# K of C Charity Fund Donations Reach \$110,000

FRANCISABEEBE (R) is presented a special plaque by Daniel Paternoster, Grandknight of the Lamb Council, for Mr. Beebe's effort in raising \$110,000 to help various charittes.

Francis A. Beebe, Council Charity Chairman of Joseph F. Lamb Council No. 5723 of the Knights of Columbus, was presented with a special plaque in honor of his efforts in raising the total sum of 110,000 from the years 1970 through 1986 to be donated to various charities.

Mr. Beebe, who is an assistant foreman in Mr. Beebe, who is an assistant foreman in the mailroom delivery department of the New York Times, uses a simple tin coffee can to collect donations from his fellow employees. The cup, which is usually located near the loading dock, has an average weekly collection of 180. All of the money is donated to charities some which include. The Sisters of the Poor. The Insurate Coulders The Sisters of the Poor, The Jewish Guild For The Blind, Smithtown Junior Auxiliary for Retard-ed Children, the Paulist Father Missions and over 70 other various charities.

# Financial Crisis for The Visiting Nurse Association

The Visiting Nurse Association of Long Island (VNALI) which serves the Town of Oyster Bay, is facing a financial crisis. It is being brought about because of several changes in the way Medicare is re-arranging its programs.

"We are losing money on every call we make," said Angela Koenig, the president of the board of Directors of the VNALL.

Hicksville is served by the Planview office of the VNALL Betty McClintock is the Super-vising Public Health Nurse (SPHN). She supervises six nurses who go out into private houses to provide home health care.

Her supervision area covers Hicksville, Plainview. Bethpage, Old Bethpage, Plainedge and Farmingdale.

The VNALI is to provide as much care as is appropriate, but it is restricted by the definitions of Medicare as to what is appropriate. The people who have been drawn to the field of health care have their own ideals of service, these are being challenged.

Angela Koenig explained part of the problems. Medicare has cut down drastically on the number of visits it will pay for. With

patients coming out of the hospital sicker, they require more hours of care. "We had 20 visits which would allow for heavy medium or light visits, so that the price per visit would average out. Now we have eight or ten visits and the people are much sicker and need two or three hours of care.

It doesn't average out," said Mrs. Koenig. Medicare is allowing fewer visits which require more hours of work with no increase in the cost.

#### Sources Of Funding

In the past funds for the VNA of LI have come from Medicare, and from fundraisers run by the Board of Directors. The donations run by the source of Directors. The domainous received from the public covers both the deficit between Medicare payments and what is actually spent, and monies to cover the cost of clients who are unable to pay for

With the service areas covered by the VNA

By DAGMAR FORS KARPP of LI, it is now desirable to spread the base of volunteers to reach into the new areas covered. Those areas are Syosset, Plainview and

#### The Effect Of DRG

The problems began about two years, ago, in an attempt to cut down on the costs of Medicare, they instituted a program of an average length of time for a patient to remain in a hospital with a particular ailment. The aim of the program was to encourage hospi-

tals to discharge patients sooner.
"The result of the Diagnostic Related Groupings (DRG) is that patients are being released from hospitals sooner and many times sicker than before. They now require a more highly sophisticated level of care when they are discharged," said Florence Van

More procedures are now being done at home. Ones that previously we would only

expect to have done in the hospital.

At the offices of the VNA of LI in Oyster Bay, there is a five volume set of manuals that are for the new technologies. They are in-structions for: antibiotic medication, Total parenteral nutrition (I.V. feeding); IV hydration and pain control; and chemotherapy

#### Longer Hours of Service

Another feature of the new regulations says that a patient must be seen within 24 hours after being discharged from the hospital. This means that service by the agency must be provided on the weekends, and

The VNA of LI now has to have supervisor on call 24 hours and 7 day a week work is demanded, but whose pay is not re-imbursed. Many calls in the evening and weekends need reassurance, explanation or instruction. The group is only re-imbursed if a nurse actually goes out to service a patient.

#### A New Payment Group

Added to this is the government has

changed its fiscal intermediary. Last year the financial re-imbursement was being done by Blue Cross-Blue Shield. This year it is being done by Prudential with what is being called more arbitrary decisions in determining eligability and the benefits paid.

The Prudential people say that they are holding to the Medicare law.

Whatever the fire source the complete is

Whatever the fine points, the result is that the purse of the VNA of LI is being drained. There is more work. It has to be performed for more bours, and their costs are not being met by the group that has instituted the laws. Medicare.

#### More Help Needed

In the past the Board of Directors of the VNALI, has conducted fundraising to cover the gap between the amount of money opened and the amount paid to the agency. They, the Board, participate with policy and decision making. They helped as volunteers at the Health Fair and the Blood Pressure hooth at the Octate Feet of

at the Hearth Fair and the biood Pressure booth at the Oyster Festival.

The Board of Directors have come mainly from the North Shore, where the group origi-nated. Now as the work is spreading across the Island to as far as Massapequa, new volun-teers are needed to help fill the gaps in the

Services needs.
Originally called the Visiting Home health
Services of Nassau, Inc., in March, 1987, the
group renamed itself the Visiting Nurse Association of Long Island. The group encompasses the Great Neck, Manhasset, Port
Washington, Roslyn, Oyster Bay-Glen Cove
VNA, and the Visiting Nurses of Five Towns.

#### Please Respond

if you would like to learn more about the group and possibly volunteer to help per-sonally or financially, please contact the new President of the Board of Directors: Dorothea De Vine at the Oyster Bay headquarters,

Contributions can also be sent to the VNA LI of Oyster Bay-Glen Cove at 193 South Street, Oyster Bay, N.Y. 11771.

## TADA: Students Helping Each Other

By LINDA M. STRONGIN

Drugs and alcohol are corroding and kill-ing our young people. Of those who were admitted to substance abuse treatment programs in 1986, 27 percent were 10 to 20 years old, according to the Nassau County Department of Drugs and Alcohol Abuse. At a recent PTA convention it was revealed that in the last 20 years, the number of students nationwide intoxicated at least once a month has more than doubled from 10 to more than

I thought I knew the topic well. I have been a parent member of the district's Substance Abuse Committee and attend study meetings to help develop a curriculum on that subject for upper elementary grades. I have attended numerous workshops and lec tures and felt overloaded. Tonight another program was scheduled. This one by the junior-senior high school PTA. Would I gain new information? Definitely yes! I learned about TADA.

Mr. Michael Dalvano, social worker at the Hicksville Senior High School and advisor to SADD (Students Against Drunk Driving), told us about his role, counseling students in many areas, including substance abuse. When ask ed what the main "abuse" was, he replied alcohol. Why was I shocked? Didn't a recent study by the National Council on Alcoholism on adolescent alcohol abuse reveal that alcohol is the most widely used drug by youth between 12 and 17 years of age?

Two tenth graders, Karyn Karrmann and Marylou Bertone, founded TADA, Teens Against Drug Abuse. The two asked Mr. Paul Vetrone, social studies teacher, to be the advisor for the group and he accepted.

What they try to do, as stated in TADA's written purpose, is lessen the problem of drug abuse by designing and implementing awareness programs at the elementary schools"in order to show them (elementary school students), by example, that they can feel good about saying "NO" to drugs in their future school years."

Their other goal is "to bring students together at the high school to promote and reinforce their dedication to the stand against

Karyn and Marylou, along with vice residents John Hawkins and Rob presidents John Hawkins Dombrower, explained TADA's beginnings, and what they hoped to accomplish. The items on their agenda are: To put up "SAY NO" posters in the fifth and sixth grade elementary school classrooms; To sell TADA buttons in the senior high; and to visit with the fifth and sixth graders to talk about say ing "NO" to drugs and how they, as high school students, say "NO" and are involved in productive activities. The group hopes to

Micksutlle Minsteuted News - Micksutlle, N.Y. - Thurnday, May 7, 1997 Page-2

accomplish this by the end of this school year. These bright, well-spoken high school students show a sincere commitment to what they want to accomplish. At TADA's meeting in February, 37 students came to find out what TADA is all about. That's a good turn out and reveals our high school students are concerned about the rise of substance abuse among their peers and want to do something about

When asked if they, themselves, get any "flack" from their peers for this dedicated involvement, Karen and Marylou replied "Some. Mostly we're asked 'Do you think you'll really make a difference?' If we're go ing to go down, we'll go down fighting," they with sincere conviction and emotion. Karyn later explained that it was important for the group, and for her also, "to at least give this our best shot. It's just very important to

It's important for parents, too, to give our support to our kids. The New York State Substance Abuse Prevention Program says kids need:

- a positive self-image
- · help in dealing with boredom
- the ability to communicate with adults
   a positive outlook to the future
- an understanding of why adults do what
- · the feeling of being wanted, needed, and trusted

"Parents can help. They play a big factor," said Karyn. "They can encourage involve-ment in extra-curricular activities and take

an interest in what we do."
I'm glad I decided to attend this PTSA program and learn, first-hand, how our kids are helping their peers say "NO" to drugs. TADA is looking for community support.

SIX LOCAL WOMEN were honored by Cooperative Extension (Homemakers Council of Nassau County) for their work in the community. They are: (L-R) Jean Powell, Rita Kirsch, Joan Ennis, Olga Heilig, Irene Gropp, Kathy Rau, Cooperative Extension Leader: and Marguerite Krupp, Homemakers Council is an organization of 5,000 women who help the needy, volunteer their services, and share their knowledge and talents with each other to make their homes and community a better place in which to live.

Charles Wagner Post #421, Hicksville

Our meeting of April 20 had many issues discussed on the floor. Al Cinotti did an excellent report on budget proposals. PC Palmer Walsh made a motion to contribute funds to the Arthritis Long Island Foundation and the Association for the Help of Retarded Children. PC Wes Tietjen motioned to purchase tickets to the VVA#82 annual dinner and Greg Bennett motioned to purchase an ad in the VVA#82 newsletter for Memorial Day

Legionnaires support State Assembly Bill A927 and Senate Bill S559 which will reduce utility

costs for nonprofit community organizations.

Nassau County Veterans Service Agency reports Thursday, May 21 at 7:15 p.m will be the first annual Veterans Invitational Parade forming at East Meadow Avenue and Front Street. This honors our forgotten vet—the Korean vet. The Town of Hempstead will dedicate six flag poles representing the six active Armed Forces. Rain date is Thursday, may 28.

On February 2 our State Assembly voted down a resolution to make the Pledge of Alligners to The State of the United States.

gence To The Flag of the U.S. the first business of each day's session. My thanks to Assembly men Parola and Frisa who supported the pledge. My compliments to Hicksville VFW for writing our legislators about this disgrace. The pledge is an American instituiton and vets have given their lives so we can say the pledge in freedom. The pledge is not a political football. The VVA#82 dinner on April 25 was a touching and emotional event. An empty table setting represented our POW/MIA. Connie Steers was awarded a VVA Life Membership.

Connie was a great host for the dinner.

Nomination for 1987-88 post officers are Harry Christo, commander; adjutant Arlene Howard; vice commanders Al Cinotti (rehabilitation), Wes Tietjen (entertainment), Greg Bennett (membership); treasurer Jack Reichlen; chaplian Al Egan and sergeant at arms John Kennan. Good luck and best wishes to our officers.

Vets Corner: commander Christo just off a plane from Hawaii came to meeting. PC Artie Rutz back from Florida. Happy Birthday to Frank Molinari. I know because Connie Steers gave Frank a cake.

Taps: It is sad to report the passing of Comrade Robert Sherman, a Navy vet, and Lottie

Kelly, a good friend of the legion.

#### **GET INVOLVED!**

Recently, we have seen many Civic Associations formed. Residents are becoming more and more concerned about what is going on in their nefghborhoods.

It is important to know what is going on in our own backyards. For example; with vacant land now so scarce, we see more commercial construction taking place quite close to residences. If this raises a question in your mind as to potential problems and how it will affect property values, chances are it will concern potential buyers as well.

By getting involved now, you will be able to have a say as to what is done in your neighborhood and ensure protection of your most important investment!

If you would like to know what your home is worth—call the people who "get involved" at:

Quoted rates are for self-liquidating, "full income verification" loans with a minimum down payment of 25% of appraised value on 1- to 4-family homes. The annual percentage rates include origination and placement fees. The Bank sets the interest rates on loans at the time of commitment (for a 90-day period), not at the time of application. The rates contained in this advertisement may change while an application is being processed, and may not be available at the time of commitment.

Repayment terms for 10-year (15-year and 30-year) fixed-rate loans at the stated rates would be 120 (180 and 360) monthly payments of \$13.08 (\$11.06 and \$9.53) per \$1,000 borrowed.

Adjustable rate shown is a below-market introductory annual rate for the first year only. The annual percentage rate is based on the current value of "The Green Point's" Index Interest Rate (currently 10.75%) which is subject to change. The annual rate will not change more than 2% per year (up or down) and, over the life of the loan, will not vary (increase or decrease) more than 3% from the Index Interest Rate in effect at the time the loan is closed.

## 'We Love You, Michael'

The following is being reprinted from "Paper Caper" the school newspaper published by the Parents and Friends of Human Resources School. The school was founded by Dr. Henry Viscardi, (handicapped from birth), to help the physically handicapped.

It is a school that takes care of the handicapped from birth right up through high school. Run by more than qualified teachers, and loving volunteers, these students give as much as they get. One of them, 18 year old, non-complaining, unassuming, friendly Michael Montemurro passed away in December of 1986. The following two letters were sent to his parents, Michael and Patricia, and they would like to share them with you. They feel these tributes belong also to all of the children at Human Resources who bring so much love, happiness and inspiration to others.

What better time is there than-Mother's Day to publicly acknowledge what their son meant to his friends:

His mother wrote: I would like, not only to say some brief words for Michael, but mostly to say some words about us, the most fortunate people in the world. The people who were lucky enough to be touched by Michael.

You know. .. we would hear how lucky Michael was to have so many loving people around him, but he gave more to us than we ever returned. He taught us what such words as family, mother, father, sister, grandparent, aunt, uncle, cousin, and especially friendship, really mean.

Being around him was actually seeing a live "How To" video-especially the part on how to be a MOTHER.

Courage—now there's a word that we thought, during all the years he taught us, we truly understood. But we learned more about courage Sunday night and all day Monday in the hospital than we had learned in the previous years—and Michael. we thank you.

He taught us that words such as depression and anger don't really exist. And for those of us who had to let off some steam . . . all we had to do was visit

Michael and go against one of his favorite teams and we'd have a great argument. Believing in life after death and heaven being a great place . . . . we see Michael running up there playing the all-pro quarterback and the all-star shortstop for team

Dear Mr. and Mrs. Montemurro:

Michael to me, was not only a best friend, but also a brother. My relationship with him was one that couldn't be topped. Every time we were together, even if we were rooting against each other, we would both be sharing happiness. In fact, I'm sure you'll all agree that wherever Michael was, you found a smile. Not only on his face, but on everybody around him.

So we thank you God for giving us such a great friend. But most important, you gave us the best teacher we will ever have.

Michael, we love you . . . and we thank you.

Your best friend always,

Dear Mr. and Mrs. Montemurro:

#### 'An Idol'

There are many times where gratification is needed to bring and remind us of the memories of a particular individual. This individual, Michael Montemurro, has inspired me to beyond the limits and I want his name to live forever in our hearts and minds,

He was one that lived the best possible life, even though his physical characteristics would not indicate that this was so. He received more love and care than he could ever imagine from his family and his close friends.

He was not just a "young man in a wheelchair," but rather he is a symbol which every individual should aspire to. One may inquire "How is he symbolic?" The answer is obvious. One must look into the realization of the situation.

This young man symbolized dignity and pride. No one will ever be ashamed of him, He was brave and courageous, and neither he nor his family expressed the fear which existed within them. His life was very special—just like yours and mine— and no one should ever take away his integrity.

He was handicapped from a physical point of view, yet it was overcome by the support and encouragement from his family and close friends, namely so: Anthony, Chris, Joe, and many others. This group of individuals respected him and always will—just like I will.

I know this is a time of great disappointment. There is a great amount of pain and hurt within all of our hearts, especially for those of us who knew him, including myself.

Indeed his life was short, but the memories he has given me will never be short lived. I consider him "one of my idols." I just wish I had the chance to tell him so.

Michael will always be in my heart therefore leaving only good memories for me and for all who loved him dearly.

## Rock and Mineral Time At Willet Avenue School

Third grade students at Willet Avenue School have begun stuyding rocks and miner-als as part of their science program.

The students' introduction consists of a series of filmstrips accompanied by pictues of various specimens. The Mineral Club members reviewed the film and set up a "hands-

on" table with the corresponding specimens. Last year's Junior Mineral Club charter members, now fourth graders, did much of the work in unpacking the hundreds of specimens to be displayed. They not only decorated the bulletin boards, but arranged the rocks and minerals in showcases, on carts, and anywhere they could find space. This group arranged the specimens in categories and la-

A new featue this year is the fossils display. Sixth grader Bob Taylor has a special interest in fossils. With the assistance of James McLaughlin, Bob has been coming in on his own free time to identify and categorize the fossil collection that has, over the years, grown in size. He is also available as a consultant to younger students who express an interest in prehistoric remains.

WILLET AVENUE'S "ROCK HOUNDS" Standing: Lisa Squiccerini, Eugenia Michalos, Sharon Yu, Kim Schulz, Kelly Sclafani, Jean Marie Keevins, Lori Masterson, Carrie Seier. Kneeling: Kristy Ilardi, Joe Soviero, Michael Marcin, Meghan Conk.

DAISY DELGADO POINTS OUT an interesting fluorite crystal to Jean Marie Keevin

WILLET AVENUE KINDERGARTENERS are fascinated by the colors and shapes and textures. Since much of the Willet exhibit is "Hands-on", a favorite expression in this group is "May I study a rock?" Sean Conk admires Tina Soveiro's chunk of a methyst, while Jessica Marsicano and Jeanne Marcin examine their own favorites.

estin

The art of living lies less in eliminating our troubles than in growing with them.' -Bernard M. Baruch

The old saying that nothing succeeds like success contains more merit than is usually ascribed to it, in fact, at the Galileo Lodge this expression is a truism. Proof of this was never more in evidence than it was last Saturday, at which time the 'Fifties-Sixties' dance was in progress, yes, we can really say the Galileo Lodge was 'a rocking' and 'a rolling' as the music of these two periods inundated the environs of the Galileo Lodge, a credit which goes to disc jockey Bill Trotter and the musical group that also appeared that night, the "Exceptions". Over 275 people attended, jam-packing the dance floor as the music was somewhat hectic as well as in ballad-form. They all ate heartlily and danced merrily as the downbeat of this music reached new heights. John Cannizzara, the chairman, his co-chairmen, Tony Sica and Vito Grippi, did their usual excellent jobs in ensuring the success of this dance. The Kitchen Force, under the direction of Jim Posillico, were also excellent, and they were Dom Valente, Al Montello and Joe Crivelli. Other members, Rocco Lombardo and Fred Ausiello, also assisted in the food disbursement. And another good job by Bert Molinelli and Pat Gatto at the bar, not to mention president Joe Giordano also pitching in to keep everything moving smoothly. As we often stated, success does not come easy, it takes hard work, loyalty and determination, the members just mentioned here have all these attributes as well as other members of the Galileo Lodge.

In the wake of the special venture mentioned above, along comes another one, this time to be presented by the Ladies Auxiliary, who certainly need no praise when it comes to hard work, loyalty and determination. On Friday, June 19, the Ladies Auxiliary will present a Testimonial Dance in honor of ex-president Mary Monteforte, a leader of this group during their early years of conception. It goes without saying that all members of the Galileo Lodge and the Ladies Auxiliary should attend this affair en masse, thus ensuring the success of this venture as well as paying as fine a tribute to ex-president Mary Monteforte as is possible. Tickets will sell at \$22.50 per person, and in the offering will be a delicious hot dinner with all the trimmings, beer, soda, coffee and cake, set-ups, unlimited liquor and music for your listening and dancing pleasure. Sue Laurenti will 'chair' this activity, ably assisted by co-chairlady Mary Sarrera and her assistants, Ann Palermo, Rachel Staino, Carmen Russo and Rose Panczeka. Please note that a wine and cheese session will also enhance the proceedings. For a nice, pleasant and enjoyable evening, this dance should really be on your 'must-attend' list, or your entertainment list as some people refer to it. And at the same time you can pay your respect to a lady who really deserves it.

But there are other activities that are coming up, all for your edification and leisure. For example, the Galileo Lodge's fishing trip which is scheduled for Sunday, May 31. The boat will leave out of Captree, and the fee is \$18 for members and \$15 for their children. All non-members who wish to participate are to be assessed \$25. There will be soda, beer, ice and rod and reel. Vito Grippi will direct this activity, so please call him at 931-9351 for more information concerning this activity. Then for our golfing enthusiasts we have a golf outing scheduled for Sunday, May 24, at the Heatherwood Golf Course. Admission is \$25 for members and \$30 for non-members. Breakfast will be served at the Galileo Lodge from 8 to 9 a.m. and food and refreshments will be served at the Heatherwood Club. Bert Molinelli will direct this activity, and he can be reached by calling 931-9351.

The meeting was opened by our fearless leader Dr. Peter Rocco at 12:15.

Guests: Larry Lawrence, No. Sacramento. California of (Rotary American Recycling) Stephen Dietz, John Morringello and Anthony Abruzzese, all guests of Vinnie Masciana. Inga "Lifetime Pension from Leo Sugarman" guest of Bill Hayday.

A lot of happiness was expressed today for several happy reasons (health, happiness and the N.Y. Islanders). A very Happy Birthday to John Hill (the singing as usual, left much to be desired).

Vince Masciana was installed today as our 99th proud Jericho/Hicksville Rotary Member. Vince is the branch manager for Dollar Dry Dock, as well as area manager for Jericho/Hicksville. Vince is married and the proud parent of a bouncing baby boy.

As usual all pictures were taken by our own ace photographer Joe DePaola.

The presentation was given by Stephen Dietz, International Public Adjusters established since 1920. Mr. Dietz gave a very en-joyable and informative lecture on the different aspects of insurance adjusting, Dietz International represents the insurers interest and apparently they do it with great efficien-cy. Re: recycling experiment in Town in Plainview-Old Bethpage area

As a town resident who has advocated for at least five years that a program of source separation and recycling be implemented I must compliment you on April

Inasmuch as manpower and equipment is involved to the extent of picking up separated trash, glass and metal, on Mon-days, I would respectfully request that any and all town residents who have been waiting and willing to separate for recycling as long as I have be permitted to participate in the above program.

I believe this could be accomplished by

a simple announcement in Newsday that every Monday and Thursday special dumpsters will be located in specific places where environmentally inclined town residents may deposit recyclables. Naturally these dumpsters should be placed and filled in dumpsters snould be placed and filled in time for the manpower and equipment to conveniently empty them as they proceed from one street to the other emptying the tiny yellow pails assigned to each resident in the Plainview-Old Bethpage agea. For in-stance, the dumpsters could be placed on the scheed arounds in the area or at the the school grounds in the area, or at the landfill itself.

If a separate study is desired by the town of those "environmentally inclined town residents" their recyclables might even be collected and counted apart from that col-lected from the Plaiveiw residents. I am aware that this experiment is being conducted as another study as to the feasibili ty of recycling it seems unnecessary to do this in view of the state mandate that recycling must begin before 1990. More than enough studies have already been

This suggestion is made with total sincerity and the hope that it will be accepted as that. I would appreciate a response to this letter and the Town's learned opinion

as to the possibility of it being done.

Thank you for your kind attention to this matter today.

Angelina Sinicropi

To The Editor: Walking along East Avenue toward Old Country Road the other day, to my dismay, there was that old sore point in my psyche—now Two school buses parked on the rental property on East Avenue.

The urgency to turn around and run home to call the Town of Oyster Baysomeone-anyone. I realized I must mail a letter and be sensible so I walked to the mailbox, mailed the letter, and, on the way back, got a better look at these two unlicensed school buses, plus the cars, etc. Are

people sitting or "living" in them.

The "paranioa" was sparked after two
years requesting Mr. Colby's office to help. (Haven't heard from him yet)
So I call Town Hall. The operator refers

me to Mrs. Feingione; she refers me to—
"Hello, this is Fran"—"Do you have a last
name!"—"Yes, Mrs. Croccto"—(It's not intentional if spelling is incorrect)—But in a department where the salaries for office employees go up to 131,000, a little more professionalism is expected, I thought. She stated she was "not a public servant".

She couldn't help me because she had to refer me to her boss, Mr. Blackfein who was at a meeting and couldn't be disturbed because the letter sent to Mr. Colby was referred to Mr. Conologue, director of Community Relations, who referred it to Mr. Blackfein, who referred it to Mrs. Byrnes who sent a letter to me. Why? Be-cause I referred to the wrong 'form' (a private letter???)
Mrs. Florence Whaley

#### The Rebirth

Last night while walking through the park. Carrying nothing but my third leg, I saw a little sparrow Sitting near a small bush with thorns. I picked her up in my arms And played with her for a long time. I complimented her on the cute little body And asked where her mommy was. When she did not respond, I looked into her scared eyes And recognized the hatred that I was familiar with well I hugged her close to my heart. Trying to console her from crying Now we had each other to live for. And all of a sudden, life did not seem bad at all Then I look my new friend, Maria, to my habitat. All of the way thinking that your time will come, One day, your children will also kick you out

of their house. I lay down on the bench, under the light, and challenged:

"Live on world! Live on! Let me see how long you will survive. Your time will come before long; Your time will come soon!

-Tarun Jethani

The above poem was given Honorable Mention in the "Great American" poetry Happy Mother's Day

Sunday is Mother's Day. One of the most beautiful days of the year. Look around you—see the beautiful spring flowers, the dogwoods, magnolias and the azaleas. Is it any wonder why we honor our mothers during such a beautiful season?

The staff of the Hicksville Illustrated News would like to wish all the mothers and mothers-to-be a very Happy Mother's Day.

## Rainbow Mom

You are a radiant rainbow that beautifies my life: A rainbow of help and hope that gladdens my way A rainbow in which each color illuminates a vibrant aspect of the whole.

Red . . . . . . is battle red. It is courage that triumphs through disappointment, death.

Orange . . . is the flame of administrative vitality in the business and political arenas. It is the skill displayed in the culinary arts of international and

Yellow .... is creative intellect that uses words to give pleasure and inspiration. It is the bright light that refuses to be dimmed by double crosstics or Scrabble.

Green . . . . is the garden. It is tomatoes, delectible even to the gods, prize winning roses and orange trees whose blossoms and fruit are equally sweet. All are products not of a green thumb but of ten green fingers!

Blue . . . . . is steel blue that undergirds self and others. It is thirty plus laps in the blue of the pool. It is the blue blood of a noble mind and spirit.

Violet . . . is the soft, nourishing warmth of motherhood. It is introducing her daughter to the joys of Shakespeare and Shubert. It is giving her wisdom not found in books—tools for living that are ever helpful in building a

> Mom, as with any rainbow, you have infrared and ultraviolet rays which are not easily seen but are powerfully felt. These are the lessons that I have been well taught, but that I cannot articulate. I thank God for placing such a rainbow in my life to serve as a fine example of His workmanship and Love.

More than thirty years ago the Town of Oyster Bay opened an animal shelter to meet the needs of an expanding stray animal population. Throughout the years, the shelter and its personnel have maintained a high standard of quality care for abandoned and lost pets.

Capable of holding 35 animals, the shelter is routinely at or near capacity. At the present time the shelter has many lovable young animals and some older, more docile dogs available for adoption

To highlight the need for animal adoption the Town of Oyster Bay will co-sponsor Adopt-A-Pet Day with P.A.W.S.—Pioneers for Animal Welfare Society, Inc.—on Saturday. May 16 at the Animal Shelter.

Town personnel and P.A.W.S. volunteers, all of whom care a great deal and have years of experience with animals, will be able to advise prospective owners on the care, advise prospective owners on the care, feeding and training of their adopted dogs, P.A.W.S. will provide a gift package of free samples with each adoption. The package includes shampoo, food, vitamins, a souventr and a dog toy. New owners will be given a collar, leash and gift certificate for a free photo with their pet. The organization has generously added a bonus incentive—one of the families who adopts a real animal that day will have an opportunity to win a Tonka

Toy "Pound Puppy" by entering their name

New pet owners will receive a list of veterinarians who offer low-cost examinations and neutering and spaying services.

Licensing your pet-new or old-is the law. It is also a very important precaution if your pet ever wanders from home. Employees of the shelter will assist adopting residents in obtaining the required license. The initial cost is \$7.50 and subsequent licenses, with proof of neutering or spaying. COST \$2.50

Adopt-A-Per Day will be held on Saturday. May 16 from 10 a.m. to 2 p.m. at the Town of Oyster Bay Animal Shelter, 150 Miller Place, Syosset. The Shelter is located at the west end of the Department of Public Works. There is a \$2.00 fee for the adoption. Additional information can be obtained by calling the Shelter at 021-7731 or by contac-ting P.A.W.S. at Box 61, Hicksville, NY 11802.

Animals are available for adoption all year long. The Shelter is open weekdays from 8 a.m. to 3:30 p.m. and on Saturdays from 8 a.m. to 2:30 p.m.

This is the perfect time of the year to introduce a new pet to the household. The hours of pleasure you and your family gain from saving an abandoned animal will be well worth the price.

What The Politicians are Saying

CONGRESSMAN ROBERT J. MRAZEK has joined with the students of Hunting ton High School in an effort to cut all red tape to bring to the United States a severely crippled 15-year old Vietnamese boy who has a degenerative spinal condition which forces him to walk on all fours. The students presented Congressman Mrazek with thousands of signatures and offers of help and he was able to gather 306 signatures from Congressional colleagues urging Secretary of State Schultz to set aside the usual rules to permit Le Van Minh to enter the US. Mr. Mrazek has also met with Nguyen Dang Quang, first secretary of the Vietnamese mission, to permit Le to emigrate. Mr. Mrazek said, "It is one of the most clear demonstrations of the idealism and car-

ing spirit of our young people."

NASSAU COUNTY EXECUTIVE THOMASS. GULOTTA AND PLANNING COM-MISSION CHAIRMAN LLOYD SMALLWOOD, JR., have released the 1986 building activity report for Nassau County. The report indicates a record number of annual building permits issued in the county...2,786...with the highest increases noted in

the areas of two family dwellings and business buildings.

ASSEMBLYMAN DANIEL FRISA (R-Westbury), ranking Republican on the Assembly Small Business Committee, has reminded owners and managers of businesses large and small that the state Office of Business Permits and Regulatory Assistance is available to help them cut through state licensing and regulatory "red tape" and get them back to business. Business in New York currently must deal with the permit and licensing requirements of 38 state agencies, commissions, divisions and offices. Free information is available by calling 800-342-3464 or by writing Office of Businness Permits, Gov. Alfred E. Smith Office Building, 17th Floor, P.O. Box 7027, Albany, N.Y. 12225

HEMPSTEAD TOWN PRESIDING SUPERVISOR JOSEPH N. MONDELLO AND SUPERVISOR GREGORY P. PETERSON have announced that the Annual Senior Citizens Health Expo will be held on Monday, May 11, from 10 to 2 at Lido Beach Town Park. Pre-registration will take place at the 15 senior centers located throughout the town. Attendance is limited to 300 on a first come, first served basis. Free bus transportation will be provided from the senior centers.

The House of Representatives will be vot-ing on trade legislation by early May. The League of Women Voters fears that a bill would be introduced that would restrict world trade and limit the President's

authority to negotiate trade agreements.
The House Ways and Means Committee approved an omnibus trade bill on March 25. While the bill is much less protectionist than legislation passed by the House last year. Committee provisions and floor amendments in the works would restrict imports, impose unreasable timetables for considering such restrictions, and retaliate against bilateral trade surpluses. The League of Women Voters has long been opposed to such protectionist measures.

In a letter this month to selected mem bers of Congress, Nancy M. Neuman, Presi-dent of the League of Women Voters of the United States, called for a U.S. trade policy that "promotes political harmony with other nations, stimulates economic development at home and abroad, and expands consumer choice."

In addition, tariff and non-tariff trade bar-

riers will only increase consumer prices and, therefore, fuel inflation.

The Great Neck League of Women Voters urges your readers to write to their Congressmen, Robert Mrazek (3rd C.D.) or James Scheuer (8th C.D.) as well as Senator Movnihan and Senator D'Amato, telling them to oppose protectionist legislation and instead, work for a systematic reduction of tariff and non tariff barriers.

Ora Meyer, President League of Women Voters, Great Neck

In the past few years, I have traveled from Maine to California, teaching and choreographing ballets for colleges, ballet companies and schools. This has given me a unique opportunity to observe the ex-cellent training and discipline offered by many dedicated teachers, including those in the New York, Long Island areas. I have also seen the result of poor training by the not so dedicated teacher.

Good dance training is beneficial to all young people, regardless of career choice. However, poor dance training serves no purpose. As no licensing requirements must

be met by dance teachers, it is strictly up to the parents to choose a qualified teacher. If parents observe these simple rules when selecting a dance teacher, future grief and disappointments can be avoided. 1. Check the teacher's qualifications. Ask

where he or she studied and performed.
A good teacher is proud of his or her training and will welcome your inquiry.

2. Check the curriculum of the school. Be sure the old adage "Jack of all trades and master of none" does not apply. 3. Visit the school prior to enrolling the

student. Note the music the children dance to. Good schools favor the classics.

4. Avoid the school or teacher whose em-

phasis during the entire term is on the year-end recital. In the first years of a child's training emphasis should be on developing technique, not performing.

A Letter from Lulubelle...

... As the world has grown smaller with swift transportation, more and more words from other countries have crept into our language, and many have come from the French-who often have a word for everything. But oh my, how often we anglicise the French!!...Now that spring is here, everyone is out buying a new "chase lounge" for the terrace...and how about those ladies who need new underwear and go down where "kindergarten" came from ... We Americans are so lacking in learning to speak other languages...Foreign visitors put us to shame as they change from one language to another...but we do love to use exotic foreign words. and we do often mispronounce them...I can hardly wait to hear what we'll do with the newly opened play, "Les Liaisons Dangereuses"...au revoir and auf Wiedersehen. Yours, Lulubelle

## Board Seeks Candidates To Fill Vacated Seat

Richard L. Ornauer, a founding member of the Board of Cooperative Educational Services who has served it since 1967 and acted as its president for the past 16 years, has an nounced his resignation. The effective date is yet to be determined, pending the Board's appointment of a replacement to fill the

As specified by law, a BOCES vacancy can be filled only by election at its Annual Meeting, which is held in April. Until that time the board appoints a temporary replacement. If that individual wishes to continue serving, he or she will have to be elected at the April 1988 Annual Meeting in order to oc-cupy the seat from April until June 30, when

Omauer's term expires.

The Nassau BOCES is currently seeking qualified, interested individuals to fill the vacant seat. Applicants must be at least 18 years old, reside in a component Nassau County school district, and may not be employed by a component district. Interested persons should send a resume and letter to District Clerk Charles R. Russell, Jr.; Board of Cooperative Educational Services of Nassau County, Valentines Road and the Plain Road.

### Bicycle Safety for Sixth Graders at Fork Lane Photo and Story By RITA BERNSTEIN

A bicycle safety program was presented at Fork Lane School on Wednesday, April 29, to celebrate Bicycle Safety Week

Officer Anderson of the traffic safety unit of the Nassau County Police Department presented a program which consisted of a lecture and film on bicycle laws and safety, a question and answer period, and an inspec-tion of bicycles for children in grades four

Mr. Maiorino's sixth grade class assisted in preparing the students for this program by preparing the students for this program by writing notices to parents, making signs for the classroom, distributing and collecting permission slips, circulating bicycle safety information and helping officer Anderson conduct the actual bicycle inspection.

The program was very successful in making the students aware of the importance of keeping their hicycles in everyllent condition.

keeping their bicycles in excellent condition and in reminding them that their bicycles are vehicles on the road, much the same as automobiles. Therefore, when riding their bicycles, they must observe traffic rules and regulations in order to be a safe rider.

This program did much to alert the children and parents to the importance of bicycle safety."

## **AHRC Meeting**

The Levittown-Hicksville-Wantagh Auxliary of the Association for the Help of Retarded Children (AHRC) will meet on Monday,

May 11, at 8 p.m. at Levittown Hall. Following the business meeting, Deborah Wildermuth, Supervisor of the AHRC Horticulture Program at Brookville, will present the program: "Miracle Of Growth," describing both the scope of the greenhouse pro-gram and the work done by the retarded oung adults, who are trained and work "We grow more than plants here", she

Sample flats of summer annuals perennt als, vegetables, herbs and hanging plants will be displayed and will be sold at the meeting. A beautiful hanging plant will be raffled off.

A question and answer period will follow, in which Wildermuth will offer planting ad-vice and answer gardening problems. The public is invited. Refreshments will be served.

The greenhouses are open to the public. The planting change with the seasons, so new selections are available with any visit. The through Friday. During May and December, the busy season, it is also open on Saturday from 9 to 1 p.m. The greenhouses are on the premises of the AHRC Educational Center, 189 Wheatley Road, Brookville (off route 107). For further information call Debbie at MA6-1000, or Kay Ramsteck, 781-1322.

THURSDAY AFTERNOONS are certainly busy in the Old Country Road Library as children and their "Reading Partners" come to select a beek they would like to read together. Mrs. Townsend the achoel librarian is the director of this program which is open to pre-school, kindergarten and 1st grade children.

## The Absence of A Cello

Hicksville Public Library will present the play "The Absence of A Cello" performed by the Other Vic Theatre Company on Friday, May 15 at 8 p.m.

The Absence of A Cello is a witty, sophisticated comedy performed by the Other Vic Theatre Company. Andrew Pilgrim has \$285.00 to his name—the result of a bad business deal. This somewhat eccentric scien tist decides to enter the corporate world and tries to convince the interviewer from Baldwin-Nelson that he is a normal guy, a team player. The harder he tries the funnier

the play becomes. Add to this a wacky 70 year the play becomes. Add to this a wacky 7a year old heavy drinking, horse playing Grandma; a 21 retirement options; a 30 year old "wiclowed" sister who enjoys a good fling now and then, and what you have are the ingredients for a marvelously entertaining evening.

This play is made possible by the Hicksville Public Library and by the Nassau County Arts Decentralization Consortium with public funds from the New York State Countil as

funds from the New York State Council on the Arts Decentralization Program. This play is free and all are welcome.

## May Weekends Designated For Homeowner Clean-Up

Residents in the Town of Oyster Bay's Sani-tation Disposal District will be able to simplify their spring cleaning by bringing all their ac-cumulated rubbish to the Solid Waste Disposal Complex any Saturday or Sunday during the month of May between the hours of 10 a.m. and 6 p.m.

Recently revised sanitation rules now permit homeowners to dispose of all rubbish on either of their collection days provided they comply with sanitation guidelines as to length, weight and bundling of certain items. However, many residents prefer to spend one day during the weekend undertaking a major clean-up and find it more convenient to bring their rubbish directly to the Disposal Complex rather than store it until their next col-

#### Who Can And Who Can't

Sanitation Disposal District residents pay a tax to ship garbage out of state, and are eligi-ble to use the disposal facility. Areas that have opted out of the Town of Oyster Bay Disposal District, and whose residents are not eligible to use the Old Bethpage Complex are: Bayville, Brookville, Centre Island, Cove Neck, Glen Head, Glenwood Landing, Lattington, Matinecock, Mill Neck, Muttontown, Old Brookville, Oyster Bay Cove, Roslyn Harbor, Sea Cliff and Upper

#### Where

The Solid Waste Disposal Complex entrance is located on Bethpage-Sweet Hollow Road, east of Round Swamp Road in Old Bethpage.

#### But No Pollutants

Bull No Pollutants

Residents are reminded that all household chemicals should be segregated and should not be brought to the Duposal Complex. The Bown has an on-going STO.P. (Stop Throwing Out Pollutants) program that provides for the proper disposal of these items. The next STO.P. day will be on Saturday, May 16th at the Massapequa Fire Department, Hickwille Road Firehouse, Hickwille Road, north of the LIRR trestle. LIRR trestle.

For further information about the S.T.O.P. Program call the Environmental Control Di-vision of the Department of Public Works between the hours of ga.m. and 4:45 p.m. at 921-7347 ext. 514.

hash.

How can East know at trick one that he should break the general rule of playing third-hand high? Because he knows from the Rule of Eleven that South has only one spade higher than the six which was led. East should also realize that if South's high spade is the ace, the contract cannot be stopped because declarer would not win the first trick, while if the high spade is the queen, the jack play offers by far the best chance to defeat three norump.

The principle that emerges demonstrates once again how important it is to be able to appreciate the huge significance of one played card—in the present case, the six of spades. In one fell swoop, it examplifies the supern art of good card reading.

## 829-5080 Contract : Bridge . B. Jay and Steve Becker

# Every Card Tells a Story

and one test of a player's skill is the ability to rise to the occasion when the opportunity presents itself. For example, take this deal where

For example, take this deal where south was in three notrump and West led the spade six. East won with the king and returned the jack, which declarer of course ducked. East then shifted to the six of hearts, taken by the ace, and South next finessed the queen of clubs. East took his king hut that was the end of the party and South made four notrump.

What's wrong with this picture, you might ask? The outcome seems entirely normal, yet the fact remains that East almost surely would have defeated the contract had he defended differently. He should have played the jack of spades at trick one, not the kind. not the king!

Had he done this, allowing declarer to win the first trick with the queen, three notrump would have gone down one. Sooner or later, South would have attempted a chub finesse, losing to the king, and East's king of spades return, overtaken by

#### At Dowling: Notes

Tom Bertolone, head lacrosse coach at Dowling College, proudly announces that Sean Infante, senior goalie from West Islip, is the 7 Division III goalie in United States Lacrosse Association Rankings with a .696 Goals Against Average. Sean's accomplishment is notewor thy since he was not always a goalie; two years ago he was converted from the attack position when no other viable candidate came forward. One of the tricaptains on Dowlings' Golden Lions lacrosse team, Sean will may be definite candidate for All-Knickerbocker Conference honors

Dowling's Lacrosse Team's record af ter 8 games is 3-5. The team has played well against some of the strongest opponets in the NY metropolitan area. A recent loss (10-14) against Southampton was highlighed by the Golden Lions scoring seven goals in the third quarter. John Flood (soph., Islip) led Dowling with five goals and two assists. Flood's totals, after eight games are impressive - 16 goals , 12 assists. Karl Jorda (sr., Armonk) is Dowling's second highest point maker with 11 goals and 12 assists. Gary Cohen (jr., Farmingdale) and Jorge Mala (jr., Westbury) each have 14 goals for the Golden Lions

The Dowling College baseball team currently ranked number four among Division II colleges in New York State according to the most recent vote of the New York State Coaches Association. Head Coach John Davide has molded the young Golden Lions into one of the most respected Division II clubs in the Northeast with an overall record 18W-13L going in to the final weeks of

The 24 member Dowling team con-sists of 12 freshmen and five sopho-

mores, with only seven upperclassmen rounding out the squad.
Joe Vitale (sophomore from North port) of the Dowling College baseball team has been named Knickerbocker Conference Division II Player of the

Week. During the six games of the week against Lehman, Hofstra, Queens (DH), CCNY, and Adelphi, Vitale, in 24 times at bat, had 12 hits (including four doubles and two triples), 13 RBIs, two walks, and one sacrifice. Vitale's Knick

Conference Battling Average is .449.
The Dowling College tennis team is currently ranked number five among all Collegiate Tennis Teams on the east coast. The Team recently completed a three match series at Millersville State College in Pennsylvania against teams ranked 3, 4, and 9 in East Coast competition. The overall record of the Dowling Team is 8-4.

In a match against Mercyhurst Col-lege of Erie, Pa. (-3 in East Coast rankings, and \*13 Nationally) Dowling's \*1 Singles player. John Millbank, who is ranked \*14 in the East, was defeated by Walt Huden, who is ranked "7 in the East and \*38 Nationally, 4-6, 4-6. Tom Damers, the Golden Lions \*2 singles player, lost to Mercyhurst's Demuth (ranked \*13 in the East and number one in Canada). 4-6,

7-5, 4-5.
The second Dowling opponent in the Millersville series was the host school. Millersville University, in Pennsylvania, is currently ranked number four in the East and number ten nationally. Young Min Kwon, Millersville's number one Singles player is the number one tennis player in the United States. Kwon defeated Dowling's Millbank 2-6, 2-6. Oliver Merrill of Millersville, ranked \*6 in the East and \*33 Nationally, defeated Damers 2-6, 1-6. In doubles play, Millbank and Damers teamed for a strong bank and Damers teamed for a strong showing against Kwon and Merrill losing 36, 6-4, 3-6.

In the final match of the series Dowling defeated \*o ranked West Chester University (Pa.,) 5-4.

Dowling's head coach, Bill Gerdts, looks forward to a series of hard fought, stillfully naved converse in the

skillfully played contests in the upcom-ing Metropolitan Tennis Tournament. The Dowling tennis team will be among the 48 teams field in the nation's largest collegiate tennis tournament.

## Inaugural Northville Invitational

Former U.S. Open and Masters Champion Billy Casper heads a list of 30 players who will compete for a senior golf record \$100,000 first prize at the Inaugural Northville Invitational. A total of 40 of golf's legends will play June 18-21 at the Meadow Brook Club in Jericho, for a total purse of 1300,000. Joining Casper will be such greats as Gene Littler, Gary Player, Chi Chi Rodriguez and Bruce Crampton. On hand for the announcement was New

York Giants standout and golf fanatic Lawrence Taylor. He was on hand to announce his participation in the June 16 Celebrity-Am which opens the week for the Northville Invitational

In addition to the Celebrity-Am, the tour-nament will feature a 36-hole Pro-Am, all taking place at the renowned Meadow Brook Club.

# Nassau Sports Review

By JACK WHITE

The highlight of the track season on the North Shore, the Port Washington Invitation, will be run for the 69th time this Thursday and Friday afternoon. Since the late Carl Seeber organized the meet in 1919, the Port Invitation has produced quality competition and this week should prove no exception.

In the early years the host school dominated, winning twelve times in the first two decades. When Nassau schools were divided into the North and South Shore Leagues, the meet provided an excellent preview of the North Shore Championship Meet.

Gradually, as the number of schools on the North Shore increased the Carle Place Invitational was created to provide competition for

the new schools. Port Washington kept its format of inviting the "old" North Shore schools. Today, under the direction of Tom Romeo, the meet retains many of its original participants: Westbury, Manhasset, Great Neck (North and South), Glen Cove, North Shore (officially Sea Cliff), Port Washington, Garden City, Roslyn, Hicksville and Farm-ingdale. West Hempstead and Syosset have joined the field in recent years.

Garden City has won the meet for the last

three years and Warren King's squad may be the favorite again this week. The Trojans have some outstanding runners such as distance star T.J. McArdle and sprinters John Evans and Scott Hamilton. Garden City does not, however, have its usual strong field events and that could open the door for an upset.

The winners since 1928:

## Hicksville Strikers O Auburndale Strikers O

By FRED FREY

The Hicksville Strikers recently played the Auburndale Strikers at Cordoza High School in Bayside, Queens. Both are division one teams in the Long Island Junior Soccer the League and have a fierce rivalry over the past few years of competition. Their games have always been close. Last year, Hicksville just managed to wrest the championship of their division away from Auburndale in the final game of the season. The final score displayed the intense competition between these two

At 10:30 a.m. with the weather sunny and winds out of the northwest at 10 to 15 mph the Hicksville Strikers started play with the wind at their back. Hicksville applied diligent pressure throughout the first half but were unable to score. Forwards, Steve Gourlay, Aaron Frost, Michael Hall, Keith Donnelly, Tom Boccafola and Jeffrey Schroeder made many superb attacks into the Auburndale goal area but were turned away by a good defense along with nine saves by the keeper. Auburndale made many counterattacks and put the Hicksville defenders under stress

but were unable to prevail. Again, Greg Fisch had a great game at stopper keeping the Auburndale Stiker under control while making raids into Auburndale territory. Hicksville midfielders were busy throughout the game with the constant seesaw battle going on.
Michael Brigandi, Frank Caropelo, Greg
Marin and Neil McKenna kept up with the
pace of the game and also added to the attack by taking many good shots on goal.

The second half proved to be a duplicate of the first with both defensive units maintaining control. Tim Richards, the Hicksville goalkeeper made a total of 16 saves while being assisted by the fine defensive skills of Roberty Karlewicz, Matt Conroy, Vincent Longo and Geoff Frey. Hicksville had seven corner kick opportunities along with two direct from outside the penalty area but to no avail. Auburndale had five corner kicks and one direct from the outside the 18 which also were unsuccessful. Final score Hicksville O. Auburndale O.

## St. Ignatius CYO News

Baseball started this past Saturday after hav-ing to be postponed 2 weeks because of rain. The only thunder that roared last Saturday was from the bats when met with the pitch of a ball on the baseball field.

The news in the 7th grade league was the traveling team who swept a double header from St. Raymonds of Lynbrook. The winning pitcher of game 1 was Chris Murphy, who pitched a 15-0 shutout. The winning pitcher of game 2 was Andrew Gaynor. Dennis Can-talupo and Pete Morace had 3 hits apiece while Robert Genovese and Chris Koetter were the fielding stars of the game.

The 5th grade traveling team opened their season on May 2, with a 8-2 victory over St. Christopher of Baldwin at Cantiague Park, Billy Harvey pitched a masterful 3 hitter and struck out 16. Dennis Kelly contributed 2 clutch hits and Ralph Accardo stole 3 bases. On May 3, they traveled to Newbridge Park in Bellmore to meet St. Barnebus. Mark Micalizzi pitched a strong 5 hitter and struck out 9 in a 16-4 win. Christian Parsons hit 2 key doubles and scored 3 times. Scott Galdo also scored 3 runs and played a flawless 2nd base. In our 4th & 5th grade intramural program, the first game between the Orioles and the

Yankees played to a 4-4 tie in an 8 inning game. After the last 4 full innings, the pitching staff of the Orioles led by Brian Anstey, Jim Walker and Charles Dougherty left the Yankees scoreless. A great double play was made by

Glen Turano and Brendan Amabile.

It was the Blue Jays ove the Angels 4-2. The score was tied until the 5th innng when Paul Gomez walked to 1st base and was able to score on a single by Mike Jerome. In the 6th inning. Tony Cassano hit a triple and scored when Jimmy Famiglietti hit a single. Kevin Sullivan and Brian Coben pitched an excellent game for the win.

### Comets Beat Hempstead In Close Lacrosse Contest

On Friday, May 1 the Varsity Lacrosse team traveled to Hempstead for a game that proved to be a tough one for the Comets.

Losing 6-2 going into the third quarter the

Comets scored 4 goals in the third quarter and 4 more in the fourth tying Hempstead on Craig Carson's goal with 3:28 left in the quarter. Fred Amaya scored the winning goal 2 minutes into the first overtime period giving the Comets an 11-10 win. Goals for the Comets

were made by Jack Herzlinger (4) Keith Hickey (3) Craig Carson (2) Fred Amaya and Ron Caputo. Hicksville goalies Jim Antonetti and Tim D'Antuano had a total of 15 saves.

Alumni Note: Former Hicksville Lacrosse player Pete Magnusan had three assists as SUNY—Genealo downed Lemayne 12-9 last-week.
