Hix Gearing Up For Business Expo '92

By John W. Garger

The Hicksville Chamber of Commerce has been getting ready for its Business Expo 1992 and expects this year's to be as successful as the first.

The business expo, its second year open to the public, will bring together over 50 Hicksville Businesses to exhibit their products and services to shoppers at the Broadway Mall on Sunday, June 14. Some of the exhibitors will include banks, realtors, florists, caterers, computer specialists, contractors, and professionals.

The Business Expo is "a place where businesses can showcase their merchandise to the Hicksville community. It will remind people what services are available in Hicksville; in their own backyard," said Chamber President Beth Dalton. She expects this year's Expo to be even more exciting than last year's. There will be a half dozen clowns; Omen, the walking, talking, singing, and dancing robot; the Second Chance Swing Band; raffles; and lots of balloons for everyone.

Local businesses will not be the only exhibitors at the Expo. Many service organizations and community groups will be represented. Groups like the Youth Council,

HICKSVILLE businesses displayed their products and services to shoppers at the Broadway Mall at last year's Business Expo. The Hicksville Chamber of Commerce expects this year's to be just as successful. Mark your calendar for June 14.

Rotary, Lions Club, and the Kiwanis will be there to answer any questions you may have. Also present at this year's Expo will be the Hicksville Water District, the Public Library, and the Post Office.

Many people in the community turned out for last year's event and the Chamber expects to draw people from all over Nassau County. As the economy picks up this can be the boost that businesses and consumers need. "In a recessionary period people's needs are increased, so the Expo helps them find those needs," said Dalton.

The theme for this year's Expo is "American Pride" and by no coincidence it falls on Flag Day. Therefore enabling everyone to celebrate Flag Day and the American Entrepreneurial spirit.

The Chamber of Commerce tries to promote business and provide services to the community. The Expo accomplishes both. Any money collected the day of the Expo goes towards the Chamber Scholarship Fund. The fund provides a local student, who exhibits local service qualities, with a scholarship.

The Broadway Mall has really been supportive of the Expo and they have shown an interest in the community according to Dalton.

Supervisor Willing To Work With People

By John W. Garger

Hicksville residents were given the chance to "Meet Your Town Supervisor" when Lewis J. Yevoli held an informal meeting in the Community Room of the Hicksville Public Library on Wednesday, May 27.

The purpose of the meeting was to give residents a chance to voice their concerns, tell of problems in the community, and to give the supervisor suggestions on how to improve the quality of life in Oyster Bay. As Yevoli said at the beginning of the meeting, "The purpose of these meetings is not so much for you to hear from me, the Town Supervisor, but for me to hear from you." Also present at the meeting were Town Councilmen Leonard Symons, Leonard Kunzig, and Tom Clark; Town Clerk Carl Marcellino; and Long Island Rail Road representative Mike Charles.

Most residents brought up specific problems concerning their neighborhood or Hicksville in general. Although most of the situations brought up would have to be investigated the supervisor gave his assurance that something would be done. One local concern involved an alleged prostitution business being run out of a South Broadway business. The resident who brought this situation to the supervisor's attention said that the police had been notified and that

they were working on it, but the problem has persisted for a long time. Both the supervisor and Councilman Kunzig said that it is a police matter and that in order to shut down a business for good, a lot of undercover work has to be done. Councilman Kunzig noted a similar situation in Plainview that was successfully handled after a year of investigation. The supervisor offered to try to intervene by contacting the owner of the property.

Another long time Hicksville problem was raised by a business owner. He wanted to know what was being done about the zoning problem in downtown Hicksville. The supervisor turned the question over to Councilman Clark who said that the Town is in the process of hiring a consultant to rezone the GI area and also the land parallel to the railroad tracks. He said more information would be available in the future. The supervisor then suggested that a citizens advisory committee should be formed.

The condition of several properties was also brought up by residents who asked if the Town could do something to force the owners to clean them up. One such property was the site of a former auto dealership on Plainview Rd. The resident complained that there was graffiti, broken glass, a fallen pole, and that there used to be an abandoned vehicle. The woman was concerned because

"When people come to Hicksville, this is what they see!" She asked about the possibility of having the owner put up a fence. The supervisor explained that the Town cannot order the owner to put up a fence, but his office had been in contact with the realtor and had the vehicle removed and instructed the owner to cover the graffiti, which they are bound to do by law.

Town-wide and county-wide issues were also brought up. Yevoli mentioned that the contract for garbage hauling was negotiated at a lower rate than the previous contract at a savings for the town of \$6.9 million dollars. He also mentioned that the Town was looking into having other towns, that have incinerators, take our garbage. He said that the Town is considering an offer made by the Town of Hempstead. The supervisor had previously mentioned that the Town of Oyster Bay was in sound fiscal condition. The town's portion of the real property tax will be lower than last year. Although he warned not to expect to see deductions in the overall property tax because of the county and school portions.

The supervisor also fielded suggestions concerning street safety in Hicksville. He was told by residents that certain areas warrant reduced speed zones or longer traffic lights.

SUPERVISOR YEVOLI was in Hicksville on May 27 to hear residents' concerns and suggestions to improve the Town of Oyster Bay.

Long Island's Big Business: Biotech

Economic Times Looks At Fast-Growing Industry

Biotech is quickly becoming one of Long Island's biggest businesses with large and small firms throughout the region "turning genes into jobs," according to the cover story of the June 12 *Economic Times of Long Island*.

In the issue, the business publication takes a close-up look at science and industry on Long Island today and how employers, employees and investors can cash in on research and development.

Economic Times examines the biotech industry from a variety of viewpoints. One article examines how businesses can get what's in the lab out on the market, with several start-up biotech companies offering their ideas and successes.

There are also articles on what investors should look for when getting involved in a biotech business, where businesses can look for financing and what career opportunities are available in the industry.

Other aspects of the cover story include a look into the legal issues as they relate to science and technology as well as the international connection, the partnering of Long Island firms and businesses with those from other countries.

In addition to the indepth reporting on the biotech industry, the June 12 edition of *Economic Times* will give readers a report

from the President's Roundtable on defense and industry, a profile of the director of the Brookhaven National Laboratory and strategies for small businesses from the Newbridge Consultation Center, an employment counseling firm.

In the "Managing to Survive" column, a regular feature of the *Economic Times*, the focus is on the questions patent attorneys hear most frequently.

The June 12 "Insider" features a look at health care and hospitals, a legislative proposal that may make insurance more affordable for small businesses and a study indicating possible savings through Long Island health care reform.

Economic Times also regularly features a business calendar for the region, stock market report, real estate watch and viewpoints from prominent Long Island business leaders and officials.

Letters are welcomed by the *Economic Times*. Correspondence to the business publication should be sent to 135 Liberty Avenue, Mineola, NY 11501.

Copies of *Economic Times of Long Island* are available on select newsstands.

The program, sponsored by the Department of Energy, is designed to update science teachers on the current status of various research programs. This work/study program provides a weekly stipend as well as graduate credit, familiarization with research equipment, and daily communication with top researchers and professionals. Mr. Kratchman will work on four particular research programs in the chemistry department.

Peggy Gibowski

Wins Car

Mary Kay Cosmetics Independent Sales Director Peggy Gibowski of Coram has been honored as one of the company's top achievers in recognition of leadership abilities and sales achievements. The company awarded Peggy the free use of a pink Pontiac Grand Prix Le Sedan. This is the fourth car won by Peggy as a sales director for Mary Kay.

Peggy is the daughter of Mr. and Mrs. Donald J. Buckley, who have been residents of Hicksville for 40 years.

Resident: Director Child Life Program

Leah Howley, MA, CCLS, of Hicksville, Director of the new Child Life Program at Winthrop-University Hospital in Mineola, joined the hospital recently to provide pediatric patients with therapeutic play and activities designed to meet their unique emotional and developmental needs. Her goal is to change the experience of hospitalization from a stressful one to one that enhances the growth and development of pediatric patients.

The Child Life Program allows children to gain a sense of mastery and empowerment they often lack when undergoing medical treatment. "It's important for children to have the opportunity to express their feelings, anxieties, and misconceptions about illness and hospitalization through play and other activities" said Ms. Howley. As these feelings are observed and identified, they can be dealt with in a way that is developmentally appropriate for the individual child."

Ms. Howley has earned a Masters degree in Early Childhood Education with certification in Child Life programming from Mills College in Oakland, California, and the Child Life Certifying Commission. She has been a member of the Child Life staff at Montefiore Medical Center and Schneider

Selected To Advisory Board

Frank X. McDermott, a Hicksville resident, has been selected by Central General Hospital for its Community Advisory Board. The board, made up of distinguished area residents, works with hospital officials to insure that outstanding health care is provided to the community it serves.

McDermott was named as the new secretary/treasurer by Robert Bornstein, Administrator of the hospital. McDermott is a certified public accountant and was vice president of finance and administration for Hartman Systems in Huntington Station. He has served on the board of directors for Central Nassau Guidance and Counseling Services and is currently an adjunct professor at the State University at Farmingdale.

"The group of physicians who started the hospital recognized the need for a community hospital to serve the medical needs of a rapidly expanding population. Our Community Advisory Board is able to help us meet the needs today by keeping us in closer touch with the changing needs of the area," said Bornstein.

Drum Corps Remembers The Past

By Julie Janovsky

"The whole night is going to be memories. We're all going to be crying; I know it," predicts Carmen Cluna as he went to hug a former student. "Mary Ruggio, is that you?" "It's Blato now, Mr. Cluna," she said with a grin. Mary Blato was excited. The moment had finally come; St. Ignatius All Girls Drum and Bugle Corps reunion was underway.

Coming from as far as Texas, California, and the Dakotas, former members returned to Hicksville for a night of nostalgia. "Part of our life growing up was being in the St. Ignatius Drum Corps," said Maryanne Smith as she glanced at the trophies, banners, and memorabilia adorning the room.

The Corps founder, Tom Costa, made the memories possible. Costa, who in his career has taught over 100 Corps and 10,000 kids, came to St. Ignatius back in 1958. According to Barbara Edell, an original member, "we were pulled out of class. There was an announcement made that all girls in the sixth, seventh, and eighth grades were to report to the auditorium. We had no idea what it was about. Tom Costa said it was going to be hard work and drills. We thought it was going to be like the Marine Corps." The newly formed corps debuted on Memorial Day in homemade uniforms the girls sewed themselves. As Edell reflects, "the first parade we had no instruments, we just had our uniforms. We were ten years old and marching in the Memorial Day parade and thought it was the greatest thrill."

Through the years great thrills turned into great accomplishments for the corps. Tom Costa trained the girls to read music, play instruments, and perform. We wanted to turn them into a competition corps, Costa recruited a former pupil Carmen Cluna. Cluna, who Costa regards as one of the three top corps instructors in the country, believes the St. Ignatius Drum and Bugle Corp was unique in many ways. "It was one of the first all girl corps I ever taught. I was sort of heavy

on discipline" said Cluna with a smile. "They were afraid to look at me, but they were good." As one drum corps alumna reflects, "Carmen Cluna was the original women's libber. He didn't care if we were all girls." Tracey McLaughlin, a 1981 corps baritone player, adds, "at first he appeared tough and was a perfectionist, but he became like a father figure to us."

Cluna called in Hy Dreitzer to coordinate the music for the corps. "The man was a genius" said Cluna speaking reverently of his friend. "He revolutionized the music competition. Before corps used to play military, but Dreitzer brought in Broadway show tunes like *Forty Second Street* to competition," points out Cluna.

According to Cluna, the corps was divid-

ed into three sections which included a training corps, a parade corps, and a competition corps. The members had to go through a series of training periods. Those who showed progress were advanced once a position opened in a higher rank. Those who needed to train longer, waited. As Cluna reinforces, "this was from Hicksville, by Hicksville, and for Hicksville. It was a community corps with community kids. We didn't play well, we taught them how to play."

Clinching their first World Open Championship victory in 1973, in a span of nine years the corps went on to win a total of eight World Championships, a feat no other international drum corps can claim. Costa still

Day Not Dampened By Weather

By John W. Garger
and Cathy Greenfield

The cold weather on Memorial Day did not dampen the spirits of the onlookers who lined the streets of Hicksville to cheer on the parade marchers.

Hicksville residents and residents from adjoining towns braved the weather bringing blankets, chairs, and hot drinks to keep warm. Although the weather might have canceled some afternoon barbecues it left time for some to think about the real meaning of the day. Speaking at the service held at the Middle School Veterans Park Assembly Daniel Frisa said, "Perhaps the cold weather will cancel a lot of plans for picnics and pool parties, which will give us all more time to reflect on the cold realities of this day, that being, to remember our fighting men and women who are not with us."

Leading this year's parade to Veterans Park was Grand Marshal Richard Hochbrueckner, Past Commander of the Charles Wagner Post 421 American Legion. Following Hochbrueckner were the Honorary Grand Marshals Florence Ruhe, president of the American Legion Auxiliary Charles Wagner Unit 421, and Leroy Whitelaw, a veteran of World War I.

During the services at the Middle School the Hicksville High School and Middle School Bands performed the *National Anthem* and *America* and then a special ceremony took place when Hicksville's Gold Star Mothers and Post Commanders placed wreaths in front of the Memorials

commemorating each of the wars. Gold Star mothers are mothers who have lost children in a war. An honor started after World War II. Completing the service, the High School and Middle School Band finished with *God Bless America*.

This year's Annual Parade and Memorial Day Service was sponsored by the Memorial Day Committee of the Veteran's Organiza-

tion of Hicksville and hosted by the Masonic War Veterans Henry Biel Post 46. The Middle School Veterans Park has five monuments commemorating its war veterans. One for each of the World Wars, one for Korea, one for Vietnam, and one in memory of all veterans who have made the supreme sacrifice. It is located on the south side of the school, just off Jerusalem Ave.

TO YOUR HEALTH

By RICHARD H. BLAU, M.D.

Gout is a Type of Arthritis

My patients are always surprised to learn that gout is a form of arthritis. Arthritis means joint inflammation, and one cause of inflammation is gout. This type of arthritis results from a build-up of body substances called uric acid. High blood levels of uric acid may not only affect the joints, but other organs in the body, including the kidneys. When uric acid levels become very high, they become deposited in the joints as crystals. These crystals produce the pain of a gouty attack.

Gout, commonly thought of as an aristocrat's disease, can affect anyone. Although men are affected more than women, an estimated one million Americans suffer from this disorder.

Attacks often begin at night, and may only affect one joint, such as the big toe. The involved joint usually turns red,

becomes hot, swollen, and very painful. A common error is to take aspirin for the pain. Aspirin in small doses may actually make a gout attack worse.

Since there are over 100 forms of arthritis, a correct diagnosis is very important. Rheumatologists, arthritis experts, will usually remove fluid from the joint and examine it for gout crystals. Once the diagnosis has been confirmed, treatment can be started. Treatment for gout is very simple and effective. Unfortunately, many people with gout suffer unnecessary and painful attacks. Medications can often stop an attack within an hour, and will often prevent future attacks.

Arthritis strikes one out of seven people. Learn the facts. Call for your complimentary copy of "The Joint Approach - An Arthritis Overview."

The Other Hicksville Railroad Station A Response To My Own Article

By Howard G. Olsen

Several months ago Howard wrote a short article about a second railroad station in Hicksville during the years of World War II. The station was located on South Oyster Bay Road just north west of the railroad crossing. Through the cooperation of Grumman Aerospace personnel he was able to obtain this photo.

Note at the far right is Ed Davy Dow's Coffe shop which he mentioned. Many Grumman employees used the LIRR to get to and from work as gasoline was hard to get. It was rationed during the war years—how many of you remember that? This picture was taken on February 21, 1945.

SCHOOL NOTEBOOK

Holy Family Scores In Math Fair

Holy Family School students Michael Ciocciari (sixth grade) and Theresa Henry (seventh grade) entered the First Annual Invitational Math Fair at Kellenberg Memorial High School on March 28. Holy Family was one of twelve schools and approximately seventy students who entered the Math Fair for students in sixth to eighth grade. Michael won second place in his grade level for his report on the Metric System. Theresa won third place in her grade level for her report on Kinds of Sets.

Each student was to give a ten minute oral presentation based on the information presented in their report. The presentation was to deal with specific math or math-related topics. Diagrams, charts, posters, and overhead material were used to support the students' findings. Judges awarded points based on knowledge of subject, format of presentation, written paper, appearance, and attitude. After giving their presentation, students were asked questions by the judges.

Holy Family's teachers, students, and parents wish to congratulate Michael and Theresa on their hard work and achievement.

HOLY FAMILY students Theresa Henry and Michael Ciocciari pose with school Principal Sister Eileen McMahon after receiving their Math Fair Awards from the First Annual Invitational Math Fair at Kellenberg Memorial High School.

SCHOOL SHORTS

National History Day Team

The Hicksville High School National History Day team secured third and fourth place at the Hofstra University Competition. Trophies for third place were awarded to Connie Young and Helen Woo for their videotape on "Exploring The West." Fourth place trophies went to Joaquin Escuera and Michael Chang for the videotape on "Exploring Disease and Medicine in History." The team then advanced to the state competitions in Niagara.

Helen Woo and Connie Young's videotape won second place in the state. They will now compete in the National Championships to be held in Washington. Anyone wishing to view their videotape should make arrangements with their advisor, Dr. William Lemmey. Good luck to Helen and Connie at the Nationals!

Lee Hop-A-Thon

The Kindergarten, first, and second graders of Lee Avenue School participated in a fund-raising benefit for Muscular Dystrophy on Wednesday, May 8.

The students obtained sponsors who pledged each child's hope for two minutes. The children and teachers worked hard and were enthusiastic about this wonderful, worthwhile event. Their efforts proved suc-

cessful, raising over \$2,700.

Key Club Convention

Several Hicksville High School students were among the 1400 students from across New York State to attend the Kiwanis Key Club Convention held March 20 through 22 at the Pines Hotel in South Fallsburg, NY. The Hicksville Kiwanis Club sponsored two of the Hicksville Students as well as their advisor Terry Leahy. The Key Clubbers that attended the conference were: Sonia Enriquez (president), Sweety Pandhi (secretary), and members Pinky Pandhi and Mary Larson.

Key Club members serve as leaders for their school and their community. Included among the recent activities that the Hicksville Key Club is involved with was the Daffodil Sale, which raised over \$450 for the American Cancer Society.

Visiting The Middle School

The Hicksville Middle School welcomed the district's fifth and sixth grade public school children during the final two weeks in May as part of the orientation program for new students. With the Board of Education's fall vote to place the district's fifth and sixth grade classes in the Middle School come September, both the current fifth and sixth grade classes are preparing for the move.

Each elementary school participated in

the orientation program on different days. Each two-hour program began with a general introductory meeting in the auditorium followed by a film presentation. Student tour leaders from the Middle School then accompanied the youngsters on a tour of the building. The student tour leaders worked very well with the younger grade students, and served as excellent role models. The fifth and sixth grade students enjoyed the informative meeting and tour which helped ease the anxieties many youngsters feel when advancing to a new school building.

Merit Scholarship Invitees

Hicksville High School has announced those students eligible for the 1993 National Merit Scholarship Program. Eleventh-graders Monica Alexandris, Domenick Freda, Mark Haddad, Catherine Hora, Maura Johnston, Michelle Leavitt, Linda Thomas, and Victor Yee have placed among the approximately 50,000 of the highest scoring participants on the 1990 PSAT/NMSQT exams, which determines those students eligible for this honor.

Of the 50,000 "high scorers," who have shown outstanding academic potential, only about 15,000 of them (the top scorers in each of the 50 states) will be honored as semi-

Burns Avenue Celebrates Reading

The Burns Avenue Elementary School celebrated National Library Week this April by inviting Guest Readers to read to primary classes. Both students and guests enjoyed this event, which was designed to show that adults value reading and children's literature. Pictured here is guest reader Mrs. Anne Chin, Burns Avenue PTA President, and Curious George.

What Can You Do- With Pennies?

*Donate Your Pennies To The
Interfaith Nutrition Network And
Help The Needy In Your Community*

If your family is like most others on Long Island, you probably have loads of pennies in your home. They take up space, you probably don't know what to do with them — yet you can't throw them away.

By donating your pennies to the Interfaith Nutrition Network (INN), you show you care about the homeless and needy in your community on Long Island.

Join Fidelity New York and Anton Community Newspapers in this worthwhile charitable program. Bring in 500 pennies (\$5.00) or more, to any of Fidelity New York's 19 branches during the month of June. All pennies can be rolled or securely packaged in a brown paper bag.

You may also donate coins, bills and even checks! Or mail checks payable to The INN, with your name and address, to any Fidelity New York branch.

You will receive an official receipt for your tax deductible contribution and your name will appear in an Honor Roll "Thank You" in the Anton Community Newspapers.

The INN is the largest operator of public food kitchens on Long Island and has a long history and excellent reputation for providing services for the needy.

MRS. BYRNES and Sister Maureen are proud of their young math students, John Brolly and Christina Saracoglu. They placed first and second respectively in the Diocesan Math Competition.

Diocesan Math Champions At OLM

Congratulations to Mercy's outstanding mathematicians! After many rounds of increasingly difficult equations, John Brolly captured First Place while Christina Saracoglu took Second Place.

The 18 contestants represented the nine Zones in the Rockville Centre Diocese at Maria Regina School in Seaford. Citibank sponsored the competition and presented

the awards. Each contestant received \$25 for being the Zone winner. John received \$200 for winning First Place. Christina was awarded \$150 for her prize.

Mrs. Byrnes and Sister Maureen worked very hard with their students to reach this successful outcome.

We congratulate all who helped to bring this honor to Mercy.

Opening lead — seven of spades.

This deal arose in the New England district final of the 1991 North American Open Pairs Championship. It features excellent bidding and play by Doug Doub of Hartford, one of the region's top players.

Doug held the South hand and opened two clubs, planning to rebid two notrump to show a 23- or 24-point balanced hand. But when his partner bid two spades after West's two heart overcall, Doug decided to raise spades and await further developments. When North next bid diamonds, Doug leaped to six notrump, disregarding the known fits in spades and diamonds in order to protect his king of hearts on the

opening lead. This proved a wise choice, since a slam in spades or diamonds with North as declarer would have gone down two.

Having gotten safely over the bidding hurdle, Doug now had to find a way to make 12 tricks. With only 11 winners in view and the A-Q of hearts virtually certain to lie over the K-J, there was no apparent way to make the slam.

It didn't take Doug long to work out the solution. He won the opening spade lead with the ace and cashed four more spades and four diamonds to produce this position with the lead in the South hand:

North	♦ 8 5 4 2
West	▼ A Q
East	Immaterial
South	♦ K J
▼ K	♦ 9
♦ A Q	

The lead of the diamond nine left West without recourse. If he discarded the heart queen, Doug would concede a heart to force a club lead into the A-Q. When West in fact discarded the club jack, Doug plunked down the club ace, caught the king, and so made the slam.

Of course, if West had had the foresight to keep his mouth shut during the bidding, it is doubtful that Doug would have found the winning line of play. West therefore had good reason to kick himself when the play was over. I know, because I was West.

Mexican's The Menu At Poco Loco

Crazy for Mexican food?

Then, Poco Loco in Roslyn Village is the place for your next meal.

Housed in a charming historical building, Poco Loco serves up delicious Mexican favorites seven days a week for lunch and dinner.

While the food is authentic Mexican, you don't have to speak the language to decipher the menu. With every dish explained in English, however, it makes it very difficult to choose.

To start at Poco Loco, there's the *Aperitivos*. As expected, there are delicious nachos, tortilla chips with melted Jack cheese, refried beans and Jalapeno peppers. You also get the chance to have the crispy treats with chili, guacamole or *chorizo* (Spanish sausage). Other appetizers include *Ceviche*, shrimp, scallops and crabmeat blend, marinated in lime juice and spices and chilled, *Guacamole*, *Quesadillas* and *Queso Fundido*, melted jack and cheddar cheese with jalapeno peppers and *chorizo*, served with warm tortillas. As with many of the selections at Poco Loco, you can request that the *Queso Fundido* be prepared *Picante*, or spicy hot.

For the main course, there is quite a selection of *Platos Principales*, which are served with Mexican rice and refried beans.

Poco Loco offers *Mole Poblano*, chicken baked in a sauce made with three different chiles, spices and unsweetened chocolate; *Alambres a la Mexicana*, skewered pieces of sirloin, *chorizo*, onions, green peppers and tomato, served with red and green sauce on

a bed of Mexican rice; *Camarones Vera Cruz*, shrimp sauteed in red sauce, garlic and wine; *Tacos al Carbon*, soft corn tortillas, filled with grilled marinated steak pieces and *pico de gallo* and topped with grilled scallions; and, of course, *Fajitas*.

If you find making decisions difficult, take a look at *Platos Tradicionales*. Poco Loco lets you create your own combination, from *Enchilada*, corn tortilla filled with beef, chicken, chili or cheese; *Taco*, crisp corn tortilla filled with beef, chicken or guacamole, then topped with lettuce, tomatoes and cheddar cheese; *burrito*, flour tortilla filled with refried beans and choice of beef, chicken or chili; *Chili Relleno*, mild green pepper filled with beef or cheese, batter dipped and fried; *Tostado*, corn tortilla topped with refried beans, cheddar cheese, lettuce, tomatoes, sour cream and guacamole; *Chimichanga*, flour tortilla filled with chicken or beef, deep fried and topped with sour cream and guacamole; and *Vegetariano Combo*.

The *Platos Tradicionales* are topped with red sauce, green sauce or Christmas and served with Mexican rice and refried beans.

Platos Principales range from \$9.25 to \$16.95 and *Platos Tradicionales* are \$8.95 for any two, \$11.95 for any three and \$2 additional per item.

Poco Loco is open seven days a week for lunch and dinner. Sunday brunch—for \$9.99—features a live Mariachi band and daily dinner specials are available.

Visit Poco Loco at 1431 Old Northern Boulevard in Roslyn Village or call 561-5626.

Zoo Visitation

The second grade students at the East Street Elementary School accompanied by their teachers, Miss Carley and Mrs. Kreditor, visited the Bronx Zoo on May 14.

The highlights of their trip were the Bengal Express, where they viewed the Asian and African animals in the open, and Jungle World, where they saw animals and insects that inhabit a rain forest.

In addition, they visited the renovated elephant house and were entertained by a baby elephant. The children also enjoyed the monkey house and the seals. Perfect weather enhanced a perfect day.

Visiting the Central Park Zoo a few weeks earlier was Mrs. Greene's class and three other classes from Fork Lane School. They also attended a marionette show of *Jack and the Beanstalk* at the Central Park Theatre. It was a fun-filled day for all involved!

Drum Corps (continued from page 3)

remembers the exhilarating feeling of watching the St. Ignatius Drum Corps win the Open in 1973. As Costa reminiscences, "I saw one of our former members there, Janet Smith. I said what are you doing here and she said, Mr. Costa, I feel this is the night we're going to win it. We were down by four points, but when we finished competing and they read the scores, we won the championship."

The former members from 1958-1983 remember playing from Montreal to Miami and as far away as Wyoming and Wisconsin.

"I remember when the corps used to win a major championship, pull in here in the parking lot next to the church, at 2:30 in the morning, with fire engines and a police escort. You'd see 60 parents, all the lights on, and nobody in the neighborhood objected," says Cluna of one of his best memories. As Tracey McLoughlin reflects, "the best feeling in the world was to stand there in Canada and hear the United States National Anthem played after we won!"

Opinion

Earthly Concerns

Leaders from throughout the world are turning their focus this week away from stealth bombers and strategic air weaponry and onto the environment and the Earth.

At the Earth Summit, which began Wednesday, the future of this planet is the primary focus and solutions to the myriad of problems it faces are being discussed.

Yes, we need the world's leaders to recognize the environmental problems of the earth. Yes, we need them to set policies that will protect what remains and recapture what is seriously threatened.

No, we cannot wait for those leaders to make their decisions. The onus of leadership, instead, is on us.

The greatest motivator is always money and as consumers, we have all the power we need in our very pocketbooks. Every conscious purchase we make of an environmentally-friendly product, every time we bring our own mesh bag to the supermarket instead of using the plastic or paper ones supplied by the store, every time we read a package to discover if the contents—and the package itself—are made from recycled and recyclable materials, we are leading the way.

We can also lead the way by using public transportation, doing without air conditioning in the car and at home, walking instead of driving, composting and recycling, living with a less green lawn, planting a tree.

Sure, the environmental problems the Earth faces are a lot larger than a few plastic bags. But, rather than rely solely on the governments of the world to intervene, we must make every effort, as individuals, to protect the planet we call home.

After all, we're running out of time.

Children Are Our Future

On behalf of the children of this school district I would like to thank you for your overwhelming support of our school budget. We have truly aimed at developing and presenting an educational program within the means that our taxpayers can afford.

We believe that the children are our future. However, we are also concerned with the plight of the homeowner and our senior citizens in terms of their being able to afford to continue living in our community.

Again, we thank you and hope you continue to support our school programs.

Stay Involved

I would like to take this opportunity to congratulate the two newest trustees of the Hicksville Board of Education - Dave Staton and Voley Martin. I have known Dave for some time now and I am sure that he will be a fine addition to the board. While I had not met Mr. Martin prior to the campaign, his obvious concern for our community came through clearly. I wish them both the best.

I must also say how impressed I was by the dignity and class demonstrated by all the candidates and most of their supporters. Honest disagreement and intelligent debate and discussion are healthy for our community. I was happy to see that, with a few exceptions, this campaign was run in a manner consistent with what we would like Hicksville to stand for.

I would like to extend a sincere and personal thank you to all my friends and family who worked so tirelessly on my campaign. This has taught me who my true friends are - I will never forget all the wonderful people who stood by me and believed in me.

Finally, I would like to thank not only the 1,254 people who voted for me but everyone who took the time to vote for the budget, the propositions and for all the candidates. It is vitally important that we all stay involved in the process. I urge everyone to go to the School Board meetings and keep the lines of communication open. Now let us begin to reunite our community.

Linda Mirro

Farewell To Hicksville

This is the last time I expect to stand before you to address the Board of Education as a Hicksville teacher. During my 39 year tenure I have had the privilege of speaking at many board meetings for a variety of reasons. I feel I would be remiss if I did not share with you, my colleagues, administrators, and the community, some thoughts I have at this very important moment in my life, for I have spent more time in Hicksville than in any community where I have lived. I owe all the Boards of Education and administrators for whom I have worked a tremendous debt of gratitude for allowing me to have experienced a most superb teaching career. When I think back over the years to what made it so

very special for me, I keep coming up with the same ingredient...I was allowed to express my own ideas in the classroom, at meetings in the administration building, at board meetings, at PTA meetings and at community functions without ever worrying about repercussions that might occur. I felt free enough to say what I thought.

I have been extremely fortunate to have worked with outstanding teachers who are always there for each other and for the children. As a first year teacher, I was taken under the wing of an experienced colleague who guided me through many trying times. Hicksville has an outstanding teaching staff and it has been my good fortune to have associated with such fine professionals.

Don Abi, who was superintendent here many years ago, once told me that he was putting me on his district reorganization committee because I had ideas that were so different from his. He said we would learn from each other and although we didn't always agree we respected one another's views. He said, "I will get nowhere if I am always surrounded by yes men." I think that's where I am. I was allowed to think and create and contribute to the education and well-being of students. I dared to be different and was rewarded for it.

I am thankful to those who were responsible for sending me to Palo Alto, California, where I, as well as other Hicksville teachers, worked at the American Institutes for Research to develop programs of individualized instruction which benefited thousands of Hicksville students. I am deeply grateful to Herb Cavanagh, my former principal and to Manus Clancy, my present principal for encouraging Beverly Steinhart Brown and me to team teach in an integrated first and second grade class at Woodland. Under the guidance of these two wonderful principals, we were nurtured and supported throughout our quest for excellence in the classroom and as we sought the best ways we could find to express our creativity. They let us fly and, as a result, Hicksville was honored by the United States Office of Education when we took 30 youngsters to Washington for a week to demonstrate our methods of instruction. I am grateful that Beverly and I had the opportunity to leave the classroom for a few years to work district-wide on the elementary level. We developed gifted programs and interdisciplinary enrichment programs for classroom teachers and conducted teacher training workshops. We then returned to the classroom to implement many new methods and materials we had been exposed to during this time.

In addition to all of this, I am indebted to Hicksville's educational community for the respect and courtesy I have always been shown as a leader of the Hicksville Congress of Teachers. We have fought many good fights and have always learned from them. We have learned that we don't have to belong

A Letter from Lulabelle...

All of you remember what a penny could buy when you were little—penny candy—a whistle of tin—and five pennies could buy a box of Cracker Jack with a prize inside. Today, many people disparage pennies and don't even reach down to pick one up from the ground...but, how wrong they are! Do you have in your home a drawer (or many) and jars and old coffee cans just stuffed with pennies that you have promised yourself you will wrap and take to the bank one day?...Of course, you do...And just let me tell you what can happen with those pennies...The Anton papers in cooperation with all of the branches of Fidelity Bank are conducting a Penny Drive all through the month of June for the benefit of the wonderful Interfaith Nutrition Network (INN) which operates kitchens and shelters for our Long Island hungry and homeless...You don't have to wrap those pennies—and we will take any other coins or bills or checks—just put them in a strong paper bag and take them to any Fidelity branch...You will receive a receipt that you can put in your box for charitable contribution deductions when next you file your income tax...It is incredible how all of us working together for this fine charity can succeed...Last year we raised nearly \$4,000 in a two week period...This year with a whole month for the campaign we hope to do even better...Just look at a penny and consider what it and its fellows can do without your even missing those pennies!!...

Yours, Lulabelle

SPECIAL INTERESTS

The American Cancer Society, Long Island Division, and Caremark Homocare are distributing thousands of blue and white ribbons for National Cancer Survivors' Day, Sunday, June 7, to salute the cancer survivors and healthcare providers on Long Island.

"We want cancer survivors and their friends and families to salute their courage and continuing contributions to the Long Island community by wearing a blue ribbon," said Kathy Schuler, Cancer Survivors' Day chairperson and Caremark Homocare senior district manager. "To salute professionals who dedicate their careers to cancer treatment, research and supportive services, we will be distributing white ribbons and asking that they wear them the week before Cancer Survivors' Day," she said. The blue and white ribbons were donated by Davis Ribbon Resources, College Point Queens. Ribbons may be obtained free of charge while supplies last by calling the American Cancer Society, Long Island Division, at 800-ACS-2345, or by stopping by their office at 75 David Drive, Hauppauge.

On Sunday, June 7, Americans across the United States will be celebrating the Fifth Annual National Cancer Survivors' Day. This festive occasion is for cancer survivors, families, friends and the medical community to commemorate the victories being won. Today, eight million Americans are cancer survivors. It is also a time to remind everyone that early detection of cancer and prompt treatment greatly increases the chance of surviving a cancer diagnosis.

Many cancers that, only a few decades ago, had a very poor outlook, are often being cured today. These cancers include acute lymphocytic leukemia in children, Hodgkin's disease, Burkitt's lymphoma, Ewing's sarcoma (a form of bone cancer), Wilms' tumor (a kidney cancer in children), and testicular cancer.

Cancer Survivors' Day is also a time to focus on the barriers which paradoxically prohibit many Americans access to state-of-the-art cancer detection and treatment.

Consider the following facts:

- More than 37 million Americans under the age of 65 have no health insurance.
- 50 million Americans have insurance that does not adequately cover their medical expenses.
- Minorities and the poor face social as well as economic barriers to existing medical care, and bear the resulting excessive cancer burden in the form of significantly lower survival rates.
- Medicare and health insurance plans sometimes refuse payments for medically appropriate, FDA approved anti-cancer drugs which are the physician's and patient's treatment of choice.

Insurance for cancer survivors is another very important issue brought to light by Cancer Survivors' Day. One in four cancer survivors is unable to obtain adequate health insurance at affordable rates, creating a life-threatening barrier to cancer treatment and to monitoring health after treatment. Furthermore, cancer survivors face barriers to insurance which includes rejection of new applications, cancellation of policies, reduction of benefits, increased premiums, long waiting period for insurance coverage and exclusions for pre-existing conditions.

Heart Club

"Activities After a Heart Attack" is the topic that will be presented by Dr. Scott Ratner on June 16 at 8 p.m. at the Franklin Hospital Medical Center's Shankman Auditorium.

Information about free monthly Heart Club meetings for patients and family members may be secured by contacting Marie Elivert, R.N. at 825-8800, extension 2215.

Bide-A-Wee Pet Fair

Have you got a dog that has the world's floppiest ears, or a cat with the prettiest coat anybody has ever seen? Then bring them to the Bide-A-Wee animal shelter in Wantagh and enter them in the Bide-A-Wee Pet Fair "Pet Contest."

Friendly competition in more than a dozen contest categories, prizes, free samples, pet information, pet toys, pet supplies, refreshments, baked goods, and lots of family fun are all part of the excitement of the 1992 Bide-A-Wee Pet Fair. The event takes place on Saturday, June 13 from 10:30 a.m. to 12:30 p.m. at the Bide-A-Wee animal shelter at 3300 Beltagh Avenue in Wantagh. Admission to the fair and parking is free. For information call 785-4199.

Youngsters between the ages of 5 and 14 who enter their family pets will receive a prize just for taking part in the contest. Even if you don't have a family pet there is plenty of fun and excitement with demonstrations and displays by the Nassau County Police Canine Unit and Guide Dogs for the Blind. Young people can also enjoy entertainment by Clifford the Big Red Dog and face painting.

Funds raised at the Pet Fair are used by Bide-A-Wee to provide shelter and care for Nassau County's growing population of homeless and unwanted pets.

Bide-A-Wee is a not-for-profit humane organization which provides shelter and care for homeless and unwanted dogs and cats. Bide-A-Wee doesn't destroy pets but shelters them until it can find them a responsible home.

Bachelor Bid

Looking for a few good men? Or, one in particular! On Wednesday, June 17, gals from Long Island and surrounding areas can accomplish just that at a Bachelor Bid to be held at Attitude's, 200 Old Country Road, Mineola. Eligible bachelors have put together enticing date packages to be purchased by some lucky females, all funds to benefit the Leukemia Society of America.

This evening begins at 7 p.m. with hors d'oeuvres and the first drink on the house. Meet and mix with Long Island's most wanted gents. The Bachelor Bid begins at 8 p.m., when Bachelor #1 will be put on the auction block. Admission is a \$15 donation. Sponsors include Attitude's, Magic 94.3 FM and Town & Country Tuxedos.

Leukemia is a malignant disease which affects the blood forming tissues and organs. While it causes the death of more children than any other disease, more adults are stricken each year. This year more than 70,000 Americans will be diagnosed with leukemia and over 41,000 will die from it. For tickets and further information, call 938-3900.

Perot Rally

The "Ross Perot for President" movement has been spreading across our country like wildfire. It now has reached Long Island with a flourish. On May 20, the LI Volunteers for Perot held its first rally for Perot in Lindenhurst and 850 enthusiastic Suffolk and Nassau residents, from all walks of life, and from all political persuasions, showed up to voice their support of Perot.

The LI Volunteers for Perot announce their second gala rally for Ross Perot to be held on Wednesday, June 10 at 7:30 p.m. at the Crest Hollow Country Club located at 8325 Jericho Turnpike in Woodbury.

Attendees will learn the real facts about Ross Perot. Attendees will learn why he has received such interest and support from citizens all around the country in such a short time.

For further information, call People for Perot at 872-ROSS (7677).

Winthrop: Caring Traditions, New Techniques

Using tiny TV cameras, exquisitely sensitive surgical blades and sophisticated body imaging technology, heart and lung specialists at Winthrop-University Hospital are employing the newest, most advanced techniques to diagnose and treat patients with serious cardiac and pulmonary conditions.

Thoracoscopy, a new technique that Winthrop chest surgeons utilize for a variety of reasons—including the removal of fluid in the chest, the repair of a damaged esophagus and the need to obtain lung tissue samples to diagnose infections and tumors—spares many patients the painful bone-splitting and long recuperations associated with conventional open chest surgery.

Using narrow tubes those surgeons insert miniature cameras, scissors and other surgical instruments through small openings in the chest. Specialized video technology provides them with clear, magnified views of the internal landscape of the chest cavity.

According to Dr. William Scott, Chairman of Winthrop's Department of Thoracic Cardiovascular Surgery, the procedure promises to change chest surgery. "We can now perform chest surgery on sicker patients. Since thoracoscopy eliminates the need for a large incision, it allows many patients with debilitating lung conditions, such as emphysema and lung damage from smoking, to undergo operations that were too risky for them before."

Preliminary studies indicate that, in certain situations, shaving cholesterol-filled

deposits from artery walls—a procedure called atherectomy—reduces the chances of this condition recurring. Since this procedure received Food and Drug Administration approval approximately a year and a half ago, the technique has become an important weapon in cardiologists' war against heart disease.

Currently performed by Winthrop cardiac specialists, atherectomy involves using a delicate blade enclosed in a capsule to cut, shave and collect the plaque for removal. "In some instances, atherectomy can produce measurable better results than the more traditional approach of using a balloon (angioplasty) to crush the obstructive material against the vessel sides," says Dr. Anthony Gambino, Acting Director of Winthrop's Cardiac Catheterization Laboratory. Investigations are continuing to determine whether the new technique is most effective for all types of coronary blockages.

Winthrop cardiologists and heart surgeons are teaming up during surgery to listen to and observe the heart function in situations that previously did not permit such extensive, continuous and close monitoring.

The technique—transesophageal echocardiography (TEE)—involves placing a narrow tube connected to a video camera in the esophagus behind and directly next to the heart. The technology is combined with ultrasound, which visualizes the heartbeat on the screen, and Doppler, which produces a color image reflecting the blood flow through the heart.

TEE is used to monitor progress and check for complications during procedures such as valve replacement and repair of congenital abnormalities. It also enables physicians to assess heart function immediately before and after cardiac

surgery prior to completing the operation. With its ability to image the heart from within, TEE is also a valuable diagnostic tool with outpatients for whom cardiac assessment was once impossible without invasion procedures.

Longest Drive Winner

JOE FLYNN (center), of No. Massapequa, was the winner in a "Longest Drive" contest held in conjunction with a recent golf clinic sponsored by The Roslyn Savings Bank at Bethpage State Park. Joe's drive sailed 283 yards, outdistancing second place driver John Flynn by three yards. Congratulating the winner are: Paul Kopacz, Assistant Vice President, Marketing at Roslyn Savings Bank (wearing the Bank's familiar logo) and Chuck Workman.

AT CENTRAL GENERAL, WE'RE EXPECTING! "SUITE BEGINNINGS"

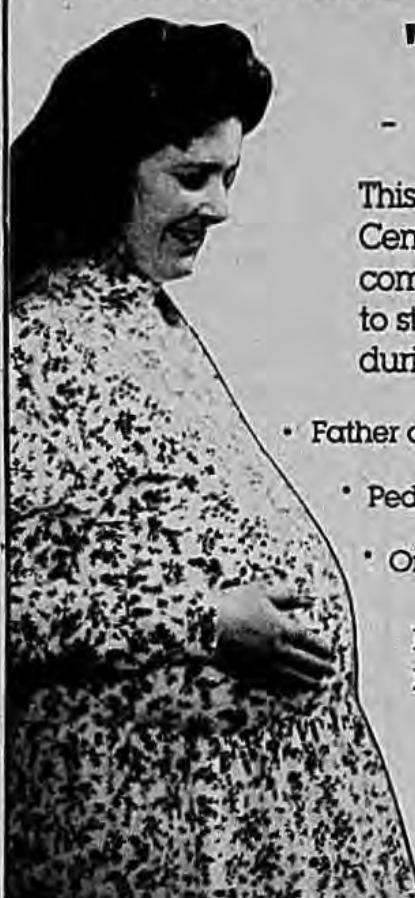

- THE FAMILY BIRTHPLACE -

This summer, a true single room maternity care unit will open at Central General Hospital. This exciting new concept takes comfort, convenience and safety a step further by allowing you to stay in a beautifully appointed, fully equipped suite before, during and after birth.

- Father can stay overnight in the "Suite" with Mom and Baby
- Pediatric and Nursing Staff with advanced training to handle every need
- One special nurse to care for you and your Baby

For more information about "Suite Beginnings" please call 681-8900, extension 2518.

CENTRAL GENERAL HOSPITAL

Plainview, NY 11803

Suite Beginnings, The Family Birthplace

In the Fall of 1991, the Central General Hospital announced plans to undertake a major redesign of the maternity unit. The unit was named "Suite Beginnings, The Family Birthplace," to reflect the hospital's commitment to a warm, homelike atmosphere catering to the unique needs of the patient and her family.

The construction of "Suite Beginnings" is well underway and Administrator Robert J. Bornstein said that the first phase will be complete this July.

"Suite Beginnings" is the only true single room maternity care unit on Long Island. This means that unlike the "Labor-Delivery-Recovery (LDR)" concept found at some area hospitals, the "Suites" at Central General have been designed to allow women to labor, deliver, recover AND stay in a beautifully appointed, hotel-like suite during entire hospital stay.

Cecilia Palladino, Director of Nursing Administration said "single room maternity care makes sense because it is more comfortable for the family (no more moving from room to room) while allowing the staff to provide better continuity of care. Mother-baby nursing, where nurses are trained to care for both mother and baby during all phases of labor, delivery, recovery and post partum, is a key feature of this type of system."

Parents who opt to deliver their babies at "Suite Beginnings" can look forward to a full range of services (including classes

in breastfeeding, newborn care, and sibling preparation), in a comfortable, attractive and safe environment. Although the birth of a child is a time of great joy, Bornstein noted that safety is of utmost concern to both parents and Hospital staff.

"Suite Beginnings" will offer many other features completely unique to this area. For example, Moms will have the option to "room-in" with the baby 24 hours a day (however, at any time parents can request

that the baby go to a central nursery so that Mom can rest, shower, etc.). Fathers are welcome to stay overnight in the "suite," featuring special sleeping accommodations.

Bornstein said that Central General plans to continue the popular tradition of the steak and lobster tail "rendezvous dinner" (complete with champagne, physician permitting) one night during the hospital stay to celebrate the birth of the baby. As an added feature, the Hospital is

beginning a "First Meal Home" program which will allow the new parents to take home two complete, ready to heat dinners at no additional charge.

For more information about "Suite Beginnings," or to arrange for a tour, please contact the Office of Patient and Community Relations at 681-8900 ext. 2518. For referral to a physician affiliated with Central General Hospital, please contact the Medical Staff Office at 681-8900 ext. 2356.

Campaign To Keep Children Safe

Safety in bathrooms and kitchens has become a major concern. One of the most prevalent causes of death and injury in the home is burns. Of these, 150,000 are scalding injuries each year with many of them caused by water that is too hot from kitchen faucets, bathroom basin and tub faucets, and shower heads.

For over 40 years technology has been available for incorporation of safety, or scald prevention, yet over 70 percent of all bathroom faucets and shower valves sold today do not have anti-scald features.

Recognizing the danger, the National SAFE KIDS CAMPAIGN, a program of the Children's National Medical Center headed by former Surgeon General, C. Everett Koop, M.D., is focusing on burn

prevention in the '90s. Every day 100 children are treated in emergency rooms for scald burns. Bathtub scald burns are more severe and cover a larger portion of the body than other burns and in some cases, they are fatal. Last year, 5,000 children were treated in emergency rooms for hot tap water scalds.

To protect children, SAFE KIDS Campaign offers the following suggestions:

Never leave your child alone in the bathtub; Test the water before you put your child in the tub; Run cold water first then adjust the temperature with hot water; Face your child away from the bathroom fixtures. Children are less likely to manipulate faucets that are out of sight.

Every year 1.2 million children are seri-

ously injured in the home because parents believed home was the safest place for them. In reality, it is filled with dozens of hazards. Children needlessly suffer burns, poisonings, drownings, falls and chokings.

Each year approximately 37,000 children under 14 are treated in emergency rooms for hot liquid/liquid scalds and 45 percent of these children are under five. Most of these injuries occur in the bathtub, where deaths are most common and injuries most severe.

Learn how to protect your child and help us fight this epidemic. Receive a bathroom safety check list, call Classic Kitchen & Bath Center, Ltd. at 621-7700.

to the same political party in order to be fair and honest with one another. We have learned that through respect and understanding, we could work together in an atmosphere of collegiality. We have learned that it is in the achievement of a reasonable and equitable contract that we establish a more positive school system which ultimately benefits the students for whom we are responsible.

I will miss working with so many wonderful people. Most especially I will miss working with Bob Zaleski, who is a fine union president and an outstanding leader of the Hicksville teachers. I will miss my many colleagues in the HCT, but feel reassured that I am leaving the organization in excellent

hands. I will miss the staff at Woodland and I will miss those parents and other community leaders who have been so supportive over the years. But most of all, I will miss the children, for I believe everything I have done all these years was for them. Someone once said to me that I shouldn't take everything so seriously because in 20 years it would not matter. I would like to think that it did matter, that my being in Hicksville for 39 years mattered.

For those teachers now on staff and for those who will teach in Hicksville in the future, I have a wish. My wish for them is that they will be fortunate enough to be given the same opportunities and respect for their profession as I have been afforded all these years.

Only you can make my wish come true. It would be my legacy after a lifetime of much love and caring for this community and its children, and in a way it would become your legacy too.

Elayne Kabakoff

Read At Board Meeting
(The following was read at the May 20 Board of Education meeting prior to the tabulation of the election results.)

Hicksville has been overwhelmed with the subject of school closings for the past few years. In my opinion, too few residents consistently concern themselves with the educational opportunities offered in Hicksville and with the funds needed to sustain and improve our schools. Instead as issues arise, they become involved but in many cases residents remain ill-informed.

Letters to the editor are not always accurate nor are campaign flyers. In order to help our children, we all need to take advantage of the opportunities available to us and attend Board Committee meetings, as well as board meetings, and to join committees such as the Budget Lay Committee. We need to question our elected officials as well as our school administration on a consistent basis in order to let them know we are watching and we care.

After tonight's election, additional elementary school closings will almost certainly take place. In fact, most of the questions asked candidates at the forums I attended dealt with this subject.

It is my opinion that the actions of the board have adversely affected our children's education for too long. I personally believe that inequities exist in our elementary schools, whether it be singleton classes, extremely large classes or very small classes; the special area teaching load has been impacted as well by the underutilization of buildings. I also believe that this district has wasted millions of dollars over the years in keeping eight buildings open and in commissioning numerous reports to study the issue.

In December 1990, the PTA Council's Voting Body asked the board not to close Willet Avenue or any school without studying the entire district. In closing one elementary school without thoroughly reviewing the entire district in terms of parity and redistricting, I believe the board made a grievous error. I feel this has hampered and will hamper future decisions.

Secondly, while it may seem cruel, I feel that any decision on redistricting should affect every school in order to achieve a ripple effect that would not cause any part of our community to bear the entire burden. Receiving children into a building will usually be perceived as a benefit to that school, but losing students is almost always seen as a hardship especially to those children. Both the superintendent and our PTA Council School Board Liaison spoke about this ripple at our meetings. I repeated this thought at other meetings I attended believing that this ripple would see children moved from every building.

Now with far reaching decisions only a few months away, I ask all the board members, those currently serving and those who will be elected tonight, to set aside their personal agendas, past mistakes, and thoughts of vindictiveness in coming to terms with what this district needs to take us successfully into the 21st century.

We need strong board leadership and a true desire of all seven members to work together. We need honesty, we need dedication and we need fairness. It has been extremely hard for me to remain neutral on this issue, which I felt necessary to do as the president of the PTA Council. That role demands that I seek cooperation from all the units. Publicly I have taken no position on school board candidates, because I am too closely identified with PTA and as I believed it was necessary for the leader of a diverse group to maintain her working relationship with all members.

Finally, all the candidates running today can count support from various members of the community who belong to the PTA. However, no candidate can claim support from the PTA. If anyone has alluded to this support or has made phone calls which may have implied this support, it was wrong and a disservice to our organization.

Hard Play

(continued from page 28)

team effort with Kyle Rubak, Doug Rudenfer, Christian Serpico, Justin Roestenberg, Michael Weber, and Louie Pinti all contributing.

The Yankees have won their first seven games and are playing excellent baseball. The pitching has been superb. Led by Kyle Ryback, Doug Rudenfer, Amar Agha, and George Niesuchowski. The hitting has been timely with Bryan Sarandrea, Dave Rudenfer, Justin Roestenberg, and Louie Pinti each contributing. Brian Ferguson, Jason Graf, Michael Weaver, and Christian Serpico have all played well.

Boys Major Division

Joe Koloski's Pirates came to bat against the Cubs on May 4 and lost by a close 7-6 score. Hits by Jason Basso, Michael Ciocciari, Troy Cabrera-Giffin, Jason Primosh, Russel Jean-Batiste, and Michael Kilfoil all made for a good game on Monday evening against the Cubs. Effective teamwork was demonstrated in the field by Michael Delaney, Jamison Lee, Joshua Strugatz, Russel Jean-Batiste and Mike Ciocciari. Pitcher Andrew Coppola's throw to Jason Primosh on third base was right on the mark. A well played, close game.

When they played the Yankees on May 6 they came out the winners. Singles by Andrew Coppola and Russel Jean-Batiste. Two singles by Jamison Lee, a double by Daniel Koloski, and a triple by Adam Smith combined for a win. A marvelous catch by Andrew Coppola ended the game and was the icing on the cake.

The Pirate Team played the Royals on May 9 and beat them by a score of 5-1. Great pitching by Andrew Coppola and Daniel Koloski. They allowed no earned runs. Doubles were hit by both Jason Primosh and Sean Flynn and some great legwork was displayed by Adam Smith.

Girls Senior Division
Tara Breen clubbed four hits and Lori Governale belted a three run double to lead the Red team past the Orange team 16-9. Danielle Buffolino and Amanda Mahnken smashed three hits apiece, while Sabrina Palmieri had two. Kristey Haley made her usual great catch in centerfield and Christy Apeler made an excellent play in her first game at first base. Nicole Hildebrandt had the defensive play of the game by one handing a long fly ball to help stop the last inning rally by the Orange team. Liane Lewis pitched another four outstanding innings holding the Orange to only two runs. The Orange team also received great pitching from Lisa Anderson, along with tremendous defensive play by Angela Becker, four hits by Amber Volpe, power hitting by Shannon O'Keefe and sparkling defense at second by Theresa Notskas.

In the Reds next game they played the Grey team. Quick thinking catcher Katie Tower had four assists, tagged out two runners, made a nice catch of a pop fly, and executed a perfect rundown play with third baseman Amanda Mahnken, in addition to getting two hits, to help the Reds defeat the Greys 18-12. Katie would have had a third hit except for a fantastic play by second baseman Deirdre Lebrecht, who added a three run seventh inning homer to tighten the gap. Christy Apeler had two crucial hits and three RBIs for the Reds, who received hitting support from Sabrina Palmieri, Amanda Mahnken, Tara Breen, and Coleen Jamison, who also made several terrific catches in leftfield. Genevieve Rickmeyer filled in perfectly at first base and contributed a clutch two run double. Nicole Hildebrandt played another errorless game and reached base twice. The pitching was once again handled by a regular starter Liane Lewis and the versatile Kristy Haley.

The Red, which has stressed defense all season, overcame the absence of slick fielding Danielle Buffolino and hard hitting Lori Governale to put forth an exceptional team effort.

Friends Of The Arts Summer Festival

Friends of the Arts has announced a new children's program — "Lemonade Concerts" — which will take place on the afternoon of June 7 at 1 and 2:30 p.m. in the Hay Barn at Planting Fields Arboretum in Oyster Bay, Long Island. The concerts are sponsored by Fortunoff.

Specially designed for children age 5 through 12, Lemonade Concerts will feature puppeteer Paul Peabody and his handmade English Victorian marionettes. Richard Kapp and the Philharmonia Virtuosi Chamber Orchestra will play Gounod's *March of the Marionettes* (better known as the theme from the Alfred Hitchcock TV series), movements from Telemann's *Don Quixote Suite*, McBride's *Pumpkin Eater's Little Fugue* and the last movement of Haydn's *Farewell Symphony*. Tickets are \$10 per person.

Fortunoff will also sponsor a new chamber music series which will take place in Planting Fields Arboretum, Oyster Bay, Long Island at 4 p.m. on Sunday afternoons in June. Called "Country Garden Concerts" the three concerts will feature Richard Kapp and members of the Philharmonia Virtuosi performing the music of the 18th Century salons and concert halls. Richard Kapp, music director of the Philharmonia Virtuosi, always provides the audience with illuminating and humorous commentary on the music that will be performed.

The concerts will take place in the courtyard of the Hay Barn (or inside the Hay Barn if the weather is inclement). On Sunday afternoon, June 7, the concert will feature the music of Johann Christian Bach, Michael Haydn, Pleyel and Beethoven. The June 14 concert will be F.J. Haydn and Michael Haydn, Salieri and Arriaga. The June 21 concert will have music by Boccherini, K.P.E. Bach, F.J. Haydn and Stamitz. Tickets for the Country Garden Concerts are \$17.50 per person or the series of three concerts for \$45.

Friends of the Arts will continue the celebration of its 20th Anniversary this season at its annual Summer Festival in Planting Fields Arboretum in Oyster Bay. Set in the magnificent 419 acre New York State Park, the festival will bring joy to lovers of all types of music — from classical to jazz, country to pop. Concert-goers can choose a reserved seat in the spacious clear-span tent with its special picnic area and preferred parking or bring chairs and sit on the lawn and picnic under the stars.

Corporate sponsorships play a large part in making the Summer Festival possible. This year's sponsors include Northville, JW Systems, Fortunoff, Mill Max Manufacturing Corp.

SPYRO GYRA will appear on Aug. 15 at Planting Fields Arboretum as part of the Friends of Arts Summer Festival. For ticket information, call 922-0061.

ing Corp and Anton Community News papers.

The Summer Festival will open at 7 p.m. on Sunday, June 28, with a recital by James Galway, "the man with the golden flute!" On Saturday, July 4, at 7 p.m. singer Tom Paxton will lead the celebration at an old-fashioned, All-American family outing. On Saturday, July 11 at 8 p.m. Grammy Award winner Melissa Manchester will perform. On July 18, Waylon Jennings will appear, sponsored by Northville Industries. The Long Island band, Six Gun, will open the show and perform afterwards at a barn dance. On July 25, those perennials in our garden, the Preservation Hall Jazz Band will return to Friends of the Arts' Summer Festival. That concert is sponsored by Mill Max Manufacturing Corp.

The Festival continues on Aug. 1 at 8 p.m., when Canadian Brass will bring their magical mixture of classical, pops and just a touch of comedy to the festival. Aug. 8 brings Tony Award winner Cleo Laine and John Dankworth. Spyro Gyra will appear on Aug. 15 in a concert sponsored by JW Systems and on Aug. 22 Wynton Marsalis and his band will perform.

Friends of the Arts' Beethoven Festival is scheduled for Labor Day weekend with the Orchestra of St. Luke's on Saturday evening, Sept. 5 conducted by Julius Rudel. Pianist Grant Johannesen will be the soloist for Beethoven's Third Piano Concerto. The popular Daytime Festival will be held on

Sunday, Sept. 6, and Monday, Sept. 7, from 11 a.m. to 5 p.m. and will feature continuous and simultaneous concerts and lectures by over 100 musicians in four concert locations.

Friends of the Arts has announced plans for its 20th Anniversary Gala on Saturday, Aug. 29. The black tie dinner dance will feature pianist and song-stylist Michael Feinstein, whose new CD, "Imagination," was released this month. The gala will take place at Planting Fields Arboretum in Oyster Bay.

The gala is being sponsored by New York Telephone Company, a long-time supporter of Friends of the Arts' cultural activities on Long Island. The gala's honoree is Richard A. Jalkut, president and CEO of New York Telephone.

On the evening of Aug. 29, Friends of the Arts' Festival Tent will be transformed into an elegant supper club. Dinner and the show are scheduled for 8 p.m. Michael Feinstein will perform on a stage in the center of the tent, surrounded by tables of diners who will dance to the music of Vince Giordano and the Nighthawks. The cocktail hour, scheduled for 6:30 p.m. will be held in the newly renovated main greenhouse of Planting Fields Arboretum. The tickets for the 20th Anniversary Gala are \$500 and \$350.

Tickets for all of Friends of the Arts' summer concerts are available by phone through Ticketmaster at 888-9000. For further information, or to receive a free brochure, call Friends of the Arts at 922-0061.

Lee Avenue Trip To Whaling Museum

Mrs. Massa's sixth grade class from Lee Avenue School recently spent a very pleasant morning at the Whaling Museum in Cold Spring Harbor.

The class saw a movie about whaling ex-

peditions and the hard life that the whalers led. They toured the museum which was very interesting and students made their own scrimshaw design on a trinibelt box as a souvenir.

Your home is too important for an ordinary boiler.

Your family deserves the best. And when it comes to modernizing your heating system, Botto Brothers is a name you can trust for honesty and dependability. We've been installing boilers and servicing heating systems in Hicksville area homes and buildings for over 50 years.

Let us replace your tired, inefficient old boiler with a super-dependable Galaxy gas boiler by Slant/Fin. You'll enjoy fuel savings of up to 30% or more and years of trouble free operation. Slant/Fin, America's best built boilers, are made right here on Long Island.

Ask us for more information about Slant/Fin boilers and for a free, no obligation heating survey of your home. And ask your neighbors about Botto Brothers' integrity and reputation for clean, thorough and dependable service.

Supervisor

(continued from page 1)

The supervisor responded that he would contact the appropriate authorities and have them look into the specific situations.

Overall there were few specific answers that the supervisor could give the residents in response to their concerns. But he assured the audience that if he didn't have an answer he would get back to the person. He also reminded the residents that he is also available to meet with individuals and groups anytime during the year on any matter of concern.

Sports Shorts (continued from page 28)

Andy Nicoletta and Chris "Hustle" Caliquiri played superb defense. The Whales were led by Pete Sluka's three hits while Norberto Cabarcas and Greg Hartney each rapped out two hits. Andy Taveras and Mike Sandiford played outstanding defense.

In a very close game the Bluejays outlasted the Dolphins 14-13. The hitting stars for the Bluejays were Joseph Vahannan, James Dowdell, Brian Kelly, and Marco Bruzzi. Also with good hitting and fielding were Ryan White and Nickolas Kaloudis. For the Dolphins Anthony D'Amico and Nick Pagan were the hitting stars. Good fielding by Joe Shuck, Chris Verde, and Jonathan Tang.

The Robins defeated the Whales 9-0. Excellent fielding and hitting by Kraig Binick, Eric Smith made good defensive at shortstop and went 2 for 2. David Welti had an outstanding performance at first base and excellent hitting with a triple which drove in three runs. Cabarcas Norberto played excellent defense and went 1 for 2. Stephen Pelle went 2 for 2. Brian Jacovina made good fielding plays on the pitching mound and went 1 for 2. Overall game was a pleasure at Giese Park.

The Bluejays defeated the Robins 11 to 10. Bluejay's hitting stars were Marco Bruzzi, Michael Esposito, Harry Charalambous, and Mark Lufano. David Sattler hit a bases loaded triple. For the Robins Eric Smith and Michael Haley led in hitting. David Welti hit a home run, while Kraig Binick played good defense.

The Barracudas defeated the Eagles 12-3. Barracudas offensive stars were Ed Grams and Jason Becker, each going 3 for 3. Brian McCullough collected two RBIs. The defense was led by John Sandiford, Kyle Barclay, William Kowalski and Bruce Bryla, who also contributed a double. The Eagles' offense was led by Patrick Loomis (2 for 3), with a double and Nino Cardi did a fine job defensively. Phillip Marchione at first and Ryan Capobianco each played fine defense.

The Barracudas next defeated the Bluefish 12-11. Barracudas' attack was led by Frank Pesale, Jason Becker and Ray Carnavale each going 3 for 3 with two doubles. The defense sparked with some fine play by Nick Mormando, Jason Becker, Frank Pesale, and Ray Carnavale. In the outfield Robert LaPolla, Ed Grams, and Brian McCullough each played fine defense. The Blue attack was led by Chris Montese, Casey Lane, CJ Stewart, and Danny Stewart each collecting three hits. The Bluefish defensive stars were Danny Stewart, Danny Schmidt, and Tommy Horan.

The Dolphins defeated the Sharks 9-7. Hitting stars for the Sharks were Jonathan Tang with three hits, Chris Bredenbach, Eric D'Amico and Shawn Golden with two hits apiece. Good fielding by Chris Jaeger and Mike Fries. For the Sharks, good hitting and fielding by Anthony Damiano and Craig Herbst.

The Cardinals are red-hot at mid-season. The Cardinals sport a 6-0 record at the mid-season mark of their schedule. They have done it with superb defensive play and have averaged better than 10 runs per game.

The opener was a last inning, come from behind win over the Bluejays, 13-12. Mathew Anglin and Mike Kenefick each had two RBIs. Mike Zuccaro led the Card's attack with six RBIs, including a grand slam home run, a double, and the game winning RBI.

The second saw the first Cardinal batter's score. They scored two more in the third and then let the defense hold on for a 6-4 win over the Robins, who failed in the late innings.

Mathew Anglin and Chris DeFeo had two RBIs each.

Game three was a lot closer than the 12-2 score over the Eagles indicates. It did not become a blow-out until the Cards tallied eight times in the top of the last inning. Stelios Karas got his ninth straight hit. Mike Zuccaro had a double, triple, and two RBIs. Mike Kenefick was the hitting star going 5 for 5 with a triple and a game high four RBIs.

The fourth game was a 12-8 win over the Bluefish. The unlikely hitting stars were three kindergarten boys Ryan Roberts (3 for 3) with four RBIs, Drew Carr with three RBIs, and Victor Cortese had an RBI for the second straight game. Defensively, Mike Zuccaro was brilliant at third with eight assists and a double play.

Game five was perhaps the biggest challenge of the season. The undefeated Barracudas powered by Frank Pesale's pair of homers and five RBIs led the Cardinals 11-8 after 4 1/2. But the Cardinals scored four in their half of the fifth. The defense held on in the sixth to edge the Cuda's 12-11. Ian Fields made a triple and a double. Chris DeFeo had three RBIs and a pair of doubles. Mike Zuccaro had two RBIs, a double, and a triple. Drew Carr and Mike Kenefick had two RBIs each. Nicholas Guzman went 3 for 3.

Game six was a rematch against the Eagles. The bats fell silent for both teams until the Cards scored six in the fifth for a 7-3 win. Stelios Karas went 3 for 3 with a double. Mike Kenefick continued his torrid hitting and is now, 18 for 18 for the season.

3rd-4th Grade

Braves 9, Dodgers 7. The Braves rallied for five runs in the top of the sixth inning to win the game. Gus Mitsopoulos started the rally with a booming triple to left field. Danny Rodgers doubled to right field and then scored on Andrew Skorpanic's single. Ryan Walker legged out an infield single. The rally was capped on Brent Rogers towering three run homer to left field. John Kiernan pitched three outstanding innings for the Dodgers. Andy Visconti tripled home two runs and Joe Kearns tripled with the bases loaded.

Braves 3, Mets 2. Stephen Clark collected the game-winning RBI knocking Jonathan Maier in the bottom of the fifth inning. Stephen also made an outstanding play in right-field. Danny Rodgers went 2 for 2 and pitched two shut out innings. The game ended as a Met runner was cut down at the plate on a strong throw from Gus Mitsopoulos. Ryan Walker applied the tag. Shawn Gleason pitched three tough innings for the Mets.

Braves 18, Yankees 5. Steven Hernandez had three hits and Michael McKay had two hits to lead the Braves' attack. Thomas Periera, Joey Whittaker and Sebastian Miot each crossed home plate twice. Steve Verde had three hits and pitched two excellent innings for the Yankees. Sean Naughton made many outstanding plays in the field.

Dodgers 15, Yankees 9. The Dodgers outlasted the Yankees in a seesaw battle. The hitting heroes for the Dodgers were Brian "Hot Rod" Hebron, Andy "Thunder" Visconti, Tommy "The Rocket" Riccio, and "Joltin'" Joe Kearns with two hits apiece. John "Chocolate Head" Kiernan, Chris "Bambino" Barbino, Jimmy "Mad Dog" Monaco, and Jared "Lightning" Troise each delivered clutch hits. The Yankees were paged by the good hitting of Kevin Shorti, Louis Scerbo, and Sean Naughton. Their defensive stars were Steve Mosiello, Chris Pagan, and Matt Castro.

HICKSVILLE ILLUSTRATED NEWS

SPORTS

Season Sparked By Good, Hard Play

Girls Minor Division

On May 7, the girls Gray and Blue team brought the enthusiasm from the HBA fields to a field at Fork Lane School. Both teams played an exciting game. Kelly Wigand made an unbelievable infield catch. Leah Strugatz had two great plays at third base. The sixth inning brought some tense moments, but Jennie Zollo's pitching ended the game with a 9-5 win for the Gray team.

Girls Senior Division

On May 9, the girls of the HBA Softball Senior Division played an exciting game by the Grey team vs. the Red team. The game came down to the final batter, the Grey team edged the Red team 15-14. The Reds scored five runs, capped by Amanda Mahindens long double, with two out in the top of the seventh to take the lead. But the Grey team rallied for four runs in their half of the inning to win the game.

Despite the high scores, the defense was excellent by both teams. Kelly Moylan pitched a complete game for the Grey and fielded her position extremely well. Left fielder Tina Mazzara, shortstop Tracy Koetter, and Niki Franchino, who appeared to be everywhere, all starred defensively. The Red defense was highlighted by sensational outfield catches by Kristy Halcy, who also threw a runner out at the plate, and Liane Lewis, who made a running catch with the bases loaded.

This was an incredible game, which saw the lead change hands five times. Every player deserves praise for their determination and hustle. The spectators were on the edge of their seats for the entire game.

Boys Instructional

The Yankees, sponsored by the Hicksville Fire Department, and managed by T. Brewer had to call their sponsor to assist one of their players, Kevin Kuck, who was injured. Thanks guys. Good luck Kevin! Tom Brewer was awarded the team ball four hitting four home runs and batting in nine runs. Matt Economou had four hits and assisted on the final two outs of the game. Brenden Coyle, Jeff Sallustro, Malcolm Pike, and Nicholas Giambalvo had three hits each and played great in the field. Mike Caglione, Thomas Luberto, and Matt Hasbrouck each had two hits and made some fine plays in the field.

Boys Minor Division

Joe Restivo's Red Sox played the Pirates on May 2. The score was Red Sox 11, Pirates 10. This game was their most exciting one played so far this season. There was 100 percent effort by every player on the "gutsy" Red Sox team. It was the first win for the Red Sox team! Clutch hitting by Bob Becker with two RBIs and Joe Mianulli with two hits and five stolen bases, including home to score one of his two runs. Leonard DeStefano also had five stolen bases. One stolen base was a steal of home in the bottom of the sixth, which tied the game at 10. Lenny also contributed three solid innings on the mound with three Ks. Joe Restivo with two hits and three RBIs, one hit being a smash to deep left center for a home run which started our last inning rally. Joe was also our closer on the mound, shutting down a tough Pirates team. Michael Benik, Steven Recher each with base hits and a run scored. Eric Gonzales, Edric Borja, two stolen bases and one run scored. Scott

MacDonald and J.T. Quinn strong in the field with good defense. Vincent Patrowicz, a timely walk, some heads-up base running, scored the winning run when driven home by a perfectly placed shot in the bottom of the sixth by Joe Leo. It doesn't get any better than this.

The Red Sox (aka the Cardiac Kids) got caught up in another exciting game with the Blue Jays squeaking by with a 4-3 win. Superb pitching kept hitters on both teams in check. For the Sox, Michael Benic pitched three innings of shutout ball, while allowing just one hit and striking out five. Mike also added four stolen bases, an RBI, and a run scored. Lenny DeStefano went to the mound in the fourth and continued the strong pitching. In the last inning the Blue Jays came to within one run of a tie with a runner on third and no outs, but DeStefano put out the fire by striking out the last three batters, for a total of eight strikeouts. Steven Recher had a base hit and the game winning RBI. Gary Bretton played flawlessly at first base and also had an RBI. Joe Restivo added a base hit, four stolen bases, and two runs scored. Vincent Patrowicz also drove in one run for his team, while playing solid rightfield. Joe Leo and Scott MacDonald each had two stolen bases. Joe Manulli, as always, played a rough second base with a driving grab in the second inning. Also playing strong defense to keep the Sox close was Bob Becker, Eric Gonzales, and Edric Borja.

The Red Sox are looking better and better as they beat the Mets 7-3, in an extremely well played game by both teams. J.T. Quinn chose a great time to record his first hit, a liner to centerfield. He then proceeded to steal three bases and score the winning run. Lenny DeStefano was everywhere or so it seemed—pitched three scoreless innings with four Ks, stole three bases including home, hit a double with two RBIs, and had an unassisted double play at second base. Joe Restivo, our secret weapon behind home plate, added a base hit, two RBIs, and gunned down a Met runner at second base to end the game.

Joe Mianulli with two walks, four stolen bases, and two runs scored. Michael Benic with another strong pitching performance, striking out five in his two innings of work. Michael also turned a double into a run scored as he flew around the bases, after an errant throw. Ryan O'Toole came through for his team as he closed the game on the mound and also delivered an RBI single. Edric Borja with two hot smashes right at Met players, did a fine job at third base, and also stole two bases. Bob Becker and Eric Gonzales rounded out yet another strong performance by the Red Sox.

In another Boys Minor game, the Yankees, managed by Pete Sarandrea, played the Royals in their toughest game of the season and defeated the Royals 9-8. Trailing 8-2, the pitching of Dave Rudenfer and Amar Agha completely shut down the Royals attack. The offense chipped away at the Royals lead and in the bottom of the fifth exploded for five runs with hits by Doug Rudenfer and Amar Agha. The defense was outstanding with excellent plays by Justin Galacz, Jason Graf, and George Niesuchowski. This was a true

Hawks Update

The Hicksville Hawks traveling soccer team met their match on Sunday, May 17, at Grumman Field, losing 3-0 to the Wantagh Cosmos, in the Long Island Chase Cup Tournament quarter finals. The Hawks put up a valiant effort, holding the Cosmos to two tallies until the game's closing minutes, but found that playing without four of the team's top players was too much to overcome against such a worthy foe.

On Wednesday, May 20, Hicksville rebounded for a 2-0 victory over the Newfield Angels at the Angels field, in Long Island Junior Soccer League play, in which they are undefeated, bringing their overall record, including New York State Cup Tournament games, to 7 wins, 3 ties, and 1 loss, with a goal differential of 45 to 9.

The Hawks were led by a tenacious defense, which repulsed everything thrown at them by the Angels, anchored by the superlative goaltending of Dimitry Drouin, and ably assisted by the great play of Eric Blicker, Richard Kotschau, Danny Longo, and Mike Longo, the four stalwarts of the Hawks backline.

Scott McLaughlin, at halfback, set up the Hawks first tally on a fine run down the left side, punctuated by a perfect cross to halfback Tommy Basaranlar, who was breaking down the right side, which he converted to a goal.

Their second tally was set up by a superb individual effort on the part of Earl Dennis, who took the ball away from the Angels' goal keeper, who had wandered far out to the right, to make a stop. Dennis, once he gained control of the ball, fed it to the left, to Steven Fox, who put it into the empty goal.

David Baumritter, Danny Bell, Kevin Koehn, Lee Passavia, Ralph Schimenti, and Neil Tomlinson all contributed fine play toward the winning effort.

Congratulations to the Hawks coach John Fitzgerald, assistant coach Pat McHugh, administrator Brian Koehn, and trainer Richard Hunann, for two exciting soccer games. The next stop for the Hawks was in the Potomac Maryland Soccer Tournament.

Hicksville A's Update

The Hicksville Athletic Association

Babe Ruth team (the Hicksville A's) faced the Plainedge Pirates on Tuesday, May 12.

The pitchers were relentless with Matt McLoughlin starting, pitched three innings retiring nine batters in order, allowing no hits. Brian Boyle came in for 1 1/2 innings striking out four, and Keith Englehardt had the save pitching the last 1 1/2 innings with four strikeouts.

An exciting double play was executed by Nick Schmidt catching a pop-up then throwing to Peter Martin catching a runner off base at third.

Chris Cannizaro at second made a nice catch for the final out.

The bats came alive with Matt McLoughlin going 3-3 with a triple, Jack Sandler going 2-3 with a double and Chris Swier going 2-3 with a double. James LaPadula had a triple bringing in 2 RBIs and Josh Strugatz doubled, also bringing in 2 RBIs. Final score Hicksville 12-Plainedge 2.

On Sunday, May 17 the A's came up against the strong Smithtown Bulls in Smithtown for what proved to be an exciting game.

Kevin Sober did a fantastic job pitching, allowing only four hits. Keith Englehardt was a superb catcher.

Defense was strong with an impressive double play by Josh Strugatz at second to Bryan Doyle at first. Tommy Kessler made a nice catch at short and Chris Swier made an excellent play at second.

Bats were hot with Keith Englehardt and James LaPadula both going 2-3 driving in two RBIs each. Chris Cannizaro doubled driving in one RBI. Hicksville prevailed 6-3.

St. Ignatius CYO News

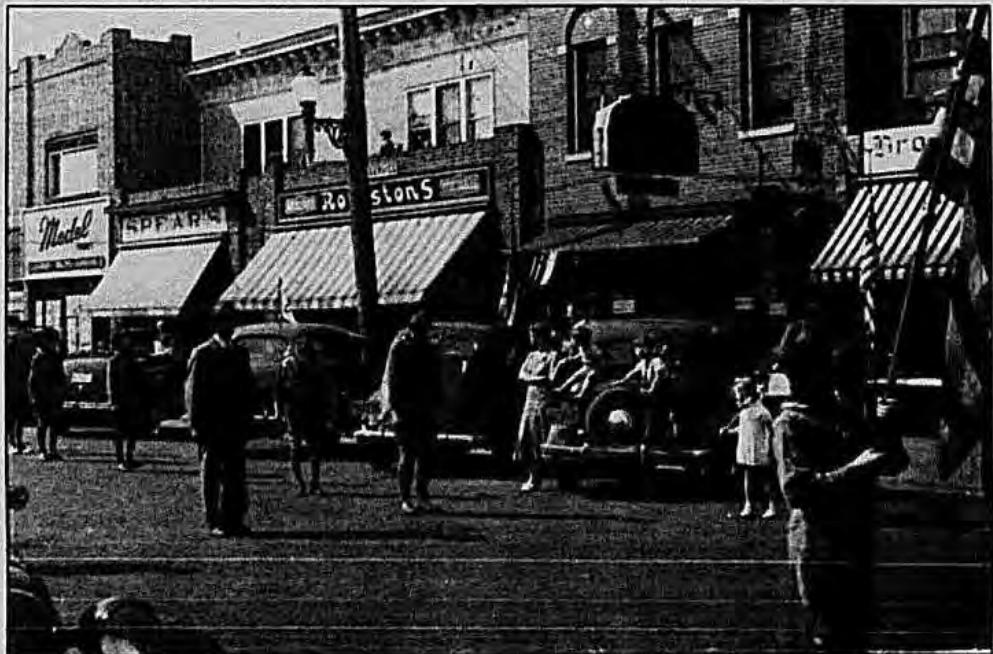

The Board of Directors would like to thank each and every one who braved the weather on Monday, May 25 to march. Again CYO made a very good showing.

K-2 Instructional

In what turned out to be a "whale" of a game, Jimmy "Big Sky" Montana led a frenzied shark attack with three hits as the Sharks defeated the Whales 8-5. Michael "Hammer" Hebron banged out two hits while Tom "Terrific" McLoughlin, "Admiral" Nelson Baquet and Craig "Hotshot" Herbst delivered clutch hits. "Awesome"

THE ANNUAL GUIDE TO
HICKSVILLE

A SPECIAL SUPPLEMENT TO LONG ISLAND COMMUNITY NEWSPAPERS

On The Cover:

The top photograph shows the west side of Broadway between Herzog Place and Marie Street back in 1939.

The photograph, taken during the Labor Day Parade, shows how Hicksville looked before Broadway was widened. Notable in this photo are the mom-and-pop stores that dominated the downtown area. The candy store is Guckenberger's. On the far right is the awning of Shultz's Delicatessen. Also visible is Roulston's Grocery store, Spears, and Model shop.

The bottom photograph shows the same area vastly transformed. Gone are the mom and pop stores, but taking their place are signs of a renewed Hicksville. Dominating the picture is the Ivan Czippot Building. In the left hand corner is the stalwart of businesses in our village, the Hicksville Chamber of Commerce office.

Introduction:

As seen by the cover photos, Hicksville has certainly changed in appearance over the past 50 years. But the quality of its people and businesses has not. Although Hicksville might not have as many mom and pop stores as it did in the past, it still has stores where you can find anything you need without having to leave our borders.

Hicksville has a great deal to offer in terms of service and products. This guide will help remind you that you need not look further than our own backyard for all your business needs.

In this special supplement, you will also find information about the Hicksville Chamber of Commerce Business Expo '92 as well as a listing and map of the businesses that will be exhibiting their services and products on Sunday, June 14 at the Broadway Mall.

This guide is also being published in the Hicksville Illustrated's sister newspapers to let others know about the fine businesses that are available in Hicksville. The other newspapers include the Syosset-Jericho Tribune, The Westbury Times, The Levittown Tribune, and the Plainview-Old Bethpage Herald.

HICKSVILLE *Chamber of Commerce*

BUSINESS EXPO '92

More than 50 businesses from the Hicksville area will participate in the Hicksville Chamber of Commerce's Business Expo being held on Sunday, June 14.

The Expo will be held from noon to 5 p.m. in the center of the Broadway Mall.

Admission is free and everyone is invited.

At the Expo, residents will be able to familiarize themselves with the various services and products that are available from Hicksville businesses. Some of the exhibitors will include banks, realtors

florists, caterers, computer specialists, contractors, and professionals. Also present at the Expo will be local service organizations and non-profit groups; such as the Youth Council, Rotary, Lions Club, Kiwanis, Water District, Post Office, and

the Public Library

If you are familiar with Hicksville Businesses you might want to come down to check out the entertainment. There will be a half dozen clowns; Omen the walking, talking, singing, and dancing robot; the Second Chance Swing Band; raffles; and lots of balloons for everyone.

Any money collected at the Expo will go toward the Chamber of Commerce Scholarship Fund. The fund provides a local student, who exhibits local service qualities, with a scholarship.

The Hicksville Chamber of Commerce is a volunteer membership organization through which the business, commercial, and industrial companies, professional leaders, and institutions of Hicksville work together to make Hicksville a better and more prosperous place in which to work and live.

The members of the Chamber of Commerce identify the problems of Hicksville business, large and small, and seek solutions through study and research, contact with elected officials, legislation, and information programs and services.

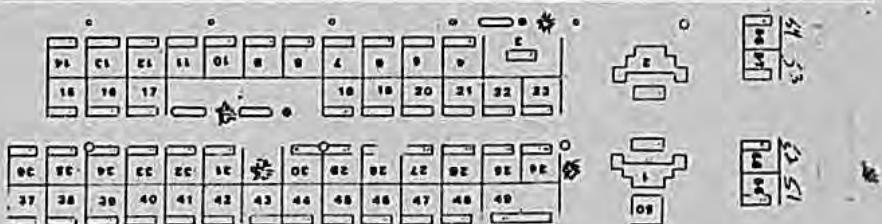

Since its formation in 1926, it has succeeded in promoting the economic and business interests of the community.

Membership information may be obtained by writing the Hicksville Chamber of Commerce at 10 West Marie Street, Hicksville, NY 11801 or by calling 931-1710 between noon and 2 p.m. Monday through Thursday. Membership support is an investment in economic growth, community progress, and business improvement!

HICKSVILLE

Businessperson Of The Year

Judith Engel Lombardi, owner of Judy's Chocolate Tree and third generation Hicksville resident, has been named the Outstanding Businessperson of the Year by the Hicksville Chamber of Commerce.

Judy was given the honor because of her involvement in the Hicksville community and her strong service record.

The Outstanding Businessperson of the Year Award does not necessarily go to the best salesperson or the person who reaps the most profits, explained Beth Dalton, President of the Hicksville Chamber of Commerce. "It is given to someone who goes beyond their business and gives back to the community."

Besides running Judy's Chocolate Tree

Judith Engel Lombardi

since 1982, Judy also owned the Coco Tree from 1974 to 1986. Since 1980 she has held various positions within the Hicksville Chamber of Commerce and the Nassau Council of Chambers of Commerce.

For the Chamber of Commerce, Judy has served as Recording Secretary, Board Member, and Representative to the Nassau Council of Chambers. From 1985 to 1989 she has served as Recording Secretary of the Nassau Council and from 1989 to

present she has served as Treasurer. She has also been involved with the Long Island Association and many trade organizations.

Judy was honored at a June 5 reception at the Marriott Hotel by the Nassau County Chamber of Commerce.

Boos Flowers

One of the reasons so many people keep coming back to Boos Flowers by Phyllis is the friendly smile everyone is greeted with when they enter the 38 West Village Green shop.

The family-owned business, which celebrated its 11th anniversary last year, features flowers for every occasion, including weddings, birthdays and anniversaries.

"You can call at any time and know you will be professionally taken care of," said owner Phyllis.

Phyllis said she chooses to do business in Hicksville because "I like the town and the people in it."

Call the shop at 735-2244 or visit Monday through Saturday 9 a.m. to 5 p.m. and Sunday, 10 a.m. to 3 p.m.

Econo Lodge

The best value in overnight lodging on Long Island can be found at 429 Duffy Avenue at the Econo Lodge of Hicksville, according to General Manager Lydia Libero.

The Econo Lodge features 72 new rooms with luxurious accommodations at affordable rates. Rates include full continental breakfast, remote control cable television and a daily newspaper.

Also, depending upon availability, visitors can enjoy in-room steam baths, non-smoking rooms, same day valet and conference room.

Dalton Funeral Home

"The smallest detail is not forgotten" at Dalton Funeral Home where they have been "three generations of caring." This third generation, family-owned and operated business has been a mainstay in the Hicksville community for 24 years, and in the funeral home business since it was founded in 1924.

The Hicksville branch of the Dalton Funeral Home on Jerusalem Avenue was the second of five branches opened up by the Dalton Family. It is currently managed by Beth Dalton.

Employees of Dalton Funeral Home and members of the Dalton family have been involved in numerous Hicksville

community groups such as the Chamber of Commerce, the Kiwanis Club, Lions Club and the Elks Club. Beth Dalton is president of the Hicksville Chamber of Commerce.

A recent addition to the services offered at the Dalton Funeral Home is the Pre-arrangement funeral conference. With the backing of the New York State Funeral State Directors Association a new program called Pre Plan is now being offered to families. The program gives families the ability to plan ahead for future needs. It is also an opportunity to put the details of a funeral together ahead of time and, if desired, place funds aside as well.

Ben Daguanno, CPA

Ben Daguanno, certified public accountant, came to Hicksville in 1968 and has spent the past 20 years serving the community both professionally and personally.

Before starting his own business in 1982, Daguanno held such positions as senior accountant, manager of internal audit operations, division controller and chief financial officer and corporate controller. His experience involved auditing, corporate taxes and financial statement preparation for small, medium and large sized

corporations. Daguanno's specialty is helping small businessmen run the various aspects of their businesses.

In addition to dedicating much of his time to his firm, Daguanno is very active in the Oyster Bay Power Squadron, in the Syosset Gospel Church and in the Long Island Evangelical Committee, as a member of the planning division.

Daguanno's office is located at 30 Jefferson Avenue, Hicksville, and he can be reached at 681-5074.

The Ecumenical Consultation Center

The Ecumenical Consultation Center is non-profit and non-sectarian and was founded in 1973 as an action of the Mid-Island Ecumenical Council. It was established to fill a gap which existed in mental health services and to service those families in the middle income range who faced a dearth of services. Through the center, psychotherapy services at a moderate fee were available.

For the past 19 years, the center has continued to offer individual, marital and family psychotherapy, as well as groups including Caregivers for the Aging, mothers' support and co-dependency support. Fees are based on a sliding scale and there is no waiting list.

From 1973 to 1989, the center operated out of a house provided by St. Stephen's

Lutheran Church. Due to planned expansion by the church and their need to sell the property, the center needed to relocate and St. Ignatius offered an old house on its property. Local businesses, churches and service groups donated building materials, workmen and funds to rebuild the house.

The center is now reaching out to the community again for help with their Scholarship Fund. This fund was set up several years ago to help individuals and families who were in need of psychotherapy services, but could not afford even the minimum fee on our sliding scale. The fund was built on contributions from concerned people in the community, churches and civic groups. Although the center can not provide free

service, the Scholarship Fund can supplement whatever the client can pay so that help need not be denied. Just as students may need financial aid to pursue educational goals, so people seeking psychotherapy may need financial help to begin their treatment and get on with their lives. This fund is now seriously depleted at a time when unemployment and financial insecurity are widespread and many families are in distress. Individuals and groups who wish to contribute to the Ecumenical Consultation Center Scholarship Fund may mail checks directly to the center.

Thank you for your help in this matter.

The Ecumenical Consultation Center is located at 147 Broadway and can be reached by calling 935-6179.

Dr. Michael Garger

Mr. Michael Garger has built his practice on high-quality chiropractic techniques for the correction of neck, back and other skeletal problems.

Dr. Garger is committed to his patients' health and well-being. He offers free workshops, newsletters and other media information to educate the community about postural awareness, exercise, nutritional awareness, relaxation techniques and health maintenance.

Dr. Garger's office is located at 66 West Barclay Street in Hicksville and can be reached by calling 939-0031. He accepts most insurance plans.

Ernie's Auto Body, Inc.

The people of this area are fortunate to have an auto body and truck facility such as Ernie's Auto Body, Inc., located at 870 Broadway in Hicksville, phone 938-2929. It is owned and operated by Ernie DeMarco, Sr. and Ernie DeMarco, Jr.

This outstanding firm is one of Long Island's leading body shops and has a reputation for excellence which is second to none. They have extensive equipment for all types of body work and painting, and their work when completed

is truly perfect.

The owners and their technicians have extensive backgrounds in auto body and truck repair and have been able to restore automobiles whose owners thought beyond the repair of even the most experienced craftsmen. Whether your foreign or domestic vehicle has a small scratch or a crushed body, you can do no better than to take it to this professional shop.

Ernie's Auto Body, Inc. features the

most modern frame work facility in this area. They are capable of doing frame straightening as well as work on unibody construction, and have the ability to bring your unibody automobile back to within manufacturer's specifications, ensuring unimpaired safety and handling. They are also an insurance approved and recommended body shop, and offer free estimates. When in need of towing, they feature 24-hour towing seven days a week.

Hicksville Church Of Christ

The Hicksville Church of Christ was founded in 1950 and has spent the past 42 years ministering to the community. We are a Christ-centered and Bible-based church that shares a common purpose of loving and serving God.

We have two Sunday worship services at 8:30 and 11 a.m. Our worship time begins with a song service led by our talented Minister of Music, Phil Ricciardi. It is a time of celebrating God's love for each of us. Following the singing, our Senior Pastor, Joe Kelley, brings us an inspiring message

from God's Word. The service ends with the sharing of the Lord's Supper. Each service has a staffed nursery and separate worship services for children ages 2-3, age 4 to third grade and fourth to sixth grade.

In addition to our worship services, we have Sunday Bible classes for all ages at 9:45 a.m. and mid-week home Bible studies at various times and locations. If you have children, our 1992 Vacation Bible School is June 29-July 3 from 9:30-noon for ages

Krogmann Realty

With years of experience in all 33 phases of real estate on Long Island, Krogmann Realty is poised to serve the needs of Hicksville.

According to owner Effie C. Krogmann, the office is not part of any conglomerate and can offer special, knowledgeable and dignified service.

"I am as interested in the welfare of Hicksville as I am in my business and my clientele," said Krogmann. "My staff and I serve the realty needs of this and surrounding areas in a professional and dignified way born of indepen-

dence and many years of experience."

Krogmann Realty, which handles industrial, commercial and residential properties, is a member of the Multiple Listing Service.

Krogmann brings much more to her business than a wealth of experience and expertise. She also brings the caring and professionalism that have made her such a success with the Hicksville community.

Visit the office at 88 Broadway or call 939-2800 for more information.

McDaniel Ford

McDaniel Ford was founded by Rick McDaniel in March of 1975. It is the successor to several Ford Dealerships which had failed at this location.

Although there were many lean years during the period from 1975 to the early 1980s at no time has this dealership ever lost money. This we feel is based upon the principles that were set down when the dealership was purchased.

Mr. McDaniel from the beginning in-

sisted that for a dealership to be successful all customers must be treated like you would like to be treated. From this concept we established our motto "The Golden Rule Dealership." This attitude has made us a successful dealership particularly during the last several years and we will continue to be successful as long as we are committed to complete customer satisfaction.

Montana Agency

When Charles Montana, Sr. founded what is now known as the Montana Insurance/Real Estate Agency, he knew there could be no better place for his business than Hicksville. This is where he grew up. He can vividly remember how Hicksville looked when the community was mainly potato farms. "We went from potato farms to every foot of land being built upon. I used to be able to see Melville from my upstairs window," said Mr. Montana.

Despite the great changes in Hicksville, he never had any intention of leaving. The business, located on North Broadway, is continuing to grow with greater support from the Hicksville area. And with almost half of the current staff living in Hicksville, it appears that the Montana Agency will remain here for a long time to come. It is already an integral part of the community as a member of the Kiwanis, Rotary and Lions Clubs. The phone number is 938-3600.

Mr. Electric

Having a problem with your electricity? Mr. Electric can help. Owner Marcos Ramirez has a professional and courteous staff at your service seven days a week, 24 hours a day for commercial and residential work. No job is too big or too small. Marc even provides an emergency number available 24 hours a day, everyday. You'll be put in touch with a serviceman within 15 minutes of your call.

Mr. Ramirez was past president and executive secretary of Nassau Electric League and voted Man of the Year by the league two years in a row. He also served as president of the Hicksville Chamber of Commerce for three years and received a community service award from the Hicksville Community Council.

In addition, he was chairman of the Town of Oyster Bay Electrical Licensing Board for 15 years, vice president of Hicksville Kiwanis Club, of which he was also named Man of the Year. He is a member of the International Association of Electrical Inspectors and works as an advisor to insurance companies.

He is available to conduct programs on electrical safety for local clubs and groups.

"Our main purpose is to educate and promote electrical safety and to make the public aware of the dangers of electricity and using unlicensed electricians," Mr. Ramirez said.

Mr. Electric, which was founded by Mr. Ramirez 25 years ago, is located at 420 South Broadway.

Nationwide Cellular Service

Nationwide Cellular Service has been in Hicksville since July 1991. Primarily in the business of retailing and servicing cellular phones, the Hicksville branch also is a warranty center for most major brands.

Nationwide has a broad spectrum of customers. People buy cellular phones for a number of reasons, especially for business and safety. "Women, the elderly, and first time drivers feel more secure with cellular phones," said Beryl Forst, branch manager.

When she is not busy at the store, she is actively involved in the community. She

is a member of both the Chamber of Commerce and the Kiwanis.

Business has been good. The staff of five, at the Hicksville office, will be expanding soon. "Hicksville has been good to us," said Forst.

The store is located at 502 Old Country Road in Hicksville, three blocks east of the Wantagh Parkway. They have a full service, indoor installation area. Hours are 8:30 to 6 p.m. weekdays and 9 to 4 p.m. on Saturday. Their phone number is 938-4700. Nationwide is the largest independent cellular retailer in the country.

Peppercorn's

Peppercorn's has a very special Hicksville history behind it. This "pub-style" restaurant was once the old East Marie Street firehouse, which in later years moved to the other side of the street. Peppercorn's owner, Eddie Restivo, renovated the old firehouse's dome-shaped second floor and created a catering hall for 100 people. It has a bar, dance floor

and of course the same great food as the restaurant.

Peppercorn's is also known for its gourmet continental specials and its aged (on premises) steaks. Add Peppercorn's friendly staff and the relaxed atmosphere to make a winning combination.

Stop by 25 East Marie Street and taste for yourself.

The Latest Rage

The Latest Rage has just opened for business across from Anton's at 261 Old Country Rd., but the full service hair salon has been in business in Hicksville for over 12 years. Claire Oliveri opened her first salon, known as the Rage, at the Mid-Island Plaza; she then moved her store to the Delco Plaza and renamed it the New Rage; now she is at her third location and is excited about her new facilities.

A licensed cosmetologist for over 20 years, Claire takes special pride in making sure her clients are treated right. She stresses to her staff that they listen to the client before the work is done. "That way we insure that the customer is totally satisfied when they leave our salon," said Claire.

The Latest Rage has special offers for its clients. They have a Hair Cutting Club which is free to join and entitles its mem-

bers to three free haircuts per year. Another special is the "Half Day of Beauty." For \$59 it includes shampoo, cut, bodywave or highlighting, pedicure and manicure; regularly priced at \$125.

The Latest Rage also has a special for first time clients. For \$12, first time clients get a shampoo, cut, condition, and blowdry. They also offer 20 percent discount to senior citizens and the unemployed. The Latest Rage specializes in spiral waves and foil highlighting, and for the prom season they are specializing in prom updos.

Claire invites customers to come in for a free consultation on coloring or other beauty needs. Call 681-0050 for an appointment and ask for Claire. The latest Rage is open late every night for your convenience and Sunday from 11 a.m. to 6 p.m.

Vernon C. Wagner Funeral Homes

For the past 39 years, the Wagner family has been striving to meet the many needs of the Hicksville community in honoring their dead. Active involvement in various community groups by Vern Wagner and his son, Bill, and their employees has been a high priority activity of the firm. "It has always been important to us to be sure to give back to our community in a way that is worthwhile to everyone," said Bill Wagner, who has been running the funeral homes since his father's retirement in 1982.

Well-kept buildings and a high level of caring service are things that the families of Hicksville have come to expect from the Wagner Funeral Homes. With locations now in both Hicksville and Plainview, there is a chapel that can be chosen that is conveniently near to a family's home. The staff is constantly being given training opportunities to take their professional manner to a higher level in the way they serve community families. They work very hard at having their "service

speak for itself."

Addressing the growing interest by Hicksville in the area of pre-planning their funerals, the Wagner Funeral Homes have opened a Funeral Pre-Arrangement Center next door to the funeral home in Hicksville. "People don't like going into a funeral home unless they really have to," said Bill Wagner, "it is our aim by having a separate building set up more like someone's home, to have a setting that is more comfortable for the families who are considering getting all their funeral plans done ahead of time." Meeting the needs of the Hicksville community for 39 years and committed to continue to do so, that is the policy of the Vernon C. Wagner Funeral Homes, Inc. Mr. Wagner concluded, "It is a privilege to be accorded the trust of our community in handling the most precious possession they have, a loved one, and we will remain steadfast in doing the best we can for our neighbors and friends who call upon us to help them at those terrible times of loss."
