Assessment Report is Presented to District

Hicksville's Comprehensive Assessment Report (CAR) was presented to the School Board by Robert Durso, Director of Instruc-tion for the School District at the November 22 Board meeting. All public and private schools in New York State are required to prepare a CAR annually, which must be made available to the community.

Much of the CAR is devoted to a district's performance on New York State Tests, namely performance on New York State-Bests, namely PEP (Pupil Evaluation Program) tests, PRCTs (Preliminary Competency Tests) and Regents. In addition, the CAR provides high school graduation results, enrollment and atten-dance results, the racial/ethnic distribution of students, as well as the number of students with limited Tealish positioners. Data is niver. with limited English proficiency. Data is given on average class sizes, and student/support staff ratio. The socioeconomic indicator is bas-ed oon 1980 Census figures, which indicates 5 percent of Hicksville's population is below the poverty level.

Generally Hicksville's elementary students

are performing at or above the Nassau Coun-ty and State averages in Reading, Writing and Math PEP tests. The results of a program evaluation test in Social Studies given to sixth graders were "significantly lower than the Nassau County average but quite a bit higher than New York State's" according to Mr.

However, the results of the 1988 Regents are "significantly below the Nassau County averages" in all Regents with the exception of English, French, Latin, Math Sequential II and U.S. History & Government. The High School Principal, Department Chairmen and their staff have been meeting to find solutions and in this regard have prepared reports which were presented at the October Cur-riculum Committee. Mr. Durso said additional reports will be made at the December 14 Curriculum Committee meeting. The number of Hicksville students taking Regents is continuing to increase and is much higher than the 36 percent State figure according to

Hicksville's attendance rate is 94.2 percent with a dropout rate of 2.4 percent and a limited English proficiency population of 3.2

The average Kindergarten class size is 19. the average elementary class size is 20 and average class sizes in the Middle School and High School in Math, Science, English and Social Studies are between 19 and 22. The Stu-

dent/Support Staff Ratio is 110:1.
Resident Arlene Rudin raised a question regarding the criteria used by school districts in calculating the Support Staff since many of Hicksville's schools share a number of the support staff. New York State identifies sup-port staff as guidance counselors, nurses, psychologists, psychiarists, dental hygienists, librarians, social workers and attendance teachers. Mrs. Rudin also noted that the CAR was confusing in many areas to the general public and that, if possible, the District should so inform the State since the District by law must follow the State's format

TOB Proposal to Use Fields for Park

In response to a letter from Town Supervisor Angelo A. Dellagatti on behalf of the TOB and the Hicksville Park District Task Force, regarding the possibility of the Town acquiring or utilizing property at the Dutch Lane School, the School Board referred the proposal to its Facilities Committee. The next meeting of that Committee will be on December 14 at 8 p.m. in the Administration

Building.
The Board also received a letter dated June 21 from the Northwest Civic Association regarding their concerns over Spiegel Associates request for a zoning change from "D" Residential to "F" Business at 92, 101 and 106 West John Street, cross street Strong Street. Since the Civic Association's letter was

Town Approves Final Environmental Impact Statement for Incinerator

By Nancy Garry

The latest step in the Town of Oyster Bay's plan to construct a resource recovery facili ty in Old Bethpage has been taken as a final environmental impact statement for the pro-ject was approved by the town board.

Due to a large amount of resident com-ment, including a two-volume proposal for extensive recycling proposed by RAGE (Residents Against Garbage Expansion), there are a number of differences between the draft document and the final statement. According to the town, the major changes con-cern water consumption and increased recycling efforts.

Town spokesperson Marlene Kastleman said an unexpected number of residents had requested a cumulative impact statement. As a result, the 3,000 page final environmental impact statement (FEIS) evaluates the tal impact statement (reis) evaluates the combined emissions from operational plants in Long Beach and Glen Cove and projections from under-construction and proposed facilities in Babylon, Hempstead, islip, North Hempstead and Huntington.

"The residents said there had never been a cumulative impact study and they were right," Kastleman said. "The town asked that it had never the control of th

The original plan had called for a wet/dry cooling tower which would use more than 700,000 gallons of water per day, Following hearings and comments from Supervisor Angelo Delligatti, the proposed vendor, American Ref-Fuel, redesigned the cooling system. As changed, the system will use on-ly 150,000 gallons per day, an option which was always available but not originally con-sidered because the company did not believe water use at the site was a hazard, sources said.

Regarding recycling, the FEIS discusses the expansion of present efforts to include mixed paper and plastics in the town's program. In addition, goals to incorporate grass clippings and woody materials into the town's leaf composting program were also identified.

American Ref-Fuel has begun the applica-

the state Department of Environmental Con-servation (DEC), which should schedule public hearings within the next 60 days. Residents will be given another opportuni-ty to discuss the FEIS and other relative in-

ty to discuss the PBIS and other relative in-formation at those hearings.

The projected cost of the resource recovery facility, to be constructed at the Oyster Bay Solid Waste Complex near the Old Bethpage landfill, is estimated at \$120 million and will be financed through the sale of bonds if and when the plant is annowed as: bonds. If and when the plant is approved, actual construction should require approximately 30 months.

The proposed plant will be capable of processing 1,000 tons of waste per day. According to Marlene Kastleman, town residents proto Manene sasteman, town resultants pro-duce an average of 1,250 tons of garbage a day, ranging from 2,000 during peak summer months and 800 in the winter. Even with in-creased recycling efforts, the town does not expect American Ref. Fuel will have to seek

outside contracts to operate the plant at peak.
"Within the contract, they will have the
ability to do that, but we don't anticipate

they'll have the room to," Kastleman said. Future development within the town's boundaries is also expected to maintain the

It presently costs the town flog per ton to ship its waste to out-of-state landfills. Kastleman said the cost for incineration is projected at 482 per ton. She added the savings should increase because area municipalities are being shur out of some states and shipples costs are expected to continue to size. ing costs are expected to continue to rise.

Copies of the FEIS are available at public libraries throughout the township and at the town clerk's offices on Audrey Avenue in Oyster Bay and Hicksville Road in

Comments on the contents of the FEIS should be forwarded to the Town of Oyster Bay Environmental Quality Review Commission, 150 Miller Place, Syosset, NY, 1191, before December 15. Although the comment period required by the state is 10 days, the town tripled the allotment, citing the size of the report.

Two Killed in Traffic Accidents Last Week

By A. Anthony Miller

By A. Anthony Miller

Two area residents were killed in separate incidents last week. One, a pedestrian, was a local "street figure," who, according to one source close to the investigation, "rested his bones in a tin shack" in the area.

The pedestrian, identified as Reuben Rodriguez, 55, was locally known as "Chico". He was said to have frequented the areas of Jerusalem Avenue and Levittown Parkway in Hicksville, usually pushing a shopping cart with a plaque bearing the words "Dino's Tires" on the front.

At the time of the incident, 5 p.m. Nov. 27,

At the time of the incident, 5 p.m. Nov. 27, he was wearing a yellow rain slicker and a baseball cap with the word "Newsday". "Chico" was pushing his shopping cart across Levittown Parkway at Beech Lane when he was struck by a 1979 Chevrolet pickup truck northbound on Levittown Parkway.

The pickup's driver, identified as Dmitrios (continued on page 2)

Miltenberg and Carole Wolf complimented William Gagnon, Supervisor of Fine 'arts, and his staff for their impressive work. Mrs. Miltenberg also congratulated the dicksville Marching Band for placing second in its divi-sion in the Charter Championships. The District has also received a Good Government Award from the Nassau Citizens Budget Committee for Hicksville's annual budget preparations.

Mrs. Miltenberg and School Board Trustee Patricia Rooney expressed their appreciation of the High School Drama Club's presentation of "Find Me". Mrs. Rooney also described the recent Homecoming Day festivities as "wonderful" and congratulated the High School Soccer Team for reaching the play-olfs. She also thanked the students and teachers at the High School for welcoming her and other District guests, along with Assemblyman Fred Parola, into their classrooms on November 10.

Mrs. Rooney, a judge in the recent VFW Voice of Democracy Contest, was disap-pointed with the lack of any entry by a Hicksville H.S. student. Dr. Catherine Fenton. Superintendent of Schools, explained that she first approves a contest before it is disseminated to the various schools. At that point, the principal has discretion on its distribution, which is generally left up to staff.

Mrs. Miltenberg and Mrs. Rooney attended the American Education Week Awards Ceremony conducted by the Hicksville Congress of Teachers on November 21. More than 600 entries were received in the essay contest. Resident Jean Tobin expressed her disap-pointment with the lack of any Administration representative at the Awards Ceremony.

Superintendent's Report

Dr. Fenton reported on proposals by the State Education Department regarding "Accountability". They are suggesting that individual schools, not districts, be responsible for academic achievement. It is proposed that achievement would be measured against a district's own population instead of the

Elementary schools might have to undergo certification every 5 years that is, every 5 years each individual school is reviewed. Public hearings will be held regarding these sugges-tions. The New York State Board of Regents

would make the final decision.

Dr. Fenton stated that the District's asbestos consultants are working meticulously and on schedule.

Various financial reports were accepted by the Board, including Warrant and Transfer Reports, a Cash Flow Report and the First Quarter Report. The Board approved the Award of Bids totalling \$72,680.60, which in-cluded the purchase of two vans at a cost of 127,056. These vans will replace two district vehicles which are 15 and 26 years old.

Burns Avenue School

Mrs. Miltenberg announced that the public hearing on rezoning Lot 1252 located at the Burns Avenue School is scheduled for 10 a.m. on December 13 at Town Hall on

Audrey Avenue, Oyster Bay. In response to resident Cathy Corrado's inquiry as to the status of the temporaries at Burns Avenue, Dr. Fenton indicated that EPA (Environmental Protection Agency) approval has not yet been given to dismantle these facilities. However, she announced that a firm has indicated an interest in purchasing the Burns temporaries for a minimal fee. If this were to happen, the district would save thousands of dollars in demolition costs.

In personnel matters, Dr. Fenton announced the resignation of Chuck Wayne, who has

accepted a position with the Lawrence School District. She thanked Mr. Wayne for his great service to Hicksville's Guidance Department and Special Education students. The Board also approved the appointment of Mr. Leslie Mann as Chairperson of Mathematics, Grades

7-12, effective January 3rd.
The next meeting of the Hicksville School Board will be on December 21 at 8 p.m. in the Administration Building.

Stravrianos, 24, of Hicksville, was not hurt, but stavianos, 24, of nicksville, was not nurr, but received summonses for having inadequate defrosters and no windshield wipers. His vehi-cle was impounded for a safety check.

Earlier, Liselotte Matzka, 64, of Hicksvilled died 15 hours after her 1984 Datsun was struck by a minibus carrying five handicap-

ped adults on Route 106, about half a mile north of Jericho Turnpike, at 3:40 p.m. Nov. 21. Nassau police said that Ms. Matzka had been parked facing north and while trying to make a u-turn was hit by the bus, driven by Carl Mitton, 32, of Corona, Queens, Mit-ton was not hurt, but his passengers, who had been en route to Bayville from the United Cerebral Palsy Center in Rogevelt, were taken to Syosset Hospital, where four were treated for shock and one for hip pain, and then all were released. then all were released.

Ms. Matzka was taken by police helicopter to Nassau County Medical Center, where she was admitted in critical condition with head trauma. She succumbed to her injuries and was pronounced dead at 5:18 a.m. Nov. 22.

Both vehicles were impounded for testing. and the investigation is continuing. No charges were immediately filed. Fire at 'Donut Man'

Finally, there were no injuries in a fire which broke out at 448 p.m. Nov. 28 in a va-cant builing at 400 South Oyster Bay Road, Hickville. The building, housing a store call-ed "The Donut Man," was undergoing renovation. The fire, which took Chief Jerry O'Brien and Hicksville firemen 10 minutes to doubte has been termed "suspicione". douse, has been termed "suspicious," and is under investigation by the arson squad and county fire marshal.

Ruben Rodriquez was often seen pushing a shopping cart and filling it with hidden treasures in Hicksville. Over the weekend, Reuben was struck by a pick-up truck and kill-ed. The following is a tribute to our well-known friend by Victor John Lynch.

Song for the Little King

He swaggers with a can-filled cart, frozen

to his gloves, Toiling in shabby divides of avenues, Far from memories loud and full, As orchestras and children's dreams.

Passersby toss him their unwanted coins, Through reluctant windows, shy of summer rain.

When the glass returns and the radio fades.

He paws a tune, drops pouncing his cotton crown

He will fade like an autumn leaf, embracing

Cadenzas, street strings, the gift of horns

passing. Sad clown, sad success, fully possessing. The innocence of an orphan's wish.

Dur Condolences

We're sending our condolences to Ebba (Johnson) McGunnigle and Willie Johnson on the passing of their mother, Aagoth Johnson. She was the wife of the late William Johnson, Mr. and Mrs. Johnson came to Hicksville in 1929 and she lived here until 1985 when she went to Port Charlotte, Florida to live with Willie. They were our neighbors for many, many years and we came to know them well. Mrs. Johnson made the "best" cabbage with caraway seeds that I've ever had. (I've tried to make it often but it never tasted the same). She also made the best lemon chiffon pie. She was a very lovely lady and we used to have many good times with her. I'm sure many of her old friends will be

sad to hear of her passing. She is also survived by nine grandchildren, 18 great-grandchildren, and a sister Esther, who lives in Arendal, Norway.

Two Engagements In One Family

Carol and Stephen Lutz are proud to announce two engagements. Their daughter, Susan Lutz became engaged to Keith Morrison of Glen Qaks. Susan is a 1981 graduate of Hicksville High School and also a graduate of Nassau Community College, She is employed as a commercial artist. Keith is a 1986 graduate of St. John's University. They

plan a Sept. 1989 wedding. In September their son, **John Lutz**, became engaged to **Donna Powdrell** of Great Neck. John is a 1986 graduate of Hicksville High and is currently studying accounting at Nassau Community College. Donna is attending Berkeley-Claremont Secretarial School in Hicksville. No date has been set for their wedding.

IF GETTING A LOT OF CHECKING SERVICES INSTEAD OF A LOT OF CHECKING CHARGES SOUNDS GOOD TO YOU... CHECK WITH CHASE.

Most banks that offer a lot of services with their checking accounts also offer something else—a lot of individual fees.

of individual fees.
But at Chase, you don't have to pay for individual services. And that makes things very easy.

Chase's Unlimited Checking Services. Instead of charging you 25¢ for this and 50¢ for that, Chase checking gives you unlimited check uriting, standard personalized checks, stop payments and certified checks. All for a single \$10 monthly fee. If you maintain at least a \$2,000 average monthly checking balance, there will be no monthly fee.

Unlimited ATM Usage. Included with every Chase checking account, you get unlimited usage of Chase 24-Hour Bank, NYCE, and Plus System locations.

And unlimited checking services is only the beginning of the advantages you get with your Chase checking account.

checking account.

Chase Cash Reserve. This line of credit, attached to your Chase checking account, helps prevent you from bouncing checks. But, unlike other banks overdraft protection, Chase Cash Reserve automatically gets paid backeach time you make a checking deposit, which can save you money by reducing your interest payments.

Chase Cash Back. Now you can withdraw funds instantly—up to \$100—when you deposit a check at an ATM! And, unlike other banks, Chase doesn't require you to have money in other accounts to cover the amount you, wish to withdraw.

CHECK WITH CHASE FREE FOR SIX MONTHS.

Check us out—free of charge for six months.

Correction

Nassau County police erred in reporting details of a traffic accident last October 20, in which two people were injured and one of the drivers was arrested. The accident took place at 4:15 a.m. at Broadway and Old Country Road, Hicksville, when cars driven by Arthur Gerhardt, 20, and Joseph Shannon 27, both of Hicksville, were in a collision.

Mr. Gerhardt received minor injuries and was treated at Central General Hospital. Mr. Shannon was not hurt, but was arrested and charged with DWI. His passenger, Sharon Murphy, 25, also from Hicksville, was treated at Nassau County Medical Center for head injuries.

The lodge's New Year's Eveparty and dance will be Saturday, Dec. 31. Admission is \$45. Featured are noise makers, dinner, continental breakfast and music

Recently we told you about our new kind of entertainment, which was in the nature of the Theatre-Dinner party at the Hunter-don Hills Playhouse. We felt that this activi-ty was something different as far as entertain-ment was concerned. The date was Sunday. Jan. 14 with transportation provided to get to the Playhouse and back. Well, those interested in attending may contact Frank Staino at 349-1577. The cost is \$30 and only 20 openings are available.

Very happy to report that Mr. and Mrs. Pat Dominchello of our lodge are celebrating their 50th wedding anniversary.

THE BANK OF NEW YORK

We're about to give you another reason to do all your banking with us.

Unfortunately your banking needs don't always automatically end at the end of your workweek. Which is why The Bank of New York has just recently extended its own workweek.

In fact, we have more branches open on Saturday than any other bank on Long Island.

Full-service banking on Saturdays.

But what makes Saturday banking at The Bank of New York even better is the fact that, unlike many other banks, we're offering all of our services during these extended hours. Giving anyone who works Monday through Friday more time to take care of the things that take a little more time-like opening a checking account or taking out a loan.

More hours in which to get a 60 minute loan."

Of course, when it comes right down to it, you won't need to set aside much time at all for a personal, auto, boat or home improvement loan. Because, with our new 60 Minute Loan,™ in most cases you'll get an answer in 60 minutes or less.

Just visit The 60 Minute Loan Center™ at any one of our convenient branches. Or call Action Phone at 1-800-942-1784 for more information or to apply for a loan.

More branches, more hours and more services. They add up to some very good reasons to talk to The Bank of New York. No matter what day you do your banking.

Letters From Our Readers

Letters to the editor are welcomed by the editors and publishers of the Anton Community Newspapers. However, they must follow certain guidelines in order for us to print them: they should be as short as possible, we reserve the right to edit in the interest of space, they MUST be signed (a typed name at the bottom will not suffice), they must include an address and telephone number so that we can verify their authenticity. We receive many fine letters which we would like to share with our readers, but we are unable to use

them because they are unsigned or have a typewritten name only.

We cannot publish every letter we receive because of space limitations, but we try to present both sides of all issues. Personal attacks and letters considered to be in poor taste will not be printed.

To The Editor:

I would like to express my sincere thanks and gratitude to the people of the Town of Oyster Bay and City of Glen Cove for electing me to the position of Judge of the District

As Llook forward to continuing my career in public service in another capacity, I must admit that I will miss serving the residents of Oyster Bay as a councilman. However, I assure you that I intend to serve the judiciary with the same zeal and dedication as I have over the past 15 years as an Oyster Bay Town Councilman and will do my utmost to justify the trust you have once again placed in me.

Again, my heartfelt thanks to you all. Kenneth S. Diamond

To The Editor:

I read with great interest the cover story ("Hicksville Residents Concerned About Loss of Trees Caused by Road Repairs") of last week's edition of the Hicksville Illustrated

The loss of trees throughout the Town of Oyster Bay is a major concern of mine. In the infancy of suburbia, many homeowners took pride in their communities and planted trees to line our roadways. Today, these trees have reached maturity and are unquestionably beautiful. However, many of their large root systems have damaged roadways and sidewalks. These trees have caused highway dramage problems and unsafe con-ditions for our pedestrians. In the interest of safety, the Town must frequently remove

many of these curbside trees.

To ensure that trees are replaced in areas involved in highway reconstruction projects, such as the Hicksville Gardens and Northwest communities of Hicksville, I am directing the Department of Public Works to replant trees, wherever possible, with species that have root systems which will not damage curbing and sidewalks.

The Town Board and I recognize the need for effective care and preservation of Oyster Bay's tree resources. We have established a Town of Oyster Bay Tree Management Commission. The responsibility of the commission will be to study, investigate and make recom-mendations to the Town Board concerning the care and preservation of trees and shrubs in parks, along streets and in other public

Lurge residents to assist me in preserving suburbia by planting new trees on their pro-perties. Trees should be planted away from sidewalks so that we do not have the identical problems some 20 years from now that we are presently encountering. However, if residents prefer to plant curb side trees, the Town will issue a permit and make recommendations for species with deep root

Obviously, the Hicksville residents and I share the same concerns. You can be assured I will work diligently to preserve the aesthetic character of our Town

Police Report

The Second Precinct has reported the following:

November 20- A window was damaged during a break-in that occurred at a park on West John Street. No loss was reported.

 November 21: A business was burglarized on North Jerusalem Avenue. A cash register and cash were stolen.

The Eighth Precinct has reported the following:

Financial Aid Night At Hicksville High School

The Counseling Center at Hicksville High School is sponsoring Financial Aid Night on Monday, Dec 12at 73op.m., in the high school auditorium. The theme of the program is "Dollars For College: Where To Find Them, How To Get Them." The guest speaker for the evening will be Joseph Sciame, Vice President for Financial Air and Student Recruitment at St. John's University, New York,
Recent headlines imply that finding money

for college is becoming increasingly difficult, yet there is money available in the form of scholarships, grants, and financial aid for almost every family. How does a family learn what program they should apply for and how much money they might be eligible to receive? The anwer is in knowing what you have to do...when you have to do it. and how to do it right the first time.

The applicants, Serge deLoutsky, Anita Lo and Joseph Adragna, were seeking a change of zone from 'D' residence district to 'R-O' residence-office district, for a parcel located on the east side of Newbridge Road, south of the intersection formed by Newbridge Road and the southside of Old Country Road. Newbridge Road, Ockersaid. In approving the application, pursuant to a public hearing held on March 15, 1988 the Board imposed 18 restrictive covenants.

Among the covenants are requirements that the exterior of the building, the parking area, fencing and landscaping areas are to be kept in a neat and clean condition and the lawn be properly maintained. Hours of opera-tion for all office use will be limited to 9 a.m. to 6 p.m., Monday through Saturday, and must be closed on Sunday. The Board also stipulated that there will be no neon, rotating or illuminating signs installed on the premises, and that no lighting shall penetrate from the property onto residential homes or neighbor-ing parcels. All outdoor lights shall be extinguished no later than 11 p.m.

With regard to office use, the board main-tained that the use of a real estate office is restricted to permit no more than four (4) per-sons, clerical or professional, to work on the premises at any one time. The premises may be used for one other additional use provided that the second floor is used solely for residential purposes and that no medical or medical-related office is permitted.

Additional covenants required that the main entrance to the premises faces First Street, and that debris, garbage and refuse shall be stored in covered garbage containers.

"No building permits or certificate of oc-cupancy will be issued," Ocker said, "until a site plan' has been submitted and approved by the town board."

Restricted Permit is Approved For Chemlawn

The Oyster Bay Town Board has imposed 16 restrictive covenants on a special use per-mit granted to Chemlawn in Hicksville, according to Town Councilman Douglas J.

The applicants, Sante Nicolia and Chemlawn Services Corporation, requested the special use permit to operate a tree, lawn, shrub care and maintenance business in an 'H' industrial zone located on the east side of Charlotte Street approximately 280 feet south of the intersection of Charlotte and West John Streets in Hicksville, Hynes said.

In granting the permit, which was the sub-ject of a public hearing on June 14, the town board prescribed 16 restrictive covenants to ensure that the business will be operated and maintained in an orderly manner.

Hypes said that among the covenants, the board is limiting the use and occupancy of the building to a single tenant and prohibiting any expansion from its present size. The Board also stipulated that all loading opera-tions must be conducted within the building. With regard to storage of waste and debris.

they must be kept in closed containers fenced in on three sides. Garbage pickup is limited to between the hours of 10 p.m. and 8 a.m. All Chemicals must be properly stored and dispersed in accordance with state and local

Other covenants state that no exterior audio communication system will be permitted, all exterior lighting must be directed only at the subject premises, and all signage must conform to Town specifications. In addition, parking is restricted to designated areas on the property leaving driveway areas free at all times for customer traffic as well as fire and emergency vehicles.

Hynes noted that no certificate of occupancy will be issued until a site plan has been submitted to, and approved by, the Town Board. The plan must be to scale and show the location of all buildings on the pro-perty, all access and egress, landscaping, the layout and striping of all parking areas, the location of dumpsters, signs and lighting, and any other information requested by the Department of Planning and Development.

The Hicksville Republican Club will hold its annual holiday party on Tuesday, December 6 at the Hicksville V.F.W. Hall, 320 South Boardway, Hicksville. The party will

begin immediately following a brief member-ship meeting at 8:30 p.m.
Please note that the holiday party and December General Membership Meeting has been rescheduled to Tuesday evening. There will be no meeting next Friday evening.

We invite all club members to join us and celebrate the holiday season. There will be plenty of delicious food and cocktails available. Even Santa Claus won't pass up this

Members wishing to participate in the grab bag are asked to supply gifts of no more than is in value. Ladies should bring gifts for other ladies and gentlemen should bring gifts for other gentlemen.

The purpose of the preceding membership is to adopt the 1989 annual dues rate and to hear the report of the nominating committee. The proposed rates are: Husband & Wife \$10.00, Individual \$8.00.

Senior Citizen Husband & Wife \$7.00 (only one need to be at age 62 prior to January 1st) Individual 16.00.

KEN BAUMEISTER (LEFT), driver for Little Flower Children's services in Wading River, loads up 30 turkeys at the Postal Service's Mid-Island Mail Processing Facility. He is assisted by Tony Micalizzi (center) postal clerk, and Herb Lippert, postal supervisor and Turkey Drive Coordinator. Post Office employees at Hicksville and Mel ville raised over \$2,500 to purchase 350 turkeys which they distributed to 14 social service agencies throughout the metropolitan area.

Dream Auction March 4 -

The Hicksville High School Comets Marching Band will hold a Dream Auction March 4 (not Dec. 3 as originally publicized) to help raise money for the band's trip to Disney World in the spring.

The public is invited to attend the auction

Kid Picture Program

The Kid Picture Program, sponsored by the Nassau County Police Department's Community Affairs division, was repeated again this year at Willet Avenue School.

The volunteer program got one hundred percent participation from parents because of the extra safety factor for their children.

Presidential Election

The students at Willet Avenue had the opportunity to cast their ballot for the next president of United States. The students participated in the mock election on the day before the actual election. Willet's Board of Elections was responsible for registering the children and they were quite pleased that go percent of the student population voluntarily registered.

After the votes were tallied, the results mirrored those around the country. George Bush defeated Michael Dukakis, 127 to 74. An informal poll of the children showed that they preferred Mr. Bush because of his stands on crime and defense.

The Board of Elections (Steve Gansrow, Eugenia Michalos, Angel Jim) verifies Danny Varmaz's signature before he allowed to enter the voting booth.

Halloween Fun

As the sounds of horror echoed through Woodland's school P.A. system, Halloween festivites began.

Two Woodland Avenue students show their costumes to parents.

Students marched through the halls with screams and screeches which set an appropriate atmosphere for the original, colorful, and sometimes frightening costumes. To

The parade continued outside around the school grounds where parents viewed witches, clowns, ghosts, goblins and scores of other terrific costumes.

After the parade, the children returned to their classrooms where they continued the fun with Halloween goodies and games.

Student Bingo

Woodland Avenue PTA held bingo after school recently. Primary grades stayed after school necently. Primary grades stayed after school and played until 435 pm. Grades four, five and six returned to school at 415 and stayed to play bingo until 5pm. Children paid 5c cents to play and these funds were used to buy prizes for the winning children. The winners were Thomas Tyson, Tara Strazzeri (two games), Christopher Marvelli, Emmanuel Pothos, Ricardo Aballery, Melissa Green, Jennifer McDonough, James Werchensky, Harriet Andronikides, Laurie Zeller and Lauren McCarthy.

The help of the parents and older children who helped the very young students was greatly appreciated.

Sixth graders playing bingo are Yiola Baran, Beth-Ann Barozie, Lauren McCarthy, Amy Edlind, Dawn Kotowitz and Dina Hordern.

Marcia Specht's special education class also enjoyed playing bingo. Pictured is Albert Kim, Donald Wicks and Joshua Moy.

From Fork Lane.

"Whaling" By Scott Schuhert, Grade 6

Recently, Mr. Bergeron's and Mr. Maiorino's sixth grade class from Fork Lane School went to the Whaling Museum in Cold Spring Harbor. We learned to make scrimshaw. After we made scrimshaw we went to the fascinating museum. The directors of the museum were very nice. We did worksheets that would help us understand about whales. They even had a real whale head there for us to see. The trip was very eduational. The Whaling Museum was one of the finest museums I ever saw. Ms. Bergeron's class and Mr. Maiorino's class

would like to go there again because it was so much fun. Safety Town

Mrs. Gribb's Fork Lane third graders visited

Safety Town in Eisenhower Park, East Meadow. All the third graders received a diploma for attending the course.

Safety Town is a simulated village complete with buildings, paved roads, sidewalks and traffic control devices.

The children are given both classroom instruction and outside experience in bicycle and pedestrian safety, and are made aware of the traffic hazards that exist. Small electric cars and bicycles are operated by the children. Through the use of traffic control devices—such as traffic signals, "walk" and "don't walk", stop signs, and one-way street signs and under the direct guidance of a police officer, the students receive experience in realistic traffic situations.

Christmas Parties

The Joseph Lamb Council No. 5723, Knights of Columbus, will hold three separate, different parties to celebrate Christmas festivities during the month of December. All of the parties will take place in the basement of Our Lady of Merey School in Hicksville.

On Sunday, Dec. 4, a party will be held for the "Exceptional Children" of Our Lady of Mercy of Hicksville and also of St. Pius X of Plainview. The party will begin at noon and will last until 4 p.m. Santa Claus will be visiting and each exceptional child will be presented with a special gift. Food and soda will be available.

The Lamb Council will hold a Christmas

party for the children of the members at the council on Sunday, Dec. 11 from noon to 4 p.m. A special arrangement has been made with St. Nick to visit. Every child at the party will receive a gift and plenty of food, candy and soda will be available.

Finally, the council will hold its adult Christmas party on Friday, Dec. 10 at 8:30 p.m. for all members, spouses and girlfriends of the council. A real lively time is anticipated, which will include not only plenty of food, drinks, candy and good fellowship-but a Christmas "singalong" led by Deputy Grand Knight Josef Ort. Whether Santa can make event is in doubt, but an effort will be

made to obtain his presence.

Elks Pay Tribute to Deceased Members

On December 4, the Hicksville Elks will hold their annual Memorial Service at the lodge to pay tribute to those members who passed away during the year. This is a service that is held in all Elk lodges throughout the country. The primary reason is to impress

upon the families of the deceased and all members of the order that according to the Elks, "Living or dead, an Elk is never forgotten, never forsaken..." The service is held at 3 p.m. and followed by a dinner.

What holiday gifts come in a wide price range, offer@no "what size?" problems, and receive enthusiastic appreciation from almost every recipient? Wines and spirits, of course!

One or two bottles of a nice wine, at any price level, is an appropriate gift for almost anyone your list. For gift purposes, choose a 750 ml. bottle of a better wine over a large container of a lesser wine. It's a compliment to the giftee.

Something lavish? A bottle or two of an exquisite or rare wine. Or a case of something more reasonable if you think your friend would prefer it. A basket of elegantly wrapped wines looks impressive.

Even those friends and relatives who wouldn't think of opening a bottle of wine to accom-pany dinner would appreciate a bottle of sherry or a cordial to enjoy on special occasions. Ask our staff to show you some selections!

Crafters from all around the country, as well as local Long Islanders are represented. Maine, Vermont, California, New Jersey and Pennsylvania are just some of the areas from where these crafters hail.

Now entering its second year, collective crafts has been well received by the neighborhood, as well as surrounding areas. Owners, Stacy and Ivan Fried, are "excited and very optimistic about the future," and their

Originally conceived as a craft shop which would feature unique and hand made gifts and collectibles; antiques have become an important part of their business. "We're very well connected to the antique marketplace, with a steady and consistant source of supply," explains Stacy, who ap-pears to be quite knowledgeable. Featur-ing mostly Oak from England and pieces of character, the store receives deliveries aproximately every 8 weeks. In addition, they follow auctions as an alternate source and buy pieces which meet a specific criteria.
"The antiques must be of good quality country, specialties are featured, with new wood—preferrably Oak; in good condition, items constantly being added. Custom somewhat unique and priced right for fast orders for both dried and silk flower arrangements are created as well. Shopping thusiasts a good deal and create a strong and the strong and loyal following. Our objective is to keep turning products at fair prices and then reinvest in new pieces," states Ivan, Only a visit to this charming shop will

serve to illustrate why their customers are so enthusiastic. The enjoyable shopping atmosphere created by its owners, as well as their selection of products will please most everyone. Stop by Collective Crafts at 152 Post Avenue, Westbury and see for

You'll find it all at Chelsea Mansion on Muttentown Lane in Muttentown. This se and annual extravaganza of holiday decorating and gifting ideas is sponsored by

Friends of Long Island's Heritage.
Visitors will be entranced by the historical mansion itself, a turn of the century English manor set on exquisitely landscaped grounds and preserved by the Nassau Coun-ty Department of Parks and Museum Sertromp d'loile murals, nooks and corners are tilled with holiday delights for children of all ages, shoppers of all moods.

Prancing carousel creatures are harness-ed to a sleigh full of winter greenery and bright holiday packages, impatiently awaiting their driver (guess who?) to begin their an-nual world-wide journey. Six-foot tall wooden soldiers stand cheerful guard at the mansion's entryway as you begin your journey into a land full of sugarplum fairies and nutcracker fantasies, of sparkling lights and dazzling designer trees.

The Nassau County Dept. of Museum Services is preparing an extraordinary exhibit of antique dolls, toys and artifacts...a retrospective of American ingenuity at its playful best. A rare collection of painted wooden carousel animals...zebras, roosters ponies, billy goats and reindeer...prance gracefully along a hallway, recalling the long ago carnival sounds of a steam calliope, the excitement of catching the brass ring and winning a free ride on the merry go round.

A host of top interior designers, artisans, floral designers and craftsmen are creating holiday settings and displays to excite your imagination, tickle your fancy and get you in the mood for Holiday '88 (of course. everything is for sale!).

Merchants from all over Long Island have gathered an exotic collection of gifts and created delightful boutiques in which to show off their unique bibelots...perfect for your family, your friends, for your home and your self, and just in time for your holiday

shopping Holiday '88 will open at Chelsea on November 25, will be open to enchant you through December 11. Call 624-8450 for complete details.

Neighbors in Need

IN KEEPING WITH THE HOLIDAY SPIRIT, Anton Community Newspapers has joined with local chapters of two charitable organizations to bring Holiday cheer to our Neighbors in Need. We are proud to announce our partnership in this effort with The Salvation Army, whose well known street comer kettles are an integral part of the Christmas scene, and with Make-A-Wish, which is relatively new to the community for sharing.

WHY DO WE GIVE? We give because we remember the true meaning of the holiday season, and want to be part of it. We give because we know that there are people less fortunate than ourselves, and we recognize a duty to help. We give because others have shared what they had with us, and now it is our chance to give back.

We give because it is inescapably in our hearts to do so.

WHO ARE OUR PARTNERS?

The Salvation Army aids needy families and elderly and homeless people at Christmas time as part of its broader mission to "care for the poor, feed the hungry, clothe the naked; love the onlovable, and befriend those who have no friends." It was started in the 1800s in England, and spread rapidly around the world to become a world renowned institution dedicated to helping others. Typically, families receive checks from the Army for food for their own, home-cooked Christmas dinners, and for toys and clothing for the children.

The Make-A-Wish Foundation is an international non-profit, volunteer organization dedicated to granting wishes of children with life-threatening illness. The first chapter was established in 1980 after police officers in Arizona granted a little dying boy's wish to be a policeman by presenting him with a custom made uniform, helmet and badge. In Nassau County, Make-A-Wish has fulfilled nearly 300 wishes since it was founded in 1983. The wishes that are fulfilled are as unique as the children themselves, and are limited only by the child's imagination.

Here at Anton Community Newspapers, we're proud to be partners with The Salvation Army and Make AWish in this year's effort to bring holiday cheer to our Neighbors in Need. But we still need one more member to make our team complete—You.

egionnaires' Log

By GREG BENNETT Charles Wagner Post #421, Hicksville

We extend our thanks to the Masonic War Veterans for hosting the Hicksville Veterans Day Service. Veteran's Day is a proud tradition as a grateful nation and community remember our veterans.

The Veterans Administration reports the only surviving veteran of the Spanish-American War era is Nathan E. Cook, 103, of Tempe, Arizona. Recently Samuel Leory Mendel, of Galva, Illinois, died on July 14 at

the age of 104.

Don't forget the American Legion Aux iliary gift shop to be held from 9 a.m. to 3 p.m. on Dec. 1, 2, 3 at Northport VA, Building -5. Auxiliary members and Legionnaires let a hospitalized vet select a Christmas gift. The selected item is gift wrapped and presented to the veteran. If you have a few hours to give please help to show we care.

Saturday, Dec. 17 is the Christmas party for the 330 veterans at the Kings Park Psychiatric Center, December 7 is the Christmas gift wrap at the Carle Place Post -144 at 8 p.m. Gifts will be distributed on December 14 at 7:30 p.m. at the Juvenile Detention Center on Old Country Road in Westbury. On Saturday, Dec.

17, gifts will be distributed at the Long Island Development Center, Let's support our Nassau County Committee and County Commander by being active this holiday

Last column I forgot to mention the hard work VC Al Cinotti did to prepare for our re-cent Kings Park visit, Thanks, Al.

If you haven't paid your membership dues please do so as your dues support Legion

programs. Veterans: we need you so we can continue to serve our fellow vets. Please consider joining American Legion Post 421. Make your voice count. Show your concern about the VA and our POW-MIA's. Show you care for your brother and sister veterans. We meet the first and third Monday of the month in the annex of Holy Trinity Greek Orthodox Church at 20 Field Avenue, Hicksville. The Legion offers friendship and care for veterans and their families. Meetings start at 8 p.m.

House Calls

By Edith Lank

Ballpark Figure on Rent

Dear Edith: A short time ago your column indicated a ballpark figure for the rental of property. It was indicated as a percentage of current market value. I have misplaced this article. Could you give me the information?-Mr. B.

You didn't read any rule about rent as a percentage of value here. That's not how percentage of value here. That's not now rents should be set. Many years ago, when life and real estate were both much simpler, a rough rule of thumb indicated one percent of value per month. If a house was worth \$120,000, it might rent for \$200.

That rule is long outmoded, though. To set rents today, put yourself in the prospective

tenant's shoes. How does your price compare with what's available down the street? Supply and demand in the open market determine

the right figure. Then, if you haven't bought the place yet, calculate whether the rent will enable you to meet expenses, including something for long-term repairs, vacancies, and lost interest on your cash invested.

I will give you one rule of thumb: if the place won't carry itself—don't buy. Not with today's income tax regulations.

Selling Home at a Loss

Dear Edith: My husband is 65, I am 56. We bought our home in 1942 for 84,200, put in out \$15,000 in improvements over the years, then sold it last year for \$15,000. Neighborhood deteriorated. Can we claim a capital loss?-Mrs. D.W.

A loss on the sale of your own residence cannot be claimed on your income tax return. This is in return for those special tax benefits-which are of no use to you, unfortunately-when one's residence is sold at a profit.

Waiting on Points

Dear Edith: I am refinancing my home mortage with a VA loan. All the paperwork is completed and I am waiting for the points to go down before going to settlement.

My question is: What organization sets the loan discount points, and is there a telephone number a potential borrower like me can call daily to determine the number of points for that day? Or am I at the mercy of my mortage company to keep me informed?— Mr. A.L.

I'm afraid the number of loan discount points is set by your mortage company—it's their own policy. The only item beyond their control is the interest rate on a VA loan; that one is still set by the federal government.

Are you sure your loan agreement gives you the right to close at the number of points your lender is currently quoting? Better make sure. And watch out that your loan commitment doesn't expire before you get around to settling.

Wants to Meet the Widower

Dear Edith: I am a widow, raised five children, paid off all my debts, own my house free and clear. I am coming to you as one

woman to another, one human being to

I noticed in your writeup last month a widower who sounded like he has a sense of humor. I hope you don't think I'm being bold or silly. Would you kindly give me the 70-year-old widower's name and address? I would like to introduce myself and get to know him by correspondence. If we do meet and get to like each other because of your understanding I will let you know. God bless you.-Mrs. C. D.

Readers often write to ask if they can contact people whose letters have been published—about an unsaleable desert lot in Arizona or a condo being foreclosed in Houston, I've had to made it a rule never to put people in touch with each other. I do wish

you good fortune. When you sell your home, special tax breaks are available for homeowners of any age, and for those over 55. For a copy of House Call's leaflet on the subject, send 11 and a stamped return evelope to TAX TIPS, 240 Hemingway Drive, Rochester NY 14620. Edith will also answer any letter with a return envelop.

Pioneers Defeat Port Washington Blazers 1-0 Goalies Schwartz and Latini Make 15 Saves

By Jay M. Schwartz

The 1977A Pioneers of the Hicksville American Soccer Club beat the Blazers 1-0 at their soggy field on Saturday, November 19.
The Pioneers controlled the ball from the

as the range of the sale of th

reached out and scooped it up.
The momentum slipped slightly at about the sixteenth minute. The Blazers dominated the sixteenth minute. The Blazers dominated the ball, passing easily to one another. The Blazer shirts filled gaps in the Hicksville zone and took a dozen shots on goal. Goalie Jonathan Schwartz picked off their best attacks and shut them out with 10 saves. Two shots went wide but others were kicked right. in and Schwartz smothered them. It was muddy and slippery and although the attacks came from different angles, Schwartz remain-

The Pioneers rallied and went for a score. Ricky Ladimir touched the ball nicely to Peter Titone, and he took off. He ran and shook off a player but his shot went wide. Richard Wer chenski took a pass from Danny Wolchok and ran the left sideline. He dribbled but the ball went far ahead and the goalie came out and grabbed it in. Two corner shots were taken against the Pioneers who had trouble clear-

The half was almost over but the Blazers attacked again. Joseph Matz, the stopper, was worked hard as the defense could not keep the passes from getting through. Jonathan Schwartz was there and caught two quick shots. One indirect sailed over the defense, but Schwartz caught it and held on tightly.

Gregory Latini was in goal next and had a total of five saves. This keeps the team's total goals allowed at five. Right after the whistle, a handball was called against the Blazers. Sean Flanagan sent the ball in, Ladimir took the popped pass and shot it right away. The goalie could not control the ball. Werchenski went for the rebound and scored one in the right corner, for the teams' 30th goal this season. Later Schwartz passed the ball to Titone and he dribbled up field. He shot the ball hard but it was caught. Timmy Dalton stopped a goal kick and shot it back but it was wide.

The game was almost tied near the end when Latini came out for an attack. He desperately tried for the ball but only deflected it into the box. Schwartz slid and kicked it up from under the feet of a Blazer. Russell Brousseau cleared the ball up field and

reversed the play. Joey Florio, Robert Ilsley, and David Nelsen were under pressure all day and worked hard in their defensive positions. Congratulations to the sponsor, Westbury Federal Savings and Loan and the players for another win for this still undefeated club

Raiders Beats Oceanside 4-0 in Season's Final Game

By Frank Baglieri

With much anticipation, the Hicksville Americans Soccer Club-1978 Raiders visited Oceanside for the final game of the fall season. One of the priorities was to maintain ball possession for most of the game. The Raiders certainly did that. In fact, Oceanside had only one shot on goal the entire game. The keepers, Ryan Ferraro and Paul, Oliva, combined for the 4-0 shutout. Every attack was a total team effort started

by the backs, Chris Allen (sweeper) and David Koehn, Nikitas Koroneos (stopper) and Ferraro Oliva. They patiently brought the ball forward and quickly gained support by the midfielders, Nicky Riccardi (center half), Brian Gallahue, Michael Baglieri and Edward Puerta. Puerta made a good trap on an Oceanside goal kick and passed one touch to Kenny D'Introno playing left wing, who in turn gave one back to Riccardi. His shot went into the corner just out of the reach of Oceanside's keeper. In the closing five minutes of half, Koroneos beat several opponents, turned one

over to Riccardi and in it went again.
The second half again was a display of constant pressure by Hicksville. D'Introno, on wing, centered one for Susan Accardo (striker). Again, quick trap and one touch into the net. Finally, Jim Powderly (wing) in-tercepted and errant pass at the center line and passed to Koroneos. He once again dribbled up the middle, passed to Jeff Reinhardt (wing) who returned it and Koroneos scored.

This game is not the real story. It's been a funchallenge bringing this team along. They

started very slowly, but once they got to know each other and the system used, they progressed nicely.

In the last four games, they won three and tied one, allowing only one goal. Their record improved to 4 wins, 4 losses and 2 ties. The spring season should really be rewarding. If you're ambitious, looking for team spirit and have a desire to excel (and born in 1978),

just call Steve at 681-6144.
