THE TOWN OF OYSTER BAY denied Robert Chevrolet's request to add 40 additional parking spaces on a residential lot.

Town Denies Automobile Dealer's Request for 40 Additional Parking Spaces

By Rita Langdon

Robert Chevrolet's proposal to add 40 additional parking spaces on a residential lot has been denied by the town as the plan "would be incompatible with the general character of the area," according to town records.

In February, the owners of Robert Chevrolet on North Broadway requested a change of zone from a "D" residence district to "G" business district (general business) to be used to provide off-street parking for 40 additional cars. Peter Mineo, attorney for the owners of the dealership, said that his client was requesting the extra spaces to "stop cars from being parked all over the place." He stressed that the new lot, which was to be located on the south side of First Street, a residential area, would not be used to expand the showroom, but to provide parking for employees and customers who leave their automobiles overnight for servicing. Mr. Mineo said that this would eliminate the parking on Broadway.

Mr. Mineo said, in a prepared statement last week, "We are disappointed in [the proposal] was denied because we felt it would relieve on-street parking and traffic, which the neighbors have been complaining about, and at large, it would enhance the residential quality of the neighborhood."

According to the Town of Oyster Bay records, the town board also denied the change of zone because the application "would adversely affect residential boundaries and would interfere with the health, peace, quiet and comfortable enjoyment of life and property in the abutting residential area." The town officially announced the denial at last week's board meeting.

Giese Park Civic Association members have opposed the car dealership's proposal because they want to preserve the residential quality of the community. "Probably the biggest hue and cry from the residents is the commercialization in the area," Thomas McGovern, the club's president, said last February. "People see buildings and plazas constructed every day which block the vision of existing homes and open green space." He said last Friday, "The decision by the town board to deny the application clearly represents a responsiveness to resident's concerns and the need to protect the quality of life in the residential community of our town."

A spokesperson for Mr. Mineo said that the owners of Robert Chevrolet, Robert R. Brown and Robert J. Brown, have not decided whether they will go to court against the town to pursue their proposal.

Postponement on Spiegel Associates' Hearing

Spiegel Associates' proposal to construct an office building in Hicksville will not go before the town board until after the developer has time to draft an alternative plan. The Town of Oyster Bay granted the developer an extension at last week's board meeting.

In a letter to town clerk Carl Marcellino, William Cohn, Spiegel's attorney, asked that the hearing scheduled for July 12 be postponed so "we can conduct future meetings [with residents] in order to determine whether an agreeable plan can be devised for the

School Budget Revote Set for August 10

By a vote of 4-2, the newly reorganized Hicksville School Board voted to resubmit its budget to taxpayers on August 10. The budget had previously been set at \$44 million and was narrowly defeated by 17 votes on May 25. The budget has been lowered by \$50,000 and now stands at \$43,950,000.

Election Results

The Reorganization Meeting of the Board of Education was held on July 13, prior to the regular monthly Board of Education meeting. Jo Ann Miltenberg was elected president for 1988-89. Mrs. Miltenberg had previously served as trustee for one year. Daniel Arena will

again serve as vice president. Carole Wolf will continue as secretary and newly-elected board trustee Patricia Rooney will be the deputy district treasurer.

In addition, various authorizations and appointments were approved, including the designation of the Hicksville Illustrated as one of the official newspapers for the district. The board also scheduled its regular Board of Education meetings for 1988-89 and established May 10, 1989 as the date for the annual meeting budget vote for 1989-90.

Senior Citizens' Activities

The district legal counsel, Gregory Guercio, advised the board that under New York State Law, funds can not be allocated for senior citizens' activities while Hicksville is on an austerity budget. Resident Myra Glansante, a director of senior citizens' activities and a member of the Advisory Committee on Continuing Education, had questioned why senior citizens' activities were not considered part of Continuing Education when the Continuing Education Handbook contains statements that senior citizens' activities are part of the Continuing Education Program. She noted that the program is self-supporting and allowed to continue under the contingency budget.

Mr. Guercio was sympathetic to the plight of the senior citizens, whose bus trip had been cancelled that day and who faced future trip cancellations. However, he stressed that "this was not a matter of choice...on an austerity budget you cannot have recreational activities."

Other speakers also addressed the board regarding these activities and asked for board action in establishing a summer budget revote in order to salvage programs scheduled for August and September. Carolyn Kelly asked if there were any monies left over from last year's Continuing Education Program, which is self-supporting. If so, she wondered if that money could be used for the senior citizens. William Hall, assistant superintendent for business services, advised that any surplus funds go into a general fund on June 30. This surplus is used to reduce taxes and cannot be transferred, he added.

Time-Frame for Budget Re-Vote

Trustee William Bennett motioned that a budget re-vote be held on August 10, the earliest date he believed feasible, since 14 days notice must be given to the public before such a vote.

Trustee Patricia Rooney said that she empathized with the senior citizens and those affected by an austerity budget; however, she thought a budget would more likely be approved in September rather than in the summer and favored a September 14 budget re-vote date.

Mr. Bennett said that for practical reasons, especially the setting of the tax rate by the Town of Oyster Bay, which is generally established in August, he was willing to chance a summer re-vote.

Trustee Carole Wolf commented that she was saddened by the original defeat of the budget by only 17 votes. She said that the hoped absentee ballots would be used by those residents who would be on vacation on August 10.

The budget re-vote date of August 10 was approved by Mr. Arena, Mr. Bennett, Mrs.

Former Fire Chief Sam Weiss Dies

Stanford (Sam) Weiss, a former Hicksville fire chief and fire commissioner, passed away last week.

Mr. Weiss joined Emergency Co. 5 in 1930 and served as lieutenant and captain. He also served as assistant chief and was chief of the department from 1950-52. He served as fire commissioner from 1959-64 and was honored by Charles Wagner American Legion Post as the 1984 Fireman of the Year. Mr. Weiss was also the Labor Day chairman for two years.

Medard Ofenloch, a former Hicksville fire chief, said, "Sam was definitely a dedicated civil servant for the welfare of the residents of Hicksville; the town he was born in and the town he loved."

In addition to Mr. Weiss's many years of active service with the fire department, he was also involved in local clubs. He was a member of the Hicksville Lions Club, the Republican Committeemen Club of the Town of Oyster Bay and he was a member of the electric board of the town. Mr. Weiss, a retired Hicksville Water Commissioner, owned and operated Ultra Electric Company.

Mr. Weiss is survived by his wife, Kitty, his son, Harvey, and his daughter, Miriam Law. He is also survived by grandchildren and great-grandchildren.

SAM WEISS, A former Hicksville fire chief and fire commissioner, passed away last week.

"Sam was an all-around dedicated man to his family," Mr. Ofenloch said.

Fire departments services were held last Thursday. Religious services were Friday at Guterman's Funeral Home in Woodbury.

Police Report

The Second Precinct has reported the following:

• **July 8:** Chalice were stolen during the burglary of a church on Jerusalem Avenue.

• A house on Myers Avenue in Hicksville was burglarized. The loss included cash, a diamond ring, a charm bracelet and a "Bulova" watch.

• **July 9:** A robbery occurred at a gas station on West Old Country Road, at approximately 12 a.m. The attendant on duty was approached by two men, one of which produced a handgun and demanded money. The attendant turned over \$100 and the bandits fled in an unknown direction. No injuries were reported.

• **July 10:** A house on West Cherry Street in Hicksville was burglarized. Included in the loss were an engagement ring and cash.

The Eighth Precinct has reported the following:

• **July 1:** A house on Brittle Lane was burglarized. Entry was made through a rear door. The loss included jewelry and a VCR.

• **July 7:** A robbery occurred at a convenience store on Route 107 in at approximately 2:45 a.m. The clerk on duty had just helped a customer with a 12-pack of beer, when the customer produced a .45 calibre handgun and demanded money. The clerk turned over \$100 from the register and the subject fled on foot. No injuries were reported.

The alleged thief was described as a male hispanic, 28 years old, six feet tall, medium build, black hair and he spoke with an accent.

A 1988 DODGE AND A 1978 Chevy pickup truck collided at the intersection of Jerusalem Avenue and Old Country Road last Thursday at about 2:20 p.m., Eighth Precinct police officer Lawrence Gilrain said. The driver of the Dodge, 39-year-old Bernetha Harwood of Old Bethpage, was traveling southbound on Jerusalem Avenue and in the process of making a left hand turn on Old Country Road in Hicksville when she was in a collision with 20-year-old Joseph Keane of Hicksville who was traveling eastbound on Old Country, Office Gilrain said. Two-year-old twins in Ms. Harwood's car, Tiffanie and Terrance, both received contusions and abrasions and were transported to Central General Hospital in Plainview. Neither driver was injured.

School Budget Revote Set for August 10

(from page 1)

Wolf and trustee Mark Cardella. Mrs. Rooney and board president, Mrs. Miltenberg, voted nay. A budget re-vote including registration will cost the district \$7,000.

Mr. Bennett then proposed a budget reduction of \$50,000, which was approved by a 5-1 vote, Mr. Cardella voting no.

During the public session, resident Norma Goerke asked how much the district would save from July 1 to August 10 while on austerity. Mr. Hall said that there were no savings because all items affected were held in abeyance.

Resident Larry Wolfson, a former Hicksville School Board trustee, then questioned the monies set aside for summer curriculum writing and was told that this curriculum writing would take place during the school year if the budget was approved on August 10. Mr. Wolfson said that the board has a responsibility to the public and asked that meetings start on time. The evening's meeting began at 9 p.m., instead of the scheduled 8:30 p.m. He also asked that board members help publicize the budget in any personal way possible. School boards are legally prevented from spending money to urge voter approval of a budget, but they are allowed to use their own energies to promote passage of the budget, according to Nora Richards, spokesperson for the school district.

Summer Driver's Education

At the June 22 board meeting, the board had authorized a summer driver education program on legal counsel's recommendation that such a program was considered part of the basic educational program because not enough time was available during the school year to offer it to all interested students. Residents had questioned the existence of such a program and School Superintendent Dr. Catherine Fenton was to look into the matter.

Dr. Fenton advised the board that the residents were indeed correct. No such program is currently available in Hicksville. The inclusion of Summer Driver Education on the Contingency Budget was an error.

development of the property." Earlier this month at a community meeting, Mr. Cohn presented a plan which included demolishing three existing residential structures on West John and Strong Streets and construct an office building. Residents have opposed this plan because the building will be adjacent to the fire house on Strong Street. Residents said that the fire trucks would be delayed with the increase in traffic generated from the building. The plan also includes locating one of the entrances/exits on Strong Street, which may cause traffic problems on that street, including double parking, residents said.

"We asked for it [the adjournment] too,"

said Assemblyman Fred Parola, who organized a coalition of residents. "We formulated the committee to investigate alternatives and to work with or against the developer depending on how this thing moves along."

He added, "We as a community needed time to develop our position so we can present it in the most strong and positive way for the area."

Town spokesperson Phyllis Souther said that no new hearing date has been set because Spiegel indicated that they wanted more time to hold community meetings.

Enjoyed White Water Rafting

Enjoying the summer and beating the heat while water rafting were Hicksville-ites Greg, Janie and Meghan Wood, cousin marile Ellen Hennessey, friends Cathy Weebse and Mike, Nancy, Scott and Carolyn Galdo.

Nancy's twin sister, Shirley Aboulafia with husband Jack and their girls, Kim and Carrie, from Wading River were also along. Cousins, Bill, Lauren and Deborah Johnson of Selden, and Adam Levy of Huntington added to the fun.

Everyone had fun in the sun as they joined in paddling and water fights along the six-mile stretch of the Lehigh River in Pennsylvania.

Just Arrived

Heather Ann Rock came into this world as the daughter of Liz and Dave Rock on July 10, at 6:30 in the morning. She weighed 8 lbs. 2 oz. and has blue eyes, light brown hair and is beautiful. Heather's grandparents are Mildred and Fred Krahn and Sylvia Rock, all of Hicksville. Heather has a four year old cousin named Adam who thinks he has four new cousins because his mom Lois showed him four different pictures of his new cousin.

Dave and Liz are both graduates of Hicksville High School and are living in Gardiner, New York.

Oklahoma Here I Come

Madeline DeLuca of Hicksville spent a wonderful week visiting with her son John (H.H.S. class of '88) and daughter-in-law Brenda, in Broken Arrow, Oklahoma. John and Brenda are both employed at the Hilt Corporation and have just moved into their beautiful new home. They sure kept Mom busy sightseeing in Tulsa and the Ozark Mountains of Arkansas and Missouri. "The sights were beautiful, and the vacation was too short," said Madeline. "I've already arranged for my next flight to this great state."

Celebrate 25th Anniversary

Eileen and Jim Cassata celebrated their 25th wedding anniversary June 22nd.

A surprise party was given them by their children Jim and Tom on June 12th. The party, attended by family and friends, was held at Carole and Roy Truelove's home. Carole is Eileen's sister.

A wonderful time was had by all and the happy couple is looking forward to a well-deserved anniversary cruise to the Bahamas in the future.

Condolences

We were sorry to hear about the passing of Pat Petersen on July 11th. Pat was a very brave person and enjoyed her family so. She enjoyed sending articles in about her beloved children and I'm sure they will miss her terribly. We will miss her happy beautiful smile.

Our deepest sympathy to Mrs. Lillian Kaden and the family on the sudden death of her brother and uncle recently.

Visited Italy

Mr. and Mrs. Samuel McCafferty of Harrison Avenue returned home last week after a two-week vacation visiting Rome, Vatican City and other parts of Italy. Welcome home.

Mr. and Mrs. Frank Ginochio will be celebrating their wedding anniversary July 28th. Enjoy!

Thomas Ofenloch, brother of Faith, on his First Holy Communion day.

About Some Of The Ofenlochs

The daughters and granddaughters of Medard and Alice Ofenloch really believe that the family that 'dances together—stays together'. Ofenloch sisters Patricia Longo and Carol Fiore along with Pat's daughter Christine danced together with Lil's Dancing School in a recital held at the high school on June 18th and 19th. Christine has been dancing at Lil's for 10 years and has been teaching for two. Her mother Pat and her godmother Aunt Carol danced for the first time this year.

The youngest Ofenloch dancer is Faith Ofenloch who celebrated her 5th birthday on July 10th. Faith won the ticket award at the recital for selling over 100 tickets, with the proceeds being donated to the Leukemia Foundation.

The Ofenlochs have a great deal to celebrate this summer starting with Faith's brother Thomas' First Holy Communion. Two of the Ofenloch grandchildren Vanny Longo and Dennis Gensinger graduated high school on June 26th. Brothers Mark and Paul Gensinger celebrated their birthdays on the first and last day of June. Mike and Danny Longo celebrated their 13th birthdays on July 9th and together with their mother and the Hicksville American Hawks Soccer Team, they will be traveling to England to play soccer for two weeks at the end of July and will have to miss the family reunion on July 30th.

DANCERS: (L-R): Patricia (Ofenloch) Longo, her daughter Christine Longo, and her sister, Carol (Ofenloch) Fiore.

TO YOUR HEALTH

By RICHARD H. BLAU, M.D.

Polymyalgia Rheumatica - A Disease Which Mimics Arthritis

Polymyalgia rheumatica, (PMR), is an illness which causes severe muscle pain, aching, and stiffness. This disorder usually affects women over the age of 50 years. Although the cause of PMR is not known, some rheumatologists (specialists in disorders of the muscles and joints) think that the illness may be inherited.

Patients with PMR suffer severe pain in the muscles of the neck, shoulders, arms, lower back, hips and thighs. Occasionally swelling of the joints may occur, mimicking certain forms of arthritis. The pain is worse in the morning and often makes getting out of bed a very difficult task.

By the time I see a patient with PMR, they are usually very depressed from being in so much pain for a long period of time. These patients may have led very active lives prior to their illness, and often feel frustrated at not being able to accomplish previously simple tasks. The diagnosis of PMR requires a complete history and physical examination.

Often, several blood tests are required to aid in the diagnosis. One test, called the erythrocyte sedimentation rate, can be very helpful in confirming the diagnosis.

Closely associated with PMR is a disorder called Temporal Arteritis. This illness, which affects a percentage of patients with PMR, results from inflamed blood vessels. This inflammation may produce headaches or even visual problems.

Treatment for polymyalgia rheumatica centers around the use of medications which are able to reduce inflammation, and often begin to give significant relief within 24 to 48 hours.

Should you suspect that you have any of the above symptoms, you should consult your physician or rheumatologist.

Arthritis strikes one out of seven people. Learn the facts. Call for your complimentary copy of "The Joint Approach - An Arthritis Overview."

Long Island, Your Ship Has Just Come In.

Get a Manufacturers Hanover Home Owner Loan and Get On Board.

A Manufacturers Hanover Home Owner loan is a quick, easy, inexpensive way to get the things you want... now. Whether it's a cruise that you've been thinking about or that dream boat you never thought you could afford, a Home Owner loan can make it happen.

As a home owner, you can apply for any amount from \$5000 to \$25000. With a home owner loan, there are no points to pay, no title search and no appraisal fees. Plus, interest rates for home owners are lower than for most forms of personal credit — making this an inexpensive way to get the things you want, without waiting.

The home owner loan is one of the few remaining forms of personal credit for which your interest may be fully deductible. That's why smart home owners are taking advantage by using it to finance their dreams and get a healthy tax break at the same time.

If you're starting to think your fantasy cruise could be a reality, you're right. But make your reservations early, most home owner loans are closed within three weeks. Ask about a home owner loan at your local Long Island Manufacturers Hanover branch now, before you miss the boat.

At the Nassau County American Legion Convention, the Charles Wagner Post 421 was judged to be the Banner Award Post of Nassau's Third Division. This honor recognized Post 421's child welfare programs as well

Friendship Club Enjoys Church History

An unusual luncheon meeting program was presented to the members of the Hicksville Friendship Club recently. The meeting of this senior citizens ladies club, which gathers at the United Methodist Church, featured a slide/photo lecture on the "History of Hicksville's Religious Groups" presented by Gregory Museum historian Richard Evers.

The club's members were amazed to learn of the development of Hicksville's over 17 churches and temple.

Commenting on the program, the club's secretary, Mildred R. Nelson, in a letter to historian Richard Evers, said, "...So many of our members grew up in Hicksville, as you know, so the slides and narration brought back many pleasant memories. It was so interesting and informative."

Hicksville... Minding Its Own Business

FLORENCE KRUMAN, dean of Hunter Business School, reviews some programs with Dory Bayern (top left), administrative assistant, and Jean Pupillo, administrator.

Merchant of the Week Hunter Business School

By Catherine Tokar

Florence Kruman says that her business is the best kept secret in Hicksville. For 15 years, residents have passed it without paying much attention to it. But students and prestigious companies from all over Long Island know about it, and they come to *Hunter Business School* for one reason: because it produces eager and top-notch secretaries, accounting clerks and general office workers.

Mrs. Kruman, dean, describes *Hunter* as a different kind of school. "We're a serious school," she said. "We get right down to giving our students the best education in the shortest period of time. Our focus is no-nonsense; no course is irrelevant."

Students are required to have a high school diploma or equivalency to enroll, and as soon as they do, they will see that *Hunter* is different from other schools of its type. "It's a small, personal school," explained Mrs. Kruman. "We develop skills and confidence in our students. Together, these qualities mean success. We assist in all areas of the education, from extra help after school or during lunch to financial aid to job placement. It's part of our job to work with the students until they are placed."

In preparing students for their business careers, Mrs. Kruman conducts the Job Readiness Seminar, which includes a mock interview and a review of the most commonly asked questions. "This helps them prepare for an interview better than any other method," said Mrs. Kruman. "And we help students prepare for rejection as well, because it does happen out there."

Students come to *Hunter* from all walks of life. They range from the person who never held a job to the person who merely wants a career change. They are the 17 year-old straight out of high school, and the 70 year-old who wants "to keep her life in gear."

Hunter has a "tremendous success rate" with placing its graduates, said Mrs. Kruman. "We try to find a company which will offer growth and good benefits for each graduate."

Even though she feels that the students are the priority, Mrs. Kruman gives much credit to the teachers, all of which must have a minimum of a bachelor's degree. "They are sensitive and caring people," she said. "They wouldn't work here if they weren't."

Hunter's full time program is highly structured to get the best results from its students. All programs are in compliance with state regulations and the school is fully accredited. Courses include typing, business math, word processing, business English essentials and accounting.

Consider giving *Hunter Business School* a try, because with *Hunter*, success is inevitable. Call 935-7420 for more information between 8:30 and 4:30. Or visit 99 Rail Road Station Plaza, off of Newbridge Road.

WANTED: TENANT...This building on the corner of Marie Street and Broadway has become part of the scenery already. All it needs is a tenant.

The Changing Faces of Hicksville

Hicksville is undergoing a variety of industrial changes. Just take a look down Broadway—from the Junction line down to Bethpage and notice that the town is beginning to take on a whole new look.

In the early spring, road improvements began. Near Central Federal Savings, we now have two left turn lanes into West John Street from Broadway going north. Curb cuts have also been cut so that traffic can flow less awkwardly around the intersection.

Currently, construction is continuing on the western portion of Broadway from the railroad up to 46th Street and into Bethpage.

New buildings and homes are showing up everywhere. The two buildings on the west side of Broadway, south of the tracks, will surely bring new business to the area. The one on the corner of West John Street is currently looking for a tenant, while the other, on the corner of Nicholas Street is said to be under way.

Two more housing developments have sprung up in Hicksville during the past few years. In addition to the new family homes, where Lee Avenue hits Broadway, another complex is hidden in a residential area. These huge homes run for a good distance and are located where the Bloomington school used to be.

Shopping centers have also expanded. Debra's Kmart enters to add new merchandise every week now that the extension to the left of South Sea clothing store is complete. South on Broadway is another shopping center, the one with Ed's Deli and Mads and Sockers Restaurant. They just added five new stores to that group, some of which include a pet, pharmacy and a hardware and shop.

Travel a little further south and see some improvements in the Grand Prix Jeep Eagle dealership. Their new sign is an eye-catcher.

Jump over to Jerusalem Avenue and notice that Minnie Man Cleaners is getting a new roof. We caught a work crew tarring the roof last week.

Back on Broadway, up near Broadway Mall, you'll notice that the Mobile Gas Station is out of business. Let's hope something moves in quickly, unlike the gas station across from Papa Joe's which has been abandoned for years. And speaking of Papa Joe's seafood restaurant, they too have undergone a change. Their newly acquired name is Shipwreck's. Same owner, and same great food.

Have you been to Nathan's on Broadway lately? Not only did they change the outside from yellow to green, but the inside is totally remodeled in green and wood.

Let's hope all these changes make Hicksville not only a great place to live, but an attractive town to pass through.

DOWN AND OUT... This Mobile gas station recently folded. It is located next to Nathan's at the Mall.

A NAME CHANGE... Papa Joe's recently changed its name to Shipwreck's. The seafood is better than ever.

BACK IN ACTION... Although fire ripped through this office building at 82 Broadway several months ago, it now looks as good as new.

IN ADDITION... These five new stores were added to the shopping center across from the HIP Center on South Broadway: Tili's Pizzeria, Plastercraft, Bon Voyage Travel, The Realm of Comic Books, Baseball Cards and Science Fiction, and International Gourmet Foods.

Harbor Distributing Skis at the Beach

DICK BOTTJER, Harold Naumann and Joe Gallagher (L-R) of Harbor Distributing Company, a Hicksville-based distributor of Busch beer and the family of Anheuser-Busch products, watch as thousands of beachgoers line up to ski at Jones beach. Over 150 tons of ice were used to build a 200' foot man-made slope on the sand at Jones Beach. Busch CitySki is the nation's largest ski instruction program.

A GOOD SIGN...
The Grand Prix Jeep Eagle dealer recently added a new sign to its facade.

Seaman & Eisemann Donate Funds for Youth's Operation

The insurance firm of Seaman and Eisemann at 167 Broadway, donated funds last week to the Nathansons of Hicksville whose daughter Stephanie is undergoing heart surgery.

The family could not afford the funds for 18-month-old Stephanie to have the operation so the parents turned to the public for assistance. The first of three operations took place July 14 and cost nearly \$40,000.

The insurance company, which has been in Hicksville since 1889, heard of the Nathan's plight through a story in the *Illustrated*.

Leo Pertschuk to Co-Chair Sports' Games

Leo Pertschuk, president of Energy Administration in Hicksville, will serve as Tees & Green co-chairman of the steering committee for Dowling College's Nathaniel M. Giffen Memorial Invitational Golf and Tennis Tournament.

With the assistance of Mr. Pertschuk, the committee will organize and promote the September 22 Invitational Tournament, an all-day event to be held at the Huntington Crescent Country Club. The committee began planning for the event at a "Kick-Off" reception held at the Smithtown Sheraton.

For more information about the tournament call James J. Smith at 244-3103.

Liberty Plumbing/Heating Sponsors Local Athlete

Liberty Plumbing and Heating Supply Corporation is sponsoring resident Ralph Marchese who is competing in the VIII Paralympic Games in Seoul, Korea in October, according to Robert Casale, vice president.

Ralph will be competing in shooting, both pistol and rifle, and in volleyball.

Liberty Plumbing is located on Burns Avenue in Hicksville.

Employee of the Month

JOAN (ANDY) ANDERSEN of Hicksville, unit secretary on a nursing floor, is employee of the month for July at Winthrop University Hospital in Mineola. Nominated by the entire staff of the unit, Ms. Andersen was highly praised for her hard work and commended for her service as a preceptor for newly employed unit secretaries. Seemingly able to do all things at once, she creates an organized environment, picks up orders and pharmacy supplies, responds to call lights, answers phones, and efficiently processes admission, transfers, and discharges. Ms. Andersen's co-workers want her to know what a valued employee she is.

Letters From Our Readers

Letters to the editor are welcomed by the editors and publishers of the *Anton Community Newspapers*. However, they must follow certain guidelines in order for us to print them: they should be as short as possible; we reserve the right to edit in the interest of space; they **MUST** be signed (a typed name at the bottom will not suffice); they must include an address and telephone number so that we can verify their authenticity.

We receive many fine letters which we would like to share with our readers, but we are unable to use them because they are unsigned or have a typewritten name only.

We cannot publish every letter we receive because of space limitations, but we try to present both sides of all issues. Personal attacks and letters considered to be in poor taste will not be printed.

EDITORIAL AND OPINION

What the Politicians are Saying...

From CONGRESSMAN NORMAN LENT (R-Long Island): Landmark legislation that will protect Medicare's 32 million beneficiaries from financial disaster resulting from catastrophic medical expenses has been signed into law. For the first time, there will be a cap limiting beneficiaries' out-of-pocket expenses for Medicare-covered hospital, physician, and other services. The program will be paid for by the beneficiaries who will be charged an additional \$4 monthly premium plus an income-based surtax. Some of the bill's highlights: provides unlimited coverage, currently only 60 days; limits hospital costs to a single annual deductible of \$564 per year; pays up to 50 percent for prescription medicine bills; expands long-term care protection with a new respite care benefit and an extension of home health and nursing home benefits. It also provides against spousal impoverishment for Medicaid long-term care patients.

CONGRESSMAN JAMES H. SCHEUER recently released a study he requested from the Federal Office of Technology Assessment titled "The Quality of Medical Care: Information for Consumers" which outlines indicators which can be used to determine the quality of care given by health care providers.

ASSEMBLYMAN DANIEL FRISA (D-Westbury) has announced that the NY State Department of Social Services is providing \$300,000 for programs to increase the availability of quality late afternoon child care for school-age children of working parents. Prospective applicants may contact Mr. Frisa at 338-4660.

SENATOR DANIEL PATRICK MOYNIHAN (D-NY) has urged passage of the Fair Housing Amendments Act which would strengthen the enforcement mechanism of the Fair Housing Act of 1968. The legislation is a compromise reached between civil rights groups, realtors and legislators to add effective enforcement provisions to the law banning housing discrimination and would also extend protection to disabled persons and to families with children.

NASSAU COUNTY EXECUTIVE THOMAS S. GULOTTA has announced that the county will hire 100 new correction officers for the Nassau County jail to enable the county to substantially reduce the number of officers assigned overtime, thereby actually saving close to \$1 million annually.

NASSAU COUNTY DISTRICT ATTORNEY DENIS DILLON has announced that figures released by the NY State Division of Criminal Justice Services show that Nassau County has one of the lowest crime rates in the state: 33.5 per one thousand people. DA Dillon said his office would continue to work with local people in undercover "sting" operations to remove criminals from the area and to deter others who contemplate criminal acts.

A Letter from Lulabelle...

...Do You remember WW II and life on the home front in those days?...Nothing like the horrors endured by our boys, of course...but we were all part of the war effort...There was the blackout and all of us here on Long Island close to the shipping lanes and the enemy submarines had dark shades and all the street lights were either turned off or very slightly lit...and there was rationing...Red stamps for meat and butter, etc., and blue stamps for canned goods, and, stamps for (was it really only three?) pairs of shoes a year...fresh produce and bottled milk didn't require stamps and that's when all of us who had always used evaporated milk turned to fresh...and even when one had stamps, getting butter was nearly impossible—we would stand in line for any length of time to be allowed to purchase one quarter pound of butter...and the meat was all so scarce, but we didn't mind because we knew it was going to the guys in the service...we could obtain more red stamps by turning in used fats, so we all had a tall can into which we strained our fats, refrigerated them, and took them to the butcher...and do you remember how we would cut the tops and bottoms from the cans, wash them carefully, step on them, put the two ends inside and keep them in a box to be turned in...I guess that's what we're still doing in recycling...and meat was so scarce that we learned to like fried baloney—did you know that the edges curl up when you fry it and it becomes a sort of "cup"?...And then, of course, we all did volunteer work...My husband was an auxiliary fireman who went out on Sunday mornings and was trained by our local volunteer firemen...the government provided helmets, arm bands, portable fire extinguishers and a whistle—I think we still have them in the attic...And when we had blackout drills, the block wardens would go up and down the street whistling at those whose lights showed through...We also volunteered one night a week to sit at the Air Watch Center—it was over a local barroom and there was a long desk with many telephones...remember this was long before all this sophisticated early warning systems and radar and computers and all such things...this was really primitive...the idea was that a watcher on the shore or on a boat at sea would radio to the Coast Guard, who would call us at our station and we would immediately start calling the list taped to the desk and many other volunteers would come in and soon the whole of the Civilian Defense Corps would know that we were under attack...it never happened and, as we sat there week after week, we would almost wish they would have a test so we could learn if we were really doing our job...And, to return to rationing, do you remember that when you finally found a lamb chop for the baby and he picked at it and didn't eat all the meat you had carefully minced for him, you gobbled up the leftover bits and chewed on the bone?...Lots of people went to the black market, but I never did...I don't know that I was so especially patriotic that it seemed wrong—the truth is, I don't remember that I knew any black markets!...But I wouldn't, would I?

Yours, Lulabelle

Wouldn't You Like to Have One Of Them for \$800 a Year?

The cabanas at the Nassau Beach Park in Lido have been much in the news recently. The 498 cabanas were taken over by Nassau County more than 25 years ago and for years were assigned on a waiting list system. It was not unusual to hear from someone who had been "on the list" for many years without getting a cabana.

In June, the Parks Department decided to initiate a lottery system for assignment of only 31 then available cabanas, but not for all 498. The apparent absence of detailed rules made the June 17 lottery somewhat confusing to many, but the "winners" won cabana assignments—for a period of only three years, after which, they are again to be awarded by lottery—at a seasonal rental of \$800.

The county followed that by announcing July 1 what it called a \$7.5 million "comprehensive improvement plan" for the Lido Beach facility, which included renovation of the swimming pools, establishment of picnic areas and unspecified "modifications" to the cabanas. The work is to begin at the end of this year's beach season.

Less than a week later, published reports quoted Comptroller Peter King as saying that a lagging sales tax revenue will result in Nassau County ending the fiscal year with a deficit of between 8 and 30 million dollars.

We're all for recreation and good facilities for all, but we don't believe that the 498 cabana holders—most of whom have had their benefits underwritten by the public for years—should be subsidized by the public any longer. It's time to establish a fair and realistic price for each cabana and to insist that the inequity end. All 498 cabanas should be awarded by the lottery system or some other equally fair means of assuring that anyone who wants a cabana has an even chance of getting one. Finally, it is only fair to insist that those who have them—whether by lottery or otherwise—must pay the going rate for a cabana.

Legionnaires' Log

By GREG BENNETT

Charles Wagner Post #421, Hicksville

September 16 is POW-MIA Recognition Day as America calls for a full accounting of our POW-MIA from all wars fought on foreign soil. As Secretary General Mikhail Gorbachev of the Soviet Union asked President Reagan to assist in the release of Soviet POW-MIA's from Afghanistan, our President should ask the Soviets to do all possible to release live POW's and return all remains. The Soviets are responsible for many of our POW's not coming home. In the name of humanity and peace ask Russia to free American POW's by writing: Secretary General Mikhail Gorbachev, Union of Soviet Socialist Republics, do Ambassador Yuri Dubnin, The Russian Embassy, 125 16th Street N.W., Washington, D.C. 20036.

We certainly want to give recognition to another group of American heroes: they are the female veterans who served in Vietnam and during the Vietnam era. Please support the Vietnam Veterans Memorial in Washington, DC that recognizes the role played by women veterans. Send donations to VVWP, Box 45, 511 Eleventh Avenue South, Minneapolis, Mn. 55415. Write your Congressman to support HR 3628 and Senator to support SJR 2042 to make the Vietnam Women's Memorial Project a reality. Remember eight female nurses gave their lives during Vietnam. For more information contact Joan Clair Kelly at 516-331-8673.

We should remember all women veterans who have so proudly served our nation. They are a minority group among veterans.

Quote of the month: When Connie Steers was asked what can be done to help veterans who belong to a minority group, Steers replied, "All veterans are a minority." I strongly agree that every veteran is a comrade and we must stand up for our rights and benefits before our government takes them away. Remember New York State has cut 1 million dollars from Veterans Affairs and Manhattan VA Medical Center has a budget cut of 6 million dollars and a loss of 90 positions. We protected our nations' freedom; now let's protect our benefits and above all obtain the release of our POW's.

Dramatic photos in Sea Classics magazine show a serious encounter in February as a Soviet Mikra class frigate deliberately tried to "shoulder" the port quarter of the USS CARON (DD-970) on the Black Sea. A second Soviet ship, the BEZZAVETNYI impacted on the side of the USS Yorktown (CG-48) as our warships asserted international navigational rights 12 miles off the Russian Black Sea coast line. Encounters at sea are dangerous and never receive media attention unless lives are lost.

Our next post meeting is Monday, August 2. Don't forget the August 16 Glen Miller Band appearance at the Jones Beach dance tent.

Our Lady of Mercy Wins National Recognition

Rep. Norman F. Lent (R-E. Rockaway) has announced that the U.S. Department of Education has selected Our Lady of Mercy Parochial School of Hicksville as a winner in the Department's national competition for excellence in education.

"This is an outstanding accomplishment that speaks highly of all those involved: the school's principal, Sister Mary Deegan, R.S.M., as well as the faculty, the students, and their parents. Their commitment in striving for such high standards is exemplary. This honor and recognition is truly deserved," Rep. Lent said.

This year's 247 winners were selected from 648 private and public elementary schools nationwide. Now in its sixth year, the department's school recognition program is based upon characteristics that contribute to school effectiveness and student success.

Representatives from the winning schools will be invited to Washington, D.C., for a national recognition ceremony in their honor this coming fall.

"Nassau County schools are consistently

rated among the finest in the country. I congratulate Our Lady of Mercy students and faculty for this noteworthy achievement and wish them continued success," Rep. Lent concluded.

Jacqueline Josten is Officer in Business Club

Jacqueline Josten of Hicksville has been installed as secretary of the Nassau Business and Professional Women's Club for 1988-89.

Meetings are held on the second Thursday of the month at the Hofstra University Club. The first meeting of the new club year will take place September 8. For information call 333-8482.

at bat and did a fine job fielding. Jason Dammes did a good job pitching. Scott Galdo played 2nd, 3rd, centerfield and did a great job everywhere. Danny Marciano singled, played 1st base and did a good job as our catcher. Brian Anstey did a great job at 3rd and 1st base and also had 2 stolen bases. Brian Kist was extended a welcome back from his team, hit a single and played rightfield. Luke Johnson showed his speed running bases, did a nice job pitching and on 3rd base. Special thanks to Ed Dammes who was our 1st base coach this game.

INTERMEDIATE DIVISION July 14 A's 12 Mets 9

The two teams who played this game were very evenly matched. The mighty A's were challenged to win this game! Coach Buddy Goodrich had the following to say, "Excellent ball game by both teams". Excellent playing and pitching by Danny Goodrich, Tom Anstey, Brian Whitman, Ed Hodgkinson, Karl Rice and Julio Ortiz. Mike Nuzzi displayed excellent catching ability. Good playing by Pete Arpaire and Eric Peck. Congratulations to Kyle Rice on his homerun and Danny Lyons who had a good game. The team was concerned when pitcher Julio Ortiz got injured during the game. Julio was on 2nd base running to 3rd when a ball that was hit to left field unfortunately collided with him. Even though Julio's eye was injured, he continued to sit through the game to cheer on his team.

INTERMEDIATE DIVISION July 14

The unbelievable Mets played a great game on a very hot night. Coach Longo has the following to say about his players: Danny Longo had doubles and played a strong defense, Mike Longo had good defensive plays and excellent pitching. Dennis Dickjobst was 3 for 6 and 2 triples, Rob Patterson had strong fielding at shortstop, Sal DeFazio had good hitting and was a strong 1st baseman, Rob Pope had good pitching (strong arm), Ben Fyfe had 4 walks in 3 games, Everlin Pino had good pitching and fielding, Rob Lombri is the most improved player in hitting and Sean Culver is a good all-around defensive player. Greg Henglein had 8 strike outs in 4 innings. Mike DiToro, our catcher, displayed good defense behind the plate. Danny Bianco not only hit a homerun but also a triple in this game. Mr. Longo's older son is to be congratulated on being a terrific 1st base coach. This was a game that displayed great team effort and spirit.

BUILDING ZONE ORDINANCE
AMEND APPENDIX A - SECTION 16
NON-CONFORMING USES TO CLARIFY
PROVISIONS FOR PUBLIC GARAGES AND/OR
FILLING STATIONS IN A BUS, "F" DISTRICT
BE IT ORDAINED, by the Town Board of the
Town of Oyster Bay, County of Nassau, State of
New York, Section 16, "Non-Conforming Uses" of
Appendix A (Building Zone Ordinance) of the Code
of Ordinances of the Town of Oyster Bay, New York,
be and the same is hereby amended by deleting
Section 16 in its current form and adding a new
Section to read as follows:
Section 16. Non-Conforming Uses.

(a) The lawful use of a building existing on the
effective date of this amendment of this Ordinance,
viz., January 27, 1953, may be continued although
such use does not conform with the provisions of
this Ordinance, provided:

(1) No structural or substantial alterations are
made except repairs required by law or ordinance,
except that public garages and/or filling stations
located in an "F" business District as a legal non-
conforming use may make structural or substan-
tial alterations upon being granted a special use
permit to do same by the Town Board of the Town
of Oyster Bay; said alterations are subject to the
requirements of Section 485 (p).

(2) The use is the same identical use which was
in existence prior to the effective date of this
ordinance.

(3) There has been no interruption of the use
for a period exceeding twelve (12) months.

(b) Any violation of the provisions of this Section
of the Ordinance will result in the forfeiture of the
right to continue the non-conforming use and will
subject any and all violations to be dealt with as
provided in Article XXII of this ordinance and may
also result in the commencement of civil pro-
ceedings by the Town in a court of competent
jurisdiction to compel strict compliance with the
provisions of this ordinance or restrain by injunc-
tion the violation of any of the provisions of this or-
dinance or any rule or regulation promulgated
hereunder.

This resolution shall take effect immediately.

It's Summertime...Cool Off in Your Own Pool

Your next backyard party can be held poolside, at your very own, in-ground pool.

Tara Swimming Pools, Inc., will custom build a vinyl, steel wall pool to almost any shape and size you desire. All Tara pools have concrete footings and will last for 20 years, according to Al Peterson, president of the family-owned business in Oyster Bay (14 Singworth St.).

Tara designs pools with the family's needs in mind...if you have young children, they'll design a shallow, slip-proof area; if you're a serious swimmer and diver, you can have an Olympic sized pool with diving and lane areas.

All pools are installed by Tara's on-staff professionals and all work is guaranteed by the company.

Tara's skilled designers will meet with you, personally, to help you select the pool that best fits your size, shape and design requirements, while fitting all municipal zoning codes in your locality.

If your special lifestyle includes outdoor activities, at home, with your family and friends, let Tara Swimming Pools turn your garden into a private resort where you can forget the heat, beat the beach traffic and have a long, relaxing summer. Call 922-3766 and a Tara pool specialist will set up a consultation with you.

Mosquitos... Summer Pests

The warning whine of the midnight mosquito is part of the summer scene. These indiscriminate insects are attracted to any host with warm, moist skin and carbon dioxide in its breath. A good insect repellent can protect you from mosquito bites, some for up to five hours (they contain pheromones which

jam their sensors). If you do get bitten, moisten a tissue, sprinkle with meat tenderizer, and pat it on the bite—goodbye itch!

Did you know: Only female mosquitoes "bite". (of course). She takes 90 seconds to complete a meal, weighs 1/25,000th of an

ounce, consumes 1 1/2 times that in blood (your blood!), lives up to 60 days and lays up to 4,400 eggs. The itchy welt they leave is caused by

the body's allergic reaction to the mosquito's saliva. Male mosquitoes are vegetarians and don't "bite"...Now that's feminism!

Hicksville PAL Boys' Baseball/Girls' Softball News

By Charlotte Anstey

Hot and steamy weather opened the Hicksville PAL Boys' Baseball/Girls' Softball season. We again have more than 500 boys and girls (young adults also) registered to play this summer (with waiting lists for all divisions). Brian Anstey of the A's (Sub-Intermediate Division) celebrated his 12th birthday on July 8 by hitting his first homerun of the PAL season and Coach Nancy Galdo (no age given on this one!) of the Girls' Junior Division celebrated her birthday on July 15.

We would like to thank Mr. Bob McGeever, superintendent and all the workers from the Town of Oyster Bay Parks Department for sprucing up Schwab and Hillside Terrace Fields. We would also like to thank Town of Oyster Bay Councilman Tom Clark for listening to our concerns regarding the cage at Hillside Terrace Park having no top on it. Councilman Clark was informed by the Parks Department that the top of the cage will be installed during the week of July 19. The Hicksville PAL is extremely pleased with the response of the Town of Oyster Bay concerning playing conditions for the youth of Hicksville.

A special thank you is extended ahead of time to all the fantastic adults who volunteered to be coaches. Without these volunteers our program could not function.

Some of our coaches dropped off the results of their first two weeks of games. They are as follows:

SUB-INTERMEDIATE DIVISION July 8 A's 11 Cards 7

The terrific A's had their first win of the season. Coach Bill Dammes said of this game, "Outstanding team play". Coach Dammes also had the following to say about this players: Brian Anstey scored our 1st homerun of the season to celebrate his birthday with a RBI's, Brian Brown hit a triple and did a great job in the field, Luke Johnson had great throws from 3rd base to 1st base that kept us in the lead, Scott Galdo did a fine job at 2nd base. Jason Dammes, Mike Famighetti and Scott Dorsey were our pitchers for this first game and they did a great job. Brian Anstey and Danny Marciano were our catchers and the heat hasn't affected their performance at all. Joe Porvato, Willie Koopman, Robert Lynch, Danny Paul and Brian Rooney all did a great job in the field. Special thanks goes to Joe Filazola who was our 1st base coach this game.

SUB-INTERMEDIATE DIVISION July 13 A's 16 Yanks 0

The fantastic A's won again. Coach Bill Dammes would like to thank the parents for their support at our games. Coach Dammes said, "These kids play with Great Team Spirit". Scott Galdo tripled in the 3rd with a RBI's, Mike Famighetti never missed a throw to 1st base, Luke Johnson hit our 3rd homerun of the season, Scott Dorsey hit a homerun and played short-stop great, Brian Rooney played shortstop and 2nd base very well, Robert Lynch did a great job in center and right field. Brian Brown hit our 2nd homerun of the season, played 3rd base and his playing in left field was terrific. Stolen bases by Joe Porvato, Danny Marciano, Jason Dammes and Brian Anstey. Our pitchers Luke Johnson, Jason Dammes and Scott Dorsey did an excellent job. Our catchers Brian Anstey (got injured during this game), Danny Paul and Danny Marciano played like pros. Danny Paul hit a double and was brought home by Joe Porvato in the sixth inning. Special thanks go to Joe Filazola, our 1st base coach and Mr. Johnson our 3rd base coach for their assistance.

SUB-INTERMEDIATE DIVISION July 15 A's 10 Pirates 7

The unbelievable A's continued their winning streak. Coach Bill Dammes is very proud of his team and the way they play "together". Coach Dammes also said, "Terrific parental support". Mike Famighetti started off with a homerun, did a great job in fielding and covering. Brian Brown hit a double and did a terrific job in leftfield, Danny Paul our "lightning loops" base runner also did our fine job catching. Scott Dorsey was our great relief pitcher who also made a terrific play covering the 1st baseman, Brian Rooney played right field well, Joe Porvato played well in rightfield and centerfield, Robert Lynch got on base each time

Amaya is County MVP

A Hicksville athlete was honored by the Nassau County Lacrosse Coaches' Association at its 1988 awards dinner.

A most prestigious award went to Hicksville's Fred Amaya. The all-American midfielder was presented with the Jim Brown Award as the Nassau County Midfielder of the Year. Brown, almost universally acclaimed football's greatest player, was heralded as a tenacious player in his high school and college days. The award is named in honor of the former Manhasset star.

Amaya is currently in Australia as a member of the Junior National Team to play in the World Games there next month. The \$2,500 needed to send him was raised by a community drive administered by the Hicksville Alumni Association. Hicksville High School Athletic Director Robert Kenney,

Alumni Association President Conrad Weyer and Howard Finnegan were coordinators.

The two-time all-Nassau County and twice all-American winner has an impressive list of honors. Amaya was selected outstanding player in the National High School All-Stars contest between the east and west. The game was played at Johns Hopkins, Maryland.

Amaya's departure for down under required him to miss his graduation exercises with the Hicksville High School Class of 1988. It is anticipated that a special diploma presentation will be made to him upon his return.

The 18-year-old is one of only two 1988 high school students to be selected for the World Team. All the other members are college freshmen.

NASSAU COUNTY EXECUTIVE Thomas S. Gulotta, (center), attended the soccer game between the Long Island Junior Soccer League's All Stars and the Celtic All Stars from Glasgow, Scotland. County Executive Gulotta presented citations to both teams, in recognition of their sportsmanship and athletic achievements. Joining the County Executive were, from left to right: Peter Collins of Hicksville, president of the L.I. Jr. Soccer League; Frank Chirney of Glasgow, Scotland, coach of Celtic All Stars.

PAL's Girls' Yellow Team 13, Light Blue, 12

By Rita Hill,

Coach of the Yellow Team

If game No. 1 is any indication of the excitement in store for PAL Girls' junior division softball team, they are in for a good summer at Woodland Avenue School.

In an exciting finish the Yellow team scored eight runs in the bottom of the sixth inning to score a 13-12 victory over the Light Blue team. Both teams played extremely well, and the coaches, assistant coaches, and parents are all very proud of the skill and sportsmanship that these girls displayed.

Comments on the Yellow Team's playing

at the game are as follows: Jessica Smith—good outfielding; Beth Hoffman, —good catching; Michelle Beil—good hitting; Victoria Maser—good fielding, excellent potential; Jessica Haupt—good outfielding; Valerie Stampfl—good outfielding; Aubrey Hill—good fielding and catching; Tina Bruan—good pitching and fielding; Kerriann Sullivan—good first baseman; Dena Horden—game winning RBIs and good pitching; Bethann Barozie—good fielding; Lynn Myron—excellent fielding and pitching; Claudia Montano—great fielding; and Kathleen Murphy—good hitting.

Amateur Volleyball Set at Hampton Bays

The fourth annual Jose Cuervo Amateur Beach Volleyball Series will be held at Neptune Beach Club on Saturday Aug. 6 and Sunday Aug. 7. The event, which includes participation for spectators, will mark the inaugural local spot in America's premier summer amateur volleyball program.

The tournament is open to two-person teams with both members 18 years of age or older in four divisions — male and female, advanced and novice.

Special awards and Jose Cuervo beach merchandise will be first and second prizes, respectively, in each division. All participants

will receive a free tournament t-shirt.

The registration fee is \$20 prior to the event and \$25 the first day of the event. All proceeds will benefit East End Volleyball.

The tournament will begin at 9 a.m. on Saturday with the first of four finals in each division beginning at 1 p.m. on Sunday. Spectators can play during special court times and also be eligible for special give-aways.

To obtain a registration form, contact Rick Heiles at 728-0397 or Rodale Press, Inc., c/o Jose Cuervo Volleyball, 33 East Minor Street, Emmaus, PA 18048, (215) 967-5171.
