## Bids For \$100,000

Jared Eisenstadt of Hicksville was among the 15 past winners from all over the United States, asked to compete in the "Jeopardy! Tournament of Champions" on WABC-TV as it returns on channel 7 for its second year.

A recent law school graduate, Jared is an alumnus of the University of California at Berkeley, his interests include crossword puzzles and travel.

He will receive \$1,000 cash if eliminated in the first round, \$5,000 in the second.

The contestant who goes on to win can amass \$100,000 cash.

## Patricia & Paul Rudoff Symphony

The **Performing Symphony** will open its 1986-87 series in Nassau County on Sunday, November 23 at 3:00 p.m. This is the first of the seven concert series now in its 18th year. The all orchestral program will include the Concerto Grosso in G Major of Handel, the Masquerade Suite of Khatchatourian and the Symphony No. 5 in D, "Reformation," of Mendelssohn. An unusual feature of this concert will be that conducting assignments will be shared by Patricia and Paul Rudoff, a wife/husband team of professional musicians. The concert is free and will be held at Bethpage High School, Stewart Avenue, Bethpage. The Performing Symphony is one of the activities sponsored by Training Orchestra, Inc. Paul Rudoff, Music Director.

## J.H.S. Battle of the Sexes

The 14th annual "Battle of the Sexes" sponsored by the Junior High School Student Council will take place this Friday, Nov. 21 at 7:30 p.m. in the Junior High Boys Gym. Tickets are \$2 and can be purchased at the door.

This year all proceeds will be donated to the Association for the Help of Children suffering from Down's Syndrome.

This "Battle" will mark the end of a tradition that began 14 years ago and has become the singular most popular activity sponsored by the HJHS Student Council.

## Wm. W. Gouse Jr. Post No. 3211 Veterans of Foreign Wars of the U.S.

**PRIOR TO VETERANS DAY SERVICES** held November 11, 1986, monuments honoring Korean and Vietnam War Veterans were dedicated. Though the weather did not cooperate, many dignitaries, the clergy, veterans, and the public, attended this impressive ceremony.

## High School Production Hopes To Draw 2,000

Fireworks in their basement, ballet lessons in their parlor, and bats in their belfry — they're merry mad Sycamores of "You Can't Take It With You!" That is the lure as the Hicksville Thespian Society continues its attempt to rebuild audience interest.

This Pulitzer Prize-winning production, a delight for all ages will be presented by Hicksville High School at the Mabel R. Farley Memorial Auditorium on Friday and Saturday evening, November 21 and 22, at 8:00 p.m. There are two thousand seats available.

The cast includes Rob Dombrower as Grandpa, the man who made his peace with the world long ago (if not with the IRS); Jeanmarie Georgiano as Penny, who writes plays because a typewriter was delivered to the house by mistake; John Hawkins as Kolenkhov, an explosive Russian ballet master; and Jeanne Antonio, who plays Essie, the girl who wants to dance in the worst way — and does! The cast of eighteen also includes Matt Lloyd, Doreen Berille, Gina Aiello, Cathy Heberer, Tim Schiffer, Marc Gold, Mike Kiernan, Justin Rivers, Jammy Drakos, Tom Trenka, Sal Note, and Joe Pores.

Reserved seat tickets will be on sale at the door and at the school box office for \$ 3.00.

The students will give a special performance free of charge for senior citizens on Thursday, November 20, at 7:00 p.m. No tickets are needed.

The production is the latest step in rekindling interest in school theater undertaken by Superintendent of Schools, Dr. Catherine Fenton, upon assuming district directorship.

—Postage Stamps Sold In Supermarkets—

The U.S. Postal Service and Community Marketing Concepts Ltd. of Hicksville have entered into an agreement to sell postage stamps at additional Long Island locations. Community Marketing Concepts Ltd. President Manny Zuckerman, purchasing the stamps from the Hicksville Post Office. The stamps are packaged with advertising and local, regional and national merchandise.

The stamps are in a pocket-size package called Stamp Face. It will be sold at local supermarkets. He plans to introduce the Stamp Face to additional food stores in the next year. Roger Schneider, Hicksville General Manager Postmaster said, "Customers will benefit by saving a trip to the post office to purchase stamps."

POSTER CONTEST WINNERS: Oyster Bay Town Councilman Thomas L. Clark (kneeling center) presents trophies to Elizabeth Gaynor and Allen Scholl, two of the winners in the Hicksville Fire Department's annual Fire Prevention Poster Contest. The awards were presented at a special ceremony held at fire department headquarters. Among those on hand were (l-r) Pat Scanlon, 3rd Assistant Chief; Gerard O'Brien, 1st Assistant Chief; Terrence Farrell, 2nd Assistant Chief; and Anthony Wigdzinski, Captain.

# WHAT'S BEHIND THE SUCCESS AT OYSTER POINT?

Actual Photo From First Floor Home

- ✓ It's the unspoiled beach behind every home.
- ✓ It's the full water view (not a peek-a-boo view) that every single-floor home and duplex townhouse enjoys.
- ✓ It's the outstanding location. The private, natural sand and dune grass peninsula that's just a few blocks from the charming seaside village of Greenport.
- ✓ It's the convenience of having your own private marina with your own individual boat slip.
- ✓ It's the sophisticated look, the fine details, the spacious layouts, the terraces and decks, the private pool, the tennis—That's why we're 50% sold out so soon after our grand opening.

## Address by Jeff Fried, President, Hicksville High School National Honor Society Dedication of Korean War and Vietnam War Memorial

Ladies and Gentlemen,

It is an honor and a privilege for me to be chosen to represent the Hicksville student body in commemorating the courageous men and women who served in Vietnam. It was one of the most difficult wars for any American soldier to have fought, for there was more than one enemy. Not only were they fighting foreign opponents, but domestic ones as well. Approximately 60,000 soldiers never made it back to their homeland, but for those who did return, it was an unpleasant welcome. While the American soldiers were across seas fighting for their country, bitter protests, active across the nation, augmented negative feelings towards the soldiers and the war they were fighting in. Students and political activist groups protested and raised the question of the necessity of the war. Why were we there and what advantages did the U.S. have by remaining there were questions asked by many people. But where were the answers and who were the people who could supply the answers? At first, many people turned to the politicians for answers, but we all know how many politicians answer questions relating to very difficult subjects. They used something known as the circle method; the answers are never straight and they keep you going round and round. So who was

left to take the brunt of the blame but the soldiers. Soldiers whose only crimes were loving and honoring their country and wanting to be able to defend it to the best of their ability. Upon their arrival home, they were not treated with the traditional hero's welcome given to those who had fought in previous wars, but instead were given the onus or burden for the war. It was something that was very difficult for the soldiers to face, and something that many have not yet recovered from today. How they felt was something I could never fully understand and something that couldn't easily be learned from a text book. So I thought the easiest way was to go and talk to a veteran. He said, there were two and only two joys to the war. They were: coming home to his family and friends and being recognized as a hero. For that's what those who served are. They are heroes in the true sense of the word. If, looked up in a dictionary, one can find a 'hero' is someone having the attributes of courage and nobility. Not only did the soldiers possess these traits, but MANY others, making them true heroes. This is why we are gathered here today to recognize them as the heroes they are and to thank them for the job they did defending past, present and future generations of the United States. Thank you very much.

CONRAD STEERS, (L.) WITH THE HELP of William Bennett, President of the School Board, unveils the monument honoring the Korean War Veterans.

Bottom Left:

PUTTING THE HICKSVILLE VETERANS' MEMORIAL fund drive "over the top" recently is William "Bill" Wagner (L.), Director of the Wagner Funeral Home, who is shown making a substantial contribution to fund drive chairman Connie Steers, President, Nassau County Chapter, Vietnam Veterans of America. Over \$10,000 was contributed by Hicksville residents toward the erection of Korean War and Vietnam War memorials.

## Funeral Association Chooses Vernon C. Wagner

The International Order of the Golden Rule has announced that Vernon C. Wagner Funeral Home in Hicksville is beginning its 5th consecutive year with the Order. They were again chosen to be part of the Order's association of reputable funeral homes throughout the United States and Canada.

To make their membership possible, Vernon C. Wagner Funeral Home had to receive written recommendations from local residents, clergy and other area funeral directors. Only those funeral homes that meet strict professional standards of service to their respective communities are allowed to join the Order of the Golden Rule, which now has over 1,500 members.

Executive Director of the Order, Dale L. Rollings, explained that, "Vernon C. Wagner Funeral Home has continually shown the utmost degree of compassion and professionalism to this community. Our membership has never been for sale. It has been earned through performance."

## Thanksgiving Dinner At St. Stephens

## **You'll need more than the right shoe size to fill these boots.**

It takes a special person to fill the boots of a volunteer fire fighter.

Someone with a desire to do something important for the community. Someone with courage and dedication, who isn't afraid of hard work, and is willing to accept the challenge of a difficult job.

It takes a person who considers respect and appreciation reward enough. And who is just glad to help.

If you're this kind of person, you're needed as a volunteer fire fighter. Come down to the firehouse and talk to us. We might be able to fit you with a pair of boots.

## A Letter from Lulubelle...

In the days when my kids were in school and continuing right up to today there is a plan which is carefully executed to drive parents mad — and that's the science project. In my days of high school science, (it was depression and the school didn't have much money for materials,) all we did was watch while the teacher did esoteric things with glass wands and eggs to show "osmosis" — and then we watched as she let weights chase each other down an inclined plane — and such — no one ever suggested that we should participate, let alone try to do a "science project" at home... Now my poor children were handicapped in having a father who recommended calling an electrician when a light bulb needed replacing and a mother who could sew but not hammer, nail, or fasten — and so when the science projects were announced, in my house, we went to the local lumber store and purchased a large square of plywood — the man there kept a special supply just for me and mine — and then we resorted to Play Doh — do they still make that stuff? It was a self-hardening kind of clay that came in many colors at different times and for different kids, we made an eye, an ear, a nose, all from Play Doh, and a superb set of teeth carved from styrofoam and fastened to the ubiquitous plywood with elastic loops — my dentist was not very happy when I required his attention to the carving to be sure the molars and bicuspids would pass muster. And you have to remember that all this was going on while we lived in a community in which resided all those fathers who were engineers at Republic and Grumman!... Can you picture our chagrin at the annual Science Fair when there was our nose, eye, and ear right next to an operating steel mill and a hydraulically active coal mine!... Such a disgrace.

Yours, Lulubelle

## Holy Trinity Fair

Holy Trinity Episcopal Church is having its annual Winter Fair and Jamboree on Friday, November 21, 5-9 p.m. and on Saturday, November 22, 11 a.m.-9 p.m. Dinner will be served at 6:30 p.m. each night. Cost is \$6 per person and reservations must be made in advance. Call the Parish Office 931 1020 (9 a.m. - 3 p.m.). Some special features at the fair this year are: handcrafted articles, Christmas decorations, baked goods, White Elephant treasures, holiday candies, fine gifts in glass, new and used jewelry, religious articles, cards, books, and much more.

Holy Trinity Church is located at the corner of Old Country Road and Jerusalem Avenue, Hicksville. Members of our neighboring communities are invited to come and browse, shop, and dine with us. Winners of the Jamboree raffle will be announced and special prizes will be offered on the Sweepstakes Wheel after dinner each evening.

## Kiwanis Food Distribution

The Hicksville Kiwanis Club has scheduled a pre-Thanksgiving "Cheese" distribution for Saturday, November 22, beginning at 8:30 a.m. at the Carvel store, 447 South Broadway, Hicksville.

This will be another type of community service provided by the Kiwanis Club for those residents of Hicksville and adja-

cent communities who are eligible to receive Government Surplus Food. Eligibility requirements include such things as: receiving unemployment, disability, food stamps, welfare, S.S.I., home energy assistance grants, etc.

Senior citizens and others will be asked to fill out forms with their

name, address, social security number and category of eligibility which the Kiwanis Club must have to account for the food received from the government surplus warehouse.

There may be some food items beside the cheese to be distributed. Unfortunately, this is not known until the actual pickup

at the warehouse. Whatever surplus food is given to the Kiwanis Club will be distributed on a fair, equitable, first-come-first-served basis until it is gone.

The members of the Kiwanis are pleased to be able to do this for the needy residents of the community.

Library Films

Buster Keaton films will be at the Hicksville Public Library on Friday, November 21 at 8 p.m. This program is free and all are welcome. The Blacksmith - Buster Keaton stars in this burlesque of Lonchello - poem. The Village Blacksmith - The film is an example of how a comic routine can be built around familiar literary material. Released in 1922.

30 minutes. The General - Buster Keaton, rejected as a soldier by the Confederacy is involved in a series of railroad chases when Union forces attempt to steal the locomotive called "The General". Released in 1927 - 27 minutes. The Railrodder - One of Buster Keaton's last films. As a "railrodder" he crosses Canada on a railway track speeder. No dialogue but plenty of sight gags. Released in 1906 - 15 minutes.

Nicholia Street School in 1914. Wing in the forefront housed the auditorium and closest wing to the right (or west) provided space for the Hicksville Public Library, until early 1940. In 1960 when the pounding which accompanied the destruction of Broadway and its buildings, cracked the walls of the old structure. extraordinary cooperation between Public and Parochial Schools occurred. Holy Trinity High School had just been completed and the third floor was not in use. At the first indication Nicholai was unsafe Father Andrew Connolly of Holy Trinity High School, Hicksville, responded to a request from Hicksville Superintendent of Schools, Donald F. Abt, and graciously accommodated the Hicksville students for a year. It was a rapid fire decision and action by the two men effected in one anxious morning.

The bidding

South	West	North	East
1 ♣	2 ♥	3 ♣	3 ♥
4 ♣	4 ♥	5 ♣	5 ♥
6 ♣	Dble		

Opening lead — king of hearts

Calamity strikes us all at times, but in this deal South was exceptionally hard hit. The hand occurred many years ago in a rubber bridge game.

He opened one club and, after West had overcalled with two hearts, North raised him to three clubs. North's values for the raise were very skimpy but he went all out to express them.

East bid three hearts, and South

tried three spades. After North had bid five clubs over West's four hearts, South could hardly be criticized for carrying on to six. He had a right to expect good trumps from partner, and that was about all he needed.

Why North bid five clubs is difficult to understand. He may have felt that his previous club raise had understated his hand, or he may have intended five clubs as a sacrifice bid against four hearts. But, whatever the reason, the outcome was disastrous.

West led a heart and South ruffed. Faced with certain defeat, declarer attempted to cut his losses by declaring a club, hoping to find the trumps divided 2-2 and so hold himself to down one.

But West won the club with the ten and continued with the A-K-Q, running all hands on deck out of trumps. He then cashed five hearts to defeat the contract eight tricks!

The penalty amounted to 4,400 points because in those days (1934) the first undertrick was 200 points, the second was 300, the third one 400, and so on.

Furthermore, to add insult to injury, West scored 100 honors to bring the total loss on the deal to 4,500 points!

North doesn't bid quite as often these days as he used to!

You won't believe some of the things people sell in classified! You'll be amazed at the response to a classified ad.

# Rapid Weight Reduction

THE GASTRIC BUBBLE - A Device That Makes Dieters Feel Full

WHILE IT IS UNCLEAR EXACTLY HOW THE BUBBLE REDUCES HUNGER IN ITS RECIPIENTS, some researchers think the polyurethane sac—which inflates to the size of a small juice can—stimulates receptors that line the stomach, thereby causing a sensation of satiety.

1. Deflated Bubble is inserted into the stomach via a plastic tube.

2. The Bubble is inflated and the tube is removed.

3. The now free-floating Bubble helps to satisfy the feeling of hunger.

4. After four months, the Bubble is deflated and removed, using a tube with a viewing scope.

By promoting a sense of fullness and by limiting food intake, the gastric bubble can help improve eating habits. It allows the adoption of an effective dietary program that provides appropriate caloric restriction and adequate nutritional intake. A proper weight reduction program with the Garren-Edwards Gastric Bubble requires nutritional counseling and psychological support to deal with the issues that promote overeating and obesity. It is recommended that the gastric bubble be placed in individuals whose problems with obesity pose a potential medical threat. The National Institutes of Health have determined that obesity in excess of 20% of an individual's ideal body weight increases the risk of high blood pressure, heart disease, diabetes and stroke. Substantial medical data indicates that weight loss can reduce the risk of these conditions.

### Police Report

The Second Precinct has reported the following:

- **November 3:** A house on Waters Avenue was burglarized. Entry was made through a rear window. The loss included jewelry.
- A house was burglarized on Underhill Avenue. Entry was gained by breaking a rear ground window. The loss included a VCR, jewelry, and credit cards.
- An apartment on Lenox Avenue was burglarized. Entry was gained by prying open a rear window. The loss included jewelry.
- **November 6:** A house on Adelphi Road was burglarized. Entry was gained by breaking a rear ground window. The loss included a silver and gold pin.
- A house was burglarized on Crescent Street. Entry was made through a rear window. The loss included a Emerson VCR.
- **November 9:** A business on West John Street was burglarized. Entry was made through a rear door window. The loss included two chain saws.

The Eighth Precinct has reported the following:

- **November 3:** Sometime between Oct. 30 and Nov. 3, a house on Salem Road was burglarized. Entry was gained by prying open a rear window. The loss included cash and assorted jewelry.
- A house on Edgewood Drive was burglarized. Entry was gained by forcing open a rear door. The loss included a VCR, and assorted jewelry.

The Second Precinct has reported the following:

- **October 29:** An 18-year-old Hempstead man was arrested and charged with first-degree robbery of two transfer tickets from a MTA bus driver in Hicksville.

A passenger entered the bus on Duffy Avenue and gave the driver a transfer. The passenger demanded the transfer ticket back and when the driver refused, he stated that he would "cut her up" if she did not. He grabbed two tickets from the driver which pushed an emergency button on the bus which in turn notified Nassau County Police Bureau of Special Operations Police Officers Anthony Turano and Joseph Huselein responded and arrested the subject. The transfer tickets were recovered and a retractable razor was found in the subject's possession.

## THE SKATE SHOP

99 Cutter Mill Road  
Great Neck  
HU7-6978

SKATING EQUIPMENT  
By Jesse Halpern

THERE never was a question as to what type of skate to use for speed-skating. Neither was there ever a question as to the best type of skate for playing hockey. But as far as the novice skater, interested in mild exercise and a form of relaxation, is concerned, the type of skates is often a problem. Also, how and where to buy them are problems. The unfortunate truth is that most people are poorly advised and consequently buy the wrong skate.

The skates generally bought in sporting goods stores and department stores are toys or little more than toys and could not hold the ankle of either the novice or the expert skater. The exceptions to the generally are very rare indeed. The place to buy skates is only in the specialty skate shop.

Professional skaters, both performers and instructors, advise figure skates as the best type of skates for many sound reasons. The figure boot is a higher boot and distributes the necessary snugness over a larger area than any of the other boots. The skate itself is lower and consequently easier to balance oneself with. The blades on a correct pair of skates are either attached on both heels and soles to the average weight center.

If the ankle bends, it means that the weight center of the foot is a little to one side or the other of the average weight center, and the bending is exaggerated, introduced with the moving of the foot to give the blade a side to center. The figure skate is the most responsive blade of all. The heel and sole are the most important parts of the skate. They are the most important parts of the skate. They are the most important parts of the skate.

must be snug enough to make the foot and the blade feel as though the two were one, and the blade must be in the weight center of each individual foot.

Correct fitting can be done only by the expert who has enough boots of different lasts and widths to work with. The boot should be just as tight as the skater can stand. The foot does not move around within the boot. It should be almost impossible to budge the heel from the floor of the shoe and it should be possible to flex the toes a bit. The adult or the advanced child skate should be fitted with very light socks.

For children, the skate expert advises the same as for adults, except that children can be fitted with heavy socks and wear the same boots the second year with light socks. The largest possible blades should be attached to the boots so that the blades can be used on the next pair of boots. Over the long period, correct skates for children cost less per year than the toys ill-advised parents often buy.

Rental skates can't possibly give much satisfaction because every one who wears them stretches them in another place and after a while the shoes have no more support than a paper bag. The same can be said about second hand skates. Leather stretches and shoes take on the shape of the feet when there is only one wearer.

It is more important to have a good, well-fitted boot than an expensive blade. At the Jesse Halpern Skate Shop we don't hesitate to recommend an expensive boot with the best expensive blades. The reason is that the most important part of the skate is the boot. The blade is only a part of the skate. The boot is the most important part of the skate. The boot is the most important part of the skate.

### Grateful Anniversary

The Reverend Robert C. Jackson and his wife, Janet, celebrated their 26th wedding anniversary as part of the team community on a marriage encounter weekend which was held at St. Joseph's Retreat House in Glen Cove on Oct. 17-19.

Reverend and Mrs. Jackson felt they could not have spent their anniversary any better than helping couples improve their communication skills, hoping their God-given gift of 26 years could be shared and given to others.

The next marriage encounter weekend will be held on Dec. 5-7 at St. Joseph's.

Anyone wishing their experience of enrichment can call Jean and Ed Sharsky at 408-0101.

Dear Neighbor,

Thank you for your kind support which led to my re-election to the state legislature last week.

It is with deep humility and appreciation that I will continue my efforts to pre-

sent your interests and concerns. It is truly a frustrating time in which we live and it must often seem that the system is unresponsive. I believe it is my role to eliminate red tape and obtain answers and results.

Thus, I pledge to you to be accessible and responsible to no one but you—my constituents. My legislative priorities continue to be tax reform and property tax relief, the senior citizen prescription drug law, tougher criminal laws and sentencing, clean-up of our environment, reform of the PSC, control of public utility rates and increased aid to education.

I further wish to thank your periodical for your coverage of the campaign which helped to keep the apathy down and saw more than 60% of the eligible voters participate on November 4th.

Each of my opponents were a credit to his/her party and I believe that our debate of the issues proved to be healthy for our democratic system. Many of the ideas discussed will be translated into legislation during the 1087 Session.

Finally my office is available to serve the

residents of my district. Please call me at 731-3434 on any question or concern.

Frederick E. Parola  
Member of Assembly

To The Editor:

I have been enjoying the *Hicksville News* immensely. Having been born in Plainview in 1917, I have many fond memories of this town and area.

This past week you printed an article "Thanksgiving — Thank God by Cathy Barrington. I would like to congratulate the author. I'm sure this article will warm many a person's heart when holidays can be sad instead of joyous. "Out of the mouth of babes" come the innocent wisdom and faith we all need.

Please do encourage this lady to continue writing. I wish her and you a truly blessed Thanksgiving.

In this land we are so abundantly blessed. We all need to take time to thank God for his goodness to each one of us.

L. Winifred Chayka, Hicksville

To The Editor:

I would like to take this opportunity to thank each and every resident for affording me the opportunity to return to Washington, D.C. as a member of the historic 100th Congress.

An optimism seems to be present among our neighbors in the community. People feel more financially secure; the Reagan

Recovery has given us lower interest rates, lower inflation, and an unemployment level here on Long Island that is the lowest in its history. We feel good about America because once again we have a leader who stands up for America's interests against the protests of those who only think ill of our country and its greatness.

I would also like to take this opportunity to personally thank you for the fair and unbiased coverage given to both candidates throughout this campaign. An informed electorate is the best way to ensure that the people receive the good government to which they are entitled, and you are to be commended for your participation in the electoral information process.

It has been my privilege and pleasure to have served the people of the Fourth Congressional District for the past 16 years. I look forward to many new and exciting challenges in the term to come.

With my thanks and best wishes, I remain,

Norman F. Lent  
Member of Congress

# Nassau Sports Review

By JACK WHITE

Nassau athletes continue to perform brilliantly in the various state competitions this fall. Last Saturday three teams and two individuals won titles for Section Eight.

The girls' soccer finals were played at Mitchel Park and two Nassau squads were in action. South Side lost a tough one, 1-0 to Pittsford Mendon in Class B, but Cold Spring Harbor won its second straight Class C title. The Seahawks, coached by Steve Cacioppo, beat Altmar Parish - Williamstown, 2-1 on Nancy Nicklas' goal early in the second half.

Cold Spring Harbor also won the boys' "C" Championship by downing Mount Markham, 3-1. It was veteran coach Ralph Whitney's last game and it was memorable. Whitney, who is retiring to Florida after 22 years, has won just under 300 games in his career. Only Art Wright of Oceanside, who won 315 in 27 years, had more victories.

Carle Place won the Class C field hockey state championship by topping Germantown, 1-0, on a goal by Claire Agrusa. The Frogs, coached by Gloria O'Connor, are unbeaten in 42 games. Karen Krawchuk, their star forward, set what is believed to be a Nassau record this fall by scoring 46 goals.

Brigid Corr of Great Neck North won the state 100 yard breaststroke at Nassau Community College. Her time of 1:07.32 was not quite up to her Nassau record clocking of 1:06.97 in the qualifying round.

T.J. McArdle of Garden City followed his victory in the Class A cross country state final with a triumph in the Federation Meet at Van Cortland Park. McArdle beat the best in the state by covering the course in 15:47.8.

Hofstra's excellent football season has changed Section Eight's football playoff plans. The Flying Dutchmen (9-1) qualified for the Division III playoffs and will play at Hofstra Stadium against Montclair State on Saturday. All semi-final games of the Nassau Tournament had been scheduled for Hofstra. Now they have been moved to Saturday at the home fields of the eight higher seeded teams.

### The Signal Caller Nassau Football Forecast

#### PLAYOFF SEMI-FINALS

##### Conference I

Hempstead (8-0)	14	Baldwin (5-3)	0
Farmingdale (7-1)	20	Long Beach (7-1)	0

Hempstead (25-0-2) won last meeting. Baldwin are tough defensively but Warren's solid back-line may win. The brilliant Scott Graham and his team have not seen anything like their defense. Lindbergh goes up for the chips.

##### Conference II

W. Hempstead (7-0-1)	21	MacArthur (5-3)	14
Garden City (7-0-1)	14	Sewanhaka (6-2)	7

Lawrence QB Bill Ziegler is dangerous but so is the MacArthur defense. Two excellent teams. Trojan defense and passing are the edge.

##### Conference III

Lynbrook (8-0)	14	New Hyde Park (6-2)	7
Elmont (6-2)	15	Bethpage (6-2)	14

Both won first meeting. N.H. has best record in playoffs. Elmont has a history of winning playoff games, although this is not one of their best defensive teams.

##### Conference IV

C.S. Harbor (5-1-2)	20	East Rockaway (6-2)	6
Locust Valley (5-2-1)	34	Jericho (5-3)	14

Both won first meeting. 20-18 but Jericho always tough when it counts. Jericho won the 31 during the season. No reason to believe it will be different.

LORNA MUND

## Hicksville Swimmers Score

Four members of the Hicksville High School Girl's Swim Team qualified for positions on the Nassau Section Eight Team for the New York High School State Championships which will be held on Nov. 14 and 15 at Nassau College.

Lorna Mund qualified for her fourth consecutive time in both the 200 free and the 100 backstroke by sweeping the events. She is the 1985 State Champion in the back and the state record holder. Jeannine Sirey, a sophomore who also was State Champion and set the 200 IM record last year, won the 1M and the 100 free. Kristin Mund, a ninth grader in the Junior High, won both the 100 fly and the 500 free qualifying her for the second year on the Nassau team. These three girls were joined by Karen Karrmann, a sophomore, on the medley relay that won the qualifying meet for the second consecutive. Last year the relay placed third in the state.

## Hicksville High School

The girls varsity tennis team had another successful season finishing 500. The team was led by co-captains Susan Giuttari and Barbara Manduca. Second doubles, Lisa Chang and Manisha Patil broke a school record (most winning matches) by winning 12 matches in league play.
