Galileo Lodge News

By Joe Lorenzo

VENERABLE SKIP MONTEFORTE'S MESSAGE: 'I would like to wish all our members and the Ladies Auxiliary a happy and healthy New Year.

The past year has been a very good year. We have many members involved in all our activities, a fact which prompts me to extend my sincere thanks to you all for working so diligently with me. We have accomplished many things. We have donated to many causes in order to help others. This is very important in our Lodge, but without your help and support, this could not have been accomplished. We should all work together and get involved with every function of our Lodge. We are Brothers and should have a great deal of affection for each other. This is what really makes a good organization.

This New Year brings us many good things to look forward to. We will increase our activities. We are looking forward to a complete recreation area for our members to enjoy and socialize. We plan to have more family and member appreciation nights, but this can only be accomplished with your loyalty, sincerity and support. Let's make this New Year a very active and special one and let's all of us get involved. There are members who feel that we hardly know each other here, but we can only socialize or fraternize and perhaps solidify the bonds of friendship to a greater extent if all members get involved to a greater degree. We cannot get to know you if you do not participate. God bless you all. Why don't we strive wholeheartedly to make 1983 the year for you and me.'

Many people and establishments contributed greatly in order to make Christmas more enjoyable and beautiful for others, and they are as follows: The Lions club of Hicksville, RUV Meats, Anthony Ballacera of Beacon Savings Bank, Tony's Meat Market, Rockcrest Realty, Jim Rerisi, Meat N' Food Whse., Mr. and Mrs. Joe Ianotti, The Selected Meat Co., Ace Specialty Co., Stuart Pulver, Madden's Auto Body, Nebraska Meat Corp., Quality Wholesale Veal, Sterling Prov., JAWD Assoc. Inc., Pete Massiello, Frank Governale, Joe Fuoco, Anthony Tedesco, C & J Meat Ctr., Joe Keegan and Sons, Maggio Beef Co., Kusy Meats, High Bar, Crown Bakery, Mr. Sausage, Westbury Produce, Nassay Soda, Pete Scendiaro Cleaners, Teuchler Meats, Lake Paper Products, Catapano Nursery, Old Country Deli, B & B Deli., Continental Confectioners, Seven C's Bakery, Pete's Fruits, West John Deli., Carvels of Hicksville, Sal's Pharmacy, Howard Johnson of Hicksville, Donut Queen of Westbury, Hicksville Plaza Deli., D.J. Mytelka.

And now a message from Jim Rerisi, Chairman of the Galileo Lodge's two Christmas parties: 'I wish to extend my sincere thanks to Jim Posillico and his staff for the marvelous meals which were served at our parties and, of course, my sincere thanks to President Ann Palermo and the ladies of the Auxiliary for their aid and cooperation which was so much in evidence during these two activities. Without the help of all these generous people - the membership of the Galileo Lodge and the Ladies Auxiliary - these parties could not have taken place in the brilliant manner in which they did. Once again, "Thank You" to all, and a special thanks to Ray Moffitan, who plays Santa Claus so warmly.'

February is the month for hearts and flowers, which, of course, means that I am referring to Valentine's Day. Thus, the Galileo Lodge, always in love with love, will present its Valentine's Day Dance on Friday, the 18th of February. Tickets will sell at \$10.00 per person, and in the offering will be a delicious hot dinner, beer, soda coffee and cake and the music from a live disc jockey. Armand Del Cioppo (938-5052) will "chair" this activity, aided by Frank Matassa (931-2843) and Joe Morace (931-2548), and they are also selling tickets, so if you are interested, just dial the numbers mentioned here. Please note that this activity features a 'bring-your-own liquor' policy. If you believe in love, (and I am sure that you all do), why not come down to the Galileo Lodge on the date designated here and enjoy this Valentine's Day Dance.

In next weeks column we will discuss the Galileo Lodge's 11th Annual Scholarship Dance, which is scheduled for Saturday, the 30th of April. This is a big event for our Lodge and a Journal, will be featured. This activity will be chaired by Joe Giordano and assisted by Pete Massiello.

I wish to extend my sincere thanks to Jim Posillico and his staff for the marvelous meals which were served at our parties and, of course, my sincere thanks to President Ann Palermo and the ladies of the Auxiliary for their aid and cooperation which was so much in evidence during these two activities.

"Walk Down Memory Lane"

St. Ignatius Loyola School-- 75th Anniversary

On Sunday afternoon, January 9, the cafeteria of the new school stood in readiness. Contents of the cornerstone of the original school built in 1907 laid spread on the first table starting the Walk Down Memory Lane.

The 'Walk' continued passed tables marked with signs depicting 10 year intervals. Each sign listed the pastor, principal and pupil registration of that decade.

As alumni and friends arrived, pictures and other memorabilia began to fill the tables. Autograph albums, report cards, test papers, copy books, holy pictures, first grade Reader, Communion and Confirmation pic-

tures as well as graduating class pictures for almost every year were brought in. About one hundred people from different parts of the Island and out of state spend a very enjoyable afternoon remembering the past.

The Committee would like to thank all who donated cakes for this occasion, also the Knights of Columbus for their generous contribution of paper products. Pictures of the event will appear in a later edition.

Parola Demands Vets Committee

Assemblyman Fred Parola (R-Wantagh) charged today that millions of New York State veterans have been shortchanged by the failure of the Democrat-controlled Assembly to create a Standing Committee on Veterans Affairs.

The area lawmaker explained, "Several months ago I and my Republican colleagues requested that the Assembly democratic leadership establish a Standing Committee on Veterans Affairs in an effort to recognize the special needs of the state's 2.6 million veterans. At that time our resolution, which was unanimously adopted by the Assembly Republican Conference, was ignored by the democratic majority.

"Just last week," Parola

said, "I again pressed for the adoption of a standing committee, chaired by a non-salaried member of the assembly, however it was disapproved by the democrats on a strict party line vote. Through their superior numbers, they were successful in tabling the proposal, in effect burying it for some indefinite period of time.

"I would have to say that this development is the first major disappointment of the 1983 legislative session, not only for me, but for the veterans in this state both men and women, who deserve better treatment at the hands of their representatives in Albany," Parola declared.

"Currently, veterans bills in the Assembly are referred

to various standing committees such as government employees, government operations, aging and labor and because of this diversification are sometimes not considered as carefully as they should be," the lawmaker pointed out.

"Although there is a subcommittee on veterans affairs which does an excellent job, it is not sufficient since bills brought in front of this committee are assigned elsewhere.

"Clearly, there is a need for a full standing committee where ideas can be generated and programs advanced. This would be a committee to mobilize support for legislation and would be a demonstration of our recognition of veterans as a

significant and deserving group.

"Veterans are clearly entitled to have any legislation that affects them to be thoroughly and comprehensively considered. A committee concentrating only on veteran affairs would be able to pull together the varied issues that are important to them such as buy back legislation, a Long Island V.A. nursing home and real property tax assistance," Parola explained.

"Although I have been advised that both houses will look into the problem in April, I will continue to press for action to be taken immediately to give the veterans the full recognition they deserve," concluded Parola.

House Fire Routs Four

Four occupants of a three family house at 134 Park Ave., Hicksville, escaped uninjured while fire destroyed the 2nd floor apartment. The occupants escape was assisted by several Hicksville fire fighters who were on the scene before fire apparatus arrived.

The January 12th alarm was reported at 10:57 a.m. by a passing Hicksville fire fighter, Ex-capt. James Nastasi of Floodlight/Heavy Rescue Co. 8. Nastasi, a LILCO employee, was on his way to LILCO Headquarters, when he noticed smoke pouring from the 2nd floor. After alerting occupants on the first floor and

basement apartment, Nastasi pulled the electric meters cutting off power to the dwelling while Rescue Lt. Robert Williams, Co. 3 and fire fighter Mike Murphy of Co. 1 helped remove one occupant in a wheelchair. Several pets died in the smoky fire.

Hicksville Vamps, under Chief William Donlon, had the fire extinguished and overhauled in little over an hour.

No injuries were reported. The Countys Fire Marshals Office is investigating the cause.

The fire gained considerable headway before it was noticed.

To Discuss "Nuclear Freeze"

Dr. Igor Glagolev, Russian emigre and former consultant of the Soviet government on international security (1957-1976) will speak on the "Nuclear Freeze," a topic of paramount importance to us all, on Wednesday, January 26, - 8:00 pm at Levittown Hall - Beech Lane, Hicksville.

Dr. Glagolev was granted political asylum in the United States in October 1976. In the three years prior to his defection to the West, he was Senior Research

Member of the Academy of Sciences of the USSR and prepared more than twenty-five confidential policy papers on international security and arms control for the Politburo as well as the Central Committee of the Communist Party of the Soviet Union. He has had the opportunity to meet face to face with Yuri Andropov, the new soviet Premier and successor to Leonid Brezhnev.

Since 1978, Dr. Glagolev has been Director of the Association of Democratic

Counties and consultant to several United States Congressmen. He lectures at the National War College, Russian Institute (Harvard University), Center for Strategic and International Studies (George University) and other institutions of higher learning. He has written two books and edited or co-authored five others on the subject of international security and disarmament. He had engaged in studies, interviews and lectures in the major countries of Western

Europe, the Mid-East and India. He has more than forty years experience in the field of foreign policy.

The Nassau County Conservative Party is sponsoring the January 26th forum as part of a series of educational events in 1983. We hope to provide insight into some of our pressing concerns and stimulate thinking toward political action. There is no charge to the public and coffee will be served after the question period.

GAO Gives Qualified Approval To Zip + 4

A year-long General Accounting Office study endorses the Postal Service's acquisition of automated equipment and its use for letter mail processing and says the agency should proceed with ZIP + 4, the expanded ZIP Code, if certain conditions are met.

In commenting on the GAO report, released on Thursday, Postmaster General William F. Bolger says, "The GAO has done a thorough job in analyzing

automation and ZIP + 4, and they've concluded the program can result in savings to the Postal Service and mail users.

"Expected savings are of the magnitude that will enable the Postal Service to hold postal rates stable for longer periods and are just too great to ignore," Bolger adds.

He points out that while the GAO findings raise some

warning flags about ZIP + 4, they also acknowledge the benefits of automation and ZIP + 4. The expanded ZIP will allow automated equipment to sort letters directly to the carrier's route, bypassing several processing steps.

The report concludes: "The potential incremental gain to the Postal Service in moving from automated use of the five-digit code to automated use of the nine-digit code is so great in com-

parison with the incremental cost that if certain conditions are met, the move to ZIP + 4 would be more than justified."

Bolger says that GAO questions about equipment performance and business mailer acceptance of ZIP + 4 will be satisfied, and the program should proceed considering the major benefits to mailers, the public and the Postal Service.

CULTURAL ARTS PROGRAM

The PTA at Old Country Road School sponsored an exhibition by the S.U.N.Y. at Farmingdale's Gymnastic Team. Under the direction of Coach Bob Hess, four team members gave two half-hour programs on January 12 in the school's gymnasium.

The gymnasts first demonstrated how to correctly warm up your muscles before engaging in more strenuous activities.

They then performed back and forward rolls; cartwheels, round offs, back hand-springs and splits. Equipment used included the vaulting horse, horizontal bar, parallel bars and mats.

The highlight of their visit was forward roll dive off a springboard. The degree of difficulty was enhanced by having the athletes clear the heads of first one person, then two, three and finally four people. Mrs. Mones and

Mrs. Silverman, two of Old Country's teachers, participated in this event.

Hopefully, we have not only entertained the children, but have sparked an interest in this competitive and exciting sport.

Papermaking As Art: Demonstration By Arlene Absatz

Prize winning artist Arlene Absatz, a long time Plainview resident (23 years), will give a free demonstration on papermaking at Isis Gallery, Ltd., 326 Main Street, Port Washington on Sunday, February 6, at 2 p.m. Paper as an art form is becoming a major focus of the 1980's. Although many artists have used hand made paper as a surface for drawing, painting and printmaking, Arlene creates art with the paper itself.

The demonstration will feature three approaches to papermaking. The first method is handformed paper which will include laminating fibers, and embedding cord and wood grain. The second method is cast paper which utilizes

found objects, plexi-glass and carvings. The third method is flower-paper in which plants and flowers are used to create a sheet of paper.

Arlene has been actively involved in papermaking for many years and recently won the prestigious 1982 fellowship from the N.Y. State Council on the Arts. She has exhibited widely and is represented in many

outstanding collections throughout the United States and Canada. Arlene's hand made paper works are currently on view at Isis Gallery, Ltd., as part of the "Surface Transformation" exhibit which will be on view through February 24.

Gallery hours are Wednesday through Friday 11 A.M. to 6 P.M. and Saturday and Sunday 12 to 5 P.M.

THE CHASE HIGH RATE CONTINUES THROUGH JANUARY 31.

**IF YOU'RE
STILL KEEPING
CASH IN
A MONEY
MARKET FUND,
THIS IS
WHAT YOU'RE
LOSING:**

You're Losing Your Chance To Get The High Chase Rate.

When we introduced The Chase Money Market Account, we made a very special offer. A guaranteed minimum interest rate of 11% through January 10. Thanks to the tremendous response we've had from you, we're extending this

offer. So right now you can still get a guaranteed minimum interest rate of 11% through January 31. (In case you don't realize what a special offer this is, last week's average rate for the ten largest money market funds was 8.9%. And that was for higher yielding, taxable funds.)

11%

**Guaranteed Minimum Rate
Jan. 4 Through Jan. 31, 1983.
For Personal Deposits
Up To \$500,000.**

Chase reserves the right to withdraw this offer
at any time.

Extending our offer means Chase customers who have not yet opened a Money Market Account still have the opportunity to earn our special rate. It also means that those of you who've already opened a Money Market Account with Chase are getting our high rate even longer than you anticipated.

And even though we're sure that we can prove our account is better for you, we're offering this special rate anyway. Because we realize that closing your old fund and opening our new account will take some effort on your part.

After January 31, the Chase rate will vary weekly, depending on money market conditions. We intend to make sure it's competitive with rates offered by money market funds and New York area banks. After all, a special rate is great for getting acquainted, but for the long term, we know our customers demand high money market rates. And we're determined to pay them.

All you need to earn Chase's high rate is a minimum balance of \$2,500.

You're Losing Your Chance To Get The Kind Of Complete Access To Your Money That Only Chase Offers.

How many money market funds will let you withdraw cash at 4 AM Sunday morning? If you've ever had a delay in getting your money back from a money market fund, you'll be amazed at how simple Chase makes it.

You can deposit or withdraw virtually any amount as many times as you want at any Chase branch. And there's never a penalty for withdrawals. What's more, you can write all the checks you need simply by transferring cash from your Chase Money Market Account to your Chase Checking Account. And Chase offers you a choice of checking accounts.

To make deposits, withdrawals or transfers, you have several options.

- See a teller at any branch.
- Use any Chase Convenience Banking Center 7 days a week, 24 hours a day, all over town. And soon, you can make withdrawals at banking machines all over the country.
- Dial the telephone or mail your instructions up to six times a month.

Each month you'll receive an easy-to-read statement of your account showing all the transactions you've made, plus all the interest you've earned. The statement can also include your Chase Checking Account, so you'll have a clear, convenient, well-organized record of your banking activity.

You're Losing The Security Of FDIC Insurance.

With money market funds, you may have sacrificed security to get high yield.

But all that changes with The Chase Money Market Account. We not only pay high money market rates, we also offer something the funds couldn't match if they wanted to. The security of FDIC insurance.

To Open Your Account Or For More Information, Call 552-0560.

Outside New York City call 1-800-522-3874. Or visit a Chase branch today. Because we'd hate to see any customers of ours lose out any longer.

Dutch Lane Sixth Graders Become TV Stars

Have you ever dreamed about seeing yourself on television, perhaps as the star of your own production? The sixth graders in Denise Yannone's class at the Dutch Lane school recently starred in their own video taping and then sat back to watch themselves on television right in their classroom.

A video camera placed in the room filmed the children as they went about their daily routine. The first few days served as a "dress rehearsal" since the camera was in position but not filming. The students adjusted very quickly and soon forgot the camera's presence. The video taping project enabled the children to see themselves as others see them while they are at work in their classroom. Many were amazed at what they learned about themselves. Said student Joseph Garry, "I saw how it looks when I am upset."

After viewing the video tapes, the children discussed their reactions. Some were pleased at what they saw. "I really worked hard this morning," commented sixth grader Robert Risoli after watching himself plugging away at his schoolwork.

Their teacher learned some new things about herself, as well. "It was exciting to watch myself as I interacted with the children," said Denise Yannone. "I also learned things

about my students—things I don't normally see since my eyes can't be everywhere at once."

The students felt eager to be a part of the project and for the most part they saw a great deal of positive behavior. As student Denise Greenwald remarked, "it's excellent. I love it!" There were no camera shy students as the children progressed through their activities.

The tapings continued for more than a week. After each filming, the children had an opportunity to view and then discuss their behavior. "At times during the screenings I could see surprise and delight on the children's faces," said Ms. Yannone. "Many of the students resolved to change certain aspects about themselves, but we all saw things about ourselves that we liked. It was a very successful project."

Not only is it "fun watching yourself on television," as both Daniel Suvatey and Michael O'Grady agreed, but it's an opportunity to see yourself as the world sees you. Video taping is an educational technique that helps students and teachers gain valuable insights.

Special thanks go to Dutch Lane media specialist Henry Grib and his able assistant, Noreen Brennan for their efforts in helping to make the project possible.

An October wedding is planned.

Cathy Klein, daughter of Dorothy and the late Lou Klein of Willet Ave., HICKSVILLE, became engaged on New Year's Day to Barry Scheer, son of Mr. and Mrs. William Scheer of Flushing.

Cathy, a graduate of Hicksville H.S. and Buffalo University, is an Alcohol and Social Worker at Beth Israel in New York.

Barry, a graduate of Queens College, is employed by ITEK, Woodbury.

A Fall 1983 wedding is planned.

Congratulations to Renee Radazo, of St. John's Ave., HICKSVILLE, who recently was selected All County, All Conference, and All Division for volleyball. A high honors senior at Hicksville H.S., she is captain of the volleyball team.

Happy birthday to Paul Goldenberger of Hicksville, who celebrated his 90th birthday on Wednesday, January 19th. A party was given to honor him on this auspicious occasion by the Hicksville Senior Citizens in Levittown Hall. Stay healthy and happy and have many friends, Mr. Goldenberger.

Frank and Anne Kremler vacationed in Florida recently. They were reunited with long time friends and neighbors who originally lived on Princess Street, Hicksville, where the Kremlers still reside. The group consisted of Dolores and Bill Cunningham who live in Florida, Claire and Al Tramer who also live in Florida, and Muriel and Bill Kay who now live in Babylon. Frank, Anne, Muriel and Bill call themselves the "Four K's." They travelled together to Florida and were joined by the Cunninghams and Tramers. The happy group visited many tourist sites together, including Epcot Center.

Just back from Houston, TX, is Helen Dwyer. Helen spent the Christmas holidays with her son, Bob, his wife, Linda, and their children, Suzanne (9 yrs.), Janet (7 yrs.), and Paul (4 yrs.). The whole family helped Paul celebrate his fourth birthday the day after Christmas. Helen stayed with her son and his family for a full glorious week and enjoyed every minute of it. Unfortunately, her daughter, Pat, couldn't accompany Helen to visit the rest of the family

because she was too busy in her job at the State Farm Insurance Company.

We learned that Bob Jackson will be celebrating his 20th birthday on January 23, 1983. His sister, Anne, will be down from Hartford, Ct, to join Bob, their mother Anne, brother, Michael and grandma, Mrs. Jean Rutig in a family party in honor of this occasion. In addition to a birthday cake, Bob will be receiving many lovely presents from his folks.

Sorry to hear that Anne Gros is ill with the flu. Hope you'll soon be feeling better, Ann. We know how involved you are with The Action Council of Nassau County and that your assistance on their behalf is sorely missed.

On the other side of Hicksville, Betty and Jean Jopp have a house guest visiting them. Their niece, Mary Attina, is spending some time with them. Mary is a recent graduate of St. Jean the Baptist High School and lives with her parents in the "Big Apple." She visits with the Jopps as often as she can. Mary is now diligently looking for employment in the secretarial field both here and in New York City. We wish you success in your endeavors, Mary.

New Arrival

Mr. and Mrs. Thomas C. McGee, formerly of Hicksville, are happy to announce the birth of their first child, Casey Thomas, on January 10th, at Schnectady, N.Y.

Mrs. McGee is the former Deborah Evans of Utica, N.Y.

The proud grandparents are Mr. and Mrs. Robert Evans of Utica, N.Y., and Mr. and Mrs. Thomas F. McGee of Briggs St., Hicksville.

PORT AUTHORITY ABUSES REVEALED... William E. Schoolman, President of Transport Limousine of Long Island, brought his one-man investigative crusade against "Portagate" to the Hicksville Rotary, which held its weekly luncheon meeting on Thursday, January 20, at the Milleridge Inn.

Mr. Schoolman spoke about Port Authority fraud, abuse, and waste.

CHANGE OF LEADERSHIP: ASSEMBLYMAN FRED PAROLA (center) presents a Certificate of Merit to Charles Montana, Jr. (left) for his outstanding performance and dedication during his tenure as President of the Hicksville Kiwanis.

Looking on are (left to right) Patricia Montana, his wife, Charles Montana, Sr., and John Budnick, newly elected President.

CHARLES WAGNER POST # 421
HICKSVILLE, N.Y.

By Dick Evars

Attending a post meeting once again, this past Monday was an enjoyable evening. One gets too much in a rut with current preoccupation—my focus in recent years being the operation of the Hicksville Gregory Museum. So, it was good to be part of a Legion meeting again, to watch "retread" Ray Gamble presiding as current commander in his seasoned style.

Many familiar faces and some newcomers were seen: P.C. Dick Hochbrueckner leading a discussion on insurance premium concern with steady deference to the viewpoint and advice of members; P.C. Wes Tietjen reading the correspondence and Bob Boerckel guarding the portals to Brengel Hal as Sergeant of Arms for the umpteenth year. Jack Reichlin, that astute fund raiser, was there, promoting his newest game of chance on behalf of post coffers, and P.C. Walter Barnett ventured advice with his many-sided carnival man's experience and conviction. It was stimulating to hear newer members adding their

viewpoints and to know that Al Cinotti still argues his point with vigor and much common sense.

There is a sense of continuity, of decades of comradeship and purpose "for the good of the Legion", our post and our community, when one talks amiably with that gracious gentleman P.C. Tom Nikitas, recalls old legion parties with Steve Waladyka, sees Henry Brengel, Sr. forming a pinocle game, and listens to Chaplain Harold Bramsig pray so intensely at meeting's close: "Please, God, help us to obtain the return of our men missing in southeast Asia!" Especially a bright encounter, always, is a chat with cheery, dedicated Arline Howard, our County Representative. Yes, coming out for a Legion meeting is a tonic and worth of effort of breaking the inhibiting routine of slippers and the boob-tube or that albatross, the never empty briefcase!

New members, Frank Johnson and Harry Cristo, brought along a guest to the social meeting, Harry Olsen.

Seems they've been touting Charles Wagner Post as a congenial group of fellows, to which we attest: "Amen!"... The Dark Horse winner was Tom Manion.

That tireless volunteer, Frank Molinari, our Membership Chairman was in a somber mood and for good cause. The post has 247 paid-up members to date, 55 short of last year's total and he's sounding warnings, fellows. Please get those dues in by February 1st or the bulletin board "delinquent list" goes up in the meeting hall as of February 1st. Transfers, deaths and neglect are the bane of membership officers' lives.

Superb! Sunday at the post shapes up as a day to remember. Come out and see the Jets in the championship game on a six foot, color screen in sporting company. The Past Commanders' Club invite can't be beat: free beer, hot dogs, pretzels and soda for \$10. plus a basket of cheer door prize and a second prize of an autographed Pittsburg Steelers Superbowl football from Tom Nikitas' collection of pro-football memorabilia! For tickets call Tom at 921-8786 or Dick Hochbrueckner at 935-3546. ... Before that, tho', LAS VEGAS NIGHT is January 22. We need workers to set up Friday night, game handlers and guest players for Saturday. Get a party together and come out and try your luck for a nice change of pace.

Hicksville Republican Club News

NO CLUB MEETING FRIDAY, JANUARY 21, 1983. Sorry, but we inadvertently said there would be a club meeting on January 21. The week before we did indicate the correct date of the meeting, last Friday, January 14. Please accept our apologies for any inconvenience this may have caused you.

At our club meeting on January 14, the new officers and directors of our club were installed. The installing officer was Town of Oyster Bay Councilman John Venditto. John not only did an excellent job installing our officers and directors, but gave an informative and interesting talk as well.

Along another vein, unless Congress acts to stop the withholding rule, legislation will go into effect on July 1, 1983, that allows the Federal Government to withhold 10% of your interest and dividend income next year.

When you receive notice from your bank telling you how much interest or dividends you earned in 1982, move the decimal point to the left one place—that's the amount that the IRS wants to

withhold from your earnings each year in the future for income taxes. You already have to pay income taxes on your interest earnings—but not the IRS wants to take 10% of your total interest in advance.

If you believe this rule is wrong, notify your Congressman of your displeasure. Send a copy of your letter to your U.S. Senators.

This rule is wrong for the following reasons:

1. Withholding will cut the amount of cash you have available during the year from your interest income.
2. The amount withheld may not be correct for your tax bracket. If over-withholding occurs, you will have to file for a tax refund to get back your own money.
3. Your total interest earnings will be reduced because of less income from reinvestment and compounding.
4. Elderly persons and low-income individuals (including children) will have to file an exemption certificate for each and every account they have in order to avoid withholding. If the exemption is not filed in time, a tax return must be filed the next year—or the

withheld money will be forfeited to the government.

For your convenience, we are printing a sample letter that you may be interested in sending to your Congressman and Senator:

Congressman Norman F. Lent
U.S. House of Representatives
Washington, D.C. 20515
Dear Congressman Lent:
Please support legislation to repeal withholding on interest and dividends. It's harmful because it takes away from the income that I count on during the year; it's unfair to those of us who

have always paid our share of taxes on interest; and, it's a burden to the elderly and low income persons, including children. It will discourage savings in this country, and that's bad news for the economy.

May I count on your support to repeal this rule before it goes into effect on July 1, 1983?
