Elks Fire Fighter Awards

The 2nd Annual Hicksville Elks Club Award for firefighters and Police Officers was held March 28 at the Elks Club on E. Barclay St., Hicksville. Due to a schedule conflict, the Police awards will be held at a later date.

Award recipients from the Hicksville Fire Dept. were Capt. T. Farrell and F/F Raymond Seeley, both of Chemical Co. #3.

For professional actions at the scene of a natural gas fed fire in a dwelling, both members, at great risk, shut down the flow of gas. Swift action saved the dwelling from destruction.

Rescue Lt. David M. Rock of Hose Co. #4 and F/F A & MT Jack Janovsky of Hose Co. #4 received awards for the many hours devoted to the community youth. Dave and Jack run the Department's Public Education Program, lectur-

ing on fire prevention and fire safety.

The officers and men of the Hicksville Fire Dept. salute the award recipients for a job well done.

The awards were presented by Exacted Ruler Ed Lohrer, Bro. Len Provenzano, John Mulligan P.E.R., all of the Hicksville Elks Club.

Fire Dept. Report

To continue the report on the Department installation held on March 19th, Chief William Donlon presented awards to the following Vamps for their professional actions:

Firefighters J. Evans Co. #1; M. Murphy Co. #1; John Rizos, Co. #3; Mike Azzue, Co. #6; received awards for professional actions on the fire ground at an explosion and fire on Holman Blvd. The Vamps rescued the occupant from the building.

Hicksville Elks Fire Dept. Awards (left to right) Capt. T. Farrell, F/F Raymond Seeley, Elks P.E.R. John Mulligan, Lt. Dave Rock, F/F Jack Janovsky.

Another Vamp, Ex-Capt. James Nastasi of Co. #8, received an award for his actions at a house fire on Park Ave.

Department members salute these men for a job well done.

Library Vote Wed., April 13

The Hicksville Public Library Board of Trustees and Friends of the Hicksville Public Library urge all taxpayers to take a few minutes to vote for their 1983-84 library budget on Wednesday, April 13th. The budget vote will be held at the local schools from 12 noon to 10 p.m.

Registration took place on Wednesday, April 6 from 3 p.m. to 8 p.m. at the local schools. A preview of April events will, perhaps, serve as a reminder of the wide range of the cultural programs offered free to the community. The films shown in April include "The Great Santini", shown twice, Tuesday, April 5th and Friday, April 8th at 8 p.m. The immortal "Wizard of Oz" (Judy Garland, Ray Bolger, etc.) will

be shown on Saturday, April 16 at 1 and 7 p.m. The remarkable "Nicholas Nickleby" combining great authenticity in costume and set design, with a classic narration and realistic social commentary is offered on Friday, April 22 at 8 p.m.

Music, one of our strong points, is not neglected. The very talented Ian Shapinsky Trio will perform on Sunday, April 10 at 3 p.m. This concert is made possible by funding from the Nassau County Office of Cultural Development.

Another outstanding attraction, a performance by the Tanglewood Singers, will be presented on Sunday, April 17 at 3 p.m. This concert is partially funded by the Town of Oyster Bay Cul-

tural and Performing Arts Division.

Frank Huang and his Harmonica Ensemble, a popular Long Island attraction, will visit us at 8 p.m. on Thursday, April 21.

On Sunday, April 24 the Hicksville High School Tri M Concert will be offered at 3 p.m. These outstanding local young musicians are always a surprise and delight to the audience.

We do not lack in versatility. National Library Week, April 17 - 24 will feature Frank Affatigato, Astronomer, offering slides and a film on Monday, April 18 at 8 p.m. On Tuesday, April 19th an illustrated gardening program "A Vegetable Garden For You" will be offered at 8 p.m. followed on

Wednesday, April 20th with "Miniatures On a Shoestring," a talk and demonstration by Mrs. Patricia Stein on miniature reproductions. Last, but not least, a slide-talk show called "Famous Long Island Residents and Their Homes" will be presented on Saturday, April 23rd at 4 p.m. This program is presented as a public service by the New York Telephone Company. Homes from the time of Theodore Roosevelt through the Gatsby era up to modern times will be discussed. Don't be too busy attending your favorite program to vote. Community support is the foundation of any public library program. Remember - National Library Week April 17 - 24.

Post Office Plans Philatelic Program

The Hicksville Post Office is celebrating spring with a special philatelic promotion set to run from April 18 to May 14, Sectional Center Manager-Postmaster Anthony M. Murello announced today.

"The purpose of the program is to call attention to the educational benefits as well as to the overall fun of stamp collecting," Mr. Murello said. "It's the most popular hobby in the world."

In keeping with the theme of the celebration, "Get Carried Away With Philately,"

the recently issued 20-cent commemoratives that feature colorful hot air balloons are available at the main post office and all branches and stations.

Another popular item on sale, the postmaster noted, is the inexpensive and useful guide to stamp collecting, "The Postal Service Guide to U.S. Stamps." This paperback contains background information on many postage stamps dating back to the 1800s. It also has listings, current values and colorful illustrations of most of the stamps.

Members of the Hicksville Kiwanis Club recently heard a talk on energy conservation by Ernest Dejak of Long Island Lighting Company. LILCO's Energy Management talks cover how to save money and energy through the efficient use of home appliances, air conditioners, and insulation methods.

If you wish a speaker for your group, contact LILCO's Community Relations Department at 228-2226. Pictured left to right are: Russell Coniglio, Kiwanis past president, John Budnick, Kiwanis president, and Ernest Dejak, LILCO supervisor of electric construction.

"Fuel Pay" Program

On March 29th the Marine Midland Bank, N.A. announced the introduction of a "fuel pay" program to provide credit services to consumers using fuel oil for home heating.

The plan, which will be offered through individual fuel oil dealers in New York State, will enable consumers to charge their fuel oil purchase each month. Marine Midland will act as the credit billing service for the dealers.

Consumers whose fuel oil dealers sign up for the program will have two options for budget plan billing: the

first, which incurs no finance charges, requires payment of the entire balance within 30 days, while the second, which has an interest charge, requires only a minimum monthly payment.

"We timed the announcement of the program to coincide with the close of the heating season this spring, so consumers and dealers can make their plans for next fall with no sense of pressure," explained Alan J. Heuer, regional executive vice president of the National Retail Banking Division.

He said consumers who elect the plan do not have to be current Marine Midland customers. Payments can be made by mail or in person at any of Marine's 292 branches statewide.

The Bank will concentrate its sales efforts for the new program on Long Island, where 1,000 of the state's 1,400 fuel oil dealers are located, he added. "With 23 branches in Suffolk County and five in Nassau, Marine is in a strong position to serve this area, which is the largest fuel oil market in the nation."

Library Offers Instant Camera Loans

There are plenty of good reasons for going to the Hicksville Public Library - great novels, rare journals, valuable reference books and Polaroid instant cameras that can be borrowed

free of charge.

What are cameras doing in the public library.

"As of today, they're part of our circulating collection," said Director Kenneth Barnes. "Like our books, magazines and records, they're here for the public to use and enjoy."

The Hicksville Public Library is participating in "Check This Out," a program providing free instant cameras to public libraries throughout the United States. The cameras, which are from the Sun series, feature built-in electronic flash and one-button operation. Sponsored by the Customer Service Division of Polaroid Corp., the program is being offered in cooperation with the American Library Association (ALA).

At the Hicksville Public Library, persons 18 yrs. of age and older with a valid library card may borrow a camera for up to a week. Patrons must supply their own film.

And since I just discussed the Ladies Auxiliary and their successful ventures, I might mention here that on Saturday, the 21st of May, the Ladies Auxiliary will present its May Dance, to be "chaired" by Mary Monteforte and ably assisted by Rose Riccardi (681-0966), both of whom will soon be selling tickets at \$10 per person. In the offering will be a delicious hot dinner, beer, soda, coffee and cake, set-ups and live dance music. Time is from 9 to 1:00 P.M. Please note that a "bring-

VENERABLESKIPMONTEFORTE'S MESSAGE: The man who is prepared has his battle half won. Cervantes

Lending credence to the axiom that nothing succeeds like success, the Ladies Auxiliary donated the sum of \$3000 to the coffers of the Galileo Lodge. To continually perform in this matter, and the Ladies Auxiliary has done so on so many occasions, it has to rely on perseverance, hard work, determination and a ceaseless devotion to the cause of the Galileo Lodge. Venerable Skip Monteforte and the membership of the Galileo Lodge extends their sincerest thanks to this great body of women.

As Spring starts its encroachment into our daily lives, so does the time left for the presentation of the Galileo Lodge's 11th Anniversary and Scholarship Dance, scheduled for Saturday, the 30th of April.

Tickets sell at \$25 per person, a reasonable sum that offers you a tempting cocktail hour, a delicious hot dinner with all the trimmings, beer, soda, coffee and cake, set-ups, unlimited liquor and the kind of dance music that inspires you to dance as well as listen. Joe Giordano (333-4335) will "chair" this dance, ably assisted by co-Chairman Pete Massiello (938-4335) and Joe Morace (931-2548), all of whom are presently selling tickets. Although this activity is presented for the presentation of the Louise Massiello Memorial Scholarship Awards. A highlight of the evening will be the fact that this dance honors 1st Asst. Grand Venerable Nick Viglietti of the Grand Lodge of the Order of the Sons of Italy in America. An Ad Journal is also a part of this dance and Jim Rerisi is overseeing the accumulation of Ads for the journal. Call Jim at 628-2550 if you have Ads to hand in. Like so many other activities presented by the Galileo Lodge, it takes money to set up these very helpful awards - so why not attend this dance and enjoy yourself, and be thrilled by the fact that you are helping others getting started in life?

your-own-liquor" policy will be in effect that night. For additional information dial Mary at 938-9536. Maytime not only brings on beautiful but it also brings on good times at the Galileo Lodge.

LODGE TIDBITS: Pat Gatto is in Nassau Hospital for triple by-pass surgery. His operation is set for April 7th, and we all here at the Lodge wish Pat a very speedy recovery and back to his family and the Lodge. Don't forget Mary Monteforte's privately-run Empress Tours to Atlantic City beginning this month of April. Call Mary at 938-9536 for more details on these tours. And don't forget Sue Laurenti's (Ladies Auxiliary) physical fitness classes held every 1st and 3rd Thursday of the month. Fee is \$1.00 per person. Beg Pardon to Marion Dansiglio for spelling her name incorrectly as she ably assisted during the last Card Party held by the Ladies Auxiliary. Beg Pardon to Joe Lo Presti as I inadvertently omitted his name as Treasurer of the Galileo Lodge, and, incidentally, Joe and his wife Vera have just returned from an 8-week trip to Spain. Other couples from the Galileo Lodge who have also recently returned from Spain are Mr. and Mrs. John Sarrett, Mr. and Mrs. Tony Moschera and Mr. and Mrs. Dante Perotti. The sad news at the Galileo Lodge is that Pat Maggio recently suffered a disastrous fall and is in critical condition. We hope Pat gets better real soon. It was very nice to have Sisters Theresa Landry and Marie Gobeil from St. Francis Hospital at our installation ceremony. They are two of the most pleasant nuns that I have encountered in a long time.

SHOREHAM: Emergency Planning

In the wake of recent contradictory and confusing statements made by opponents of the Shoreham nuclear plant, the Long Island Lighting Company is presenting the first in a series of messages bringing the actual record to public attention.

Our purpose in doing so is to provide the public with factual information and to keep you better informed on the subject of Shoreham.

In recent weeks, the details of LILCO and Suffolk County working together to provide the public with an emergency preparedness plan have become the subject of controversy.

Suffolk County Executive Peter Cohalan said recently that Suffolk County has been involved in the development of an emergency preparedness plan for *only about a year*.

The following chronology demonstrates that *LILCO and Suffolk County have been working together* on the development of an emergency preparedness plan *since 1975*.

1973 The Atomic Energy Commission acknowledges that emergency planning for Long Island is feasible before it grants a construction permit for the Shoreham plant.

1975 LILCO and Suffolk County planners begin working together to define the roles and responsibilities in planning for the possibility of an emergency at Shoreham.

1977 Suffolk County Executive John Klein directs Suffolk County Emergency Preparedness Director Norman Kelly to formulate an emergency plan for Shoreham.

1978 Suffolk County Executive Klein approves the plan. It is reviewed and accepted by the New York State Office of Disaster Preparedness.

1979 The Federal government issues more elaborate requirements for emergency planning. LILCO and Suffolk sign a "memorandum of understanding" outlining increased responsibilities of LILCO and Suffolk County for emergency planning. County Executive-elect Peter Cohalan approves the terms of the agreement.

1980 At the direction of Suffolk County officials, LILCO requests a Long Island firm to prepare proposals to expand previous emergency preparedness plans, taking into account new Federal regulations.

1981 Chief Deputy Suffolk County Executive John Gallagher rejects the Long Island firm's proposal in favor of Suffolk County Planning Department developing an expanded plan.

1981 Suffolk County signs a contract with LILCO, setting terms and price for the county to develop an expanded emergency preparedness plan.

1981 Cooperative work between Suffolk County and LILCO on the emergency preparedness plan intensifies with exchanges and refinements of planning information from other nuclear plants, local population figures and local weather data.

1982 Feb. 19 Suffolk County announces that it considers the contract with LILCO to develop the emergency plan cancelled, even though the bulk of the work is complete.

March 23 Suffolk County Legislature authorizes development of yet another emergency plan to be paid for with county funds.

March 29 Suffolk County promises delivery of the new plan by October 1, 1982.

April 15 County employees are ordered to stop communicating with LILCO on emergency planning.

April 23 LILCO officials meet with county, state and Federal officials to discuss emergency planning problems.

April 29 LILCO officials meet with state officials to determine if LILCO can submit the initial version of the emergency plan. All agree that this emergency plan can be submitted.

May 10 LILCO submits to the New York State Disaster Preparedness Commission the initial version of the emergency plan developed by LILCO and Suffolk County.

June 9 Disaster Preparedness Commission indicates need for further work on the plan, which is described by the Commission as the *"best we have received from any county in the state."* The Commission further states that *"there is no fundamental reason why the plan cannot be corrected fairly easily."*

Oct. 21 LILCO proposes a mediation panel to reach agreement with Suffolk on emergency planning. The county never responded to this offer.

Dec. 2 Suffolk County Legislature receives a draft of the emergency plan from the county. Simultaneously, Suffolk County obtains a restraining order in State Supreme Court preventing the state from acting on the plan submitted by LILCO.

Dec. 10 At a State Supreme Court hearing, LILCO, New York State and Suffolk County agree that the county must submit its emergency plan by February 22, 1983. Agreement stipulates that if Suffolk County fails to meet the deadline, it cannot stop New York State from reviewing for approval the emergency plan developed by LILCO and Suffolk County and submitted to the state by LILCO.

1983 Jan. 17 Suffolk County Legislature begins two weeks of public hearings on emergency planning.

Feb. 16 Suffolk County Executive Peter Cohalan suddenly, and without basis in fact, announces for the first time that no emergency preparedness plan is possible. He calls for the abandonment of Shoreham.

LILCO

The Long Island Lighting Company

This is one in a series of announcements sponsored by the Long Island Lighting Company on Shoreham and emergency planning. When all the announcements have been printed, copies will be available in a booklet at your local LILCO office.

Dear Friends:

Just for a change of pace, let me tell you something new about "Hicksville" which is an area in the Town of Oyster Bay which has many "firsts", as you know.

Our friend, Joe Normandy, Sr. stopped in to tell us about his son Joey's champion Greyhound, named "Hicksville", who is presently considered one of the best dogs in New England, is carrying his name and fame, not only throughout New England but through the United States. He is really a credit to our town.

He was born and bred right here on Long Island and is now getting ready to run in some Stake Races..... just think of what an honor it would be, not only for his owners, but for "Hicksville" himself, if he would win the American Derby!

Here is a paragraph from the March 19th Greyhound Racing Record, published in Massachusetts: "Anthony Sapietro, Jr. has been on the hunt for another hot hound and most likely the big deal in the immediate future, from the New York Breeders Assn. is Joe Normandy's 'Hicksville', the grade A rail-runner who has been scoring some impressive triumphs over the best in the class. 'Hicksville', has the potential to be a strong distance runner at Raynham. He is named after a city in New York."

Well, we all wish "Hicksville" and the Normandys the best of luck and will be looking forward to hearing more of his victories in the future. Here is a picture of him winning the 11th race at Raynham, Mass. recently.

THAT'S ALL for this week. Stay well and enjoy the balmy spring weather here on beautiful Long Island.

Indexing Must Be Implemented

By Congressman Ray McGrath

In 1981, Congress passed the Economic Recovery Tax Act, which reduced tax rates by 25% in three installments, and provided for the indexing of tax rates to the rate of inflation beginning in 1985. I recently opposed passage of the 1984 Budget Resolution, which put these needed tax changes in jeopardy.

Since high income taxpayers have already had the top tax rate cut from 70% to 50%, tampering with the third year of the tax cut—a 10% tax rate reduction scheduled for July—would fall mostly on low and middle income taxpayers. Fully 70.6% of the July cut will go to people with incomes below \$50,000. Only 11% would go to individuals with incomes over \$100,000. Put another way, a person with an income of \$10,000 or less would find himself paying

nearly 14% more of his income in taxes. Someone with an income of more than \$200,000 would have his taxes rise less than 3%.

Besides being unfair, repeal of the third year of the tax cut doesn't make economic sense. You don't have to be a proponent of supply-side economics to realize that. The Congressional Budget Office has said that "Repealing or reducing the 1983 tax cut would have the disadvantage of increasing tax revenues in the near term, when the economic recovery is still fragile." In simpler terms, most economists believe that increased consumer spending is necessary to lead the country out of the recession. Consumers simply won't have the money to spend if the government reneges on its past promises and takes

more of a wage earners' income.

Indexing

Indexing is designed to prevent automatic tax increases which are caused by inflation. When taxpayers receive cost-of-living raises, their pre-tax buying power is unchanged. However, because pay increases push taxpayers into high tax brackets, their spendable income is actually cut. The resulting tax increase is known as "bracket creep."

Indexing prevents tax bracket creep by automatically adjusting the level and the size of tax brackets, as well as certain exemptions, for the previous year's consumer price inflation. This means that when real buying power does not increase, tax rates cannot rise.

Tax indexing actually

favors low and middle income taxpayers, according to a recent New York Times editorial: "The lower tax brackets are narrower than the upper ones, so a small increase in income pushes you up the ladder faster at the lower end."

Indexing serves another purpose—it makes the government honest. Very few current Members of Congress have ever voted for a tax increase. They have never had to. Bracket creep has allowed the federal government to raise all of the revenues it has needed without ever voting to raise taxes. As the Times stated in its editorial: "Indexing is worth having for honesty's sake alone. If the government needs more money, let it raise taxes openly and permit the citizenry to judge."

Letter To The Editor

Dear Editor,

There is good news from our Junior High School to report to the Hicksville community. The Hicksville Junior High "Talent Pool Parent Advisory Group" (TaPPAG), is very pleased

to be able to say that the first year of the Junior High Gifted and Talented Program has been, so far an unqualified success. It appears to have met the goals of the Junior High staff, the parents, and the

students involved. What a delightful surprise.

Unfortunately, our school district has a long history of starting programs and dropping them without giving them sufficient time to develop to their full potential. We, of TaPPAG our School Board to maintain our Junior High Gifted and Talented Program in its present form. Rumors of drastic cuts in this program for next year are quite worrisome to the students, parents and educators at the Junior High. We have a winning program now and we demand that it be maintained.

Just as there is significant support in this community for a fine Athletic Program, a Marching Band Program,

an outstanding Cultural Arts Program, a Special Education Program, so too, there is strong support for its Gifted and Talented Program.

We, the Parents, of the Junior High Talent Pool children, therefore strongly endorse the present Junior High Gifted and Talented Program and insist that it be continued, in its present form.

Hicksville must continue to reach out to meet the needs of these students, for the true strength of our great nation lies in the development of the talents of all its children.

Sincerely,

Edna Edelstein

2nd Precinct Police Report

Hicksville Smoke Stax Store Robbed

An unknown black male armed with a handgun fired two to three shots in a Hicksville Smoke Stax store around 7:30 p.m. tonight, during a holdup. After fleeing with \$255 dollars the suspect shot a Hicksville homeowner in his left arm after a struggle.

It all started when the suspect entered the Smoke Stax store, at 240 North Broadway and robbed the Manager, Joseph Deale, 50, of the store's receipts. After getting the money he fired a shot at a clerk, Jeanne Sica, 28, but missed. According to the manager and clerk the suspect fired another shot or two before fleeing the store, on foot, down nearby Nevada Street.

A few moments later a Mr. Arthur Woessner, 44, of 51 Nevada St., was looking out of his window, watching for his son to come home, when he saw the suspect coming onto his driveway, heading towards the rear yard. He ran out of the house, confronted the suspect and a scuffle ensued, during which Woessner was shot in his left arm. The suspect then ran off but left \$105 dollars on the driveway, some of the proceeds from the earlier robbery.

Woessner was transported to Central General Hospital in Plainview, by Police Ambulance, where he was admitted in fair condition. The suspect was described as being a B/M,

armed with a handgun, 30-40 yrs. of age, 5'-8 to 5'-9" wore a tan jacket and a dark

blue ski hat.

The Second Squad is investigating.

Something To Think About

BILL WAGNER

DIRECTOR

Afraid To Say Wrong Thing

Many quite close and caring friends avoid a family which has suffered a loss, or keep silent about their feelings, for fear "of saying the wrong thing." To begin with, this is not an unusual reaction. Often it is because individuals have not come to terms with their own sentiments about death. Because they are unsure of their feelings, they are afraid their words will come out all mixed-up.

Try not to worry. There is no one "right" attitude toward death and grief. Besides, many people are as confused and ambivalent about it as you may be. In fact, it would not be amiss to share your concerns. It

might even open the door for family members to express their own doubts and feelings.

The important thing is to be with them, and to show that you care, not only at the funeral, but more so the days and weeks following. It is very rare that an honest display of humanity will be resented and misunderstood. Absence or silence, on the other hand, might be.

Hicksville Republican Club News

By Harriet A. Maher

Don't forget our club meeting will be held Friday, April 8, 8:30 p.m., VFW Hall, 320 South Broadway, Hicksville.

The program we have scheduled for this meeting is of current interest to all Hicksvillites. Mr. Franklin Frank, Stackler and Frank, realtors, will be on hand to discuss the future plans for Mid Island Plaza. He will explain what is envisioned for the future of this shopping center. Mr. Frank will provide us with a question and answer session following his presentation. There has been much controversy over the use of some of the vacant buildings at the Plaza so we believe you will be concerned and interested in this timely topic.

Our May meeting will be held on the first Friday of that month, May 6, because our Club's annual cocktail

party/dance will be held on the second Friday, May 13. We truly hope you will be present on both Fridays of this month.

Listed below is another form for you to use in paying your 1983 dues or for joining our club if you are a prospective member. For just \$4.00 for an individual or \$6.00 for a couple, you become a member of a congenial group of Republicans who are articulate and well-informed. Your membership dues entitle you to all the rights and privileges of the Club including a paid subscription to the MID ISLAND HERALD. Why don't you take the form below and fill it out now? Bring it with you to our meeting on April 8.

Look forward to seeing you there.

Local Basketball Teams To Compete In Indiana

The boy's basketball team from Trinity Lutheran Church, 40 West Nicholas Street, Hicksville, has been invited to play in the 36th National Lutheran Basketball Tournament of Champions to be held at Valparaiso University, April

8-9-10.

The National determines the best in amateur teams representing Lutheran churches through a three-day double elimination tournament. Trinity joins 27 other teams from 11 differ-

ent states competing in two divisions: Junior (high school-age) and Senior (post high school-age).

Coached by Don Henderson, Trinity played in the Nassau Lutheran League. Winning the state tournament, Trinity takes a 19-

victory, 2-loss record to the national tournament.

Trinity will be playing Immanuel (9-2) in Olivette, Missouri, in the opening round of the tournament's Junior Division.

The Reverend Fred Rapp is pastor at Trinity.

Pictured above on the left is Mr. Jack Tillem of Hillside Travel in Hicksville presenting a check to Dr. John Krahn of Trinity Lutheran Church for Trinity's expansion program. Trinity Lutheran Church, 40 W. Nicholas Street, Hicksville, is planning a 1.3 million dollar expansion which will help it better serve the people of Hicksville and the Mid-Island Community.

To date, over \$10,000.00 has been contributed by businesses and service organizations of the community.

Bike Rodeo

The Oyster Bay Town Board has approved a request from the Nassau Council of Girl Scouts to hold a Bike Rodeo at the Town's municipal parking field between Carl and Cherry Streets in Hicksville, it was announced this week by Town Councilman Thomas L. Clark.

"The Town is pleased to cooperate with the Girl Scouts in letting them use this parking field on Saturday, April 23, between 10 A.M. and 2 P.M.," Clark commented. "The Scouts will take full responsibility for the cleanup of the field following their event."

Hicksville Opens Lacrosse League Campaign

By Howard Finnegan

Hicksville High opened its Lacrosse League campaign by swarming over Massapequa 8-3.

Mike Magee and Tim Nolan had three goals each, Bill Dempsey and Jim Coddigan one.

Joe Mistretta held off the Chiefs attack turning aside 23 shots on goal.

Hicksville stands 4 wins and 1 loss on the season. The Comets dropped a fierce struggle on powerful Sewanhaka's home turf, 10-8.

In that game, Nolan netted 4 goals and Magee 3. Chris Jordan, 1; Misteretta stood up to the Sewanhaka attack. He had 21 saves while his counter-part

required only 10.

Score By Periods
Hicksville 0 3 2 3-8
Massapequa 0 1 0 2-3

The rounds: Hicksville Girls Softball team closed down a double header win over Long Beach with a last inning triple play. Kathy Mongillo had a crucial sixth inning single to spark the winning first game rally, 4-0. The decisive run in the second game was chased home by Kathy Mongel. Score, 9-6.

It was a frantic afternoon for the Comet varsity baseball team at Long Beach. 48 base hits rattled the park as forty combined runs were scored. Hicksville won the first 10-7, while Long Beach atoned 17-6 in the second.

The Mid Island Herald Sports Retrospect was read at the weekly luncheon of the Hicksville Kiwanis Club. Mention had been made of the sponsorship of the 1938 champion Nassau Basketball Alliance team. It came as a surprise for many new members to learn of the two decade high level semi-pro involvement of the Kiwanis. The achievements of the Kiwanis Basketball and softball teams were highly respected and ardently followed.

Many in the community are still grateful to Dr. Leon Galloway for the many years and hours he devoted to conducting the Kiwanis activities.

It was a different era of different requirements. An average of 300 fans went to

the old bandbox gym to enjoy the games each week.

The cost was a quarter and Dr. Galloway, then on the High School faculty and later Principal, applied the benefits to the Kiwanis Milk Fund.

In a black time, many benefited.

The Kiwanis could then and did, give team dinners and jackets for championship teams.

There was also free trips to Ebbetts Field and the Polo grounds to see the likes of Ace Parker, Mel Heim, Sid Luckman play NFL Football games.

Dr. Galloway, who has been our lifetime friend, as the other Hicksville Kiwanis men such as Dr. Walter Stillger Sr., Henry C. Brenzel Sr., Dr. Charles Masek,

Frank Chlumsky, William Koutensky, Jay Smith, Mal Pierce, Francis Anderson, Judge Julius Schwartz,

Morris Rochmann, and others were unselfish Hicksville men who to this day are admired and remembered.

The Tornados won their opening game of the Spring 1983 season by defeating the H.B.C. Stallions by a score of 2-0 at Grumman field on Sat., March 26.

In the first half, a foul on forward Eddie Assad, who was making a run and had beaten the Stallion defense, resulted in a penalty kick being awarded. Michael Pearson converted the

penalty shot, making the score 1-0 at half time. However, the boys were dominating the Stallions, allowing only 1 shot on goal.

In the second half, the Tornados mounted numerous attacks with forwards Todd Zeff, Barry Mannion, Mike Donovan and Mike Kent continually keeping the pressure on taking many shots on goal. A super throw-in by Hermes Furlin and a quick shot by Kevin

O'Hea produced the 2nd goal.

Halfbacks Erik Matz, Brian Centbone and stopper Brian Whitman controlled the midfield with aggressive play and set up the offensive attack.

Full backs Timmy Carroll, Jason Kilmatis and Larry Neuberger supported each other superbly and outplayed the Stallions each time an attempt to score was made. Goalie Matt Greens-

pan, making some fine saves preserved the shut out for the Tornados.

Congratulations to the entire team for a well played game and continued success to Coach Steve Florio and the Tornados.

Welcome aboard to newcomer Eddie Assad.

Next Saturday April 16th will begin H.B.A.'s "30th" Little League Season. The Opening Ceremony will commence with the dedication of a flag pole and monument in memory of Al Greene and Wally Collins. This will take place at 9:00 a.m. (rain or shine) at the Abe Levitt Complex, Ste-

wart Avenue, (adjacent to Dutch Lane School).

All registered players should have been contacted by their managers this past week. Teams are to assemble at the Pony Field starting at 8:00 a.m. to have their team photos taken. Managers will advise players as to what time to be at Pony Field.

Raffle books will also be

handed out to all players. They are due back by May 21st.

H.B.A. provides nearly 600 boys and girls with the opportunity to learn and play the game of baseball. Last season four of our teams won "Long Island Championships", and we are aiming for the same this year.

TOB Tennis Instruction Program

An instructional tennis program for Town residents has been approved by the Oyster Bay Town Board, according to Town Councilman John Venditto.

The Board has accepted a proposal submitted by Handi-Care, Inc. of Great Neck, which calls for two six-week sessions at the Bethpage, Plainview-Old Bethpage and Syosset-Woodbury Community

Parks, at John J. Burns Town park in Massapequa and at Theodore Roosevelt Memorial Park in Oyster Bay. The course will cover all of the basic fundamentals, including scoring, and will culminate in tournament play.

The fee for the course will be \$42. Registration forms for the first session, which will begin on Monday, May

23rd, will be available by early April at all Town facilities and local libraries as well as at the participating parks. Registration information for the second session, which is scheduled to begin July 11th, will be available in early June.

Venditto noted that residents should contact the Parks Department, 433-8810, for further information.

L.I. Rose Society

The Long Island Rose Society will hold its regular monthly meeting on Monday, April 11, at the Plainview Public Library, Old Country Road, Plainview, N.Y. The meeting starts at 8 PM.

The speaker for the evening will be Ann Reilly, who will give a presentation on commercial rose produc-

tion. The topic will cover budding, growing, harvesting, shipping, storage, hybridizing, naming and awards as they apply to rose growing. Ann is a member of the Board of Directors of the American Rose Society, an accredited Rose Judge, a consulting Rosarian and author of Better Homes & Gardens book "Roses You

Can Grow". Guests are most welcome and refreshments will be served at the end of the meeting.

Eastern Savings Bank Sponsors Career Workshop For College Students

In view of the tight job-market for newly graduating college students, Eastern Savings Bank is sponsoring four "campus to career" workshops at several of its offices serving the Bronx, Westchester and Long Island.

Under the direction of Gail Lehmann, president of Lehmann Associates of White Plains, specialists in career management and development, each workshop will assist students in bridging the gap from campus to career. There is no charge for the program.

The two-hour workshop at each office will cover values and skills, personal marketing strategies,

resume preparation and interview techniques.

A workshop will be conducted from 7:30 to 9:30 p.m. on Thursday, April 28, 525 Old Country Rd., Plainville.

College students interested in attending a workshop should call Eastern Savings Bank toll free at (800) 522-5492 between 9:30 a.m. and 2:30 p.m. weekdays, Raymond Goldstein, vice president of the bank for community relations, said.

Mr. Goldstein said the workshops are a logical step for the bank to take as it is heavily involved in student loans. "There is a tremendous investment in money

and time for and by the students, their families, the bank and society as a whole directed toward college students' educations. We at Eastern think it is a disservice to help students get through college only to abandon them as they enter an extremely tight job market," Goldstein said.

He continued, "We have undertaken the workshop program as a pilot project to determine if this approach of counseling the students in practical methods of locating and landing a satisfying first job can be beneficial. Ms. Lehmann comes well-recommended for this effort, and we are confident of its success for the students."

Support Group At Mercy Hospital

For those parents who have experienced the sorrow involved with the loss of an infant soon after birth, the delivery of a stillborn infant, or a miscarriage, there is now a support group in effect at Mercy Hospital in Rockville Centre.

Both support and knowledge surrounding the period

of grief can be helpful during this time. While the help of friends, family and clergy is needed, this program focuses on the atmosphere of understanding and mutual support created by those who have experienced similar losses.

A professional group

leader conducts sessions using a group format having two components - education and sharing. The sessions are held twice monthly, on the first and third Thursdays of each month from 7:30 p.m. to 9:30 p.m. A screening process will be conducted prior to pre-registration. There is a \$5.00 registration fee for the ten consecutive sessions.

For further information, please call the Pastoral Care Department, Mercy Hospital, between 9:00 a.m. and 4:30 p.m. at (516) 255-2241.

Mr. & Mrs. Robert L. Thompson of Jericho, announce the engagement of their daughter, Ellen Lee to Mr. Andrew Jay Barnett, son of Mr. & Mrs. Theodore Barnett of Wilmington, Delaware.

Miss Thompson is the granddaughter of Mr. & Mrs. Walter Eichler, Sr. of Hicksville.

After graduating from Jericho High School in 1977 she attended the University of Delaware and is currently employed at Beachwood School, Delaware as a special education teacher. Mr. Barnett attended Gilford College, North Carolina and the University of Delaware. He is employed by Tri State Ford, Maryland.

An August wedding is planned.

Engaged

Mr. and Mrs. Robert Gost of Hicksville announce the engagement of their daughter, Janet Marie, to Jonathan Wright, son of Mr. and Mrs. Walter Wright of Johnson City, N.Y.

Janet is the former New York State Dairy Princess. She has just graduated from Cornell University with a degree in Animal Science, and is currently working for Pillsbury Company in Syracuse.

Jon will graduate from SUNY Morrisville, where he

Youth Council Program

Are you between the ages of 16 and 21 years, a Hicksville resident and looking for a full-time or part-time job? The Hicksville Youth Council, as one of its many community functions, offers free employment services to help in your job search.

Community businesses

and industry are encouraged to list their full and part-time employment openings with the Youth Council if they are looking for the energy and willingness to learn that youth can bring to the job.

For information, please call Emily Lewis, 822-7594.

Woodland Ave. PTA

By Vinnie Fleming

The arrival of spring at Woodland Ave. School always means a wonderful day at Levittown Roller Rink.

This PTA-sponsored day brings past and present alumni of Woodland Ave. back together, plus it helps fund the sixth grade trip to upstate New York in June

with its profits.

A very special congratulations to all the winners of the skating contest. The winners are: Kristin Rooney, Jason Tighe, Teresa Tsounis, Brian Rooney, Jason Dames, Brigitte Doyle, Billy Smith, Dolly Liguori, James Curley, Patrick Seiden, Karel Rudis, Jack Pease.

Receives Award

Gerald O'Brien of Hicksville, a tester in Long Island Lighting Company's Meter and Test Department in Hicksville, recently received a \$145 cash award for a suggestion that will save the utility and its customers more than \$775 annually.

Mr. O'Brien, who has been with LILCO for four years, suggested a conversion of meter parts that allows their reuse in another type of meter. His suggestion will eliminate the purchase of certain parts normally needed for meters.

LILCO's Suggestion System, now over 30 years old, saved the utility more than \$3.5 million over the last ten years.

CHARLES WAGNER POST # 421
HICKSVILLE N.Y.

An interesting letter was written to me by one of our long time members who has not graced the portals of our Post for many a year for reasons as outlined in his letter and for which he gave his permission to use in this column. It was written by Jim and I think for the present is enough identification, and since his full letter was read at our latest Post meeting on Monday night and properly named, I will quote ... "I have been a subscriber of the Mid Island Herald since I moved to Hicksville in 1950. I joined the 'Legion' on a transfer from the Hollis Post shortly after moving to my residence in Hicksville. I was active at the Post for several years and became inactive when forced to retire due to ill health. I have paid my dues without any interruption for over 32 years. I have read your column since you first started writing it. I have been disabled and house confined for over five years. I have been hospital confined over ten times and

have had eight major operations and at no time during this period, which started in June, 1977, has anyone from the Legion even as much as sent me a get well card, nor has anyone ever called me on the telephone. I used to send Christmas cards each year to a dozen members of the Post and most of them sent me a Christmas card in return. With the passage of time all but two members stopped sending me Christmas cards and those two are Henry Brenkel and Steven Wladyka. If you will check your records of the Post you'll find I was on the Committee and went visiting at Kings Park along with others from the Post. I was Post Chaplain for one year and also was Corresponding Adjutant for another. I notice from your column that you mention different members who are sick wishing them the best to get well soon. For five and a half years I have never heard from anyone. I have had Cancer of the rectum which

ful and so significant an aviation history. You'll leave with an added feeling of pride in Long Island—truly the "cradle of American aviation."

two huge hangars has an important connection with this region. It's both exciting and educational. See and hear why no other place on earth has so varied, so color-

necessitated installing a Cholestomy and complete removal of the rectum. I have had a double perforated Ulcer, a collapsed lung and pneumonia, necessitating a treachotomy. I was given no better than a 40/60 chance to live. I also have Emphysema and require oxygen constantly. This was in July, 1981. I was in intensive care for 44 days and then was sent to a Rehabilitating Centre in White Plains known as Burke Institute. I was there for 7 weeks. In the meantime my wife came down with Emphysema and died on August 24, 1982. The pur-

pose of this letter is not that I want anyone from the Post to come visiting my home but I just feel that the Post should keep some record of its paid up members and take some interest in what its old time members are doing. Surely the Post can afford a post card occasionally. As far as I'm concerned I have a condition for which, at present, there is no cure. How much longer I have on this earth only the Good Lord knows. You can use any part of this letter in your column if you wish." Signed Jim McL... Thank you Jim for your enlightening letter as to your personal condition

because the Post did not know ... I have stated many times over the years that unless we are notified (call the Commander) of a member being ill we have no way of knowing ... We are not excusing the lack of attention in your case or any others that we should know of but do not ... You are right, we should be more interested in not only the older members but all members as to why we do not see them at meetings, etc ... We have already reached a point where this information is highly important to, the existence and betterment of our Post and for the future welfare of all members ... Jim, your case was stated on the floor at the last meeting and let's see what can be resolved to improve the existing lack of communication between the active and inactive members. Thank you, Jim.

For The Children

PRESCHOOL STORY TIME

Preschool Storytime at the Plainview-Old Bethpage Public Library will be held on Wednesdays, April 6th (11 am only) and April 13th for children ages 3, 4 and 5 years old. Groups will meet for one-half hour at 11 am and 2 pm for picture books, "show and tell", finger plays and action songs. Any Wednesday is a good day to bring your preschooler to the library for stories and songs.

FILMS FOR TOTS

Films for Tots may be seen at the Plainview-Old Bethpage Public Library on Wednesday, April 20th, from 2:00 - 2:30 pm. There will be a showing of the films: Mickey Mouse, the Brave Little Tailor by Walt Disney, a traditional story with your favorite mouse; Are You My Mother? by P.D. Eastman, a baby chick searches for his mother; Harry the Dirty Dog by Gene Zion - find out how a little dog tries to get out of taking a bath. Parents are

asked to remain with children. Books on which films are based can be found in Early Childhood Corner of the Family Center.

PARENT PROGRAM RAINY DAY ACTIVITIES

A Parent Program - Rainy Day Activities will be held at the Plainview-Old Bethpage Public Library on Wednesday, April 13th, from 2:00 - 2:45 pm. Are you looking for special activities to keep your young child busy on a rainy day? Join other parents to hear Maureen Breidenbach, 4-H

Department of Nassau County Cooperative Extension, describe activities and games children can do with everyday things. Preschoolers (age 3-5) can attend Storytime. Toddlers may stay with parents attending program.

PRESCHOOL CRAFTS

Preschool Crafts at the Plainview-Old Bethpage Public Library will be held on Thursday, April 14th, from 1:00 - 2:00 pm. Be creative. Be social. Join our parent and child craft hour of fun. Register in Family Center.

East Plainview-Old Bethpage G.O.P. Report

PRESIDENT
Jeanne Noonan

P. O. BOX 283
OLD BETHPAGE, 11804

EXEC. LEADER
Dr. Chas. Artale

Spring time is here - rain or not. Check those trees and bushes on the lawn and backyard - yes they are budding. But spring time means spring clean up around the house - inside and outside. So those outside clean up chores - to assist Town of Oyster Bay homeowners - for five consecutive weeks commencing April 16th on both Saturdays and Sundays - Town residents may take refuse from outside clean up projects directly to the Solid Waste Management facility at Sweet Hollow Road, Old

Bethpage. Only private cars and trucks will be allowed this "free" service. Last weekend date is May 15th, 1983. REMEMBER - all you bargain hunters and chance takers - April 20th, is the East Plainview/Old Bethpage Republican Club Chinese Auction. Prizes, prizes and more prizes. Free admission and refreshments - that's 8:30 P.M. sharp.

Sewer construction will be starting in much of our area. While during this construction Nassau County takes over jurisdiction of these Town roads, the Town

assures us they will attempt to assist residents in solving any sewer related problems, by contracting the proper County authorities.

Hope to see you at the "Plainview Area - As It Was" meeting. This bit of nostalgia will be the subject at a forthcoming meeting. Details to follow.

REMEMBER - our general meetings are held at the American Legion Hall, Southern Parkway, Plainview, the third Wednesday of every month (except July and August) at 8:30 P.M. - SEE YOU THEN.

Let Eastern's Money Manager Earn You High Guaranteed Interest.

Open an Eastern Money Manager AccountSM today...
And watch your investment pay off!

Eastern offers you a new way to maximize your income with the introduction of our high yield Eastern Money Manager AccountSM. You'll earn a weekly guaranteed rate of interest on your account when you deposit just \$2,500 or more. And each week thereafter, we'll adjust your rate to keep you ahead of the prevailing money market yields.

EASTERN MONEY MANAGER ACCOUNTSM

Yield guaranteed to be no less than

9.28%

on a minimum

8.75%

annual rate

Compounded daily, credited monthly.
Rate effective April 5 through April 11.

Here are a few additional reasons to take immediate advantage of this new investment opportunity:

A savings account that pays off.

There's no limit on the amount of interest your Eastern Money Manager AccountSM can earn. Rates are adjusted weekly and guaranteed for up to seven days. High money market interest is credited monthly and compounded daily.

More secure than money funds.

Eastern's Money Manager AccountSM is insured by the FDIC up to \$100,000. Money funds carry no government insurance.

Easy access to your account.

You can make unlimited in-person withdrawals and deposits in any denomination at any Eastern office or by mail. In addition, you're entitled to write up to three third-party checks against the account each month and make up to three transfers from your Eastern Money Manager AccountSM to other Eastern accounts.

Every invested dollar earns interest.

Even if your balance drops below the \$2,500 minimum, your money will still continue to earn 5.25% interest.

Individuals are cordially invited to invest in an Eastern Money Manager AccountSM. For full details, call toll-free from anywhere in New York State: 1-800-522-5492, or visit or call any of our offices. This offer may be revised or withdrawn without prior notice.
