Dr. William Reick of Hicksville High School is shown being presented with a certificate by Ted Marotti, President of the Hicksville Lions Club.

Dr. Reick spoke to the Club at the Jan. 12th meeting, and discussed the various changes that have occurred in the district since his arrival.

Two very different decisions dominated the Hicksville Board of Education meeting on January 26 - a contract was signed with Dr. Catherine Fenton, appointing her Superintendent of Schools; but, despite community protests, Dr. Terrell Stackpole was dismissed.

The appointment of Dr. Fenton was unanimously approved by the Board. President Charlene Anci praised her highly saying "She has earned the respect of the community, the staff and of the Board, we are confident she is the leader we need."

Dr. Fenton spoke briefly, referring to the appointment as "the highlight of my professional career." She noted three current district happenings that also pleased her. "We have a Westinghouse scholar for two years in a row; we received a letter from the New York State Department of Education that our new primary pro-

gram is going to be a prototype for the state, particularly the in-service training for the staff, and Hicksville beat Farmingdale at Basketball!"

The terms of the contract are 1/26/83 to 6/30/83 \$58,000 per annum - 7/1/83 to 6/30/84 \$62,000 per annum - 7/1/84 - 6/30/85 to be negotiated but in no event less than a 6% nor more than an 8% increase over \$62,000 per annum. Fringe benefits are also included.

The Board passed a resolution to terminate the services of Dr. Terrell Stackpole, despite pleas from the community to consider other options. Trustee William Bennett proposed an amendment "to give due justice to Dr. Stackpole in light of the dynamics of the situation" for a one year additional probationary period to allow him to be judged by the new superintendent. The amendment was seconded by John

Dr. Catherine Fenton

Ayres, but defeated and the original resolution was passed. Supporters of Dr. Stackpole, left the meeting making disparaging remarks about the Board.

John Ayres expressed his concern about semesterization. Supt. Fenton also reported questions and concerns were voiced by students in the high school. She is

going to watch the situation closely and will give a short report to the Board at the next meeting.

The Board took action on revision of policy for submitting petitions in connection with district meetings and election, approved textbooks and recommendations made by the Committee on the handicapped. It awarded bids and approved claims and warrants. Routine personnel matters were handled and policies were received for discussion.

An audiovisual program on Language Arts K-12 was presented by Ruth Jacobson and Tony Johnson and student writers for the publication "Excellence" read their works.

The next regularly scheduled meeting of the Board of Education is Wednesday, February 9 at 8:15 p.m. in the Conference Room of the Administration Bldg.

St. Ignatius Drum Corps To Go "Co-Ed"

By Bruce Beck

In an unprecedented organizational change of direction, the internationally famous St. Ignatius Girls Drum & Bugle Corps of Hicksville has announced that it will cease to exist as a performing entity as of the completion of the 1983 competitive season.

In its place will emerge a new, co-educational, competitive drum and bugle corps called: NEW IMAGE! The announcement was made by Director Don Grazioplene at a general meeting held recently at St. Ignatius School, which will continue to serve as corps headquarters.

Diminishing returns from strenuous recruitment efforts, and a desire to offer the wholesome, disciplined drum corps activity to all youngsters in the community were given as the reasons for the stunning decision.

It was stressed that "business as usual" will be conducted through 1983, with a full competition/exhibition/parade schedule, and the highly-organized activities of the all-girls corps held intact.

"Next November 5th, the 25th anniversary of the founding of St. Ignatius Girls will be marked at precisely 12 noon. At that moment we will turn the page: The St. Ignatius Girls

will be no longer and NEW IMAGE will be born. It will be both a sad day and a joyous one, as we close the book on the past and look to the future with our sights raised to the sky." So spoke Grazioplene in announcing a decision which will have a profound effect upon the remaining all-girls competition throughout the U.S. and Canada.

The announcement was received with mixed emotions by the membership, who have taken a special pride in their all-girls status. Most admitted, however, that the Corps' shrinking roster could only lead to mediocrity and, ultimately, the demise of the organization. The gloom on the part of a few was short-lived as the enhanced potentials of a mixed corps based in Hicksville were pointed out. Increased membership, more applicants with previous musical training, greater adult participation and a generally higher median age within the competitive unit were presented as just a few of the advantages NEW IMAGE will enjoy.

Show Coordinator Carmen Cluna, in his 20th year with the St. Ignatius organization, dwelt upon the choice of name for the co-ed corps of '84:

The famous skirts and boots of the St. Ignatius Girls will pass into history this year.

"The possibilities were limitless," he said, "but in our particular case, I think NEW IMAGE says it all. The name will serve as a reminder of past excellence to our future membership and to drum corps fans everywhere."

The unique and enviable record established by the St. Ignatius Girls is in little danger of duplication by any other all-girl organization. The corps functioned as a parade unit from 1958 to 1964, when training was initiated for field competition. In 1973 St. Ignatius captured the All-Girls World Open title. They repeated this feat in '74, '75,

'76, '77 and 1978. They lost it in 1979, but regained it in 1980 and took it again in 1981. They also enjoy the distinction of having won the very first DCI All-Girls title in 1975, which they held until 1978. In other all-girls competition, St. Ignatius is the only corps to have won the Girls Corps International title three consecutive times. On their home turf, St. Ignatius has held the Nassau County American Legion title every year from 1966 to the present.

Tom Costa, founder of the St. Ignatius corps, heartily endorsed the administration.

H District, for the purpose of operating a storage and distribution terminal for Slomin's retail heating oil business and an extension to the existing one-story building and to use premises for offices, as a public garage and for the housing, storage and repair of trucks, trailers, automobiles and other vehicles on the south west corner of Broadway and Lauman Lane, Hicksville.

The Board reappointed Albert Wahnnon of Bethpage, Richard Evers of Hicksville, and Martin Moran of Massapequa Park, to serve three-year terms on the Oyster Bay Town Bicentennial Historical Commission.

The Board approved a resolution relating to a site plan approval on the petition of the Maine Maid Inn, Jericho.

The Board approved a resolution relating to Town Environmental Quality Review on petitions of Harvey Auerbach, Farmingdale; Joseph A. Froehlich, Glenwood Landing; Peter Klein and Eric Teicholz, Plainview; Michael Katz, Louis, Frank P. and Richard D'Amato, Plainview.

The Board approved resolutions relating to authorizing a consultant to proceed through Preliminary Phase of Projects to study the need of rehabilitation of the swimming pool complexes at the Syosset Community Park and Plainview-Old Bethpage Community Park.

The Town Board also ratified the emergency action taken last December by the Department of Planning and Development which instituted a ban on the use of any solder other than that which is a composition of 95% tin/5% antimony.

The next meeting of the Town Board will be on Tuesday, Feb. 8 at 10 a.m. at Town Hall, Oyster Bay.

Town Board Continues Ban On Lead Content Seeks State Code Change

Oyster Bay Town Councilman John Venditto has announced that the Town Board, ratified the emergency action taken last December by the Department of Planning and Development which instituted a ban on the use of any solder other than that which is a composition of 95% tin/5% antimony.

Venditto stated that "after the Town was advised by several local water districts of their concern that the first morning's draw of water might contain lead content in excess of federal drinking water regulations, the Department of Planning and Development notified all Town-licensed plumbers that effective December 8, 1982, all solder used in the

installation of copper water service systems must be of the 95% tin/5% antimony composition."

Oyster Bay Town Supervisor Joseph Colby said that "in addition to continuing the Department's ban on the use of any other composition solder than that which is of substantially reduced lead content, the Town Board has also authorized the Commissioner of Planning and Development to make a formal application to the New York State Building Code Council to change the current standard of 50% lead/50% tin, to the more stringent requirements ordered by the Oyster Bay

Town Board as a protection of the health and safety of Town residents and to prevent any endangerment to the health and safety of residents throughout the State."

Colby added that the Commissioner of Planning and Development is also sending a letter to the State Division of Housing and Community Renewal urging that changes and revisions to its code which are currently under consideration and which would become effective in 1984 include the prohibition of any solder except that which is of substantially reduced lead content such as 95% tin/5% antimony.

Feb. 6 Concert

Town Reappoints Three Members To Historical Commission

Oyster Bay Town Supervisor Joseph Colby announced Town Board approval of the reappointment of three members to the Oyster Bay Town Bicentennial Historical Commission.

"Since the commission was formed in 1971, its

members have worked diligently to promote a wide variety of activities which foster the understanding and appreciation of Oyster Bay's History," Colby indicated.

Reappointed to serve three-year terms that will expire October 31, 1985,

were Albert Wahnnon of Bethpage, Richard Evers of Hicksville, and Martin Moran of Massapequa Park.

Colby added that the willingness of these individuals to continue to serve the Town in this manner is greatly appreciated.

Dear Friends . . .

Never have we had the old saying "We have good news and bad news" more aptly illustrated than in the news from Don Graziose, Director of the St. Ignatius Girls Drum and Bugle Corps, which tells us that this award-winning Girls Corps. will no longer be in existence (that's the bad news)...however, the reason for this is that it is going co-ed...and will adopt the name of New Image. (that's the good news). This simply means that we must meet each challenge head on, and must not fight every change. We are sure that, given a little time, New Image will also be a championship group. Best wishes to all for continued success.

The Residents Against The Plaza Expansion Committee report that they have distributed over 600 bulletins to acquaint people of the real amount of this proposed expansion...they have spoken to the Hicksville PTA Council at their recent meeting at the Dutch Lane School, they have spoken to members of the Burns Ave. School PTA (Dr. Burke was present at this meeting), they spoke at a Trinity Lutheran Church Council meeting...also, petitions are being circulated and at press time, they have collected about 700 signatures...they expect to give a package containing blueprints of Phase II of this proposed expansion, plus petitions and articles from several business newspapers to the Town Clerk...also they will have spoken at a Westbury Civic Association meeting as of today. The representatives of this ad-hoc group are scheduled to present the facts that they have at the Hicksville Community Council meeting on Thursday, Feb. 3, scheduled to be held downstairs at the Hicksville Library, at the Council meeting which will start at 8:30 pm sharp.

THAT'S ALL for this week. Stay well and enjoy the winter of '83 which, so far, has been relatively moderate!

Containment At Shoreham An Effective Barrier

On Jan 27 Long Island Lighting Company announced that a simulated accident test witnessed by the Nuclear Regulatory Commission showed that the primary containment of the Shoreham Nuclear Power Station can perform its function as a radiation barrier 48 percent more effectively than the industry standard calls for.

The purpose of the test was to verify the integrity of the primary containment and to confirm that, even in the unlikely event of a severe accident, fission products in harmful quantities would not pass through the containment and reach the outside environment.

This marked the final preoperational test of the primary containment before the plant accepts fuel. Ear-

lier in the year the primary containment passed a major structural integrity test that verified that the containment would not crack under pressures that would exceed even severe abnormal conditions.

A spokesman for LILCO said the superior performance of the primary containment during the test illustrated the quality of design materials and the skill of people involved in its construction. About 7,731,750 pounds of concrete and 3,866 tons of reinforcing steel were used in its construction.

The primary containment surrounds the reactor and is one of the plant's five barriers to the release of radioactive fission products. It is a

Eightieth Birthday For Leora Clinch

Twenty-six friends of Miss Leora Clinch gathered at the Milleridge Inn on January 25 for a luncheon in celebration of Miss Clinch's eightieth birthday. For forty years a public school librarian Miss Clinch had retired in 1965 after working in the Senior and Junior High Schools and the Lee Avenue School. Many out-of-town

friends sent greetings as well as Dr. Catherine Fenton, our superintendent of schools, Governor Cuomo and President Reagan.

Our town councilman, Mr. Thomas Clark, dropped by and presented Miss Clinch with a large, beautiful citation signed by the

The Story Of An American Pioneer

By Rosemary Grant

At the age of 95, Charles H. Stoll comes daily to his office at 41 Broadway, still puffing his ever-present cigar. Pretty exceptional, but so is Judge Stoll, a man who has lived close to a century, following unusual paths and voicing independent and often minority opinions.

As an explorer and big game hunter, he was active in conservation work for many years. As an attorney and later a judge in Hicksville, he was in the forefront to protect and preserve Long Island water supply and his voice was probably the most outstanding opposition to sewers in this area because he said "Sewers were unnecessary in the high lands of Long Island." He studied water problems for a long period of time and helped organize water districts for Jericho, Hicksville, Dix Hills, Bethpage, Oyster Bay and Farmingdale.

Charles H. Stoll was born in Beatrice, Nebraska on November 27, 1887. His grandparents drove the Oregon Trail during the days of the Indians, and his father was a millwright by trade, who owned a farm five miles southwest of Beatrice.

After graduating high school, where he won a gold medal for debating, Stoll came to New York to live with relatives while studying law. His parents and two sisters came to Hicksville in 1909 and bought a 32 acre farm on New South Road, which had been owned by the Jacobs family. Broadway was lined with maple trees and the population of 3,500 people used the single track railroad and wooden station, kept teams of horses and held country picnics at Keller's Dance Pavilion on Herzog and Broadway.

Stoll married in 1910 and had one daughter, Ruth. He has two grandchildren and four great grandchildren living in Florida today. His sister, Pearl Francke, still

Judge Charles H. Stoll

resides on Field Ave.

After marriage, he lived on three acres on New South Road, kept four riding horses and birds such as guinea hens and turkeys. He lived here in 1946, when he relocated to "the wilderness" - Dix Hills, as a gentleman farmer. He farmed 150 of the 400 acres he owned.

As a Justice of the Peace in the early 20's, the Gregory Museum building was Stoll's courthouse. He remembers his court as a lively place with a little jail in the back. His duties were many... including coroner.

Stoll was always active in the Republican party, helped organize the Hicksville Chamber of Commerce and was council to the Board of Education, aiding in the development of the school district. He helped negotiate the land for the high school at a \$50,000 cost to the district by purchasing lots from people who lived all over the world. He also organized the Long Island National Bank and was one

of the original directors. He was council to the Fire Department and one of a group who put up the first office building (2 stories at 35 Broadway) in Hicksville.

Yet the thrills of his life have been travels. Stoll went everywhere, exploring and big game hunting. His collection of wild animals gathered throughout the world, is larger than Theodore Roosevelt's and is on exhibit in a special wing of the Vanderbilt Museum in Centerport - Stoll Hall.

His expeditions are numerous, though perhaps two are examples of the essence of the man. In 1928 he explored the Arctic, spending seven months in the north and in 1969, at the age of 80, he took a Black-maned lion in Africa.

Few attain memories such as these. Judge Stoll, with his spirit of the American pioneer, came from the West to the East and in so doing added verve and color to the history of Hicksville.

Income Tax Assistance

The Hicksville Public Library is pleased to announce that Income Tax assistance will be available again this year in the library. This help is provided by the Volunteer Income Tax Assistance (VITA) Program. The American Association of Retired Persons (AARP) will provide assistance for those over 60 years of age. Business School students from Adelphi, Hofstra, Nassau Community College and St. Johns will help all others. The program starts on Wednesday, February 2, and ends Thursday, April 14. This service is free of charge.

The schedule is as follows:
Monday 10AM - 2PM - AARP
Wednesday 10AM - 2PM

- AARP (Above days and times for those over 60 only)
Wednesday 2PM - 5PM - Volunteer from Adelphi
Thursday 2:30 - 6PM - Volunteer from St. Johns
Saturday 12 noon-4PM - Volunteer from Nassau Community College
Sunday 1PM - 5PM - Volunteer from Hofstra

All volunteers will be available in the Fiction Room of the Library. Don't wait until the last minute!

During the month of February, the Hicksville Public Library will have on exhibition in the Community Room. Photographs by Maryola Dannenbaum and Seymour Weinstein.

Ms. Dannenbaum has exhibited her award winning

photographs in other libraries.

This collection has been made possible by the Town of Oyster Bay Division for Cultural and Performing Arts Rotational Arts Exhibitions.

Also sponsored by the Rotational Arts is the exhibit of the photographs of Dr. Seymour Weinstein. Dr. Weinstein provided the cover photograph on the Journal of American Dental Association in 1981. He is a Hicksville resident.

Any time you are in the Library when the Children's Room is open, please take time out and view the photographs in the Community Room which is located in the lower level of the library.

Feb. 15 Hearing Set On Hicksville Oil Co. Application

The Oyster Bay Town Board has set a February 15 public hearing on an application for a special use permit to expand a building being as a storage and distribution terminal for Slomin's retail heating oil business on Broadway, Hicksville.

Town Councilman Thomas L. Clark explained that the peti-

tioners, Brooklyn Avenue Associates and Slomin's, Inc. are seeking to extend the existing one-story building with a 218'x 60' addition and to use the premises for offices and as a public garage for housing and repair of Slomin's vehicles. The subject parcel, which is zoned "H" (light industry) is located on the

corner of Broadway and Lauman Lane in Hicksville.

The property is the site of a former Texaco operated fuel oil distribution center.

The hearing is scheduled for 10 AM, February 15, in the Hearing Room of Town Hall East, Audrey Avenue, Oyster Bay.

Hicksville's Gregory Museum To Mark 20th Anniversary

Plans have been made to mark the 20th Anniversary of the Hicksville Gregory Museum on Sunday, February 6th, from 2 to 5 p.m. Festivities will commemorate the 10th anniversary of the museum in its present home, the historic Heitz Place Courthouse, and the 20th year since the museum's inception in the Cottage Boulevard home of its founders, Gardiner and Ann Gregory.

The existence and growth of the museum is seen as a testament to the Hicksville community's desire and ability to cooperate in a unique adventure, a notable cultural creation and a historical preservation of importance to Long Island. On the museum's 20th birthday the Museum Boards of Trustees and Advisors will salute all who have made this finest

tion's decision to go co-ed. He cited the outstanding job done by the instructional staff "... under the most difficult conditions imaginable." He remarked that few people in the drum corps activity realize that the median age within the corps for the past several years has been just over 12 years. (Championship corps usually have an average age of 16-17 years). "I wonder how many other instructing staffs could have produced what has been produced here with 9 and 10 year-old kids in the line," he said.

"It goes without saying that the entire instructing staff will be retained," added Graziose, "and we'll probably be putting on more help in that department before long."

In stating that membership in the new corps will be limited to residents of Long Island's Nassau and Suffolk Counties, Graziose made it clear that an "imported" corps was not the aim of the organization. "We want to know our kids - we want to have a corps 12 months a year," he said.

Ciuna added, "The same competitive drive that has been a characteristic of the St. Ignatius Girls will be transferred to its NEW IMAGE. We still teach our kids. It's not just the win-

Long Island geological collection possible and, in the process, have preserved as its home since 1973, the Heitz Place Courthouse and Jail.

Invitations have been extended to 300 community volunteers and to businessmen - donors who helped in a four year effort to establish the Gregory collections in the courthouse between 1969 and 1973 and to those who have helped in any way since that time. Guests of honor will include Dr. Gardiner and Mrs. Ann Gregory. They will return from their retirement in Castine, Maine to celebrate with many old friends and collaborators of their memorable Hicksville years.

An effort is being made to mark this occasion, also, with some tribute to the Town Board of Oyster Bay

ning ... it's the striving! We teach them more than how to march and play. We still believe drum corps can be the best vehicle for character-building."

Graziose summed it up: "When kids join our Corps, we always tell them, 'You'll never be the same again ... and we mean that in the most positive way' ... We will continue in that direction, because there's more to this activity than just winning contests."

The St. Ignatius Corps is a non-profit, non-sectarian youth activity. It is the only internationally competitive corps in Nassau County, and can be contacted at P.O. BOX 421, Hicksville, N.Y. 11801.

which made its vacant courthouse-jail property in Hicksville available to the Museum trustees without charge in a long-term lease. There is much more to celebrate: tireless and visionary leadership by long serving trustees and Director Richard Evers and ongoing close cooperation between the Gregory Museum and the Hicksville School and Library Boards which has brought increased educational and cultural services to the people of Hicksville.

Applications Available For Sixth Annual PBC Road Race

Applications are now available for the sixth Annual Plainview Police Boys Club 10,000 Meter Run to take place on the roads of Plainview-Old Bethpage on Saturday morning, April 2, 1983. The event is once again being sponsored by the Plainview PBC in conjunction with the Plainview-Old Bethpage Road Runners Club.

The race will begin and finish at John F. Kennedy High School, located at Kennedy Drive near Washington Avenue in Plainview. The starting gun will go off promptly at 9:00 A.M. on the morning of April 2.

The 1983 edition of the race will once be administered by Finish Line Promotions, and will feature a

Giant Digital Clock and Place Display at the finish line. Time splits will be given at each mile marker and police traffic control will be provided throughout the race. There will be a water and Gatorade station at the half-way mark.

The Plainview course was professionally laid out by David Katz of Finish Line Promotions, assisted by members of the Plainview-Old Bethpage Road Runners Club. It provides a dramatic combination of demanding hills and level straightaways through some of the most pleasant and scenic roads in central Long Island, including a mile-and-a-half stretch along Round Swamp past the Old Bethpage Village Restoration. The course has

received formal TAC certification, so that personal times achieved in the Plainview race may be used as qualifying times for TAC events throughout the country.

The Plainview PBC run started modestly in 1978 with only 125 runners. The number of runners has approached 500 in recent years, notwithstanding adverse weather conditions. Previous winners include Bob Giambalvo of Bayville, Don DiDonato of Floral Park, Tom Childers of Westbury, and Steve Lubar of Port Washington. DiDonato holds the course record of 31:30. The women's record is 37:01, set by local Plainview speedster Kim Falkowski in last year's race. Race sponsors are hopeful that all previous winners will be back this year, and anticipate that many other top runners, both from Long Island and elsewhere, will be on hand to challenge them.

The number of trophies to be awarded has been greatly expanded for this year's race, as race sponsors have opted for five year age categories. Trophies will be awarded to the top three male and top three female finishers in each of eleven age categories. A "Family Award" will be presented to the family of three members or more that turns in the fastest average family time, and special trophies will also be awarded to the top male and female finishers who are residents of Plainview-Old Bethpage. A total of 69 trophies will be awarded overall.

There will be a post-race drawing for three nylon running suits, courtesy of Dolfin, as well as several pairs of running shoes, courtesy of Woodbury Super Star Sneakers and Sports. All race entrants will be eligible to win these prizes. The entire race will be videotaped for showing at the April meeting of the Plainview-Old Bethpage Road Runners Club and on Cablevision's Channel 12.

The entry fee is \$5.00 for those who pre-register and \$6.00 for those who register on the day of the race. Distinctive commemorative baseball caps will be given to everyone who registers prior to March 31, 1983. For race applications or for more information, call Plainview PBC President Mel Rothstein at 822-0377 or Plainview-Old Bethpage Road Runners Club President Mike Polansky at 433-0919.

Holy Trinity H.S. Wins L.I. Cheerleading Competition

Judged by the United cheerleading Judges Association both the Junior Varsity and Varsity squads from Holy Trinity High School in Hicksville took first place in the L.I. Cheerleading Competition between Nassau and Suffolk County winners on Sunday, January 23, 1983 held at Holy Trinity High School in Hicksville, N.Y.

Trinity placed first in both divisions with the Junior Varsity scoring 191 points out of a possible 200; and the Varsity scoring 188 out of a possible 200. The competition numbered six teams

with West Babylon High School placing second; Bethpage High School—third place and Clarke High School (East Meadow) fourth place.

Hosted by the Holy Trinity High School Freshmen Cheerleaders, after the first competition, the remaining seven teams took the floor.

With Trinity again placing first, other trophy winners were: Brentwood High School—second place; West Babylon High School—third place and fourth place—Clarke High School.

Winning Trinity coaches were Mrs. Penny Gennari and Miss Mary Rose O'Hara.

Girl Scout News

On January 19, Hicksville's Girl Scouts, their families and friends held a Roller Skating party at the Levittown Roller Rink. The girls purchased tickets through their individual troops. There were about one hundred sixty tickets sold.

The party began at 6:30 P.M. and ended at 9:30

P.M. Everyone had free skating time and there were also races held.

All in all it was a great night out, especially on a school night.

Anytime you have that many girl scouts together you are bound to have a great time.

Hicksville Has Overtime Win Share Of First

By Howard Finnegan

Hicksville High outperformed Farmingdale on its home court to grab a first place share of Nassau Conference One with a double overtime victory, 54-51.

Mike Magee was direct with two free throws with ten seconds left to snap a 51-51 deadlock.

In winning its tenth game of the 1983 campaign, Hicksville finally overcame the Dalers after an eleven year, 22 game losing streak.

Sturdy under the boards play by Dave Smyth, who missed the first ten games, and Bill Cheslock sustained the Orange. They each pulled the Comets back with a basket after a 47-43 Hicksville slippage. Cheslock

rattled in 20 points and Don Skarka came on strong in the last half with 17. Smyth had nine and Magee the two golden ones.

The much heralded win did put in sharper focus the Hicksville loss to visiting Syosset. The Braves capitalized on Hicksville calamity in the last 41 seconds of regulation.

Spurred by their cheerleaders, who distained clapping and foot-stomping for old fashioned rior-rapping crowd participation cheers. The Braves scored in overtime seconds for a 61-59 verdict.

The uproar of the Syosset fans was vital in turning Hicksville's second loss of the year.

The brightest spot for

Hicksville was the halftime appearance of the champion-Hicksville girls kickline.

Hicksville regrouped after Syosset to shake Bellmore 49-40.

In his season debut, Smyth was central all round and finished with 12 points. The balance was there. Skarka had 13 and Cheslock 11.

Hicksville visits Berner Friday night and returns home Tuesday to face Massapequa.

BE DIFFERENT!

I am told that some people in Massachusetts organized what they called an Apathy Club. The club has no dues, holds no meetings, elects no officers, takes no stand on anything, and makes no contributions of any kind to anything. Does that sound like something you would like? Forget it! If you are interested, that shows you are not qualified for membership.

Some people lead a life worthy of an organization like this. But the Apathy Club is not a viable choice for the Christian. Those who are willing to put their hand

in the hand of the Man from Galilee must also be willing to get involved in the Father's world.

Jesus' message was profoundly simple. If you have two coats and meet a chap with none, give him one of them. Consider first your own faults before trying to change the other fellow's shortcomings. If someone asks you to give him a hand with something, do twice as much as is expected of you. Say a prayer for those you find difficult to love. Jesus was different!

Christianity is an action word. The Christian has no choice but to get involved

with another's suffering. You must not be like Charlie Brown of the Peanuts comic strip who concludes, "There's no problem so big that you can't run away from it." Instead realize that your neighbor's misery needs your company.

In his novel, *Too Late the Phalarope*, Alan Paton begins with the painful words, "Perhaps I could have saved him, with only a word, two words, out of my mouth. Perhaps I could have saved us all, but I never spoke them." Such a commentary should never be written about the Christian.

You must be different.

Legionnaires' Log

By Dick Evers

CHARLES WAGNER POST # 421
HICKSVILLE, N.Y.

Last call, fellows and gals and Legion friends for tickets for Sunday's Super Bowl Game to be televised on a six foot screen at the Charles Wagner Post Clubhouse, East Nicholas Street. \$10. admission will admit legion folk, their friends and the public to this super party being sponsored by our Past Commanders' Club. Tom Nikitas (921-8786) and Dick Hochbreuckner (935-3546) are the men to phone or to see Friday night, January 28, at the Post for tickets or reservations.

Free beer, soda, hot dogs and pretzels will be provided, and the company will be congenial and sporting. The door prizes alone are worth the price of admission: a basket of cheer and (2nd prize) an authentic AUTOGRAPHED PITTS-

BURGH STEELERS SUPERBOWL FOOTBALL. Tom Nikitas is taping his great collection of pro-football memorabilia for that super prize. In addition, an official New York Giants football will be raffled off. Sadly, we won't be seeing the Jets in gridiron's grand finale, but the big game shapes up as a free wheeling cliff-hanger. The Redskins and the Dolphins are both superb opportunists and are most able to capitalize on the breaks in any game. Don't delay, get up now and telephone or go down to the post for Super Bowl tickets!

A bouquet is in order for Past Commander Walter Barnett for enlisting the generous help of his National Showman's Association to help defray the expenses of our recent Christmas Party for children to the tune of \$150. Bravo, carnymen and friends! ... PLANNING AHEAD: the Legion Auxiliary is hosting its annual St. Valentine's Day Dance on

February 12th. \$15. per couple will provide dancing from 9-11 a.m., chicken and ribs refreshments and free beer and set-ups. Celebrating good St. Valentine's Day at the Legion is a time-honored tradition - surely a fine chance to be with old friends long missed. Our ladies, who help the post so much during the year really make you welcome to this affair. Shake the mid-winter blues by calling Lil Cinotti at 796-6268; Connie Runkuist at 681-8750 or Vi Bramsig.

Don't forget to submit your nominations soon for possible Life Membership Awards this year to P.C. Henry Brenzel or P.C. Artie Rutz. Now is the time to make a thoughtful choice "for the good of the Legion" by trying to honor a member whose services you have long appreciated. For the record here are past award recipients: 1953: Henry Brenzel, Nicholas Harter and Forrest Mason; 1972: George Lang; Allen Carpenter and Arthur Rutz; 1973:

Galileo Lodge News

By Joe Lorenzo

VENERABLE SKIP MONTEFORTE'S MESSAGE: "Whatever enlarges hope will exalt courage." Samuel Johnson

February is usually a dull, drab and cold month, but at the Galileo Lodge the month of February brings on an inner warmth. The reason for this is that the Galileo Lodge will present its Valentine's Day Dance on Friday, the 18th of February. Tickets will sell at \$10.00 per person, a real modest sum that offers you a delicious hot dinner, beer, soda, coffee and cake, set-ups and dance music from a live disc jockey. Armand Del Cioppo (938-5052) will "chair" this activity, ably assisted by Joe Morace (931-2548) and Frank Matassa (931-2843), who, incidentally are now selling tickets for this dance. If you wish to celebrate this hearts and flowers activity in the old-fashioned tradition, why not call the committee members listed here? Please note that a "bring-your-own-liquor" policy will be in effect that night.

LODGE TIDBITS: On January 27th, a social meeting, four new members will be installed and these four new members will be added to the Galileo Lodge's membership rolls. Congratulations are in order here. The Galileo Lodge has recently donated \$100 to the March of Dimes and \$100 to the Holly Paterson Home during the Christmas season. In the months of May and July, activities concerning fishing trips will take place at Captree Boat Basin.

John G. Harbes; 1974: Peter Seitz; 1977: Richard Hochbreuckner and John Ehmann; 1979: John Shepard ...

I'm hoping Artie will be back doing the Log next week. Until then, thanks for your readership and good wishes.

Kiwanians Are Unhappy

The Kiwanis Club of Hicksville is very unhappy to announce that the Cheese distribution scheduled for 9 am to noon at the Hicksville Veterans of Foreign Wars (V.F.W.) Charles Gouse Post, Broadway, Hicksville has had to be postponed indefinitely due to the fact that they are informed by New York State Officials that the only remaining supplies at the Pilgrim State distribution Center in Brentwood have been water damaged and are not fit for consumption.

A new date for distribution will be forthcoming as quickly as we are apprised that cheese supplies have been replenished.

FOR FURTHER INFORMATION CALL J. BUDNICK 681-7989.

Photo shows Kim Hecker presenting three of the many swimming medals she won. Receiving the medals are Venerable Skip Monteforte (Right) and Pete Massiello (Left), 1st Asst. Venerable of Galileo Lodge.

More news on this later on. So happy to report that a summer picnic is being planned by the Galileo Lodge at Eisenhower Park. The time scheduled for this activity is the first week in August. More news on this activity will come later on. Mr. and Mrs. Claire and Joe Fuoco, a very nice couple of our Lodge, proudly announce that they have become grandparents. This beautiful baby was named Larissa and the parents are Mr. and Mrs. James Madden. Congratulations from all of us here at the Galileo Lodge. Congratulations are extended also to Mr. and Mrs. James and Mary Ingino as they will celebrate 36 years of wedded bliss on February 16th. Very sorry to report that John Juliano has recently passed away, and our sincerest condolences to the Juliano family, and that Fred Ausiello has been recently hospitalized. Members of the Bingo committee report that much help is still needed for our Bingo sessions, so why don't all members try to

give up at least one hour every Wednesday night. Bingo as you well can imagine, is a great source of revenue for our Lodge. Very happy to report once again on the activities of Kim Hecker, the 13 year-old swimming prodigy daughter of Mr. and Mrs. Charles Hecker of our Lodge. Kim will swim in Hauppauge on the 22nd of January, in New Jersey on the 29th of January and in the Junior Olympics on February 4, 5, 6 in Poughkeepsie, N.Y. Her coach is Bill Davis. Needless to mention that the Galileo Lodge is as proud of Kim Hecker as are her parents. And, by the way, congratulations to Kim on her 13th birthday, which will be celebrated on February 11th. Kim's specialties are the Butterfly and Free Style Events. (See photo). Mr. and Mrs. Skip Monteforte are happy as they announce that their son, Skip, Jr. has graduated from college in California with a B.A. degree, majoring in

Eighth Precinct Police Report

By Police Officer Kenneth Box

A suspicious fire occurred in the English Faculty room of JFK Sr. High, Kennedy Dr., Plainview, at 6:55 pm Jan. 18.

The fire caused moderate damage to the room, and some smoke damage to the building itself. It was called in by a school custodian, who smelled smoke and pulled the alarm. The Plainview FD responded with 4 trucks, 22 men, under the direction of Ch. M. Sisti, and extinguished it in 6 minutes.

Fire Inv. Pendl of the Fire Marshalls Office and Det. Berg of the Arson Sqd. are investigating.

A 21 year old Hicksville man was arrested Jan. 23 for allegedly robbing a 17 year old Hicksville youth along with an as yet elusive accomplice.

Charles Wisell, 17, was walking home from a movie at the Mid-Island Shopping Plaza, Hicksville, at 1:45 AM when he was accosted from behind by two men. They punched him to the ground and one took his wallet from his pocket with ten dollars in it. Wisell managed to break away from his assailants and ran to a nearby diner where a police car was parked. He told the officer what had transpired and a radio notification was made. P.O. Paul Valaro, 2nd Pct., spotted a suspect walking on West Nicolai St., in Hicksville, at 2:17 AM and apprehended him. The suspect who was identified by the victim, was later identified as, Richard Emert, 21.

of Hicksville. He was charged with robbery 2nd degree and was arraigned at First District Court in Mineola.

On Jan. 17, a residence on Scooter Lane, Hicksville, was burglarized. Entry was gained by prying open the rear door. \$380 currency, assorted jewelry and a radio were reported stolen.

On Jan. 15-16, LILCO, Old Country Rd., Hicksville, was burglarized. Entry was gained through an unlocked rear door. Rolls of copper were stolen.

On Jan. 18, a residence on St. Johns St., Hicksville, was burglarized. Entry was gained by forcing the side door. A JVC stereo and four speakers were reported stolen.

A residence on Courtland Ave., Hicksville was burglarized on Jan. 17. \$140 currency and assorted jewelry were reported stolen.

A residence on 6th St., Hicksville, was burglarized on Jan. 20. Entry was gained through an unlocked side door. \$60 cash, a gold chain, and two gold rings were reported stolen.

A residence on 7th St., Hicksville, was burglarized on Jan. 23. Entry was gained through an unlocked side door. \$200 cash, a turntable and school ring were reported stolen.

Homemakers To Meet

The Hicksville Day Chapter of the Nassau County Homemakers Council will hold their meeting on Thursday, February 3, between 10 AM and 2 PM at the Community Church on Stewart Avenue in Hicksville. A cake sale is planned for the day.

Happy Birthday

On Jan. 23 the Goederer house on Arcadia Lane was really hopping when the family of Daniel Frederick Keller got together to celebrate his first birthday. Daniel's birthday is Jan. 19, but he decided that the weekend would be a better day so everyone could get together. The proud parents, Jane and Bill Keller and brother, Justin, were all helpful in aiding Daniel unwrap the gifts. Grandparents, Doris and Fred Keller and Mary Jane and Charlie Goederer were there, as well as Aunts, Dorothy, Judy, Susan and Peggy, all helping Daniel to enjoy this very special day.

On The Campus

Donna Blancato, daughter of Victor Blancato of Alling St., HICKSVILLE, is playing guard/forward for the St. John Fisher College women's basketball team. This is her 4th year on the team. Donna is a senior majoring in communication/journalism and is a 1979 graduate of Hicksville H.S. She is also a three-time All-American in volleyball and is a finalist for the 1982 Rochester area women college athlete of the year award.

Mid Island Singers Expanding

The Mid Island Singers, formerly the Hicksville Community Chorus, is expanding its format to include singers from all parts of Long Island. Under its previous name, the group was formed over twenty years ago and has a long history of varied performances including everything from "The Sound of Music" by Rodgers to "Carmina Burana" by Carl Orff. The singers meet on Tuesday evenings from 8:00 to 10:00 in the chorus room of Hicksville High School, Division Avenue at 4th Street. They are in the process of working on a May program which will include a group of love songs from various historical periods and styles and the "Requiem" by Gabriel Faure.

All interested singers should call William Golecki, the musical director of the Mid Island Singers, at 733-2117 concerning membership and rehearsals or leave a message at 733-2123 during the day or 733-2172 during the evening. All else failing, come on any Tuesday evening that school is in session and join the Mid Island Singers.

Second Precinct Police Report

By Police Officer John Lazarus

A 21 year old Hicksville man was arrested Jan. 23 for allegedly robbing a 17 year old Hicksville youth along with an as yet elusive accomplice.

Charles Wisell, 17, was walking home from a movie at the Mid-Island Shopping Plaza, Hicksville, at 1:45 AM when he was accosted from behind by two men. Hicksville Republican Club News

By Harriet A. Maher

As a public service we are providing the following information on tips to make the cold weather a little more bearable:

- Dress warmly. Wear several layers of clothes. Avoid tight clothing. Loose clothes will trap a lot more warm air around your body. Mittens are warmer than gloves.

- Keep your clothes dry and change them if they become damp or wet.

- If your hands and feet are cold, put on a hat. This will cause your body to send more warm blood to the hands and feet. Use a warm scarf to cover your neck.

- Hot water bottles, heating pads and electric blankets will help to keep your bed warm.

- Hypothermia. Winter creates a special danger for older adults because many are vulnerable to cold. In cold weather, millions of older people risk developing a dangerous condition called Hypothermia.

In order for your body to work properly, its temperature needs to be about 98.6 F. If cold causes your body temperature to drop below 95 F, your heart begins to slow down, your body

becomes weak, and your mind becomes confused. You could die.

The best way to prevent hypothermia is to stay warm. If room temperatures are cool or cold, dress warmly. This is your strongest defense against hypothermia. Be alert to things that can increase the risk of becoming hypothermic such as living in a cold house, alcohol, poor diet, taking certain prescription drugs and stroke or diabetes.

Temperatures do not have to be below freezing for hypothermia to develop. Room temperatures below 70°F could be dangerous if you are not dressed warmly enough.

One of the most dangerous things about hypothermia is that it causes your mind to become confused. This prevents you from recognizing the danger and seeking help.

If you see an older relative or friend with any of these signs, it could mean that they are suffering from hypothermia: confusion, difficulty speaking, shivering, slow breathing, sleepy and hard to wake up, cold, stiff muscles, puffy face, stomach cold to touch, forgetfulness, trembling on one

side of the body or in one arm or leg.

Many prescription drugs can make you much more vulnerable to the cold. If you take medication for high blood pressure, nervousness, depression or sleeping, and you have trouble keeping warm, check with your doctor or pharmacist.

Good nutrition is very important, especially in winter. Food provides the fuel your body needs to keep warm. Hot nourishing meals and warm drinks add heat to your body.

Down or quilted synthetic clothes also provide good protection from the cold. In an emergency: keep calm; call a doctor, ambulance, rescue squad or local emergency room; handle the person very gently; protect the person from the cold with blankets, quilts, towels, or extra clothes; make sure that you cover the head and neck.

If you suspect hypothermia, do not give hot drinks or hot food; do not raise the legs or place hot water bottles on the feet; do not place the person in a hot shower or bath; do not give any alcohol or drugs; and do not massage the arms or legs.

Seeks Senior Citizens For Senior Advisory Council

Continuing his efforts on behalf of our communities "senior" residents, Senator Norman J. Levy (R.C. Merrick) announced that he is again seeking senior citizens interested in serving on the Eighth Senatorial District's Senior Citizen Advisory Council.

Levy explained that purpose of his Senior Advisory Council, created over two years ago, is to advise him on pending "senior" legislation, comment on existing programs for and affecting seniors, and offer suggestions on topics of concern and interest to today's seniors.

Levy indicated that previous meetings of the Senior Advisory Board have focused on a variety of subjects of interest to senior citizens including health care, tax relief and crime, to list a few.

"The more than 150 members already serving on my Senior Council have

been extremely valuable in helping me formulate my legislative program," Levy said, adding, "I am looking forward to welcoming new members to this Advisory Council and continuing to work to improve the quality of life for senior citizens living in our local communities and throughout the State."

Levy is urging all senior interested in serving on the Senior Citizen Advisory Council, to contact his District Office at 30 South Ocean Avenue, Freeport, New York, 11520, or call 516-546-4100.

Accounting and is now a full-fledged C.P.A. Their daughter Antoinette has graduated from Farmingdale University, making the Dean's List and will soon be working for a New York Firm as an Arts Advertising Designer. And their other daughter Felicia will soon attend Manhattan College where she will major in Music. And to top it all, Venerable Skip Monteforte has recently celebrated his birthday on January 18th. Congratulations to the Monteforte family from all of us here at the Galileo Lodge, and that they have every reason to be proud is quite obvious.

And now some good news for all of you who like to browse or shop in Flea

Markets. The Ladies Auxiliary of the Galileo Lodge will hold a Flea Market activity on Sunday, the 20th of February, from 9 A.M. to 9 P.M., under the direction of Mary Monteforte. Vendors are needed, and the prices for tables are \$10 for non-members and \$8 for members. Please contact Mary Monteforte at 938-9536 and 931-9351 for additional information. And, incidentally, for all of you exercise enthusiasts, please note the Ladies Auxiliary, under the supervision of Sue Laurenti, will hold exercise classes during their social nights which occur every third Thursday of the month. Fee is \$1.00 per person. Call Sue Laurenti at WE 1-0036 for more details about this activity.

SHORE (Continued from Page 4)

135 foot tall structure built of steel-lined reinforced concrete that is four feet thick at its base and seven feet thick around the reactor. It is air-tight under normal operating conditions. Even if fission products were to pass through the primary containment, another barrier, the secondary containment, constructed of two-foot thick reinforced concrete walls, would provide additional protection.

The test involved pressurizing the primary containment for 24 hours at 50 pounds per square inch and then monitoring for possible passage of air through the containment and its hatches.

valves and electrical penetrations. This pressure simulated the type of pressure that would result from a postulated large pipe break in the containment - a very remote possibility. Under normal operating conditions the reactor would automatically shut down if pressure exceeded 1.6 pounds per square inch.

During the 24 hour test period, pressure, temperature and moisture in the con-

tainment were monitored to calculate the change in air mass of the containment. The total volume of the containment is approximately 330,000 cubic feet. The industry code for safe levels of release of fission products in a major pipe break incident for 24 hours is one-half of one percent of the containment's volume. The NRC's criteria is more conservative and calls for the release rate to be limited to approximately one-third of one percent of the contain-

ment's volume per day. Shoreham's rate tested out as approximately one quarter of one percent of the containment's volume. This means that Shoreham's containment can prevent the release of fission products even more effectively than the NRC and industry standards dictate.

After the plant begins operation this year, LILCO will conduct follow-up tests periodically to assure that the containment continues to act as an effective barrier.

Vandalism Prevention

"Vandalism can hurt you!" is the message that the Hicksville Youth Council's latest group-Utopia has brought out into the eyes of the public.

Utopia, a group of six teenagers led by Renee Romano, program coordinator for the project, are volunteers from the Hicksville community who have expressed an interest in drama. They compose and produce skits illustrating vandalism and the possible resulting emotions. Each skit shows how everyday life activities and vandalism effects individuals as well as the entire community. Audience support and participation is greatly encouraged and has become a vital part of this program.

Utopia is a youth partici-

pation group devoted to vandalism prevention. Young people can and, when given the chance, will try to better their community. They would be happy to perform for anyone interested.

Please contact Renee

Romano at the Hicksville Youth Council, 181 West Old Country Rd. Hicksville (180) or call 822-7594. This project is just one of the many components of the Vandalism Prevention Program funded by the State Division for Youth.
