Hicksville BPOE, 9PM, 80 E Barclay St.
Community Forum on "Crack" 10 a.m. in the County Board of Supervisors Meeting Room, 1 West St., Mineola. (See adv. on page 4 for details).

Correct School Hours

Hicksville residents are asked to note an error in the school hours listed in the district calendar on page 6.

The correct hours are:

Elementary Schools	9:00 A.M. - 3:30 P.M.
Junior High	7:53 A.M. - 2:17 P.M.
High School	8:15 A.M. - 2:41 P.M.

Please adjust your school calendars to show the correct hours.

Water District Election

On Tuesday Sept. 2, the Hicksville Water District will hold an election for one commissioner.

Voting hours will be between 7 p.m. and 10 p.m.

Mr. Nicholas J. Brigandi is seeking re-election for a third term.

The election will take place at the Hicksville Fire Dept. headquarters on Gebhardt Plaza (East Marie St.).

Assemblyman Fred Parola presents the Conspicuous Service Cross Award to Frank Molinari of Hicksville. The Award is based upon the individual having entered the service from New York State and having been awarded a personal decoration while serving in the Armed Forces of the United States.

Hick Labc

The 58th Labor Day F... sored by the Hicksville Volunteer Dept. is set to go. 31 departments have signed up to parade. The parade will start 5 PM sharp Sunday, August 31st. Led by Grand Marshal Lt. Anthony Wigdzinski and Chief William Schuckmann, the Hicksville F.D. will march south on Jerusalem Ave. from Marie St. picking up the six divisions, proceed east on Old Country Rd. to Broadway, north on Broadway to West John St., west on John St. to the entrance to Mid Island Plaza (by U.S. Post Office).

Following the parade which ends at the Carnival on Mid Island Plaza property, a block party with a D.J. will be held. The Carnival will be open thru Monday, Labor Day.

The Firemens Drill will be held Monday, Sept.

Editorial

Nicholas Brigandi To Run For Re-Election To Water District Board

By Louis Dettloff

Hicksville residents will be able to cast their votes for one member of the Board of Water Commissioners, Hicksville Water district, on Tuesday evening, September 2, at the Main Fire House, Gebhardt Plaza (East Marie Street) Hicksville, New York, between the hours of 7:00 and 10:00 P.M.

Mr. Brigandi is seeking re-election at this time and is well qualified to serve the community in this capacity. As the incumbent member of the Board, he has served in each of the offices involved, and as a result of his two term experience is at the peak of his ability to serve the community.

Nick has a fine record of community service to stand on, having been involved in fireman affairs with the Hicksville Fire Department for 27 years. He is also past President and at present has been elected Trustee of the Volunteer Firemen's Exempt Association.

At the present time Mr. Brigandi is a Highway Maintenance Supervisor for the Nassau County Department of Public Works where he has been employed for 26 years. This experience is certainly not lost in his service to the Water District.

He has served his community in other ways as well, at the present time he is one of the active representatives of the Water District on the Hicksville Community Council. Nick is a regular member in attendance at the Long Island Water Conference monthly meeting and has just been a local delegate to the American Water Works Association Meeting held in Denver, Colorado. He is also a member of the New York Section - American Water Works Association and will be one of the representatives to that meeting, a Management Seminar, entitled "Insurance Crisis - Round Table." This timely and critically important topic should initiate considerable interest between the insurers and the insured, and the regulators of this industry.

His other interests include membership in the Joseph F. Barry Council, Knights of Columbus, as well as active participation in a Field Soccer program for the young people.

Perhaps one of the most important matters concerning the residents of the Hicksville Water District is the recent completion of a water study in Nassau County. The report recommends further investigation of five sites studied to more specifically define the extent and sources of contamination and to develop remedial measures. These findings are keenly satisfying to Mr. Brigandi and to every other member of the various water boards having served Hicksville for the past several decades. All of these men have sought recognition of our problems in our aquifer system and have addressed the citizens of the community by letter, in print and on numerous occasions at the Community Council.

requesting that a concerted effort on the part of the public in addressing elected representatives concerning these matters would motivate the required clean-up of contaminated areas. To the credit of the present Board, in 1983 they undertook the building of an Air Stripping Plant to remove undesirable organics in an area referred to as North Hicksville in the recent report. This plant built entirely by Hicksville without creating any bonded indebtedness for the community is in operation and is serving the community a quality, potable drinking water. Without this fore-sight it would not be possible to say that the wells affected are already being treated for removal of volatile organic compounds.

Hicksville would do well to re-elect Mr. Nick Brigandi and keep his determined interests active in the service of Hicksville.

As more than 44,000 fans watched, Senator Norman J. Levy and Assemblyman Fred Parola recently presented the New York Mets with a New York State Legislative Resolution commemorating the Mets' 25th Anniversary.

The Legislators made the presentation to Fred Wilpon, President of the Mets; Frank Cashen, Executive Vice President and General Manager; and Dave Johnson, Team Manager.

Pictured above are Assemblyman Fred Parola, Dave Johnson and Senator Norman J. Levy.

Hicksville Republican Club

Bill Lee
President

Joe Jablonsky
Executive Leader

By Jeanette Magnuson

On Friday, September 12, 1986, at 8:30 pm the Hicksville Republican Club will hold its September meeting at the VFW Hall 350 S. Broadway, Hicksville. Congressman Norman F. Lent

will be our guest speaker. Congressman Norman F. Lent is currently serving his eighth consecutive term in the U.S. House of Representatives. He represents the Fourth District of New

York situated in Nassau County. After serving five terms as a New York State Senator (1962-70), Rep. Lent was elected to his first term in Congress in 1970. In that race, Mr. Lent unseated the Democratic incumbent, the late Allard K. Lowenstein, by 9,300 votes. He has won reelection to each succeeding Congress. In November 1984, Rep. Lent won reelection by a margin of 90,000 votes, the largest plurality ever received in a

Congressional race in the history of Long Island politics. His winning percentage was 68.9% of 224,679 votes cast.

During his fourteen years in Congress, Rep. Lent has earned a reputation as a distinguished, hard-working legislator. In giving Rep. Lent its 1984 election endorsement, Long Island's *Newsday* (10/25/84) characterized the Congressman as "...pragmatic, hardworking and respected by his col-

leagues. He has often served as a bridge between the Democratic House and the Republican Senate, helping to fashion legislation that's viable to both chambers. ...Lent has emerged as an effective and flexible legislator in such areas as environmental protection, transportation and consumer affairs."

Congressman Lent serves as second ranking Republican on the important House Committee on Energy and

Commerce. In this capacity, he has been a key player in crafting landmark environmental protection legislation, such as Superfund, the Resource Conservation and Recovery Act (RCRA) and the Toxic Substance Control Act (TOSCA). During the 98th Congress, Rep. Lent was a prime sponsor of legislation reauthorizing RCRA. The RCRA reauthorization, now Public Law 98-616, contained important Lent amendments which strengthened

laws governing the handling, transportation and disposal of hazardous substances.

As Ranking Minority Member on the Subcommittee on Commerce, Transportation and Tourism, Rep. Lent and Subcommittee Chairman James Florio (D-NJ) coauthored the 1984 version of the superfund reauthorization Bill. The House of Representatives voted overwhelming approval of the Florio-Lent bill which significantly increased funding for the Nation's critically important hazardous waste cleanup program. Mr. Lent is expected to play a key role again with Superfund reauthorization in the current 99th Congress.

Rep. Lent also offered the first legislation in the House to establish a national drinking age of 21 in an effort to reduce the tragic highway accidents resulting from youthful drunken driving. The 21-year-old drinking age standard is now contained in Public Law 98-363. In January 1985, Rep. Lent was appointed as Ranking Minority Member of the Merchant Marine and Fisheries Committee, which has jurisdiction over issues important to Long Island.

As a member of this Committee, Lent has been a long-time protector of our coastal waterways, fisheries and marine environment. He was instrumental in shaping such legislation as the landmark 200-mile-limit law protecting U.S. fishing grounds; the Coastal Zone Management Act and Tanker Safety Act strengthening environmental safeguards against oil spills; and the Outer Continental Shelf (OCS) Revenue Sharing Bill to help state and local governments content with the impact of offshore oil and gas drilling. The Ocean Dumping Amendments of 1984 successfully passed the House of Representatives, thanks in part to Rep. Lent's leadership on the House floor. An important provision of the legislation calls for an end to the dumping of treated sewage sludge at the New York Bight, 12 miles off Long Island's coast. Sewage sludge from the Bight has fouled Long Island beaches and waterways on several occasions over the past several years.

A lifelong resident of Nassau County, New York, Rep. Lent was born in Oceanide, March 23, 1931. He attended Long Island public schools in East Rockaway, Lynbrook and Malverne. He received his B.A. degree from Hofstra University in 1952. Follow-

4-Year High and 2-Yr Middle School Plan Approved

Following an extensive period of research, discussion, and consultation involving administrators, teachers, parents, community members, and experts in the field of secondary education, the Superintendent submitted a report on district reorganization to the Board. Approval of this plan was the first action item on the agenda of the meeting of the Hicksville Board of Education on August 27.

Reorganization of the secondary program represents important changes in Hicksville reflecting the best in current thinking on the subject of secondary education and the instructional and social needs of students in grades seven through twelve. The ninth grade will be moved to the high school and grades seven and eight will become a middle school beginning in September 1987. The movement of the ninth grade will result in a comprehensive high school program housed in one building. The accumulation of credits toward a diploma begins in the ninth grade, and many of the requirements of the Regents Action Plan make ninth and tenth grade courses two parts of the same course. It is, therefore, a logical step to have all parts of the whole in the same location.

The establishment of a middle school program for grades seven and eight will be based on an interdisciplinary team approach. Interaction between a group of students and a group of teachers will permit a close monitoring of student academic and social growth and development while providing a bridge between the elementary school and the high school. This change also provides significant social benefits to ninth graders through available counseling services, interaction with older students, and educational opportunities emphasizing the importance of the ninth grade. These include the availability of resources, full laboratory experiences in science, efficiency of scheduling for foreign languages, and a wide range of electives and sequential courses.

Three disadvantages were identified during the period of study leading to the development of the plan. The reorganization would be a change in a thirty-year tradition in Hicksville. It would also call for some additional expense for equipment and supplies. The third point discussed is that half of the high school population would be new students in the first year of implementation. These disadvantages are minor when compared to the great educational and social benefits to be reaped by students.

A number of steps will be taken during the current school year to prepare for implementation of the secondary reorganization. Throughout the year, junior high teachers will be involved in an ongoing inservice program to prepare for the opening of a middle school in September 1987. This program will be offered by Dr. Conrad Toepfer, recognized throughout the country as one of the leading experts in middle level education. He is one of the founders of the strong middle school movement in the National Association of Secondary School Principals and a respected scholar in professional circles. One of the aims of the training will be the formation of teaching teams composed of English, social studies, science, and mathematics teachers to create an interdisciplinary approach to instruction. Studies have shown the importance of helping students to see the interrelationships among the different subjects they study, an objective not currently served under the junior high school structure. Each team will design a suitable academic program for the students assigned to them, and leadership of the team will be assumed by members on a rotating basis.

Community Meetings Planned.

In addition to the training sessions for staff members, Dr. Toepfer will present a series of community meetings at various locations to acquaint the public with the reorganization plan with emphasis on the characteristics of a middle school. A videotape of the presentation will be available for use by interested community groups unable to be present at one of the scheduled sessions. These community presentations are reminiscent of the meetings held by the Long-Range Plan-

(Continued on Page 5)

Big Brothers/Sisters Organized At Hicksville High School

On Long Island there are over 100,000 children living in single-parent households. For single parents, it is often overwhelming to attempt to find the time and energy to meet the needs of a young child. A Big Brother or Big Sister can make a difference.

The Big Brothers/Sisters Program offers children from single-parent families a unique one-to-one friendship with a caring, responsible volunteer. The volunteer offers the child the extra friendship, support, and guidance that he or she may need through weekly outings that provide the child with fun and new experiences.

The agency has a special High School Program where high school students, 16 and older, are matched with local children between the ages of 7 and 12. The volunteers spend 2-3 hours per week with the child, sharing their interests and taking part in activities,

throughout the school year. All potential volunteers are thoroughly interviewed, oriented, and trained by professional social workers at Big Brothers/Sisters prior to being matched with any child. All matches are then very carefully monitored by the staff, so that all of the volunteers receive continual support and supervision. The agency also provides optional group activities throughout the year.

A Big Brothers/Big Sisters High School Program has been established in the Hicksville school district. A major effort to recruit high school volunteers is planned for September. The program is available to children from single-parent families between the ages of 7 and 12; however, we anticipate being able to serve girls more quickly. Parents who would like their children to participate may call Christine Gill, High School Program Coordinator at (516) 489-7440.

LIRR Offers New Crossing Safety Booklet

Even if it's a tie...you lose, warns the headline on a new grade crossing safety booklet recently published by the Long Island Rail Road. And, to prove its point, the cover features a dramatic photograph of a locomotive and an auto that met at a crossing earlier this year. One motorist was killed and a second seriously injured in the accident.

The purpose of the booklet is to save lives—the lives of motorists and their passengers whose safety is

threatened by driver carelessness at railroad crossings. The booklet, a guide to the do's and don't's of safety, lists some common causes of crossing accidents.

Anyone wishing to obtain a copy of the guide or make arrangements to view the safety education programs can do so by writing the LIRR Public Affairs Department at Jamaica Station, Jamaica NY 11435, or by calling 718-526-6020 during normal working hours.

Town Authorizes Pilot Recycling Program Study

The Oyster Bay Town resolved today, August 26, to authorize funds to study source separation and recycling programs with the goal of implementing a mandatory pilot recycling program, according to Town Councilman Howard T. Hogan.

"The Town is in the process of gathering information that will aid us in determining how to proceed with a pilot program and tell

us what markets are available for recycled material," said Hogan. The program will be conducted in a limited test area and the results analyzed before being implemented town-wide.

"Letters have been sent to municipalities which currently have some type of recycling program requesting that they share with us their experience," continued the Councilman. "Among other questions we have spe-

cifically asked what materials they recycle and whether they provide curbside pickup or residents must bring selected items to designated location. If curbside collection is made, we have asked how frequently it is provided."

Town representatives are having on-going conversations with representatives of other Long Island municipalities, including the Town of Islip, to determine the

success rate of that government's voluntary program. Oyster Bay officials plan to visit Camden County, New Jersey to view its program next week.

Hogan said, "The Town's ultimate goal is to compile data that will tell us how much of the waste stream can be reduced by recycling, and to institute an appropriate recycling program which will complement our plan for resource recovery."

Night Hearing Set On Two Plainview Zone Requests

Oyster Bay Town Clerk Ann R. Ocker announced that the Town Board has set September 16, as the new hearing date on a request for two change of zone applications in Plainview, requested by the same applicant.

Ocker said, "on the pre-

viously scheduled hearing date of May 13, the applicant Nopa Realty Corp., requested an adjournment. At the same time the Town Board received a petition with the required number of signatures, requesting a night hearing. The decision was made to adjourn the

application and schedule a night hearing for September.

"The applicant is seeking a zone change on two separate parcels from Residence 'D' to 'R-0' (Residence-Office District), for general use" said Ocker. "The buildings are located north of Old

Country Road at 20 Central Park Road and 65 Central Park Road."

The hearing has been scheduled to begin at 8 PM on Tuesday, September 16, 1986, in the hearing room of Town Hall East, Audrey Avenue, Oyster Bay.

Hicksville Zone Change From Residence To Business Requested

Oyster Bay Town Councilman Thomas L. Clark announced that the Town Board has scheduled an October 7th public hearing on a request for a change of zone in Hicksville.

Clark said, "the applicants, Robert R. Brown and Robert J. Brown, are requesting a change of zone from 'D' residence district to 'G' business district (general business) in order to permit the premises to be used to

provide off-street parking space for forty (40) additional cars in connection with the automobile dealership."

The property is located at the south side of First Street just west of South Broadway, Hicksville.

The hearing has been scheduled for Tuesday, October 7, beginning at 10 AM in the Town Hall East hearing room, Audrey Avenue, Oyster Bay.

Bill To Prevent Abductions

Under a new state law, school children may now only leave school with persons approved by the child's parent or guardian, Assemblyman Fred Parola (R-C, Wantagh) announced recently.

The new law, which Parola, sponsored, requires school districts to check the identity of persons requesting a child's release against a list provided by the parents.

"School openings are not far off, and it is important to protect our children when they are away during school hours," Parola said.

The law also stipulates that a student will not be released to a person who is not on the list unless the parent authorizes the release. School officials will be free from civil or criminal liability concerning the release of any child.

"Besides the legislation that we are working to enact, there are certain precautions parents should take and teach their children," Parola said.

Parola explained that the Assembly Republican Task Force on Missing Children held hearings throughout the state last year and issued a pamphlet with the following precautions:

- Parents should know where their child is at all times, not only in the stores or malls, but playing in the yard or down the street.
- Children need to be taught that if they become separated from their parents, they should not wander and try to find them, but go straight to security or a checkout counter.
- Teach children that grown-ups should not be asking help or directions from children, they should be asking adults.
- Children should use the buddy system and never go places alone.
- Children should understand never to get into a car or go anywhere with any person unless their parents have told them it's okay.

"While all of these seem like common sense to you and me, children are very trusting, and we need to reinforce the importance of these precautions to them, as well as pass laws to protect them," Parola said.

In The Interests Of OUR CHILDREN

A Community Forum on the "Crack" invasion will be held on September 4th at 10:00 a.m. in the Nassau County Board of Supervisors Meeting Room, County Executive Building, 1 West St., Mineola.

Parents and community leaders are invited to participate.

Forum sponsored and chaired by:

Charles Wagner Post A.L. Auxiliary News

By Geraldine Seitz

The American Legion Auxiliary of the Charles Wagner Post, Unit #421 Hicksville will hold their next meeting on Friday, September 5th at 8:30 P.M. President Joan Rizos will preside. Please make an effort to attend.

On Aug. 16th a cocktail party and dance was held for 300 club members. Winners were Phil Shane, John Kerrian and Joyce Anderson. Starting date for the next 300 Club will be discussed at the Sept. 5th meeting. Volunteers to Northport

V.A. Hospital attended a picnic there on Monday Aug. 25th.

Past Commander Wes Tietjen is chairman for a dinner-dance to be held on Sat. Oct. 11th honoring past commanders of the post and past presidents of the Auxiliary. Tickets are 7.50 a person. Dinner will be served at 7 P.M. Dancing from 8 P.M. to Midnight. Pass the word around and get a table of your friends together for a pleasant evening.

See you at the meeting on Sept. 5th.

AHRC Auxiliary To Meet

The Levittown-Hicksville-Wantagh Auxiliary of the Association for the Help of Retarded Children (AHRC) will hold its first meeting of the year on Monday, September 8, 8:00 P.M., at Levittown Hall. Mr. William Miraglia,

whose background and experience is in Money Management & Taxes, will address the meeting. A question and answer period will follow.

Meeting is open to the public. Refreshments will be served.

4 Yr. High Approved

(Continued from Page 3)

ning Committee at the conclusion of its study in 1983, and each option suggested by the results of that study included a four-year high school as the best organizational plan.

A timetable for the relocation of staff and equipment was part of the plan submitted to the Board, as well as options for the use of excess classroom space at the junior high school after the transition is made. District staff and the community will be informed as these items are addressed by the Board and administration.

Board Approves Changes

After a lengthy discussion by Board members and an explanation of the specific scheduling examples and potential benefits by Mr. Klein, the concept of the four-year high school and the two-year middle school as proposed by Dr. Fenton was approved.

The action section continued with the approval of the textbook **Health** for use in grades 11 and 12 which was reviewed and recommended by department chair Mary Sue Carr, teachers Eugene Lovette and Dorothy Cohn, Principal Richard Hogan, and Director of Instruction Robert Durso.

The Board approved warrants, transfers, and cash flow reports and awarded bids for health supplies and equipment (\$7,056.55), music equipment (\$5,162.79), and computer supplies (\$9,586.35) for a total of \$21,805.69. Recommendations of the Committee on the Handicapped generated at the meeting of July 18 were also approved.

In her report to the Board, Dr. Fenton noted the distribution of a booklet describing the instrumental music program in the district prepared by Fine Arts Supervisor William Gagnon and his staff. She praised the work of all involved in assembling this informative and comprehensive document. Dr. Fenton also thanked Mr. Becker and his Facilities and Operations staff for the cooperation lent during the Marching Band Camp held in the district in terms of equipment and assistance, remarking that this was another example of staff members and departments supporting each other in carrying out programs to benefit our students.

The Board appointed several new professional staff members at Wednesday's meeting, and the district welcomes them to their new assignments: Denise Mingin (East Street School); Nancy-Lee Ruist (Fork Lane School); Mary Masterson (Fork Lane School); Jeanette Magnuson (Junior High School); Laura Jacobs (Art-Woodland Avenue and Junior High School); Lori Kornreich (Resource Room-Dutch Lane); Patricia Minikel (Library-Senior High School); Linda Weinfeld (Foreign Language-Junior High School); Gerard Kratchman (Science-Senior High School); Barbara Ann Bradley (Psychologist-East Street School); Frances Carley (Willet Avenue School).

Future Events

The next regular business meeting of the Hicksville Board of Education is scheduled for Wednesday, September 24, at 8:15pm in the conference room of the Administration Building on Division Avenue.

A reception for new staff members will be held on September 17 at 7:15pm followed by Board Committee meetings at 8pm. The Curriculum and District Facilities/Community Affairs Committees will meet at 8pm, and the Policy/Legislative and Finance Committees will meet at 9pm. District residents are invited and encouraged to join in the work of these committees and take an active part in the educational process in Hicksville.

Norma and Herb Goerke, 314 Plainview Road, Hicksville took a Tauck Tour to Hawaii. They visited the islands of Oahu, Molokai, Maui, Hawaii and Kauai.

While on the island of Hawaii, Hurricane Estelle passed to the south and the volcanic fissures were erupting.

The trip was in celebration of their upcoming 30th wedding anniversary on September 16th.

To Enroll As Sports

Medicine Major

Karen A. Campbell, daughter of Mr. Richard Campbell, 135 5th Street, Hicksville, will enroll this fall at Ohio Northern University in the College of Arts and Sciences as a sports medicine major.

At Hicksville High School, Campbell was active in varsity basketball, varsity volleyball, varsity softball and was named the Most Outstanding Athlete.

Ohio Northern University is a coeducational, United Methodist-related institution founded 116 years ago. More than 2,400 full-time students are enrolled in the colleges of arts and sciences,

Karen A. Campbell pharmacy, business, engineering and law.

Independent Art Society Sets Sept. 2 Meeting

The Independent Art Society will kick off the season with a showing of two interesting films from the National Gallery of Art "Mobile: Alexander Calder" and "Picasso, the Saltimbiques" on Tuesday, Sept. 2, at 7:30 PM in the Community Room of the Hicks-

ville Library, 169 Jerusalem Ave. (931-1417)

All future meetings for the year will be held on the first Monday of each month through June, and will feature many exciting demonstrations by artists of note in various disciplines. The public is cordially invited.

BRIAN OTTEN of Hicksville received a scholarship from Branch 6000 of the National Association of Letter Carriers. Pictured with him, on either side, are his parents, Diane (a Plainview letter carrier) and Don.

Brian will attend Boston University this Fall.

Discussing the progress of the Hicksville Veterans Monument Committee fund drive are Committee Chairman, Conrad Steers, of the Nassau Vietnam Veterans and the William Gouse Post of the Veterans of Foreign Wars (right) and Richard Evers, Americanism Chairman, Charles Wagner Post, American Legion. The Veterans' Monument drive has received nearly \$4,000 in contributions from citizens and business people in Hicksville. The committee is hoping to have two monuments dedicated to the memory of those who served in the Korean War and in Southeast Asian struggles ready for dedication, by Veterans' Day.

In the last stage of the fund drive, it is the Committee's hope to raise several thousand more dollars. The Monument Committee would like to be able, also, to add the names of Hicksville's 13 Vietnam War dead to the John F. Kennedy Memorial, a mid-town monument honoring those who lost their lives in the nation's four 20th century conflicts.

Contributions are tax-deductible and may be mailed to: Hicksville Veterans Monument Fund P.O. Box 412 Hicksville, N.Y. 11802

DONOVAN Report

Real Estate:
Karen Donovan

READY TO SELL?

Is your house ready to show to prospective buyers? Does it look neat and clean and well cared for?

Be sure that minor repairs are attended to: Dripping faucets, cracked window panes, burned-out bulbs are danger signals to a prospect.

The casual prospect isn't likely to get down on hands and knees to look under the hot water heater. He extrapolates from what he sees: if a home seems to be in good repair, he'll assume it is; if anything looks broken or shabby, the buyer will suspect poor upkeep.

Call us in for a look-see. We'll help you get the place ready to sell when you list it.

***** A TRIBUTE TO LABOR *****

"Work is love made visible." On labor Day we pause to pay tribute to the workers of America . . . the men and the women whose love and labor have made our country great. Who brought it from a wilderness to a land of plenty with opportunity for all.

We take time to reflect upon the dignity and the privilege of productive labor.

Then we'll go back to work, each to his own particular job; student, farmer, scientist, businessman, doctor, lawyer, laborer... with dedication and vigor anew.

Labor Day '86: New Rights For Toxic Exposure Victims

Thousand of New York State workers injured or disabled by exposure to toxic substances, but denied

JUST COMPENSATION because of a loophole in an outdated law, are celebrating a restoration of their rights this labor day.

Under a newly enacted New York State bill, working men and women who suffered the often deadly consequences of exposure in the workplace to Asbestos, Polyvinyl Chloride, Chlordane, Tungsten Carbide, and other toxic substances, will now be able to have their day in court.

The daughters of women who have been injured by DES their mothers took during pregnancy, also regained their rights to seek **JUST COMPENSATION** because of the reform of the State's liability statutes.

Prior to enactment of the new legislation, workers who were injured or disabled due to exposure to

toxic substances were required to file claims for compensation no later than three years from the last date of their exposure to the hazardous material.

That was a completely unrealistic view, and denied victims their rights. Medical research has shown that it can take 20 to 40 years or more, in the case of Asbestos exposure, for Asbestos-related injury or disease to surface. That can be long after the victim's right to file a claim has expired.

Now, those victims can file claims up to three years after they discover their illness or injury. So too, victims of DES, Asbestos, Polyvinyl Chloride, Chlordane and Tungsten Carbide, who were barred from filing claims under the old statute of limitations, now have one year from July 30, 1986, to file claims.

CORPORATE CHALLENGE...The County Executive Racing Team recently competed in the Manufacturers Hanover Corporate Challenge at Eisenhower Park. (Left to Right) Robert Turner, Sue Menz, Francis Cosgrove, Team Captain Martin Eichinger of Long Beach, Armand D'Amato, Moses Reynolds and Jane Durland. Over 800 runners representing corporations, businesses, government and financial institutions competed in the 3.5 mile race organized to foster company spirit and teamwork.

THE HAPPINESS OF THE LONG DISTANCE RUNNER: Oyster Bay Town Councilman Kenneth S. Diamond presents a plaque to Elizabeth Panagos of Oyster Bay, whose team won first place in the women's division of the Ocean-to-Sound Relay. Chris Webber holds the plaque for his team, the Super Runners, which won first place in the men's division. The 51.6 mile race was sponsored by the Plainview-Old Bethpage Runners Club, represented here by race organizer Alan End (left) of Plainview, and by Spiegel Associates, whose Paul McGill was on hand for the awards ceremony. Each runner on the eight member teams ran a "leg" of between 5.9 and 7.9 miles on a course that began in Wantagh and wound its way up to Bayville. All proceeds from the race will be donated to the Memorial Sloan Kettering/Hospital for Special Surgery Children's Prosthesis and Rehabilitation Foundations.

FOX TROT 4K RUN: Oyster Bay Town Councilman Angelo A. Delligatti (second from right) attends the awards ceremony for the second annual Fox Trot 4K run, which was sponsored by Fox's Seafood Cafe, who donated the proceeds to benefit the Biltmore Shore Civic Association and the Massapequa Road Runners. Joining Councilman Delligatti (from left to right) Assemblyman Phil Healey, Jeanne Peterson of Massapequa who was the women's over-all winner with a time of 14 minutes and 10 seconds, Gary Paperno of Massapequa Park and Danny Brach of Hicksville, both tied as over-all men's winners completing the course in 12 minutes and 40 seconds.

Kristin Mund Wins Senior Mets

Thirteen year old Kristin Mund of Hicksville distinguished herself by winning the High Point Award at the Summer Senior Metropolitan Championships at Cantiague Park. Despite the inclement weather, Kristin won the 800 meter free, the 1500 free, the 400 meter free and was second in the 400 IM and the 100 fly. Her fly time was her personal best and qualified her for Junior Nationals.

Other swimmers from Hicksville scored at the meet which boasts top swimmers from the entire Metropolitan area. Lorna Mund won the 100 and 200 backstroke and the 100 freestyle. She was second in the 200 free and third in the 400 free. Scott Epstein, in his first Senior Mets, placed fourth in the 100 breast and fifth in the 200 breast. Jeannine Sirey scored in the 200 and 400 IM, the 100 free and the 200 free.

Lorna Mund Wins Back At Easterns

At the Eastern Zones Championships, held at the University of Pittsburgh on July 18-20, Lorna Mund won the 100 meter backstroke with a Senior National qualifying time. She also placed fourth in the 200 meter

back. Lorna's time of 1:07.0 in the 100 back qualifies her to compete in the National Meet which is being held in Santa Clara, California on August 4-9. She has also qualified in the 200 back.

Bank Reports Growth

Beacon Federal Savings Bank recently reported a 30.2% growth in net worth for the first six months of 1988. The Bank, which maintains 14 branches, reported that net worth increased from \$17.1 million to \$22.2 million, the result of the lower cost of money and the profitable sale of loans and securities. As of June 30, net worth was 5.78% of savings. Beacon Federal also reported that during the same period, total assets grew \$31.2 million to \$464.7 million, or 7.2%, and that total loans, cash and securities increased \$32.1 million, or 8.7%, to \$402.9 million. During the first half of the year, savings and borrowing liabilities increased \$20.9 million, or 5.2%, to \$426.3 million, with a positive interest spread achieved by matching increased borrowing with an offsetting investment.

ings institutions and more affordable housing for more people - especially younger couples who are just getting started," said Beacon's President and Chief Executive Officer Charles Hahn.

According to the recently issued interim report, the Bank restructured its portfolio of loans and securities to more closely match the maturation of assets and liabilities, in order to combat possible higher future interest rates.

Mid Island Senior Schedule

The Mid Island Hicksville Senior Citizens meet every Thursday, from 12 to 4 p.m. at the United Methodist Church on Old Country Road and Nelson Avenue in Hicksville.

AARP To Meet

The regular meeting of the A.A.R.P. Chapter #1592 will be held on September 2, at Levittown Hall at 1:00 P.M.

At The Hicksville Library

Condos and Co-Ops Lecture
Thursday, September 11, at 7:30 at the Hicksville Public Library, Dr. Albert H. Treiman, speaker from the Bar Association of Nassau County will lecture about the pros and cons and of Condominiums and Co-ops. Dr. Treiman in the main, opposes Condos and Co-ops. Come to this free program and hear his reasons. All are welcome.

Low Calorie Cooking in The Microwave
Monday, September 15, at 8:00pm, the Hicksville Public Library will present a program by Marilyn Siegel on a very popular topic. Low Calorie Cooking in the Microwave. Microwaving and dieting make a good marriage. Learn how to prepare your own Low Calorie dinners in the time it would take you to cook a frozen dinner. Good ideas for main dishes, snacks and desserts will be given. Registration for this program is limited to Hicksville residents. Registration starts September 2 during regular library hours.

Galileo Lodge News

By Joe Lorenzo

PRESIDENT JOE GIORDANO'S MESSAGE: "Children and subjects are less frequently in the wrong than parents and kings," Lord Chesterfield

Once we mentioned here that time passes thru our lives with incredible speed, but so do events as one event follows on the heels of another. And so it is at the Galileo Lodge, where events come and go with amazing rapidity. As witness last Saturday night, the 23rd of September, at which time the Lodge's Italian Wedding Dance was in progress. Now it's a thing of the past, gone and certainly not forgotten. A sizeable crowd comprised of members, friends and patrons ate to their heart's content, danced enjoyably, laughing hysterically at the mock Italian wedding ceremony in progress and basked in the light of the conviviality of the Galileo Lodge. Armand Del Cippio, the chairman, and his co-chairmen, Joe Morano and Tony Sica did their usual fine jobs, a fact that prompted President Joe Giordano to extend his thanks to them and to the other members who were involved in this activity.

HIGH TIME TELEVISION NEWS HITS THE GALILEO LODGE WITH GREAT IMPACT The inspiring news is that

Anthony Sarrero, son of Mr. and Mrs. John Sarrero of our Lodge, has recently signed a contract to perform in a weekly night-time series for "New World" pictures and to be produced by Michael Mann, the head of the Miami Vice series. The series will be called "Crime Story" and with NBC involvement.

Anthony Sarrero (Tony Denison) who will appear in "Crime Story" this fall is son of Mr. and Mrs. John Sarrero of Galileo Lodge, Hicksville.

Anthony Sarrero, who uses the stage name Anthony Denison, directed and also appeared in a play called "Line" which was held at the Galileo Lodge five years ago. Anthony has been trying for the last nine years to get a break in television or the movie industry... and now he has. Anthony is a graduate of the Hicksville High School and also attended N.Y.S. University at New Paltz. He is also one of the founding members of the "Actors League" of New

York City, so you can understand why his family is so proud of him and his attainments, and not to mention so very happy as well.

"Crime Story" is scheduled to appear September 14, 18, 19 and 26, and then it will be steady on Tuesday, September 30th, at 9:00 P.M. Anthony's family, friends and all the members of the Galileo Lodge wish him "Buono Fortuna," not to mention the Sons of Italy in America as well. The road for Anthony Sarrero, also known as Tony Denison, may have been hard and long, but he reached it proudly and joyously.

Since we are writing about beautiful things that are happening at the Galileo Lodge, we would like to mention that time for the Galileo Lodge's Fourteenth Anniversary and Fifth Louise E. Massiello Memorial Scholarship Dinner-Dance is scheduled for Friday, the 12th of September, at Leonard's of Great Neck. Tickets are now on sale and they cost \$40 per person, a nominal fee that entitles you to an extravagant Italian-style cocktail hour, a delicious dinner, refreshments, unlimited liquor and delightful live music for your listening and dancing pleasure. An Ad Journal will be featured as well. This is our gala affair, an impor-

tant one because the revenue accrued from this affair funds our scholarship programs, which, as you can well imagine, is very important to the Galileo Lodge. President Joe Giordano and ex-President Pete Massiello will be responsible for this activity, as well as a terrific committee whose names were mentioned in this column a short time ago. Because of the importance of this dance and its association with our Scholarship program, all members are urged to attend and to make a concerted effort to attend. Our loyalty, devotion and interest are exemplified as we should be proud to show everyone, including ourselves.

LEGAL NOTICE

THE PEOPLE OF THE STATE OF NEW YORK

By the Grace of God Free and Independent To JOHN GRANT MAYO SEND GREETINGS: Upon the petition of IRENE M. MAYO residing at 310 Fern Place, Bethpage, NY 11714 as spouse of the estate of JOHN GRANT MAYO, Absentee late of Bethpage, NY 11714 Deceased.

Services were private. Interment took place at Grotton, Ct.

Early Pregnancy Classes Offered

Expectant parents are invited to sign up now for Early Pregnancy Classes scheduled at The Community Hospital at Glen Cove in September. The two-session course for both husband and wife will cover the changes that take place during the first three months of pregnancy.

The classes include a detailed film on fetal development with practical advice on such topics as nutrition, safe exercises to keep fit, and coping with a different life-style. The Early Pregnancy Classes take a holistic approach to pregnancy and give couples important information at a time when they need it, according to Dorothy Maher, R.N., Community Hospital's Labor Room Head Nurse.

Community Hospital's Early Pregnancy Classes are offered every other month. The next classes are scheduled for Mondays, September 8 and 15. The sessions will start at 7:30 p.m. in the Family Practice wing. The fee is \$15 and entitles those who wish may sign up or future Prepared Childbirth Classes at the same time.

Community Hospital offers a complete Pregnancy and Childbirth Program, including classes on Cesarean birth and re-freshers courses for couples who have already taken the full Prepared Childbirth course. For more information, or a tour of Community Hospital's obstetrical floor, call 516/676-5000, extension 2510

Obituaries

Lynda J. Scotti

Lynda J. Scotti, died on Saturday, August 23 at the age of forty-five.

She is the beloved wife of Anthony, the devoted mother of Evalyn Whitehurst, Marianne, Anthony Jr., Lauren Sheila and Leslie Martha Scotti and the beloved sister of Arthur Noeth of Ridge.

Mrs. Scotti is also survived by her son-in-law, Mitchell Whitehurst of Franklin, Virginia, her Aunt, Mrs. Dorothy Bogart and cousin, Gene Bogart of Jericho, her uncle and aunt Bob and Jacqueline Martino of Southampton, her great aunts Ella Moss and Irene Barr of Largo, Florida, and her great aunt Emily Martino of Clearwater, Florida. She is the beloved daughter-in-law of Mr. and Mrs. John Scotti of

Deltona, Florida. She is the beloved step-daughter of Sheila Noeth of Hicksville.

Mrs. Scotti graduated from St. Ignatius RC School and from the Queen of the Rosary High School in Amityville, as well as from Farmingdale College. Her mother was the late Evalyn (Martino) Noeth and her father was the late Fred Noeth editor and original publisher of the Mid Island Herald, where her pleasant smile and friendly manner

was well known both to those who visited The Mid Island Herald and to the Mitco Marketing Inc. of Hicksville where she was employed until the onset of her final illness.

She reposed in the Stocks Funeral Home Inc. in Hicksville. On Wednesday, August 27, a Mass of Christian Burial took place at St. Ignatius Loyola RC Church, conducted by the Rev. John Moore of St. Bridget's RC Church in Westbury. Interment took place, following the Mass, at the U.S.V.A. Cemetery in Calverton.

JOHN ELLIS

John Ellis, formerly of Hicksville died suddenly on August 15th. He was 61 years of age. He is survived by his beloved wife, Margaret, beloved daughters Judith Monroe and Patricia Walther and four beloved grandchildren as well as brothers William and Paul Ellis and sister Mary Schnepf, Theresa Arthur and Lucille Looney.

Mass was held at Our Lady of Grace in Babylon with interment following at St. Charles Cemetery on August 19th.

Sophia Kawecki

Sophia Kawecki died on Aug. 5. She was the beloved wife of William. She was the

News From The Lupski's Of Hicksville

This Spring was a busy season at the home of Helen and John Lupski of Hicksville.

Donna and Eric.

On April 19th, their daughter, Donna, became the bride of Eric Swanek, son of Mr. and Mrs. Richard Swanek of Wayne, New Jersey. The ceremony was performed by Father Frederic J. Harter at St. Ignatius Loyola Church, Hicksville. The bride was attended by her sister Diane as her maid-of-honor. The bridesmaids were her sisters Doreen & Debbie and a friend, Michele Shor. Denise, Lupski, niece of the bride was flower girl. Best man was Jonathan Bob, and Mark, Scott and Douglas Swanek, brothers of the groom served as ushers. A reception was held at the Huntington Town House. Their honeymoon was spent in London and Paris and touring the English countryside.

Gay and Jim.

On June 14th, James Lupski, M.D., Ph.D., married Gabriella Gerardi, R.N., daughter of Flora Gerardi and the late Enzo Gerardi of Huntington Station. The ceremony was performed by Father Robert Clerkin at St. Hugh of Lincoln Church, Huntington Station. The bride was attended by Colcen De Geatano as matron-of-honor, Bernadette Daly, Annemarie Palmieri and Elizabeth Schrum as bridesmaids, and Alicia Hernandez, niece of the bride as flower-girl. Best man was Dr. Frans De Bruijn. Ushers were R. Jeffrey Cohen, Tim Lupski, brother of the groom and Dr. Douglas Zieger. After a reception at Tung Ting Restaurant in Centerport, the couple left for a honeymoon on Harbor Island in the Bahamas. Jim and Gay now

reside in Houston, where Jim is doing a Pediatric residency at Texas Children's Hospital. This will be followed by a Fellowship in Human Genetics at Baylor College of Medicine in Houston. His wife, Gay, is a nurse at St. Luke's Hospital, Houston.

Mr. and Mrs. Lupski are pleased to announce the engagement of their daughter, Doreen, to Mr. William Benzie of Piscataway, New Jersey. A Spring, 1987 wedding is planned.

On June 5th, Donna graduated from New York University of Medicine. Her brother, James, a graduate of the Medical School and a member of the school faculty at the time was given the honor of presenting his sister with her Medical

Donna and Jim at Donna's graduation from medical school.

Degree. It was quite a thrill for their parents, grandparents (Mrs. Ada Murray and Mr. & Mrs. John Lupski of Hicksville) and other family members who attended the ceremony. A party to celebrate the occasion was held at the family home on

Eighth Street on June 7th. Donna is now doing her residency in Pediatrics at Overlook Hospital in Summit, New Jersey. She and her husband, Eric, reside in Summit, where the groom resumed his career in the motion picture industry.

MS Society Sets Meetings

The Nassau County Chapter of the National Multiple Sclerosis Society has created a new Activities Group. Meetings will take place at the Parkway Com-

munity Church on Stewart Avenue in Hicksville. The next meeting is scheduled for August 25th and will be held from 12:30 - 3:00 pm. This will be a planning ses-

sion for Fall trips, lectures and other events.

For more information please call the MS office at (516) 579-9120.

News from the Joseph Barry Council K of C

The Hicksville Fire Dept. will be hosting its 58th Annual Labor Day Parade and Drill this weekend.

The Knights of Columbus Joseph

Barry Council will furnish a Color Guard to lead one of the Divisions in the parade, which starts promptly at 5 p.m. on Sunday, August 31st.

Preplanning your funeral is one way to show your loved ones that you care. It saves them the burden of decision making during a time of loss.

For all your funeral service needs, turn to Vernon C. Wagner Funeral Home, Hicksville's only full service funeral home.

L.I. State Park News

Registration is now open for the 1986 Montauk Downs Golf Tournament, slated for Wednesday, October 1 (rain date October 8). The tournament will be played on the 18 hole course at Montauk Downs State Park and registration will remain open on a first-come, first-served basis until the roster is filled. Participants may register at any of the following State Parks: Montauk Downs, Bethpage and Sunken Meadow.
The \$30 per person entry fee is to be paid at the time of

registration and there is a limit of one foursome per registrant. Checks should be made payable to "Park Festivals." The entry fee entitles the participant to one sleeve of balls, one package of tees and markers, golf green fee, continental breakfast, barbecue, hand cart, locker and towel, divot fixer and golf umbrella.
Prizes will be awarded to male and female winners in the following categories: low gross, low gross 1st runner up, longest drive and closest to the pin.

The 1986 Montauk Downs Golf Tournament is co-sponsored by the Montauk Yacht Club & Inn in cooperation with the Long Island State Park Region.

The Hither Hills State Park Sand Castle Contests are in full swing every Friday during the month of August. Everyone is eligible to enter and the contests will continue through August 29.
Participants may use sand, water and any other

natural materials native to the beach. Prizes will be awarded for Best Sand Castle and Best Sand Sculpture. Sign-up is at the bathhouse between 9 and 10 a.m.

Attention runners! Don't miss the 6th Annual Lakeside Run, slated for Saturday, September 27, 1986. The event, consisting of a 5 mile run and a 1 mile fun run, will kick-off at Babylon's Phelps Lane Park at 9:00 a.m. 5 mile runners will follow a neighborhood route to Belmont Lake State

Park and back to the Phelps Lane finish line. (An abbreviated route is planned for the 1 mile fun runners.)
The pre-registration entry fee for each run is \$5 per participant. Pre-registrants will receive a T-shirt and all participants will be eligible for trophies and drawing prizes. Trophies will be awarded to the first three (3) male and female finishers in the fun run and in eight age categories in the 5 mile run: 12 and under, 13-15, 16-19, 20-29, 30-39, 40-49, 50-59, 60+.
Entry applications may be obtained at Phelps Lane Park/Belmont Lake State Park, or by writing: Long Island State Park and Recreation Commission (LISPRC) Lakeside Run, P.O. Box 247, Babylon, NY 11702. Deadline for pre-registration entries is Friday,

September 19. The entry fee for day-of-the-race registrants is \$6. A T-shirt will not be provided to day-of-the-race entrants.
Free Lite Beer from Miller will be distributed at the finish line to all participants 21 years of age and older. Fruit juice will also be available. Finish Line Promotions will be responsible for race timing and course measurements. The Lakeside Run is co-sponsored by ABC Athletic Shoes, Inc. and Lite Beer from Miller, in cooperation with the Long Island State Park and Recreation Commission, Town of Babylon and WALK 97.5 FM radio station.
For additional information, call 669-1000, extension 247.

The Bank of New York Opens New Branch In Hicksville

On August 18 the Bank of New York, which has one of the largest branch networks in the suburban areas around New York City, opening a new branch in Hicksville as part of a major, ongoing effort to expand its market share on Long Island.

The Bank is also opening new branches in Port Washington and Massapequa, and opened a fourth new branch in Hauppauge on August 26. They increased the number of Bank of New York branches on Long Island from 30 to 34.

The Hicksville branch, located at 249 North Broadway, was formerly an office of The Hamburg Saving Bank. As a Bank of New York branch, it will offer a full array of retail banking services, including the Bank's very competitive loan products. The branch

also will offer a wide variety of services for small and mid-size businesses.

"Eastern Nassau County is an extremely attractive banking market," said Paul J. Leyden, senior vice president in charge of the Bank's Long Island Division, "and the Hicksville area, in particular, has the growth characteristics we're looking for."

Managing the Hicksville branch will be Elizabeth Powell.

A ribbon-cutting ceremony to officially mark the opening of the new branch will be held on September 3rd.

Due to its growing

number of branches and aggressive marketing, The Bank of New York has seen its business expand rapidly on Long Island in recent years. With the new branches opening this week and next, the Bank's deposit base on the island will exceed \$800 million, and employees will total approximately 140.

The Bank of New York is the 17th largest commercial bank in the United States, with assets of \$18.4 billion. In addition to its Long Island branches, the Bank has 100 offices in Westchester County and adjacent areas just north of New York City, and nine branches in Manhattan.

Hicksville Youth Injured

A 16 year old Hicksville youth is presently in critical condition in the Nassau County Medical Center

after a moped he was operating was in an accident with a truck in Hicksville around 12:25 p.m. on Aug. 20.

James F. McNamara, of Kolmer Ave., Hicksville was operating a 1985 Honda moped, south bound on Newbridge Road, at West John Street and a 1976 Ford stake truck, owned by the New York State Dept. of Transportation, operated by Vernon Brown, 29, of 225 Kinkle St., Westbury, east-bound on West John street, making a left turn onto Newbridge Road, were in collision.

McNamara was transported to the medical center in a police ambulance and is presently in the Intensive Care Unit with head and internal injuries. No charges were filed by police.

Hicksville Republican Club

(Continued from Page 2)

ing a two-year tour of active duty as a naval officer during the Korean conflict, Mr. Lent attended Cornell University Law School on the G.I. bill, receiving his J.D. in 1957.

Rep. Lent is a partner in the law firm of Hill, Lent and Troescher in Lynbrook, New York, and a member of the American, Florida and Nassau County, New York, Bar Associations. He is a former Associate Police Justice of the Village of East Rockaway (1959-61), a former confidential law secretary to former New York Supreme Court Justice Thomas P. Farley (1960-61), and a former

member of the New York State Senate (1962-70)

Mr. Lent is a former Republican State Committeeman, and Republican Executive Leader of the Village of East Rockaway. He was a Delegate to the 1972, 1980, and 1984 Republican National Conventions and an Alternate Delegate to the 1976 National Convention.

He is married to Barbara A. Morris, and has three children from a former marriage: Norman III, Barbara Anne and Thomas Benjamin

Honored As Top Seller

Beverly Aaronson, sales associate at CENTURY 21 JANNACE in Hicksville, has been honored as one of the top-producing 70 sales associates out of approximately 90,000 sales associates in the CENTURY 21 system.

Beverly Aaronson was awarded the coveted 1986 Centurion Award during a special awards ceremony on April 8, during the annual CENTURY 21 Convention

in San Francisco, CA. Each Centurion Award winner produced gross closed commissions in excess of \$150,000 during the award year.

In presenting the Centurion Award, Century 21 Real Estate Corporation President Richard J. Loughlin said, "We are proud and delighted to be able to recognize Beverly Aaronson's achievement.

Hicksville Gregory Museum Renovation Progressing

Work on the Town of Oyster Bay Community Development Project at the Old Hicksville Courthouse-Jail, at Heitz Place is progressing steadily. The project, involving a renovation and preservation of the historic building, the home of the Hicksville Gregory Museum, has been underway since early summer.

A recent difficult portion of the project, the hand excavating of two feet of basement old concrete cement and earth and the underpinning of the 1895 original foundations with a concrete footing is completed. Although stable on its sand base, the historic late-nineteenth century courthouse and town hall was reinforced to carry the rock and mineral exhibits comprising the Gregory Museum extensive collection. A steel 'I' beam running the entire length of the basement after first beams will be placed, further stabilizing the landmark with its well-known cupola.

The jailhouse at the courthouse rear, built in 1915, has been thoroughly insulated, sheetrocked and painted. A new halfway ramp for the handicapped now connects the courthouse and jail areas.

The authentic windows are refurbished and waterproofed, and the original porch replaced. Tasks still to be accomplished involve the relining and restructuring of the roof gutters, stabilizing the courthouse cupola, installing a more economical gas-fired furnace, and a repainting of the building. The general contractor for this long-in-the-works Town of Oyster Bay project is Unicorn Developers, Ltd.

Section of original Hicksville Courthouse foundation at Heitz Place being underpinned as part of Town of Oyster Bay Community Development Project at the historic landmark. The renovation and preservation of the courthouse-jail, the home of the Hicksville Gregory Museum has Unicorn Developers, Ltd. as the general contractor. (In upper photo.)

In the lower picture: Hand excavating under the 1895 original cement foundation of the Old Hicksville Courthouse at Heitz Place was a big job for workmen, Mario Spilotros and Freddie Reccine recently. The "human digging machines" were preparing the way for forms and fresh concrete to underpin the existing foundation which was poured directly onto same. (Photos by Ed Brady.)

Long Island Expressway West to Exit 39. (Glen Cove Rd.). Stay on service road to Roslyn Rd. Turn right. At 4th traffic light (Clock Tower on right) bear left. Follow West Shore Rd. to Hempstead Harbor. Park on right.

The Best S.A.T. Course on Long Island Goes Private

Tutor or not tutor; that was the question

For years, Long Island high school students who wanted the best possible S.A.T. preparation had to choose between private tutoring and the Princeton Review.

It wasn't easy.

Choosing tutoring over our course meant giving up a chance to learn the Princeton Review's unique test-taking techniques, which have helped thousands of high school students achieve unprecedented score improvements.

Announcing our invasion of privacy

Starting this fall, instructors trained in the Princeton Review techniques (the same instructors who teach our top-rated courses) will be available for private tutoring, all over Long Island.

Why choose a Princeton Review tutor?

1) In addition to working on specific math and verbal questions, Princeton Review tutors teach their students test-taking techniques that help them feel in control of, rather than controlled by, the S.A.T.

2) All our tutoring students receive a complete set of Princeton Review materials including our math and verbal manuals and our comprehensive program for vocabulary improvement.

3) Our tutoring program includes four diagnostic S.A.T.'s, which we administer under actual test conditions, then score by computer. (Students and teachers receive detailed print-outs showing them exactly what they need to work on.)

Good luck comes in threes
No other tutor offers any of

these advantages. We offer all three, and at reasonable prices.

Of course, for students who feel they can benefit most from classroom instruction, the Princeton Review will continue to offer the best S.A.T. review courses on Long Island. After a summer spent working on improvements in the program, we are confident that this will be our best term ever.

But for students who want the advantages of private tutoring AND the advantages of the Princeton Review method, we now present THE BEST OF BOTH WORLDS.

The Princeton Review Tutoring
