"PUPIL TRADES PLACES WITH TEACHER" Mr. Ted Stallone, professional photographer, and teacher of a photography class at the Church of the Good Shepherd-Lutheran in Plainview, traded places with one of his pupils in the picture above. It was a pupil that snapped this picture. His name - Teddy Stallone, son of the teacher.

Mr. Stallone is one of several adults assisting Mr. John Rothfuss and Mr. Mark Simantel in providing youth activities for children between the ages of 8 and 13 each Saturday at the Church. In addition to conducting the Saturday programs, Mr. Rothfuss and Mr. Simantel are teachers of grades four and five in Good Shepherd Lutheran School.

A new Saturday session will begin Saturday, April 18 and end June 13. Softball, kickball and track will be offered in addition to a course in astronomy.

Registration Increases For School Vote

As of Saturday registration in Hicksville for the School Election and budget vote scheduled for May 6 was 6,366. This is an increase in registered voters of 181.

In the race for the Board, President George Jackson is being challenged by George Martin.

In the fight for the other post the field has been narrowed to three candidates with the resignation of Howard Finnegan now official. The contenders are Harry Wagner, Caleb Hornbostel and John Mo-Manus.

Voting hours on Wednesday, May 6 are from 12 noon until 9 p.m. in local polling places.

Final Meeting

On Monday night, May 4 at 8:00 PM, the Willet Avenue PTA will hold its final meeting of the current year. An entertaining program is planned featuring the 3 and 4 grade Chorus, under the direction of Mrs. Pelleria. Installation of officers for the 1964-65 school year will also be held. Refreshments will be served. All are invited to attend.

Mercy Twirlers Receive Awards

The Our Lady of Mercy elementary school Twirlers, South Oyster Bay Road, Hicksville, which was recently organized, under Sister Mary Basil, have been competing in the United States Twirling Association individually. Sunday, May 3, at Northport High School, they entered their first team competition, which has been training under Miss Noreen Leonard of Plainview. Pastor Louis B. Schwebius and Principal Sister Mary Theola are pleased to announce that to date the following children have received awards: Laura Ann Young third grade, 2 first place Trophies, 3 third place awards, 4 second place awards. Christine Cosarsky and Alice Kelly, 7th graders, one second place duet. Angelyn Risalvato, seventh grade, one fifth place solo. Christine Williams, seventh grade, third and fourth place Solo.

COUNTY CLERK FRANCIS J. ANDERSON, left, and Rabbi Ell D. Skalt, Rabbi of Congregation Shaarel Zedek, are shown buttering up, with mortar, the cornerstone of the new building at New South Road and Old Country Road, Hicksville.

Girl Scout News Notes

Mid-Island Council's Annual Girl Scout Cookie Sale has come to its conclusion for another year. To all the many volunteers who had a part in helping to make the Sale such a success, a very sincere and grateful "Thank You" for your assistance.

Bethpage-Plainedge, Neighborhood VI: Area Cookie Coordinator, Mrs. Harry Goldberg and her Depot Cookie Chairman, Mrs. Marlon Britton of North Bethpage; Mrs. Helen Tesko, South-Central; Mrs. Peggy Burgess, Northedge; Mrs. Ruth Budzitowski, East-Plain; and Mrs. Doris Matthew, Southedge, all did an excellent job with the help of the very capable seventy-seven Troop Cookie Mothers that were involved in "VI". Without this voluntary co-operation and concern for helping others, which after all is Scouting's aim, our young people would not be able to avail themselves of the opportunities presented. "A Salute to One and All for a Job Well Done!" To those of you who bought the cookies -- Our Thanks!

During Easter Week, delivery was made to Central Islip Hospital of assorted tray favors:

Easter baskets; 125 filled "Welcome Kits" for new patients, along with other varied articles both new and used which were collected by the girls in the troops of the South-Central area of Bethpage. This is one of the many service projects in which the girls regularly participate.

A good old-fashioned oookout to "Usher in Spring," was held by Gadette Troops 22 & 49 on the evening of April 2. Mrs. S. Rafenski of Lincoln Rd., generously donated the use of her large backyard for the event.

During Girl Scout Week, Troop 49 had a display in the window of Howell's Variety Store, on Broadway, Bethpage. The girls and leaders wish to thank Mr. L. Raybin for his co-operation and contribution of the window.

The troop sponsor, B.P.O.E. 1931 of Hicksville-Levittown has presented each girl with an official G.S. knife and emblem. They also gave a monetary gift for which one and all are very grateful as this will enable the troop to spend a week-end at Camp Edey with no financial worries.

The girls also wish to publicly thank Mrs. A. Scannapleco for being troop cookie mother; and to Mr. James Day of Bethpage, for his assistance with their Aviation Badge which they have just completed.

At their last meeting the troop concentrated their efforts on Good Grooming, with the assistance of Mrs. Warren Baumann of Old Bethpage. Mrs. Baumann is well versed on the subject and proved to be an inspiration to the girls who are looking forward to a return visit by her at a future date.

Jr. Troop 331 had an International program last month to which the girls each wore a costume representing one of their ancestors. Everyone had to guess as to what country each girl represented.

One girl is a tenth generation whose forefathers were Indian, Pilgrim, and one who signed the Declaration of Independence. Diane Firestone was hostess for her troop. Refreshments were served by the girls, to the mothers who attended the program. Each girl received a goodie holder and foreign flag from the "International Sweet Tray." The girls are now busily working to complete their Signs of the Arrow or Star and making plans for a Troop Family Picnic at Salisbury Park. They

welcome Mrs. Herbert Kinzinger as their new leader along with present leader Mrs. John Dey.

Volunteer Leadership displays democracy at its best; and we in Scouting must rely on our dedicated volunteers. Knowing where the need is greatest and assuming one's responsibility to that need is everyone's obligation. Those who derive the most satisfaction from their work are the ones who put the most of themselves into it. The old maxim, "the more you put into a thing, the more you get out of it," certainly holds true in Scouting as applied to either girls or adults; as well as in any other phase of volunteer work one may assume. Results should not be allowed to discourage for in all things there are peaks and plateaus of accomplishments. Perseverance and imagination will keep alive original enthusiasm. Working with the youth of our community can only bring great satisfaction.

Many of the troops took advantage of the Easter vacation to make trips to various destinations of interest, among them

Sagamore Hill and the Newsday plant. Troops 215, 621 and 690 boarded buses here in Bethpage and headed for the Brooklyn Academy of Music for the production of "Petey and the Pogo Stick" which everyone thoroughly enjoyed.

Senior Mounted Troop 411 and their leader Mrs. June Catalano, have hired a bus and made plans to attend the Madison Square Garden showing of Vienna's Famous White Stallions -- "The Lipizzaner Horses of the Spanish Riding School" on May 23. They have invited Mrs. Walter Scanlon of the Bethpage Riding Academy and other mounted girls of Mid-Council to join them for this rare opportunity to watch these unusual horses, and highly trained riders.

Several of the girls from "411" are members of Mid-Island Council G.S. Equestrienne Drill Team and will themselves be appearing at the New York World's Fair, as well as participating in the Macy Thanksgiving Day Parade. They hope to pick up a few pointers from these remarkably skilled riders.

Celebrating their birthdays this month of April are: Leader, Mrs. Louis Rasera of Troop 563 and Theresa Altrino, Mary Anne Bove, Betty Conlon, Sandra Falcone, Evelyn George, Kathy Langdon, Linda La Placa, Joan Montgomery, Kathleen Murphy, Pamela Nelson, Judy Schleifer, Suzanna Veltry, and Barbara Young.

A Happy Birthday to all!

Rummage

The Sisterhood of Temple Beth Elohim will hold its spring rummage sale from Tuesday May 5th through Thursday May 7. The hours will be from 10:00 AM through 4:00 PM daily and Wednesday night the rummage sale will be on from 7:00 PM through 9:00 PM. Fresh merchandise will be put out daily.

The rummage sale will be held at the Temple which is located on 926 Round Swamp Road in Old Bethpage.

THINKING IT OVER

by ROBERT L. MORGAN

The School Board Election in Hicksville is not generating the enthusiasm that may have been seen in Hicksville in former years. There is a feeling among many of the people that while things are not satisfactory with the performance of the present school board that things could be worse -- we agree they could be worse and they will be.

The school district has been steadily backsliding in Hicksville. It has gone along without a plan for the past three or more years. It is presenting voters with building programs that have no overall planning and it is getting approval of them. The Board is childish in its actions, fearing criticism and not being stable enough to resist the pressures of a tireless group known as TEACH. Spelled out it stands for Educational Association for the Children of Hicksville, but the organization really is only made up of a handful of highly vocal taxpayers who are the self appointed group to decide what is best for Hicksville. We don't know just where the children of Hicksville part in their title fits in, but it's actions have been against the children of Hicksville getting a good education rather than for it.

They have set themselves up to destroy the long range programs that had been established during the lifetime of the former Superintendent Wallace Lamb and have decided that building plans should replace academic plans. When the current and unnecessary additions of a warehouse and administration building were being presented by the Board of Education TEACH was unhappy, not because the plans represented a waste of millions of dollars to the district, but because TEACH had decided a new high school should be built.

This group presently is backing two candidates and has a militant and noisy organization to do it. The candidates are George Jackson and Caleb Hornbostel. If the TEACH organization is able to get these two candidates elected it will hold four of the seven places on the school board and can easily put through any of its self ordained plans for expanding the buildings of the Hicksville School System. That is why we say vote for anyone next Wednesday except these two candidates.

Abuse Of Anti-biotics Can Be Hindrance

By C. A. Dean, M.D.

MEDITORIAL: Every advance in medicine, besides its beneficial effect, almost always has a side effect which creates new problems. This has been characteristic of all progress in medicine, being particularly evident in our attack on infections.

When chemical agents (anti-biotics) were discovered to be potent anti-bacterial drugs, many of the complications were not anticipated. With such an effective new tool its no wonder that enthusiasm led to their wide usage. Antibiotics were being tried on everything and anything that even resembled infection. It followed naturally, then, that if anti-biotics were good for treating active infection then they should be equally effective in preventing it. This was a commendable idea, but experience has shown this to be erroneous. A recent study on a group of patients with measles offers a good example.

In this particular study, one group of measles patients received anti-biotics and another group did not. It was found that in those who received the anti-biotics, more serious complicating infections developed -- the very thing they were supposed to prevent. This result was thought due to emergence of anti-biotic-resistant strains of bacteria. Clearly, more problems were created than solved. Another effect prevalent in the anti-biotic group was the development of allergic reactions among certain patients.

This study and many similar to it, shows that anti-biotics are not indicated as prophylactics for all infections. In fact, as shown in the measles study, anti-biotics can be a hindrance. The routine use and abuse of these effective medicines is not justified and they should be used only when indicated. Never should they be used by patients without the proper medical supervision.

Mrs. Carson For Library Bd.

The following is a statement prepared by Mrs. Maxine Carson a Candidate for the Hicksville Library Board. The statement was prepared for reading at an open candidates forum recently held:

Thank you for this opportunity to convey to you my reasons for seeking the vote to be elected to a seat on the Library Board of Dist. 17.

My name is Mrs. Maxine Carson. I am 35 years old, I have three children, a son and two daughters aged 14, 8 and 5 in Hicksville District Schools. I came to Hicksville about 12 years ago and own a home at 14 Bishop Lane. I am a member of the PTA and a member of the Library. My husband and I are both avid readers. I am a registered Republican and a member of Trinity Lutheran Church.

Basically I agree with the principles and reasons Mr. Harry Wagner and Mr. George Martin have expressed for seeking seats on our Board of Education.

I too feel strongly that one organization has been too long in control of both our Board of Education and our Library Board. Too much of anything eventually turns extreme or high-handed. Change has kept our system of government healthy and I am asking for a change from the control of that organization known as TEACH; a change from an attitude that would buy land, perhaps illegally, for there was no referendum; no chance for you and I to say "no" and by that "no" say there are many things our Library needs badly to meet our expanded community's needs right now.

I oppose censorship in any form; even by omission and I feel there are gaps not to my liking. I have always believed one should not make complaints if they are unwilling to back up criticism with constructive effort. I am ready to supply that effort and to learn as well as work for our Library if the voter will give me his vote.

Thank you,
Mrs. "Kit" Carson

Bethpage will hold a flag burning ceremony for Boy Scout Troop 434 on Saturday, May 2, 10 a.m. at Northedge School on Stewart Avenue north of Hempstead Turnpike. All Americans are invited to bring down their old flags and dispose of them in the proper manner.

Troop 434, Boy Scouts of America, sponsored by the Northedge PTA, Northedge School, Bethpage, announced today that they will participate in a nation-wide Strengthen America's Heritage program. The purpose of the program is to make boys in Scouting and people of the community more aware of their American heritage.

The program is being co-sponsored by the Boy Scouts of America and Freedoms Foundation at Valley Forge. Over 136,000 Cub Scout, Boy Scout and Explorer units will participate. The program will culminate on July 18 at the Sixth National Boys Scouts Jamboree at Valley Forge, Pennsylvania where over 50,000 Scouts will celebrate American Heritage Day with special patriotic campfire meetings. Scouts not attending the jamboree will conduct their own "heritage" campfires in their respective camps and communities. The public will be invited to attend.

In order for boys to participate in the Strengthen America's Heritage program, they must meet certain requirements. These are: 1. Advance one rank in Scouting; 2. Invite another boy to join their unit; 3. Display the flag properly on appropriate holidays; 4. Learn about the Nathan Hale award from Freedoms Foundation; and 5. write a 25 to 100 word statement on "What a boy can do to preserve Freedoms Foundation at Valley Forge has provided Troop 434 with a colorful facsimile of the Declaration of Independence and Preamble to the Constitution which will be on display at the Northedge School. The troop also received a scroll from Freedoms Foundation signed by President Johnson which all boys have signed as part of their pledge to participate in the Strengthen America's Heritage program. The scroll will be presented to the Northedge PTA.

Opening Day

Opening Day Ceremonies for International Little League will be held May 9 at the Lee Ave. School at 11 a.m. Town Supervisor Michael Petito will participate on this day.

Postal Changes In Hicksville

In accordance with nationwide changes in window service and parcel post delivery ordered by the Postmaster General, Acting Postmaster Irene L. Murphy has announced that the Hicksville Post Office and its Plainview Branch have curtailed postal service as follows: Window Service on Saturdays: Windows in both offices will be open from 9 a.m. to 12 noon beginning Saturday, May 9. Money order windows will be closed and claims will not be handled. Contract stations will not provide money order service. Since there will be fewer clerks on hand for parcel post and registered mail transactions, all patrons

are urged to conduct as much of their postal business as possible during week days.

Parcel Post Delivery: Routes which are predominantly business in Hicksville and Plainview will henceforth (beginning the week of May 4) not receive parcel post delivery on Saturday. All other routes will not receive delivery on Thursday. First class mail, airmail including air parcel post, perishables and special delivery packages will receive delivery as at present.

It is anticipated that savings nationwide will total over 12 million dollars a year while inconvenience to patrons should be minimal. This step is in line with President Johnson's program under which the recent Federal income tax cut was provided.

TEACH Cand. Detail Ideas

At the PTA Meet-the-Candidate Form held Monday evening at the Junior High School, TEACH-supported candidates George Jackson and Caleb Hornbostel detailed their ideas for Hicksville's educational future. Mr. Jackson, whose abilities are proven and well-known, is running on his record of experience and knowledge particularly, that gained as Board president during the past year. He pledged to continue to work for the best education for Hicksville's children.

Mr. Hornbostel's speech stressed the importance of teamwork and mutual respect for a good educational system. If elected

to the School Board he promised to work for 4 goals: (1) An efficient school board that spends its time on its major function -- to develop educational goals which will guide the administration in running our school system. (2) Better communication and understanding between the community, the board of education, and the professional staff. He proposes more School Board Digests for all citizens and more information about schools for the public. Most important of all, he believes in intelligent use of citizens' advisory committees. Such committees not only help develop good public relations but are an important means of obtaining information and doing research. For example, a committee could make a

comprehensive study of teachers' salary scales in Hicksville as compared to other Nassau districts. (3) Evaluation of the track system by an outside qualified source to make sure that each child gets equal educational opportunities. This would eliminate any doubts and questions the citizens may have about the track system and it would allow our administrators to determine whether the system they have been using and believe to be best for the children is going in the right direction. (4) Increased state aid. The school board together with administration should make a much more vigorous, forceful effort to get a fairer share of the tax dollar by way of state aid. The board should work with other school districts and PTA's in a concerted effort to achieve this goal. Here, citizens' advisory committees could maintain a constant flow of information to both the School Board and residents about state legislation affecting our local school system.

With its team of Jackson and Hornbostel, TEACH offers a slate of men who combine experience and professional training. One has direct knowledge of local school affairs gained through service on the school board during the past three years; the other has an awareness and understanding of educational needs as well as a businessman's sensible approach. Both of them will devote their knowledge and experience to the betterment of our school system.

Amer. Legion Aux. News

Each year the American Legion Auxiliary helps a Pan American country. Ecuador is the one for 1964. Our unit has set up a bank for Pennies for Pumps for this country.

Pure water in Ecuador is precious! Villagers have to use contaminated water for drinking, cooking and household purposes. The American Legion Auxiliary Care Program hopes to provide 100 water pumps for Ecuadorian communities.

So remember, "Pennies for the Pig for Pumps for Pan America" at our next meeting, May 1. Also remember our May 21 Dessert Card Party at 1:00 PM. Donation \$1.25 includes door prize and refreshments.

May 15 has been designated as the first day for distribution of our official flower the Poppy. If the "Poppy" could speak, the following is what it would probably say:

"I am the American Legion Auxiliary Poppy. I am only a crepe paper replica of my famous ancestors in France, the poppies of Flanders Fields, which took root and bloomed in the raw earth of battle graves, providing nature's floral tribute to the heroic dead.

"I was born in a veterans hospital. I am considered the memorial flower of the entire English-speaking world, and since World War I, I have been worn annually on Poppy Day as a symbol of remembrance, and to raise funds for the aid of disabled veterans and children of veterans.

"I have helped brighten dreary hospital hours of thousands of disabled veterans who have made me, contributing to their recovery by providing an interesting and therapeutic occupation, as well as enabling them to send money home to their families.

"Oh, and you who distribute poppies perform a service for others far reaching in effect, for it is a means of assisting a child you have never seen; guiding a crippled

hand you have never touched, as surely as though you, an Auxiliary member, were standing by a veteran's side.

"The Wearer gives evidence of willingness to 'lend a hand.' Countless are the ways in which it aids the cause of those who served their country in times of war. Your contribution for me is the major source of support for the American Legion

Auxiliary's continuous activities for disabled veterans and needy children of veterans.

"There are no campaign expenses deducted from the Poppy Day Contributions, all workers are unpaid volunteers. There is no elaborate publicity or advertising campaign, all newspaper space and radio or television time being donated. The entire profit of 100 per cent is

pledged to Rehabilitation and Child Welfare - Faith which is being kept with all who died through service to the living."

So this May 15 to May 30, let's all wear a poppy!!

Confession Study At Good Shepherd

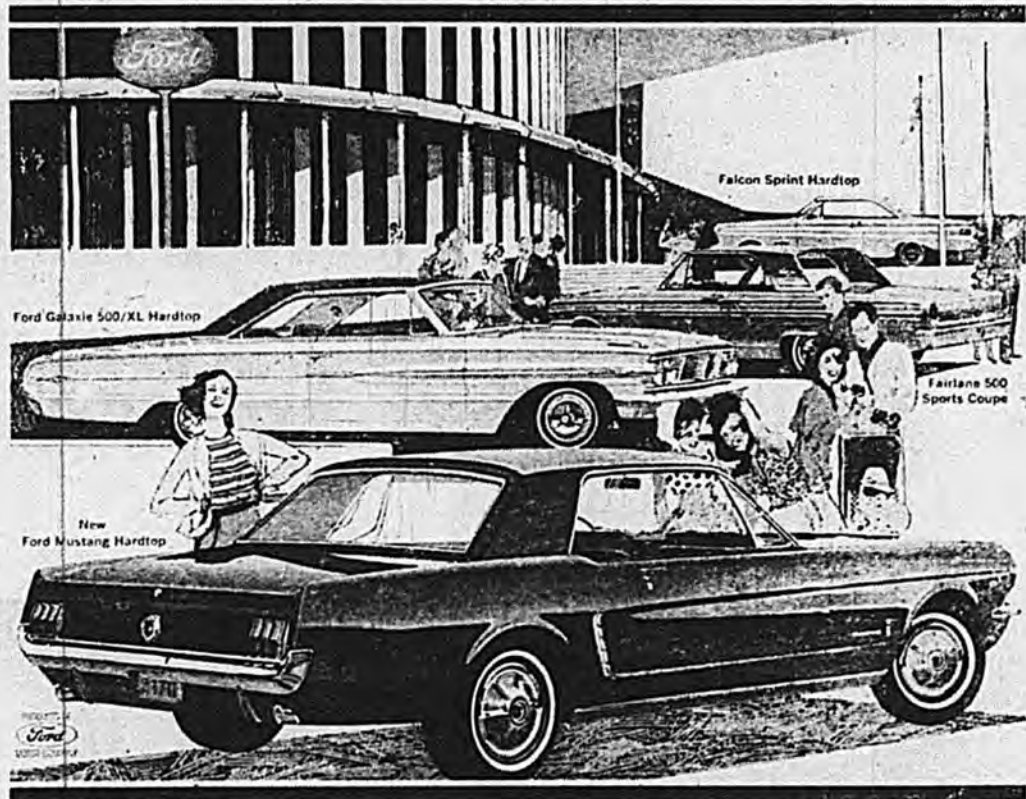

A series of three lectures on the Augsburg Confessions will be given by Mr. Allan Buckman.

Vicar of the Church of the Good Shepherd, Plainview. The weekly series will begin on May 11 at 8:15 and will include the twenty-eight Articles of the Augsburg Confessions. This survey study will concern itself with the following questions: Who is God? What is Sin? How is Man justified? Are Priests to marry? Are Saints to be worshipped? What are Good Works?

ing fields, or portions thereof, are herein designated as restricted parking fields.

(b) The words "automobile or other conveyance" shall mean any vehicle by which any person or property may be transported upon a highway, except those operated upon rails or tracks.

(c) The word "person" shall mean and include a natural person, firm association, co-partnership or corporation.

(d) The word "operator" shall mean and include every individual who shall operate a vehicle as the owner thereof or as the agent, employee or permittee of the owner.

Section 3. Control By Signs. Parking of automobiles or any other conveyances of any kind or description in all herein designated parking fields, or portions thereof, shall be regulated and controlled by the use of signs in each said restricted parking field or portion thereof.

Section 4. Restricted Parking Fields. The parking of all automobiles and other conveyances of any kind or description is

hereby prohibited, except by the volunteer firemen and employees of the Bethpage Fire District, in the following parking fields which are hereby deemed to be restricted parking fields subject to posted regulations.

(a) Parking Field adjacent to the Bethpage Fire House, 225 Broadway, Bethpage, New York.

Section 5. Violations and Penalty. Any person, firm, association, partnership or corporation who shall violate any of the provisions of this ordinance, and the owner of any vehicle operated or parked in violation of any of the provisions of this ordinance shall be guilty of an offense punishable by a fine or penalty not to exceed Twenty-five (\$25.00) Dollars. Such fine shall be collected as other like fines are collected pursuant to the rules of the District Court of Nassau County.

Section 6. Enforcement. It shall be the duty of the Nassau County Police Department to enforce the provisions of this ordinance and to issue summonses for any violation thereof.

Section 7. Savings Clause. If any section, provision or part hereof in this ordinance shall be adjudged invalid or unconstitutional by a court of competent jurisdiction, then such adjudication shall not effect the valid-

ity of the ordinance as a whole, or any section, provision or part thereof not so adjudged invalid or unconstitutional.

Section 8. This Ordinance shall take effect immediately.

Wants Debate

School Board member William Bruno Jr., has challenged Board President George Jackson to a debate on May 5 at the Senior High School Little Theatre at 8:30 p.m. on the "Mishandling of the Teacher Grievances" in Hicksville.

College Notes

ALLEN S. JUST, Hicksville, a junior majoring in speech at The Pennsylvania State University, was one of 124 participants in the 16th annual Pennsylvania Intercollegiate Reading Festival held at the University.

Students representing 16 colleges from four states were evaluated on their reading prose, poetry and drama in the Festival.

Just, son of Mr. and Mrs. Arthur Just, 27 Jefferson ave., Hicksville, is a 1961 graduate of Hicksville High School.

At Penn State, he has played major roles in several student theatrical productions and is a member of the Chapel Choir.

TIMOTHY SAK of Hicksville, senior at Michigan State University, has been selected as recipient of the second annual Dow Packaging Incentive Award.

The award was made recently in New York during the American Management Association's 33rd National Conference and Exposition.

The award has been established to encourage student interest in packaging, and especially the role of packaging in the market process.

Sak, son of Mr. and Mrs. Lois Sak, 90 Haverford Road, is vice president of the MSU packaging Society, vice president of Pi Kappa Gamma packaging honorary and a member of Phi Kappa Tau social fraternity. He is maj-

oring in forest products. ROBERT ANTHONY BONAZZI of Hicksville has been accepted by Alfred University as a member of the freshman class entering next Sept.

Bonazzi is the son of Mr. and Mrs. Raymond Bonazzi of 10 Dante Ave., Hicksville. He plans to enter the College of Liberal Arts in preparation for a medical career.

A senior at Hicksville Senior High School, he is President of his home-room, active in the Student Council, a member of the Varsity Club and active in sports.

CHRISTOPHER TYLICKI, 16, of Plainview, has been accepted by Cornell University, Ithaca, New York. He plans to major in engineering.

The "One-Bank" Meyers buy a four-bedroom house

Small wonder the "One-Bank" Meyers are all smiles. They just bought a beautiful four-bedroom house with a mortgage loan from First National City. And when they moved, so did all their banking business — checking, savings, safe deposit box — from one First National City branch to another. That's why we call them the "One-Bank" Meyers.

If you're house hunting, why not in-

vestigate the many advantages of a First National City mortgage? At First National City, a specialist guides you through every mortgage detail. And he can often make your dollars go further. To start with, he can save you money through low interest rates. Also First National City keeps closing costs to the very minimum — often as low as one hundred dollars. And your mortgage loan is processed and ap-

proved without delay at First National City. When you find the right house at the right price, it's appraised within forty-eight hours!

Once you do business with First National City, you'll see why there are so many "One-Bank" families like the Meyers. And why one service usually leads to another at First National City, "the only bank your family ever needs."

Letters

Open Letter to Hicksville Parents:

I think it is just terrible what is happening to our school district. In my opinion, I see a strange similarity between what the T.E.A.C.H. organization wants and what our Superintendent wants. It is my belief that they both want power over the Board of Education. And if this is true, they also want to rule us, parents and taxpayers. This

means that the taxpayer would have no voice in how much money will go for taxes and what these taxes represent.

We have in our midst, a group of individuals who support the unwarranted invasion of the privacy of the home. That group is T.E.A.C.H. How is this? You only have to read their T.E.A.C.H. newsletter of January 1963 and you will note their position on the Board's ruling on psychological tests and testing. T.E.A.

C.H. says quote: "Decisions about tests to be used should be left to certified school psychologists" and they go on... "The newly adopted Board policy should be changed to allow this freedom for the trained person." As a mother, this tells me that if the T.E.A.C.H. group doesn't approve of the Board seeing psychological tests before they are given my children, they certainly wouldn't approve of my knowing or consenting to such tests.

After all I'm not a trained and qualified psychologist, am I? No, but I am an experienced and qualified parent. This is why I say T.E.A.C.H. supports the unwarranted invasion of the privacy of the home. Therefore, since a member of their organization was elected to the School Board last May, I do not want any more people sponsored by or belonging to the T.E.A.C.H. organization, on MY Board and YOURS. I want everyone to know how I feel, and what I see happening so that others will stop and think before they vote on May 6th. I have no intention of giving any T.E.A.C.H. sponsored or T.E.A.C.H. supported candidates my vote. If I did, I would violate my conscience and I will tell you why. The principles of T.E.A.C.H. contradict and put in jeopardy the authority I have been given by God over my children. Some people don't often think about this God-given authority, but everyone knows it is true.

It is my strong opinion that T.E.A.C.H. has penetrated our PTA. Some of you might not be familiar with T.E.A.C.H. or don't read their newsletter. T.E.A.C.H. isn't the whole population of Hicksville, but only a very small group of individuals. They happen to have at their disposal the monetary means to put out a newsletter which many people do read. Word gets around then, and those not in accord with their principles are otherwise confused. T.E.A.C.H. is not new. About 6 or 7 years ago they went under another title. By our laws, the minority is protected and their rights as well. But in the case of this group, the minority is ruling the majority and there's nothing in our Constitution which states that the minority shall rule.

It is my opinion that we

must consider seriously 1. Who (what group) fought to keep God out of our schools even when His name would have been mentioned, not in a prayer---but in a portion of the Star Spangled Banner. (1962, recall the fantastic showing at the Board meeting in favor of using the National Anthem in place of our banned Regent's prayer?)

2. Who (what group) wants only psychologists to decide what psychological tests to give our children? and who has said "The newly adopted Board policy should be changed to allow this freedom for the trained person?"

As a final note I would like to quote Rep. Frank J. Becker's recent statement to the House Judiciary Committee opened hearings on the school-prayer issue; he was "impressed by the fact" ---that these same individuals who oppose school prayer also---"manifest opposition to what we call patriotism". Now if condemning a portion of The Star Spangled Banner as unconstitutional is not opposition to patriotism I'd like to know what is! This is a perfect example in my un-trained mind of un-patriotic Americans. Call it what you like, but I call it un-patriotic. I also call it--manipulation of the legal law by compromising or abandoning the moral law. Girl Scouts and Boy Scouts are pledged to do their duty to God and Country. Are most of these not students in our Public Schools? what next? Change the Girl Scout pledge? This my dear parents and friends, is much food for thought.

Pool Contract Now Awarded

The Town Board has awarded the contract for completion of Bethpage Community Park so that some use can be made of the facilities this year, it was announced by Councilman Edward J. Poulos, Board Majority Leader.

This final of several contracts was awarded to Gifford Construction Co. of Melville at its bid price of \$201,991. The price was lowest among five submitted when bids were received.

Councilman Louis A. Sina, advocate of the park and pool on the Town Board, said that the work under this contract will include parking fields, baseball fields, general finished landscaping, and foot walks.

Construction on the pool is now underway.

Photo Contest At Roosevelt

Sketch pads and cameras will be greatly in evidence at Roosevelt Raceway this coming Thursday, Friday and Saturday,

April 30, May 1 and May 2, when artists and photographers will come to garner picture material for the Second Annual Art and Photography Competition which is being sponsored by the Westbury, L.I., harness racing track. During the three day "work" period contestants will be admitted to the grounds to do preparatory work on their entries which will be shown at Roosevelt at a special exhibit in July. In the event that the May 2 session is rained out, this part of the competition will be postponed until the following Saturday,

If You Please

By Peter Pettibone

An old Texan, attending an angler's banquet at Montauk, was slightly upset as speaker after speaker told tall tales of Long Island fishing. Finally, the visitor from the One Star state was asked for a few remarks. "Well, we don't have any fish in Texas worth braggin' about," he began humbly, then, holding his hands about 12 inches apart; "I never saw any bigger than that." He stopped briefly, surveyed the fishermen blandly, and concluded: "Of course you have to remember that down in Texas we always measure our fish between the eyes." (Let's see the gang at Manhasset Bay Sportsmen's Club top that one.)...Ad in Port Washington Reporter: "Lost Female grey and black cat - Answers to the name of 'Chip' Call TU 3-8279." (A talking cat, eh?) ...A woman in a Syosset grocery store was shocked by the high price of apples. "They're high all right, Madame," said the clerk. "But that's because they're so scarce." The lady protested: "Why, just this morning I read in the paper that there was such a bumper crop down south that they're rotting on the trees." The clerk flabbergasted her with: "That's just it, ma'am, they're scarce because it does not pay to pick them." (A talking cat, eh?) ...I find television very educating. Every time somebody turns on the set I go into another room and read a book...Not all women drive like this, thank goodness: In heavy Hickville traffic I was edging past a lady driver who was trying to reverse into a parking space that was clearly too small. Suddenly her car swung out and bumped into mine. Flushed with exasperation, she leaned out of her window. "You could see I was going to do something stupid, she said. "Why didn't you wait to see what it was, you dope?"... Tip to the boys: When you toss a coin to decide who is going to buy a drink, let your friend do the calling. "Heads" is called seven out of ten. The simple law of average gives the man who listens a tremendous advantage... (Really)... News item: "Litter perfect. A stray alley cat wandered into the local post-office and gave birth to four kittens under the Special Delivery mail box. The quartet of kitty cats has the entire post-office crew's stamp of approval." (Mine too)... Man at restaurant table to waiter: "What's my offense? I've been on bread and water for two hours."... Move Theatre marquee: "Mother Didn't Tell Me" and "Father is a Bachelor"... Beautiful Kathy Eschmann will wed handsome Kenneth Starke. Hey, Kathy, a fellow named Dick Eschmann has a great band for your reception. He'll audition... Junior's Restaurant, new to Hyde Park, is one of the finest and most successful eateries ever on Long Island... Believe it or not. The poet Heinrich Heine bequeathed all his property to his wife on condition that she remarry immediately. "Because," said Heine, "there will then be at least one man to regret my death."... If You Please (A talking male cat, eh?)....

Any bidder, upon returning such set promptly and in good condition within thirty (30) days from bid date will be refunded his payment and any non-bidder, upon so returning such set within the same time period, will be refunded the sum of Thirty-Five Dollars (\$35.00).

Each bid must be accompanied by a certified check or acceptable bid bond in the amount of not less than five percentum (5%) of the bid and made payable to the Town of Oyster Bay.

The Town Board reserves the right to reject any or all bids in whole or in part, to waive any informality in any or all bids and to accept the bid or part thereof which it deems most favorable to the Town after all bids have been examined and checked. No bid shall be withdrawn for a period of 45 days after being publicly opened and read. In the event bids are rejected, or no bids are received, the Town Clerk is authorized to re-advertise for bids upon direction of the Supervisor.

Attention of Bidders is particularly called to the requirements as to conditions of employment to be observed and the minimum wage rates to be paid under the contract.

At Random

By Edward J. Van Allen

About 400 taxpayers were at last week's Hicksville School Board budget meeting. And from the tenor of what went on, economy-mindedness may spell disaster for the Hicksville school budget this year.

Oddly, Hicksville taxpayers recently okayed a building proposition that will cost, in principal and interest, an ultimate \$2,276,000 (without counting the cost of additional personnel to man the additional structures). They also approved a new administration building to cost an ultimate \$821,000, despite a recommendation that the capacious Nicholas Street School be converted into an administration building, which would have saved the district about \$700,000.

Even more oddly, the taxpayers approved the building proposition costing \$2 million-plus IN THE FACE OF A DECLINING ENROLLMENT in the district.

Is it any wonder that Assembly Speaker Joe Carlini wants to take the right to

vote away from school taxpayers altogether? The bloke probably figures that the taxpayers don't know how to vote anyway...

ALSO at last week's meeting, the School Board couldn't garner enough votes to approve seven teacher-resignations still hanging fire since the prior meeting, at which they caused quite a commotion. The lawsuit arising out of School Superintendent Donald Abt's rejection, without a hearing, of a teacher grievance, which apparently triggered the resignations, is slated to be heard in Mineola Supreme Court today..

THE COMMISSIONER OF EDUCATION'S law-man has ruled that William A. Bruno, Jr., embattled minority member of the Hicksville School Board, is entitled to put items on the Board agenda. Bruno has asked for the decision after he claimed Abt told him he could only put items on the agenda with the approval of the board, which is stacked five-to-one against Bruno.

There shouldn't be any question about the right of any school board member to put items on the agenda. This dirty

little business just shows the lengths to which Abt and the Board majority will go to emasculate the right of a duly elected representative of a school district to represent that district the best way he knows how....

SCHOOL BOARD MEMBER GEORGE KUNZ, of attempted suppression of freedom of the press fame, off on a junket to Houston, Texas, to attend some kind of school meeting -- at Hicksville School District expense, presumably...

A COURT OBSERVER looked at one of the new flags replacing the old 48-star flags in many Mineola court rooms and said acidly: "Why don't we take this flag over to the East Williston high school so we can have some of the kids spit on it?"

By the way, do you remember that question on the psychological test that asks: "Which is worse: Spitting on the Bible? Spitting on the American Flag?"

If you want to find out how and why kids become disrespectful to their own country and its flag, you don't have to probe very deeply or to look very far.

West Side Story May 6

Hicksville Senior High School presents West Side Story at 8:15 on the evenings of May 6, 7, 8 and 9. Hicksville is presenting the original Broadway Musical written by Arthur Laurents and Leonard Bernstein. The Wed. performance will be for the benefit of the PTA Scholarship Fund.

The director of West Side Story is Mrs. Karin DuBin, and the musical director is Mr. Thomas Butlice. Mr. Fred Szumigala is choreographer, and Mr. Charles Arnold is the choral director.

Among the members of the cast are: Vincent Holzer as Tony, Carol Rondeau as Maria, Steve

Ragusea as Bernardo, John Foley as Riff, Joan Peploe as Anita, Vincent Rocine as Chino and Kathy Walsh as Anybods.

Backstage personal include Ken Westerberg as stage manager, Evonne Kerner and Jayne Kelleher as student directors, and Bert Cottine as the scenic and lighting designer. The stage work is under the faculty supervision of Mr. Joseph Crucilla and is being accomplished with the cooperation of the newly organized Student Productions Union.

We hope that you will come and see it on either of the four nights, May 6, 7, 8 or 9.

Rosary Meets

The Our Lady of Mercy Rosary Altar Society, Hicksville, will hold its monthly meeting in the

Our Lady of Mercy School auditorium on Monday, May 4 at 8:30 p.m. By popular acclaim Father John Mariano will be guest speaker for the fourth time. His popularity is indicated by the past overwhelming response and anyone who has missed Father Mariano's previous talks is well advised to attend.

TRICKY SLOGANS AND HOLLOW PROMISES MAY SOUND GREAT BUT TRUTH WILL OUT!

Excerpt from a TEACH pre-election sheet . . . published in April 1963, when they sought control of the School Board:

"Our school system is faced with dissension, demoralization, and eventful disaster."

**THE TRUTH: TEACH HAS HAD CONTROL OF THE BOARD SINCE JULY, 1963
RESULT:**

- 1—The compiling of the largest school budget the district has ever known: \$11,434,871.
- 2—An increase to every taxpayer of 42 cents per 100 dollars of assessed valuation. (If Gov. Rockefeller had not allocated \$120,000 extra at the last minute, you would have been taxed at 57 cents per hundred dollars of assessed valuation.)
- 3—A 22 room addition to the High School . . . gym, cafeteria, and an Administrative annex. (The State School Planning Commission would not allow a new school to be built due to lack of sufficient increase in child population.)
The cost: \$1,595,000 The yearly interest: \$39,393.74
- 4—Freedom of the Press violated . . . a local paper denied paid school advertising because an editor wrote an editorial expressing disapproval of the Board's action.
- 5—Suppression of vandalism costs to the district.
- 6—An unrecognized grievance signed by 19 teachers . . . 7 of whom have already resigned. (All teaching in the English Dept., Sr. High School).
- 7—The spectacle of teachers forced to hand out pamphlets at the railroad station to call the public's attention to their many grievances.
- 8—While the School Board engages in creating a climate of immaturity; important school business comes to a standstill.
- 9—The determination of Board Pres. Jackson to "steam-roll" all of Supt. Abt's directives.

BE AWARE OF PRESENT CONDITIONS

The Board of Education, the Administrators, and all of the teachers should have a common interest to provide the best possible education for all pupils. A recognition of this common interest and purpose is a prerequisite to a successful educational program. Unresolved strife detracts from the educational program.
