A Message

Dept.

Dear Friends:
As you know, the Hicksville Fire Department is presently conducting our Annual Fund Drive and the Department relies on its support from the Hicksville Community.

This year, however, we are having problems with a solicitor, the Nassau County Volunteer Firemen's Drill Association. Specifically this solicitor has nothing to do with the Hicksville Fire Department and the funds which he receives do not benefit the Hicksville Fire Department members.

Would you please contribute directly to the Hicksville Fire Department MEMBERS, who clearly identify themselves as members of our Department. Hicksville Fire Department members have I.D. cards which identify them.

Thank you for your help in this matter and your continuing support of our Hicksville Volunteer Fire Department.

Sincerely yours,

William Schuckmann
Chief of the Department.

Hicksville Chamber's Executive Board Holds First Meeting Of The Season

With its new President, Marcos Ramirez presiding, the Executive Board of the Hicksville Chamber of Commerce held its first meeting of the new fiscal year at the Historical Room of the Hicksville Public Library on Tuesday, August 19. Thirteen members were present, including several new committee chairmen.

Mr. Ramirez appointed the following chairpeople to head the various working committees of the Chamber for 1986-87:

- MEMBERSHIP - Harry Smith (Lou Cesta Assisting)
- PROGRAMME - Joseph Gentile (Henry Brengel Assisting)
- FLAG PROGRAM - Larry McCaffrey and Paul Martin
- COMMUNITY IMPROVEMENT - Constance Clarke (Father Dominic Ciannella Asst.)
- HOLIDAY DECORATIONS - William Ramsey and Constance Clarke
- SPECIAL FUND RAISING - Judith Lombardi
- PUBLICITY - Effie Krogmann
- PARLIAMENTARY PROCEDURE - William Ramsey and Constance Clarke
- NOMINATING COMMITTEE - Effie Krogmann
- INSTALLATION DINNER DANCE - Constance Clarke and August Cassella

The Board approved the suggestion to initiate the office of a chaplain for the Chamber of Commerce, and this is under consideration, as to who would undertake these duties. Ivan Czipoit, the newly elected Vice President has been asked to make a study of ways in which the Chamber of Commerce can help the business community and the area in general, so that this viable organization can consolidate their efforts to bring about improvements that are sorely needed in Hicksville.

The current programs being addressed immediately are plans for Holiday Lighting in the downtown area - the first since 1963, and the placement of waste receptacles to eliminate litter in the streets. More news on this at a later date. In the meantime, the American Flags continue to fly in our main thoroughfare for every holiday. While all the service organizations cooperate in this effort, it is under the direction of the Hicksville Chamber of Commerce.

The first meeting of the season for the Chamber is actually the annual Installation Dinner Dance, which will be held at Antun's on September 16. Tickets are available through any member of the Chamber. The regular meetings, commencing in October, are held on the third Tuesday of every month - at 12:30, in the Quaker Room of Milleridge Inn in Jericho. All are invited and welcome.

At Kennedy Memorial

Effective 16 August 1986 the burial flag of PETER J. SENIUK, US Navy, WW II, is flying on the Kennedy Memorial Flag Pole.

A Community Service Award was presented to Christine Cestari by the Hicksville Community Council for their continuing program to beautify Hicksville which was kicked off with the planting of nine trees on the grounds of Hicksville High School.

Left to right: Hicksville High School Principal Richard Hogan, Christine Cestari, President of Hicksville Student Government Assoc., Anthony Previte, President of Hicksville Community Council and Robert Passamenti, Assistant Principal of Hicksville High School.

Community Council Set 15th Annual Gala Dinner For Thursday, October 2nd

Mark Your Calendars: for on Thursday evening Oct. 2nd, the Hicksville Community Council has scheduled its fifteenth annual Dinner. At this time, as is their custom, this active Community Council will not only install its new officers and directors, but will also honor one local organization and two Hicksville residents, for their fine contributions to our community throughout the years.

Fifteen years ago, the first recipients of these awards were the Hicksville Volunteer Fire Dept. and Mr. Kingsley Kelley. This year,

the Community Council will honor the Joseph Barry Council No. 2520 Knights of Columbus Mrs. Elie Draycott and Mr. Conrad Steers.

An integral part of this program is a review of the past year's happenings in Hicksville. Local organizations are requested to notify Mrs. Jean Flood at 796-6187 or Mrs. Elie Draycott at 935-5793, of special projects or events for the year 1985-86 so that they may be included in the annals of Hicksville's history in this popular annual report of the past year's happenings.

The annual event will begin in the Main Ballroom of Antun's at 7:30 p.m. with a cheese display. A smorgasbord dinner of hot and cold dishes will begin at 8 p.m. Coffee and dessert will follow. Tickets are \$17.50 per person. Reservations will be accepted until Sept. 20.

As always, this dinner is the Community Council's effort to unite the many segments of the Hicksville community at a gala event where, not only is each and every resident present introduced, but their efforts to

work together "For A Better Hicksville" is given recognition, at the start of the 1986-'87 season. An encouraging look backward and a look forward which always leaves everyone present secure in the knowledge that their efforts are actually joined together with the efforts of many more Hicksville residents in varied community efforts, all for the acknowledged purpose the community's good.

As we have mentioned, please, mark your calendars, Thursday, Oct. 2nd at Antun's. See you there.

Galileo Lodge News

By Joe Lorenzo

PRESIDENT JOE GIOR-DANO'S MESSAGE:
"Genius is one percent inspiration and ninety-nine

percent perspiration." Thomas Edison
We really can't say that

nice things are happening all over, which would be overly optimistic and certainly not realistic, but we can say that

nice things are happening at the Galileo Lodge during the month of August and parts of September. And needless to state that we feel that nice things will happen at the Galileo Lodge for all times.

To begin with and as proof of the above statement.

The Changing Face Of Hicksville

The Old Order Changeth" - and so does our community. This is the first in a lengthy series of pictures, illustrating, as its title explains: The Changing Face of Hicksville.

Trinity Lutheran Church is presently in the process of building a multi-million dollar addition to its already beautiful church. In the top picture we see progress on this addition which will serve not only the church and school but also the community of Hicksville.

Next we see a pictures of one of 25 new highranch homes built by Old Country Estates on South Broadway, Townsend Lane and Sara Place. Already a few of these homes are occupied, while others await their new owners.

In the commercial area of Hicksville MURA built a large new factory on John Street, which can be seen in the third picture. It is understood that this firm may no longer occupy this factory, but a new occupant is expected soon.

Finally, for this week, one can see the steel structure for a new branch of the Green Point Bank, which is coming soon to make much more attractive the west side of Broadway near the corner of Old Country Road.

Watch for new illustrations of "The Changing Face Of Present Day Hicksville" each week. Also, if you have any suggestions, whether they illustrate conditions that may be good, bad or indifferent, call Mrs. Noeth at 931-1400, we'll be glad to consider them.

Commuter's Call On Consumer Board For Protection

Citing widespread commuter dissatisfaction, the Long Island Railroad Commuter's Council (LIRCC) filed a formal complaint with the New York State Consumer Protection Board on August 11.

The complaint charges the Long Island Rail Road with failure to accurately measure and report on its performance, and asks Consumer Protection Board Executive Director Richard Kessel to begin an immediate investigation into the causes of service problems.

"There are 285,000 daily riders paying for service they are not receiving. Trains are late, riders are standing, and rest rooms are filthy; the railroad is a lemon, so we're asking the Consumer Protection Board to take action on our behalf," said Sheldon Schachter, spokesperson for the commuter council. "Each month the railroad reports on its performance. The inspector General has said the railroad does not report what the riders actually experience.

Over 2,000 riders have confirmed this by giving the railroad a D+ for performance. The railroad is willfully deceiving both elected officials and the public. We are charging them with 'thrift of fare.' This complaint is part of a program to force action for better service."

Anne Dennin, LIRCC Chair, said, "Commuting is very expensive. Many families must use a large portion of their take home pay for a monthly ticket. They deserve better service. We want to see that they get what they are paying for."

The LIRCC was created in 1981 by the New York State Legislature to represent the riders of the LIRR. Members are appointed by the Governor upon the recommendation of the Nassau and Suffolk County Executives.

Dear Mr. Kessel:

On behalf of the 285,000 riders of the Long Island Rail Road that we have been appointed to represent, the Long Island Rail Road Commuter's Council (LIRCC) wishes to file a formal complaint against the Long Island Rail Road for failure to provide decent service.

Disturbed by a decline in service on the Long Island Rail Road (LIRR), the LIRCC decided to investigate the rider's perception of the railroad's performance on key service indicators. This spring, the LIRCC distributed several thousand Report Cards to commuters, receiving a staggering 2,031 controlled response in return. The attached report delineates the results of this effort.

In summary, the riders' view of the railroad is a dim one. The overall grade accorded the LIRR by its riders is a D+

(below standard), reflecting an assessment that the service provides is below standard. Grades for specific measures were uniformly low, with winter heating scoring the highest rating, C+; and many measures scoring D+ or D. Clearly, riders are not getting the service for which they have paid.

There are problems in virtually every area listed in the LIRR Report Card. We ask you, as the chief representative of the state's consumers, to begin an immediate investigation into the causes of the service problems, and the railroad's failure to accurately measure and report on their performance. The LIRR is five years into its \$1.1 billion capital improvement program, yet service is declining. You must act now to prevent further decline.

Recently, the railroad has taken the position that service has been declining due to union "slow downs" which began this spring; however, members of the LIRCC first discussed service decline with LIRR President Bruce McIver late last year, and began plans for the Report Card in January, 1986. Further, the views expressed by riders in the Report Card are reflected in the findings of the Inspector General's (IG) report, "An Examination of Selected Long Island Rail Road Performance Indicators," February 4, 1986, which accurately reflect the experience of commuters, and frequently overstate the railroad's performance.

The following are areas to be included in the investigation:

- On-time performance (o.t.p.) - Graded C by riders. The IG report found several flaws in the method of measurement used by the LIRR, and that o.t.p. recorded by the railroad overestimates o.t.p. as experienced by the rider.
- Seating availability - Graded C by riders (D+ on electric service). The IG report affirms the riders' experience, noting deficiencies in the LIRR's methodology, and definition of the number of standees.
- Schedule adequacy - Graded C by riders, many annotated the Report Cards to point out gaps in peak hour service. Schedule adequacy was rated D+ in diesel territory, and deserves special attention to its unique problems.
- Announcements - Graded D+ by riders, and have been and on-going area of complaint. Improvement here does not require major capital outlay, but does rely on proper training and management. It is a basic of good service and can go a long way to offset the aggravation of service delays or other difficulties.
- Train crew performance - Graded C by riders. Many comments dealt with poor treatment experienced at the hand of crews. Again, this is not an area which needs costly capital outlay for improvement. The LIRCC recommends

thorough analysis of crew functions, standards for crew performance, and proper training to enable crew to meet established standards.

- Winter heating and summer air-conditioning - Graded C+ and C respectively. The IG report identified flaws in the measurement methodology, and pointed out that cars in service could register 100° and be recorded as operating properly. Between new car purchases and car overhauls, the railroad should be scoring higher in climate control. The LIRCC asks that climate control performance be thoroughly investigated before the close of this cooling season.
- Cleanliness - Trains and stations were graded D+, and train and station rest rooms were graded D. The LIRCC asks for an immediate investigation into the lack of sanitary rest room facilities on the LIRR, and a determination of possible health hazards to riders.

On behalf of the riders, the LIRCC asks that you act immediately to investigate the conditions of the railroad and to see that service deficiencies are rectified. An overall grade of D+ is untenable. It is imperative that you use the powers of your office to see that the railroad operates efficiently and that consumers receive adequate service for payment rendered.

We look forward to your response.

Sincerely,
Anne Dennin
LIRCC CHAIR
Sheldon Schachter

Dear Friends...

It seems unnecessary for this newspaper to re-state its essential policy of serving the communities it covers, inasmuch as each and every week of the past 36 years attest to this on every page.

We intend to devote our editorial space to these same purposes and goals—with your cooperation, of course. As we have told you in the past, approximately 90% of the local news your volunteer publicity chairpersons submit will be read by our thousands of paid subscribers.

If your publicity chairperson is new at this job, please have her phone us at 931-1400. We'd be happy to help her get off on the right foot, as it were. Once understood, the job isn't difficult but it is important.

Otherwise, our deadline is Wednesdays at noon unless there is a holiday in the week, and then it is Tuesdays at noon.

It has been our pleasure to serve all the local organizations and residents in the areas we cover, in the past.

We intend to do so in the future.

Added to this, as in the past, will be special columns, features, editorial opinions and last, but far from least your opinions in our "Letters To The Editor".

We extend best wishes for a successful and productive 1986-87 season to all who are working in local organizations in the areas that make up each fine community.

SHEILA NOETH

Devotions

"GOD MADE ME, AND GOD DOESN'T MAKE ANY JUNK"

The Rev. Dr. J. H. Krahn

There are times in every person's life when they suffer from feelings of inadequacy. Sometimes we even move from inadequacy to feelings of worthlessness. We feel we are not attractive enough or as lucky as others. Success, as we dreamed of attaining it, has not happened to us. As we get older, childhood dreams of being someone important begin to vanish. Entering our middle forties, we begin to realize that our current position in life will not increase substantially.

The trappings of success are also elusive. We work so hard to have the good things

in life and often find ourselves with little time or energy to enjoy them. There is no way to extend the 168 hours which comprise each week. The husband works fifty or more hours a week, and the wife works so that the kids can go to college. In the process of trying to enhance the collective life of the family, less and less time is left to share one another's love and happiness. There is little wonder that we so often feel uptight and junky.

But God's good word is that he made us, and he doesn't make junk. In the Bible we read that we were created in the image of God. We were molded in the

Sanitation Collection Schedule Modified For Labor Day

The Town of Oyster Bay sanitation collection schedule will be modified in observance of the Monday, September 1st, Labor Day holiday, according to Town Councilman Howard T. Hogan.

"Residents who normally have collection on Monday will receive a special pickup on Tuesday, September

2nd," Hogan stated. "Tuesday collections will be made on Wednesday, September 3rd."

Hogan noted that all town offices will be closed on Labor Day, but all park and beach facilities will be open. He added that there are no special restrictions on hours of operation for businesses.

"For the good that needs assistance
For the bad that needs resistance
For the future in the distance
And the good that we can do."

Letters To The Editor

To The Editor:

LONG ISLAND WATER CONFERENCE SPEAKING OUT ABOUT DRINKING WATER

The Research Foundation of the American Water Works Assoc. has recently published some interesting findings about carcinogens in drinking water.

Several assumptions about the effect of organic chemicals on man, gaining wide acceptance in the 1970's are now being questioned.

First: The theory that any exposure to certain organic chemicals, no matter how low, is capable of causing human cancer can now be pronounced dead. Natural carcinogens abound in our food and drink at levels a thousand times higher than compounds found in drinking water. If there were no threshold for such compounds, man would not exist. Nature would have done us in thousands of years ago; long before synthetic organics were ever created. Low doses of some chemicals are certainly harmless while high doses may be dangerous.

Second Assumption: Animal tests are transferable to man. The mouse is not a good predictor for the rat and the rat is not a good predictor for the mouse. Neither is generally a reliable predictor for man.

Third Assumption: High dose to low dose extensions and projecting from 50 mice to 230,000,000 people are acceptable premises for regulatory action. They are not. If laboratory results provided realistic projections, human cancer rates in this country would be into the millions annually. This is simply not happening.

Professor Bruce N. Ames, Chairman of the Department of Biochemistry of the University of California at Berkeley states, "I am convinced that water pollution is irrelevant to the cause of human cancer." He estimates that 99.99% of the carcinogens people ingest are natural or traditional, i.e., not man made.

Cola contains formaldehyde at 7900 ppb; coffee has two carcinogens at 4000 ppb each; beer contains three carcinogens; one at extreme concentration. How can anyone ignore that and regulate drinking water contaminants at a level of 100 ppb or less. Our daily exposure to possible carcinogens can easily be millions of ppb compared to which the contribution from drinking water is trivial.

LEGAL NOTICE

NOTICE OF PUBLIC HEARING BY THE BOARD OF ZONING APPEALS
Pursuant to the provisions of Article 27, Section 269 of the Building Zone Ordinance, NOTICE is hereby given that the BOARD OF ZONING APPEALS of the Town of Hempstead will hold a public hearing in the Town Meeting Pavilion, Town Hall Plaza, Main Street, Hempstead, New York, on September 10, 1986 at 9:15 A.M. & 1:15 P.M. to consider the following applications and appeals:

Why are we concerned about minute concentrations of synthetic compounds in water and ignore enormous concentrations of "natural" chemicals in other foods. Why do the government, and activists in the field ignore the facts of the matter. I do not believe that coffee, cola, beer or water are dangerous to drink. I do believe that we should strive for the best water quality possible, but "Water is the safest drink in America," the Association stated.

Dear Fellow Senior Citizens:

Why stay home bemoaning your loneliness? You can find pleasure in socializing with others like yourself at the Senior Citizen Program at the Hicksville Jewish Center.

As a newcomer to Hicksville, I wanted to join a Senior Citizen group here, but found that there are not enough members to keep this branch going.

All Seniors of any faith or background are welcome in this wonderful group that is so wisely sponsored by the Hicksville Board of Education.

Since moving to Hicksville, I have been so happy to find that this is a town of extremely kind and friendly people. We Seniors need each other and Hicksville wants us to be happy.

How about it? The next

meeting is on Tuesday, August 26th, at 11 A.M. Mary Sciacca is the Director, and the phone number is 796-3951.

Very Sincerely,
Kate Ornstein

To The Editor:

The Grumman Theater Guild is seeking boys, ages 10 to 15, who can sing and move for a musical production of Dickens' "A Christmas Carol."

Down Memory Lane

THE GRAND CENTRAL HOTEL was erected in the 1830's and served travelers on the stagecoach lines to Brooklyn and Huntington...later this was accomplished by trolley line which ended at this community landmark, located at the RR crossing (just to the right in this picture which was taken from an old photo by Henry "Otto" Kasten.

In the lower photograph we see the same area as it appeared in 1976. Pictures courtesy of Bill Clark.

OPERATION V.F.W.

By P.P.C. Carmine A. Somma

This is the time of year our newly elected Comdr., Bill Schuck, makes plans with his officers and our Ladies Auxiliary for the coming year 1986-87. His officers are Sr. Vice Comdr., Bob Izzo; Jr. Vice Comdr., Vincent Ferrara; Chaplain, Anthony Ferrara; Post Advocate, George Walden; Post Surgeon, Joe Adesso; Quartermaster, Wm. Frohnofer; Three yrs. Trustee, Max Bergsohn; Two yrs Trustee,

Anthony Chepak; One yr. Trustee, Mike Ciaddell.

Our newly elect Ladies Auxiliary President is Esther Palladino; Sr. Vice Pre., Rita Aug; Jr. Vice Pres., Theresa Tisdell; Chaplain, Anita Stallone; Secretary, Joan Chwalisz; Treasurer, Carmella Vitiello; Conductress, Lee Pletrus-zewicz; Guard, Mae Barwikowskis.

On July 12, the Wm. M. Gouse Jr. Post V.F.W. ran a

Las Vegas Nite and donated half of their net proceeds to the Hicksville Veterans Monument Fund. Two monuments will be erected at the J.H.S. and dedicated to Hicksville Korea, & Vietnam Veterans.

On July 28 our last meeting the chairman of our Games of Chance, Wm. Frohnofer, presented a check to the Chairman of

Historical Committee Receives Award

The Hicksville Gregory Museum has announced that its Historical Committee is the recipient of a State Natural Heritage Trust Award of \$13,000. The funds were obtained for the Museum through the efforts of Senator Ralph Marino and Assemblyman Frederick Parola whose support of the Gregory Museum and its public services has been consistent. The Historical Committee of the Museum, comprising Chairman, Historian Richard Evers; artist-newsletter editor Val Conover; Edward Body

photographer, Dr. Charles Rockwell, in-service course instructor, and Rosemary Barrow, teacher-librarian, has been very active this last decade in encouraging the public's and school's growing interest in the study and appreciation of Long Island and local community history. Through annual in-service courses in L.I. History and geography, the creation of historical slide photo sets, lectures, exhibits, newspaper articles, copying of old community photographs, filing and preservation of historical

documents, and the safeguarding and storage of donated historical artifacts the Gregory Museum Historical Committee is in the forefront of Long Island historical activity.

The new award will sustain existing in-services, courses and photographic projects, will assist the Museum in modernizing its historical exhibit area, and provide funds for the enrichment of outreach and in-house programs through the development of videotape programs.

DONOVAN Report

Real Estate:
Karen Donovan

BETTER SAFE . . .

Would you put your address and phone number in the newspaper and invite absolute strangers to come over and go through your closets? That's what you do when you advertise your own home for sale. There's no buffer between you and the "visitor," who may be a bona fide prospect -- or may not.

You get more than safety, of course. You get expert merchandising of your property and, usually, a better price.

Sell your house the smart way -- list with

Hicksville's Summer Education Program

Sight-seeing in Hicksville absorbed students of the School District's Summer Education Program under teacher Philip Bova, this past week. The secondary Special Education class enjoyed a guided bus tour of the community's places of interest and importance, conducted by Gregory Museum Historian Richard Evers.

Among the sites visited or observed from the bus were: the Hicksville Fire House, where the students inspected at first hand and learned about the many pieces of fire-fighting apparatus; the "Golden Doors" at Trinity Lutheran Church, the magnificent bronze reproduction of Renaissance artist Ghiberti's Florentine "Gates of Righteousness;" the Roman Eagle from the former Pennsylva-

nia Station, obtained by the Hicksville High School

Latin Club during the station's razing and now standing at the Hicksville R.R. Station; the large regional Hicksville Post Office; Cantigue Park; the Historic Cantigue Rock and the site of the Robert Williams Indian Land Purchase; the asphalt reversion plant off Duffy Avenue; a stop at the Stolz family horse paddock, and a final drive through the Plainlawn Cemetery, where the graves of Hicksville notables were observed.

Accompanying the group for this annual educational excursion provided as a Gregory Museum school service and enjoying the sights with the youngsters, were Dr. Kenneth Grill, school psychologist and teacher-aide, Anna Christie.

Visiting the outstanding Hicksville art work, the replica of the "Golden Doors" of Renaissance Florence's sculptor Ghiberti, recently, are students of Mr. Philip Bova's Summer Education Program. With Bova (left) are Dr. Kenneth Grill (center, rear) and Mrs. Anna Christie, teacher's aide (center, right). This cultural site at Trinity Lutheran Church is a key part of the frequent bus sight-seeing tours of Hicksville provided by the Gregory Museum Historical Committee.

The lower photo shows a bit of old-time Hicksville enjoyed by Hicksville students from the Summer Education Program at the horse paddock of the former Duffy Family Farm, last week.

Take The Princeton Review's simple test.

In May of his junior year in high school, Joe's Scholastic Aptitude Test (SAT) score was 100 points below the average at the college of his dreams. When he took the test again in November, Joe's score shot up 200 points. He was accepted at his dream school, met the ideal girl, and was headed for happiness.

It can be inferred from the passage that between May and November, Joe

A Had received a heavy blow to the head that caused his true genius to emerge.

B Was kidnapped by space aliens and replaced on earth by an android

C Had communicated directly with God.

D Took The Princeton Review SAT Prep Course, where over 10,000 other students have improved their scores by an average of 150 points (combined Math & Verbal).

Call us today and put us to the test.

PURCELL ACCEPTS HONORARY CHAIRMANSHIP FOR 5-MILE RUN FOR VETERANS ... Nassau County Executive Francis T. Purcell, center, Honorary Chairman of the 2nd Annual 5-Mile Run for Veterans, receives a commemorative t-shirt from members of the Race Committee, left to right, Committee Member John Kilbride of Levittown, Chairman Bradford H. Crook of Westbury, Race Director Dennis McCoy of Westbury, Committee Member Alfred J. Peck of Hicksville, Co-chairman Anthony Schettino of Westbury, and the Nassau County Director of Veterans Services, Dennis Dunne.

The 5-Mile Run will take place, rain or shine, on September 7, at 9:30 AM at the Mitchell Field Athletic Complex, Uniondale. The race, a fundraiser for the Viet Nam Veterans Resource Center, serves as a tribute to America and its veterans. More than 4,000 runners are expected to compete in this year's event which has been expanded to include team competition and one-mile "fun run."

Applications for either race, with entry fees ranging from \$6 to \$12, are still being accepted and can be obtained by calling the Viet Nam Veterans Resource Center at (516) 935-6858 or the Nassau County Veterans Services Agency at (516) 535-3218.

Galileo Lodge (Continued from Page 2)

ment, please permit me to say that on Saturday, the 23rd of August, the Galileo Lodge will present its Italian Wedding Dance. Price of admission is \$12.50 per person, a nominal fee that entitles you to a delicious dinner, beer, soda, coffee and cake, set-ups, music for your dancing and pleasure. And, of course, last but not least, the hilarious mock version of the old fashion Italian weddings. Armand del Cioppo will 'chair' this activity, ably assisted by Joe Morace and Tony Sica. The price is right, the food is right, the music is and the show is right, so come on down. During the proceedings, you will be introduced to the new Beauty Queen of the Galileo Lodge for 1986.

The Galileo Lodge's Fourteenth Anniversary and Fifth Annual Louise E.

Massiello Memorial Scholarship Dinner-Dance is scheduled for Friday, the 12th of September, at Leonard's of Great Neck. Price for admission is \$40 per person, and you're entitled to a sumptuous cocktail hour (Italian style), hot dinner, refreshments, coffee and cake, unlimited liquor, live music for your dancing pleasure. An Ad Journal will be featured. The committee for this dance is quite extensive, due to the magnitude and scope of this dance, and they are as follows: Joe Giordano, President; General Chairman, Pete Massiello; Dance Committee Chairman, Carmine Monteforte; Ad Journal Committee Chairman, Jim Rerisi; Dance Committee: Fred Ausiello, John Cannizara, Al Frigenti, Vito Grippi, Frank Matassa, Journal Committee. Pat Gatto,

James Posillico, Dom Russo and Tony Sica; Ticket Committee, Armand Del Cioppo, Robert Grimmer, Rocco Lombardo and Joe Morace. This dance is important to the Galileo Lodge, and the reasons are obvious, thus all members are cordially asked to attend this tremendous dance.

LODGE TIDBITS: Congratulations to Mr. and Mrs. James Posillico as they will celebrate 31 years of wedded bliss. Rita and Jim are one of the Lodge's nicest couples... Congratulations to Nancy Gatto, daughter of Mr. and Mrs. Pat Gatto, as she became engaged August the 1st. And congratulations to Frank Gatto as he received his Realtor's License and is still attending college... Congratulations to

Tully Endorsed By Detectives

State Senator Michael J. Tully, Jr. (R-Roslyn Heights) today announced that the Detectives Association, Inc. has endorsed his candidacy for re-election.

The Detectives Association is one of three unions that collectively bargain for police officers. It represents 360 detectives in Nassau County, as well as 200 associate members (officers that have been promoted upward but remain active) and 600 retired members. It is a chartered member of the Metropolitan Police Conference and the National Association of Police Organizations.

According to DA1 president Robert Howell, the endorsement came after a review of Senator Tully's legislative record, not just on criminal justice issues, but on legislation promoting a better quality of life in Nassau County.

On Deans List

Brian Stephen Lynch, of 7th Street, Hicksville, the son of Mr. and Mrs. Stephen J. Lynch, was named to the Dean's List at the University of Dayton. Brian is majoring in Accounting at the School of Business.

Hicksville Republican Club News

Bill Lee
President

Joe Jablonsky
Executive Leader

By Jeanette Magnuson

On Aug. 8th the Hicksville Republican Club held its Annual In-door Picnic. Hot dogs, beans, salad, corn on the cob, beer, soda and coffee and cake was served plus there was music for your dancing pleasure. Gloria Beil won the 50/50 and Estelle Wall won the Dark Horse.

On September 19th the Hicksville Republican Club and the Hicksville Republican Committeemen's Council will be cosponsoring the Annual Cocktail Party and Dance at Antun's. There will be a smorgasboard buffet including a "steamship roast," music for dancing and a cash bar. Tickets are \$25 each. Raffle tickets are also on sale for \$1 each or 6 for \$5. Baskets of cheer will be raffled. To order or tickets for the dance as well as raffle tickets or to get further information contact Bob Kluck, Chairman of the Dance Committee, at 931-4485.

Floyd Beil, son of Gloria and Ken Beil, graduated from Life Chiropractic College at Marietta, Georgia, on June 14th. Floyd is a graduate of Hicksville High School. Congratulations!

Dates to Remember:

October 10 - October meeting, 8:30 pm, VFW Hall, 350 S. Broadway, Hicksville

Assemblyman Fred Parola (R-C, Wantagh) applauded the enactment of new legislation which he supported that expands coverage and grants greater protections to new car buyers under the "Lemon Law."

"The expense of buying an automobile makes it absolutely essential that consumers are fully protected if the vehicle they purchase is defective," Parola said. "I am pleased to see the enactment of this legislation which will strengthen this vital protection to consumers."

Under the new law, Chapter 799, which was signed on August 2, consumers who lease a car, van or light truck will be granted the same legal remedies provided to those who purchase a new car, Parola explained.

First enacted in 1983, the "Lemon Law" provides the refund or replacement of a vehicle with a defect that substantially impairs its value during the first 18,000 miles of operation or two years from the delivery date, whichever comes first.

If the same problem which has been subject to repair four or more times continues to exist, or if the car is out-of-

service for 30 days or more, the consumer has the right to go to arbitration to demand a refund or replacement.

This year a number of substantial amendments were made in the way arbitration programs are administered, according to the assemblyman.

"These changes are especially welcome," he said. "Over the past three years, numerous consumer complaints arose over the arbitration process which many felt favored the manufacturers."

Parola noted that many of the arbitration panels are affiliated with the auto manufacturers themselves, and in some cases, these panels did not fully comply with the provisions specified in the "Lemon Law."

"For these reasons, consumers will now have the option of submitting disputes to an alternate arbitration mechanism which will be established by the State Attorney General, he said.

"Also, all manufacturers that use arbitration panels will be required to ensure that the participating arbitrators are familiar with the provisions of the law, that the mechanism complies with Federal Trade Commission regulations and that manufacturers file an annual audit with the Attorney General," he said.

In the event a manufacturer does not comply with the arbitrator's decision within 30 days, the consumer would be entitled to a compensation fee up to \$500.

A final important provision of the new law will require manufacturers to notify the state Commissioner of Motor Vehicles when "lemon" has been returned. The manufacturer

would be required to inform the consumer, prior to any resale, that the car was previously returned for non-conformity to its warranty.

"These improvements with the arbitration procedures will be very beneficial to consumers who suffer with a substantially defective automobile and speed up the process in which they can recover damages," Parola said. "I hope all new car buyers in the 14th Assembly District are aware of the important consumer protections offered through the Lemon Law."

Affordable Insurance For Lutherans.

If you're like many Lutherans, there are times when starting or adding to a life insurance program just isn't in the budget.

For those times, AAL has a solution called Yearly Renewable Term. It's insurance which is purchased on a year-to-year basis. It gives you a relatively large amount of protection at a relatively low premium.

Yearly Renewable Term. It's a good way for Lutherans to buy insurance protection, even when the budget gets tight.

Second Quarter Sales Increase

Uniforce Temporary Services of Hicksville reports a 24.8% increase in sales for second quarter 1986 over first quarter 1986. It was announced by Joseph Klein, Owner.

Mr. Klein stated, "Temporary help services is the third fastest growing industry in the U.S. and our company mirrors that growth."

Obituary

Gerald E. Schaefer
Gerald E. Schaefer, of Hicksville, died on Aug. 18. He was the loving husband of Frances. He was the dear brother of Mildred Schaefer, Betty Bratock, William Schaefer and Alice Johnson.

He reposed at the Henry J. Stock Funeral Home, Hicksville. The Rev. Douglas MacDonald officiated religious services. Interment took place at Pinelawn Memorial Park.

Galileo Lodge (Continued from Page 7)

John and Eleanor Ianotti as they will celebrate 50 years of wedded bliss on September 6th. All to prove that wedded bliss at the Galileo Lodge is not a thing of the past...A very hearty congratulations to Mr. and Mrs. John Sarrera, whose daughter Kathy and her husband Michael Morra were recently blessed with the birth of twins, Jessica Lynn and Toni Ann. Everyone in the Serrera family is beaming with pride these days, and who can blame them. Mary and John Sarrera now have five grandchildren. So, congratulations again from all of us here at the Galileo Lodge...Next Golf outing will be on either September 21st or

28th. Bert Molinelli will report further on this activity...Applications for the Beauty Queen contest for the Galileo Lodge for the year 1986 are on hand, so please contact Pete Massiello or Skip Monteforte if you are interested...Bingo help is still needed, and we all know, the revenue derived from Bingo is a big help to our Lodge and to our favorite charities. Come down on Wednesday nights, even if its for an hour or so. Call the Lodge at 931-9351 and ask for the Bingo Chairman if you so desire...Galileo Lodge has a new, large T.V. set which is being enjoyed by everyone. No expense spared when it comes to the Lodge members.

LEGAL NOTICE

Second Precinct Police Report

The 2nd squad reports the details of a serious auto accident that occurred on Chicken Valley Road, 1.4 mile west of Piping Rock Rd., Old Brookville at 4:15 P.M. on Aug. 12.

Raymond Sullivan, 19, of 132 Radcliff Dr., East Norwich was operating his 1977 Jeep C37 w/h on Chicken Valley Road when he apparently lost control striking a LILCO pole then crossing the road and struck a tree.

Raymond suffered a possible skull fracture and a fractured left arm and leg. He was admitted to North Shore Hospital, Manhasset. His passenger Nelson Reyes, age and address unknown, was admitted to the Nassau

County Medical Center, East Meadow with severe injuries to his right leg.

No charges have been filed. The jeep was impounded for testing.

Bank checks, passbooks, a safe, cash, safedeposit key and a telebus switchboard were reported stolen from a business on Manetto Hill Rd., Plainview, on Aug. 12. An unlocked rear window was entered.

There was no loss reported when entry was made to a business on N. Broadway, Hicksville between Aug. 12 and 13. The mode of entry was also unknown at the time of the report.

A business on Midland Ave., Hicksville, reported the loss of drafting tools between Aug. 15 and 16. The business was entered through an unlocked front window.

Assorted jewelry was reported stolen from a house

on Syosset Cir., Syosset, on Aug. 11. A rear window was entered.

Assorted jewelry and a camera were reported stolen from a house on Old Oak Ct., Syosset, on Aug. 11. Entry was made through an open side window.

There was no loss reported when a house on Hillside Lane, Syosset, was entered on Aug. 11 through a side window.

Assorted jewelry was taken from a house on Oak Hill Dr., Syosset, on Aug. 11. The mode of entry was not reported.

A house on Georgia Dr., Syosset, was entered between Aug. 11 and 12. Assorted jewelry and cash was reported stolen when entry was made through a rear window.

A house on Tacoma Lane, Syosset, was entered through a pried rear window on Aug. 13. A silver bowl,

suit cases and a cassette radio were reported stolen.

A Grossman pellet gun and crystal candle holder were stolen from a house on Southwoods Circle, Syosset, between Aug. 10 and 14.

There was no loss reported when a house on Woodbury Rd., Woodbury was entered on Aug. 15. A rear window was removed to gain entry.

Assorted jewelry and cash were reported stolen from a house on Dartmouth Dr., Hicksville, on Aug. 15. A rear window was removed to gain entry.

US currency was reported stolen from a house on Ketcham Ave., Hicksville, on Aug. 15. A rear window was pried to gain entry.

There was no loss reported when a house on Woodbury Rd., Hicksville, was entered on Aug. 15. A rear window was removed.

Eastern's got what it takes to put you behind the wheel.

Let an Eastern Auto Loan help you drive home a new or previously-owned car.

If you've been thinking about buying an automobile, now is the time to act. Eastern Savings Bank is offering fast-approval, low-rate auto loans for both new and used cars.

If you qualify—and Eastern promises a decision on your loan application within 48 hours—your Eastern auto loan will carry a guaranteed interest rate that is fixed for the life of the loan—and, in some cases, payments can be extended to 60 months.

Interest rates are low: act today. Call Eastern's Consumer Loan Department at 212-828-4990 or 914-721-2014 and ask about our Auto Loans.

ASK ABOUT OUR HOME IMPROVEMENT AND PERSONAL LOANS.

You'll like banking Eastern style!

Devotions

(Continued from Page 4)

image of our Maker. Like God we can reason, we have a mind, a memory and a will. God even put us in charge of everything he created. God was pleased with his workmanship of man and said, "It is good." He made nothing more special or more beautiful than us. Made in the image of God, we even have the ability to control much of our destiny.

We should not think of ourselves as less than God thought of us. Look at your hands. They're hands very much like the hands of Jesus. And Jesus was no junk. There should be no more junky John or junky Mary or junky Kathy than junky Jesus. Jesus was a man, and like us in every way with the exception of sin. And that is the difference, for you see, sin is the chief purveyor of junk in our lives. It was Adam and Eve's sin of trying to be as God that tarnished the fullness of their image of God. It made them less than what God wanted for them. Sin

Achieves Rank of Lieutenant

Headquarters Company, Jim McLaughlin of Willoughby Ave., Hicksville, on achieving the rank of Lieutenant in the Garden City Fire Dept.

Eighth Precinct Police Report

By PO Kenneth A. Box

The Hess Station of 575 S. Broadway, Hicksville, was entered through a rear door on Aug. 10. \$75.178 worth of cigarettes were stolen.

\$800 in cash, a fur form machine, jewelry and a VCR were reported stolen from a house on Albert St., Hicksville, between July 31 and Aug. 14. A rear window was forced open to gain entry.

There was no loss reported when an attempt was made to enter a house on Acre Lane, Hicksville, on Aug. 13. A rear window was broken.

Letters

(Continued from Page 9)

Since that article, I was sick and hospitalized at Syosset Hospital in Sept. 1985 for a week. When I got out it was like starting swimming all over again. It took me 10 months of hard workout.

I competed at the Eastern Zone Meet at Pittsburgh and ranked 7th in the 200 meter butterfly with a time of 23.5 and made consolations in other events. I won against top swimmers like Grace Cornelius an Olympic hopeful.

Recently, I swam at the National Junior Olympic Fast at Ft. Lauderdale, Fla. from Aug. 11 to Aug. 15, at which time I swam the 200 meter butterfly at a time of 22.4 which ranked me 13th and the 100 meter butterfly at a time of 106.5. Both swims being my best.

It would deeply be appreciated if you could add my story to your column.

Sincerely,

Kim Therese Hecker
