a review of the various definitions used by other towns, has patterned the new definition in conformance with the New York Court of Appeals recent decision and the leading United States Supreme Court decision."

said Hogan. The new definition states that a "Family" is: any number of persons, not exceeding two (2), not related by blood, marriage or adoption, and any ward of either unrelated person living and cooking together as a single housekeeping unit."

The hearing has been scheduled for Tuesday, August 26, beginning at 10 AM in the hearing room of Town Hall East, Audrey Avenue, Oyster Bay.

Reading Club

There is still time to sign up for the Summer Reading Club at the Hicksville Public Library Children's Room.

"OUT OF THIS WORLD" is this year's exciting Summer Reading Club Theme. Stars Comets, Space Travel and Imaginary Aliens From Outer Space will be featured on our Summer Reading Club Wall Chart. Pre-School and Grade School Children are invited to Join Our Club For A Summer Full of Reading Fun.

Each Club Member Must Complete Six Books Between July 1st and August 23rd. A very brief summary is to be handed in on a special Library Book Report Form. Preschoolers may hand in a drawing for each Book. Books chosen must be from the Hicksville Public Library and on an appropriate reading level.

All Club Members who finish six books will be invited to a party in their honor on Wednesday, August 27th at 7:30 PM. Carol Erstling will present an "OUT OF THIS WORLD" Magic Show.

Hicksville residents may register for the Summer Reading Club in The Children's Room of the Library or on The Bookmobile.

Pen Pals

Sign up in The Children's Room of The Hicksville Public Library for a Pen Pal.

The leisure hours of summer are a good time to write to your new pen-pal. The Hicksville Public Library is participating in the summer pen-pal exchange program. Any child, 1st grade up to 6th, who would like a pen-pal, can fill out a special form indicating age and special interests. The form will then be sent to the Suffolk County Library Association which will match pen-pals from Upstate New York and

Long Island. All pen-pals entries must be submitted during July and August only, and everyone will receive at least one pen-pal match. Further details and forms available at the Library.

The Show Wagon from The Nassau County Department of Parks and Recreation will present "A Fanfare Puppet Show" at the Hicksville Public Library Children's Room on Tuesday, August 12, at 11:30 AM. This show is free and all are welcome.

Children's Crafts

The Craft Mobile from the Nassau County Department of Parks and Recreation will be at the Hicksville Public Library with an assortment of children's craft on Wednesday, August 6, from 1 PM to 3 PM. This program is free and all Hicksville children are welcome.

TOB Summer Program

Performances by the American Concert Band, The Platters and The Belmonts, Squeaky Clean and the Concert Pops of Long Island will highlight the fifth and final week of "Music Under the Stars," a series of summer programs at the parks and beaches for Oyster Bay Town residents, it was announced this week by Town Supervisor Joseph Colby.

The American Concert Band will kick off the week of musical happenings on Monday, August 4, at Ellsworth Allen Town Park, Heisser Lane, Farmingdale, beginning at 8:15 PM. In the event of rain, the program will be held at Howitt Junior High School, Van Cott Avenue.

On Tuesday, August 5, The Platters and The Belmonts will present "A Night of Solid Gold" at John Burns Park, Merrick Road, Massapequa. Colby noted that the 8:15 PM performance will be held at Massapequa High School, Merrick Road, in the event of rain.

On Friday, August 8, the Squeaky Clean Trio will perform at Theodore Roosevelt Beach, Oyster Bay. In event of rain, the 8:15 PM performance will take place at Glenwood Landing School, Cody Avenue.

Rounding out the week will be a performance by the Concert Pops of Long Island at Hicksville High School athletic field, Division Avenue, on Sunday, August 10. In event of rain, the program will be held in the high school auditorium.

Colby noted that summer performances are being sponsored by the Department of Community Services, co-sponsored by the Town of Oyster Bay Arts Council, Inc., and supported by public funds from the New York State Council on the Arts and the Nassau Office of Cultural Development. In addition, the Farmingdale Rotary is co-sponsoring the American Concert Band and the Chase Manhattan Bank is co-sponsoring the Platters and The Belmonts.

At Bethpage Community Park District

"Fascinatin' Gershwin," a musical salute to the Gershwins, and "A Taste of Nostalgia" featuring song stylist Susan Wagner will highlight the fifth and final week of "Music Under the Stars" for Bethpage Community Park District residents, according to Town Councilman Douglas J. Hynes.

The program will be held at the community park on Thursday, August 7, beginning at 8:15 PM. In the event of rain, the performance will take place at Bethpage High School, Cherry and Stewart Avenues.

"The Player's Circle has performed extensively on Long Island, delighting audiences with productions like tonight's 'Fascinatin' Gershwins,'" Hynes said. "Susan Wagner is another Long Island performer whose unique way with a

song has made her a favorite with audiences and critics alike."

Among the Gershwin compositions to be performed are "Somebody Loves Me," "Lady Be Good," "The Man I Love," "Oh, They Can Sing" and "Someone to Watch Over Me." Miss Wagner's selections will include "Lullaby of Broadway," "Wunderbr," "So In Love," "Begin the Beguine" and "The Man That Got Away."

Hynes noted that the program is being sponsored by the Cultural and Performing Arts (CAPA) division of the Town's Department of Community Services and co-sponsored by the Town of Oyster Bay Arts Council, Inc.

WHAT MORTGAGE RATES MEAN TO YOU

Even if you've long since paid off your own home mortgage, the current lowered lending rates should be important to you. First, because they increase the market; more people qualify to borrow today than when rates were nearing 20 percent. Second, because lower rates may increase the value of your property; when money doesn't cost so much, a buyer may have more to offer you.

Lowered mortgage rates are just one of the factors we consider to set a market price for a property. We constantly keep an eye on current sales; we know what comparable properties have sold, and what they sold FOR. We know what buyers want and how closely your property fits their ideal.

A good real estate agent is your link to the marketplace. We follow local and national sales trends, so you don't have to. We do the number crunching to set the price, and the negotiating to help you get that price. ALL YOU have to do is list with:

Current and former students of Hicksville High School joined together to celebrate on graduation day this year. Leading the procession of the Class of 1986 were (left to right) Valedictorian Michael Hripsack, Principal Richard Hogan, Director of Students Activities Nancy DeSorbo, and Hall of Fame inductees Dr. Barbara Allen Davis (Class of 1939), Dr. Howard Berkowitz (Class of 1965), and Dianne Zettler, R.N. (Class of 1963). A reception in their honor was held following the graduation ceremonies at the High School. (In the upper photo).

While in the lower photo we see Hicksville Board of Education President William P. Bennett (center) presented plaques to outgoing Board members Lawrence I. Wolfson and Arlene J. Rudin at the June meeting to commemorate their years of service to the Board and the community. Mr. Wolfson served as Vice President of the Board and as chairman of the Legislative and Long-Range Planning Committees. Mrs. Rudin also served as Vice President and chaired the Curriculum Committee. Mr. Bennett thanked them for their devotion and commitment to the students and the district during their terms on the Board of Education in their continuing roles as active members of the community.

37 Teams To Compete In "Ocean To Sound Relay"

Thirty-seven team from all over the New York Metropolitan area will be competing in the 1st annual Ocean to Sound 51 mile Long Island Relay to be hosted by Spiegel Associates and the Plainview/Old Bethpage Road Runners Club on Sunday, August 10.

A diverse field that includes several corporate teams, teams from the U.S. Marines, the Nassau County PBA, Brookhaven National Labs, and local running clubs from Brooklyn to Port Jefferson will head for the starting line at Wantagh Park. Six women's teams will be represented. Each team consist of eight runners. Distances of the

eight relay legs vary from 5.2 miles to 7.9 miles.

Early favorites to vie for first place honors include the Super Runners Shop "A" Team, headed by past Long Island Hall Marathon winners Mark Bossardet and Chris Weber, Chicolino's Racing Team, captained by top Long Beach runner Bill Buake, and the Grumman Running Team which has sparked in this year's Corporate Challenge Series in Central Park. POBRR's Fast Feet Women's Team expects tough challenges by Northport, Forest Park and College Point for top honors among women's teams.

The runners will trace a

carefully measured route zigzagging across Nassau and Suffolk Counties to the finish line at Reinhardt's Restaurant in Bayville. The route will take the runners past Republic Airport, Grumman Corporation's Bethpage facility and Eisenhower Park. The final two legs of the Relay will traverse some of the most beautiful areas on the North Shore, through the communities of Old Westbury, Brookville, Mill Neck and Bayville.

For more information, call Relay Director Alan End at (516) 735-0981 or POBRR President Mike Polansky at (516) 575-3868 or (516) 433-0919.

Tully Schedules Sept. 4 Community Forum On "Crack" Abuse

State Senator Michael J. Tully, Jr. (R-Roslyn Heights) announced that a community forum on "Crack" abuse has been scheduled for September 4 in Mineola.

Crack is a potent, crystalline form of heat-altered cocaine. It is smoked and believed to be immediately addictive to nearly anyone who uses the drug. Crack is characterized by an intense, short-lived euphoria followed by deep depression and extreme fits of violence.

The use of Crack is spreading nationally at an

unprecedented rate. Crack use knows no economic or social bounds and is as prevalent in suburban areas, particularly those downstate, as it is in urban cores. The crime and human devastation it perpetrates also is unconditional, as evidenced in the recent rash of crack-related homicides.

Therefore, Senator Tully, Chairman of the Senate Majority Task Force on Suburbs in Transition, has joined forces with Senator Frank Padavan (R/C-Queens) Chairman of the Senate Standing Committee on Mental Hygiene and

Addiction Control, to investigate the causes of the "Crack" phenomena and examine ways to halt its continuation.

The community forum, which is scheduled for September 4 at 10:00 A.M., will be held in the Nassau County Board of Supervisors Room, at the County Executive Building, One West Street, Mineola, N.Y.

If anyone is interested in making a presentation before the group, contact either Patricia Maron or Donna Ross, Executive Director, at 518-455-2471.

At The Mid-Island Y

A sparkling musical review by the Israel Scout Friendship Caravan will be presented at the Mid-Island YM-YWHA on Tuesday, August 12th, at 8:00 p.m. The community is invited (free of charge) to this dynamic performance by these fifteen and sixteen year old "Ambassadors".

Tickets for the performance can be picked up in

advance at the Mid-Island Y, 45 Manetto Hill Road, Plainview. The ten singing and dancing scouts tour the U.S. from coast to coast. They are selected during auditions in Israel which usually draw up to 1500 hopefuls.

For further information call the "Y" at 516-822-3535. **TRIP TO BRONX ZOO**

The 13th Assembly District Democratic Committee recently hosted a fund raiser at the home of Judy Jacobs, Assembly District Leader and Sid Jacobs, Woodbury Zone Leader. Over 85 people attended the gala brunch which featured assemblyman Lewis J. Yevoli as the honored guest and speaker.

Pictured from left to right are many members of the Plainview/Old Bethpage Community who were present: Ida Stivala, Past President of the Plainview/Old Bethpage Youth Council Gene Goidell, Kitty Coco, School Board Members Ginger Lieberman and Anna Goidell, Assemblyman Lewis J. Yevoli, Jules Bernstein, and hostess Judy Jacobs.

Single parents and their children are invited to join the Mid-Island Y Single Parents Center for a trip to the Bronx Zoo on Sunday, August 17. The school bus providing transportation, will leave the Y at 45 Manetto Hill Road, Plainview at 8:30 AM. The visit includes The Safari tour train, the Bengali Monorail, a one way ride on the Sky Bucket, the Children's Zoo and the new Jungle Habitat exhibit. Packing a lunch is suggested although food is available for purchase at the Zoo.

The cost of the trip for adults is \$16 for Y members and \$20 for non-members. For the children who join their parents, the cost is \$4 for those under 12 years of age and \$7 for those 12 to 18 years old. Advance reservations should be made by August 10.

The Mid-Island Y Single Parent Center meets each Thursday night, year round. New members are welcome. Single parents in the group have children of all ages from babies to adults. For more information about the Bronx Zoo trip or the Single Parents Center call Adult Group Services at the Mid-Island Y-M-YWHA, 516-822-3535.

Skate Long Island On Sun., Aug. 3

"Skate Long Island", a major local figure skating competition, is coming to the Cantiague Park Rink, on West John Street in Hicksville. Co-sponsored by

NYS Summer School Of The Arts

Approximately five hundred New York State high school students with exceptional talent in the performing and creative arts will participate in the New York State Summer School of the Arts sponsored by the State Education Department during July and August. Six separate schools will be conducted this summer in Choral Studies, Dance, Media Arts, Orchestral Studies, Theatre and Visual Arts.

Among the students participating from this area is Jennifer Kropac of Princess St., Hicksville. She will be attending the School of Dance.

Four schools will be held at the Saratoga Performing Arts Center with the students being housed at the Skidmore Campus and the State University of New York at Albany. The Schools of Dance, Orchestral Studies, and Theatre will be housed at Skidmore College in Saratoga Springs. The School of Choral Studies will be located on the State University of New York at Albany Campus. The two remaining Schools are held in the western part

of the Cantiague and Long Island Figure Skating Clubs, events will begin at 8:00 a.m. and conclude at 9:30 p.m. on Sunday, August 3rd.

Over 100 figure skaters, from beginners through Senior competitors eyeing national competition, will vie for top placements in figure and thrilling freestyle events. Among those who have accepted the Skate Long Island challenge may be a future National and World Champion like Debi Thomas. Results of some events will be determined by

National and World figure skating judges.

The rink is the perfect place to escape the heat and be entertained, too! The facility boasts many interior and exterior renovations completed for participation in the United States Figure Skating Championships broadcast by ABC-Television in February. Competitors from across the country praised both the facility and the ice at Cantiague as among the best they had ever seen.

Admission is free, and there is ample parking.

NYIT's Culinary Arts Program Available At Central Islip Campus

Commencing with the Fall 1986 semester, New York Institute of Technology's Culinary Arts Program will be offered at the college's Central Islip Campus.

In its sixth year of operation, the popular program provides students with quality training in the field of culinary arts. Students actively participate in the teaching kitchens learning all stages of classic cuisine. Classes are held seven days a week in five-hour sessions which permit students to enroll in courses at convenient times. Tuition for each course is \$425, exclusive of fees, utensils, uniforms and textbooks.

Highly respected in the hospitality industry, the program — established in 1981 — has gained wide recognition for curriculum excellence and the high caliber of graduates who obtain positions as prep cooks, pantry chefs, sauciers and pastry chefs, among others. Under the supervision of executive chef instructors, students have participated in the annual International Hotel Motel and Restaurant Show - Societe Culinaire Philanthropique and have been awarded numerous prizes and gold medals for their entries in show competition.

Fall classes begin the week of September 15th. Registration will be held at the NYIT Commack College Center, 6350 Jericho Turnpike, Commack, N.Y. on: Monday, August 18th, from 9:30 a.m. to 4:30 p.m. and on Tuesday, August 19th from 1:00 p.m. until 8:00 p.m.

A personal interview is required prior to acceptance into the program. To arrange for an interview or to obtain additional information, call the director's office at 516-499-8800.

"Get Tough Legislation" Will Protect Our Children: Parola

Assemblyman Frederick E. Parola hailed the recent signing of legislation to toughen penalties for drug dealers who supply "crack" and other narcotics to school children.

"This new law will increase the penalties for dealers who sell drugs to children under 19 years old or within 1,000 feet of school grounds," Parola said.

"I have long supported stiffer penalties for drug dealers and this law will help protect those most vulnerable to the influence of drugs," he said.

The assemblyman noted that school children have increasingly been exploited as a new market for illicit drugs, and dealers, often young addicts themselves, have spared little time or effort in taking advantage of youngsters' vulnerability.

"This heinous crime cannot and should not be tolerated, and this new law is certainly a step in the right direction in protecting our children," Parola said.

The law establishes a new Class B felony for criminal sale of a controlled substance on or near school grounds to persons under the age of 19. It doubles the previous mandatory minimum jail term from two to six years for the sale of any narcotic, including "crack," to school-age children and increases the maximum

period of incarceration from 15 to 25 years. The new law raises the penalty for illegal sale of stimulants, barbiturates and other drugs from a Class C to a Class B felony when sold to persons under 19 on or near school grounds.

"The cost, availability and accessibility of 'crack' are among the many factors that add to its menace to society," Parola said.

"Crack" can be bought on the street for as little as \$5. Its makeup and the fact that it is smoked in cigarettes, marijuana or in a pipe results in a quick "high" that takes effect in 4 to 6 seconds. And because it is as much as 90 percent pure ("cocaine" is generally between 15 to 25 percent pure), the chance of an overdose is considerably higher. Additionally, its purity results in almost instantaneous addiction.

"In an effort to make the public aware of the hazards of 'crack,' the state Division of Substance Abuse Services has recently established a toll-free information line (1-800-522-5353) to provide information and referral services on 'crack' and other illegal drugs," the assemblyman said.

I believe that public awareness of the trauma associated with drugs is a vital tool in the battle to strike out against them, and I urge my constituents to

David Lerner Receives Community Service Award

David Lerner, president of David Lerner Associates, has received this year's Community Service award from the Commuter Lodge of the Knights of Pythias.

The award is in recognition of sponsorship of the Plainview-Old Bethpage Road Runners Club 10K Championship by David Lerner Associates.

More than 1000 participants from throughout Long Island ran the race last April for the benefit of Memorial Sloan Kettering/Hospital for Special Surgery Children's Prosthesis and Rehabilitation Foundation. Approximately \$25,000 was raised to fund a special program to aid young amputees.

The Pythian's award, which is given annually for outstanding contribution to the community, was also presented to the Plainview-Old Bethpage Road Runners Club and its president, Mike Polansky.

Craft Programs

Two fascinating crafts programs featuring "Leaf Prints" will be offered at Garvies Point Museum in Glen Cove during August.

A program entitled "Leaf Print T-Shirts for Teens", for ages 12-17, will be held on Wednesday, August 6 from 1:30 to 3:30 p.m., and on Saturday, August 9 from 10 a.m. to 12 noon. Participants should bring a clean T-shirt that they would like to decorate with leaf prints.

The second program, "Leaf Print Pictures for Children", ages 6-11, will be held on Wednesday August 13, from 1:30 to 3:30 p.m. and on Saturday, August 16, from 10 a.m. to noon. The children will make a design on paper using paint and a

special roller which highlights the features of the leaves.

Nassau Recreation and Parks Commissioner Abram C. Williams said that the programs will be held on the museum deck, rain or shine. Admission to the museum and the program is 25c.

Garvies Point Museum and Preserve is operated by the Museum Services Division of the Department of Recreation and Parks, and is located on Barry Drive in Glen Cove. The museum is open daily 9 a.m. to 4:45 p.m., and the grounds of the Preserve, overlooking Long Island Sound, are open until darkness. For further information, call 671-0300.

take advantage of this service and learn as much as they can about combatting this problem," Parola said.

"In the meantime, I can assure you that I will continue to initiate and support

"get tough" legislation aimed at protecting our children from the dreaded affliction of drug dependency," the assemblyman concluded.

D A Announces New Charges Against Tese

On July 22 Nassau County District Attorney Denis Dillon announced the indictment and arrest of Salvatore Tese, Commissioner of General Services for the Town of Oyster Bay. Tese, 35, who resides at 41 Stonehurst Lane in Dix Hills has been indicted on charges of Grand Larceny Third Degree, two counts of Theft of Services, two counts of Official Misconduct and Petit Larceny. He is accused of using Town workers and stealing Town material for construction work at his Dix Hills address in 1983.

According to Dillon, "In April of 1983, and again, in October of the same year, Tese ordered a Town employee to pick up lumber and other building material from the Town's West Main

Garage in Oyster Bay and bring them to his parents home in Dix Hills. This employee worked for Tese and was on Town time when he made the pick-up and delivery. In addition, a Town carpenter was sent by Tese to the house in October on Town time to build a structure in the rear of the property with the stolen material."

The DA said as Commissioner of General Services, Tese had access to the building supplies stored at the West Main Garage. This material was to be used for Town projects. The items stolen and used at the Tese home included lumber, plywood and sheetrock. The Town carpenter used a Town vehicle on Town time while working at the Tese

home. Tese is currently awaiting trial on other charges resulting from the same DA's investigation. On June 24th he was charged in a 13 count indictment for allegedly stealing checks from various GOP organizations. Tese is the Nassau County Republican Party's Executive Leader for the Massapequa Park area. He's been employed by the Town of Oyster Bay since 1967.

Tese was arraigned on this indictment before County Court Judge Marie Santagata. Grand Larceny Third Degree is an "E" Felony, punishable by up to four years in prison. Theft of Services, Official Misconduct and Petit Larceny are "A" Misdemeanors, punishable by up to one year in jail and/or a \$1,000 fine.

Plainview Funeral Home Announces Grand Opening

The Plainview Funeral Home, Inc. will be celebrating its Grand Opening in the first week of August, after three months of extensive refurbishing, according to Bill Wagner, President. The facility, located at 655 Old Country Road, Plainview, New York has been completely recarpeted, redecorated and refurbished, since the change of ownership.

About the recent changes, Wagner stated, "The community of Plainview deserves the finest when it comes to funeral service. It is our goal to provide that to them."

The interior of the facility is styled in an elegant, traditional style with three visitation rooms. There is a smoking lounge and an office has been added. The entire exterior of the building has been painted white and there is

continued work on new landscaping for the funeral home.

Plainview Funeral Home, Inc., a sister firm of the Vernon C. Wagner Funeral Home Inc., is managed by

Patrick Crowe, a native and life-long resident of Plainview.

Members of the community are invited to visit the funeral home for an informal tour.

We pride ourselves on being the only full service funeral home in Hicksville. Our professional staff can provide prearranged funerals, extended payment plans, post funeral counseling, a lending library and floral arrangements. For all your funeral service needs, turn to Vernon C. Wagner Funeral Home.

Second Precinct Police Report

Four people were injured in a 3 vehicle accident on the westbound lanes of the Long Island Expressway in Plainview at 2:45 PM on July 17.

All three vehicles were westbound when the accident occurred. A tractor trailer was attempting to move from the right to center lane when it caused a vehicle in the center lane to brake suddenly and move to the left lane where it struck a third vehicle. After being struck the car in the 3rd lane moved towards the right lane where it struck the undercarriage of the tractor trailer and was dragged for about 500 feet. The vehicle which struck the car rolled over a few times and caught fire.

The tractor trailer was owned and operated by James Byrne (44) of 7 Carlisle Dr. Old Brookville. Mr. Byrne was not injured. The truck in the center lane was owned by the Long Island Railroad and was operated by Ronald McAuley (30) of 20 Essen Dr. Amityville. Both he and a passenger in the truck, Richard Pastor (25), were taken to Central General Hospital in Plainview for treatment. McAuley suffered from possible fractured ribs and left arm. Pastor for possible fractured ribs. The car, a 1976 Granada, was operated by Lenora Osna (36) of 19 Georgia St. E. Northport. The drivers daughter, Gina Whitehead (15) was in the car and was also injured. Both mother and daughter were taken by police helicopter to the Nassau County Medical Center in East Meadow where they were treated and released minor injuries.

No charges were filed and the road which was closed at 2:45 PM was opened at 4:15 PM. The fire was handled by the Plainview Fire Department.

Eighth Precinct Police Report

A jewelry box and assorted jewelry and a TV were reported stolen from a house on Palo Alto Dr., Plainview, on July 25. Entry

A 7 year old boy luckily escaped serious injury after falling out of an emergency exit door in the rear of a mini school bus on July 22 in Jericho.

Yvens A. Pierre, 25, of 285 Siegel St., Westbury, was operating a 1978 Chevrolet bus, owned by Tomfor Transportation Corp., Amityville, eastbound on Brush Hollow Road, 500 feet west of Jericho Turnpike, when the seven year old, Damian Aguilera, of 760 Anna Ave., Westbury, fell out of the emergency door exit in the rear of the bus.

Damian was transported to the Nassau County Medical Center, in East Meadow, where he was treated for a back pain and held for observation. His condition was not serious.

It is not known whether he or other children on the bus pulled up the opening bar of the door or whether it opened accidentally.

A Wandanch man was arrested at the Hicksville Rail Road Station, Hicksville, charged with two counts third-degree sexual abuse that occurred on two separate occasions, 5 p.m. and 10 p.m. at the rail road station.

Stanley Howell, 29, unemployed, 79 South 28th St. was arrested by Police Officer Alex Barnych, Second Precinct, at 8:30 p.m. on July 23 on the complaint of a 29-year-old woman who was molested at 8 P.M.

A similar incident occurred to a 41-year-old woman at 5 p.m.

The subject was arraigned in the morning at First District Court, Mineola.

A VCR, TV, silverware, shotgun and a ring were taken from a house on Gardner Ave., Hicksville, on July 27.

Tully Endorsed By Metropolitan Police

State Senator Michael J. Tully, Jr. (R-Roslyn Heights) today announced that the Metropolitan Police Conference has endorsed his candidacy for re-election.

The endorsement came after "careful consideration" and a thorough examination of Senator Tully's record on law enforcement issues.

Senator Tully has sponsored and supported much anti-crime legislation in all areas including child abuse, drugs and crimes against the elderly.

"By strengthening the statutes enforced by the police, we help protect both the victims of the crime and the officers charged with executing the law," Senator Tully said in accepting the endorsement.

Arthritis and Exercise

Generally exercise is good for everyone. But for a person who has Arthritis it may be essential. If a person with

Arthritis does not move, joints can become stiff, muscles smaller and weaker. If you have a painful joint you

will naturally not want to move it. A regular exercise program can help maintain and regain range of motion.

The Arthritis Foundation, Long Island Division, now has a new booklet you can write for at no charge.

Australian Libertarian Lectures Nassau Group

The Rev. Dr. John K. Williams of North Melbourne, Australia will speak before the Nassau County Libertarian Party at their next monthly meeting, August 18 at 8pm in the Jolly Swagman Inn, 100 W. Nicholas St., Hicksville. The meeting upstairs is free and public. The Libertarians meet the third Monday of each month in the inn.

Currently a visiting scholar at the Foundation for Economic Education in Irvington-on-Hudson, New York, the Rev. Williams is both an Episcopal minister and lecturer on economics and philosophy. Rev. Williams will speak on

"The Seven Deadly Fallacies of Bad Economics." He has lectured extensively on free market economics and individual liberty both in America and Australia.

Rev. Williams criticizes the appalling ignorance, in his view, of economics shown by many clergymen of different faiths. Rev. Williams contends that their belief in bad economics leads them to advocate disastrous policies in the name of justice.

The Nassau Libertarian Party can be reached by calling (516) 795-0375 or writing them at PO Box 1729, Massapequa, NY 11758. They have hosted several

speakers and welcome inquiries from other groups interested in hosting a liber-

tarian speaker, such as Assembly candidate John Seymour of Levittown.

Down Memory Lane

DOWN MEMORY LANE: In the top photo we see McGuire Pickle Factory under construction, many years ago. It was later to become a silk factory...then Keystone Glass Factory and later still the area was occupied by our well-known Empire Storage. The house in the upper photo is the location of Manufacturer's Hanover Bank today, which we see in the lower photo on the northwest corner of Duffy Avenue and Newbridge Road, Hicksville. The bank, of course, occupies the entire area. Photos courtesy of Bill Clark of Hicksville.

International Hostessing Program

Cathy Marcantonio of Hicksville, a member of the Girl Scouts of Nassau County International Hostessing program, has been a hostess for Heidi Walsh Girl Guide of Dublin, Ireland, this summer.

Heidi has been among the Girl Scouts and Girl Guides from around the world attending "Kentuckian's Pride; Horses, Heritage, and Hospitality" in Louisville,

Kentucky. It is a Girl Scout Wider Opportunity program that introduces the girls to all aspects of horsemanship as well as the historical, cultural and recreational sites of Kentucky and Southern Indiana.

Girls Scouts are linked around the world with girls and adults in 108 countries through membership in World Association of Girl Guides and Girl Scouts.

Understanding and appreciation of people of different cultures, as well as awareness of the interdependence of all people, is an integral part of the Girl Scout Program.

Girl Scouts of Nassau County, Inc. is the official In-Transit Hostess Council for the Girl Scouts of the U.S.A.

Susan A. Hittmeyer: Spiegel Associates, a leading Long Island builder and owner/manager of commercial and industrial properties, recently awarded Susan A. Hittmeyer its Annual Scholarship for Hicksville High graduates. Susan, who was a National Honor Society member, will be attending the State University of New York at Binghamton this fall, where she plans to major in finance with a minor in Japanese.

Spiegel Associates has been recognizing scholastic achievement in area students for the past 20 years. To date, its scholarship grants total over \$10,000. Recipients are selected on the basis of their placement within the top 25% of the graduating class, and acceptance to an accredited junior college, four-year college or university with the intent to pursue a curriculum in business administration or architecture.

Cheryl R. Solomon, daughter of Lillian & Marty Solomon and sister of Richard Solomon of 27 April Lane, Hicksville, has been accepted to study at the Chicago Medical School.

Cheryl, a 1979 Hicksville High School Graduate, went on to SUNY Albany, graduating with a major in Computer Science. She then went on to work for IBM in Poughkeepsie as a programmer in the Robotics Section. In her upstate

community, she served as an officer of the local Fire Dept. Ambulance Corps. She became a certified First Aid Instructor as well as a Red Cross CPR instructor, teaching Fire Dept. Persons at Marist College and IBM. Her dream of studying medicine is now closer to becoming a reality.

Her family, friends, and neighbors all wish her the best of luck and continued success.
