Is The \$2,276,862 School Bldg. Plan Necessary

By Edward J. Van Allen

Acting on a tip last spring, this reporter spilled the story of a \$2 million building program in prospect in the Hicksville School District.

A cost estimate sheet prepared by Hicksville School District architects Knappe & Johnson which then fell into this newspaper's hands set the cost of contemplated construction at the senior high school at \$1,535,000, including a \$270,000 swimming pool. It also estimated that eight elementary school classrooms and a gymnasium would cost \$395,000.

About a week later, School Trustee Cornelius McCormack, then running for re-election, tabbed this newspaper story a "lie."

Was the story a lie? Hardly. For now that part of the truth is out, we find, from an authoritative

source, that the proposed building program was actually in contemplation since August, 1962.

The truth will out, of course, even in public school districts, especially if someone digs deeply enough to unearth it.

And so it is that we find the Hicksville School Board contemplating a 22 classroom addition to the senior high school, to cost \$1,570,000, in principal and interest, and a 28,000 square-foot administration and storage building, to cost \$821,700, in principal and interest.

What happened to the idea of a swimming pool? Apparently all official hopes for a school natatorium, as the Uniondale School District grandiloquently calls the swimming pool in that district, was torpedoed by public opinion.

And what about the proposed elementary school construction? Hicksville elementary school enrollment has already dropped. More, the report of Dr. Felix McCormick of Columbia University College, released early this year, predicted a steady population decline in Hicksville. Twin reasons for this decline are the aging of the population and the fact that only limited residential construction is possible in the future.

Dr. McCormick foresaw not only an ever-increasing number of older persons in the district; he said:

"...The present school district population of 48,580 persons, after a slight increase over the next few years, will gradually decline to approximately 47,200 persons by 1970 and 45,000 persons by 1980."

SPORTS

by HOWARD FINNEGAN

Hicksville High opened its 1963 football campaign with a 27-20 victory over pressing Island Trees, Saturday, before 3,400 Homecoming Day fans at the local gridiron.

Hicksville took a 3-2 edge in this galling series on the passing of Bruce Damm and the receiving of Bruce Cerone, who combined to carry the Orange and Black colors into the end zone three times.

The first strike came on a 39 yard play the second time Hicksville had the ball. Charlie Triolo hit for the extra point and it was 7-0.

On the next Hicksville scrimmage play, Larry Welsko hit over the right side and with surprising speed for a 195-pound fullback outraced the secondary 67-yards for a score.

With Steve Schuster and Allyn Lewis aiding in a fine running attack Hicksville worked the fans into complacency. Hicksville traveled 64-yards for its third score in the second quarter. It came on a 7-yard loss from the Damm-Cerone team.

An inspired comeback by Island Trees made a day of it. Steve Samberg ripped off a 46-yard TD run early in the third and a 60-yard march was capped eight minutes later by Samberg again. His one yard charge into the endzone made it 20-13.

Hicksville fumbles made the Trees danger real. The visitors went 43-yards to the Hicksville four in the fourth period before the Comet forward wall braced and won the issue on downs.

Damm handled the task coolly in taking the Comets 94-yards for another score. He first called on veteran Triolo four times to gain running room on the 16. Welsko picked up 5 and Damm kept for 9. Welsko made 3 and Damm passed to Triolo for 34 more. Two plays later he found the elusive Cerone again for 32 yards. Welsko plunged to make it 27-13.

A Hicksville interception late in the game stopped the losers on the winners 23. **CLEARMARKS** -- Alumni Homecoming awards to Damm and Cerone as MVP for the day...Hicksville found running easy. Comets had 229 yds. rush. Welsko had 115 in 10 attempts. Schuster had 13 in 3, Triolo 45 for 7, Damm 31 for 5 and Lewis 25 for 3. Island Trees gained 166 yards on the ground. 7 completions in 12 attempts for Damm gained Comets 170 yards. Trees had 3 of 14 for 46 yards. Cerone had 5 pass receptions for 118 yards.

Hicksville travels to MacArthur at North Wantagh, Saturday, for the first league Assignment of the season. The Generals showed signs last year in the final game by holding Comets to a 14-0 win. This year they are reported loaded and dumped Farmingdale in the opener to underscore the point.

Coach Jim Grantham wasn't exactly happy with the Island Trees showing and heavy drilling was indicated to sharpen the Comets. The week's work should be enough to do it.

Hicksville 20. MacArthur 18.

The crucial league meeting between Hicksville and Syosset, Saturday, October 26 will be broadcast over Station WGLI, Babylon, AM, FM.

The fourth quarter will be sponsored by the Hicksville Sweet Shop.

Alumni Presents Gift

A check in the amount of \$250 was presented to the Senior Class of 1964 by the Hicksville Alumni Association at the Homecoming Day Reception, Saturday.

Over 200 band members, cheerleaders and football players were guests of the Alumni, immediately following the 27-20 victory over Island Trees.

Treasurer William Goyer made the presentation and Homecoming Chairman, Jouis Millevolte, announced that two Most Valuable trophies had been voted. The co-winners were Quarterback Bruce Damm and End Bruce Cerone.

The reception was under the direction of President Joseph Naso. Later that evening the Alumni held its annual Homecoming Dance, which was filled to capacity, at the Hicksville American Legion Hall.

Candidates Speak At Open Meeting

Stop! Look! Listen to the candidates urges the League of Women Voters!

On October 15 at 8:00 PM the League of Women Voters of Oyster Bay will co-sponsor with three other organizations a Candidates Meeting in the North Bethpage Civic Association Hall in Bethpage. The candidates for Town Supervisor, Town Councilmen and District Court Judge from Oyster Bay will be present to answer questions asked by the voters.

"We hope to have a jam packed hall filled to the rafters said Mrs. Kathryn Arnold of Hicksville, the

League's Public Relations Chairman. "This meeting will provide a wonderful opportunity for all citizens who will be voting on November 5 to meet, listen to and ask questions of the candidates."

In keeping with its non partisan policy, the League does not support or oppose candidates but believes in and tries to promote political responsibility in all citizens. This meeting will be one on many sponsored by Leagues all over the Country during election time.

The organizations co-sponsoring this meeting--North Bethpage Civic Association, Plainview Chapter of Hadassah and the Junior Women's Club of Bethpage join with the

League to invite all voting residents of Oyster Bay to "come out on the evening of the 15th to 'Meet The Candidates!'"

The hall is located on Stewart and Cherry Aves. in Bethpage and for further information call WE 5-9888. The League also would like to offer its assistance to anyone with a transportation problem for this meeting; in Plainview please call Mrs. Bernice Siegel, MY 4-2839.

Finishes Special Insurance Course

Lawrence R. Gilbert, claim representative for State Farm Mutual Automobile Insurance Co., at 55 West Old Country Road, Hicksville, has returned after completing four weeks of technical study at his firm's home office at Bloomington, Ill. State Farm maintains the school on a year-round basis so representatives may be informed of the latest methods, policy contracts and procedures in claim servicing. This year some 650 men will attend classes there.

'64 Studebaker beauties

break over 72 records

27 hours of torture tests at Bonneville prove Studebaker's endurance, engineering and speed!

We took to the Salt Flats with our whole '64 line. Not to prove we're faster. Just better. Built to take the beating Bonneville dishes out.

And now the proof is in the official USAC record book... 72 new records set by Studebaker.

There's a name for what these beauties showed at Bonneville: Performance. For at Studebaker "different by design" means more than style.

Lower Taxes Shown In Budget Report

Homeowners and taxpayers of the Town today were assured of an average 9 cents per 100 dollars assessed valuation reduction in overall Town taxes in 1964, according to the preliminary budget filed today by the Town Board with Town Clerk William B. O'Keefe.

The 1964 budget with its promise of positive tax reduction for homeowners makes good the pledge

voiced by supervisor Thomas R. Pynchon back in September, based upon preliminary studies. The

preliminary administrative budget is estimated at \$4,907,362.30 as compared to the 1963 budget of \$4,651,583.16, representing an increase of \$255,779.14. \$179,000 of the increase was brought about by mandatory salary increments for employees under the various civil service classifications, employees' retirement, social security and hospitalization, and \$67,000.00 for Bonded In-

MORTON ESTRIN, who resides at 9 Clothilde Court, Hicksville will appear in a concert at Carnegie Hall on October 27, at 5:30 p.m. Mr. Estrin, who will perform an all-Chopin program is a native of Burlington, Vermont and made his New York debut in 1949. Since then he has appeared as a soloist and with orchestra throughout the east. He has distinguished himself as an outstanding interpreter of the Romantic School, particularly of Chopin's works. As an enthusiastic advocate also of contemporary music, Mr. Estrin has performed several works especially written for him. Besides his busy concert schedule, Morton Estrin teaches privately, and is on the faculty of Hofstra College.

debtedness. "This budget has been the subject of a thorough, going fiscal analysis and review by the Town Board over many weeks," Supervisor Pynchon said, "and it will enable us to function without any cut-back of necessary and desirable municipal services. The Town administrative tax has been dropped from \$.195 per hundred dollars of assessed valuation to \$.19 per hundred dollars of assessed valuation. The Town highway tax has been reduced to \$.10 per hundred dollars of assessed valuation from \$.69 in 1963 to \$.59 in the proposed preliminary budget. Under State law the cost of the Building Dept. must be apportioned in the budget exempting incorporated villages. The Building Dept. rate stands at \$.033 the same as in 1963, and the Zoning Board of Appeals has been reduced from \$.015 in 1963 to \$.012 for 1964.

P.O. Building New Unit

The Post Office Department has authorized advertising for a Postal facility at Old Bethpage, ac-

ording to the Hicksville Postmaster Irene L. Murphy. The building will be approximately 4,500 sq. ft. with a parking and maneuvering area of 12,000 sq. ft. Under the Department's Lease Construction program the successful bidder will lease the building to the Department for a basic term of ten years with four 5-year renewal options.

The Old Bethpage Office will be a carrier branch of the Main Hicksville Office. Delivery and window service will be provided patrons in the community. The ZIP Code number for the Office will be 11804. "Members of civic groups made their wishes known to the Department over a period of time with the belief that the community could best be served by a separate carrier branch," according to Postmaster Murphy. "I know that residents of this long-established community are pleased by the Department's action."

Information concerning the proposed building may be obtained from the Regional Real Estate Office, General Post Office, New York, N.Y. 10111.

Thinking It Over

by Robert L. Morgan

This newspaper has long found it difficult to obtain news of the workings of the Hicksville Board of Education and for a number of years fought a losing battle to get information that should have been made available. In recent months we have been able to get some information and one member of the Board often contributes a column to this newspaper. We don't often totally agree with this column but we do feel that the writer should be given a chance to present his views. Several school board meetings ago a move was started to stop the school board member from giving us information and it appears that the Board is considering making a motion to try to stop him from writing a column for this newspaper. The idea sounds unbelievable, but it is probably true.

The Board takes an unfavorable attitude towards people who do not agree with their building programs and with a means justifying the end approach the members feel that freedom of the press should be suspended at least until their large scale building program is voted upon. In light of the fact that a former board member wrote for more than a year about things favorable to the Board in another publication without censure the latest effort of the Board is transparent.

A group of people who obviously are out to do away with the public school system in Hicksville calls itself TEACH. Translated the organization is the Taxpayers Educational Assoc. For the Children of Hicksville. This group would like to see Hicksville undertake a building program twice the size of the one now being pushed off on taxpayers. If TEACH gets its way the school system would have the best set of buildings on Long Island, the highest taxes and the worst educational program because there wouldn't be enough money left for such unglamorous things as text books and teaching tools. Several of the School Board members now serving were backed by this group but they didn't say a word about their big time spending ideas at election time. This must be another case of the end justifying the means.

Flu Epidemic Due Be Prepared, Wary

By C. A. Dean, M.D.

MEDITORIAL: A few years ago we experienced a severe epidemic of viral influenza, Asian type. As is customary, and for reasons as yet unknown, the flu virus goes into hiding following epidemics. After staying in seclusion for about 3 or 4 years, it again appears, ready to make people sick.

Enough time has elapsed since the last flu epidemic to alert us to the possibility of another. We must prepare for this. Although present measures of prevention are not ideal, they are at least partially effective.

First in the program of prevention is the flu vaccine. This is effective in protecting 60 to 70 per cent of the people who receive it. This vaccine should be used in those persons comprising what we consider the high risk group -- the aged, invalids, pregnant women and other seriously ill persons. Anyone working in close contact with others, public servants and factory workers should also have this protection.

To be of value, the vaccine must be given in advance of any epidemic, since it takes 10 to 20 days for immunity to build up after a shot. Several different types of vaccines are available, some requiring only one shot, others two. Some are given just under the skin, some into the skin and some into the muscle, so don't be surprised at the different routines when you start comparing your shots with your neighbors.

Other aspects of flu prevention include avoidance of large gatherings and maintenance of good, general body health. These are not as clear cut as vaccination but often are just as important in the control of a given epidemic.

Pontifical Mass Holy Family Asst. Pastor

A Pontifical High Mass was offered Monday for St. Romolo J. Fisichelli, assistant pastor of Holy Family R.C. Church in Hicksville.

Father Fisichelli died Wednesday in French Hospital in Manhattan after a brief illness. He was 43.

The Brooklyn-born priest had been assistant pastor of the 3,200 family congregation in Hicksville for three years. The Rt. Rev. Msgr. Martin O'Dea is pastor of the church.

Father Fisichelli, a member of the Mercy Fathers, served as a missionary in Canada before coming to the Hicksville church in 1960. In Hicksville, he was moderator of the Confraternity of Christian Doctrine and the teen-age club and spiritual director of the Holy Name Society.

He leaves his father, Gerard Fisichelli of Brooklyn; two brothers, Gerard Jr. of Brooklyn and Vincent of Floral Park; and three sisters, Mrs. Anthony Marchisotto of Massapequa Park, Mrs. Louisa Taranto and Mrs. Violet De Lia, both of Brooklyn.

All Star Show Benefit For Dems At Hicksville Theatre

The Citizens Committee for the Election of Michael N. Pettit Candidate, for Town Supervisor of Oyster Bay, and the Democratic Campaign Committee are presenting a stage and screen show at the Hicksville Theatre on East Marie Street, Hicksville, Tuesday, October 22 at 8 p.m.

On the screen will be presented 'The Music Man' with Robert Preston and Shirley Jones and a star studded festival of stars in person, live on the theatre stage. These are headlined by 'The Panto Maniacs,' namely Lou Marelli and Jack Marino. These boys will be the Masters of Ceremony at the presentation. They will be appearing at the Palms Shore Club in Sheepshead Bay, B'klyn, October 17-27. They have worked at just about every reputable club on the eastern seaboard and are considered one of the better comedy teams in the business today. Also starring in this star festival are Delmiree, Edie Carda, Vince Carri and Joe and Sandy.

Delmiree entertained all over the world and sings songs of many peoples in the tongues of that country. She excels in the singing of French songs and is in great demand by agents throughout the city of New York.

Edie Carda has recently broken into show business and she has done a wonderful job in such clubs as Club 802 in Brooklyn, the Parakeet Club and will soon be appearing at the 500 Club and the Back Page on Atlantic Avenue in B'klyn.

Vince Carri has just returned from a tour of Russia, Japan and Hawaii and has played in many clubs throughout the country and starred in New York City Clubs such as the Living Room, Latin

Quarters and many other notable clubs. He is presently in the process of making an album of Vince Carri favorites.

Joe and Sandy presently have a record out on the market entitled "Oh Marie" and it should be a big hit for these boys. They are considered to have 2 of the finest blending voices in the show business.

These stars along with others plus the excellent screen show compose a most enjoyable evenings entertainment.

Cocktail Party For Dem Cand.

A cocktail party for Kay Giannelli, Democratic candidate for Oyster Bay Town Clerk, will be held at the home of Mr. and Mrs. Herbert Hoops, 114 Cambridge Drive, Hicksville, on Saturday, Oct. 12 at 9 p.m. This is the second of a series of four Hicksville get-togethers designed to give local voters an opportunity to meet the candidate. The next social will be hosted by Tony Irvelo, 42 Jerome Ave., on Tuesday, Oct. 15 at 9 p.m., and the last will be jointly given by Sarah Abramowitz and Gloria Rennie on Thursday, October 17, 9 p.m. at 160 Seventh Street.

WELCOMING MR. AND MRS. STANLEY HIRSCH of the Suburbanite's Travel Agency, Inc., Hicksville, is James Demetrios (right), representative of Home Lines, Inc., New York City. They were attending a party given by the Bahamas Development Board at the Montagu Beach Hotel for travel agents and their guests who won a trip to Nassau aboard the MS, Italia in a promotion sponsored by Home Lines.

AN INTERESTING THING HAPPENED ON THE WAY TO... ROOSEVELT RACEWAY

THE PROXIMITY

Proximity was a lady with winning ways. She was known as "Queen of the Trotters" from 1940 to 1950. During those years she consistently beat the best male and female trotting horses of all ages and at all distances. She was particularly supreme in distance races, in which she displayed speed and

heart in winning important stakes. Purchased by Ralph Verhurst of Victor, N. Y., for \$325, she had earned \$232,929 for her owner when she retired in 1951 after receiving a ceremonial "night" at Roosevelt Raceway. In honor of this great mare, Roosevelt initiated the Proximity Stakes in 1960 for two-year-old fillies as a division of the Westbury Futurity. The Futurity usually produces the best two-year-olds of the season. This year the Proximity will be held at Roosevelt this Friday (Oct. 18), a fitting memorial to a noble lady.

'Mutiny On Bounty' Here

In his versatile film career, Marlon Brando has run the gamut from Napoleon to Marc Antony, from a New Jersey dock hand to an Okinawan fisherman.

However, Metro-Goldwyn-Mayer's spectacular presentation of "Mutiny on the Bounty" marks Brando's first sea-drama. His is the role of Fletcher Christian, First Officer on H.M.S. Bounty.

Keep your mind on the road, not on your troubles. Don't worry about business, the family, or what may happen tomorrow. Keep alert to what's happening now. Good driving's a full-time job requiring an alert mind and body. If you must worry, do it in your leisure time.

WHEN YOU DRIVE...

Think now, complain later. "Mad" at someone or something? Turn it off when you turn your ignition on. Anger, no matter who or what it's directed at, can color your whole driving attitude, making you a menace to other motorists on the road.

THINK

Think wise... think easy... think careful, cautious, cheerful, courteous driving. Good driving is the responsibility of every motorist. A cheerful attitude toward others on the road will get you to your destination more relaxed than if you find fault with every driver along the way. Think careful driving when you're behind the wheel. And, when you think of protection against the hazards of other not-so-careful drivers, think of State Farm, the careful driver's insurance company.

The Rachel Circle is responsible for the January Sisterhood Meeting.

The Naomi Circle under the leadership of Mrs. Albert Korn will hold a circle meeting on Mon. October 14, at 9 p.m. At this meeting the women will plan a program for the April Sisterhood Meeting.

The meeting will be held at Mrs. Korn's home at 23 Harcourt Drive, Plainview.

Meet Oct. 11

The next meeting of the Hicksville Teenage Democratic Organization (Teen Dems) will be held October 11, at 7:30. The meeting will be held at the 4th Assembly District Town of Oyster Bay Democratic Hqts. at 3 West Nicholas St., Hicksville.

New members and the public are invited to attend meetings of this organization.

Jr. Women Study Food

Techniques in the production of gourmet type hors d'oeuvres will be the program for the evening of Monday October 14 for the Junior Woman's Club of Bethpage. The demonstrations will be given by three club members, Mrs. Robert Palm, Mrs. Kenneth Atkinson, and Mrs. Gustave Hackebell. Mrs. Hackebell will open her home on Sussex Lane, Bethpage for the meeting at 8:15. Mrs. Paul Bohack will be her co-hostess.

In cooperation with the League of Women voters and several other area organizations, the club will sponsor a "Meet Your Candidates" night on Tuesday October 15 at the North Bethpage Civic Association, Stewart Avenue, Bethpage. This meeting which is open to the public will begin at 8 p.m. and will feature candidates for office from both major parties for the Town of Oyster Bay.

Rummage Sale

The Sisterhood of Cong. Shaarei Zedek of Hicksville will hold a rummage sale starting Monday, October 14, thru Thursday, October 17. The sale

will be held at 140 Broadway, Hicksville, (opposite the church) from 10 a.m. until 4 p.m. daily. A large selection of clothing and household goods will be on sale at very low prices.

Construction of our new congregation building is scheduled to start in late October. The proceeds from this rummage sale will help us towards the completion of our goal.

PTA Meets

Northedge School PTA will take a cue from the political conventions this year and conduct their meetings with a convention format. According to Mrs. Ruth Hurley, chapter president, arranging parents with appropriate teachers will bring about more cohesive and effective meetings and develop better personal parent and teacher relationships.

The first meeting of the year is being held at Northedge School, Oct. 15 at 8:30 p.m.

During the meeting, members will approve the selection of Mrs. Gloria Bass and Mrs. Yolande Janelli as council delegates. The new recording secretary will be Mrs. Jeannette Itubnow.

Mrs. Hurley will introduce members of the PTA executive board, and Northedge principal, Dr. Gerald Greenberg will introduce all the teachers to the assembled parents.

Appoint New Hicksville Librarian

Miss Dorothy Kiep has been appointed Young-Adult Librarian at the Hicksville Public Library replacing Mr. Alfred Freund. Miss Kiep is a graduate of Brooklyn College and Columbia University, School of Library Service. She has worked in the Brooklyn Public Library System, the Great Neck School System and most recently as Young Adult Librarian with the Smithtown Public Library. Miss Kiep has been conducting a young people's book review radio program from station WBAB, Babylon, for some time. Teen-agers from Hicksville will take part on October 20th, December 8th, January 19th and March 1st. Any teen-agers interested in the taping of these broadcasts may speak to Miss Kiep. The programs are all on Sunday at 9:30 AM.

Back To School

Under the leadership of Mrs. Lorraine Carter, president, the Bethpage High School PTA held its first Executive Board Meeting on Wednesday, October 2nd. The first meeting for

the school year 1963-64 will be held on Tuesday, October 15 at 7:30 p.m. at the Senior High School. This evening will be 'Back to School Night' for parents, giving them an opportunity to follow their youngster's program from homeroom through to the 8th period; and also give them a better understanding as to why Johnny is so tired at the end of a school day.

On the motion of the legislative chairman, the Board voted to send a letter supporting the original budget for the District of Columbia; for the support of the public schools; and that part of the defense budget which deals with providing schools for the children of American parents, civilian and military, overseas.

Don't forget to make Tuesday evening, October 15, 7:30 p.m., Bethpage High School auditorium, your night to go 'Back to School'.

Chairmen and members of standing committees were announced as follows: Program, Dorothy Fink; Frank Sabatella; Membership Betty Bohner; Claire Kikta; Publicity Evelyn Kranz; Newsletter Pat Bozart; Budget & Finance Rose Memechino; Higher Education Elizabeth Bryan;

Historian Gladys Goud Hospitality Trudy Hebert; Legislation, Zelda Plotkin; Council Delegates, Mary Nylund, George Cobelli; Special Projects, Marge Wallace, Frances Carretta, Anne Merin, Mrs. J. Koteltas, Catherine Achilich; Graduation Reception, Mary Nylund; Publications, Helen Schlachter.

Legion Collects Clothing Bundles

The Charles Wagner Post #421 of the American Legion is asking for donations of usable clothing for men, women and children patients at Kings Park State Hospital. The articles can be delivered to the Post, located at 24 East Nicholas St., Hicksville, any time but not later than Saturday, Nov. 2. Pickup service is available by calling George Johnston at WE 5-7087 and making the request.

The donations will be delivered to Kings Park on Sunday afternoon, Nov. 3, when the members of the Post and Auxiliary make their annual visit to distribute candy, cookies, fruit and cigarettes. This year patients will be treated to a variety show which will be held at York Hall.

Hospital visits to veteran patients began in the early 1920's at the suggestion of the late Mrs. Lucia McIntosh, a past president of the Charles Wagner Unit #421, American Legion Auxiliary, and have since spread from coast to coast. A visit to Kings Park is an unforgettable experience and members who attended the first visitation over fifty years ago are still making the annual trek.

Bethpage Legion News Notes

Archie McCord Post #86 in its drive for members has already reached 75% of its 1963 quota. The Post is striving for 100% by Veterans Day, Nov. 11. We invite all eligible veterans to pay us a visit at the Legion Hall on Washington St., on the 2nd and 4th Thursday each month.

The Post has distributed to the grade schools, both public and parochial, several thousand copies of a circular that is published on the F.B.I. It is designed for the protection of children and stresses the following points: Turning down gifts from strangers; refusing rides offered by strangers; avoiding dark and lonely streets; knowing your local policeman.

GOP Club Harvest Ball

The Theodore Roosevelt Republican Club of Bethpage will hold its Third Annual Harvest Moon Ball

at the Old Country Manor on Friday, October 11. Alice Goss is General Chairman.

A Journal will be issued in conjunction with the affair and Henry Gioia, Finance Committee Chairman has been in charge. A large committee comprised of Cliff Daley, Bill Ericsson, Marilyn Mathis, Lou Hart, Rose Maggio, John Egan, Ronnie Burke, Kay Yochman, Ed Gaynor, Mac Singer and James Marigo has been working on the solicitation of ads. Proceeds from the affair will be used to defray expenses for the campaign elections.

The next meeting of the Theodore Roosevelt Re-

publican Club will be held on Monday, October 14, at which time Supervisor of Town of Oyster Bay Tom Pynchon and Receiver of Taxes Frank Hines will be guest speakers. The clubhouse is located on Washington St., Bethpage. Meeting will start at 8:30 p.m.

Applauds Efforts Of Dem Workers

Oyster Bay Town leader Edward J. Morris last night applauded the efforts of party workers last week in getting 7,103 new registrations in Oyster Bay Town and predicted that over 70% of them are Democrats,

"which will give us more than the needed margin of victory". Speaking before a meeting of workers at Town Headquarters, Hicksville, Morris admitted that the 7,103 figure would have been woefully low had it not been for the work of many unheralded volunteers.

"Make no mistake the final figures are dominantly the work of Town Democratic workers -- Candidates, Committeemen, Zone leaders -- and I am delighted", said Morris. "With the increased registration I am sure that the battle to reach the steps of Oyster Bay Town Hall will be won overwhelmingly. Morris also rapped the "smoke screen" put up by

Town Republican Leader C. Bruce Pearsall who had alleged that the Republicans were putting on a concerted effort to increase the registration rolls. "They may have worked in some Republican areas but it is a known fact that the Republicans fester on limited registration since most new registrants are Democrats," Morris said that now the Organization can get down to the work of getting the Democratic ticket elected.

"If we work with the same dedication to get out the vote as we did in getting new registrations, the victorious results Election Day will be ample reward to all", said Mor-

Freshman

Richard Anthony Sullivan has completed his registration and orientation for the freshman class at Belmont Abbey College, Belmont, N.C., where he is beginning his college career.

The son of Mr. and Mrs. T. F. Sullivan of 19 Parkview Circle, Bethpage, he is a graduate of Chamblade High School in Minneola.

Appointed Head Of Finance Drive

Oyster Bay Town Democratic Leader, Edward J. Morris, today announced that Richard Fulton of Plainview, has been appointed Chairman of the Democratic Town Finance Committee.

Fulton, a producer, who lives at 66 Richfield St., has been active in Plainview Democratic circles since he came to the community 7 years ago.

He was formerly Finance Chairman of the Plainview Democratic Party, on the Finance Committee, Nassau Democratic Committee, Vice President and Publicity Chairman of the Jefferson - Plainview Democratic Club, and Publicity

Chairman of the Oyster Bay Democratic Organization.

Morris said the addition of Fulton to the Town Team should be an invaluable asset in enabling the entire ticket to sweep into office. He added that Fulton's experience in fund raising should facilitate the stocking of our Campaign War Chest and permit us to have the revenue to carry out our many Campaign projects.

L.I. Observes Oil Week

Proclamations issued by the Nassau and Suffolk County Executives have designated October 13 to 19, "Oil Heat Progress Week."

According to William G. Kane, president of the Oil Institute of Long Island, Nassau County Executive Eugene H. Nickerson and Suffolk County Executive H. Lee Dennison, in similarly worded proclamations, saluted the Long Island petroleum industry for its "significant contributions to our general welfare and health." They added that the week of October 13th, "has been designated as a time when citizens of this community engaged in the oil heat business report to their neighbors and fellow citizens on their achievements to date, and their plans for the future."

The proclamations invite "the attention of our citizens to the many and varied contributions of our oil heat business to modern living, and those freedoms which are the special heritage of this nation, and without which neither the petroleum industry nor the progress it typifies could exist."

Nickerson Speaks At Dem Rally

Eugene Nickerson, Nassau County Executive, will be the featured speaker at a Mammoth Political Rally to be held by Levittown Democrats at and around their new giant headquarters located at 2937 Hempstead Turnpike (2 stores west of Divis-

ion Ave.) in the May's Shopping Center - on Thursday, October 17, beginning at 8 p.m.

Edward Salley, in charge of the arrangements announced that in addition to Mr. Nickerson, a host of celebrities will appear throughout the evening including Justice Beatrice Burstein of the District Court (presently the Democratic Candidate for

the Family Court), Horace Kramer who is candidate for Presiding Supervisor - Town of Hempstead and Dan Sweeney who is running the race for Supervisor.

In addition, Levittown's own Candidates - Alphonse D'Ambrose - Candidate for Councilman and Kenneth Bruning - Candidate for Trustee of the Public Cemetery will join in the

festivities. This rally will be in the tradition of the old-time "thunder and brimstone" rally of yesteryear with plenty of music, action, and free beer and refreshments for those who yell themselves hoarse. There will be positively no admission charge or solicitation of funds, Salley said, this will be an evening of fun and edification.

To Meet Oct. 16

On Wednesday, October 16 at 7:30 p.m. the Youth Group of Cong. Shaarel Zedek at E. Barclay St. in Hicksville will hold it's first meeting.

We are very proud to announce that Stanley Kellner is the director of our teen-age program. Mr. Kellner, a life-time resident of Hicksville, has been on the faculty of Hicksville Jr. H.S. for several years as a physical education teacher. Mr. Kellner has travelled extensively abroad and has had personal experience with youth programs in Israel. We consider our teen-agers most fortunate to have him as their director.

Any boy or girl of Jr. H.S. and Sr. H.S. age is welcome to attend this meeting and join our Youth group.

Story Hour At Library

The Hicksville Public Library will begin its Pre-School age Story Hour on Thursday, October 10, at 10:30 AM. It will be held in the auditorium, and will start promptly at the above hour. Children from the ages of 3 1/2 to 5 years old are invited, as the stories and picture books

will be geared solely to that age span.

Last season, which was from October through the early part of June, was a very successful one. The average number of attending children per Story Hour was never under 25, and a small regularly attending nucleus of children formed quite early in the season. Each Story Hour, (they are conducted on a weekly basis), was based on some theme either pertaining to an important event, holiday of a literary theme. In order for us to have a similarly successful set of sessions, the Children's Librarian asks all parents who accompany the children to wait for them in the library building, preferably in the children's room, as the Story Hour does not always conclude at the same time, and the children cannot be constantly supervised here. In addition, it would be appreciated if all who attend show up promptly, as we do not like to interrupt the story being told by latecomers walking in.

My Opinion

By Hicksville School Trustee William A. Bruno, Jr.

Do you remember my warnings about that loud and noisy pressure group called TEACH (which could stand for "teaching everyone about cost hiking")?

TEACH, which has three of its own high sponsors on the Hicksville School Board, the Lawrence-Sabatella-Jackson trio, wants the Board to overbuild, despite being forewarned against that very thing by Dr. Felix McCormick in the very thorough McCormick Report released in January.

Not long ago, TEACH's pet, Board President George Jackson, admitted that the proposed \$2 million-plus building program has been under study (unbeknownst to the public, of course) for over a year.

The first the taxpayers of Hicksville were let in on the big secret was several weeks ago when the Board majority and its boss, Superintendent of Schools Donald Abt, who treats me like a leper when I ask for school district information, started a campaign to sell the people on the need for additional school construction.

In spite of Dr. McCormick's prediction that the Hicksville school enrollment will drop after a slight increase in the next few years (and it has already dropped this year), TEACH, ever magnanimous with other people's money, wants not 22 or 24 classrooms built at the high school, but some unannounced number, probably 26 or 30 classrooms.

Moreover, TEACH cites the McCormick Report as stating the high school will remain overcrowded for the next 15 years. But cutely and cunningly, TEACH neglects to tell the public what Dr. McCormick further said on this subject.

He said, at page 50 of the Report:

"Within a year, enrollment at the high school will exceed available maximum capacity by close to 1,000 pupils. After that, the gradual decline in grade 10 through 12 enrollment will lessen the impact to some extent, but certainly not to the point of comfort for at least ten years hence."

But -- and this is a large BUT -- Dr. McCormick said the whole high school enrollment picture was clouded because exact parochial secondary school building plans were not known at the time of the Report.

"Thus," said Dr. McCormick, "the survey staff recommends the maintaining of permanent construction at the senior high school level at its present capacity range through the next 5 years. In this time, parochial secondary school construction plans will become known and their exact impact can be reckoned with."

Then, very importantly, he added:

"When these data are known, a permanent addition to the senior high school might become a defensible necessity. Until such data are known, a permanent addition to the senior high school might prove an UNJUSTIFIED expenditure and burden to the district...." (Emphasis mine.)

Since the Report was issued, the Rockville Centre Diocese of the Catholic Church has announced plans to build a 2400-pupil parochial high school in Hicksville. But remember, Dr. McCormick advised against further public high school building in Hicksville until the exact impact of parochial building is known.

By the way, two of TEACH's pets, Messrs. Jackson and Abt, have been invited to a public meeting sponsored by TEACH at Levittown Hall on October 17 at 8:30 PM.

This is all part of a massive huckstering campaign to convince the taxpayers of Hicksville that they should completely ignore the \$8,000 McCormick Report. It is aimed, further, at convincing them that a \$821,000 administration building is needed at the high school.

Still another puppet of Teach, School Trustee Irving Lawrence, was a panelist at the recent teachers' conference. The subject: Curriculum Development - Whose Job?

Could this have something to do with the scuttlebutt around town that a new teachers' hike is being

worked on by TEACH representatives, to be presented to the Board by none other than the one and only Irving Lawrence, bent, apparently, on becoming a teachers' as well as TEACH's pet?

A word of warning to all Hicksville taxpayers: If you want to protect your own tax interests, you'd better take a far more active interest in Hicksville School District affairs. (More next week.)

New Freshman

One Hundred forty-three students have been enrolled at Kentucky Christian College, Grayson, Kentucky, for the 1963-64 year according to an announcement from President J. Lowell Lusby.

Enrolling from Bethpage is Sharron McMahon, 71 Cherry Avenue.

(Continued from page 1)

Significantly, Dr. McCormick also forecast a declining birth rate, a

natural concomitant of an aging population. He cautioned that the downward drop in population, however, "might be reversed by substantial changes in the zoning or zoning to encourage the erection of large, high-rise apartment buildings -- a possibility which makes many local residents and not a few politicians see red every time it is mentioned.

A "moderate" enrollment projection of the McCormick Report predicts a very slight rise in enrollment to a total peak of 13,265 students in 1963-

1964. After that, the total enrollment is expected to drop continuously "for at least 17 years."

Actually, on September 7, 1963, the total enrollment of the Hicksville School District was 12,977, a 21-student-enrollment drop since last year.

By 1965, said Dr. McCormick, "the K-12 (kindergarten through 12th year of school) should approach 12,675 pupils; by 1970, be near 11,000 pupils; by 1975, be down to 9,813 pupils; and by 1980, should be between 8,800 and 8,850 pupils."

Probably few parents indeed know that 2,954 Hicksville School District children attend parochial and private schools, according to the August, 1962, school census. This 2,954 figure, said the McCormick Report, "represented 18.6 percent of the total school-age population enrolled in public, parochial, and private schools at the time of the census tally."

Since the McCormick Report was issued, the Rockville Centre Diocese has announced that a parochial high school will be built in the Hicksville

area. This new high school is expected to siphon off about 400 public school students, freeing about 14 classrooms.

Are the 22 additional classrooms the School Board contemplates tacking onto the senior high school actually necessary?

Dr. McCormick said in his rather comprehensive Report: "Facts and data are unmistakably clear that the crest of the (Hicksville population) wave has passed.... It is imperative that the folly of excessive school plant capacity already evident in some unfortunate school districts does not occur in District 17. In some districts, the excesses of capacity are increasing at alarming rates, long before the debt retirements on the plants has been completed."

Very significantly, the McCormick Report added: "...The survey staff recommends the maintaining of permanent construction at the senior high school level at its present capacity range through the next five years." McCormick said only after parochial secondary school plans became known would a "permanent addition to the senior high school... become a defensible necessity."

Since then, the building of the 2400-pupil Catholic high school in Hicksville has been announced. And, if as anticipated, it siphons off 400 public school students, lightening the public school load in years when a population decline is expected, can the School Board justifiably ask the people to add 22 more classrooms to the Hicksville Senior High School?

Moreover, if the School Board ignores Dr. McCormick's cautionary warnings and asks the people to saddle themselves with 30-year bond issues for schools that could eventually become white elephants, what valid, sound, prudent educational practice will be served?

Dr. McCormick nevertheless proffered a good, far-less-expensive alternative to help solve whatever secondary-schooling problem Hicksville may have over the next few years before the population starts to nose-dive in earnest. He raised the possibility of using pre-fabricated temporary classroom units at the high school until the late 1960's or early 1970's when a permanent addition might be "more defensible." (To be continued.)

ARRIVING AT A PARTY given by the Bahamas Development Board at the Montagu Beach Hotel for travel agents and their guests who won a trip to Nassau aboard the M.S. Italia in a promotion sponsored by Home Lines, Inc. are Mr. and Mrs. Warren Sommer of Hicksville Travel Service, Hicksville.

At Swarthmore

Robert Weber, whose parents are Mr. and Mrs. Helmuth J. Weber of 31 Bishop Lane, Hicksville has participated in the Swarthmore College Freshmen Orientation program and is presently engaged in his chosen fields of study.

Swarthmore College was founded as a coeducational institution in 1864 by the Religious Society of Friends. The purpose of the college is to make its students more valuable human beings and more useful members of society. Swarthmore feels that it can best prepare its men and women with

a liberal arts training and confers on its graduates Bachelor of Arts degrees at the completion of four years of study.

New Freshman

Karen Brunjes, daughter of Mr. and Mrs. George Brunjes, 27 Linden Ave., Bethpage, is an entering freshman at State University College at Oswego.

The new freshman is a member of a record student body of almost 3,250 young men and women at the College at Oswego.

Miss Brunjes is a Bethpage High School graduate and is enrolled in the college's Elementary Education program.

Open Meeting

Sagamore Lodge #817, Knights of Pythias of Hicksville, will hold an open meeting on October 9, 1963, at the V.F.W.

Hall at 4th and Grand. Members will be permitted to bring their wives and friends.

Highlight of the evening will be a mook trial.

Judge Douglas Young will preside to demonstrate judicial process in our community. The mock trial will be tried by actual attorneys. Collection will follow.
