## At The School Board Meeting

By Rosemary Grant

An announcement of a special meeting of the Board of Education on Saturday morning to discuss analysis and assessment of programs met opposition from board members at the March 23 meeting. Superintendent Catherine Fenton requested this meeting and set the time "to discuss programs and possible limitation of programs." Since this would have an impact on specific people, she also anticipated a lengthy executive session.

Trustee John Ayres said he could not attend, questioned the Saturday meeting and the need to discuss this topic in Executive Session. "I think this is an important topic and the community should be able to sit in on the Board's deliberation," he said. Trustee William Bennett cannot attend because of other commitments and the short notice. Daniel Arena cannot make it this Saturday either. In Executive Session, the Board was polled. Four members could attend, but the meeting was cancelled because they wanted to have more than a quorum for such an important subject. No alternate date has been set.

Dr. Fenton said April 13 and 14 were the meeting dates for the Board to familiarize and analyze the budget to the community. Bill Bennett asked the Board

to set up other dates to review various codes.

May 25 has been established as the date for the annual district meeting to vote on the budget and elect school board members. Two board seats, occupied by Charlene Anci and Daniel Arena are up for election. Deadline for residents to submit petitions for candidacy with the district clerk is April 25.

Lobby and halls of the administration building displayed scenes of cultures and environments as a prelude to the educational presentation of Social Studies K-12. The "jungle/lobby" was especially eye-catching with life size replicas of animals in the wild. A slide presentation of district students engaged in the study of the social sciences was featured in the presentation.

The Board also received a report of the District Plan for Physical Education presented by Richard Hogan, Supervisor of Health, P.E. and Recreation, who said "Hicksville now is in compliance in all areas with New York State Education Department requirements." Trustee Tom Nagel asked about future ideas. Hogan said plans to go into more cooperative efforts in the arts, i.e. a dance program is a goal. He will also continue curriculum writing for particular

areas of instruction.

The Board took action of recommendations of the Committee on the Handicapped, approved a textbook and E.S.E.A. Title I Summer Program. It awarded bids and approved claims and warrants. Routine personnel matters were handled. It received a policy - Free and Reduced Price Food Services - for consid-

eration and discussion.

The board adjourned to Executive Session to discuss proposed school calendar, staffing, contract negotiations and possible litigation.

The next regularly scheduled meeting of the Board of Education is April 13, at 8:15 p.m. in the Conference Room of the Administration Bldg.

## Progress Report -

### Frank Chlumsky Memorial Fund

The Kiwanis Foundation of Hicksville, Inc. is pleased to report to the Hicksville Community that the Memorial Fund established by the family of Frank Chlumsky and the Kiwanis Club is steadily growing and will be making its first awards this June.

The fund has been established to perpetuate the memory of the late Frank Chlumsky by honoring Hicksville High School students who demonstrate qualities of civic leadership and community service during their high school years.

Uncle Frank, as he was affectionately known, was a long time resident and community leader in Hicksville and was active in many organizations, among them the Hicksville Kiwanis Club of which he served as an officer for many years.

This memorial award will be an annual presentation and the Kiwanis Foundation requests your continued support. Please send your tax deductible donation to the Kiwanis Foundation of Hicksville, Inc., c/o Charles I. Montana, Jr., 115 North Broadway, P.O. Box 7, Hicksville, New York 11802.

## Hicksville Library Budget

The Hicksville Public Library budget for 1983-84 will be submitted to the voters of Hicksville on April 13. The proposed budget of \$1,020,314.74 represents an increase of \$62,442.74 over the current budget. The modest increase is due largely to cost of materials and salary increases for staff. Book prices have taken a quantum leap in the past few years and the contract with the Civil Service Employees Association calls for a salary increase in 1983.

The budget, carefully developed by the staff and Library Trustees, will provide a wide variety of services from one of Nassau County's better stocked libraries. It will enable the library to continue its policy of purchasing 10,000 - 20,000 volumes per year to add to the more than 250,000 volumes already in the library. We will be able to continue purchasing, as needed, records, taped cassettes and films for our audio-visual collection used extensively by students and

teachers. We will continue to offer many special cultural programs free of charge e.g., concerts, films, talks and art exhibits. The auxiliary services of the bookmobile, delivery to homebound patrons, career counseling and income tax advice, among others, will be continued. Available to parents and children is a full program of children's services including story hours, several school class visits, films, art classes and special holiday observances.

The Trustees feel a strong library fills essential needs of the many residents of our community. For an investment of about \$1.00 a week for most homeowners, the taxpayer has access to the services noted above and much more. Community support, as expressed by approval of the budget, will insure superior library service in 1983-84. Register April 6 from 3:00 to 8:00 p.m. at your local schools. Voting from 12 Noon to 10:00 p.m. on April 13 at your local schools.

## The Past Lives Again At East St.

For sixth graders at East Street School, ancient civilizations were re-born and rebuilt imitating the grandeur of life as it once was. The youngsters were encouraged to re-create, in project form, glimpses of life in ancient China, Egypt, Greece, Rome, Sumeria and elsewhere.

They built models of such renowned structures as the great Wall, a Greek amphitheater, the Parthenon, a Roman Aqueduct, the colosseum, Sumerian Ziggurat and the pyramids and tombs of ancient Egypt.

The students re-constructed many of their homes and special dwellings such as the medieval castle and manor,

a typical Roman house and Viking settlement.

The armor and weapons which insured their power and the ships which extended their influence were also displayed. The ancient Phoenician alphabet, Sumerian lyre and Assyrian artwork completed the picture of long ago.

Everyone enjoyed the experience of bringing the past to life with their own hands and talking about it to the parents and students who visited their display.

In learning how much these great civilizations had to offer, they also realized the meaning of the old saying: "It can be imitated but never duplicated."

**BUILDERS:** In the top picture we see Maria Pohans looking over her model of the Parthenon. In the lower picture Keith Merkle examines his model of a Phoenician Ship (on the left), while John Flardo displays his model of a Phoenician writing tablet.

## Designer Showcase '83

Recruitment of volunteers is underway to "man" the superlative rooms of Hempstead House, a Medieval English castle, during the Designers' Showcase '83. Proceeds from the Showcase, which runs week-long from April 18 through May 30, will enable the Friends for Long Island's Heritage to begin restoring this North Shore Gold Coast mansion to its former glory.

An integral part of the Nassau County Museum preserve at Sands Point, Hempstead House was built at the turn of the century by railroad mogul Howard Gould for "the woman he loved." The Friends are assisting the county museum system in this energetic restorative effort because the Tudor mansion represents a significant

architectural heritage of Long Island.

Volunteers have a wide range of assignments to choose from. The orientation lectures about Hempstead House and its history--it ultimately became the home of Daniel Guggenheim--will be given by well-briefed volunteers. Volunteers can escort Showcase visitors through the entire house, providing commentary, or they can supply in-depth information about a single room. They can serve as receptionists, as hostesses in the Unicorn Cafe, or as sales people at a gift shop with merchandise selected with an eye to the surroundings. "This is not a run-of-the-mill assignment," Mrs. Kay Constant, museum volunteer coordinator explained, "but one which gives volunteers an

opportunity to learn and serve at the same time."

Volunteers must be available from 10:30 a.m. to 4 p.m., on the same day of the week for the six weeks the Showcase is open. Intensive training will be given at Hempstead House on April 6, 7, and 9--whichever day suits the volunteer. Each session will include a preview of the Showcase, information about individual assignments, and the opportunity to hear an outstanding designer describe decorating trends today. Potential volunteers should telephone 516-364-1050.

## Dear Friends:

TOB Supervisor Colby tells us that our Town will be receiving a State grant of \$25,000, for the preparation of a Local Waterfront Revitalization Program. "This grant will help our Town plan for protection and preservation of our most valuable natural resources," he said. This program will be developed by the Town's Dept. of Planning and Development in cooperation with the Dept. of Intergovernmental Affairs. More on this important plan at a later date.

The Industrial Home for the Blind urgently needs volunteers to transcribe textbooks into large-size type for the legally blind students located in Nassau and Suffolk counties.

IHB provides the large-type standard keyboard electric typewriter and all other materials at no cost. The transcribing must be done accurately and on time to meet the needs of the blind school student. The work is demanding but the rewards are gratifying.

To find out about the two hour training session and further information, call IHB at (516) 485-1234 and ask for Millicent Cutler.

We extend best wishes for a happy Passover season to all our friends of the Jewish Faith, at this most holy time of their religious year.

At Tuesday's March 22 Oyster Bay Town Board Meeting a hearing was held for a zone change from "D" Res. District to "R-O" Res. Office District for a medical office at 372 South Oyster Bay Road in Hicksville.

Dr. Arthur Gross has had his office at this location since 1969, according to Gerald Barr, his attorney.

Councilman Clark said he was "concerned" about the parking layout and would accept most of the plans except the parking.

Supervisor Colby questioned Dr. Gross about using the lawn area for parking. Dr. Gross did not object to this.

Mr. Barr stated there were no plans to rent any space at the present time.

The Town Board reserved decision.

In another hearing, the Board was requested a zone

change from "D" Residence, District to "R-O" Residence Office District at 325 Manetto Hill Rd., Plainview.

Dr. Michael Katz, an orthodontist, wants to change an existing single family ranch house to a two-floor building with an office on the first floor and an apartment on the upper level. The building will have its entrance on Sally Lane.

Supervisor Colby said, "I don't think this is something that is going to be good for the area."

The Town Board was concerned with the fact that the entrance was on Sally Road and not Manetto Hill Road.

Councilman Mosca spoke about the intention of the Residence-Office ordinance. He said, "It was intended to use the existing structure."

Norman Gerber, a traffic expert, said, "There was no

problem with a curb cut on Sally Lane."

Decision was reserved.

Anthony Maurino, the Superintendent of Planning and Development Department and a member of the Town of Oyster Bay Landmarks Preservation Commission, asked the Town Board to approve the following locations for landmark sites: The Horton House, 72 Horton Place, Syosset; 107 Eden Ave., Massapequa and 70 East Main St., Oyster Bay.

Maurino spoke about all three locations. He said, "The Horton House was one of the earliest built on Berry Hill Road." The house also has a rare circular root cellar, among other things.

The Town Board passed the following resolutions:

• A zone change of "R-O" Residence Office District to Dr. Joseph J. Lo Presti and Jonah Optical Co., Inc. at

360 South Oyster Bay Road Hicksville.

• A special use permit to Brooklyn Avenue Associates and Slovin's Inc. on South Broadway in Hicksville for permission to build an extension to their existing building. The extension will be offices and a garage for storing and repairing their vehicles.

• Permission was granted to the Girl Scouts to hold a bike rodeo in the municipal parking field between Carl and Cherry Streets in Hicksville on April 23, from 10 A.M. to 2 P.M.

The use of eight portable lighting units to the St. Ignatius girls' Cadet Corps of Hicksville for their annual "Pageantry in Brass." The Pageant will be held on July 16.

The next regular meeting of the Town Board has been scheduled for Tuesday, April 12, starting at 10 A.M.

# Everything Set For 6th Annual Plainview PBC 10,000 Meter Run

Sponsors of the Plainview Police Boys Club 10,000 Meter Run estimate that more than 600 runners will be at the starting line for the 6th annual renewal of the race on Saturday morning, April 2.

Members of the Plainview PBC and the Plainview-Old Bethpage Road Runners Club have been hard at work for months to make the race a success. Their efforts have been rewarded with a steady flow of entries. Best estimates now are that between 600 and 650 runners will compete, but good weather on Saturday could push the total even higher.

Every effort has been

made to ensure that this will be a quality event. Runners will receive time splits at every mile marker. There will be a giant Digital Clock and Place Display at the finish line. Runners will be competing for 66 trophies to be awarded to each of the top three male and female finishers in eleven age categories. In addition, there will be a special "family" trophy and trophies for the top male and female finishers who are residents of Plainview-Old Bethpage. All entrants will be eligible for the post race drawing for three pairs of Saucony Dixon running shoes (courtesy of Woodbury Super Star

Sneakers and Sports) and three nylon running suits courtesy of Dolin. The 10,000 meter course is TAC certified.

Entries will be accepted at Plainview's John F. Kennedy High School on the day of the race, but no entries will be accepted or numbers given out after 8:45 AM. The race will start promptly at 9:00 AM.

Spectators are most welcome. Join us at the finish line on April 2 to root home your favorite local runners—and to show your support for the PBC and its sports and recreational programs for our youngsters.

A meeting of all race

volunteer workers will be held on Wednesday evening, March 30 at the Plainview-Old Bethpage Public Library, starting at 8:00 PM. Volunteers are needed to help with race day registration of runners, to serve as traffic guides and timers out on the course, to work at the 5 kilometer water station, and to assist at the finish line. All volunteer workers will receive the commemorative race baseball caps and are urged to wear them to the race.

For more information call Plainview PBC President Mel Rothstein at 822-0377 or POBRRC President Mike Polansky at 433-0919.

## Hicksville Sports

By Howard Finnegan

The early campaign of the Hicksville Junior High 7th and 8th grade basketball team stunned the avid local court followers.

There has been a long, steady flow of success which funneled considerable talent upward.

A devastating 52-11 opening game loss to Wantagh dampened prospects. Five

days later, the team was competitive in bowing to Plainview, 39-34.

From that point on, Coach Iggy Renzio's lads were in all games completing, with a 6 and 6 record.

Two losses to Farmingdale Howitt—51-49 and 54-48—rankled but the finale against Farmingdale Mattin compensated.

The coach strongly feels the team could have done

better but credits the limited turn-around to some promising players. He cites Greg Skupinsky, Paul Bruno and Mike Hogan.

Joe Manna and Matt Storms are carded as good prospects for development.

David Danowski and Tony Schirali are 7th graders that put the potential gleam in a coach's eye.

### U.S. National Soccer Team Captain Trains Hicksville Players

By Warren Buckley

At the invitation of coach Imre Tandy, Dave D'Errico visited Hicksville Junior High to provide a one hour session of ball control, shooting and positive soccer to the players of the boys 1966 Strikers and the girls 1967 Young Americans.

Dave showed and explained various types of feints and deceptive moves to the thirty players in attendance. It was gratifying to see the level of attention of these young men and women in their efforts to

duplicate the lightning moves and fitness of this fine athlete.

It is questionable as to how well or how many of the players had learned enough from Dave to execute efficiently the skills practiced. But without exception, it was apparent that there is a great deal to learn before one can aspire to play semi or professional soccer.

On behalf of the players, the coaches and parents, we offer our gratitude and appreciation—"thank you, Dave D'Errico."

By Laura

Once again, St. Ignatius is proud to announce the end of another successful basketball season. Our League Coordinators for the 1982-1983 season include: Don and Carol Cleary (Kindergarten - 8th Grade), John Buchner (Grades 9-12), Pat Lynch (Girls Basketball), and Lois Cantalupo and Carol Dugan (Girls Volleyball).

Our Coaches for this year included: Andy Murray, Pete Cantalupo, Mike McDermott, Pat Harkins, Tony DiConza, Laura Brand, Tom Carsley, Dan Dugan, John Hickey, Buddy Goodrich, John

Toner, Bob McCormick, Rich Howe, Andy Rutherford, Al Hack, Harry Jacobs, Ken Coburn, Frank Rybak, John Buchner, and Joe Zirkel.

Special thanks to Don Cleary, who was not only our league coordinator, but was in charge of our referees and was a 7th and 8th grade commissioner and coach. Frank Rybak was in charge of scheduling gym times. Herb Nowak and Mark Yashlevitz were in charge of the clinic for the younger children on Saturday mornings. Together, the coordinators, commissioners, coaches, referees, and par-

ents all work together to benefit the youth of our community. All of these people realize that when you work with kids, you get much more out of it than what you put in.

### Girls Victorious Indoor Soccer Tournament

By Pat Hoesten

On March 11th, and 12, the Hicksville American Soccer Club hosted the Mid-Island First Annual Girls Indoor Tournament. Four teams from the Hicksville American Soccer Club participated. It was a fun and victorious weekend for all the girls and their coaches. The Hicksville "Stars" coached by Carol and Jim Reardon, an Under 14 squad played up one division and took home the First Place Awards in that very difficult division.

The Under 12 Hicksville "Hurricanes" entered two teams in the tournaments Division One and Division Two categories. Under the expert leadership of Coaches Tom Mananskie and Arthur Allen both teams exhibited tremendous skill and endurance to win the First Place Trophies in both divisions.

Coach Pat Conigliaro's Hicksville Under 10 "Arrows" played hard and were victorious against the very strong Bethpage team therefore bringing that First Place trophy home to Hicksville.

The Hicksville Under 8 "Champs" coached by Jeane Anne Scharph in their first indoor tournament

ever, took Third Place in their division. For the "Champs" their new experience indoors was certainly an exciting and rewarding one.

A very big hearty congratulations to all the girls and their coaches. It was surely a proud day for Hicksville.

Call weekdays from 9 A.M. to 4:45 P.M.

The Queens County Agricultural Society built the Hall in 1866 as part of the

original Mineola Fairgrounds, which was located on forty acres of land south of Old Country Road and west of Washington Avenue in present-day Garden City.

It was used as a general exhibition building through the end of the 19th Century and then as a floral hall in the early 1900's. Museum historians believe it remained intact through the 1930's and sections may have stood until the early 1950's when the fairgrounds were demolished to make way for the new County Court building.

## Visitors Can Speak Up At Town Meeting

Visitors can speak up and voice their opinions when a 19th Century Town Meeting, based on an actual account, is recreated at Old Bethpage Village Restoration on Saturday and Sunday, April 2 and 3, starting at 2 p.m.

Nassau Recreation and Parks Commissioner Abram C. Williams said the special issue to be taken up will be the development of the Hempstead Plains and exactly how it should be distributed. Williams added that historical research of the mid-19th Century shows similar discussions actually took place.

The meeting will start with the summing up of the usual yearly business. A series of regular ordinances and

resolutions will be reviewed, covering such items as the height of fences and salt hay in marshes.

After everyone has had his say, a vote will be taken.

Old Bethpage Village Restoration, operated by the Nassau County Department of Recreation and Parks, is located on Round Swamp Road, south of Long Island Expressway exit 48. Hours are from 10 A.M. to 5 P.M. A cafeteria and gift shop are located in the Reception Center. Admission is \$3.00 for adults (\$2.50 for Nassau residents) and \$1.50 for all children, ages 5-17. Parking is free.

For further information, call 420-5280

## Galileo Lodge News

By Joe Lorenzo

**VENERABLE SKIP MONTEFORTE'S MESSAGE:** "Hard work and not cleverness is the real secret of success."...Old Saying.

The sweet smell of success seems to permeate the Galileo Lodge, and this was very much in evidence last Saturday night when the Galileo Lodge held its St. Joseph's Dance. Over 240 people danced, ate and drank to their hearts content. Embellishing this dance was the extra-added note of pleasure as the Galileo Lodge presented Joe Ianotti, the member being honored that night, with a plaque for outstanding service and devotion to the cause of the Galileo Lodge.

Armand Del Cioppo, as usual, did a tremendous job, as did his assistants, Joe Morace and Frank Matassa. The kitchen force, namely, Jim Posillico, John Sarrera, John Ianotti, Pete Sarandrea once again lent their culinary talents to the delight of the people present. And then add the other efforts by Joe Giordano and his wife Grace, those of the other members of the Galileo Lodge and the Ladies Auxiliary, and you can see why such concerted efforts spell "Success."

## Holy Week Is Highlighted At Trinity Lutheran

Walk with us in the footsteps of Jesus Christ, from his triumphant entry into Jerusalem on Palm Sunday; to the Lord's Supper in the upper room on Maundy Thursday; to his death by crucifixion on Good Friday; to his victory over death on Easter Sunday.

Palm branches and a brass quartet will herald the communion services at 8:15, 9:45, and 11:15 a.m. on Palm Sunday, March 27.

On Maundy Thursday, March 31, the Lord's Supper will be celebrated at 7:45 p.m., followed by a fellowship hour.

The seven words spoken from the cross are highlighted at the traditional Trep Ore Service from noon to 3 p.m.

on Good Friday, April 1. A Memorial Service will be held at 7:45 p.m.

A service held in the early church, the Easter Vigil, will be observed on Saturday, April 2, beginning at 7:30 p.m. Candles and a bonfire will start the evening, followed by a Baptismal Rededication and Holy Communion Service.

Easter Sunday Celebration is held at 6:30, 8:15, 9:45, and 11:15 a.m. The choirs and brass quartet will help "raise the rafters" at this joyous time.

Trinity Lutheran Church invites the mid-island community to join in Holy Week worship. We are located at 40 W. Nicholas St. in Hicksville.

Give credit to the cooks, Frank & Ron Walsh, whose culinary efforts saved the caterer's profit for the Post... Sorry to report that Al Cinotti is again in Central General Hospital recuperating from surgery... Get well soon, Al... This Saturday, March 26th, is the date of the monthly visit to Suffolk State School and the usual leaving-the-Post time is noon... On Saturday night (March 26th also) we are again hosting our monthly Las Vegas Nite which starts at 8 P.M. and closes at 2 A.M... Come on down and bring your friends for a nite of casino type fun and games... The Dark Horse was won by Dick Hochbrueckner for the second time in a row at Monday's meeting... The membership voted to send Commander Gamble & his Marie to the

New York dinner honoring our National Commander Al Keller... Action to send our former TV set to Kings Park was taken by the membership at Monday's meeting... The Post was benefited by a donation of a 21 inch color TV from an unknown donor but as soon as I find out the name I will let you know... Attention all members of the Nominating Committee... There will be a meeting at the Post at 8 P.M. on Thursday, March 31st... Also there will be the quarterly meeting of the Past Commanders Club at 9 P.M. and several items are up for discussion so please be on time... It was nice to see our Adjutant, Wes Tietjen at Monday's meeting after a rough bout with the surgeon's knife... Welcome to new member, Sullivan S. Demar... April 12th is the date for the 3rd Division Caucus which the Post will host and all delegates and alternates who have been duly elected and announced

So, Comrades, please contact Membership Officer Frank Molinari before April 1st as Legion law mandates certain action in specific cases at that time... And time has come for better support from members who have not aided and abetted the purposes of The American Legion... More, much more help is needed from our card carrying members whom we never see and for years we have more than sufficient manpower to make all the Legion programs work, so it was not all necessary for everybody to pitch in... But Now we need any and all assistance our stay-at-home membership can, and should give... Come on, fellows, come down and lend your talents to put Charles Wagner Post back at the level it should be... Our next meeting is April 4th so let's see you all there.

## Something To Think About

BILL WAGNER

DIRECTOR

### Burial Benefits

Many people are members of a lodge, fraternal group, or union that provides a lump-sum death benefit to pay funeral costs. These organizations have such "burial benefits" as one of their membership fringe benefits. The money can range from as low as \$100 to amounts covering the total costs, as in the case of many unions.

If you are a member of such a group, or groups, you still may not know whether or not there are such benefits or what they amount to. Check now to find out. Then, let whomever may be taking

the responsibility know how much you have, and with what organization(s).

If there is a discrepancy between benefits and costs, you must decide whether your survivors need any additional special funds. The advantage of taking care of the funeral and burial costs now is that you spare your survivors one more immediate burden during a difficult time.

## Holy Week And Easter At Holy Trinity

Members of Holy Trinity Episcopal Church extended communitywide Passover greetings. As oftentimes happens, the Jewish and Christian Passovers coincide this year reinforcing a witness to the mighty and saving acts of God. The prayers of the Church raise to God that the blessings of these mighty acts may be a benefit to all as well as a challenge to sound religious citizenship. An invitation is extended to all who would like to share in the daily worship services at Holy Trinity Episcopal Church, Hicksville, (corner of Old Country Road & Jerusalem Avenue).

On Palm Sunday there will be a reenactment of the Triumphant Entry into Jerusalem through the Golden Gates with a liturgical procession at both services at 8 and 10 A.M. During the course of the services there will be a dramatic reading of the Passion Narrative. The Holy Week schedule is as follows:

**Monday:** Morning Prayer 9:00 A.M. - Holy Communion 9:30 A.M. - Evening Prayer 5:00 P.M.

**Tuesday:** Morning Prayer 9:00 A.M. - Evening Prayer 5:00 P.M. - Holy Communion 5:30 P.M.

**Wednesday:** Morning Prayer 9:00 A.M. - Holy Communion 9:30 A.M. - Evening Prayer 5:00 P.M. - Tenebrae 8:00 P.M.

**Maundy Thursday:** Morning Prayer 9:00 A.M. - Evening Prayer 5:00 P.M. - Commemoration of the Lord's Supper with an Agape meal reminiscent of the supper with Jesus and his Apostles with various characteristics of the traditional Passover meal presented. Following the 8:00 P.M. Liturgy and Eucharist a Watch before the Altar of Repose throughout the night until the first service of Good Friday is held.

**Good Friday:** Morning Prayer 9:00 A.M. - Stations of the Cross 12 Noon - Litany 3:00 P.M. - Evening Prayer 5:00 P.M. - The Good Good Friday Evening Liturgy at 8:00 P.M. is the solemn reenactment of the entombment of our Lord.

**Holy Saturday:** Morning Prayer & Liturgy 9:00 A.M.

**EASTER DAY:** The 6:30 A.M. first service of Easter with the traditional blessing of the Paschal Candle and the commemorations of the deliverance through the Red Sea and the Baptism reaffirmations. 8:00 & 10:00 A.M. Festival Eucharist.

**SCHOOL FUNDING CONCERNS AIDED:** Senator John R. Dunne listens as (l.r.) Maxine Zolla, President, Plainview/Old Bethpage PTA Council; Reissa Reedy, President, Mattlin Middle School PTA; Evelyn Gould, Chairman, Mattlin Middle School PTA Gifted & Talented Committee; and Miriam Ravad, Member of the Plainview/Old Bethpage School Board expressed their concern over the Governor's proposed slashes in educational aid to Plainview/Old Bethpage.

Senator Dunne indicated that he was acutely aware of the disastrous impact on educational quality and local property taxes if Governor Cuomo's proposed \$2.8 billion cutback in aid to Plainview/Old Bethpage is implemented. Dunne pledged to work with his colleagues in the Republican-controlled State Senate to at least retain the same level of funding as last year.

Trinity Lutheran Church's Senior Boys Basketball Team of Hicksville, just won the 1983 New York State Lutheran Basketball Association Tournament in Buffalo. From left to right are Glen Zakian, who was selected Most Valuable Player in the tournament, Richard Henderson, chosen to be the All Tournament Team, and winning coach, Mr. Donald Henderson.
