Entered as second class matter in the Post Office, Hicksville, N. Y.

Vol. X, No. 79

PRICE 10 CENTS

Thursday, May 13, 1965

Once again the Hicksville Lions Club is arranging a "Hicksville Mets Night" at Shea Stadium, as they have done for the last several years.

The date is Friday, June 11 and the Mets will be taking on the Los Angeles Dodgers. The price is only \$5.00 which will include a reserve mezzanine seat plus transportation to the Stadium and return. This year, however, instead of the usual chartered bus, the Lions have been successful in obtaining an entirely reserved non-stop train which will leave the Hicksville railroad station about 6:30 p.m.

Tickets may be obtained at any of the following stores in town:

Hicksville Firestone, 300 South Broadway; Goldman Bros., 192 Broadway; Sausmers Hardware, 70 Broadway; Hicksville Sweet Shop, 80 Broadway and the Broadway Sweet Shop, 538 South Broadway. Lets all turn out for a grand evening of excitement and enjoyment. Remember, June 11th is less than 3 weeks away, so order your tickets now at any of the above ticket agencies as the four game series is reported to be almost a complete sell out.

Not Everyone Wants State LIRR Takeover

Governor Rockefeller's plan to have the State take over the operation of the Long Island Railroad has met with equally mixed reaction on the part of the more than eleven thousand respondents to the Meadow Brook National Bank Community Opinion Poll for the month of April. The total vote showed 46.7 per cent in favor of the plan, 43.3 per cent opposed to it, and 5.0 per cent undecided. The figure released today by Jirah D. Cole, Jr., vice president and manager of the Bank's Hicksville office, showed that Hicksville voted 49.0 per cent in favor, 47.3 per cent against, and 3.7 per cent undecided.

Despite the problem in the State Legislature in passing a bill to raise the legal drinking age in New York State to 21, there was strong

support for the idea throughout the area. Locally the ballots showed 66.8 per cent for raising the age requirement; 32.2 per cent were for retaining the present age of 18, and 1.0 per cent were undecided.

The increasing cost and competitive need for higher education is bringing with it a loud cry for tax relief by making college tuitions a fully tax deductible expense. In Hicksville 84.5 per cent favored such an idea, while 14.2 per cent were opposed to it, and 1.3 per cent were undecided.

Win or lose, it is the Mets over the Yankees in number of fans in most areas of Metropolitan New York and Long Island. Here the Mets received 59.9 per cent of the vote; the Yanks 26.6 per cent, and 13.5 per cent had another choice or preferred another sport.

Spring Concert, By Rec. Dept.

The Hicksville Recreation Department announces the annual Spring concert of the Hicksville Community Chorus. This group is finishing its third full session under the leadership of its director, William Golek. Sonia Gezarlian will accompany the chorus. The program will be presented on Sunday, May 16 at 8:30 p.m. in the Auditorium of the Hicksville Junior High School, located at Second Street and Jerusalem Avenue.

The program will consist of choral music by Hindemith, Brahms, Beethoven, Mendelssohn, Haydn, Handel and will end with a group of American folk songs. Soloists will be Stefanie Katz, Ned Portoghesi and Saul Wakelr.

Featured on the program will be recorder playing guest artists Persis Silverstein, Steven Silverstein, Ernest McClain and Gerald Burakoff. They will play a group of early pieces for recorder consort and will accompany the Madrigal singers from the chorus.

All are cordially invited to attend this concert. Admission will be free.

Rummage Sale

A Rummage Sale special will be held by the Bethpage Jewish Center on Friday, May 14 until 3 p.m. at 352 Broadway, Bethpage.

Homeowner Protest Gets Approval

It was homeowners day at Town Hall on Tuesday, but the Town Board said they had arrived too late for their protest to have meaning.

When a delegation of Hicksville homeowners descended yesterday on the Oyster Bay Town Board to complain about street paving problems, they found the board already had told the town clerk to advertise for bids to blacktop the area.

They stood by their 500 name petition, however, and urged the town board to speed the work along.

The area between East and West

Avenues and Old Country Road and Nwbridge Roads has been torn up because of the installation of storm drains, and residents say its alternately a "muddy" and "dusty mess."

The town board said bids for blacktopping the area - about a \$25,000 job - will be received May 27, and they hope the work will be done by early July.

Senior High Honors Teachers

May 18th has been proclaimed "Teacher Recognition Day" by Governor Rockefeller.

The Senior High School PTA will honor its teachers by serving them coffee and cake during the day.

THINKING IT OVER

By Robert L. Morgan

Voters are notoriously inconsistent with their selections. And inconsistency abounded last week as the voters rejected the library budget by only four votes but gave 3,627 votes to return trustee Elry Bean to the Library Board.

It may well be noted that if the number of people who voted for Mr. Bean had also voted for the budget he helped produce that the library budget would have been safely approved.

But in this inconsistency may be seen some sort of reasoning. The voters are not against the idea of a public library and they are not really against expanding it and making it a better facility for the community. Mr. Bean and his leagues on the Board have done. But the voters have one other thing fjrly well with this basic pattern, that is bothering them. This is the cost of the bookmobile.

Each year more and more money is allocated to the delivery of books in the area. When the bookmobile was first approved by the

Board of Trustees four years ago no one - at least few taxpayers had the idea that the cost would be \$30,000 and the cost has been climbing each year. With an area as big as Hicksville some case can be made for delivering books to some people who could not get to the library any other way, but the large scale service charge of a bookmobile should be eliminated in Hicksville. Emphasis should be on bettering the library itself and many people who use public facilities nowadays seem to be saying to the rest of the taxpayers is that they are doing the community a favor by using the library facilities or school facilities and they should be bribed into using them by special concessions. In this case it is free delivery. In the case of the schools it is the subsidized lunch.

If the library board would take this broad hint from the voters and forget about the bookmobile - except in hardship cases where some cheaper arrangement could be made, the library budget would go through easier each year.

Youth Dream Comes True With Chemicals

By C. A. DEAN, M.D.

Mediorial: If humans accepted the effects of time calmly there would be little or no need to counteract progressive body changes. But humans refuse to look placidly on the erosion of a youthful appearance and its replacement by a decrepit, unsightly, wrinkled skin. Grudgingly and understandably, we all try to keep our grasp on youth and search for the miracle substance to stem the tide of time. Health foods, rejuvenation creams and cosmetics are enjoying phenomenal success because of this.

To date science is still looking for a way to reverse time and restore youth to the older person. Even though this is so there are some measures that can be taken to improve the appearance of aging skin.

One of the methods involves the use of a chemical, phenol, for removing wrinkles and superficial scars.

Phenol is a toxic caustic chemical. It must be used in the proper concentration and mixture to avoid serious effects on the skin in particular and the body in general. When this mixture is applied to the skin it causes coagulation of the superficial layers. As this peels off in about 2 weeks a tightening of the underlying skin occurs, resulting in a diminution or obliteration of wrinkles. When successful, a marked change in appearance is noted.

This method has merit, since it can be done as an office procedure, is only moderately uncomfortable and most cases require little or no narcotics and anesthetics.

Gas Warfare And Windy Rhetoric

By RUSSELL KIRK

To spare the lives of civilians, American forces in Viet Nam have used nauseating gas, tear gas, and similar chemical agents. A show of indignation has been made by six "liberal" Republican congressmen, six Labor members of parliament, and an odd array of other self-proclaimed humanitarians - including of course, the Communist propagandists.

Now, really would these self righteous protesters prefer being shot, bombed, set afire by napalm, or otherwise extirpated, rather than being nauseated? Save me from their tender mercies! It is interesting to note that they have not objected to the use, during the same fights, of phosphorus anti personnel bombs, a much more terrible "chemical warfare" weapon on the flaming fragments of phosphorus consuming the clothing and flesh of the enemy.

Since the first World War, deadly poison gases have been used only once or twice by the Italians in Abyssinia, and recently, it is charged by the Egyptians in the Yemen. Yet the powers have refrained from

"toxic agents" not primarily because gases are horrible, but because gases are inefficient in warfare. (Surely gas is not more dreadful than napalm and other incendiaries, let alone atomic bombs.)

Twenty years ago, this commenorator was a sergeant in the Chemical Warfare Service, experimenting with phosgene, mustard, and other gases at Dugway Proving Ground, in the Great Salt Lake Desert and in the Whitlacochee Land use Area, near Bushnell, Florida. During four years of large scale testing, though several of our men were seriously injured, we suffered only one fatality - an elderly civilian consultant who drove through a field of phosgene with out putting on his gas mask. Properly equipped and instructed troops are virtually immune to gas.

Easily dispersed and neutralized by wind and rain, poisonous gases are not a very effective defensive weapon. An army on the offensive cannot employ them, since its troops would have to advance through their own gas field, often. So only when employed against an

unprepared enemy by bombing from the air are such devices really onably useful.

The nonlethal gases used in Viet Nam are meant to make easier the rescue of captured soldiers and civilians, without permanent harm to civilians in the vicinity. This is a relatively humane tactic. In the same forests of Viet Nam, American and South Viet Namese planes have been dropping a most formidable new bomb that sprays deadly little metal darts over a wide area; but no one has set up a howl about this device.

Would Representative John Lind say, and his little band of "liberal" Republicans, prefer that police shoot rotters in American domestic disturbances, rather than discouraging them with tear gas? If not, their stand on gas in Viet Nam is scarcely consistent. And if their protest is calculated merely to embarrass the Johnson administration, it is a despicable political ploy giving countenance to the Communists who pretend to be similarly outraged.

Bicycle Safety Inspection Officials Post at start of this 1st program sponsored by Plaza Merchants Association in cooperation with Nassau County Police Department and the 4-H Clubs of Nassau County. Events were held outdoors adjacent to the Twin-Theatres beginning at 11 a.m. until 1 p.m. Over 50

youngsters arrived early with their bikes and received tests on bicycle safety and inspection of equipment by Nassau County Police Department Safety Division and 4-H Clubs. Brand new bikes were awarded after completion of event. Winner of the 25" Bicycle donated by Gertz Mid Island Plaza was Steven Vis-

nest, 155 Ohio Street, age 8 who attends Burns Avenue School. The 22" bike was won by Bobby Caruso, 324 Richard Ave., Hicksville and awarded by S. S. Kresge Co., Mid Island Plaza. Bicycle lighting equipment donated by J. J. Newberry was won by Connie Nerrick, 178 West Mario St., Hicksville.

Keep freedom in your future with **U.S. SAVINGS BONDS**

truck drivers or hair-dressers? newlyweds or grandparents? city folks or farmers?

Who buys more Savings Bonds?

As statistical-minded as we are today, the Treasury Department can't answer that question.

The Treasury *does* know that U. S. Savings Bonds are owned by tens of millions of families. So it might be safe to assume that people in every walk of life belong to this "savings club."

This is a happy fact for the United States, and for the free peoples of the earth. For Savings Bond dollars are playing an important role today in the making of history.

This \$46 billion reserve in the government's hands is working hard to

day to help our country in the major struggle to defend freedom.

At the same time, Savings Bonds help build your personal purchasing power by paying good interest and providing a method of saving that's unconditionally safe and readily cashable. And the higher your purchasing power, the better it speaks for our system.

It all adds up to one of the best ways you can save money and at the same time help your country. Start buying Bonds next payday—through the Payroll Savings Plan where you work, or from any bank—and see if you don't feel pretty good about it.

Quick facts about U. S. Savings Bonds

- You get \$4 for every \$3 at maturity
- Your Bonds are replaced free if lost, stolen or destroyed
- You can get your money anytime

PBC Promotion. Parents Night

On Friday, March 26, the Hicks-ville unit of the Police Boys Sub Nautical Cadets promoted adet Office Vincent Giansanta, to the rank of Ensign.

Vinney started with the P.B.C. at the age of 13 when he played the bugle with the summer band. After the summer, Vinney became a boot, and when his training was finished, he started working with the baton.

Vinney has served through the ranks of the Drum and Bugle Corps and has distinguished himself as the Drum Major.

During his five years as Drum Major, the Corps has taken many trophies and awards throughout Nassau County in Jr. competition. The most outstanding event in Vinney's tour of duty with the Nautical adets, was his receiving the "Cadet of the Year" award for the 1963-64 tour.

Vinney works with the boys of the band, teaching and instructing them on the instruments and felling procedure. They can all learn a lot from him. He is a fine young man who is an asset to the P.B. He is hard working and dedicated to the organization.

Once again, congratulations Vinney on a job well done.

Anyone wishing to see Vinney and the Drum and Bugle Corps and other cadets in action, is most cordially invited to do so on May night. It will be held at the Hicks-ville Senior High School at 8 p.m.

It should be a most interesting evening. All the cadets will demonstrate the things they have learned during the 1964-65 tour. There will be a skit performed by the boys in communications and medics and other cadets will show what they have learned in first aid, marching, knot tying, etc. The band will perform and play several numbers. The main event of the evening will be the "Cadet of the Year" award presented to the most outstanding cadet. The honored guest will be Lt. Esposito from the U.

States Coast Guard.

Please try and come to see these fine young boys and men go through a full battalion drill. It will make the boys feel very good to see a good turnout of parents. It will show them we do take an interest in the youth of our town. They and the adult sponsors work long hours for this very fine organization. The adult instructors have watched many boys start out as boots, go through the ranks and leave to go on to fine positions in the services and other walks of life. They certainly should feel a sense of pride, knowing they had a small part in helping to build the characters of these fine young citizens. They know "it is better to build boys than to mend men," therefore, they are very willing to come and work with the boys of our area every Friday night. May 14, you will witness the finished product of many weeks work. You are most welcomed, and it will prove to be an evening very well spent.

Letters

To the Residents of Hicksville:

I wish to thank the many fine, responsible people who supported me in my campaign. To the gentle man who was my running mate; to those who aided in distributing literature; to those who offered hospitality and introduced us to their friends and neighbors; and to those who voluntarily contributed financial aid, I extend a deep heartfelt "thanks." I can only hope that someday I will be able to serve you in return.

To the winning candidates, I extend my best wishes. Since I shared the platform with these gentlemen and listened intently as they spoke, I will be anticipating the fulfillment of their campaign propaganda.

To the Republican element who used George Kunz to detract from my vote; to those who voted their prejudices; to you go the honors for having betrayed your educational system into the hands of one element, who will control the Hicksville Educational System for the next two years. This element will serve one group, one interest, and will pursue one goal - the destruction of a small middle class town.

Since 1963 I have observed the death of Freedom of the Press, have observed that our children who are guaranteed "equality" under our constitution do not receive

equal education in Hicksville, although their parents are taxed equally. Now I have witnessed the death of "democracy."

Since 1960 - 61 the school budget has soared from \$7,956,404 to the present \$12,462,408. An increase of \$4,506,004. At present the cost of educating a child in Hicksville is higher than the New York State high of \$790 and that is the highest in the nation. Hicksville tops this figure by \$156.

Since 1961 we have been told that the pupil enrollment had suddenly started soaring. We were urged to build more and more to accommodate the sudden overflow of children. After investing \$8,000 in a search for the truth, we ignored the truth and built still more. In 1960 the pupil enrollment was 12,813. In 1964 it was 13,281. An increase of 468 pupils. We are indebted until the year 1989 for our present school buildings.

We employ a work force both professional and non-professional that equals that of the federal government. And for the same reason. Now we will open a new area of employment, and in the next budget the mandated portion will be just that much larger.

Many of our fathers presently hold two jobs to make ends meet, and many mothers have had to seek work outside their home for the same reason. After the next tax

increases, many who live here will not be able to continue doing so. Who will take their place?

Today I am gratified that there are so many more people who have had their eyes opened to the truth. Accurate, documented evidence counteracted the lies which abounded these past few weeks. If true information can be given to more of the community perhaps there is still hope for the future. If not, there will be a day when outraged, overburdened residents will enter a booth and pull all the "no" levers. On that day "education" will also die in Hicksville. Considering that Parents and Residents, is just one year old and boast a small membership, the results were most gratifying. Add the 1826 which I received to the 667 drawn off by Mr. Kunz, and the total is 2,493. Mr. Goldberg received 2819. The difference - 326 votes. Consider that a small housewife went up against TEACH, the Republican Party and the TEACH dominated PTA. They definitely have a crack in their supposedly impregnable armor.

We have made new friends, have added to our membership, are solvent and look forward to the next campaign.

With best wishes,
Florence Infantino

'Birdie' Comes To Life As The 'Kids' Score

By Howard Finnegan

An attractive and talented company of one hundred Hicksville High students took the satirical rock and roll journey to Sweet Apple, Ohio, four nights last week to the delight of 3,700 paying customers. Rolls of applause greeted each energetic performance in the spoof of present day youth, but the Hicksville presentation of "Bye Bye Birdie" will be remembered as much for the creative staging, set design and lighting.

In many ways it was the most ambitious stage production undertaken since Principal Leon G. Gallows first gave the students confidence and permission to produce a full score Broadway production. It took a dedicated crew of more than 70 to keep the show moving. The set designs of Bert Cottine were inventive and colorful. Their mobility was appreciated by the audience.

Once again it was the command of the Hicksville High Orchestra which accomplished the major craft under the direction of Mr. Thomas Buttice. The entire production was directed by Mr. Joseph Crucilla. Student director was George Devaux and Vinny Piacenti was the stage manager. Choreographer was Mr. Fred Szumigala assisted by student Lynne Cohen.

Starring roles were handled by Miss Lynn Stephan as Rosie and Mr. Bruce Ulmer as Albert. Their engaging interpretations were greeted by standing ovations at curtain call time. Miss Nancy Portohese was Kim and Bob Hendrickson was Conrad Birdie. Ruth Weill and Peter Orton were Kim's parents and Judy Schlegel was the lamenting Mae Peterson. John Scarola was consistently likeable as the frustrated Hugo.

Miss Stephan who will enter the New York School of Visual Arts this fall, had three outstanding song and dance numbers and the entire company joined Mr. Hendrickson in the rousing "Sincerely." Mr. Orton built his part with considerable glee and hit the high spot with "Kids!" Mr. Ulmer scored best in "Put on a Happy Face" and "American Boy."

However, it was the overall zest of the entire company that made the production soar. It was surprising accomplishment for the school to come back in one short year after its stunning and poetic "West Side Story" to marshal a second memorable endeavor.

A Letter to Hicksville Residents:
As a taxpayer who was strongly against the budget I wish to say "thanks" to the many who joined with me.

It is more apparent than ever that many Hicksville residents who are unaware of what is going on. For this reason, from time to time, I will do my bit to aid in correcting the condition. Let us examine one of the out of this world items that was discussed at the last school board meeting.

I watched and listened with disgust as our honorable school board members fought for over an hour to deny a four and half year old child transportation. But when Supt. Abt requested that Mr. Robbins, principal of Dutch Lane School be granted a years leave of absence at half pay these same men could not vote "yeah" fast enough. Mr. Robbins will be studying "The Neurosis of Principals?" As Mr. Johnson stated: "I thought that only school board members suffered such conditions!"

Mr. Johnson, who in past years fought the upgrading of custodian's salaries, moved a motion that will pay Mr. Robbins \$7,000 in outright salary, and then moved that his leave be worked out in such a manner as to provide additional money for work provided during vacation time, when the school is closed. Mr. Robbins will work 20 days in July (not 8 hours daily) and will receive \$1,440 or 70 dollars today. Next July he will work the same 20 days at a much higher salary. The cost to the Hicksville taxpayer, over \$10,000 for negligible services. Meanwhile his assistant will be moved up at a higher salary and a new assistant will be hired.

This entire procedure is part of a new policy enacted by the irresponsible school board members who continue to flaunt their disregard for the Hicksville taxpayer. In past years teachers working at much lower salaries had to take leaves for pursuit of higher education without one bit of financial help. These people were taking their degrees in a specific field of education, and were in a position to help our students with their newly acquired knowledge. Mr. Robbins will take his work in the field of administration. Our children will not benefit from his contribution in any way.

While Mr. Robbins is completing his doctorate in a non educational subject, he could start looking for a superintendency. I am sure he would have no trouble in finding one, as there is still an open market at the P.H.D. level. It is quite possible that our school board will have spent all that money for nothing.

Our children still must use obsolete or defective textbooks, or must purchase their own; typewriters remain broken or totally lacking and tiny children are left walking, unprotected, because these children live on the other side of a line.

I know where our school tax dollars are going. Do You?

"What makes MEENAN so special?"
"I can trust MEENAN"

Meenan's for me because I can depend on them. I can count on them to do the job and they never let me down. I don't know a thing about oil burners—I just want mine to keep working and the house to stay cozy and warm! Meenan keeps the oil tank filled. Meenan services the burner. Meenan comes right away whenever we call them. Their men are courteous and their service is tops. Really, I trust them completely. It sort of gives me a feeling of security to know that they care.

has announced that Tuesday, May 25, is the final day that the public can cast its ballot in the 1965 Miss Diner Waitress Contest. The winning waitress will be crowned and keted at the 13th annual dinner dance of the Nassau and Suffolk Dining Car and Restaurant Owners Association to be held at Leonard's in Great Neck on June 17. Mr. Maliangos is a director of the Association which is sponsoring the contest.

Over 20,000 ballots have already been cast in the two-county area, according to Mr. Maliangos. The voter who submits the best slogan wins a weekend for two in the Bahamas. Besides the Embassy Diner, polling places are located in diners and restaurants throughout Long Island that belong to the 25 year old Association.

Carroll Baker, portraying a Quaker school-teacher on an Indian reservation, evades the attentions of Richard Widmark, as a cavalry officer, in this scene from "Cheyenne Autumn." John Ford's newest Western epic comes to the Hicksville Theatre on Wednesday, May 12 at popular prices direct from its reserved seat run. Besides Wid-

mark and Miss Baker, the Warner Bros. release in Technicolor-Panavision stars James Stewart, Edward G. Robinson, Karl Malden, Sal Mineo, Dolores Del Rio, Ricardo Montalban, Gilbert Roland and Arthur Kennedy. Bernard Smith was the producer of "Cheyenne Autumn."

Letters

Open Letter to the Public:
 For the two weeks, preceding Memorial Day, May 17 - 30, members of the Veterans of Foreign Wars and Ladies Auxiliary will go forth on the streets of our community once again to offer a generous public the V.F.W. Buddy Poppy. This is the little red symbolic flower of remembrance that tells the story of those who made great sacrifices on world wide battle fields and our obligation to them.

The Buddy Poppy is the symbol we use to ask the public to "remember those who can't forget." This symbol is enhanced by the fact that it is assembled by disabled veterans in VA homes and hospitals all over the country. These men receive a nominal wage for their labors and are proud to perform this annual task. Members of the VFW and their Auxiliaries sell the little flower of flanders with added pride because they know these veterans so richly deserve the small measure of financial assistance the Buddy Poppy assembly program provides.

This annual drive also aids veterans confined to VA hospitals. Here again, the pennies raised by the Buddy Poppy drive provides small gifts and personal requirements that help make hospital life more bearable.

Then again, one cent from the sale of each Buddy Poppy goes to support the VFW National Home, an internationally known and respected child welfare project. These pennies provide for the happy childhood and adult life of hundreds of boys and girls who thrive and prosper

Bethpage Girl Scout News

Sixty-one Mid Island Girl Scout Troops will, along with Nassau Council Girl Scout Troops receive new troop flags at the annual Abraham & Straus Flag Presentation to be held on Sunday, May 16, at 2:00 P.M. in the west parking field of the Hempstead A & S store.

The colorful program will include flag ceremony, featuring the Mid-Island Council International Flag Girl Scouts Corps and the music of The Ascots, well known Boy and Girl Scout Band. Congressman Wylder of Garden City will give the keynote address and Mr. Turner Davies of A & S will present the flags to the troops.

The program has been coordinated by Mr. Jennings Dennis of A & S, and Mid Island and Nassau Girl Scout Councils. Representing the two Councils will be Mrs. Robert Stretton, Mid Island Council President and Mrs. Nelson Wendt, Nassau Council President.
