Hicksville Fire District To Elect A Commissioner

On Tuesday, Dec. 13 from 6 p.m. to 10 p.m., the qualified voters of the Hicksville Fire District will have the opportunity to cast their votes for one Fire Commissioner for a term of five years.

All qualified voters who are under permanent personal registration of the Town, who are 18 years of age and who shall have resided in this District for 30 days preceding this election are eligible to vote for Commissioner.

Running for this office is incumbent Fire Commissioner Robert Dwyer and Chief of the Hicksville Fire Dept., William Donlon.

The following is a list of the qualifications of the candidates as submitted to the Mid Island Herald:

Robert Dwyer
Robert (Bob) Dwyer of 137 Ohio St., life long resident of Hicksville, is seeking re-election as Fire Commissioner of the Hicksville Fire District in the election to be held on Tuesday, December 13, 1983, between 6 P.M. and 10 P.M. at the East Marie Street Firehouse.

Robert Dwyer has served as Fire Commissioner since 1978. He is a member of the Hicksville Fire Department, Emergency Company #5,

active member of the Rescue Squad and a delegate and member of the Firemen's Association of the State of New York, representing Company #5.

The Dwyer family has been active in Hicksville's growth for the past 70 years. Four members of the Dwyer family, including Edward, Rob, and William have served with distinction during their time with the 'Hicksville Fire Department. Bob's wife Karen is also a native of Hicksville. They have one son, Robert, Jr.

Bob is employed by the Town of Oyster Bay and is presently a supervisor with the Parks Department. He is also a qualified diesel mechanic and has put this knowledge to use within the Fire District.

Active throughout the community and its affairs, Bob is a member of the St. Ignace of Loyola Parish, the American Irish Congress, AOH division of the Green Berets, and the Joseph Barry Council #2520, Knights of Columbus. He also serves as a committeeman for the Hicksville Republican Party.

During the past five years, Commissioner Dwyer's incumbency-the Hicksville

Fire District has ranked as one of the finest in the State of New York for fire protection, the use of the latest fire equipment accounts for this. The District now provides a personal alerting system for Volunteer Firefighters, a computer for ascertaining necessary information for quick, effective response to calls for help in fire or emergency and the best schooling available for the Firefighters. And these accomplishments were attained with NO increase in taxes to the taxpayers.

Commissioner Dwyer is a firm believer in the best fire protection available to keep our homes and loved ones safe from fire, without compromising the safety of our Volunteer Firefighters.

William Donlon
Dear Editor and Residents of Hicksville.

As many of you know, I will be leaving the position of Chief of the Hicksville Fire Department at the end of December when my term expires. I feel that I served you to the best of my abilities, but now I need your support. I am running for the office of Fire Commissioner of the Hicksville Fire District. This election will be held on December 13, 1983

from 6-10 p.m. at the Marie St. Firehouse.

If elected to the position of Fire Commissioner, I will work to modify the plan for the newly proposed six bay Firehouse and Maintenance building to fit each Taxpayer's budget. The 1.2-1.8 million dollar Firehouse and Maintenance building would impose too great a burden on the Taxpayer's. I feel, we do not need a six bay Firehouse when a two to three bay Firehouse would suffice. An ambulance, engine and a possible ladder truck would be adequate for an initial response to fire and rescue calls in the Southwest section of our town. In addition to this, the Maintenance building should not be put in a residential area.

Another issue I am in favor of is to establish larger communications with the residents of Hicksville. We need to get more input from the Community on the issue of the proposed site of the new Firehouse.

Another priority issue which I support will be the extension of Barclay Street through to Newbridge Road. With this extension, traffic can be eased to allow

Honored At Town Hall

Hicksville High School Student Government Association President Regina Ruf, project chairman Larry Sullivan, Student Activities Director Nancy DeSorbo, and Principal Dr. William Rieck were honored at Town Hall on December 6 for their recent project to send home-baked treats to U.S. Marines serving in Beirut.

"This most worthy endeavor reflects the highest credit upon the school," said Town of Oyster Bay Supervisor Joseph Colby in inviting the group to receive a citation on behalf of the school for "this fine show of support for our men in uniform."

The project resulted from student reaction to the terrorist attack on the Marine barracks, and on November 23 a Federal Express truck pulled away from the school bearing 5,000 cookies, 2,000 brownies, and an assortment of magazines. "This gigantic cake package has

been created with much care and love by the students of Hicksville High School in an effort to show our appreciation for all you have done and continue to do," the students wrote in letters accompanying each tin.

SGA members did the baking in home economics classes after school with ingredients donated by faculty and staff members and a host of local businesses. Joining in the effort were the Village Deli, Grand Union Supermarkets of Hicksville and Levittown, K and K Stationery, New Country Deli, Volpe Deli, King Kullen of Hicksville, Seven Sea Bakery, Pathmark, and Foodtown of Plainview who all donated supplies; Federal Express, who provided transportation of the cartons to the air terminal for transfer to Lebanon; and numerous people who provided empty cookie tins.

The Kiwanis Club has

The Hicksville Post Office entered the age of automation today as it introduced new high speed optical scanning equipment. This equipment, which sorts at a rate of approximately 28,000 letters per hour - five times as fast as the present mechanized system - will improve the efficiency and accuracy of mail sorting and provide more consistent service to the mailing public.

Hicksville Postmaster Anthony M. Murello said Hicksville's Mail Sectional Center (MSC) is the first on Long Island to begin using the automated mail processing equipment. The MSC, he added, is one of 118 postal facilities in the country where automated equip-

ment will be deployed. Utilizing high-speed optical scanning technology to sort letters, the new machines...Optical Character Readers (OCRs) and Bar Code Sorters (BCSs)...will allow the Postal Service to process letter mail more accurately and at far less cost, according to Murello.

Long Island is one of the mailing centers of this country with the highest household per capita income in the United States. The speedy distribution of mail is a vital part of our nation's and especially Long Island's economy.

Murello stated, "I am very excited about the introduction of automated equipment to help process and sort the billions of pieces of mail that crisscross our country. Our Hicksville facility processes between 3 and 4 million pieces of mail a day."

"The automation program," Murello said, "will be the key to controlling our labor costs, as well as improving the productivity and reliability of our postal system."

Addressing Tomorrow Today

Hicksville Postmaster and MSC Manager, Anthony Murello, explaining the new automated addressing format at the Dec. 6th news conference for business mailers and the media.

The OCR is similar in concept to those used in grocery stores and banks. The OCR automatically reads the city, state and zip code of the address, verifies the information for accuracy and converts the zip code into a bar-code which is sprayed on the lower right corner of the envelope. This bar-code mail is then read by the bar code sorter which accurately sorts these letters to the appropriate destination post offices.

Murello said the automation program is designed primarily to process the

nation's business mail, which comprises about 83 percent of the total mail volume.

The automated machines will initially sort letter mail bearing the five digit zip codes. Since October, the Postal Service is offering an incentive to business mailers who use Zip + 4. Mailers who mail 250 pieces of non-preserved mail are eligible for a .9 cent saving on each piece of mail. Mailers who mail 500 preserved pieces are eligible for a .5 cent per piece savings.

News From The Town Board

TOWN SETS PUBLIC HEARING TO CONSIDER CHANGES IN SCHEDULE OF BUILDING PERMIT FEES

The Oyster Bay Town Board has scheduled a public hearing for January 24, 1984, to consider proposed modifications in the Ordinances and Local Laws regulating fees charged for various permits issued by the Town of Oyster Bay Building Division.

Town Councilman Salvatore R. Mosca explained that, "the hearing will consider amendments to the regulations in order to reflect the current cost involved in preparing and delivering these public services."

Mosca said that the pro-

posed new schedule of fees is available for public review in the Town Clerk's office, 54 Audrey Avenue, Oyster Bay, from 9 AM to 4:30 PM weekdays.

"In addition to the proposed fee changes," Mosca said, "the Board will consider adopting a new fee schedule for obtaining certificates of compliance for multiple residences, ranging from a fee of \$25 for 3-5 units, up to a fee of \$25 for over 51 units."

The hearing is scheduled for January 24, 1984, beginning at 10 AM in the Town Hall East hearing room, Audrey Avenue, Oyster Bay.

Mosca noted that the Town Board has also approved an increase in the

cost to purchase the "Appendix A - Building Zone Ordinance" manual from \$5.00 to \$10.00 per book. The cost of pamphlet reprints of the Town's Building, Electrical, Housing and Plumbing Code has also been increased from \$1 to \$5 per copy. Both increases reflect the cost of printing and handling.

FEE FOR MARRIAGE LICENSES

The Oyster Bay Town Board, today, (Tuesday, December 6), set a new fee of \$10 for marriage licenses issued by the Town Clerk's Office.

"This action is in keeping with the guidelines of the New York State Domestic Relations Law, and reflects the increased cost of pro-

cessing these documents," according to Town Clerk Ann R. Ocker. The fee had previously been set at \$5.00. Mrs. Ocker indicated that "this fee is in keeping with the actions of neighboring Towns who had previously increased this license fee in 1982."

SYOSSET RESIDENT REAPPOINTED TO PLANNING BOARD

"The Oyster Bay Town Board approved the reappointment of Alfred Germain of Syosset to a three year term as Chairman of the Town's Planning Advisory Board," announced Councilman Douglas J. Hynes.

"Through the dedicated service of Mr. Germain and

his fellow board members, the Planning Advisory Board has provided valuable assistance to the Town Board in making recommendations relevant to comprehensive planning," according to Hynes, Chairman of the Town Board Committee on Commerce and Industry. "The Town is most fortunate to have the benefit of Mr. Germain's service." Mr. Germain will serve as a member and chairman of the P.A.B. until October 15, 1986.

Members of the Planning Advisory Board receive no salary for their service on the board.

BOARD SETS JANUARY 24 HEARING ON DAY TREATMENT CENTER IN HICKSVILLE

Oyster Bay Town Councilman Thomas L. Clark announced the Town Board has scheduled a public hearing on Tuesday, January 24, 1984, on an application for a special use permit for a day treatment center in Hicksville.

"The applicants, Nassau Center for the Developmentally Disabled, Inc., and Mid Island Industries, are seeking permission to operate a day treatment center on the corner of the New South Road and Karin Lane, Hicksville, in a "G" Industrial District," Clark stated. The proposed center will operate a program to enable developmentally disabled adults to acquire community living skills.

Come 1984, New York Telephone will not be the only company on your phone bill.

NEW YORK TELEPHONE CHARGES.

AT&T EQUIPMENT CHARGES.

AT&T LONG DISTANCE CHARGES.

As AT&T breaks up into many separate companies, it's going to mean some changes for us. And for you. Some of these changes will soon be showing up on your phone bill. We thought you'd like to know about them ahead of time.

AT&T LONG DISTANCE CHARGES.

Starting with the January bill, New York Telephone will be billing long distance calls for another phone company. It is called AT&T Communications, the new name for AT&T's long distance service. As is currently the case, you're free to choose other long distance

companies if you prefer.

AT&T EQUIPMENT CHARGES.

If we are currently providing your phone set, that phone will soon be owned and serviced by AT&T instead of us. Their leasing charges and repair fees will also be appearing on the bill New York Telephone sends you.

Once again, these AT&T companies are not New York Telephone. They are separate companies who will be billing you through us.

NEW YORK TELEPHONE CHARGES.

Not much change here. We'll

continue to provide local service, just as always. We'll be billing you for local calls, certain long distance calls, and inside wiring.

All in all, your bill will soon be a little longer, but a lot more informative. It will be easier to read and better organized. You'll be able to tell where you could be saving money by making different choices.

We think you'll find that you have more control over the way you use the phone.

For more information, let's talk. Call us toll free at 1 800 555-5000.

Letters to the Editor

To the Editor:
Why should I vote in the fire commissioner elections? My vote doesn't make a difference!

Have you heard or said one or both of the above? We have, but this year we will vote.

I've sat on committees with Chief Donlon. I was very impressed with his knowledge, experience, but most of all with his belief in our community, our fire department.

He believes that in Hicksville there should not be taxation without representation. If there is to be another fire house in Hicksville the community should be informed prior to a decision being made.

Hope to see you on December 13 between 6 and 10 pm at our main fire house. We will be there casting our vote to elect William Donlon Jr. as the newest fire commissioner.

Virginia and Art Germer

Dear Ms. Noeth:

I am writing this letter to you re: Fire Commissioner Election on Dec. 13.

My family, friends and neighbors are supporters of Robert Dwyer for re-election 100%. Bob is a man of character. He is generous, kind and quick to extend himself to others in their time of need. Bob has served well for the past five years as Commissioner and before that in his many other duties in the firehouse.

In times, such as these, we need a man like Bob, a loyal resident of Hicksville, to continue to lead us. He is an inspiration to all who know him and a role model for our children.

Robert Dwyer for re-election!!

Sincerely,
Paula Bruckner,
Tobias St.,
Hicksville

Dear Mrs. Noeth:

Distressed since the unnecessary felling of the beautiful old maples in August '82, I have recently been further outraged by the ugly restoration (?) of the medians on Newbridge Rd. by the State Transportation Dept. The trees were uprooted to "facilitate" Nassau County's

sewer program and provide for greater public safety. The only safe area in "Barretstown, USA" during the ensuing eighteen months of ravagement has been the area where our six surviving "sentinel" trees still stand.

I realize, that, for public safety, a reasonable amount of blacktop is needed at narrow points of turning lanes, and distal points of other type medians. However, this past week, asphalt covering has been extended to an unsightly and ludicrous degree.

It is totally unacceptable to residents of this community to suffer another "blacktop blight", as verified in scores of letters I collected in a few hours today. These will be forwarded to Assemblyman Fred Parola for presentation to the State Department of Transportation officials.

We insist the medians the FULL length of Routes 106-107 be restored satisfactorily. We must have sodded areas, interspersed generously with evergreen shrubs. (Trees not allowed by N.Y.S.) Upright junipers are attractive, hardy, fast-growing and would provide a resilient safety barrier for opposing traffic, if properly spaced and minimally maintained.

Those six maples still stand thanks to Mr. Parola and several alert and caring citizens. The trees remain symbols of residents' reason for being in suburbia. Beauty, serenity, and a better quality of life.

Yours for a greening of Hicksville,
Virginia Flood,
Publicity Public Relations,
West Green Civic Assoc.

Dear Editor:

As a Hicksville resident for the past 33 years actively involved in community affairs and a columnist in the Herald for some 20 years telling of the "Cummings' N-oings" of our community and its residents, I came to know the Dwyer family. Rob, the late Ed Dwyer and Robert Dwyer, our Fire Commissioner and his wonderful "Mom" Gert, who passed away last year.

Bob Dwyer and I worked on many community pro-

jects over the past 12 years, and whenever he was not involved with his dedicated and proven ability in the Hicksville Fire Department, Bob was there to help his fellow members of the community. He has proven himself for the past five years in the office of Fire Commissioner on behalf of the Hicksville community. We cannot accept a change at a time when Bob Dwyer, as your Fire Commissioner can and has given you added Fire Protection without a burden to your pocket—everyone is aware of that.

We are proud of his accomplishments during his tenure and know his "know-how" vim and vigor will continue the feeling of comfort and safety with men like Bob Dwyer and his fellow volunteer firefighters in the Hicksville Fire Department, who in my opinion are the finest group of volunteers in New York State. On behalf of my fellow members of the American Irish Congress, the Ancient Order of Hibernians and the United Irish Coalition of Irish Organizations and numerous other we ask you to "bullet a vote" for Bob Dwyer, to continue the expertise of his office to keep us "firstly safe" through the work and God-given talent of his fellow firemen.

Sincerely,
Jim Cummings
Press Officer,
American Irish Congress
Ancient Order of Hibernians
United Coalition of Irish Organizations

To the Editor and Residents of Hicksville,

I have been a member of the Hicksville Fire Department - Volunteer Hose Company 4 for 10 years. Thru these years I have been fortunate to serve under and work with a Gentleman who is seeking the position of being our Fire Commissioner. The Gentleman I am speaking of is Chief William Donlon of the Hicksville Fire Department.

Through my years of serving under Bill as Company Officer of Volunteer Hose Company 4, I have seen him help lay the ground work to make what the Department is today. Bill's tactic's as a Company Officer were thought by some to be a bit "unorthodox" for that period of time. However Bill continued being progressive and today many of those "unorthodox" procedures are standard operating

procedures. One of those progressive measures was the use of 5" high volume supply hose. The ground work for the success of this hose was the work performed by him and his officers along with the members of the Company.

Bill continued on to another plateau by being elected to Asst. Chief. This was attributed to his progressive foresight in today's firematic world. Through his years as Asst. Chief, Bill worked to develop Mobile Command Posts in the 4 Chiefs Cars, which I may say proved themselves invaluable at numerous fire and rescue incidents. Other achievements was Bill's starting a Department Pre Planning Committee, who under Bill gathered information on industry in town, that would be vital at the scene of a fire. Through the preplanning a large insight was brought forth on Hazardous Materials in our Community. Through Bill's direct involvement the Hicksville Fire Department implemented the 1st fire department Hazardous Materials Response Team in Nassau and Suffolk.

Through this the Hicksville Fire Department once again made one of those "unorthodox" progressive moves. During my term as serving as Captain of the Hicksville Fire Department Rescue Squad, Bill worked hard in having the old ambulance placed over in the Briggs Street Station. This move was done to allow a faster response to the Northeast section of town for rescue alarms.

This is just part of what Chief William Donlon has done to help Progress the Hicksville Fire Department into one of the Best Professional Volunteer Fire Protection Agencies in the Country.

I know Bill will continue to allow the Hicksville Fire Department to progress in the years to come as your Fire Commissioner. Bill has been a Mainstay to our Community and his ability is still warranted by this Community.

I urge all my fellow residents and brother firemen to come out on December 13th, from 6 to 10 Pm and VOTE at Fire Headquarters on East Marie St. for Chief William Donlon.

Sincerely yours,
Gene Pietzak
Ex-Captain of Rescue
Member Hazardous Materials Team

Dear Friends

This is going to be the shortest "Dear Friends" on record... due to the many wonderful activities that you are conducting at this time of the year. We wish there was such a thing as a page stretcher. But keep all your great news coming... and if it doesn't make it one week, we'll try again on the next.

A Correction

We owe an apology to Hicksville Fire Chief William Donlon, in last week's paper we mistakenly called him immediate past chief... but we were wrong, for his term is not up until the end of the year. Sorry, Bill.

Condolences to Dolores Twohie Cummings, of Hicksville, on the loss of her mother who passed away on Friday, Nov. 25.

See you next week.

SHEILA NOETH

Dear Editor and Residents of Hicksville:

With the election of the Hicksville Fire District coming up Tuesday, December 13th, I urge the residents of Hicksville to come out and VOTE for Fire Commissioner. I ask you the residents of Hicksville, that when you come to VOTE, you VOTE FOR CHIEF WILLIAM DONLON.

I am an active member of the Hicksville Fire Department and presently serving as Captain of Engine Company 7. Through my 11 years as an active member in the Hicksville Fire Department, I have seen Bill move through the ranks of Company Officer. Upon completing his term as Captain of Hose Company 4, he was elected by the Department members to the position of 2nd Asst. Chief.

Bill was elected to the position of Asst. Chief by his peers because of his open Communication and his Progressive Leadership as an Officer in Hose Company 4. Throughout Bill's terms as Asst. Chief and Chief of the Hicksville Fire Department he has helped me to

increase my understandings of the fundamentals of Leadership and Firematics. He as a member of the Hicksville Fire Department has always been concerned for the WELFARE of the Residents of our Community as well as the volunteer members, not only on a Firematic Basis, but on Civic Duties as well.

I firmly believe in Bill's cause to modify the plans for the proposed new Firehouse from 6 Bays to a 2-to 3 Bay Firehouse. As for the Maintenance building, I do know that the Strong Street Firehouse that was built about 25 years ago was built on land purchased large enough to place a maintenance building there. I agree with Bill that the Maintenance Building should not be placed in a residential area. All avenues should be explored in placing the maintenance building over in the rear area of the Strong Street Firehouse as so stated by Chief Donlon.

I know through my 11 years of working with Chief Donlon, he will continue to dedicate himself fully to the

The Big Cheese

It's eight feet tall, it's decorated with holiday trimmings, and it's not a Christmas tree. At the Nassau Farmers Market in Bethpage, these days, it's the 450-lb provolone cheese at Orlando's Deli.

Owner Orlando Mela ordered the cheese from a supplier in Northern Italy a year ago, and says that it's one of only ten such cheeses in the country—the only one on Long Island.

Not only is cheese big this year, but the "cheese habit" itself is growing big. Americans eat about 20 pounds of cheese per person per year, compared to 12 pounds in 1970.

One reason for this steady turn toward cheese, says R.F. Anderson of the National Cheese Institute, is that consumers are realizing cheese is rich in protein, calcium, vitamin A, and riboflavin. "Cheese is a smart snack food," he says.

Americans are sampling more types of cheeses than ever before, Anderson notes. Orlando's, for example, sells more than fifty varieties of cheese. Angelo & Sons' Italian deli, also of the Market, offers papete (Sicilian cheese with black pepper), and monteca (dried mozzarella with butter in the middle).

Nearby, the Lancaster County Cheese booth has specialties such as smoky cheddar, non-salt Swiss, and eleven varieties of cream cheese.

"Cheesing it" for the holidays also has economic pluses. "We buy a lot," says Orlando, "so we usually get a price break that we can pass on to customers."

High School Concert

Hicksville High School will present its annual Winter Concert on Wednesday, December 14, at 8:00 P.M. in the auditorium of the High School. Featured will be the Girls' Chorus, William Golee, Director; the Choral and the Madrigal Singers both under the direction of Charles Arnold; the Symphony Orchestra directed by Thomas Buttic; and the Concert Band and the Symphonic Band lead by J. David Abt.

This will be the first time in many years that all of the musical groups at Hicksville High School will perform on the same evening. With both

choral and instrumental as well as large and small ensembles on the same program, the directors thought the concert would appeal to a large audience. Music of all styles and periods will be featured offering yet more variety.

For those Hicksville residents who have not been to a function in the new High School auditorium, this will be an ideal opportunity to see it and to hear a fine concert as well. All are cordially invited to attend this free concert and to start the holiday season with some beautiful music.

Chamber of Commerce Meeting

The Hicksville Chamber of Commerce will hold their December luncheon meeting on Tuesday, Dec. 20 at 12:30 p.m. in the Quaker Room of the Milleridge Inn. On the agenda will be

financial reports, new members and committee reports.

The program will include sociability and year end good wishes.

Congratulations!

The Hicksville Veterans of Foreign Wars, Post 3211, are pleased to announce that Past Post Commander Joseph A. Normandy, has been elected as the president of "The United Veterans Organization of Nassau

County, New York" for the coming year and:

Past Post Commander Conrad Steers, has been elected president of the Nassau County Chapter for the Viet-Nam veterans for the year 1984.

Honorary Board Member

Elery Bean of Hicksville has been elected an honorary Board member of the

Long Island Chapter of the American Society for Training and Development.

Damp Fire Dept. Open House For Santa

The Annual Hicksville F.D. Holiday Open House held Sunday, December 4th suffered some from the downpour, but a large number of visitors did not let the rain keep them away. Santa arrived on time and the lines were brought inside so no one would get wet.

The visitors took in the various displays and got answers to their various questions on fire safety and fire prevention. The Fire Departments Hazardous Material Team Display and Hose Co. #4 Display on how fires can start in the home were big hits. Fire Prevention is a year round project. You can help the Fire Department and yourself by installing smoke detectors. Be sure you test it and replace batteries as required. Clean up - don't burn up.

Remember - if you see a flashing blue light - its a fire-fighter responding to an

Auxiliary Police Recover Stolen Auto

By Eileen L. Heym

On Friday, December 2, a 1970 Triumph was reported stolen from the Seventh Precinct area. The car was recovered the following day as a result of the efforts of two alert officers of the Hicksville Auxiliary Police.

At 11:55 p.m. Saturday evening, while on routine patrol, Deputy Inspector

Thomas Schneider and Auxiliary Police Officer Robert Ohliger observed the vehicle parked on the uppermost tier of the Town of Oyster Bay multi-level parking garage. An inspection of the car revealed that its side window had been smashed, and that the interior of the car had been vandalized. Nassau County

Police were called to the scene. Upon their arrival, they identified the car as having been stolen the previous day. Police notified the owner who claimed the vehicle at the scene.

The Hicksville Auxiliary Police are credited with the prompt recovery of the stolen vehicle.

Sorry if you are confused by the following announcement ... The Childrens Christmas Party is now scheduled for Sunday, December 18th, at 2 P.M. ... I was confused when this change of dates occurred after last week's column went to press and unfortunately, for economic reasons, the change in dates was mandated ... O.K., so now everything remains the same regarding the party, so once again, this party is for the members' children and grandchildren and the age limit is 12 years, and the parents must supply a gift of \$5 maximum value, for presentation by SANTA CLAUS to their child ... This sudden change in date raised havoc with Santa's schedule of appearances but he'll be there on time ... Please call P.C. Palmer Walsh at 931-3299 and let him know the names and ages of the children you will bring so we can

pass this information on to Santa's advance man ... A report of the advance reservations for the Post New Years Eve Party is showing poor response to the membership request for this year end party ... This party is being catered by a fine caterer and will serve a full course roast beef dinner and with the dance music, funny hats and noisemakers and the drinks, is the biggest bargain on Long Island at ONLY \$45 per couple ... HOW can you heat it? How can you resist running to our chairman with up front money for your table? You have until December 20th to fill our fine hall with your friends and their friends ... In fact, this affair is open to the general public but no tickets will be sold at the door or after December 20th ... Call HARRY CHRISTO at 249-5605 or John Rizos at 433-7429 and find out what table you can have ... Now, to

add to the general confusion surrounding Christmas parties, let me say there has also been a change in the date of the party for the girls of Cottages 46 & 47 at Suffolk State Development Center ... Its been rescheduled for Saturday, December 10th, at 1:30 P.M. and the co-

chairmen of this joint Post & Auxiliary effort at rehabilitation is Connie Braun for the Auxiliary, and Frank Molinari for the Post ... Now last week you were informed that a letter is on the way to your address regarding the mandated assessment of \$ and this payment is required of ALL members regardless of membership status ... In short, nobody gets a free ride, everybody pays, and

Big POBRRC Turnout For Seaford Run

More than forty members of the Plainview-Old Bethpage Road Runners Club successfully completed the 1983 edition of the Seaford "Hot Chocolate Run" — including four trophy winners and twelve Club members who competed as part of Long Island's only racing centipede.

Club trophy winners in this 5 Kilometer event were Andy Mulrain (4th in the men's 50-54 age group in 18:50), Bert Jablon (2nd in the men's 55-59 age group in 19:17), new Club member

Margaret Santoli (5th in the women's 19-24 age group in 19:44) and Julie Shapiro (3rd in the women's 45-49 age group in 22:26).

This was the third year that the centipede competed in Seaford, and this year it set a "personal" record of 25:12. The centipede is the brainchild of physical therapist David Balsley of Careers in Sports of Syosset and running store proprietor Larry Davidson of Super Star Sneakers and Sports. It consists of a number of runners running together while joined in a colorful centipede costume (with matching pipe cleaner

antennae). Coordination is the key, and lead runner Larry Davidson kept the centipede on a steady 8 minute mile pace as it weaved through the pack of more than 1300 runners who completed the race. Other POBRRers who joined Balsley and Davidson in powering this year's centipede included Club President Mike Polansky, Club Secretary Howie Greenberg, and Club members Sue Wolfe, Frank D'Oria, Roger Loberto, Ruth Sturgess, Shelley Horowitz, Michael Davidson and tailorerd Howie Marwin. Balsley's son Eric also joined his dad on the centipede this year.

POBRR's Julie Shapiro of Jericho proudly displays her Seaford Trophy.

Hicksville Republican

Club News

By Charles F. Lynch

The other day I read in one of the dailies that out of 1500 Manhattan residents selected for jury duty only 1000 appeared resulting in an inability to proceed with several trials. The reluctance of so many to serve is most unfortunate because the individual performs a vital function when he or she serves on a jury.

In a civil action tried by a jury, the jury determines whether the plaintiff or the defendant wins the law suit. If damages are to be awarded, the jury decides how much money the successful party receives. In a criminal case the jury must be persuaded beyond a reasonable doubt that the defendant is guilty before he can be convicted of the crime. The jury is therefore an independent fact-finder in the course of a trial; as such he is indispensable in maintaining the legal system as provided for by the Constitution of the United States.

The right to trial by jury is guaranteed by the Constitutions of the United States and the State of New York. The right to trial by jury is a precious heritage ranking with the right of free speech, the right to public assembly and the right to equal protection under our laws. It has been noted as a defense against oppression and a guarantee of fair play.

You may be called to serve in any of the following courts in Nassau County: Supreme Court, County Court, Surrogate's Court and/or District Court in either civil or criminal cases.

Jury service should not be regarded as an unpleasant task nor a time wasting nuisance to be shunned whenever possible. It is true that often in the course of a trial the jury may be removed from the courtroom while necessary motions or points of law, or other aspects of the case are argued or discussed before the judge outside the presence of the jury. During this time the jury is usually detained in a holding room. It is unfortunate that this must occur because the jury is often left to wonder what is going on. However, the very presence of the jury in a case is often the catalyst for putting pressure on the parties to reach an accord among themselves and settle their differences. Even in this the jury has played an important role.

Consider the chance to serve on a jury then as an opportunity to make a substantial contribution to the administration of justice. It is also an opportunity to participate in a trial of an action on a level where you play a part that is as important as that of the judge, himself. So, if your time to serve comes up, accept it as the opportunity and challenge that it is. It will be an experience you will always look back on with a certain amount of satisfaction and accomplishment.

Once you have actually sat on a deliberating jury and rendered a verdict, you would have realized the ultimate purpose of a trial juror. You would have performed one of the most sacred duties of a citizen of our land.

Trim The Tree Party

Children of all ages are welcome to attend a "Trim The Tree Party" to be held on Friday evening, Dec. 9th from 7:30 p.m. to 10:30 p.m. at the Religious Science Church of Long Island, 17 Maple Pl., Hicksville.

Come prepared to share yourself in these activities...

trim the tree and decorate the church; caroling; gift exchanging, "old to me ... new to you," wrap something of your own to give; sharing thoughts, i.e., "my best Christmas ever," "The best gift I ever gave," etc. talent -share yours with one and all.

Mato-Pascucci

Theresa Mato, daughter of William Mato of Hicksville and the late Mrs. Mato, became the bride of Thomas Pascucci, son of Mr. and Mrs. Orlando Pascucci of Hicksville, on Dec. 4 at St. Ignatius R.C. Church.

Theresa graduated from Holy Trinity H.S. of Hicksville and Thomas is a graduate of Hicksville H.S. and NYU.

The couple took a wedding trip to Hawaii.

New Arrival

Greg and Mary Hudson of Hicksville have announced the birth of their first child, Heather Marie, born on Nov. 18, 1983.

Engaged

Mr. and Mrs. Charles Goederer are happy to announce the engagement of Mrs. Goederer's sister, Susan Schubel, to Mr. Kenneth La Grega.

Miss Schubel, who now resides in New Jersey, is a 1967 graduate of Hicksville High School.

Mr. La Grega is also a resident of New Jersey. A June wedding is planned.

Shower

Carol Weaver and Lee Bashwiler were greeted with a surprise baby shower on Sat., Dec. 3 at the Holy Family School of Religion.

Carol and Lee are both teachers in the School of Religion. This is the first occasion for the school to have two teachers who are expecting their babies at the same time.

Sister Margaret Gerard, Principal, felt in honor of this special occasion, a get-together should be planned. With the help of Dolores McGee and Carol Lutz, and all the teachers, a double baby shower was held, much to the delight of everyone.

Everyone wishes Carol and Lee best wishes.

Cardiologist To Address Road Runners Club

Long Island Cardiologist Dr. Lloyd Lense will be the featured speaker at the Tuesday, December 13 meeting of the Plainview Old Bethpage Road Runners Club. The meeting will be held at the Plainview Old Bethpage Public Library, 999 Old Country Road in Plainview, starting promptly at 8:00 PM.

Dr. Lense is a graduate of NYU Medical School and completed his residency in cardiology at Albert Einstein Medical School. He is presently affiliated with the University Hospital at

Stony Brook and is in private practice in Port Jefferson. He is himself a dedicated runner and is presently in training for his first marathon.

Dr. Lense's topic will be "Everything You Ever Wanted to Know About Heart Disease," and will focus on detection, prevention, and the benefits of exercise. Part of his talk will include a slide presentation. The talk will be followed by a question and answer period.

The program will be introduced by Dr. Murray Low, a prominent local Exercise Physiologist. The general public is most welcome to attend. Call Club President Mike Polansky at 433-0919 for more information.

our responding volunteer firemen a safer and quicker response to their stations.

My experience which leads me to this campaign has been gathered in the past sixteen years as a member of the Hicksville Fire Department. Throughout the past sixteen years, I have served as an Officer of Volunteer Hose Company 4 for six years. I have served as Assistant Chief of the Hicksville Fire Department for four years. I am presently finishing my two year term as Chief of the Hicksville Fire Department. I have implemented the Hazardous Materials Response Team which aids our volunteers in protecting you and our environment from the harmful effects of these substances. In addition, I have set up a Department Preplan Committee which gathers information on all businesses, industry and commerce before we are called to the scene of an emergency.

I am a lifetime resident of Hicksville with twentyfive years responsibility in the operation of a well established local business. I am a retired Naval Reservist with twentytwo years service and a member of various fraternal and firearm organizations, among them Hicksville Elks Lodge 1931, and the International Association of Fire Chiefs. I am a believer in the Best and Progressive protection available with minimal cost to the Taxpayer's.

I ask you for your support on December 13th to elect me your Fire Commissioner of the Hicksville Fire District.

HHS Volunteer Club

The Hicksville Senior High School Volunteer Club visited the United Presbyterian Home to bring some cheer and good tidings to the residents on November 11. The fifteen students came with baked goods to distribute among the guests of the home. The most important part of the visit, however, was not the distribution of food.

The students from Hicksville visited with nearly fifty home residents. The visitations provided youth with an opportunity to communicate on a one-to-one basis with age and experience. It

was the warmth or private conversation and the uplifting effect of music that provided the members with most satisfaction. It was reported, for example, that at least one of the residents had been withdrawn but that she extended an open heart to the students.

Dr. William Rieck, HHS principal, announced that the club will go to the home again around December 9 to assist with the decoration of the residents' Christmas Tree. The club is under the direction of Mrs. Barbara Walling, a nurse-teacher at the Senior High School.

A big tax break now. A small fortune later.

When you open an Individual Retirement Account at Eastern Savings Bank, you'll save for your retirement and benefit from two different tax breaks: 1) every dollar you contribute up to the maximum is fully deductible from taxable income on your Federal Income Tax return; and 2) the interest your IRA accumulates is tax deferred until you retire (when you're likely to be in a lower tax bracket).

That means your savings really add up. Eastern's come up with several IRA plans that could really make a difference. Don't forget: starting Dec. 1, you can take full advantage of changing money market interest rates by investing IRA funds in an FDIC-insured Eastern Money Manager Account™.

Call toll-free in New York State: 1-800-522-5492 or stop by the Eastern Savings Bank in your neighborhood and find out how an IRA or other Eastern investment figures into your plans for a richer life...today and tomorrow.

*Premature withdrawal from your IRA will subject you to substantial tax and interest penalties. You may begin withdrawals from your IRA as early as age 59½ but no later than age 70½. Information on any account available at any Eastern office. Minimum IRA deposit for Eastern Money Manager Account: \$2,000.

Hicksville Cannonballs Capture First

By Pete and Diane Fujimoto

Coach Alex Shevchenko registered nine boys in the Plainview/Old Bethpage Indoor Tournament on Sunday, Dec. 4th.

In the first four preliminary rounds, the Cannonballs met Syosset. The players, Larry Bag, Michael Pierson, Brian Sierra, Brian McNamee, Les Spence, Danny Fujimoto, Brett Fariback, Alex Shevchenko and Gerrit Nijboer at goal, took the court and played with determination. The torrential rains outside didn't dampen their spirits as they won the first game 2-1 with goals by Les Spence and Brett Fariback.

In the second game, Les Spence scored the only goal leading to a 1-0 win over Auburndale. The Hicksville boys dominated the next game with goals by Larry Bag, Brian Sierra and Les Spence. A super game by Alexander Shevchenko, Brian McNamee, Michael Pierson and the goalie. A 2-0 loss in the 4th game gave the

Cannonballs their only loss in the tournament.

Brentwood, an arch rival of the Hicksville boys was the only thing that stood between them and first place. Brentwood had placed two teams in the top four teams of the finals. In the semi-finals, professional plays by Brian Sierra contributed to a 2-1 win over one of the Brentwood teams.

In the finals, Hicksville met the other Brentwood team, an error by the Brentwood goalie gave the Cannonballs a 1-0 lead. A beautiful crossed ball by Brian Sierra gave Les Spence the opportunity to raise the score to 2-0. Brentwood countered with a goal making the score 2-1. A final goal by Danny Fujimoto put the icing on the cake and the boys went home with another first place trophy.

Congratulations to all of the boys.

Traveling Team 3rd In Tournament By Alan Bliker

The Hicksville Shamrocks (U-10) traveling team

had two entries in the December 4th Plainview/Old Bethpage Indoor Tournament.

The "morning" team entered the semi-finals with a 5-0 record, during which they outscored the opposition 12-2. The "afternoon" team compiled a 3-0-2 record, while outscoring the opposition 10-5. Both teams finished tied for third place out of 20 entrants, following the semi-finals.

The goal scoring is as follows: Teddy Knoop scored four goals; Eric Bliker, Chris Doyle, Joe Flanagan, David Lovato and Todd Meringoff contributed three big ones; Chet Burros, Greg Furst and Jason Kingsley scored two; and Jonathan Herzog had one goal. Outstanding goal tending was turned in by Brian Pine and Eddie Jacobsen. They were ably assisted by the defensive play of Gregg Grusso, Brian Harkins and Frankie Pertusiello as well as the defensive play of the aforementioned goal scorers.

Many thanks to the tireless efforts of coach Gianni (John) Lovato and assistant Pat Harkins for enabling our boys to bring home handsome trophies as a result of their hard work and heads up soccer.

Lorna Mund: Double Medalist At States

Representing the Hicksville High School Swim Team, Lorna Mund became the first swimmer from Hicksville to win a medal in the State Championships.

The competition was held at West Point on November 18 and 19 and Lorna and Coach Walter Olszewski attended as part of the All County Team.

In the trials of the 100 back Lorna broke her own record with a time of 1:01.97. She placed sixth for a medal in the finals. Her swim in the 200 free was an exciting battle for third. Lorna's swimming earned 29 points for the Nassau Team, Section VIII, which finished seventh with a total of 173.

Olympic Trials Qualifying Meet

The State University at Farmingdale on Rt. 110 in Farmingdale will be hosting a Mens' Olympic Trials Qualifying Meet for gymnastics on Friday, December 9 at 7:30 pm and Saturday, December 10 at 7:30 pm.

Something To Think About

BILL WAGNER DIRECTOR

APPROPRIATE EXPRESSION OF SYMPATHY

Flowers have been the traditional American expression of sympathy since the middle of the last century. They are lovely and have a softening, comforting effect in the otherwise stark experience of the death of a loved one.

In recent years, there has been an increasing trend for families to request donations to charities rather than luxurious floral displays. It depends on the wishes of the family. It may provide them with some solace to know that donations to a research fund in the memory of their loved one may help develop a cure for a devastating disease; that children at a local orphanage may enjoy new playground equipment.

Many families establish scholarship funds in the name of the deceased or a trust fund for the young children of the decedent. These are only a few examples. There are many other fine, creative and helpful ways of expressing sympathy.

VENERABLE SKIP MONTEFORTE'S MESSAGE: 'I hope that we shall never forget that we created our Lodge, not only to serve ourselves, but to serve others as well.'

Last Saturday night, the 5th of December, the mood of the Galileo Lodge had not a smattering but an abundance of the Christmas spirit and joy. It was the night when the Galileo Lodge presented its Christmas Dance, and over 250 people were deeply engulfed in that mood as they ate, drank and danced merrily. Armand Del Cioppo 'chaired' this activity in true style, assisted ably by Frank Matassa and Joe Morace. Pete Massiello was the Senior Coordinator and Venerable Skip Monteforte was the Chief Coordinator. President Ann Palermo and the Ladies Auxiliary also supplied their time and efforts as they decorated the Galileo Lodge into a Christmas wonderland. The excellent cuisine offered came from the culinary talents of Jim Posillico.

Pat Gatto and Al Montello. At the bar was the capable Bert Molinelli and in the checkroom was John Payne. Another beautiful performance by these loyal members and a sincere thanks from Venerable Skip Monteforte.

At this time we are in the final stages of our Children's Christmas parties, to be held on Sunday, the 18th of December. At 10:30 A.M. we will host a party for the Association For The Help Of The Retarded of Hicksville, Levittown and Wantagh and a group from the school Of The Retarded from St. Bernard's Church, Levittown. This party will feature an Italian dinner and entertainment for all. And not to mention a visit from Santa Claus himself, with a bag full of toys and gifts for the handicapped.

At 3:30 P.M. we will host a second party for the children and grandchildren of the membership, which will also feature dinner and entertainment for all and gifts for

Hicksville Chief Donlon and his family would like to thank all the campaign members and friends for their hard working support and for their successful campaign brunch.

Congratulations to Michelle Izzo of Loretto St., HICKSVILLE, who will celebrate her birthday on Dec. 31. Her family, Bob, and sons, Jonathan and Robbie will be on hand to make her day extra special.

Maryann Weinersbach, who is employed by J.C. Penny's in Hicksville, will celebrate her big 30th birthday on Dec. 6. All the girls wish her the very best.

Birthday wishes to Angela Clarke who was 16 on Dec. 8. Angela lives on Po Lane with her Parents, Tim and Sheila and her sister Bridget.

Scott Greenspan of Apollo Lane, HICKSVILLE, will celebrate his 17th birthday on Dec. 13. Congratulations, Scott.

Special wishes to Heidi Glass of McAllister Ave., HICKSVILLE, on the celebration of her 3rd birthday on Dec. 25th.

Congratulations to Scott Hickey of HICKSVILLE. He will celebrate his birthday on Dec. 13.

Congratulations to Lisa Messina of Arcadia Lane, HICKSVILLE, who celebrates her 13th birthday on Dec. 10.

Birthday wishes to Mary Jane Goederer who will celebrate her birthday on Dec. 30. Her family, husband Charlie and children will be on hand to help her have a wonderful day.

Donald Johanson of Arcadia Lane, HICKSVILLE, will be celebrating his 9th birthday on Dec. 31. Donald is the son of Peg Johanson and the grandson of Ed and Terry Schellens. Donald's brother, David, and sister, Kimberly, will make certain he has a wonderful day.

Four Winning Projects

Dr. Jerome Botwinick, Principal, is pleased to announce that Round 1 in the New York State Energy Research and Development Authority Student Energy Contest has produced four winning projects for Plainview-Old Bethpage High School. Two hundred thirty-eight projects were submitted from across the entire state with 100 selected for further exploration and development. The Plainview High School students' projects are:

1. Building Design and Analysis of a Solar Food Dryer. Rosemary Bianchi, Lynn Taylor and Richard Shin are the student designers who will work with Mr. Martin Rubenstein, advisor.
2. Cooling of a House by the

Use of Low Underground Temperatures is the project of students Jon Kraft and Brad Moskowitz. Mr. Rubenstein is the advisor.

3. A Comparison of Common Insulations is the work of Lloyd Sarrel and Philip Goldstein. Mrs. Hannah Cohen, advisor.

4. Conversion of Gross Clippings to Alcohol by Non-Enzymatic Means is the project of Robert Luntz, Steve Schopick and Ed Weiner. Mr. Delos Presowitz serves as advisor.

Holiday Open House

Assemblyman Fred Parola will hold a Holiday Open House on Sat., Dec. 10 from 11 a.m. to 1 p.m. at his District Office, 3700 Hemp-

stead Tpke., Levittown. Everyone is invited.

Call 731-3434 for more information.

all children ten years or younger. Because of the physical size of our Lodge, we must limit the second party to children and grandchildren of our organization. Pete Massiello will 'chair' these activities with Armand Del Cio, Joe Giordano, Joe Morace and Frank Matusa as Coordinators. Jim Posillico and Pat Gatto will handle the Kitchen chores, while Ann Palermo will direct the cooperation

of the Ladies Auxiliary. Every officer and member, male as well as female, of the Galileo Lodge will contribute their support as always, and coordinating all activities will be our Venerable, Skip Monteforte.

The "setting up" operations will start at 8:30 A.M. Sunday morning, December 18th. All helpers are welcome and anyone can assist in the kitchen, and this can be done by contacting Jim Posillico.

Again we repeat our request to the membership to submit the following information to any of the committee persons named above: 1.) number of persons in your family attending the party, including the children, and a listing of the number and age of each child 10 years younger.

Your cooperation is appreciated and your generous support is anticipated as always. Remember, please, that Christmas is sharing. Christmas is giving without expecting anything in return, except to feel secure in the knowledge that you generously helped to bring joy and happiness to those less fortunate than you.

To put the icing on the holiday cake, the Galileo Lodge announces that on Saturday, 31st of December, it will present its New Years Party and Dance. Some items have been finalized and that's the cost of the tickets, which will be \$30 a person. More details about this activity in later columns. Usher in the new year at the Galileo Lodge in true fashion, aided and abetted by excellent cuisine and great dance music.

"Hansel And Gretel"

Fifth and sixth-graders from the Hicksville Public Schools will gather at the High School Auditorium on Friday, December 16, to enjoy the Opera Options production of the famous Engelbert Humperdinck opera "Hansel and Gretel," a seasonal favorite for music lovers of all ages.

Among the highlights will be the marvelous new set of the gingerbread cottage prepared by the Opera Options production staff, special effects by Jean Christ of Pixiekin Puppets, and the participation of the Solaris

Dance Company. This production of "Hansel and Gretel" will be the first major professional presentation performed in the newly renovated Hicksville High School Auditorium. After seating has been allocated to participating elementary school children and their teachers and chaperones, a limited number of tickets will be made available to Hicksville senior citizens at \$4 each for the 9:30am performance. For reservations, call the Staff/Community Relations Office at 733-2089.

Christmas Musical

The Church of Christ of Hicksville will host a spectacular Christmas choral presentation, "The Glory Of Christmas," on Friday evening, December 16. A sixty voice choir will perform this Jimmy and Carol Owens' musical at 8:00 p.m. at the Church of Christ, 105 Broadway, Hicksville. The choir, under the direction of Tom Goodlet of Hicksville, consists of singers from six different Long Island churches. Mr. Goodlet says, "Some of the best vocal tal-

ent in the area will be featured in this musical. The choir is working hard now in preparation to present the glory of Christmas in the finest fashion on December 16."

The public is invited to attend this gala event. The admission is free and a staffed nursery will be provided. Tom Goodlet adds, "This is our Christmas gift to the Hicksville community from the Church of Christ!" For more information, call 935-3855.

Annual Winter Concert

On Tuesday evening, December 13, the auditorium at Dutch Lane School will turn into center stage.

The children in the Chorus, under the direction of Ms. Karen Frances, and the children in the orchestra band, under the direction of

Ms. Carol Nobilt, will delight family and friends with their annual winter concert.

Songs and Music to celebrate both Chanukah and Christmas will be performed by both groups.

V.F.W. Auxiliary News

By Mary Ann Moyer

Our Halloween Party was a great success with everyone enjoying themselves. We had three winners for best costume (pictured here): 1st prize went to Cliff Menz, best male (old cleaning woman with mop and pail); 2nd prize, Linda Walden, best female (Little Red Riding Hood); and 3rd

prize, Angelo Patrino, most gutsiest person to wear an outfit (Playboy Bunny).

There was plenty of food, liquid refreshments and music for everyone. Our Post Commander Mike Ciadella was the winner of the basket of cheer.

The Veterans Day services, which were held at the Hicksville Jr. H.S. memor-

ial monument was also a success. There were two sets of flags — one from the Amvets and the other from the American Legion. Several Post and members of the Ladies Auxiliary showed up, despite the rain.

Don't forget — our next Auxiliary meeting will be held on Thursday, Dec. 8th at 8:30 p.m. at the V.F.W. Hall, 320 South Broadway, Hicksville. This will be the annual Christmas Party, with a \$5.00 gift for the grab bag. It has been requested that no toiletries (cologne,

powder) be included as there are some ladies that might be allergic to these articles. A basket of cheer drawing will also be held.

The Post will be entertaining the residents of the Northport ward on Monday, Dec. 19th. They are scheduled to arrive at 4 p.m. and would appreciate as many volunteers as possible to help serve dinner, etc. Santa Claus will also be on hand to distribute gifts.

Wishing you all a happy and healthy holiday season!

Messiah Sing In

Anyone who loves to hear or sing along with Handel's "Messiah" will want to be in attendance when the Mid Island Singers present their annual "Messiah" Sing-In

on Sunday, December 11. William Golecke will direct the performance, which will begin at 4 pm at the Parkway Community Church on Stewart Avenue in Hicksville.

Organist Herbert Bradensten, Jr., will accompany the chorus and soloists Lee Ann Rubino Razzagone (soprano), Carrie Clark (contralto), William Reynolds (tenor), and Edmund Tompkins (bass).

Bring your own score and join the chorus, or just come and listen and enjoy this special seasonal delight.

Letters To Santa

Postmaster Anthony M. Murello announces that the Hicksville Post Office will have a special "Letters to Santa Claus" mail box in its lobby this holiday season.

The letters will be answered by the Lioness Clubs of Nassau County. Evelyn Bloomer, who retired from the Hicksville Post Office last year, has coordinated the answering of the Santa Claus letters for the past few years. Evelyn, who is a member of the West Hempstead Lioness Club, started to answer the letters herself years ago. Last year, with the help of the Lioness Clubs of Nassau County, Evelyn was able to answer over 1,300 letters.

Postmaster Murello will see that any Santa Claus letters received in his office are forwarded to Evelyn.

CLIPS & COMMENTS

By Rog Allen

The highly controversial Shoreham nuclear power plant became political so quickly that the two sides could never sit down and calmly discuss the pertinent issues, according to Art Hug, Chairman of L.I. Trust Co. He told the L.I. Downtown Forum that scientific groups point to the safety of

Shoreham and doubt any need for evacuation of the area, but that objectivism has been obliterated and much of the reporting of the issue has been less than fair. He noted the increasing pressure being used to transmit cheap hydropower from Niagara and the St. Lawrence to Long Island, a

proposal pushed by the NY State Power Commission and extensively reported here more than two years ago.

A good friend of ours was born and raised in El Salvador, and met her American

husband while he was visiting there years ago. She has now lived in Hempstead far longer than anywhere else and is now a U.S. citizen, but, even with the current unsettled conditions, she occasionally has an uncontrollable urge to visit "my country" and see relatives and friends. And so it was that she recently spent two weeks there, mostly in and

near San Salvador. The military has a few machine gun emplacements at key locations in the city, including atop the wall surrounding the American Embassy, and most of the guerrillas are well away from the capital city, a mixture of natives and foreigners. But the residents are obviously careful as to where and when they move about.

High rates are always in style at Eastern!

Eastern Savings Bank can now offer you better rates on Certificates of Deposit than ever before because the Government has deregulated the interest paid on most deposits. To many banks, the payment of high rates is a big event. But at Eastern, competitive rates are always in style!

We've raised the interest rates on our 6-, 12- and 24-month Certificates of Deposit, so you can watch your savings really add up when you open one or more of these FDIC-insured accounts. Remember: the sooner you act, the more you can earn by taking advantage of this current opportunity.

6 MONTH	12 MONTH	24 MONTH or more
9.75%	10%	10.50%
ANNUAL RATE	ANNUAL RATE	ANNUAL RATE

Rate guaranteed for length of certificate. \$2,500 minimum deposit. No additional deposits allowed.
Federal regulations require substantial penalty for early withdrawal. This offer may be withdrawn without notice.
