HICKSVILLE-LEVITTOWN-PLAINVIEW-BETHPAGE

Entered as second class matter in the Post Office, Hicksville, N. Y.

VOL. X, NO. 13

PRICE 10 CENTS

THURSDAY, MARCH 26, 1964

THE NASSAU-SUFFOLK Y.M.C.A. has revealed plans for a \$2,054,000 Central "Y", to be built in Jericho and act as nerve center of a long range Y.M.C.A. expansion of services throughout the two counties. The 651,000 cubic ft. building will be erected on an 8-acre tract anonymously donated to the "Y". The site is just north of the Long Island Expressway, convenient to the population centers of Long Island. It will serve Hicksville, Bethpage, Jericho, Plainview and Svoasset and other areas.

The Central "Y" will have an indoor swimming pool, with complete locker and shower facilities. A variety of exercise rooms will be available, along with a health club for the many businessmen expected to use the facilities during the day. The program will offer day and evening activities for youngsters, young adults, men and women, and family groups. Meeting rooms and halls will be available for community social and philanthropic functions.

Fifty residence rooms will provide for the many young men who come to Nassau and Suffolk each year, to work, study and teach in local communities.

BUSILY PREPARING for the forthcoming annual Card Party are Mrs. Mary MacDonald, Chairlady Mrs. Thomas Hassett and Mrs. Anthony Prootda. Sponsored by St. Pius X Rosary and Altar Society of Plainview, and with a World Fair atmosphere, the affair will be held at the parish school in the auditorium and Madonna Hall. The prizes are many and varied, and besides the regular raffle there is to be a special surprise raffle. Remember Thursday, April 9, for a fun evening and lovely gifts too!

Board Refuses To Cut 54-Cent School Tax Hike

By Edward J. Van Allen

The Hicksville School Board met Tuesday night to consider how to spend an additional \$120,000 approximately in state aid the district will likely receive under the 3-percent state aid boost just okayed by the State Legislature. But the Board, only four of whose members were present at the early stages of the meeting, agreed to disagree and took no action.

Among the proposal advanced was a motion by Trustee Neil McCormack calling for using the \$120,000 to give the teachers their slated raise in September rather than next January, using any moneys left over to chop the tax rate.

This motion lost when McCormack voted for it, but Trustee William A. Bruno, Jr. abstained because he said he didn't know how much money will be received in additional aid. He advocated a wait-and-see attitude. Board President George Jackson and Trustee George Kunz voted against the September-raise motion.

Kunz then moved to apply the \$120,000 or any approximate sum received to reduce the tax rate

of the district.

When McCormack said that he doesn't think the Legislature has been "fair" in granting additional aid to school districts, Bruno asked him whether he thinks it is "fair" that we have to pay for swimming pools in other districts.

As the discussion warmed up over whether the \$120,000 should be used for teacher salaries or a tax chop, Bruno told Jackson: "I think that \$120,000 is burning a hole in your pocket." Bruno then recommended waiting until the final state-aid bill is passed in Albany before spending the money.

Supt. of Schools Donald Abt said that if the \$120,000 were used to reduce the tax rate, the prospective school tax hike next year of 54 cents would be pared to 42 cents.

The motion to reduce the tax rate with the \$120,000 lost when McCormack voted against it and Bruno abstained "until we get word from Albany" as to how much money will be received.

When Supt. Abt recommended that \$55,000 of the \$120,000 be "set aside" for professional salaries and that the whole matter of teacher salaries be taken up again by the Professional Liaison Committee, Bruno suggested a public meeting of the committee. Asked for comment, Mr. Villamena, of the Hicksville Classroom Teachers Association, said that the teacher group "would be interested in talking further on the salary problem."

"Would you object to public meetings?" Bruno asked.

"I would abide by the

Who'd ever think
a car 213 inches long,
79 inches wide,
6 passengers roomy and
Trophy V-8 powerful
could cost so little?

Pontiac people.

You'll never guess what else Pontiac people get for their money in Catalinas. Pontiac styling? Well, obviously. Curve-encircling Wide-Track? Of course. A Trophy V-8 that thrives on regular gas, if they prefer? No charge. Lots more that could cost extra, but doesn't? Sure, electric wipers and dual visors and foam-cushioned front seats. If you drive a Catalina, you'd feel like a Pontiac person. Smug.

Red Cross Blood Program

Minimum requirements for acceptance of donors by the American Red Cross New York Regional Blood Program:

Age: Donors 21 through 59 are accepted. Minors between the ages of 18 and 21 can be accepted only with written permission on Red Cross release form signed by the parent or guardian.

Exceptions: Married minors who are economically independent. Minors who are members of the United States Armed Forces or Merchant Marine.

Length of Time Between Donations: There should be a lapse of 56 days between each donation. Not more than 5 donations a year will be accepted.

General Considerations: The Red Cross Doctor will be sure that each donor meets certain qualifications as to weight, temperature, pulse, hemoglobin and blood pressure at the time of donation. The donor will be postponed if he or she has or has had a cold at time of appointment, a recent illness, infection or operation, a history of tuberculosis, malaria or anti-malaria therapy within six months, infectious jaundice within two years. Immunization: Salk Vaccines, Typhoid, Tetanus, Influenza, Cholera, Typhus, Difteria, Rocky Mt. Spotted Fever; 24 hours after shot. Small Pox;

2 weeks after immune reaction. Rabies; 2 years after injection.

Special Considerations: Persons engaged in hazardous occupations or members of airplane crews actively engaged in flight operations may be rejected, if it is necessary for them to return to work immediately.

Diet Before Donating: Eat normal meals before donating, but avoid fats like butter, cream, mayonnaise or fatty meats, the meal before donation. Do not fast more than 5 hours.

Women weighing less than 110 pounds will be postponed. Pregnancy within past year, or baby less than one year of age will necessitate postponement.

Red Cross has a family plan: You donate your blood at a Red Cross operation. At registration you list the family members who are to be covered. For 30 days after your first donation, you will be covered only for the pint you have given. After that you will have full coverage during the next 12 months for all normal blood needs. Obviously a plan of this sort cannot provide for chronic blood conditions or open heart surgery. After the first donation you can avoid the 30-day waiting period by donating regularly.

Mobile Unit blood sessions are held yearly at the Gertz Department Store and the J. Lehmann Brewery in Hicksville for their respective employees only.

Center Sessions will take place at the Nassau County Chapter, American Red Cross, 264 Old Country Road, as follows:

April 7, Tuesday from 2:30 to 7:30 p.m.

April 16, Thursday from 2:00 to 7:00 p.m.

April 30, Thursday, from 2:00 to 7:00 p.m.

Call PL 7-3500 for appointment.

An Emergency blood distribution team of 9 volunteer men and 5 reserve volunteers are on call for deliveries at any time during the night. Motor service at Chapter takes care of the daytime calls.

Puppet Show At Fork Lane

The Parent Teacher Association of the Fork Lane School of Hicksville will present the charming puppet show "Hiawatha" on April 2 at 9:45 a.m., in the School Auditorium. Everyone is invited to attend.

MRS. BETTY YOUNG, widow of Alred E. Young, former vice president and manager of the Hicksville office of the Meadow Brook National Bank, is presented with a replica of the Alfred E. Young Memorial Bowling Award plaque by Peter Depp, president of the Bank's Employees Club. The award was established last June shortly after the sudden death of Mr. Young who had served the Bank for 29 years and had been active in the Club's bowling activities. The names of the two members of Meadow Brook's Employees Club bowling leagues (one male and one female) who role the most pins over their average during two designated nights of the regular bowling season will be inscribed on the plaque which will hang in the Hicksville office of the Bank. The Young's only son, Walter, a 16 year old Amityville High School senior, watches the proceedings.

Teacher Resignations Hushed By Board

The Board of Education meeting of Hicksville School District #17 was punctuated with an attempted motion by School Board member William Bruno Jr., to get to the bottom of repeated rumors in the Hicksville School District of mass resignations of Hicksville teachers. But Bruno was stopped from making the motion by one board member who said he didn't want to see Bruno's statement in print. The statement was a motion by which Bruno would have asked that the Board "establish a committee of the whole to investigate why 26 teachers issued a complaint through the grievance machinery..." and into "teacher resignations and refusal of contracts without the official knowledge of the Board of Education."

Hicksville Hosts German Teachers

Seven teachers from Germany will be guests of the Hicksville Public Schools on Tuesday, March 24, it was announced today by Mr. Donald F. Abt, Superintendent of Schools. The German teachers, who are travelling in the United States under a State

Department Grant, will spend the entire day in the Senior High School and in the Willet Avenue School, he added.

The seven teachers visiting Hicksville are part of a group of approximately 30 teachers who will visit various Long Island Schools. The group is sponsored for the day by the American Association of Teachers of German which is arranging for overnight lodging and entertainment for their European colleagues.

Dr. Eric A. Hirst and Miss Runhild Wessell, German teachers at the Senior High School will meet the seven visitors in New York City on Monday evening and take them to their homes for the night. The next day they will attend classes in the High School and in the newly opened Willet Avenue School.

After a welcome by Leon J. Galloway, Principal of the Senior High School, the teachers will make a tour of the school conducted by students. They will see the modern team teaching program in social studies, led by team leaders, Mr. Louis Plochocki and Mr. Gerald Sohlapp. Team teaching is a relatively new concept of teaching whereby a teacher lectures to a large group of students two or three times a week, and the rest of the team of teachers meets with small groups on the al-

ternate days to clarify and expand on the points made in the lecture classes.

In addition, the teachers will see one of the few comprehensive high school programs in the United States. Hicksville gives vocation, business and college preparatory courses, a unique and valuable program.

Miss Lurine Mills, Beauty Instructor, will introduce the men to her department. Her students will give the men a man-oeuvre. The Student Council will entertain them for luncheon.

One of the German teachers, Hubert Breier, being especially interested in elementary schools, will be taken on a tour of the Willet School by Principal, Mr. John Maher.

In the evening, the group of 30 teachers and an equal number of local educators, will meet in three private homes for a social evening. Dr. Hirst and Miss Wessell are two of the hosts.

The program of visits is sponsored by the United States, State Department as part of its cultural interchange program. On Long Island it is sponsored by the A.A. T.G. in its efforts to provide students with first-

hand acquaintance with natives of the country where the language is spoken.

Hicksville, always in the forefront in attempting to provide the best education, is happy to welcome the visitors, Dr. Hirst said. He was seconded by Miss Vera Villegas, Foreign Language Supervisor, who added that Hicksville has pioneered in advanced methods of foreign language instruction and has one of the best programs on Long Island.

The foreign visitors are: Elementary teacher, Hubert Breier; secondary school teachers: Heinz Helmstedt, Johann Hitzel, Hans Klemp, Arno Kohne, and Hans Nessler; and vocational teacher, Diethard Klemm.

Attends Lutheran Brotherhood Conf.

Robert Sieloff, Plainview, district representative for Lutheran Brotherhood, will attend a regional conference of the fraternal insurance society April 5 through 8 at Hollywood Beach, Florida.

Mr. Sieloff is a member of the society's New York City agency, headquartered in Brooklyn, N.Y. He will attend the conference as a member of the Lutheran Brotherhood Convention Club, one of the society's top sales honors. He qualified for the club through his personal production of new business last year.

Thinking It Over

By Robert L. Morgan

It may be just a sign of spring, but vandalism is in the air in Hicksville. Over the weekend the police were kept busy with the destruction of the interior of two school buses at St. Ignatius Church. The insides of the buses, seats and walls were severely ruined. A drug store on Broadway was broken into and another store on the same street was also burglarized.

The office of this newspaper was ransacked and petty cash and stamps stolen.

The police have not been sleeping. In the case of our office robbery they apprehended two boys who they have charged with the thefts and they made the arrest the same day the robbery was reported. It turned out to be two youngsters ages 14 and 15 who had not been in trouble before. They said they had been playing ball until about 6 o'clock on Saturday evening and then with nothing to do climbed a fire-escape and got into the building through a fire door.

It was a petty theft and probably the boys will not be severely punished but it could have been the start of careers that would have led to real trouble if the police had not made the arrests.

"We believe that most of the vandalism and petty thefts that are coming to the fore now are by kids who are seeing how they can make out with small crimes. We believe that it is important that the police continue to work hard on these first crimes and that people report the crimes to the police so that we can do a job of keeping these boys from going really bad", one detective from the second precinct told us.

Reporting crimes is one way to cooperate. Another is to be sure you know where your own teenagers are going at night. This isn't one hundred percent effective but it will help, along with noting any peculiar things the teenager may have like a lot more money than can be accounted for or objects that might have been taken from someone else.

Most teenagers are good kids, but it only takes a few mistakes to the wrong way.

No 'Easy Cure' For Athlete's Foot

By C. A. Dean, M.D.

(Q) "What is the treatment of athlete's foot besides continuous washing? Is there no cure?" M.C.

(A) Continuous washing may be harmful. Keeping the feet, including the area between the toes, very dry is more important. Proper use of athlete's foot powder (after drying) during the day and ointment at night are very helpful. Don't wear synthetic socks or rubber soled shoes, as these will cause sweating. A permanent cure is very difficult to obtain; temporary cures are easy.

MEDITORIAL: Today I would like to continue the discussion of painful conditions of the foot. Yesterday I mentioned a condition known as Morton's toe, which is a painful involvement of the fourth metatarsal bone of the forefoot -- known as metatarsalgia.

There are several possibilities as to the cause of pain in Morton's toe. There may be pressure on a nerve due to a collapse of the head of the fourth metatarsal bone, or a bursitis at the joint where the metatarsal bone joins the fourth toe, or possibly a small tumor may have formed under the bone which presses on a nerve.

Patients with this condition may experience a burning pain in the front of the foot -- generally under the fourth toe, but occasionally under the third. It usually occurs while walking, but rarely while in bed. Some immediate relief can be obtained by removing the shoe and massaging the foot.

Treatment of Morton's toe is difficult. Various supports of leather, felt, or metal, just under the metatarsal arch, will give relief. In severe cases, an operation may be necessary. A cure may be effected in many instances from strengthening exercises of the foot and ankle muscle, hot soaks, massage, and a correctly fitted shoe. The exercises should be continued for several weeks.

majority of the Board on that," Villamanna answered.

McCormack then moved that the Liaison Committee hold a public meeting (to discuss teacher salaries) as part of the regular April 10 Board meeting. Bruno seconded the motion. Kunz moved to amend the motion by making a meeting of the committee scheduled for April 6 open to the public. Bruno further amended the original motion by suggesting that flyers be sent out to all taxpayers of the district advising them of the Liaison Committee meeting on teacher salaries if the meeting were set for April 10. Jackson said he could see nothing wrong with

the present (non-public) Liaison Committee meetings.

The motion to send out flyers was defeated when Kunz, Jackson and Trustee Irving Lawrence voted against it, and only Bruno and McCormack voted for it.

Kunz asked for, and got, a recess to ask Mr. Villamanna whether the Board should make the teacher-salary meeting public.

The motion for a public meeting on April 6, lost with Jackson voting no.

The motion for a public meeting on teacher salaries on April 10 likewise was defeated when Kunz, Lawrence and Jackson voted against it and only McCormack and Bruno voted for it.

The meeting was punctuated by frequent clashes between Bruno and Abt and Bruno and Jackson. At one point Bruno asked where the \$2,400 being paid four teachers slated to go on what Bruno called a "junket to Europe" this summer is in the budget. Abt immediately objected to the use of the word "junket." Abt said the funds will come out of a \$7,000 item in the budget for summer curriculum.

Jackson ruled Bruno out or order so often that Bruno finally said: "You can hide so long behind that little gavel, Mr. Jackson."

When Bruno asked the Board to take a position on neighborhood schools, Jackson ruled him out of order. Then when he repeatedly asked that the Board discuss teacher morale, he was just as repeatedly ruled out of order by Jackson.

At that point McCormack said he didn't "want to see something in print before we get a chance to take a look at it...and then have to defend or try to defend certain individuals."

Girl Scout News Notes

The Girl Scouts of the U.S.A. celebrated their 52 Anniversary this past week and in observance of the occasion many varied programs were held across the nation.

The week-long celebration began on Girl Scout Sunday, March 8, with millions of Girl Scouts and leaders attending their respective churches or synagogues in uniform, to reaffirm their duty to God and country.

At the Bethpage Methodist Church as in previous years, Girl Scout Bulletins were used and the girls served as ushers

at the two services of worship. Serving on Sunday were: Brenda Curlew of Jr. Troop 123, Dale Fox of Jr. Troop 4, Carol Lindeman of Sr. Troop 411, and Joan Montgomery of Cadette Troop 22, with Pamela Clarkson of Cadette Troop 49 as alternate. The Altar flowers were given by the Scouts of South-Central area, Neighborhood VI in honor of the Girl Scouts birthday.

Window Displays throughout Bethpage for the week, were to be seen attractively arranged activities and interests, which the girls have been at work on through the Scout year. A "Thank You" from the girls and leaders for the co-opera-

tion of the local merchants and for permitting the use of their premises for the displays.

Birthday Celebration - Bethpage's Neighborhood VI - South-Central area Girl Scouts joined together on Thursday, March 12 at the John F. Kennedy Memorial Jr. High School for a special program. The theme for Girl Scout Week was "Girl Scouting" -- A Promise in Action, and there certainly was plenty of the latter as all the Troops proceeded to participate.

The Color Guard consisted of: Susan Lord and Rose Marrone from Cadette Troop 22, and Kathryn Billicki and Lynn Sharkey from Cadette Troop 49.

Mistress of Ceremonies - Senior Scout Rita Dolloff, introduced Depot Cookie Mother, Mrs. H. Tesko and the Troop cookie mothers: Mrs. W. Glasser, Mrs. G. Montgomery, Mrs. A. Scanniepleco, Mrs. C. Clambra, Mrs. Patsy Cardone, Mrs. LeRoy Wagner, Mrs. John Dey, Mrs. Goddard, Mrs. R. Young and Mrs. Patrick Looney. Mrs. K. Lindeman, Troop organizer for the area, thanked the group for the job they are doing this month with the cookie sale, and pinned a most attractive corsage, made up in Girl Scout colors, on each lady.

Miss Dolloff, and the seniors of Troop 411 who acted as hostesses for the celebration then proceeded on with the program, which began with Troop 690 singing the "Brownie Smile Song"; followed by Jr. Troop 4 who performed the very cute "Pussy Cat Song". Jr. Troop 276 danced to the tune of, with a "Hey and A Hi and A Ho, Ho, Ho", and Jr's of Troop 563 did an Irish jig. Troop 49's Cadettes sang a gay song, and the Seniors did a Square Dance, "Skip To My Lou", which they then taught to Brownies of Troop 621. Participating Seniors for the dance were: Jane Caldwell, Patricia Edwards, Judith Elliott, Jane Heilig, Carol Lindeman, Joanne Mazzara, Judi Rothstein and Patricia Tyd, who along with their younger sister Scouts enjoyed the dance immensely; as did the on-lookers. The "Patty-Cake Polka" was also performed to the enjoyment of all.

Cadette Pamela Clarkson of Troop 49 modeled a Girl Guide uniform; followed by Senior Mary Jagger who introduced Patricia Edwards of 411, who spoke on the Juliet Lowe World Friendship

Fund and the girls representing their Troop then presented their contributions.

Festivities ended with a song fest of favorite Girl Scout songs, in which everyone joined.

Thanks go to the 411 Seniors and Mrs. Sam Merin for their part in preparing the program and to all the girls and leaders who helped to carry it out and make it an enjoyable event.

To our Scout Mother, Mrs. Walter Gross of the Bethpage Garden Club, a large "Thank You" for the making of the corsages.

"Happy Birthday - Girl Scouts"

Operation - Car Wash: It's been a long winter--our cars like us can stand a bit of up-lifting! Senior Troop 411 is conducting a series of Car Washes on Saturday mornings from 10:00 to 12:00; and from 1:00 to 4:00 P.M. at three convenient stations: Phillips "6" on Stewart Ave. opposite the Bohack Shopping Center; Phillips

"66" in Levittown, opposite Times Square Store, and in Hicksville at the Sunoco Station on Old Country Road, opposite the Alibi Restaurant. The girls would appreciate you patronage, so do please put "Operation-Car Wash" at the head of your list of Saturday's, "things to do." Spring is coming -- and your car, like you -- deserves a "New Look".

Last Call: The annual Girl Scout Cookie Sale is fast coming to an end. Be sure and get your order in to your local girls this week. This is the last opportunity, until next year, to be able to enjoy these delicious cookies. Let's all help the girls to make "Scouting - A Promise in Action." **Order Now!**

Shown above: The modern "One-Bank" Lombardis in their modern four-appliance kitchen. Spanking-new. Beautiful. A real work saver for Mom. And they got the cash they needed for it in the time it takes to make a pot roast — with a modernization loan from their one and only bank, First National City.

The Lombardis' new kitchen is a

good example of why they rely on First National City for everything. At First National City, they got their modernization loan before work started by financing in advance.

Low-cost terms were arranged to fit their budget exactly. Their loan was approved in a matter of hours. And their monthly payments are deducted automatically from their First National

City checking account.

Why don't you discover the many advantages of being a one-bank family at First National City? Start with a checking account. A Christmas Club. A new-boat loan. A mortgage. See for yourself why we say one service usually leads to another at First National City, the only bank your family ever needs.

The First Presbyterian Church of Levittown, located on Wantagh Ave. midway between Hempstead Turnpike and Southern State Parkway, will have worship services on Easter Day at 8:30, 10:00 and 11:30 a.m.

Sunday Church School classes will be held for the children at 8:30 and 11:30 a.m. Child care only is provided at the 10 a.m. service.

Residents of the community are cordially invited to worship with the members of the congregation on this occasion.

More Boys For L. League

80 new registrants were signed up Saturday, bringing the total number of boys registered to 260. This was far short of the 320 registered last year. The director of the senior division, Mr. J. Egan, needs more boys between the ages of 13 to 15 to complete the senior division. These teams will participate in tournament play. All will be playing 90 ft. baseball, as there will be no "B" divisions. Please contact Mr. Egan at 58 Vassar Lane or call OV 1-3790.

A word of caution, if you do not register in the proper league you will

automatically be disqualified in tournament play. We would like to welcome aboard Rite Fuel Oil, Judy Ann Ice Cream, First National Bank and McKeon Lumber.

On Friday evening, Ed Farrell presented the "Jabour" trophy to the AMVETS. They succeeded in winning it away from the American Legion, two time winners, in the nick of time. The team who will be able to win the trophy three times running, will be able to keep it permanently.

Symphony Gives Second Concert

On Thursday evening, March 19, the Hicksville Community Symphony

Orchestra, under the direction of Charles Gouse, presented its second concert of the season. It was heard by a capacity audience in the auditorium of the Hicksville Senior High School. If the Orchestra keeps growing in size, as it has this past season, a larger stage and auditorium will have to be found for performances.

The Orchestra opened the program with Rossini's Overture to "The Barber of Seville." The growth of the string ensemble was evident here as it was in the rousing "Capriccio Espagnol" which ended the program.

Peter Horvath, former music student at Hicksville High School, conducted the "unfinished Symphony" to end the first half of the program. Mr. Horvath is Principal Violist in the orchestra.

After the intermission a contemporary work was presented. Albert Tepper, Assistant Professor of Music at Hofstra University and Composer, was in the audience to hear his work "What

is Man?" performed. This composition is for orchestra and narrator and is based upon the poem by Thomas Wolfe. Mr. Tepper came forward to accept the applause of the audience together with William Golecke, narrator and Mr. Gouse.

Baseball Aux. Meets Apr. 26

The Women's Auxiliary of the Bethpage Baseball Association, Inc. will hold their next meeting on Thursday, April 26, in the Bethpage Firehouse.

The program for the evening will be a talk on baseball by the President of Bethpage Baseball Association, Inc., Mr. Connie Meade.

Following the meeting refreshments will be served. All interested persons are invited to attend.

MAKING NYMPHS FROM WET FLIES

IF YOU NEED AN ARTIFICIAL NYMPH IN A HURRY, BUT HAVE ONLY WET FLIES, YOU CAN FIX ONE TO SUIT, AS SHOWN ABOVE. A MATCH FLAME, CAREFULLY USED, WILL DO THE JOB IF YOUR KNIFE IS DULL. TRY THE FINISHED NYMPH FIRST WITHOUT THE SPLIT SHOT, THEN ADD IT ONLY IF NEEDED.

THE NYMPH MUST BE FISHED RIGHT ON THE BOTTOM. DARK, OR GRAYED COLORS ARE BEST.

FORMER M/SGT. STEPHEN KOOR, is shown presenting eleven Honorable Discharges to Nassau County Clerk Francis J. Anderson of Hicksville, for recording. Sgt. Koor has had 44 years in the military service, which began in 1911, and his career included the Mexican Campaign, World War I and World War II. Retired since 1954, he is Officer of the Day, and a life member of Hempstead Post of the Veterans of Foreign Wars.

County Clerk Anderson reminds veterans they may record their Honorable Discharges in his office for security purposes. The original is returned to the veteran, but a permanent copy is retained in the County Clerk's office.

MR. & MRS. KENNETH JOHNSON of 9 Wafaut La., Hicksville, announce the engagement of their daughter, Geraldine White, to Jack Cappel, son of Mr. and Mrs. Herman Cappel of 518 Cambridge Rd., Westbury. The March 10 engagement was a fitting present as it was also Miss White's birthday. Jack, who is presently starting a term in the Army, was employed at Sparks Electronics Co., Inc. Geraldine was a 1957 graduate of Hicksville High School.

Dad's Club Sports Night

The Bethpage Schools Faculty defeated the Bethpage Varsity basketball team by a score of 51 to 47 to remain undefeated in their competition with the varsity teams over the past five years.

The basketball game was the main feature of the Dad's Club Scholarship Fund Sports Night program which was given outstanding support by the students and citizens of Bethpage in that the event was a sell-out as usual. The annual Varsity-Faculty game has become one of the highlights of the season as the students turn out to root for the smaller yet more agile varsity players to one day turn the tables on their somewhat slower but taller and more rugged teacher-adversaries.

The Varsity held a 5-point lead at half-time and a 7-point lead a few minutes into the third quarter, but the tap-in baskets of the faculty skyscrapers was too much for the varsity squad, and the faculty went ahead to stay at the end of the third quarter.

A preliminary game between a "Gold" and a "White" team of the girls Leaders Club ended in a 12-10 victory for the

"White" team after a 6-6 half time tie. A Gymnastics exhibition and a fencing display highlighted the rest of the program.

The Dad's Club expressed appreciation to the various clubs in the High School which sold hundreds of tickets to put over the advance sale and to the many participants in the Sports Night who helped to make the scholarship fund raising a success. No Dad's Club scholarship recipient has ever failed to complete his or her college education in the seven years that the scholarship has been presented.

Junior High Physical Ed

The Hicksville Jr. High School Girls' Physical Education Department participated in a Gymnastic Meet at Carle Place on Saturday, March 14. Amy Brill, an 8th grade

student, won first place out of 36 contestants in the Novice Class of Floor Exercise.

The Hicksville Jr. High School Girls' Basketball Team, coached by Mrs. Barbara Cunningham, completed an undefeated season, winning all thirteen of the games played.

Camp Edey Welcomes Cadettes

On Saturday, March 21, 500 Mid-Island Council Girl Scout, Inc. Cadettes will inaugurate the coming "Out-of-Door" season at a mammoth Cadette Day at Camp Edey in Bayport.

An exciting and invigorating day is planned that will re-enforce such Girl Scout camping skills as Morse code, map reading and orienteering, fire building, first aid, improvising shelters, lashing conservation and nature study.

DISPATCH CLERK, MR. JACK SPERLING is recipient of cash award presented by Foreman of Mails, Claire Skellington, at the Bethpage Post Office. This award was presented for Mr. Sperling's accepted suggestion for time and money saving adaptations of their dispatch cases.

Let's Talk About a Unique Investment LIFE INSURANCE

Over and above its basic job of financial protection, life insurance has many other important values:

- It is a sound investment that keeps growing in value, like a savings account you add to regularly.
- It earns healthy dividends.
- It is your property. You can withdraw some or all of its built-up cash reserve at any time. Or you can borrow it. Or use it as collateral for a bank loan.
- It is a source of income. Later on, you can use it to give you a lifetime monthly retirement income.
- It is the one savings plan you are most likely to complete. Many people welcome life insurance as enforced savings.

And, of course, from the day it starts, this same life insurance policy also gives you the full financial protection your family needs . . . the money that guarantees your dreams will come true.

News Of American Legion

American Legionnaires of Archie McCord Post #86 participated in the world's largest birthday party, the celebration of the 45th anniversary of The American Legion, March 15-17 by holding a party at the Post on the evening of March 12.

A portion of the birthday observance was devoted to the formal initiation of all new members as an appropriate climax to the 1964 membership campaign of Post #86. Many friends and relatives were present to observe this ritual.

In addition, many members were presented with consecutive year membership cards and pins. Three members of the Post, Joseph Ellinger, James Norman and Milton Deubel were recipients of 45 consecutive year membership cards and pins.

The Post presented to 1st Vice Commander, Vincent Busuttill the Legion's "Membership Achievement Medal" for having done an outstanding job during the 1964 membership drive.

County Membership Chairman Dan O'Hara of Floral Park presented the Post with the "National Honor-Ribbon" which will be displayed atop the Post's banner. This is the fifth consecutive year that the Post has been awarded this "Honor Ribbon".

County Treasurer, Mike Cialdella of Hicksville was present as a guest of the Post.

After the formal ceremonies the members of the Post, their friends, relatives and guests were treated to a buffet supper and a huge birthday cake. We are still extending a warm invitation to every eligible veteran in Bethpage to enroll in The American Legion.

Exchange Students At Kiwanis

Last week's meeting of the Kiwanis Club of Plain-edge was highlighted by

the presence of several Foreign Exchange Students, and in honor of National Girl Scout Week, two members of the Mid-Island Girl Scout Council. The three exchange students from Argentina, and their American "brothers", gave an informal talk on the comparisons of life in Argentina and the U.S.

Representing the Girl Scouts was Field Advisor Mrs. Florence Max-or, and Senior Scout Mal-da Taylor. As a true product of scouting trained in Public Relations, Miss Taylor spoke about Scouting from the time a girl enters the Brownies and up through her senior years, till she becomes a Girl Scout Leader.

At this same meeting, new Kiwanis members Robert Palmisano and Michael Codian were inducted, making a total membership for Plain-edge of 28 active members.

Birds of a feather

(Old fashioned heating systems require old fashioned house-cleaning equipment.)
(Modern Gas burns clean. No grit, grime, graying film to soot up your house.)

You're doing things the hard way if you still clean with a feather duster. Or heat with ordinary heating fuel.

Gas gives you more than your money's worth; offers many clean-cut advantages over old-fashioned fuels. It's dependable. Gas units have fewer moving parts which means fewer breakdowns, fewer costly repair bills. It's piped directly into your home. No need for an ugly fuel storage tank to clutter up your basement. And when you heat with Gas you get LILCO's free service policy, plus a money-back guarantee. Get the facts of home heating. Just mail the coupon or call PI 7-1041 in Nassau, MO 5-5300 or HA 3-3600 in Suffolk. You can call at any hour, day or night, including weekends.

14 Yr. Old Plays Organ

Miss Elaine Peterson, 14 years old, assistant organist at Trinity Lutheran Church, 40 West Nicholas St., Hicksville, will be at the organ throughout The Good Friday services from noon until 3 o'clock.

Elaine, showing exceptional ability, switched from the piano to the organ three years ago and is studying under Charles F. Boehm of Westbury, Trinity's organist and choirmaster. Elaine plays at the summer church services during Mr. Boehm's vacation.

A ninth grade student at Bethpage High School, Elaine is the daughter of Mr. and Mrs. Alfred Peterson of Bethpage. Miss Peterson is also proficient at athletics and is especially interested in gymnastics.

The music for the Good Friday service "The seven Last Words" will be provided by the children's, Junior Hi and Youth Choirs. The Rev. Edward H. Stammel, Pastor of Trinity Lutheran Church, will conduct the service.

League of Trinity Lutheran Church, 40 W. Nicholas St., Hicksville, will be held Wednesday evening, April 1, beginning at 6:30 p.m.

Entertainment will begin at 7:30 p.m.

Mrs. Arth. Scheuermann of Wantagh and Mrs. Dieter Reese of Hicksville are co-chairmen. Committee members are Mrs. Oscar Block of Westbury, reservations chairman, Mrs. F. Sartor of Hicksville, Hostesses; Mrs. Karl Fred of Hicksville. Decorations Mrs. William Von Bargaen of Hicksville. Clean up Mrs. Carlisle Seher of Woodbury. Program; Mrs. Hugo Spadaro of Hicksville.

"We Furnish EVERYTHING But The BRIDE"

Keep your mind on the road, not on your troubles. Don't worry about business, the family, or what may happen tomorrow. Keep alert to what's happening now. Good driving's a full-time job requiring an alert mind and body. If you must worry, do it in your leisure time.

WHEN YOU DRIVE...

Think now, complain later. "Med" at someone or something? Turn it off when you have your attention on. Anger, no matter who or what it's directed at, can color your whole driving attitude, making you a menace to other motorists on the road.

THINK

Think wise... think easy... think careful, cautious, cheerful, courteous driving. Good driving is the responsibility of every motorist. A cheerful attitude toward others on the road will get you to your destination more relaxed than if you find fault with every driver along the way. Think careful driving when you're behind the wheel. And, when you think of protection against the hazards of other not-so-careful drivers, think of State Farm, the careful driver's insurance company.

MR. TWEEDY

by Ned Riddle

"It's kind of a shame. He'd just talked her into sitting over close to him."

Approximately one-fourth actual size

This odd-looking device is now cutting oil heat bills in thousands of U.S. homes

It is called the Shell Burner-Pak. Surveys of actual home installations show it saves an average of \$17 on every \$100 once spent for heating oil. It has earned the Good Housekeeping Consumers' Guaranty. Read this report and learn why an oil company is selling a device that *cuts* the amount of oil you need to heat your home.

THE Shell Burner-Pak is a compact device that can make old oil burners work as well as the best modern burners.

Since nationwide introduction, detailed records have been kept on hundreds of installations.

They show that—based on the typical \$200 annual oil heat bill:

- Ten percent of the homes equipped with the Burner-Pak save between \$56 and \$78 in the first year *alone*.
- Thirty percent save between \$35 and \$55.
- Forty percent save between \$18 and \$34.
- Twenty percent save up to \$17.

In most cases, the Shell Burner-Pak can pay for itself in its first heating season. And savings continue year after year.

The Burner-Pak also promotes quieter operation and cleaner heat—cleaner because it burns every drop of oil *completely*.

Why Shell helps customers reduce oil consumption

Shell invented a device that cuts oil consumption because it makes good business sense:

Some ten million homes in the United States have central oil heating systems. But most of these oil burners are over ten years old. Many don't work as well as they once did. The de-

How Burner-Pak cuts heat bills

All gun type burners burn a mixture of oil droplets and air. For maximum efficiency every drop of oil must produce all the heat it can.

The secret to the Burner-Pak's high burning efficiency lies in exactly matching the flow of both oil and air.

At start-up, The Burner-Pak holds the oil back until air and oil pressures have reached their maximums. Ignition is sharp and clean.

During operation, the oil is converted into a fine, conical spray, exactly matched by the air flow.

Combustion is complete. Maximum heat is produced at once.

At shutdown, oil flow stops instantly. Cut off is sharp and clean.

Result: More heat from less oil.

creased efficiency and economy of these older burners can lead to customer dissatisfaction.

Shell's solution is the Burner-Pak—a device that improves existing oil burners.

With the Burner-Pak, we sell less oil to each customer. But our old customers stay satisfied and we have a powerful means of attracting new customers.

Old burners work like new ones
The Burner-Pak was designed to make old units burn as efficiently

as new ones. It can even make an old burner work *better* than a new one.

The Burner-Pak will fit the burners in nine out of ten homes that have central oil heating. A Shell serviceman can do the job in a short time.

What the Burner-Pak costs

The Burner-Pak unit itself costs about \$17 plus state and local taxes.

Installation is additional but reasonable. Because installation costs vary, only a Shell Heating Oil Distributor can give you an accurate figure.

The Shell Burner-Pak is sold strictly under this guarantee:

"You must be completely satisfied with the Burner-Pak twelve months after installation or the Shell Oil Company will refund your money in full."

You are also protected by the Good Housekeeping Consumers' Guaranty:

"If product or performance is defective, Good Housekeeping guarantees replacement or refund to the consumer."

These guarantees are your assurance that you take no risk with the Shell Burner-Pak.

Your savings can be predicted

Only a heating efficiency test of a burner can determine whether or not a Burner-Pak can make a significant saving in oil bills. This test permits an accurate estimate of the amount of savings possible with the Burner-Pak.

If the test reveals that your burner does *not* need the Burner-Pak, we will tell you.

The heating efficiency test is free. To get one, without obligation, mail the coupon below.
