Last Local Appearance Of St. Ignatius Girls Drum & Bugle Corp This Sat., July 16

By Bruce Beck

The St. Ignatius All-Girl Drum & Bugle Corps will be hosting their final "Pageantry in Brass" show on June 16.

Windjammers, Bricktownship, N.J.; L.I. Grenadiers, Medford, N.Y. and Crimson Kings, N.Y., N.Y.

This years show promises to be special. It is the Silver Anniversary Show for the Corps and the last it will host.

Treat yourself to a night of marching and musical competition with some fine drum and bugle corps as well as the internationally famous St. Ignatius Girls.

The St. Ignatius girls will end its 25 years as a competitive unit by making their last hometown performance special to all who know their accomplishments as well as exciting to those who don't.

Recruitment information on a new co-educational corps, called "New Image" will be available. This corps stems from the St. Ignatius roots with only the finest in expert instruction.

Appearing in their show will be Blackwatch from Willingboro, N.J.; C.M.C.C. Warriors from Bronx, N.Y.; L.I. Kingsmen, Kingspark, N.Y.; Cranford Patriots, Cranford, N.J.; Cambria Cadets, Cambria, Ohio;

For more information on the show call 935-9208. Group sales as well as handicapped facilities available. Refreshments also available. See you Saturday June 16 at 7 p.m.

ST. IGNATIUS CORPS FAREWELL PERFORMANCE: Oyster Bay Town Councilman Thomas L. Clark (right) listens as St. Ignatius Girls Drum and Bugle Corps drum majors Justine Wieman (left) and Diane Gaudagno discuss preparations for the 19th annual Pageantry in Brass drum and bugle corps competition scheduled for Saturday, July 16, at Hicksville High School athletic field.

The contest, which will begin at 7:30 PM, will mark two milestones in the history of the Corps - its 25th anniversary and the final hometown full-field performance of the group.

Director Don Graziose tells Clark that a coed drum and bugle corps to be called New Image will replace the St. Ignatius Girls this fall.

The St. Ignatius Corps is an eight-time World Open Championship winner, which tops an impressive list of achievements since the group was formed in 1958.

Calendar of Events

Friday, July 15

Brass Choir Concert, 8 p.m., Eisenhower Park.

Saturday, July 16

Broadway Revue, 8 p.m., Eisenhower Park. Rain date, July 22.

4-H AWARDS: Oyster Bay Town Councilman Thomas L. Clark presents a citation to Millie O'Callaghan, chairman of the Mid Island 4-H Council, in recognition of 4-H's contribution to the youth of the community. Clark was on

hand for the Council's annual awards and achievements night, which included displays of projects completed by 4-H members including Paula Fritz and Richard Stasche, both of Hicksville.

IT SEEMS LIKE ONLY YESTERDAY! Here we see Mr. and Mrs. Mel Voochies of Hicksville who celebrated their 28th wedding anniversary on a moonlight cruise held by the Hicksville Fire Dept. attended by seventy friends and guests, Mel is an ex-chief of the Hicksville Volunteer Fire Dept.

Hicksville International Tournament

The Hicksville American Soccer Club ran its Seventh Annual International Soccer Tournament last week-end and, like the six previous ones, it was a huge success. Teams from as far away as Taiwan, Austria, Canada and California came to Hicksville to meet new friends and play good, competitive soccer. Back in 1976, the Hicksville Club ran its first international tournament in honor of the nation's bicentennial. Charles Frattini co-directed that first great event and returned this year (along with Ken Groves and their wives Maureen Groves and Pat Frattini) to direct activities during the four-day tournament.

Almost sixty teams in seven age groups played great soccer in the preliminary rounds on Thursday, Friday and Saturday, trying to earn a berth in Sunday's semi-finals. For the first time in a few years, Hicksville was blessed with absolutely perfect weather so after the soccer games, the Hicksville boys entertained their guests at the beaches, pools, baseball games, parties and trips around the island. The adults were also entertained on Friday evening at the tournament dance chaired by Barbara McCann and Pat McHugh. Numerous presentations were made to our visitors from out of state and abroad and a good time was had by all.

The tournament headquarters was at the Grumman fields on South Oyster Bay Road where the Town of Oyster Bay showmobile was on hand all four days. Six fields were constructed and maintained during the tournament by Rich Schroeder and his crew who did a fantastic job. The Grumman fields never looked so good with lots of grass, painted goal posts and colorful nets. Opening ceremonies on Thursday morning were most impressive (handled by Peter Collins) and included the Nassau County Police Marching Band, introductions and very short speeches by dignitaries from the tournament sponsors: Grumman Aerospace, Town of Oyster Bay, Parks Dept., Mid Island Herald, The B.P.O.E. Hicksville Elks, The Joseph Barry Council of the K of C and the Hicksville VFW.

After the national anthems of the four participating countries were played, Michael Collins of the New York Arrows kicked out the first ball and the tournament began.

Besides co-directing the tournament, Ken Groves coached his Hicksville Rangers to a 3-0 win over California in the first game of the tournament and continued undefeated to

KICK OFF: Oyster Bay Town Councilman Kenneth S. Diamond kicks off the Hicksville Americans 7th Annual International Soccer Tournament, getting a few pointers from Peter Collins, president of the Long Island Junior Soccer League.

Teams from various states as well as Austria, Canada and the Republic of China competed in the four-day event. Cheng Hsien-San (left) director of the Chinese team, and player Hsueh Kul-Hung were among those on hand for the opening ceremony.

claim the championship in the under 14 age group. The other champions were:

- Under 9 - East Meadow
- Under 10 - Cow Harbor
- Under 12 - Hicksville Cardinals
- Under 15 - Massapequa

Galileo Lodge News

By Joe Lorenzo

VENERABLE SKIP MONTEFORTE'S MESSAGE: "A ship in a harbor is safe but that is not what ships are built for." Old Saying

A special report from Sue Laurenti, chairlady of the 1983 'Foolies Follies' revue, is that tickets for this activity will be ready on Wednesday, the 31st of August and then every Thursday after that, from 6 to 10 P.M., at the Galileo Lodge. Also, every Wednesday night, at the Galileo Lodge, from 6 to 10 P.M., Dolores Look (822-5520) and Theresa Gatto (433-6708) will sell tickets, which, incidentally are \$10 per person and which, besides the show, entitles you to a delicious hot dinner with all the trimmings, beer, soda, coffee and cake, and some pretty nice dance music from Mark, a leading Long Island disc jockey. Although the 'Foolies Follies' is an autumn activity, we are issuing this information about tickets because

they sell quickly and it has become a 'first-come-first-served' basis. So, if you like the 'Foolies Follies', (and who does not) act quickly and order your tickets! Perhaps you would like to know that aiding and abetting Sue Laurenti (931-0036) will be co-Chairlady Mary Monteforte and Tess Clamptett and Odelia Ricca, who are the backstage help, and Florence Perotti, who is in charge of Costume Design.

We have a beautiful report on Kim Hecker, the aquatic star and lovely daughter of Mr. and Mrs. Charles Hecker of our Lodge. Kim has just completed her involvement with the Canadian International Swimming Meet held in Montreal, Canada. She placed 5th in the 200 butterfly, 6th in the 800 free style and the 400 free style. She finished 8th in the 100 butterfly. On July 15, 16 and 17, Kim will participate in the Senior Metropolitan Championship Meet to be

held at West Point, and there she will enter the 200, 800 and 400 free style, the 1500 free style, the 100 butterfly, the 200 butterfly and the Relays. Then from August 10 to the 14th, the indefatigable Kim will enter the Empire State Games where she will represent Long Island, and in this meet will enter the 1500 meter free style. Kim is coached by Bill Davis and is a member of the L.I. Swim Club. The Galileo Lodge, just like Kim's parents, is very proud of Kim and her exceptional swimming capabilities. We are all following the aquatic exploits of this talented youngster. Charles Hecker also celebrates his birthday on July 14th and Charles and his attractive wife Francine will be heading for the Catskills, Pine Grove, for a well-earned vacation.

Summer time is a good time for relaxation and leisure, and what better way to relax and enjoy those lazy summer hours than to attend the Galileo Lodge's picnic to be held on Sunday, August 7th, at Eisenhower Park, from early morning to late evening. Tickets sell at \$5.00 for adults, with children to be admitted free. Please note that this picnic is exclusively for immediate family members only. So please call Tony Sica (796-8789) for your table reservations, which is another 'first-come-first-served' activity. The food will be plentiful

and the drinks overflowing, which includes only soda and beer. So for a summer pleasure and recreation that will certainly add to your late summer fun, this activity is just for you.

Another activity that might catch your summer fancy is the Galileo Lodge's presentation of its mock version of the old-fashion Italian wedding, replete with the proper moods, costumes and authenticity. This activity is scheduled for late August. Tickets will sell at \$10 per person, and that includes a hot dinner, beer, soda, coffee and cake and music for your dancing and listening pleasure. A 'bring-your-own-liquor' policy will be in effect that night. So, for a bit of nostalgia and for something that can take you back to a period in time when things were a little different, don't miss this 'Football Wedding Dance'!

And all you beautiful young ladies who are related to members of the Galileo Lodge, male as well as female, your applications for our Beauty Queen Pageant are now awaiting your attention. Contact Venerable Skip Monteforte for more information on this activity. Dial 938-9536.

Attends Camp

Joshua Rosenow of Plainview has attended the United States Space Camp at the Alabama Space & Rocket Center in Huntsville. Next year the camper will attend Plainview-Old Bethpage Middle School at home.

The camper learned various techniques used by the National Aeronautics & Space Administration (NASA) to train its astronauts. Included were computer lessons, rocket building, zero-gravity simulations, eating freeze-dried food and trying on a space suit.

LEGAL NOTICE

NOTICE OF PUBLIC HEARING BY THE BOARD OF APPEALS

Pursuant to the provisions of Art. 1 - Div. 3, Section 67 of the Building Zone Ordinance, Notice is hereby given that the Board of Appeals will hold a Public Hearing in the Town Hall, East Building Meeting Room, Audrey Avenue, Oyster Bay, New York on **WEDNESDAY EVENING, July 20, 1983 at 8:00 p.m.** to consider the following cases: **HICKSVILLE: 83-266: DOROTHY CORRIGAN:** Variance to allow an existing Garage and Breezeway to remain with less than the required rear yard and the encroachment of eave and gutter. N/E/Cor. 7th Street and Division Avenue.

BY ORDER OF THE TOWN OF OYSTER BAY BOARD OF APPEALS
OYSTER BAY, NEW YORK
July 11, 1983
M-4682-IT 7/15 MID

HONOREES: Oyster Bay Town Supervisor Joseph Colby (right) presents a citation to Lola and Rudy Lefkowitz of Plainview in recognition of outstanding community service.

The two were among the recipients of the New Life Award given to community

leaders who are also Holocaust survivors by the Nassau Division of State of Israel Bonds.

Members of the Midway Jewish Center, the Lefkowitzes were honored at the 2nd annual New Life Dinner of Remembrance sponsored by the Nassau Division.

Awarded Contract

The Defense Electronics Supply Center has awarded a \$562,500 contract to the Ampere Electronic Corporation, 230 Duffy Avenue, Hicksville, New York, for the production of electron tubes.

The Defense Electronics Supply Center is a field activity of the Defense Logistics Agency headquartered at Cameron Station, Alexandria, Virginia. DESC buys and manages electronic component parts for the Armed Forces as well

as civil agencies of the Federal Government.

Electronics companies interested in doing business with DESC can obtain information by writing: Defense Electronics Supply Center, ATTN: Directorate of Contracting and Production, Dayton, OH 45444. Small businesses together with minority and women-owned firms can seek special information by writing the DESC Small Business Office.

Antique-Athon

An antiques and collectibles extravaganza, featuring rare and beautiful items will be held at the Plaza at Mid Island in Hicksville, on July 27 through July 31, from 10 am to 5 pm.

More than twenty antique dealers of a variety of collectibles, including furniture, comics, coins, primitives, silver, china, lace, decorative items, paintings, and more will be displayed throughout the mall. Dealers will be on hand to answer questions and sell their extraordinary collectibles during this five-day

"antique-athon," promoted by Wedgewood Showtiques, Ltd.

As a special addition to the show, an antique comic book display will be presented in the west end of the mall and an antique baseball card collection on the north end on Saturday, July 30 and Sunday, July 31.

Don't miss this grand opportunity to see and purchase thousands of antiques and collectibles at the Plaza at Mid Island mall in Hicksville. For more information, please call Donna Imperato at (212) 682-4155.

PIONEER OFFICER NAMED

Kurt Naegler of Plainview, right, receives congratulations from Ernie Guiliet, a New York Telephone Assistant Vice President of Personnel, on becoming a Life Member Representative of the 7,500 member Paumanok Pioneers, a volunteer organization made up of New York Telephone employees and retirees. Naegler, a retired 35-year company veteran, will be coordinating many of the group's community service projects. Among their

activities is bringing a telecommunications van to shopping centers, parks, churches and other public meeting places to test people's hearing and demonstrate the many devices - including telephone equipment - that are useful to those with hearing impairments. Other projects include teaching skills to handicapped youngsters, repairing "talking books" for the blind and working on a campaign to wipe out gypsy moths on Long Island.

300 Town Employees To Participate In Radio Motor Patrol Program

Pictured placing the Civilian Radio Motor Patrol decal on a Town of Oyster Bay maintenance vehicle are from left to right, Joseph Cartafalsa, Citibank Community Affairs Manager; Robert Rauff, Sr., Town of Oyster Bay; (seated in truck) Robert Rauff, Jr., Town of Oyster Bay; Bill Cathers, Nassau County Police Department; and Thomas Spina, Town of Oyster Bay.

Oyster Bay now has 300 additional pairs of eyes and ears that have been specially trained to report accidents, fires, crimes, and other emergencies as 300 Town of Oyster Bay employees have now joined Citibank's Civilian Radio Motor Patrol program.

Equipped with two-way radio devices in their vehicles, these employees join many other civilians who are participating in the Civilian Radio Motor Patrol program to help bring prompt emergency attention to those in need of assistance.

The Civilian Radio Motor Patrol program was introduced in New York City ten years ago. It expanded into Nassau County five years ago and into Suffolk County a year later. The purpose of the Civilian Radio Motor

Patrol which is sponsored by Citibank in cooperation with New York City, Nassau and Suffolk Police Departments, is to assist police by reporting emergency situations by radio. Members of the Civilian Radio Motor Patrol include cab, bus, truck and other drivers who have two-way radio devices in their vehicles.

Prior to enrolling in the program, Civilian Radio Motor Patrol members receive special training by police authorities on how to report accidents and crimes so that they will be able to function as a valuable communications link to the police. With the present enrollment in the Civilian Radio Motor Patrol, last year members were credited with reporting over 20,000 calls to the 911 police emergency network.

LILCO Rate Hearing On July 22

Hicksville, Plainview and Old Bethpage area residents are encouraged to attend public hearings on Friday, July 22 at 2 pm and 6:45 pm on a proposed 54.6% rate increase requested by the Long Island Lighting Company. Members of the New York Community Action Network are among the civic groups urging citizen involvement in the upcoming rate hearings, set to be held in the Board Room (fifth floor) of the Nassau County Exec. Bldg., 1 West St. in Mineola.

"Long Islanders will pay \$200.00 a year in additional LILCO bills if this increase is approved," according to a spokesperson for a coalition of Long Island civic organizations which is encouraging public participation in the hearings.

The public statement

hearings are sponsored by the Public Service Commission and are intended to gain ratepayers' opinions on the proposed rate increase.

"It is very important for Long Islanders to attend these hearings in large numbers to show how we feel about the rate increase," stated the coalition. "Citizen participation is essential so that a clear message can be sent to LILCO and to our government officials about the proposed hike."

The coalition is looking for volunteers to assist in spreading the word about the hearings throughout the Long Island community. If you would like to volunteer or if you would like more information about the hearings, please call #798-4700 or #741-1400.

Eighth Precinct Police Report

By P.O. Kenneth Box

Hardt's Shell Gas Station, located at 500 Old Country Rd., Hicksville was robbed on July 4 at 7:50 P.M. by an unknown male, black, who walked into the station and approached the attendant, Joseph Milenkovic, 17 years, produced a small hand gun and demanded money. The attendant

handed over \$130 dollars from the register and the suspect fled the scene on foot west bound on Old Country Rd.

The suspect was described as a m/b, 18-23 years, 5'10", 150 lbs., thin, blue hat, jacket and pants. There were no injuries reported and the Eighth Squad is investigating.

MEMORANDUM filed with Assembly Bill Number 6800-A, entitled: "AN ACT to amend the environmental conservation law, in relation to land burial and disposal of solid waste in the counties of Nassau and Suffolk."

APPROVED

This bill amends the Environmental Conservation Law to control the landfilling and disposal of solid waste on Long Island. The bill distinguishes between areas situated in a deepflow recharge area of the Long Island aquifer and those parts of Long Island which are not in the deepflow recharge area. The deepflow recharge area is that part of the sole source aquifer most sensitive to contamination by leachate from a landfill.

The bill prohibits the operation of new landfills in the deepflow recharge area. In addition, it prohibits the expansion of existing landfills in a deepflow recharge area unless the Commissioner has found that the expansion is necessary to coordinate the implementation within seven years of a resource recovery system.

The bill also provides that no new landfills may be built on Long Island outside of the deepflow recharge area unless the Commissioner finds that the landfill meets certain specific operating standards. The bill further provides that, within seven years, all existing landfills on Long Island, both inside and outside the deepflow recharge area, must also meet these operating standards. Under this bill all new and exist-

ing landfills may accept waste, which is the product of resource recovery, incineration or composting or which is untreated municipal waste accumulated during a solid waste treatment facility's maintenance period. In addition, new and existing landfills outside the deepflow recharge area may also accept other untreated municipal waste where the commissioner finds that no resource recovery facility is available to treat such waste and where the municipality is implementing an acceptable resource recovery system.

Long Island's water supply is the sole source of drinking water for most of Long Island. It is essential that this vital resource be protected from contamination. The deepflow recharge area in the Long Island sole source aquifer is especially sensitive to the effects of pollution and long-term contamination. The ban on further landfills in this highly critical area and the prescription of operating standards for existing and new landfills outside the deepflow recharge area will protect this resource. At the same time, this bill recognizes the importance of resource recovery for solid waste management on Long Island and encourages the municipalities to implement this technology.

The Department of Environmental Conservation and the Sierra Club recommend approval of this bill.
The bill is approved.

(Signed) MARIO M. CUOMO

Garage Fire Fed By Propane

A garage fire fed by a burning propane tank caused Hicksville firefighters to evacuate homes in the immediate vicinity of the fire. Overhead LILCO primary and secondary wires were also burning.

Hicksville firefighters, led by Chiefs Donlon and Magee confined the fire to the garage at 38 Elwood Ave.

The alarm was reported on July 10 at 12:26 and was under control in 1 hour.

Firefighters were working under extremely hazardous conditions. The burning propane tank burning electrical wires and 6 containers of gasoline. The propane tank was removed - burning - by Lt. Wayne Lyster of Engine Co. #7 from the garage to the rear yard where it was kept cool and allowed to burn itself out. The gasoline was removed before it ignited as was a small racing car. Nearby homes in the area were protected. A pet rabbit was removed from immediate danger by Fire

Lt. Jack Huttie of Hose Co. #4.

Fire officials wish to remind homeowners it is a violation of law for propane cylinders or quantities of gasoline to be stored or kept in ANY structure. 9 units responded with 45 men. Damage was estimated at

\$6000.00.

Second Precinct Police Report

John Doran, 26, of 29 Richard Court, Plainview, a Landscaping Supplier, from whose car the larceny occurred, as it was parked in front of his home.

Anyone with any information regarding the above is asked to call the Second Squad, at 516-364-0500, extension 52-Det. Frank Marinuzzi.

A two car auto accident in Syosset, on July 8 at 5:15 p.m. resulted in one fatality and one man in critical condition at Central General Hospital in Plainview.

George Stergakos, 39 years of age, from 212 North Cedar Street, North Massapequa, operating a 1979 Firebird, westbound on Jericho Turnpike, west of Michael Drive was attempting to make a left turn into a

parking lot, when he was in collision with a 1977 American, operated by Philip Pliskin, 21 years of age from 7 Corbin Court, Huntington, going eastbound on Jericho Tpke.

Both men were taken by Police ambulance to Central General Hospital and at 6:33 p.m. George Stergakos, was pronounced dead of his injuries. Pliskin is in the intensive care unit where he is listed in critical condition.

No charges have been filed. Stergakos was the owner of the Delphi Diner on Montauk Highway in West Islip, married and the father of a two-year-old boy. He was identified by his brother, John.

The Second Squad is investigating a robbery that occurred on July 5 in Plain-

view at 11:15 am, in which a lone robber escaped with \$22,500.

Anthony Colletti, 42, owner of Matinecock Farms, 12 Washington Ave., Plainview, was entering his van with money in a bag. At this time, a male black stuck his arm inside the vehicle from the drivers side. He showed a paper bag which supposedly had a gun in it.

The complainant was told to slide over to the passenger seat, which he did. After the van drove approx. 20', the complainant grabbed the subject, and wrestled with him. The van came to a stop, and the subject got out with the money bag, and ran down Washington Ave., escaping.

Dear Friends:

So Much happening in our town.....this Saturday will be the very last local performance of our international champions (for 8 times) St. Ignatius Girls Drum and Bugle Corps. This final "Pageantry In Brass" show is set for this Sat., July 16th, starting at 7 pm at the High School. Call 935-9208 for tickets. (story on page one of our Hicksville Edition).

It was our pleasure to be at the official opening of the 7th annual International Soccer Tournament which the Hicksville American Soccer Club hosted last week. (see story on page one of our Hicksville Edition). It was a beautiful day and the young players from so many countries were so impressive as they stood in front of the reviewing stand! So was the Nassau County Police Dept Band and Color Guard which took part in the entire ceremony, which was conducted ably by Hicksville's own Peter Collins. With a recording they played the national anthems of the Republic of China, of Canada and of Austria and then the Band played our own beautiful "Star Spangled Banner" as well as "America The Beautiful". This, before the official kick-off by Michael Collins of the Arrows (and of Hicksville, of course). It was really beautiful and much credit goes to the volunteers who worked so hard to make the necessary arrangements for this five-day international tournament. This committee was headed by Mr. and Mrs. Charles Frattini and Mr. and Mrs. Owen Groves. Good Show.

We hear that Sen. Ralph Marino has resigned as TOB Republican Chairman and will be succeeded by Mr. James Picken of Massapequa. We're sure you are all familiar with both these gentlemen, as they have both served as Republican leaders in this Township for many years. We wish them both well.

(Continued on Page 6)

Town Reschedules Hearing On Hicksville Special Use Permit

The Oyster Bay Town Board has scheduled a Tuesday, July 26, 1983 public hearing on a request for a special use permit to operate an auto body shop in Hicksville, announced Town Councilman Thomas L. Clark.

The applicants, Colonial Auto Body Inc. and 485 West John Street Company, are seeking special permission to operate an auto body shop on the ground floor of a two-story building in an "H" Industrial District (light industry) area. The building is located on West John Street, east of Charlotte Street and is bounded by the

private right-of-way, Alpha Plaza.

The public hearing, which had been scheduled for June 21, was postponed at the request of the applicants' attorney.

Clark noted that "the petitioner had originally submitted an application in June of 1981 for a special use permit which was denied by the Town Board in September of that year."

The hearing is now scheduled for July 26th at 10 AM in the Town Hall East Hearing Room, Audrey Avenue in Oyster Bay.

We Can Reduce The Burglary Rate

By TOB Sup. Joseph Colby

Recently released Nassau County Police statistics indicate that burglaries have declined steadily since 1981. Certainly a Town law making it more difficult to sell stolen articles deserves some credit, but another vital factor is the greater response of residents in safeguarding their homes through participation in the programs fostered by the Nassau County Police Crime Resistance Unit.

This effort must continue. We must not become complacent and slack off regarding preventive measures.

especially during summer vacation months.

I urge Town residents who plan vacations away from home to take a few simple precautionary measures to insure that their home will be safe and secure while they are away. The fewer people who know when you will be away, the less likely that the "wrong" person will hear that your home is empty. You should notify your local police precinct and a close neighbor as well, so that they can keep an eye on your home. Have your neighbor collect your mail and pick up newspaper

ers and flyers to help give your home a lived in look. Arrange to have your lawn mowed and the sprinkler turned on every now and then. Remember to use timers or ask a neighbor to turn lights on and off and open closed draperies. Put a radio on a timer while you are gone, so that it sounds like someone is home.

In addition, the Town of Oyster Bay has recently joined the Nassau County Police Civilian Radio Motor Patrol. Over 200 Town employees have been instructed by the Crime Resistance Unit to assist police in spotting and reporting suspicious incidents as well as people in need of aid. Employees who have two-way radios in their vehicles can notify their dispatchers, who alert police imme-

diately of any such suspicious or unusual occurrences.

Statistics show that where a Neighborhood Watch program is in existence, burglary, street crime and vandalism can be reduced by as much as 60%. I urge and encourage any Town resident who would like to organize a neighborhood watch program to call the Crime Resistance Unit at 535-7920. They will gladly send an officer to outline the program and help you and your neighbors get started.

Through cooperation with the police, by taking simple precautionary measures to safeguard our own homes and through participation in safety programs, we have significantly reduced the burglary rate. Let's Keep Up the Good Work!

Fighting The Big Spenders Of Your Tax Dollars

By Cong. Norman Lent

Why Tax Indexing Is Important To You

A stealthy disease called bracket creep has been silently siphoning off more and more of your family's income from federal income taxes for many years. You may not have been aware of it, but it's the real reason why you seem to have less and less money to spend each year, although your family income increases.

In 1981, Congress sought to put a stop to bracket creep, by approving a new law requiring federal income tax rate brackets to be reduced by the annual inflation rate each year, beginning in 1985. This is called tax indexing. And here's why it's needed to stop bracket creep.

Let's say a family of four from Hicksville enjoys an income of \$20,000. Inflation is running at 10% so the boss gives the family's wage-earner a 10% raise. Now our family's income goes up to \$22,000, just to keep even with inflation. But they don't keep even—because of bracket creep, they actually lose money from the pay raise!

By earning \$22,000 this family is pushed into a higher income tax bracket. That means Uncle Sam will take a bigger chunk out of the new pay check than he did before, leaving less take-home income for our family. That's how bracket creep hurts every family.

Suddenly, the tax indexing cure for bracket creep is in trouble. Led by House Speaker Tip O'Neill, a move has been launched to repeal the 1981 legislation which eliminated bracket creep. These big spenders want to raise your taxes without your being aware of it, just to get more tax dollars for their special interest programs.

I have been a leader in Congress in fighting this attempt to raise taxes. I joined 147 other Members of the House in sending a pledge to President Reagan declaring our support for his promised veto of the repeal of tax indexing. This should have been enough to stop the drive to repeal tax indexing. But the repealers' efforts continue. Long Island residents should know that I'll do all I can to make sure bracket creep will no longer eat into your family incomes.

Fire Dept. Haz-Mat Team Training

Recently 6 members of the Hicksville F.D. hazardous material response team attended the 1st annual HAZ-MAT team conference in Rockville, Maryland.

The conference was sponsored by Montgomery County-Maryland. A leader in the HAZ MAT Response Team Field.

Chief William Donlon, Asst. Chief William Schuckman, Commissioner Mike Palmer, Lt. William Schmidt, Ex-Capt. Gene Pibtzak (HFD Team Co-Leader) F.F. Robert Johnson attended. The conference consisted of lectures, hands-on drills and training, workshops plus getting acquainted with other HAZ MAT teams and discussing mutual problems and how to handle them—and in some cases how they were handled. There were 150 team members from 25 states and 75 jurisdictions partaking in the conference. There are 45,000 chemi-

cals in use today, 250,000 HAZ MAT Shipments a day, not including gasoline and fuel oil shipments. There are 6,500 HAZ MAT incidents a year. From 1970 to 1979 41 Fire Fighters were killed involving hazardous materials. In 1980 6 died, 1981 3 died in 1982 2 firefighters died. Training and awareness is paying off. The bottom line is plan and prepare now—when it happens—its too late.

For several years the Hicksville F.D. has done just that. Pre plan info has told us where the HAZ-MAT. Are ongoing, training and schooling and acquiring specialized equipment. Information on where to get additional equipment and material has been compiled. Reference books are on board H.F.D. equipment. All this has been accomplished in addition to normal fire and rescue response duties and training.

News From Central General Nursing Home

Mrs. Ronni F. Rosenberg, Administrator of Central Island Nursing Home, 825 Old Country Road, Plainview is pleased to announce that the "Resident Council" voted to sponsor:

(1) Five (5) special children at the July 25th performance of the Clyde-Beatty-Cole Bros. 3 Ring Circus organized by the Levittown Lions Club.

(2) Donate second annual check to the "Bide-O-Wee Home Association - Wantagh, N.Y. with appreciation for the on-going "Pet-a-Pet" program.

"These donations represent monies raised by our residents through Boutique, Plant and White Elephant Sales," she explained.

Mr. Michael B. Litt a resident of Plainview, will direct and supervise the fund raising and public relations activities of the Family Service Association of Nassau County, according to Bruce A. Woodward, President.

FSA, a non-profit agency now celebrating a quarter century of multi-social service to the community, provides vital programs of counseling, advocacy and family life education for tens of thousands of families in distress, regardless of race, religion or income.

Mr. Litt's experience includes service with United

Way, New York Chapter of the Arthritis Foundation and United Cerebral Palsy of NYC. His appointment represents a major effort to strengthen FSA services in Nassau County.

FSA's development program is supported in part, by a grant from the North Shore Unitarian Universalist Vetch Program.

For more information regarding programs or to volunteer your services, please write/telephone Family Service Association, 129 Jackson St., Hempstead, NY 11550, (516) 485-4600.

Hicksville Water District Hears From E.P.A.

By Louis G. Detloff, Consultant

Board of Commissioners Hicksville Water District

The Board of Commissioners, Hicksville Water District, wishes to inform the consumers of the District, that they are now in receipt of a letter from the United States Environmental Protection Agency, Region II ("EPA") that they have formally approved the expenditure of Federal funds to carry out a Planned Removal action at the site of the Hicksville MEK spill

which occurred at 530 West John St. on Feb. 16, 1982.

In addition, EPA has signed the Federal-State Contract for carrying out that action. The contract has been forwarded to the New York State Department of Environmental Conservation; as soon as that Agency has signed it, it will become effective and design and construction work will commence.

Mr. Walter E. Mugdan, Chief of Waste & Toxic Substances

Branch, Office of Regional Counsel, made the above information available to Gilbert E. Cusick, Chairman and this announcement is made public by the entire Board, consisting of Stanford Weiss and Nicholas J. Brigandi.

The Board wishes to acknowledge the considerable assistance given this action by our legislators both State and National, together with that of our Staff and Consulting Engineer, Holzmacher,

McLendon and Murrell, P.C., represented chiefly by Mr. Samuel C. McLendon, P.E. It is realized that for "emergency response" to a situation of this magnitude all too much time has been wasted but we are most happy to report that at this late date the "MEK" is still contained underground in a confined area. None of our wells in the immediate area have been in use in order to keep the spill from moving out.

"Empire Passport A Bargain For State Park Fans," Parola

Noting that thousands of state residents and tourists regularly enjoy the offerings of New York's more than 200 state parks, historic sites and recreational facilities each year, Assemblyman Fred Parola, Jr. (R-C-Wantagh) today encouraged his constituents to purchase from the state an Empire Passport, which allows unlimited vehicle entry into these areas for a full calendar year.

"Empire Passports may be purchased through the mail from the New York State Parks Department for \$20," explained Parola, "and when affixed to the window of a car, they allow unlimited entry for a period of one calendar year, from January 1 to December 31 to most parks, recreational facilities and historic sites operated by the state Office

of Parks, Recreation and Historic Preservation and by the state Department of Environmental Conservation.

"It's not too late to take advantage of this great bargain," the assemblyman said. "Summer is the peak season for area state parks, such as Jones Beach, Bethpage State Park and Robert Moses, and when one considers that each visit without a passport costs \$3.50 for entry and parking, it's easy to see what a worthwhile money-saver an Empire Passport would be. For example, if an individual visits Jones Beach just six times this summer, he or she has already paid more than the purchase price of a Passport."

Parola stated that Empire Passports are not granted to

taxis, buses, trucks or other such vehicles which are hired to transport persons to parks, and said that free access with a Passport is allowed only if space is available in a facility.

"In 1982 more than 15,000 people purchased Empire Passports and enjoyed free access to our state's beautiful parks and historic and recreational facilities. I strongly urge residents of the 14th Assembly District to join the thousands who

are taking advantage of the Passport this year," the assemblyman concluded.

Applications are available at Parola's District Office at 3700 Hempstead Turnpike, Levittown, N.Y. 11756, and a free copy of the "Guide to New York State Parks, Recreation and Historic Preservation," a comprehensive listing of state parks, their facilities and programs, is available from State Parks, Albany, N.Y. 12238."

Committee Recommends Dr. H. Kouts

In response to an invitation from Governor Mario Cuomo, Citizens For An Orderly Energy Policy has submitted the name of Dr. Herbert Kouts as a candidate to serve on the Governor's special fact finding panel on the Shoreham Nuclear Power Station.

Dr. Kouts is Chairman of the Department of Nuclear Energy at Brookhaven National Laboratory, and is recognized as one of the world's leading experts in Nuclear Power Station.

Dr. Kouts is Chairman of the Department of Nuclear Energy at Brookhaven National Laboratory, and is recognized as one of the world's leading experts in nuclear safety, having served both as a member and chairman of the federal Advisory Committee on Reactor Safeguards, director of nuclear safety research of the Nuclear Regulatory Commission and on various other state, federal and professional committees concerned with the peaceful applications of atomic energy. He has received many national

awards, the most recent being the prestigious "Theos Thompson Award for Nuclear Safety" of the American Nuclear Society. Dr. Kouts is a member of the National Academy of Engineering.

Dr. Kouts, a resident of Brookhaven hamlet, is not a member of the Citizens organization that placed his name in nomination; however, a spokesman for the group noted that "our members have the highest regard for his professional capabilities, integrity and practical judgment. In our view, the people of Suffolk County are fortunate to have a person of this caliber available and willing to donate his time to this important committee. We can expect Dr. Kouts to be meticulously objective and to approach this task without preconceived notions on the findings of the panel."

Editors note: We are pleased to be able to bring you the news that our governor has now invited a qualified expert in nuclear safety to serve on his fact finding panel.

Mr. Harry Peltz, an attorney was named Vice President, Bernie Schiel, Secretary and Augie Casella, Treasurer. Elected to the Board of Directors was Past President Arthur Pettorino, John Hill, Ronald Platt, Frederick Meyer and Alfred Levine.

Mr. William Howarth, new president of the Hicksville Rotary Club. (Photo by Joe DePaola)

Members Of Youth Board

TEENAGERS, such as those pictured with Sen. Michael J. Tully, Jr., who are members of the Nassau County Youth Board, will be afforded greater participation on the boards of non-profit corporations under legislation that has been enacted under Tully's sponsorship. Pictured in a meeting in the Senator's Albany office are, left to right, Tom Keane of Mineola, Michael Beloff of Great Neck, REGINA RUF of HICKSVILLE, Tully, Milton Woodward of Westbury, and Maureen Dyroff of Mineola.

Country Music Concert At Bethpage Park

An evening of country and bluegrass music will highlight the third week of summer programs in the park for Bethpage Community Park District residents, according to Town Councilman Douglas J. Hynes.

The John Herald Band and square dance caller Pat Cannon will take the stage at the Community Park on Thursday, July 21, beginning at 8:15 PM. The CAPA-sponsored program will be held at Bethpage High School, Stewart and Cherry Avenues, in the event of rain.

"The John Herald Band has become a favorite with audiences on the country circuit with its lively repertoire of country, bluegrass and folk music," Hynes stated. "In addition to headlining with his own group, guitarist Herald has been a featured performer at numerous musical festivals and has recorded with the likes of Doc Watson, Ian & Sylvia, John Sebastian and Paul Butterfield. Also a songwriter, Herald's tunes have been recorded by such well known artists as Peter, Paul and Mary, Joan Baez and Linda Ronstadt."

Hynes noted that the program is being supported by public funds from the New York State Council on the Arts.

For children, CAPA will sponsor a program of creative dance on Wednesday, July 20. Motion Picture will strut their stuff at the Community Park beginning at 1:30 PM.

For further information, contact CAPA at 795-4707.

Hurricanes Bring The Long Island Cup To Hicksville

After a number of rounds of play, the U/11 Hurricanes, sponsored by West Village Green Liquors, progressed to the finals of the Chase sponsored L.I.Cup.

The semi-final game proved to be a very exciting contest. Pitted against Brentwood, the Hurricanes dominated play, continually frustrating their opponent, who was the Division Champion this season. This was only their second loss, both to Hicksville. The score was 3-0, and the Hurricanes moved on to the finals at C.W. Post College. This game was against North Babylon, who also placed high in the Division.

Goalie Neil Cambrono played two excellent games, adding 2 more shut-outs to his credit. All lines worked the ball well. Excellent passing set up many offensive plays by Jimmy Theologitis, Mike Langsam, Kevin Morrisroe & Chris Flanagan. The half-backs helped control the games tempo, & broke up the opponents offensive plays as well as setting up many offensive runs. David Kuck, Drew Donohue, Bobby Ladmir and Matt Adelstein worked their areas well.

fully by the defense. Stephen Pine in stopper, Jason Carmen, Brian Garnets & Brian Spinner as fullbacks & Eddie Kelly as sweeper kept both opponents from penetrating.

Congratulations to the team for placing first in the Twin County tournament in Tom's River, N.J. on Memorial Day. As well as balanced scoring & defense, our goalie Cambrono was unscored on the entire weekend.

Thanks to the coaches Bob Ladimir and Jim Garnets for these past seasons work and efforts to bring these boys to the point they are at now.

"Congratulations to the Wisconsin Team. It came in third place which was quite an achievement considering the opposition they had," said a spokesperson for this fine team.

Controlling the backfield was accomplished success-

TOB Summer Program Third Week

Ellsworth Allen and John Burns Town Parks and Tappen Beach will be the "happening" places for the Oyster Bay Town residents during the third week of summer programs in the parks, according to Town Supervisor Joseph Colby.

The New York Gilbert & Sullivan Players will start off the week with a program of "Best Loved Tunes of Gilbert & Sullivan" on Monday, July 18, at Ellsworth Allen Town Park, Heisser Lane, Farmingdale. The program scheduled to begin at 8:15 PM, will be held at Howitt Jr. High School, Van Cott Avenue, in the event of rain.

"Since its inception in 1974, the New York Gilbert & Sullivan Players has been delighting audiences with its dynamic presentations of G&S productions," Colby stated. "Director Albert Bergeret has made a professional specialty of G&S, having sung, directed or designed every G&S operetta."

For this performance, selections will include highlights from THE MIKADO, H.M.S. PINAFORE and PIRATES OF PENZANCE.

The summer happenings will continue on Tuesday, July 19, when the Concert Orchestra Choir of Long Island presents two fully costumed and staged opera cameos, Act. I, Scene II of LUCIA DI LAMMERMOOR and Act IV of RIGOLETTO. The program will begin at 8:15 PM at John Burns Park, Merrick Road, Massapequa, moving to Massapequa High School, Merrick Road, in the event of rain.

"Under the direction of Laszlo Halasz, founder of the New York City opera, the Concert Orchestra Choir of Long Island has been winning praise from audiences and critics alike for its virtuosity," Colby commented. "Its members have sung with some of the most prestigious opera companies in America, compiling a noteworthy list of professional credits."

It will be opera at the beach on Friday, July 22, when the Island Opera Players sing highlights from opera and operetta At Tappen Beach, Glenwood Landing, beginning at 8:15 PM. The program will be

held at Glenwood Landing Elementary School in the event of rain.

"For the past seven years, the Island Opera Players have been entertaining Long Island audiences with professional-caliber concerts, in-school programs and operalogues," Colby said. "Its members have sung with renowned opera companies both here and abroad bringing their combined range of musical experience to make the Island Opera Players one of the leading exponents of opera in the Long Island area."

For this performance, selections will include "Toreador Song" from CARMEN, "O Mimmi tu Piu" from LA BOHEME, "Serenade" from THE STUDENT PRINCE and "Summertime from PORGY AND BESS.

Colby noted that all of these programs are being sponsored by the Town's Cultural and Performing Arts (CAPA) Division of the Department of Community Services with support from the New York State Council on the Arts.

August B. Krogmann

August B. Krogmann of Hicksville died on July 10. He was the beloved husband of Effie C., the loving father of Richard and David Krogmann and Lorelle Wuerz, the dear father-in-law of Patricia and Barbara Krogmann and the Rev. Henry Wuerz. He was survived by seven grandchildren and was the loving brother of Helen Cauthen.

He reposed at the Vernon C. Wagner Funeral Home on Old Country Road and Jerusalem Ave. Services were held on Tuesday evening at Redeemer Lutheran Church with the Rev. Dr. Theodore Grant officiating.

Interment took place on Wednesday, July 13th in the Horicon Cemetery in Brant Lake, N.Y.

Mr. Krogmann resided in Hicksville for 36 years. He had retired as traffic manager of the Harbor Distributing Corp. He was a World War II veteran in the Navy Seabees, which included work during combat in support of the US Marines on Okinawa and Iwo Jima.

Mr. Krogmann, who was born in Brooklyn and grew up in Lynbrook, was an outstanding athlete.

He was a founding member of the Redeemer Lutheran Church.

From Hicksville Class Of '58

72 People Are Missing!

Seventy-two people are missing from the Hicksville High School Class of 1958.

Phone calls made to their former homes, relatives and friends in an effort to locate them have been in vain.

Even card catalog files on them have proven hopeless. To complicate matters, some have even changed their names and must now be classified as "unknown."

With or without them, though, the reunion must go on. "We really would appreciate if anyone who knows these people would let us know where we could reach them," said Nancy Walsh Gustafson, chairperson of the 15-member reunion committee which has been working on the event since late last year. "Since many of them got married a number of times, their name changes further complicate things."

The Hicksville High School Class of 1958 will enjoy an evening of long-ago memories September 3 as they reunite at the Holiday Inn, Plainview, after 25 years. Former prom queens, jocks, bookworms and greasers will try to match vaguely remembered names with long-forgotten faces. With that bit of practice, more than 150 members of the class of 1958 should be prepared to reminisce about football games, senior proms, the Kennedy era, teachers they mistreated, and other assorted high school mischief in which they sported. Outfitted in three-piece suits and cocktail dresses, they can show off their spouses, pictures of their children, and boast about their careers and how far they've come.

The alumni who has had the most spouses, the most children, traveled the greatest distance to attend will be honored with prizes, said Mrs. Gustafson. Except, of course, for those among the 72 "missing."

She added that she feels there are many from the class who would attend the reunion if there was only some way to

notify them. "We've set up two special numbers, one in Nassau, the other in Suffolk, so that people can call with leads. The Nassau number is 681-6143. In Suffolk, it is 751-0518."

Mrs. Gustafson added that "We have a lot of people who are coming to the reunion from out-of-state and from out of the country, some coming from as far away as Saudi Arabia."

Unless they're reached, the following 72, however, will be doing other things September 3:

Harry Abeles, Alex Althausen, Luis Barbosa, Ronald Beh, Frank Bilancia, Stanley Blassberg, John Brown, William Butler, John Cannizzaro, Joan Coleman, Eleanor Curry, Joyce Dannenberg, Annette D'Amato, Arthur Davenport, Fred Dehler, Robert Dictor, Helen Diers, Sal DiLorenzo and Bob Doherty.

Also, Ann Empting, Ray Estrada, George Fleig, Kathleen Flynn, Kathleen Gabriel, Joan Glassman, Rudolph Hardick, Richard Hartmaier, Sharon Haydem, Alice Hertel, Bob Hildenbrand, Stephen Hughes, Janet Jacob, Barbara Jockers, Barbara Joseph Schilling, Richard Kavanaugh, Louis Kunz, John LePore, Gerard Levine, Alan Lewis, Thomas Lodato, Mary Ann Lorenzo, Nancy McCue, Mary Maide, Frederick Mayer, Michael Meehan, George Meyer and Nancy Middleman.

Also Victor Mills, Irene Miller, Chester Nichols, Jackie Norton, Gunther Plate, Richard Rogers, Victoria Rux, Barbara Rzeszut, Karl Schaefer, Winifred Shiller, Patricia Shilling, Alan Schietling, Ronald Sealy, Richard Sneckenberg and Clare Stanley.

Also, Leo Stec, Linda Stone, Philip Strehl, Betty Torres, David Van Wart, Anne Vitale, Jeffrey Vogel, William Wright, Edward Zivica, William Wolfson and Victor Yee.

TOB To Training

Oyster Bay Town Supervisor Joseph T. Tobin announced that he has been designated as Service Delivery Administrator for the Town of Oyster Bay Training Partnership.

Tobin said the designation will be a part of the Town of Oyster Bay's ongoing program in cooperative private sector opportunities as a part of the federal Job Training Act.

"The Town's program also includes active participation in the Town of North Hempstead and the City of New York."

LEGAL NOTICE

PUBLIC NOTICE

NOTICE is hereby given pursuant to law in a hearing will be held by the Town Board of Oyster Bay, Nassau County, New York, on Tuesday, July 26, 1983, at 10:00 a.m. for the purpose of an application for use permit pursuant to the Building Zone Ordinance of the Town of Oyster Bay, New York, for the following: PROPOSED SPECIAL USES: Petition of Oyster Bay AUTO BODY, 485 WEST JOHN STREET, OYSTER BAY, COMPANY, permission to operate in an "A-1" District (Light Industrial) pursuant to (a)(10) and (b) of the following premises: ALI, plot, piece or portion of the premises situated at the corner of Oyster Bay, Nassau, State, which is described as follows: The gross area of the two-story building located on the overall parcel of 548.33 feet east of West John Street, also known as West John Street, New York, is 429 on the Map of the Town of Oyster Bay, New York, and is shown on the map which is on file in the office of the Town Clerk, Joseph T. Tobin, at 1079 Beach Street, Oyster Bay, New York. Any person desiring to object to the proposed use of the premises is required to appear at the hearing with reference to the time and place stated above and to present evidence in support of his or her objection. TOWN OF OYSTER BAY, NEW YORK. JOSEPH T. TOBIN, Supervisor. ANNOUNCED: July 15, 1983. OYSTER BAY, NEW YORK. M-4685-

TOB To Establish Federal Jobs Training Partnership Program

Oyster Bay Town Supervisor Joseph Colby has announced that the Town has been designated as a Service Delivery Area to administer the Federal Job Training Partnership Act.

Colby said that, "This designation will permit the Town of Oyster Bay, working in cooperation with private industry, to develop private sector employment opportunities and training programs as specifically outlined in the federally funded Job Training Partnership Act."

"The Town's program will also include acting as a Service Delivery Area for the Town of North Hempstead and the City of Glen Cove."

LEGAL NOTICE

PUBLIC NOTICE
NOTICE is hereby given, pursuant to law, that a public hearing will be held by the Town Board of the Town of Oyster Bay, Nassau County, New York, on Tuesday, July 26, 1983, at 10 o'clock a.m., prevailing time, in the Hearing Room, Town Hall, East Building, Audrey Avenue, Oyster Bay, New York, for the purpose of considering an application for a special use permit pursuant to the Building Zone Ordinance of the Town of Oyster Bay, as follows: **PROPOSED SPECIAL USE PERMIT:** Petition of COLONIAL AUTO BODY, INC., and 485 WEST JOHN STREET COMPANY, for special permission to maintain and operate in an "H" Industrial District (Light Industry) pursuant to Section 485 (aa)(10) and 508(f) an auto body and fender works on the following described premises: ALL that certain plot, piece or parcel of land, situate at Hicksville, Town of Oyster Bay, County of Nassau, State of New York, which is described as follows: The ground floor area of the two-story section of the building located more or less in the center thereof, of the following described overall parcel: Bounded on the east by Alpha Plaza (a private right-of-way), 548.33 feet east of Charlotte Street, also known as 485 West John Street, Hicksville, New York, said premises being described as Section 11, Block 325, Lot 429 on the Nassau County Land and Tax Map. The above mentioned petition and map which accompanies it are on file and may be viewed daily (except Saturday, Sunday or Holidays) between the hours of 9 a.m. and 4:45 p.m., prevailing time, at the office of the Town Clerk at Oyster Bay, Hicksville and Massapequa. Any person interested in the subject matter of the said hearing will be given an opportunity to be heard with reference thereto at the time and place above designated. **TOWN BOARD OF TOWN OF OYSTER BAY, JOSEPH COLBY, Supervisor, ANN R. OCKER, Town Clerk, Dated: July 12, 1983, Oyster Bay, New York.**

M-4685 - IT - 7/15 Mid

The program calls for the establishment of a Private Industry Council (PIC) which will work in cooperation with the Town's Department of Intergovernmental Affairs in establishing job and occupational skills training programs. The PIC will be composed of representatives from business and industry, labor leaders, educators, government and community organizations.

Colby added that "working in cooperation with the private business sector and with the input of a variety of experienced professionals, the program should insure that eligible residents from Oyster Bay, North Hempstead and the city of Glen Cove have the opportunity to develop needed skills through job training programs which will meet the specific employment needs of local community businesses."

LEGAL NOTICE

LEGAL NOTICE TO THE TAXPAYERS OF THE HICKSVILLE FIRE DISTRICT:

NOTICE IS HEREBY GIVEN that a resolution was duly adopted by the Board of Fire Commissioners of the Hicksville Fire District, Town of Oyster Bay, County of Nassau, State of New York, on the Twenty Seventh day of March, subject to a permissive referendum as provided for by Sec. 6-G of the General Municipal Law. An extract of the resolution is as follows:

The Hicksville Fire District maintains a Capital Reserve Fund under Sec. 6-G of the General Municipal Law in which account there is sufficient funds to accomplish the purposes herein after set forth, namely, a Heavy Duty Rescue-Flood Light truck with appropriate chassis, motor and equipment, and it is proposed to purchase the said specific type of equipment in order to maintain the high standards of performance of the Hicksville Fire Department in the discharge of their duties in preserving the lives and property of the residents of the community and the said purchase is deemed in the best interest of the residents of the Hicksville Fire District. The resolution further provides that there be transferred from the present Capital Reserve 6-G Fund of the Hicksville Fire District a sum not to exceed Two Hundred Ten Thousand Dollars and the District Treasurer is authorized to effect such purchase.

This resolution shall not take effect until Aug. 23, 1983 unless in the meanwhile a permissive referendum as provided for in Sec. 6-G of the General Municipal Law is required to be held.

DEVOTIONS

By The Rev. Dr. J. H. Krahn

Trinity Lutheran Church

THE HAUNTING QUESTION

T.S. Eliot, atheist author turned Christian, once asked the question, "Where is the life we have lost in living?" Having many opportunities to talk with dying people, I have often sensed their pain as they looked back. Words of emptiness and unimportance permeate their reminiscence. Somehow they got into a rut and lost hold of life with all its beauty and excitement. Weeks became months. Months became years. So fast. So routine. So deadening. One year hardly distinguishable from the next. And so the haunting question, "Where is the life we have lost in living?"

Healthy people desire happy and meaningful lives and try to avoid ruts of every kind. Jesus Christ once said,

"I come that you might have life and have it more abundantly." He too desires that our lives be everything we want them to be and even more. When we are in close communication with Him we discover His plan for a meaningful life. He is willing to give us an abundant life if we desire it.

But some people mistakenly believe that to be a Christian one must make two lists: one list of the things you like to do and the other of the things you don't like to do. To them the Christian must do everything he doesn't like to do and must avoid everything that he likes to do. How foolish! Christ came to enhance lives, add joy, clear away the ruts and broaden our vision of the Father's world. To be alive in Christ means to enjoy the miracle

of NOW ... today, each moment. A tender kiss becomes more meaningful, a laugh more enjoyable, a good cry more beneficial. Life is not merely lived but

celebrated.

"Where is the life we have lost in living?" For those who know Christ well, this haunting question becomes irrelevant.

Something To Think About

BILL WAGNER

DIRECTOR

SPARING THE SURVIVORS

Sometimes people make arrangements which cause distress to their family. This is often the case when, after a sudden death, it is unexpectedly revealed that the decedent made plans, for example, to have his body donated to a medical school or cremated.

might not be effected, but at least the family will be apprised of our plans and have a chance to accept them. In this regard, it would be considered prudent to select a funeral home ahead of time and discuss these arrangements with the funeral director, asking for opinions and advice as well as presenting your wishes.

It is of utmost importance that we - the living and healthy - make our wishes known to our families (and lawyers) and that we all have a last Will prepared before illness or death occurs. In this way, the family will have an opportunity to express their views and any objections they might have, at a time when they are not emotionally distraught. A change of plans might, or

Comedy Movies At Hicksville Library

The Hicksville Public Library will be showing comedy movies on Friday evenings and Saturday afternoons during the months of July and August.

On Friday, July 15th at 8:00 PM the library will present Laurel and Hardy in "Way Out West". The plot involves a romp through gold mine country in search

of a daughter of a late friend who struck it rich.

Saturday, July 16th at 2:00 PM the library will show two Buster Keaton movies - "The Blacksmith" and "The Balloonatic". THE BLACKSMITH is a burlesque of Longfellow's poem, "The Village Blacksmith". In BALOONATIC, Buster Keaton pursues a pretty girl while managing to display his ineptitude as an outdoor sportsman.

All of these movies are great family entertainment. The films are shown in the Community Room where it is very cool. There is no charge and everyone is invited.

On The Campus

Cindi DiMarzo, daughter of Anthony and Carol of Gables Dr. Hicksville, has been named to the Deans List of the College of Arts and Sciences and the School of Public Communications at Syracuse University. Cindi is a member of the National Honor Societies of Kappa Tau Alpha and Phi Alpha Theta.

A 1981 graduate of Hicksville High School, Cindi is a Junior majoring in Journalism and History at Syracuse University.

Jodi DiMarzo, daughter of Anthony and Carol of Gables Drive, Hicksville has been named to the Deans List at C.W. Post College.

Jodi is a 1981 graduate of Hicksville High School and a Junior at the School of Professional Accountancy at C.W. Post.

Lady Liberty Needs Our Help!

Since its dedication in 1886, the Statue of Liberty has been our inspirational "official greeter" to countless millions of immigrants, visitors and returning tourists to our shores. Now, Lady Liberty needs our help. National Park Service engineers say Miss Liberty is in alarming shape. The intricate web of 2,000 iron armature bars; hidden beneath the hand-hammered copper skin, have deteriorated over the decades since they were designed by French Engineer Alexandre Gustave Eiffel, and the 200,000 pound copper skin itself has thinned due to pollutants and acid rain. Pieces of the torch have fallen into New York Harbor; the torch and portions of the right arm may even have to be replaced.

Instead of going to Congress for funds to restore this priceless treasure, President Reagan is asking the American public to join in a national effort to rescue her — and rededicate the nation to the values she represents.

The 151-foot figure was not built with government money. The people of France raised the two-million francs (then \$400,000) so sculptor Frederic August Bartholdi could devote nine years to Lady Liberty's creation.

Meanwhile, in the United States a similar private effort raised the \$101,091 for the pedestal; 80 percent of this came in donations of less than a dollar.

At President Reagan's request, Chrysler Corporation Chairman Lee Iacocca has agreed to coordinate the new grassroots fundraising campaign (Contributions to The Statue of Liberty-Ellis Island Foundation, Inc., also includes Bob Hope and Douglas Fraser, former president of the United Auto Workers).

This "Save the Statue of Liberty Commission, according to an article in the July Reader's Digest, has expanded its

effort to include nearby Ellis Island. Almost two-thirds of those who emigrated to the United States came through Ellis Island, which has fallen into ruin since it was closed in 1954. The commission is now investigating the restoration of Ellis Island's historic sites along with the Statue of Liberty. The estimated cost for the joint project is \$230 million.

The official fundraising hadn't even begun when the U.S. public began to respond. Bridgeport, Connecticut had suffered a tragic pre-Christmas 1982 fire at its toy center for poor children — Christmas Village. And people from around the nation donated enough money to rebuild the center. In lieu of thank you letters, the city raised \$3,600, all from nickels, dimes and quarters contributed by schoolchildren. This was then donated to help restore Lady Liberty.

The Hicksville, New York, Veterans of Foreign Wars (VFW) chapter raised more than \$1,100 with a casino night; and the Jersey City, New Jersey, Business and Professional Women's Club is collecting pennies, using the slogan: "Copper pennies for the restoration of the copper gown of Lady Liberty."

An elementary school in Highstown, New Jersey, organized a festival, releasing hundreds of red, white and blue balloons containing notes asking finders to write for information about the Statue. They also raised \$200 selling cookies and turned this over to the restoration effort.

A Tucson, Arizona, elementary school staged a three-mile Liberty Run with students collecting pledges for the run. They raised \$2,400 for the project.

On October 28, 1986, the Statue of Liberty's one-hundredth birthday will be observed with a rededication

Ukrainian - American Night

The stirring folk songs and dance of the Ukraine will highlight the second of this Summer's International Night Series at Eisenhower Park's Harry Chapin Lakeside Theatre, Monday, July 18 beginning at 8 P.M. The rain date is July 19.

The Ukrainian-American Night program is presented by the Nassau County Department of Recreation and Parks and is sponsored by European American Bank.

Recreation and Parks Commissioner Abram C. Williams said the free entertainment would feature the folk music of "Iskra", which means Lightning in Ukrainian, as well as the famed Bandura Ensemble, playing the national instrument of the Ukraine.

Among the dance groups present will be the Voloshky Ensemble of Philadelphia and the Skomorokhy Dance Ensemble of Nassau County. The Master of Ceremonies will be Michael Drabky.

Since there are no formal seating arrangements at Lakeside, theatregoers are advised to bring chairs or blankets. The theatre is adjacent to parking fields 6 and 6A. In case of inclement weather, call 542-4585 for verification of performance.

ceremony. During the 1986 Fourth of July week, the commission plans a big todo — with the return of the tall ships that helped us celebrate our nation's Bicentennial, with heads of states from dozens of countries, Army and Marine units on parade, Navy ships booming their salutes, and Air Force jets zooming over a rejuvenated Lady Liberty. With the generous help of the American people, we will be assured that the Lady will still be lifting her "lamp beside the golden door" as she did for the last century's "huddled masses yearning to breathe free."

Receives Contract

A defense contract for \$57,810 has been awarded to the Rollson, Inc. of 210 Terminal Drive, in Plainview. The small business will provide water closet bowls for use by the U.S. military services. The items are being purchased by the Defense Construction Supply Center (DCSC) of Columbus, Ohio.

With an inventory of over 350,000 items, the Center last year bought over \$540 million worth of items that ranged from lumber and

wood products to plumbing accessories such as pipe, pumps, valves and fittings. Repair parts are purchased for vehicles as simple as commercial trucks and sedans and as complex as military aircraft, ships and submarines. DCSC also buys such major end items as tractors, cranes, road machinery, forklifts and mechanized materials handling equipment.

DCSC is a field installation of the Defense Logistics Agency, Washington, D.C.

Auxiliary News

At our meeting on July 8th, the American Legion Auxiliary Unit #421 Hicksville, we were pleased to see two of our Junior Members, Pamela and Melissa Robbins who are visiting their grandparents Ruth & Ed Leger, from their home in Glendale, Arizona.

President Cynthia Hochbruechner presented her program for the coming year and while some dates must be cleared, it does sound like a busy year ahead.

Chairman Ethel Habersicht has planned our Jr. Past Presidents Dinner

honoring Ruth Leger for Thursday Eve., Sept. 15th, 1983 at 7 P.M. to be held at the old Lighthouse on Old Country Road in Hicksville. During Ruth's year as President, Unit #421 received many awards. From County Mae Sheppard received 1st Place Trophy for her Child Welfare Program as did Lillian Molinari for Veteran Affairs and Rehabilitation. Also Ethel Habersicht received awards for her Poppy program and Past Pres. Program.

Young Scientists At Dutch Lane School

Each Tuesday, throughout the recent school year, a unique experience in scientific learning has taken place at the Dutch Lane Elementary School in Hicksville. Eight 6th grade students have met with a professional scientist, to delve into the world of molecular biology.

The students involved, elected to take this special class based upon their great interest in science. Their instructor for this program was Mrs. Edna Edelstein, a

received Service Awards namely Marie Gamble, Lillian Molinari and Ethel Habersicht.

For Volunteer Service at Suffolk Developmental Center special recognition went to Mae & John Sheppard and Geraldine Seitz for 14 years of service as Volunteers.

On August 13th, the auxiliary will join Post Members for our annual picnic at Suffolk Developmental Center and this party is being called "Christmas in August."

There is no meeting in August. The next meeting will be on Friday, Sept. 9th at 8:30 P.M.

microbiologist, and Hicksville resident. Mrs. Edelstein avidly believes that elementary school students who are exposed to challenging scientific concepts as early as possible in their school careers are more apt to become the future scientists that our country so desperately needs.

It is Mrs. Edelstein's great love of science and children that has resulted in her donating her time and talents in creating and teaching this seminar as a gift to the Hicksville community.

The students in this program were, Karilyn Ayres, Elizabeth Coakley, Glenn Garbus, David Holland, David Haupt, Karen Karmann, Jill Roussillon and Billy Waters. They chose to call themselves "The Young Researchers."

When the "Young Researchers" first met, last Fall, the students had no knowledge of molecular biology. They began their journey through this highly conceptual field by first learning basic atomic theory—that is, what atoms are and how they combine to form molecules. They even went on to learn the principles of nuclear energy.

The children were very fast learners and soon progressed into organic chemistry and then into the most exciting part of the course—biochemistry. They began by learning the 20 amino acids that are the building blocks of life itself, and then graduated into the complexities of the DNA molecule. The highlight of their learning year came when they built their very own model of the DNA molecule in their classroom.

The group was rewarded for their scientific accomplishments by being granted a visit to a Molecular Genetics Research Laboratory at C.W. Post College. Mrs. Edelstein arranged for her group to meet Dr. K. Nath, a Biology professor at C.W. Post, who is a researcher in

Dutch Lane scientists proudly display their completed DNA molecular model. (Left to right) David Holland, Karen Karmann, Jill Roussillon, David Haupt, Billy Waters, Liz Coakley and their teacher Edna Edelstein. (In top picture)

recombinant DNA. Dr. Nath rolled out the "red carpet" for "The Young Researchers" in his laboratory, and introduced them to the new technology of genetic engineering.

"The Young Researchers" of the Dutch Lane Elementary School and their mentor, Edna Edelstein, have had a highly successful year. Mrs. Edelstein is most impressed by their level of comprehension, interest, and desire to forge ahead in the scientific world.

Dr. Nasrine Adibe, a noted international science education expert, recently became aware of this science program. She was significantly impressed by its content and accomplishment.

Dr. Adibe is planning to write an article about this Hicksville science group for publication in a national science education journal. Dr. Adibe, who is a Professor of Science Education at C.W. Post College, feels that this unique program could serve as a model for the entire nation. This recognition is certainly quite an honor for the Hicksville School District.

The Hicksville Community can be very proud of its School District for having enabled these children to participate in a science program that has captured their enthusiasm and surely helped inspire them to develop to their full potential.

Awarded \$2.7 Million Government Contract

General Instrument Corporation (NYSE:GRI) announced today that its Government Systems Division was awarded a \$2.7 million contract from the U.S. Army Missile Command. The contract calls for development of a unique missile countermeasure system for the Army's Patriot Air Defense System. The contract also contains an option for production systems.

The missile countermeasure system to be produced by General Instrument represents a new technology in protective systems with application toward a wide variety of present and future military radar systems.

The Government Systems Division, headquartered in Hicksville, Long Island, is the principal division of General Instrument involved in the development and manufacturing of military

electronic systems.

General Instrument is the industry leader in cable TV electronics, wagering systems and programmable microelectronic circuits. The company's primary strategies are directed toward communications systems and computer-related products. The common stock of the company is listed on the New York, Midwest, Pacific and London stock exchanges.

Hicksville Tournament

(Continued from Page 1)

Under 16 - Austria
Under 19 - Rockville Centre

The tournament directors are proud to be able to continue the Hicksville tradition of providing our children with a good, healthy, competitive outlet and; at tournament time, the opportunity for cultural exchanges with youngsters from other countries. Messrs. Frattini and Groves pointed out that this would not be at all possible without the hard work and dedication of the many volunteers from the club as well as the Regent Sports Corporation who donate the tournament soccer balls.

They sincerely thanked all these people for their help as well as the sponsors mentioned previously who have been supporting the Hicksville Club and primarily the youth for many years.

HHS Class of '73

To Hold Reunion

The Hicksville High School Class of 1973 proudly announces its 10th Year Reunion.

All graduates of HHS Class of '73 are invited to the reunion on Friday, November 25th, at Leonard's of Great Neck.

All interested Class of '73 Alumni can contact Kathy Steinke (nee Koebke) at (516) 654-1933.

SMOKE OUT OUR \$2,000 ENLISTMENT BONUS.

Enlist in the Army reserve to learn a part-time job as a Smoke and Flame Specialist, and you'll earn a special enlistment bonus of \$2,000, plus a salary.

You'll train in an Army school, learning to hide a company, or a tank, or troop movement. You'll practice what you learn at your local Reserve Unit one weekend a month and two weeks a year and earn \$1,200 per year to start.

Stop by or call us.

ARMY RESERVE. BE ALL YOU CAN BE.
