## Two Appointments To Hicksville School Board

The Hicksville Board of Education is pleased to announce the appointments of Dr. G. Robert Couillard as Assistant Superintendent for Educational Services and Gerard W. Dempsey, Jr. as Director of Instruction.

Dr. Couillard, who served as Director of Secondary Education in Hamden, Connecticut, before joining the Hicksville staff, will supervise the district's educational programs with special attention to several key areas. One of his assignments will be to study the elementary foreign language program to create a revitalized, refurbished program to replace the one which was eliminated this year. He also seeks to increase enrollment in Latin as a foundation for other studies.

Improving the teaching and learning of mathematics, a national concern, is also a concern for the Hicksville community. Dr. Couillard will be examining programs offered

to be sure that the district is meeting the needs of students according to national trends and developments.

Another special project on Dr. Couillard's agenda is class registration procedures at the senior high and the minimizing of scheduling errors and delays. In addition to these three areas, Dr. Couillard will study the new Regents requirements for graduation to determine local implications and make preparations before the regulations go into effect.

Mr. Dempsey, a former Assistant Principal and Principal in the Huntington Public Schools, will work with building administrators in implementing the district's curriculum objectives. His duties as Director of Instruction will include the supervision of new programs, textbook selection, curriculum revision, teacher development, and the provision in leadership in numerous areas of instructional administration.

## Hicksville-Syosset-Glen Cove Mercy League News

The Hicksville-Syosset Glen Cove League of Mercy Hospital is very happy to announce that the pledge they made to Mercy Hospital at the end of 1982 for \$39,200 has been paid in full. The purpose of this pledge

was to cover the costs of installing a double hospice room for the terminally-ill patients at Mercy Hospital. Through the efforts of the members of the league, they collected \$41,428.77. The overage collected will be

applied to their new pledge of \$27,600 which will cover the costs of installing and furnishing a living room in the hospice. The purpose of the hospice is to enable the family and the patient to be together in a home-like atmosphere at a times when it is most needed. Members of the family are allowed to stay at the hospital in this unit. All in all, it is a very worthwhile endeavor and this fine League sends special thanks to everyone who made this possible.

goals they have set forth to make their hospital one of the best. Their goals are the League's goals.

While on the subject of Mercy Hospital, they are in dire need of volunteers -- to visit the sick and the elderly, to manage the magazine and book carts, to help in the office, etc. Do you have any time you can spare to volunteer for any of these services? It would not be a regular thing that you would be committed to. Your time involved would be at your convenience -- when and how long you could volunteer your services and it would be so very much appreciated. Volunteer services are desperately needed at the hospital. If you are interested, please call: Sister Mary Thomas, Director of Volunteers, Mercy Hospital, 255-2493.

Mercy Hospital wants to extend their thanks, too. They were overwhelmed that the League was able to accomplish what they did in such a short time.

The League knows how they feel and will continue to do their utmost to enable Mercy Hospital attain the

## Helping Kids In Hicksville

There is a growing population of single-parent children in Hicksville who need the friendship and guidance of a caring adult in their lives. The job of being a single parent can be an overwhelming one. To support and maintain a household is difficult but to raise a family on top of that is almost impossible for one person. The Big Brothers/Sisters program of Nassau County can provide an alternative.

You can help if you are over the age of 17 and able to commit some time each week for at least a year to our program. We ask for a

year to insure a steady relationship for the child. The time you spend with the child can vary from a phone call on a busy week to an all-day outing. You are not a substitute parent or babysitter, just a friend to share things with.

If you care and have the time to give to a child age seven to 16 or if you are in need of our services please contact your local chapter of the Big Brothers/Sisters program located at the Hicksville Youth Council, 181 West Old Country Road, Hicksville or call 822-7594 and ask for Mark

## Central General Hospital Honors Its Volunteers

Central General Hospital in Plainville again held its annual luncheon honoring the many volunteers who unselfishly donate their time to the hospital. This year 49 volunteers were honored for donating more than 22,000 hours during 1983 to the hospital. The individual hours ranged from 100 to 6,500.

Robert Bornstein, administrator of the hospital, said this volunteer program was originally started at Central General in 1971. It has had a

combined total service equalling almost 142,000 hours. If it were not for these many volunteers, the hospital would not be able to provide the excellent level of care it now offers its patients.

One volunteer honored this year was from Hicksville. Thelma Lewander gave more than 3,100 hours of her time to the hospital. Bornstein said her efforts are not only appreciated by the hospital and its staff, but by the patients she has helped over the year.

# Volunteerism Is Thriving In Nassau County

Nassau County Executive Francis T. Purcell today announced that 25 county departments and their contract agencies are utilizing the talents and efforts of volunteers to the fullest extent.

Statistics, compiled by the Nassau County Voluntary Action Center, reveal that 27,653 people volunteered a total of 2,487,452 hours during 1982. The estimated monetary value of these services is over \$26 million.

"It is heartwarming that so many people are willing to give freely of their time to make life more comfortable or meaningful for their neighbors," state County Executive Francis T. Purcell. "These volunteers, from all walks of life and from all age groups, are to be commended for their dedication and unselfishness."

The volunteers contributed their time and talent to youth programs, children and senior citizen services, hospital, nursing homes and rehabilitation services and cultural activities. They also were involved in office work, recreational programs, educational and human services and programs for the disabled.

Included in the statistics are the county's 10,000 volunteer firemen who answered over 57,000 fire and emergency calls in 1982, and the 800 members of the Nassau County Auxiliary Police.

## Biking Safety Rules Important

by Sup. Joseph Colby

Now that summer is winding down and September is just around the corner, thoughts are turning to school. Along with books, pencils and clothing, please take some time with your children to check the conditions of their bicycles and to remind them of the importance of biking safety rules.

By law, bicycles are required to be equipped with ten reflectors: white in front, red in back, two red or white reflectors on rear sides and two amber of white reflectors on the front sides, in addition to reflectors on each pedal. If your children ride bikes at night, they should also have a forward-facing white headlight that is visible from at least 500 feet away. Bikes should also be equipped with a bell or a horn that can be used as a

warning. Sirens and whistles are illegal. Check brakes frequently, to insure that they are always in proper working order.

Rules of the road have been designed to increase biking safety and to prevent accidents. Please be certain your children, especially new bikers, know that they must ride with the traffic flow, staying to the right side of the road or using bicycle lanes wherever possible. They must use hand signals for turning or slowing down and obey all road signs and traffic lights. Passing parked cars must be done with care and bikes should be walked across busy intersections. Bikes should also yield the right of way to approaching vehicles, especially when exiting from driveways or alleyways.

Children should always ride properly seated on the bike with both hands on the handlebars. Bikes are built to carry one person at a time, so never, never allow "passengers", and never, never hitch rides behind another vehicle. Supply the bike with a basket, so children do not have to carry loads that prevent them from keeping both hands on the handlebars. Of course, racing on busy public streets and highways is not permitted.

Bicycle riding is a popular means of transportation for children, and it is also good exercise! Please be certain that your children keep their bikes in good condition and know and follow the rules of the road, so that bicycling can remain an enjoyable activity.

## Scottish Day At Old Westbury Gardens

On Saturday August 27, 1983, the Long Island Scottish Clans Association will hold their 23rd Annual Scottish-American Gathering and Games at Old Westbury Gardens.

Highland Pipe Band; and Scottish Country Dancing exhibition. In addition, there will be children's races, caber tossing, tug o' war, and putting the stone, plus soccer competition for the Ferguson Memorial Trophy. The 42nd Royal Highland Regiment of Foot, in authentic 18th century uniforms, will also perform.

The Gardens will open at 8:00 AM for the festivities. There will be hot dogs, Scottish pies and cakes, fish and

chips, Scottish goods and novelties, and beverages available. Visitors are welcome to picnic in the designated area; however, no open fires, barbecue or cooking will be permitted. Children under 12 will not be admitted unless accompanied by an adult. And please...no dogs or ball playing.

## Dear Friends:

As we go to press this week, Hicksville's illegal cement hopper, whose operation was contested both by neighbors, under the leadership of Mr. Buck, and the Town of Oyster Bay, in the courts for many months, was finally removed from the premises, as ordered by the courts. We are sure that all concerned are relieved by the elimination of this operation in an area which is not zoned for this purpose. And we are equally sure that all concerned hope that the owners of this operation will find an appropriately-zoned location in which to carry on.

That's all for this week. Stay well...and don't forget the Hicksville Fire Dept.'s annual Labor Day Parade and Drill, the details of which are on another page of this issue.

## Something To Think About

BILL WAGNER

DIRECTOR

## SHOULD BEREAVED BE LEFT ALONE?

Should the bereaved be left alone after a death? This is a question which often perplexes people. They wish to express their sympathy, and yet they are afraid of intruding on the grief of the family.

Think of it the other way around. Rather than worrying that your short, well-meant condolence call might disturb the mourners, think how they might feel if people did not show their support and sympathy. They might well feel abandoned.

The majority of mourners feel the need for human ties and human warmth. Because the burden of grief is often carried alone, most mourners appreciate the companionship

and assistance of their friends. On the other hand, a mourner who does not wish to receive callers will generally find a way to make that known. The old adage, "A friend in need is a friend indeed," is never more meaningful than during a loss.

# Colby Votes For Tax Break To Benefit Oyster Bay Homeowners

Oyster Bay Town Supervisor Joseph Colby announced that he and the other members of the Nassau County Board of Supervisors have approved assessment adjustments which give homeowners the maximum allowable tax benefit under provisions of the State Real Property Tax law.

Colby said that "I was pleased to be able to approve assessment adjustments for the second year in a row which will give homeowners in the Town and County the maximum

permissible benefit under the State Real Property Tax law which went into effect last year."

The State law, which established four classes of property for taxing purposes, permits the Board of Supervisors to make annual adjustments of up to 5% among the four classes that pay proportional shares of the tax levy. "The action of the Board of Supervisors, benefiting homeowners," Colby said, "will impact on the 1983-84 school district, town and county general fund tax rates, among others."

The first levies to be set for the new fiscal year will be school district taxes. Colby noted that the Board of Supervisors has no control over the school district's budgets or the amount of school districts need to raise in taxes to fund locally determined education programs.

Colby said that "after correspondence between the Board of Supervisors and the Jericho and Plainview-Old Bethpage School Districts, assessment adjustments have been approved which provide for the maximum allowable tax benefit

for residential property owners, including condominium and co-op owners."

Colby indicated that the actions of the Board of Supervisors in approving the assessment adjustments for the 1983-84 school district taxes will vary from district to district, depending upon the assessed valuation of each of the four classes in each district. "The Supervisors' actions," Colby said, "will insure that homeowners pay as little as the State assessment law allows, in comparison to other types of property owners."

## Galileo Lodge News

By Joe Lorenzo

**VENERABLE SKIP MONTEFORTE'S MESSAGE:** "Remember there is nothing stable in human affairs; therefore avoid undue elation in prosperity, or undue depression in adversity," Socrates.

It is often said that you should not look back because time is gaining on you, and if you look back now you'll notice that the time for the presentation of the Galileo Lodge's old-fashioned Italian Wedding Dance is now upon us; in fact, really, it takes place this Saturday night, the 27th of September. Some tickets may be available if you're interested, so just call Armand Del Ciooppo at 931-9351.

As we might expect, the warm breath of summer is starting to fade, which means that the Galileo Lodge's Fall Recreational Program is ready to make its debut. And needless to say, this program is star-studded with some exceptional activities that are designed for your pleasure and leisure. For example, starting with the Show and Buffet, scheduled for Saturday, the 24th of September, under the direction of Mary Monteforte (938-9536) of the Ladies Auxiliary. Tickets will sell at \$12.50 per person, which, including the presentation of a play called "Only Game in Town," will also entitle you to a hot dinner, beer, soda, coffee and cake, set-ups and music from a disc jockey. A "bring-your-own" liquor policy will be in effect that night. Then on September 27th, a trip to Atlantic City, once again under the direction of Mary Monteforte. On October 14th, a Friday, the Ladies Auxiliary will once again present the 1983 "Foolies Follies" revue, under the direction of Sue Laurenti (931-0036). Tickets will be on sale around October 30th. And last but not least, there will be a Fashion Show at the Galileo Lodge on Friday, the 11th of October, also under the direction of the Ladies Auxiliary. For this activity it must be noted that males are also invited to attend.

A long time ago, I might add, the Galileo Lodge had made a commitment to the advancement of leisure and

pleasure, and this Fall program just about gives credence to that idea.

Speaking of all the Fall activities that will keep your adrenalin flowing, what better activity to bring this condition about than the Galileo Lodge's Beauty Queen Pageant. Although it is often said that beauty lies in the eyes of the beholder, if you think that you are beautiful, and intelligent and are related to a male and female member of the Galileo Lodge and the Ladies Auxiliary, please note that applications for our Beauty Queen Pageant are now available. All you have to do is to contact Venerable Skip Monteforte (931-9351 or 938-9536) for additional information about our contest.

The Beauty Queen chosen will represent the Galileo Lodge at the Columbus Day Parade in October, and then she will be entered in the major beauty contest sponsored by all the Lodges associated with the Order of the Sons of Italy in America. The winner of this contest will be the Beauty Queen of all Long Island and she will

receive prizes befitting a real queen.

The Galileo Lodge proudly announces that the renovation program that transformed its basement area into a first-class recreational area is almost completed. So all of you prospective members, if you are looking for an organization that is ethnic and which can also provide you with all of the essentials needed to round out your social life, then the Galileo Lodge has to be the one, of course. Visit the Galileo Lodge and see if our boasts are legitimate and not merely wild claims to entice you to join our organization. There was plenty of hard work involved, many sacrifices of time and effort and there was plenty of devotion and loyalty to a good cause - to make that area a beautiful place for leisure and relaxation for our membership. Another article will tell more about the members who excelled here.

Help is still needed for Bingo, and new members (and old ones, of course) are urged to come down to the Galileo Lodge and help out. Time is from 6:00 P.M. on. And there are other committees that need your support and help. So come on out and become an active member.

## Hicksville Baseball Association

By Ann Macaluso

There was a nice turn out for the annual picnic last Saturday. The usual fun-loving crowd braved the hot and humid weather to attend the end of the season affair.

Softball, horseshoes, egg toss contest, water balloons, and bike riding

were among the activities enjoyed by all.

This is my last column for this year as HBA's Publicity Director. Next year the HBA column will be done by Betty Zagajski. Watch for Betty's column starting in February.

I wish to personally thank the Executive Board for their help and support throughout the season. Thanks

also to all the Directors and Managers for providing me with information on their teams' progress.

## Fire Department Labor Day - '83

Plans for the 55th Annual Labor Day Firemen's Parade and Drill hosted by the Hicksville Fire Dept. are well under way. The general committee under Ex-chief Rich Kershow and F/F Paul Landry announced the 1983 Labor Day event will be held two days rather than one day.

The parade will be held Sunday evening at 6 p.m. followed by a block party. The drill will start Monday morning at 9 a.m. sharp at the drill site—

West Barclay St. alongside the Long Island Railroad station.

The parade route will be starting at Hicksville Fire Headquarters on Gebhardt Plaza (E. Marie St.) to Jerusalem Ave., south on Jerusalem Ave. picking up six divisions to Old Country Rd. East on Old Country Rd. to Broadway, north on Broadway to West John St., west on John St. to West Barclay St. drill site.

As in the past no glass bottles will be permitted. BE ADVISED—NO COOLERS WILL BE PERMITTED. Anyone with coolers will be required to leave them at the gate. They will be turned over when the owner leaves.

Your cooperation will be appreciated.

## Income Eligibility Guidelines

Hicksville Union Free School District today announced a free price meal policy (free milk) for Woodland Avenue Elementary School, Junior High and Senior High children. Local school officials have adopted the following family eligibility criteria to assist them in determining eligibility.

Family Size	Yearly	Monthly	Weekly
One	\$ 6,318	\$ 527	\$122
Two	8,502	709	164
Three	10,686	891	206
Four	12,870	1,073	248
Five	15,054	1,255	290
Six	17,238	1,437	332
Seven	19,422	1,619	374
Eight	21,606	1,801	416
For each additional family member, add	2,184	182	42

Families with incomes at or below the amount of money listed above for their family size may be eligible for and are urged to apply for free milk and lunch. They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available at the principal's office in each school. Applications may be submitted any time during the school year to the Building Principal. If a family member becomes unemployed, if the family size decreases, or if your family income increases by more than \$50 per month or \$600 a year the family must contact the school to file a new application. The form requests information needed to determine economic need based on the income and the number of persons in the family. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility.

The school district does, however, have the right to verify at any time during the school year the information on the application. If a parent does not give the school this information, the child (children) will no longer be able to receive free milk and lunch.

In certain cases foster children are also eligible for these benefits. A family may wish to apply for milk for them and should contact the school.

Under the provisions of the policy the designated official will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the designated official, he/she may make a request either orally or in writing for a hearing to appeal the decision. Director of Special Education and Pupil Personnel Services, whose address is Division Avenue at 6th Street, Hicksville, NY 11801 had been designated as the Hearing Official. Hearing procedures are outlined in the policy. However, prior to initiating the hearing procedure, the parent or School Food Authority may request a conference to provide an opportunity for the parent and official to discuss the situation, present information, and obtain an explanation of the data submitted in the application or the decisions rendered. The request for a

conference shall not in any way prejudice or diminish the right to a fair hearing.

The policy also provides that there will be no identification or discrimination against any student unable to pay the full cost of the milk and lunch.

All questions on the application must be answered completely for the application to be considered by the school district for approval. In addition, the parent or guardian must sign the application form, certifying the information is true and correct.

In the operation of child feeding programs, no child shall be discriminated against because of his race, sex, color, national origin, age or handicap.

A complete copy of the policy is on file in each school principal's office and in the office of School Food Authority District Administrator where it may be reviewed by any interested persons.

## Exhibit Space Expanded For Boat Show

In order to accommodate exhibitor demand, both land and water exhibit space has had to be expanded for the Seventh Annual Greater New York In-The-Water Boat Show to be held at the Guy Lombardo Marina in Freeport. The marine extravaganza, which will span two weekends, including Columbus Day, is set for September 30 through October 2 and October 7 through 10 at the Town of Hempstead facility.

According to Show Director Jim Kenney, "Though previous shows have included an emphasis on both power and sail, this is the first year that such a strong focus is being directed toward sail enthusiasts at this show. Our initial exhibit space offerings were sold out by mid-July, necessitating the addition of some 14,000 square feet of land exhibit area, plus a whole new floating dock to accommodate additional water exhibits. Even at that, we are close to capacity in terms of available space both on land and in the water."

In addition to being able to view and board more than four hundred new boats,

including a wide range of large and small inboard and outboard sport and fishing boats, as well as small cruising sailboats and day sailers, visitors to the in-the-water boat show will find extensive displays of all types of marine accessories.

The Greater New York In-The-Water Boat Show is sponsored by the Marine Trades Association, Inc., in cooperation with the Freeport Chamber of Commerce, and is planned and produced by a committee of volunteers who run full-time businesses associated with boats, boating and marine supplies and accessories. Admission charge for adults will be \$4, and \$3 for children under twelve.

Further information on the Greater New York In-The-Water Boat Show is available from the Marine Trades Association, Inc., 710 S. Wellwood Avenue, Lindenhurst, New York 11757 - (516) 378-6451.

# Hicksville Republican Club News

By Harriet A. Maher

Frank Jopp, our senior citizen news correspondent, has graciously submitted this report for your information:

Seniors: Summertime, the beautiful time of the year, the time for traveling to see other sections of the country! Well, even though you have heard that other sections of the country are very beautiful and should be visited, let me tell you that we residents of New York State have scenery upstate that can compare with anything found in other states.

Recently, I went on a vacation with my wife and stayed in a motel near the city of Amsterdam, NY. Located in the Mohawk Valley section of the state, the scenery is one of the finest I have ever seen. On my trip I also drove over to Cooperstown which is the birth-

place of baseball and has three fine museums, including the famous Baseball Hall of Fame. The town of Cooperstown is also noted for its hospitality. The residents are very friendly and eager to be helpful. The town is located right next to Otsego Lake. You could easily spend several days at Cooperstown and still have plenty left to do.

Another interesting place to travel to is Saratoga Springs. This is an old city with many points of interest besides its famous race-track. Of course, seniors, you could always go to Albany, Lake George, Niagara Falls, and many other places. The point I am trying to make is that we have all these wonderful and interesting places to visit in our own state. Just going up the NY State Thruway makes

them all very accessible.

I know that this article sounds just like a travelogue. Well, in a way it is! Many of you may not feel like going upstate at all--well then there are always our fine beaches, parks and museums to be visited right here on Long Island. Or how about a trip to Montauk Point at the end of the Island. So as you can see, "I LOVE NEW YORK."

However, seniors, whatever you do always try never to over-do it. Take everything in stride. Be especially careful out in the sun. Or, if swimming in the water, remember to always wear a hat or cap if the sun is hot and never swim too far from shore. So enjoy! Stay-

well: To call me, telephone 935-9125.

Thanks, Frank, for sharing your travelling experiences with all of us. Thanks, too, to all the people who turned out to attend our Club's August get together. We've had so many wonderful and complimentary comments about this event. Seems EVERYBODY had a great time!

Without the dedicated efforts of Val Zito, Ann Jablonsky, Helen and Cliff Henderson, Joe Farrell, Rosemary Dolan, Jo Jablonsky, Anne & Bob Rebert and many other helping hands, this event could not have been the success it was. And, of course, Bill Maher provided his usual largesse of wine, corn, pretzels and chips. Thanks, everybody.

## Eighth Precinct Police Report

By Police Officer Kenneth Box

### TWO ROBBERY ARRESTS

An intensive joint investigation by the 8th Squad and the Robbery Squad resulted in the arrest of a 22-year-old Levittown man for the charge of Robbery Second Degree and Robbery Third Degree on Aug. 17.

Daniel Brown, 22 years of age, Piper Lane, is charged with two robberies on July 23, and August 7, both in Levittown. (This arrest also closes out 8 other robberies in the Levittown, Hicksville area).

On Aug. 19, Det. Barry Falk of the Eighth Squad and Det. Byron Bartlett concluded their investigation with the arrest of David Barber, 24 years of Piper Lane, Levittown. This final arrest is responsible for the closing out of 16 other robberies.

Both subjects were

arrested on the charges at First District Court, Mineola.

Between Aug. 13 and Aug. 15, Cargo Inn on Bloomingdale Rd., Hicksville was burglarized. Entry was gained through an unlocked rear door. Assorted tools were reported stolen.

Between Aug. 20 and Aug. 21, a residence on Santa Barbara Dr., Plainview, was burglarized. Entry was gained by breaking a rear door. Over \$20,000 in assorted jewelry was reported stolen.

The Parkway Church, Stewart Ave., Hicksville, was burglarized between Aug. 21 and 22. Entry was gained by breaking the glass in the rear door. Two brass candlestick holders and two offering plates were reported stolen.

The man escaped with \$1700.00 in an unknown direction. No injuries were reported.

The investigation is continuing.

(Continued on Page 5)

## Second Precinct Police Report

The Second Squad reports the details of a robbery that occurred in Plainview at 3 p.m. on Aug. 21.

An unknown male, white, 25-30, entered the Jeans Connection, 381 South Oyster Bay Rd., Plainview, and

walked up to the counter where the assistant manager, Lori Pomaro and a co-worker Donna Hammelman were working.

The man placed a paper bag on the counter and told them to fill it up. The man then lifted his shirt and dis-

played a revolver he had secreted in his waist band. Another man, same general description was standing near the front door as a lookout. The girls were then told to lie on the floor.

## "Grande Festa Italiana"

Long Island's largest Italian ethnic festival—the annual "Grande Festa Italiana"—will take place September 7 to 11 at Hempstead Harbor Park in Port Washington, Long Island.

The annual five day event, which is expected to attract over 100,000 visitors, will offer such Italian taste treats as sausages, calzone, zepoli, calamari, scungilli, as well as cannoli and pasticcata pastry delights.

There will be rides, games of chance, and entertain-

ment — highlighted by a fireworks display by the famous Grucci Family on Sunday, Sept. 12, the final day of the festival.

Admission and parking is free. All proceeds are donated to local charities.

The festival, located north of Exit 37 of the Long Island Expressway on West Shore Road in Port Washington, will be held from 6 to 11 p.m. on each day with the exception of Saturday and Sunday, Sept. 10 and 11 when festivities will begin at 2 p.m.

## Looking For A Family Pet?

By Pat Reilly

Looking for a family pet? A companion for a child or yourself — one that is absolutely adorable but also offers good protection.

How about Happy Holly? She is a small mixed breed collie-shepherd, she is an 8 month old female. She weighs about 25 lbs. She is a very happy, lovable dog and she loves everyone, especially children.

The reason it has been difficult to find her a home is because she only has three legs. Happy was either lost or abandoned and she was hit by a car. She crawled up onto someone's porch to rest

after the accident. The owner of the home fed her and gave her water, but did not take her to a vet. After a week of agonizing pain, a neighbor called L.A.P. League of Animal Protection. They retrieved Happy and took her to the vet.

The leg was so badly infected and mangled it could not be saved and had to be amputated.

Happy Holly has adjusted beautifully to her handicap, but society has shunned her. She really gets around very well.

Due to her handicap, the League of Animal Protection would like to put her in a home situation where she would be the only dog, because like other puppies she likes to get silly sometimes. In a home where children would be old enough to understand her handicap.

If you are interested in Happy Holly and can provide her with a safe, happy home, she will more than repay you with love and fun and protection. Please call 432-2681.

## Central General Hospital Honors Its Volunteers

Central General Hospital in Plainview again held its annual luncheon honoring the many volunteers who unselfishly donate their time to the hospital. This year 49 volunteers were honored for donating more than 22,000 hours during 1983 to the hospital. The individual hours ranged from 100 to 6,500.

Robert Bornstein, Administrator of the Hospital, said this volunteer program was originally started at Central General in 1971. It has had a combined total service equalling almost 142,000 hours. If it were not for these many volunteers, the hospital would not be able to provide the excellent level of care it now offers its patients.

Many of the volunteers honored this year were from the Plainview community. They include Eunice Geagan, who donated 1,300 hours in 1983; Grace Rodono, who donated 1,840 hours; Marian Gingell, who donated 2,000 hours; Mary Lanna, who donated 2,500 hours; Sigrid Hipel, who donated 3,300 hours; and Peggy Doheny, who donated 6,500 hours.

Bornstein added that the work of the volunteers is not only appreciated by the hospital and its staff, but also the patients. Daily compliments by patients about volunteers are made to the Administration of the Hospital.

## March Of Dimes Recruiters Needed

Make your great telephone voice work for you... The March of Dimes is presently planning its Annual Mother's March, a door-to-door neighborhood campaign, scheduled for the week of January 27th, to raise funds and distribute health education materials to Long Island households.

A vital aspect of this campaign is telephone recruitment. The March of Dimes is urgently calling upon loyal supporters in the community — individuals and groups alike — to help recruit Marchers for this campaign. As a volunteer or paid telephone recruiter, you would be making phone calls from the Jericho office between September and December, days or evenings. Help in the fight against birth defects and brighten the future for tomorrow's children. Call Meg at 433-7000.

## Armed Forces

John Rupp, son of Mr. and Mrs. Robert Rupp of 34 Tip Top Lane, Hicksville, graduated from the United States Naval Academy on Wednesday, May 25 and was commissioned a second lieutenant in the United States Marine Corps.

He will report to Marine Corps Basic School, Quantico, Va., for his first duty assignment.

## Legionnaire's Log

BY ARTIE RUTZ

We continue on our merry march towards the 100% early membership (which must be accomplished by Veterans' Day) and the latest members who are Early Birds are Larry Small, Eugene Dolan, Bob Ambron, Sid West, Vincent Calcante, Robert McManas, Peter Maiorino. Last Saturday's Barbeque for the girls of our cottage at Suffolk State Development Center was a huge success from all angles... 19 Girls and 6 supervisors were our guests (as hot dogs, hamburgers, watermelon and those special Nikitas tomatoes were served up). Many hands made light work as Commander Lou Braun and his wife, Connie, headed the crew whose members were Vice Commander Arline Howard (has a watch that runs on 1/2 Eastern and 1/2 Central time, but she got there on time anyway...).

More of the crew were Chaplain Frank Johnson and wife Alice; P.C. John Rizo and Joan; P.C. Ray Gamble and nephew Bill Gamble; John & Betty Kerrien; Harold & Vi Bramswig; and auxiliary members Gerry Seitz and Ruth Leger and hubby Ed Leger. And, of course, Tom Nikitas was there. After all, he is our Children & Youth chairman and this was his baby. The Post bar tending group will be sharpening up their skills at the adult education course

on this subject at the Hicksville High School. Its been a long, long time since the last attempt was made to fully train our bar service people. Our Color Guard will again appear in the annual Labor Day Parade staged by the Hicksville Fire Department on Sunday, September 4th. At our August 1st meeting I inadvertently left a green & white striped umbrella behind when I left for the evening and I hope someone took it home with the intention of restoring it to me. This umbrella is of very high sentimental value and I am offering a reward for its return. I'm at every meeting. Again this year we will be hosting the 3rd Division Caucus and the exact date will be announced at a later time but we also will host the Nassau County American Legion Oratorical finals on Wednesday, January 18th.

While dates are being mentioned let me remind one and all that our next meeting is on Tuesday, September 6th due to the Labor Day holiday on Monday. There is a new burial flag flying from the Kennedy Memorial Flag Staff since August 17th and it honors the late George Carmen who served his country in time of need in the U.S. Army. September 17th is a date which you & you & you should keep in mind and bring your wives to the Roast Beef

Dinner honoring the Junior Past Commander, Ray Gamble. This affair will be held at the Post and tickets are \$15 per couple which includes beer and dancing and the roast beef dinner. Dance music will be furnished by Jim Downs. The Past Commander's Dinner was for many years the #1 social event of the Legion year and with your effort and help we can make it #1 again. Come on out!!! Tickets are available from either Commander Lou Braun or Vice Commander Harry Christo. Another fun trip to Atlantic City is on the docket for the friends of the Legion and again is being hosted by the Past Commanders' Club and there will be 2 buses this time by very popular demand so get your reservations in early to Lou Cesta (SU 5-6583). This trip will be either in late September or early October but you call Lou and talk to him and make your reservations. Don't forget that the game on Super Bowl Sunday will again be shown on the giant 48 inch screen at the Post along with hot food, etc. through the auspices of the Past Commanders' Club. And there are other social events coming along that I will mention as soon as I get some firm dates and information but come out to the meetings and let's have your input on things and things. Dinner For Junior Past Commander Ray Gamble is on September 17th!!!
