The Ladies Auxiliary of the Hicksville Fire Dept. celebrated their 75th Anniversary on Feb. 7. Shown are dinner chairlady Rita Schlosser and Helen Kunz the longest active auxiliary member with over 60 years of service.

TALENTED HIGH SCHOOL VOCALISTS Gina Ajello and John Hawkins have been selected for the All-Eastern Chorus, and they will join the group for a performance in Baltimore scheduled for March. The two young singers have already been named to the All-County and All-State Choruses before earning this new distinction. They are shown here with choral director Charles Arnold, who proudly notes "They're super kids!" John is Vice President of the school chapter of the National Honor Society and President of the Thespian Society, a theater arts group. He also serves as Vice President of Students Against Abused Substances, and he is a member of the Madrigal Singers and the Modern Music Masters. With all these activities, including performances in school plays, John is also a fine student who earned a place on the Principal's List. Gina is the Vice President of the Thespian Society and holds membership in the Madrigal Singers and the Modern Music Masters. She is also active in Students Against Abused Substances and Students Against Driving Drunk. An Honor Roll student, Gina is also a frequent performer in school plays.

Ran Park, 6th Grader

East Street School

Two East Street students won trophies at the recently held Elks Club Basketball shoot which took place at the Hicksville Sr. and Jr. High Schools.

Shannon Luyster (10 & 11 yrs.) had two second place finishes (local & division) and Ran Park (12 & 13 yrs) had a first place (local) finish.

All participants had to shoot from the regulation 15 foot foul line. Shannon made 12 for 25 (local contest) and 7 for 25 (division contest). Ran made 13 out of 25 for her first place finish in the local contest.

Schools Enrichment Program

Hicksville Public Schools will continue to offer its Elementary Enrichment Program during the 86-87 school year. Youngsters in grades 4-5-6 are invited to enroll in activities that may lead to the development of future study.

Any questions regarding the program should be directed to Mr. Robert Kenney at 933-6585 prior to registration.

LENT NOMINATES AREA Residents To Service Academies. Congressman Norman F. Lent (R-East Rockaway) congratulates his nominees to U.S. Service Academies from Levittown and Hicksville. These young men are among the top high schools students from across the Fourth Congressional District. From left to right are Robert Cahill of Levittown, West Point alternate; James Priest of Hicksville, Naval; Vincent Sorrentino of Levittown, West Point; Congressman Lent; Terrence Ladau of Levittown, Naval; and Glenn Frosco of Levittown, Naval. Not shown are Kenneth Kudrona of Levittown, West Point alternate, and James Lombardi of Levittown, West Point alternate.

Young Judaea Youth Attending Israel Folk Festival

Laura Libster, executive director of HaShachar Young Judaea, the youth movement sponsored by Hadassah, announced today that members of Geshet Shalom, the Long Island Region, would be attending the Israel Folk Dance Festival on Sunday, March 8, at Town Hall.

The Long Island teenagers are eager to meet their Young Judaea friends from around the Metropolitan area and to cheer on the

National HaShachar Dance Troupe as they participate with other groups in one of the largest exhibitions of Israeli and other Middle Eastern folk dancing. Preceding this trip into Manhattan, the youngsters will gather for an "overnight."

If you are interested in joining us for this exciting day, or want information about other Young Judaea programs, please contact the Region Office at (516) 451-2050.

Eagle Scout

An Eagle Scout Court of Honor Ceremony in honor of Eagle Scout Thomas Scannapieco of Troop #64, Boy Scouts of America, was held in the auditorium of the Lutheran Church of the Saint Stephen in Hicksville on Saturday, January 24, 1987.

Eagle Scout Thomas Scannapieco is the 20th Scout in Troop #64 to attain the rank of Eagle. Many friends, relatives, Scouts, Scouters and visiting dignitaries came to celebrate with Thomas as to congratulate him on his accomplishment and to wish him well in his future endeavors.

Among the visiting dignitaries were a representative of the Honorable Norman F. Lent, Congressman, 4th District; the

Honorable Frederick E. Parola, Assemblyman, 14th District; the Honorable Thomas L. Clark, Councilman, Oyster Bay; Dr. Leo Kanawada, Jr., Ph. D., Former Honor Scout, and Troop #64 18th Eagle Scout, Mr. Richard Evers, Americanism Chairman, American Legion, Charles Wagner Post No. 422; and Mr. Sieg Widder, representing the Hicksville Kiwanis Club which co-sponsors Troop #64 with the Lutheran Church of Saint Stephen.

Mr. Widder had the privilege and pleasure of presenting Troop #64's newest Eagle Scout with a gift from Hicksville Kiwanis Club in the form of the Official BSA Eagle Scout ring in recognition of his accomplishment.

Deposit \$2,500 to \$4,999 and you receive a Solar-Powered Calculator (Super G Passbook not eligible).

Bonus will be added to account on day of deposit as interest. Effective annual yield for Time Deposits and IRA Time Deposits includes cash bonus amortized over term of account and assumes bonus, principal and interest remain on deposit a full year; however, the six-month annual rate is subject to change at renewal. Interest is compounded daily on all accounts and is credited quarterly on Time Deposits and Super G Passbook; monthly on Money Market, NOW and Super NOW accounts.

Bonus may be withdrawn by the depositor at any time if the initial deposit was made with cash (or with a check that has subsequently cleared, provided signature identification has been received). For IRAs, withdrawals cannot (in most cases) be made prior to age 59½ without incurring a substantial penalty. In addition, if premature withdrawal

from any Time Deposit is permitted by the Bank, a substantial penalty and return of the cash bonus are required.

Minimum deposit in a Money Market, Super G Passbook, NOW or Super NOW account must remain on deposit for a period of 30 days in consideration of gift received. Only one gift or cash bonus per account. Warranties, expressed or implied, are the responsibility of the manufacturer.

The Bank reserves the right to change or discontinue this offer at any time without prior notice. Complete details available on all accounts. Offer good at Hicksville Office only. Transfers of accounts from other offices of "The Green Point" are not eligible for bonuses or gifts.

All accounts must be opened in person — no mail.

Kwanis Club Food Distribution

Many needy local residents of the Hicksville area took advantage of the government surplus food distribution on the Hicksville Kwanis Club on January 11.

When the Mr. Elected Service Co-truck, driven by Kwanis and Vice Pres. Mark Farnham arrived at the Kwanis Assistant Treasurer John Crook's Carvel Store at 8:40 a.m., people were standing in a line several blocks long waiting to get what surplus food was available. Other members of the Kwanis Club, with the help of some of the men at the beginning of the line, unloaded 1000 pounds of frozen, 1000 pounds of fresh, 1000 pounds of dried, and 1000 pounds of powdered milk.

In spite of the snow, weather, the people were patient and very grateful to the Kwanis Club members present for getting out early on a beautiful morning to do this for them.

The surplus food was all distributed to people who came early with home addresses.

HICKSVILLE LABOR DAY PARADE 1939 — Marching through center of Broadway, Hicksville—which is now the desolate west side destroyed by Governor Nelson Rockefeller's State Republican Administration. Carrying the flag, according to Charlie Montana, is Bill Stoeffel, of the present Stock Funeral Home. Charlie, himself, is in the photo and Anthony Way is to his left. Note how the cars are parked on an angle. The candy store is Guckenberger's. On the far right the awning of Schultz's Delicatessen is barely visible. Surprise for those who play the "Remember Hicksville Game" is the Spears store on the left. Most recall the Roulston's Grocery store but in all the recounting the name Spears has not been recalled. On the far left is just a fraction of the building that housed the beauty salon of Mrs. Valentine.

A great place to spend the day...

Old Westbury School of the Holy Child.

We invite you to take a closer look at Old Westbury School of the Holy Child. Our classes are small, our faculty dedicated and talented, and our academic program stimulating and challenging. The members of the class of 1986 are attending some of the finest colleges and universities in the U.S.

As an independent school founded in 1959, we are one of the international system of schools under the Sisters of the Holy Child.

We would be pleased to show you Old Westbury, and are eager to tell you about the fine education we provide. The admissions process begins with a telephone call to JoAnn M. Ginn, Director of Admissions, 626-9268. Old Westbury School of the Holy Child is located at 25 Strive Hill Road, Old Westbury, N.Y.

Grades: Creditational, Nursery, K-2, college preparatory, day school.

Admission: The school requires an entrance exam for all students.

Letters From Our Readers

To The Editor:

I received your issue of your paper as the 1st of yesterday. I would also like to have a copy of the Dec. 15, 1986 issue for the map of Hicksville as it was in 1939. If there is a charge please let me know. Enjoy your paper — keep up the good work.

Margie Wranick, Brand

To the Editor:

I was a former Hicksville homeowner. I miss the Hicksville newspaper. Please let me know how I can receive it at my new address.

Thank you — I miss Hicksville!

News Notes From... Hicksville-Jericho Rotary Club Bulletin

The meeting was opened by Dr. Peter Rocco

Dr. Peter Blauzvern, our newest perspective member, was present.

HAPPY DOLLARS were donated by Harry Peltz, Irwin Solomon, Peter Rocco, Bob Kunz, Al Levine, Tom McConnon, Mike Racciot, Peter Blauzvern, and Bill Hayday.

An additional donation was made by one of the club's members who wished to share his joy regarding the speedy recovery of his mother who suffered from a series of minor heart attacks several weeks ago. Thanks to the wonderful care at North Shore University Hospital and the innovative (non-surgical) Angio-Plasty Technique, she is already out of bed and once again enjoying the everyday pleasures of good health.

Irwin Solomon brought in one of the actual seat cushions from last month's historic Super-Bowl. He actually allowed each member to touch it for themselves. Thanks Irwin!!

UPCOMING GOLF OUTING: Mike Racciot informed the club of the format for the upcoming Golf outing. It will be held on Thurs., May 7 at the Blue Course of Bethpage State Park. The cost is \$65 per person which includes green fees, lockers, novelties, prizes, and a Buffet lunch. As always, all proceeds over the out-of-pocket cost will be used toward community service projects.

Peter Rocco read a thank you note from one of the recipients of the Club's Christmas Food Basket program. From the letter it certainly appears that this is a worth-while program.

Feb. 19 Bill Hayday will provide the program.

Feb. 26 Elie Zimbaka will provide the program.

During Joe De's absence, Harry Peltz will be the Clubs Acting Photographer. Hurry Back Joe!

Completes 3 Years In Marines

Lance Corporal **Gerard P. Humphreys**, son of proud parents **Marilyn and Edgar Humphreys**, will complete his 3rd year in the U.S. Marines on Feb. 9. He is presently stationed in Yuma, Arizona and expects to go to Okinawa in July for six months.

Wants To Relocate

Joan and Andy Eannucci, 38 year residents of Hicksville, just returned from a 4 week vacation in Florida. While there they traveled through the western and central sections hoping to find a town that they would like to retire in. They're thinking seriously about Spring Hill. They like the warm climate as they're both avid golfers.

Get Well Rosemarie

Happy to hear **Rosemarie Curley** is recuperating from open heart surgery at North Shore Hospital. All her Hicksville friends wish her a speedy recovery—she is a well liked employee of the Hicksville Public Library.

Anniversary Congratulations

The many friends of **Will and Billie Schiffmacher** want to congratulate them on the celebration of their 50th anniversary (Jan. 21). Will took Billie to the Millendge for dinner. They were married at Our Lady of Miraculous Church in Ridgewood and moved to the border of Hicksville Westbury in 1960. Billie was a secretary for St. Ignatius School for over 25 years.

Ralph Riccardi Visits

Capt. Ralph Riccardi, was home for a few days visiting mom and dad, **Ronnie and Ralph**. Ralph is with the U.S. Air Force and is a Hospital Administrator at San Vito dei Normanni Air Station in southern Italy (Puglia Province).

Also stationed with him is another Hickswite—**James Scibilia**. He's a '64 graduate of H.S. and is a master sergeant working at the same hospital. His parents have left Hicksville for the warmer climate of Phoenix, Arizona.

Another Birthday

Well, it happened. **Charlie Tallman** finally became 50 years of age Feb. 4th. A 10 year resident of Hicksville Charlie was known to a lot of Hicksville people as he came from Bethpage. He married the former **Audrey Benkert** also of Bethpage. They have two sons, **Scott and Dean**. Charlie is a supervisor at JILCO and Audrey is well known as she has been working for **Mark Madden** for over 25 years. Happy Birthday, Charlie.

Returns From Vacation

Bunny Casey just returned from West Palm Beach, Florida after two weeks of swimming, golfing, etc. Bunny said that she was fortunate to have had two beautiful weeks of nice weather with only one day of rain.

Perfect Variety

The other day I happened to be down on Broadway and walked into the Perfect Variety store and saw that there was an opening into the drug store next door. I found out that **Vinnie Curcio** owner of the drug store has recently purchased the store and is now one. Many of you may remember Vinnie has been started working for **Mr. Berman** at that drug store while he was in school. He swept floors, waited on customers, etc. He went to college and became a pharmacist. He purchased the store and now is in the midst of renovating the place and the store. The store is just what we had years ago. You can get everything and buy anything, yards, cigars, tobacco, coffee, and they even test them for you! sweat shirts, toys, buttons, buttons, buttons, fidgeter gadgets (I found one a fidgeter I had been looking for), neckties, pens, pens, miniature multi-line pens, etc. etc. etc. He has a department that sell micro-mini and vertical blinds with installation. That department is run by **Carol Diehl**, who mentioned that she

Lance Corporal Gerard P. Humphreys

thought it was wonderful that the newspaper is giving scholarships to NYIT. Her son **Bill** is a senior there (also on a scholarship-architecture), and her daughter **Linda** is a freshman—communications.

I also learned that **Vinnie** celebrated his birthday Feb. 4th with his wife **Jody**, . . . and that **Mary Fatta**, who is also employed in the store celebrated her birthday on Feb. 4. She refused to tell her age but her husband **Guy** knows—as do her children **Guy, Rosemary, Barbara and Michael**. They and their families all celebrated her birthday with her.

Stop in at the Variety/Drug Store—you'll enjoy it.

Condolences

Our condolences to the family of **Vincent Sarli** who passed away Monday, Feb. 9. Vin was a long time resident of Hicksville living on Division Avenue for many, many years. Our sympathy is with his wife, **Inge Sarli**, sisters **Kay Sarli, Lucia Carpenter** and **Lydia Duffy**; and his brothers-in-law, **Coyte Carpenter** and **Norman Duffy**.

Surprise, Ronnie!!

Ronnie Brigandi celebrated the big '60 at a surprise party given by her family at the K of C Hall on Feb. 6. The party was attended by many of Ronnie's family and friends who were happy to be a part of such a special occasion. Everyone had a wonderful time dancing (a few even did 'The Limbo') and eating. Happy Birthday Ronnie, you're a very special lady.

A Letter from Lulabelle...

...We were talking the other night about trips in the car with the children... Do you remember how it was... First there was great planning and days of washing and ironing and packing since, heaven help us, who knows what might come up on our trip?... Then there was much stowing in the car—suitcases, cameras, pillows for naps in the back seat, and "things to keep the children amused in the car": including the Tiny Tears dolls (do you remember them? They were baby dolls with tight curls and they were cute) and all of the Tiny Tears wardrobes because they, too, must be dressed properly for every occasion... Then came the departure, all excitement... everyone sitting quietly in place, and we are off!... About two miles later it starts: "Are we nearly there?... I have to go to the bathroom"... "Will the motel have a swimming pool?... And then before you get off the island, the bickering begins..." "She won't let me lie down"... "He's sitting on my half of the seat"... "Make him stop making faces at me"... "We're playing license plates and he's fibbing about the ones he says he's seeing"... "I'm really hungry"... After a long while, after trying with one kid in the front seat with Dad and the other in the back with Mom—which means that the kid in the front seat spends the entire time on his knees talking to the kid in the backseat (this was before seat belts)—the motel destination is reached—and now we will set out on our historical sightseeing!—Oh, no, first we must try the pool... Then when we do get to the noted attraction, and I start asking the guide many detailed questions about what we're seeing, they suddenly decide that they are too embarrassed to know me and cling to their fathers as if I were some nutty stranger... My kids still squirm when they recall the questions I asked at Williamsburg, and after the trip is done and you had finished doing all the wading that accumulated, you hear them telling their friends how wonderful it was... and you wondered if you had all been on the same trip... but time passes, and now, they have to take their kids on trips... Ha, ha, ha!!!

Yours, Lulabelle

Oyster Bay Town Board To Consider Three Structures For Landmarks Status

The Oyster Bay Town Board has held a public hearing to consider three structures for landmarks status, according to Town Councilman Howard T. Hogan, Jr.

The three sites, all located in Oyster Bay hamlet, are Snouder's Corner Drugstore, Matinecock Lodge No. 8067 and The Printery.

First to be considered for landmarks status will be Snouder's Corner Drugstore. Located at 106 South Street, Snouder's Corner Drugstore is a conglomerate of two building stages," Hogan said. "The earlier part, a two-and-three-quarter-story gabled structure with both shingle and clapboard sheathing, was built c. 1855. The south addition, built c. 1890, is a two-story, flat roofed extension with a square two-story tower topped with a hexagonal roof.

"Originally named the Townsend Inn, the building now used as a Masonic temple is a good example of the Dutch Colonial Revival style popular for resorts/hotels that once abounded on Long Island's north shore," Hogan stated. "Built around 1902-1904, the building is a two-and-a-half story structure with a one-story hipped roof bay. It also features a deep, elevated porch with tongue-in-groove flooring supported by Doric columns, clustered in trios at the porch corners and entrance; a gambrel roof; and a hammered tin door."

The Printery, located at 43 West Main Street, will be the third structure considered. "Constructed c. 1899 with a gabled half-story added around 1915, the Printery, until recently, served as the home for a local newspaper," Hogan said. "It is a simple one-and-a-half story shotgun plan building with a wainscotted interior. The original porcelain-clamped electrical system strung across the ceiling is still in use."

The meeting will be held in the hearing room of Town Hall East, Audrey Avenue, beginning at 10 AM.

Hogan noted that to date, 23 structures have received Town landmarks status.

Art Exhibit At Library

Painting by Doris Pryor are on exhibit in the show cases at the Hicksville Public Library for the month of February.

From childhood Doris Pryor knew she wanted to be an art.

At 10 she entered Pratt Institute Art School. After graduation she became a fashion illustrator.

She had three children, then went back to Queens College and received her bachelor's and masters degrees.

Mrs. Pryor taught art to gifted children at BOCES, taught Barick and Portraiture in adult education courses at Syosset, Lawrence and Garden City illustrated.

Her paintings are in private collections throughout the world.

EDITOR'S NOTE:

The Oyster Bay Town Board has rejected as a National Landmark the Hjcks home in Jericho.

It was the family home from which the Quaker name became the name for the village of Hicksville. This snub to Hicksville continues in the vein wherein public pressure for a designation is approved, the name Hicksville is ignored and the Town of Oyster Bay is substituted.

"The first telephone and switchboard in Oyster Bay was installed in this drugstore in 1887," Hogan continued. "Because Sagamore Hill, Theodore Roosevelt's home, didn't have a phone until 1901 when he became President, messages were delivered from Snouder's to Roosevelt's house."

The second structure to be considered for landmarks status is the Matinecock Lodge No. 8067, also known as the Townsend Inn, located at 14 West Main Street.

THE SKATE SHOP

SKATING EQUIPMENT

By Jesse Halpern

There never was a question as to what type of skate to use for speed skating. Neither was there ever a question as to the best type of skate for playing hockey. But as far as the novice skater, interested in mild exercise and a form of relaxation, is concerned, the type of skates is often a problem. Also, how and where to buy them are problems. The unfortunate truth is that most people are poorly advised and consequently buy the wrong skate.

The skates generally bought in sporting goods stores and department stores are toys or little more than toys and could not hold the ankle of either the novice or the expert skater. The exceptions to the generality are very rare indeed. The place to buy skates is only in the specialty skate shop.

Professional skaters, both performers and instructors, advise figure skates as the best type of skates for many sound reasons. The figure boot is a higher boot and distributes the necessary snugness over a larger area than any of the other boots. The skate itself is lower and consequently easier to balance oneself with. The blades on a correct pair of skates are screw-attached on both heels and soles to the average weight center.

If the ankle bends it means that the weight center of the foot is a little to one side or the other of the average weight center, and the bending is immediately corrected with the moving of the blade toward the skater's weight center. The figure skate is the most maneuverable skate. The low weight center, the high boot, the movable blade—all help make the figure skate the easiest skate to skate on.

To have full control over the blade, the boot

must be snug enough to make the foot and the blade feel as though the two were one, and the blade must be in the weight center of each individual foot.

Correct fitting can be done only by the expert who has enough boots of different lasts and widths to work with. The boot should be just as tight as the skater can stand. The foot does not move around within the boot. It should be almost impossible to budge the heel from the floor of the shoe and it should be possible to flex the toes a bit. The adult or the advanced child skater should be fitted with very light socks.

For children, the skate expert advises the same as for adults, except that children can be fitted with heavy socks and wear the same boots the second year with light socks. The largest possible blades should be attached to the boots so that the blades can be used on the next pair of boots. Over the long period, correct skates for children cost less per year than the toys ill-advised parents often buy.

Rental skates can't possibly give much satisfaction because every one who wears them stretches them in another place and after a while the shoes have no more support than a paper bag. The same can be said about second hand skates. Leather stretches and shoes take on the shape of the feet when there is only one wearer.

It is more important to have a good, well-fitted boot than an expensive blade. At the Jesse Halpern Skate Shops we don't hesitate to recommend an expensive boot with the least expensive blade. The boot is that much more important. There is advantage in better blades, but if it is small as compared with the advantage of better boots.

thought it was wonderful that the newspaper is giving scholarships to NYIT. Her son **Bill** is a senior there (also on a scholarship-architecture), and her daughter **Linda** is a freshman—communications.

I also learned that **Vinnie** celebrated his birthday Feb. 7th with his wife **Jody**... and that **Mary Fatta**, who is also employed in the 8106 celebrated her birthday on Feb. 5. She refused to tell her age but her husband **Guy** knows—as do her children **Guy, Rosemary, Barbara and Michael**. They and their families all celebrated her birthday with her.

Stop in at the Variety/Drug Store—you'll enjoy it.

Condolences

Our condolences to the family of **Vincent Sarli** who passed away Monday, Feb. 9. Vin was a long time resident of Hicksville living on Division Avenue for many, many years. Our sympathy is with his wife, **Inge Sarli**, sisters **Kay Sarli, Lucia Carpenter** and **Lydia Duffy**; and his brothers-in-law, **Coyte Carpenter** and **Norman Duffy**.

Surprise, Ronnie!

Ronnie Brigandi celebrated the big '40' at a surprise party given by her family at the K. of C. Hall on Feb. 6. The party was attended by many of Ronnie's family and friends who were happy to be a part of such a special occasion. Everyone had a wonderful time dancing (a few even did 'The Limbo') and eating. Happy Birthday Ronnie, you're a very special lady.

A Letter from Lulabelle...

...We were talking the other night about trips in the car with the children...Do you remember how it was?...First there was great planning and days of washing and ironing and packing since, heaven help us, who knows what might come up on our trip?... Then there was much stowing in the car—suitcases, cameras, pillows for naps in the back seat, and "things to keep the children amused in the car", including the Tiny Tears dolls (do you remember them? They were baby dolls with tight curls and they were cute) and all of the Tiny Tears wardrobes because they, too, must be dressed properly for every occasion...Then came the departure, all excitement...everyone sitting quietly in place, and we are off!...About two miles later it starts: "Are we nearly there?...I have to go to the bathroom"... "Will the motel have a swimming pool?...And then before you get off the Island, the bickering begins"... "She won't let me lie down"... "He's sitting on my half of the seat"... "Make him stop making faces at me"... "We're playing license plates and he's fibbing about the ones he says he's seeing"... "I'm really hungry"... After a long while, after trying with one kid in the front seat with Dad and the other in the back with Mom—which means that the kid in the front seat spends the entire time on his knees talking to the kid in the backseat (this was before seat belts)—the motel destination is reached—and now we will set out on our historical sightseeing!—Oh, no, first we must try the pool...Then when we do get to the noted attraction, and I start asking the guide many detailed questions about what we're seeing, they suddenly decide that they are too embarrassed to know me and cling to their fathers as if I were some nutty stranger...My kids still squirm when they recall the questions I asked at Williamburg...and after the trip is done and you had finished doing all the wasing that accumulated, you hear them telling their friends how wonderful it was...and you wondered if you had all been on the same trip...but time passes, and now, they have to take their kids on trips...Ha, ha, ha!!

Yours, Lulabelle

Oyster Bay Town Board To Consider Three Structures For Landmarks Status

The Oyster Bay Town Board has held a public hearing to consider three structures for landmarks status, according to Town Councilman Howard T. Hogan, Jr.

The three sites, all located in Oyster Bay hamlet, are Snouder's Corner Drugstore, Matinecock Lodge No. 8067 and The Printery. First to be considered for landmarks status will be Snouder's Corner Drugstore.

"Located at 106 South Street, Snouder's Corner Drugstore is a conglomeration of two building stages," Hogan said. "The earlier part, a two-and-three-quarter-story gabled structure with both shingle and clapboard sheathing, was built c. 1855. The south addition, built c. 1890, is a two-story, flat roofed extension with a square two-story tower topped with a hexagonal roof."

"Originally named the Townsend Inn, the building now used as a Masonic temple is a good example of the Dutch Colonial Revival style popular for resorts/hotels that once abounded on Long Island's north shore," Hogan stated. "Built around 1902-1904, the building is a two-and-a-half story structure with a one-story hipped roof bay. It also features a deep, elevated porch with tongue-in-groove flooring supported by Doric columns, clustered in trios at the porch corners and entrance; a gambrel roof; and a hammered tin door."

The Printery, located at 43 West Main Street, will be the third structure considered.

"Constructed c. 1899 with a gabled half-story added around 1915, the Printery, until recently, served as the home for a local newspaper," Hogan said. "It is a simple one-and-a-half story shotgun plan building with a wainscotted interior. The original porcelain-clamped electrical system strung across the ceiling is still in use."

The meeting will be held in the hearing room of Town Hall East, Audrey Avenue, beginning at 10 AM.

Hogan noted that to date, 25 structures have received Town landmarks status.

Art Exhibit At Library

Painting by Doris Pryor are on exhibit in the show cases at the Hicksville Public Library for the month of February.

From childhood Doris Pryor knew she wanted to be an art.

At 16 she entered Pratt Institute Art School. After graduation she became a fashion illustrator.

She had three children, then went back to Queens College and received her bachelor's and masters degrees.

Mrs. Pryor taught art to gifted children at BOCES, taught Batik and Pottery in adult education courses at Svosser, Lawrence and Garden City illustrated.

Her paintings are in private collections throughout the world.

EDITOR'S NOTE:

The Oyster Bay Town Board has rejected as a National Landmark the Hicks home in Jericho. It was the family home from which the Quaker name became the name for the village of Hicksville. This snub to Hicksville continues in the vein wherein public pressure for a designation is approved, the name Hicksville is ignored and the Town of Oyster Bay is substituted.

"The first telephone and switchboard in Oyster Bay was installed in this drugstore in 1887," Hogan continued. "Because Sagamore Hill, Theodore Roosevelt's home, didn't have a phone until 1901 when he became President, messages were delivered from Snouder's to Roosevelt's house."

The second structure to be considered for landmarks status is the Matinecock Lodge No. 8067, also known as the Townsend Inn, located at 14 West Main Street.

SKATING EQUIPMENT
By Jesse Halpern

THERE never was a question as to what type of skate to use for speed skating. Neither was there ever a question as to the best type of skate for playing hockey. But as far as the novice skater interested in mild exercise and a form of relaxation, is concerned, the type of skates is often a problem. Also, how and where to buy them are problems. The unfortunate truth is that most people are poorly advised and consequently buy the wrong skates.

The skates generally bought in sporting goods stores and department stores are toys or little more than toys and could not hold the ankle of either the novice or the expert. The exceptions to the generally are very rare indeed. The place to buy skates is only in the specialty skate shop.

Professional skaters, both performers and instructors, advise figure skates as the best type of skates for many sound reasons. The figure boot is a higher boot and distributes the necessary snugness over a larger area than any of the other boots. The skate itself is lower and consequently easier to balance oneself with. The blades on a correct pair of skates are screw-attached on both heels and soles to the average weight center.

If the ankle bends it means that the weight center of the foot is a little to one side or the other of the average weight center, and the bending is immediately corrected with the moving of the blade toward the skater's weight center. The figure skate is the most maneuverable skate. The low weight center, the high boot, the movable blade all help make the figure skate the easiest skate to skate on.

To have full control over the blade, the boot

must be snug enough to make the foot and the blade feel as though they were one, and the blade must be in the weight center of each individual foot.

Correct fitting can be done only by the expert who has enough boots of different lasts and widths to work with. The boot should be just as tight as the skater can stand. The foot does not move around within the boot. It should be almost impossible to budge the heel from the floor of the shoe, and it should be possible to flex the toes a bit. The adult or the advanced child skater should be fitted with very light socks.

For children, the skate expert advises the same as for adults, except that children can be fitted with heavy socks and wear the same boots the second year with light socks. The largest possible blades should be attached to the boots so that the blades can be used on the next pair of boots. Over the long period, correct skates for children cost less per year than the toys ill-advised parents often buy.

Rental skates can't possibly give much satisfaction because every one who wears them stretches them in another place and after a while the shops have no more support than a paper bag. The same can be said about second hand skates. Leather stretches and shoes take on the shape of the feet when there is only one wearer.

It is more important to have a good, well-fitted boot than an expensive blade. At the Jesse Halpern Skate Shops we don't hesitate to recommend an expensive boot with the least expensive blade. The boot is that much more important. There is advantage in better blades, but it is small as compared with the advantage of better boots.

Susan Hart To Accompany

The Mid-Island Singers cordially invite you to attend the first of two special programs as they celebrate their Silver Anniversary Season. For 25 years the group was known as the Hicksville Chorus.

February 22 at 3:00 p.m., at the Hicksville Public Library is where you will hear their finest performance to date. On the bill are such favorites as "A Portrait of Hoagy Carmichael," Lois Lewandowski's "Hallelujah," Anton Bruckner's "Christus factus est," and the ever-popular "Canon in D Major" or Johann Pachelbel, made popular by the movie "Ordinary People".

Also performing special selections is the Mid-Island Singers' accompanist Susan Hart. Mrs. Hart, a 1973 graduate of Hicksville High School (Susan Mullett), has been rated as one of Long Island's finest.

The current musical director of the group is Herbert Bradensten, Jr., a 1973 graduate of Hicksville High School. His predecessors were all of his choral music teachers during high school: Charles Arnold, Stephen Goldstein, David Stowell and William Golecke, who was the founder of the current Hicksville Community Chorus in 1961.

The Hicksville Public Library is located on Jerusalem Avenue, two blocks south of Old Country Road. There is no admission, and a collation will follow.

Opening lead — eight of spades.

Most readers dislike fancy hands, preferring instead those that are simple, interesting and instructive. But in many deals only a "fancy" play can do the job, and here is a case to illustrate the point.

West led a spade, won by East with the ace after dummy followed low. East then shifted to the three of clubs, South following low as West won the trick with the king.

West now tackled a new suit, returning a low diamond, but by this time the damage had already been done. Declarer won the diamond with

the king, drew trumps, and then led the spade ten towards the Q-7. West took his king and declarer easily scored the rest of the tricks to bring home the contract.

Actually, South would have gone down one against better defense. The big blooper came at trick two, when East should have returned the ten of clubs instead of the three! Had he done that, it would have been impossible for declarer to make the contract. If South covers with the jack, which is the best he can do, West takes his king and returns a club, in which case declarer eventually loses two spade tricks and two clubs.

Why should East elect to lead the ten of clubs in this situation? It looks like a very fancy play, since the standard lead with a holding such as the Q-10-8-3 is the fourth-best card rather than a middle card. The answer is that dummy happens to hold the 9-x-x, and in order to protect against South holding the A-J-x or K-J-x, the ten is clearly the most effective play.

The given situation is a further illustration of why one doesn't play bridge by rote. Following general rules (such as fourth-best leads) is rewarding in the long run, but a serious bridge player is not an automaton who is incapable of figuring things out for himself. Improvisation is an extremely valuable adjunct of bridge.

Fiery speeches, patriotic songs, and a procession will highlight the old fashioned festivities when George Washington's Birthday is commemorated at Old Bethpage Village Restoration on Sunday, February 22, starting at 2 p.m.

County Executive Thomas S. Gulotta said that the day's events will begin with a parade to the church, where members of the Hempstead Light Guards militia and other villagers will read portions of Washington's Farewell Address. Visitors will be encouraged to join in the signing of temperance songs that were popular in the 1840's.

Following the church program, visitors may follow the militia to the Noon Inn for some cider and samples of a specially decorated Washington's Birthday fruitcake. Old Bethpage Village Restoration is located on Round Swamp Road in Old Bethpage, one mile south of the Long Island Expressway, exit 48. Its winter hours are 10 a.m. to 4 p.m., Tuesdays through Fridays, and Sundays; closed on Mondays and Saturdays.

A new recreational swim program for active senior citizens will be offered by Nassau County Department of Recreation and Parks on Thursday afternoons, February 26 through April 9, from 1:00 to 2:15 p.m. at the Nassau Community College Pool Complex.

This program which is free offers swimming for each individual at his or her own pace. It is not an instructional program. A certified pool lifeguard will be on duty.

Pre-registration is required by application form from the Senior Citizen Unit, 542-4496. The program is open to county residents age 60 and over with a valid Nassau County Leisure Pass.

Nassau Community College is located in Garden City, with entrances off Stewart Avenue, Hempstead Turnpike and Meadowbrook Parkway, Coliseum exit M4.

Registration is now under way for artisans, crafters and hobbyists 60 and over who wish to demonstrate their craft and display their works at the 2nd Annual Nassau County Arts Festival in May.

The event, which will commemorate Senior Citizens Month, will feature displays and demonstrations in painting and drawing, pottery, woodcrafts, ceramics, fiber arts, jewelry, stained glass and many others.

The festival will be held Wednesday, May 20, from 10 a.m. to 4 p.m. at the Roosevelt Field Shopping Center in Garden City. However, senior citizens wishing to participate must register between now and Monday, April 13, by calling 542-4495, weekdays from 9 a.m. to 4:45 p.m.

The Parks Department is also seeking male and female models for a fashion show in which seniors may show off their own creations or those of a local clothing store yet to be announced. TV personality Ray Heatherton will emcee the show.

The festival will include entertainment by seniors at various times during the day and an evening concert at 7 p.m. by the Long Island Senior Citizen Symphony, which will perform both pop and classical music.

Interested Nassau County Junior High boys ages 12 to 15 can start getting shape for a wrestling tournament to be held at Nassau Community College on Saturday and Sunday, March 28 and 29, from 8 a.m. to 8 p.m. and 11 a.m. to 3 p.m.

Boys who did not compete on high school varsity or junior varsity teams during the 1986-87 school year are eligible to enter the tournament, in which they will compete as individuals and will not be representing their respective schools.

Registration and weigh-ins will take place on Saturday, March 28, from 8 to 11 a.m. The Nassau Community College Physical Education Complex is located off Hempstead Turnpike in Garden City. For further information about the tournament, call 542-4439.

Training programs for volunteer naturalists and interpreters at various Nassau County museums and nature preserves operated by the Department of Recreation and Parks will begin in February and March.

Adults of all ages who enjoy working with school age children, and are available one day a week, will be trained to explain the wonders of nature or the history of Long Island to groups visiting the county-operated facilities.

The courses are free, but pre-registration and an interview are required. No previous experience in teaching or nature studies is necessary. For further information, call Museum Volunteer Services at 364-1050.

The following museum facilities offer training programs: Garvies Point Museum and Preserve, Barry Drive, Glen Cove. Classes meet on Tuesday and Thursday mornings, February 24, 26; March 3, 5, 10, 12, 17, 19 and 24. The course covers such topics as forest ecology, beach and pond explorations, local geology, Indian culture and teaching in the out-of-doors.

Sands Point Reserve, (Trailside Museum), Middleneck Road, Sands Point. Classes meet on Tuesday mornings, March 10, 24, 31, and April 7. The course includes interesting habitats such as a 150 year old forest, a freshwater pond, a mile of shoreline on Long Island Sound, open fields and a saltmarsh.

And Now We're 21

We are proud to announce to our readers that as of the beginning of 1987 we accomplished our present goal of including twenty-one newspapers in our group of community weeklies dedicated to the important function of chronicling the ongoing story of the community's people, their milestones... births, troths, weddings, successes in business, community service, scholastic, cultural and athletic achievements.

We believe that each of the communities we serve deserves a community newspaper of its own—a free forum for public expression on matters civic, scholastic, moral and cultural.

Every week we do our very best to fill that need... and we solicit the help of all community-aware folks to make each paper their very own.

Kodak Salutes New York Giants

Eastman Kodak Company honors the New York Giants' victory in Super Bowl XXI with the premiere of a giant colorama photograph at Grand Central Terminal of the team's supercharged offense in action.

Entitled "New York Giants - Super Bowl Champs!" the Colorama features Giants' quarterback Phil Simms in action as tackle Brad Benson and guards, Chris Godfrey and Billy Ard defend against the Denver Broncos' pass rush. Simms was named the game's Most Valuable Player with a record-setting 88 percent pass completion record, as the Giants went on to beat the Broncos, 39-20.

The Super Bowl action photo was unveiled during a midday victory celebration at Grand Central Terminal attended by Giants players, fans and local officials. The new Colorama will be displayed above the station's main concourse through March 1.

Kodak photographer Jon Menihan captured the action shot from the Rose Bowlsidelines early in the Jan. 25 game. His film was rushed to Rochester where Kodak photographic technicians worked around the clock this week to enlarge the image to fit the colossal 1,080-square-foot Colorama display track.

While Coloramas have been featured at Grand Central Terminal for some 37 years, the 18 x 60-foot color transparency of the Giants is the first one made from 35 mm Kodacolor VR-G 200-speed color negative film, a print film available at many consumer retail locations. This image is printed on Kodak Velcolor print film.

"Kodak traditionally has sought outstanding images for the Colorama," said Bruce G. Wilson, director, marketing communications and support services, consumer products division. "In New York City this week, it's fair to say that no picture is more ap-

propriate than the Giants on their way to a very impressive victory."

"New York Giants - Super Bowl Champs!" is number 337 in Kodak's colorama series at Grand Central Terminal, which for nearly four decades has featured large full-color displays of outstanding photography. Each Colorama is transported to New York by truck from Kodak in Rochester, unwound from a giant spool and mounted on a display track in the main concourse. The giant panorama is displayed for several weeks before being changed. Some 652,000 people view the colorama each weekday.

Nassau Sports Review

By JACK WHITE

Freeport has won the Nassau boys bowling championship, the first Section 8 title of the winter season. The Red Devils totaled 5,577 pins and had the two high scorers, Mike Dambrosio and Jeff Dicostano who each bowled 1,155 six game series.

Bowling is a sport which doesn't get a great deal of publicity, yet there are some very skilled performers in the high school league. The sport was organized at the Nassau high school level in the early 1940's.

Here is a list of Section 8 Bowling Champions:

Court Girls Bounce Back

The Hicksville High School Girls Basketball Team has rebounded from a disappointing start by defeating both East Meadow and Massapequa in the second round of League competition after losing to both teams in their initial meetings.

The "Comet" scoring has been led by captain Maria Moore, a junior, who is averaging 24 points and seven assists per game. Kim Zagajski, the only senior on the squad, has been consistent or both offense and defense not only averaging 17 points per game but also grabbing nine rebounds and six steals per game. Sophomore Maria Paradiso completes the backcourt with strong defensive play and excellent passing and ball handling. The frontcourt duties are handled by juniors Shannon Mullin and Lynn Flannery. Reserve guards Debbie Jonason and Tricia Reardon and forward Patty Grady, all juniors, have shown consistent improvement over the season.

Coach Gerard Keatchman is pleased with the recent performances and stated, "More aggressive defense as made up for what the team was lacking in experience and height. We should surprise a few teams as we close out the season."

Two remaining games, both at home, are scheduled for the winter recess: Tuesday, Feb. 17 at 1 p.m. against Farmingdale, and Thursday, Feb. 19 at 1 p.m. against Port Washington.

Tony Mazzurco's Clippers were victorious over the Celtics with a score of 30-5. Peter Mazzurco and Ryan Quinn scored 15 points each to bring their team to a victory. Rick Hoffman's Warriors beat Brian Pinelli's Nets with a score of 22-11. Nick Cassano scored heavily for the Warriors by putting 17 points on the scoreboard himself. Robert Haddad made the balance of the points for the Warriors while it was Tom Morrillo who put the 11 points on the scoreboard for the Nets.

The Wild Cats beat the Lions Saturday by a score of 26-12. The total points by Billy Murphy of the Wild Cats would have been enough to win the game as eight of his shots whooshed through the net. He was followed by his teammate Anthony Panarelli who scored eight points. The trio of Kristin Baricevac, Robert Ilsey and Joey Michel played excellent defense for the Wild Cats and also contributed two points for the team

with a basket by Kristin. Danny McGovern of the Lions broke out this week and scored two baskets for the team which was also matched by Gary Lewis and Marty Theis. The strength of Matthew Bruckner and the height of Patrick Scanlon under the net contributed to an excellent fourth quarter by the Lions.

Scott Anderson's pulled achilles tendon forced the other members of John Anderson's 76ers to work harder in a team effort to win the game to stay undefeated. The team was led to victory by the vallant scoring of David Gleason, Tom Carolan, John Cicardo, Chris DeBanardo, and David Dorney. Strong defense for the 76ers Ken Lewis' Pacers slaughtered Ed Passaro's Bullits 32-12 last Friday night and it was Frank DeStafano's Knicks who beat Don Cleary's Lakers to wind the 5th and 6th grade league down for the week.

Congratulations To Scott Epstein

HOLY TRINITY'S MARLAND JOHNSON CAPTURES PLAYER OF THE WEEK HONORS

Marland Johnson, Holy Trinity's, Hicksville, 6-3, 215 power player, scored 52 points in leading his team to two league wins and earning himself the coaches vote for NSCHSAA "Player of the Week" for the week ending Feb. 1, 1987. Johnson had 23 points in a big win at Chaminade on Tuesday and followed that up with an impressive 29 points as his Titans trounced St. John's 102-78. Marland had 7 offensive rebounds in the St. John's game and shot 9-9 from the foul line. After an early season injury, Marland is third in the league in scoring, tossing in 18.3 ppg. The Titans are solidly in second place in the league with a 6-1 record, two full games ahead of third place St. Anthony's.

Earning Honorable Mention for the efforts last week were JOHN LESKEY, the 6-4 power forward from St. Anthony's, who hit for 12 points in the Friars' 83-80 40T win at St. Mary's. John made baskets at the end of the first (tip-in) second (layup) and third 15' jumper) overtimes to give his team a chance to pull out the win. In that same game, St. Mary's 6-0 shooter PAT WYNNE scored a high 23 points including a total of 12 in the overtime periods. JOHN DOOLAN, St. Dominic's 6-1 point guard, made two free throws with :13 left to ice their 54-53 win over St. Mary's on Tuesday. In addition, John netted 20 points against St. Agnes. The league high point total for one game was re-established by St. John's forward MARCUS MATTHEW who had 36 points against Holy Trinity. Matthew, a junior, had 10 rebounds in that contest as well.

The St. Mary's emotional roller coaster has lasted two weeks as the Gaels continue to play good, tough, close games every night out. It started two weeks ago as they defeated St. John the Baptist 81-80 in overtime as guard GORDON WILSON made a 25 footer at the buzzer to force overtime and PAT WYNNE made the front end of a 1 & 1 to win it with :03 left. Against St. Doms, they rallied back from a 9 point deficit to make it close, but lost as the Doms made all of their clutch free throws down the stretch. And last Friday, they played the longest NSCHSAA game in sometime, maybe ever, as they extended St. Anthony's to four extra sessions before falling 83-80. Chris Schneider, their leading scorer, fouled out in regulation, as did Brian Stackpole and Mike Feeney for St. Anthony's. Gordon Wilson earns the iron man award, playing all 44 minutes of the game before fouling out in the last minute.

Joseph Barry Knights of Columbus #2520 Free Throw Competition

On Saturday, Jan. 17, the Free Throw Competition, sponsored by Joseph Barry Knights of Columbus #2520 was held at Lee Avenue School from 10 a.m. till 12 noon.

This event has become a yearly program every January—with local, sectional and regional competition and state finals at West Point. International winners are selected from the results of the state competitions.

Our local winners were:
Boys - 11 year old: Chad Passaro (who got eight out of 15. He will be around for three more years).

12 Year Old: Brian McDermott (a repeat winner from last year's 11 year group. Did it this year at the 12 year old level. He is a seventh grade student at St. Ignatius Loyola. He shot 12 out of 15 and will be someone to watch for the next two years).

13 Year Old Boys: We had a shootout between Edward Anczewicz and Jerry Mackay. (They each shot 10 out of 15. We flipped a coin for the shootout. Ed won. He had the choice of shooting first or second. He let Jerry go first—who shot 2 out of 5. Ed shot next and shot 4 out of 5. Nice shooting guys. You will see Ed and Jerry next year for sure).

14 Year Old: We had some shooter—Tim Cleary. (Tim shot 15 out of 15 for a perfect score. Tim is currently playing on the Hicksville High School team and is a 95+ student. He is also on the Hicksville Jr. High Football Team.

The girls winners were:
11 Year Group: Alison Dunker—who shot 5 out of 15—won. Her sister, Carolyn, lost out in the 14 year competition. (Their father, Brian Dunker had just came off his tour with the Nassau County Police Department and was there to watch his girls compete. Unfortunately we had no 12 year old entries this year and we will have an opening in the Section competition next month.

13 Year Old: Bernadette Clark

repeated her last year's victory and will be the finalist for us in the Sectionals. (She is the daughter of Councilman Tom Clark—and was brought to the school by her brother Jeff. I'm sure she practices against Jeff and plays every Monday night with a group of his friends at a local school.)

14 Year Old: Won by Kimberley Anczewicz who shot 7 out of 15. (Brother Ed won the shoot out in the 13 Year Old Boys group. Papa Ed was so proud I worried he might slip some stitches from his recent operation. Despite his great anxiety his two youngsters remained calm and shot very well. Congratulations for two finalists from the same family.

The next step is the Sectionals which were held on Feb. 1st at Syosset High School at 6:30 p.m. All contestants received certificates for competing. The finalist winners will be awarded their prizes at a later date. We will follow up with those winners next week.

I want to thank my committee, as I could not have run this competition alone. Thanks to: A. Murphy, D. Cleary, J. Harty, J. Quinn, C. Grimner, V. Murphy, B. McCough, B. Dunker, F. Drasby, A. Nassis.

Hicksville Police Athletic League

By CHARLETTE ANSTEY

A sports program, such as Hicksville PAL, is only as effective as the people who volunteer. With this in mind, we are again honoring one of our coaches.

Al Ciaccio

Al is a Police Sergeant presently assigned to the Nassau County Police Academy. He has been a police officer for 18 years. Al's lovely wife, Susan, is a Registered Nurse with experience in I.C.U., C.C.U. and Emergency Room Work. Presently she is not working because she is at home raising their two year old daughter, Lauren.

Their 4 children are involved in many sports activities. Daniel, their 5-year-old, has participated in the Bethpage PAL track program and this spring he will play baseball for C.Y.O. Gina, their 14-year-old, has been a cheerleader for the Elmont Cardinals football program. She also participated for 3 years in Hicksville PAL softball and 2 years in PAL basketball. At present she is member of the Hicksville Junior High School Girl's Basketball team. Anthony, their 12-year-old, has been involved in Elmont and HBA Little League for 5 years. He has played soccer for 2 years. In 1982 and 1983 Anthony played football for the Elmont Cardinals and 1st year he played football for the Bethpage Panthers. In 1985 he played baseball for Hicksville PAL. At present he is trying out for the Hicksville Junior High School wrestling team. Lauren, their 2-year-old, has not participated in any organized sports yet, but presently is very busy being Daddy's little girl!

The Ciaccio's moved from Elmont to Hicksville in December 1982. They love Hicksville and are proud to be a member of this fine community.

Al played PAL (PBC) basketball at Gotham Avenue School in Elmont. The Police Officer in charge, Dave Chase, was a fine man who helped guide Al through his youth and make it such an enjoyable experience for him. Today Police Officer Bill Toelsted runs an excellent PAL program for the youth of Hicksville and surrounding areas.

Al became a coach for his daughter Gina's basketball team in December 1986. Prior to that, Al was not able to participate in any of Gina's activities because he worked three different shifts. Last year he went on the daytime shift, giving him the evenings to coach. At first Al thought coaching would be a chore, however after reading three books on basketball, he started to know what he was doing. Now coaching basketball is a joy in his life. Al enjoys working with Team No. 3 (Senior Division) because they are a group of fine young ladies. He's proud of the friendships his daughter has developed with her teammates.

Al feels the Hicksville PAL sports program is excellent. It stresses participation, learning the game and sportsmanship. This program builds character in our youths and is an enjoyable experience. PAL does not have high levels of competition or a stressful play-off system. Hicksville PAL means recreation, friendships and fun and Al is proud to be a part of it.

Hicksville PAL Basketball News

We've had a very good basketball week. Congratulations to Sidd Hartha Nayak of the Knicks, Junior Division, and Paras Gojalia of the Celtics, Junior Division for making their first baskets this week. Even though our basketball season is almost over, there are still other PAL sports available for Hicksville children. We will be having our spring sign-up soon. Please look for our notice in this paper.
