\$100,000 House Fire

A blaze in a house at 58 Field Ave., Hicksville, caused an estimated \$100,000 damage to the structure and contents. The fire was reported to the Hicksville Fire Dispatcher, Mike Murphy, by numerous callers shortly after 7 p.m. on Sept. 13th.

The fire originated in the kitchen on the 1st floor in the rear of the house. It gained considerable headway before it was detected. A pot cooking on the stove unattended was believed to have triggered the blaze.

Occupants on the 2nd floor escaped unharmed. A working smoke detector would have saved a lot of damage according to fire officials. Sixty firefighters, and nine units responded under Asst. Chief Owen Magee. One firefighter, 2nd Asst. Chief William Schuckmann suffered an eye injury and was taken to the Nassau County Medical Center, where he was treated and released. Nassau County Police Officers and two police ambulances also assisted at the scene. Several Vamps were treated at the scene for exhaustion and smoke inhalation.

Fire officials have requested the County Fire Marshalls office to investigate due to the large loss. Chief Magee commended firefighters for an excellent job. The fire was under control in 20 minutes, but, as Chief Magee stated, it is hard to keep damage at a minimum when flames are leaping out all the windows and smoke is hundreds of feet in the sky when the alarm was received. Magee stressed the point that smoke detectors installed and properly maintained can prevent many if not all fires of this type from burning beyond control. The first five minutes can make or break a fire if detected in its incipient stages.

Special thanks go to neighbors who assisted with refreshments at the scene.

HHS Alumni News

Alumni Plans Homecoming Event

Arrangements for the 25th anniversary Dinner Dance, to be held at the Bethpage Country Club on Sat., Oct. 29th, occupied the Hicksville Alumni Board of Directors September meeting.

Tickets and seating arrangements for the affair honoring Gus Econopouly, Harold Holden and Arthur Segreto, were the prime concern. The donation for a complete evening is \$25.00 per person.

It was underscored that early reaction to honoring the original incorporators was highly favorable. Available tickets could be exhausted well before the closing date.

Purchases may be made at Holden's Stationary or from any member of the Board of Directors. All alumni and Hicksville friends of HHS are welcome.

Athletic and Physical Education District Directors will oblige at Hicksville High.

In connection with the 1983 Homecoming, the Alumni Board elected the late Dr. Walter Stillger Sr. to honorary membership post-humously.

President Howard Finnegan thanked Ellen Boos Bruwer for conveying the offer of Charles Montana to utilize his word processing equipment. The Alumni Association will prepare its membership list for mailings, etc.

The Alumni Board was gratified to receive "thank you" letters from Elizabeth Kufoli, Christine Moore, Ann Gambino and Richard Cerini for scholarships presented at the 1983 graduation.

Alumni Update New Member Profiles

Robert G. Brendel, '40, retired after 33 years on the Valley Junior High Faculty. He was a partner in a Hicksville wine and liquor store with his father. He graduated from Hofstra University and holds an MA degree from Columbia University. He has homes in West Hempstead and Mattituck.

Charles and Laura (Hamma) Green, '63, Laura is employed by Manufacturers Hanover in Hicksville. Charles is a retired disabled Nassau County Police Officer and holds a bachelor degree from N.Y.I.T.

Loretta Puglisi, HHS graduate 1979.

1979 HHS graduate, Denise Stamp Yannone, graduate of Hofstra University, summa cum laude, teaches at Dutch Lane School. A free lance writer, she has contributed to "Modern Bride," "The Christian Home," and "The Arithmetic Teacher." She was voted "Young Careerist of the Year 1982" by the LI District National Federation of Business and Professional Women. She is married to Lawrence William Stamp and lives in East Hills.

Community Council Awards Dinner This Thursday

Community leaders from all major local organizations, churches, temples and schools are joining together this Thursday evening, Sept. 22, for the 12th annual Awards Dinner, which is scheduled to start at 7:30 p.m. at Gigi's on Old Country Road. Tickets for this event are \$13.00 each.

As is the custom, at these gala annual events, a local organization will be honored for their contribution to Hicksville, plus the president's award, which usually goes to a local individual.

Several segments of the evening's program have also become traditional, through the years, such as Carole Wolf's "History of Hicksville activities for the past year," which is always enjoyed by those present.

Also on the program will

be the introduction of everyone present. As the date of this dinner has been advanced from June to Sept, this will give everyone the opportunity to get to know those who work each year, to help "make a better Hicksville," which is the slogan of the Hicksville Community Council. Next to working in any community group, this opportunity to meet those doing the same thing in other local organizations is encouraging to all. The Community Council meets regularly, on the first Thursday of each month, from Oct. through May of each year, in the downstairs community room of the Hicksville Public Library on Jerusalem Avenue. Individuals, as well as delegates from each organization are welcome.

An exciting new program

for the 1983-84 season, will open with the Council's Thursday, Oct. 6th meeting to which all candidates running in the Nov. elections have been invited...not for them to make speeches...but for those who attend to have the opportunity to question them on a one-to-one basis and get to know them better.

Following this, the usual Town Meeting of reports of future activities of members, and individual problems will be held. Refreshments, too.

"Please mark your calendar and join us on 'First Thursdays,' for the next eight months," urged a spokesperson for the Council.

At The Hicksville Library

The Hicksville Public Library Board of Trustees will meet in the Library Board Room on Wednesday, September 21st at 8:00 PM.

During the month of September there will be three exhibits at the Hicksville Public Library.

In the Lobby Case, a display assembled by Boy Scout Troop 64. It is very

colorful and interesting - a credit to the Troop that was the first one organized in Hicksville. There are selections of articles from the early years of this Troop plus some of the crafts made by the present membership.

The Fiction Room Case will contain a sampling of items from the Cradle of Scouting Exhibit now going on at the Hicksville Greory (Continued on Page 12)

Chamber of Commerce Installation

The Hicksville Chamber of Commerce held its installation of officers and directors on Tuesday, Sept. 13 at Antun's on Old Country Rd., Hicksville.

The affair, which began at 7 p.m., featured an evening of cocktails, music, dancing and buffet. Approximately 150 people attended this gala event.

Mr. Paul Martin, New York Telephone Co. Executive installed the following: President, Constance T. Clark; Vice President, Effie

Krogman; Secretary, Bernhard Bruns; Treasurer, Irwin Goldman; elected directors for a three-year term, Henry C. Brenzel, Jr., Louis Cesta, Thomas A. Fay, William M. Heberer Jr., Sheila Noeth and Harry Smith to fill the unexpired term of Mr. Goldman on the Board of Directors.

Following the installation, Constance Clark, President spoke about the many reasons for the conditions of the roads in Hicksville. She expressed the hope that in the not-too-distant future, this necessary roadwork would be completed so that all concerned can go forward with their plans to redevelop the downtown area and thus contribute to "a better Hicksville with a realistic tax base. She pledged to do all in the power of the Chamber to help work toward this goal.

Legionnaire's Log

BY ARTIE RUTZ

Hey, hey.....This is positively the last reminder you'll get of Ray Gamble's Dinner which is tomorrow night, September 17th..... Call the Commander at (681-8750) and let him know that you will be there so he can reserve seats for you..... Tickets are only \$15 per couple for this great roast beef, beer and dance music..... Dance lessons are extra..... Come out and honor a Legionnaire who has now served the Post as Commander for a second time..... Come out and enjoy a night of good fun with your Legionnaire comrades..... We are still working and progressing on our 100% Early Bird Membership which shows the latest members on the list for 1984 are CLEM SWALLOW, MORRIS COHEN, ROBERT GAMBLE, MICHAEL TISDELL and CARMINE RINALDI..... Sometimes I bring you news on our national organization level as I wish all our blue cap Legionnaires to know of

the quality of our present and past leaders..... Today I want to publicize a Past National Commander who has just become the eighth person to be elected as Honorary President of the Society of American Legion Founders..... He is in select company of General John J. Pershing, General Douglas MacArthur, President Harry Truman, General and President Dwight Eisenhower, President Lyndon B. Johnson, Captain Edward V. Rickenbacker and S. Perry Brown..... The interesting background of Eric Cocke, Jr. reveals his birth place as Dawson, Georgia and after graduation from the University of Georgia in 1942, he entered military service..... During his four years of combat service in the European theatre of operations (ETO), he was captured twice and escaped..... During his second escape he was responsible for the capture of 592 prisoners which he turned over to the French just before his final

capture..... After his third capture, his enraged German captor ordered his execution by firing squad with other prisoners of war..... His bullet-ridden body was stacked on top of executed soldiers, where a German officer fired the Coup de Grace, a bullet from his hand gun into the back of Cocke..... Returning German civilians found him alive and gave him emergency treatment and took him to newly arrived allied troops..... He spent the next 14 months in 27 different hospitals and underwent 17 operations, but made a full recovery..... Cocke joined the American Legion in 1946 and served in various until elected Department Commander of Georgia in 1948..... At the age of 29 in 1950, he was elected National Commander of The American Legion, the youngest man ever to serve as head of the largest veterans organization in the nation..... While commander he visited every state in the union and 32 foreign countries..... Currently Cocke is the Chairman of the Board of Cocke & Phillips International, Government Relations and Public Affairs Consultants in Washington, D.C..... His very rapid rise in the ranks of The Legion reminds one of another of our Past National Commanders, Preston Moore, who became a Department Commander in 2 states just 2 years apart before his election as the Legion's chief

executive officer..... Matter of fact there are many interesting background stories of quite a few of our Past National Commanders that should come to light some other time..... Right now the bus trip to Atlantic City

sponsored by the Past Commanders Club and under the personal direction of Lou Cesta who has seating in 2 buses this trip as popular demand required on OCTOBER 2..... Tickets are \$18 per person with \$13 return at THE CASINO so please call Lou now at SU-5-6583 and make your reservations NOW for you and your friends come one, come all, have fun, have a ball.

Jericho, Plainview Engineers Teach BOCES Summer Schools

This past July, Jericho's George Frankel and Russell Goss of Plainview, both engineers at Grumman Aerospace Corporation, went to summer school — not to learn, but to share their knowledge with Long Island high school students.

Frankel and Goss were guest lecturers at Nassau's Technical Education Exploratory Institute, a summer program sponsored by BOCES (Board of Cooperative Education Services) of Nassau County. Sessions were held in the BOCES building on the campus of the State University at Westbury.

With the approval of their high school principals, students in the eighth, ninth and 10th grades attended the four-day-a-week program throughout the month of July.

Participants had the opportunity to explore various technologies, sciences

and associated fields. Frankel, assistant director of Environmental Planning and Control at Grumman, and Goss, Loads and Dynamics senior engineer, spoke about noise abatement in industry in the three sessions they conducted during the course.

In their hour-and-a-half classes both men explained the effects of noise on the workplace and how industry deals with it. "We broke up the session with 'hands on' segments to keep their attention," says Frankel. After a brief lecture, we split the group and had the students try out an oscilloscope (used to show noise amplitude and frequency) and work with a sound level meter spectrum analyzer (a unit that measures noise decibels and frequency).

As in most classrooms, there was a mix of real go-getters and rather shy kids. "We tried to get all the students involved," says Goss. "We even succeeded in getting the shy ones to try out the equipment."

Frankel and Goss ended each session with a brief summary of what kind of jobs are available in the industrial noise abatement field. Both Grummanites enjoyed the sessions and admit the project was a learning experience for them too.

"My wife is a teacher," says Frankel, "and I found out quickly what she goes through during the school year. I think we did a pretty good job of teaching the kids."

RUSSELL GOSS of Plainview, a senior engineer at Grumman Aerospace, explains function of spectral analyzer, used to determine pitch of sound, to students at BOCES Summer Technical Education Program.

Goss instructed on Noise Environmental Technology as part of the program.

SOUND OFF. Amy Mandel, a student at Plainview-Old Bethpage High School, speaks into a mike to have volume and sound frequency of her voice recorded on oscilloscope. Supervising is George Frankel of Jericho, assistant director of Environmental Planning at Grumman Aerospace Corporation.

Setting is BOCES building at State University at Westbury, where Frankel instructed high-achieving Nassau County students on Noise Environment Technology as part of BOCES Summer Technical Education Program.

Jericho Fire District Holds Tax Rate

For the sixth year in a row, the Board of Fire Commissioners of the Jericho Fire District have been able to maintain the Fire District tax rate at 96¢ per hundred dollars of assessed valuation.

"We feel this is quite an accomplishment in these times of ever rising costs," stated Richard Kaplan, Board Chairman.

As a further demonstration of the successful fiscal management carried on by the Board, in the last few years the Fire District has been able to construct a fire substation, purchase a new pumper, rescue truck and upgrade communications equipment while still maintaining the tax rate.

A tax rate of 96¢ means a homeowner whose house is assessed at \$5,000.00 will pay only \$48.00 per year for fire protection and a homeowner assessed at \$10,000.00 will pay only \$96.00 per year.

The present Jericho Fire Commissioners are Richard Kaplan, Arthur Kroll, Thomas Foggan, James Mansberger and Joseph Agosta.

D.A. Arrests Westbury Man For Tampering With A Sports Contest

Nassau County District Attorney Denis Dillon announced the arrest of Cesar Cruz on a charge of Tampering with a Sports Contest in the Second Degree. Cruz, 25, of 440 Maple Avenue in Westbury is accused of adulterating the feedbag of a horse at Roosevelt Raceway with a substance commonly known as "Bute."

According to Dillon, "Cruz had been fired as a

groom by trainer, Buddy Regan, in June of this year. Regan was the trainer for a horse known as B.J. Jilley. Cruz, on August 9 of this year, is accused of putting Bute in the feedbag of B.J. Jilley, the day before the horse was to race at Yonkers."

Bute is a substance known as Phenylbutazolidin. Bute is commonly used as a pain killer in the care and treat-

ment of race horses. However, the rules and regulations of the New York State Racing and Wagering Board prohibits the use of the drug within 48 hours of a race. Traces were found in B.J. Jilley the following evening at Yonkers.

Dillon credited investigators from the New York State Racing and Wagering Board of bringing this to the District Attorney's office. On two other recent occa-

sions two horses at Roosevelt trained by Buddy Regan were scratched when pre-race testing of the horses disclosed traces of Bute. The investigation into these instances is continuing.

Cruz was arraigned on the charge in First District Court. Tampering with a Sports Contest in the Second Degree is an "A" Misdemeanor, punishable by up to one year in jail and/or a \$1,000 fine.

At The Town Board Meeting

By Sheila Noeth

At the Tues., Sept. 6 session no one appeared in opposition to the petition of Hubert and Gertrude Baumgaertner and A & B Graphics, Inc. for a special use permit to alter, maintain and operate offices in an Ind H. district, to contain the offices, conference room and storage area for A & B Graphics, Inc. in premises presently improved by an existing building and formerly occupied as a one-family dwelling on the east side of Holman Blvd. south of West John St., in Hicksville. The Board reserved decision on this matter, as is customary.

The Board approved Resolution No. 782-1983 which was the site plan approval on Resolution No. 773-1982, concerning a small shopping center located on Broadway and Old Country Road in Hicksville.

The Board approved Resolution No. 783-1983 on the petition of the Estate of Sonia Lerner and Edward Glick for a change to an R-O zone for the building known as 368 South Oyster Bay Road in Hicksville.

The Fate Of The Jackson House Still Undecided

Over forty Jericho residents, presenting signed petitions containing over 700 names, requesting that the Jackson House in Jericho be considered a

landmark, made an appeal at the evening hearing called for this purpose last Tuesday evening at the Town Board meeting in Oyster Bay.

Although the TOB Landmarks Preservation Commission had previously recommended this building be given a landmark status, this is the first time that the Board has had to consider such a case where the Commission's recommendation was suggested, against the wishes of the present owner. Marion Jackson who was the previous owner of this historic building recently died. Her estate had planned to sell the house in order to erect an office building on the property.

Following the eloquent presentation made by Jericho civic leaders and residents, starting at approximately 11 pm. Mr. William T. Schopson, an expert on landmark preservations employed by the heirs started to make his observations as a consultant. He brought up certain unanswered questions such as "Who will take care of this house?" "Who will be liable for all expenses involved in this project?" Because of the lateness of the hour, the Board gave the attorneys for the Estate of Marion Jackson an additional three weeks to more fully present their side of this case ... and they reserved decision until a later date.

The next regular Town Board meeting is scheduled for Tuesday, Sept. 20th.

Second Precinct Police Report

Two Hicksville youths were arrested Sept. 9 at 3:02 pm in Hicksville and charged with Att. Grand Larceny 1st Degree, stemming from an on going incident in which they allegedly tried to extort \$15,000 from a Hicksville business.

Gillison Sweaters, 65 W. John St., Hicksville, began receiving phone calls about a week ago demanding \$15,000, or the establishment would be bombed. Dets. Marty Ciesinski and James Carroll began an investigation, aided by BSO Officers John Cook, Louis Grey, Robert McReynolds, and James Norton.

The investigation came to a climax when an undercover officer made a drop on Newbridge Rd., in Hicksville. The two subjects then allegedly appeared and picked up the drop. At this time, they were arrested. They are both 16 years of age.

Lt. Gerard Halfpenny, on special patrol for a series of

pocketbook snatches in the Third and Second Precincts, observed a suspicious car at 5:50 pm on Sept. 11 in the vicinity of Old Country Rd. and Wantagh Pkwy. Hicksville.

After stopping the vehicle occupied by James M. Carter, 31, 32 Bamboo Ln., Hicksville and his wife Anne E. Carbone, 30, same address, the Lt. was informed by radio that VTL Warrants were issued for James. Both subjects were taken to the Third Precinct for investigation and being they matched descriptions of the pocketbook snatches, complainants were brought into the Third Pct. where they were identified by Sylvia Neeman, 69, of Douglaston who had held on to her pocketbook at Marshall's Parking lot in Carle Place on Sept. 10 at 10:00 pm and Teresa Karcich, age unknown, of Hicksville who was robbed of her pocketbook on Sept. 10 at 1:30 pm. at the Mid Island Plaza, Hicksville.

Amount stolen unknown. Her pocketbook was found in the subjects home after a consent search was obtained by Lt. Halfpenny. Method of operation was, both subjects would drive thru a parking field and while the car was moving, one would lean out of the car and try to grab a pocketbook.

A search of the subjects found each to be carrying hypo. needles and the female for having a check made out to Teresa Karcich.

Both subjects were charged with Robbery 2nd Degree, Attempted Robbery 2nd Degree, Possession of

hypo needle and the female with an additional charge of Possession of Forged Instrument. They were arraigned at First District Court in Mineola.

St. Pius School, Plainview, was burglarized on Sept. 6. Entry was gained through an unlocked front door. Cash was reported stolen.

Smith's Drug Store, N. Broadway, Hicksville was burglarized on Sept. 8. Entry was gained through the roof. Cash was reported stolen.

Eighth Precinct Police Report

By Police Officer Kenneth Box

A residence on Arch Lane, Hicksville was burglarized on Sept. 5. Entry was gained by breaking a rear window. Criminal mischief to the house was reported.

A residence on Lent Dr., Plainview was burglarized on Sept. 7. Entry was gained

by breaking the glass in a rear door. A RCA VCR and assorted jewelry was reported stolen.

S & S Corp., Old Country Rd., Hicksville was burglarized on Sept. 11 Entry was gained by breaking a front window. \$335 cash was reported stolen.

Board Of Education Meeting

The Hicksville Board of Education took action on a number of issues at the meeting held on Wednesday, September 14.

*Two textbooks were approved for use at the Senior High School in the social studies department. They are *The Pageant of World History* and *The New Exploring our Nation's History*.

*The Board approved the application for the Town of Oyster Bay Matching Grant which would enable the District to continue to offer the Hicksville Youth Activities Program during the winter/spring and summer periods. This program has been running successfully in the District serving more than 3600 students grades 4 to 12 in the 1982-83 school year.

*Two proposals for funding in the area of special education were approved. The ECIA Chapter 1 PL 89-313 proposal in the amount of \$18,017 covers the provision of physical and occupational therapy for identified students and the cost of a teacher-aid. The Education of Handicapped Act PL 94-142 proposal for \$110,850 is aimed at maintaining and increasing the teacher-aid program in special education classes and continuing the evening parent counseling program to help parents in understanding and accepting their handicapped child.

*The Board approved the extension of a transportation contract with Tomfor Transportation Corporation for the 1984-85 and 1985-86 school years at an increase of 50% of the legal consume price index in effect as of May 31, 1984 and 1985. This commitment will mean a significant saving to the district and will enable Tomfor to purchase and refurbish equipment needed to provide service to the District.

*Bids were awarded for classroom supplies and learning materials, health supplies, and biology supplies in the total amount of \$19,823.65 and claims and warrants totaling \$4,129,251.49 were authorized.

The Superintendent reported that opening day in the District went extremely well and that all ran smoothly with the exception of minor transportation problems. Newly appointed Assistant Superintendent for Educational Services Dr. G. Robert Couillard presented the grade distribution report from the junior and senior high schools, explaining that this data will be used by department chairs to make recommendations to improve instruction and learning in a number of areas. Dr. Couillard also presented summer school Regents results.

Mr. Wolfson congratulated Mr. Richard Hogan, Director of Health, Physical Education, and District Activities on his election as president of the Nassau County Athletic League.

Mr. Schwartz submitted a proposed policy on student attendance for the Board's consideration and discussion. The policy was the result of the actions of the Educational Goals and Objectives Committee chaired by Mr. Ayres and feedback gained from a questionnaire sent to school personnel, parents, and students. The questionnaire solicited comments and opinions on the application of sanctions for chronic student absence. The policy underscores the Board's belief that regular and punctual attendance is a key factor in successful school performance and directs the Superintendent to develop appropriate regulations and guidelines for the denial of course credit to a student who misses a substantial part of a course due to absenteeism or tardiness. The policy will be submitted for hearing and approval at future meetings of the Board.

During the hearing section of the meeting, Mr. Bennett asked the Board to consider an appropriate form of recognition for the services of the late Frank C. Chlumsky, former Board member and outstanding citizen of Hicksville who died last year at the age of 97 after years of active dedication to service to the community. The Board will present a plaque to Mr. Chlumsky's family honoring his achievements, and a field at the Junior High School will be named in his honor at a ceremony to be held in the spring.

The Board approved a maternity leave of absence to DENISE KOEGL, Senior High School math teacher for the current school year. Denise and her husband Kevin welcomed new son Christopher into the world last month. He weighed in at 7 pounds and 8 ounces.

LOUIS DeANGELO was appointed Assistant Director of Special Education and Pupil Personnel Services. He joins the Hicksville staff after eight years of teaching and administrative experience with BOCES III. Joining Lou as new appointees in special education are teachers ANNARITA CRESCITELLI, HELENE PRESS, ROBYN MARX, and FRED GULLO. Annarita is assigned to the special class at East Street School, Helene will be in the Intermediate Communications Learning Center at Burns, Robyn will be Resource Room teacher at Dutch Lane, and Fred will serve in a special class at the Junior High School.

Other appointments include EUGENE LOVETTE in math at the Senior High and ROCHELLE WEINER as a regular substitute in math. She will be replacing Denise Koegel. HILARY SPERBER, who has served as a regular sub in music at the Junior High School has been appointed as a music teacher.

In other personnel actions, the Board accepted the resignation of RICHARD WEIGANG, Business Manager. Mr. Weigang will retire at the end of December after nearly 20 years of service.

YOLANDA SPERANZA and MARY ANN DeBENEDICTO were appointed as teacher aides at the Junior High School.

The Board established guideline for each committee as activities for the year begin. Each has a defined purpose, a list of tasks, and a time-line for completing them. The committees, chairs, and assigned administrators are listed below with the purpose set for them.

Budget Advisory Committee Mr. Bennett, Chair

Something To Think About

BILL WAGNER DIRECTOR

BEFORE SELECTING A CEMETERY

In choosing a cemetery, there are some important considerations you should keep in mind. First of all, it is important that a cemetery have a favorable reputation in the community. It should be well maintained and managed.

Of paramount importance is the manner in which its care funds are being handled. Is money being set aside on a regular basis for care? Does your purchase agreement stipulate that money is being set aside, and how much? Is the care fund being run by well-known and trusted citizens of the community, or a well-known and trusted banking or investment organization?

This is not being snooty or picky. The interest generated by these funds is necessary for the purpose of keeping grass cut and shrubbery well cared for. Nothing is quite so disappointing and sad as visiting a cemetery that has gone to seed.

Devotions

By The Rev. Dr. John H. Krah Trinity Lutheran Church

Let your actions praise the Lord. Praise is something you do more than something you say. It is an act of kindness which demonstrates that you are a child of God. You can worship God better with your life than with your words. The New Testament book of James says we will be judged at the end of time on whether or not we are doing what God wants us to do.

Faith without works is dead. Sure we are saved by faith in Jesus Christ, but true faith produces good works. To say, "Jesus, I love you," and then go through life without showing it helps absolutely no one. When we stand before the Lord on Judgment Day, he'll ask us, "What have you done? What do you have to show for your life? How have you served me and my church?"

And if we respond, "Well Lord, I was planning on it, but you know how busy I was all week, and the weekend was about the only time I had for myself, I enjoyed church when I went, and I tried to lead a good life. Lord, I didn't ask for the heart attack...I really didn't expect to die so soon." Then the Lord is going to say, "I'm sorry. You didn't have time for me and my work in your life; now I don't have time for you in death."

Albert Schweitzer once said, "If there is something you own that you can't give away, then you don't own it, it owns you." What owns you? What makes you tick? What is important enough in our life to keep us awake at night thinking about it? If we call Jesus Christ our

Affable Bob Lynch, who dispensed spirits--bottled and congenial--to many a Hicksville sporting fan in Frank's Alibi, is seriously ill in New York. His many Hicksville friends are forwarding notes of encouragement to him at Veterans Hospital, 26th St. and 1st Ave., New York City.

"Broadway and Marie Street," which was the street

marker in the center of Hicksville before Broadway was destroyed, is embedded in the front lawn of John and Ada's Economy's home in Sun City, Arizona.

It doesn't denote Hicksville, but attracts a dozen stopped cars a year with persons who recognize it.

John was the 1948 HHS quarterback who tossed that jump pass to splendid end Lou Koji to win the North Shore Championship, 6-0, over Port Washing-

ton. It was a major upset.

Hicksville friends are relieved to hear that Matthew Tringali, 1949-1952 HHS football lineman, is recovering after being struck in the head by a batted ball. The injury was severe. He is now in the rehabilitation unit of St. Charles Hospital, Port Jefferson. His many friends from his playing days are lending strong support.

Matthew was in that fine group of athletes, comprising Dick Alcock, Ted Schwartz, the late Ray Fichter, Ray Guckenberger, the Wheatly Hills McCarthy lads, etc.

The passing of E. Parker Yutzler, former HHS

Athletic Director, had a profound impact on Hicksville.

He had been off the scene for many years, but there was a twinge for those who remembered the strong, dignified, capable coaching leader.

He was involved in the only football forfeit in Hicksville's 58 year grid history. He pulled the team from the field against Sewanhaka at Floral Park in 1934.

The decision was based on the inflammatory conditions surrounding the contest. Fearful of lack of crowd trouble, he accepted the 1-0 loss to protect the safety of his high school players.

Hicksville and Syosset High Schools are leading an adamant drive against the Nassau Section Eight Football Committee Conference Realignments.

A strict numerical student population criteria is used for League pairings.

It ignores many other important factors that lead to mis-matches, long travel, intensified cross country travel, demands long hours of players time and most importantly, physical abilities.

Most School Superintendents are insensitive to the dangers in overmatching teams.

Parents are concerned that more injuries are caused by the arrogant guidelines.

Such former competitive schools like Port Washington and Mineola have withdrawn from the enrollment based structure. Jericho has many

years of independent schedule selection.

It was the luck of the draw for the 1983 and 1984 realignments that kept Syosset and Farmingdale on the Hicksville schedule.

Syosset was not on Farmingdale's slate but a vigorous protest gained a change in the schedule.

A major battle is in store for the scheduled 1985 changes. Competitive physical and geographical matches will be advocated.

News From The Plainview-Old Bethpage Road Runners Club

David Canner and Nancy Grever were the stars of a big day for POBRRC runners in the September 5 Island Track Club Labor Day Classic 20 Kilometer Run in Commack.

20 Kilometers (12.4) miles can be an awfully long run, especially in the full sun on a day when both temperature and humidity hovered in the 80's, but it didn't seem to deter David, Nancy or the 22 other Club members who competed. David's 1:14:43 time was good for 6th place overall and second in the men's 20-29 age group, to lead his POBRRC teammates John Grever (1:17:57, 14th overall and third in the men's 30-34 age group) and Howie Greenberg (1:20:20, 21st overall) to a second place finish in the team competition. Nancy took first place overall in the women's competition with an awesome 1:29:55, far outdistancing her nearest competitor.

Nancy Ackley and Julie Shapiro also came home from Commack with trophies. Nancy (1:47:45) was second in the women's 20-29 age group and Julie (1:50:10) was 3rd in the women's 40-49 age group.

Other POBRRCers com-

peting in the Island Track Club 20K Run included Larry Green, Art Koppelman, Al Eden, Bruce Canner,

Mike Kaufman, Ira Eskow, Mike Smith, Jerry Kass, Art Belfer, Mike Kaye, George Dennis, Vicki Dennis, Mike Polansky, Bob Shapiro, Tom Moylett, Steve Attias, Ken Rizzo and Alan Stopek.

The Club's triathletes continue to excel, as Tom Moylett, Gerry Kaufman and Michael Davidson turned in outstanding performances in the August 27 Wyoming Valley Back

Mountain Triathlon. Tom led the POBRRC contingent to the finish of the 1 mile swim, 37 mile bike ride and 10 mile run with a fine 4:06, good for 3rd place in the men's 45-59 age group. Gerry continued his steady improvement with a nice 4:18, and Michael overcame some early difficulties in the swim to turn in an excellent 4:55.

Other recent performances of note by Club members

included Larry Green's personal best of 29:59 in the Kings Point Merchant Marine Academy 5 Mile Run on August 27, and Phyllis Angstreich's fine 3:18 time in the Eisenhower Park 20-Miler on August 21, good for third place in the women's 40-49 age group.

The Long Island fall racing season is getting into full swing now. For information and race applications, contact POBRRC President Mike Polansky at 433-0919.

St. Ignatius CYO Registration will take place on Sunday, Sept. 18th in the St. Ignatius Old School between 10 a.m. and 1 p.m.

The Fall Program will consist of boys' basketball (K through 12) and girls basketball and volleyball.

Devotions (Continued from Page 6)

Lord and really mean it, he must be number one in our life. God's revealed truth in Christ must be the one thing that owns us. We must constantly desire to get really close to Jesus. And in our quest, our Bible must wind up with fingerprints all over it. Our presence in church must be weekly, and our

contribution to God's work must be felt and known because it's so evident.

Let us begin each day with the words, "Lord what will you have me do today? Fill my mind with your mind." Only then can we go about our day giving praise to him, especially in our doing.

VENERABLE SKIP MONTEFORTE'S MESSAGE: "The size of a man can be measured by the size of the thing that makes him angry." Old Saying

There are times when the vitality of the human spirit overcomes all of the exigencies of life, and that human spirit was very much in evidence last Thursday night as the membership of the Galileo Lodge, in a beautiful and sincere display of recognition and acknowledgement of the stellar role that Venerable Carmine Monteforte played in the social and fiscal advancement of the Galileo Lodge these past few years, presented him with a beautiful gift which should also make his wife Mary and family extremely happy and proud. It is truly said that a

nicer gesture could not have befallen a worthier man.

We often talk about the sacrifices in time and energy made by members of the Galileo Lodge, but we now see these sacrifices come to fruition as we witness the wondrous transformation of our basement area into a first-class recreational facility. And it is with a great deal of pride and satisfaction, not to mention also with a deep sense of thanks and appreciation, that the Galileo Lodge happily presents the names of the members who were responsible for this magnificent renovation program, and they are, namely: Chairman Jim Posillico, Al Montello, Pat Gatto, Al Barella, Frank Bove, Frank Matassa and Bert Molinelli. So from

Venerable Skip Monteforte and all the members of the Galileo Lodge, male as well as female, extend a deepest and sincerest thanks to all of the members named here for a truly magnificent example of human productivity.

With stifling heat still persistently making us uncomfortable, perhaps I might endeavor to 'cool' things a little by refreshing your memory with some interesting news about our Fall Recreational Program. On Saturday, the 24th of September, the Ladies Auxiliary, under the supervision of Mary Monteforte (938-9536), will present a Buffet-Show commencing at 6:00 P.M. while the show, 'Only Game in Town', will begin at 8:30 P.M. Tickets sell at \$12.50 per person, so con-

tact Mary Monteforte and get even more details. Then on Friday, the 14th of October, the Ladies Auxiliary once again, under the supervision of Sue Laurenti (931-0036), will present the hilarious 1983 version of the 'Foolies Follies.' Tickets sell at \$10 per person, a nominal fee that also entitles you to a hot dinner and dancing. Dolores Look (822-5520) and Terry Gatto (433-6708) will also sell tickets at the Galileo Lodge every Tuesday night from 8 to 10 P.M. and every Wednesday from 6 to 7:30 P.M. On Sunday, the 27th of November, the Ladies Auxiliary will hold a Flea Market, again under the supervision of Mary Monteforte. Vendors are wanted, with tables priced at \$10 for non-members and \$8

for members. The time is from 10 A.M. to 10 P.M. Incidentally, the closing date for the 'Foolies Follies' tickets will be October 6th.

"Militia Muster"

Farmers and shopkeepers will don their uniforms and oil their muskets for a reenactment of the "Militia Muster", 1840's style, at Old Bethpage Village Restoration Saturday and Sunday, Sept. 24 and 25, from 10 A.M. to 4 P.M.

Nassau Recreation and Parks Commissioner Abram C. Williams said visitors can witness company drills by the ragtag "common militia" and performances of military field music on Saturday.

On Sunday troops will gather at the parade field near the Kirby house for the annual muster. Activities will include casting musket balls, drills with flintlock muskets, a target shoot and company elections. The day's events will culminate with a "regimental review" at 3 P.M., complete with the village brass band and the museum's volunteer militia unit, the Hempstead Light Guards.

In the mid-nineteenth century, the muster was more holiday than military drill, with men throughout the town excused from work to gather for a day of socializing and good-natured fun. Visitors to Old Bethpage's muster should keep this in mind if the troops are, perhaps, not as military as they might be. After all, they drilled only once a year!

Old Bethpage Village Restoration, operated by the Museum Division of the Nassau County Department of Recreation and Parks, is located on Round Swamp Road, Old Bethpage, south of Long Island Expressway, exit 48. Hours are from 10 A.M. to 5 P.M. The Village is closed Mondays. A cafe-

ria and gift shop are located in the Reception Center. Admission is \$3 for adults (leisure pass holders pay \$2.50), and a \$1.50 for children, ages 5-17. Parking is free.

The HICKSVILLE LIONS CLUB, is composed of twenty-nine members. Members who join together in LIONISM, to offer services in particular, the Hicksville community as well as neighboring communities in many activities. These services scan from community improvements to youth activities and most importantly many critical charities.

"Lions serve" is the general theme on which all Lions across the nation and abroad abide by. The Hicksville Lions Club, is a member of LIONS INTER-

NATIONAL serving in the 20 K-2 District.

This year the Hicksville Lions are fortunate to have Mr. William Ramsey, serving as President. Bill will be heading a very active membership which includes: Archie Rosica (1st vp), Paul Weber (2nd vp), Peter Kenney (3rd vp), John Andrews Jr. (secretary), George Daube (treasurer). Directors: Joe Gentile, Angelo Preite, Bart Templeton and George Maida. Alternate Directors: Bruce Gerry, Joe Hallak, and Eddie Blaskowsky. The Hicksville Lions Past President is Mr. Ted Marotti (who served as President for

2 years). Lion Twister is Jim Pino and the Lion Tamer is Vincent Iannone.

Other members include: Ken Degongh (past Dist. Gov.), Dick Emerson, Lion Cliff Freitag (Charter Member-a Lion for 35 years), Jim Fyle (pp), Jay Gennaro, Irwin Goldman (pp), Larry McCaffery (pp), Steve Pino, Frank Simone (pp), Martin Solomon, Anthony Sparacio (pp), Dominic Valente, Wes Villazon (pp), and International Director Candidate Lion Jack Weber.

The Hicksville Lions Club meet every 2nd and 4th Wednesday of the month (Sept.-June) at Iannone's

Restaurant in Hicksville at 6:45 PM.

The busy 1983-84 service oriented agenda is highlighted by the 2nd Annual Journey For Sight-5K Run, to be held Sunday April 15, 1984. This run which had its debut last April, takes place throughout the streets of Hicksville. Further details on this as well as the other events will be printed in future columns.

If you have any questions on Lionism, or any other questions concerning the Hicksville Lions please feel free to contact Lion Bill Ramsey (935-2165) or Lion Jim Pino (822-7060).

American Legion Auxiliary News

By Geraldine Seitz

The regular meeting of the Charles Wagner Unit #421, American Legion Auxiliary of Hicksville and the Dept. of New York, was held on Fri., Sept. 9. President Cynthia Hochbruechner presided.

Our 1983 Girls Starter, Regina Ruf attended and spoke about her trip to Casanova College as Girls State representative.

Ethel Habenicht and myself were presented with pins for our Volunteer Service at the Northport VA Hospital. The Unit will con-

tinue to support this program.

Tenth District Fall Conference will be held on Sat., Sept. 17 at the clubhouse of the Rockaway Beach Unit in Rockaway, N.Y. starting at 10:30 a.m. We will be represented by President Cynthia, also Ruth Leger and Gerry Seitz.

Past Presidents Parley will be held on Friday, Sept. 30 at 8 p.m. at the Massapequa Unit. Let's make a good showing.

We would like to thank Dorothy Nichol for her generous donation to the Chapel of 4 Chaplains.

Girl Scout News

By Geraldine Geannikis

Summertime is a great time for Girl Scouts. The long, warm days allow time and freedom to explore interests otherwise restricted.

In July, Nancy Hundt of Birchwood Lane in Hicksville, hosted Ulrika Kjellman, a Girl Scout from Sweden. Ulrika participated in a program which truly offers Girl Scouts a World of Experience.

Two Junior Troops of Hicksville met during the summer to allow the girls to earn badges and enjoy each others company.

Junior Troop #3515, under the leadership of Fran Wojtyniak, earned several badges. The girls made first aid kits, strawberry jam and planters. They grew their own vegetables and learned about companion gardening and soil testing. Terry Brancucci introduced the girls to soy beans as a source of nutrition. On a camping trip to Wading River, the girls learned about ecological balances by taking a beautiful nature walk. During the hike the girls got to view newborn swans swimming with their mom and dad (a very impressive sight). The girls also constructed balanced terrariums. Fran Wojtyniak, along with Carleen Murphy, Kathleen Mais and Terry Brancucci gave the girls some special summer memories and wonderful learning experiences.

Mrs. Gina Diana, leader

of Junior Troop #3155 also gave her girls a special summer. Her girls met four times during the summer. Somehow they managed to cram in enough work in this short time to earn three badges and still have a lot of fun. The girls grew and ate their own vegetables and sprouts. They took a fascinating tour of the working farm at Farmingdale College, where they saw a modern commercial farm. Tie dying T-shirts is a marvelous way to learn about fibers

and a Court of Awards held at a pool party is a super way to end the summer.

Girl Scout people are always special but there is something really terrific about Girl Scout people that are willing to give even more; they are really leaders.

Now is the time to join Girl Scouts for another year of fun and learning. If you are interested, call Nassau Council of Girl Scouts at 741-2550, or your local troop and join the fun.

Happy Birthday

On Sept. 11, Mrs. Henrietta Aracil celebrated her 84th birthday and on the 10th of Sept., she started her 34th year with Gillison Knitwear, Hicksville.

The women who work with her, took her

out to dinner to celebrate.

On Sept. 12, Mrs. Angie Dungura celebrated her 75th birthday, and she also went out to dinner with the ladies.

Happy birthday to you both.

Museum. This Exhibit opened in July, 1983 and will continue until February 14, 1984. Call 516-822-7505 for further information about the Hicksville Gregory Museum Cradle of Scouting Exhibit.

The two Scouting displays can be seen during regular Library hours.

In the Community Room Linda Ozellis will have an exhibit of her works in acrylics and pen and ink. This exhibit is provided by the

Rotational Art Exhibitions of the Town of Oyster Bay Arts Council. It can be viewed from 10:00 AM to 5:00 PM daily and Saturday, 1:00 PM to 5:00 PM Sunday.
